Chapter 5301

Chi... The

next second, the sword shadow was firmly on the ground, and after the rest of the energy dissipated, everyone looked at it, and all of them were secretly shocked.

I saw that the sword shadow turned out to be just an ordinary wooden sword. At this time, it was deeply embedded in the bluestone slab, and the entire blade was submerged in half, leaving only a hilt.

This... how strong is this internal force to pierce a wooden sword into the slate?

For a time, whether it was the major sects, the palace masters, and others, they were all amazed, and then they all looked up to the sky, wanting to be quiet, who is the holy place.

The disciples of the major sects who surrounded Yue Feng also stopped one after another, each with an extremely surprised expression.

Yue Feng was standing there with a calm expression on his face.

Everyone present did not know, but Yue Feng knew very well that this was Baili Cexuan.

“Who wants to move him?”

Just when everyone looked up at the sky, a low voice was heard, and then, the disciples of the Chunyang Palace behind the palace master squeezed out a figure.

He was wearing a black robe, and his eyes flashed with evil spirits.

It was Baili Cexuan.

Baili Cexuan was very excited after learning the trick ‘Sword Swing Eight Wilderness’ last night. Although he had already understood the essence of it, he went to the back mountain to continue practicing this morning.

In his heart, the Tiangang sword art taught by Yue Feng is extremely mysterious, and he must strive for perfection. Only halfway through the practice, I learned that the masters of the major sects came to the Chunyang Palace to find trouble with Yue Feng. At that time, Baili Cexuan was very annoyed and rushed over.

Swish!

This chapter is provided by . Visit for daily update.

At this moment, the eyes of everyone in the audience were all focused on Baili Cexuan, their brows furrowed.

Is he the owner of this wooden sword?

Dressed in such an ordinary way, it doesn't look like a peerless master....

Mr. Nameless?

The Palace Master and Taoist Qianqiu, as well as the disciples of Chunyang Palace, were also secretly surprised.

What is he doing out there? I don't want to help Yue Feng deal with these sects by myself...

"Hello..."

Finally, Ren Pingsheng reacted, strode forward, looked up and down Baili Cexuan, and said coldly : "Who are you?" He clearly felt that Baili Cexuan's body was filled with a strong aura, and it was not something ordinary people could do just now with the wooden sword sunk into the slate.

But... there are so many sect masters around, don't panic.

Hehe...

Baili Cexuan smiled coldly, with a very cold and arrogant tone: "You don't deserve to know my name." As a swordsman who has been in the world for more than 20 years, naturally he would not let a small Lihuo Gate The boss looked at it.

Feeling Baili Cexuan's contempt, Ren Pingsheng's face was instantly ugly, and his heart was angry. How can you bear it?

At the same time, everyone around Li Qinghai was also secretly angry.

This person has such a big tone. Does anyone from Lihuomen deserve to know your name? Do you think you are the leader of the martial arts alliance?

call!

Soon, Ren Pingsheng took a deep breath, suppressed the anger in his heart, and said coldly to Baili Cexuan: "No matter who you are? Today is the grudge between our major sects, Yue Feng, idle people, etc. Hugh wants to intervene."

“If you don’t want to die, get out of the way.” The voice fell, and the masters of the surrounding sects shouted loudly.

“That’s right, get out of the way.”

“The sword doesn’t have long eyes. If it hurts you later, don’t blame us for not reminding you in advance...”

Facing the anger of the crowd, Baili Cexuan sneered and looked around: “I don’t care what you guys are going to do. With me here today, no one wants to touch Yue Feng’s hair.” When the words fell, Baili Cexuan raised

his hand and grabbed it.

Chi...

In an instant, I saw the wooden sword stuck on the wooden board suddenly flying into the air, and then it was firmly grasped by Baili Cexuan.

At the same time, a powerful aura erupted from Baili Cexuan’s body and swept the audience. Whether it was the major sects or Chunyang Palace and others, they all felt an invisible and powerful pressure.

Chapter 5302

Although Yue Feng did not let him perform the apprenticeship ceremony, in Baili Cexuan’s heart, he had already regarded him as a master.

At this time, the major sects wanted to be unfavorable to Yue Feng, how could they stand by?

Strong...

what a strong breath!

At this moment, whether it was Ren Pingsheng or other sect masters, they were all secretly surprised.

In the next second, Deng Shiqi slowly moved forward and looked at Baili Cexuan in a complicated way: “Yue Feng robbed the treasures of the Heavenly Secret Palace and took it for himself, which is not tolerated by the whole river and lake. You want to stand up for him, have you thought about the consequences?”

Deng Shiqi is a sly and treacherous person. He can see that the Baili Cexuan in front of him is very powerful. The major sects present are afraid that no one is his opponent.

But no matter how strong a person is, it is impossible to deal with so many sects at the same time.

Deng Shiqi thought very simple, try not to lose face first, the best way is to let Baili Cexuan retreat.

Speaking of which, if other people saw so many sects, they might be frightened by Deng Shiqi's words, but unfortunately, Deng Shiqi saw the wrong person this time.

After all, Baili Cexuan is a famous swordsman, how could he be frightened by these two words?

Haha...

At this moment, Baili Cexuan glanced at Deng Shiqi, sneered a few times, and said mercilessly: "You hypocrites, full of benevolence and morality, are all despicable and shameless deeds."

"Before in that underground town, I tried every means to snatch the treasures left by the Heavenly Secret Palace, and even attacked an unarmed girl. It was extremely shameless."

"After that, Yue Feng couldn't see it, took the girl and the treasure away, and temporarily placed them in the Chunyang Palace, but you people are still chasing the Chunyang Palace shamelessly, and you keep saying that Yue Feng offended the public anger, really stinky. The face is a big joke in the world." The

words were loud and could not be refuted.

Pfft...

In an instant, many disciples of Chunyang Palace couldn't help but laugh out loud.

Even the Palace Master and Jiang Hongyu couldn't help pursing their lips and laughing. At the same time, they were also a little worried. Although this Mr. Wuming was upright and awe-inspiring, the other party had dozens of sects.

The other party has made it clear that they are going to grab it hard. What's the use of reasoning with them?

Papa...

At the same time, Yue Feng clapped his hands with a smile, and praised Baili Cexuan: "Well scolded, scolded happily..."

When he said this, Yue Feng had a leisurely expression on his face. .

Speaking of which, Yue Feng had planned to do it himself just now, but when he saw Baili Cexuan appearing, he was so happy that he relaxed and stood on the sidelines and watched.

To deal with so many sects, others can't, but for this Baili Cexuan, it is completely a piece of cake.

Shah...

Faced with Baili Cexuan's scolding, Deng Shiqi's face flushed red, and he was extremely angry, but he had nothing to refute.

Next to him, Li Qinghai, Ren Pingsheng, and other sect masters were all extremely annoyed.

In the next second, Li Qinghai couldn't help shouting: "Everyone, this person is so arrogant, kill him on the spot first, and then let's catch Yue Feng alive." The

voice fell, Li Qinghai clenched his sword, and his figure burst out. Came directly to Baili Cexuan.

Swish swish...

The surrounding sect masters didn't hesitate at all. They held their long knives tightly, and rushed towards Baili Cexuan quickly.

Seeing this, the corner of Baili Cexuan's mouth raised a trace of contempt, without the slightest nervousness, on the contrary, there was an excited fighting intent in his eyes.

"Alas!"

At this moment, Yue Feng shouted at Baili Cexuan in a relaxed tone, "Can you do it?"

"The wooden sword rushed out like a cannonball, and greeted everyone in Li Qinghai.

In the blink of an eye, the two sides fought fiercely in mid-air.

This...

Seeing this situation, the faces of the palace master and Taoist Qianqiu became complicated. Is this Mr. Wuming too arrogant, and he really wants to fight so many sect masters by himself.

Especially Jiang Hongyu, staring at the battle in midair, secretly sweating for Baili Cexuan.

Chapter 5303

“Alas!” Finally, Jiang Hongyu couldn’t help coming over and whispered to Yue Feng: “The other party has so many masters, can Mr. Wuming

be alone? Don’t hurt him.”

Baili Cexuan has fought against each other and knows that his swordsmanship is very strong, but with so many sect masters on the other side, how could he win alone?

In Jiang Hongyu’s heart, Baili Cexuan stepped forward, but Yue Feng didn’t care, it was really inappropriate.

“It’s all right!”

Feeling Jiang Hongyu’s worry, Yue Feng waved his hand with a smile: “These people are not enough for him to fight.”

After saying that, Yue Feng looked around and directed at a few women not far away. The disciple instructed: “You guys, go and bring some chairs for me and the palace master, as well as some elders.”

“Such a wonderful fight, it’s too tiring to stand and watch, it’s interesting to sit and watch.”

If it were someone else, Yue Feng would never be so confident, but Baili Cexuan is different. He has been famous for so many years, and he is also known as a swordsman. It is naturally more than enough to deal with these sect masters.

What?

As soon as these words came out, whether it was Jiang Hongyu, the palace master, and the others were all stunned, not knowing whether to laugh or cry.

Mr. Wuming is fighting fiercely with the major sects. He doesn’t need to worry about it. He has to sit in a chair to watch the battle...

“Go.”

Seeing those female disciples in a daze, Yue Feng couldn’t help laughing. He urged, “What are you doing?”

Seeing that the Palace Master did not stop her, several female disciples quickly responded, turned and ran to the main hall, and moved out a few chairs after a while.

However, the palace lord and Taoist Qianqiu were all in the middle of the fierce battle in the air, and they were all worried about the safety of Baili Cexuan, so how could they sit in the mood.

Yue Feng had a relaxed look on his face and didn't look nervous at all. He sat on the chair with a big thorn, looked at Erlang's legs, and shouted at Baili Cexuan who was fighting in the air: "Fight well, don't let me down."

"Don't worry."

Baili Cexuan responded loudly: "It's just a bunch of despicable people, it will be settled soon."

Mad!

At this moment, hearing Baili Cexuan's words, whether it was Li Qinghai or the other sect masters present, they were all annoyed.

This person is so arrogant and rude to call us despicable people.

Is this person so powerful?

In shock, seeing Li Qinghai being suppressed by Baili Cexuan and retreating, both Ren Pingsheng, Deng Shiqi and others were secretly shocked.

You must know that Li Qinghai, as the Great Elder of Tianhaimen, is considered a top-notch in strength in the entire arena, but in front of this person, he has no advantage at all.

"Elder Li, I'm here to help you." The

next second, Ren Pingsheng shouted loudly, and his figure erupted, rushing towards Baili Cexuan.

Swish swish...

At the same time, Deng Shiqi and several other sect masters followed closely, rushing into the air and surrounding Baili Cexuan tightly. I saw that the figures of the two sides were in the high sky, constantly shuttled back and forth, and the powerful aura that erupted caused the wind and clouds to surge.

Seeing this scene, both the people of Chunyang Palace and the disciples of various sects were shocked.

You must know that Deng Shiqi, Li Qinghai, and Ren Pingsheng, any of these people are enough to cause the Jianghu to shake. At this time, to join forces to deal with an

unknown person, it can be said that the entire Jianghu has been unique for a hundred years, or even a thousand years. thing.

What shocked everyone even more was that Baili Cexuan was holding a wooden sword. Facing the siege of so many masters, he did not show any signs of defeat. Instead, he looked very relaxed, which was really incredible.

At this time, in midair.

Seeing that everyone joined forces and could not suppress Baili Cexuan, Li Qinghai was holding back his fire and anxious, and shouted at Ren Pingsheng: "Everyone, this person is extremely powerful, I think we should not hesitate. Use all your stunts and join forces to kill him."

"Okay!" The

voice fell, Deng Shiqi and Ren Pingsheng nodded in agreement, and in the next second, several people suddenly raised their hands and united together to form a group. The dazzling ball of light came out, and the ball of light exuded a dazzling light that stabbed people to the point of being unable to open their eyes.

Chapter 5304 The

whole world is shrouded in this dazzling light.

Phew...

The next second, the ball of light hit Baili Cexuan directly like a lightning bolt. Where the ball of light passed, the spiritual energy of the surrounding heaven and earth seemed to have no time to spare, and the power was amazing.

Seeing this, the Palace Master, Taoist Qianqiu, Jiang Hongyu, and the disciples of Chunyang Palace present couldn't help but sweat for Baili Cexuan.

Yue Feng was still sitting comfortably in the chair, his face did not fluctuate at all.

Speaking of which, the ball of light condensed by Deng Shiqi and Li Qinghai was very powerful, but it was not enough to defeat Baili Cexuan.

midair.

Seeing the explosion of the light ball, Baili Cexuan narrowed his eyes slightly. He was not panicked at the time, and his inner strength urged him to hold the wooden sword in front of him.

boom!

In an instant, the ball of light slammed into the wooden sword, and an earth-shattering roar erupted. The light and shadow lasted for a few seconds before completely dissipating.

And after the light and shadow in the sky disappeared, I saw that the place where Baili Cexuan was suspended had disappeared.

Wow...

Seeing this scene, the disciples of the major sects watching the battle below suddenly cheered. "Haha... I

'm dead."

"Nonsense, how many great sect masters, combined with one blow, who can stop him?"

"Who told this person to be so arrogant, he deserves it."

Li Cexuan must have been bombarded by the power of the ball of light with no bones left.

Ugh!

On the side of Chunyang Palace, whether it was the Palace Master, Daoist Qianqiu and Jiang Hongyu, they all shook their heads secretly, feeling sorry for Baili Cexuan in their hearts.

It is rare that this person is extremely powerful, but he died so tragically, which is a pity.

However, Yue Feng did not feel the slightest bit of sadness, instead a smile appeared on the corner of his mouth.

Deng Shiqi and several others in the air all had solemn expressions on their faces, not the slightest excitement of victory, but an inexplicable unease.

Because they vaguely felt that among the rolling dark clouds above their heads, there was an extremely strong force that was slowly condensing.

"Look at the sky, what is that!"

Just when the disciples of the major sects were all excited, suddenly someone shouted, and all the eyes of the audience raised their heads to look up at the sky.

hiss!

Seeing this, many people couldn't help but take a deep breath.

I saw a dazzling light spot, tearing the rolling dark clouds, and coming down quickly. At first, it was just a light spot. As the descending speed became faster and faster, everyone could see clearly that it was a sword shadow.

The sword shadow is getting bigger and bigger. When it is only a few dozen meters away from Deng Shiqi, the sword shadow is still more than ten meters wide, and the blade is more than two meters wide.

good!

This is exactly Baili Cexuan's stunt, volleying a sword.

Feeling the power of this sword, whether it was Deng Shiqi, Li Qinghai and others, they all changed color, and they were all terrified at the bottom of their hearts.

boom...

Just after the protective film was formed, a huge sword shadow came crashing down. In an instant, a terrifying roar sounded, and the protective film shattered instantly. Deng Shiqi and a few were directly smashed to the ground.

Since the moment of landing, the surrounding dust is filled with smoke.

At the same time, a figure slowly descended from the sky, with long hair flying in the wind and a cold expression.

It was Baili Cexuan.

Obviously, the ball of light that Deng Shiqi and the others teamed up just now did not cause any damage to him, but Baili Cexuan was too lazy to fight.

What?

Seeing the figure of Baili Cexuan, whether it was the people of Chunyang Palace or the disciples of the major sects, they were all secretly shocked.

Total shock.

He...he's not at all.

Deng Shiqi, Li Qinghai, Ren Pingsheng, these strong men joined forces to strike, and they did not cause any damage to him. Is this still human? If you hadn't seen it with your own eyes, who would have believed it?

Just when everyone was secretly shocked, the dust and smoke gradually dissipated.

I saw that Deng Shiqi and Li Qinghai collapsed to the ground one by one, their faces pale and weak, and they still had no strength to fight again.

Chapter 5305

Quiet!

In an instant, the entire gate of Chunyang Palace was deadly silent.

Especially the disciples of various sects, seeing the appearance of Deng Shiqi and others, all of them have chills on their backs, and their brains are buzzing.

Who is this man?

It turned out that with the power of one person, the alliance of Deng Shiqi, the powerful men, was defeated.

On the side of Chunyang Palace, the eyes of the palace master and Taoist Qianqiu were also closely watching Baili Cexuan, their faces were full of incredible.

This unknown gentleman, his strength is too terrifying.

Jiang Hongyu bit her lip even more. She first looked at Baili Cexuan, who was suspended in mid-air, and then at Yue Feng, who was sitting on the chair. Her heart was also messy.

The strength of this Mr. Wuming can no longer be described as terrifying, it is simply abnormally terrifying, and just such a person, last night, Yue Feng still needed to teach swordsmanship.

Could it be that... Yue Feng's strength is stronger than his?

“Pfft!”

Just when Jiang Hongyu was in a tumultuous mind, she saw Deng Shiqi lying there, spurting out a mouthful of blood, and then stared at Baili Cexuan in horror, with a terrified tone: “Sword in the sky, Your Excellency... Your Excellency It was performed, but twenty years ago, the swordsman's unique skill?”

When he said this, Deng Shiqi's eyes were full of horror.

As the head of Beihai Constellation, although Deng Shiqi has never seen the Juggernaut who crossed the rivers and lakes 20 years ago, he has heard a lot of his deeds, especially his famous sword technique “Lingkong Yijian”. ‘, and even heard from many seniors of Beihai Constellation.

Swish!

As soon as these words came out, Li Qinghai, who was also very weak, and Ren Pingsheng, their faces were pale and pale, and their eyes were extremely horrified, looking at Baili Cexuan, waiting for his answer.

Yes, the sword trick just now was the 'Lingkong Yijian' of the Juggernaut.

Could it be that... the person in front of me is the Sword Saint Baili Cexuan?

"Juggernaut?"

At the same time, everyone below exclaimed.

"He was the Juggernaut who crossed the rivers and lakes twenty years ago?"

"My God, it's actually him.

"

Trembling, his eyes fixed on Yue Feng, but he couldn't calm down.

Mr. Wuming is the famous Sword Saint?

But... Last night, Yue Feng was still teaching this Mr. Wuming swordsmanship? Moreover, Yue Feng is so young, and Juggernaut is enough to be his father, how could he be her apprentice?

Tangled with these, Jiang Hongyu's mind became even more messy.

At this time, Baili Cexuan slowly descended from the air, and gave Deng Shiqi and the others a cold look: "I didn't intend to inquire about common affairs, but starting today, I will make an exception."

Said, Baili Cexuan Looking at Yue Feng, he continued word by word: "Whoever opposes Yue Feng will be in trouble with me, Baili Cexuan." The

voice was not loud, but it spread throughout the entire Chunyang Palace.

For a time, everyone from the major sects present trembled in their hearts, and no one dared to stand up and question.

Deng Shiqi and Li Qinghai even lowered their heads, not daring to look at Baili Cexuan at all, and felt even more terrified in their hearts. I thought this person was just a nameless person, but I never thought that his identity was actually a Sword Saint.

But it's not over yet.

Just when everyone was shocked, Baili Cexuan walked over quickly, and when he arrived in front of Yue Feng, his face was respectful and polite: "How is Master, how is my performance just now?" The

attitude is completely the same as before. It is a world apart, as if a child met his parents.

What?

At this moment, no matter it is the major sects or the people of Chunyang Palace, their hearts are shocked, their eyes are all looking at Yue Feng, and they are completely stupid.

What did the Juggernaut call him just now?

Master?

The pavilion master of the Pill Pavilion of the Chunyang Palace turned out to be the master of the Sword Saint?

Isn't he only alchemy? Even if he has some strength, he is not qualified to be a master of the Sword Saint.

However, the facts are in front of them, and everyone has to face the reality.

Um!

Just when everyone was shocked, Yue Feng stood up with a smile, nodded at Baili Cexuan and said, "So-so, not bad."

The ultimate husband in Chinese chapter 5306-5310

Chapter 5306

Speaking, Yue Feng winked at Baili Cexuan secretly: "What did you call me just now?" This Baili Cexuan seemed to be a little complacent and forgot what he had explained to him before.

Uh...

Baili Cexuan scratched his head in embarrassment, then laughed and patted Yue Feng's shoulder: "I said 'comfortable' just now, haha... Did you think I was there? How about calling you master?"

When he said this, Baili Cexuan smiled on the surface, but he couldn't tell the shame in his heart.

Before, the master repeatedly told me not to expose my relationship with him, why can't I remember it?

Huh

Hearing this, whether it is Chunyang Palace and others, or Ren Pingsheng, Li Qinghai and other masters of various sects, all look relieved, and they are secretly relieved.

After a long time, I heard it wrong, Your Excellency Sword Saint, what I just said was comfortable, not called Master Yue Feng.

If you think about it carefully, Juggernaut is the most powerful person who has been in the rivers and lakes for decades. A little action can cause turmoil in the rivers and lakes. Although Yue Feng is the Pill Pavilion Master of the Chunyang Palace, regardless of his qualifications and strength, It is impossible to become the master of the Sword Saint.

Thinking of this, the masters of the various sects couldn't help but let out a sigh of relief. However, there was still an unconcealed fear on their faces.

Although Lord Sword Saint and Yue Feng are not masters and apprentices, it seems that the two are also closely related.

Under such circumstances, it is impossible to capture Yue Feng alive today and snatch the treasures of the Heavenly Secret Palace...

Phew!

On the side of Chunyang Palace, Jiang Hongyu, who was standing beside the palace master, bit her lip lightly at this time, looking at Yue Feng and Baili Cexuan with complicated eyes.

Everyone didn't know the situation, but Jiang Hongyu knew very well that Yue Feng was really the master of Lord Sword Saint, because when Yue Feng taught him swordsmanship last night, Jiang Hongyu happened to see it.

This chapter is provided by . Visit for daily update.

At this time, seeing Baili Cexuan change his... words in time, Jiang Hongyu realized that the famous Sword Saint His Excellency did not want to expose his relationship with Yue Feng.

"You people..."

At this moment, Baili Cexuan looked around and said to the crowd in Li Qinghai: "Whoever is still unconvinced, come up." The

luck was indifferent, but there was a contempt for the world . arrogant.

Gudong!

Feeling Baili Cexuan's powerful aura, whether it was Li Qinghai, Ren Pingsheng and others, they couldn't help swallowing, and their eyes were full of fear.

The next second, Li Qinghai squeezed out a smile that was uglier than crying, and said flatteringly, "Your Excellency Sword Saint, this...this is a misunderstanding, a misunderstanding..."

"Since Yue Feng is your friend, How dare we embarrass him? Let's go, let's go..."

After saying this, Li Qinghai greeted two apprentices to support him, and then led the other disciples of Tianhaimen down the mountain in despair, disappearing in the blink of an eye. on the mountain road.

Just kidding, this Yue Feng is guarded by the Sword Saint, and all the sects present are not opponents. There is no point in staying here. It is better to leave quickly.

Seeing this situation, the other sects also hurriedly accompanied their smiling faces and said goodbye to Baili Cexuan.

"That's right, it's a misunderstanding..."

"Senior Juggernaut, we also left..." In the

blink of an eye, the major sects also walked cleanly, leaving only the people in Chunyang Palace standing there, one For a long time, he couldn't come to his senses.

call....

Finally, the palace master reacted, walked over quickly, and bowed to Baili Cexuan: "It turns out that the senior was the swordsman who traversed the rivers and lakes twenty years ago, and the junior was disrespectful. I didn't recognize it before, please also ask Don't be surprised, senior."

When he said this, the palace lord's delicate body trembled faintly, unable to hide his shock and excitement.

The Sword Saint came to Chunyang Palace, and also scared off the major sects and solved the crisis of Yue Feng. Who is not excited about this?

“Don’t be too polite.”

Baili Cexuan quickly waved his hand and said with a smile: “What a swordsman, it’s just a false name, you still call me Mr. Wuming, I won’t say more, I’ll go to the back mountain Sword practice.” The

last sentence fell, and Baili Cexuan flew into the air, heading towards the back mountain.

This...

Seeing this scene, both the palace lord and the others were stunned, and they were all puzzled. According to rumors, the Sword Saint is aloof and arrogant, and very few people can talk to him. Words, but Juggernaut was so approachable just now.

Chapter 5307 Jiang Hongyu on the

side was hesitant to speak, he knew that the reason why the Juggernaut was so polite was inseparable from Yue Feng.

But finally held back.

Since Juggernaut Your Excellency and Yue Feng don’t want to expose their relationship, let’s respect them.

“Pavilion Master!”

At this moment, the Palace Master was the first to react, and asked Yue Feng: “You and Your Excellency the Sword Saint...”

Just asking about the general situation was decided by Yue Feng.

“Oops.” Yue Feng slowly got up from the chair and rubbed his neck: “I drank too much last night, and I still feel a little uncomfortable now, Palace Master, I’ll talk about it later, I’ll go back to the Dan Pavilion and sleep again. Just a moment.”

Saying that, he turned around and walked away quickly.

Baili Cexuan’s identity has been exposed, and it’s really hard to explain.

Huh...

Seeing Yue Feng walking away, the palace lord was not easy to ask questions, he immediately smiled bitterly, and then waved for everyone to disband.

.....

On the other side, the various sects left the gate of Chunyang Palace, and when they reached the foot of the mountain, they saw Li Qinghai and the members of Tianhaimen who did not leave. Very depressed.

“Elder Li!”

Seeing this scene, Ren Pingsheng walked over quickly, and said in a very angry tone: “What should we do next?” When he spoke, Ren Pingsheng was also very angry.

This time, all the sects went to Chunyang Palace, caught Yue Feng, and recaptured the Qimen Cultivation Technique of Tianji Palace. They were determined to win, but they never expected that a swordsman would appear at a critical moment.

To be honest, Juggernaut is extremely powerful, and it is not a loss to lose in his hands, but it is really unwilling to leave like this.

Swish!

The words fell, and the eyes of other sect masters also converged on Li Qinghai.

Among the many experts present, Li Qinghai, although not the highest in status, is the oldest in grade and has the deepest qualifications in the arena. With his experience, he can definitely think of a way. Phew

... Under everyone’s attention, Li Qinghai took a deep breath, frowned and pondered, and said slowly: “Then Yue Feng, he should be the Juggernaut that he only met recently.

It’s also for the medicine pill.”

“According to my speculation, the Sword Saint will soon leave the Chunyang Palace, as long as he is not by Yue Feng’s side, we can rest assured... From now on, our sects will People, take turns monitoring Chunyang Palace and Yue Feng’s every move. Once he goes down the mountain, we will act immediately.”

When he said this, Li Qinghai’s eyes flashed coldly.

Yue Feng, you can’t escape my palm.

When the words fell, everyone smiled and nodded in agreement.

“This method is good.”

“Just do it like this...”

.....

On the other side, the Kyushu Continent.

In Donghai City, on the beach by the sea, Hai Linger was alone, walking silently, with a lingering sadness on her delicate face.

After saying goodbye to Yue Wuya that day, she wandered around and unknowingly came to Donghai City.

In the world, love hurts the most.

After confirming that Yue Wuya and the Queen of Dragon King Island had given birth to a child, Hai Linger suffered an unprecedented blow in her heart and was almost heartbroken. kind of result.

Could it be that... all men in the world see one and love one? Hai Linger firmly believes that Yue Wuya

is not such a person, and it is precisely because of this that when she saw two drops of blood melted together, her heart collapsed even more....

After a long time, suddenly, her stomach growled, and Hai Linger suddenly realized that she had been doing things every two days and two nights.

There is a snack street not far from the harbour, and Hai Linger walked over directly.

Soon, a seafood noodle restaurant was found. Hai Linger found a seat by the window and sat down. She said to the waiter, "Bring me a bowl of noodles.

"Ling'er was as beautiful as a fairy, and the excited Hua Du said that it was not easy to ask. After answering, he hurried to prepare.

Whoa!

At the same time, the surrounding guests also looked at Hai Linger, and many men's eyes were straight.

"What a beautiful woman..."

"This temperament, this appearance, is absolutely incredible."

"Shh, be quiet, such a woman is definitely not something that ordinary people can provoke."

Chapter 5308 The

surrounding discussion, the sound of admiration kept coming, Hai Linger just pretended not to hear it, looking through the glass window, staring at the sea outside in a trance.

It's been almost two months since I came out. I really miss those clansmen.

"Beauty, your noodles are here." After a

while, the waiter came over with a bowl of hot seafood noodles and said politely to Hai Linger, "Please use it slowly."

"Thank you.." Hai Linger He smiled lightly, and then ate with restraint.

Whoa!

While they were eating, two young people pushed the door and walked in, and sat down at the table next to Hai Linger. The two wore uniform black fish skin soft armor, and at first glance they were people from the Sea Dragon Palace.

If it were normal, Hai Ling'er would have been alert at the first moment, but at this moment she was feeling sad and didn't pay attention at all.

"Two bowls of seafood noodles."

"Hurry up, we have an urgent matter. If we delay, we will smash your store."

The moment they sat down, the two members of the Hailong Palace shouted at the waiter, and they were arrogant. , The ferocious look made the waiter tremble with fear.

The other guests around were also silent, eating silently, daring not to make a sound.

After a while, the face was brought up, and the two disciples of the Sea Dragon Palace devoured it.

Um?

They were eating when they saw Hai Ling'er's slender figure, both of them were stunned. When he saw Hai Ling'er's appearance, he was even more shocked.

This...isn't this Tianmen Sect Master, Yue Wuya's woman?

Why is she in Donghai City?

After being stunned for a few seconds, one of them whispered to the other: "I'm watching her here, you hurry up and tell the boss, hurry up."

"Okay!"

After the two discussed, one continued to stay for noodles, the other One is to leave quickly.

Hai Ling'er didn't notice any of these situations. At this moment, she just wanted to return to the sea shark clan as soon as possible, and she would never come to the mainland again. It can be said that the incident of confessing her relatives by blood two days ago made her heartbroken.

After a while, after eating the noodles, Hai Linger got up and paid the money, then pushed the door and walked out.

The members of the Sea Dragon Palace who stayed here to monitor, quickly got up and followed.

Um?

When she noticed that someone was following her, Hai Linger immediately stopped and looked back at the members of the Sea Dragon Palace. Xiumei frowned, "What are you doing with me?"

Hai Linger was very upset when she spoke.

She could see at a glance that the other party was from the Sea Dragon Palace, but there was only one person, so she didn't take it to heart.

"Hehe..."

Seeing that the other party noticed, the disciple of the Sea Dragon Palace didn't panic, and smiled coldly at that time: "If I remember correctly, your name is Hai Ling'er, the princess of the sea shark clan, or Yue Wuya's. Girlfriend, isn't it?"

"Our Sea Dragon Palace is fighting against Tianmen, do you think you can go?" As they said, the members of the Sea Dragon Palace couldn't help looking at Hai Linger up and down, their blood was boiling, this woman is so beautiful, is simply flawless, no wonder it fascinated the Tianmen Sect Master so deeply. For her, she ventured to Dragon King Island twice and kidnapped the Queen's child.

Swish!

This person's gaze made Hai Ling'er feel very unhappy. At that time, her pretty face froze: "Go away, I don't want to kill anyone, but don't force me to shoot either."

Originally, I was in a troubled mood, but now there is another one looking for trouble. For a while, Hai Linger's mood is even worse.

Feeling the aura that filled Hai Ling'er's body, the man took a deep breath, and a trace of fear appeared in his eyes.

Wow...

At this moment, the companions rushed over with dozens of members of the Sea Dragon Palace.

"Haha, my people are here." Seeing the support, the man was complacent and laughed at Hai Ling'er, "You can't run away today." When he spoke, his eyes were full of excitement.

You must know that this woman is the girlfriend of the Tianmen Sect Master, and her identity is extraordinary. If she catches it later, it will be a great credit.

Complimented, the man pointed at Hai Ling'er and shouted at his companion: "Quick, it's her, take it."

Whoa!

Hearing the call, dozens of members of the Hailong Hall rushed over and surrounded Hai Linger.

"It's really this woman." The leader of the team, who carefully identified Xia Hai Ling'er, could not hide the excitement on his face: "Heaven has a way, you don't go, hell has no door, you cheat and break in, I don't know that Donghai City is now closed. Has it been controlled by our Sea Dragon Palace?"

Chapter 5309

"Take it!" The

last two words fell, and dozens of members of the Hailong Palace burst into internal force and rushed towards Hai Linger.

The previous attack on the main altar of Tianmen failed, and all the members of the Hailong Palace were filled with fire. Seeing Hai Linger at this time, they would naturally not miss the opportunity.

"Go away!"

Seeing this situation, Hai Ling'er frowned and was suddenly irritated: "I have nothing to do with Yue Wuya, don't come to bother me."

Heart hurt, at this time still Linger, do not want to It has nothing to do with Yue Wuya.

It's just that the members of the Sea Dragon Palace didn't listen to this at all. They raised their long knives one by one and cut them directly.

I'm so bored!

At this moment, Hai Ling'er stopped talking nonsense, her figure rose up, drew out her long sword, and fought fiercely with the place.

As the princess of the sea shark clan, although Hai Linger's strength is not at the peak of Yue Wuya's, she is considered to be a top expert in the rivers and lakes. Down, with agile movements, like a sparrow, it shuttled through the crowd.

The long sword in his hand is as fast as lightning, and every time he makes a move, a person from the Sea Dragon Palace will fall.

Bang bang bang.

In just a few short breaths, under the vibration of aura, nearly twenty disciples of the Sea Dragon Palace fell to the ground, unconscious.

Hai Ling'er has a kind heart, even in the face of the enemy, she did not kill the killer, but knocked them out.

Mad!

Seeing this situation, the leader's anger rose, staring at Hai Linger: "Hai Linger, don't resist, you'd better surrender obediently."

When he said this, the captain's face was ferocious. It was a shame that so many people dealt with a woman and injured so many people.

The voice fell, and the others around also shouted.

"Go ahead and capture it."

"Yes, don't struggle, you can't escape today."

As everyone shouted, they saw a street not far away, and more members of the Sea Dragon Palace rushed over.

Swish!

Seeing more and more enemies coming, Hai Linger's delicate body trembled, and her eyes flashed with a bit of sternness. These hateful pirates are so hateful, do you really think I'm easy to bully?

hum!

In the next second, Hai Ling'er's pretty face was frosty, her toes were a little on the ground, and she flew into the air. A pair of jade hands slowly lifted up, and the surrounding air suddenly froze.

Immediately afterwards, a huge waterspout appeared in front of her out of thin air. This waterspout was more than ten meters in diameter and nearly 100 meters high. From a distance, it looked like a silver flying dragon, which was very spectacular.

It is one of Hai Ling'er's stunts, 'Ling Hai Jue'. You must know that the sea sharks have lived overseas for generations, and the exercises they practice are also quite different from those of various schools in the mainland. The most peculiar is the 'Linghai Jue', which can form a sea tornado anywhere and severely damage the enemy.

"Go away for this princess!"

At this moment, Hai Ling'er let out a coquettish cry and pointed her jade finger at the enemy group.

Huhuhu...

At the moment when the voice fell, the huge sea tornado, carrying the power of heaven and earth, whistled towards the members of the Sea Dragon Palace and swept away.

"Run..."

"God... what skill is this?"

At this moment, seeing the sea dragon roll whistling, many disciples of the Sea Dragon Palace turned pale, and they were dumbfounded on the spot. scream.

Bang bang bang...

After ten seconds, when the sea dragon scroll disappeared, I saw hundreds of disciples of the Sea Dragon Palace, all wet and falling to the ground, their faces pale, and they were like dehydrated fish, extremely weak.

Seeing this scene, the leader who fled to the distance couldn't help taking a deep breath.

As expected of a woman who is the Lord of Heaven, this skill is really terrifying.

The other people around who were not hit by the sea tornado were also shocked.

call!

In the next second, the leader of the team calmed down and saw the tiredness on Hai Ling'er's face, and immediately shouted: "Everyone, don't mess up, this woman has consumed a lot of internal energy just now, and she is already at the end of her power. Let's go together, catch her."

Chapter 5310

"Go!" When the

voice fell, dozens of members of the Hailong Hall regrouped and rushed towards Hai Linger again.

Seeing this situation, Hai Ling'er frowned and became a little nervous, because the leader of the team said it well, after using the Spirit Sea Art just now, more than half of her internal energy was consumed.

In this case, keep fighting and you will be caught sooner or later.

No, never get caught.

Thinking to herself, Hai Ling'er bit her lip tightly, and the long sword in her hand drew a shock to meet the rushing crowd.

Bang bang bang...

I saw Hai Ling'er's graceful figure, shuttled through the enemy group, and the long sword drew a dazzling brilliance.

In order to get out of trouble, Hai Ling'er mobilized all her internal strength, and she no longer hesitated and benevolent to take action. Every strike was a kill with one strike. In less than five minutes, around her, more than a dozen members of the Sea Dragon Palace fell to the ground. in a pool of blood.

Wow....

The sound of fighting has attracted many people and tourists, watching from a distance, and seeing this scene, many people exclaimed.

"Hey... This woman is so powerful."

"So beautiful, she is still so strong, it's like a goddess descended to the earth. I heard those people in the Sea Dragon Palace just now say that she is the woman of the Lord of the Heavenly Sect. Could it be... Is she the princess of the sea shark clan?"

"It seems so... It is said that the princess of the sea shark clan is very beautiful. It is rare in the world. When I see it today, it really lives up to its reputation."

Everyone exclaimed, no The young man looked at Hai Ling'er's figure closely, completely lost.

So beautiful and so powerful.

If you can marry such a woman, this life will be worth it.

The praises from the distance kept coming, Hai Linger bit her lip tightly, and her heart became even more anxious. She saw that at the street not far away, the members of the Hailong Hall were still coming.

"Hai Ling'er!"

In the next second, an angry shout came, and a figure burst out, with a powerful aura permeating his body, and his aura was soaring.

It's the aftermath.

Hearing that Hai Linger appeared in the noodle shop by the sea, Yu Du rushed over immediately.

Oops!

Seeing Yu Po, Hai Ling'er's delicate body trembled, and her heart sank to the bottom in an instant.

"Hehe, it's really you." At this time, Yu Du looked at Hai Ling'er up and down, and said with gritted teeth: "Last time, God didn't have long eyes, and a storm came down, and let that boy Yue Wuya take you to run. It's gone, this time, you're not so lucky."

Half a month ago, Yu Du had been deeply remorseful for his failure to exchange hostages, how could he miss the opportunity when he met Hai Ling'er again this time?

"Leader Yu."

Feeling Yu Du's anger, Hai Ling'er tried her best to calm herself and said slowly, "If you want to use me to deal with Tianmen, I advise you to give up. Yue Wuya and I have nothing to do."

Thinking of Yue Wuya, Hai Linger felt a pain in her heart.

no problem?

Hearing this, Yu Du froze for a moment, then sneered: "It doesn't matter, it's not you who has the final say, you can capture it." The voice fell, Yu Du's inner strength exploded, and a palm directly hit him.

The speed was as fast as lightning, and he was in front of Hai Linger almost in the blink of an eye.

During this period of time, Yu Du had been by Gone's side all the time. In terms of cultivation, after Gone's guidance, his strength had improved a lot in just a few days.

So fast...

Feeling the speed of the residual poison, Hai Ling'er's delicate body was shocked, and it was too late to dodge.

Bang.. The

next second, the palms of the two collided, Hai Linger only felt a majestic force coming, but with a coquettish cry, the figure retreated a dozen steps in a row, after stabilizing the figure, the blood in the body Tossing, the internal force will be shaken away.

This.... the strength of this Yu Po, in just a few days, has actually increased so much?

At this moment, Hai Ling'er stared at Yu Du's delicate face, unable to hide the fear and shock. You must know that a month ago, she and Yu Du fought against each other. At that time, the two sides were evenly matched, and Yu Du could only use the medicine secretly in the end. In order to catch Hai Linger, if it is an open and honest one-on-one, Yu Du will be difficult to win.

At this time, Hai Ling'er clearly noticed that Yu Du's strength increased by at least two realms compared to the last time they fought.
