

## The ultimate husband in Chinese chapter 5161-5170

### Chapter 5161

Seeing her waking up, Yue Wuya was very happy. Hearing her say this, she immediately blamed: "Fool, what are you talking about? We haven't gotten married yet, and I want you to give me a lot of children, absolutely not Let you have an accident."

"In the future, you must never say such stupid things, you know?"

Yue Wuya hugged Hai Ling'er and said excitedly.

Seeing his nervous expression, Hai Ling'er showed a smile. Being able to be cared for by such a man, she felt unspeakable happiness. At that time, it was difficult for her to control herself, so she slowly moved up and kissed Yue Wuya's face.

Phew...

Feeling Hai Linger's tenderness, Yue Wuya's mind went blank.

But this kiss was fleeting, Hai Linger blushed, put her face in Yue Wuya's arms, and said in a low voice, "I'm fine now, I'll be fine after two days of rest, Brother Wuya. , don't be too uncomfortable."

Having said that, Hai Linger thought of something and continued: "By the way, don't blame little sister Wushuang, she is so hostile to me because she likes you so much...  
"I

have to say that Hai Ling'er is really too kind, even if she almost died at the hands of Nalan Wushuang, she didn't want to blame her, and she even persuaded Yue Wuya in turn.

Just before he finished speaking, he was interrupted by Yue Wuya.

"Okay, don't talk about it." Yue Wuya hugged her tightly, the scene just now resounded in his mind, and he was angry with Nalan Wushuang: "Don't mention her in front of me in the future, that Nalan The family's young lady, I don't want to see you again in the future."

Yue Wuya couldn't restrain the anger in his heart when he thought that Hai Linger almost died at the hands of Nalan Wushuang.

Alas...

Seeing him like this, Hai Ling'er sighed softly and stopped talking.

.....

This chapter is provided by . Visit for daily update.

On the other side, the Earth Circle Continent.

On the hillside outside the northern suburbs of Zhongzhou City, hundreds of thousands of people from the Sea Dragon Temple set up camp here. From a distance, the tents are connected together, and they are imposing.

A day ago, Yu Du led his subordinates to destroy the Tianmen branch altar in Donghai City, and they advanced all the way, directly approaching the Tianmen main altar in Zhongzhou City.

At that time, Yu Du planned to destroy the Tianmen General Altar in one fell swoop, so as to force Yue Wuya to appear, but he did not expect that many formations were deployed around the Tianmen General Altar in Zhongzhou City. It was unsuccessful, and in the end, thousands of subordinates were lost.

Three years ago, when the power of the demons ravaged the continent of Kyushu, Yue Feng set up a lot of formations near the main altar of Tianmen. Now, it will take at least a few days to break these formations.

The strong attack failed, Yu Du had no choice but to retreat temporarily with his subordinates, then set up camp on the mountain in the northern suburbs, and paid close attention to the situation of the Tianmen General Altar.

When a powerful enemy invades, the Tianmen General Altar has also strengthened its defense.

I saw that the various exits near the main altar were filled with elite disciples, each with a long knife, waiting in a strict formation, plus the surrounding formations, it can be said to be heavily guarded.

Not only that, but the entire Zhongzhou City is also panicking.

When Wen Chou Chou and Sun Dasheng arrived, it was already sunset, and they frowned secretly when they saw the situation in Zhongzhou City in front of them.

Mad!

At this moment, Sun Dasheng stood on the high platform of the main altar of Tianmen, looking at the Hailong Temple camp on the northern suburbs from a distance, with incomparable anger on his face: "These pirates are really bold, trying to destroy the main altar of Tianmen, it's just a fool's dream. ."

Tianmen was established by Fengzi, and it has been passed down for ten years. It is famous in the rivers and lakes. How can a group of pirates be able to shake it?

Wen Chou Chou next to him also had a solemn expression.

A few seconds later, Wen Chou Chou breathed a sigh of relief and said slowly: "Although the other party is just a bunch of pirates, we can't underestimate the enemy too much, don't forget, both Ya'er and Xiao Yu almost died on Dragon King Island before. After saying

that, Wen Chou Chou looked at the sky and continued: "The other party dares to camp on the northern suburbs of the mountain, he must have no fear. I guess that the mysterious young man is also there, let's go over to find out the truth."

"Okay!"

Sun Dasheng nodded quickly, looking impatient: "I want to see how capable that kid is."

Chapter 5162

After the discussion, Wen Chou Chou and Sun Dasheng walked directly to the camp of the Hailong Palace.

"Stop!"

Before they reached the entrance of the camp, the two were stopped by several disciples of the Sea Dragon Palace.

The captain at the head looked at Wen Chou Chou and Sun Da Sheng up and down, and his tone was cold: "Who are you? Don't you know this is the camp of our Sea Dragon Palace? If you don't want to die, get out."

His tone was arrogant and unquestionable.

Nima!

Seeing the other party's arrogant attitude, Sun Dasheng has a hot personality, and he suddenly became angry. He immediately stepped forward and shouted angrily: "My eldest son, Dasheng Sun, this is my eldest brother Wen Chou Chou.

"Let the fire burn your ruined camp."

When he said this, Sun Dasheng's eyes were full of anger, and a small captain was so arrogant that he was courting death.

What?

When the voice fell, whether it was the captain or the members of the Sea Dragon Palace, they were all shocked.

The two people in front of them are the hall master of the Hall of Longevity and the head of Huaguo Mountain, who are famous in the rivers and lakes of Kyushu? They and the founder of Tianmen, Yue Feng, are sworn brothers, no one in the arena knows, no one knows, who doesn't know.

Seeing their shocked expressions, Wen Chou Chou was too lazy to talk nonsense, and said indifferently: "Quickly call your leaders out."

Thinking of the Tianmen sub-altar in Donghai City, all 10,000 disciples were destroyed, and none of them survived, Wen Chou Chou couldn't hold back. Angry.

"I..."

Feeling Wen Chou Chou's powerful aura, the captain reacted, resisting the nervousness in his heart, and responded, "Our leader is not here."

"Furthermore, this is a grudge between us and Tianmen, so don't interfere with the two of you, so as not to get into trouble."

When he said this, the captain's face was full of fear. , but there are hundreds of thousands of companions, so don't be afraid.

"Nonsense."

At this time, Sun Dasheng couldn't bear it anymore, and he pointed at the captain and cursed: "Shao Tema give me this set, I will say it one last time, let your leader get out. Otherwise, don't blame We're welcome."

The captain's face turned cold, not to be outdone: "It's really interesting, although you two have a high reputation in the rivers and lakes, but you are only in the rivers and lakes of Kyushu, dare to come to our Sea Dragon Palace to be wild? Have you thought about the consequences? "The

last word fell, and the captain raised his hand and waved.

Wow...

Seeing the captain's gesture, several hundred members of the Sea Dragon Palace poured out of the camp and directly surrounded Dasheng Sun and Wen Chou Chou. These members of the Sea Dragon Palace were holding long knives and had a murderous aura.

"Looking for death!"

Seeing this scene, Wen Chou Chou stopped talking nonsense, raised his hand and waved, holding a long sword tightly.

“Flying Snow Sword Art.” The

next second, the cold words came out of Wen Chou Chou’s mouth, and in an instant, a dazzling light burst out from the long sword, condensing a sword shadow.

This move, Feixue Sword Art, was learned by Wen Chou Chou in the last few years from the unique technique of ‘Transferring Flowers and Connecting Trees’ in the Hall of Longevity, and its power is amazing.

Speaking of which, Wen Chou Chou acted cautiously and would not be so impulsive under normal circumstances, but today is different from the past. These people from the Sea Dragon Palace are notorious. At this time, if they want to see the mysterious leader, they can only use this method to force him. Appeared.

boom!

The huge sword shadow, like a thunderbolt, slammed into the local crowd, and in an instant, under the terrifying force, I heard the screams of the hundreds of Hailong Hall members, and they fell into the pool of blood. .

Even the captain’s face was pale, he spat out a mouthful of blood, and his figure stepped back several dozen steps before he stabilized his figure.

Hiss...

After stabilizing his figure, the captain stared at Wen Chou Chou closely, his face full of astonishment.

This...is this the strength of the Hall Master of the Palace of Longevity?

At the same time, the surrounding members of the Sea Dragon Palace who were lucky enough to survive were also extremely shocked. Looking at Wen Chou Chou’s eyes, they seemed to see a monster.

Strong..too strong!

One move...just one strike, killing hundreds of members of the Sea Dragon Palace, this strength is simply too terrifying.

“Who? Dare to make trouble in the camp of the Sea Dragon Temple?”

At this moment, a roar came, and then, a figure flew from the sky above the camp, dressed in black armor, majestic and majestic, it was Yu Po.

## Chapter 5163

Swish!

When he rushed to the gate of the camp, Yu Du's eyes directly locked Wen Chou Chou and Sun Da Sheng.

At the same time, Wen Chou Chou and Sun Dasheng also looked at Yu Du closely, with an unconcealed hostility in their eyes.

call!

The next second, Wen Chou Chou took a deep breath and asked Yu Du coldly, "Are you the leader of the Sea Dragon Palace?" His tone was awe-inspiring, unable to conceal his killing intent.

At the same time, Sun Dasheng was also filled with a strong fighting spirit, and he directly pulled out the Heaven-Opening Axe.

"I am."

Feeling the strong atmosphere of Wen Chou Chou and Chou Chou, Yu Du responded coldly, and then asked back, "Who are you?" Yu Du has been a pirate for more than ten years, and has been active overseas all year round, rarely stepping into On the mainland of Kyushu, even if you know everything about the rivers and lakes in Kyushu, you have heard of Wen Chou Chou and Sun Dasheng, but you have never seen them.

At the same time as he asked, Yu Du looked around and saw hundreds of subordinates in the Sea Dragon Palace, one class was in a pool of blood, and his anger was rising.

Hehe...

Sun Dasheng sneered and took a step forward to look at Yu Du: "You don't even know us, how dare you come to the continent of Kyushu to find trouble with Tianmen?" The

voice fell, and Wen Chou Chou also responded: "I am Wen Chou Chou, This is my sworn brother Sun Dasheng."

What?

Hearing this, Yu Du's heart was shocked, and then he reacted, and his pupils shrank slightly: "Yue Wuya, that kid, who caused trouble, was a tortoise, and asked you to show up for him?"

"I tell you, Yue If Wuya does not hand over our young master, the gate of heaven will be destroyed." The

last sentence was arrogant and unquestionable.

Tianmen will be destroyed?

Hearing this, both Wen Chou Chou and Sun Da Sheng's expressions changed and they were burning with anger.

Mad, is just a group of robbers who are rampant overseas, and his tone is not small.

"Okay!" In the

next second, Sun Dasheng was the first to react, holding the Heaven-Opening Axe tightly, and locking on Yu Po: "I want to see how you destroy the Heavenly Gate." The

voice fell, and Sun Dasheng rose into the air.

hum!

At the moment of rushing into the air, Sun Dasheng's inner strength exploded and poured into the opening axe, and a dazzling light burst out, like a scorching sun, radiating in all directions.

Immediately afterwards, Sun Dasheng urged the opening axe to draw a shock in the air, and slashed directly towards Yu Po.

Hiss...

such a powerful breath.

Feeling the power of the Heaven-Opening Axe, whether it was Yu Po or the members of the Sea Dragon Temple present, they were all in a panic and couldn't tell the shock.

Gudong!

Especially Yu Du, he couldn't help swallowing a mouthful of saliva, and his body couldn't stop trembling. According to rumors, Sun Dasheng obtained the divine artifact Kaitian Axe, the strength of which is ranked among the top five in the entire Kyushu Continent. Sure enough.

The power of this opening axe is so terrifying, I'm afraid it can't be stopped.

Under the tension in my heart, when I saw the opening of the sky axe, I couldn't think about it at that time, and quickly pulled out the long knife that I carried, laying it in front of me, trying to block the blow.

boom!

In the next second, I saw the Sky-Opening Axe slashing on the long knife, and the long knife shattered in an instant. At the same time, Yu Du also let out a groan, and the whole person was shocked and flew out, flying for dozens of times. Mi Yuan fell heavily to the ground.

Speaking of which, Yu Du's strength is also very tyrannical, and his cultivation strength is comparable to that of Sun Dasheng. If it is a fair battle, it is difficult to predict who will win and who will lose, but Sun Dasheng has the peerless divine weapon, the Heaven-opening Axe, and naturally he can't stop him. Living.

"Pfft..."

After landing, Yu Du's face was pale, a mouthful of blood spurted out, and his whole body was extremely weak.

"Boss Yu!"

"Leader..."

Seeing this scene, many disciples of the Sea Dragon Hall exclaimed in exclamation.

Is this the power of the Peerless Divine Soldier? Too scary, right?

"Haha.."

Just when everyone was extremely shocked, Sun Dasheng clenched his axe and looked at Yu Du, full of contempt and disdain: "With this amount of strength, you still want to destroy Tianmen?" As he

said, Sun Dasheng took a step. As he walked, the fighting spirit pervaded his body, causing the air to distort.

Chapter 5164

Hu...

Sun Dasheng didn't walk fast, but every step, Yu Du felt as if he was stepping on his heart, making people breathless.

As expected of the world-famous Sun Dasheng, coupled with the peerless divine weapon Kaitian Axe, this strength is too terrifying.

hum!

Just when Yu Du was in a panic, suddenly, there was a wave of aura in the camp, and then, a figure came quickly like lightning.

Wearing a white long gown, it looks a little gentle, but the whole body is filled with an incomparably powerful aura.

It was Gogne.

Of course, at this time Gone is still Liu Hao's appearance.

"Holy King." Seeing Gone, Yu Du seemed to have grabbed a life-saving straw and couldn't help shouting.

"See the Holy Master!"

At the same time, all the members of the Hailong Temple at the scene also shouted in unison, each with a very respectful tone.

Holy King?

Seeing this scene, Wen Chou Chou and Sun Dasheng looked at each other, both of them were incomparably experienced, and then they looked at Gone closely, secretly shocked.

The breath of this man is very strong.

Could it be.... Yu Po, who was defeated just now, is not the real leader, but this young man?

Just as the brothers were thinking about it, Gone slowly landed, without the slightest fluctuation on his face, he first looked around, and then asked Yu Du, "Are you all right?"

Phew!

Yu Du took a deep breath and quickly responded: "Go back to the Holy Master, I'm fine. My subordinates are not strong enough to stop this Great Sage Sun, but... the Heaven Opening Axe in his hand is too powerful, the Sage Master be careful. "

Haha...

Hearing this, Gone chuckled lightly and looked at Sun Dasheng and Wen Chouchou with disdain in his eyes.

What if there are peerless soldiers?

Immediately, Gone stared at Sun Dasheng with a gleaming gaze: "That kid Yue Wuya didn't dare to show up and asked you two to come out and die? Don't think that if you

have an axe, you can do whatever you want. This deity doesn't want to do anything with you, so get out of here. "

Go back and tell that boy, Yue Wuya, to bring the child over within a day, otherwise, I want Tianmen to disappear from this world forever." The

voice was not loud, but it gave off an irrefutable aura.

Swish!

Hearing this, Sun Dasheng and Wen Chou Chou looked extremely ugly in an instant.

The two of them had been in the Kyushu Continent for so many years, and it was the first time that they had been despised by others, especially Sun Dasheng, who had a hot temper.

"I'm going to Nima."

In a fit of rage, Sun Dasheng shouted, and his figure burst out, clenching the sky-opening axe, and slashing directly at Gone.

Seeing Sun Dasheng rushing towards him, the corners of Gone's mouth twitched, revealing a trace of disdain: "I don't know how to live or die, dare to act wild in front of me?"

Om!

The voice fell, and a terrifying aura erupted from Gone's body. The next second, he raised his right hand and slapped Dasheng Sun lightly.

This palm seems to be soft and powerless, but it contains a very strong power of the devil's soul, and the surrounding air is suddenly distorted.

boom!

Sun Dasheng didn't know what was going on, the palm had already been slapped on the back of the axe, and he heard a dull sound. Sun Dasheng only felt an overwhelming force coming from the mountains, the whole person was about to suffocate, and he landed directly on the ground. .

Dengdengdeng...

When he landed, Sun Dasheng took a dozen steps back to stabilize his figure, but his body was still churning with blood.

Mad!

After stabilizing his figure, Sun Dasheng looked at Gone in shock and anger, unable to conceal his inner shock.

This kid is so young and his strength is so terrifying?

At the same time, Wen Chou Chou also had a solemn expression on his face, constantly looking up and down at Gone, and was completely shocked in his heart.

So strong.

Could it be that... Wu Ya and Xiao Yu, the peerless powerhouse they encountered on Dragon King Island before, was him?

At this time, Wen Chou Chou and Sun Dasheng did not realize that the young man in front of him was the reincarnation of the Supreme Being of the Demon Race, and he was reborn with the help of the body of the Liu family in Donghai City.

“Mad, I don’t believe it anymore.”

Sun Dasheng was a man who refused to admit defeat. After adjusting his breath, he held the Heaven-Opening Axe tightly and charged towards Gone again.

The head of the dignified Huaguo Mountain, a well-known figure in the Kyushu continent, was defeated by a famous boy. If this matter spreads out, where will you put your face?

Chapter 5165

“I don’t know whether to live or die!”

Looking at Dasheng Sun who rushed up again, Gone snorted coldly, and then activated the power of the devil’s soul, condensing a blood-colored palm shadow, and directly greeted Dasheng Sun!

hum!

This blood-colored palm shadow contains an incomparably powerful demonic soul power, and the moment it erupted, the entire world was filled with a bloody and chilling aura.

Oops!

Seeing this scene, Wen Chou Chou’s face changed, and what this kid displayed seemed to be the power of the Demon Race.

Realizing this, Wen Chou Chou hurriedly shouted at Da Sage Sun, "Be careful, Da Sage." The voice fell, and Wen Chou Chou quickly rushed in front of Da Sage Sun, urging his inner strength to form a protective film in front of his eyes.

At this time, Wen Chou Chou has already seen that the young man in front of him has a very terrifying strength. Even if he joins forces with Sun Dasheng, he may not be able to fight, so at this time, he gathers the protective film and exerts all his inner strength.

boom!

Just as the protective film was condensed, the bloody palm shadow slammed into it, slammed into the protective film, and heard a loud noise, and the surrounding area instantly filled with dust and smoke.

Click!

Under the terrifying power of the bloody palm shadow, the protective film instantly shattered, and Wen Chou Chou and Sun Da Sheng both groaned and were sent flying out.

Putong putong...

After landing, both brothers spat out a mouthful of blood, their faces were pale, and they were extremely weak.

Wow...

Seeing this scene, whether it was the surrounding Sea Dragon Palace Hall Master or Yu Du, they were all very excited, and they all cried out in excitement.

"The Holy King is mighty..."

Under the shouts, many members of the Sea Dragon Palace quickly gathered around.

Yu Du couldn't help but shouted: "These two are Yue Feng's sworn brothers, and they are Yue Wuya's closest relatives. They caught the two of them and forced Yue Wuya to show up." "

Yes!"

With these words, many members of the Sea Dragon Palace should be united, and they will start.

However, at this moment, Gone slowly landed and said indifferently: "No need. Since the Sea Dragon Palace has declared war on Tianmen, there is no need to take hostages and waste words with them."

When he said this, Gone was full of arrogance .

As the Supreme Being of the Demon Race, Gone never took any power in the Kyushu Continent in his eyes, nor did he bother to play hostage exchange.

Seeing what Gone said, Yu Du quickly nodded: "What the Holy Master said is very true." After saying that, he waved his hands to let the disciples of the Sea Dragon Hall retreat.

"You two..."

At this moment, Gone looked at Wen Chou Chou first, and then at Sun Dasheng, with an indescribably arrogant tone: "Today I will kill you all, and when I go back, I will give Yue Wuya that The kid said, if you don't want Tianmen to die, you should send the child back as soon as possible."

"In addition, when I send the child, I want all the members of his Tianmen to merge into the Sea Dragon Palace." The

tone was stern and unquestionable.

The last word fell, and Gogne turned around to return to the camp.

Mad!

Hearing this, Wen Chou Chou's face was extremely ugly.

Sun Dasheng's eyes were even more blood-red. When the three brothers had been in the rivers and lakes for so many years, when have they been so humiliated?

Under the anger, Sun Dasheng suddenly lost his mind, howling, holding the opening axe tightly, and rushing towards Gone again: "Don't be mad, kid, pick me up again."

"Dasheng!"

Seeing this situation , Wen Chou Chou was so anxious that he would stop him if he shouted.

The opponent's strength is too strong, even if the great sage has the axe, it is not an opponent. If you are a strong player, you will only be humiliated in vain.

Thinking of this, Wen Chou Chou would go up to stop him.

However it was too late.

"Shame on your face."

Facing Sun Dasheng's attack from behind, Gone didn't turn his head, said coldly, and slapped it with a backhand!

hum!

At the moment when this palm was hit, the surrounding air suddenly distorted, and I saw Sun Dasheng groaned. His body was like a kite with a broken string, and he flew out a dozen meters. After landing, he spit out a few mouthfuls of blood on his face. The axe also fell to the ground.

"You..."

Sun Dasheng was full of unwillingness, staring at Gone, just said one word, and then passed out.

"Great Sage!"

Wen Chou Chou shouted and rushed over quickly, holding Sun Dasheng in his arms. He was worried and anxious. He clearly sensed that the palm of Gogne just now directly pierced Sun Dasheng's heart. The pulse was broken.

## **The ultimate husband in Chinese chapter 5166-5170**

### **Chapter 5166**

For a time, Wen Chou Chou looked at Gone with frightened anger.

This man was so ruthless that he broke the Great Sage's heart with one palm, and at the same time he was anxious. You must know that if the heart is broken, if it is not treated in time, it will be life-threatening.

Moreover, ten years ago, Sun Dasheng's heart was broken once. At that time, after many twists and turns, Yue Feng got the phoenix gall before pulling Sun Dasheng back from the gate of hell.

In addition to the phoenix gallbladder, there is also the Panlong essence, which can also heal the wounds of the heart, but there is only one of these two treasures in the world, and ten years ago, these two treasures have been used.

Mad!

Anxious, Wen Chou Chou hugged Sun Dasheng tightly and clenched his fists tightly. If the Dasheng had three strengths and two weaknesses, he would definitely be inseparable from this Sea Dragon Palace.

"This is the end of provoking the deity."

Wen Chou Chou glared, Gone didn't take it to heart at all, looked cold and arrogant, and said lightly: "If you are not convinced, you can give it a try."

Phew...

hear this Then, Wen Chou Chou's eyes were blood red, and he gasped for breath, but did not respond.

To be honest, Wen Chou Chou really wanted to rush up, but he still held back. The boy in front of him looked young, but his strength was too terrifying. At this time, the life and death of the great sage was unknown.

Keeping the green hills, not afraid of running out of firewood, let's endure it first.

Hehe...

Seeing that he didn't speak, Gone sneered and continued: "I still said what I said just now, spare your life today, speak to that boy Yue Wuya for me, and hand over the child within a day, Otherwise, I will make Tianmen disappear forever in this world." The

voice fell, and Gone turned to leave.

This chapter is provided by . Visit for daily update.

Whoa!

Yu Du and the surrounding Hailong Hall disciples also retreated one after another. Speaking of which, they all wanted to kill Wen Chou Chou on the spot, but when the Holy King spoke, they could only obey.

But when he retreated, Yu Du did not forget to put down his harsh words to Wen Chou Chou: "Wen Chou Chou, you are lucky today, our holy king is in a good mood, spare your life, next time you will not be so lucky."

Wen Chou Chou ignored it, but hugged Sun Dasheng and strode down the mountain.

"Quick, open the door..." A

few minutes later, at the gate of the Tianmen General Altar, Wen Chouchou shouted with a face full of hoarseness: "Quickly open the door." While shouting, he observed the unconscious Sun Dasheng.

Brother, you can't be in trouble, you mustn't be in trouble.

what's the situation?

Seeing this scene, the Tianmen disciples present were all shocked.

What's the matter, how did the head of Sun suffer such a serious injury?

Shocked, several elite disciples quickly opened the door and took Sun Dasheng to the back room together. After a while, all the elixir in the main altar were taken out.

For a time, the news of Sun Dasheng's serious injury spread, and the entire Tianmen main altar was in chaos.

Wen Chou Chou is a rare talent in the Jianghu. Although he did not worship a medical master like Shennong as his teacher, he also had some research on medical theory. At that time, he chose some medicinal herbs and gave them directly to Sun Dasheng.

However, Sun Dasheng's heart pulse was broken, and the situation was much worse than expected. After taking several elixir, there was no sign of recovery at all, and his pulse became weaker and weaker.

Pfft!

Seeing this situation, Wen Chou Chou couldn't hide his grief. He knelt in front of the window all of a sudden. Tears poured out, and he said hoarsely, "Brother... I'm sorry for you..."

At this time, Wen Chou Chou Ugly regrets it very much. I knew this was the result. I didn't bring Sun Dasheng out and left him in the Xia Yinzong.

call!

Seeing this scene, all the Tianmen disciples present were silent and their expressions were sad.

Although Sun Dasheng has a hot temper, he is upright and upright, and has made a lot of contributions to the Kyushu rivers and lakes over the years. More importantly, he and the founder of Tianmen, Yue Feng, are still sworn brothers. Therefore, seeing him like this at this time, the Tianmen disciples present felt as uncomfortable as a knife.

"Brother Wen! Brother Dasheng!"

At this moment, a crisp and soft voice sounded outside the door, and then, a beautiful figure walked in quickly.

Chapter 5167

A long white dress brings out the graceful curves, floating like a fairy, with a delicate face that can't hide the anxiety and worry.

It was Xiao Yuruo.

Before, Xiao Yuruo returned to Donghai City and attended his father's birthday banquet. Because of his cousin, he never left. Today, when he learned that the Tianmen sub-altar in Donghai City was raided by the Sea Dragon Palace, Xiao Yuruo was also very angry and kept secretly. Follow developments.

Half a day ago, Xiao Yuruo learned that the Sea Dragon Palace was going to destroy the main altar of Tianmen, so he rushed over immediately.

hum!

At this moment, Xiao Yuruo walked into the room quickly, saw the scene in front of her, her mind buzzed, and instantly went blank.

I saw Wen Chou Chou kneeling in front of the bed with a look of grief on his face, while Sun Dasheng lay there, his face pale, his eyes closed, and he was dying.

Because of Yue Feng's relationship, Xiao Yuruo has always regarded Wen Chou Chou as brothers, and seeing Sun Dasheng in such a tragic state at this time is both shocking and sad.

"How could this be..."

After a few seconds, Xiao Yuruo regained consciousness, her delicate body trembled, and asked Wen Chou Chou, "What happened? How did the big sage become like this?"

Huh. ...

Wen Chou Chou took a deep breath, endured his grief, and told the situation at the time. In the end, Wen Chou Chou blamed himself: "It's all my fault, because the Great Sage has a hot personality, I shouldn't bring it with me. It's all my fault that he went to the camp at the Sea Dragon Palace..."

Xiao Yuruo's heart trembled when she heard the situation, and she was shocked.

There is such a terrifying existence in the Sea Dragon Palace? Brother Wen and Brother Dasheng joined forces, but they couldn't beat each other.

However, Xiao Yuruo quickly calmed down and gently comforted Wen Chou Chou: "Brother Wen, don't be too uncomfortable. Although Da Sheng is in a crisis, it is not impossible to treat him."

"Before I came to Zhongzhou, I contacted me. Senior Shennong, the news should have reached by now, I believe that senior Shennong will come over soon."

Over the years, Shennong and Zhu Rong have been living in seclusion, not bothering about rivers and lakes. In the entire Kyushu, Only Yue Feng knew where they were.

And Xiao Yuruo, as Yue Feng's woman, naturally knew where they lived in seclusion.

Although Xiao Yuruo was a woman, she was resourceful and far-sighted. The day before, she learned that the Tianmen main altar in Donghai City had nearly ten thousand disciples destroyed. At that time, she realized that the strength of the Sea Dragon Palace was not bad, and there would inevitably be a tragic confrontation after that. , Tianmen disciples, there are bound to be countless casualties.

Under such circumstances, Xiao Yuruo thought of Shennong. After all, he is the ancestor of medicine known to the world, and his medical skills are superb. If he is there, Tianmen can also reduce casualties.

Huh... Hearing this, Wen Chou Chou swept away the haze in his heart

and looked at Xiao Yuruo with joy: "Brother and sister, is what you said true? Senior Shennong is coming?"

, the words were a little trembling.

After all, Shennong's medical skills are superb, and it can be said that he exists like a living fairy. If he comes, Sun Dasheng will be saved.

Um!

Xiao Yuruo nodded and said softly, "Not only did I send a message to Senior Shennong, but I also invited Senior Zhu Rong to come along. Besides, we have a friend in Donghai City."

When she said the last sentence, Xiao Yuruo was exquisite. There was a hint of complexity on his face.

"A friend in Donghai City? Who?" Wen Chou Chou was stunned for a moment, and asked quickly.

Over the years, I haven't heard of any outstanding people in the arena in Donghai City.

Seeing his appearance, Xiao Yuruo pursed her lips and smiled: "This person, his temperament can do whatever he wants, and I'm not sure if he will come, so let me sell it first."

Uh...

Hearing this, Wen Chou Ugly is very depressed. When will this younger brother and sister learn to speak mysteriously.

hum!

Just as he was talking, he sensed the sky outside, and there was a strong aura fluctuation. Immediately afterwards, an old man surrounded by immortal energy walked in slowly.

He was dressed in a blue-grey long gown, with a bun and white beard.

It is Yaozu Shennong.

“Senior Shennong!”

Wen Chouchou was overjoyed when he saw Shennong, and hurried up to meet him, Xiao Yuruo also showed a smile.

“I have seen Senior Shennong.”

At the same time, the Tianmen disciples standing around shouted in unison.

Chapter 5168

You must know that Yue Feng studied medicine with Shennong in those days. Although he did not formally apprentice, in Yue Feng’s heart, Shennong was always regarded as his master.

Under such circumstances, the entire Tianmen naturally respected Shennong.

“Palace Master Wen!”

Shen Nong showed a smile, looked at Wen Chou Chou and said, “Don’t be alright.”

After saying that, Shen Nong looked at Xiao Yuruo again, and smiled: “After Miss Yuruo sent me a letter, I left immediately, it shouldn’t be too late.”

Xiao Yuruo nodded again and again: “Senior, you came too soon. You should save the big sage.”

Huh?

Hearing this, Shennong found Sun Dasheng lying unconscious, and was stunned for a moment: “Why is it hurt so badly?” As he said that, he went over to check Sun Dasheng’s condition. Wen Chou Chou looked ashamed, told the situation at the time, and finally knelt

down in front of Shen Nong, begging: "Senior Shen Nong, please save the Great Sage."

, almost unmatched. No one could make him let go of his dignity and kneel down like this, but Shennong is different. This is an existence that has been famous for thousands of years. More importantly, only he can save Sun Dasheng.

As long as the brother can be safe and sound, what is kneeling?

"Ouch!"

Seeing this scene, Shennong smiled, raised his hand to exert an internal force, and held up Wen Chou Chou: "Wen Chou Chou does not need to be so gifted, you are all Yue Feng's brothers, I will naturally do my best. If you can, be sure to heal Sun Dasheng."

With that, Shennong turned his head to look at Sun Dasheng's condition and frowned, "It's just... the heart is injured, unless there is a natural resource, it will be very difficult."

"Phoenix Gallbladder and Coiling Dragon Essence have been used as early as ten years ago, and there is no second one in the Kyushu Continent..."

This...

Hearing this, Wen Chou Chou became a little anxious: "What should I do? Seniors have other solutions?" The

voice fell, Xiao Yuruo also bit her lip tightly, and said, "Senior, you must find a way." She saw that Sun Dasheng's face was getting whiter and whiter, I was afraid that it would drag on. After a long time, it is powerless to go back to heaven.

"Don't worry, you two, let me think about it." Shennong breathed lightly, waved his hand, and began to think.

Seeing him say that, Wen Chou Chou and Xiao Yuruo quickly shut their mouths, for fear of disturbing Shen Nong's thoughts.

quiet!

For a while, the room was deadly silent, and the eyes of everyone present were focused on Shen Nong.

After all, Sun Dasheng's life and death were all in his mind.

"Yes!"

After more than ten seconds, Shennong's eyes flashed, and he suddenly had an idea: "As long as I find the dragon's blood as the medicine, I will prepare a few more medicines to adjust it, and the Sect Master Sun will be able to recover safely."

Shenlong blood?

Hearing this, Wen Chou Chou and Xiao Yuruo glanced at each other, both confused.

But soon, Xiao Yuruo was the first to react, with a delicate face that could not hide the joy: "Xiao Xi is a dragon, we can just find her."

That year Xiao Xi died tragically at the hands of Zhang Jiao, but at a critical moment, Motivated by Diaochan, she merged her divine soul into the unbroken dragon egg. After that, Xiao Xi was reborn with the body of a divine dragon.

In the past six months, Xiao Xi and the Ouyang family have been hiding in the Xia Yin Sect in order to avoid the investigation of the gods.

Yeah, how did you forget this? Wen Chou Chou slapped his thigh and hurriedly

ordered to the disciple of Tianmen next to him: "Quick, go to Xia Yin Sect and invite Xiao Xi to come.

"

Xia Yinzong.

A few hours later, Xiao Xi learned the news and quickly rushed to Zhongzhou City. Under Shennong's instructions, she cut her wrist and released the blood of the dragon to make medicine for Sun Dasheng.

After that, Shennong prepared several medicines and let Xiao Yuruo take it to Sun Dasheng after suffering.

After taking the medicine, Sun Dasheng did not wake up, but his face recovered a bit of blood, and his pulse became stable. In an instant, everyone present was relieved.

After treating Sun Dasheng and Wen Chou Chou, they called everyone together to discuss how to deal with the Hailong Hall in the main hall of Tianmen.

Chapter 5169

At this time, in the hall, after Wen Chou Chou explained the strength of the Sea Dragon Palace, Xiao Yuruo and Xiao Xi were secretly shocked.

It's just a group of pirates who are rampant overseas, and the leading young people's strength is so terrifying.

"Brother Wen!"

At this moment, Xiao Xi couldn't help but say: "The other party is very powerful, why don't I go to the Shenlong family and ask my sister to send Shenlongwei to help.

" It is a force to be reckoned with.

However, Wen Chou Chou shook his head: "No, the strength of that young man is beyond your imagination. We must not confront each other again. You can see what happened to the great sage."

Wen Chou Chou acted cautiously. After Sun Dasheng's teaching, he no longer dared to act rashly in his heart.

Hearing this, Xiao Xi frowned and fell into thought again.

"Brother Wen!"

At this moment, Xiao Yuruo, who had been silent, said slowly, "I should know the young leader of the Sea Dragon Palace, if I guess correctly, he is Liu Jiada of Donghai City. Young Master Liu Hao."

Before joining forces with Zhu Bajie, they fought fiercely with Gone for a day and a night in the office of Liu's Group Building. In the end, Gone lost and fled in a hurry.

At that time, Xiao Yuruo activated the power of the Xiao family and went around to find out about Gone's whereabouts, but the person seemed to have disappeared out of thin air.

And just now, after listening to Wen Chou Chou's detailed description, Xiao Yuruo was surprised to find that this young man from the Sea Dragon Palace was not only very similar in appearance to the Liu family's eldest son, but also had the same powerful strength. He immediately guessed that this was a person.

Young Master Liu?

At this moment, Wen Chou Chou and Xiao Xi looked at each other, and they were both extremely shocked.

How could a rich young master from Donghai City become the supreme leader of the Sea Dragon Palace in a blink of an eye? It's really unpredictable.

Huh...

After a few seconds, Wen Chou Chou was too lazy to continue guessing, and said slowly: "No matter what the identity of the other party is, in short, this time we are facing an unprecedented crisis. After that person injured the Great Sage, he said more than once, asking Wu Ya will hand over the child within a day, otherwise the entire Tianmen will be destroyed."

"The other party dares to say that, it is definitely not a big talk."

When he said this, Wen Chouchou's face was solemn. , Huaguoshan, and even the power of Xia Yinzong, can completely fight against the Hailong Palace.

But if this is the case, the entire river and lake will be in chaos, and God's Domain has not given up its pursuit of the Ouyang family.

Therefore, a full-scale war is impossible.

But now in the main altar of Tianmen, there are only himself, Xiao Yuruo, Xiao Xi, and Shen Nong.

Seeing Wen Chou Chou frowning, Xiao Xi suddenly thought of something, and said, "Brother Wen, since we can't face head-to-head, we might as well win with ingenuity."

After speaking, Xiao Xi took out a kit from her body: "This is When my son was very early, he gave me a kit, which contained an extremely powerful formation."

"Young Master said, this formation can be deployed by one person, several people, or even dozens of people. Time, it can come in handy."

After speaking, he handed over the kit.

call!

Wen Chou Chou was very excited. As a result, when the kit was opened, he saw a brocade handkerchief inside. It was densely written with words, and at the end, there were a few elegant characters written in block letters 'Heaven and Earth's Three Absolutes Array. '

Seeing this, Wen Chou Chou and Xiao Yuruo were puzzled.

Heaven and Earth Trinity Array?

What kind of formation is this, I have never heard of it on the rivers and lakes of Kyushu.

However, Shennong on the side was extremely excited, staring closely at Jinpa, his voice trembling: "Oh my God, Yue Feng actually knows about the Three Absolutes of Heaven and Earth?"

Seeing his reaction so big, Wen Chou Chou and Xiao Yuroo were even more puzzled. .

Is this formation great?

Thinking to himself, Wen Chou Chou couldn't help but ask: "Senior Shennong, do you know this formation?" To make Shennong so shocked, this formation must not be simple.

Hu....

Shennong took a deep breath, as if to hide his excitement, his eyes flashed with a strange brilliance, and slowly said: "This formation is called the Heaven and Earth Sanjue Formation. Created by the great god Fuxi."

Chapter 5170

"The first time this formation was famous in Kyushu was 5,000 years ago, when Hou Yi of the Northern Ying Continent had just proclaimed himself emperor. At that time, he was trying to unify Kyushu, so he led his troops to conquer all over the world. At that time, the Southern Cloud Continent, the Western The Cang Continent soon fell."

"However, when Hou Yi conquered the Earth Circle Continent, he was defeated. At that time, the commander of the Earth Circle Continent was a descendant of the great god Fuxi. With this formation, Hou Yi was besieged. After three days and three nights, Hou Yi could only give up the expedition and return home."

When he said this, Shennong looked excited.

This...

Hearing this, whether it was Wen Chou Chou, or Xiao Yuroo and Xiao Xi, they were all shocked.

How powerful is this formation? Even the famous Emperor Hou Yi of Kyushu could be trapped for three days and three nights?

Seeing their expressions, Shennong took a deep breath and continued: "The most powerful thing about this formation is that people with weak strength can understand the essence of this formation and besiege enemies whose strength is far beyond their own.

" You know, in the battle that year, only three people formed this formation, and these three people were only in the realm of Martial Saints, and the Great Emperor Hou Yi at that time was in the Empress Wu period..."

What?

When the words fell, Wen Chou Chou and everyone were stunned.

Three people from the realm of Martial Saints can actually trap the Emperor Houyi of the Empress Wu period? This formation... is too perverted.

Under the shock, Wen Chou Chou was also excited.

Haha...

So, with this formation, wouldn't it be just right to deal with the young man in the Sea Dragon Palace?

Thinking of this, Wen Chou Chou looked at Xiao Xi with a smile: "Xiao Xi, it's the right time for you to take out this kit. With it, even if that person is an immortal in the God Realm, he won't be afraid."

As soon as the words fell, Wen Chou Chou greeted Xiao Yuruo and studied the formation together.

"I'm here!" While

researching, I heard a loud laugh from outside, and I saw a handsome figure and walked quickly into the hall.

A white suit, indescribably suave.

It was Zhu Bajie.

"Brother Zhu."

Seeing Zhu Bajie, Xiao Yuruo's face was delighted, and she hurriedly greeted her: "You are here, I thought you were entangled in something and couldn't come."

Wen Chou Chou and Xiao Xi Several, also quickly greeted them.

Especially Wen Chou Chou greeted Zhu Bajie politely: "Brother Zhu, it's been a long time."

Speaking of which, Wen Chou Chou and Zhu Bajie are not very familiar, but because of Yue Feng's relationship, they also regard him as a brother .

Afterwards, Wen Chou Chou smiled at Xiao Yuruo: "Brother and sister, the helper you said earlier was Big Brother Zhu, you just gave me a good guess."

Xiao Yuruo smiled without saying a word.

Yes, she just said that there was another helper, and she was talking about Zhu Bajie, but Zhu Bajie acted too freely. Xiao Yuruo was not sure whether he would come to support Tianmen, so he didn't say his name before.

Haha...

At this moment, Zhu Bajie laughed, and first said to Xiao Yuruo: "Tianmen was created by Brother Yue Feng, and now it is in trouble, how can I just watch it?"

After speaking, he scratched his head again, He said very regretfully: "It's just a pity, I have an appointment with a female star for supper tonight, alas, it seems that it can only be the next time."

Shuh!

Hearing this, Xiao Yuruo's delicate face suddenly flushed red, both ridiculous and helpless.

This Zhu Bajie is just like Yue Feng, not serious at all. At this time, I still think about beautiful female stars.

"Haha..." Wen Chou Chou burst out laughing, admiring Zhu Bajie: "Brother Zhu is really good-natured, it just so happens that we are researching a formation, and you are also involved. When the time comes, we will join hands. Subdue the leader of the other party."

Hmm!

Zhu Bajie nodded and started to study with everyone.

I have to say that the Heaven and Earth Three Absolutes Array is really too wonderful, Zhu Bajie, Wen Chou Chou, these are all talented and intelligent people, but it took a few hours to fully understand the essence of it.

After comprehending the formation, it was already bright outside.

"It's not good!"

Just when Wen Chou Chou put away the jinpa, a Tianmen disciple ran in in a panic, his face pale: "Palace Master Wen, it's not good, those people in the Sea Dragon Palace... attacked! "

When he said this, the disciple of that day was sweating profusely, and he couldn't hide his nervousness.
