

The ultimate husband in Chinese chapter 5151-5160

Chapter 5151

Uh, why is she here?

Seeing the girl, Yue Wuya suddenly had a headache.

The girl's name is Nalan Wushuang. She is a rookie of the Nalan family. She is gifted and intelligent, with delicate facial features, a slender and attractive figure, and a proper beauty.

Nalan Wushuang does not have much reputation in the arena, but the Nalan family behind her is a big and well-known family in the Earth Circle.

More than ten years ago, the various sects of the Earth Circle jointly established a training school in Donghai City, with Elder Wudang serving as the principal. At that time, Yue Feng and Sun Dasheng signed up together, and Yue Feng's classmate, Nalan Xinran, was Nalan family of people.

You know, when Nalan Xinran entered the school on the first day, it can be said that it caused quite a stir, and Nalan Xinran has always been regarded as the school flower goddess with her angel-like appearance.

Now that so many years have passed, the students of that year, as long as they think of Nalan Xinran, are still fascinated.

And the Nalan Wushuang in front of him is the daughter of Nalan Xinran's brother, in other words, Nalan Xinran's niece. Nalan Wushuang wants to call Nalan Xinran a aunt.

The Nalan family has been involved in the rivers and lakes since ten years ago, and encouraged family disciples to join the sect and practice the exercises to enhance their own strength. The purpose is to make the Nalan family stronger.

In the past ten years, the Nalan family has gradually evolved from a simple business family to a cultivation family, and gradually gained some status in the arena. Five years ago, the Nalan family began to communicate with Tianmen and the Hall of Longevity. Because of this, Nalan Wushuang also met Yue Wuya.

When the Nalan family communicated with Tianmen, it was when Yue Wuya just took over as the sect master of Tianmen. At that time, Yue Wuya was just an adult, handsome and powerful. It can be said that he was the youngest generation in the whole arena. doorman, and thus captured the hearts of many girls.

Among them is Nalan Wushuang.

You must know that Nalan Wushuang was just thirteen or fourteen years old at the time, at the age when his heart was sprouting and he worshipped heroes. The first time he saw Yue Wuya, he was deeply attracted by the masculinity of his body.

Coupled with the relationship between Yue Feng and Nalan Xinran, Nalan Wushuang felt a new layer of closeness to Yue Wuya.

So from then on, Nalan Wushuang's heart was tied to Yue Wuya. If there was anything, he would come to Yue Wuya, either to ask for advice or to let Yue Wuya take her out to play.

This chapter is provided by . Visit for daily update.

In Nalan Wushuang's heart, as long as he can be with Yue Wuya, he is in a sea of swords and flames, and his heart is sweet.

However, Nalan Wushuang's personality is a bit savage. Although he is very gentle to Yue Wuya, but because he is the young lady of the Nalan family, he always treats the people below with a high-level attitude, which makes Yue Wuya very unhappy. .

Two years ago, Nalan Wushuang entangled Yue Wuya to take her to travel around the world. At that time, Yue Wuya was so entangled that he only took her out to play for a long time.

During the tour, Nalan Wushuang summoned the courage to confess to Yue Wuya, but was politely rejected by Yue Wuya.

He doesn't like Nalan Wushuang's character, and Yue Wuya has always liked Hai Ling'er. How could he accept Nalan Wushuang's confession?

The confession was rejected, and Nalan Wushuang was depressed for several days. Later, after adjusting, he kept pestering Yue Wuya, causing Yue Wuya to have a headache.

Therefore, seeing Nalan Wushuang at this time, Yue Wuya was a little dumbfounded.

"Brother Wuya..."

Nalan Wushuang came to him at this time, hugging Yue Wuya's arm very intimately: "I knew that I would definitely meet you here. Hee hee."

"I heard that you disappeared for a week before, and both Tianmen and Changshengdian sent people to look for you. There has been no news from you. I am really worried to death."

"I heard that you are back, I will come to see you immediately, Are you very happy to see me?" As he

spoke, Nalan Wushuang hugged Yue Wuya's arm tightly, her delicate face was bright red, and she looked very happy.

Uh...

Yue Wuya was embarrassed, and calmly broke away Nalan Wushuang's hand: "Sister Wushuang, you are already an adult, don't be like this, it's not good to be seen by others."

Chapter 5152

At this time, Yue Wuya was speechless.

Two years ago, I made it so clear that Nalan Wushuang was still persevering, so how could she give up? What a headache.

Moreover, Hai Linger was resting in a room not far away, and she would definitely feel uncomfortable when she saw that she and Nalan Wushuang were so close.

Pfft...

Seeing his serious appearance, Nalan Wushuang couldn't help laughing, and said indifferently, "I like my brother, who doesn't know, even if she is seen, Miss Ben is not afraid. "

Brother Wuya, I heard that the orchids are blooming in the valley north of Xia Yinzong, would you accompany me to take a look?"

At the end, Nalan Wushuang's delicate face showed a bit of shyness. , You must know that the valley behind the Xia Yinzong is relatively remote, and no one usually goes there. It is a good place to talk about love.

As the young lady of the Nalan family and a daughter's family, it was obvious that he took the initiative to invite boys to such a place, that is, to create a space for the two of them to get along.

Seriously, if it was another girl, it would be hard to tell.

But Nalan Wushuang's heart is all on Yue Wuya, as long as he can be with him, any restraint will be forgotten.

Huh....

Feeling Nalan Wushuang's expectant gaze, Yue Wuya had a headache and smiled bitterly: "Little sister Wushuang, I have a lot of things to do, how can I accompany you to see orchids?"

"Besides, before I told you, I only see you as a sister, we can't be a couple, so don't waste your time on me."

"In Xia Yinzong, there are many young talents, and several of them have a good impression of you. You might as well give them some opportunities. By the way, my brother Wen Xiaoyu is also good. How about I ask him to accompany you later? "

While speaking, Yue Wuya deliberately kept a distance from Nalan Wushuang.

"I don't want..."

Nalan Wushuang pouted and stomped his feet: "I just like you, so I don't want to go to see orchids with other boys. Brother Wuya, just go with me, just this time, okay? Ok?"

Nalan Wushuang gently shook Yue Wuya's arm and acted coquettishly.

Uh...

Yue Wuya's head was entangled, and he was thinking about how to refuse, when he saw the door not far away opened, and then Hai Linger walked out slowly.

At this time, Huan Ling'er was no longer dressed in the sea shark clan's dress, but was wearing the traditional costumes of the Kyushu Continent, with a white long skirt, floating like a fairy, and unbelievably beautiful.

"Ling'er!"

Seeing Hai Ling'er coming out, Yue Wuya seemed to have grabbed the life-saving straw.

This girl is so beautiful.

At this moment, Nalan Wushuang was stunned when she saw Hai Ling'er. This was the first time she saw Hai Ling'er. Although she thought she was beautiful, she couldn't help but see the princess of the sea shark clan. A trace of jealousy rose.

The skin is creamy, with finely crafted facial features.

How can there be such a perfect girl in the world?

Admiring this in his heart, Nalan Wushuang also followed.

“Brother Wuya!”

Seeing Yue Wuya coming over, Hai Ling'er showed a smile: “Why did you get up so early today?” As she said that, she stretched out her jade hand and helped Yue Wuya straighten her collar, her face full of tenderness.

Although they are not married yet, in their hearts, they already regard each other as the only one in their lives.

Feeling Hai Linger's tenderness, Yue Wuya felt warm in his heart, and his eyes were full of warmth: “Something happened to Tianmen, I didn't sleep last night, and I practiced all night.” Huh

.... Kiss me and I ,

Nalan Wushuang bit his lip tightly, knocked over the vinegar jar at once, and couldn't help interrupting, “Brother Wuya, who is this woman?”

Yue Wuya's hand, and when he said the word ‘woman’, his pronunciation was deliberately biting hard.

Nalan Wushuang's actions made Yue Wuya very unhappy, but in front of Hai Ling'er, it didn't happen.

“Little Sister Wushuang.” In the

next second, Yue Wuya held back the displeasure in his heart, first broke away Nalan Wushuang's hand, and then introduced with a smile: “This is Hai Linger, my fiancée, and your sister-in-law. “

Chapter 5153

After that, Yue Wuya smiled and introduced to Hai Linger: “Linger, this is Nalan Wushuang, the young lady of the Nalan family, the Nalan family and our Tianmen are allies, they meet often, and I The relationship is good, just like my own sister.”

Oh...

Hai Ling'er nodded and greeted Nalan Wushuang with a smile: “Hello, sister Wushuang.”

Then she stretched out her hand.

Nalan Wushuang turned a blind eye, and did not mean to shake Hai Linger's hand at all, but muttered unhappily: “What sister, you are not my brother.”

After saying that, Nalan Wushuang asked Yue Wuya . Said: “Brother Wu Ya, do you want to marry this

Hai Linger? Does Uncle Yue Feng know?”

Speaking of which, Nalan Wushuang had heard of Hai Linger, the princess of the sea shark clan, with an extraordinary position. When the Rakshasa clan devastated Kyushu, they also represented the sea shark clan to support Kyushu.

However, in her heart, the sea sharks live far abroad, and whether it is diet or customs, they are very different from the Kyushu mainland. Yue Wuya is not suitable for her to be with.

The one who truly deserves Yue Wuya is Nalan Wushuang.

“What are you worrying about?”

Seeing Nalan Wushuang’s thorny words, Yue Wuya frowned and said lightly: “My father never cares about my relationship, he will support my actions, if I and Hai If Linger gets married, my father will definitely be happy and will bless us.”

Hearing this, Nalan Wushuang pouted, but could not refute.

“Linger!”

Yue Wuya didn’t bother to talk to her any more, and looked at Hai Linger with affectionate eyes: “You wake up so early, are you hungry, I’ll take you to eat, Xia Yinzong’s breakfast is very special, especially their rice porridge. , very delicious.”

“Okay.” Hai Ling’er smiled and nodded.

After saying that, Yue Wuya took Hai Linger’s hand and walked towards the side hall in front.

At this moment, Yue Wuya deliberately turned a blind eye to Nalan Wushuang, which was also deliberately done to her, so that she would give up.

However, Nalan Wushuang has a very strong personality. The more Yue Wuya is like this, the more she will not give up easily. She stomped her feet and shouted: “Brother Wuya, I’m going to have breakfast too.”

In fact, just now she It was already too early to disturb Yue Wuya’s two-person world on purpose.

Shouting in his mouth, Nalan Wushuang quickly followed.

Uh...

Seeing Nalan Wushuang following up, Yue Wuya was very depressed.

Hailing'er Bingxue is smart, although Yue Wuya didn't say anything, but she guessed something. At this moment, she pursed her lips and smiled, and said in a low voice: "Brother Wuya, it seems that this young lady Wushuang likes you very much.

" There was a bit of cunning in Hai Ling'er's eyes.

She and Yue Wuya have a deep and righteous relationship, knowing that Yue Wuya will not betray her, and she is not a person who is rambunctious. At this time, she is deliberately teasing her.

Swish!

Hearing this, Yue Wuya blushed and hurriedly explained: "Linger, don't think about it, she has been pestering me, but in my heart, I have always regarded her as a sister."

Seeing his urgent words She couldn't explain it clearly, Hai Ling'er burst into laughter and said in a low voice, "Alright, alright, I'm just asking to see how nervous you are."

When she said this, Hai Ling'er was full of smiles, and her heart was even more sweet.

I'm furious.

Seeing that the two were talking and laughing, Nalan Wushuang, who was following behind, pouted and puffed up. The delicate face is full of displeasure.

Apart from being beautiful, Hai Ling'er didn't see anything good in other places, but Brother Wu Ya was fascinated by her like this. I've never seen him so happy before when I hang out with him.

No, Brother Wuya is mine.

Brother Wu Ya must not be taken away by this princess of the sea shark clan.

Displeased in his heart, Nalan Wushuang's eyes flashed with determination, and he even swore in his heart.

Soon, in the side hall, Yue Wuya asked the maid to prepare breakfast, and then pulled Hai Linger to sit at the table.

Nalan Wushuang was determined to make trouble, so he also sat down. Yue Wuya knew that the eldest lady of the Nalan family was protesting silently, so she pretended not to see it.

Chapter 5154

“Miss Wushuang!”

At this time, a maid came over and asked Nalan Wushuang respectfully, “What do you want to eat?”

Nalan Wushuang glanced at Brother Wuya: “As before, Wuya I will eat whatever my brother eats.” After speaking, he gave Hai Ling’er a provocative look.

The meaning is obvious. I often have breakfast with Brother Wuya. Although you are a princess of the sea shark clan, although your status is noble, you don’t spend as much time with Yue Wuya as I do.

“Yes!” The maid responded and turned to leave.

Seeing this, Hai Ling’er was not angry at all, but said with a smile: “Little sister Wushuang, do you often eat with Brother Wuya?”

She could see that this Nalan Wushuang was targeting her everywhere, but She didn’t care at all.

“Of course!”

Nalan Wushuang said with a cold and arrogant look on his face, “Brother Wu Ya and I have known each other five years ago. We have many common hobbies and eating habits. The sharks are used to eating seafood, so the breakfast here may not suit your taste.”

It was still thorny.

Hai Ling’er smiled lightly and didn’t mind at all.

But Yue Wuya couldn’t help it, frowned at Nalan Wushuang and said, “Wushuang, what are you talking about?” Who can stand this young lady’s personality?

“What I said is the truth.” Nalan Wushuang made an innocent look: “Could it be that she is overseas and eats fish and shrimp every day, how can we have abundant ingredients here?”

Seeing Yue Wu Nalan Wushuang was even more unhappy when Ya defended Hai Ling’er.

“Okay!”

Seeing that the atmosphere was not good, Hai Linger hurried to smooth things out, and said softly to Yue Wuya: “Young sister Wushuang is not bad, I rarely come to the mainland, the food here is indeed different from our sea shark clan, but I will I’m used to it.”

Hearing this, Yue Wuya smiled and nodded.

Nalan Wushuang snorted softly.

Wow...

Seeing this scene, several maids not far away couldn’t help but talk in a low voice.

“Look, Miss Wushuang seems to want to compete with this Hai Ling’er for Sect Master Yue.”

“Yes, Sect Master Yue is really lucky to be favored by two beautiful women...”

“One is the young lady of the Nalan family. , One is the princess of the sea shark clan. I don’t know how Sect Master Yue decides? But looking at the situation, Sect Master Yue seems to have a soft spot for Hai Ling’er.”

“Shh...be quieter.”

Just as several maids whispered While they were discussing, the breakfast of Yue Wuya and the three also brought them up.

“It smells so good!”

Hai Ling’er couldn’t help but exclaimed when she smelled the aroma of the rice porridge, and then she took a sip, but was burned, she quickly stuck out her tongue, she couldn’t tell cute.

Haha...

Seeing her like this, Yue Wuya couldn’t help laughing: “The rice porridge that just came out of the pot is very hot, come on, let me blow it for you.” After speaking, he scooped up some rice porridge with a spoon. Put it on your mouth and blow it gently. Unspeakable tenderness.

Hai Ling’er watched with a smile, an indescribable sweet happiness in her heart.

“I won’t eat it!”

Seeing this scene, Nalan Wushuang couldn’t bear it any longer. He threw away the spoon and turned away angrily.

Just now, Yue Wuya and Hai Linger were talking and laughing like no one else around, which already made her very unhappy. At this time, she saw Yue Wuya blowing rice porridge to Hai Linger, let alone Nalan Wushuang. No girl can stand it.

“She...”

Seeing Nalan Wushuang angrily leaving the stage, Hai Linger couldn't help but gently asked Yue Wuya, “Is she all right?” Hai Linger Bingxue is smart, what do you think? No, Yue Wuya was so close to him just now, part of it was to anger Nalan Wushuang.

Yue Wuya waved his hand and said indifferently, “This girl is just the eldest young lady's temper. There is nothing at all. Come on, let's have breakfast.”

Hmm!

Seeing what he said, Hai Linger stopped asking and started to eat quietly.

At this time, neither of them knew that Nalan Wushuang did not go far, but sat in a pavilion not far outside, sulking. She really couldn't figure out what special charm Hai Ling'er had that could make Yue Wuya so obsessed.

Chapter 5155

At this time, the side hall is here.

While eating breakfast, Yue Wuya told the story of the destruction of the Tianmen sub-altar.

At the end, Yue Wuya sighed and said, “Uncle Wen was afraid that I would be dazzled by hatred, so he didn't let me stay here temporarily.”

Upon learning of the situation, Hai Linger's delicate face was also extremely sad. “These people from the Sea Dragon Palace are really ruthless, they actually killed so many people.”

“Uncle Wen is also for your own good. After all, the other party is very powerful.”

Speaking of this, Hai Ling'er smiled gently: “Brother Wu Ya, I'll accompany you to relax.” She knew that it was useless to console him about the collapse of Donghai City's sub-altar, the only thing she could do was to accompany him to relax.

“Yeah!”

Yue Wuya nodded. After drinking the last mouthful of porridge, he walked out of the side hall with Hai Linger and walked towards Beishan. In the north of Xia Yinzong, in addition to a valley, there is also a lake with beautiful scenery. good.

This scene was seen by Nalan Wushuang in the pavilion outside, and immediately followed without hesitation.

While following behind, Nalan Wushuang felt very unbalanced. Just now I called Yue Wuya to go to the valley to see orchids, but Yue Wuya refused because he was busy, and in a blink of an eye, he went for a walk with Hai Linger.

Soon, we reached the shore of the lake.

At this time, the sun has just risen, and the morning glow is reflected on the lake, reflecting a charming golden color.

“It’s so beautiful.”

Seeing this scene, Hai Linger’s face was full of joy, and she couldn’t help but say: “It’s like watching the sunrise on the island.”

Yue Wuya smiled slightly and couldn’t help but hug her shoulders : “If you like it, I will bring you every day in the future.” With Hai Linger accompanying, Yue Wuya’s mood was much better at this time.

Um!

Feeling Yue Wuya’s expression, Hai Ling’er responded with a sweet heart.

At this time, Yue Wuya saw a few orchids blooming on the cliff not far away, and he suddenly had an idea to make a flower crown for Hai Linger to wear, it must be very beautiful.

Thinking to himself, Yue Wuya said mysteriously: “Linger, wait for me, I’ll come when I go.”

After speaking, he turned around and strode away.

What is so mysterious.

Hai Ling’er was full of smiles and did not ask any further questions. After Yue Wuya left, she stood by the lake alone and admired the scenery in front of her.

Shasha...

At this time, Nalan Wushuang, who had been following behind, saw Yue Wuya leave and walked over slowly. A pair of eyes, staring at Hai Ling’er, twinkling with complexity.

Hearing the footsteps, Hai Linger immediately turned her head to look.

Seeing that it was Nalan Wushuang, Hai Ling'er smiled and greeted very politely: "Little sister Wushuang, why are you here?" At this time, she didn't know that Nalan Wushuang had been following behind.

"Don't call me my little sister."

Yue Wuya was not there, and Nalan Wushuang didn't bother to pretend to be polite, and said coldly, "I'm not familiar with you, who is your little sister?"

Feeling Nalan Wushuang's hostility, Hai Ling'er smiled and said nothing.

They were all women, Hai Linger could feel it, Nalan Wushuang liked Yue Wuya very much, but now, if she stole her sweetheart, she would feel uncomfortable if she were any woman.

"Hai Ling'er!"

At this moment, Nalan Wushuang walked up to him, his delicate face was full of icy coldness: "I heard that you are the princess of the sea shark clan, and your sea shark clan's practice is unique, why don't we discuss it and let May I experience the unique skills of your sea sharks?"

Nalan Wushuang was very upset when he saw Yue Wuya taking care of Hai Linger in every possible way, and now he wanted to teach Hai Linger a good lesson in the name of learning from each other.

Learn from each other?

Hearing this proposal, Hai Ling'er was stunned for a moment, then smiled: "This is not necessary." She is not a competitive woman, she just wants to enjoy the beautiful scenery.

Seeing her refusal, Nalan Wushuang smiled disdainfully: "Princess of the sea shark clan, is this brave? You don't dare to discuss?" After

speaking, Nalan Wushuang turned his head: "Let's just discuss, let's go to the point, it's not It's really fighting to the death, and I'm very interested in the exercises of your sea sharks, and I really want to see it, don't you want to satisfy me for this small request?"

The ultimate husband in Chinese chapter 5156-5160

Chapter 5156

This....

Seeing her say that, Hai Linger pondered, as the princess of the sea shark clan, it is really unreasonable to shrink back in the face of challenges.

It's just... She and Nalan Wushuang have no troubles, and this place is so beautiful, I really don't want to do it.

More importantly, Hai Linger could see that Nalan Wushuang likes Yue Wuya very much, and it is precisely because of this that she is regarded as a thorn in the eyes and a thorn in the flesh. In this case, it is even more reluctant to accept the consultation.

If there is an accident during the consultation process, wouldn't the hatred be deeper?

"Hey.."

Seeing her hesitating, Nalan Wushuang became a little impatient and frowned, "Hai Linger, can you hurry up and fight? To tell you the truth, I like Yue Wuya, So I will never let you snatch him away from me."

"This time, it is the battle of my dignity, you have to fight, you have to fight. If you refuse, I will fight every day in the future. I'm following you."

When he said this, Nalan Wushuang's tone was savage, and he couldn't hide the hostility in his eyes.

Ugh!

Seeing that she had said so, Hai Ling'er sighed softly and nodded, "Well, let's stop here." She could see that Nalan Wushuang was not joking. There will never be peace.

"Okay!"

Seeing her finally agreeing, Nalan Wushuang showed a smile and said seriously: "Since it's a competition, we have to make a bet. If I lose, I won't bother you and Brother Wuya in the future.

", Nalan Wushuang's eyes flickered with ruthlessness: "And if you lose, leave Brother Wuya and go back to the place where your sea sharks took you, and you will never be able to set foot on the continent of Kyushu."

Hearing this, Hai Ling'er's delicate body was shocked, and her beautiful face became solemn at this time.

This chapter is provided by . Visit for daily update.

The next second, Hai Ling'er looked at Nalan Wushuang seriously, nodded and said, "Okay, but I want to tell you that I will not lose to you." The voice was not loud, but full of determination.

Back when the Rakshasa clan devastated Kyushu, after Hai Linger and Yue Wuya got to know each other, they left an indelible mark on each other's hearts.

"Haha!"

Seeing her seriousness, Nalan Wushuang sneered, unable to hide his contempt: "I can't tell, you are quite confident in your own strength."

"But don't forget, I am from the Nalan family. Miss, since I dare to challenge you, I'm not a vegetarian." As the last word fell, Nalan Wushuang pulled out his long sword, and swiftly stabbed towards Hai Ling'er.

Nalan Wushuang started cultivating five years ago. During this period, he had worshipped many high-ranking people as teachers, but his strength was not good. At this time, he was naturally ruthless in order to compete for his beloved.

Chi...

I saw that the sword Nalan Wushuang stabbed was as fast as electricity, and the air seemed to be torn apart wherever it passed.

Seeing Nalan Wushuang attack, Hai Ling'er bit her lip lightly, her beautiful face full of calm. Immediately afterwards, the jade hand raised, holding a flute as white as snow and came out.

I saw this flute, like jade but not jade, with a white halo flowing through it, and it was extremely tough.

It is the treasure of the sea sharks, the Xueshan Ice King Flute.

In the deep sea near the island where the sea sharks are located, there is a special white coral called snow coral. This coral is completely different from ordinary corals. It is not only large but also very tough.

Twenty years ago, the patriarch of the shark clan found a snow coral king on the bottom of the sea, polished it into a flute, and passed it on to Hai Linger.

At this moment, Hai Ling'er held Xue Shan Ice King Flute tightly, her delicate body flashed, and she met Nalan Wushuang.

Dang dang dang...

Nalan Wushuang's long sword collided with Hai Ling'er's Snow Mountain Ice King Flute constantly, making a crisp sound. At the beginning, Nalan Wushuang was still full of confidence, but gradually, in his heart But was secretly surprised.

Is this Hai Ling'er so strong?

You must know that although Nalan Wushuang cultivated relatively late, the masters that the Nalan family found for her were all well-known masters in the arena, plus Nalan Wushuang was talented and intelligent. Although she only practiced for five years, But his strength has far surpassed his peers, and he is the leader of the younger generation of the Nalan family.

Chapter 5157

Clang!

Just when Nalan Wushuang was secretly surprised, Hai Ling'er turned her inner strength and injected it into the Xueshan Ice King Flute, and it struck like lightning. Nalan Wushuang hurriedly put the long sword in front of him to resist, and heard a dull, satisfied sound. Lan Wushuang's delicate body stepped back again and again, and the long sword was almost unsteady.

After stabilizing his figure, Nalan Wushuang stared at Hai Ling'er, both shame and anger.

Since stepping into the arena, he has never been suppressed like this.

The person who made her even more unbearable, the girl in front of her, was still her underestimated enemy.

Huh..

Feeling the hatred in Nalan Wu's eyes, Hai Ling'er breathed a sigh of relief, her beautiful face did not fluctuate in the slightest, and

said softly, "Don't fight, you can't beat me." Ling'er has retained a bit of strength, otherwise Nalan Wushuang would have been defeated long ago, just to prevent her from losing too ugly, so she pretended to play more than a dozen rounds with her.

"Shut up!"

However, the more Hai Ling'er was like this, the more angry Nalan Wushuang became. He couldn't help but shout: "Don't be complacent, I won't give up easily." As the

voice fell, Nalan Wushuang was nervous. Holding the long sword, the figure rose up and attacked Hai Linger again.

Alas.. why is this girl so persistent?

Faced with this situation, Hai Ling'er sighed softly and had no choice but to continue to fight with the Xue Shan Ice King Flute.

Dangdangdang...

In the blink of an eye, the two sides fought fiercely for several more rounds. Nalan Wushuang used various moves, but he was unable to reverse the situation. His delicate face was extremely red, and his heart was also anxious.

"I won't lose, I will never..." Nalan Wushuang snorted, and the inner strength of the whole body exploded.

hum!

In an instant, an incomparably powerful force erupted, and within a few hundred meters around, the temperature plummeted.

"Tianjue's life-threatening claws." The

next second, a cold voice came from Nalan Wushuang's mouth, and then, I saw her whole body soaring into the air, her jade hand five fingers forming claws, like a bolt of lightning, bursting towards Hai Ling'er come.

Kazuza...

Tianjue's life-killing claw is a stunt on the rivers and lakes of the Earth Continent thousands of years ago. Once practiced, it can be divided into gold and stone. The power is very amazing, but it was later lost.

In recent years, when the Nalan family was transformed into a cultivating family, they once sent people to collect the secrets of the exercises in the rivers and lakes.

Nalan Wushuang is talented and intelligent. Two years ago, he practiced his life-threatening claws, but he has never had the chance to use it. Because the moves of this technique are too cruel, as long as he uses it, the opponent will be killed or injured.

At this time, Nalan Wushuang was still unable to suppress Hai Ling'er, and when he was so embarrassed, he couldn't care less.

Chi Chi...

At this moment, at the moment when Tian Jue's life-threatening claws erupted, all directions around Hai Ling'er seemed to be sealed invisibly, and there was no way out.

This...is this a lost practice method in the arena?

Seeing Nalan Wushuang burst out with a stunt, Xiumei frowned lightly on Hai Ling'er's beautiful face, but she was not panic at all. As the patriarch of the sea shark clan, he naturally has stunts to save his life.

“Sea Beast Art!”

Seeing that Nalan Wushuang's claw was about to hit Hai Ling'er, just at this critical moment, she saw Hai Ling'er's red lips parted lightly and slowly spit out a few words.

Immediately afterwards, Hai Ling'er put away the Xue Shan Ice King Flute, and quickly raised a pair of jade hands.

hum!

In an instant, in the air in front of her, a water curtain quickly condensed out, and then, in the center of the water curtain, a dolphin transformed into an illusion.

This dolphin is several meters long and has a dark body. It was completely transformed by Hai Linger's internal power.

boom!

In the next second, the dolphin opened its mouth wide and met the bursting Nalan Wushuang. One person and one beast collided in mid-air, making a loud noise.

After the loud noise, I saw Hai Linger standing quietly in the same place, with the same demeanor, without the slightest bit of damage.

On the other hand, Nalan Wushuang groaned, and the delicate body was shaken out. It flew more than ten meters before landing on the ground, and the delicate body trembled and stepped back ten steps before stabilizing her figure.

This is impossible.

At this time, Nalan Wushuang's delicate face was extremely pale, showing a bit of weakness, but a pair of eyes stared at Hai Ling'er fiercely, and his heart was shocked and resentful.

Chapter 5158

How can this Hai Linger's strength be so strong?

He had already performed a stunt, and he didn't even hurt her at all.

Pfft...

Under the anger, Nalan Wushuang rushed to his heart, a mouthful of blood spurted out, and his delicate body was trembling faintly.

Brother Wu Ya was snatched by her, and he couldn't beat her.

Why is God so unfair?

"You..."

Hai Ling'er couldn't help exclaiming when she saw Nalan Wushuang vomiting blood, her beautiful face was full of worry: "You... are you all right?" Her tone was extremely soft.

Hai Ling'er has a kind heart, she knows that because of Yue Wuya, Nalan Wushuang will always show her face. In the end, the two have no grudges, and, as they said just now, it's just a matter of time.

Under such circumstances, seeing Nalan Wushuang being injured by herself, Hai Ling'er felt very sorry.

"The cat is crying and the mouse is fake."

Facing Hai Linger's concern, Nalan Wushuang snorted coldly, disdainfully.

Seeing that Nalan Wushuang did not respond, Hai Linger thought she was seriously injured and walked over slowly. At the same time, she said apologetically, "I'm sorry, I didn't mean it just now."

Hai Linger has been kind since she was a child. After death, I can feel sad for several days. At this time, seeing Nalan Wushuang vomiting blood from his beating is even more uncomfortable.

call!

Seeing that Hai Linger didn't seem to be pretending, Nalan Wushuang frowned and didn't appreciate it at all. Instead, he turned his head and came up with a cruel idea.

This Hai Ling'er is not only beautiful and powerful, but also so simple.

No wonder Brother Wu Ya is so obsessed with her.

No, Brother Wuya is mine, and I must not let other women take it away.

Pfft!

Thinking in his heart, Nalan Wushuang pretended to be unable to hold on, and fell to the ground all of a sudden. When he

fell to the ground, Nalan Wushuang's face was pale and seemed to be very weak, but his eyes were secretly paying attention to Hai Ling'er's reaction.

Yes, Nalan Wushuang planned to use Hai Linger's kindness to raid her.

Oops!

Seeing Nalan Wushuang fall to the ground, Hai Ling'er's delicate body was shocked, and she was suddenly in a hurry.

Although Nalan Wushuang made trouble unreasonably, in the final analysis, it was because he liked Yue Wuya too much, and, in Yue Wuya's heart, he always regarded her as a younger sister. Brother Ya explain?

Thinking of this, Hai Linger felt very guilty, she ran over and said to Nalan Wushuang, "I'm sorry, I'm really sorry, I didn't mean it just now."

Hai Linger was worried when she said this.

At this time, she didn't know that the Nalan Wushuang in front of her was completely fake.

"I'm sorry?"

Seeing her so nervous, Nalan Wushuang sneered secretly in his heart, with a sense of revenge, and immediately said coldly: "You don't pretend to be in front of me, you are afraid that I will steal Brother Wuya, so you hit me on purpose. Injury, right?"

"It's the end of the deal, but you are so serious, I really don't see it, you are so innocent on the outside, and so cruel at the bottom of your heart."

Nalan Wushuang at this time, deliberately made a very serious The look of grief and indignation, what viciousness said, as if the person in front of her was the most heinous woman in the world.

"I..."

Hearing this, Huan Ling'er's face flushed red, and she didn't know whether to laugh or cry.

When we were discussing just now, you were pressing step by step, and you were the first to use your stunt. I was just defending, why was it so cruel?

Hai Ling'er wanted to refute a sentence, but when she saw Nalan Wushuang's pale and sad expression, she held back.

They're all women, so why bother each other? Forget it, bear with it.

Thinking of this, Hai Linger breathed softly and said softly: "Sister Wushuang, don't be angry, I didn't know it would hurt you, let me adjust your breath for you." After speaking, Hai Linger squatted down, to help Nalan Wushuang up.

Here's your chance!

At this moment, Nalan Wu's eyes flickered sharply, without hesitation at the time, he slammed a palm directly into Hai Ling'er's heart.

Seeing Yue Wuya being so protective of Hai Linger before, Nalan Wushuang was already very unhappy, but it turned out that she was not her opponent, and the resentment in her heart deepened. At this time, she just wanted to kill Hai Linger.

As long as Hai Linger is dead, he will have a chance.

Chapter 5159

Om!

When he cast this palm, Nalan Wushuang showed almost all of his inner strength.

"You..." Hai Ling'er was taken aback when she saw Nalan Wushuang's sudden attack, and immediately knew that the other party was pretending just now: "Little sister Wushuang, what are you doing?"

She never thought that Nalan Wushuang would be so insidious.

"Don't call me little sister." Nalan Wushuang's delicate face couldn't hide the grimness: "Don't get involved with me, I don't want to do this, but who told you to take away my brother Wuya? You... Go to hell." The

voice fell, and a little more internal force was added to the palm.

boom!

Faced with this situation, Hai Ling'er wanted to dodge, but the distance was too close, and it was too late. She saw this palm hit her heart, causing a dull vibration.

Immediately afterwards, Hai Ling'er let out a painful cry, and the whole person flew out at once.

Pfft!

After flying dozens of meters away, Hai Ling'er fell heavily on the edge of the lake, blood spilled from her red lips, and bursts of severe pain almost passed out.

"You..."

Hai Ling'er looked at Nalan Wushuang closely, and was very angry. She wanted to reprimand, but she couldn't go on with just one word. She clearly felt that her heart was affected. The heavy damage, the inner strength of the dantian, is also completely disordered.

To be honest, the sea shark practice Hai Linger practiced is quite special. The palm just now, with the special body protection, offset part of the palm strength, otherwise, he would have died at this time.

Ha ha...

The raid was successful, Nalan Wushuang was full of joy, and quickly stood up, with a high attitude, sneered at Hai Linger: "With your IQ, you still want to be a woman of Brother Wuya? Don't you know that soldiers are not tired of cheating?"

As he spoke, Nalan Wushuang clenched his long sword and walked step by step: "The only one who is qualified to be Wuya's wife is me."

When he spoke, Nalan Wushuang couldn't hide the killing intent in his eyes.

Anyway, now Yue Wuya is no longer, and no one knows about killing Hai Linger.

Huh...

Seeing Nalan Wushuang approaching step by step, Hai Ling'er was angry and panic.

I have to stay with Yue Wuya for the rest of my life, so I can't die like this. It's just... my heart is injured, how can I be Nalan Wushuang's opponent?

Thinking to herself, Hai Ling'er was a little desperate, and tears flowed down her face.

"Ling'er!"

At this critical moment, he heard a shout from not far away, and when he turned his head to look, he saw Yue Wuya rushing towards him, holding a garland that had just been woven in his hand.

Seeing Yue Wuya appear, Hai Linger was overjoyed and couldn't help shouting, "Brother Wuya!"

Brother Wuya came, and he was saved.

hateful!

At the same time, Nalan Wushuang stomped his feet in anger. Brother Wu Ya came at a wrong time, and he was almost able to kill this vixen.

“Linger!”

At this moment, Yue Wuya rushed forward and hugged Hai Linger in his arms.

He clearly saw that Hai Ling'er's face was pale and her body was weak. Because her heart was injured, she was extremely weak at this time.

“Ling'er, don't scare me, you'll be fine...” Yue Wuya's voice was choked, his eyes were blood red, seeing the woman he loves in this state, his heart was like a knife.

“Brother Wuya.”

Snuggled in Yue Wuya's arms, Hai Ling'er was indescribably warm and happy. Although she was very weak, she still squeezed out a smile to comfort her: “Don't cry, I will be fine. ...”

“Sister Wu Shuang and I were discussing just now, and I was accidentally injured by her. Don't blame her...” As the

last word fell, Hai Linger couldn't hold it anymore, her eyes darkened, and she passed out. .

She has a kind heart, and even if things develop to this stage, she doesn't want to see Yue Wuya and Nalan Wushuang turn their backs.

“Linger!”

Yue Wuya howled, hugging Hai Linger tightly, tears welling up, her voice trembling.

Seeing Yue Wuya's sad face, Nalan Wushuang looked indifferent and couldn't help but say, “Brother Wuya, why are you crying, she's not going to die.

” She is so weak that she can't even catch my palm.”

Hai Ling'er helped to speak before she fell unconscious, but Nalan Wushuang didn't appreciate it at all, so she took this opportunity to deliberately reverse right and wrong to excuse herself.

Chapter 5160

“You...”

Seeing her cold-blooded and ruthless appearance, Yue Wuya trembled with anger and shouted, “Shut up.”

Linger was so hurt that she actually said This kind of thing comes.

Yue Wuya didn't know the situation just now, but he believed that Hai Ling'er's strength was really going to fight, and it was impossible to lose to Nalan Wushuang.

“Did I say something wrong?”

Nalan Wushuang didn't realize his mistake at all, and said indifferently: “She can't even catch my palm, who can blame it?” He

didn't kill Hai Ling in time just now Son, Nalan Wushuang was a bit suffocating, and seeing Yue Wuya taking such care of her at this time, she felt even more jealous.

Swish!

As soon as the words fell, Yue Wuya stood up suddenly, his eyes were blood red, and he locked onto Nalan Wushuang.

Yue Wuya had been restraining just now, but seeing Nalan Wushuang talking more and more, he couldn't help it.

“You...”

Nalan Wushuang's delicate body trembled as he felt Yue Wuya's gaze, and his heart became inexplicably nervous. Knowing Yue Wuya for so long, this was the first time he saw this kind of gaze.

It's scary as if it's going to eat people.

Snapped!

In the next second, before Nalan Wushuang could react, Yue Wuya slapped her in the face with a slap in the face. This slap was full of Yue Wuya's anger, and he almost used all his strength.

Hearing a muffled groan, Nalan Wushuang was directly fanned out and flew more than ten meters before falling to the ground.

“you...”

Nalan Wushuang covered his face, staring at Yue Wuya in shock and atmosphere: "You hit me?" He did so much, just because he liked him, but he actually did it for a princess of the sea shark clan, Do it yourself.

As the young lady of the Nalan family, whoever met her was not respectful, but at this time, she was beaten by a man she liked. It would be unacceptable for any woman.

"Shut up!"

Yue Wuya shouted, his whole body filled with anger: "Nalan Wushuang, I told you before, I only treat you as my sister, it is impossible for us both."

"My whole life , I only love one woman, that is Linger. She is my everything, if anything goes wrong with her today, I will not spare you, including your entire Nalan family.

" From now on, I don't want to see you again." The

last sentence fell, Yue Wuya turned around and picked up Hai Ling'er, strode away, and didn't even look at Nalan Wushuang.

'From now on, I don't want to see you again. '

These words, like an invisible sledgehammer, slammed into Nalan Wushuang's heart. For a time, Nalan Wushuang felt suffocated, as if he couldn't breathe.

Pfft!

A few seconds later, Nalan Wushuang slumped on the ground as if taking all his strength, watching Yue Wuya's leaving back, tears kept coming.

Yue Wuya, I love you so much, but you treat me like this.

The more Nalan Wushuang thought about it, the more angry he became. The love for Yue Wuya in his heart turned into endless hatred for a while, and he cried out loudly: "Yue Wuya, I will definitely regret you treating me like this..."

.

On the other side, Yue Wuya carried Hai Linger back to the room.

At this time, Yue Wuya clearly felt that Hai Ling'er's internal power was completely disordered.

"Linger!"

Feeling this, Yue Wuya was very annoyed: "It's all my fault, I should have been watching the scenery with you, if I were here, this kind of thing wouldn't have happened."

"I'm sorry, it's all I'm not good, I'm sorry..."

When he said this, Yue Wuya was trembling all over, and after that, he hurriedly ran the exercises to help Hai Linger to channel the disordered inner strength.

Time passed by minute by minute.

In the blink of an eye, two hours passed, and Hai Ling'er's turbulent internal power finally stabilized, and at this time Yue Wuya was also sweating profusely.

"Brother Wuya."

At this time, Hai Linger woke up faintly, and saw Yue Wuya sweating profusely, a smile suddenly appeared on his weak face: "I... I thought I was going to die. ."
