

The ultimate husband in Chinese chapter 5381-5390

Chapter 5381

Ghost clone?

Hearing this, Ren Pingsheng was stunned for a moment, and then he sensed a strong killing intent behind him.

In an instant, Ren Pingsheng realized that something was wrong, and instinctively turned his head to look at it. When he saw it, his heart suddenly tightened, and his brain was buzzing.

I saw a figure standing behind him at some point, holding a long sword, his eyes were sharp, and the corners of his mouth raised a trace of wickedness.

Another Deng Shiqi.

To be precise, it is a avatar of Deng Shiqi. This avatar is condensed by internal force, but it is condensed and lifelike, and it cannot be seen that it is fake.

If others were present, they would definitely be shocked. Two Deng Shiqi appeared at the same time. Who wouldn't be shocked?

However, as the head of Lihuo Sect, Ren Pingsheng knows the situation of Beihai Xingsu very well. He knows that Beihai Xingsu has a very strange exercise called 'ghost shadow clone'. , false and true, it is hard to prevent.

It's just that this 'ghost shadow avatar' exercise has extremely high requirements on practitioners. Beihai Xingsu has been passed down for thousands of years, and no more than three people have practiced it. Therefore, this exercise has always been sealed in the Beihai Xingsu Collection. The deepest part of the pavilion is rarely shown in front of the world.

I just didn't expect that Deng Shiqi actually practiced it.

Whoosh!

Just when Ren Pingsheng was secretly shocked, the clone behind him suddenly raised his long sword and stabbed him directly in the back.

The distance between the two sides was very close, less than one meter. Ren Pingsheng didn't have time to dodge when he heard a light sound, and his heart was directly pierced by the long sword.

"Pfft..."

At this moment, Ren Pingsheng's body was shocked, and then a mouthful of blood spurted out, and his eyes were instantly blood red: "Deng Shiqi, do you want to kill me with a clone? Isn't it a bit whimsical." When the

This chapter is provided by . Visit for daily update.

voice fell, Ren Pingsheng shot like lightning and quickly sealed it. Live in a few acupoints on your body to stop the bleeding from the wound.

hum!

Immediately afterwards, Ren Pingsheng raised his right hand, condensed a mass of flames, and blasted directly at Deng Shiqi's clone.

The flame collided with the avatar, and an aura vibrated, and the avatar was instantly defeated, turning into a light and shadow, dissipating between the heaven and the earth.

"Haha..."

Deng Shiqi didn't panic when he saw the avatar being destroyed, and laughed evilly at that time: "Ren Pingsheng, you are wrong, of course I am not stupid enough to kill you with the avatar, the avatar is just to attract your attention, the real The ultimate move is here." The

last word fell, Deng Shiqi's figure flashed, and he came quickly towards Ren Pingsheng.

In the blink of an eye, Deng Shiqi was in front of Ren Pingsheng, his eyes flashing with endless madness and gloom: "Pay the debt of blood, pay for my apprentice's life." In the next second, a terrifying breath burst out from Deng Shiqi's body. The air between the heavens and the earth twisted wildly, and then his hands were suddenly raised and slapped on Ren Pingsheng.

Bang....

Both palms hit Ren Pingsheng, a dull sound came out, and Ren Pingsheng let out a groan, all his ribs were broken, and his heart was instantly destroyed. The whole person flew a few hundred meters away, and finally fell on the ground. among the woods.

After landing, Ren Pingsheng's face was miserable, and his previous arrogance was completely gone. A pair of eyes stared at Deng Shiqi in the air, and he was extremely resentful.

Mad, this Deng Shiqi is really insidious.

I thought that I had been hiding my strength for the past few years, which was considered deep enough, but I didn't expect this person to hide deeper, and he secretly practiced a ghost clone.

Hehe...

Feeling the resentment in Ren Pingsheng's eyes, Deng Shiqi sneered and slowly landed, his tone couldn't hide his pride: "How about Ren Pingsheng, if you lose to my ghost clone, you should also be convinced. Come on."

"If you have any regrets, hurry up and say, you won't have a chance if it's too late."

While speaking, Ren Pingsheng clenched his sword and walked towards Ren Pingsheng slowly.

Terrifying killing intent permeated the entire forest.

Hu....

Seeing Deng Shiqi approaching step by step, Ren Pingsheng took a deep breath, his face filled with endless unwillingness, and said word by word: "Deng Shiqi, you are still the head of one of the three major sects, and your actions are so despicable. , you...you're not going to end well."

Chapter 5382

Hehe...

Hearing this, Deng Shiqi's eyes narrowed, revealing a hint of gloom: "What happened to me, it's not your turn to judge." The

last word fell, Deng Shiqi waved his right hand, and the long sword was like a streak. The meteor flew out and penetrated Ren Pingsheng's heart.

"Pfft..." During the

blood spray, Ren Pingsheng's eyes were full of unwillingness, he fell to the ground on his back, but at the moment of dying, his right hand secretly sealed his dantian point.

Lihuomen's exercises are completely different from the major sects in Jianghu, especially the stunt 'Holy Fire Mingzun', which can be 'reborn from fire' when it reaches the highest realm, and the key to rebirth from fire is to seal it before dying. Live in your own dantian point.

At the moment when the Dantian point was sealed, Ren Pingsheng's other hand took out the fireworks signal on his body.

Bang..In

an instant, after the firework signal was released, a bright light was drawn and burst in the sky.

After doing this, Ren Pingsheng looked at Deng Shiqi mockingly: "Lihuomen, I won't let you go..." Before he finished speaking, Ren Pingsheng tilted his head, and was immediately breathless.

Mad!

Hearing Ren Pingsheng's words before he died, and seeing the fireworks signal in mid-air, Deng Shiqi's face was extremely ugly: "It's really a tough dog, and he didn't stop before he died." After

speaking, Deng Shiqi stepped forward and kicked Ren Pingsheng, after confirming that he was out of breath, squatted down and searched on him.

Haha...

A few seconds later, Deng Shiqi found a secret book, and when he saw the words 'Sacred Fire Mingzun' written on it, he immediately looked up to the sky and laughed: "I've got it, the supreme martial arts of Lihuomen is finally here. "

After laughing, Deng Shiqi put away the cheats, and then returned to the ruins of the cave to find Pengshan's body.

"Good apprentice."

At this moment, Deng Shiqi couldn't hide the sadness on his face: "I have killed Ren Pingsheng for the teacher, avenged you, and got the secret book. You can rest in peace."

After saying this, Deng Shiqi Looking around, I found a hidden place to bury Pengshan's body.

After doing this, Deng Shiqi didn't stop at all and left quickly.

Just before Ren Pingsheng was about to die, he released a firework signal, and the people from Lihuomen would arrive soon. Before they arrived, they had to leave.

In the blink of an eye, Deng Shiqi disappeared into the darkness, and silence returned to the forest.

If anyone was present at this time, it would definitely be a surprise.

I saw that Ren Pingsheng, who had died, was filled with flames, and these flames seemed to have spirituality, swimming endlessly on him.

The flames only slapped and laughed, but they contained extremely high scorching temperatures. Everything within a hundred meters around them was burnt to ashes. What was surprising was that Ren Pingsheng's corpse did not show any signs of burns.

That's right, this is exactly the effect of the highest realm 'Rebirth from Fire' in the Holy Fire Mingzun.

...

On the other side, the main altar of Lihuomen.

In the main hall, more than a dozen branch hall masters gathered together, each with a solemn expression. Beside the throne in the middle, Liu Ruxue stood there in a long dress, her delicate face could not hide the anxiety and worry.

The atmosphere of the entire hall was also indescribably depressing.

Ren Pingsheng disappeared, and the entire Lihuomen searched for a day and a night, but to no avail.

"You guys..."

At this time, Liu Ruxue looked around, unable to express her anger: "Are they all trash? With so many people, you can't even find the whereabouts of the senior brother?"

"Xue was so anxious that the Lihuo Clan had been silent for so many years. Finally, a genius like the head senior brother appeared. Under his leadership, the Lihuo Clan was expected to flourish. If something happened to him, all these hopes would be dashed.

Huh...

Facing Liu Ruxue's coquettish scolding, all the branch hall masters present bowed their heads in shame and did not dare to look at her.

Finally, one of the hall masters took a step forward and said cautiously, "Your Excellency, the whereabouts of the head of the sect are unknown. Why don't you assume the position of head first..."

Just as he was talking, a disciple suddenly rushed over. I came in and looked excited: "Saint Aunt, the firework signal... Northwest, we just discovered the firework signal of our Lihuomen."

Chapter 5383

When he said this, the disciple was sweating profusely and couldn't hide his excitement.

Wow...

the voice fell, and the whole hall was boiling. Whether it was Liu Ruxue or those branch hall masters, they were all very excited.

"It must be the sect master..."

"I knew that the sect master is very strong, and nothing will happen."

Under the excitement of the crowd, Liu Ruxue hurriedly greeted everyone: "Quick, gather the disciples immediately and go to the fireworks. The place."

"Yes, Saintess." A

few minutes later, thousands of Lihuo Sect elite disciples quickly assembled, led by Liu Ruxue, and rushed towards the place where the fireworks appeared.

Along the way, Liu Ruxue was in a hurry and kept urging everyone to speed up.

Speaking of which, if it was a month ago, Liu Ruxue would never have been so nervous. You must know that Ren Pingsheng has become the supreme martial arts sacred fire Mingzun. Looking at the entire river and lake, there are almost no rivals, but after seeing the strength of Yue Feng, he will know There are people outside the sky, and there are mountains outside the mountains.

Therefore, Liu Ruxue was very worried that the senior brother might have encountered Yue Feng again before releasing the fireworks signal for help.

Finally, an hour later, Liu Ruxue and the others arrived at the forest where the fireworks were set off.

Huh...

At this moment, seeing the situation in front of her, Liu Ruxue and the people around her were all stunned.

I saw a cliff a few hundred meters high, collapsed from the middle of the mountain, and there was a mess within a kilometer of the radius, and many places were burned by fire and traces of fighting.

Obviously, there was a fierce battle here before.

"quick!"

Seeing this scene, Liu Ruxue bit her lip tightly, very worried about Ren Pingsheng's safety, and immediately ordered everyone: "Look around to see if there is any trace of the Sect Master."

"Follow the order!" After hearing the order, everyone immediately dispersed, carefully searched around.

After a while, someone discovered something and shouted anxiously: "Come on, come quickly, the head is here."

Crash...

Hearing the call, Liu Ruxue and the others rushed over and saw the forest in the woods. Ren Pingsheng lay there quietly, blood all over his body, and there was a sword wound in his heart, which ran through his heart, and it was shocking to see.

Seeing this scene, whether it was Liu Ruxue or the others present, they were all shocked and angry.

Who the hell did it? How can you beat the boss so badly?

"Sect Master..."

"Sect Master..."

After a few seconds, more than a dozen hall masters and thousands of disciples fell to the ground one after another.

The heart is damaged, the person is not breathing, and he is obviously dead.

However, Liu Ruxue bit her lip tightly, without the slightest bit of sadness, but looked around and said coquettishly, "Why are you crying? The senior brother is not dead yet."

Others couldn't see it, but Liu Ruxue knew it. Seeing that, Ren Pingsheng's expression was peaceful. Although he was no longer breathing, there was still a force in his body, which traveled with the meridians.

As a saint, and with Ren Pingsheng's brother and sister, Liu Ruxue immediately realized that Ren Pingsheng did not completely lose, but at a critical moment, he used the 'fire rebirth' in the holy fire Mingzun.

not dead?

Hearing this, everyone present was stunned and looked at Liu Ruxue blankly.

The Sect Master was injured in his heart, and he couldn't breathe, how could he not die?

"Okay!"

Liu Ruxue was too lazy to explain, because she clearly saw that there was a faint flame looming on the surface of Ren Pingsheng's skin, she knew that 'Rebirth from Fire' had entered the key, and immediately ordered everyone: "You all Don't be confused, the head is not dead, hurry up and set up a camp nearby, and at the same time guard the surrounding area, no one is allowed to approach."

Seriously, seeing Ren Pingsheng so miserable, Liu Ruxue really wanted to know who did it. But the most important thing right now is to ensure that Ren Pingsheng can be successfully reborn.

Hearing the order, everyone did not dare to be neglected, took materials on the spot, quickly set up a huge tent, and then carefully moved Ren Pingsheng inside.

Afterwards, everyone set up vigilance around.

In the tent, Liu Ruxue quietly stood beside Ren Pingsheng, her beautiful face couldn't hide her worry. Although she knew that Ren Pingsheng had performed 'Rebirth from Fire', but this stunt has been practiced in Lihuomen for nearly a thousand years. No one knows whether Ren Pingsheng can succeed.

Chapter 5384

Brother, you must succeed.

Under the worry, Liu Ruxue kept praying in her heart.

At this moment, outside the tent.

Thousands of Lihuo Sect disciples guarded the surroundings like iron barrels. It could be said that the guards were so heavily guarded that even a fly would hardly get in.

Every disciple also played up the spirit of twelve points, without the slightest neglect.

Om...

But at this moment, everyone sensed that there was a wave of terrifying aura fluctuations in the sky above their heads. The bright moon was in the sky, but suddenly dark clouds rolled.

what's the situation?

For a time, all the disciples of Lihuo Sect were taken aback, and they looked up at the sky in shock.

In the dark cloudy night sky, a ray of light ripped apart the sky and fell from the sky.

The brilliant light seemed to tear the entire sky in half.

“What’s the matter?”

At this time, hearing the movement outside, Liu Ruxue walked out of the tent quickly, and when she saw the scene in front of her, her beautiful face was instantly shocked: “A natural phenomenon, is it. ..what treasures have come into the world?”

She saw this view from ancient books. Since ancient times, there must be treasures in the world.

It’s just that it has never happened in thousands of years, but I didn’t expect it to happen tonight.

Treasures come to earth?

Hearing this, everyone around Lihuo Sect was shocked.

The next second, one of the hall masters couldn’t help but ask: “Saint, is there really such a treasure in this world?” As he spoke, his eyes were extremely excited, because the light that ripped apart the sky and connected the ground is just far from here. not far.

If there is really a treasure, Lihuomen can rush over immediately.

Huh...

Liu Ruxue sighed lightly, her delicate face showing a bit of complexity: “I’m not sure if there is any, in short, it’s all recorded in ancient books.”

Boom.... The

voice fell, Just saw the light in the sky, and finally landed in the valley a few hundred meters away, and suddenly a huge roar came, and then, everyone felt the ground under their feet, and there was a burst of tremors.

For a time, everyone was a little unsteady, and their faces were shocked.

The treasure has already landed, this power is simply too terrifying.

“Quick!”

Under the shock, Liu Ruxue couldn't help shouting: "You all go over and take a look, remember, don't blindly shoot." After saying that, she looked back at the tent.

Speaking of which, Liu Ruxue really wanted to go check it out in person, but she held back when she thought that Ren Pingsheng in the tent was at a critical moment of rebirth.

"Yes, Saint Nun."

Upon hearing the order, more than a dozen hall masters responded in unison, and quickly rushed over with their disciples.

.....

At this time, in the valley.

I saw that a huge deep pit was bombarded in the open space in the valley. This deep pit was more than one hundred meters in diameter and tens of meters deep. At the bottom of the giant pit, lay a colorful dazzling light ball.

In the ball of light, there is a vague figure.

With a strong body and sharp eyebrows, he is indescribably handsome and handsome, but there is a paranoid evil spirit between his eyebrows.

It was sent from the realm of the gods, the divine soul of Prince Aotian.

At that time, in the courtyard where Taiyi Xianzun lived in seclusion, Prince Aotian failed to break through, resulting in the destruction of his primordial spirit. In the end, Taiyi Xianzun, through the essence of the Faye Red Lotus, saved the spirit of Prince Aotian, and then sent him to Ziwei Continent, okay Let him re-cultivation out of the primordial spirit.

But unfortunately, Prince Aotian landed not far from the Lihuomen camp after being teleported.

Huh....

At this time, as the light ball slowly disappeared, Prince Aotian also opened his eyes, seeing the surrounding environment, his eyes were full of disgust: "This is the Ziwei Continent of the human world? The spiritual energy of heaven and earth is really unusual. It 's bad."

Muttering, I heard footsteps not far away, and there were many people listening.

Prince Aotian frowned, his figure flashed, and he disappeared directly into the night.

“It’s here!”

“This...”

As soon as the figure of Prince Aotian disappeared, everyone from Lihuomen rushed over, and when they saw the huge pit in front of them, they were all dumbfounded.

“What kind of power can create such a terrifying power?”

“Strange, there is nothing down there?”

“Could it be... that someone took the lead and took the treasure?”

Chapter 5385 Under the

discussion, several hall masters immediately instructed the disciples: “Quick, search the vicinity, no matter who you find, take it down immediately.” With such a vision of heaven and earth, it is impossible to have nothing. Someone must have taken the lead and took the treasure away. This should belong to the Lihuo Sect. How could it fall into the hands of others? Whoops... For a time, thousands of Lihuo Sect disciples quickly searched around the giant pit. this moment, the other side. Liu Ruxue stood outside the tent door, looking in the direction of the giant pit, unable to hide her urgency. The disciples must have already arrived at the place, and they don’t know what treasure can trigger such a strong vision of heaven and earth... At this time, Liu Ruxue’s attention has been in the direction of the giant pit, and he didn’t notice that in her Behind him, an illusory figure quietly entered the tent. Take the illusory figure, it is almost transparent, and it is late at night, you can’t find it if you don’t look carefully. It is the soul of Prince Aotian. After Prince Aotian left the giant pit just now, with his keen perception, he noticed that someone nearby was performing a strange exercise to regenerate. Hmm.... At this time, I entered the tent and saw Ren Pingsheng lying in it, Prince Aotian narrowed his eyes slightly, and said to himself: “Although this person is seriously injured, the talent bone tool is the best choice. , It seems that this prince has good luck, as soon as he arrived here, he encountered a very suitable body.” As he said, Prince Aotian slowly approached.

At this time, Ren Pingsheng, Yuhuo Rebirth has taken the last step, his whole body is extremely red, and he slowly wakes up, sensing someone approaching, and immediately opened his eyes.

Um?

The moment he opened his eyes and saw Prince Aolin in front of him, Ren Pingsheng was taken aback and said weakly, “Who are you?”

He clearly saw that the person in front of him was actually in a transparent state.

Simply incredible.

Seeing him wake up suddenly, Prince Aotian was very surprised, but he quickly reacted and smiled lightly: "It doesn't matter who I am, you just need to know that it is your great honor that your body can be seen by me. "

When he said this, Prince Aotian's tone was incomparably arrogant, and his eyes were even more domineering with contempt for everything.

Fancy my body?

He...he wants to take me away?

Hearing this, Ren Pingsheng was stunned for a moment, then he realized something, and said angrily: "Good boy, you are so shameless, do you know who I am?"

"If you want to take me away, I'm afraid you are not qualified.

" Falling down, Ren Pingsheng's figure erupted, carrying an unparalleled power, and slapped Prince Aotian with a fierce palm.

In Ren Pingsheng's eyes, Deng Shiqi's powerful and very insidious people can't completely destroy him, and this young man in front of him is a joke.

"Beyond one's own ability."

Seeing Ren Pingsheng burst out, Prince Aotian raised a trace of contempt at the corner of his mouth, raised his right hand flutteringly, and condensed a ball of light, directly covering Ren Pingsheng inside.

boom!

Ren Pingsheng struck with all his strength and hit the inner wall of the ball of light fiercely, only to hear a dull sound, and the power of this palm instantly dissipated. Although there was a lot of movement, it was completely blocked by the light ball, so it couldn't be heard from outside at all.

What?

Seeing this situation, Ren Pingsheng changed color in shock, and with all his strength, he couldn't even break the protective film condensed by the opponent. What was the origin of the opponent?

"Your body doesn't look handsome at all, but you can barely make do with it..."

Just when Ren Pingsheng was secretly shocked, Prince Aotian said slowly, and then his soul turned into a streamer and entered the ball of light. Incorporated into Ren Pingsheng's body.

Om...

The next second, Prince Aotian's divine soul crushed Ren Pingsheng's soul, and then devoured it little by little.

"Ah..." The soul was devoured, the pain was unbearable to anyone, Ren Pingsheng let out a shrill scream, and at the same time shouted unwillingly: "You... in the end... who is...?"

Aotian Prince's voice sounded: "Anyway, you are about to cease to exist, and this prince will tell you that I am the son of the Nine Heavens God, the future God Realm, and even the master of your human world."

The ultimate husband in Chinese chapter 5386-5390

Chapter 5386

... Son of God in the Nine Heavens?

Hearing this, Ren Pingsheng's whole soul trembled, and a sense of despair swelled from the bottom of his heart: "I...I can't just die like this, I can't..."

Just halfway through the words, the soul Was completely engulfed by Prince Aotian.

Immediately afterwards, Prince Aotian quickly occupied this body, merged his soul into it, and tempered this body with the power of his soul.

Buzz...

For a time, within the ball of light, a stream of pure power spread out around Ren Pingsheng's body. Ren Pingsheng was already extremely talented. Refining the meridians, the injury before entering is completely healed, and the strength has also been improved by leaps and bounds.

After just a few minutes, Prince Aotian completely fit Ren Pingsheng's body.

Phew...

At this moment, Prince Aotian raised his hand to remove the ball of light covering his entire body, took a deep breath, and a smile appeared on the corner of his mouth. With a body, he could slowly reshape his primordial spirit.

At this moment, outside the tent.

Liu Ruxue waited for a while, but she couldn't help but feel anxious when she didn't see everyone coming back.

Those disciples... have you encountered any trouble?

"Holy aunt..."

Just when Liu Ruxue was a little worried, she saw more than a dozen hall masters returning quickly with thousands of disciples, all of them downcast and very depressed.

Seeing them come back, Liu Ruxue's spirit was lifted, and she quickly asked Zhao Bin, the head of the White Crane Hall, "How is the situation? What have you found?"

This chapter is provided by . Visit for daily update.

When asked, Liu Ruxue's eyes were full of anticipation.

It must be a rare treasure that can trigger such a grand vision of heaven and earth. If you can get it, it must be a blessing for Lihuomen.

Ugh!

Feeling the expectation in Liu Ruxue's eyes, Zhao Bin sighed softly and said ashamedly: "Reporting to the saint, a huge pit was blasted out where the light fell. Found any treasure."

"My subordinate guessed that someone might have taken the lead and took the treasure..."

Zhao Bin lowered his head and did not dare to look at Liu Ruxue while he was talking. At the same time, other people around him People, one by one, are also extremely embarrassed.

Nothing at all?

Hearing this, Liu Ruxue frowned, this is impossible... This place is inaccessible, and there are thousands of disciples in Lihuo Sect. If there are people, it is impossible not to find them.

Seeing Liu Ruxue's expression, everyone around didn't dare to speak rashly.

"Holy aunt..."

At this time, Zhao Bin took a step forward and said cautiously: "What should we do next, should we continue to explore the nearby area, or..."

Halfway through the sentence, he heard the tent curtain being lifted behind. Immediately afterwards, Ren Pingsheng walked out slowly.

Of course, at this time, Ren Pingsheng was no longer the head of Lihuo Sect half an hour ago. His body was completely occupied by Prince Aotian. The surface was the same as before, but in fact, this body had undergone earth-shaking changes.

"Senior brother..."

"Sect Master."

At this moment, Liu Ruxue and the Lihuo Sect members present were extremely happy, and they greeted each other and gathered around them.

Especially Liu Ruxue, she couldn't tell how happy she was at this moment. She could clearly see that the 'Ren Pingsheng' in front of her was a completely different person compared to her previous weakness, and she looked bright.

Not only that, the aura that pervades the body is also much stronger than before.

Excited, Liu Ruxue said with a smile: "Senior brother, our 'Holy Fire Mingzun' of Lihuomen is really amazing. Has your strength broken again? It's so strong."

Hehe.. Seeing Liu Ruxue's excited look ,

Prince Aotian squeezed out a smile, but he didn't respond, but he was secretly suspicious.

This woman is so enthusiastic that she even calls me senior brother. It seems that she and the original owner of this body are brothers and sisters from the same sect.

Although he took Ren Pingsheng and occupied this body, Prince Aotian knew absolutely nothing about the identity of this body, but Prince Aotian was not stupid and pretended to be Ren Pingsheng without any exposure.

Prince Aotian thought about it, since the body he occupies is the master of a sect, it is better to make good use of this identity and reshape the primordial spirit as soon as possible.

Chapter 5387

"That's right!"

Liu Ruxue didn't notice anything wrong with Prince Aotian's reaction. What did he think of at this moment, he quickly asked: "Senior brother, what happened before? Who put you down? Seriously injured?"

When asked, Liu Ruxue's eyes were full of solemnity, and if he could force his senior brother to use 'Rebirth from Fire', the opponent's strength must be very terrifying.

To be honest, Liu Ruxue thought of Yue Feng for a moment, but she still couldn't help but ask.

Swish!

At this moment, the eyes of everyone around were also watching Prince Aotian closely, waiting for him to say the name of the murderer. One by one was outraged.

No matter who the other party is, he must pay a heavy price for hurting the Sect Master so badly.

Facing the situation in front of him, Prince Aotian was stunned, and then waved his hand nonchalantly: "This... The incident happened suddenly, and that person attacked from behind, and I didn't have time to react. After being seriously injured, nothing happened. Got it."

When he said this, Prince Aotian looked serious, but there was complexity in his eyes.

He just snatched this body, how could he know who Ren Pingsheng was killed by before? However, as a prince, his mind turned very fast, and he made up a lie in just a few seconds.

This...

Hearing this answer, both Liu Ruxue and the surrounding Lihuo Sect members were all stunned, frowning secretly.

The boss was raided?

And I haven't seen the other party's appearance clearly... Who the

hell is this person, who can silently inflict heavy losses on the head, and still not reveal his identity, this strength... It's too perverted.

At this time, everyone in Liu Ruxue didn't know that the person in front of them was not their head at all.

"It doesn't matter!"

Finally, Liu Ruxue was the first to react, and smiled at Prince Aotian: "It doesn't matter who the other party is for the time being, as long as the senior brother is fine, we will have more time in the future. Check it out."

Hmm!

Prince Aotian nodded, but he was thinking of other things.

Once you have a body, just to reshape the primordial spirit, you need to integrate the pure yang essence and pure yin essence of the cultivator. These people must be in the body of a boy.

There are quite a few of the Lihuo Sect disciples in front of them who meet the conditions, but it is not easy to pretend to be their head.

"Senior brother."

Just when Prince Aotian was thinking about these things, Liu Ruxue thought of something and said quickly: "Before the senior brother woke up, a vision of heaven and earth appeared in this area..."

The next A few minutes later, Liu Ruxue explained the situation in detail.

At the end of the story, Liu Ruxue's delicate face could not hide the depression: "I asked them to investigate just now, but they searched the giant pit and its surroundings, and found no treasures."

"This matter is really strange. Senior Sect Master, what do you think we should do next?"

When she said this, Liu Ruxue looked at Prince Aotian with anticipation in her eyes, in her heart, Sect Master Senior Brother was omnipotent, and there was no difficulty that could stymie him.

Heaven and Earth anomalies? Giant pit?

Knowing these circumstances, Prince Aotian frowned lightly, secretly laughing in his heart.

Isn't this the vision caused by this prince, who was sent from God's Domain? It's ridiculous that this bunch of stupid humans actually think that some kind of treasure is in the world.

Hmm....

thinking so in my heart, Prince Aotian pondered for a moment, first looked around, and finally looked at Liu Ruxue and said, "Since we haven't found anything, maybe our Lihuomen has nothing to do with this treasure."

Said Then , Prince Aotian waved his hand: "It doesn't make any sense to stay here. Let's go back to the mountain gate as soon as possible."

When he said this, Prince Aotian looked indifferent and did not fluctuate at all. After all, the previous vision of heaven and earth was his It was caused by myself, but how could it be said.

This....

Hearing this, the Lihuo Sect disciples present were a little unwilling.

This is a treasure that can trigger weather phenomena, and the head actually gave up when he said he would give up.

At the same time, Liu Ruxue also frowned slightly, looking at Prince Aotian, and a little doubt appeared in her heart.

How do you think.... After the sect master experienced this catastrophe, it seems to have changed.

Chapter 5388

Change to the previous words, when encountering such a thing, with the temperament of the head senior brother, no matter how much the price is paid and what means are used, we must find the treasure.

And now, he has no interest at all.

Could it be that... after the success of 'Rebirth from Fire', one's character can be changed?

"What's wrong?"

Just when Liu Ruxue was stunned and thinking about this, Prince Aotian smiled at her: "Junior sister doesn't hurry up and get ready to go, what are you thinking about?"

Hmm!

Liu Ruxue reacted and replied, just looking at Prince Aotian's smile, the more he thought about it, the more he felt that something was wrong. He only felt that the senior brother in front of him, whether it was his words or deeds or the way he handled things, were completely the same as before. different.

It's like...a completely different person.

What the hell is going on?

Forget it, when you're on the road, find a chance to talk to your senior brother.

A few minutes later, everyone withdrew their tents, and then marched mightily towards the main altar of Lihuomen.

Along the way, Liu Ruxue kept looking for opportunities to chat with Prince Aotian, but Prince Aotian only thought about reshaping his Primordial Spirit, so he gave no response to Liu Ruxue's chat.

This made Liu Ruxue very depressed, and at the same time, he felt even more that there was something wrong with the senior brother in front of him.

Four hours later, Liu Ruxue, Prince Aotian, and thousands of elite disciples finally returned to the main altar.

Phew...

At this moment, looking at the majestic building complex in front of him, Prince Aotian exhaled secretly, feeling quite satisfied. This place has a quiet environment, which is very suitable for cultivation and rebuilding the primordial spirit.

It's just... Although this body is fused, it has to be adapted slowly.

Ten minutes later, inside the main altar hall.

Prince Aotian sat on the throne, Liu Ruxue and a dozen other hall masters stood on both sides of the sub-station, and the atmosphere was a little subtle.

"Senior brother."

At this moment, Liu Ruxue couldn't help but said: "We planned so closely in the previous plan, but we didn't expect that Yue Feng was so cunning, and this account can't be settled like this.

" Thinking of being taken advantage of by Yue Feng before, the anger in Liu Ruxue's heart couldn't stop rushing up.

The voice fell, and all the hall masters around were extremely suffocating.

With the strength of the entire Lihuo Sect, not only did he fail to capture Yue Feng, but he was also humiliated several times by him. How he swallowed his breath was a shame.

Um?

At this moment, Prince Aotian, who was sitting there with an indifferent face, suddenly heard Liu Ruxue mention Yue Feng, and his heart was shocked.

Yue Feng?

Wouldn't it be so coincidental, or is it someone else who they said?

Thinking to himself, Prince Aotian tapped his finger on the throne, concealing the tremor in his heart, and calmly said to Liu Ruxue: "Junior sister, after being hit so hard before, I can't remember a lot of things, you follow me carefully. Tell me, who is Yue Feng, and what kind of grievances do you have with our Lihuo Sect."

When saying this, Prince Haotian tried his best to keep his tone natural.

Can not remember?

Hearing this, both Liu Ruxue and the surrounding hall masters were stunned.

Such an important thing, the head has forgotten?

Especially Liu Ruxue, with her beautiful face, she couldn't hide the suspicion. Since the "Rebirth from Fire", not only has the whole person changed, but now he doesn't even remember what happened before.

Even if 'Rebirth from Fire' has drawbacks, it can't be so serious.

Just when Liu Ruxue was thinking about this, the surrounding hall masters, you and I explained the previous things in great detail.

Huh...

Hearing this, Prince Aotian's face suddenly became solemn, and his eyes also revealed a trace of gloom.

Ma De, can alchemy, and his strength is unfathomable. Isn't that the Nine Heavens Profound Sage Yue Feng?

Thinking to himself, Prince Aotian decided to check in more detail, looked around and asked, "How does this Yue Feng look? How old is he?" After the

voice fell, one of the hall masters quickly told Yue Feng's appearance and grade. .

It's him, can't be wrong.

At this moment, Prince Aotian was certain in his heart that the Yue Feng in everyone's mouth and the Yue Feng he thought were the same person, Xuansheng Jiutian, Prince Aolin's master.

Chapter 5389

Realizing this, Prince Aotian couldn't hide the resentment in his heart.

Yue Feng... This is Yue Feng.

It was because he secretly helped Ao Lin that he lost the position of Heavenly Emperor, and it was also because of him, Master Taiyi Immortal Venerable, that he was expelled from Yutian Palace.

And he lost the position of the Emperor of Heaven, his breakthrough failed, his Yuanshen was destroyed, and finally he had to enter the human world and re-cultivate his Yuanshen.

It can be said that he was able to end up like this, all because of this Yue Feng.

For a while, thinking of this in his heart, Prince Aotian clenched his fists, his eyes were blood red, and his face was incomparable.

Huh...

Seeing his appearance, Liu Ruxue and the others did not dare to let out the air. The entire hall was deadly silent.

"Damn..."

Finally, Prince Aotian calmed down, slapped the armrest of the throne fiercely, and said with a stern gaze, "This Yue Feng is so abominable, naturally he can't be easily let go, one day, I will smash him into tens of thousands of corpses with my own hands. Duan."

"However, this matter cannot be rushed, it needs to be considered long-term."

These people did not know Yue Feng's true identity, but he knew very well that the other party was Ao Lin's master, and he was the teacher of the Emperor of Heaven. Supreme divine power, unfathomable strength, and he doesn't even have primordial spirit, looking for trouble at this time is completely looking for death.

At the end of the conversation, Prince Aotian waved his hand: "Okay, there is nothing else to do, everyone should step back first.

"

With a sound, they are ready to leave, and at the same time they are also very relieved.

Although the Sect Master didn't remember some things, he didn't forget the grievances with Yue Feng.

“Senior Sect Master!”

However, at this moment, Liu Ruxue suddenly thought of something, stepped forward quickly, and said to Prince Aotian, “Senior Brother... In two days, it will be our Lihuo Sect's sacrificial ceremony. , all matters need the instructions of senior brothers.” The

sacrificial ceremony is a tradition of Lihuomen, held every other year to pay homage to the founder of the school. It was a very important day for the disciples of Lihuo Sect.

A sacrificial ceremony?

Hearing this, Prince Aotian frowned secretly, then waved his hand, and said lightly: “I'm preparing to retreat and practice, I'm afraid I won't be able to go out for a day or two, so I'll be solely responsible for the sacrifice ceremony.”

Although this body was successfully seized, it still took some time to get used to it. Under this circumstance, Prince Aotian was not in the mood to care about the sacrificial ceremony.

This...

Seeing him say that, Liu Ruxue was stunned for a moment, bit her lip lightly, looked at Prince Aotian in disbelief, full of complexity...

I heard right, Senior Brother let me be responsible ?

The sacrificial ceremony is the most important day of the Lihuo Sect. Every time it is held, the leader needs to do it himself. Moreover, in the past, the brothers in charge paid great attention to the sacrificial ceremony. What happened today?

At this moment, Liu Ruxue had a terrible thought in her heart.

The one sitting on the throne was not his senior brother at all. Although he was Ren Pingsheng on the outside, the soul inside belonged to another person.

This thought flashed, Liu Ruxue's delicate body trembled, and she was so frightened that she broke into a cold sweat.

“Junior Sister!”

At this time, seeing her stunned there, Prince Aotian said lightly: "What? Is there a problem?"

"No!" Liu Ruxue calmed down and shook her head quickly: "Since the sect master is going to retreat, then the sacrificial ceremony will take place. Leave it to me to preside over the matter."

After speaking, he respectfully left the hall.

Watching Liu Ruxue leave, Prince Aotian stood up slowly, called a disciple to lead the way, and entered the back mountain secret room to retreat.

...

On the other side, the mysterious realm of heaven.

In the square not far from the original altar, a teleportation array composed of boulders has been built.

call!

Yue Feng stood aside, looking at the Chaos Teleportation Array in front of him, he took a deep breath, his face full of excitement.

Nima, finally got it done.

The heaven and earth are full of spiritual energy here. As long as the formation is activated, the weather aura is gathered together, and it can be teleported away.

However, Yue Feng was not in a hurry to leave. He decided to return to the Chunyang Palace and explain everything before returning to the Kyushu Continent with complete confidence.

Chapter 5390

Om!

At this time, Yue Feng checked the surroundings of the next formation, and after confirming that there was no problem, he used his divine power to form a barrier around his subordinates.

With this barrier, even if someone breaks in, they cannot enter the teleportation array.

After doing this, Yue Feng quickly left the Heavenly Mysterious Realm and rushed towards the Chunyang Palace.

.....

On the other side, the main altar of Lihuomen.

It was already late at night, and the entire Lihuomen main altar was silent.

On the path leading to the secret room in the back mountain, Liu Ruxue walked slowly, with a delicate face that could not hide the complexity.

During the day, I found that something was wrong with the headmaster, and the more I thought about it, the more afraid it became, so I decided to go to the secret room to observe it secretly at night.

Speaking of which, the secret room where the head is closed is a forbidden place in the forbidden area, but Liu Ruxue is a saint, and she and Ren Ping are like brothers and sisters. For so many years, when Ren Pingsheng retreated, he never avoided Liu Ruxue.

And Liu Ruxue is also clear about the mechanism of the stone gate in the secret room.

“Saint aunt?”

When they approached the stone gate of the secret room, the two disciples who were guarding there were stunned for a moment, and then they couldn't help but greeted: “It's so late...”

Just before she finished speaking, Liu Ruxue said He made a silent gesture: “I'm discussing some things with the head senior brother, you all step back.”

Hearing

this, the two disciples looked at each other, then nodded and stepped back.

In the entire Lihuomen, who does not know the relationship between the saint and the head?

Seeing the two disciples leave, Liu Ruxue took a deep breath, suppressing the fear in her heart, and then quietly opened the stone gate.

After

a slight noise, the stone door slowly opened, and Liu Ruxue walked in directly.

Behind the stone gate, there is a long secret passage, and after passing through it is the secret room for cultivation.

When passing through the secret passage, Liu Ruxue put her footsteps very lightly, trying not to let the Aotian prince inside notice it, and her mood was indescribably uneasy.

Hiss...

a dozen seconds later, when approaching the secret room, seeing the scene inside, even though Liu Ruxue was prepared, she couldn't help but gasp.

I saw that 'Ren Pingsheng' was sitting cross-legged with his eyes closed and motionless, as if he was meditating.

However, in the shadow behind him, there was another figure floating, because the light was dim and it was difficult to see, but Liu Ruxue clearly felt that this figure was not Ren Pingsheng, or even a person at all.

It is the soul of Prince Aotian.

Because he was still not used to this body, after entering the secret room, Prince Aotian urged his soul to escape from Ren Pingsheng's body.

what 's wrong?

At this moment, in great panic, Liu Ruxue bit her lip tightly, her face was pale, and her palms were full of cold sweat.

What is the figure behind the senior brother? The ghost of hell?

Crash...

Because she was too nervous, Liu Ruxue accidentally kicked a small pebble and made a soft sound.

Swish!

Hearing the movement suddenly, Prince Aotian, who was meditating in meditation, suddenly woke up, and his eyes instantly turned to Liu Ruxue. In the dimness, his eyes were like sharp swords, as if they could penetrate people's hearts and souls.

Feeling Prince Aotian's gaze, Liu Ruxue was terrified and wanted to turn around and run away, but her legs were weak and she couldn't run at all.

Whoosh!

At this moment, Prince Aotian mobilized his soul and merged into Ren Pingsheng's body, then walked step by step, staring at Liu Ruxue: "Junior sister, what are you doing here in the middle of the night?" The

tone was calm and gentle, but it made people listen. When he got up, there was a terrifying chill.

"You..."

Watching him walk step by step, Liu Ruxue only felt that her heart was about to jump out, and her voice trembled: "Don't come here, let alone call me Junior Sister, you... You are not my senior brother Ren Pingsheng."

"Who are you? Why do you want to take away my senior brother's soul?"

At this time, Liu Ruxue tried her best to show a fearless appearance, but faced with Prince Aotian's powerful Breath, can't calm down at all.

Phew...

Hearing this, Prince Aotian stopped, stared at Liu Ruxue, and said slowly after a few seconds, "I thought I was hiding well, but I didn't expect that you would see it out long ago. You are a smart woman, but the smarter the woman, the easier it is to make fatal mistakes."
