Chapter 5401

Gululu... The

head flew more than ten meters away, and finally stopped at the feet of Prince Aotian.

For a while, the audience was silent.

Whoa!

After a brief silence, all the Lihuo Sect disciples burst into cheers, each with an indescribable expression of excitement and resentment.

“The sect master is mighty...”

“Congratulations to the sect master for cultivating the supreme magic skill and successfully killing Deng Shiqi.”

“Haha... What three sects, didn't they die in the hands of our sect master in the end?”

While everyone cheered Each and everyone looked at Prince Aotian with admiration. In their hearts, ‘Ren Pingsheng’ was the most talented head of the Lihuo Clan for thousands of years. To rise up completely on the rivers and lakes.

Under everyone's attention, Prince Aotian smiled.

The next second, Prince Aotian glanced at Deng Shiqi's head lightly, and instructed everyone: “Pick up the head and send it to Beihai Xingsu, then hang the body on the stone pillar of the mountain gate, and tell the people in Beihai Xingsu that they want Deng Shiqi. The corpse is taken according to your ability.”

“Also, spread the incident to Jianghu.”

What happened today was Deng Shiqi who broke into the Lihuomen first and was killed, so it is his own fault, and the truth spread to Jianghu. Above, no one will speak for Beihai Constellation.

But Lihuomen can take the opportunity to jump up.

“Yes, Sect Master.”

This chapter is provided by . Visit for daily update.

Upon hearing the order, all the disciples in the room responded in unison, and the momentum was overwhelming.

.....

On the other side, the continent of Kyushu.

At this time, the night had just come, and the ceremony hall of Xia Yinzong was full of people.

He saw that Wen Chou Chou, Sun Dasheng, Su Qingyan, Xiao Yuruo and the others were all in line.

A few days ago, the Sea Dragon Palace raided the main altar of Tianmen, and Yue Wuya was defeated. He was forced into a corner, jumped off the cliff by the sea, and his whereabouts were unknown.

At that time, when the incident happened suddenly, when Wen Chou Chou and others received the news to support, Yue Wuya had already jumped off the cliff for more than an hour.

But now a few days have passed, and there is no Yue Wuya who has disappeared.

Because of this, Wen Chou Chou, Sun Dasheng and others are extremely anxious and anxious,

alas!

At this moment, Sun Dasheng slammed down his chair and said with a suffocated breath: "The bastards in the Hailong Palace are so cunning, so they went to raid Ya'er while we were away."

"This child has been around since childhood. Fate has twists and turns, if something really happened this time, I don't know how sad Fengzi should be." The

voice fell, and everyone present bowed their heads, each with a heavy heart.

"Okay." A

few seconds later, Wen Chou Chou rubbed his brows and said slowly, "Ya'er is a lucky person, there should be no accident, the place where he jumped off the cliff is not far from Donghai City, and Donghai City is now being attacked by Hailong. The temple is completely under control, I guess, Ya'er deliberately hid in order to avoid being discovered by the Hailong Palace."

After saying this, Wen Chou Chou ordered a disciple outside the door: "Increase the number of people, on the coast near Donghai City. Search, remember, don't be found by the people of the Sea Dragon Palace."

"Yes..."

Upon receiving the order, the disciple complied and hurried to prepare.

At this time, Xiao Yuruo watched the disciple walk away, her delicate face couldn't hide her worry: "Brother Wen, what if we still can't find Ya'er? We can't be passive like this forever.

" Everyone nodded in agreement.

Hu....

Wen Chou Chou took a deep breath and said slowly, "If we still can't find Ya'er within three days, we will start a full-scale war against the Sea Dragon Palace." When he said this, Wen Chou Chou had a complicated face.

Speaking of which, this is the worst plan in Wen Chou Chou's heart. But I couldn't find Yue Wuya's words, and I couldn't watch the Sea Dragon Palace raging everywhere, and I couldn't be indifferent.

"Okay!"

Hearing this decision, Sun Dasheng stood up suddenly, his eyes full of fighting intent: "I have already done this, Mad, the pirates who will be killed by then will be shit..."

... ..on

the other side, Donghae City.

Although it was late at night, the upstairs of Zhanxingxing was brightly lit.

Chapter 5402 In the

hall on the first floor, Gone was half lying there comfortably, on the table in front of him, there were delicacies and fine wines, next to him, Yu Du with a respectful look on his face.

In the open space a few meters away from the table, a few specially selected beauties were dancing there.

These beauties were specially chosen by Yu Du.

A few days ago, after completely destroying the main altar of Tianmen, Gone was in a good mood.

At this time, Gone and Yu Du had a cup of tea and said with a smile: "The last time you attacked the Tianmen main altar, you did a good job. It's a pity that Yue Wuya ran away."

"It's been three days now, Has there been progress in tracking down Yue Wuya?"

His tone was indifferent, but he gave people a breathless coercion.

Gudong.

Hearing the question, Yu Du first drank the wine in the cup, and then quickly stood up with a look of shame: "I am ashamed, I have no news about Yue Wuya yet."

When answering, Yu Du was sweating profusely.

The more contact with Gone, the more Yu Du has a little understanding of this holy king. Don't look at the calm now, once he does something that makes him dissatisfied, he will be punished by thunder.

Queen Moyan, isn't that just an example?

"No?"

Sure enough, upon hearing this, Gone frowned, with a bit of displeasure on his face: "Yu Du, I value you very much, don't let me down."

"Yes, this subordinate understands. Yu Du quickly wiped the cold sweat on his forehead, nodded and said, "This subordinate is going to prepare, and try my best to catch Yue Wuya." The

last word fell, Yu Du quickly walked out of the hall.

Mad!

When he got outside, Yu Du took a deep breath of the cold air at night and felt very depressed. He said that accompanying the king is like accompanying a tiger, and accompanying this holy king is even more terrifying than a fierce tiger.

That Yue Wuya has been missing for three days, where can I find it?

But I have already promised the Holy King just now. If I can't find Yue Wuya's whereabouts, how can I explain it to the Holy King?

For a while, Yu Du felt restless in his heart, and had no clue about finding Yue Wuya's whereabouts.

Um?

Soon, Yu Du saw the entrance of the underground secret passage next to the Xingxing Building, and suddenly thought of something.

With that, Hai Linger is the woman Yue Wuya likes, and she must know where he is hiding.

Thinking of this, Yu Du didn't have time to think about it, and immediately opened the stone gate of the secret passage and walked in quickly.

This underground secret passage was built when the Sea Dragon Palace occupied the Xingxing Building. It was dark and damp inside. After the poison entered, he saw Hai Linger's hands tied with chains and curled up in the corner.

"You..."

Seeing Yu Du coming in at this time, Hai Ling'er's delicate body trembled, her eyes couldn't hide her vigilance: "What are you going to do?"

"Don't be afraid." Yu Du smiled and said slowly: "I You are Yue Wuya's sweetheart, how could I have any thoughts on you?"

Hehe...

Hearing this, Hai Ling'er couldn't help but chuckle: "If you really If you have principles, you should let me go. If it wasn't for me, you wouldn't have been able to know the truth."

At this moment, Huan Ling'er's face was full of anger.

As soon as these words came out, Yu Du's face changed, and he said coldly: "The truth? I hope the truth will never be exposed." If it wasn't for Hai Ling'er telling the truth at the time, the Holy King would not have forced Mo Yan to tell it. Who is the father of the child, and will not be imprisoned in the future.

Thinking of Mo Yan being imprisoned by Gone at this time, Yu Du felt an unnamed fire in his heart.

However, he is very shrewd and is very good at hiding his emotions. After a few seconds, he looked at Hai Linger with a smile and said, "Miss Linger, I came to find you so late, not to discuss this."

“I might as well. Let me tell you, three days ago, our Sea Dragon Palace successfully destroyed the main altar of Tianmen. Your sweetheart, Yue Wuya, was unable to fight, and finally jumped off the cliff by the sea.”

“I have been searching for his whereabouts these days, but it is No progress at all. I hope you can tell me where he might be hiding.”

“If you tell us and help us find Yue Wuya, I will not only reunite you, but also treat each other with courtesy, how about that?”

Chapter 5403

When the last word fell, Yu Du looked at Hai Linger closely, his eyes full of urgency.

What?

However, at this moment, Hai Ling'er's delicate body trembled, her brain buzzed, and her whole body was dumbfounded.

The main altar of Tianmen was destroyed by...?

Moreover, Brother Wu Ya also jumped off the cliff... disappearing?

How could this be?

After more than ten seconds, Hai Ling'er reacted, and her beautiful face couldn't hide the anger: “You shameless people who are chasing the rivers and lakes will not end well.”

“Even if I know Brother Wuya. I won't tell you where it might be hidden.” In

his remarks, his attitude was firm and unquestionable.

Swish!

Hearing this answer, Yu Du frowned and said lightly, “Miss Ling'er, you know the cause of the matter better than I do. If you hadn't kidnapped our young master, would the matter have developed to this point?”

” I am very cherished, even if I capture Yue Wuya, I will not kill him, but will only treat each other with courtesy.”

“By the way, if we find him, you will be able to reunite, why are you so stubborn? Don't you miss him?”

When he said this, Yu Du's face was sincere, but his eyes flashed sly, like a sly fox. In fact, the Sea Dragon Palace would not easily spare Yue Wuya.

call!

Hai Ling'er didn't know that, she knew very well that if Yue Wuya fell into the hands of the Hailong Palace, she would definitely die, she took a deep breath and said without any room for negotiation: "Don't pretend any more, I won't told you."

At the same time as she spoke, Hai Linger couldn't express the worry in her heart.

After Brother Wu Ya jumped off the cliff, there has been no news, so it won't really happen.

Speaking of which, Hai Linger knew that Yue Wuya had several hidden hiding places. Those hiding places were discovered when Yue Wuya traveled around the world, and later told Hai Linger.

In Hai Ling'er's heart, these places are her and Yue Wuya's secrets, how could they say it?

"Okay!"

Seeing her resolute expression, Yu Du's face instantly turned gloomy, and he said coldly, "I have said all my good words, but you are so uncooperative. If that's the case, don't blame me."

"You really think that you don't . With cooperation, I can't lead Yue Wuya to appear?"

While speaking, Yu Du clapped his hands, and the two Sea Dragon Palace elites who were guarding outside quickly walked in.

"Take her to the top floor of Zhaixing Building and tie her in a conspicuous place." Yu Du pondered for a while, and instructed the two disciples: "In addition, put up notices on various important roads throughout Donghai City, three days later, we will be in Zhaixing. Lou executes Hai Ling'er."

"As ordered!" The

two disciples agreed in unison after hearing the order.

"You..."

At this moment, Hailing'er suburban trembled, looking at Yu Du in shock and anger: "What are you going to do?" Seriously, as the princess of the sea shark clan, she is not afraid of death.

But Yu Du's arrangement just now was obviously a premeditated plan.

"Haha..." A

smile appeared on the corner of Yu Du's mouth, and he said unabashedly: "You and I both know that a person like Yue Wuya can't jump off a cliff and die. The reason why there is no news these days must be hidden. Woke up."

"Since you don't cooperate with me, I have no choice but to use you as bait. Killing you is fake, but it is real to lure Yue Wuya out."

"That kid has a deep love for you, and if he learns that you are about to be executed, he will definitely give his life. Come to save you, haha...how about it? Isn't my method very good?" At the

end, Yu Du laughed very proudly.

He is really a genius, he can come up with such a wonderful way.

"You..."

At this moment, Hai Ling'er's delicate body trembled, and she was so angry that she was speechless.

She never thought that Yu Du would be so insidious, and even used her as a bait.

For a time, Hai Linger's mood suddenly became complicated. On the one hand, she really wanted to see Yue Wuya, and on the other hand, she didn't want Yue Wuya to appear.

Confused, Hai Linger kept praying in her heart.

Heaven, you must bless Brother Wuya, don't let him have an accident, it is best to let him see through the tricks of Yu Po...

Chapter 5404

Seeing the change in Hai Linger's expression, Yu Du was too lazy to talk nonsense, raised his hand and waved: "Take it." The

voice fell, and the two disciples took her out directly.

After a while, Hai Ling'er was taken to the top floor of the Xingxing Building and tied to a post.

.....

At this moment, on the sea more than ten miles away from Donghai City, a figure is swimming towards the coast.

His face was pale, and he couldn't hide his tiredness, but there was an unyielding tenacity in his eyes.

It was Yue Wuya.

Three days ago, after Yue Wuya jumped off the cliff, his whole body was swept into the depths of the sea by the turbulent undercurrent. At that time, Yue Wuya was seriously injured and nearly drowned several times, but he finally managed to survive.

It was just that when he surfaced, it was already far, far from the coast.

However, Yue Wuya didn't have the slightest despair. At that time, he swam desperately to the sea with his tenacity. When he was tired, he soaked in the water and rested for a while.

The vast ocean is boundless, it is difficult to find a person, and it is precisely because of this that the members of the Sea Dragon Palace have never found Yue Wuya.

call!

At this moment, Yue Wuya didn't know how long he had been swimming, and when he saw the coast a few miles away, his face was happy, and he let out a long sigh of relief.

Mad, finally came back.

Yue Wuya couldn't hold back his anger when he thought that the main altar of Tianmen was destroyed and all his disciples were killed.

Sea Dragon Palace, wait for my Yue Wuya to recover, I will let you pay your debts with blood.

Um?

After swearing secretly in his heart, Yue Wuya glanced at the environment on the coast and frowned. He clearly saw that a group of people came over from a distance and were carefully searching the shore.

Although they were far away, Yue Wuya could clearly see that these were all members of the Sea Dragon Palace.

Nima!

At this moment, Yue Wuya scolded secretly, you don't need to guess to know that Hailong Palace has not given up searching for his whereabouts these days.

To be honest, at this time, Yue Wuya really wanted to rush up and kill this team of Sea Dragon Palace members, but he was injured too badly before, and his internal strength was completely depleted. After traveling for so long, he was exhausted. Do your best, let alone murder, I'm afraid an ordinary person can't deal with it.

Soon, after weighing the pros and cons, Yue Wuya didn't hesitate, his body sank quickly, and then he quickly dived to the shore.

However, he has been submerged under the water, without the slightest internal strength, and it is easy to be suffocated to death. The only way is to quickly bypass the area where the members of the Sea Dragon Palace are located.

After making up his mind, Yue Wuya moved his hands and feet to speed up his swimming.

After reaching the shore, Yue Wuya did not rush to the surface, but continued to move forward along the coastline.

Um?

Soon, Yue Wuya was farther and farther away from the gang of Hailong Palace members, and when he was about to go ashore, he suddenly discovered that there was a deep hole hidden under the shore in front of him.

The entrance of this cave was completely submerged by the water, so it was difficult for ordinary people to find it, but Yue Wuya was still in the water at this time, so he could see clearly.

I saw that it was dark inside this deep cave, and there was a faint stone road in it, leading to a deeper place.

This...

Is there a mountain gate near this place, how could there be a hidden underground hole? Moreover, and like this, it seems that someone has deliberately built it.

Doubt in his heart, Yue Wuya temporarily forgot his fatigue, immediately took a deep breath, and slowly dived in.

After entering the deep cave, I saw that the stone road was slowly rising, only a dozen meters away, and at the end was a stone room, which was just above the water surface.

Whoa!

Soon, Yue Wuya got out of the water and entered the stone room. He saw that the interior was simple, there was only one stone table, next to the stone table was a shelf made of slate, and there were several jade bottles on the shelf.

Perhaps no one came for a long time, and the entire stone room was covered with a thick layer of dust.

Yue Wuya looked around, and finally his eyes fell on the jade bottles. He vaguely guessed something in his heart. This place should have been an alchemist's retreat before. Later, the alchemist was gone, and no one came to this place.

I just don't know if there are any medicinal pills in this jade bottle.

Chapter 5405 Mumbling

in his heart, Yue Wuya opened the jade bottle and saw some medicinal pills inside, one by one filled with lustrous light, and at the same time a fragrance of medicinal medicinal herbs came to his face.

I'm going, these medicinal pills have not yet expired.

At this moment, Yue Wuya was indescribably excited.

I didn't expect... my luck was not bad. I had a serious loss of internal strength before. I was thinking of finding a place to practice and recover, but I didn't expect that I encountered so many medicinal pills.

It seems that God is still kind to me.

Gudong...

Under the excitement, Yue Wuya poured the medicinal pill into his mouth unceremoniously and took it. Then he sat cross-legged and began to fuse the power of these pills.

After a while, Yue Wuya only felt a warm current rushing up from his dantian, spreading into his limbs and bones, indescribably refreshing.

Haha...

At this moment, Yue Wuya was so excited that he held his breath and began to enter the state of cultivation.

Time passed by minute by minute.

Half an hour later, Yue Wuya slowly opened, only to feel that the tired feeling in his body disappeared, replaced by an incomparably pure power.

call!

At this moment, Yue Wuya took a deep breath and couldn't hide the excitement on his face.

This time, there is finally no need to worry about being discovered by the people of the Sea Dragon Palace.

Thinking to himself, Yue Wuya quickly left the cave, dived back to the coast, and rushed in the direction of Donghai City.

Nima!

When he was about to arrive at the port, he could see from a distance that the entrances of the port were guarded by people from the Sea Dragon Palace. Yue Wuya frowned, resisting the urge to rush in, and hid and observed secretly.

I saw that the members of the Sea Dragon Palace posted announcements in some conspicuous places, and many people around were pointing and pointing.

What is the Hailong Palace doing?

Seeing this situation, Yue Wuya couldn't help muttering in his heart.

It was at this time that a fisherman walked over slowly just after reading the announcement.

"Friend!"

When he was about to pass by, Yue Wuya shouted at the fisherman and asked curiously, "What is written on the notice?"

Yue Wuya drifted in the sea for three days, and his body was dirty. Yes, it can't be seen that it is the Lord of Heaven's Gate at all.

"What else?"

Seeing Yue Wuya's appearance, the fisherman thought he was a vagabond, and said angrily: "These people from the Sea Dragon Palace have controlled Donghai City, they really do all kinds of evil, they have caught a sea shark. Princess, it is said that the execution will be done at the Star Picking Tower in three days."

"Ah, what a sin."

After saying this, the fisherman carefully looked around, making sure that no one from the Sea Dragon Palace heard it, and hurried away.

What?

Hearing this news, Yue Wuya's heart was shocked, and his eyes were instantly bloodshot.

Mad, these bastards from the Sea Dragon Palace are going to execute Linger?

Thinking to himself, Yue Wuya clenched his fists tightly, and he couldn't hide the killing intent all over his body. He hadn't found Hai Linger's whereabouts before, so he guessed that he might be caught by the people from the Sea Dragon Palace. Unexpectedly, after Hailong Palace captured Hai Linger, it would kill her.

No, you must save Linger.

The more Yue Wuya thought about it, the more anxious he wanted to kill him immediately, but he also knew in his heart that people from the Sea Dragon Palace were everywhere in Donghai City, and it was still daytime. will fall into a trap.

After weighing the pros and cons, Yue Wuya chose to wait.

.....

In the evening, Zhaixinglou.

Under the enhanced deployment of Yu Du, on the mountain road leading to the Star-Zhailing Building, there are guard posts every few meters, and around the Star-Zhailing Building, there are hundreds of disciples of the Sea Dragon Palace, constantly patrolling back and forth.

It can be said that the entire Xingxing Building is heavily guarded, and the defense is like an iron wall.

Whoosh!

At this moment, a figure came silently from the back mountain by the night.

It was Yue Wuya.

Seeing the number of people defending the Star Zhai Tower, Yue Wuya took a deep breath, and there was a bit of disdain in his eyes. There are only so many people, nothing to worry about. As long as the residual poison and the person called the Holy King are not there, they will be able to do tonight. Rescue Linger.

Thinking to himself, Yue Wuya didn't rush up to the star-picking building, but covered his face and went directly to a group of patrolling disciples, shouting: "Hailong Palace is wrong, everyone can be punished."

Bang!

When the words fell, Yue Wuya punched the leading disciple, only to hear a dull sound, the disciple couldn't react at all, and was directly sent flying out.

Chapter 5406

Pu Tong ..

After landing, the disciple's eyes darkened and he passed out. Yue Wuya had no love for battle. After defeating one person, he turned around and ran away. At the same time, he kept shouting

: "Hailong Palace has done many evils, and it will not end well. Sooner or later, he will be punished."

go.

That's right, Yue Wuya was going to play 'Tiaohu Lishan' with one hand. After leading away all the enemies near the Zhaixing Tower, he returned quietly and rescued Hai Linger.

Although he had taken a lot of elixir, his injuries had recovered, and his strength had improved a lot, but after all, Star Zhailou was controlled by the Sea Dragon Palace, and the other party had a large number of people. For the safety of Hai Ling'er, it was better to be cautious.

Whoa...

Seeing this scene, many members of the Sea Dragon Palace were shocked and furious, and they chased after Yue Wuya, shouting loudly while chasing.

"Where did someone who doesn't know whether to live or die come to provoke our Sea Dragon Palace?"

"Stop... surrender obediently, spare you from dying."

"Catch him..." The

angry shouts kept coming, Yue Wuya endured He couldn't

stop laughing: "A bunch of little bastards, if you have the ability to catch Grandpa, don't talk nonsense."

Because it was a strategy to lure the enemy, Yue Wuya estimated that he would slow down the speed, and when the disciples of the Sea Dragon Palace caught up, he suddenly punched two people, knocked down two people, and continued to run into the dense forest.

For a time, the disciples of the Sea Dragon Palace were so angry that they shouted, and the patrolling disciples nearby rushed forward when they saw the situation. In the end, there were thousands of members of the Sea Dragon Palace who joined the pursuit of Yue Wuya.

This chapter is provided by . Visit for daily update.

Seeing this, a smile appeared on Yue Wuya's face.

Haha...

These people from the Sea Dragon Palace are really stupid enough to be provoked so easily.

So many people are almost all the forces guarding the Star Zhailou.

Thinking to himself, Yue Wuya speeded up and led the members of the Sea Dragon Palace behind him into the dense forest, and began to circle in circles.

At this moment, pick the stars upstairs.

Hai Ling'er was tied to a pillar on the top floor, and the night wind was blowing, her delicate and beautiful face was pale, and her delicate body was slightly trembling because of the cold night.

However, Hai Ling'er didn't care about this, her eyes kept looking around the Star Picking Tower.

Brother Wu Ya saw the notice on the street, will he come to save me?

He had been misunderstanding him all the time because of the child, and he must have been very sad...as if he could be by his side now.

But... he had better not come this time, this is Yu Du's conspiracy.

Wow...

I was struggling in my heart when I heard a commotion from below, and then I saw many disciples of the Sea Dragon Palace, chasing a masked man, heading towards the woods to the north.

Is it Wu Ya?

At this moment, Hai Ling'er's delicate body was shocked, and there was some indescribable joy in her heart, but after seeing the masked man fleeing into the dense forest, she couldn't help sighing and realized that she was wrong.

If it was Wu Ya, it would be impossible to be chased and run by a bunch of scumbags.

At this time, Huan Ling'er still didn't know that the masked man was Yue Wuya. At this time, it was only an expedient measure to bring those members of the Sea Dragon Palace into the jungle.

On a hillside a few hundred meters away from the Zhaixing Building, there is a boulder.

In the shadow of the boulder, Yu Du stood there quietly, looking at the situation of the Star Picking Tower.

Hehe...

At this time, I saw a masked man who led many disciples of the Sea Dragon Hall into the woods, Yu Du immediately raised his mouth and said to himself: "This kid Yue Wuya, he looks honest on the surface, but behind his back. He's quite cunning. He actually played 'Tiaohu Lishan', well, then I'll play with you."

Hai Linger's mind is simple, and he can't tell that the masked man is Yue Wuya, but Yu Du has a good plan and can guess it at a glance. , that masked man is Yue Wuya.

After talking to himself, Yu Du asked a subordinate behind him: "Have the staff been arranged?" The

voice fell, and the subordinate quickly said: "Leader Hui Yu, five thousand elites, have been picking stars for a long time. There is an ambush around the building, they won't act rashly without an order."

Um...

Hearing the answer, Yu Du nodded in satisfaction.

Chapter 5407 The

next second, Yu Du looked in the direction of the dense forest and said coldly: "Yue Wuya, do you think you can easily save your woman with this trick of 'adjusting the tiger

away from the mountain'? I'm afraid you would never dream of it, The people who were led away by you were just ordinary members, and the real elites of my Sea Dragon Palace have already set up a net of heaven and earth..."

... the

other side.

After Yue Wuya led the members of the Sea Dragon Palace to the dense forest, they continued to rush to the depths.

The dense forest on the mountain behind Zhaixinglou is very large, stretching for more than ten kilometers in front and back. People who are not familiar with the environment here, plus they enter rashly at night, will soon lose their way.

However, the main altar of Tianmen was set up in Donghai City, and Yue Wuya was the sect master of Tianmen, so he was very familiar with the environment in this area. He was like a cheetah in the dense forest. A few minutes later, Yue Wuya took those Sea Dragon Halls. The group led them to the depths of the jungle, and then found an opportunity to escape.

After getting rid of the members of the Sea Dragon Palace, Yue Wuya did not hesitate at all, and turned his head and rushed towards the Star Picking Tower.

Haha...

As they approached the Star Picking Tower, Yue Wuya showed a smile.

From a distance, I can see that the surroundings of the Star-Zhailing Building are deserted and quiet. The disciples of the Sea Dragon Palace who were originally guarding here have been led to the jungle. The environment of the jungle is complicated, and it is impossible to come back in a short time.

Muttering in his heart, Yue Wuya raised his head and looked towards the top floor of Zhaixing Building. Through the moonlight, he could see a slender figure tied to a pillar on the top floor.

Although it is far away, the temperament of the country and the city is unforgettable.

Who is not Hai Linger?

Whoosh!

Seeing Hai Ling'er, Yue Wuya didn't hesitate, jumped and flew directly to the top floor.

"Ling'er!" The moment he landed on the top floor, Yue

Wuya ripped off the mask on his face, feeling distressed and emotional: "It's all my fault, I made you suffer."

Wu Ya's voice trembled slightly.

He clearly saw that Hai Linger seemed to have lost a lot of weight after not seeing him for a few days, and her pale face was distressing.

"Brother Wuya..."

Suddenly seeing Yue Wuya appear, Hai Ling'er was stunned, her delicate body trembled faintly, she could barely stand still, and her eyes looked at Yue Wuya madly. I thought I was dreaming.

After staring at each other for a few seconds, Hai Linger finally came to her senses and said happily, "Is it really you?"

"It's me..."

Yue Wuya nodded, her nose was sore, she could hardly help crying come out.

It's just that I haven't seen each other for a few days. Ling'er has lost a lot of weight, and I don't know how much she suffered after being captured by the Sea Dragon Palace.

"Wow..."

As soon as she finished speaking, Hai Ling'er couldn't help it, she burst into tears, and choked up: "Brother Wu Ya, I thought I would never see you again, I... I miss you so much. "

It was me who misunderstood you before, and it was all my fault..."

Hai Linger couldn't tell the guilt when she said this. Seeing her like this, Yue Wuya felt even more distressed, shook his head and said, "Fool, how could

I blame you, under those circumstances, anyone would be angry, so don't blame yourself."

He walked over to help her untie the rope, but what he didn't expect was that the rope that bound Hai Ling'er was actually made of special metal and was very tough.

In desperation, Yue Wuya took out his dagger and prepared to cut off the rope.

The moment the dagger fell, a golden sound

was heard, and there was only a white trace left on the rope, which could not be cut at all.

Mad!

Seeing this situation, Yue Wuya suddenly became a little anxious, and at the same time did not forget the safety of Hai Ling'er: "Linger, don't be afraid, I will definitely save you from here."

Seeing him like this, Hai Ling'er couldn't tell how moved she was, but at the same time she suddenly thought of something and stopped: "Brother Wu Ya, this rope is specially made by Yu Po, and ordinary methods can't stop it."

"Also, the Hailong Palace is everywhere . Posting a notice saying that it is fake to deal with me, the purpose is to attract you to show up, this is a trap, Wuya brother, go away and leave me alone." While

saying this, Hai Linger observed the situation around the star-picking building. , the beautiful face is full of anxiety. When I saw Brother Wu Ya, I was only happy and almost forgot about it.

Chapter 5408

Trap?

Hearing this, Yue Wuya was stunned for a moment, and then smiled disdainfully:

"Linger, don't worry, I have already led all the members of the Hailong Palace here to the dense forest in the back mountain.

" , it's just a few stragglers, nothing to worry about."

"Even if this is a trap, Yu Po can't guess that I will be here tonight, and, just now I made such a big move, that Yu Po did not show up, it proves that he I'm not in the Xingxing Building, so this is the best time to save you from leaving."

After saying this, Yue Wuya hugged Hai Ling'er as a sign of comfort, and then continued to try to break the rope.

Phew...

Seeing that he didn't stop, Hai Ling'er bit her lip tightly and was so anxious.

"Haha..."

But at this moment, a loud laughter came from not far away, and then, a figure came quickly, suspended in mid-air, his face full of pride.

It's the aftermath.

Swish!

Seeing Yu Du, Yue Wuya's face changed, it was bad, it seemed that Linger was right, it was really a trap.

It's just... Why didn't he show up when he was making a fuss here just now?

"Tsk tsk..."

Just when Yue Wuya was secretly surprised, Yu Du smiled evilly, and his tone was full of mockery: "It's really a concubine's love, a deep love and righteousness."

"If it wasn't for a different position, I would I'm afraid I'm moved by you."

When he said this, Yu Du's face was full of smiles, but his eyes flashed with endless viciousness.

call.....

Yue Wuya took a deep breath and tried to calm himself down: "Yu Du, have you been around the whole time?"

"Of course!" Yu Du chuckled and said slowly, "Just now when you were covering your face and deliberately making trouble, I would Looking at the mountain opposite, hehe, Yue Wuya, you are very smart, you can even think of using 'Tiaohu Lishan', but unfortunately, you can't fool me at all with this trick."

Hearing this, Yue Wuya's face changed . Change, there is a calculated humiliation. However, seeing that Yu Du was the only one, he didn't panic at the time: "It really is scheming, but I didn't expect that I had tossed around for a while, and it became a joke in your eyes." After

speaking, Yue Wuya turned his head: "However, With you alone, do you think you can take me down?"

Om!

The voice fell, Yue Wuya's inner strength exploded, and a violent breath swept out.

Feeling the power of Yue Wuya's outbreak, Yu Du's face changed slightly. Mad, this kid is really tenacious. He was so seriously injured three days ago, but he has recovered. Moreover, his strength seems to be stronger than before.

Under the shock, Yu Du did not panic at all, smiled and said: “Yue Wuya, you are right, fighting alone, I may not be able to take you down, but don’t forget, this place is already under the control of my Sea Dragon Palace.”

“Do you really think that you led all my men away just now? Hey, let me tell you, those are just ordinary disciples, the real elites, who have been ambushing around all the time.”

Papa...

The last word fell , Yudu clapped his hands.

In an instant, the elites of the Sea Dragon Palace, who were ambushed around the Xingxing Building, rushed out one after another and surrounded the Xingxing Building. These elites were all dressed in black armor, holding long knives, and their imposing manners were soaring.

Ma De...

Seeing this situation, Yue Wuya’s face instantly became extremely ugly.

This residual poison is really insidious, and it still has a hand.

At the same time, Huan Ling’er, who was still tied to the pillar, was also trembling, her mind was in chaos, and her heart was panicking.

There are so many elites on the other side, and there are still residual poisons in the town, what should I do?

In anxiety, Huan Linger said to Yue Wuya: “Brother Wuya, the other party has a plan, or else, forget it this time, you hurry up and leave me alone.”

“Their purpose is to arrest you, As long as they can’t catch you, they won’t do anything to me.”

She was already very happy to see Yue Wuya, and she couldn’t let him take risks.

“No!”

As soon as the words fell, Yue Wuya shook his head with a determined face: “Linger, I won’t leave. Today, no matter what, I will save you from leaving.”

When Linger left in anger before , Yue Wuya failed to stop her in time, so she fell into the hands of the Sea Dragon Palace. Now that they finally meet again, how can they leave her alone?

## Chapter 5409

“Hehe..”

At this moment, Yu Du sneered: “Yue Wuya, give it up, since I dare to use Hai Linger to lure you out, I have enough confidence to take you down.”

Shah!

The last word fell, and all the elites of the Sea Dragon Palace drew out their long knives in unison, their eyes locked on Yue Wuya.

“Stop talking nonsense!” Yue Wuya was too lazy to talk nonsense, raised his hand and waved, the Overlord Hammer shook hands tightly, and a strong fighting spirit permeated his body: “Today, I will not only take Linger away, but also for three days. Revenge of the former Tianmen disciple who died.”

Om!

In the next second, Yue Wuya soared into the sky, raised the Overlord Hammer and burst into a golden beam, heading straight for the crowd in the Sea Dragon Palace.

Boom...

Jin Mang is like thunder and lightning. Dozens of elites from the Sea Dragon Palace only felt that there was a flash in front of them, and they didn't have time to dodge. Can't afford to fall.

Mad!

Seeing this situation, Yu Du's face was gloomy, and he shouted: “All the disciples can line up to kill Yue Wuya, don't panic, he is only one person, no matter how powerful the Overlord Hammer is, it consumes a lot of internal energy. .”

Crash...

Upon hearing the order, the surrounding Sea Dragon Palace elites looked at each other and moved quickly one by one to form a huge trapped formation that surrounded Yue Wuya.

As you can see, this formation is hexagonal, and the elites of the Sea Dragon Palace in the formation cooperate with each other. This formation was seen by Yu Du in an ancient book. Although it is not very mysterious, it is difficult to break through with the advantage of the number of people.

“Brother Wuya.”

Seeing that the other party formed a formation and trapped Yue Wuya, Hai Linger burst into tears, the tears could not stop, and shouted: "You go, go, I beg you, okay? ..."

She knew that Yue Wuya was very strong, but the opponent was so well prepared that he couldn't win at all.

Huh... Hearing Hai Ling'er's cry, Yue Wuya was heartbroken, but he still gritted his teeth and said

, "Linger, I must not leave you, even if I die, I will die together."

, Yue Wuya looked around, and shouted at Yu Du and the elites of the Sea Dragon Palace: "You want my life, come on." When the voice fell, Yue Wuya held the Overlord Hammer tightly and rushed into the crowd. .

Bang bang bang...

At this time, Yue Wuya's eyes were extremely red, and in order to save Hai Ling'er, the whole person fell into madness, and he saw that while the Overlord's hammer was swung, people kept falling down.

Seeing Yue Wuya being so brave, many of the elites of the Sea Dragon Palace were inexplicably terrified.

"Mad, is this kid still human?"

"This is the power of the Overlord's Hammer, isn't it too strong?"

"What are you afraid of? He is alone, let's consume him to death..." In

mid-air, Yu Du With a dignified expression, he looked at each of his subordinates, who kept dying in Yue Wuya's hands, always enduring not to shoot.

In the previous fights with Yue Wuya, Yu Du knew the opponent's power well, and at the same time he knew better that the Overlord Hammer in Yue Wuya's hands was very powerful, but it also consumed a lot of internal energy.

He thought about it, and when Yue Wuya's internal strength was almost exhausted, he would give a fatal blow.

After making up his mind, Yu Du shouted at the elites of the Sea Dragon Palace below: "Maintain a good formation, don't mess up."

The words fell, and the disciples of the Sea Dragon Palace below suppressed their fears and cooperated with each other, always surrounding Yue Wuya in the middle.

Time passed by minute by minute.

The elites of the Sea Dragon Palace, who fell in front of Yue Wuya, were almost piled up into a small mountain, with more than 2,000 people, but they could not break out of the siege of the other party.

Under such circumstances, Yue Wuya's internal strength was almost exhausted.

Lol...

At this moment, an elite from the Sea Dragon Palace attacked from behind and slashed at Yue Wuya's back with a savage slash, and a cracking sound was heard, and blood spurted out in an instant.

"Brother Wuya."

Seeing this scene, Hai Ling'er couldn't help but exclaimed, only to feel that her heart was being pulled hard.

However, Yue Wuya gritted his teeth and did not shout out, holding the Overlord's Hammer tightly, standing proudly, looking around the audience and laughing: "You Sea Dragon Palace, you have only this ability, you will only secretly raid, to fight more and less."

Chapter 5410

Hearing this, the elites of the Sea Dragon Palace present had complex expressions and did not dare to look at Yue Wuya.

After all, what he said was right. Tonight, the Sea Dragon Palace was able to trap Yue Wuya here with the advantage of the number of people.

Hehe...

However, the residual poison in the air was full of disdain, and he chuckled at that time: "The so-called winners and losers, as long as they can get rid of you, do you still care about any means?"

"Aren't you too confident? , will not fall into my trap, so, accept your fate."

Om!

When the voice fell, the inner force of the residual poison erupted, and the whole person swooped down, like a cannonball, bursting towards Yue Wuya.

A few meters away from Yue Wuya, Yu Du suddenly slapped Yue Wuya's heart with a palm, and saw that his entire right palm was blood red, as if it was soaked in blood donation.

At the same time, there was also a strong bloody smell in the surrounding air.

It was the 'Blood Devil's Palm' that Yu Du had recently acquired.

A few months ago, after Yu Du was re-tempered by Gone's bones and blood, the whole person has undergone earth-shaking changes, because the body has the blood of the demon race, but it is not a real demon, it is a half-human and half-demon state.

But Yu Du has a very high talent. With his understanding of the blood of the demons in his body, he has created a blood demon palm by himself in the last half month.

The blood demon palm is extremely fierce, and with the power of the demon clan, it is not something that ordinary practitioners can bear.

"Yue Wuya!"

At this moment, Yu Du's eyes were full of viciousness, and he shouted at Yue Wuya: "Everything is over, go die."

"Don't..."

Seeing this situation, Hai Ling'er let out a sad cry, her voice was extremely hoarse, and her heart was also extremely desperate.

At this time, Huan Linger was very regretful, regretting that she should not have been angry with Yue Wuya at the beginning.

"Hahaha..."

Feeling the power of Yu Du's palm, Yue Wuya's pupils shrank, completely ignoring Hai Ling'er's shout, and just stared at Yu Du's blood-red right palm.

"It's uncertain who will die today." In the

next second, Yue Wuya roared, holding the Overlord's Hammer tightly in both hands, he saw violent forces pouring out of the Overlord's Hammer and flowing into Yue Wuya. Endless body.

Yue Wuya owned the Overlord Hammer when he was a teenager. After several years of comprehension, he was able to flexibly use the power in the Overlord Hammer, but it was not easy to use it.

Because the power in the Overlord Hammer is very powerful, if you are not careful, you will be backlashed.

But at this critical juncture, Yue Wuya couldn't care so much.

hum!

After absorbing the power of the Overlord's Hammer, Yue Wuya instantly changed his previous weakness and sluggishness, and a violent and terrifying force erupted with him as the center.

"What?"

"He.... he can absorb the power from the Overlord's Hammer?"

Seeing this scene, both Yu Du and the Sea Dragon Palace elites present were all shocked.

At this moment, Yue Wuya's eyes were like lightning, and he raised his palm to meet Yu Po.

boom!

The palms of the two collided fiercely, and a deafening roar was heard. The entire surrounding of the Star Picking Building was filled with dust and smoke, and the terrifying aura dissipated and swept away.

"Ah..."

Many of the elites of the Sea Dragon Palace, too late to retreat, were shocked by this powerful aura, and fell into the distance one by one, their life and death unknown.

"Pfft..." At the same time, Yu Du also snorted, vomited blood, and stepped back several dozen steps, and finally slammed into the wall of Zhaixing Building and stopped.

Quiet...

For a while, the audience was dead silent.

Everyone in the entire Xingxing Building froze there, staring blankly at Yue Wuya, as if they had seen a monster.

With such a serious injury, such a terrifying power can still erupt.

The strength of this kid is a bit outrageous.

“Huh...” After a few seconds, Yu Du reacted and looked at Yue Wuya with complex eyes: “Good boy, I can’t tell, you still have trump cards, but after this move, you should be at the end of the game.”

With that said, Yu Du ordered the surrounding Sea Dragon Palace elites: “He has no resistance at all, kill him.” After the

voice

fell, more than a dozen Sea Dragon Palace elites, waving long knives, all moved towards Yue Wu. Ya cut.
