

The ultimate husband in Chinese chapter 5261-5270

Chapter 5261

“Okay!”

Watching Baili Cexuan walk away, Yue Feng looked around, pointed to the grass beside him and said to Dongfang Yunqing, “Let’s rest here.”

Dongfang Yunqing is very well-behaved Responded.

At this time, the sky was already bright, and the morning sun, through the mist in the forest, dyed the mountains and fields a pale gold.

“So beautiful...”

After sitting on the grass, Dongfang Yunqing looked at the beauty of the morning in front of him and couldn’t help but sighed in admiration. Then he thought of something and asked Yue Feng, “Brother Yue Feng, is Chunyang Palace beautiful? ?”

Yue Feng nodded and replied with a smile: “The gate of Chunyang Palace is built halfway up the mountain, where the scenery is picturesque, like a fairyland on earth, you will definitely like it when you arrive.”

“By the way, in my Dan Pavilion. Among them, there is another sister, Xiaorou, who is also a few years older than you.”

Hearing

this, Dongfang Yunqing breathed a sigh of relief, and his delicate and delicate face suddenly filled with longing.

Swish swish... As I

was talking, I saw a few graceful and slender figures flying from the woods not far away.

Six figures, with a slender figure, and the swinging of the long skirt, gives people a feeling of floating like a fairy, each with delicate facial features, indescribably charming and sexy.

It’s just that there is a suffocating aura that doesn’t match their appearance between the six people.

It is the Six Swords Princess of Nianhua Palace.

This chapter is provided by . Visit for daily update.

Uh...

Seeing Liu Jianji, Yue Feng's relaxed and happy mood suddenly became depressed.

These six women are really haunted. You can meet them wherever you go. Not to mention, the underground town is so big, and there are traps everywhere, and they can come out safe and sound, which is quite a skill.

At this time, Yue Feng did not know that Liu Jian Ji was very lucky. At that time, he explored the underground town for more than two hours, and finally entered the courtyard in the northwest by mistake.

After entering the courtyard, Liu Jianji, with her keen observation, followed the footprints of Yue Feng and the two, successfully passed through the virtual maze, then passed through the stone gate, and finally successfully left.

It can be said that Liu Jianji was able to successfully walk out of the underground town, completely dipped in the light of Yue Feng.

Swish!

Feeling the evil spirit on Liu Jianji, Dongfang Yunqing realized that it was not good, and quickly stood up.

"Yue Feng?"

At this time, Liu Jianji also discovered Yue Feng and after looking at each other, they all speeded up and directly surrounded Yue Feng and Dongfang Yunqing.

"Yue Feng." The eldest sister looked at Yue Feng coldly like a dream, her eyes were like sharp knives, and she couldn't hide her anger: "The sky has eyes, let us find you scum so soon." The

voice fell, like snow He also bit his lip and said fiercely: "Yue Feng, you can't escape death this time, I have to kill you."

A few hours ago, Ruxue entered the stone forest and entered the hallucination, mistaken Yue Feng for the eldest sister, and then He asked Yue Feng to help her unblock her meridians, and after being taken out of the stone forest by Yue Feng, Yue Feng was afraid that she would continue to entangle after she woke up, so he knocked her unconscious, but happened to meet Rumeng and rushed over.

At that time, Yue Feng didn't want to entangle with Rumeng, so he resolutely fled. However, Rumeng thought they were guilty of thieves, and they thought that Yue Feng had defiled Ruxue, so they fled in a panic.

Afterwards, Ru Xue woke up and learned about the situation from Rumeng's people. She was very ashamed and angry. At that time, she also realized that what she saw in the stone forest was not the real eldest sister, but had hallucinations and mistakenly mistook Yue Feng for her. It's like a dream.

As one of the Six Swords Princesses, Ruxue knows her body very well and knows that she has not been defiled by Yue Feng, but when she thinks of Yue Feng pretending to be a big sister and helping her to clear her meridians, she cannot restrain her anger.

You must know that the exercises she cultivates are special, and dredging the meridians requires skin-to-skin contact. Even if Yue Feng didn't take away his chastity, he still took advantage of him.

So after calming down, Ruxue secretly vowed to kill Yue Feng.

After that, Ruxue told Rumeng about the real situation, and then they explored the surroundings together to find a way out. Finally, after a few hours, they finally walked out of the underground town.

The reason why they left at that time was because they encountered people from other sects. They learned from the mouths of those sect masters that Yue Feng took a girl from the Heavenly Secret Palace and stole the treasure 'Soul of Heavenly Secrets'. At that time, the six sisters discussed it and decided to leave.

Chapter 5262

But Ruxue never thought that soon after leaving the underground town, she met Yue Feng.

It's really a narrow road for enemies.

Thinking of the humiliation she received from Yue Feng before, Ruxue couldn't hide her anger.

Uh....

Feeling Ruxue's hatred, Yue Feng was very helpless. At that time, he smiled bitterly, and said slowly: "Beauty Ruxue, why do you always see me with a bitter hatred."

"You yourself Pat your conscience, did I rescue you in the underground town before? If it weren't for me, you would still be trapped in the stone pillar forest."

"Also, you mistakenly regarded me as the eldest sister, and you still need to I help you unblock the meridians, why is it all my fault now?"

Shuh!

After the words fell, Ruxue's delicate face immediately flushed red, and she stomped her feet in anger: "Shut up for me..."

This Yue Feng really didn't hide his mouth. The scene is really too embarrassing, even if all the people present are my sisters, it is hard to tell.

At the same time, Rumeng also shouted and drank.

"Hippie smiling face, full of nonsense, damn it."

"This scum must never let him stay in the arena and harm others."

"Yes, this time, he must not be allowed to run away, he must avenge his junior brother and his third sister. "

Rumeng drank and drew out their long swords one after another.

For a time, the atmosphere became extremely dignified, swords were drawn, and the surrounding air seemed to have dropped several times.

"you..."

At this moment, Dongfang Yunqing, who was standing by the side, couldn't hold it any longer. He took a step forward and shouted at Ruxue: "Why do you want to kill brother Yue Feng? He is a good person." The

voice fell, Ruxue said. Frowning, he couldn't help looking up and down Dongfang Yunqing.

Swish!

At the same time, the eyes of the people around Rumeng also focused on Dongfang Yunqing.

Rumeng quickly reacted first, looking at Dongfang Yunqing, and said complicatedly: "Little girl, are you the descendant of the Tianji Palace?"

"This bastard Yue Feng, is it coercing you? Don't be afraid. , the sisters will take you away after killing him." The

last word fell, and the other sisters nodded.

Like Baili Cexuan before, Liu Jianji also thought that Yue Feng had used some method to bewitch Dongfang Yunqing. After all, such a young child could easily be controlled.

"I..."

Dongfang Yunqing bit his lip lightly and said seriously, seeing the expressions of the people like Meng, "I was not controlled by him, I took the initiative to go with him, the people below are all bad guys, they They all want our Heavenly Secret Palace's Qimen exercises, it was Brother Yue Feng who rescued me, he is a good man, not a scum like you said." The

words were extremely solemn and could not be refuted.

However, the more she said that, the more Liu Jianji didn't believe it.

"Yue Feng!"

Finally, Ru Xue couldn't bear it anymore, took a step forward, her eyes couldn't hide the hatred, and shouted at Yue Fengjiao: "If you want to be a man, let this little girl go, and then Fight with us in an open and honest way."

"What kind of skill is it to control a little girl and use her as a shield?"

Hehe...

Hearing this, Yue Feng couldn't help laughing, looked Ru Xue up and down, and his tone was full of ridicule: "You woman really likes to get to the point, whether it's the death of your junior brother Xu Wenliang, or the death of your younger brother Xu Wenliang, or the one who was in the underground town before. I didn't provoked anything, so why did you insist on holding me down?"

"Besides, I and your sisters have already played against each other in the underground town, and you are not my opponents at all, so why are you asking for yourself? Boring?"

After speaking, Yue Feng shook his head helplessly.

"You..."

Hearing this, Ruxue's face flushed red, and she was very angry, but she didn't know how to refute, because Yue Feng was right, in the previous fights, Yue Feng had the upper hand. Liu Jian Ji is not an opponent at all.

"Yue Feng, don't be proud of yourself."

Just when Ru Xue was so ashamed and angry, Ru Meng couldn't help but shouted: "Before, our six sisters were deceived by you, too underestimate the enemy, and finally let you escape by luck, but this Now, you won't be so lucky."

Chapter 5263

said, Rumeng shouted at the sisters next to him: "Sisters, wait and do your best, and never give him the slightest chance to escape."

Hmm!

Hearing the elder sister's words, Ruxue and several other sisters nodded in unison.

They all thought about it, and when they started, they burst out with all their strength, and they didn't believe that they couldn't control Yue Feng.

Sigh....

Seeing that each of them is more persistent than each other, Yue Feng wanted to cry without tears, and looked around, and finally his eyes fell on Ruxue: "Several of them are like flowers and jade, and they have to fight with me to death. , why?"

When he said this, Yue Feng looked indifferent, very relaxed, but he was also a little depressed.

He is not afraid of Liu Jianji joining forces, but there is Dongfang Yunqing by his side. She is only twelve or thirteen years old. If she is accidentally injured, it will be bad.

"Stop talking nonsense, lead to death."

Seeing that Yue Feng was still acting like a fool at this time, Ru Xue was too lazy to talk nonsense, so she gave a coquettish shout, and the long sword in her hand drew a shock, stabbing straight at Yue Feng.

Swish swish ..

At the same time, Rumeng also stimulated their inner strength, and their figures rose up and attacked Yue Feng.

Under the interlacing of the six long swords, dazzling sword shadows burst out, tightly locking Yue Feng.

"Brother Yue Feng..."

Seeing this situation, Dongfang Yunqing couldn't help but exclaimed: "Be careful." When Yue Feng and Baili Cexuan played against each other before, they won easily. Dongfang Yunqing knew that he was very powerful. But at this time, six people were besieging together, the situation was completely different, and I was still a little worried.

"It's alright..." Feeling Dongfang Yunqing's worry, Yue Feng felt a warm feeling in his heart, and then smiled and comforted: "I can handle it, you stand far away, don't be hurt by their sword qi. Seeing

his confident face, Dongfang Yunqing responded and quickly took a dozen steps back.

At this time, Liujian Ji was about to rush forward. At that time, Yue Feng was not in a hurry, and slowly raised his right hand, ready to deal with them.

Swish....

However, at this critical moment, I heard a brisk footstep in the woods next to it. The footsteps were very light and light. It was still far away when I first heard it, but it was not too short. In just one breath, the man had walked out of the woods.

He was dressed in a black robe and wore an ordinary bamboo hat on his head. What was even more eye-catching was the giant sword on his back.

It was Baili Cexuan who had just gone hunting.

Hiss...

Feeling the strength of Baili Cexuan, whether it was Rumeng, Ruxue and the other sisters, all of them trembled, and couldn't help taking a breath of cold air, shocked.

Good strong breath oppression.

The strength of this man... is unfathomable, this cultivation realm is probably much higher than that of the Palace Master of Nianhua Palace.

When did such a powerful master appear in the arena?

"Giant sword?" The

next second, eldest sister Rumeng saw the giant sword on Baili Cexuan's back, and her body was shocked, she suddenly thought of something, and her tone trembled:

"You...you are twenty Years ago, the unmatched Sword Saint, Senior Baili Cexuan?"

When he said this, Rumeng's legs were weak, and he could hardly stand still.

As the eldest sister of Liujian Ji, Rumeng knows many rumors in the arena like the back of the hand. At this time, with the giant sword, she suddenly remembered Baili Cexuan who was in the world twenty years ago, because the rivers and lakes have used this kind of There is only such a person with a giant sword and an unfathomable strength.

When the voice fell, Ru Xue and several others also exclaimed in surprise.

"Juggernaut?"

"It's him? No wonder his strength is unfathomable." "

He... hasn't he disappeared for a long time? Why did he appear here?"

Li Cexuan's minds are blank. Sword Saint Baili Xuance, with a giant sword, swept the rivers and lakes for more than 20 years. In the arena, no one knows, no one knows. How can people not be shocked by appearing here at this time?

Huh...

Finally, Rumeng was the first to react, at that time he breathed a sigh of relief, and then said politely to Baili Cexuan: "Nianhua Palace is like a dream, with five sisters, I have met senior."

Chapter 5264 The

voice fell, and Ruxue also hurriedly saluted.

Speaking of which, with Liu Jianji's position on the rivers and lakes at this time, even if she encounters the heads of the three major sects, she will be arrogant and will never be so servile.

But the Baili Cexuan in front of him is different. This is a myth in the arena twenty years ago, and it is by no means comparable to those from the sect. Although Liu Jianji is very famous in the arena, she is not at the same level as Baili Cexuan.

It can be said that in front of Baili Cexuan, Liu Jianji was extremely humble.

However... In

the face of Liu Jianji's flattering conversation, Baili Cexuan just glanced at them lightly and didn't care at all.

In his heart, learning Yue Feng's Heavenly Gang Sword Art early is the top priority, and the rest are floating clouds.

This....

Seeing Baili Cexuan's indifference, Rumeng and Ruxue looked at each other, each delicate face is extremely embarrassing, the dignified Nianhua Palace Liujian Ji, no matter where she goes, she It can cause a sensation, but at this time, it has been ignored.

But there is no way, who makes the family a famous swordsman for more than 20 years.

Embarrassed, Rumeng took a step forward and said cautiously to Baili Cexuan: "Is the senior here also for the secret underground palace of Tianji Palace?" After

saying that, Rumeng pointed to Dongfang Yun who was standing beside him. Qing: "This girl is the descendant of the Tianji Palace, and the soul of Tianji, which contains the Qimen technique, is also on her. If the senior is interested, take this girl away as soon as possible, we will never stop it, but this is Yue Feng's, I have a personal grudge with us, and please don't intervene."

At this time, Rumeng's tone was indescribable compliment.

When the words fell, Ruxue and several others nodded, and at the same time closely observed Baili Cexuan's reaction.

In Liu Jianji's view, the Juggernaut who has been in seclusion for more than 20 years, suddenly appeared here, and it must be because of the Qimen cultivation method of Tianji Palace. Even so, it is better to sell his favor.

To be honest, Liu Jianji also wants to get the soul of the secret, but they are very self-aware. To snatch the soul of the secret in front of the Juggernaut is undoubtedly courting death.

Juggernaut's status is superb, it is impossible to get to know Yue Feng, let alone stand up for him.

Um?

At this moment, Baili Cexuan's eyes suddenly became sharp, and he looked at Rumeng coldly: "You want to kill him?" He pointed at Yue Feng.

"Yes." Rumeng nodded quickly, with a smile on her delicate face: "Relax, senior, we are not interested in this girl and the soul of the secret."

At this moment, Rumeng's palms were full of cold sweat.

He really deserves to be a swordsman, his eyes are too sharp and too scary.

Huh....

Hearing the answer, Baili Cexuan took a deep breath and walked directly to Yue Feng with a very respectful expression: "Master, these women want to kill you, do you want me to help you solve it?"

While speaking, Baili Cexuan raised his hand and waved, firmly holding the giant sword in his hand.

Om...

In an instant, a terrifying sword energy burst out, filling the sky and the earth.

What?

Seeing this scene, Ru Meng Jiao's body trembled, staggered back a few steps, and almost collapsed on the ground, looking at Yue Feng's eyes full of astonishment.

Ruxue and a few are also pale, thinking that they heard it wrong.

This... what did this Juggernaut just say? He...he called Master Yue Feng?

In terms of age, Sword Saint Baili Cexuan is more than a dozen years older than Yue Feng, so why did Yue Feng become his master?

How is this possible?

Under the shock, Liu Jianji looked at each other, both were extremely shocked in their hearts, completely stupid, and at the same time were extremely frightened.

Done.

I thought that my six sisters, working together to deal with Yue Feng, had some chance of winning, but now, Juggernaut and Yue Feng are actually together, how can they fight?

You must know that the swordsman's one move, 'Sword in the Sky', was an invincible player in the world back then. Now, more than 20 years have passed, and his accomplishments in swordsmanship are even more terrifying, not to mention his six swordsmen, even if it was Nianhuagong who came with all the elite disciples, and they were all offering to die in vain.

Chapter 5265

Haha...

Looking at Liu Jianji's expression, Yue Feng showed a smile. These six women are not afraid of the sky and the earth. I never thought that the situation would turn like this.

It seems that the promise to teach Baili Ce Xuan swordsmanship was the right choice. At least in this situation, you don't have to do it yourself.

Thinking to himself, Yue Feng shook his head at Baili Cexuan, signaling him not to act rashly.

Then Yue Feng walked over slowly.

"A few!"

When he got to the front, Yue Feng first looked at Ruxue, then at Rumeng, and said with a smile: "Aren't you going to kill me? Why don't you do anything?"

Seeing his face With a proud look, Liu Jianji was so angry that she was speechless.

With the Juggernaut, who would dare to be presumptuous.

"You..."

In the next second, Rumeng bit her lip tightly, and spat out a few words unwillingly: "You kill us." The Sword Saint stared at him, and his six sisters had no chance at all. , Rather than being humiliated by Yue Feng, it would be better to die.

At the same time, Rumeng closed their eyes reluctantly.

Like Rumeng, they would rather die than be humiliated by Yue Feng.

As expected of Liu Jianji, her personality is quite stubborn.

Seeing this situation, Yue Feng secretly smiled bitterly, and then said slowly: "How easy it is to kill you, as long as I say a word, my cheap disciple will do something to you, but after you die? The palace will be miserable."

At this time, Yue Feng's eyes were full of cunning.

He didn't think about killing Liu Jianji, but he just wanted to take this opportunity to tease them deliberately.

Swish!

Seeing him mention Nianhua Palace, whether it was Rumeng or Ruxue, all of them were shocked, and then Rumeng couldn't help but said: "What do you mean?" The tone was a little flustered.

They are loyal to Nianhua Palace. In their hearts, the honor and safety of the sect are more important than their own lives.

"Haha..."

Yue Feng smiled slightly and continued: "My cheap apprentice is very respectful to me, just now you kept saying that you wanted to kill me, he would never stand by, I am afraid that after killing you, he will not be relieved. , will go to your Nianhua Palace to make a scene."

"His name and strength, I believe you all know, if you really want to kill, do you think the entire Nianhua Palace has the strength to repel him?"

Hu. ..

When the voice fell, Rumeng's heart trembled, and their faces were extremely pale.

Yes, the strength of Juggernaut is extraordinary. No one could match it twenty years ago. I am afraid that his current strength has reached an unimaginable level. Elite disciples could not resist.

At that time, the entire Nianhua Palace will be in a state of doom.

Thinking of this, Liu Jianji trembled in the suburbs, and their faces were ashen. In their hearts, it didn't matter if they died, but if they affected the sect, they couldn't rest their eyes when they died.

For a time, Rumeng and several became nervous.

Afterwards, Rumeng suppressed the anger and unease in her heart, looked at Yue Feng and said, "You... what do you want?"

She is a smart woman, and Yue Feng's threat with Nianhua Palace must have a purpose.

Yue Feng smiled slightly, looked up and down the charming curve like a dream, and said calmly: "If you don't want to destroy the Huagong, just look at my face and act later, don't let me, a cheap apprentice, know our true relationship. Alright."

What is he going to do?

Hearing this, Rumeng looked at each other with doubts on their delicate faces.

In the next second, Rumeng was about to ask, but Yue Feng had already turned around and walked towards Baili Cexuan.

"Okay, put away the sword."

When he was about to approach, Yue Feng said casually, "A misunderstanding."

Misunderstanding?

Baili Cexuan was stunned there, scratching his head, very puzzled: "Master, these women just kept saying they were going to kill you, how could it be a misunderstanding?"

"He glared at Rumeng a few times.

In his heart, Yue Feng's accomplishments in swordsmanship have exceeded the realm of the unity of nature and man.

The ultimate husband in Chinese chapter 5266-5270

Chapter 5266

Seeing his puzzled face, Yue Feng said with a clear sigh and lowered his voice mysteriously: "To tell the truth, these six are my women. I had a little conflict with me before because of a trivial matter, that's why this is the case. "

Are they all from Jianghu? It's normal for people to fight and kill when they get angry."

After saying this, Yue Feng couldn't help but smiled and glanced at Rumeng.

Seriously, although these Six Swordsmen are arrogant and ruthless, they are so beautiful that they really want to die in the hands of the Swordsman. pleasure.

This....

Hearing this, Baili Cexuan was stunned for a moment, looking at Yue Feng's eyes with indescribable admiration and envy: "Master is really amazing, not only in swordsmanship, but also in the relationship between men and women, It's also so outstanding."

When he spoke, Baili Cexuan's eyes were full of emotion. Speaking of which, when he was traversing the arena twenty years ago, he also had some confidantes. No matter their appearance or figure, they were all of the best. Is out of reach.

Haha....

Hearing this compliment, Yue Feng couldn't help laughing, and then patted Baili Cexuan on the shoulder: "What's great or not, that's all."

"It's all family . Contradictions, so don't be so nervous, put away the sword."

Baili Cexuan responded quickly, then put the giant sword behind him, and smiled embarrassingly: "I know, I was fortunate that Master stopped me just now, or else There is a big misunderstanding."

At this time, Baili Cexuan was very ashamed.

It 's so dangerous...

These six beauties, all of Master's women, almost killed them all just now.

Huh....

This chapter is provided by . Visit for daily update.

Looking at Yue Feng and Baili Cexuan, they stood there muttering, and occasionally glanced here for a while. Whether it is Rumeng or Ruxue, they are all secretly frowning.

What the hell is this Yue Feng doing?

“Well...”

Just when Rumeng was secretly surprised, Baili Cexuan walked over quickly, scratched his head, and said very embarrassedly: “That...a few teachers, it was me just now. Reckless, almost hurt a few teachers, please adults, don't bother with me.”

What?

Hearing Baili Cexuan's name, both Rumeng and Ruxue blushed, and felt even more ashamed and angry.

This Yue Feng is really a bastard. I was just wondering how he could be so kind. After a long time, he wanted to take advantage of us.

Seeing their expressions, Baili Cexuan thought that they were still angry, so he quickly said: “Several teachers, it is normal for husband and wife to have conflicts, so don't be angry with Master.”

When speaking, Baili Cexuan Yi The sincerity of the face.

However, Rumeng bit his lip tightly and did not express his position. They hated Yue Feng in their hearts and wanted to slash him with thousands of swords, but because they were afraid of Baili Cexuan in front of them, they had a bad attack.

Haha...

Seeing Liu Jianji's reaction, Yue Feng showed a smile, and his heart was indescribably happy.

These six ruthless women would never have imagined that the famous Juggernaut would be my apprentice, right? It's so funny that they want to do something, but don't dare to act rashly.

“Brother Yue Feng...”

At this moment, Dongfang Yunqing, who had been by the side, also recovered, and couldn't help but said to Yue Feng: “Are they all your women? Why haven't I heard you say it before? Also, Should I call them sister-in-law?”

She was so innocent, she couldn't tell that Yue Feng was deliberately playing Liu Jianji in the situation in front of her.

“Shut up!”

As soon as he finished speaking, Rumeng couldn't help but snorted, and said angrily to Dongfang Yunqing: “Who is your sister-in-law?” Yue Feng is hateful, and this girl is also open-mouthed.

Swish!

At the same time, Ruxue and several others also glared at Dongfang Yunqing.

Feeling Liu Jianji's anger, Dongfang Yunqing instantly felt uneasy, and quickly hid behind Yue Feng.

Seeing this, Yue Feng sighed and smiled bitterly at Liujian Ji: “Didn't I just say a few words to other women before, I have already explained it, and the other party asked me for directions. ..”

Chapter 5267

“Hey, why don't you believe me?”

Yue Feng made up his mind to tease Liujian Ji, and started talking nonsense at this moment.

“What woman?”

At this moment, Ru Xue couldn't help it, and said angrily: “You stop talking nonsense here.” This Yue Feng is really hateful. First, he said that we are all your women, and now he starts to make up. story.

Ugh!

Yue Feng sighed and smiled bitterly: “Forget it, since you hate me so much, I won't explain it. I will find a piece of paper to write a letter of divorce and leave you all.

” We don't matter anymore, if you really want to kill me, just do it.”

After saying this, Yue Feng looked at Baili Xuance helplessly, and made an appearance of physical and mental exhaustion: “It's not a good thing to have too many women. Son, when I die, you have to avenge me.”

“But don't worry, before they kill me, I will tell you the sword trick.” I

have to say, Yue Feng's acting is very similar, Baili Cexuan couldn't see it at all. Seeing him say this at this time, he quickly persuaded him: “Master, don't say that, it's just a small problem, just explain it.” After speaking

, Baili Cexuan directed at Liujian Ji again. "Several mothers, Master is like this, so don't make it difficult for him. The so-called husband and wife in one day is a hundred days in love, there is no need to make such a mess, right?"

At this time, Baili Cexuan believed that Liujian Ji was Yue. The windy woman just wanted to reconcile it.

After all, in his heart, he already regarded Yue Feng as his master, how could Liu Jianji kill him?

Huh...

Seeing the sincerity and urgency on Baili Cexuan's face, Rumeng bit his lips tightly, and the suburbs trembled with anger.

Damn Yue Feng.

With the help of the Juggernaut, he became more and more unscrupulous.

Especially the eldest sister is like a dream, her body is trembling with anger, but because of the presence of Baili Cexuan, she has a bad attack.

"Okay!" The

next second, Rumeng tried to calm herself down, and said lightly to Yue Feng, "We won't kill you." Seriously, to reconcile with Yue Feng temporarily, Rumeng felt ten thousand reluctance in her heart. .

But there is no way. If I really want to kill him, the Sword Saint will definitely not let it go. At that time, not only will his six sisters die, but the entire Nianhua Palace will be implicated.

call!

Seeing Rumeng say this, Baili Cexuan heaved a sigh of relief and nodded with a smile: "That's right, this teacher is still reasonable."

Haha...

At the same time, Yue Feng couldn't help it. Laughing, she couldn't help looking at Rumeng, and said with a smile: "Aren't you mad at me? Then call Xianggong to listen to it."

These Liujianji have always been aloof, especially this eldest sister Rumeng. , It's like an iceberg. Now I finally have an opportunity to take advantage of it. Naturally, I can't miss it. I have to make fun of it.

“You...” The

voice fell, and the delicate face of the dream was extremely red, and the eyes were staring at Yue Feng, wishing to eat him.

At the same time, Ru Xue and the others were all trembling with shock and anger.

This Yue Feng is really going too far.

It’s okay to use the Juggernaut to scare us, but now I have to take advantage of every inch, and even want the eldest sister to call him husband? The eldest sister is Bingqing and Yujie. She has set foot in the arena and has never let a man touch her hand.

Huh...

for a while, Rumeng exhaled deeply, trying to restrain the anger in her heart. After more than ten seconds, she still decided to compromise, and whispered to Yue Feng:

“Xianggong.” The

voice was very small and very small . . . , If you don’t listen carefully, you can’t hear it at all.

Calling Yue Feng Xianggong, Rumeng felt ten thousand reluctance in his heart, but the Juggernaut watched from the side, if he didn’t shout, everything would be revealed.

“Oh!”

Seeing her like this, Yue Feng couldn’t help laughing, and said deliberately: “My wife, your voice is too low, I can’t hear it, don’t be shy, this girl and the Sword Saint are all yourself. People.”

Ru Meng was almost furious, and wanted to scold her softly, but she held back, and then shouted again: “Xiang Gong.” This sound was a bit louder than before.

Um!

Yue Feng accepted it when he saw it, and nodded with a smile: “It’s almost the same, the eldest wife is really good.”

Chapter 5268 When the

words fell, Yue Feng looked at Ru Xue and said, “Second wife, third wife, are you still angry? Hurry up and shout to the husband to listen to...”

Shuh!

Hearing this, Ru Xue and the others all trembled, and they were all so angry.

Yue Feng, this bastard, is not satisfied with taking advantage of the eldest sister, and wants to ask us to call him husband.

Under the anger, Ruxue did not dare to attack, all of them blushed, and then shouted in a low voice.

“Xiang Gong...”

“Xiang... Xiang Gong...”

Seriously, Ru Xue wanted to shout, but the elder sister Ru Meng had already shouted. If she didn't shout, her plan to endure humiliation and burden would not be in vain. ?

At this moment, after Ruxue shouted a few times, she scolded Yue Feng thousands of times in her heart.

Haha... Seeing Liu Jianji shouting out, Yue Feng was

in an indescribably happy mood, so he said with a smile: “Well, a few wives are good, don't be jealous in the future.” With that said, Yue Feng waved

at Liu Jianji: “Come here, Juggernaut has hunted game, let's taste his craft together later.

“

Looking at each other in dismay, one by one is incomparably conflicted in their hearts.

They were forced to call Xianggong Yue Feng helplessly just now. It was already the limit they could bear in their hearts. They hated Yue Feng to death, how could it be possible to sit and eat with him?

Seeing that they didn't speak, Yue Feng walked over slowly and said in a low voice, “Don't look at me with bitterness and hatred, I'm doing this to help you.”

“In front of the Sword Saint, you admitted that you are my woman. If you don't eat with me, you will be suspicious. If you reveal the consequences, you know better than me.”

When he said this, Yue Feng looked serious.

But there was a bit of slyness in his eyes.

Speaking of which, Liu Jianji wanted to kill Yue Feng several times, which gave Yue Feng a headache. Now that he seized the opportunity, he naturally wanted to play with them, how could he let them go easily?

Seeing Yue Feng say this, Liu Jianji glanced at each other and had no choice but to follow and sit around on the lawn.

“Eat the roasted rabbit.”

At this moment, Baili Cexuan took out the hares he had beaten, shouted with a smile, then lit the bonfire and started roasting the rabbits.

Dongfang Yunqing clapped his hands and couldn't wait: “I'm so hungry, I can't wait.”

Haha...

Seeing her like this, Yue Feng and Baili Cexuan couldn't help laughing.

The Liu Jianji sitting around were all depressed and couldn't see the slightest smile on their delicate faces. They had to stay because of Baili Cexuan's intimidation. How could they be happy?

Yue Feng was in a good mood. Seeing that Baili Cexuan was cooking slowly by himself, he also joined in.

When he and Xiao Xi were traveling together in Donggao Continent, Yue Feng learned a lot of cooking techniques from Xiao Xi, and soon, he baked a few rabbit legs.

In an instant, the meat was fragrant.

“Looks like it.” Smelling the fragrance, Dongfang Yunqing leaned in like a greedy cat, staring at the rabbit's legs, so cute.

Ha ha...

Yue Feng was amused by her again, and then handed over a rabbit leg: “Eat it quickly, but be careful not to burn it.”

Dongfang Yunqing responded, took the rabbit's leg, and took a small bite carefully. At that time, I only felt that my mouth was full of fragrance, so I couldn't help but praise: “It's really fragrant, brother Yue Feng's roast is so delicious.”

Hearing the praise, Baili Cexuan couldn't help but pick up a rabbit leg and took a bite. He nodded again and again: “Xiang, Master is still very good, and there is also a set of barbecues.”

Yue Feng smiled, and divided the remaining rabbit meat to Liujianji: "Several wives, hurry up and eat."

Liujianji I wanted to refuse, but since yesterday, I first fought with Yue Feng, and then fell into the underground town. I didn't eat or drink for more than a day, and I was a little hungry at this time.

Especially when they smelled the smell of meat, the six sword princesses couldn't resist at all. They took the rabbit meat one by one and ate it reservedly.

Oops!

After a while, after eating the rabbit meat, Yue Feng stretched and half lay on the grass: "Take a rest first, and then continue on the road."

Chapter 5269

Hmm!

Baili Cexuan and Dongfang Yunqing both nodded in agreement.

However, Liu Jianji was a little anxious.

"Big sister." The

next second, the youngest Ruchu bit his lip lightly, and whispered to Rumeng, "What should we do?" My few, who are not Yue Feng's women at all, can't follow him to Chunyang Palace what.

Rumeng Xiumei frowned and said in a low voice, "Don't worry, let's see the situation."

"Several wives."

Just as she was talking, she saw Yue Feng sitting lazily on the grass with a smile that was not a smile. Looking at the dream-like couple: "I was tossing around in the dungeon for so long before, and my whole body was exhausted. Come and help me squeeze."

"The eldest wife pinches my shoulders, the second wife rubs my legs, and the third wife Give me a slap on the back..."

When he said this, Yue Feng's face was relaxed and comfortable.

Baili Cexuan and Dongfang Yunqing also looked indifferent. In their hearts, it was only natural for a wife to beat her back and rub her shoulders, so Yue Feng's request was not excessive at all, it could only be considered a commonplace.

Swish!

However, when they heard these words, Ru Meng and Ru Xue's faces changed, and they were all shocked and angry.

This Yue Feng is getting bigger and bigger.

It's not enough to take advantage of your mouth before, and now you want us to beat your back and rub your shoulders? What about daydreaming?

"Huh?"

Seeing that the six of them didn't move, Yue Feng adjusted his posture and said slowly: "A few wives, are you still angry with me?" After speaking, he glanced at Baili Cexuan intentionally or unintentionally. at a glance.

"You..." Ruxue stomped her feet straight.

This Yue Feng, who used to take advantage of himself in the underground town, was taking advantage of him over and over again. Now he is more and more courageous, and he will not serve him even if he dies. Rumeng also hated her teeth, but she still whispered

: "Ruxue, don't be impulsive, this Yue Feng is intentional, let's endure it first, and if there is a chance in the future, we must tell him to die."

Meng bit her lip tightly, walked over slowly, put a pair of jade hands on Yue Feng's shoulders, and began to knead gently.

Phew...

Feeling the gentle force, Yue Feng couldn't help taking a deep breath, feeling indescribably comfortable.

Seeing that the eldest sister had compromised, Ruxue and the others all held back their anger and came over, some pinched Yue Feng's legs, some beat his back, all of them were indescribably gentle.

If there are other sect masters present at this time, they will definitely be shocked.

You must know that Liu Jianji is like an iceberg goddess in the rivers and lakes. Not only is her personality arrogant, but she is also ruthless, especially their sword formations, which are even more powerful and terrifying. With such an existence, who would dare to be presumptuous in front of them? Even if the heads of the sects meet, they will give three points politely.

At this time, these six sisters were obediently obeyed by Yue Feng, not only did not make any mistakes, but also put down their dignity to serve Yue Feng.

Comfortable!

At this moment, Yue Feng was half lying there, enjoying his eyes closed, feeling the service of Liu Jianji, and he felt very comfortable.

But Liu Jianji scolded him tens of thousands of times in his heart.

“Several!”

Feeling the resentment in Liu Jianji’s eyes, Yue Feng showed a smile and lowered his voice: “Don’t frown, there are not many opportunities like today, and if you want to serve me in the future, you probably won’t have a chance. already.”

Yue Feng was not joking.

The divine power in his body will soon return to its peak, and at that time, he will be able to shatter the void and return to the Kyushu Continent.

Swish!

Hearing this, Liu Jianji was ashamed and angry.

In the next second, Ruxue couldn’t help but whispered: “You are not proud, if you fall into our hands in the future, you will be cut into pieces.”

Yue Feng smiled: “Then you probably won’t have a chance. , From now on, this swordsman will always follow me, and it is estimated that he will live in Chunyang Palace in the future.”

“You...”

Ruxue was taken aback, if the swordsman followed Yue Feng every day, it was true When he had the opportunity to kill him, and seeing Yue Feng’s complacent look, he was so angry that he pinched him on his leg.

“Ouch!” When the

pain came, Yue Feng couldn’t help crying, and then he looked at Ru Xue in tears: “Three wives, it’s so good, why are you pinching me?”

Chapter 5270

“Because I’m talking to other women, you’re still angry.” After speaking

, Yue Feng leaned up and quickly kissed Ruxue's face.

Wave!

After kissing, Yue Feng said with a smile: "Okay, don't be angry, Xianggong loves you the most, darling."

In an instant, Ruxue froze there, her face was extremely red, the suburbs trembled, her eyes Almost burst out fire.

This... this bastard, just kissed me?

Seeing this scene, Baili Cexuan and Dongfang Yunqing, who were not far away, were a little embarrassed, and at the same time, they turned their attention elsewhere.

"Okay!"

Just when Ruxue couldn't help but get angry, Yue Feng stood up with a smile, looked at the sky, and said, "It's getting late, it's time to leave." With

that, Yue Feng tilted his head. He said to Rumeng: "Several wives, I remember that you still have to go back to Nianhua Palace to do business, so hurry up and go. When you are done, come to Chunyang Palace to find me."

While talking, Yue Feng secretly said Blink at the dream.

If there is trouble, they should be let go, otherwise, it is really inappropriate for them to go to Chunyang Palace together.

Um!

Rumeng understood and nodded quickly and said, "Yes, we have to go back quickly." She is a smart woman and naturally understands what Yue Feng means.

Saying that, Rumeng greeted the five sisters and prepared to leave.

At this moment, Dongfang Yunqing hurriedly waved: "Goodbye, sisters-in-law."

At the same time, Baili Cexuan also hurriedly said: "Several teachers and mothers are good to go." Speaking of which, at his age, he can be Uncle Liu Jian Ji, but there is no way, who let them be Yue Feng's women Woolen cloth.

Swish!

Hearing the names of the two, Liu Jianji was embarrassed, and each of them blushed, but they couldn't refute them, so they could only nod their heads, then turned and left.

Watching them go away, Yue Feng breathed a sigh of relief and said with a smile:
“Okay, let’s go too.”

After saying that, he took Dongfang Yunqing and walked towards the Chunyang Palace first.

Baili Cexuan quickly followed.

.....

On the other side, the Kyushu Earth Circle Continent.

Located 300 miles northwest of Zhongzhou City, there is a natural grand canyon with towering peaks and magnificent scenery, showing the magic of nature everywhere.

There are many maple trees in the canyon. At this time, it is late autumn. Looking at the entire canyon from a distance, it looks like a red glow. Because of this, this canyon is called Luoxia Valley.

On the edge of the Sunset Cloud Valley, there is an antique courtyard, quiet and elegant, this is the other courtyard of the Nalan family.

At this moment, in the small garden behind the garden, Nalan Wushuang was sitting sullenly on a chair.

A few days ago in Xia Yinzong, Nalan Wushuang and Yue Wuya quarreled, and returned to the family garden angrily, and never took the Xia Yinzong general altar again.

In Nalan Wushuang’s heart, she has been favored since she was a child, but in Yue Wuya, she has been repeatedly frustrated, which makes her heart very unbalanced.

I really don’t know what’s so good about Hai Ling’er.

At this moment, recalling the way Yue Wuya was angry that day, Nalan Wushuang pouted, very dissatisfied.

“Miss!”

At this moment, a disciple of the Nalan family walked in quickly, his expression full of compliments.

It was Nalan Wushuang’s personal bodyguard, Nalan Yun.

call!

Seeing Nalan Yun, Nalan Wushuang's delicate face suddenly showed a bit of displeasure: "I asked you to monitor that Hai Ling'er, why are you back?"

Yes, since the day he left from Xia Yinzong, Nalan Wushuang was angry and would not see Yue Wuya again, but in order to vent his anger, he sent Nalan Yun to Xia Yinzong to spy on Hai Linger.

Uh,

seeing Nalan Wushuang looking very angry, Nalan Yun wiped the sweat from his forehead and said helplessly: "Miss, I have been observing secretly for two days, and Hai Linger doesn't seem to have any secrets. Most of the time, she babysitting."

Child?

Hearing this, Nalan Wushuang frowned and said coldly: "Is that the kid who was snatched from Dragon King Island?"

Nalan Yun nodded: "Yeah, I really don't understand, it's just a kid who was snatched. , but Hai Linger is very caring, even Yue Wuya is very concerned about that child."
