

## The ultimate husband in Chinese chapter 5231-5240

### Chapter 5231

Yue Feng clearly remembers that the piece of wood in Zhao Yun's ancient tomb was an extremely powerful illusion. The stone forest in front of him is exactly the same as the illusion formation in Zhao Yun's ancient tomb.

Of course, this piece of stone pillar forest, the piece of wood in Zhao Yun's ancient tomb, I don't know how many times larger, and the power of the illusion is stronger.

However, Yue Feng did not panic at all.

This phantom formation is extremely dangerous to others, but in Yue Feng's eyes, it is not the slightest threat. You must know that over the years, Yue Feng's accomplishments in formation techniques have reached the pinnacle of excellence. Phantom array, you can walk out with your eyes closed.

Whoosh!

At this moment, Yue Feng glanced at it, and immediately rushed into the stone forest without any hesitation.

After rushing in, Yue Feng stopped, turned around and laughed at Ru Xue: "Beauty Ru Xue, I advise you to stop chasing, this stone forest is a formation, if you rush in rashly, I'm afraid you won't be able to get out. ."

Formation?

Hearing this, Ruxue stopped suddenly, stood on the edge of the Stone Pillar Forest, and observed it carefully.

There are so many stone pillars, but it is a bit strange. Could it be really a formation?

Thinking to herself, Ru Xue Xiu frowned and said coldly at Yue Feng: "Don't scare me, if it is a formation, why would you break in?" Although he doesn't know Yue Feng very well, after what happened just now, She knew very well that the man in front of her was very cunning.

It is very likely that this stone pillar forest is not a formation at all. Yue Feng said this on purpose to scare himself.

Hehe...

Seeing Ruxue's disbelief, Yue Feng couldn't help laughing: "I am very familiar with this formation, so I am not afraid. I can tell you that the most powerful thing about this formation is not to sway people. trapped, but can be hallucinating."

"Once you have hallucinations, anything terrible can happen. So, don't chase after me. If you have time, go find your sisters."

Om!

When he was talking about this, Yue Feng only felt a sense of dizziness coming from his mind, and he knew that the phantom formation of the Stone Pillar Forest had begun to work. At that time, without hesitation, he quickly tapped the Shentai acupoint on his shoulder.

Shentai acupoint is an important acupoint in the human body. As long as this acupoint is sealed, it will not be affected by the illusion.

After sealing the Shentai acupoint, Yue Feng suddenly felt refreshed, and the dizziness in his mind immediately disappeared without a trace.

After doing this, Yue Feng saw Ru Xue still standing on the edge of the Stone Pillar Forest, without any intention of leaving, and suddenly smiled bitterly: "I have already said what I should say, what you want to do is your business."

"I There is something else, I won't waste it with you, we will have a future." After the voice fell, Yue Feng turned and walked towards the depths of the Stone Pillar Forest.

This bastard.

Seeing that Yue Feng was about to leave, Ru Xue suddenly became anxious, and immediately shouted: "Yue Feng, please stop for me, don't go." Saying that, with his toes on the ground, he rushed directly into the stone pillar forest.

At this time, in Ruxue's heart, she was even more convinced that Yue Feng was talking nonsense.

What kind of phantom formations are all fake, this Yue Feng is deliberately scare people, so as to take the opportunity to escape.

In Ruxue's heart, Yue Feng first killed her junior brother, and then took advantage of him in that pavilion. He wanted to cut him with a thousand swords, how could he let him go so easily?

What the hell!

Seeing Ruxue rushing in directly, Yue Feng was startled and somewhat helpless.

This woman is so persistent, she just broke in like this?

“Yue Feng, die.”

At the moment of rushing into the Stone Pillar Forest, Ruxue clenched her long sword and turned into a shock, stabbing straight at Yue Feng, with endless anger flashing in her eyes.

Yue Feng sighed in his heart and stood there without moving.

Why doesn't he hide?

Seeing this scene, Ru Xue Xiu frowned, and suddenly felt that something was wrong.

hum!

That is, at this moment, the surrounding magic formations started to operate, and Rumeng only felt that the world was spinning for a while, and all the scenery in front of him also distorted and changed.

What's going on here?

The sudden change made Ru Xue secretly surprised and quickly stopped.

Chapter 5232

In the next second, when Ruxue looked at Yue Feng again, her body trembled and she was stunned.

I saw that Yue Feng had disappeared, and standing not far away was the eldest sister Rumeng.

At this time, Ru Xue didn't know that she had already been affected by the illusion, and hallucinations appeared in front of her. The person standing in front of her was not Ru Meng, but Yue Feng.

“Eldest sister!”

Ruxue was overjoyed when she suddenly saw her own people, she quickly walked over, grabbed Yue Feng's hand, and said happily, “Eldest sister, I finally found you. It's great... “

The most powerful part of this illusion is that it can show the deepest thoughts in people's hearts in front of people in an illusion. After Ruxue enters this underground town, what she wants to do most is to find a few Rumeng as soon as possible, so , After the magic formation opened, she also regarded Yue Feng as a dream.

Uh...

Feeling the joy of Ruxue, Yue Feng was very embarrassed, but he knew in his heart that Ruxue in front of him had already had hallucinations, and regarded his own as her eldest sister.

Realizing this, Yue Feng was speechless.

This Ruxue had advised her just now not to break in rashly, but she refused to listen. Now that she is well, her whole body has entered a hallucination.

Thinking about it, Yue Feng wanted to seal her Shentai acupoint to wake her up, but then she thought that if Ruxue woke up, she would continue to chase and kill herself. Although she wasn't afraid of her, it was also a headache.

Forget it, since she regards me as her eldest sister, she will be wrong.

Thinking of this, Yue Feng looked at Ruxue with a smile, and then he used ventriloquism, in a dream-like tone, and said slowly: "Ruxue, I'm relieved to see that you're all right."

"Let's get out of here first, go to Find other sisters."

As he spoke, Yue Feng took Ruxue's hand and slowly walked out of the Stone Column Forest. Yue Feng thought about it, and when he walked out of the Stone Pillar Forest, he would leave first.

Anyway, after leaving the illusion, Ruxue still needs a few minutes to wake up completely, and the time is enough.

Um!

Ruxue responded and let Yue Feng hold hands, very obedient.

For a while, Yue Feng tried hard not to let himself think of anything else, but the feeling of holding hands like snow, he couldn't help but secretly praised in his heart.

These snow-like hands are so soft and slippery.

"Eldest sister!"

Halfway through, Ruxue suddenly thought of something and asked Yue Feng, "Where are the other sisters? Didn't the eldest sister find it? By the way, when the eldest sister came just now, I didn't see that bastard Yue Feng?"

"Entering the hallucination, Ruxue did not forget what happened just now.

Uh....

Seeing her calling herself a bastard, Yue Feng's mouth twitched and he was speechless: "That... When I came in, I didn't see anyone else, so maybe that Yue Feng ran away."

Hearing the answer, Ru Xue did not have the slightest doubt, and said bitterly: "Yue Feng, this bastard, killed Junior Brother Xu, we must not let him go."

After speaking, Ru Xue suddenly frowned, with a delicate face, it also showed some pain.

"What's wrong?" Yue Feng was stunned and asked quickly.

Ruxue exhaled softly and said slowly, "I was injured just now, and my meridians are a little disordered. Please help me to guide me." After speaking, she sat cross-legged on the ground.

Ruxue's internal strength was severely depleted before. At that time, although Yue Feng transmitted some divine power to her, this divine power did not match Ruxue's physique. Fusion, it wandered freely in her body, causing her meridians to become disordered.

Oh!

Yue Feng responded, and then asked, "How can you help me guide you?"

When he fought against Liujianji before, Yue Feng could feel that the practice of Liujianji was very different from other sects and was very special. Therefore, the way of dredging the meridians is definitely different from that of most sects.

Seeing his dazed expression, Ru Xue froze for a moment: "Eldest sister, you must have forgotten, our practice is special. To clear the meridians, you need to put your hands on the dantian part of my lower abdomen..." The

one who spoke At that time, Ruxue's face did not fluctuate at all.

You know, this way of grooming, the actions of the two will be very close, but in Ruxue's heart, the eldest sister is also a woman, and she is also the closest relative, so there is no problem at all.

## Chapter 5233

It's just that Ruxue doesn't know that she is hallucinating in public, and the person in front of her is not like a dream at all, but Yue Feng who makes her grit her teeth.

I go...

Hearing this method, Yue Feng's heart moved, and he hesitated for a moment.

It's like snow treating me as a big sister. Now, I want to help her unblock her meridians... Moreover, it's still this intimate way.

There is a difference between men and women, how can this work?

"Eldest sister!"

Just when Yue Feng was hesitating, Ru Xue, who was sitting cross-legged, trembled faintly, and a layer of cold sweat was covering his forehead, he shouted weakly: "Quick, I'm so uncomfortable. , I can't hold it anymore. Big sister, come and help me."

When she said this, Ru Xue bit her lip tightly, obviously enduring the pain.

call!

Seeing this scene, Yue Feng exhaled and gritted his teeth secretly: "Okay." After speaking, he sat cross-legged in front of Ruxue, and under her guidance, placed his hands on her lower abdomen.

Because there can be no deviations or mistakes, Yue Feng needs to stick his hands tightly against Ruxue's skin, so Ruxue untied her skirt in advance.

Gudong!

At this moment, Yue Feng touched the smooth skin with both hands, and when he felt the touch, his whole mind went blank, and he couldn't help swallowing.

Firming and firming, this feel is absolutely amazing.

For a time, countless thoughts ran through Yue Feng's mind, and he always felt that he was suspected of taking advantage of others.

But on second thought, this Ruxue insisted on breaking in, had hallucinations, and regarded me as her eldest sister, who was to blame? Besides, she is in critical condition now, and I am doing this to help her.

Thinking of this, Yue Feng's complicated mood finally calmed down a lot.

Time passed by minute by minute.

Finally, ten minutes later, under the guidance of Ruxue, Yue Feng successfully helped her to channel her internal strength, and she saw that Ruxue's pale complexion looked much better, and her whole person was in good spirits.

"Okay!"

At this moment, Ruxue was in a good mood, she stood up directly, and smiled at Yue Feng and said, "Thank you, eldest sister." Because she was too happy, she forgot to tie the long skirt and ribbon around her waist, the charming curve, looming in Yue Feng's eyes.

Yue Feng nodded, tried not to look at her, and said, "Okay, let's find other sisters."

Mmm!

Ruxue nodded and followed Yue Feng out of the Stone Pillar Forest.

"Ruxue!"

The moment he walked out of the Stone Pillar Forest, Yue Feng looked around and said in a complicated tone, "Your injury is just right, stay here now, I'll go find other sisters, and then come back to see you."

When he said this, Yue Feng's face was calm, but his heart was a little anxious.

After leaving the Stone Pillar Forest, the magic formation has no effect on Ruxue, and within a few minutes, she will wake up, and then she will know the truth and know that the person who helped her to clear the meridians just now is not like a dream, then it will be troublesome.

"Don't..."

However, Ruxue was very excited, and pulled Yue Feng's arm tightly and said, "Eldest sister, we finally met, it's better not to separate, I'll be with you." The

voice was not loud, but Very firm.

In fact, it's not difficult to understand. Ruxue entered the underground town for a few hours before and never found the other sisters. Now she finally met the eldest sister, and she didn't want to say anything.

Uh....

Seeing Ruxue's attitude, Yue Feng suddenly got into trouble.

I'm not your eldest sister at all, how can I be with you?

I muttered in my heart, looking at Ruxue again, the hallucination seemed to be over soon, Yue Feng didn't have time to think about it, suddenly raised his palm and cut it at the back of Ruxue's neck.

boom!

Yue Feng's shot was very quick, Ruxue couldn't react at all.

"Miss Ruxue." Yue Feng breathed, looked at Ruxue who was in a coma, and said to himself: "I don't mean to offend, I hope you don't take offense, this place is remote, I hope your sister can come over quickly. ."

Having said that, Yue Feng saw that the ribbon of Ruxue's long dress was not properly tied, and without any hesitation, he squatted down and helped Ruxue tie it up.

Although there is no one here, it is as pure as snow and ice, and the long skirt is so scattered, it is really indecent to look at.

Chapter 5234

"Stop!"

"Shameless, don't touch my third sister..."

However, the ribbon had just been tied halfway, and suddenly, a coquettish shout was heard not far away, and he turned his head to look at it. Seeing a few slim figures, they came quickly.

One by one, long skirts were flying, holding long swords in their hands, and they were arrogant.

Just like a few dreams.

What the hell!

Seeing the appearance of Rumeng, Yue Feng suddenly wanted to cry without tears. He quickly stood up and waved his hands to explain: "Don't misunderstand the beauties, I...I just help her to tie her skirt, nothing else. ...."

As he explained, Yue Feng was so anxious.

It's over, Rumeng doesn't appear early or late, but it happens at this time, and I can't wash it out even if I jump into the Yellow River.

At this time, Rumeng had already rushed to the front.

Swish!

Seeing the scene in front of him, whether it was a dream or the four sisters around him, they were all shocked and angry.

I saw that the third sister was lying there like snow, her eyes were closed, she was unconscious, the long dress on her body was messy, and the ribbon around her waist was randomly tied.

Thinking of the scene just now, several sisters subconsciously believed that Yue Feng had forcibly stained Ruxue and was cleaning up the scene at this time.

“You...”

Realizing this, the eldest sister was furious like a dream, pointed her sword at Yue Feng and scolded: “You shameless fellow, kill my junior brother, humiliate my third sister, and don’t slash you with a thousand swords. I swear not to be a human being.” The

voice fell, and the inner power exploded like a dream, and the figure came straight towards Yue Feng like a shock.

“Kill this bastard together.”

At the same time, the remaining four sisters, with their eyes locked on Yue Feng, burst out and quickly surrounded Yue Feng.

“Oops...”

Seeing this situation, Yue Feng couldn’t help laughing and laughing. He shouted and explained, “You guys have misunderstood. I didn’t do anything to her. I was just kindly tying a skirt for her.”

“Everyone, calm down. , if you have something to say, talk about it.”

However, Rumeng was willing to listen, and their eyes flashed with murderous intent, as if they were going to eat Yue Feng.

Faced with this situation, Yue Feng had no choice but to mobilize his internal strength and fight fiercely with Rumeng. Because he didn’t want to hurt anyone, Yue Feng didn’t show his true strength.

But even so, the five sisters like Meng felt an unprecedented pressure.

“Several!”

Under the fierce battle, seeing Rumeng's few tricks and tricks, Yue Feng knew that the explanation was useless, and immediately smiled bitterly: "I still have something to do, so I won't accompany you, we will have a future." The

voice fell . , Yue Feng stimulated his inner strength, and suddenly slapped two palms.

Buzz....

These two palms were played, and the surrounding air seemed to be stagnant, and I saw two golden palm shadows condensed and whizzed towards the five sisters like a dream.

Feeling the terrifying power contained in the palm shadow, Rumeng's expression changed.

Taking advantage of the opportunity, Yue Feng turned around and ran, and in the blink of an eye, he disappeared from the sight of Rumeng.

"Bastard!"

Seeing Yue Feng running away, Rumeng was very annoyed, and at the same time was extremely shocked.

The two palms that Yue Feng hit just now, what kind of exercise is it, the power is really terrifying.

"Let's chase together!"

At this moment, one of the sisters reacted, holding the long sword tightly, and about to chase in the direction where Yue Feng fled, but before she could leave, she was stopped by Rumeng.

"Don't rush to chase." Rumeng breathed out, "Let's see how Ruxue is doing." The

voice fell, and the five sisters landed one after another. They reached Ruxue, helped her up, and then checked her condition.

"Eldest sister, Ruxue's chastity is still there."

"It's great, the third sister has not been defiled..."

"It seems that we came just in time, and Yue Feng has not succeeded yet. If it is one step too late, the consequences will be disastrous. "

...

On the other side, Yue Feng showed his figure and escaped the siege of the five sisters in the dream. He didn't stop all the way, and flew for more than ten minutes. After making sure that no one was chasing behind him, he breathed out. down.

Nima!

When he landed, recalling the scene just now, Yue Feng was dumbfounded.

Originally, because of Xu Wenliang, Liu Jianji and I were like water and fire. Now because of Ruxue, the grievance is getting deeper and deeper, which is really a headache.

Chapter 5235

Sighing with emotion, Yue Feng calmed down and probed forward.

Um?

After walking for a few minutes, Yue Feng stopped abruptly, and vaguely heard loud noises coming from not far ahead.

"Everyone, keep up."

"Without the order of the leader, don't move things around."

"Be careful of traps around you."

Hearing the voice, Yue Feng frowned and followed quietly.

Soon, after turning around a street, I saw a lot of sect masters gathered on the street not far away. The leader was Ren Pingsheng, the head of Lihuo Sect.

Not far from the crowd, there is a majestic hall, divided into three floors, indescribably solemn and solemn, with candles lit inside, but like the buildings we encountered before, it is quiet inside.

This hall is the most central location of the entire underground town.

call!

Seeing this scene, Yue Feng couldn't help muttering secretly, it seems that this group of people has already elected the leader, and it really is the efficiency of unified command. So fast, they found the main hall in the center of the town.

Thinking about it, Yue Feng didn't show up, but hid in the dark.

With these people taking the lead, Yue Feng is naturally happy and leisurely. After he has thought about it, he doesn't need to investigate later, he just needs to quietly follow these people.

Soon, under the command of Ren Pingsheng, everyone explored the surrounding of the hall, and after confirming that there was no abnormality, they rushed in one after another.

As soon as they entered the hall, many people shouted and shouted.

"Anyone in there?"

"Still a little girl? Strange, no one has come in this place for so many years. How could there be a little girl? There must be something strange .

" little girl? Hearing this, Yue Feng's heart was shocked, and Dongfang Yunqing, whom he had seen before, appeared in his mind. Sure enough it was her. Seeing the scene inside, Yue Feng was immediately excited. I saw that the masters of the major sects surrounded the inner three floors and the outer three floors, blocking a delicate figure there. The girl's facial features were exquisite and beautiful, and she couldn't hide her panic at this time. It is Dongfang Yunqing. After being frightened by Yue Feng before, Dongfang Yunqing crushed the divine talisman at the time, and it happened to be passed on to this hall. Just as he was thinking about how to leave, he met Ren Pingsheng and the others. "You..." Being surrounded by everyone at this time, Dongfang Yunqing was very nervous, but he still summoned the courage to ask: "Who are you? Why did you come here?" Oops? After the words fell, many people laughed, and then one of them smiled and asked back: "Who are we? I want to ask you, you little girl, why are you here?" "You and this underground What is the relationship between the town?" For a time, everyone's eyes locked on Dongfang Yunqing, waiting for her answer. "This..." Dongfang Yunqing bit his lip tightly, seemed to hesitate, then gathered up his courage and said, "This is my home, my father built it."

She is too young to know the world, she can say whatever she knows, and she doesn't understand the dangers of rivers and lakes at all.

wow.

As soon as these words came out, the entire hall was in an uproar, and the sect masters present were all astonished and at the same time extremely excited.

"What did she say? This place was built by her father?"

"This is obviously a secret stronghold of the Heavenly Secret Palace. By saying this, she proves that she is the descendant of the Heavenly Secret Palace?"

“Haha... Since it is the descendant of the Heavenly Secret Palace. People, you must know the secret here, we have made a fortune.”

Under the discussion, everyone couldn't help laughing, each one was indescribably excited.

Ren Pingsheng also showed a smile, walked slowly, and said to Dongfang Yunqing: “Little girl, since this is your home, tell me, what treasures are hidden here? For example, secret books, magic weapons and weapons? Yes .”

When asked, Ren Pingsheng was indifferent on the surface, but there was deep urgency in his eyes.

## **The ultimate husband in Chinese chapter 5236-5240**

### Chapter 5236

“I...”

Seeing that Ren Pingsheng's face was kind, not as vicious as the others around him, Dongfang Yunqing calmed down a lot, and shook his head decisively at that time: “I won't tell you.”

Said Then, Dongfang Yunqing looked around and scolded everyone loudly: “The place where you broke into my house is a group of robbers, bad people, you hurry up, otherwise... otherwise I'm welcome.”

Although Dongfang Yunqing was young, he still She's a girl, but she has a strong personality, and she's not too soft when it comes to problems of principle.

In her heart, although this underground town does not see the sun all year round, it is like an underground tomb, but because it was built by her father, it is a home, and when others break into her own home, they will be driven out.

Whoa!

As soon as these words came out, everyone around was stunned, and they were all shocked and angry.

“The little girl dares to scold us?”

“You're young and have a lot of temper. How dare you say we are robbers?”

“I really don't know how high the sky is, and I don't believe that a girl's film can be turned upside down. “

While shouting angrily, everyone was gearing up, discussing how to deal with Dongfang Yunqing, each one of them looked fierce and vicious, and there was no trace of the demeanor of a sect master.

Ren Pingsheng frowned secretly and remained silent.

Mad!

At the same time, Yue Feng, who was hiding on the eaves, also frowned secretly, feeling disgusted by the behavior of this group of people.

These people can be regarded as the most respected figures in the arena, but it is shameless to bully a little girl at this time.

This chapter is provided by . Visit for daily update.

Muttering in her heart, Yue Feng was about to rush down. Although she had nothing to do with Dongfang Yunqing, the scene in front of her was really unbearable.

“Okay!”

However, before Yue Feng could leave, Ren Pingsheng, who had been silent, suddenly shouted, “Everyone, be quiet.” The

voice was not loud, but it was full of majesty.

Seeing Ren Pingsheng speak, everyone suddenly quieted down. After all, Ren Pingsheng was the leader of the alliance just elected, and his words were still somewhat prestige.

“Everyone!” In the

next second, Ren Pingsheng took a deep breath and said very calmly: “She is just a child, so-called childlike words, everyone is a person of status in each sect, so don’t go with a child I care.”

When he said this, Ren Pingsheng’s eyes flickered with complexity.

Ren Pingsheng is still young, but the city is very deep. He knows very well that this underground town is so big that it is difficult to find treasures. Now the only chance is on the little girl in front of him. If he uses tough methods, he is afraid that it will backfire.

After all, Dongfang Yunqing was only twelve or thirteen years old. If she was frightened, it would be difficult to find out where the treasure was hidden from her mouth.

Huh....

Hearing this, everyone around, look at me, I look at you, and then they all stepped aside, no longer threatening Dongfang Yunqing.

Seeing this scene, Yue Feng, who was hiding on the eaves, stared at Ren Pingsheng, and couldn't help frowning secretly.

Is this person the elected leader? Looking young, he is quite authoritative.

However, looking at his appearance, it doesn't look like he really wants to protect Dongfang Yunqing.

"Little girl."

Just when Yue Feng was thinking about it, Ren Pingsheng pulled Dongfang Yunqing aside, showed a gentle smile, and said slowly: "Don't be afraid, we are not bad people."

"I ask you, what do you say about this place? It was built by your father, so who is your father?" The tone was easy-going, like an ordinary chat between the elders and the younger generation.

Dongfang Yunqing didn't understand the sinister nature of people's hearts, let alone Ren Pingsheng's tricks in the dark, and immediately replied: "My father is the palace master of Tianji Palace, Dongfang Yi."

After speaking, Dongfang Yunqing's delicate face did not hide the fact that The pride of living: "My father is very capable and can do anything, so hurry up and leave. When my father comes back, you can't leave if you want to."

In Dongfang Yunqing's heart, he was only in the crystal coffin. She slept in the room for a few days or a few months at most. Her father, Dongfang Yi, was not dead, but he was working outside. She didn't realize that she had slept for nearly a thousand years. Yi had died a long time ago, and the Heavenly Secret Palace no longer existed.

Chapter 5237

Dongfang Yi?

Hearing these words, Ren Pingsheng's expression froze, and his heart was even more shocked.

Isn't this the last palace lord of the Tianji Palace?

As the head of the Lihuo Sect, Ren Pingsheng knew a lot about the anecdotes and anecdotes on the rivers and lakes, especially the rumors of the Tianji Palace. Thousands of years ago, the Tianji Palace, which was at the top of the rivers and lakes,

suddenly collapsed overnight. People know what happened, but it is rumored that the gods sent the gods to destroy the palace of heaven.

At that time, the palace master of Tianji Palace was called Dongfang Yi.

Thinking of this, Ren Pingsheng frowned, and countless questions emerged in his heart.

No, Dongfang Yi is the last Palace Master, and has been destroyed by the Heavenly Secret Palace for nearly a thousand years, and the little girl in front of her is only a teenager, how could she be Dongfang Yi's daughter?

Could it be that... the Heavenly Secret Palace was not completely destroyed back then? This girl has been in this underground town for thousands of years by special means?

But why did she say that Dongfang Yi was still alive?

Could it be... Dongfang Yi is not dead, and is also hiding in this underground town?

Thinking of this, Ren Pingsheng suddenly felt a little nervous in his heart. You must know that there are countless unique skills in the Heavenly Secret Palace, especially the Palace Master of the Heavenly Secret Palace. Now, even if everyone present adds up, I am afraid they are not opponents.

For a while, the more Ren Pingsheng thought about it, the more nervous he became, so he asked Dongfang Yunqing, "Is your father here too?"

" just fine.

"My father is not here."

Dongfang Yunqing was still a child after all, with a simple mind, and his delicate face couldn't hide the melancholy, and replied, "He asked me to wait here, but I haven't seen my father come back until now."

"But I know that he must I will come back to find me." At the

end, Dongfang Yunqing's face showed a hint of determination.

call!

Hearing this, Ren Pingsheng was secretly relieved, and after a long time, her father was not here.

At the same time as his mood was relaxed, Ren Pingsheng also realized something. Dongfang Yi died a thousand years ago, and the little girl in front of him, somehow,

survived in this underground town for nearly a thousand years, and in his heart He still believed that his father was not dead.

Thinking of this, Ren Pingsheng suddenly became excited.

This little girl has been in this underground town for nearly a thousand years, and she still doesn't know that the world has changed dramatically.

Yes, definitely so.

“Hey!”

After confirming his guess, Ren Pingsheng sighed hypocritically, and said to himself: “Palace Dongfang, as expected of a person with great skills, it's just a pity that the Heavenly Secret Palace is doomed...”

See With a look of emotion on his face, Dongfang Yunqing was stunned for a moment, and then he couldn't help but say: “You...you know my father?”

“Of course you do.” Ren Pingsheng nodded earnestly with a gentle look on his face: “Speaking of which, I I have some friendship with Ling Zun.” When he spoke, his eyes flashed treacherous.

Ren Pingsheng is very cunning. He guessed that Dongfang Yunqing did not know that he had been here for thousands of years, so he took the opportunity to fabricate a lie and pretended to be Dongfang Yi's friend.

“Yes?”

Hearing this, Dongfang Yunqing frowned and said suspiciously, “But I have never heard of your father.” Although she was young, as a descendant of the Dongfang family, she was also very alert.

Seeing her disbelief, Ren Pingsheng took a deep breath and said mysteriously, “Little girl, has your Heavenly Secret Palace angered Heavenly Punishment? The God Realm has sent the Heavenly God to deal with you?”

” Be sure.

call!

At this moment, Dongfang Yunqing's delicate body trembled, and looked at Ren Pingsheng in disbelief: “How...how do you know?” Only a few people knew about the God Realm sending the gods to destroy the Heavenly Secret Palace, even some of the Heavenly Secret Palace. His disciples didn't even know about it, how did this person in front of him know?

At this time, Dongfang Yunqing still didn't know that nearly a thousand years had passed since the destruction of the Heavenly Secret Palace, let alone Ren Pingsheng.

Chapter 5238

Hehe...

Seeing her expression, Ren Pingsheng smiled slightly and said slowly: "I said it just now, I have some friendship with Ling Zun, naturally I know this kind of thing."

When he spoke, Ren Pingsheng was very heartbroken of excitement.

Haha... This is really a silly girl, it seems that she guessed right, she still doesn't know that a thousand years have passed.

"Great." Just when Ren Pingsheng was secretly excited, Dongfang Yunqing completely let go of his guard, looked at Ren Pingsheng very excitedly, and asked eagerly, "Then do you know where my father is

?"

Dongfang Yunqing, caring and caring, has no idea that he has fallen into Ren Pingsheng's trap.

Huh ...

Facing Dongfang Yunqing's urgent eyes, Ren Pingsheng did not answer directly, but heaved a sigh of relief, thought for a while, and said slowly, "Where is your father, I don't know now."

"However, you guys Before the accident in Tianji Palace, I met with Ling Zun once, and Ling Zun told me about this place and asked me to take you out."

In order to win Dongfang Yunqing's trust, Ren Pingsheng began to talk nonsense.

Hearing these words, Dongfang Yunqing was even more convinced.

Because the location of this underground town is very hidden, it is impossible for outsiders to find it unless it is from the Tianji Palace. Ren Pingsheng in front of him can find it, which is enough to prove that he is a friend of his father.

The conversation between Ren Pingsheng and Dongfang Yunqing was not very loud, but the surrounding sect masters could hear it clearly.

This...

At this moment, seeing Ren Pingsheng's few words, he stunned Dongfang Yunqing, and everyone was full of admiration.

The leader of the alliance is really powerful. He won the trust of this little girl with just a few words. It's really admirable. You don't need to be tortured to ask questions later. When you get a chance, you can ask where the treasure is hidden.

At the same time, Yue Feng, who was hiding on the eaves, also looked at Ren Pingsheng closely and couldn't help taking a deep breath.

The depth of this man's city is really terrifying. Just a few words won Dongfang Yunqing's trust. If he were to find the treasure hidden here, the consequences would be unimaginable.

Speaking of which, Yue Feng was too lazy to care what kind of person Ren Pingsheng was, and now he was only worried about Dongfang Yunqing's safety.

Thinking in his heart, Yue Feng had the urge to rush down, but after thinking about it, he held back. Now Dongfang Yunqing trusts Ren Pingsheng very much. If it goes on like this, I'm afraid it will be difficult to take her away, so it is better to wait and see. one time.

"Uncle..."

At this moment, Dongfang Yunqing looked at Ren Pingsheng eagerly: "Since it was my father who asked you to come to me, let's get out of here quickly."

Although this underground town was built extremely magnificently, it still has a lot to do with it. There is no sunshine all year round, Dongfang Yunqing is a child again, so naturally he can't wait.

More importantly, she was thinking about her father, so she couldn't wait to go out.

However, how could Ren Pingsheng take her out so easily. Once he goes out, will the lie just now be self-defeating?

Hehe...

At this moment, Ren Pingsheng first smiled, and then pretended to be concerned: "Now outside, many gods from the heavens are still tracking the whereabouts of your members of the Heavenly Secret Palace, it is very dangerous to go out, but Don't worry, I have such a good relationship with Ling Zun, and I will definitely take you out."

After speaking, Ren Pingsheng turned his head: "But before we go out, let's take the things here."

Things?

Dongfang Yunqing was stunned.

Without waiting for her to ask, Ren Pingsheng continued in a serious manner: "It's what your Heavenly Secret Palace left here, when your father brought you in, he must have told you that he hid something here, and he will not tell you about your Heavenly Secret Palace. It's very important, isn't it?"

At this time, Ren Pingsheng was completely relying on guesswork.

You must know that there are countless treasures in the Tianji Palace. Since Dongfang Yi built an underground town here, he will definitely hide something, and he will definitely tell his daughter.

Facts have proved that Ren Pingsheng guessed right.

Um!

Seeing Ren Pingsheng's sincere expression, Dongfang Yunqing nodded: "Father did hide something." Now she is completely blinded by Ren Pingsheng's mask, and she has no idea that she has been fooled.

Chapter 5239

Wow!

Hearing what she said, whether it was Ren Pingsheng or the sect masters around, all of them were extremely excited.

The next second, Ren Pingsheng hurriedly asked, "Where is the thing?" When he spoke, his tone was flat, but his eyes couldn't hide the urgency.

Dongfang Yunqing raised his finger and pointed to a statue standing behind the hall: "At that time, after my father brought me in, he used his own inner strength to fuse the soul of a heavenly secret, and integrated all the strange arts of the heavenly secret palace into it, and then it's sealed in this statue..."

Whew...

before he finished speaking, the masters of various sects around him who could not wait for a long time burst out and rushed towards the statue. The reason why they stayed honest just now was waiting for Dongfang Yunqing to tell the place where the treasure was hidden.

And now, the baby is in the statue, who would stand stupidly?

This...

Seeing this scene, Dongfang Yunqing was stunned.

At the same time, Ren Pingsheng was also furious and shouted: "What are you doing? Stop it for me." He racked his brains, and managed to deceive the treasure's hiding place from this little girl's mouth. Want to grab?

For a while, Ren Pingsheng became more and more angry: "I'm the leader of the alliance, and everything depends on me."

Haha...

As soon as the words fell, many sect masters couldn't help sneering, and then one of them shouted: "Okay. Now, Ren Pingsheng, everyone is here to find the treasure, and the alliance is also for the convenience of investigation, do you really think you are the leader of the martial arts alliance?" The

voice fell, and many people agreed.

"That's right, don't take yourself too seriously."

"The treasure is right in front of you, whoever grabs it will own it."

"Don't talk nonsense with him..."

Everyone taunted, keeping their feet, and in the blink of an eye, they arrived in front of the statue. Hit the god.

"You..."

At this time, Dongfang Yunqing reacted and realized that he had been deceived. At that time, he was extremely embarrassed and glared at Ren Pingsheng: "You...you are a liar, you are not my father's friend at all. "

Speaking, Dongfang Yunqing wanted to rush to stop her, but she was just a child, completely powerless.

Ren Pingsheng's thoughts at this time were also on the statue, and he didn't have time to pay attention to Dongfang Yunqing. At this time, seeing that everyone did not listen to the command, he also urged his figure and rushed towards the statue.

Bang bang bang....

Before reaching the statue, the attacks of the masters of various sects have already hit the statue, and a sound of vibration came, and the statue shattered instantly.

At this moment, everyone was overjoyed and rushed to the stone platform below the statue, ready to snatch the treasure inside.

hum!

However, it was at this moment that a stream of kerosene sprayed out from the broken statue, and then a flash of fire flashed, instantly igniting the kerosene.

Almost in the blink of an eye, within a few dozen meters of the statue, it was instantly enveloped in flames.

“Ah...”

Everyone had no time to react to this sudden change. In an instant, many people were drowned in the fire and let out a scream. In less than ten seconds, dozens of people were burned alive into mummified corpses.

hiss...

Seeing this scene, the sect masters who survived could not help but gasped, and then quickly backed away to avoid the raging fire.

Ren Pingsheng also secretly rejoiced, but fortunately he took a step slower, otherwise, he would have been burned by the fire just now.

Haha...

And Yue Feng, who was hiding on the eaves, showed a smile, and his heart was extremely enjoyable.

These hypocritical hypocrites thought that if they lied to Dongfang Yunqing, they would be able to get the treasure easily, but they never thought that there was an organ hidden in the statue.

Evil is rewarded with evil, and it deserves to be burned to death.

The fire burned for more than ten minutes, and finally went out gradually.

Wow...

that is at this moment, everyone's eyes were attracted by the broken statue, and they were all excited.

I saw that a bead the size of a fist was quietly suspended in the open heart of the statue, with colorful rays of light circulating throughout the body, and everyone present clearly felt that there was a very special inside this bead. Power is amazing.

## Chapter 5240

“The Soul of the Heavenly Secret?”

“This is the Master of the Heavenly Secret Palace, the soul of the Heavenly Secret Palace left behind, which contains all the Qimen exercises of the Heavenly Secret Palace...”

“Baby, baby...”

Look When it came to the beads, everyone present was very excited.

The soul of heaven?

At the same time, Yue Feng was also deeply attracted.

This bead looks similar to the spiritual marrow bead in the ancient tomb of Lu Bu.

Yue Feng clearly remembers that when he entered the ancient tomb of Lu Bu, there was a similar bead in Lu Bu’s crystal coffin. At that time, Zhu Bajie called it a spiritual marrow bead, which was condensed after Lu Bu died. Lu Bu’s stunt during his lifetime was ‘Blood Battle in Eight Directions’.

And the soul of the heavenly secret in front of him also hides the valve stunt of the heavenly secret palace. As long as whoever takes it in his hand and pours his internal energy into it, the Qimen exercises inside will automatically enter his mind.

It can be said that the spiritual marrow bead and the soul of heaven have the same function.

The only difference is that the spiritual marrow bead was condensed from Lu Bu’s body. This heavenly secret soul was completely condensed by Dongfang Yi, the last palace master of the Heavenly Secret Palace, with powerful strength.

But in any case, the soul of the secret is indeed a peerless treasure in this underground town. After all, it contains all the Qimen exercises of the secret palace. Whoever gets it will have the ability to penetrate the sky and the earth.

Phew...

At this time, after everyone was amazed, their eyes were extremely hot, and they were about to rush up again.

card wipe...

However, before everyone could leave, they heard the sound of the opening of the organs coming from the four corners of the hall, and then, they saw several stone statues that were placed there, and they moved.

These stone statues, one by one, were carved into armored warriors with paint on them, which looked the same as the real ones from a distance. At this time, they suddenly moved, which was very strange.

For a time, everyone was shocked.

“What’s the situation?”

“How did these stone statues move?”

Just when everyone was in shock, Dongfang Yunqing, who had already understood, couldn’t help shouting: “You liars, bad people, want to snatch our Heavenly Secret Palace. My baby, it’s just a dream.”

“This is the ‘Mysterious Armor Formation’ that my father specially set up here, you don’t want to break it.”

When saying this, Dongfang Yunqing’s delicate face was full of pride.

Profound armor formation?

Hearing this, everyone had a bad premonition in their hearts, that is, at this time, it was a stone statue in the corner, and it had walked around the broken statue and formed a formation.

You can see that each stone statue holds a wide and sharp giant sword in the hand. The giant sword has a dark luster and is obviously made of special metal.

call!

Seeing this scene, Yue Feng frowned slightly and couldn’t help but admire in his heart.

The palace master of this Heavenly Secret Palace is worthy of being the descendant of the Nine Heavens Fairy. His attainments in the formation of the mechanism have reached a level beyond the reach of ordinary people. It is no wonder that the Heavenly Secret Palace can become a mythical existence on the rivers and lakes of the Ziwei Continent.

Others can’t see these stone statues, but Yue Feng can see at a glance that there are exquisite mechanical springs inside the stone statues. As long as the mechanism is triggered, the mechanical springs operate and drive the stone statues.

When the stone statue moves, it continuously brings power to the machine spring inside... In this way, the stone statue becomes a killing machine that will never rest.

It can be said that if you want to destroy these stone statues, you must destroy the machine springs inside, but these stone statues are all holding extremely sharp giant swords, and their attack and defense are very strong. If you want to destroy the machine springs inside, easier said than done?

“Ma De...”

Just when Yue Feng was thinking about this, a sect master in the crowd below reacted and shouted: “What kind of mysterious armor array, just a few broken stone statues...”  
The

voice fell, The figure erupted and rushed up directly.

Swish...

Several stone statues looked at each other, sensing someone approaching, and immediately waved the giant swords in their hands, intertwined into a sword net, covering the sect master.

“Pfft!” In the

next second, before everyone around him could see what was going on, they saw the master of the sect, who was directly chopped into several pieces in mid-air, without even a single scream.
