

## The ultimate husband in Chinese chapter 5131-5140

### Chapter 5131

In addition to anger, Leng Yue was a little annoyed at this time.

I have been very cautious all these years in the arena by myself. Why did I relax my vigilance just now?

After all, this Xu Wenliang was too cunning.

Haha...

In the face of Leng Yue's shame and anger, Xu Wenliang smiled evilly and stared at Leng Yue's slender curve: "Fairy, you can't say that, as the saying goes, you are unkind and I am unjust, before. If you didn't leave me alone, I wouldn't treat you like this."

"But, I'm not a man who cares about me. If you take care of me later, I will be responsible for you, haha..."

"Speaking of which, although you are a saint of the Red Clothes Sect and have a high status, I am also the chief disciple of Nianhua Palace, and I am not a high-ranking student, right?"

Xu Wenliang smiled and grabbed the last word. Cold Moon's wrist.

Swish!

At this moment, Leng Yue's delicate face was full of disgust and contempt, and she shouted: "Get out of my way..." As she spoke, she wanted to stimulate her inner strength to expel the magic medicine in her body.

It's just that the magic medicine contained in the Yuan Dan was very tricky. At this time, it had been scattered into the meridians of her whole body, and it couldn't be removed for a while.

Under this circumstance, Leng Yue's body was weak and weak, let alone killing Xu Wenliang, it would be difficult to protect himself.

"Hey..."

Leng Yue's scolding did not make Xu Wenliang restrained, but stimulated his interest, and said with a sinister smile: "My beauty, I finally fell for you and took medicine, how can I get out of the way? Woolen cloth."

When the last word fell, Xu Wenliang grabbed Leng Yue's wrist. At that time, Leng Yue subconsciously avoided the medicine, but she was so weak and weak that she couldn't escape at all, and the jade hand was immediately grasped tightly.

call!

Grabbing Leng Yue's hand, Xu Wenliang became more and more bold: "The fairy is so beautiful"

"Haha..."

Leng Yue almost fainted and struggled hard.

While struggling, Leng Yue's pretty face was frosty, and she kept scolding: "Xu Wenliang, you shameless person, let me go."

At this time, Leng Yue really wanted to tear Xu Wenliang apart, but only The magic drug in her body has begun to attack.

"Hehe!"

The more angry Leng Yue was, the more excited Xu Wenliang looked at it: "Fairy, don't be angry." When the

last word fell, Xu Wenliang leaned over.

You bastard, shameless...

At this moment, Leng Yue was so ashamed and angry, she wanted to die immediately, and she was completely desperate in her heart.

How could he be so unlucky, first in the cave, being taken advantage of by that Yue Feng, and now in the hands of Xu Wenliang.

Could it be... is this God's will?

She is a dignified saint in the red dress, holy as jade, how can she have the face to walk around the rivers and lakes in the future? How can I go back to meet the priest?

If his innocence is gone, he might as well just die.

Haha...

Seeing the despair flickering on her face, Xu Wenliang knew that she had accepted her fate. At that time, her heart was very happy: "My beauty, hehe..." The voice fell, and he was about to go further.

"Oops?"

However, at this critical moment, there was a sudden surprise in the woods behind him.

It was Yue Feng's voice.

Hearing the surprise of this life, Leng Yue quickly closed her eyes, embarrassed and angry, wishing she could find a crack to burrow in.

She was a dignified saint who was almost humiliated by Xu Wenliang, and now she was seen by Yue Feng. It was over, and she was completely embarrassed.

Chapter 5132

Swish!

At the same time, Xu Wenliang was also shocked and looked back quickly.

Seeing Shi Yuefeng, Xu Wenliang's face darkened instantly, Ma De, is this kid?

The good thing was interrupted, Xu Wenliang was in a bad mood, and he said coldly to Yue Feng, "Are you still dead?" Just now, when I found out that there was only Leng Yue alone, Xu Wenliang subconsciously thought that Yue Feng was on the run. died.

At this time, Xu Wenliang was very surprised to see that Yue Feng was safe and sound.

Thinking that it was because of him that Leng Yue abandoned herself, Xu Wenliang felt even more angry.

Nima!

Hearing this, Yue Feng couldn't help but scolded in his heart, this Xu Wenliang is really despicable, if I can't get the medicine pill from me, I wish I could die sooner.

Cursing inwardly, Yue Feng smiled slightly, and said to Xu Wenliang: "What you said is very wrong, you are not dead yet, how could I die first?"

While speaking, Yue Feng observed the situation.

Just saw Leng Yue lying on the grass, her long dress was messy, and her long, long, snow-white legs were exposed to the air, so tempting, any man would fall completely when he saw it.

However, there were tears and despair on that beautiful face.

Xu Wenliang was half-kneeling in front of her, holding Leng Yue's skirt tightly in his hand.

Yue Feng was a visitor, and he could see at a glance what the situation was. Obviously, Xu Wenliang wanted to forcibly sully Leng Yue.

Swish!

Hearing Yue Feng's answer, Xu Wenliang instantly became angry and shouted angrily: "What did you say in your special code?"

This Yue Feng, dare to curse me to death?

Feeling his anger, Yue Feng showed a smile and said slowly: "Just kidding, what are you excited about?"

After saying that, Yue Feng deliberately looked at Leng Yue: "I'm so sorry to disturb the world of the two of you. , I didn't see anything, you continue, continue haha." The

last word fell, Yue Feng waved his hand with a smile, turned around and ran towards the woods.

He deliberately understatement, in fact, to save Leng Yue. Because Yue Feng knew in his heart that Xu Wenliang wanted to get a panacea in his dreams, and he would not let him run away so easily.

"You..."

Seeing Yue Feng's reaction, Leng Yue's beautiful face suddenly turned red, and she was so embarrassed that she almost fainted.

This bastard, Yue Feng, thought that I was willing to be like Xu Wenliang...

Xu Wenliang was also extremely hot.

In his heart, it was important to enjoy Leng Yue's tenderness, but he couldn't let Yue Feng run away.

"Kid, stop for me!" In the

next second, Xu Wenliang shouted angrily, urging his figure to chase directly towards Yue Feng.

Yue Feng guessed it well. Xu Wenliang wanted to get the medicine pill, how could he let him run away? As for Leng Yue, now that she has taken the magic medicine, there is no threat at all. After capturing Yue Feng, it will not be too late to come back to enjoy it.

“Oops!”

At this time, Yue Feng had already rushed into the woods, and when he saw Xu Wenliang chasing after him, he couldn't help shouting: “Xu Wenliang, if you don't enjoy the two-person world with the beauty, why are you chasing me? I'm not your father.”

“Shut up and stop.”

“Hehe, if you told me to stop, I would stop? How old are you?”

Xu Wenliang was very angry because he was disturbed by Yue Feng. At this time, he dared to yell at him, and the anger in his heart was even more rushing up.

In the blink of an eye, Yue Feng and Xu Wenliang disappeared into the woods one after the other.

Huh...

Listening to the shouting and scolding of the two getting farther and farther, Leng Yue, who was lying on the grass, endured the shame in her heart and took a deep breath.

Although Yue Feng was a fool and was not serious at all, he at least led Xu Wenliang away, and he was indirectly helping himself. Taking this opportunity, he quickly got rid of the magic medicine in his body.

Thinking to herself, Leng Yue hurriedly sat there cross-legged and started to run the exercises.

Oops...

But just after the exercise, Leng Yue's beautiful face suddenly revealed a trace of pain, and she was also shocked and angry.

She clearly felt that the more she activated the exercise, the faster the magic medicine in her body would spread, and her body became weaker in just a few breaths.

Also, his mind was a little dizzy.

Chapter 5133

How can this happen?

For a time, Leng Yue was so anxious that she almost cried.

.....

the other side.

Yue Feng and Xu Wenliang pursued in the woods one after the other.

At first, Xu Wenliang was still full of self-confidence, thinking that with his powerful strength, he could easily catch Yue Feng, but after chasing him for a few minutes, something was wrong.

What's the matter, this kid is so fast?

At this moment, Xu Wenliang stared at Yue Feng who was more than ten meters in front of him, feeling annoyed and surprised at the same time. No matter how fast he increased his speed, Yue Feng, who was in front of him, always kept a distance of more than ten meters from him. No matter how fast Xu Wenliang accelerated, he couldn't catch up.

This made Xu Wenliang very puzzled.

No, although this Yue Feng is the pavilion master of Pill Pavilion, but he has no strength, how can he run so fast?

At this time, Xu Wenliang didn't know that Yue Feng secretly exerted his divine power, and he could travel thousands of miles away in an instant. Let alone him, it was his master, the palace master of Nianhua Palace, and he could only follow him. Ashes in the back.

Swish!

A few minutes later, when he reached a bamboo forest, Yue Feng felt that he was almost there and stopped abruptly.

It should be a few miles away from Leng Yue. Even if what happened, she didn't know.

Thinking of this, Yue Feng turned his hands behind his back and looked at Xu Wenliang with a smile that was not a smile.

Mad!

Seeing that Yue Feng finally stopped, Xu Wenliang scolded secretly, and also slowed down his pace, with a grim expression on his face, and said coldly to Yue Feng: “Boy, are you not running?”

This bastard, who disturbed his own good things just now, and also made abusive words, he must take care of him later.

Haha..

Seeing his expression, Yue Feng chuckled lightly: “Xu Wenliang, have you forgotten, how did you kneel down and beg me for mercy when you were in the square of Chunyang Palace?”

When he said this, Yue Fengyi His face was indifferent, and there was no tension in the face of danger.

Swish!

Seeing him mention what happened a few days ago, Xu Wenliang’s face was extremely ugly in an instant, and his hands were clenched tightly. You must know that a few days ago, in the square of Chunyang Palace, he was beaten in public by Yue Feng, and finally had to admit defeat. For Xu Wenliang, it is a lifetime of shame.

At this time, Yue Feng deliberately brought it up again, no doubt adding another fuel to the anger in his heart.

“I think you’re courting death!” In his anger, Xu Wenliang couldn’t help but scolded: “Nima, don’t think you’re the Pill Pavilion Master of Chunyang Palace, I wouldn’t dare to do anything to you.

” In the square, it’s just a fluke, and if I want to kill you, it’s as easy as crushing an ant.”  
As

he spoke, Xu Wenliang’s eyes almost burst into flames.

Ugh!

Seeing his reaction, Yue Feng shook his head and sighed: “Xu Wenliang, do you know that I also gave you a chance that day. I thought you would be able to restrain yourself, but you didn’t expect that you would not change your mind.

”, Yue Feng’s eyes became serious: “I’ll give you one last chance now, you just swear that you won’t do harm to the world and humiliate women in the future, and I will spare your life.”

“Otherwise, you will be at your own risk.” The

voice was not loud, But there is an irrefutable majesty.

Yes, Yue Feng is too lazy to continue to pretend, anyway, there is no one around, so there is no need to worry about his identity being exposed.

“Go to your code.”

Hearing this, Xu Wenliang was stunned at first, thinking that he had heard it wrong, and after a few seconds, he cursed: “What is your special code? You only know how to refine a few pills. How dare you point fingers at me?”

“Ma De, you give me a chance? I will kill you now.”

Om!

The last word fell, Xu Wenliang was too lazy to talk nonsense, his inner strength exploded, the whole person rose into the air, pulled out his long sword, and drew a shock in the air, coming straight towards Yue Feng.

I saw that wherever the long sword passed, the sky seemed to be torn apart, and the power was amazing.

Haha...

Seeing Xu Wenliang burst out, Yue Feng smiled slightly, disdainfully.

“Since you are obsessed, then today I will act for heaven and get rid of you scum.” In the

next second, a cold voice came out of Yue Feng’s mouth, and immediately activated his divine power, slowly raising his right hand, towards the flying body. Xu Wenliang, who came, slapped him.

Chapter 5134

This palm seems light and has no strength, but Xu Wenliang clearly saw that the surrounding air suddenly distorted.

Um? what’s the situation?

Xu Wenliang frowned, secretly surprised.

This Yue Feng is only good at alchemy, and has no strength at all. How can he suddenly burst out such a powerful force?

hum?

Just when Xu Wenliang was secretly surprised, he saw a golden palm shadow condensed in front of Yue Feng. The palm shadow was completely condensed by divine power, and the golden light shone.

Gudong...

Seeing this, Xu Wenliang couldn't help swallowing his saliva, completely panicking.

Such a strong breath...

This... This Yue Feng is not without strength, but hidden.

It's just... What kind of exercises did he practice, and he was able to condense a golden palm shadow...

For a moment, Xu Wenliang's heart trembled, how could he still look arrogant just now, his forehead was dripping with cold sweat instantly, and the long palm in his hand The sword was almost unsteady.

At this time, Xu Wenliang didn't know that Yue Feng, who was in front of him, didn't belong here at all, and his strength was far beyond his imagination.

"I..."

Under the horror, Xu Wenliang quickly stopped the charge, and at the same time threw away the long sword, and said to Yue Feng in fear: "Pavilion Master, I have no eyes and I offended Your Excellency. Once..."

He was not stupid, from the golden palm shadow that erupted from Yue Feng, he knew that he was far from an opponent, and if he really fought, he would only die in vain. It is better to be soft if it is interrupted.

In the world of flowers on the rivers and lakes, he hasn't played enough, how can he die like this?

However, it was too late.

"Hehe..."

Hearing the begging, Yue Feng's face did not fluctuate at all, and he said coldly: "I gave you a chance just now, but you didn't grasp it properly. It's too late to beg for mercy now."

"Suffer to death!"

The last three words fell, Yue Feng raised his hand and waved, the golden palm shadow whistled and slapped towards Xu Wenliang.

Xu Wenliang was taken aback, and hurriedly picked up the long sword on the ground, mobilizing all his internal strength, trying to block the palm, however, it was just a man's arm acting as a cart.

boom!

The next second, the golden palm shadow slammed into Xu Wenliang, and he heard a miserable howl, and the whole person was shocked and flew out, and a rain of blood was sprinkled in the air. After flying more than 100 meters, it broke. It took a dozen trees to fall.

When he landed, Xu Wenliang was covered in blood, and he was out of breath.

A generation of scum in the rivers and lakes, life has come to an end.

call!

Yue Feng breathed a sigh of relief, restrained his divine power, turned around and walked in the direction of Leng Yue without looking at Xu Wenliang's body.

Just now Yue Feng saw that Leng Yue should have been restrained by Xu Wenliang, so she was powerless to resist Xu Wenliang's humiliation. Now that Xu Wenliang is dead, go back and help her.

Speaking of which, Yue Feng did not like Leng Yue, but even if this woman was abominable, she was not guilty of death.

Soon, reaching the grass, Yue Feng breathed a sigh of relief.

I saw Leng Yue still sitting there paralyzed, looking very weak, but her delicate face was bright red.

Um?

At this time, Leng Yue also saw Yue Feng, and immediately Xiumei frowned.

Why is Yue Feng back? What about Xu Wenliang?

In Leng Yue's heart, Yue Feng had no strength at all, and it was impossible to escape Xu Wenliang's pursuit, so he was very surprised to see him come back alone at this time.

“Where’s Xu Wenliang?” When Yue Feng approached, Leng Yue’s red lips parted slightly and couldn’t help asking. As he asked, he observed the movement around him.

Xu Wenliang was cunning and despicable, and even drugged himself, so he had to guard against it.

Haha..

Leng Yue’s action made Yue Feng laugh directly, and said slowly, “Xu Wenliang has been dumped by me. I don’t know where to go now.”

In order to avoid revealing his identity, he killed Xu Wenliang. Son, still don’t say it.

Dumped by you?

Hearing this, Leng Yue was stunned, her face full of disbelief: “Can you get rid of him?”

Yue Feng scratched his head, very casually: “Is it impossible? Let me tell you , I often live alone in the wild, especially in this complex environment, Xu Wenliang wants to catch me, but it’s not that easy.” After

speaking, Yue Feng changed the subject and looked at Leng Yue’s face: “Speaking of which, What’s wrong with you? Your face is so red?”

Chapter 5135

Swish!

Hearing the question, Leng Yue’s face changed, and she couldn’t tell the embarrassment. At that time, she bit her lip and said softly, “What’s your business?”

She must not say that she was drugged by Xu Wenliang, it’s too embarrassing.

Seeing her attitude, Yue Feng was speechless and said with a wry smile: “Okay, I’m talking too much. But I want to make it clear that we had no grievances, and I rescued you from the cave just now, so you should Let me go.”

Leng Yue’s expression was indifferent and did not respond.

At this time, she was thinking about how to get rid of the magic medicine in her body. How could she have the mood to discuss this with Yue Feng?

Uh...

Seeing that she didn't speak, Yue Feng was very embarrassed, scratched his head and said, "If you don't answer, I'll take it as your acquiescence. Do you need any help? If not, I can leave. Leng Yue

was so annoyed that she said coldly, "Hurry up and get out." Hearing this

, Yue Feng couldn't help laughing. This woman has such a big temper. It's time for her, and she's still looking high, forget it. , you can stay here slowly, I will not accompany you.

Thinking about it, Yue Feng turned around and left.

Just before taking a few steps, I heard Leng Yue, who was behind him, let out a low moan, revealing pain. This groan.

what's going on?

Muttering in his heart, Yue Feng stopped and looked back. When he saw it, he couldn't help but take a breath, and the whole person was stunned.

I saw Leng Yue curled up on the grass, her beautiful face full of pain.

Yes, just when Yue Feng turned around, Leng Yue tried to force her internal force to expel the magic drug from her body, but she failed again. Not only did it fail, but it also accelerated the onset of the magic drug.

What the hell, what's going on?

Seeing this, Yue Feng frowned secretly, and then couldn't help but ask, "What's wrong with you?"

I thought Leng Yue was injured just now, but now I found out that she seemed to be taking some kind of medicine, no need to guess, it must be Xu Wen bright.

Mad, that kid is really despicable and filthy, to actually use such a vulgar method

!

Just when Yue Feng was thinking about it, Leng Yue, who was blushing and lost her mind, suddenly sat up and hugged Yue Feng's leg.

"I'm uncomfortable." Leng Yue's red lips parted lightly, and she said painfully.

What the hell!

Yue Feng was startled, and quickly held onto her fragrant shoulder, and said seriously: "Don't panic, I'll help you!"

When Xu Wenliang was chasing him just now, Yue Feng remembered clearly that there was a water pool a few hundred meters away from here. , The water pool is shaded all the year round, and the water is cold. As long as Leng Yue is put into the water pool and the medicine in her body is driven out with divine power, she will be able to wake up.

Soon, near the water pool, Yue Feng carefully reached the shore and was about to put Leng Yue down.

"Uncomfortable!"

However, at this time, Leng Yuejue's beautiful face, her eyes were blurred, and she had completely lost her mind. She murmured, and her hands were tightly hooked around Yue Feng's neck.

puff.

The next second, Yue Feng was unstable, and together with Leng Yue, they both fell into the pool of water.

Suddenly immersed in the icy water, Yue Feng couldn't help shivering

despite being a mysterious saint, and then shouted in the direction of Leng Yue: "Hey, are you awake?" There was no response, his face was still extremely red, and when he heard Yue Feng's cry, he instinctively swam over and hugged Yue Feng tightly.

Yes, Leng Yue did not wake up, but instead stimulated the magical properties of the medicine in the body.

How could this be?

Feeling the softness of the cold moon in his arms, Yue Feng's mind was buzzing, blank, and he was extremely puzzled. It shouldn't be, this pool is so cold, even if she was addicted to the drug, she should wake up. , how is the situation even more serious?

At this time, Yue Feng still didn't know that Xu Wenliang's magic medicine was completely different from ordinary drugs. The more cold the environment, the faster the attack.

## **The ultimate husband in Chinese chapter 5136-5140**

“Uncomfortable!”

At this time, Leng Yue, under the stimulation of the drug, had completely lost her mind, her eyes were wild and blurred, she hugged Yue Feng tightly, and kept mumbling:

“Quick. ..hold me....” The

voice fell, Leng Yue directly came over, a pair of hands hooked Yue Feng’s neck, and at the same time, the red lips also slowly moved up.

With the continuous invasion of the drug, Leng Yue is like a madman, completely lost the high-spirited attitude before, at this time, she is indescribably sexy and charming.

Om...

Feeling the softness of her red lips, Yue Feng only felt like his brain had exploded, buzzing.

Oops, that doesn’t seem to work.

The pool of water was cold enough to wake her up.

“You calm down...be sober...”

Thinking to himself, Yue Feng was a little anxious, and he didn’t hesitate at all at that time. He quickly activated his divine power and injected it into Lengyue’s Qingming point. The Qingming point dominates people’s senses of consciousness. As long as this acupoint is sealed, Leng Yue can be forced to wake up.

I have never used divine power before, because I am afraid that my identity will be exposed.

Moreover, Yue Feng also thought that this pool of water was enough to wake Leng Yue, but he never thought that this magic medicine was so domineering, in this case, he didn’t care about his identity.

Speaking of which, Leng Yue is very beautiful, it can be said to be a stunner of a generation. At this time, no man can refuse to give her a hug, but Yue Feng knows that he will leave sooner or later, and he must not leave any affection here. debt.

Chi Chi...

At this moment, Yue Feng turned his divine power and saw a touch of golden light on his right hand, and then a lightning-like point on Leng Yue’s Qingming Point.

“Well...”

Suddenly, such a powerful force poured into the body, Leng Yue's delicate body trembled, and a low voice could not help but let out a low voice. All crispy.

Soon, the divine power injected into the body began to quickly dispel the medicinal power. Although Leng Yue was powerful, it was the first time she had experienced this.

Not only that, but there was also a trace of pain on that beautiful face...

Seeing this situation, Yue Feng did not hesitate, put his arms around Leng Yue's waist, and hugged her tightly in his arms, guaranteeing that she would The movement should not be too large. You must know that when the divine power expels the medicinal power in her body, the reaction is too large, which will cause the expulsion to fail.

Once the expulsion fails, the situation will be even more dangerous, but at times, this divine power will remain in her body, and she is only a mortal, and she cannot withstand the power of divine power...

Therefore, Yue Feng can only hold her to ensure Leng Yue won't move.

Yue Feng knew that this was too ambiguous, but for the safety of Leng Yue's life, he couldn't care so much.

Huh...

But even if Yue Feng had no other thoughts in his mind, at this moment, he was holding Leng Yue in his arms in the pool, feeling the slender curve, and he felt a little anxious.

This woman... is really life-threatening.

With emotion in his heart, Yue Feng simply closed his eyes and recited in his heart: “See no evil, speak no evil, and think no evil...”

While Yue Feng kept reciting and blew himself to sleep, Leng Yue was there. Under the flow of divine power in the body, the delicate body was still trembling, but was hugged tightly by Yue Feng, and the range of motion was much smaller.

Time passed by minute by minute.

One minute..

two minutes.

Finally, ten minutes passed, the magic medicine was completely expelled, and Leng Yue finally calmed down.

call!

Feeling that the magic medicine in her body had completely disappeared, Yue Feng was also completely relieved, and then pressed her Qingming acupoint to withdraw the divine power.

“You...”

As soon as she regained her divine power, she saw Leng Yue completely awake, looking at Yue Feng coldly with a pair of wonderful eyes: “What have you done to me?” When she spoke, Leng Yue’s face was extremely red.

She saw that she was hugged tightly by Yue Feng, with her hands still on her waist, how ambiguous her posture was.

Hearing Leng Yue’s opening, Yue Feng showed a smile: “Great, you are finally awake.” As he spoke, Yue Feng couldn’t help admiring Leng Yue up close.

At this time, the two were close to each other. Although they were soaked in the water, Yue Feng’s eyes were sharp. Through the water, he could clearly see the looming curve of Leng Yue...

Chapter 5137

Slap!

Just when Yue Feng was fascinated by it, Leng Yue was too embarrassed to bear, raised her right hand suddenly, and slapped Yue Feng’s face with a slap in the face: “You bastard, get out of here.”

Jiao drinking, Leng Yue struggled to break free from Yue Feng’s embrace, her eyes full of killing intent.

Although she doesn’t know what happened just now, but she pretends to be lofty and clean, how can she bear it when Yue Feng is hugged so tightly at this time?

I go!

Yue Feng covered his face and was very speechless: “Fairy, anyway, I saved you just now, why did you do it indiscriminately? You were poisoned by Xu Wenliang just now, you should be clear in your heart, right?”

” After I lead you away and come back to find you, the poison in your body will start to attack. There is no other way, I have to bring you to this pool to calm down.”

“If it wasn’t for me, you would have gone crazy.” As

he said, Yue Feng couldn't help but continue to admire Leng Yue's charming curves.

That 's right...

Hearing this, Leng Yuexiu frowned, suddenly fell silent, and began to recall what happened before.

Yue Feng is right. He was drugged by Xu Wenliang before. At that time, Xu Wenliang wanted to sully himself. At the critical moment, it was Yue Feng who appeared and led that bastard away...

But what happened to me later? Why can't you remember who came to this pool?

Thinking to herself, Leng Yue exhaled and asked lightly, "You really saved me? How did you bring me here? How did I get rid of my poison?"

Leng Yue was very puzzled at this time. .

You must know that she had tried to use internal force to expel the drug force before, but the more internal force was motivated, the faster the drug attacked.

This....

Hearing her series of questions, Yue Feng scratched his head and said lightly: "I brought you here, you looked like you were going to go crazy, I can only soak you in this pool of water. In the middle."

"Fortunately, this pool of water is icy cold, and you are finally awake."

When he said this, Yue Feng's face was indifferent, as if he was talking about an extremely ordinary thing. Moreover, she never mentioned the matter of injecting divine power into her.

After all, possessing divine power is no trivial matter, and it is better not to let her know.

So simple?

Hearing the answer, Leng Yue was stunned for a moment, and her beautiful face was full of doubts: "I just soaked here for a while, and the poison in my body disappeared?"

I couldn't get rid of it with internal force before, just soak it in water for a while. already? Impossible... This Yue Feng must be hiding something.

Uh...

Seeing the suspicion on her face, Yue Feng was very helpless, but he still pretended to be very serious: "Why am I lying to you?" As

soon as he finished speaking, Leng Yue suddenly thought of something, and just wanted his lips to cover it up. He couldn't stop being ashamed and angry: "Then...then you were holding me just now, you...are you taking advantage of me when I'm not conscious?" At the

end, Leng Yue's voice was very small, His eyes were full of shame.

In the cave before, Yue Feng had no choice but to carry it on his back. It was embarrassing enough, and he was embarrassed. He was holding him in the water just now. The Holy Maiden's Festival was completely ruined.

I went...

Seeing her expression, Yue Feng was both depressed and funny. After a long time, Leng Yue was struggling with this.

Thinking to himself, Yue Feng said with a smile: "Just now in the water, your body's medicinal power broke out. I was afraid that you would be submerged, so I had to hold you."

When speaking, Yue Feng couldn't help but look at Leng Yue again. That charming curve.

"You..."

Hearing this answer, Leng Yue secretly breathed a sigh of relief, but seeing Yue Feng's gaze constantly wandering on her body, she was immediately embarrassed and angry: "Look at it again? Look at your eyes again. I dug it."

Being carried by Yue Feng in the cave just now was already Leng Yue's bottom line, but at this time, he was soaked in water and his clothes were all soaked, it was no different from not wearing it, but Yue Feng saw it. Gotta be clean.

The dignified red-clothed saint was taken advantage of by this man over and over again.

What a shame.

I go!

I almost lost my life just now, so fierce?

Facing Leng Yue's humiliation and anger, Yue Feng couldn't help laughing and laughing, sighed softly, and said very speechlessly: "I just look at you without losing a piece of meat, besides, I'm just to see if you're really okay, have you? other ideas."

Chapter 5138

"Speaking of which, I'm worried about you."

Yue Feng could see that Leng Yue had just walked through the gates of hell. She was so weak that she couldn't even try, and she wasn't worried that she would make a move.

"Go away..."

Leng Yue's beautiful face suddenly turned red, and she scolded angrily: "Don't laugh at me. Hurry up and roll ashore for me and turn around."

This pool is so cold, it's not a problem to be soaking all the time, you have to go ashore quickly.

It's just....I'm like this, and I'm on the shore, isn't it cheaper to Yue Feng?

Ha ha!

The tone of Leng Yue's order made Yue Feng very unhappy. At that time, he chuckled: "Why should I roll ashore? It feels good to soak in this pool of water. I want to soak for a while."

"If you want to leave, just leave. , I won't stop you."

When he spoke, Yue Feng's eyes showed a bit of cunning.

"You..."

Leng Yue was so angry that she didn't know how to refute.

This Yue Feng is so shameless, the water in this pool is so cold, who would keep soaking in it stupidly, he just wants to take advantage, how can there be such a shameless person in the world?

At this time, Yue Feng shoved into the water, looked like he was enjoying himself, and said with a smile: "Oh, I was almost burned to death in the cave just now, and it's really comfortable to bubble in water now."

Said, Yue Feng smiled. Fei looked at Leng Yue with a smile: "Fairy, if you don't go, just stay with me for a while."

Knowing that Leng Yue was weak at this time, Yue Feng deliberately teased her, saying that she would often look aloof?

“Shut up!”

Leng Yue blushed, bit her lip, and interrupted coldly: “Who wants to accompany you to soak in water.” After speaking, Leng Yue

urged impatiently: “Are you going?”

Yue Feng exaggerated: “Fairy, this is your fault, you can go as far as you want, why bother with me? Besides, this pool is not yours, I don’t want to soak for a while? “

Shh!

Seeing that he was speechless, Leng Yue was out of breath, and raised her jade hand to give Yue Feng another slap.

“Oops!”

Yue Feng responded quickly, swam to the side quickly, and shouted at the same time: “Fairy, you are unreasonable, I saved you, you still want to beat me, this is revenge.”

“You give me revenge.” Stop.”

“Stop and let you fight? I’m not stupid..”

Leng Yueqi’s pretty face turned pale, swimming chasing after Yue Feng, Yue Feng grew up by the sea since he was a child, and his water is very good, how could he be caught Does she catch up?

For a time, the two staged a big chase scene in the pool.

Swish...

However, at this time, in the woods not far from the water pool, there was a sudden sound of footsteps. The footsteps were light, and it was obvious that the comer was very strong.

At this moment, both Yue Feng and Leng Yue hurriedly stopped and looked towards the woods almost at the same time.

Especially Leng Yue, with her delicate face, she couldn’t hide her nervousness.

It’s broken. Could it be that the North Sea Constellation gang found here? His strength has not recovered, and his body is still soaked. How can he be seen like this?

Whoops!

Just when Leng Yue was extremely anxious, she saw several graceful figures, slowly turning around the woods, and came to the lakeside.

There are five women!

The head of the one, wearing a bright red robe with exquisite patterns embroidered on it, shows his noble and extraordinary identity. His facial features are exquisite and the curves are graceful. Against the background of the robe, he looks even more graceful.

It was the leader of the Red Clothes Sect, Ding Lianxin.

Ding Lianxin is in her thirties this year, but she is well maintained, her skin can be broken by blowing bombs, and her beauty is indescribable.

The four women behind her are her four personal sword maids. Their names are distinguished by their flower names. They are Mei Jian, Lan Jian, Zhu Jian, and Ju Jian. The four sword maids are also first-class beauties. , standing together, each has its own merits.

I go!

At this moment, seeing Ding Lianxin and the four sword maids, Yue Feng was stunned.

Did you get lucky today? In such a remote place, a cold month is enough to deal with it, and now, suddenly, there are so many beautiful women all at once.

But at the same time with emotion, Yue Feng's eyes couldn't help but stay on Ding Lianxin's body for a while longer.

This woman is not only beautiful, but also seems to be very powerful.

Chapter 5139

Hu...

Yue Feng's eyes made Ding Lianxin very unhappy, but she held her identity and did not show it.

She was a sword maid who also glared at Yue Feng.

This man is so bold, he dares to stare at the leader like that.

"Sect Master!"

At this time, Leng Yue responded and called out with joy. The tension just now was swept away, replaced by endless excitement.

Leng Yue has been in the Red Clothes Teaching since childhood and was brought up by Ding Lianxin. The two have a deep relationship. In Leng Yue's heart, Ding Lianxin is also a teacher and a mother. She has encountered so many things in the past two days. At this time, she suddenly saw her master, Naturally, it is extremely happy.

What? Is she the cardinal?

At this moment, Yue Feng calmed down and was secretly shocked.

When he was in Chunyang Palace before, Yue Feng had heard people talk about the Red Clothes Sect, especially the Red Clothes sect master, the Shenlong saw the head but not the tail, and no one in the rivers and lakes had ever seen his true face. But I didn't expect that it was a woman, and she was a stunning beauty.

Speaking of which, Leng Yue is also the best, but this red-clothed sect leader is not inferior, and even has a unique charm unique to a mature woman.

Thinking to himself, Yue Feng was secretly worried.

This Leng Yue has a great opinion on me. Now that her leader is here, will she take the opportunity to take revenge on me?

call!

At this time, hearing Leng Yue's cry, Ding Lianxin's delicate face showed a bit of complexity and displeasure: "Leng Yue, how did you do this?"

She clearly saw that her beloved disciple was soaked in the pool of water, with a soaked pair of hair and messy long hair, and there was a young man beside him, although the two of them did not have any overstepping behavior. But Leng Yue was the saint of the Red Clothes Sect after all, she was pure and clean.

If this scene were seen by other people on the rivers and lakes, the reputation of the Red Clothes Sect would be ruined.

"Master!"

Feeling Ding Lianxin's dissatisfaction, Leng Yue hurriedly lowered her head and said very ashamedly: "Our supplies were robbed by the Four Seas Alliance, and when I went to rob them, something unexpected happened... "

Speaking, Leng Yue explained in detail what had happened in the past day.

Knowing the situation, Ding Lian frowned and locked her eyes tightly on Yue Feng. She said lightly, "Are you Gu Sanniang's guest?" As Yue Feng was regarded as a guest, Gu Sanniang was only in the Four Seas Alliance. It was announced, but the news was blocked from the outside world.

In this case, Ding Lianxin didn't know about it, but Leng Yue was her beloved disciple, so her words were definitely not made up, so she was very shocked.

This person seemed to have no strength at all, and was actually Gu Sanniang's VIP.

Incredible.

"Yeah!"

Hearing the question, Yue Feng smiled and nodded: "Gu Sanniang and I are friends."

Seeing his smiling face, Ding Lianxin's beautiful face did not fluctuate at all, but was extremely cold. You must know that the Four Seas Alliance also stole the materials of the Red Clothes Sect a day ago. The two sides have already formed a grudge, and Ding Lianxin will naturally not have a good face towards him.

"Lengyue!"

After a brief silence, Ding Lianxin asked Lengyue, "What's the matter with you?" What kind of formality did

a man and a woman have when soaking in a pool in this wilderness?

"Master....I..." Leng Yue bit her lip tightly, her face flushed, hesitating and not knowing how to explain. Although I have nothing to talk about with Master, the fact that I was almost sullied by Xu Wenliang before is really shameful, how can I say it?

call!

Seeing her hesitating and hesitating, Ding Lianxin's pretty face was covered with frost, and her heart was very angry: "Lengyue, why don't you say it? Is there something unspeakable?" After speaking

, Ding Lianxin gave Yue Feng a cold look. : "Did this person do something to you?" The

last word fell, and the plum, orchid, bamboo and chrysanthemum behind him pulled out their long swords one after another, all eyes locked on Yue Feng, as if they wanted to do something at any time.

What the hell!

Seeing this situation, Yue Feng couldn't help laughing. I didn't say a word, so why did the conflict come to me?

Thinking about it, Yue Feng gave a wry smile and explained to Ding Lianxin: "That... Your Excellency, I have nothing to do with Leng Yue. Speaking of which, I am still her benefactor."

Chapter 5140

Benefactor?

Hearing this, whether it was Ding Lianxin or the four sword maids of Meilan, Bamboo and Chrysanthemum, they were all stunned.

Immediately, all eyes focused on Leng Yue.

Leng Yue bit her lip tightly, her beautiful face was very embarrassed, and then whispered to Ding Lianxin: "Master, Yue Feng... Yue Feng is right, he... he did save me just now. "

When she said this, Leng Yue's heart was extremely complicated.

To be honest, she hated Yue Feng to death in her heart, but she also had her own principles. She did everything practically. Yue Feng did save her, and more than once.

call!

Seeing Leng Yue say this, Ding Lianxin's expression softened a bit. Leng Yue was brought up by her and she never lies.

However, there are some doubts in my heart.

No, this Yue Feng is Gu Sanniang's VIP, and he is also a member of the Four Seas Alliance. The Four Seas Alliance robbed the Red Clothes Sect before, how could this Yue Feng save Leng Yue?

Could it be...is there something else hidden in it?

Wait....

thinking about it in her heart, Ding Lianxin suddenly thought of something. She first took a deep look at Yue Feng, and then asked Leng Yue, "What did you say, what is his name? Yue Feng?"

"Yeah, Master." Leng Yue replied, very puzzled.

Why did the master react so strongly?

After hearing the response, Ding Lianxin's eyes flickered, and she looked at Yue Feng and asked again: "Your name is Yue Feng?"

Yue Feng was also stunned, is his name so famous?

Thinking to himself, Yue Feng nodded: "Yes, my name is Yue Feng."

Seeing Yue Feng's own admission, Ding Lianxin's delicate face became even more exciting, and her tone was a little urgent: "A few days ago, I heard news that Chunyang Palace has newly appointed a Pill Pavilion Master, and in Pill Medicine One In art, you have amazing accomplishments, could it be you?"

When she said this, Ding Lianxin looked at Yue Feng's eyes with some anticipation.

Yes, Yue Feng was a VIP of the Four Seas Alliance, because Gu Sanniang blocked the news, so Ding Lianxin didn't know about it, but the story of the Pill Pavilion's pavilion master had spread among the three major sects.

Ding Lianxin placed eyeliner in Chunyang Palace, so she knew exactly about this matter. My heart has always been very interested in this Pill Pavilion Pavilion Master, but I didn't have the opportunity to meet, but I never expected that people would be right in front of me.

What?

At this moment, whether it was Leng Yue or the four sword maids of Meilan, Bamboo and Juju beside the pool, their bodies trembled, their eyes fixed on Yue Feng, shocked.

Especially Leng Yue, her eyes changed when she saw Yue Feng.

He... he is the Pill Pavilion Pavilion Master of Chunyang Palace?

Impossible, this person has no strength at all, how can he make alchemy? You must know that the alchemy technique of Ziwei Continent has been lost for nearly a thousand years.

Uh...

Facing Ding Lianxin's expectant gaze, Yue Feng was stunned for a moment, and then fell into contemplation.

Is the leader of the Red Clothes Sect so well-informed? He even revealed my identity in Chunyang Palace at once.

Muttering in his heart, Yue Feng instinctively denied it, but then he thought about it, if he did not admit that he was the pavilion master of Pill Pavilion, and he and Leng Yue were soaked in the pool, which affected the reputation of the Red Clothes Sect, the sect master would definitely not forgive him. It might lead to a fierce battle.

The things that he possesses divine power must never be exposed.

Thinking of this, Yue Feng looked at Ding Lianxin with a smile, nodded and said, "The sect master is really eye-catching, yes, I am the Pill Pavilion Master of Chunyang Palace."

Jing!

As soon as these words came out, there was silence all around.

The four sword maids, Meilan, Zhuju, were all stunned, staring blankly at Yue Feng, speechless.

Leng Yue's body was trembling even more, her mind was blank, completely stupid.

He... is he really the Lord of the Pill Pavilion?

Um!

Ding Lianxin was the first to react, showing a smile, nodded approvingly and said: "It really is a hero born out of a boy, I heard that you are in the main hall of Chunyang Palace and presented a beauty pill to your palace master, I don't know if it is true. Fake."

Women in the world love beauty, and so does Ding Lianxin.

Yue Feng is a smart person, how could he not understand what Ding Lianxin meant? Immediately smiled: "That's true. After our palace lord took the beauty-enhancing medicinal pill, he became several years younger. If the sect master needs it, I will make one for the sect master if there is a chance in the future."
