

The ultimate husband in Chinese chapter 5351-5360

Chapter 5351

“I...”

Feeling Gone’s anger, Mo Yan’s tender body trembled, and her heart became inexplicably nervous: “This subordinate... I don’t know.”

“I don’t know?” Gone sneered, Immediately, he slammed down the

table and shouted angrily, “Moyan, how long do you want to hide this deity? I ask you, who is the father of that child?” Ling’er, her heart trembled, and she didn’t dare to let out the air.

Huh...

Mo Yan was even more nervous, her beautiful face turned pale in an instant, and her voice trembled: “Respect.... The matter of the child’s father, I have said it before, it is completely... At that time, it was not what my subordinates wanted, so don’t ask your superiors, the subordinates are really embarrassed to say it.”

At this moment, Mo Yan was nervous and depressed.

It’s all that bastard Yue Feng. If he hadn’t taken away his innocence at the time and caused him to conceive a child, he wouldn’t be in such a passive situation now.

“I’m sorry to say it?”

Hearing this, Gogne smiled coldly: “I think you have no face to say it.”

“You still refuse to say it, okay, then the deity will say it for you, the child’s Father, is the current Lord of the Heavenly Sect, Yue Wuya, right?”

“Back then, Yue Wuya and that Wen Xiaoyu went to the Dragon King Island twice, and they were able to get out of their bodies. The deity always thought it was your negligence. Now it seems that you let him go on purpose at that time, right?”

“It’s ridiculous that this deity fought against Tianmen on the rivers and lakes for you to help you recover the child. Now I know how stupid this deity is.”

What?

At this moment, Mo Yan only felt that her mind was buzzing and blank.

This chapter is provided by naijdate.com. Visit naijdate.com for daily update.

What does your honor say? The child's father is Yue Wuya?

This...how is this possible, that Yue Wuya has some skills, but he is only in his twenties, and he is the son of Yue Feng, how could he like this kind of hairy boy?

Thinking of this, Mo Yan said with tears in her eyes, "Respect your anger, Yue Wuya is just an immature boy, how could his subordinates like him and have children with him."

"This news is completely groundless. Don't believe it."

When she said this, Mo Yan was very depressed, and she didn't know who spread this kind of remarks, it was ridiculous.

It's just frustrating that Zun Shang actually believed it.

Out of nowhere? At this moment, Gou stared

at Mo Yan for a few seconds, his face changed: "What do you mean, everything I said is false?"

With Mo Yan, she couldn't hide her contempt and contempt.

This woman is really shameless.

It's all this time, and he still refuses to admit it.

call!

Mo Yan took a deep breath, shook her head, and said, "Yes, this kind of remark is completely made up." Some things are done, and she doesn't dare to lie in front of your honor.

"You're lying!"

However, as soon as he finished speaking, Huan Ling'er couldn't help shouting: "The child's genes have been compared with Yue Wuya's, and they are exactly the same, and the blood has been completely merged. Together."

"Although I can't produce any evidence, I watched the situation at the time, and I couldn't be wrong."

"The child belongs to you and Yue Wuya, why don't you admit it, why do you lie? Why do you want to separate me and brother Wuya, why..." At the

end, Hai Ling'er couldn't help her tears. Also a little hoarse.

That's right, although on the surface, he and Yue Wuya have made a clean break, but it's impossible to cut off emotional matters. Seeing Moyan not admit it at this time, Hai Ling'er couldn't help it at all.

This...

Looking at the crazy-looking Huan Linger, Mo Yan's eyebrows were furrowed, and the whole person was a little confused.

Gene match? And a drop of blood?

What the hell is she talking about?

At this moment, Gone's face was also extremely gloomy, and he said to Mo Yan, "This Hai Ling'er, because of the child, got into a quarrel with Yue Wuya, and then was caught by Yu Du. She told the deity all the details of the story."

"Moyan, what else do you have to say? At this point, you are still going to hide it, right?"

Chapter 5352

Hearing the questioning, Mo Yan fell silent. While inexplicably nervous, her mind was spinning rapidly.

How could the child have the same bloodline as Yue Wuya?

By the way...

The next second, Mo Yan suddenly thought of something. Her head was full of chaos, but she suddenly became much more awake. Yue Wuya was Yue Feng's son, and of course he had the same bloodline as the child.

It's just... it's more troublesome to tell the truth.

"Speak!" Seeing her hesitation, Gone was completely impatient, and suddenly shouted.

Hearing the explosion, Mo Yan's legs softened, and she knelt directly on the ground, gritted her teeth and said, "Your Excellency, the father of the child is indeed not Yue Wuya."

"Who is it?" Extremely cruel, if Mo Yan was not his beloved subordinate, he would have been beaten to death just now.

At this moment, Hai Ling'er's eyes were also fixed on Mo Yan.

This woman has always refused to admit that the father of the child is Brother Wu Ya, but I want to see what reason you can make up.

At the same time, Yu Du was also a little anxious, and said to Mo Yan: "Queen, let's talk about it now. Don't hide it anymore." When he spoke, Yu Du secretly sweated for Mo Yan.

He could see that if Moyan didn't tell the truth today, Gone would not forgive her lightly.
call!

Faced with this situation, Mo Yan took a deep breath, bit her lip tightly, almost bleeding from the bite, and finally whispered, "It's Yue Feng..." When she said these three words, Mo Yan was paralyzed. Sitting on the ground, the whole person almost collapsed.

She knew the consequences of telling the truth, but in the current situation, it was impossible not to tell the truth.

What?

Hearing this, both Gone, Yu Du and Hai Ling'er were all shocked.

Especially Gone, his eyes were full of inconceivable, and at the same time there was a bit of anger: "What did you say? Who is the father of the child?" If the father of the child is Yue Wuya, he can barely accept it, but if it is Yue Feng, But could not accept it.

You must know that in the God's Domain, if it wasn't for Yue Feng, the Demon Race would not have been completely defeated. In the end, even his Demon Race Supreme had no bones left, and in the end only a remnant soul was left to enter the Kyushu Continent.

Hai Ling'er and Yu Du were even more dumbfounded, staring at Mo Yan, speechless for a long time.

"Yes!"

Facing Gone's terrifying gaze, Mo Yan lowered her head, not daring to look at him, she nodded with gritted teeth, "The child's father is Yue Feng, and his subordinates lost their minds at that time due to special reasons. , I have a relationship with him..."

"Yue Wuya is Yue Feng's son, and my child is half the same mother, so they have the same blood."

"Your honor, all this may be It's all God's will, if you really want to blame, blame me, kill me if you want to, please don't take anger on the child, after all, the blood flowing in the child also has the blood of our demons..."

Finally, Mo Yan knelt there. , ashamed.

Phew

Gogne took a deep breath and watched her speechless for a long time, her mind in a mess.

And Hai Linger, who was tied to the pillar, was in a depressed and uncomfortable mood at first, but she felt relieved and regretted secretly in her heart.

It turns out... the child is the half-brother of Wu Ya's brother. Not his child at all.

I was wrong, Brother Wuya.

I'm so stupid, Brother Wu Ya has a deep love for him, how could he do such a thing? At that time, he left so heartlessly, how sad Brother Wu Ya should be.

For a while, Hai Ling'er bit her lip tightly, sinking into deep self-blame.

The entire hall was also deadly silent, and a drop of a needle could be heard clearly.

"No wonder!"

Finally, Gogne was silent for a few minutes, and then looked at Mo Yan in a complicated way: "No wonder you have been refusing to tell the deity that the father of the child is Yue Feng, okay, very good."

Saying that, Gogne He tilted his head towards Yu Du and said, "Pass my order. From now on, Moyan will be deprived of all rights in the Sea Dragon Palace. There will no longer be a queen in the Sea Dragon Palace. She will be thrown into a water prison. As for how to deal with it, wait for my instructions."

Pu Tong. ..

When the voice fell, Mo Yan's delicate body trembled, and her whole body flopped limply to the ground, her face extremely pale.

Chapter 5353

She knew that Gogne had always acted resolutely, but she didn't expect that she would punish herself in this way.

Under the panic in her heart, Mo Yan wanted to beg for mercy, but she held back.

She knows Gogne best, and in this situation, if you beg for mercy, Fei Fei will not be gracious.

“Your Highness!”

At this moment, Yu Du’s heart was shocked, and he quickly knelt on the ground and pleaded for mercy: “Your Highness, I beg you to be kind, the Queen just said that the whole thing was a mistake. Huai Yuefeng’s child is not her intention at all.”

“If you want to blame Yue Feng, I beg your honor to forgive the queen...”

When he said this, Yu Du’s face was full of anxiety. It was Moyan, if it weren’t for Moyan, I’m afraid he is still just a nameless pirate leader overseas.

It can be said that Moyan gave him everything he is now, so seeing Moyan being punished, Yu Du couldn’t bear to sit back and watch.

“What?”

Seeing him plead for mercy, Gone’s face became even colder, and he frowned: “Are you questioning the deity, thinking that the deity is too cruel?” When he spoke, there was an irresistible killing intent in his eyes.

The body of the Demon Race is supreme, Gone has always said what he says, and no one in the entire Demon Race dares to question, and the human race powerhouse in front of him dares to intercede for Moyan, and he is simply courting death.

Gudong!

Feeling Gone’s killing intent, Yu Du couldn’t help swallowing his saliva, a chill filling his forehead from the soles of his feet.

At this moment, Mo Yan’s body trembled, and she hurriedly said to Yu Du, “Don’t talk, and quickly apologize to your lord.” Others don’t know Gone, but she knows it best.

Anyone who dares to defy his will will end badly.

Pfft!

Hearing this, Yu Du wiped the cold sweat off his forehead, and said to Gone, “This subordinate doesn’t dare...”

Gone nodded, the killing intent in his eyes subsided, and said lightly: “Then what are you waiting for? Put Mo Yan in the water prison, and then come back to see the deity, the deity has important things, I will leave it to you to do.”

“Yes, your honor...”

At this time, Yu Du did not dare to violate the slightest, and hurriedly responded, Then, Moyan was tied up and taken out of the hall.

At this moment, Mo Yan did not dare to struggle at all, she knew that everything was out of control, but she still held some hope in her heart, and said to Gone: “Your Highness, this subordinate has been hiding from you, and has been imprisoned. The water prison is self-inflicted, but there is one thing, I hope your honor can agree.”

“Speak!” Gone said blankly, and answered a word lightly.

call!

Mo Yan took a deep breath and pleaded, “My subordinates only hope that the venerable can quickly save the child.”

Gone’s eyes flickered, and he said lightly: “You don’t need to worry about this, the deity has its own measure.” Indifferent, but his eyes twinkled with complexity.

This bastard, Yue Feng, has actually defiled my most trusted subordinate, and I will never let you go.

Gone thought about it, since the father of this child is Yue Feng and has a blood relationship with Yue Wuya, he can take advantage of this and cause disputes in the rivers and lakes.

Sigh...

Seeing Gone’s answer, Mo Yan knew that it was useless to say anything, so she secretly took a breath and walked out of the hall with Yu Du.

When he got outside, Yu Du couldn’t help but said: “Your Highness, what should I do now? Did you really appoint it like this? Why don’t we just leave and re-establish the Sea Dragon Palace. Why do you have to be under his command and suffer from this kind of cowardice?”

said At these times, Yu Du had a serious look on his face.

Until now, Yu Du didn’t know Gone’s true identity. He just felt that Mo Yan had given the power of the Sea Dragon Palace to this person, and now he is so humiliated, it is really too embarrassing, even if he is just a subordinate, it is a bit hard .

In Yu Du’s heart, the person who is truly convinced is Moyan. Even if Gone is stronger, it will be difficult for him to follow him willingly. .

“Shut up!”

At this moment, Mo Yan's pretty face changed when she heard Yu Du's words, and she hurriedly reprimanded in a low voice: "In the future, don't say anything like this again." Yu Du is really crazy, he even thought of asking for a backboard. superior.

"Why?"

Yu Du looked puzzled and couldn't help but glanced at the hall.

Chapter 5354

Mo Yan's face was solemn, and she said very unpleasantly: "Don't ask why, in short, you can't have this kind of thought in the future, otherwise, don't blame me for turning my face and being ruthless, you know?"

Despite being treated like this by Goni, But Moyan was still extremely loyal to him, and she would never hear anything against Gone.

Seeing her reaction like this, Yu Du was stunned for a moment, then nodded and said, "Don't blame the queen, I'm just worried about you. Since you did this, I won't mention it again."

After saying this, he took Moyan into the water prison.

Afterwards, Yu Du returned to the hall and saw Gone sitting there, frowning slightly, as if he was thinking about something.

"Your Highness!" Yu Du

approached slowly, and said respectfully, "What's the next order?"

Gone thought for a while, then said lightly, "You pick some powerful people, pretend to be from the Heavenly Sect, and go. Provoking the various sects in the Jianghu, in addition, spread the news, saying that the queen of the Hailong Palace has admitted her relationship with Yue Wuya, and the father of the child is Yue Wuya."

"Let the sects in the Jianghu realize that, Tianmen has secretly formed an alliance with our Sea Dragon Palace. Do you understand?"

When he said this, Gone's eyes couldn't hide the viciousness.

This....

Hearing this order, Yu Du was stunned for a moment, and hesitantly said: "Your Highness, this plan is very good, but... using the Queen's reputation as a price, isn't it... a bit bad.

"Rumors of Moyan and Yue Wuya having children spread on the rivers and lakes can break down the relationship between Tianmen and various sects, but in this way, how can Moyan meet people?"

Because of his respect for Mo Yan, Yu Du always thinks of her in everything.

Gone said lightly: "Her reputation is important, but compared to the overall situation, it's nothing. Besides, she was tainted by Yue Feng, and she has long since lost her holiness."

"Mischief, do you know?" The

voice was not loud, but there was no doubt.

Why is this man so ruthless?

At this moment, Yu Du was very upset with Mo Yan, but thinking of her warning just now, he held back and said in a low voice, "Understood, I will definitely not disappoint your honor." After speaking

, he exited with a complicated heart.

"You..."

As soon as Yu Du left, Hai Linger reacted and looked at Gone excitedly: "You are so sinister and despicable, Brother Wu Ya and your subordinates are completely innocent, why? Want to spread such rumors on the rivers and lakes?"

Hai Ling'er was very angry when she said this.

Hehe...

Seeing her excited look, Gone looked indifferent and said with a playful smile: "Girl, the child was born to Yue Wuya and the woman just now, these words, but you told me yesterday, I will now take this into account. The matter was announced in Jianghu, is there any problem?"

Hai Linger was so anxious: "But this is a misunderstanding, didn't she explain it just now?"

Misunderstanding?

Gone smiled, his face full of teasing: "When you left Yue Wuya, why didn't you think that this was a misunderstanding? Haha, anyway, I would like to thank you anyway."

“If it weren’t for you, I will not force Mo Yan to tell the truth, nor will I come up with such a wonderful way. If Yue Feng knew that because of him, his son lost his beloved woman, he would be very uncomfortable, right? Haha.... “

Hearing this, Hai Linger remembered to cry, but she was speechless.

Yes, why didn’t I think of it at the time, this was a misunderstanding?

For a while, Hai Ling’er regretted that she was too angry at the time to not give Yue Wuya a chance to explain, but now it has fallen into the hands of the enemy.

Seeing her stunned look, Gogne stopped talking nonsense, chuckled lightly, and walked out of the hall slowly.

...

the other side, the Shaolin faction!

As one of the nine sects in the Diyuan Continent, the Shaolin sect has been passed down for thousands of years.

For thousands of years, many Jianghu Xiaoxiao tried to sneak into the Shaolin sect and steal the secret books of the town sect. However, the main altar of the Shaolin sect was built in front of the cliffs and was heavily guarded. Therefore, those who tried to steal the secret books were all useless. Back with success.

At this time, it was midnight, and the entire Shaolin sect was shrouded in hazy moonlight.

Chapter 5355

Shasha....

However, at this time, there was a slight sound of footsteps on the mountain path outside the main altar of the Shaolin School. The footsteps were undisguised, as if they were not afraid of being discovered by Shaolin people.

A few seconds later, by the moonlight, I saw dozens of men in black coming slowly.

These men in black have a strong aura all over their bodies, with long knives hanging from their waists, and all of them have their faces covered. At first glance, they are not ordinary people, but the leading one has a tall and straight body, and the eyes exposed outside are even more Glittering dazzling light.

Yes, it is Yu Po who is leading the charge.

Half a day ago, Gone ordered him to pretend to be someone from Tianmen to provoke the major sects. After Yu Du was ordered, the first target he chose was the Shaolin faction.

Swish!

When they approached the entrance of the mountain gate, several Shaolin disciples who were guarding there immediately found Yu Du and others, and immediately scolded them.

“Who? Dare to break into the Shaolin sect at night?”

“What are you doing? Are you all covering your face, don’t you dare to see people?”

Under the anger, one of the Shaolin sect disciples immediately turned and ran away to call the others. support.

Hehe...

Seeing that Shaolin disciple and calling for support, Yu Du didn’t stop him in the slightest, but sneered, looked at the other Shaolin disciples guarding the mountain gate, and said coldly, “I heard that your Shaolin sect has six great skills. , I’m very interested, so I came to borrow two books to go back and have a look.”

Wow...

hearing this, the expressions of several Shaolin disciples who were guarding the door changed, and their hearts were full of anger.

This person is so courageous. In the past, those Jianghu Xiaoxiao only dared to sneak up the mountain for the secrets of the Shaolin sect, but this one in front of him had eaten the guts of a bear and a leopard, and even blatantly asked for it.

Who gave him the courage?

Finally, one of the Shaolin disciples in the lead looked at Yu Du coldly: “I think you are impatient, and you dare to run wild to our Shaolin faction.” The voice fell, and the toes lightly tapped the ground, and punched directly at Yu Du. Call at the door.

Whoa!

At the same time, several Shaolin disciples around him also followed closely behind, rushing towards Yu Du’s companion.

Hehe...

Seeing that the other party took the lead, Yu Du sneered: "Is the Shaolin faction great? It's your honor that I came to ask for your secret book. Since I'm so ignorant of flattery, I have no choice but to be rude." The

last one The words fell, Yu Du's figure flashed, and he punched him directly.

boom!

In the next second, the two fists collided fiercely, and they saw the Shaolin disciple screaming miserably, and the whole person was shocked and flew out. After flying ten meters and landing, a mouthful of blood spurted out and died.

This... this person is very strong.

Seeing this scene, the other Shaolin disciples around were shocked and couldn't help gasping. They didn't expect that the opponent's strength would be so tyrannical, and just one move, they killed one of their comrades.

At this moment, Yu Du's eyes showed endless coldness, and he ordered: "Kill all of them."

"Yes!"

After receiving the order, dozens of companions responded in unison, and then pulled out their long knives and slashed at those Shaolin disciples.

The people who followed Yu Du were all the elites of the Sea Dragon Palace. They shot lightning fast. Those Shaolin disciples didn't have time to react. After screaming, they fell into a pool of blood.

"Who is here to make trouble with Shaolin?"

At this moment, a loud shout came, and then an old monk strode out.

The whole body was filled with a sense of righteousness, the gentle face, the anger that could not be concealed, was the master of the Shaolin sect, Master Kong Wu.

"Oh!"

Seeing the appearance of Master Kongwu, Yu Du did not panic at all, but sneered: "Master Kongwu's style has not diminished in the past, I admire it." The explosion of Master Kongwu just now is the unique skill of the Shaolin school. One of them, 'Tianshi's Roar', has a deep inner strength that remains unaffected.

But the subordinates behind them all turned pale and obviously suffered shock injuries, but their lives were not in danger, so there was no need to worry.

“Who are you, why do you want to hurt my Shaolin disciple?”

Master Kong Wu asked coldly, the anger in his heart swelled, and he clearly saw that the dozen or so disciples who were guarding the mountain gate fell to the ground one by one and died. The situation is tragic.

The ultimate husband in Chinese chapter 5356-5360

Chapter 5356

Hehe...

Feeling the anger of Master Kong Wu, Yu Du didn't panic at all. At that time, he smiled evilly and replied slowly: “I'm just a nobody, and I don't care.”

“I came to Shaolin this time because I was right. You Shaolin sect masters are fascinated and want to borrow it for a look, how do you know that you Shaolin disciples, when you hear the purpose of our visit, you will suddenly change color, and you will do it indiscriminately.

When he said this, Yu Du's tone was indifferent and his expression relaxed and comfortable. It seems that it is a matter of course to lead people into the Shaolin sect at night and ask for the town sect cheats.

Nobody?

The moment the words fell, Master Kong Wu's face suddenly became difficult to look at. The black-clothed leader in front of him, no matter his words and deeds, or the aura that permeated his body, was extraordinary everywhere, how could he look like a nobody?

Moreover, the other party deliberately covered his face, obviously not wanting to reveal his identity.

Is it the enemy of the Shaolin faction? It's just... The Shaolin faction hasn't had any grudges with any Jianghu faction over the years.

He was puzzled, and when he heard the words behind Yu Du, Master Kong Wu was even more faintly angry. Shaolin sect's secret skills were never rumored. , is really arrogant.

call!

Thinking to himself, Master Kong Wu looked at Yu Du and said coldly, “I am a Shaolin master, and I never lend it to others. Your remarks just now were made to pick things up on your own initiative. Since you have hurt so many of my Shaolin disciples, stay here.

Let me repent in the Buddhist pagoda in the back mountain of Shaolin.” The pagoda in the

back mountain of the Shaolin school was built in the Sui Dynasty and has a total of thirteen floors. A place where felons are imprisoned.

Although Yu Du has killed so many Lin disciples, the Buddhist family takes compassion as their heart. As the head of the Shaolin sect, Master Kongwu does not want his life at this time, but just wants to imprison him in a Buddhist pagoda. Use the Dharma to forgive his sins.

Haha....

But hearing this prosperity, Yu Du couldn't help laughing up to the sky, his eyes full of mockery: “Master Kongwu, Master Kongwu, you chanting sutras and chanting Buddhas are just like those literate scholars, really Both pedantic and paranoid. I killed your Shaolin disciples just now, so I have to enter the pagoda to repent? Haha...that's a joke!”

“The Buddha you recite can save others, but not me, so that Buddha The position in the tower should be reserved for others.”

At this time, Yu Du's eyes were full of jokes.

This time I came to the Shaolin faction because it was deliberately provocative, so I had nothing to fear.

Arrogance...

At this moment, Master Kongwu couldn't help it any longer, his face turned cold and said: “Amitabha, since Your Excellency is obsessed, the old monk will be offended.”

The moment the voice fell, Master Kongwu urged Internal force, a palm quickly hit Yu Du.

This palm seems to be slow, but it is as fast as thunder, and the surging inner strength completely shrouds Yu Du's whole body. In this case, Yu Du has no chance to dodge at all.

It is one of the unique skills of the Shaolin School, Buddha Heart Palm!

Huh....

Feeling the power of this palm, Yu Du's face froze, and he didn't dare to look down on him in the slightest.

In the next second, the palms of the two sides collided, and a dull vibration broke out. Then, Yu Du's body was shocked, and he took a dozen steps back, and his eyes were also deeply shocked.

As expected of the head of the Shaolin School, his internal strength is indeed strong.

However, under the shock, Yu Du was not nervous at all, but a strong fighting spirit emerged from the bottom of his heart. Speaking of which, if it was three months ago, Yu Du would never have dared to be so presumptuous in front of Master Kongwu. After the training, the strength has improved by leaps and bounds, and it is still not what it used to be.

In this case, it is completely possible to fight against Master Kong Wu.

"Your Excellency is a good way."

Seeing Yu Du blocking his palm, Master Kong Wu also nodded, his face dignified: "You are so strong, but you are covering your face, don't you dare to see people?"

Chapter 5357

"The old monk wants to see today, where is your holy place?" The

last word fell, Master Kong Wu slowly raised his right hand, clenched a golden Zen staff, and at the same time a terrifying breath swept out, In an instant, the entire Shaolin faction was shrouded in a golden Buddha light.

Phew...

Seeing this scene, many Shaolin disciples around were extremely excited.

And the subordinates behind Yu Du were all inexplicably anxious. Under the shroud of this golden Buddha light, they only felt that their hearts were suppressed and panicked.

Yu Du also had a solemn expression on his face.

Is this old monk going to perform a stunt? I have to say, the mood is really different.

Thinking to himself, Yu Du put on a nonchalant attitude, smiled at Master Kong Wu and said: "Oh, the old monk is going to be serious? I'm just here to borrow books, if you don't borrow it, it's fine, why are you living? So much anger?"

"Arrogant."

As soon as he finished speaking, Master Kong Wu gave a cold scolding, then clenched his Zen staff and flew into the air.

In an instant, Master Kong Wu's internal power exploded completely, and the dazzling golden light filled the entire sky.

"King Kong subdues demons." In the

next second, Master Kong Wu's eyes locked on Yu Du, and the Zen staff in his hand suddenly lifted. Suddenly, an unparalleled Buddhist power burst out, condensed into a tall King Kong image, and slammed towards Yu Du. come.

King Kong is one of the gods of Buddhism. Although this one is formed by the condensed internal force, the tall and majestic posture still makes people tremble.

Gudong!

At this moment, seeing the giant King Kong appearing in mid-air, the surrounding Shaolin disciples all retreated subconsciously, and Yu Du's subordinates couldn't help sweating for Yu Du.

"This...this is one of the most powerful skills of the Shaolin school, King Kong to conquer demons?"

"It's better to be famous than to see it at first sight, so strong..."

"The leader doesn't know if he can stop it..."

The worries of the men When it came, Yu Du couldn't help but take a deep breath, his face lost the lightness he had just now, he didn't have time to think about it, he immediately activated his inner strength and deployed a protective film in front of him.

boom!

As soon as the protective film was formed, the huge diamond had already erupted. In an instant, a deafening roar was heard, and the protective film shattered instantly.

At the same time, Yu Du also snorted, and the whole person was shocked and flew out, flying dozens of meters away, and fell heavily to the ground.

"Boss..."

"Boss, how are you?"

Seeing this scene, the surrounding subordinates all exclaimed and came to check.

Yu Du waved his hand, indicating that he was fine, and at the same time stared at Master Kong Wu, unable to hide his shock.

As expected of the head of the Shaolin School, his strength is indeed very strong.

At the same time of shock, Yu Du also secretly rejoiced in his heart. If he had suffered this attack of King Kong to subdue demons a few months ago, he would have been immortal. leap.

“Amitabha!”

Just when Yu Du was secretly rejoicing, Master Kong Wu was suspended in mid-air, looking down at him, golden light flashing all over his body, as if a Buddha came into the world: “Your Excellency is extraordinary, and your identity must be extraordinary, I advise you not to cover up, Show your true colors.” The

voice fell, Master Kong Wu’s inner strength surged, and he slapped Yu Du again.

call!

Seeing this situation, Yu Du took a deep breath with a hint of slyness in his eyes, and sneered: “Master is very powerful, I am ashamed, let’s stop today, we will have a future.”

After speaking, Yu Du moved his figure and quickly retreated, He didn’t fight Master Kong Wu at all, and at the same time took out a medicine bottle from his body and spilled a piece of poisonous water.

The main purpose of his night attack on the Shaolin faction this time was to provoke a battle between Tianmen and the major sects. Now that the plan is going well, it is time to leave.

Chi Chi...

The poisonous water meets the air and instantly forms a faint blue poisonous mist.

In an instant, seeing the poisonous fog filling the air, Master Kong Wu immediately dodged backwards, and at the same time beckoned other Shaolin disciples to dodge.

“Go!” Taking

this opportunity, Yu Du shouted at his subordinates and quickly evacuated down the mountain. In the blink of an eye, he disappeared into the night, but when retreating, Yu Du deliberately accidentally dropped a jade token.

Chapter 5358

A few seconds later, after the faint blue poisonous mist dissipated, the rest of the poisonous people had already left.

Phew...

Seeing this situation, Master Kong Wu's face was extremely solemn, and there was an unnamed fire in his heart. This man killed dozens of Shaolin disciples, and finally let him run away.

If this matter spreads to the rivers and lakes, what will the Shaolin faction lose?

At the same time, there are still some doubts in my heart.

For thousands of years, the Shaolin faction has always kept its duty and never fought with other Jianghu sects. Why would someone blatantly come to Shanmen to make trouble?

"Master!"

Just when Master Kongwu was thinking about it, a disciple beside him suddenly found something, walked over quickly, and picked up the jade tablet Yudu had dropped in the grass: "There is something here, it seems to be the gang just now. It fell when people escaped."

As he spoke, he handed over the jade token.

Master Kong Wu hurriedly took it over and took a look, and suddenly his heart was shocked: "This....this is something from Tianmen?"

I saw that the jade brand is delicate in texture and shiny throughout, and it is carved from a very rare white jade. , the front is engraved with a dragon pattern, and the back is engraved with the word 'Tianwang'.

Most people don't know this token, but Master Kongwu is very clear.

At the beginning of Yue Feng's establishment of Tianmen, he set up four gods of war and ten heavenly kings, and created a jade card for each person as a symbol of identity.

Later, when the Apocalypse Continent invaded, all the sects in the rivers and lakes joined forces to resist. After the final victory, all the sects sat together to celebrate. At that time, Master Kong Wu had seen the jade tablets of the top ten heavenly kings of Tianmen. Although he had only seen it once, he was very impressed. .

WOW....

As soon as these words came out, the entire mountain gate was in an uproar, and the Shaolin disciples present exploded.

“Tianmen’s token?”

“Could it be... that the masked leader just now was one of the top ten heavenly kings of Tianmen? Why are they in Tianmen and Shaolin?”

“Yeah...we Shaolin and Tianmen have never had a festival. Ah.”

Under everyone’s astonishment, a disciple suddenly thought of something and couldn’t help but say: “Recent rumors in Jianghu, Tianmen’s current sect master Yue Wuya has an affair with the female leader of an overseas pirate organization, and the two have a child...”

“Because of this, the princess of the sea shark clan and Yue Wuya broke up and parted ways. If it is true, Tianmen and the pirate organization have secretly colluded, and it is not impossible to deal with various sects.”

There is such a thing... ..

When the voice fell, the expressions of the other disciples changed.

Master Kongwu also had a solemn look on his face, holding the jade card tightly, and said solemnly: “It seems that there is going to be another dispute in the rivers and lakes.”

After saying that, Master Kongwu looked at the bodies of those Shaolin disciples and instructed: “Bury them well, from now on, strengthen the defense of the mountain gate, and make arrangements immediately, tomorrow morning, prepare for the teacher to visit the heaven gate...”

He thought about it, tonight Shaolin Sect was attacked, and he must find Yue Wuya in person. ask clearly.

“Yes, Master...”

...

On the other side, Wudang Mountain.

The head of Wudang, Lingyu, is meditating in the secret room. Lingyu is the younger brother of Lingbao. He took over Wudang a year ago.

“Master, it’s not good...”

At this moment, a disciple rushed in in a panic, his face full of anxiety: "Suddenly a group of men in black came outside the mountain gate, threatening to ask for our Wudang town sect secret book, which has already injured many of our disciples.

" At that time, the disciple was sweating profusely and was nervous.

What?

Hearing this, the real person Lingyu was shocked, and at the same time, he was angry: "Where did you come from, you are a little boy, come to Wudang Mountain to spread the wild?" He got up and walked out of the secret room quickly.

Outside the mountain gate, I saw dozens of Wudang disciples fighting fiercely with a group of men in black.

Bang bang bang...

The sound of fighting between the two sides kept coming, and I saw those men in black, each with outstanding strength. The Wudang disciples were not opponents at all, and the situation was completely one-sided.

In just a few breaths, many Wudang disciples fell into a pool of blood.

Seeing this scene, Spiritual Master Lingyu was furious and shouted angrily at the man in black at the head: "Who are you waiting for? Why did you break into Wudang Mountain?"

Haha...

The voice fell, and the man in black laughed loudly: " I am one of the ten heavenly kings of Tianmen, and I came here today to ask you to hand over the secret books of the Wudang faction as soon as possible."

Chapter 5359

Tianmen?

Hearing this, the real person Lingyu said angrily: "Tianmen has always acted in an upright manner, never doing such despicable things. You keep saying that you are one of the ten heavenly kings of Tianmen, why don't you dare to show your face?"

"I see, You are pretending to be on purpose."

Lingyu real person acted prudently, and immediately thought that the group of people in front of him were really pretending to be Tianmen, causing harm to the rivers and lakes.

He guessed right, these people in front of him are not Tianmen at all, but fake people from the Sea Dragon Palace.

Seeing the real person Lingyu see through his identity, the leading man in black did not panic at all, and smiled coldly at that time: "As expected of the head of the Wudang faction, he really has piercing eyes."

"You are right, we are not Tianmen, but Hailong. The people of the temple, but we have already formed an alliance. The sect master of Tianmen, Yue Wuya, and the queen of our Hailong Temple have already tied the knot and have a son."

"For example, the door and my Hailong Temple have joined forces today and are ready to dominate the rivers and lakes. For a sect like your Wudang sect, there is only one way to surrender, otherwise, you will be expelled from the rivers and lakes."

When he said this, the leading man in black had a arrogant tone, and his eyes were full of cunning.

Just like Yu Du's entry into Shaolin, their purpose is to provoke disputes between the Tianmen and the various sects.

Swish!

Hearing these words, the real person Lingyu's face was instantly ugly, and he said angrily: "So it is."

Recently, it was rumored that the Tianmen sect master Yue Wuya and the female leader of the pirate organization gave birth to a child. I thought it was groundless, but I didn't expect it. , turned out to be true.

Although the real person Lingyu acted calmly, but the other party said it so confidently and without concealment, he believed it to be true.

"good very good!"

In the next second, Master Lingyu was furious and nodded again and again: "I never thought that Yue Feng, who has always been upright and upright, would give birth to such a son, I want to see how you will dominate the arena after the combination of Hailong Palace and Tianmen. ." The

voice fell, and the figure of Lingyu real person flashed, and he directly fought with the leading man in black.

Seeing that Spiritual Master Lingyu personally took action, the leading man in black did not love to fight. After more than ten rounds of fighting, he found an opportunity to leave quickly with his companions.

At the same time, other sects were also raided by mysterious men in black.

The situation is almost the same as that of Shaolin Wudang. After these men in black wounded the disciples of various sects, they did not fight and left quickly. Before leaving, they revealed the news of the alliance between Tianmen and the Sea Dragon Palace consciously or unintentionally.

...

A day later, in Zhongzhou, the main altar of Tianmen.

In the main altar hall, Yue Wuya sat on the throne, his face was gloomy, and his mood was a little low.

A week ago, Wen Chouchou and others helped to defend the main altar of Tianmen and repelled the main force of the Sea Dragon Palace, but the Sea Dragon Palace did not stop there.

Under such circumstances, Yue Wuya had to visit the main altar in person to deploy defense.

It's just... Hai Linger left angrily, and there is no news till now, which makes Yue Wuya very anxious and has no intention to manage the deployment of Tianmen.

"Sect Master!"

At this time, a sub-altar master walked over quickly and respectfully said to Yue Wuya: "The disciples below have been closely monitoring every move of the Sea Dragon Palace in Donghai City for the past two days."

"These two The Tianhai Dragon Palace has nothing to do, and most of their main force has been in the camp near the star picking building, I think it's a bit strange..."

Hearing this, Yue Wuya said absent-mindedly: "Okay, I understand."

After that, Yue Wuya asked, "Has Linger's whereabouts been found?" When referring to Hai Linger, Yue Wuya asked. The urgency in his eyes could not be concealed.

In his heart, the matter of Tianmen was important, but it was far less important than Hai Linger's safety.

Phew...

Feeling the expectation in Yue Wuya's eyes, the altar master took a deep breath and said complicatedly: "Sect Master, Princess Ling'er's whereabouts, I have been investigating, according to my guess, she..."

said Halfway through, the altar master hesitated and hesitated.

“What’s wrong?” Yue Wuya realized that something was wrong, and suddenly became excited: “Is something wrong with Linger?”

Chapter 5360

The altar master said complicatedly: “I’m just guessing, because we finally found the whereabouts of Princess Ling’er near Donghai City. After that, she seemed to have disappeared, and her subordinates suspected... Linger. The princess should have been caught by the people from the Sea Dragon Palace.”

What?

The voice fell, Yue Wuya’s heart trembled, and he stood up instantly: “Then have you sent someone to investigate the Hailong Palace camp?”

When he said this, Yue Wuya was in a hurry.

The altar master looked ashamed, lowered his head and said, “My subordinates tried it. It’s just the Hailong Palace’s camp, which is heavily guarded. The people I sent couldn’t get in at all. So...”

Before he could finish speaking, Yue Wu Ya interrupted: “Don’t say it, you go to deploy defense, I’m going to Donghai City.”

“Sect Master!”

The altar master was stunned for a moment, then anxiously said: “You must not take risks.”

Although Yue Wuya’s strength is outstanding, the leading young man in the Sea Dragon Palace is even more terrifying. If Yue Wuya enters Donghai City alone, isn’t it self-defeating?

Yue Wuya had a firm look on his face: “I have to go. If something happens to Linger, I will regret it for the rest of my life. Don’t persuade me any more.” After the words

fell, Yue Wuya was about to leave the hall.

Whoops...

But at this moment, outside the gate of the main hall, several figures broke in. The uniform yellow monk robes are not low in strength, and they are all elite disciples of the Shaolin sect.

The leader is dressed in a red cassock, holding a Zen staff, and his whole body is filled with majesty that cannot be blasphemed.

It is the Master of Nothingness.

“Master Kongwu?”

Seeing the visit of Master Kong Wu, Yue Wuya was stunned for a moment, and then politely said: “I don’t know if the master is visiting, but I have lost a long way to welcome it, so don’t take offense.” After

speaking, Yue Wuya said again: “The master suddenly visited, can there be any surprise? What’s important?” At this time, Yue Wuya was very puzzled, because the relationship between Tianmen and Shaolin was normal, and there was very little contact.

Master Kong Wu did not answer, but looked at Yue Wu Ya quietly, with a look of scrutiny in his eyes.

Feeling Master Kongwu’s gaze, Yue Wuya became even more puzzled.

At this time, Yue Wuya didn’t know that, a day ago, Yu Du sent the elites of the Sea Dragon Palace to create chaos in the various sects of the rivers and lakes, and the entire rivers and lakes were in chaos.

Doubtful, Yue Wuya had to ask again.

Whoops...

But at this time, a group of people broke in directly, there are thousands of people, it is the major sects.

what’s the situation?

Seeing this situation, Yue Wuya’s mind became even more confused. Why did all the sects suddenly come? Looking at the posture, I want to invite the teacher to ask the guilt.

“Yue Wuya!”

At this moment, Spiritual Master Lingyu came out first and glared at Yue Wuya: “You are still young, but your ambitions are not small, so it’s fine to have an affair with the female leader of the Sea Dragon Palace secretly, Delusional desire to dominate the rivers and lakes.”

“Last night, the people from your Tianmen and the Sea Dragon Palace joined forces and hurt my Wudang twenty-three lives. How do you explain?”

“

What?

Tianmen and Hailongdian alliance?

At this moment, Yue Wuya was stunned for a moment, then looked at the real person Lingyu with a wry smile and said: “Daoist Lingyu, my Heavenly Sect is open and upright, how can I join a group of pirates? I think there must be a misunderstanding.

” Falling down, the people from other sects screamed.

“Misunderstanding? Those people who broke into our mountain gate last night dropped the token of your heaven gate on their bodies before leaving.”

“Yes, the evidence is solid, do you

still want to deny it?” Master Wu, took out a jade card from his body and threw it to Yue Wuya: “Master Yue, this is what the people who broke into Shaolin last night left, if I remember correctly, this is the ten kings of your Tianmen. Pocket token, I think you should know it.”

At this

moment, Yue Wuya took the jade token and looked at it, stunned for a moment, and then laughed.

I can see that this jade card is exquisitely made. At first glance, it looks like a personal token of the Ten Heavenly Kings, but there are some differences in subtleties. He is the sect master of Tianmen, and it can be seen at a glance that it is a counterfeit.

Thinking to himself, Yue Wuya smiled: “Master Kong Wu, this jade card is fake.”
