

The ultimate husband in Chinese chapter 5171-5180

Chapter 5171

What?

The other party came so fast?

Hearing this, whether it was Wen Chou Chou or others, their expressions changed.

“Quick...”

After a few seconds, Wen Chou Chou quickly stood up, with a very solemn expression on his face, and instructed the disciple, “Gather all the disciples in the main altar and prepare to meet the enemy.” The

voice fell, and Wen Chou Chou looked deeply . He glanced at Sun Dasheng, who was still lying there, and walked out of the hall quickly.

“I want to see how capable this Sea Dragon Palace is.” Zhu Bajie, also full of pride, walked out of the hall with Wen Chou Chou.

At this time, Xiao Yuruo and Xiao Xi looked at each other and hurried out.

call!

Arriving outside the main altar gate, seeing the scene outside, everyone couldn't help taking a breath of air. Wen Chou Chou, who was standing in front, was even more shocked, and only felt that his mind was buzzing and blank.

I saw that hundreds of thousands of the disciples of the Sea Dragon Palace rushed in like a tide, surrounding the main altar of Tianmen like an iron barrel, and almost a fly could not fly out. Teng Teng, the momentum is very amazing.

In mid-air, two figures hovered quietly.

It is Yudu and Gogne.

I saw that Yu Du was dressed in black armor and looked majestic. Gogne was still dressed in white yesterday, giving people the feeling of being elegant, but the breath that permeated his body was almost suffocating.

Hmm...is that him?

This chapter is provided by . Visit for daily update.

The moment he saw Gone, Zhu Bajie, who was standing beside him, was stunned for a moment, very surprised.

This kid fled a week ago, but he couldn't find it. How did he become the leader of the Sea Dragon Palace in a blink of an eye? Could it be that the Liu family in Donghai City had colluded with pirates?

At this time, Zhu Bajie didn't know that the person in front of him, on the surface, was the skin of the Liu family's eldest son.

Xiao Yuruo's body trembled, and she looked at Gone tightly, incomparably shocked in her heart.

It's really him.

When Wen Chou Chou told what happened before, Xiao Yuruo guessed that the powerful young man in Hailong Palace was most likely the eldest son of the Liu family who murdered his cousin.

Even though I had already guessed it in my heart, I was still shocked to see the real person at this time.

Swish!

At the same time, Gone, who was suspended in mid-air, also discovered Zhu Bajie at once, and his calm face suddenly became fierce.

Tianmen actually invited Zhu Bajie as foreign aid.

But so what, even if there are more foreign aids from Tianmen, it is bound to destroy Tianmen today.

"Zhu Bajie!"

At this moment, Gone thought to himself, his eyes locked tightly on Zhu Bajie, his tone was full of killing intent, and he said word by word, "I was going to find you, so you will take the initiative to send it to me. Come to the door. Today's matter is the grievance between the Sea Dragon Palace and the Heavenly Sect, if you don't want to die, get out."

When he said this, Gone couldn't hide the anger in his heart.

You You Qi thought of how Zhu Bajie and Xiao Yuruo joined forces a week ago and drove him to nowhere to hide, and finally fled. A shame that Gogne couldn't describe.

You must know that a week ago, Gone just reshaped the demon soul, and his strength was still low, so naturally he could not stop Zhu Bajie and Xiao Yuruo from joining forces, but after a few days of meditation on Dragon King Island, Gone's strength is now Not what it used to be. Not to mention Zhu Bajie and Xiao Yuruo, even if Wen Chou Chou was added, it would be completely ignored.

It's just... the main purpose of today is to force Tianmen to hand over the child, so Gognie doesn't want to talk nonsense with Zhu Bajie. After Tianmen is destroyed, he will settle accounts with him.

Swish!

Gone's icy voice came, and for a while, everyone on the Tianmen side was stunned, looking at Zhu Bajie in astonishment.

what's the situation?

This.... Zhu Bajie knew each other?

Hehe...

In the face of everyone's astonished eyes, Zhu Bajie looked condescending and smiled at Gone: "Boy, what kind of score are you giving me? Did you forget that I beat him back then? You don't even dare to go back to Donghai City?" "I tell you, Tianmen was founded by my brother Yue Feng, and if you want to destroy it, you must first ask my Lao Zhu's fist if he

will answer."

, arrogant Lingyun.

Chapter 5172

In Zhu Bajie's cognition, the person in front of him is the young master of the Liu family, and he has fought before, so he didn't pay attention to it at all.

wow.

However, after this fall, there was an uproar inside and outside the Tianmen main altar.

Whether it was the Yu Du people on the Hailong Palace side or Wen ChouChou on the Tianmen side, they were all shocked.

Especially Wen Chou Chou, who kept giving Zhu Bajie a wink in secret to tell him not to be too arrogant.

You must know that the opponent's strength is very terrifying, almost unfathomable, and Zhu Bajie's mockery is so outspoken, it is simply crazy.

At the same time, Wen Chou Chou still had some doubts in his heart.

Zhu Bajie said just now that there was no way to escape after chasing the other party? Is it true or false? If it is true, this young man was not very strong at the beginning, but in a short period of time, he became so terrifying?

Is there any practice in the world that can become so powerful in a short period of time?

Yes, it is the power of the demons.

Recalling the demonic aura that erupted when Gone defeated Sun Dasheng before, Wen Chouchou couldn't calm down for a long time, and believed that Gone was so powerful because he had practiced the demonic practice.

Mad!

But Yu Po, who was floating beside Gone, was furious, and his eyes were fixed on Zhu Bajie, almost spitting out fire.

This Zhu Bajie really doesn't know whether to live or die. Even the Queen is respectful to the Holy King, but he is provocative.

Swish!

At the same time, Gone's face also became extremely cold, like a pair of sharp knives staring at Zhu Bajie, staring at Zhu Bajie for more than ten seconds, and then sneered: "Okay, Zhu Bajie, before I do you really think I'm afraid of you?"

"Since you want to live and die with Tianmen, I will fulfill you." The

voice fell, and a terrifying aura burst out from Gone, which pervades the universe.

Um?

Feeling Gone's breath, it was obviously much more terrifying than before, and Zhu Bajie was stunned.

Strange, this kid was so-so a week ago, and he has become so powerful after not seeing him for a few days?

Although a little surprised, Zhu Bajie still pretended to be disdainful and said with a sneer: "Boy, you don't have to be arrogant here. It's not certain who will destroy who." The

voice fell, Zhu Bajie With a flick of the wrist, a burst of white light circulated, and then a nine-toothed rake appeared in his hand.

This nine-toothed nail rake is Zhu Bajie's personal weapon. The whole body is pure white and murderous. It is a rare purple-level weapon. Usually, Zhu Bajie is rarely displayed.

"Boy!"

After showing his weapon, Zhu Bajie pointed at Gone from a distance: "It's boring to keep arguing, come on, let's fight one-on-one, I want to see how much your strength has increased after we haven't seen you for a few days."

When saying this, Zhu Bajie looked confident.

He could feel that the strength of Gone in front of him was much stronger than a week ago, but no matter what, the opponent was also a defeated general, so there was nothing to worry about.

Swish!

Seeing this scene, Wen Chou Chou was startled, and quickly stepped forward and whispered to Zhu Bajie: "Brother Zhu, don't be impulsive, this person's strength is very terrifying..."

Although Zhu Bajie is very strong, he may not be able to beat the opponent. You must know that last night when he joined forces with Sun Dasheng, they all ended in a disastrous defeat, and now Sun Dasheng is still in a coma.

Just before he finished speaking, he was interrupted by Zhu Bajie's smile: "It's okay, I'll explore his truth first."

Haha...

Facing Zhu Bajie's provocation, Gone sneered and ignored it.

Yu Du couldn't stand it any longer, and respectfully said to Gone: "Holy King, this person is too arrogant, I will teach him a lesson." The voice fell, and the figure flashed, hovering more than ten meters away from Zhu Bajie.

"Zhu Bajie." In the

next second, Yu Du coldly said to Zhu Bajie: "Just because you are qualified to challenge the Holy King? I will meet you." The voice fell, Yu Du suddenly accelerated, pulled out his long sword, He stabbed at Zhu Bajie fiercely.

hum!

This sword contains nine layers of residual poison, and as soon as the sword passed, the air was torn apart, and the power was amazing.

Chapter 5173

Watching the aftermath of the poison erupt, Zhu Bajie's face was full of contempt.

"A little brat, how dare you be presumptuous in front of my old Zhu?"

After saying this coldly, Zhu Bajie's inner strength exploded, clashing the nine-toothed nail rake and roaring out, meeting the residual poison.

Dangdangdang...

In an instant, the long sword and the nine-toothed nail rake kept colliding, making loud noises, but within three rounds, the residual poison was suppressed and retreated again and again.

For a time, Yu Du was secretly shocked.

This Zhu Bajie is indeed an existence that has lived for nearly a thousand years. His reputation is well-deserved, and his strength is too strong.

"Hehe, you're not my opponent, get out of the way for me." At this moment, Zhu Bajie let out a long whistle, and used the nine-toothed nail rake to fly away the poisonous long sword.

call!

The next second, before Yu Du could react, Zhu Bajie flipped his wrist and slapped his heart directly.

The speed of this palm was very fast, as fast as thunder. At that time, Yu Du was so frightened that he couldn't dodge at all, so he had to fight with all his inner strength, and also greeted him with one palm.

boom!

In an instant, the palms of the two sides collided, and a dull vibration spread. Immediately, Yu Du groaned, his body trembled, and he took a few steps back, his face instantly pale.

Speaking of which, Yu Du has been abroad for ten years, and his internal strength is extremely strong, but it is still inferior to Zhu Bajie. You must know that Zhu Bajie has lived for nearly a thousand years, and his background is not comparable to him.

“Ma De...”

After stabilizing his figure, Yu Du glared at Zhu Bajie fiercely, only to feel a burst of stuffiness in his heart, almost out of breath.

While shocked, he was also extremely annoyed.

I was still thinking of performing well in front of the Holy King today, but I didn't expect that Zhu Bajie's strength was far beyond his imagination.

In anger, Yu Du wanted to rush up, but was stopped by Gone.

“Yu Du, you retreat first.”

Gone said lightly: “You lead the people of the Sea Dragon Temple to destroy the main altar of Tianmen, and this Zhu Bajie is handed over to me.” The voice fell, the figure flashed, and it was in front of Zhu Bajie. .

hum!

The next second, Gone raised his right hand, and saw a flash of red light, a blood-colored long sword in his hands.

This long sword is completely condensed by the power of Gone's demon soul. It is called the blood demon sword. Although it is transformed from the power of the demon soul, it is extremely tough.

Hiss, what a fast speed.

Seeing this situation, Zhu Bajie, who was still somewhat confident at first, was startled and looked at Gone tightly, unable to hide the shock. He clearly felt that the 'Liu Family Young Master' in front of him was more powerful than a A week ago, the strength more than doubled.

“Kill! Destroy Tianmen.”

Just when Zhu Bajie was secretly shocked, Yu Du waved his arms and howled loudly, and rushed towards the main altar of Tianmen first.

“Kill!”

“Destroy the Tianmen, and leave no one behind.” In an

instant, hundreds of thousands of members of the Sea Dragon Palace burst into a thunderous howl, rushing directly into the main altar of Tianmen like a tide.

“Ah!”

At that time, many Tianmen disciples didn't react, and with a scream, they fell into a pool of blood.

“Made...”

Seeing this scene, whether it was Zhu Bajie or Wen Chou Chou, they were all shocked and angry, and their faces turned pale.

Immediately afterwards, Wen Chou Chou took the lead in reacting, pulled out his long sword, and shouted: “Tianmen disciples obey the order, fight back immediately, and swear to live and die together with the main altar.” The

voice fell, Wen Chou Chou tightly grasped the long sword, and rushed directly into the enemy group. among.

“I swear to live and die together with the main altar.”

“The dragon flag will not fall, and the Tianmen will not be destroyed!”

At this moment, all the Tianmen disciples in the main altar reacted one after another, pulling out their weapons, their eyes blood red, howling with the enemy. Fight together.

Speaking of which, the disciples who can stay in the main altar are the elites among the elites. However, the disparity between the numbers of the two sides is too great. There are more than 100,000 people in the Sea Dragon Palace, and only 40,000 or 50,000 in the Tianmen main altar. Almost every Tianmen disciple has to face three or four enemies.

Under such circumstances, the two sides fought fiercely for less than five minutes, and many Tianmen disciples fell.

However, none of the Tianmen disciples flinched. They knew in their hearts that once they retreated, the Tianmen main altar would be destroyed and the battle would not be reversed.

Chapter 5174 Swish

swish...

At this moment, Xiao Xi, Xiao Yuruo, Shennong and several others also burst into figures, flew up, and joined the battlefield.

“Haha...”

Seeing this scene, Gone was full of contempt, and said coldly: “A bunch of ants are just a mantra, I gave you a chance to heaven, but that kid Yue Wuya doesn’t know how to lift them up. Then I’ll have to send you to hell.” The

voice fell, and the blood demon phantom sword in his hand burst into a shock, heading straight for Zhu Bajie.

Mad!

Zhu Bajie’s face was dignified, completely lost the ease just now, so he quickly raised his nine-toothed rake to resist. In an instant, I saw the blood magic sword and the nine-tooth nail rake collide, and a roar broke out.

In the roar, Zhu Bajie’s body trembled, and the volley was knocked back dozens of meters, and his face was instantly pale.

“Brother Zhu, I’ll help you.”

Seeing this situation, Wen Chou Chou shouted, and his figure rose into the sky to help Zhu Bajie deal with Gone.

At the same time, Xiao Xi and Xiao Yuruo followed closely behind. In a blink of an eye, three figures rushed into the air and quickly surrounded Gone.

“Are the three of you coming to die together?”

Facing the three people’s siege, Gone didn’t panic at all, and a trace of contempt appeared on his face: “It’s just a senseless resistance. Your end is just like these Tianmen disciples.”

The voice fell, and in the battlefield below, many Tianmen disciples fell in a pool of blood.

Swish!

Seeing this scene, whether it was Wen Chou Chou, or Zhu Bajie and Xiao Yuruo, they were all extremely resentful.

“Shao special code is crazy, you give me death.” Zhu Bajie’s eyes were blood red, he roared frantically, and then he suddenly raised his hands!

“Tiger Roaring Universe!” The

next second, accompanied by Zhu Bajie's howl, the surrounding air quickly distorted, and then, a macular tiger appeared in front of Zhu Bajie.

Tiger Roaring Universe is the strongest stunt that Zhu Bajie cultivated. Normally, it is not easy to perform. Seeing so many Tianmen disciples being killed today, he couldn't help it.

"Kill!" In the

next second, Zhu Bajie stared at Gone, roaring loudly, and immediately the macular tiger roared, slack and unparalleled power, swept towards Gone!

Wherever the macular tiger passed, the air was melted into a crack.

Haha...

Seeing the macular tiger rushing towards him, Gone snorted coldly, disdainfully.

"You dare to show your ugliness in front of this deity?" A cold voice came from Gone's mouth, and then he raised his hand and waved, and a bloody light burst out from the blood magic sword, tearing apart the world and directly meeting the macula Tiger.

Boom....

The next second, the blood-colored light emitted by Gogne collided fiercely with the macular tiger, and a violent vibration of aura erupted. Immediately, the macular tiger was directly defeated, turned into a yellow light and shadow, and dissipated between heaven and earth !

What?

Seeing this scene, Zhu Bajie's heart trembled, his eyes widened, full of inconceivable.

What kind of exercises is this kid practicing, so terrifying?

"Brother Zhu!"

Wen Chou Chou was also full of shock, and then shouted at Zhu Bajie: "This kid is practicing the magic art, so you must not underestimate the enemy."

What? The magic of the demons...

Hearing this, Zhu Bajie was stunned.

"Remains of the Demon Race, die..."

At this moment, Xiao Xijiao shouted, bursting with the power of a dragon, rushing towards Gone. At the same time, Xiao Yuruo also clenched the long sword and stabbed Gone from the other direction.

The two erupted at the same time, with astonishing power. However, Gone didn't pay attention to it at all, and a hint of arrogance appeared on the corner of his mouth: "Beyond one's own strength." The

voice fell, and two sword shadows erupted from the blood demon sword in his hand, directly covering Xiao Xi and Xiao Yuruo.

Bang bang bang!

At this moment, Xiao Xi and Xiao Yuruo were both pale, and hurriedly urged their internal strength to resist, but the sword shadow was too powerful, the two girls groaned, and their delicate bodies fell directly below.

"Pfft..."

At the moment when she landed, Xiao Xi's delicate body trembled violently, her delicate face was pale, and she finally spit out a mouthful of blood. Although she has the body of a dragon, she can't stop Gone's sword.

Xiao Yuruo's face was also pale, and the sword just now also traumatized her.

Chapter 5175

Hehe...

At this moment, Gone was full of arrogance and said coldly, "Don't do hopeless struggles, just die honestly."

Wen Chou Chou took a deep breath, without the slightest hesitation at the time, directed at Xiao Xi, Xiao Yuruo, and Zhu Bajie shouted, "Brother Zhu, Xiao Xi, hurry up and form a battle together."

Hmm!

Hearing this, Xiao Xi and Xiao Yuruo responded in unison, then flew into the air again, and together with Wen Chou Chou Zhu Ba Jie, surrounded Gone in the middle again.

Formation?

Surrounded again, Gogne frowned.

He clearly saw that the four Wen Chou Chou, standing in four directions, north, south, east, and west, cooperated tacitly with each other, and every step had hidden secrets.

That's right, Wen Chou Chou, composed of four people, is exactly the world's three best formations that had just been enlightened at night.

"You want to trap me with a mere formation?" In the

next second, Gone reacted, sneered, and tried to break the formation while holding the blood demon sword. How powerful it is, it can be broken easily.

However, Gone did not know that the formation in front of him was not an ordinary formation, but it had been sleepy for three days and three nights by Emperor Hou Yi. Even if he is the Supreme Being of the Demon Race, and his strength has not recovered to the peak, he is still helpless.

Bang bang bang...

In an instant, the four of them, Gone and Wen Chou Chou, fought fiercely in mid-air, and bursts of violent vibrations erupted.

How could this be?

At the beginning, Gone was still full of confidence, but gradually he felt that something was wrong. No matter how he shot, he could never break through the formation of Wen Chou Chou.

As for Wen Chou Chou, he was secretly anxious.

Although they besieged Gone to death, they were unable to injure him. For a time, the two sides were at a deadlock.

"Ah..."

The battle was fierce in mid-air, and the battlefield below was also extremely tragic. I saw that the disciples of Tianmen were constantly screaming and falling in a pool of blood under the charge of the members of the Sea Dragon Temple.

Among the crowd, Shen Nong was also covered in blood.

Although Shennong has lived for nearly a thousand years, he is good at medical skills and his cultivation strength is not very strong. At this time, facing the Hailong Hall's followers, the attacking one after another is almost unstoppable.

The square in front of the main hall of the Tianmen General Altar was almost dyed red with blood, and there was also a strong bloody smell in the air.

Mad!

Seeing the scene below, Wen Chou Chou became even more anxious.

It's not enough to consume like this. Although the leader of the other party is trapped, the disparity between the number of the two sides is too great. According to this situation, I am afraid that within half a day, the Tianmen disciples in the main altar will be slaughtered.

At the same time, Xiao Xi, Xiao Yuruo and Zhu Bajie were all too anxious.

"Brother and sister, I'm here..."

Just when the four of them were secretly anxious, suddenly, from the sky not far away, there was a long howl, and then, a fiery red figure flew quickly.

The fiery red and frantic long hair was draped over his shoulders, looking wild and uninhibited, and his whole body was filled with a powerful aura.

It is the world-famous fire god Zhu Rong!

Hiss...

Feeling the powerful aura on Zhu Rong's body, the disciples of the Sea Dragon Palace in the battlefield couldn't help but take a breath, and their eyes converged on Zhu Rong.

Such a strong breath, who is this person?

"Brother Zhu Rong!"

At this moment, seeing Zhu Rong's arrival, Xiao Yuruo was overjoyed and couldn't help shouting, "You're here."

Great, Brother Zhu Rong is here, Tianmen is saved.

At the same time, Shennong, who was on the battlefield below, also took a deep breath and complained to Shennong: "You've come." Zhu Rong is known as the 'Vulcan God' in the rivers and lakes of Kyushu. Will turn things around.

Uh...

Feeling Shennong's complaint, Zhu Rong scratched his head embarrassedly, and smirked: "I encountered something on the way, so I'm late."

After saying that, Zhu Rong's eyes locked on Gone . , shouted: "Where is the wild boy, dare to act wild in my brother Yue Feng's Tianmen, and dare to do something to my brother and sister, courting death."

Om!

When the voice fell, Zhu Rong's inner strength exploded, and a flame filled the sky and the earth, and then the figure erupted and rushed towards Gone.

The ultimate husband in Chinese chapter 5176-5180

Chapter 5176

Wow!

Seeing this scene, many of the followers of the Sea Dragon Palace were shocked.

"This... This is Zhu Rong, who has been regarded as the god of fire for thousands of years?"

"Why did he come to support Tianmen?"

"Bad, if Zhu Rong helps, I'm afraid the Holy King can't stop it. "

Yu Du was also anxious and wanted to rush up and intercept Zhu Rong, but he was entangled by Shen Nong in front of him, and he had no chance to escape.

Hehe....

Seeing Zhu Rong burst out and still trapped in the Heaven and Earth Three Absolutes, Gone smiled coldly and didn't take it to heart at all.

In the hearts of others, Zhu Rong has been famous for thousands of years, and his control of fire can be said to be superb, but in Gone's eyes, he is just a jumping clown who can play with fire.

The Tianmen disciples were excited.

"Senior Zhu Rong."

Seeing that Zhu Rong was about to rush into the formation and start a fierce battle with Gone, Wen Chou Chou suddenly shouted: "Senior, don't be reckless."

Huh?

Hearing this, Zhu Rong frowned, and his figure hovered in mid-air with a puzzled look on his face: "Palace Master Wen, why did you stop me?" The situation is critical now, and only by quickly defeating the leader of the other party can the situation be reversed in one fell swoop. . However, Wen Chou Chou stopped his family from joining the battle. Whoever changed this matter would be puzzled.

"Senior!"

This chapter is provided by . Visit for daily update.

Feeling Zhu Rong's doubts, Wen Chou Chou smiled bitterly and explained: "This person has been trapped by our formation, and there is no threat for the time being, and the Tianmen disciples below are almost unable to stop him."

"Please also ask Zhu Rong to deal with the members of the Sea Dragon Hall below first, just leave this person to me and my younger siblings."

When he said this, Wen Chou Chou looked serious.

Wen Chou Chou is far-sighted and is good at judging the situation. The young man in front of him is trapped in the heaven and earth, and in a short period of time, he has no chance to hurt anyone.

However, in the battlefield below, Tianmen was losing ground, and many elite disciples were in a critical condition under the charge of the Hailong Palace members who were several times their own.

Therefore, in comparison, helping the disciples of Tianmen and dealing with the members of the Sea Dragon Palace are the most important.

More importantly, the Heaven and Earth Three Absolutes Array required close cooperation. Wen Chou Chou, Xiao Xi, and Xiao Yuruo spent a few hours in the evening before they understood the essence of it, and they all knew how to cooperate with each other.

And Zhu Rong doesn't understand the world's three best formations. If he breaks in rashly, I'm afraid that it won't be of much help, and it will also disrupt the formation formed by Wen Chou Chou and a few people. Let him take the opportunity to rush out of the formation.

"Okay!"

At this moment, when he heard Wen Chou Chou's words, Zhu Rong nodded without a moment's hesitation: "Then I will kill these pirates first."

Om!

The moment the voice fell, Zhu Rong's internal strength exploded, and his body was burning with raging fire, and he rushed down towards the formation of the members of the Sea Dragon Palace.

Although he didn't know much about the situation, Zhu Rong knew in his heart that Wen Chou Chou's arrangement must have his reasons.

Mad!

Seeing the eruption of Zhu Rong, Yu Du was shocked, and at the same time shouted at the surrounding Hailong Hall members: "Quick, prepare to meet the enemy and stop him." The

voice fell, Yu Du slapped the palm of his hand, Shennong shook back, and then he was the first to greet Zhu Rong.

"Beyond one's own ability!"

Seeing Yu Du rushing towards him, Zhu Rong's eyes were full of contempt, he shouted loudly, raised his hand to condense a big fireball, roared out, and came straight towards Yu Du.

Wherever the fireball passed, the air seemed to be on fire.

Gu Dong...

Feeling the terrifying power contained in the fireball, Yu Du couldn't help swallowing his saliva, how could he dare to fight head-on, he didn't have time to think about it, and quickly moved aside.

Boom...

just dodged away, the fireball slammed into Yudu's original position, and a roar was heard, and a deep pit with a diameter of more than ten meters was blasted out on the ground. All the items within the range of the deep pit, all Ashes.

Seeing this scene, whether it was Yu Du or the surrounding members of the Sea Dragon Palace, they couldn't help but take a deep breath of cold air and felt chills in their hearts.

So strong...Is this the power of the famous Vulcan?

Chapter 5177

Haha...

Seeing the horror of Yu Du and those in the Sea Dragon Palace, Zhu Rong laughed and shouted arrogantly: "Just you gang of rabble, dare to attack Tianmen?"

"The old man is here today . . . , to see who of you dares to make a mistake? Now this old man gives you a chance, if you don't want to die, hurry up and get out." The

voice was loud and resounded for a long time over the entire Tianmen.

Huh...

After hearing these words, many members of the Sea Dragon Palace, you look at me, I look at you, feel a little timid in their hearts.

Yu Du also blushed and was extremely complicated, but he quickly reacted and shouted at the surrounding: "Don't panic, the other party is already at the end of the shot. Even if Tianmen has Zhu Rong's help, it will not change the result of the destruction."

"Also, this Zhu Rong is alone, he can't hold it for long."

When he said this, Yu Du glanced at Gone in the air, who was still trapped by the Heaven and Earth Array, his eyes full of determination.

The Holy King is powerful, and with a mere array, he won't be able to trap him for too long.

Hearing this, the members of the Sea Dragon Palace, who were a little shaken in their hearts, regained their confidence one by one.

"Kill!"

In the next second, under the command of Yu Du, countless members of the Sea Dragon Palace, waving long knives, rushed towards Zhu Rong like a tide, densely packed and with astonishing momentum.

"Seeking death!"

Seeing this situation, Zhu Rong did not panic at all, showing a sneer: "Since you have to seek death, this old man will fulfill you."

Om!

The last word fell, Zhu Rong raised his hands, and the air around him suddenly condensed, and then, an extremely terrifying and scorching power swept out around him with him as the center.

"A raging fire!"

Immediately afterwards, Zhu Rong's face was extremely gloomy and cold, and four words came out of his mouth. In an instant, between heaven and earth, the wind and clouds changed color, and the rolling clouds also became red.

Immediately, Zhu Rong put his hands together, his body was like a sharp sword, and he rushed directly into the sky at an altitude of 10,000 meters, disappearing from everyone's sight in the blink of an eye!

This...

At this moment, whether it was the members of the Sea Dragon Palace or the disciples of Tianmen, they all looked up and saw Zhu Rong's figure, already hidden in the fiery red cloud.

In particular, the members of the Sea Dragon Palace felt inexplicable fear in their hearts for a while.

Because they all clearly sensed that in the burning clouds, an incomparably powerful force was rapidly condensing.

Haha...

Just when everyone around was shocked, Shennong was extremely excited, and couldn't hide the praise in his eyes: "After so many years, he finally understood this trick." The

relationship between Shennong and Zhu Rong Fortunately, when they lived together in Buzhou Mountain ten years ago, Zhu Rong had been comprehending a stunt, and named it Raging Fire, but he had been comprehending it for many years, but he could not comprehend it.

At this time, seeing Zhu Rong released, Shennong knew that he had already realized this stunt, and as a friend, he was naturally happy for him.

Excited, Shen Nong did not forget to shout at the surrounding Tianmen disciples: "Quick, seal all your spiritual marrow acupoints." The

spiritual marrow acupoint is one of the key points in the human body.

Sealing the spiritual marrow acupoints can improve one's ability to resist fire. This was discovered by Shennong inadvertently in a practice.

Wow...

Upon hearing the order, the surrounding Tianmen disciples quickly sealed their spiritual marrow points without any hesitation. You must know that Shennong is the famous

ancestor of medicine in the Kyushu continent, and he is also the master of Yue Feng, the founder of Tianmen. In his words, Tianmen disciples will naturally obey unconditionally.

Because they all knew that Shennong would not harm them.

Seeing this situation, Yu Du and the members of the Hailong Hall who were present were all sneering. This group of people is really crazy. The spiritual marrow acupoint is an important acupoint in the human body. If it is sealed rashly, it will be life-threatening.

Could it be this common sense that Shennong didn't know?

hum, hum, hum!

When Yu Du secretly mocked in his heart, suddenly, he saw a fiery red between heaven and earth, and then, one after another, huge fireballs fell from the sky.

Each of these fireballs has a diameter of more than ten meters and thousands of them. Wherever they pass, they leave a trail of burning traces between heaven and earth. From a distance, it looks like the end of the world, which makes people tremble.

Chapter 5178

Hiss...

Seeing this scene, whether it was the disciples of Tianmen or those in the Sea Dragon Palace, they couldn't help but gasp and were shocked.

Yu Du's face changed greatly, and he almost shouted: "Quick, dodge."

Hearing his roar, many disciples of the Sea Dragon Palace reacted and wanted to dodge in the distance, but it was too late.

Boom boom boom...

Countless fireballs crashed, and the entire Tianmen main altar instantly became a sea of fire.

"Ah..."

In the scope of the raging fire, many disciples of the Sea Dragon Palace screamed and were directly burned to death. Some were hit by the fireball, and instantly turned into flying ash...

And Tianmen Disciple, because he obeyed Shennong's instructions and sealed his spiritual marrow acupuncture point, his fire resistance ability was enhanced, so there

were very few casualties. Only a dozen people were burned, but there was no danger to their lives.

Under the raging fire, the entire Tianmen main altar was full of ghosts and wolves.

After more than ten minutes, the momentum of the sea of fire gradually diminished. It was seen that half of the hundreds of thousands of people in the Sea Dragon Palace were burned to death. Some people had no bones left, and more burned to a mummy.

hiss!

Seeing this, whether it was the disciples of Tianmen or the members of the Sea Dragon Palace who survived by chance, they all felt chills down their spines, and they were extremely horrified in their hearts.

The power of Zhu Rong's move is so perverted.

Tens of thousands of people were burned to death like this.

call....

Seeing this scene, Wen Chou Chou, Xiao Xi, and Xiao Yuruo were all excited in midair.

The next second, Wen Chou Chou shouted at Gogne: "Boy, I think you should stop struggling. Your Sea Dragon Palace is just a bunch of rabble.

"Your subordinates are almost dead. I think you should just be obedient and capture them." As he

spoke, Wen Chou Chou greeted Xiao Xi and the others, increasing the pressure on the formation of the Three Absolutes of Heaven and Earth.

Mad!

Hearing this, Gogne's face was extremely ugly. When he saw that half of the members of the Sea Dragon Hall below were burned to death by Zhu Rong's raging fire, and those who survived were also extremely embarrassed, he suddenly felt anger in his heart, Climb up.

"Death!"

Seeing Gogne's distraction, Xiao Yuruo, who was beside him, shouted tenderly, and clenched his long sword and stabbed quickly.

Gogne reacted quickly, dodging backwards, but still a step slower.

Shila ...

This sword was extremely fast and fierce, and it directly cut a hole in Gone's shoulder, and in an instant, blood sprayed out.

Speaking of which, this kind of injury was like a tickling to Gone, but the formation of the Sea Dragon Palace was in chaos and morale was low, and he himself was still unable to break through the three unique formations. For a time, he was also a little anxious.

hum!

In the next second, Gone clenched the Gorefiend Illusionary Sword tightly, and a blood-colored sword shadow erupted, which quickly shrouded Xiao Yuruo. Xiao Yuruo didn't dare to take it hard, so she quickly retreated.

Xiao Yuruo retreated, and there was a short loophole in the Heaven and Earth Three Absolutes Array.

Taking advantage of the opportunity, Gone's figure flashed and rushed out of the formation directly, heading towards the sky in the distance. At the same time, Gone also did not forget to shout at the residual poison below: "Withdraw!"

Seriously, just Gone was very unwilling to withdraw like this.

But there is no way, the other party's formation of the three worlds is too mysterious, and with Zhu Rong's help, in today's battle, the Sea Dragon Palace has no advantage.

"Withdraw..."

Seeing Gone's departure, Yu Du didn't have time to think about it, he shouted hello, and then quickly fled to the distance with the members of the Sea Dragon Palace who were lucky enough to survive.

Phew...

Seeing this scene, whether it was Wen Chou Chou or Xiao Xi, Xiao Yuruo breathed a sigh of relief, then cast her figure and slowly landed.

At the same time, Zhu Rong also landed on the ground with an unfinished expression on his face: "It's really boring, before the fight started, the mob ran away, alas, it's boring."

Hearing this, Wen Chou Chou and a few were dumbfounded.

You know, it was all luck and everyone's close cooperation to drive Gone away today. Even so, it paid a heavy price, and this Zhu Rong actually said that he didn't have fun...

Chapter 5179

However, Zhu Rong's identity is special, and everyone who is ugly and ugly can't say anything.

...

On the other side, the Lagerstroemia Continent.

After Yue Feng was in the water pool, he immediately rushed towards Beihai Constellation. Because he was unfamiliar with the environment, Yue Feng almost lost his way several times, and finally arrived at the Beihai Constellation General Altar a few hours later.

At this time, it had been a night and a day since Yue Feng left.

Because of Elder Wu Ming's betrayal, the Beihai Constellation General Altar at this time has strengthened its defenses both inside and outside. Along the way, patrolling disciples can be seen everywhere.

The whole mountain gate gives a very depressing atmosphere.

"Pavillion Yue?"

"Pavillion Yue is back."

When they were about to reach the main hall, several Beihai Xingsu disciples who were guarding the door quickly greeted them respectfully, and at the same time, they were all a little surprised.

The Pill Pavilion Master of the Chunyang Palace, who has no strength at all, has rashly pursued Wu Ming, and now he can come back safe and sound, which is really unexpected.

"Pavilion Master!"

Xiaorou, who had been waiting for news in the hall when she heard the movement outside, ran out at once, and the moment she saw Yue Feng's delicate face, she was overjoyed: "Pavilion Master, it's really you, You're finally back."

Saying that, Xiaorou was very excited and pulled Yue Feng's arm, unable to hide her joy: "Pavilion Master, do you know that this day, Sister Hongyu and I are really worried to death. "

Although I have only been with Yue Feng for less than half a month, in the past half month, Yue Feng has taught her a lot of alchemy recipes, and she has never looked down on her because she is a maid.

Because Xiaorou is very grateful to Yue Feng, and in her heart, she regards Yue Feng as a close relative. A day ago, Yue Feng chased Wu Ming rashly. Xiaorou was worried all the time, and even in her dreams, she was praying that Yue Feng would stay safe.

Seeing him come back safe and sound at this time, Xiaorou felt happy from the bottom of her heart.

Hehe....

Feeling Xiaorou's excitement, Yue Feng was in a good mood, he couldn't help reaching out and rubbing her head, and said with a smile, "Okay, seeing how worried you are, what can I do? "

Hehe!"

Hearing this, Xiaorou pursed her lips and smiled, then lowered her voice and said a little closer: "The pavilion master is the most capable, I knew you could come back safely, but Sister Hongyu didn't think so. Yesterday In the evening, you also told me that you have no strength at all, and you have no ability to protect yourself in the event of trouble."

"Pavilion Master, you don't know, Sister Hongyu, because of you, this day, you can hardly sleep or eat. .."

When she said this, Xiaorou had a sly smile on her face.

Although she is not yet an adult, she is also at the age when she is in love. It can be seen that Jiang Hongyu is really nervous about Yue Feng's safety.

In Xiaorou's heart, Yue Feng is the pavilion master of the Pill Pavilion and has an extraordinary status, and Jiang Hongyu is the eldest disciple of the palace master, with outstanding strength.

Just halfway through, I saw a slender figure walking out of the hall slowly.

She was wearing a long red dress, floating like a fairy, her slender curves were looming, her beauty was indescribable, but her delicate face couldn't hide her exhaustion. Obviously, she didn't get much rest this day.

It is Jiang Hongyu.

Seeing her appear, Xiaorou quickly shut up and smiled.

However, what she said just now was still clearly heard by Jiang Hongyu. At that time, her face flushed, and she gave Xiaorou a coquettish look: "Xiaorou, what are you talking about? Who can't sleep, eat without taste.

", Jiang Hongyu is about to come over, pretending to hit Xiaorou.

"Oh!"

Xiaorou screamed, hid behind Yue Feng, and said with a smile: "Sister Hongyu, I didn't tell a lie, last night, you kept telling me about the pavilion master, and you didn't sleep. Okay..."

Jiang Hongyu's face turned even redder, and she stomped her feet: "You said that."

Yue Feng didn't come back after a night and a day, she was really worried, but this worry was also because Yue Feng was the elixir of Chunyang Palace. The pavilion master has a special status. If something goes wrong, it is not easy to explain to the master when you go back. There is no other meaning at all.

At this time, Xiaorou deliberately added oil and vinegar, as if she liked Yue Feng. How to hold back?

Chapter 5180

Thinking, Jiang Hongyu continued to chase Xiaorou.

Xiaorou knew that she didn't really want to fight, so she dodged with a smile, and for a while, the two were chasing around Yue Feng.

Yue Feng looked at it with a smile, but did not stop it.

Speaking of which, it is also a pleasing thing to see two stunning beauties chasing them in front of their eyes.

"Ouch!"

Perhaps because she was too anxious, Jiang Hongyu accidentally tripped her foot and stumbled on Yue Feng's foot. At that time, her footing was unsteady, and she was about to fall to the ground with a coquettish cry.

I go!

Yue Feng's eyes and hands are quick, and he reached out his hand like lightning to stop Jiang Hongyu's waist, and pulled her into his arms. In an instant, the two were close to each other.

At this moment, upon smelling the fragrance of Jiang Hongyu, Yue Feng was refreshed, and when he looked at her delicate face and her sexy curves up close, his mind went blank.

Jiang Hongyu was also blinded. She didn't expect that she didn't hit Xiaorou, she almost fell, and was finally pulled into her arms by Yue Feng. Putong putong

... At this moment, she and Yue Feng were close together, Jiang Hongyu's face instantly flushed red, and there seemed to be a deer running around in her heart, jumping non-stop. Wow... Seeing this scene, Xiaorou couldn't help clapping her hands and said, "Sister Hongyu, you and the pavilion master seem to be a good match." She wasn't talking nonsense, Yue Feng in front of her was very personable. , Handsome and stylish, Jiang Hongyu is beautiful and charming, hugging each other at this time, no matter how you look at it, they look like a couple in love. Swish! Hearing this, Jiang Hongyu was shy and whispered to Yue Feng, "You...you let me go."

When Yue Feng reacted, he was also very embarrassed, and quickly let go of his hand.

For a time, the atmosphere was extremely delicate.

"Haha..."

At this moment, there was a loud laugh in the hall, and then the Sect Master Deng Shiqi walked out quickly, followed by a few elders, each with a smile on his face.

Speaking of which, everyone in Deng Shiqi is also worried about Yue Feng's safety. After all, he is the Pill Pavilion Pavilion Master of Chunyang Palace. At this time, seeing that Yue Feng had returned safely, everyone was naturally relieved.

Seeing Deng Shiqi and others, Yue Feng smiled slightly and said hello: "Sect

Master, elders." At the same time as saying hello, Yue Feng couldn't help but look at the young man behind Deng Shiqi, and was secretly surprised.

I saw that this young man was in his twenties, dressed in a white long gown, handsome with handsome features, indescribably handsome, and on his neckline, a pattern of embroidered clouds could be faintly seen.

Obviously, this young man is not a disciple of Beihai Constellation.

At this time, Yue Feng did not know that this young man was called Ye Xingyu, the eldest disciple of the Tianhaimen sect master, and the leader of the younger generation of Tianhaimen.

Today, Ye Xingyu was dispatched by the sect master to visit Beihai Xingsu.

“Haha...”

At this time, Deng Shiqi came to him, looked up and down at Yue Feng, made sure that he was not injured, and said with a smile: “Brother Yue, when you went to chase Wu Ming, we were really worried.” The

voice just fell . , Ye Xingyu, who was behind him, followed with cold words: “This is the Pill Pavilion Pavilion Master of Chunyang Palace? He has no strength at all, and he actually rushed to chase after the elder Wu Ming, huh...I really don’t know how much he weighs?”

There was unabashed contempt in his words.

Speaking of which, Ye Xingyu saw Yue Feng for the first time, and the two of them had no feud, but he and Jiang Hongyu were childhood sweethearts.

You must know that the relationship between the three-day sect, Chunyang Palace, Beihai Xingsu, and Tianhaimen has always been good, and Ye Xingyu grew up in Tianhaimen since he was a child, and he visits Chunyang Palace with his master almost every year. And every time they go to Chunyang Palace, Jiang Hongyu and Ye Xingyu are relatively close because they are the beloved disciples of the sect master.

After the two grew up, the relationship became more delicate. In Ye Xingyu’s heart, Jiang Hongyu had long been regarded as his future wife. It’s just that I haven’t found the right opportunity to express myself.

However, when Ye Xingyu walked out of the hall just now, Ye Xingyu was naturally very upset when he saw that Yue Feng and Jiang Hongyu were behaving intimately. In an instant, he became hostile to Yue Feng.

Um?

Seeing Ye Xingyu’s poor language, Yue Feng couldn’t help frowning secretly.

Is this kid mentally ill, I don’t know you and you, so he belittles me as soon as he comes up?
