

## The ultimate husband in Chinese chapter 5101-5110

### Chapter 5101

is the token that Gu Sanniang gave to Yue Feng before, which symbolizes the supreme power in the Four Seas Alliance.

The reason why Yue Feng is so confident is because he has this token in his hand. After all, Hao Dashuang is only a hall master of the Four Seas Alliance.

Um?

At this time, several of his subordinates had already raised the long knives in their hands, but they were all stunned when they saw the token in Yue Feng's hand.

At the same time, Hao Dashuang was also shocked, and couldn't help shouting: "Go back, you all go back." After saying that, he walked over quickly.

Hearing the order, several of his subordinates stepped aside.

what's the situation?

Leng Yue, who had been watching from the side, frowned and was very puzzled.

Isn't this person just an ordinary mountain person? How could this Hao Dashuang be so excited when he saw what he was holding? Could it be that this person has another identity?

"You..."

At this time, Hao Dashuang had already walked in front of Yue Feng, staring at the token in Yue Feng's hand, with a complicated expression and a very surprised tone: "Where did you get this token from? What?"

When speaking, Hao Dashuang tried his best to restrain his excitement. You must know that this token is too familiar to him. This is the token of the chief leader Gu Sanniang, which symbolizes Gu Sanniang's supremacy in the Four Seas Alliance.

And now, how can he not be surprised when he is in the hands of this kid in front of him?

Haha...

Seeing Hao Dashuang's shocked look, Yue Feng showed a smile, his face was calm, and he responded slowly: "This token was given to me by your chief Gu Sanniang, by the way, my name is Yue Feng."

This chapter is provided by . Visit for daily update.

Yue Feng?

Hearing this, Hao Dashuang was shocked, stared at Yue Feng blankly, and was speechless for a while.

Is he Yue Feng? The VIP Gu Sanniang said?

A few seconds later, Hao Dashuang squeezed out a smile, indescribably polite and complimenting: "Oh, so it's Mr. Yue. It was really flooded with the Dragon King Temple just now, and the family doesn't know each other."

Hao Dashuang said, He hurriedly saluted: "Hao Dashuang, the head of the Beiling branch, has met Mr. Yue."

At this time, Hao Dashuang was polite and a little nervous.

Who does not know in the entire Four Seas Alliance, Yue Feng is Gu Sanniang's VIP, and he almost hurt him just now, if Gu Sanniang knew about this, ten heads would not be enough to chop off.

Now I can only hope that Yue Feng, who is in front of him, can be a lot of adults, so he doesn't care about himself.

What?

Seeing this, the big men around were also stunned.

This person is Gu Sanniang's VIP, Mr. Yue?

At the same time, Leng Yue, who was tied to the side, had a messy mind. This person had no strength at all, yet he had such a high status in the Four Seas Alliance, and looking at it, he seemed to be a friend of Gu Sanniang. Otherwise, Hao Dashuang would not be so polite to him.

At the same time of astonishment, Leng Yue was also extremely ashamed and angry.

I thought that my arm suddenly went numb just now, it was an accident, but now it seems that it was all the ghost of this person. He pretended to be a mountain person, and when he hugged me, he secretly used some means to cause my long sword to fall to the ground. ..Leng

Yue, as a saint of the Red Clothes Sect, is talented and intelligent, and at this moment she realized that she could be caught, and it had nothing to do with this Yue Feng.

When she thought of being hugged by Yue Feng just now, Leng Yue was even more ashamed and angry, her eyes were staring, and she wanted to swallow him alive.

“Senior Hao, don’t be too polite.”

Feeling Hao Dashuang’s uneasy mood, Yue Feng smiled slightly and waved his hand: “It’s not strange for those who don’t know, I just happened to pass by.”

Huh!

Seeing him say this, Hao Dashuang breathed a deep sigh of relief and said with a smile: “If you say that, I really have a relationship with Mr. Yue, haha...Tangkou is not far away, Mr. Yue will go back with us and have a drink. Saliva, rest for a while.”

Yue Feng nodded, and walked towards the entrance of the hall under Hao Dashuang’s warm invitation.

Leng Yue was followed behind by those big men.

Along the way, Yue Feng could hardly laugh or cry when he felt Leng Yue’s hostile gaze behind him. This woman must think that I and the Four Seas Alliance are the same raccoon dog.

But think about it carefully, Leng Yue’s arrest has a lot to do with herself.

Chapter 5102

Forget it, go to the hall where Hao Dashuang is located first, and then plan carefully.

Yue Feng also knew in his heart that it was not impossible to directly order Hao Dashuang to release Leng Yue in his own capacity.

More than ten minutes later, Yue Feng and Hao Dashuang returned to the Tangkou station.

This Tangkou resident, deep in the mountains, is a cottage with a complex surrounding environment, which is easy to defend and difficult to attack.

“Hall Master!”

When they approached the gate of the stockade, several guards who were there quickly greeted them. At the same time, everyone’s eyes were also attracted by the bound Leng Yue.

Beautiful, what a beautiful woman.

Although Leng Yue was tied up with five flowers at this time, and her face was frosty, she couldn't hide her alluring appearance, especially her charming curves, which made all the men in the hall straight.

Speaking of which, the members of the Four Seas Alliance are either robbers from Jiangyang or the villains who have been expelled from the major sects. It can be said that most of them are extremely vicious people. These people do not understand gentlemanly manners at all, especially when they encounter Beautiful women, all eyes are very presumptuous.

call!

Feeling the eyes of everyone, staring at herself unscrupulously, Leng Yue seemed to be greatly humiliated.

The dignified red-clothed saint was caught in the altar hall of the Sihai Alliance, and was stared at by a bunch of stinky men. If this matter spreads to the rivers and lakes, the fame and festival will be ruined, and how will I see people in the future? ?

In shame, Leng Yue's hatred for Yue Feng deepened.

It's all this bastard, not him, and I won't be caught. If there is a chance to escape, I will be the first to kill this bastard.

"Everyone!"

Just when Leng Yue was embarrassed and angry, Hao Dashuang looked around and introduced with a smile: "Today is a big day for us, not only did we capture the saintess of the Red Clothes Sect, but even Sanniang's VIP, Mr. Yue is also here."

After saying that, Hao Dashuang looked at Yue Feng with a look of compliment: "Mr. Yue, it is my Hao Dashuang's honor to have you come to our hall, I will prepare the wine and food later, I hope Yue Sir, can you give me some thin noodles, so that my brothers and I have the opportunity to give you a few cups."

"Tang Master Hao is very polite." Yue Feng responded with a smile.

Hao Dashuang smiled humbly, then looked around, frowned and said, "What are you doing? You still don't show respect to Mr. Yue ?

" Yue Feng smiled and nodded and greeted everyone. Afterwards, Hao Dashuang invited him into the hall of the hall, while Leng Yue was tied to the pillar in the hall. Soon, under Hao Dashuang's arrangement, the people below prepared a sumptuous banquet. , is naturally arranged in the theme. "Haha!" Hao Dashuang was in a good mood at this time, and he took the lead to raise his glass and smiled at Yue Feng: "When Sanniang issued the order before, I admired Mr. Yue, but I didn't expect to be

lucky enough to meet today, come here. , let me toast you.” The voice fell, and other small leaders around also toasted Yue Feng. Yue Feng was not polite, he picked up the wine and drank it in one breath. But while drinking, Yue Feng couldn’t help looking at Leng Yue who was tied to the pillar, and saw that her face was still angry, but her eyes showed a bit of despair. Before I knew it, I had been drinking three times.

At this time, Hao Dashuang offered another glass of wine to Yue Feng, and then glanced at Leng Yue, his eyes flickered, as if he was thinking about something.

In the next second, Hao Dashuang turned to Yue Feng with a face of ingratiating expression: “Mr. Yue, heroes and beauties have been together since ancient times. Today, I am fortunate enough to meet Mr. Hao Dashuang. I have nothing to express, so I will present this saint of the Red Clothing Sect as a gift. Give it to sir.”

Having said that, Hao Dashuang looked at the sky outside and continued: “When the banquet is over, I will send this saintess of the red-clothed religion to the back room and let Mr. Yue enjoy the tenderness of beauty, haha. ..”

When he said this, Hao Dashuang took a deep look at Leng Yue’s charming curve. Speaking of which, who wouldn’t want to enjoy such a charming beauty? But Hao Dashuang knew in his heart that if Yue Feng could be favored by Gu Sanniang, there must be something special about him.

## Chapter 5103

It is absolutely worth it to use a saint from the Red Clothes Sect for better development.

Whoa!

The voice fell, and the little leaders present all echoed and agreed.

“The hall master is right. Only Mr. Yue is qualified to enjoy this kind of beauty.”

“Yes, it is her honor to serve Mr. Yue.

” Non-stop on Leng Yue’s body, wandering freely. They are not good, there is no lewd.

But like Hao Dashuang, they also knew in their hearts that there would be many benefits in the future by dedicating the saintess of the Red Clothes to Yue Feng.

“You gang of shameless people...”

Seeing this situation, Leng Yuejue’s beautiful face instantly flushed red, her delicate body was trembling with anger, she couldn’t help shouting, “You better let me go. Otherwise, I will tell you to die without a burial place.” After

speaking, Leng Yue tried to break free, but the acupoints were blocked, and her hands and feet were tightly bound, which was completely useless.

Ha ha...

In the face of her anger, Hao Dashuang did not panic at all, and said with a proud face: "Tsk tsk... You are now a mud bodhisattva crossing the river, and you can't protect yourself. How dare you speak madly at me? I'll let you go. , do you think it's possible?"

"I advise you to think about it, how to serve Mr. Yue later, haha..."

Hearing this, Leng Yue was so anxious that she almost fainted.

"Mr. Yue!"

At this time, Hao Dashuang said to Yue Feng with a flattering face: "It's almost time, sir, rest, I'll send the beauty over later."

After speaking, Hao Dashuang deliberately approached a few minutes and lowered his voice: "Don't panic, sir, this woman has been acupuncture points by me, so she won't do anything to the husband, just enjoy it, hehe..."

At the end of the story , Hao Dashuang's face is full of wretchedness.

Yue Feng smiled, but did not respond.

Swish!

At this moment, Leng Yue's gaze, like a sharp sword, locked on Yue Feng tightly.

This person is despicable and cunning. If he takes away his innocence, he might as well die.

Leng Yue's hostility, Yue Feng pretended not to see it, but took a deep breath and smiled at Hao Dashuang: "I understand the kindness of Hall Master Hao."

Uh...

Hearing this, Hao Dashuang was stunned for a moment. , asked inexplicably: "Don't Mr. Yue like beautiful women?" This Leng Yue, but the saint of the red dress, is known as a ruthless fairy in all corners of the world. Know how many heroes of the arena have been fascinated.

And the Mr. Yue in front of him doesn't seem to be interested in her at all, which is really incomprehensible.

At the same time, the little leaders around also looked at Yue Feng in astonishment.

Yue Feng smiled slightly, glanced at Leng Yue lightly, and said lightly: "Speaking of which, this woman does have a bit of beauty, but in my eyes, it's just average, and she really has no interest."

When speaking, Yue Feng had a proud look on his face.

Yes, Yue Feng did this on purpose. After all, he was Gu Sanniang's VIP. If he behaved too lewd in front of Gu Sanniang's hands, it would be a bit inconsistent with his identity.

More importantly, along the way, Leng Yue had been looking at Yue Feng with hatred, that cold look made Yue Feng very upset, and she deliberately teased her at this time.

What?

Hearing these words, both Hao Dashuang and those little bosses were dumbfounded.

The famous 'ruthless fairy', with such an alluring appearance, was actually described as ordinary by Mr. Yue in front of him?

Swish!

At the same time, Leng Yue was also shocked, staring at Yue Feng, unable to hide her anger.

The dignified red-clothed saint, with a shy and shy flower appearance, is like a fairy coming down to earth, no matter which man sees it, he will be fascinated, but when the man in front of him speaks, it is just ordinary?

Leng Yue is a woman after all, if Yue Feng showed a lecherous side, she would only have disgust in her heart. But he said that his appearance was average, and his self-esteem was like being despised, which was simply unbearable.

"Uh..."

At this time, Hao Dashuang was the first to react, and said to Yue Feng with a face ashamed: "Mr. Yue is well-informed, and naturally he has read countless women, so he is naturally averse to such vulgar fans. I can't see it."

Chapter 5104

"However, in my hall, all of them are big and rude. The only one who can do it is this saint. Please ask Mr. Yue to pay attention to it."

When he said this, Hao Dashuang's eyes were full of complexity.

To be honest, Hao Dashuang was very surprised that Yue Feng refused to enjoy Lengyue. At that time, an idea popped into his mind, that he would enjoy it by himself, but he gave up.

After all, Yue Feng is the guest of honor of the chief leader, and he finally came to his hall.

So Hao Dashuang made up his mind, even if Yue Feng didn't like Lengyue, he couldn't enjoy the tenderness of beauty alone. This is an attitude towards life.

This...

Seeing him say that, Yue Feng scratched his head and looked embarrassed.

The next second, Yue Feng looked around and said with a smile: "The hall master is so kind, it's hard to refuse, but when I dealt with this saint just now, many brothers around me participated, and it seemed that I had the beauty to myself. It's a little inappropriate."

"Why don't we do it like this, let's have a drinking competition later, whoever wins in the end will enjoy the saintess of the red dress. How?

" with the audience.

Whoa!

At this moment, the entire hall was in an uproar, whether it was Hao Dashuang or the little bosses around, they were all astonished and excited at the same time.

"Is this okay?"

"Mr. Yue is really not an ordinary person. This proposal is very good..."

"Haha... If so, wouldn't everyone have a chance?"

Under the discussion, Hao Dashuang couldn't help laughing, and complimented Yue Feng: "Mr. Yue wants to let go of a beautiful woman, so it is really admirable."

You know, this Leng Yue is a stunning beauty, and Yue Feng let it out without hesitation, which is really admirable.

Swish!

But Leng Yue, who was tied there, was in a hurry and almost fainted. At the same time, she stared at Yue Feng fiercely.

If the eyes can kill, I am afraid that Yue Feng has already died thousands of times.

At this time, Leng Yue was burning with anger, as if she had been greatly humiliated.

This bastard, Mr. Yue, can't appreciate my beauty. He even proposed to let everyone win the wine. Whoever wins can enjoy me... I am a saint of the red dress, when did I receive such a thing? humiliation?

Under the anger, Leng Yue fiercely swore in her heart.

If you can escape by chance today, everyone here must be killed, and none of them will be left.

Leng Yue's vicious gaze, Yue Fengzhi pretended not to see it, picked up a wine jar at this time, and looked around: "It seems that everyone is very interested, come, since I proposed this rule, I will leave it to me. Come to check, who will challenge first?" His

voice was not loud, but he was full of pride.

Whoa!

The voice fell, and many people stood up one after another, and they were about to fight with Yue Feng.

"I'll..."

"You can't do it, I'll have to drink with Mr. Yue..."

"I..."

Amidst the shouting of the crowd, Hao Dashuang stood up confidently and said humbly to Yue Feng: "Mr. Yue is so interested, I, Hao Dashuang, will naturally give up my life to accompany the gentleman. Come, this first game, I will drink with Mr. Yue.

"When it fell, Hao Dashuang also picked up a wine jar, opened the seal at the mouth of the jar, touched it with Yue Feng, and then raised his head to drink.

"Tang Master Hao is really good at drinking."

Yue Feng said with a smile, raised his head and gulped down a jar of wine.

In just a few seconds in the blink of an eye, a jar of wine went down, Yue Feng's face did not change, and his eyes were even more radiant. You must know that he is the body of the Profound Sage, not only invulnerable to all poisons, but also immune to alcohol. As long as he secretly operates his divine power, let alone a jar, he will not get drunk even after drinking it for a day.

Huh...

Seeing this scene, the little leaders around looked at Yue Feng, stunned and shocked.

I can't tell, Mr. Yue looks thin, and he drinks so much. A jar of wine can be drunk in the blink of an eye?

Gudonggudong ...

At this moment, Hao Dashuang also drank a jar of wine. However, his face was flushed, and compared with Yue Feng's unchanged face, he was judged.

Chapter 5105

Yue Feng glanced at Hao Dashuang with a smile and nodded secretly.

After drinking a jar of wine in ten seconds, this Hao Dashuang's drinking capacity is not bad, but it's a pity that you met me.

Thinking to himself, Yue Feng showed a smile: "Section Master Hao? Go ahead."

After speaking, Yue Feng opened another jar of wine and poured it directly.

"Continue!"

Hao Dashuang nodded, opened a jar of wine, and drank it with his head up, but this time he only drank half of it, and he couldn't stand up, his body staggered, and he could fall down at any time.

Pfft!

Finally, Hao Dashuang couldn't hold it anymore, he put down the wine jar with admiration on his face: "Mr. Yue, you really drink well, I, Hao Dashuang, are willing to bow down."

Yue Feng smiled slightly, then looked around: "Which other brother, Come up to compare with me?"

"Me!" As

soon as the voice fell, the surrounding small leaders shouted in response.

Yue Feng is no nonsense, whoever comes up to challenge, just pick up the wine jar and drink it. In less than ten minutes, many leaders have been drunk.

"Haha."

At this time, Hao Dashuang sat there and looked at Yue Feng with admiration: "Mr. Yue is really huge. I, Hao Dashuang, really opened my eyes today."

After speaking, Hao Dashuang pointed to the bound Leng Yue on the pillar: "Mr. Yue, it seems that this is God's will, this beauty is still yours, haha..." The

voice fell, and the little leaders around also nodded. At the same time, I am also envious, but there is no way, who made this Mr. Yue so drinkable?

Ugh!

Yue Feng sighed with a wry smile: "The purpose of this fight is to have a good drink with you brothers, but I didn't expect that I would win in the end."

"Since it is God's will, then I But it's disrespectful."

When he said this, Yue Feng's face was still full of meaning.

Hearing this, Hao Dashuang and the little leaders around him were all depressed.

The ultimate goal of our drinking is to enjoy the tenderness of beautiful women. This Mr. Yue is good. He just wants to drink simply. It is really maddening to compare people.

Leng Yue is also embarrassed and angry.

This bastard, is he that bad? Interested in drinking yet?

"What are you doing?" At this time, Hao Dashuang waved his hand with a smile: "Go and bring the beauty to Mr. Yue." After the

voice fell, the two little leaders walked over, untied the rope on Leng Yue's body, and then It was brought in front of Yue Feng.

"Mr. Yue!"

At this time, Hao Dashuang pushed Leng Yue into Yue Feng's arms by taking advantage of the wine, and said with a big laugh, "A spring night is worth a thousand dollars, haha, Mr. Yue enjoy it." It's

so fragrant!

Yue Feng subconsciously wrapped his arms around Leng Yue's slender waist, only to feel a fragrant smell coming from his nostrils, and he was a little confused at the time.

However, upon meeting Leng Yue's hateful gaze, Yue Feng soon woke up and saw that Leng Yue's pretty face was frosty, and she wished to kill him like that.

Haha...

Is this woman going to be mad?

“Haha, Mr. Yue enjoy it.” At this moment, Hao Dashuang laughed loudly, and then asked two of his men to take Yue Feng to rest.

Soon, in a resting room at the back, Yue Feng carried Leng Yue, closed the door first, and then put her on the bed. The room was not far from the hall, and the constant noise of Hao Dashuang and others could be heard.

“You...”

At this time, Leng Yue was lying there, unable to move because of the acupuncture points, her eyes glaring at Yue Feng: “You despicable and shameless thing, if you dare to touch me, I want you to break it. The corpse is ten thousand pieces.” A

sentence, almost as if squeezed out of the teeth, revealed deep resentment.

What the hell!

Hearing this, Yue Feng was very speechless, and said with a smile at the time: “Okay, don’t call me, I have a lot of women, and I’m really not interested in you.”

He really wasn’t bragging. How many confidantes, Xiao Yuruo, Su Qingyan, Qin Rongyin...Which one is not the allure of the country?

Hearing this, Leng Yue trembled all over, so angry that she was speechless.

“Okay!”

At this time, Yue Feng was too lazy to talk nonsense, and said slowly: “We have no grievances and no grudges, I am responsible for your arrest, and when I untie your rope, you can go quickly, Hao Dashuang, they all drink After drinking a lot of alcohol, in a short time, I won’t find you running away.”

## **The ultimate husband in Chinese chapter 5106-5110**

Chapter 5106

Hearing this, Leng Yuexiu frowned, and then she couldn’t hide her contempt: “Don’t be hypocritical in front of me, I don’t need your help, get out, don’t let me see you.

” In his eyes, scum like Yue Feng and Hao Dashuang are like raccoon dogs.

Uh...

Feeling Leng Yue's cold and arrogant refusal from thousands of miles away, Yue Feng couldn't help laughing.

This woman is too cold, why doesn't she know good people?

...

At this moment, in the hall outside.

Hao Dashuang was still fighting with his subordinates, and he saw that many people were already very drunk, and even a few had drunk under the table.

Hao Dashuang also drank a lot, and his face was extremely red, but he was happy today, so he had to stay drunk.

Whoosh!

However, at this moment, a figure flew from a distance and landed steadily outside the entrance of the hall.

A dashing young man.

I saw him holding a folding fan, wearing a white long gown, with a face like a crown of jade, extraordinary temperament, a proper young and talented, but there was a cold and arrogant air between his eyebrows.

It was the eldest disciple of Nianhua Palace, Xu Wenliang.

Speaking of which, Nianhua Palace and the Sihai League had some festivals. Today Xu Wenliang passed by this area and learned that Hao Dashuang of the Sihai League had robbed the materials of the Red Clothes Religion. Moreover, there were gold and silver treasures in this batch of materials. Came here to see.

This chapter is provided by . Visit for daily update.

"Huh? Someone's here!"

"Who? Dare to break into the entrance of my Four Seas Alliance?"

"This kid looks a little familiar...it seems to be from the Nianhua Palace..."

At this time, Xu Wenliang just landed, and the guards guarding the door of the hall immediately locked on Xu Wenliang, one by one angrily yelled.

In the face of everyone's anger, Xu Wenliang chuckled, his eyes full of disdain, and said coldly: "Stop talking nonsense, I am Xu Wenliang of Nianhua Palace, I heard that you

have robbed a batch of materials today, if you are wise, you will all be Hand it over, or I'll settle down here." The

voice was not loud, but it was extremely cold and arrogant.

Xu Wenliang was self-sufficient and strong, and he didn't take a small Four Seas Alliance in his eyes at all.

Mad, this kid has a lot of tone!

Hearing this, all the guards were furious. This kid is so arrogant, how dare he speak out in front of the Four Seas Alliance by himself?

"It's really Xu Wenliang... You trespassed in our hall, you're really courting death."

"Hurry up, otherwise, don't blame us for being rude."

"Ma De, do you think our Sihai Alliance is afraid of your Nianhua Palace? You When we hand over the supplies, we are going to hand them over? What are you?"

Frightened, several guards couldn't help drinking.

At this time, the leader of the guard looked at Xu Wenliang coldly, and said angrily: "Xu Wenliang, right, within three times, disappear quickly, or you will be at your own risk."

Hehe...

Hearing everyone's anger, Xu Wenliang sneered, and a bit of murderous intent flashed in his eyes: "A bunch of people with eyes but no eyeballs, just you little bastards, are you worthy of yelling at me?"

"!"

When the last word fell, Xu Wenliang's internal force was running, his body was like a cannonball, he rushed directly in front of the guard captain, slapped him hard, and slapped him directly in the heart.

boom!

I have to say that Xu Wenliang is worthy of being the chief disciple of Nianhua Palace. His shot was lightning fast, but the captain of the guard couldn't react at all. At that time, he was slapped firmly by this palm, and he let out a miserable howl and spurted blood. The body flew upside down several meters, and finally fell heavily to the ground.

At the moment of landing, the guard captain's eyes widened, and he was dead!

hiss!

Seeing this scene, the other guards present trembled, and they couldn't help gasping for air.

This... This kid's strength is so powerful? With just one palm, the captain was killed.

"Call someone quickly, let's go up together."

After being stunned for a few seconds, several guards glanced at each other, then burst into internal energy and charged directly at Xu Wenliang. At the same time, some people ran into the hall to call for support.

Whoa, whoa... Within

a few seconds, I saw many members of the Four Seas Alliance rushing out from the entrance of the hall. There were hundreds of people, and they locked Xu Wenliang one by one.

Chapter 5107

"A gang of rabble!"

Seeing so many people coming out, Xu Wenliang didn't panic at all, he said coldly, put away the folding fan, and pulled out his long sword.

Chi Chi...

In the next second, Xu Wenliang's inner strength exploded, and the long sword in his hand hummed, like a spirit snake, piercing the sky and coming towards the crowd.

Feeling Xu Wenliang's fierce sword move, the members of the Four Seas Alliance present were all jealous, but no one flinched, but gritted their teeth and swarmed up.

"Looking for death!"

Xu Wenliang's mouth twitched into a sinister smile, and he saw the long sword burst out with a lot of cold light, shrouding the crowd who rushed up. In just a few short breaths, many members of the Four Seas Alliance made a scream and fell into a pool of blood.

Although these Four Seas Alliance members are not weak, but facing a formidable opponent like Xu Wenliang, there is no room to fight back.

"Ma De, stop me!"

Just as Xu Wenliang was about to kill, suddenly, he heard a loud shout from inside the hall, and then, Hao Dashuang came out angrily.

Swish!

After coming out, Hao Dashuang locked Xu Wenliang tightly, with endless anger flashing in his eyes: "Xu Wenliang, you are brave enough to kill me from the Sihai Alliance."

As the head of the Sihai Alliance, Hao Dashuang naturally knew Xu Wenliang. .

At this time, Hao Dashuang was very angry, because he clearly saw that his subordinates fell to the ground one by one, dead and wounded, and the ground was stained red with blood.

"Haha, Hall Master Hao, you came out just in time."

Facing Hao Dashuang's anger, Xu Wenliang didn't panic at all, but with a condescending attitude, he said coldly, "I heard that you intercepted a batch of supplies today. I'm very interested in this batch of supplies. You can hand them over directly."

His tone was cold and arrogant, no doubt about it.

Mad, this kid wants to snatch supplies?

Hearing this, Hao Dashuang clenched his fists tightly, his heart was unforgivable, and he shouted angrily: "Good boy, you hurt our people from the Four Seas Alliance, and you still want to snatch supplies? I think you are impatient.

" !

When the words fell, Hao Dashuang urged his inner strength, then raised his hand and waved, and a long knife appeared in his hand.

Immediately afterwards, Hao Dashuang let out a loud roar, and a dazzling light erupted from the long knife in his hand, slashing directly at Xu Wenliang.

"Haha!"

Seeing Hao Dashuang burst out, Xu Wenliang raised a trace of contempt at the corner of his mouth. At that time, he did not flinch at all, but clenched his sword tightly, his figure flashed, and he directly attacked.

boom!

The figures of the two sides were touching each other in mid-air, and a dull sound was heard. Then, Hao Dashuang groaned and was bounced over a dozen meters. The moment he landed, his face was pale, and he seemed to be unable to stand still.

Xu Wenliang, on the other hand, fluttered to the ground lightly, his expression as usual.

Obviously, Hao Dashuang suffered a loss when the two sides fought just now. Although he is the head of the branch, his strength is still a lot worse when facing the chief disciple of Nianhua Palace.

Mad! This kid is very strong.

At this moment, Hao Dashuang stabilized his figure, staring at Xu Wenliang, unable to hide his shock.

Speaking of which, Hao Dashuang and Xu Wenliang fought against each other a year ago, and they were evenly matched at the time, but they never expected that a year later, this kid's strength has improved so quickly.

You must know that with the knife just now, 80% of his internal power exploded, but to Xu Wenliang, there was no threat at all, and he blocked it so easily.

Haha...

Just when Hao Dashuang was secretly shocked, Xu Wenliang showed a contemptuous smile and slowly walked over: "A mediocre person like you would be embarrassed to show humiliation in front of me?" As the

voice fell, Xu Wenliang suddenly accelerated, hit Hao Dashuang with a palm.

"Bang!"

Xu Wenliang was so fast that Hao Dashuang had no time to dodge. In addition, he had drunk a lot of alcohol before, so he couldn't keep up with his reaction. He was shot directly in his heart, and he heard a dull sound, and the whole person flew out again.

"Pfft!"

At the moment of landing, Hao Dashuang spat out another mouthful of blood, his face was pale, and his eyes were full of anger. Before he could react, Xu Wenliang walked over quickly, stepped on his body, and the long sword reached him. in his heart.

"Will the supplies be handed in?"

Xu Wenliang looked at him condescendingly, his tone extremely proud.

## Chapter 5108

“Fuck you!”

Being stepped on by Xu Wenliang, Hao Dashuang only felt a great humiliation. After all, he was also the head of the Four Seas Alliance, but was stepped on by a disciple of Nianhua Palace.

How can you swallow this bad breath?

In anger, Hao Dashuang spat out a mouthful of blood and howled, “Xu Wenliang, kill me if you can, otherwise, I will kill you without a place to be buried.

” After grabbing this batch of supplies, how could it be handed over to Xu Wenliang?

More importantly, dignity cannot be lost.

“It’s pretty tough!”

Hearing this, Xu Wenliang sneered, and his eyes flashed a trace of cruelty: “Since you want to die, then I will fulfill you.” The voice fell, and the long sword slammed out, directly at Hao Da Shuang stabbed a blood hole in his heart.

The blood sprayed out, Hao Dazhuang’s eyes widened, his body twitched a few times, and he was immediately breathless.

“Hallmaster!”

“Hallmaster...”

Seeing this scene, the surrounding members of the Four Seas Alliance couldn’t help crying out, and their eyes locked on Xu Wenliang.

“You bastard, you actually killed our hall master.”

“Avenge the hall master...” “Let

’s go together...”

After shouting, the members of the Four Seas Alliance were extremely angry and rushed towards Xu Wenliang like a tide. .

“Unbelievable!”

Xu Wenliang’s face was full of disdain, he snorted coldly, clenched his sword tightly, and rushed into the crowd. His figure was like a ghost, and his swordsmanship was

even weirder. Every time the sword was swung, a member of the Four Seas Alliance would fall Down.

...

on the other side, in the room.

With a wry smile on his face, Yue Feng was still confronting Leng Yue.

At this time, Leng Yue's beautiful and arrogant face was full of disgust and contempt. She looked at Yue Feng coldly: "Why don't you get out? I said, I don't need your help.

" The passers-by never thought that he was the guest of Gu Sanniang, the chief of the Four Seas Alliance.

Leng Yue couldn't rub a grain of sand in her eyes, she thought she was deceived by Yue Feng, and Yue Feng said that she looked average, so she didn't have a good face.

Uh...

Yue Feng was speechless, but he untied the rope on her body: "Forget it, say whatever you want." After speaking, Yue Feng was about to untangle the acupuncture points on her body, but he held back.

This woman has a cold and arrogant temperament, and hates herself and Hao Dashuang to death. If she helps her to unlock the acupuncture point, she will definitely kill her. For the sake of safety, it is better to not understand the acupuncture point.

Seeing that Yue Feng was really loosening his bonds, Leng Yue was stunned for a moment.

Is this guy really going to save me?

Muttering in her heart, Leng Yue secretly tried to open the acupoint.

Haha...

Seeing her suspicious look, Yue Feng couldn't help laughing and crying: "I've already unfastened the rope for you, you can leave quickly..." As he was talking, when he heard the sound of fighting outside, Yue Feng suddenly wrinkled. frown.

what's the situation? Aren't Hao Dashuang's group drinking? How did it get up?

Thinking to himself, Yue Feng quickly turned around and walked out of the room.

What the hell!

When he got outside, Yue Feng was stunned when he saw the scene in front of him.

I saw that the open space outside the hall was like hell. Many members of the Four Seas Alliance fell into a pool of blood, and the blood stained the ground red.

Not far away, Hao Dashuang was lying there covered in blood, not breathing.

And near the hall, dozens of members of the Four Seas Alliance were besieging a handsome figure, wearing a white gown, handsome, but his shots were extremely ruthless, killing him.

And that handsome figure was Xu Wenliang, who had met Yue Feng once before.

What the hell! What is this kid?

Seeing Xu Wenliang, Yue Feng immediately frowned, unable to hide his disgust.

A few days ago, Chunyang Palace held a martial arts conference. Xu Wenliang suddenly made trouble. At that time, he defeated Jiang Hongyu and many elite disciples of Chunyang Palace. He was extremely arrogant, and even touched Jiang Hongyu.

At that time, after Yue Feng arrived, he competed with him as the master of the Pill Pavilion, and finally taught him a lesson. I thought that this kid would be restrained, but I never thought that at this time, there would be a massacre here.

This Xu Wenliang is really ruthless, not only killing Hao Dashuang, but also hurting so many people in the Sihai League.

## Chapter 5109

To be honest, Yue Feng and Hao Dashuang don't have much friendship, and they can only be regarded as just getting to know each other, but in any case, Hao Dashuang is Gu Sanniang's subordinate, and he has been very polite to himself just now, seeing him dead at this time It was so miserable, Yue Feng couldn't help feeling a little regretful.

More importantly, Hao Dazhuang died at the hands of Xu Wenliang, which made Yue Feng unacceptable for a while.

Mad! This kid is really insane.

Soon, Yue Feng realized that he was going to stop Xu Wenliang.

hum!

However, at this moment, a strong wind suddenly came from behind.

Yue Feng was startled, he looked back subconsciously, and saw that Leng Yue had rushed through the acupuncture point. At this moment, he was biting his lip, and his beautiful face was full of shame and anger. The inner strength of the whole body burst out and condensed on the right palm. , fiercely called towards Yue Feng's back.

All this happened too fast, and Yue Feng was standing at the door, so it was too late to dodge.

“Bang!”

This palm was firmly slapped on Yue Feng's body, making a muffled sound. Although Yue Feng possessed the body of a Profound Sage, his body was blown away by Leng Yue's full-strength blow. Going out, he flew more than ten meters away, fell heavily on the ground, and spurted out a mouthful of blood!

Before, Leng Yue was greatly humiliated by Hao Dashuang's ridicule, but after rushing through the acupoints, she took all her anger on Yue Feng.

Nima, this woman is too cruel.

At the moment of landing, Yue Feng only felt a burst of pain coming from his body, and he almost fainted. At the same time, his heart was also depressed.

This cold moon is really crazy, I saved you, but you attacked me in turn.

Frightened, Yue Feng wanted to struggle to stand up, but Leng Yue's palm was too powerful, and Yue Feng had not regained his peak strength. Can't try it.

“You shameless scum!”

Aware of Yue Feng's speechless eyes, Leng Yue's beautiful face was full of disgust, and said coldly: “Don't think that if you let me go just now, I will be grateful to you, you and these People from the Four Seas Alliance should all be damned. “

After speaking, Leng Yue walked over quickly and looked at Yue Feng condescendingly: “Tell me, how do you want to die?”

He, he was not only caught by Hao Dashuang, but also almost humiliated, Leng Yue couldn't hide his anger!

Leng Yue thought about it, he couldn't let Yue Feng die too happily, and he could not survive or die, so that the hatred in his heart could be relieved!

Nima!

Feeling the coldness of Leng Yue, Yue Feng wanted to cry but had no tears, but there was a slight smile on the corner of his mouth: "Beauty, I saved you, but you treat me like this, is it revenge?"

"Crack!" The

voice just fell, Leng Yue's pretty face froze, she raised her jade hand and slapped Yue Feng fiercely!

Just after being attacked by Leng Yue, Yue Feng was severely injured, and he was very weak.

"You save me?" Leng Yue glared at Yue Feng and said coldly: "If it wasn't for you, I wouldn't have been caught by Hao Dashuang and this group of people, and you are a raccoon dog, put away your hypocrisy. "

Bang bang bang... As

he was talking, outside the hall, Xu Wenliang had already killed all the remaining members of the Four Seas Alliance. Immediately, the figure flashed and rushed in.

call....

At this moment, seeing Leng Yue, Xu Wenliang couldn't help taking a deep breath, and the whole person was stunned.

Beautiful, so beautiful.

I have to say that Leng Yue is known as a ruthless fairy in the rivers and lakes.

Speaking of which, Xu Wenliang often walked around the rivers and lakes, but he had only heard of Leng Yue's name and had never seen a real person.

I saw that Leng Yue was wearing a long dress, which showed her sexy figure vividly. Although his body was filled with anger at this time, it also gave people a different kind of beauty.

"Who are you?"

Xu Wenliang's gaze made Leng Yue very displeased, but when he saw that he killed Hao Dashuang and others, he suppressed his anger and said coldly, "Looking at your dress, you don't look like the Four Seas Alliance people."

Chapter 5110

Call!

Hearing the question, Xu Wenliang came back to his senses and said with a smile: "Xu Wenliang in the Huagong Palace, dare to ask the beauty's name?" When he was addicted to Leng Yue's beauty just now, Xu Wenliang also guessed in his heart whether this woman was from the Four Seas Alliance. people.

But as soon as she opened her mouth, Xu Wenliang knew that this woman had nothing to do with the Four Seas Alliance, otherwise she would not have asked.

Nianhua Palace?

Hearing this, Leng Yue suddenly let go of her vigilance and said lightly, "Saint of the Red Clothes Sect, Leng Yue." When she spoke, Leng Yue couldn't help but looked at Xu Wenliang.

In recent years, Nianhua Palace has been in the limelight in the arena, and Xu Wenliang, the chief disciple, has made a lot of fame, and Leng Yue has also heard about it.

"Oops!"

Seeing Leng Yue reporting to her home, Xu Wenliang raised his brows, indescribably surprised and excited: "It turned out to be the famous 'ruthless fairy', disrespectful, haha..." As

he said, look When Yue Feng was hit hard by Leng Yue, Xu Wenliang was taken aback.

Mad, isn't this the Pill Pavilion Master of Chunyang Palace? how is it here? And looking at it like this, it seems to be injured.

However, Xu Wenliang's palace was very deep, and although he was shocked in his heart, he did not show it on his face.

In the face of Xu Wenliang's enthusiasm, Leng Yue was very indifferent, nodded and then asked, "What are you doing here?" Speaking of which, with her personality, she would not take the initiative to talk to people, but Xu Wen Liang helped her kill Hao Dashuang and asked politely.

Xu Wenliang smiled and said, "It's a coincidence. I heard that people from the Four Seas Alliance robbed a batch of supplies. I happened to pass by here and came here to have a look."

Hearing him mention the supplies, Leng Yue's beautiful face On, unable to hide the anger: "That batch of supplies is our Red Clothes Sect."

"So it is!"

Xu Wenliang was stunned for a moment, and then said with a smile: "Look at this, the fairy is also here to recover the supplies. Speaking of which, the Four Seas Alliance is really rampant, and even the things of your Red Clothes Sect are all over the place. If you dare to rob it, you will die."

After saying that, Xu Wenliang looked at the corpses outside the hall and couldn't hide his pride: "I don't like them the most, so I killed them all just now."

Said At these times, Xu Wenliang was full of compliments. His original purpose was to snatch supplies, but he was attracted by Leng Yue's beauty. How could he tell the truth?

Um!

Hearing this, Leng Yue nodded and responded.

"Fairy!"

At this time, Xu Wenliang pretended to have discovered Yue Feng, and asked knowingly, "Who is this kid? He has no strength at all. He can't be the cook here, right?"

He pretended not to know Yue Feng, but Don't forget to belittle him.

Leng Yue snorted lightly, glanced at Yue Feng, and said coldly: "This person is very cunning. Although he has no strength, his identity is not ordinary. According to Hao Dazhuang, he is the guest of Gu Sanniang."

At this time , Leng Yue , has regarded Xu Wenliang as her own, and said everything she knew, but she didn't know that Yue Feng had another identity, that is, the pavilion master of Pill Pavilion.

What?

Hearing this, Xu Wenliang was stunned, looked at Yue Feng in surprise, and muttered in his heart.

This kid has many identities, not only the Pill Pavilion Master of Chunyang Palace, but also Gu Sanniang's VIP?

Just when Xu Wenliang was surprised, Leng Yue seemed too lazy to talk nonsense, picked up a long sword beside him, and stabbed it towards Yue Feng's heart.

This man almost lost his reputation, and he must not be allowed to live.

What the hell!

Seeing the long sword piercing, Yue Feng couldn't avoid it, and he was instantly furious.

This cold moon is too cruel. I just said at the banquet just now that I am not interested in you, and you are going to kill me. It is really ruthless.

At the same time, Xu Wenliang was also taken aback, and hurriedly shouted: "Fairy sword is merciful." While shouting, he looked at Yue Feng with complicated eyes.

Speaking of which, Xu Wenliang lost all face in front of Yue Feng a few days ago, and could not wait to slash him with a thousand swords, but in any case, Yue Feng is the Pill Pavilion Master of Chunyang Palace, and has a unique skill in alchemy attainments.
