

The ultimate husband in Chinese chapter 5311-5320

Chapter 5311

Haha...

Yu Du also looked in admiration, looking at Hai Ling'er with a slight smile: "As expected of the princess of the sea shark clan, her strength is indeed extraordinary, if it was a month ago, I really wasn't sure of winning you."

But now and then, the stunt of your sea sharks is no longer a threat to me." The

last word fell, Yu Du's eyes flashed with a cold light, and his figure rose into the sky, and at the same time there was a bloody long knife in his hand. .

I saw that this blood-colored long knife was very strange. The handle of the knife was forty or fifty centimeters, and it was more than enough to hold in both hands. Intimidating.

It was the Gorefiend Sword that Yu Du had recently ordered.

A month ago, Yu Du was ordered by Mo Yan to set up the Gorefiend Gate on the rivers and lakes of Kyushu, and used the arena to win over talents. Later, when Gone knew the situation, he greatly appreciated Yu Du's ability, not only to train Yu Du's cultivation, but also to use Demon blood to temper his bones.

After being tempered by the demon blood, even if Yu Du is a half demon, although he can't condense the demon soul, he can still explode with terrifying power with the power of the powerful demon blood.

Under such circumstances, Yu Du ordered someone to capture a disciple of Famous Sword Villa, and asked him to specially forge a Gorefiend sword that fit his abilities.

Although this blood demon knife is not of the same rank, it is completely comparable to the purple rank weapon because of the blood essence that has been poured into it.

"Hai Ling'er..."

At this time, Yu Du Ao stood in the air, holding a blood demon knife, his face was full of arrogance and confidence: "I advise you to surrender."

Feeling the momentum that erupted from Yu Du, Hai Ling Er bit his lip tightly, his attitude still firm: "I, the shark clan, never know what surrender is. If you want to fight, just do it."

Not self-sufficient.

Hearing this answer, Yu Du's face sank, and he stopped talking nonsense at that time. The inner strength of his body exploded, and in an instant, the entire sky was torn apart.

This chapter is provided by . Visit for daily update.

“Gore Demon Slash!” In the

next second, Yu Du roared loudly, and suddenly swung the Blood Demon Sword. In an instant, an extremely violent force burst out from the Blood Demon Sword, and finally formed a terrifying blood-colored sword shadow. He slashed directly at Hai Ling'er.

This blade shadow, more than 100 meters long, was completely formed by the power of the residual poison. Wherever it passed, the main sky was reflected in blood red.

Whether it was Hai Ling'er or the members of the Sea Dragon Palace present, they all felt a strong bloody aura. One by one was shocked.

The people and tourists who were watching from a distance felt that they were out of breath. In awe, many people left quickly, for fear of angering their upper body.

However, at the same time as the shock, many members of the Sea Dragon Palace were also extremely excited.

“What a powerful knife..”

“I didn't expect that Chief Yu's strength has improved so much in just one month...”

“Such a terrifying power... Today is really an eye-opener.”

Those sea dragons around The admiration of the people in the hall kept coming, Hai Ling'er stood there quietly, there was no expression on her beautiful face, but she couldn't tell the tension in her heart.

What a powerful knife.

Moreover, this blood-colored sword shadow seems to contain extremely strong demon power. Could it be that the young man called Liu Hao has something to do with the demons?

hum!

Just when Hai Linger was thinking about it, the terrifying blood-colored blade shadow came to her in an instant. At that time, Hai Linger didn't have time to think about it, she quickly activated all the internal energy in her body and injected it into the long sword, trying to block this terrifying blow.

Boom....

The next second, the blood-colored sword shadow slashed on the long sword, and the long sword shattered in an instant, Hai Linger groaned, and a mouthful of blood spurted out, her delicate body like a kite with a broken string. Usually, they were directly knocked out and flew over a hundred meters before they landed on the beach by the sea.

“You...”

At the moment of landing, Hai Ling'er felt as if her entire body had been shaken to pieces. She looked at Yu Du in shock and anger, and only said one word, her eyes went black, and she fainted.

Yu Du didn't talk nonsense, he slowly landed down, and ordered to the people around him: “Tie it up and take it away.”

Chapter 5312

“Yes!”

Several members of the Sea Dragon Palace responded quickly, then walked over quickly, tied Hai Linger's hands and feet, and took them to the temporary camp of the Sea Dragon Palace.

The temporary camp was set up at the Zhaixing Building by the sea.

The Star Picking Tower is a landmark building in Donghai City. Back then, Yue Feng and the major sects used to resist the invasion of the Apocalypse Continent here. A few days ago, the Hailong Palace attacked the Tianmen General Altar in Zhongzhou City. here.

A few minutes later, we arrived at the Star Picking Building.

Yu Du ordered Hai Ling'er to be locked in the underground secret room of the Xingxing Building, and then entered the lobby on the first floor alone.

In the hall, Gogne, dressed in a white gown, was sitting there thinking, with a cup of brewed tea beside him, and two maids stood silently behind.

The atmosphere is calm, yet depressing.

A few days ago, he failed to attack the main altar of Tianmen.

Seeing this scene, Yu Du felt very uneasy.

“Respect!” In the

next second, Yu Du walked up quickly and said cautiously, "I was at the beach just now and caught Hai Ling'er. I think this is a good opportunity for us.

"Linger?" Gone frowned, a trace of daze in his eyes. He was unfamiliar with Hai Ling'er, so naturally he didn't know who it was.

Seeing his expression, Yu Du hurriedly said: "Hai Linger, the princess of the sea shark clan, many years ago, when the Raksha clan brought disaster to Kyushu, the sea shark clan sent her to support the Kyushu mainland, and she met Yue Wuya at that time. , and then the two developed into a couple."

Oh?

Upon learning of these circumstances, Gone was stunned for a moment, and then showed a smile: "So, this Hai Ling'er is the woman of Yue Wuya?"

"Yes , Your Honor!" Yu Du replied

, his face changed I was also a little ashamed: "Half a month ago, I used this woman to exchange the young master with Yue Wuya. As a result, I encountered a storm, which led to the failure of the exchange of hostages..."

"But fortunately, now my subordinates will The capture of this woman can be considered to have made up for it."

When he said this, Yu Du kept an eye on the change in Gone's expression.

Hmm....

Gone nodded, smiled and praised: "Okay, you did a good job, catch this woman, we may be able to turn the situation around."

After speaking, Gone thought for a while, rushed With Yu Du instructed: "Go and interrogate this Hai Linger now, and ask her where Yue Wuya and Wen Chou Chou are hiding. If you can wipe out these people in one fell swoop, it's up to this opportunity."

"Subordinates obey."

Yu Du responded, and quickly exited the hall and went straight to the secret room below.

In the dark and damp secret room, Hai Linger collapsed on the straw, her eyes were closed, and she was still in a coma. There were two elites from the Sea Dragon Palace guarding the door, closely monitoring Hai Linger's situation.

At this moment, seeing Yu Du walk in, the two quickly greeted: "The leader!"

"I have seen the leader!"

Yu Du waved his hand and asked, "Have you woken up yet?"

"Not yet." One of the elites quickly replied, Then he stepped aside and let Yudu enter the secret room.

call!

Yu Du let out a light sigh of relief, and his expression became a little complicated. Did he strike hard just now? If she didn't ask anything, she died, wouldn't it be a waste of time?

However, seeing Hai Ling'er's state, she was only in a coma, and there was no danger to her life. Yu Du was not worried, and said to the two elites, "Splash her with water to wake her up."

After hearing the order, the two complied and hurriedly brought a basin. Cold water poured on Hai Ling'er.

Crash... The

cold water was poured on her body, Hai Linger's delicate body trembled, and Yunyou woke up.

At this moment, seeing who was soaking Hai Linger's body, the eyes of the two elites suddenly straightened, and they couldn't help swallowing secretly.

Beautiful.. so beautiful.

She really deserves to be the woman of the Lord of Heaven, the princess of the sea shark clan, with this face and body, it can be called the best of the best.

I sighed in my heart that the two elites did not dare to be too direct. After all, Hai Linger was a repeat offender caught by Yu Du himself, and her identity was extraordinary, and it was simply not something that people like them could get involved in.

Chapter 5313

What's more important, Yu Po is on the side, so they can only watch it, and they don't dare to speak rudely to Hai Linger.

call!

At this moment, seeing Hai Ling'er's graceful curves looming, Yu Du was also a little stunned, and was stunned for a while.

Feeling the gazes of the three, Hai Ling'er was shocked and angry, and then said weakly at Yu Du: "You...you caught me, what are you going to do?"

Hehe...

Hearing the question, Yu Du said He calmed down and smiled at Hai Ling'er: "Don't be nervous, we have spoken, as long as you cooperate obediently, we will not hurt you."

After speaking, Yu Du's face became serious: "Yue Wuya, Where are Wen Chou Chou and the others, as well as our young master of the Sea Dragon Palace, hiding now?"

Before launching the attack on Tianmen, Gone sent Yu Du to secretly investigate the whereabouts of Yue Wuya and the child, but Yu Du exhausted all means. No trace of Yue Wuya and his children could be found.

Until now, Yu Du and Gone didn't know that Yue Wuya and the child had been hiding in the main altar of Xia Yinzong.

The main altar of Xia Yinzong is very remote and hidden, and it can avoid the pursuit of the gods for thousands of years.

Turns out they wanted to check this out.

At this moment, Hai Ling'er quietly looked at Yu Du, bit her lip lightly, and answered decisively, "I don't know."

Although Yue Wuya made her very sad, the people from Wen Chou Chou and Xia Yin Zong were both The chivalrous warriors of the righteous Bo Yuntian must not tell where they are hiding.

do not know?

Hearing this answer, Yu Du's face sank, and he sneered: "Hai Linger, do you think I believe this? You are Yue Wuya's girlfriend, you don't know where he and Wen Chou Chou are hiding. "

Who are you lying to?"

Hai Linger's beautiful face did not fluctuate at all: "I broke up with Yue Wuya, I really don't know where he is. Otherwise, how could I be alone? Appeared in Donghai City?"

"You quickly let me go, I want to go back to the sea shark clan, the grievances between you and Tianmen have nothing to do with me."

What?

broke up?

Hearing this explanation, Yu Du was stunned for a moment, and then sneered: "You broke up with Yue Wuya? You really think I'm a three-year-old child. Back then, Yue Wuya went to the Dragon King Island three times and twice, and would rather be surrounded by a heavy siege. If I want to rescue you, you will break up?"

"Don't think I can't guess, you came to Donghai City alone to investigate the situation of our Sea Dragon Palace, right?"

Yu Du was smug when he said this, A look that sees everything.

Hai Ling'er was originally in a calm mood, but when she saw him mentioning Yue Wuya, her mood instantly became extremely irritable, and she said coldly, "Anyway, Yue Wuya has nothing to do with me, believe it or not."

Shah!

At this moment, Yu Du was completely angry: "You can't talk about it." After speaking ,

Yu Du said to an elite next to him: "Hit me."

It's not good to use torture directly..." This Hai Ling'er looks like a fairy, like a fairy, wouldn't it be a pity to break it?

"What nonsense?" Yu Du glared and shouted angrily.

Seriously, she didn't want to torture Hai Linger, but she had no choice. Your Excellency entrusted herself with the task of questioning. In any case, she had to ask Hai Linger about the hiding place of Yue Wuya and others. .

"Yes, Chief!"

Seeing Yu Du's anger, the elite didn't dare to say anything more, and walked out quickly, took a soft stool and came back, slowly walking towards Hai Ling'er.

When they got to the front, the gentleman said in a complex tone, "Beauty, I think you should say it. You were caught by our leader Yu, you can't escape, you might as well cooperate."

Hai Linger snorted coldly, completely ignoring it . .

As the princess of the sea shark clan, Hai Ling'er looks fragile, but her heart is very tough.

Ugh!

Seeing her like this, the elite didn't say any more, suddenly raised the soft whip, and slapped Hai Linger fiercely.

Hearing a crisp sound, Hai Ling'er's delicate body trembled, and a blood mark appeared on her body instantly. She felt severe pain. Hai Ling'er gritted her teeth and didn't cry out, but there was a layer of cold sweat on her forehead.

Chapter 5314

Before Hai Linger and Yu Du fought, she was shaken by the blood-colored sword shadow and dissipated her inner strength. She was already very weak. At this time, facing the blow of the soft whip, her delicate body naturally couldn't bear it.

For a time, Hai Ling'er endured the pain and tried to struggle, but her hands and feet were tied and she couldn't move at all.

"Hai Ling'er."

Yu Du's eyes flashed ruthlessly, without the slightest pity, he slowly walked over and said, "I really don't want to embarrass you, I ask Yue Wuya and Wen Chou Chou their whereabouts, I just want to find us as soon as possible. Lord. I hope you can cooperate well."

"As long as you reveal their hiding place, I will let you go immediately, and my words will count."

Phew! Hai Ling'er

took a deep breath, clenched her teeth tightly, raised her head to meet Yu Du's gaze, and said word by word, "I also count what I say, I don't know, I just don't know!"

Jumping straight, squinting at Hai Linger for a few seconds, then nodded and said, "Okay, very good, your personality is very tough, right? I want to see how long you can hold out."

"Continue to hit me, hit me. Until she is willing to speak." The

voice fell, and the elite waved the soft whip again and beat Hai Linger fiercely.

Papapa...

In an instant, the soft whip slapped Hai Linger again and again, the pain seemed to tear her nerves apart, however, Hai Linger clenched her teeth and didn't shout.

Soon, the long skirt on Hai Ling'er's body was dyed red with blood, and the whole person was indescribably weak, but her eyes were still shining with determination.

call!

Seeing her so tenacious, Yu Du was both amazed and annoyed.

Mad, what should I do when I meet a master who doesn't eat hard and soft? If you really want to kill him, there is no way to explain it to your honor.

Shasha...

At this moment, there was a slight sound of footsteps outside the secret room, and then, Gone walked in indifferently.

Seeing Gone, the elite hurriedly stopped.

Yu Du also hurried up to meet him: "Your Highness."

Gone glanced at the blood-covered Huan Ling'er and frowned, "How is the interrogation? The hiding place of Yue Wuya and Wen Chou Chou's gang, she said. No?"

Waiting for left and right in the lobby on the first floor, and seeing Yu Du come back to report, Gone really couldn't wait, so he came down to check the situation in person.

Uh...

Facing Gone's question, Yu Du's face was embarrassed, and he said very ashamedly: "Your Honor, this... This woman has a tough personality, no matter what method I use, that is not to say, this is not... It's being executed." As he

spoke, he wiped the cold sweat from his forehead.

Gone frowned, looked at Hai Linger, and said displeasely: "She doesn't want to say it, even if you kill her, she won't say anything." After speaking

, Gone thought about it, and then He waved at the two elite disciples: "You go out first."

"Yes, your honor!" After receiving the order, the two elite disciples hurriedly responded, and then quickly exited the secret room.

For a while, in the secret room, only Gone, Yu Du and Hai Ling'er were left.

"Your Highness!" Yu Du

couldn't help but ask, "What are you going to do with it?"

"It's useless to punish someone like her." technique'."

Soul Reaper?

Hearing these four words, Yu Du was stunned.

At the same time, the incomparably weak Huan Ling'er trembled inwardly and became inexplicably nervous. The name sounded very sinister.

Gone smiled at Yu Du: "The art of seizing the soul is to use powerful power to control her mind, soul and soul, and use it for me. When the time comes, she will do whatever she asks her to do."

"Wait for me to cast it. When the art of seizing the soul, you should look out for the door, and no one is allowed to come in to disturb." The

voice was not loud, but it revealed an unquestionably powerful aura.

"Yes, your honor!" Yu Du responded, and quickly stood obediently at the door.

At this moment, Gone slowly walked towards Hai Ling'er.

"You..." Seeing Gone approaching step by step, Hai Ling'er was so nervous that her voice trembled: "Don't come here...don't come here."

In Hai Ling'er's eyes, Ge Although Nirvana has a young and handsome appearance, there is no residual poison and looks scary, but for some reason, the aura that pervades his body makes people feel fear in the bottom of their hearts.

Chapter 5315

What's more important, Hai Linger resisted from the bottom of his heart what Gone said just now about the art of seizing the soul.

Hehe...

Seeing her terrified face, Gogne smiled lightly: "Yu Du has been interrogating you for a long time, but you still refuse to cooperate, so I can only do this."

"Unless you are willing to cooperate and reveal their hiding place. Earth."

Phew...

At this moment, Hai Ling'er took a deep breath, and her heart went deep into a deep tangle.

Do you really want to say it?

Wen Chou Chou, Sun Dasheng, and those from the Xia Yin Sect are all heroes. If they tell their situation, they will become sinners through the ages.

But if you don't say it, the other party will use the art of seizing the soul, and he will be controlled and become a walking corpse. If you really want to become like that, it is better to die.

Under the entanglement, Hai Linger almost collapsed: "Just because of a child, you are going to cause disputes in the rivers and lakes. Don't you know that your Hailong Palace and Tianmen are actually a family? Why do you have to mess with life?"

Saying these At that time, Hai Linger was still helpless.

In her heart, she believed that the child was born by Yue Wuya and Mo Yan, and under this premise, Tianmen and Hailongdian were naturally a family.

Um?

Hearing this, Gone frowned and looked at her puzzled: "What did you say? What family?" Yu Du, who was

standing at the door, also looked puzzled.

Seeing their reaction, Hai Ling'er said weakly, "That child was born to Yue Wuya and the queen of your Dragon King Island, don't you know?"

"I... that's why I broke up with Yue Wuya..." At the

end, the unspeakable sadness and helplessness in Hai Ling'er's eyes, coupled with the blood, was pitiful. .

What?

As soon as these words came out, both Gone and Yu Du were taken aback.

The father of the child is Yue Wuya?

This... how is this possible?

In the next second, Yu Du took the lead in reacting and shouted angrily at Hai Ling'er: "Don't talk nonsense, my queen, how could she like that kid Yue Wuya and have children with him..."

In Yu Du's heart, Queen Moyan is like a fairy in the sky, noble and extraordinary. Although Yue Wuya's status is extraordinary, it is impossible for the queen to fall in love with him.

Seeing him so excited, Hai Ling'er smiled sadly: "You think I'm talking nonsense, then tell me, who is that child's father?"

Uh...

Yu Du's face stiffened, and he was speechless for a while.

After learning that Moyan was pregnant with a child, the entire Dragon King Island was speculating, but no one dared to ask Moyan, and Moyan never said who the child's father was.

Later, Gone went to Dragon King Island and asked Moyan who the father of the child was, but Moyan also begged hard at the time, and finally Gone gave up the questioning.

It can be said that until now, no one except Mo Yan herself knew who the father of the child was.

"Then let me tell you."

Seeing that Yu Du couldn't say anything, Hai Linger let out a light sigh of relief, and then explained in detail what happened to Nalan Wushuang that day. In the end, Hai Linger's eyes were full of disappointment for Yue Wuya: "At that time After recognizing her relatives by drop of blood, the Nalan family's young lady also took out the hospital's test sheet. The 99% match is enough to prove that Yue Wuya is the father of the child."

"This matter is estimated to have already happened in Nalan. The family, as well as the rivers and lakes, have spread, you can check it out, I didn't lie to you, it's a fact."

Jing!

The last word fell, and the entire secret room was deadly silent.

Yu Du froze there, his mind buzzing, could it be that the father of the child is really Yue Wuya?

Next to Gone, his face flickered, his eyes were extremely gloomy, and a nameless anger rose in his heart.

This Moyan did such a thing and had a child with Yue Wuya. No wonder she would rather die than say it when she questioned her before...

huh!

Finally, after more than ten seconds, Gone took a deep breath and said to Yu Du: "This Hai Linger, wait for her to be healed, and then send someone to look after her."

“Also, send someone back to Dragon King Island immediately, Let Moyan come to see me in Donghai City as soon as possible.”

After saying this, Gone couldn't hide the anger in his heart and strode out of the secret room.

The ultimate husband in Chinese chapter 5316-5320

Chapter 5316

“Yes, obey.”

Yu Du quickly responded, sweating profusely at the time, and secretly worried about Mo Yan.

It's over, looking at the appearance of the honorable man, he is very angry. The queen may be in trouble now.

At the same time of worrying, Yu Du was also at a loss. He really couldn't understand how the Queen could see that kid Yue Wuya.

Thinking to himself, Yu Du walked outside the secret room, ordered a few elite disciples to guard Hai Linger tightly, and then sent someone to deliver the news to Dragon King Island.

“You guys...”

At this moment, Hai Ling'er was shocked and angry, she had already told the matter, but these people still didn't let her go.

.....

On the other side, the Lagerstroemia Continent.

The weather is nice today, sunny and cloudless.

In the small garden next to the Pill Pavilion, there is a chessboard on the table. Yue Feng is comfortably lying on the chair, sipping tea slowly while playing against Dongfang Yunqing.

Don't look at Dongfang Yunqing, who is only twelve or thirteen years old, but he is talented and quick-witted. In the past two days, with the help of Yue Feng, he has integrated the Qimen exercises in the soul of Tianji. No matter in all aspects of ability, has far surpassed ordinary people.

Xiaorou stood beside her with a smile on her face.

On the grass a few meters away, Baili Cexuan held a wooden sword and practiced one move at a time. In the past two days, Yue Feng passed all the 'Tiangang Sword Art' to Baili Cexuan without reservation.

Baili Cexuan is like a treasure, in order to understand the essence of it, he almost forgets to eat and sleep. Although Baili Cexuan is a famous sword idiot with extraordinary talent, it is obviously impossible to comprehend the essence of Tiangang sword art in a short time. After all, this set of sword art has been developed by Nangong Jue for decades. Created, and then improved by Yue Feng. Although there are only a dozen tricks, they are ever-changing.

This chapter is provided by . Visit for daily update.

Snapped!

At this time, Yue Feng took a sip of tea, then pinched a chess piece and landed it on the chessboard. He smiled at Dongfang Yunqing: "This step, but there is no solution."

Dongfang Yunqing put his hand on his cheek and looked carefully for a moment . , sighed helplessly: "Oh, I lost again."

Said, Dongfang Yunqing looked at Yue Feng with admiration: "Brother Yue Feng, you are very good at chess, just now, I will leave. One step, twenty steps, why can't you win?"

When he said this, Dongfang Yunqing's delicate face was full of unwillingness.

"Take one step, look at twenty moves?"

At this moment, Xiaorou, who had been standing beside her, couldn't help but exclaimed, "Sister Yunqing, as far as I know, the masters of chess in the past, that is, take one step and look at two. Ten moves, when you are a junior, you have reached the realm of a master."

Xiaorou is by no means making a fuss, if you know a chess skill, you can get started by taking one step and two steps, and if you can read five steps, even if you are an expert, The realm of twenty steps belongs to the master.

Dongfang Yunqing was only in the 12th or 13th grade, and it was really rare that he could take one step and watch twenty steps.

Uh...

Hearing Xiaorou's compliment, Dongfang Yunqing smiled embarrassedly: "Sister Xiaorou, don't praise me, even if I can watch twenty steps, I still won't lose in the end. Speaking of which, Brother Yue Feng is the most powerful."

Xiao Rou nodded in agreement.

If someone else can win Dongfang Yunqing, she must be surprised, but if it is Yue Feng, it is not surprising at all, this man is really hard to see.

Hehe...

Seeing Dongfang Yunqing's expression, Yue Feng couldn't help laughing, and said slowly: "Yunqing, being able to watch twenty moves is very powerful, but you must know that playing chess does not depend on the opponent. No matter how many moves the opponent can see, as long as you can guess the opponent's mind, the game will naturally be under your firm control."

Hearing this, Dongfang Yunqing froze. Mouth, with a look of astonishment: "You...you guessed my mind just now? How...how is this possible?"

This brother Yue Feng's palace is even more terrifying than his father. You know, when my father taught me chess, I couldn't do it.

Yue Feng smiled slightly, pretending to be mysterious: "Don't be surprised, after you have mastered all the Qimen exercises in the soul of heaven, you can do it too."

Chapter 5317

Hmm!

Dongfang Yunqing nodded heavily: "I will definitely pass on all the skills of Tianji Palace." After speaking, Dongfang Yunqing hurriedly cleaned up the chessboard: "Brother Yue

Feng, let's play another game."

Yes smiled and stood up: "It's getting late, let Xiaorou play chess with you, I have something to do, I have to leave for two days." After saying that, Yue Feng looked up at the cloudless sky, if thoughtful.

In the past two days, after Yue Feng taught Baili Cexuan all the Heavenly Gang Sword Art, his divine power has also returned to its peak state. With Yue Feng's current strength, he can completely shatter the void and leave.

However, if the void is broken, there are some risks. You must know that there are many human worlds separated by the chaotic void. If you accidentally enter the chaotic void, it will be troublesome.

So Yue Feng thought about it and thought that the best solution was to build a Chaos Teleportation Array.

The Chaos Teleportation Array was learned by Yue Feng after he accidentally entered the Roland Continent and followed the video learning left by Fuxi. At that time, Yue Feng was captured by a secret organization and finally entered the underground palace built by Fuxi by chance.

At that time, Fuxi left a trace of residual thoughts in the underground palace, and after communicating with Yue Feng, he handed over the method of constructing the Chaos Teleportation Array to Yue Feng.

Although this incident has passed for a long time, the scene at that time is still vivid in Yue Feng's mind.

So Yue Feng thought about it, and when the right opportunity came, he left Chunyang Palace and found a place to build a Chaos Teleportation Array. At that time, with the Chaos Teleportation Array, he would not be afraid to break into the Chaos Void by mistake.

Dongfang Yunqing has been here for a few days, he is familiar with the environment of Chunyang Palace, and his relationship with Xiaorou is also good. In addition, the weather is good today, Yue Feng is going to go down the mountain to find a place suitable for building a Chaos Teleportation Array.

away for two days?

At this moment, both Xiaorou and Dongfang Yunqing were stunned.

It's so good, why do you want to leave suddenly? At the same time, Baili Cexuan

also stopped practicing swordsmanship immediately, walked over quickly, and asked with great concern, "The pavilion is going out? Do you want me to accompany you?"

After the incident, Baili Cexuan became much more cautious, and never exposed his relationship with Yue Feng.

But in his heart, he always respects Yue Feng and regards him as his master.

Therefore, no matter where Yue Feng is going, in Baili Cexuan's heart, his disciple must accompany him.

"No need!"

Yue Feng shook his head and said lightly: "You should stay in the Chunyang Palace and continue to study the sword art. I will only be away for two days." After

speaking, Yue Feng took a step forward, lowered his voice, and rushed forward. Zhu Baili Cexuan continued: "This Dongfang girl has just come to Chunyang Palace. She

has a special status. Many sects want to capture her and snatch the Qimen exercises of Tianji Palace, so there must be someone around to protect her. In the entire Chunyang Palace, only you are the most suitable.” If

you want to go out and find the place to build the Chaos Teleportation Array, this matter needs to be kept extremely secret, and you cannot let the second person know. You must know that the Chaos Teleportation Array is no trivial matter. Knowing that, it will surely cause the rivers and lakes to shake.

And what Yue Feng said is right. Although Chunyang Palace is powerful, if the major sects are looking for trouble again, it will be difficult to stop it with the help of the palace master and Taoist Qianju. Foolproof.

After all, this Juggernaut who has been in the rivers and lakes for decades is not just a name.

“All right.”

Seeing Yue Feng say this, Baili Cexuan no longer insisted, and nodded immediately: “Pavilion Master, rest assured, I will definitely protect Dongfang girl, if there really is that one who doesn’t have long eyes and dares to come to Chunyang Palace to make trouble, I will definitely Let him come and go.”

Hmm!

With his words, Yue Feng was no longer worried, and after explaining a few more words, he went straight down the mountain.

On the way down the mountain, Yue Feng was in an indescribably happy mood. After spending a few months on the Lagerstroemia Continent, he finally had the chance to leave.

But...it’s not easy to find someone who can build a Chaos Teleportation Array.

Chapter 5318

Huh?

As soon as he arrived at the foot of the mountain, Yue Feng frowned. He was in a happy mood, but also became helpless.

He clearly felt that in the woods on both sides of the road, there were many experts in the rivers and lakes hidden. Listening to the sound of breathing, there should be many people.

Speaking of which, if it was someone else, it would never be felt.

But Yue Feng is a mysterious saint. Whether it is vision, hearing, or perception, he is far superior to ordinary people. Not to mention the hidden people around him, he knows how many birds and insects there are.

However, sensing this, Yue Feng didn't startle the snake, but took a deep breath, and while striding forward, he sang an Internet song that was popular in the Earth Continent a few years ago: "Pig... You have two holes in your nose..." The

resounding voice spread throughout the valley.

For a while, hearing this song, the masters of various sects hidden in the woods all looked at each other in dismay.

"What did he sing?"

"It's such a strange song... I've never heard it wrong..."

"Mad, why do I feel like he's scolding us in innuendo?"

"There was only one person, and there was no Baili Cexuan to follow. These sect masters suddenly felt confident and rushed out of the woods.

Whoa!

In an instant, thousands of masters from various sects rushed out together and directly blocked Yue Feng's retreat. The leaders were Li Qinghai, Deng Shiqi, Ren Pingsheng and others.

Two days ago, after they all went to the Chunyang Palace to make trouble and failed, although they were intimidated by Baili Cexuan's strength and did not dare to set foot on the Chunyang Palace mountain gate, they were all unwilling. Ambush at his feet, waiting for Yue Feng to go down the mountain alone.

Originally, they had made long-term plans, but they never expected that Yue Feng would go down the mountain alone after only two days.

Indeed they are!

Seeing the masters of various sects rushing out, Yue Feng frowned secretly, feeling very helpless.

These people are really persistent in order to snatch the Qimen exercises of the Tianji Palace.

"Yue Feng!"

Just when Yue Feng was muttering in his heart, Ren Pingsheng took the lead to step forward, the anger that could not be concealed in his eyes, and said coldly, "I'll see where you run this time.

"The gate of Chunyang Palace was frustrated, and Ren Ping was inexplicably angry.

The voice fell, and the others also shouted angrily.

"Yue Feng, those who are acquainted, hurry up and capture them!"

"You were lucky to have the protection of the Sword Saint the day before yesterday. You have no chance at all this time." When

the anger of the crowd came, Yue Feng did not panic at all, with a smile on his face. First, I looked at Li Qinghai, and then at Deng Shiqi.

"Oh!" In the

next second, Yue Feng's tone was full of ridicule: "I just walked from here, I thought there was a group of wild boars foraging in the woods, but I didn't expect it to be the heads and elders."

Shuh!

When the voice fell, whether it was Li Qinghai or Deng Shiqi, their expressions changed and their hearts were furious. These leaders are either the heads of the various sects, or the elders, each of whom has an extraordinary position. At this time, Yue Feng is likened to a wild boar. How can he not be angry?

"What did you say?" Li Qinghai couldn't help shouting angrily: "Are you courting death?"

This Yue Feng, who dared to call us wild boars when he was about to die, was simply ignorant.

Seeing his angry look, Yue Feng quickly waved his hand: "Elder Li, don't get excited, I'm just making a metaphor, and I'm not really calling you pigs." "Stop talking

nonsense!"

Li Qinghai thought that Yue Feng was cowardly, snorted coldly, and was too lazy to talk nonsense at the time: "I ask you, that girl named Dongfang Yunqing is still in Chunyang Palace?"

"Yes!" Yue Feng nodded, very relaxed.

Li Qinghai continued to ask: "Where is the soul of the machine that day?"

Yue Feng smiled and said of course: "Of course it is also in Chunyang Palace."

Li Qinghai frowned, his face full of disbelief: "Not on you?" In the soul of that day, there are hidden all the Qimen exercises in Tianji Palace, as long as the people in the rivers and lakes are not unmoved, so, in Li Qinghai's subconscious, he believes that Yue Feng has already learned it.

Yue Feng naturally knew what Li Qinghai was thinking, and smiled at that time: "Elder Li, you are asking the wrong question."

Chapter 5319

"In the soul of Tianji, hidden is the Qimen exercises of Tianjigong. Only disciples of Tianjigong can practice. I'm not a disciple of Tianjigong, how could it be on me?"

"I made a sudden realization: "I understand, Elder Li and everyone present are eager to worship that little girl as a teacher, so that they can learn the exercises in the soul of heaven, and think that I am the same as you."

"It's a pity, I am a good person in everything, but I don't like to worship master everywhere. By the way, that little Dongfang girl is playing chess in the pavilion at the mountain gate. There is no chance."

When he said this, Yue Feng's eyes were full of mockery.

Mad!

Hearing this sarcasm, both Li Qinghai and Deng Shiqi were all furious.

Ren Pingsheng was the first to resist, pulled out his long sword, pointed at Yue Feng and shouted: "Don't talk nonsense with him, just grab him and use him to exchange that girl with Chunyang Palace."

Om!

As soon as the voice fell, Ren Pingsheng's internal strength exploded, and the long sword drew a shock, stabbing directly at Yue Feng.

At the same time, everyone in Li Qinghai also burst out.

Hehe...

Seeing everyone rushing towards him, Yue Feng chuckled lightly, not panicking at all.

These hypocrites have done all the shameful things, but they are still afraid of what others will say.

Looking at the long swords of everyone, they were about to stab Yue Feng. At this critical moment, Yue Feng activated his divine power, and his figure was like a bolt of lightning, rushing directly into the woods beside him.

The road before and after was blocked, and the only way to break out was on both sides.

Whoosh!

Yue Feng's speed was very fast, and everyone only felt that he had reached a place dozens of meters away. In an instant, everyone was shocked.

What a great speed.

The next second, Li Qinghai's eyes flashed with excitement and anger: "Good boy, he said it so nicely, didn't he learn the Qimen exercises of the Tianji Palace behind his back?"

"Everyone, don't let this boy run away. Now, chase!"

In Li Qinghai's heart, Yue Feng's movement technique was so fast and mysterious, he must have practiced the exercises in the soul of heaven.

As soon as these words came out, everyone in Deng Shiqi was very excited, their eyes locked on Yue Feng, flashing with excitement and greed, and they also shouted in their mouths.

"Yue Feng, stop."

"If you have the ability, don't run."

Like Li Qinghai, everyone also believed that Yue Feng had practiced the cultivation technique of the soul of heaven. Only the Heavenly Secret Palace a thousand years ago had such a mysterious movement technique.

They didn't even know that Yue Feng was a mysterious saint and possessed supreme divine power. Although the Qimen exercises of that day's Jigong were mysterious, Yue Feng didn't like it at all.

Haha...

Listening to everyone's shouts, Yue Feng laughed loudly: "Have you become angry? Even I can't catch it, and you still want to snatch the soul of the secret?" As he said, he rushed into the distance.

Speaking of which, with Yue Feng's strength, he could easily get rid of Li Qinghai and the others, but Yue Feng didn't do that, he was ready to play these hypocrites.

In a blink of an eye, Yue Feng and Li Qinghai came to a river.

I saw this river, the river is not wide, but the water is very fast, but with Yue Feng's strength, he can easily leap over it, but when he reached the river bank, Yue Feng stopped.

Whoops ...

Not long after they stopped, everyone in Li Qinghai chased after him.

At this moment, seeing the situation in front of him, Li Qinghai had a gloomy expression on his face: "Boy, why didn't you run away?"

At the same time, everyone in Deng Shiqi's face was extremely proud.

"Boy, can't run away."

"Haha... God has eyes, a river stopped him."

"But then again, this kid can really run."

At this time, everyone thought that Yue Feng was too tired to cross the river, so it stopped in desperation.

Seeing everyone's complacent appearance, Yue Feng pretended to be appointed, and said hypocritically: "Okay, I can't run away. If you have any requirements, feel free to mention it."

"As long as you don't hurt me, I can do it. , must do it."

Chapter 5320

When he said this, Yue Feng looked very nervous, but his eyes flashed cunningly.

"Haha!"

Li Qinghai sneered when he saw that he was finally willing to give

in "Is it the body method of the Tianji Temple?"

"As long as you tell the formulas you have learned, we will spare your life."

Li Qinghai thought about it, as long as Yue Feng said the formulas, killed him immediately, and would never let him go. After all, this kid was the Pill Pavilion Master of Chunyang Palace, and his identity was extraordinary.

Haha...

Hearing this, Yue Feng's face didn't fluctuate at all, but he was overjoyed.

These idiots thought that what I had just displayed was the body technique of the Heavenly Secret Palace. They probably would never have imagined that what I have in my body is supreme divine power. Thinking to himself, Yue Feng showed a surprised look on his face, nodded and said, "Elder Li is indeed a senior in Jianghu

, but he can tell at a glance."

I have learned Qimen's Qimen exercises."

Wow!

As soon as these words came out, whether it was Li Qinghai or Deng Shiqi, everyone was very excited.

Haha... I am ambushed at the foot of Chunyang Palace's mountain gate for the past two days, and it really didn't go to waste.

Excited, everyone in Deng Shiqi started drinking loudly.

"Quickly say the formula."

"Quickly say..."

"Don't try to play tricks, if you dare to tell us fake formulas, you will die without a place to be buried."

At this time, everyone showed their greed incisively and vividly, showing their true colors one by one, like a group of people eating people without spitting out bones the wealthy wolf.

This...

Yue Feng pondered for a while, walked out of a very embarrassed look, scratched his head and said: "This... I can tell you the formula, but I have a condition."

Condition?

For a while, Li Qinghai and Deng Shiqi looked at each other in dismay, and they were a little bit angry with each other.

Mad, this kid really doesn't know whether to live or die, he can't save his life, and he dares to make conditions.

However, in order to get the formula as soon as possible, Li Qinghai glanced at each other, and then nodded.

"Tell me, what are the conditions?"

"As long as we can do it, we will promise you..."

Seeing their faces, Yue Feng was very contemptuous, and immediately smiled slightly: "Since you want me to teach the formula, even if you worship me as your teacher, kneel down now, kowtow to me a few times, and I will tell you

the formula." When he said this, Yue Feng stood there with a mocking expression on his face.

Mad!

Hearing this, everyone's expressions changed, their faces darkened with anger, and at the same time they realized that Yue Feng, who was in front of him, never thought of saying the formula, and he was playing tricks on everyone from beginning to end.

"Your special code is courting death!" In a fit of rage, Ren Pingsheng took the lead and couldn't help it. He clenched his long sword and stabbed directly at Yue Feng.

hum!

This sword contains 90% of Ren Pingsheng's internal strength, and it is as fast as lightning, and the air is violently twisted wherever it passes.

However, Yue Feng did not panic at all, and exaggeratedly shouted at that time: "Oh, you are not sincere at all, you will do it if you say it."

While shouting, Yue Feng pretended to be in a panic and bent over to dodge, taking the opportunity to be in the grass. He grabbed a bunch of flowers and smashed them directly at Ren Pingsheng.

As you can see, this group of flowers is lavender and not large in shape. At first glance, it is no different from ordinary wildflowers. In fact, this is a rare herb called 'lost soul flower'.

The pollen of this soulless flower has a strong hallucinogenic effect. No matter how high the internal strength of the person, once inhaled, they will have hallucinations and lose themselves.

The reason why Yue Feng stopped by the river just now was because he saw this kind of soulless flower.

wow.

At this moment, seeing Yue Feng throwing a bunch of flowers, Ren Pingsheng didn't even think about it, he picked up the long sword in his hand and directly split the flowers. In an instant, lavender pollen spread out, and Ren Pingsheng was unavoidable and inhaled a lot.

Immediately afterwards, the pollen faced the wind, forming a lavender smoke, which quickly drifted towards Li Qinghai and the others behind.
