

The ultimate husband in Chinese chapter 5251-5260

Chapter 5251

Feeling emotional, Yue Feng touched the tip of his nose and said in a complicated tone: "Little girl, your father is long gone, and your Heavenly Secret Palace was destroyed a thousand years ago..."

Saying that, Yue Feng took out the silk from his body and handed it to Dongfang Yunqing: "This is what your father wrote at the time, and it has been under your sleeping crystal coffin, you can see for yourself."

What?

Hearing this, Dongfang Yunqing's delicate body trembled, and his brain buzzed, thinking that he had heard it wrong.

Father died, and the Heavenly Secret Palace no longer exists?

And, it's been a thousand years since the thing happened?

She is still young and has never experienced any big winds or waves. She just thinks that what Yue Feng said is like a fantasy.

She could tell at a glance that this was silk only available in the Tianji Palace, and because of this material, there was no other place.

In the next second, Dongfang Yunqing tried his best to calm himself down and read the above description carefully. After just a few minutes, the whole person froze completely, like a wood carving.

"Wow..."

Finally, after dozens of seconds, Dongfang Yunqing reacted and squatted on the ground and burst into tears: "Father... Uncles and uncles, why did you leave me..."

I'm the only one left now, what should I do? Father, I miss you so much, I miss you so much..."

Tears fell from Dongfang Yunqing's face like a string of pearls. Desolate and lonely, heartbreaking.

call....

Seeing this situation, Yue Feng didn't feel good in his heart. He wanted to comfort him, but he didn't know where to start. Speaking of which, Yue Feng has experienced a lot of wind and waves, but this is the first time that Dongfang Yunqing has encountered it.

This chapter is provided by . Visit for daily update.

Sleeping for thousands of years, relatives and friends have long since turned into dust. This kind of lonely and desolate mood can only be experienced by the parties involved. What's more, this Dongfang Yunqing is only twelve or thirteen years old.

Forget it, let her cry.

When you cry, you will feel better.

Thinking to himself, Yue Feng no longer thought about comforting, but quietly stood aside.

"Fake..."

After crying for a while, Dongfang Yunqing stood up slowly, with a bit of complexity flashing on his tender and handsome face: "This is all fake, my father is so powerful, how come Maybe he will die? The Heavenly Secret Palace will not be destroyed, I will go out to find my father.."

Because of too much grief, Dongfang Yunqing was a little irrational at this time, shouting to himself, he was about to find an exit and leave.

Silly girl!

Seeing this situation, Yue Feng felt helpless and distressed, and quickly grabbed her: "Calm down, it's a fact that your father and the Heavenly Secret Palace were destroyed. It's written clearly, you can't help but believe it."

"Now On the rivers and lakes outside, the Heavenly Secret Palace has become a thing of the past."

"Also, you have seen the situation just now, so many sects want to catch you, to rob your Heavenly Secret Palace's Qimen exercises, you just run around like this. , what will happen if it falls into their hands?"

Yue Feng's eyes were full of pity when he spoke.

call!

Hearing these words, Dongfang Yunqing slowly calmed down, but the tears could not be stopped again, and he choked: "Father is gone, and the Heavenly Secret Palace is gone, what should I do..."

Yue Feng sighed softly and said softly: "Don't panic, there is me, I will take you to Chunyang Palace, where are there two very good sisters, they will take care of you together." What

Yue Feng said was Jiang Hongyu and Xiaorou.

In the current situation, Dongfang Yunqing can only be brought back to Chunyang Palace. Moreover, Jiang Hongyu and Xiaorou are both kind-hearted and confident that they will be able to take good care of Dongfang Yunqing.

Chunyang Palace? Hearing this, Dongfang Yunqing tilted his head and thought for a while, and couldn't help but ask, "I heard those people call you Pill Pavilion Pavilion Master

just now, are you very good at alchemy?"

It is proud to say: "The alchemy technique of our Tianji Palace is also very powerful."

Haha...

Seeing her innocent look, Yue Feng couldn't help laughing: "It will be a little bit. In your Heavenly Secret Soul, there should be the alchemy technique of your Heavenly Secret Palace. When you reach the Chunyang Palace, you must practice hard, don't live up to your father's expectations, and you must continue the inheritance of your Heavenly Secret Palace. You can rest assured, I It is the Pavilion Master of Pill Pavilion, with me, no one in Chunyang Palace will disturb you."

Chapter 5252

Yue Feng thought about it, returned to Chunyang Palace, and let Dongfang Yunqing live in Dan Pavilion first.

You must know that there are only Yue Feng and Xiaorou in the huge Dan Pavilion. Because there are differences between men and women, and things are not very convenient, and Xiaorou is often bored. If Dongfang Yunqing goes, Xiaorou has company, Must be very happy.

Um!

Seeing the sincerity of Yue Feng's words, Dongfang Yunqing thought for a while, then nodded and said, "Well, I'll go to Chunyang Palace with you."

After saying that, Dongfang Yunqing thought of something, looked up at Yue Feng and asked. Said: "I heard them call you Yue Feng just now. I called you Uncle Yue Feng, or I should call you the pavilion master..."

As a descendant of the Tianji Palace, Dongfang Yunqing knew the etiquette from a very young age.

Yue Feng scratched his head and said with a smile, "You can call it whatever you like."

Hearing this, Dongfang Yunqing pursed his lips and smiled: "Then I'll call you Uncle Yue Feng. It looks kind." Dongfang Yunqing realized that Yue Feng was the real good person in front of him, and he completely let down his guard.

Uh...

Yue Feng was a little embarrassed to hear this title: "Call me brother Yue Feng, uncle, just call me old."

Dongfang Yunqing nodded, and then called out sweetly: "Yue Feng Brother." The smile was like a flower, and the mood was much better than before.

Yue Feng responded, then looked at the surrounding environment, and asked, "Do you know how to get out?"

Speaking of which, with Yue Feng's current strength, it would be great to directly break through the barrier with Dongfang Yunqing, but doing so would only lead to a collapse.

Back then, Dongfang Yunqing's father spent a lot of effort to build this place. It would be a pity if it collapsed and destroyed.

More importantly, forcibly breaking through the enchantment is very moving, and it is difficult to guarantee that Ren Pingsheng will not be attracted by that time. So after thinking about it, Yue Feng decided to find an exit.

And Dongfang Yunqing is the only descendant of Tianji Palace, so he must know where the exit is.

"Let me think about it."

At this moment, Dongfang Yunqing tilted his head to think for a while, and said slowly: "When the couple brought me in, they walked through the southeast entrance, but after entering, they gave the Qianjin Gate to the gate. It 's down."

"My father said that the Qianjin Gate can stop thousands of horses... But if the Qianjin Gate was put down, the entrance would definitely not be able to get out. But my father said at the time that there was an exit in the northwest."

Northwest...

Hearing this, Yue Feng did not hesitate at all, and immediately rushed towards the northwest with Dongfang Yunqing.

Along the way, the two of Yue Feng did not walk on the main street, but tried to take a hidden path to avoid being discovered by the masters of the major sects. Speaking of which, Yue Feng was not afraid of the major sects, but just didn't want to waste time.

Half an hour later, under the guidance of Dongfang Yunqing, Yue Feng took her to a courtyard in the northwest.

I saw that the houses in the yard were very short and very dense. In less than 1,000 square meters, there were hundreds of houses densely packed. The streets between the houses were very narrow and could only accommodate one person. go through.

Also, the door to the house was blocked.

Obviously, this yard is not used for rest at all.

It seems to be a virtual maze.

Seeing this scene, Yue Feng couldn't help but take a deep breath and muttered in his heart. His attainment in the formation technique had already reached a peak of excellence. At this time, just by looking at it, he recognized that the arrangement of these low-rise buildings in front of him was very similar to the Void Confusion Array in the Promise Array.

Although there are some subtle but different, but it can not help Yue Feng.

"I remember..."

Just when Yue Feng was muttering secretly, Dongfang Yunqing looked at the courtyard in front of him, Xiumei frowned, and said, "There is a formation here, I just forgot..."

" This formation was taught to me by my father at the time, let me think about it..."

Said, Dongfang Yunqing stretched out his finger and began to recite the formula, pondering the method of breaking the formation: "The universe is reversed, the five elements complement each other..."

However, Before she could finish reading, Yue Feng smiled slightly and shouted, "Come with me." After

saying that, he walked in directly.

Chapter 5253

This....

Seeing Yue Feng directly breaking into the yard, Dongfang Yunqing was taken aback and hurriedly shouted: "Brother Yue Feng, come out quickly, this formation is very dangerous, I don't know how to break the formation. If Fa rushes in, you will lose yourself..."

Dongfang Yunqing was very anxious when he shouted.

In her heart, although Yue Feng is strong and can concoct alchemy, it is impossible to break the formation in front of her.

As for the Profound Armor Formation in the previous hall, it was those sect masters who tried many times before Yue Feng took advantage of it, or even made a mistake.

Huh ...

Feeling Dongfang Yunqing's anxiety, Yue Feng showed a smile and turned back: "Don't be afraid, I know how to break through the formation, you just follow."

At this time, Yue Feng was full of confidence.

Not even the magic circle of God's Domain could trap Yue Feng, let alone a small illusion in front of him.

Seeing him say this, Dongfang Yunqing was even more anxious and had to persuade him again, but when he saw the location of Yue Feng's station, he was shocked and the whole person was stunned.

Because the location of Yue Feng is the same as what Dongfang Yunqing had just guessed, it is the route of Shengmen.

He really understands the formation...

"Come on!"

Seeing her dazed, Yue Feng couldn't help urging: "Don't be dazed." Xiaorou must have died of anxiety without news for so long.

Um!

Dongfang Yunqing came to his senses, responded, and walked in quickly.

After reaching Yue Feng, Dongfang Yunqing bit her lip and couldn't help her curiosity: "Brother Yue Feng, do you know the formation method?" In her memory, only her father was omnipotent.

Yue Feng smiled: "Of course, otherwise, in the previous hall, how could I easily break the Profound Armor Formation?"

"Oh..." Dongfang Yunqing nodded thoughtfully: "I was I thought you made a mistake by mistake, but I didn't expect that you are not only strong, but also know so much."

"I also know a lot of formations, and when we arrive at Chunyang Palace, we can communicate..."

She was naive . Brilliant character, at this time there is no more sadness in my heart, I can say whatever comes to my mind.

Haha...

Seeing her serious look, Yue Feng couldn't help laughing. He couldn't see that this little girl was quite interesting.

Thinking to himself, Yue Feng nodded and said: "Okay, wait until Chunyang Palace, let me see how powerful you are in the formation technique." The

two slowly walked through the courtyard while talking.

Ten minutes later, at the end of the courtyard, I saw a stone gate on the stone wall in front of it, and a huge heavenly secret lock was hung on the stone gate.

I have to say that Dongfang Yunqing's father was really meticulous at the time, and several insurances were set up at the exit here.

However, a mere secret lock can't beat Yue Feng.

Click!

After more than ten seconds, Yue Feng opened the Tianji lock, pushed the stone door open a crack, and greeted Dongfang Yunqing and walked in.

"Wow..."

At this moment, Dongfang Yunqing was amazed again. Looking at Yue Feng's eyes, it was even more shining: "Brother Yue Feng, you are so amazing, the secret lock will open."

No wonder Dongfang Yunqing was surprised, you know The Heavenly Secret Lock was invented by the Heavenly Secret Palace. It is ingenious and cumbersome, and it is impossible for outsiders to break it. At that time, Dongfang Yunqing also spent three months to thoroughly study the Heavenly Secret Lock.

Hearing the praise, Yue Feng smiled and chatted with her while walking forward.

Behind the stone gate is a dark and meandering road. The two of them walked and chatted, and soon they saw the light coming in from the front, and at the same time, there was a continuous sound of rushing water.

When he got to the front, Yue Feng discovered that this hidden exit was on a platform halfway up the mountain. A waterfall flew down from the top of the cliff. The water curtain completely covered the exit and was very concealed. Hard to find.

Whoosh!

At this moment, Yue Feng took Dongfang Yunqing, quickly flew over the waterfall, and landed on the other side's grass.

After landing, Yue Feng looked back at the waterfall, and secretly admired it.

This Dongfang Yunqing's father is really a genius. He even kept the exit so secretly. It's no wonder that after so many years, people in Jianghu have never discovered this underground town.

Chapter 5254

"It's finally out!"

Just when Yue Feng was sighing inwardly, Dongfang Yunqing stretched and felt very happy: "The air outside is so fresh."

After speaking, Dongfang Yunqing looked back. At the exit hidden behind the waterfall, the eye circles were faintly red, and a sadness surged out from the bottom of my heart.

Although the underground town inside was dark and dark, and she had been sleeping for a thousand years, but it was also built by her father, and she felt a little reluctant to leave suddenly.

Ugh!

Seeing Dongfang Yunqing like this, Yue Feng sighed in his heart, and then patted her on the shoulder: "I'll take you back when there is a chance in the future, let's go."

Dongfang Yunqing replied, and glanced reluctantly again. , ready to leave with Yue Feng.

“Wait!”

However, at this moment, a faint voice suddenly came from the woods beside him. The tone was indifferent, but it gave people an aura that could not be refuted.

Hearing the sound suddenly, Yue Feng and Dongfang Yunqing were both stunned.

The next second, the two of them turned their heads to look at the same time, and they saw a man standing quietly above the treetops, dressed in a wide black robe, wearing a hat, a pair of eyes under the hat, twinkling in the night. light.

It seems unremarkable, but it gives a strong sense of oppression.

What’s more, there was a huge black long sword hanging on this person’s back. The hilt was wrapped with hemp rope. The sword blades on both sides were not edged, and were covered with dense imprints.

This big sword seems to have been picked up from a rubbish pile, but when it is hung on this person, it has a kind of power that opens up the world, which should not be underestimated.

For a while, seeing this person, Yue Feng and Dongfang Yunqing both frowned secretly.

call!

A few seconds later, Yue Feng reacted and said to the mysterious man, “Did you talk to us just now?” As he spoke, he looked at the mysterious man.

Yue Feng clearly sensed that this man’s strength is very strong, as long as he is several realms higher than the Palace Master of Chunyang Palace.

It’s just... I’ve never heard of such a character on the rivers and lakes before.

“Of course!”

Hearing the question, the corners of the mysterious man’s mouth twitched, and he smiled: “It’s just the three of us here, and I’ll talk to you of course.” His

tone was indifferent, but he couldn’t hide the arrogance in his heart.

Yue Feng was stunned for a moment, then smiled: “We don’t seem to know each other, don’t we?”

“It doesn’t matter if we don’t know.” The mysterious man waved his hand and said casually: “These are not important, I just ask you, this girl, did you bring it out from below?”

When he said this, the mysterious man glanced at the direction of the waterfall.

Yue Feng frowned secretly: “So what? Could it be that you are here for the treasure?” He could see that this mysterious man was waiting here on purpose, no need to guess, the purpose should be the same as those of the previous sect masters. Looting treasures from underground towns.

Hehe...

When the voice fell, the mysterious man chuckled and couldn’t hide his contempt: “Don’t confuse me with those so-called famous people, those people, dressed as gentlemen, are doing things like stealing chickens and dogs. “

Just relying on them, are they worthy of the Heavenly Secret Palace’s Qimen Cultivation Technique? It’s ridiculous.”

Hearing this, Yue Feng nodded in agreement: “Since this is the case, you should go down and deal with the hypocrites, Why stop us?”

The mysterious man snorted coldly: “A bunch of stinky fish and rotten shrimps are not qualified to let me take action.”

After saying that, the mysterious man looked at Yue Feng with a burning gaze: “It’s you who actually have the ability to deceive the descendants of the Tianji Palace. , you kid has some skills.”

It seemed like a compliment, but with a bit of ridicule.

Yue Feng was too lazy to talk nonsense: “What the hell are you doing?”

“Boy.”

Seeing Yue Feng’s reaction, the mysterious man stopped beating around the bush and said coldly, “Leave the girl beside you and get out.”

“Why? ?” Yue Feng said lightly.

Why?

The mysterious man’s face was solemn, and he said in a serious manner: “Everyone who enters below has only one purpose. If you want to get the Qimen exercises of the Tianji Palace, you are no exception!”

“Boy, I don’t care what method you use, To deceive this girl’s trust, in short, get out of here.”

Chapter 5255 The

last sentence fell, the mysterious man was filled with a powerful aura, and the whole world was filled with a chilling aura.

Um?

Hearing this, Yue Feng was secretly curious.

Every word this person says is maintaining the Heavenly Secret Palace. Could it be that... he is also a descendant of the Heavenly Secret Palace?

Thinking of this, Yue Feng took a step forward and asked, “Who are you?”

Hehe...

Hearing the question, the mysterious man jumped gently, like a fallen leaf falling on the ground, his eyes concealed the coldness and arrogance: ” Have you heard of ‘Eternal Cloud Sky, Lingkong Sword’?”

When he said this, the mysterious man was filled with a powerful aura.

If there are other sect masters present at this time, they will definitely be shocked, because the eight characters of ‘Eternal Clouds, Lingkong Yijian’, twenty years ago, were synonymous with Sword Saint Baili Cexuan, and even more so on the rivers and lakes. a myth.

Twenty years ago, Baili Cexuan was born in the sky. With a great sword without a front, he was invincible in battles all over the world. According to legend, the heads of the three major sects at that time joined forces and could not take his three swords. In the end, Jianghu was honored as a juggernaut, and praised his swordsmanship with ‘Eternal Clouds, One Sword in the Sky’.

In those 20 years, Baili Cexuan was everywhere, and no one dared to meet his edge. Later, because he had no rivals, Baili Cexuan went into seclusion and no longer easily set foot in the arena.

However, although Baili Cexuan is not in the arena, the legend of the Sword Saint is still circulating in the arena.

The mysterious man who stopped Yue Feng at this time was the Sword Saint Baili Cexuan.

Baili Cexuan, as a well-known swordsman in Jianghu, has never paid attention to the major sects in Jianghu, with the exception of Tianji Palace. The exercises are the best in the arena.

It's a pity that the Tianji Palace has already been destroyed, which makes Baili Cexuan very regretful, and often regrets that he was not born in the era of Tianji Palace.

During the day, Baili Cexuan was meditating on the mountain not far from the waterfall, and suddenly it collapsed violently. At that time, Baili Cexuan rushed over to check.

Seeing the energy vortex, Baili Cexuan guessed at the time that it must be the secret stronghold of Tianji Palace, because only a sect like Tianji Palace has such strength. Because of his own identity, Baili Cexuan did not enter.

After that, the major sects rushed over and couldn't wait to enter in search of treasures. Seeing this scene at that time, Baili Cexuan felt even more disgusted in his heart. Afterwards, Baili Cexuan carefully explored the area for more than ten miles, and finally found the exit hidden behind the waterfall.

Not long after finding the exit, Yue Feng came out with Dongfang Yunqing.

In Baili Cexuan's eyes, Yue Feng, like those sect masters, was an insatiable villain, so he stopped him.

Eternal sky, a sword in the sky?

Hearing this at this time, Yue Feng and Dongfang Yunqing looked at each other, and they were a little puzzled by each other.

Is this man bragging about himself? Such a big breath?

Yue Feng and Dongfang Yunqing, one does not belong to this world, and the other has been sleeping in an underground town for thousands of years. They don't know what happened 20 years ago in Ziwei Continent, and naturally they don't know about Sword Saint Baili Cexuan.

In this case, hearing these eight words, naturally, there is no reaction at all.

Um?

Seeing Yue Feng's reaction, Baili Cexuan frowned and said displeasedly, "Boy, you don't know me?" He is a famous swordsman in all corners of the world, and this kid is not surprised at all.

Yue Feng couldn't help laughing, looked into Baili Cexuan's eyes and said, "It's really interesting, why should I know you?"

Hearing this, Baili Cexuan was very unhappy.

I am a dignified swordsman, if others saw it, I would be scared to the ground, and this kid in front of him, not only did not respond, but also dared to contradict, he really did not know whether to live or die.

However, Baili Cexuan maintained his identity and did not attack on the spot, but waved his hand impatiently: "Good boy, I don't want to talk nonsense with you, you leave this girl and get out of here."

In Baili Cexuan's heart, Yue Feng must have controlled Dongfang Yunqing. He has always admired the Heavenly Secret Palace back then. In any case, he would never allow the descendants of the Heavenly Secret Palace to fall into the hands of villains.

The ultimate husband in Chinese chapter 5256-5260

Chapter 5256

Interesting!

Feeling Baili Cexuan's arrogance, Yue Feng couldn't help laughing, and looked at him with interest: "What if I don't get out?" After all, Yue Feng has been walking around the world for so many years, and this is the first time he has met him. Such an arrogant person.

But it is no wonder that this person is very powerful, and he is considered a peak-level existence in the rivers and lakes of the entire Ziwei Continent.

Seeing that Yue Feng was too soft and hard to eat, Baili Cexuan was completely fired up, he pulled up the giant sword on his back and waved it casually.

boom!

An invisible sword energy burst out, and then a huge boulder not far away was directly smashed into slag. The power of a sword is so terrifying.

Seeing this scene, Yue Feng frowned secretly.

This person's accomplishments in swordsmanship are indeed extraordinary. Compared with the master's realm back then, he seems to be much stronger. At this moment, Yue Feng couldn't help thinking of Nangong Jue.

Nangong Jue, a sword demon who has been famous for decades in the Kyushu Dongao Continent, has practiced the Heavenly Gang Sword Art, which is so fierce that it makes the entire Dongao Continent terrified. By chance, Yue Feng worshipped

Nangong. Absolutely a teacher, the strength of practicing Tiangang Sword Art has greatly increased.

It's a pity that Nangong Jue died at the hands of the national master of Tianqi Continent. In order to avenge his master, Yue Feng was furious and rushed into the palace alone.

In Yue Feng's cognition, only Nangong Jue's attainment in swordsmanship is the highest, but when he saw Baili Cexuan at this time, he knew that there is a sky outside the sky, and there are people outside of people.

With a single swipe, such a powerful sword energy can explode, smashing the boulders into pieces, even if it is Nangong Jue at his peak, it is difficult to do so.

Speaking of which, if Yue Feng had just set foot in the rivers and lakes, he would definitely be nervous when he saw Baili Cexuan in front of him, but at this time he was not panic at all.

No matter how high the swordsmanship is, it is only the strongest in the world, and Yue Feng, as the teacher of the Emperor of Heaven, will naturally not take it seriously.

“Boy!”

This chapter is provided by . Visit for daily update.

Just when Yue Feng fell into memory, Baili Cexuan looked at him coldly: “This sword of mine has not been stained with blood for more than 20 years, if you don't know the current affairs, I don't mind. Make an exception.”

His tone was cold and arrogant, showing a domineering air of contempt for all beings.

In Baili Cexuan's eyes, Yue Feng was just like those greedy sects, despicable and shameless. He just said a few words to him, which was already enough face.

Yue Feng smiled and was about to answer, but at this moment, Dongfang Yunqing, who had been silent, suddenly blocked in front of Yue Feng.

The next second, Dongfang Yunqing summoned his courage and shouted at Baili Cexuan: “Why are you stopping us, you weirdo? Now you have to kill brother Yue Feng.”

“With me here, you are not allowed to mess around. .” The

voice was soft and crisp, revealing a bit of immaturity, but there was no doubt about it.

Before in the underground town, Yue Feng risked his life to rescue Dongfang Yunqing, which moved her very much. The purpose of the Tianji Palace was to seek vengeance

and repayment for all kindness, so when she saw that Baili Cexuan wanted to punish Yue Feng, the wind was unfavorable, and Dongfang Yunqing couldn't help it.

This silly girl!

Seeing Dongfang Yunqing's actions, Yue Feng was both moved and amused.

The opponent's swordsmanship is outstanding, you are only a twelve or three-year-old little girl, how can you stop it?

Um?

At the same time, Baili Cexuan was also stunned, holding the hat on his head, and said with complicated eyes: "Girl, I have no ill intentions, I am here to save you."

"Tell me, did this kid use some method to control you? Tell me, I will decide for you." When he said this, Baili Cexuan's face was full of sincerity.

Deep in his heart, he highly respected the Heavenly Secret Palace and believed that Dongfang Yunqing was controlled by Yue Feng, so he made up his mind to take Dongfang Yunqing away no matter what.

"No..."

Dongfang Yunqing shook his head: "He didn't control me, he brought me out from below, he is a good person."

However, the more Dongfang Yunqing said so, the more Baili Cexuan didn't believe it. , You must know that there are many evil exercises to control the mind in the rivers and lakes, and Dongfang Yunqing is so small, it is easy to be recruited.

Thinking of this, Baili Cexuan ignored Dongfang Yunqing and looked at Yue Feng with burning eyes: "You don't get out of the way, do you really want to die?"

Chapter 5257

Being despised one after another, Yue Feng was not angry at all, but said with a smile: "I heard what you said just now, your swordsmanship is very good."

Baili Cexuan was stunned for a moment, and then he couldn't help it. He

sneered : "Boy, you have just set foot in the arena. If you knew the meaning of the eight words just now, you would not dare to talk to me like this." No one can match the sword. No matter where they go, everyone in the local rivers and lakes will be frightened when they hear the name of Juggernaut, even the heads of the sects.

And this kid in front of him doesn't even know the name of the Juggernaut, so he must have just set foot in the arena.

Baili Cexuan was even more dismissive of this kind of person.

Hehe...

Hearing this, Yue Feng smiled lightly, then walked to the edge of the woods, looked around, and finally picked up a wooden stick the thickness of a finger, picked it up and waved it a few times, then directed at Bai Rice Xuan said: "Since your swordsmanship is so strong, then I will experience it."

Since rebirth through the red lotus of the law, Yue Feng has a new understanding of the exercises he practiced before, especially the one taught by Nangong Jue' The Heavenly Gang Sword Art was completely improved by Yue Feng.

It was just that after improving the Tiangang Sword Art, Yue Feng never had a chance to find someone to try it out. When he met this Baili Cexuan today, he would naturally not miss this opportunity.

What?

Seeing that Yue Feng was holding a wooden stick and was about to challenge his swordsmanship, Baili Cexuan was stunned and looked at Yue Feng, speechless.

Is this kid a newborn calf who is not afraid of tigers, or is he deliberately courting death?

A few seconds later, Baili Cexuan reacted and couldn't help laughing up to the sky: "Haha...Interesting, really interesting, boy, I've been out for decades, and you were the first to challenge me, kind, very interesting. kind of."

Yue Feng was too lazy to talk nonsense. He held a wooden stick in his right hand, pointed at the sky, and said lightly: "Don't waste your words, you can shoot.

"Improvement, but this starting style has been retained, just to cherish the memory of Master Nangong Jue, who is no longer there.

call!

Seeing Yue Feng's serious face, Baili Cexuan took a deep breath: "Okay, since you are courting death, then I will fulfill you." Speaking of which, Baili Cexuan held his own identity and did not intend to kill Yue Feng. Just scare him away.

But he never imagined that the other party was a stunned young man. Since the other party is courting death, it will not waste time.

Om....

The last word fell, Baili Cexuan clenched the giant sword with one hand, and it suddenly lifted up. In an instant, a fierce sword energy suddenly condensed, like lightning, and went straight to Yue Feng. beheaded.

“Brother Yue Feng...”

Seeing this scene, Dongfang Yunqing couldn't tell the worry, and exclaimed at that time: “Be careful...”

Yue Feng smiled and comforted: “It's okay.”

Said When he got up, Baili Cexuan's sword qi burst out, if it were other people, he would have been frightened and lost his soul, but Yue Feng was not panic at all, standing there, like a person with nothing to do.

Hehe...

Seeing that Yue Feng didn't dodge, Baili Cexuan raised a trace of contempt at the corner of his mouth. This kid is really stunned, he doesn't even know how to dodge, but it's not a loss for you to die in my hands. .

Chi....

Seeing that sword qi, Yue Feng was about to be cut into two sections, that is, at this critical moment, Yue Feng held a wooden stick and drew an arc in front of him, followed by an invisible sword gas condensed out.

In the next second, the two swords collided, and a dull vibration broke out. Then, Baili Cexuan's sword qi vanished into thin air, while the sword qi condensed by Yue Feng was still powerful and carried a fierce momentum. Continue towards Baili Cexuan.

What...

Seeing the burst of sword energy, Baili Cexuan turned pale in shock. Not only did he think too much, he quickly put the giant sword in front of him.

Boom...

The sword energy slammed on the giant sword, and with a roar, I saw the figure of Baili Cexuan, and was directly knocked back ten steps.

Chapter 5258

After stabilizing his figure, Baili Cexuan's face turned blue and white, and he stared at Yue Feng, his eyes filled with incredible.

This...it's impossible.

This kid is still young, and his attainment in swordsmanship is so high?

You must know that with that sword qi just now, Baili Cexuan exploded 50% of his internal strength, but was easily defeated by Yue Feng's sword qi.

What made him even more unacceptable was that what Yue Feng used was just a wooden stick.

The dignified swordsman was actually forced to retreat with a wooden stick. If this matter spreads to the rivers and lakes, what will be the face?

"Wow..."

Just when Baili Cexuan was furious, Dongfang Yunqing, who was standing by the side, couldn't help but clapped his hands and cheered at Yue Feng: "Brother Yue Feng, it turns out that your swordsmanship is so powerful, can you teach me in the future?"

Dongfang Yunqing is only twelve or thirteen years old, so he doesn't know that, in the world, many people regard their own stunts as a taboo.

In particular, some efforts to press the bottom of the box are more important than life.

But Yue Feng has a broad personality, so naturally he won't bother with Dongfang Yunqing. At that time, he nodded with a smile: "Okay, if you want to learn, I will teach you in the future."

"Good boy!"

Listening to the conversation between the two, Bai Li Cexuan reacted, and the anger in his eyes could not be concealed: "I really missed it just now. It turns out that you are hiding it. Then I have to learn it." The

voice fell, and Baili Cexuan clenched the giant sword in both hands . , the internal force exploded.

Rumbling...

A terrifying sword intent filled the sky and the earth, and all of a sudden, the wind was surging, and the sky was thundering.

In the next second, Baili Cexuan jumped up and flew to a height of 100 meters. The giant sword cut through the sky and crashed down toward Yue Feng. Wherever the figure passed, the spiritual energy of heaven and earth in the air was directly evacuated.

The whole world was filled with Baili Cexuan's terrifying killing intent.

Yes, this is the strongest move in Baili Cexuan's 'Nine Heaven Sword Art', a volley sword.

This...

is this the true strength of this man? So terrifying...

Seeing this scene, Dongfang Yunqing opened his mouth wide, and endless fear and unease emerged in his heart. You must know that she was born in the Heavenly Secret Palace, and she has learned a lot of swordsmanship and swordsmanship since she was a child, especially the swordsmanship of the Heavenly Secret Palace, which is even more unique.

She was already surprised when she saw that Yue Feng had defeated Baili Cexuan's sword qi just now. She only felt that Yue Feng's comprehension of swordsmanship was no weaker than that of Tianji Palace.

At this time, seeing Baili Cexuan's real killing move, Dongfang Yunqing realized that this person's strength is far more terrifying than he imagined.

interesting.

Looking at Baili Cexuan who fell from the sky, Yue Feng put away his smile, his eyes flashed with a bit of solemnity, and said to himself: "With a sword in the sky, there really is something.

" matter.

Under the emotion, Yue Feng was still calm, standing there, calm and relaxed.

Chi Chi... Baili Cexuan's

speed is getting faster and faster. When he was less than 100 meters away from Yue Feng, he saw a flame suddenly ignited in the air above Yue Feng's head. This flame is Baili Cexuan. The extremely strong sword intent rubbed in the air to form a fire.

At the same time, the vegetation around Yue Feng was crushed into powder by the terrifying sword energy.

Seeing this scene, the corner of Baili Cexuan's mouth twitched into a smile. No one in the entire Jianghu could stop the sword qi that erupted from this volley sword. Strong, there is no possibility of dodging, only obediently leading to death.

Twenty years ago, there was a strong man who called himself 'Shijian Old Man'. He boasted that he was unmatched in swordsmanship. As a result, he also died on Baili Cexuan's 'Lingkong Yijian'.

At that time, when Baili Cexuan used his volley sword, the old man Shijian was also immobilized, and he had no time to dodge.

"What a strong sword qi coercion."

As Baili Cexuan got closer and closer, Yue Feng couldn't help but take a deep breath and secretly praised: "No wonder it can be called a sword saint, such a strong sword qi, I'm afraid it is Master is still alive, I guess it can't be stopped."

After speaking, Yue Fengyu turned around and showed a smile: "But it's a pity, you met me today."

Chapter 5259

"Boy!"

At this time, Baili Cexuan's speed was getting faster and faster, from a distance he looked as dazzling as a meteor, his tone was extremely proud: "You have no regrets if you can die under my stunt. ."

In his eyes, Yue Feng was unavoidable and would definitely die.

Hearing this, Yue Feng smiled and did not respond.

"Brother Yue Feng..."

Seeing this situation, Dongfang Yunqing was about to cry, and he was about to rush up after shouting. However, under the control of the terrifying sword pressure, his legs seemed to be filled with lead, and he simply walked away. Do not move.

Boom...

The next second, Baili Cexuan, carrying a terrifying sword intent, slammed down, and in an instant, he saw the location of Yue Feng, and the dust was billowing.

Above the dusty smoke, Baili Cexuan stood in the air, hanging the giant sword on his back, his expression full of indifference.

This kid has a unique understanding of swordsmanship, and is considered a talent. It's a pity to die like this, but then again, who told you to provoke me? Besides, I have already given you a few chances just now.

This...

At this moment, Dongfang Yunqing stood there, staring blankly at the dust and smoke in front of her eyes, her mind buzzing, she had been sleeping in the underground town for a thousand years, and was finally rescued by Yue Feng, she felt in her heart. He has been regarded as the closest person. And, it has been agreed that he will return to the Chunyang Palace with him.

It's just that he never expected that Yue Feng would die unexpectedly before returning to Chunyang Palace.

Wow..

The more Dongfang Yunqing thought about it, the more grief he became, and finally he couldn't help crying: "Brother Yue Feng, you don't want to die, you are dead, what should I do?"

Crying, Dongfang Yunqing sat on the ground, looking pitiful.

Um?

Seeing Dongfang Yunqing crying so sad, it didn't seem like he was pretending, Baili Cexuan couldn't help frowning secretly.

Could it be... I really misunderstood that kid? He didn't control this girl, but really rescued her from below? Moreover, there is no Qimen exercises that coveted the Heavenly Secret Palace?

If this is the case, you will kill a good person by mistake...

"Silly girl, I promised to take you back to Chunyang Palace, how could it be so easy to die?"

Just as Baili Cexuan muttered secretly, Suddenly, a faint voice sounded from behind him.

Swish!

Hearing the sound suddenly, Baili Cexuan was shocked, and quickly turned around to see Yue Feng floating a few meters behind him with a smile on his face, his expression as usual, and there was no scar on his body.

Obviously, the strongest move just now, 'Sword in the Sky', did not cause any damage to him.

This...it's impossible.

Under extreme shock, Baili Cexuan only felt his brain buzzing and almost fell from the air, his mind was in a mess.

He clearly had no chance to dodge just now, and he would definitely die. How could there be nothing at all?

"Brother Yue Feng..."

At this moment, Dongfang Yunqing regained his senses, quickly wiped away the tears from the corners of his eyes, and shouted with joy, "You're fine, great..."

Yue Feng rushed to her He nodded, and then turned his attention to Baili Cexuan.

"Juggernaut, right?"

The next second, Yue Feng touched his nose and looked at Baili Cexuan with a half-smile: "Your swordsmanship is indeed superb, but you are still a little worse than me."

Hearing this, Baili Cexuan frowned: "What do you mean?"

Yue Feng smiled without saying a word, and slowly raised his hand.

Whoosh!

Seeing Yue Feng's action, Baili Cexuan immediately realized that it was not good. He glanced back at that time and saw that the wooden stick that was in Yue Feng's hand at the beginning was now floating in his back.

Although it was a wooden stick, Baili Cexuan could clearly sense that it contained an extremely fierce sword energy. As long as Yue Feng's thoughts move, this mere stick of wood can pierce his heart.

He...he can actually use his qi to control the sword? Moreover, this sword is not a real sword, just a wooden stick...

At this moment, Baili Cexuan was completely stunned. Looking at Yue Feng's eyes, he completely lost his previous arrogance, but was extremely horrified and peaceful admiration.

"You lost." Yue Feng said with a smile.

call!

Baili Cexuan took a deep breath and nodded in embarrassment: “Your Excellency is really good at swordsmanship, I’m ashamed of myself.”

Chapter 5260

Hmm!

Seeing him admit defeat, Yue Feng smiled, landed slowly, and beckoned at Dongfang Yunqing: “Let’s go.”

Dongfang Yunqing replied, walked over quickly, and was about to leave with Yue Feng.

“Wait.”

However, at this time, Baili Cexuan quickly chased after him and asked respectfully at Yue Feng, “This little brother... oh no, what kind of swordsmanship did your Excellency perform just now?”

Yue Feng stopped . He stepped down and looked back at him: “Tiangang Sword Art.”

Tiangang Sword Art...

Hearing this, Baili Cexuan recited it a few times in his heart, and immediately knelt down to Yue Feng: “This sword The tactic is unfathomable, it can be called the best swordsmanship in the world, I beg your Excellency to accept me as a disciple and teach me this swordsmanship.”

When he said this, Baili Cexuan’s eyes were full of urgency.

He is notorious for being a swordsman. In order to understand Lingkong Yijian, he retreated in a cave for five years. He did not leave the cave for five years, and finally became a famous swordsman. At this time, he saw Yue Feng’s swordsmanship immediately became fascinated. As long as he could learn this swordsmanship, he didn’t care about his dignity and identity at all.

If there are other people around, you will definitely be shocked. You must know that Baili Cexuan is a famous swordsman in the arena. The eight words ‘Eternal Sky, Lingkong Yijian’ have been circulated in the rivers and lakes for more than 20 years. year.

And now, the dignified swordsman kneels down to worship his teacher and wants to learn swordsmanship from a young man. This scene is simply too shocking.

Uh... Seeing this situation, Yue Feng was very embarrassed and scratched his

head: "I don't accept apprentices."

"Your Excellency!"

At this moment, Baili Cexuan was in a hurry, kneeling there with a face full of determination: "I have always regarded the sword as my life, if I can't learn your Excellency's profound swordsmanship, I will not rest my mind, you If I don't agree, I'll kneel here until I die." What the hell

!

Is this guy so persistent?

Seeing this situation, Yue Feng didn't know whether to laugh or cry. He quickly waved his hand and said, "You get up first, I really don't accept apprentices. But if you really want to learn, I can teach you."

Yue Feng could see that Baili policy Xuan is really obsessed with swordsmanship, and from what happened just now, he also knows that this person is full of justice and is not a treacherous person.

Since he is so persistent, it is okay to hand over the Heavenly Gang Sword Art to him, and it can be regarded as helping the master to pass on this set of resolutely.

"Really?"

Seeing Yue Feng say this, Baili Cexuan jumped up, happy like a child, and shouted with a big laugh, "Thank you, Master."

In his heart, Yue Feng promised to teach the sword art, and it was himself. 's master.

Yue Feng shook his head: "Don't call me Master, you are older than me, how can I bear it?"

"No!"

However, Baili Cexuan was a muscle, he immediately shook his head, and said seriously: "You teach me the sword art, it is my master. This is the etiquette of the rivers and lakes, and it cannot be changed."

Uh...

Seeing him being so serious, Yue Feng smiled bitterly: "Okay, you can call it whatever you like. We want to Go back to Chunyang Palace, if you want to learn swordsmanship, come with us, but there is one condition, when you arrive at Chunyang Palace, you can listen to me."

“Master, don’t worry.” Baili Cexuan nodded again and again: “What did Master say, I’ll do whatever I want, and I won’t get into trouble.”

As long as you can learn the Tiangang Sword Art, you can’t eat it or not.

Yue Feng explained a few more words, and took Baili Cexuan and Dongfang Yunqing to continue on the road.

“Cuckoo...”

After walking for a while, Dongfang Yunqing suddenly heard a gurgling sound in his stomach, and a bit of embarrassment appeared on his delicate face, and he said to Yue Feng very embarrassedly: “Yue Feng Brother, I’m hungry.”

After sleeping for a thousand years, no one could bear it without eating for a few hours after waking up, not to mention she was still a child.

Yue Feng couldn’t help laughing because of her appearance. He was about to speak, but was interrupted by Baili Cexuan.

“Master, you two rest here first, and I’ll find something to eat.”

After shouting, Baili Cexuan turned around and entered the woods next to him with the giant sword on his back.
