Chapter 5221

Wow!

At the same time, the other sect masters present couldn't stand it any longer, and they all pointed at Ruxue and shouted.

"Elder Li is right, your shot is too ruthless." "

This is just a discussion, but you shot so hard?"

"That is, is this too much?"

Xue's delicate face was full of indifference. At that time, she looked around and said coldly, "It's because their skills are inferior to others, who can be blamed?"

"I've already shown mercy, otherwise, they will end up worse. "

Ru Xue is right, they Liu Jian Ji, all of them are ruthless, they have already reserved their limits just now, otherwise none of the challengers just now will survive.

Ruxue has an arrogant temperament and has always respected the strong, but she forgot that it was only a temporary alliance in front of her.

The voice fell, and everyone around was even more shocked.

Uh...

Seeing this scene, Yue Feng secretly shook his head and smiled bitterly.

This Ru Xue, although his strength is outstanding, his emotional intelligence is really not very good. You beat each and everyone of the challenges so badly. Who will support you as the leader of the alliance later?

It's so rude.

"A good skill is not as good as others!"

This chapter is provided by . Visit for daily update.

Finally, Li Qinghai was the first to react, and with a dignified expression on his face, he pointed at Ru Xuen and shouted: "As you say, all the sect masters present are not as strong as you Nianhua. Palace?"

Li Qinghai's face was sinister when he shouted angrily.

What he shouted sounded nothing at first, but after careful consideration, it could be seen that he was deliberately trying to provoke the relationship between Ruxue and the major sects. It is completely to sow discord and deepen the conflict.

Whoa!

The moment the voice fell, the masters of the major sects around were excited one by one, and their eyes were locked like snow.

This woman, because she is one of the six swordsmen of the Nianhua Palace, doesn't she put the major sects in her eyes?

If this is the case, then she is even less qualified to compete for the leader.

Ha ha!

Ruxue didn't hear what Li Qinghai said, so she just wanted to end the discussion quickly, so she sneered and ignored it. However, this reaction hit Li Qinghai's trap.

"Interesting!"

Seeing her reaction, Li Qinghai smiled and said yin and yang strangely: "Look at this, Nianhua Palace really doesn't care about the major sects."

After speaking, Li Qinghai looked around, Loudly said: "Everyone, this woman is not here to compete for the leader of the alliance, but to make trouble on purpose. If my guess is correct, the people from the Nianhua Palace have been secretly investigating around, in order to prevent us from robbing the people here. Treasure, let her disturb us."

"It's so sinister and despicable, let's take her down together."

After speaking, he was righteous.

Whoa!

The moment the words fell, dozens of Tianhaimen disciples rushed towards Ruxue and surrounded her tightly.

At the same time, the leaders of other sects also issued orders one after another.

"The disciples of Ziyun Pavilion obey the orders and take down this arrogant woman."

"Disciples of Shendiao Sect, take down Ruxue."

WOW.

With a loud shout, many sect disciples, after hearing the order, all pulled out their weapons and directly surrounded Ruxue, adding up to a thousand people.

In the hearts of these sect disciples, the sight in front of them is like snow, and they are so ruthless, and they despise the major sects so much that even if they look beautiful, they cannot tolerate it.

“You guys...”

Seeing this scene, Ruxue didn't feel nervous at all, her beautiful face showed a trace of anger: “If you can't beat me, you just want to bully the less, you want shame? Are there any rules?”

Alliance Leader?

Hearing this, Li Qinghai smiled coldly: “A ruthless person like you is not qualified to compete for the leader of the alliance, and you don't need to be disciplined at all.”

“I tell you, if you are obedient and capture, maybe we can still Give you a chance to live, if you resist, don't blame us for being rude.”

“The disciple you killed just now, we want to get justice for him.” A

few words, no doubt.

“You want me to be captured? Dreaming.” Ru Xue clenched her sword tightly, showing a bit of determination on her delicate face.

Chapter 5222

As one of the six swordsmen, when have you been too soft on the rivers and lakes?

“Since you're stubborn, then don't blame us.”

Li Qinghai was too lazy to talk nonsense at this time, took a deep look at Ruxue, and then shouted: “Fellow fellows, don't hesitate, join hands to get rid of this very bad thing . Poisonous woman.”

“Kill!” The

last word fell, and the nearly a thousand sect disciples surrounding them suddenly exploded with inner strength, clenched their arms tightly, and charged directly towards Ruxue.

Seeing this scene, Ru Xue's delicate face instantly flushed red, and she shouted: "A bunch of hypocrites, hypocrites, want to take my life, it depends on whether you have the ability."

Om!

Under the anger, Ruxue's inner strength exploded, and a powerful breath swept out.

Feeling the powerful aura of the snow, the disciples of the major sects showed some fear in their eyes, and many people slowed down and flinched.

In the competition field before, the people who played against Ruxue were either disabled or fainted. They had seen it with their own eyes, and they all knew how powerful she was. Everyone wanted to live well, and didn't want to be the first to die.

What a bunch of scumbags.

Seeing this situation, Li Qinghai frowned secretly, then thought of something, and shouted: "Don't be afraid, she is alone, and whoever catches her will have the right to deal with him." Li Qinghai, as a

Tianhaimen The great elder, who has been walking on the river for so many years, is well aware of the sinister nature of human nature. The sight in front of him is like snow, and he looks like a country and a city. None of the male disciples of the sect present are not greedy. There are brave men.

Whoa!

Sure enough, upon hearing this, the people who were still a little dreadful at this time felt as if they had been beaten by chicken blood, and their whole body was ignited with fighting spirit.

"Elder Li is right, she's alone, don't be afraid!"

"Yes, let's go together." "Don't talk nonsense

, the right to dispose of it is definitely mine."

come up.

What a bunch of shameless people.

Facing this scene, Ruxue's delicate face was full of shame and anger, and without any hesitation at that time, she clenched her long sword tightly and burst out a sword trick.

Chi Chi...

In an instant, I saw a dazzling ray of light that directly enveloped Ru Xue, and then, the spiritual energy of heaven and earth condensed crazily around Ru Xue.

For a time, within 100 meters around, the breath surged.

I saw Ru Xue clenched the long sword, suspended in mid-air, her long hair fluttering, like a god of war among women.

“Jian Luo Jiutian!” In the

next second, Ru Xue’s red lips parted lightly, coldly spit out four words, and the long sword in his hand suddenly pointed at the crowd!

Swish swish...

The last word fell, and above Ruxue’s head, the aura of heaven and earth condensed together, transformed into sword shadows, crashing down, and the air was torn apart by cracks wherever it passed!

I’m going....

Seeing this scene, Yue Feng, who was hiding in the dark, narrowed his eyes slightly, and couldn’t help but admire in his heart.

I can’t tell that there is such a powerful sword technique on Ziwei Continent. Compared with the previous Six Paths Sword Formation, it is not inferior at all. However, this sword technique takes almost all of Ruxue’s internal strength. The enemy is defeated, I am afraid that she will fall into a doomed situation.

At the same time, Li Qinghai also frowned, and his eyes flashed with a bit of ruthlessness.

The Liujianji of Nianhua Palace, each with outstanding strength, can be said to be a serious problem for Tianhaimen’s confidants, and now, Ruxue is only one person, and the power has erupted. If the six swordsmen gather together, the power is even more difficult to imagine.

So, we must get rid of this snow today.

“Ah!” The

sword shadows from the sky erupted, and none of the sect masters who surrounded them had time to react. At that time, they only felt that their eyes were blurred, and the terrifying power of the sword shadows had erupted around them. Suddenly, many People let out a scream.

This sword tactic killed hundreds of people on the spot, and the remaining ones who survived by luck also vomited blood, their faces were pale and pale, and they lost their combat effectiveness.

hiss!

Seeing this scene, those sect masters who were lucky enough to survive couldn't help but take a deep breath.

"This woman is so strong?"

Chapter 5223

"As expected to be one of the six swordsmen of the Nianhua Palace, under the siege of so many people, it is terrifying to be able to defeat so many people."

"But she used this move resolutely, and her internal strength seemed to be consumed. It's almost there."

Many people were shocked when they saw Ru Xue's face pale and her delicate body trembling. Is the end of the crossbow.

"Quick!" Li Qinghai couldn't help shouting when he found this: "She has almost exhausted her internal strength. Everyone is eager to take her down."

"Whoever takes her down first will own her. The right to dispose of it."

Whoa...

Hearing this, everyone rushed up like crazy again.

Everyone's guess was good. Ruxue's internal strength was severely depleted. At this time, facing the attack of everyone, he still couldn't resist. In less than a moment, Ruxue charged two swords, and in an instant, blood sprayed out.

Dengdeng...

The pain of the wound came, such as Xuejiao's body trembled, staggered back two steps, her face became paler, and her weak appearance was pitiful.

Seeing this situation, Yue Feng couldn't calm down. Speaking of which, although the Six Swordsmen had a cold temperament and even a little unreasonable, they were not guilty of death.

More importantly, Yue Feng couldn't bear to see her being humiliated by everyone because of such a pure and clean woman.

Haha...

At this moment, a sect disciple rushed in front of Ru Xue with a wicked smile on his face, looking at her slender body with unbridled eyes: "One of the six swordsmen who are famous in the rivers and lakes, immediately it's going to fall into my hands, haha, it's really exciting."

"Beauty, don't worry, I won't hurt you, as long as you are obedient." After the voice fell, the disciple speeded up and grabbed Ruxue's wrist directly.

Damn...

In the face of this situation, Ruxue was extremely sad and angry, but her body was so weak that she had no time to dodge. In shame, she could only close her eyes in despair.

Did he fall into the hands of these people like he was one of the Six Swordsmen? Rather than being caught and humiliated, it is better to die.

Thinking of this, Ru Xue clenched her long sword and slashed it directly towards her neck...

Yes, Ru Xue planned to commit suicide on the spot, she had a tough personality and would rather die than be humiliated.

What?

Seeing Ru Xue going to commit suicide, whether it was Li Qinghai or other sect masters, they were all shocked. They never thought that this woman had such a tough personality and would rather die than become a prisoner.

"What a stupid woman!"

Seeing that Jianfeng was about to cut Ruxue's neck, just at this critical moment, a magnetic voice came from not far away.

Immediately afterwards, a mighty force erupted from not far away, and then a figure stood in front of Ruxue like lightning, shot like electricity, raised his hand and shook the long sword in Ruxue's hand to the ground. .

Dang

bang... With the crisp sound of the long sword falling to the ground, everyone's eyes were on this uninvited guest, and they saw that he was tall and straight, wearing a black long gown, and a black cloth covering his face, although he couldn't see clearly.

Appearance, but a pair of eyes exposed outside, like the stars in the sky, revealing a kind of wisdom that sees through everything.

Yes, it is Yue Feng.

Speaking of which, Yue Feng didn't want to show up, but he couldn't bear to see Ru Xue's end, so he took the risk to rescue him. In order to avoid being discovered, he deliberately covered his face with a black cloth.

After all, many of the sects present were somewhat related to Yue Feng, and hiding their identities could save a lot of trouble.

"You..."

Ruxue froze for a moment, staring at Yue Feng blankly, her beautiful face full of complexities: "You... Who are you?" Liu Jianji has been in the world for so many years, because of her lonely personality. Leng never made friends, so Ruxue was very surprised that under such circumstances, someone came forward.

Yue Feng smiled slightly and said solemnly: "Don't talk, I will take you away later." After saying that, he looked around and looked at the masters of the major sects in front of him.

"Who are you?"

At this moment, Li Qinghai was the first to react, took a step forward, and shouted at Yue Feng: "Dare to meddle in your own business, have you thought about the consequences?"

Chapter 5224

Ha ha!

Feeling Li Qinghai's anger, Yue Feng smiled lightly: "It doesn't matter who I am, the important thing is that if so many of you bully a woman, if it spreads to the rivers and lakes, you won't be afraid of being laughed at?"

"Also, she is One of the Six Sword Princesses of the Nianhua Palace, is not afraid of revenge after being bullied so much by you?"

Hearing this, Li Qinghai's face flushed, and he didn't know how to refute for a while.

Phew...

At the same time, the masters of the major sects around were also embarrassed.

Soon, Li Qinghai came to his senses, with anger flashing in his eyes, and said coldly to Yue Feng: "This is about us and Nianhua Palace, it's not your turn to intervene. Those who are sensible, hurry up, or you will teach me You have no place to die."

"You don't dare to show your true face, and you dare to meddle in your own business and court death."

"What if I don't leave?" Yue Feng said lightly.

hum!

Hearing the answer, Li Qinghai didn't talk nonsense, his inner strength exploded, he raised his hand and called directly to Yue Feng.

In Li Qinghai's heart, the person in front of him had his face covered, and his strength was definitely not that great. Otherwise, why wouldn't he dare to show his true face? To deal with this kind of person, there is no need for nonsense at all.

Seeing Li Qinghai's palm call, Yue Feng chuckled lightly, and slowly raised his right hand, and also greeted him with a palm.

boom!

In the next second, the palms of the two collided, and a roar erupted. Li Qinghai groaned, and the whole person took a dozen steps back, his face flushed red.

However, Yue Feng stood there motionless, as steady as a rock.

Obviously, Li Qinghai suffered from this palm.

Speaking of which, Li Qinghai, as the great elder of Tianhaimen, has the highest strength in the rivers and lakes. It is a pity that the opponent he met today is Yue Feng. Not that he can compare.

What?

After stabilizing his figure, Li Qinghai's face was full of horror, and his eyes were even more shocked to look at Yue Feng.

How can it be? The palm of his hand just now stimulated 80% of his skill, and it didn't hurt this person at all. This person is young, and his inner strength is so deep.

When did such a No. 1 person appear on the rivers and lakes?

Hiss...

At the same time, the other sect masters around couldn't help but take a deep breath, looking at Yue Feng's eyes, they were all incomparably shocked.

Is this kid so strong?

With just one move, the Great Elder of Tianhaimen was repelled.

If you hadn't seen it with your own eyes, who would have believed it?

call!

Facing the eyes of everyone, Yue Feng breathed a sigh of relief, and secretly used ventriloquism to make his voice very thick: "I don't want to cause trouble, and I don't want to be an enemy of everyone present, now I just want to take her away, If anyone is not convinced, just come up." The

voice was not loud, but it spread to every corner of the square.

Feeling the aura that filled Yue Feng's body, the masters of the major sects looked at each other, none of them dared to step forward.

Even Li Qinghai of Tianhaimen is not an opponent, who dares to go up and ask for trouble?

Seeing that no one answered, Yue Feng stopped talking nonsense: "Since no one has an opinion, then I will take the person away." The voice fell, Yue Feng grabbed Ruxue, and jumped into the air, just a breath Kung Fu disappeared from everyone's sight.

Ma De...

Seeing Yue Feng leaving with Ru Xue, the sect masters present were indescribably holding back their fire, but they were afraid of Yue Feng's strength, and none of them rushed to pursue him.

At this moment, Yue Feng is here.

"You..."

In the mid-air of the underground town, Ruxue was tightly grasped by Yue Feng. She was very puzzled and couldn't help but say, "Who are you? Why do you want to help me?"

"Li Qinghai, looking at the age is not very big, the inner strength is so deep, it is really incredible, but, in the arena, I don't seem to know such a person.

Yue Feng smiled slightly and said lightly: "It doesn't matter who I am, I just pass by and can't stand what those people do. So, you don't have to think about repaying me." As he spoke, he saw an attic in front of him. The location is relatively remote, and no one should come. At that time, Yue Feng did not hesitate at all, and directly landed in the attic with Ru Xue.

Chapter 5225

"Okay!"

The moment he entered the attic, Yue Feng looked at the surrounding environment and said lightly: "This place is relatively remote, and no one will come for the time being, so you don't have to worry about being disturbed.

"Let's take a step first." The

voice fell, and Yue Feng turned around and was about to leave.

Although her face was covered with a black cloth, Liu Jianji was not an ordinary woman. I was afraid that she would find out her identity when she showed some flaws later, so Yue Feng would not stay for a long time.

"You... you stop!"

Just before taking two steps, there was a cry like snow behind him: "We Nianhua Palace, never receive favors in vain, you tell me your name, I will definitely have a chance in the future. Return your favor."

When she said this, Ru Xue's face was weak, but her eyes flashed with determination.

Uh....

Hearing this, Yue Feng stood there, looked back at Ru Xue, and smiled bitterly: "I said it just now, I was just passing by, I just helped you, no need to repay."

Kill yourself . After her junior brother Xu Wenliang, she couldn't reveal her identity at all. What else could she talk about to make her return the favor?

Seeing that he was reluctant to report his name and identity, Ruxue suddenly became anxious, struggling to stand up, but accidentally affected the wound, and suddenly her delicate body trembled, and her eyes turned black.

Putong...

The severe pain came, Ruxue finally couldn't bear it, fainted directly, and fell to the ground softly.

Before she broke out a sword technique, her internal strength was almost exhausted, and then she was hit by a few more swords and lost too much blood. No matter how strong a person was, no one could withstand such an injury.

Alas, this woman is so persistent.

Seeing Ruxue fainting, Yue Feng sighed, walked over quickly, helped her up, and then made her lean against the wall. After doing this, Yue Feng felt the snow-like situation and frowned.

Oops!

This woman has a serious internal energy consumption, and has lost too much blood. If she does not want to be cured, she is afraid that her life will be in danger.

However, men and women are not close to each other, if you want to save her, it is inevitable that you will touch skin.

For a time, Yue Feng's brows were furrowed, and he was in trouble. Because Ruxue lost too much blood, if she wanted to save her, the first thing she did was to help her bandage the wound, and then inject internal force into her body to keep her vitality.

never mind!

A few seconds later, Yue Feng stood up and said to himself: "Several of her sisters are also here, maybe they will find it in a while, seeing her like this, I will definitely do my best to save her, so I won't ask for it by myself. Trouble."

But after thinking about it, it felt wrong again.

This place is so big, if within a few hours, Ruxue's sister doesn't come here, wouldn't she be dead?

After thinking about it for a long time, Yue Feng turned back to Ru Xue, and while uncovering her clothes, he said, "I am here to save your life, not to take advantage of you.

" The wind tried his best to keep himself calm.

Gudong!

But after taking off the long skirt, Yue Feng couldn't help swallowing his saliva when he saw the graceful curves like snow exposed in front of him.

I have to say, this Ruxue is not only beautiful in appearance, but also in body, especially the skin like suet jade, which can be broken by blowing bullets. Although Yue Feng has seen many beautiful women, he is a little unable to extricate himself at this time.

After more than ten seconds, Yue Feng helped Ruxue to bandage the wound, put on her long skirt again, and then sat cross-legged and stretched out her hands, pressing her hands against her back, and slowly injected divine power into her body.

....

on the other side. in the square.

Yue Feng rescued Ru Xue, and the masters of the various sects were very suffocating, but there was nothing they could do.

“Everyone!”

At this moment, Li Qinghai walked slowly to the center of the square, and said indifferently: “It doesn’t matter if the woman is rescued, as long as we quickly select the leader of the alliance and lead everyone to explore this underground town, I believe we will find it soon. Her whereabouts.”

“At that time, there will be a unified command from the leader of the alliance, not to mention the woman alone, even if the six swordsmen gather together, we can catch them all in one go.” The

voice fell, and many people around nodded in agreement.

“Elder Li is right, let’s continue the discussion.”

“Yes, we can’t forget the business.”

Hearing everyone’s answer, Li Qinghai smiled slightly and clasped his fists at everyone: “Since everyone has no objection, I Li Qinghai will Let’s take the lead, who will come up to teach you?”

The ultimate husband in Chinese chapter 5226-5230

Chapter 5226 The

voice is not loud, but it is full of momentum.

At this time, Li Qinghai’s expression was indifferent, but he couldn’t hide the excitement in his heart.

Haha... Just now, Ruxue of Liujian Ji defeated so many masters on the field, and now there are almost very few people who can play. The position of the leader of the alliance has been settled by himself.

Huh....

Seeing this scene, the masters of the major sects present, look at me, I look at you, no one came up to challenge, in the previous competition, many representatives of the sects were defeated by Ruxue In hand, there are really not many who can play now.

Hehe....

Seeing that no one took the initiative to come up, Li Qinghai became more and more confident. At this time, he smiled slightly and said slowly: "If you don't have confidence in yourself, let's change the rules."

"From now on, we haven't played yet . How about sending two people out to challenge?"

Those who haven't competed in the arena are all small sects on the rivers and lakes, even if they sent two people, Li Qinghai didn't panic at all.

Wow....

Hearing this, there was an uproar in the audience, and many people looked at Li Qinghai with complex eyes.

Is the Great Elder of Tianhaimen overconfident? It was changed to two people to challenge alone. Do you really think that apart from their Tianhaimen, there will be no strong players?

For a time, many sect masters were very unhappy in their hearts, but because of Li Qinghai's identity, it was not easy to reprimand them in person.

"Haha..."

At this moment, a tall man strode out, first laughed loudly, and then said to Li Qinghai: "Since Elder Li is so confident, then we are welcome."

This chapter is provided by . Visit [for](#) daily update.

It was the chief disciple of King Kong Sect, Wanyan Gang.

King Kong Gate, once the gate of Buddhism, has gradually developed and has a pivotal position in the arena.

As soon as the words fell, Wanyan just waved at her back, when a short figure followed, and she saw that this person was not tall, very thin, but the skin all over his body showed a bronze-colored luster.

It was Wanyan Gang's younger brother, Shi Tian.

Shi Tian was born a dwarf, but his strength was infinite. He was very compatible with the practice of Jin Gangmen, so he was very much used and loved by the head of the King Kong sect, and he had a very close relationship with Wanyan Gang. The two brothers and sisters often travel together in the arena. At this time, seeing Li Qinghai threatened to be present, the sect sent two people to challenge. Wanyan Gang did not hesitate at all, and immediately greeted the junior brother to play.

Whoa!

Seeing the two brothers come up together, everyone around them suddenly exclaimed.

“Wanyan Gang and Shi Tian from the King Kong Gate?”

“It is said that the two of them have already practiced their King Kong skills to the Transformation Realm. After joining forces, wouldn't their power be even more terrifying?”

” It 's wonderful.”

Everyone's comments kept coming, but Li Qinghai's face was indifferent, and there was no wave in his heart.

call!

The next second, Li Qinghai breathed a sigh of relief, looked at Wanyangang and the two with a half-smile, and said slowly, “It turned out to be little brother Wanyangang, although your Jingangmen's exercises are extremely fierce, they are still very powerful. It's not my opponent, let's go.”

In the eyes of others, Wanyan Gang and Shi Tian are very strong, but Li Qinghai has not taken it seriously. After all, he is the great elder of Tianhaimen, and when it comes to the background, he is completely crushed. pressure.

Hearing this, the senior Wanyan Gang brothers looked at each other, and they were a little displeased with each other. However, as far as they are concerned, Li Qinghai is considered a senior in Jianghu, so he did not show it.

Ha ha...

The next second, Wanyan just smiled humbly and said to Li Qinghai, "Senior is indeed stronger than us, and it is precisely because of this that our brothers come to ask for advice."

Hmm...

see him Saying this, Li Qinghai nodded with an old-fashioned attitude: "Okay then."

Wanyan just stopped talking nonsense and shouted: "Elder Li, look at the move." The last word fell, and the figure was like a cannonball, directly He rushed towards Li Qinghai.

At the same time, Shi Tian also burst into internal power, and Wanyan Gang formed a double-team situation, and burst towards Li Qinghai.

hum!

The two brothers broke out at the same time, and they were using King Kongmen's 'Sorry Mountain Fist'. This boxing technique is extremely powerful and can easily smash boulders. At this time, the two of them erupted at the same time, and the surrounding air was suddenly distorted, with astonishing power.

Chapter 5227 Huh

...

Seeing this scene, everyone watching the battle was extremely excited and at the same time extremely shocked.

It is said that the practice of King Kong Gate is extremely fierce, and it can break mountains and crack rocks.

When I saw it today, it really lived up to its reputation.

Moreover, these two brothers, with such a tacit understanding, might really be able to defeat Li Qinghai.

It's a bit interesting...

Seeing the two brothers burst out together, Li Qinghai showed a smile, and he didn't panic at all. He slowly raised his hands, and his internal force urged a protective film to be deployed in front of him.

It was seen that there were faint fluctuations like flowing water on the protective film, which was the 'Yingshui Art' that Li Qinghai practiced.

Boom!

Just as the protective film was condensed and formed, Wanyan Gang's brothers slammed hard with a punch, and suddenly a roar erupted. Seeing that it was the two brothers, they were knocked back a few steps.

And Li Qinghai's protective film was completely shattered, but he was standing there, motionless.

Obviously, the punch from Wanyan Gang just now broke the protective film, but it didn't hurt Li Qinghai in half.

It is clear who is stronger and who is weaker.

This....

seeing this situation, everyone around was stunned, and everyone was shocked.

King Kongmen's practice is really powerful, and it shattered Li Qinghai's protective film in an instant, but then again, Li Qinghai's strength is really unfathomable, the protective film is broken, and he has not been injured at all. .

At the same time, Wanyan Gang and Shi Tian had extremely solemn expressions after stabilizing their figures.

Is this the strength of the Tianhaimen Great Elder?

Really strong.

Haha...

Seeing the astonishment on the faces of the brothers, Li Qinghai smiled slightly and put on an unfathomable attitude: "If you two still want to ask for advice, just wait for the next opportunity." Not my opponent, so don't waste your time.

Om...

At the moment when the voice fell, Li Qinghai's figure flashed, and he rushed directly to the two brothers, raised his hands, and quickly hit two palms.

These two palms seem to be light, but they contain extremely strong inner strength.

At this moment, Wanyan Gang and Shi Tian glanced at each other, without any hesitation at the time, they hurriedly used their inner strength, and quickly raised their hands and greeted them with a palm.

Although the victory and defeat are already divided, they can't be ashamed of King Kong Gate.

Boom...

The next second, the four palms collided, Wanyan Gang and Shi Tian groaned, staggered back, and directly exited the sparring arena.

"Elder Li is really strong, I'll lose." After stabilizing her figure, Wanyan was ashamed, and after speaking, she took Shi Tian to retreat.

For a while, the audience was silent.

The eyes of everyone present were fixed on Li Qinghai, secretly shocked.

The two disciples of King Kong Sect joined forces, but they couldn't even catch Li Qinghai's move. How could they fight in the next battle?

In the center of the open space, Li Qinghai looked around with a smile behind his hands, and said indifferently, "You fellows from all corners of the world, who else is going to challenge? If no one challenges, I will be the leader of the alliance."

The voice fell, and everyone around looked at each other, each with embarrassed expressions.

The two disciples of King Kong Sect joined forces, they are not opponents, who would dare to challenge?

However, it is about the glory of the sect. Many people know that Li Qinghai is extremely powerful, but they still want to give it a try.

"I'm here to challenge!"

"And our Five Elements Pavilion, also ask Elder Li's stunts!"

After a few seconds, many people shouted and stepped forward to challenge.

It's just that the strength of these challengers is too different from that of Li Qinghai, and they were easily repulsed by Li Qinghai in the blink of an eye.

In the next few minutes, many people challenged, but none of them could beat Li Qinghai.

Haha...

Seeing this situation, Li Qinghai couldn't tell how proud he was.

Almost all those who could play were defeated by him, and he was the leader of the alliance this time.

Thinking to himself, Li Qinghai clasped his fists at the surrounding, with a hypocritical look: "Thank you for your love, if there is no challenge later, then I will do my part and be the leader of the alliance for the time being."

"I hope, wait a minute. You can obey orders."

Chapter 5228

Saying that, Li Qinghai is about to walk out of the open space.

However, at this moment, a faint voice sounded: "Since no one is playing, let me try!" The voice fell, and a tall figure slowly walked into the center of the open space.

Wearing a black long gown, he was tall and tall, and there was a palpating coldness in his eyes.

It was the head of Lihuomen, Ren Pingsheng.

Lihuomen was once one of the top ten sects in Ziwei Continent. However, it began to decline five hundred years ago. After that, the talents under the sect withered away and gradually disappeared under the attention of the people in the rivers and lakes.

Up to now, Lihuomen has fallen into a second-rate sect on the rivers and lakes, not to mention the people from the major sects, even those thieves from Jiangyang, who have not paid attention to the people of Lihuomen.

The current director of Lihuomen has been in his thirties all his life. He is extremely talented. It took two years to comprehend the supreme martial arts of Lihuomen. Not well known.

Ren Pingsheng's biggest wish is to revive the prestige of the sect. This time he came to explore the underground town, and when he saw Li Qinghai's proposal to discuss, he knew that the opportunity was coming.

Swish!

At this moment, seeing Ren Pingsheng on stage, everyone was in an uproar, and all of them looked at Ren Pingsheng with a bit of mockery.

"Who is this person?"

"I've met him once, it seems that he was the head of Lihuomen in his entire life?"

“Lihuomen? Just that second-rate sect? Haha, it’s really interesting, just because he wants to defeat Li Qinghai? Dreaming What...”

Under everyone’s discussion, looking at Ren Pingsheng’s eyes, they couldn’t hide their mockery.

In their eyes, Lihuomen is just a declining second-rate sect. Even if Ren Pingsheng is the head of the sect, he is not necessarily Li Qinghai’s opponent. Speaking of which, although Li Qinghai is the great elder of Tianhaimen, he has deep inner strength. The background is not comparable to him at all.

Everyone’s ridicule, you and I came, and Ren Pingsheng just thought he didn’t hear it.

Um?

Li Qinghai also frowned slightly, looking at Ren Pingsheng up and down: “Master Ren also wants to try it? I’m afraid it’s a waste of time.” His tone was indifferent, but there was a trace of contempt.

Like everyone else, Li Qinghai looked down on Ren Pingsheng. After all, the head of a second-rate sect had no say in the arena. How could he compare with Tianhaimen, one of the three major sects?

Even if Li Qinghai is just an elder, his influence in the arena is far greater than that of Ren Pingsheng.

Feeling Li Qinghai’s contempt, Ren Pingsheng instantly burst into flames. No matter what he said, he was also the master of a sect, but Li Qinghai was so arrogant.

However, Ren Pingsheng didn’t have an attack, but showed a smile: “Elder Li, don’t misunderstand, I have self-knowledge, and I never thought of being the leader of the alliance.”

“I was just like the Wanyan of King Kong Gate just now, and I admired Elder Li very much. I just wanted to take this opportunity to ask for advice.”

When he said this, Ren Pingsheng’s face was humble, but the depths of his eyes were gloomy.

Starting today, Lihuomen will rise from the rivers and lakes and reproduce the glory of the past.

Haha...

Ren Pingsheng's words were very useful to Li Qinghai, and he immediately smiled slightly: "In that case, let's start." After saying that, he just stood there in his spare time, obviously waiting for Ren Pingsheng to take the shot first.

This kind of performance seems that Li Qinghai is really sympathetic to the younger generation, but in fact it is a great humiliation to Ren Pingsheng.

But Ren Pingsheng didn't bother to care about these, and immediately smiled lightly: "Okay, then I'll offend." After the voice fell, Ren Pingsheng's inner strength exploded, and he hit Li Qinghai with a palm.

Li Qinghai was very conceited and decided that Ren Pingsheng was not his opponent. He stood there motionless at that time, seeing that Ren Pingsheng's palm was about to hit him, and then he raised his hand and greeted him.

boom!

In an instant, the palms of the two collided fiercely, and a dull sound was heard, followed by a tyrannical internal force fluctuation that swept the audience.

In the next second, Li Qinghai and Ren Pingsheng both groaned and took a few steps back.

Obviously, this palm down, the two sides are evenly matched.

What?

Seeing this scene, everyone around was shocked, and looked at Ren Pingsheng, speechless.

Chapter 5229

This... This Ren's inner strength is so deep in his life that he and Li Qinghai face each other, and he does not lose the slightest.

Didn't Lihuomen fall long ago? How could he be so great?

Li Qinghai was also secretly shocked in his heart. You must know that the palm of your hand just now stimulated 70% of the internal force, and it was even on par with this Ren Pingsheng?

Moreover, he clearly noticed that Ren Pingsheng did not use his full strength.

Madd, he had gone astray.

Shocked, Li Qinghai chuckled at Ren Pingsheng: "Sect Master Ren is really strong, this old man will come to see him again." The voice fell, his figure flashed, and he rushed again.

Ren Pingsheng laughed, not to be outdone, and soon the two of them fought fiercely on the field.

At the beginning, Li Qinghai was still full of self-confidence. After a few rounds passed, he became more and more surprised. He felt that the opponent's internal strength was like a vast ocean. It was unfathomable. suppress.

The people around were also completely dumbfounded.

"Elder Li!"

After a few rounds, Ren Pingsheng smiled indifferently: "Tianhaimen's martial arts are really powerful, but unfortunately, the elders don't seem to have learned the essence."

"It's getting late, this competition is over. Right."

Om!

When the last word fell, Ren Pingsheng folded his hands, and a bloody light suddenly appeared in front of him.

Immediately afterwards, a blood-red Flood Dragon burst out of the air and appeared beside him in vain.

I saw that this blood-colored flood dragon was filled with a suffocating suffocating energy. It was obviously transformed from internal force. Although it was transformed from internal force, it was condensed like a substance, as if it were alive, and it was vivid. The dragon was dozens of meters long. , every scale on the body is clearly visible, especially the bloody mouth, which looks terrifying.

The moment the blood-colored Flood Dragon appeared, the temperature of the air within a few hundred meters suddenly dropped. Everyone present felt a chill in their hearts.

At the same time, many people couldn't help but gasp.

"This... what kind of exercise is this?"

"It turned out to be a Flood Dragon, could it be... This is Lihuo Sect's stunt, the Blood Dragon Art?"

“It’s really the Blood Dragon Art, I didn’t expect this. The stunt of the door has been used for hundreds of years, and now it has reappeared in the rivers and lakes.”

Under the amazement of everyone, looking at Ren Pingsheng’s eyes, there was no contempt before, but a complete shock. You must know that the Lihuo Sect back then. The founder of the school, relying on a blood dragon trick, traverses the rivers and lakes.

It’s just that after the fall of Lihuo Sect, very few of the succeeding sect masters were able to comprehend this stunt. It was just like this that Lihuo Sect declined more and more.

It just didn’t occur to him that at such a young age, he would actually comprehend this stunt.

“Roar!”

At this time, under Ren Pingsheng’s order, the blood-colored Jiaolong uttered a dragon roar, carrying an unparalleled momentum, and roaring towards Li Qinghai, where it passed, a hurricane was set off, and everyone around was almost unsteady. .

Li Qinghai’s expression changed drastically when he saw the flood dragon erupting. He immediately urged all his inner strength to resist without any hesitation.

boom!

The next second, the blood-colored Flood Dragon roared, collided with Li Qinghai, and heard a deafening roar, and the surrounding dust was filled with smoke.

After more than ten seconds, the dust and smoke dissipated, Ren Pingsheng stood there quietly, raised his hand and put away the blood-colored Jiaolong, with a confident smile on his face.

Swish!

And everyone’s eyes, involuntarily looked towards the center of the venue, they saw Li Qinghai’s face was miserable, his robe was almost torn to pieces, his whole body was trembling, and he was shaking.

Obviously, Ren Pingsheng won the last round.

quiet!

There was a deadly silence all around the square, and a drop of a needle could be heard clearly.

“Elder Li.” After a few seconds, Ren Pingsheng said with a smile: “You lost this competition. If there is no objection, I should be the leader of the alliance?”

Li Qinghai wanted to respond, but his body was full of energy. The blood was tumbling, and he couldn't say a word, he could only nod his head.

To be honest, Li Qinghai was 10,000 unwilling to surrender to Ren Pingsheng, but there was no way, the opponent's strength was indeed strong.

Chapter 5230

At this moment, several Lihuo Sect disciples shouted at Ren Pingsheng in public: “I have seen the leader.”

Whoa!

Seeing this situation, everyone around hesitated, and also saluted Ren Pingsheng.

“Alliance leader.”

“I have seen the alliance leader.”

Like Li Qinghai, people from the major sects did not expect that Ren Pingsheng would actually win the competition. However, since this person is so powerful, it is a matter of course for him to be the leader of the alliance.

Hehe...

Seeing this scene, Ren Pingsheng showed a smile, and then waved his hand gently: “You guys are polite, we temporarily formed an alliance this time, just to better explore this place, not the real martial arts alliance leader, so, it's better for everyone to call me the head of Ren.” The

voice fell, Ren Pingsheng looked around and said seriously: “Just now, everyone is tired, let's take a rest first, and then start exploring.”

“Yes..”

.....

On the other side, in a remote pavilion.

After half an hour of transmission of internal force, I saw the pale complexion like snow, and it recovered a bit of rosy.

call!

Seeing this, Yue Feng took a deep breath, removed his hands from Ruxue's body, and sat on the side to rest. Although it is not very expensive to transmit internal power to Ruxue, it is also a little troublesome.

"You..."

After resting for a while, he suddenly felt a killing intent, Yue Feng quickly turned his head to look, and saw that Ru Xue woke up at some point, staring at him coldly.

Oops!

Yue Feng was taken aback and felt a little depressed. When he was helping her transmit internal force, he took off the black cloth on his face. After it was over, he just wanted to rest and forgot to put it on again.

"Yue Feng!"

Just when Yue Feng was secretly depressed, Ru Xue bit her lip tightly and said coldly, "Why are you here? You..." Halfway through speaking, she suddenly thought of something.

Was he the one who saved him just now?

Realizing this, and realizing that something was wrong with her body, Ru Xue quickly looked down at herself, and at this sight, her anger surged.

This bastard actually undid my skirt when I was in a coma.

Ruxue clearly saw that the long dress on her body was in a mess, which was obviously the work of Yue Feng.

Uh...

Feeling Ruxue's killing intent, Yue Feng scratched his head and smiled bitterly: "Don't get excited, I didn't do anything to you, I just bandaged the wound for you."

"Also, you In the eyes of the loss of internal power just now, I will help you transmit some internal power."

"In other words, I saved you."

Hearing this, Ru Xue was even more embarrassed and shouted: "Shut up, you and I are at odds, no I need your help." This Yue Feng killed his junior brother and was the enemy of the entire Nianhua Palace.

Seeing her like this, Yue Feng was very helpless: “Look at you, why don’t you know what’s wrong? At that time, your junior brother wanted to kill me, so I couldn’t fight back?”

“Besides, I saved you just now. What happened to you?”

Yue Feng didn’t say this, but Ru Xue couldn’t help it, she quickly stood up, pulled out her long sword, and stabbed directly: “You shameless bastard. Disciple, I must kill you.”

I was clean and pure, but he saw it all, how would I meet people in the future?

I go!

Ruxue stabbed with a sword, but Yue Feng didn’t panic at all, and she ducked to the side

. Feng, her injuries have not healed yet, and her speed is not fast, but it also gave Yue Feng a headache, and finally had to escape from the pavilion.

Ruxue was swept away by hatred, clutching her long sword and chasing out.

For a time, the two were chasing among the Jian ethnic groups in this underground town.

Um?

After running for a few minutes, Yue Feng saw a forest of stone pillars ahead.

In the Stone Pillar Forest, there are thousands of stone pillars. Each stone pillar is more than ten meters high. It seems to be arranged randomly, but if you study it carefully, you will find another mystery.

Is this an array?

Yue Feng glanced at it roughly, and immediately saw that it was a huge illusion. Many years ago, when Yue Feng and Ren Yingying were investigating Zhao Yun’s ancient tomb, there were still many sect masters who also entered the exploration. At that time, they encountered a magic formation composed of wooden stakes.
