

## The ultimate husband in Chinese chapter 5411-5420

### Chapter 5411

“Get out of here!”

Looking at the elites of the Sea Dragon Palace who rushed up, Yue Wuya roared and waved the Overlord Hammer vigorously, knocking back several enemies. After this, he was completely exhausted, and the figure Staggered, almost fell.

“Brother Wuya...”

Seeing this scene, Hai Ling'er burst into tears and couldn't help crying out.

“Let's go, Brother Wu Ya, leave me alone, I beg you...” Hai Ling'er's tears were like broken pearls, which could not be stopped at all.

call!

Feeling Hai Linger's grief, Yue Wuya squeezed out a smile, with tenderness and determination in his eyes: “Linger, if I leave today, I won't be your brother Wuya.”

“Today is death, let's We have to die together.”

His voice was weak, but he was imposing.

The voice fell, Yue Wuya endured the severe pain from the wound, slowly walked up the wooden ladder outside the Star Picking Building, and went to the top floor.

He knew that he could not take Hai Linger away with just one person today, but even if he died, he would still be with Hai Linger. When Linger was gone for several days before, Yue Wuya only felt that the whole world It's black, it's hard to find at this time, and it won't leave.

Brother Wuya...

Hai Ling'er's heart trembled, and the scene of acquaintance with Yue Wuya appeared in her mind. Suddenly she was no longer afraid. She held back her tears and said, “Okay, we will die together.”

Huh ...

Seeing this scene, the disciples of the Sea Dragon Palace surrounding them couldn't help but be moved.

This chapter is provided by . Visit for daily update.

Regardless of his position, the Yue Wuya in front of him is really a strong man, willing to risk his own life for the woman he loves, which is really admirable.

“What are you doing?”

At this time, Yu Du was still leaning against the wall and did not slow down. Seeing everyone was stunned, he immediately roared: “Stop him!” With so many elites, they were unable to suppress Yue Wuya. Simply a shame.

“Kill!”

Upon hearing the order, the Sea Dragon Palace elites present burst into roars and charged towards Yue Wuya again.

“Come on...” Yue Wuya let out a long laugh, holding the handrail of the wooden ladder with one hand and waving the Overlord’s Hammer with the other, fighting with the elites of the Sea Dragon Palace who rushed up again.

....

the other side!

Xia Yinzong, in the square in front of the main hall, Wen Chou Chou carried his hands behind his back, looking up at the sky in a trance.

It’s been a day and there is still no news of Yue Wuya, could it be... this child is really dead? If this is the case, how should Feng Zi explain to him when he returns in the future?

“Brother Wen!”

At this moment, Su Qingyan came out of the hall quickly, her beautiful face couldn’t hide the complexity: “Brother Wen, the disciple I sent to Donghai City, the news just came.”

Hearing this, Wen Chou Chou suddenly cheered up: “Is there any news about Ya’er?”

Hu...

Su Qingyan shook her head and said softly: “It’s not Ya’er, it’s Hai Ling’er.”

“Hailong Palace He captured Hai Ling’er, and posted signs all over Donghai City, claiming that she would be executed at the Zhaixing Building in three days.”

Is there such a thing?

Hearing this, Wen Chou Chou's heart was shocked, and his worrying mood became even more anxious.

Seeing that he was silent, Su Qingyan thought about it and said, "I guess, this may be a conspiracy of the Sea Dragon Palace. They want to use Hai Ling'er to lead Ya'er to appear."

"If Ya'er jumped off the cliff and didn't die, When I get the news, I will definitely go to Zhaixinglou to save people regardless of my life. The situation is urgent, we have to make a decision quickly."

When she said this, Su Qingyan's eyes couldn't hide her anxiety.

Su Qingyan used to be the Sect Master of Wenzong. She was not only beautiful and kind, but also talented and intelligent. The moment she got the news, she guessed the intention of the Sea Dragon Palace.

call!

Hearing Su Qingyan's urging, Wen Chou Chou took a deep breath, without any hesitation at the time: "Okay, it's not too late, hurry up and call the Great Sage and the others, gather people to rush to Donghai City, be sure to wait before Ya'er..."

Wen Chou Ugly, resourceful and far-sighted, what Su Qingyan thought of, naturally also thought of it.

Su Qingyan responded and hurried to prepare.

...

On the other side, the star building in Donghai City.

The fierce battle between Yue Wuya and Hailong Hall continued, and the air was full of blood.

Chapter 5412

"Ah..." The screams of

killing, the screams kept resounding above the Xingxing Building, and the blood almost converged into a river.

During the fierce battle, it was seen that Yue Wuya had already reached the top floor, like a bloody man, with wounds all over his body, but he still stubbornly stood in front of Hai Linger to prevent her from being accidentally injured.

Seeing Yue Wuya's appearance, Hai Ling'er was heartbroken, but she held back her tears.

She knew that no matter how hard she cried, it wouldn't help Yue Wuya, but it would distract him.

Whoa!

At this moment, dozens of other elites from the Sea Dragon Palace rushed up the stairs.

Yue Wuya's eyes flickered fiercely, without hesitation, he went up to meet him again. At this time, he had already tried his best, but still insisted on gritting his teeth.

Because...the beloved is behind me, I can't fall down so easily.

Bang Bang Bang...

After a few rounds, the dozens of elites from the Sea Dragon Palace who rushed up were forced to retreat by Yue Wuya's Overlord Hammer, and they rolled down the stairs one by one.

"Haha... I'm happy..." Yue Wuya laughed loudly, then turned to Hai Ling'er and shouted: "Ling'er, it's not a loss even if I die today, I've already killed enough, but it's a pity, In the end, I couldn't protect you."

When he said this, Yue Wuya's eyes were full of unwillingness.

"Brother Wuya..."

Hearing this, Hai Ling'er finally couldn't hold back her tears, and said distressedly, "You're so stupid..."

At the beginning, he obviously could get away, but he had to die. fight to the end.

At the same time, there is an indescribable satisfaction in my heart.

It's worth it if you can't live with Yue Wuya until you grow old and die here today.

Huh...

Yue Wuya was exhausted long ago, and only one breath was left to hold on. At this time, he felt the tenderness in Hai Ling'er's eyes, and his whole body suddenly glowed with endless fighting intent.

"Heaven's Gate is immortal, and the battle is endless." In the

next second, Yue Wuya tried his best, shouted out eight words, and then said coldly to the elites of the Sea Dragon Palace below: "Whoever wants to kill me, come up. "

The Gate of Heaven is immortal, and the battle is endless.

These eight characters are the principles that all the people in Tianmen adhere to when they have experienced countless bloody battles at the beginning of the establishment.

This...

Feeling Yue Wuya's renewed fighting spirit, the elites of the Sea Dragon Palace present were all indescribably shocked.

You've been hurt like this, but you can continue to fight.

Is this the Tianmen of Megatron?

However, at the same time as the shock, the eyes of many of the Sea Dragon Palace's elites also showed a bit of coldness.

The Yue Wuya in front of him is indeed a man who stands above the ground and is admirable, but unfortunately, he provokes the Sea Dragon Palace, and he ends up dying.

"Kill!"

After a few seconds, I don't know who reacted first, shouted, and all of a sudden, everyone around shouted in unison, the momentum was like a rainbow, and the tide was rushing.

Yue Wuya sneered, and clenched the Overlord's Hammer to meet him.

Pfft!

However, in less than two rounds, Yue Wuya couldn't hold it anymore, his body trembled, and finally he fell to one knee on the ground.

Linger... I'm sorry...

I tried my best, really tried my best.

At the same time of despair, Yue Wuya clenched his fists tightly, pinched his nails into the flesh, and blood slowly flowed out.

Not reconciled, really not reconciled.

Wow...

At this moment, countless elites from the Sea Dragon Palace had rushed to the top floor, and they surrounded Yue Wuya and Hai Linger.

“Don’t...”

Seeing this scene, Hai Ling’er burst into tears, shouting at Yu Du below: “Leader Yu Du, don’t kill him, please, you can let me do anything, please don’t. Kill him...”

Originally in Hai Ling’er’s heart, she was ready to die together with Yue Wuya, but her love for Yue Wuya was so deep that at this moment, she really didn’t want to see Yue Wuya Ya was hacked to death in front of him.

Hehe...

After hearing Hai Linger’s plea, Yu Du, who was still meditating and recovering below, suddenly showed a sneer: “Now that you think of cooperation? Don’t you think it’s too late?”

After speaking, Yu Du’s face sank, and he directly ordered: “The two will be executed together, and don’t leave behind trouble.”

Huhuhu... After

hearing the order, many elites from the Sea Dragon Palace immediately raised their long knives and slashed at Yue Wuya and Hai Ling’er without any hesitation.

Chapter 5413

“Ya’er...”

“Ya’er don’t panic, we’re here.”

Seeing Yue Wuya and the two of them about to die tragically under the sword, suddenly, a loud shout came, and the sound shook the sky .

Huh...

suddenly hearing the shouting, everyone who chopped at Yue Wuya stopped subconsciously and looked towards the sky in the distance.

Yue Wuya and Hai Ling’er were also shocked.

Looking from a distance, I saw tens of thousands of people coming from the direction of the back mountain, headed by Wen Chou Chou, Sun Dasheng, and Su Qingyan.

At this time, Dasheng Sun, holding the axe to open the sky, took the lead, like a god coming into the world.

“Ma De!”

When he was about to approach, Sun Dasheng looked around the audience and shouted: “You Sea Dragon Palace are only capable of this, you will only bully the less with more, and I will let you experience the departure of Kaitian Axe later. “

Om...

the moment the voice fell, Sun Dasheng raised his hand and waved, and the opening axe burst into a rush, slashing at the sea dragon hall crowd.

In an instant, a roar sounded, and hundreds of elites from the Sea Dragon Palace didn't have time to react, and they all screamed and fell into a pool of blood.

Hiss...

Seeing this scene, the remaining elites of the Sea Dragon Palace retreated subconsciously, each with an unconcealed fear on their faces.

Is this the power of the Peerless Divine Weapon Kaitian Axe?

so horrible.

Oops...

At the same time, the aftertaste of meditating cross-legged below to recover his inner strength also changed his face.

I thought it would be easy to kill Yue Wuya today, but I didn't expect that at the critical moment, Sun Dasheng and Wen Chou Chou came.

The Holy King has something to go out, and he is not in the Xingxing Building for the time being. I am afraid that I can't stop myself and these elites from the Sea Dragon Palace...

Swish!

At this moment, Sun Dasheng flew up and landed directly in front of Yue Wuya. Seeing his state, Sun Dasheng's eyes instantly turned blood red. I saw that Yue Wuya was covered in stab wounds, and there was almost no intact place.

Even so, Yue Wuya still protected Hai Linger behind him.

In the back, Huan Linger, with both hands and feet tied to the pillars, her beautiful and beautiful face was extremely pale, full of tears, and her whole body was shaky.

Mad, they are still children, these bastards from the Sea Dragon Palace actually tortured them like this.

“Ya’er.” In a fit of anger, Sun Dasheng helped Yue Wuya up and said with great pride, “I’m here with your uncle. How did these people treat you? I want to pay you back tenfold.”

Hearing this Then, Yue Wuya’s nose was sore, and he almost cried: “Uncle Great Sage...”

It’s just that he is too weak, he can’t go on after only a few words, but he is completely at ease, Uncle Great Sage. With Uncle Wen here, he and Linger were saved.

“Ya’er!”

At this moment, Wen Chou Chou, Su Qingyan and the others also quickly flew up to the top floor of the Zhaixing Building and walked towards Yue Wuya.

The next second, seeing Yue Wuya’s appearance, Wen Chou Chou and everyone felt distressed.

However, Wen Chou Chou had a calm temperament, and smiled at the time: “You brat, there has been no news for a few days. Your great uncle and I thought something really happened to you.” As he

spoke, he checked the wound for Yue Wuya.

However, at this time, Yue Wuya, still thinking about Hai Linger, said weakly, “Uncle Wen, the great saint, save Linger quickly, the rope on her body is specially made...”

He loves Hai Linger, In his bones, he never forgot that Hai Linger was still bound.

“Small meaning.”

Sun Dasheng responded when he heard this, and swung the Heaven-opening Axe in his hand with precision, directly breaking the rope on the pillar. The Heaven-Opening Axe is one of the best weapons in the world, and no rope can stop its sharpness.

“Brother Wuya...”

After she was free, Hai Linger cried out in grief, and hugged Yue Wuya in her arms, her heart trembling: “How are you? How are you...”

Yue Wuya Weakly smiled: "Linger, I'm sorry, I was unable to protect you in the end."

"Don't say that."

At this moment, Hai Linger felt her heart was about to break, and tears kept streaming down: "All It's my fault, in the beginning, I shouldn't have been angry with you, and I shouldn't have left you."

Yue Wuya squeezed out a smile, what more to say, but he couldn't hold it any longer. Passed out.

Chapter 5414

"Brother Wu Ya.."

Seeing this situation, Hai Ling'er panicked, and her voice was crying.

Su Qingyan quickly comforted: "Don't panic, he was exhausted and passed out." As he spoke, he gave Yue Wuya a pulse, and at the same time input internal force to help him restore the strength of his dantian.

Hearing Su Qingyan's consolation, Hai Ling'er calmed down, but her beautiful face still couldn't hide her worry.

I kept praying in my heart.

Heaven... I beg you to bless Brother Wu Ya, don't let him have any trouble...

As long as he can recover, let me live a few years less...

At this moment, seeing Yue Wuya pass out, Sun Dasheng's anger broke out completely, and his eyes were blood red.

"Chat Nimad, Yudu, you give me orders. The Huaguoshan disciples obey the orders, kill me, and leave none of them." After a roar, Sun Dasheng clenched his axe and jumped down from the top floor, killing him. Enter the enemy group.

" Brother Qingyan."

At the same time, Wen Chou Chou also drew out his long sword, and the anger in his eyes could not be concealed: "You take care of the two Ya'er."

Immediately, Wen Chou Chou raised his dantian: "The disciple of Changsheng Temple obeys the order and will be executed. Kill all the members of the Sea Dragon Palace at the scene."

Wen Chou Chou was originally very stable, but seeing Yue Wuya injured like this, he was almost dying, where can he restrain the anger in his heart?

“Kill!”

Upon hearing the order, the disciples of Huaguo Mountain and Changsheng Hall, together tens of thousands, erupted in a roar that shook the sky.

“what...”

In the blink of an eye, the fierce battle broke out again, and after hearing a roar and shouting to kill, many people fell, and the entire sky above the Star Zhai Tower was dyed red with blood.

Mad!

Seeing this situation, Yu Du’s face flickered hideously, and without hesitation at that time, he directly released the emergency signal fireworks.

The Sea Dragon Palace occupied Donghai City for nearly a month, and all the elites were here.

Under such circumstances, although the Hall of Longevity and Huaguo Mountain were imposing, many people were injured or killed in the face of the continuous reinforcements from the Sea Dragon Hall.

“Yu Du!”

Seeing that the situation was getting worse and worse, Sun Dasheng howled, holding the Heaven-Opening Axe tightly, his whole being like a cannonball, coming straight towards Yu Du.

Om...

When it was dozens of meters away from Yu Du, Sun Dasheng raised his hand and waved, and a golden beam ripped apart the world and slashed at Yu Du.

The residual poison at this time, the internal strength has not been completely recovered, and feeling the power of Jinmang, there was no hesitation at that time, and quickly urged all the internal strength to deploy a protective film in front of him.

boom!

In the blink of an eye, Jin Mang draped himself on the protective film, hearing Yu Du groan, the protective film shattered instantly, and the whole person also staggered back, retreating more than ten meters, and finally fell to the ground.

"If you have a last word, hurry up and say it." Sun Dasheng hovered proudly in the air and looked at Yu Du condescendingly: "Otherwise, there will be no chance."

Haha...

Feeling Sun Dasheng's forcing momentum, Yu Du wiped the blood from the corner of his mouth and laughed loudly: "Sun Dasheng, you are also relying on the power of the axe to kill me, but you don't have that ability." The

voice was not loud, but it was extremely arrogant.

He wasn't talking big words. A few months ago, after being tempered by Gone, he possessed the blood of the demon race in his body, and he was not so easily killed.

"Looking for death!"

Sun Dasheng's face was full of disdain. At that time, there was no nonsense at all. With a strong wave, he heard a scream that shocked the world and came out from the opening axe. Then, a golden beam ripped apart the world and headed towards Yu Po. burst out.

Yu Du had already been severely injured when he fought against Dasheng Sun just now. At this time, facing Dasheng Sun's strongest blow, he had absolutely no resistance. Phew

... Seeing the golden light getting closer and closer, Yu Du took a deep breath, even though he had demon blood in his body, he was still uneasy.

After all, that's the opening axe.

hum!

Seeing that Jin Mang was about to hit Yu Po, suddenly, there was a wave of power fluctuations in the sky not far away, followed by a blood-colored light that cut through the sky.

The next second, the blood-colored light and the golden light collided, the two forces canceled each other out, and a roar erupted.

Swish!

In an instant, everyone present turned their heads to look.

Sun Dasheng frowned and shouted angrily, "Who is that?"

Chapter 5415 Angrily

shouting, Sun Dasheng looked back subconsciously and was stunned.

I saw a figure, quietly suspended there, dressed in a black robe, with a stern expression, no mood swings could be seen, and an unfathomable aura pervaded the whole body.

It was Gogne.

A day ago, Gogne returned to Dragon King Island to do some business. He just came back at this time, just in time for Sun Dasheng to kill Yu Du. At that time, he did not hesitate to block the strongest blow for Yu Du.

“Your Highness!”

Yu Du’s face was overjoyed when he saw Gogne, and he was indescribably excited and excited.

At the same time, the disciples of the Sea Dragon Palace present were all very excited and shouted in unison.

“Your Highness.”

“Very good, Your Highness is back.”

Compared with the excitement of the people in the Sea Dragon Palace, Wen Chou Chou, Sun Dasheng and the others secretly frowned, and their faces became solemn.

broken!

This person is back, and I am afraid there will be a fierce battle later.

In the past two months, Sun Dasheng, Wen Chou Chou and Gogne have played against each other no less than three times. They know how powerful this person is. Especially a month ago, if Zhu Bajie and Zhu Rong hadn’t arrived in time, Sun Dasheng and Wen Chou Chou might not have escaped. robbery.

“Brother Qingyan...”

After a few seconds, Wen Chouchou reacted and said quickly to Su Qingyan: “You must take Ya’er and Miss Ling’er to go first, hurry up.”

No matter what the situation is, you must To ensure the safety of Yue Wuya and Hai Linger.

Um!

Su Qingyan responded, without hesitation, she greeted a few people around her, and led Yue Wuya and the two to quickly return to the Zhaixing Building.

To be honest, Su Qingyan didn't want to leave like this, but she knew in her heart that Wen Chou Chou's arrangement must have his reasons.

"Let's go?"

Seeing this scene, Gone's mouth curled into a sneer, raised his hand lightly, and hit Su Qingyan with a palm. The two of them were originally far away, but in the blink of an eye, Gone was in front of him.

This speed...

Seeing Gone's ghostly speed, Su Qingyan's pretty face changed. At that time, she subconsciously urged her inner strength to meet her with a palm, but it was still half a beat.

boom!

This palm directly sent Su Qingyan flying out, flying more than 100 meters away. After landing, a mouthful of blood spurted out and fainted.

"Brother and sister..."

Seeing this scene, whether it was Wen Chou Chou or Sun Dasheng, they were all shocked and angry.

At this time, Gone turned around, and his eyes slowly swept over the Wen Chou Chou crowd: "You are all Yue Feng's closest relatives. It's good to bring them to your door now."

Because Mo Yan and Yue Feng have children, this incident made Gone angry, but Mo Yan was his capable subordinate, and he couldn't bear to execute it, so he blamed everything on Yue Feng.

And these people in front of them are all relatives of Yue Feng, so naturally they can't let it go.

"Holy shit, Nima, I want your life." As

soon as he finished speaking, Sun Dasheng roared furiously, clenched the sky-opening axe tightly, and slashed towards Gone.

He and Yue Fengqing are siblings, and Su Qingyan and Yue Wuya are both Yue Feng's family members. How can they bear it when they see that Su Qingyan's life and death are unknown at this time?

hum!

Under the swing of the opening axe, the dazzling golden light ripped apart the world and came towards Gone.

However, Gogne was full of disdain.

In the next second, Gone raised his hand and waved, and an invisible barrier condensed in front of him. At the moment, he heard a huge shock. The protective barrier of the five elements was still there, but Jin Mang collapsed between heaven and earth.

Hiss...

Seeing this scene, everyone present couldn't help gasping for air and was stunned.

The power of the opening axe, which has the power to open up the world, was blocked by him so easily.

Is that human being?

Especially Wen Chou Chou and Sun Dasheng looked extremely solemn.

This person's strength... seems to be much stronger than a month ago.

Moreover,... this power is getting more and more evil, obviously not something that the human world can have.

"You..."

Under the shock, Wen Chou Chou took a deep breath and looked closely at Gone: "Who are you? What is your relationship with the Demon Race?" Gogne is no ordinary human being.

Gonie smiled slightly, his face unable to hide the arrogance: "Anyway, you are all about to die, so it's okay to tell you."

## **The ultimate husband in Chinese chapter 5416-5420**

Chapter 5416 In the

last sentence, Gone's tone was indifferent, but when everyone present heard it, they all felt that there was a thunder in their ears.

Demon Supreme?

Wen Chou Chou, Sun Dasheng and the others all had solemn expressions and deep fear in their eyes.

Especially Wen Chou Chou was even more shocked inside.

No wonder... No wonder when I saw this person for the first time, I felt that there was something wrong with him. He was originally a rich young master in Donghai City, how could he suddenly possess such terrifying power?

Moreover, after the first few fights, Wen Chou Chou clearly felt that the opponent possessed incomparably evil and powerful demon power.

But I never thought that the other party turned out to be the Supreme God of the Demon Race....

But... I heard from Fengzi before that the Supreme God of the Demon Race died with the Nine Heavens God in the previous battle between gods and demons. Why? Suddenly, he appeared as a young master from a rich family in Donghai City?

Huh....

Just when Wen Chou Chou was in shock, Yu Du, who was not far away, also stared blankly at Gone in the air. His heart was so shocked that he was speechless for a long time.

Your Majesty... is the Supreme Being of the Demon Race?

Speaking of which, the first time he saw Gone's strength, Yu Du knew that the other party had an extraordinary origin. After that, Gone trained him in his cultivation, and Yu Du further believed that Gone and Mo Yan were both at the level of Demon Kings. Why? I didn't expect it to be so big.

For a while, Yu Du's mind was buzzing and it was blank.

Demon Supreme.

This is an existence that can compete with the gods and even the Emperor of Heaven. With him, wouldn't the Sea Dragon Palace want to dominate the Kyushu Continent?

This chapter is provided by . Visit for daily update.

Thinking of this, Yu Du's eyes were extremely hot, and an indescribable excitement rose in his heart.

"It turned out to be you..."

Finally, Wen Chou Chou calmed down and looked at Gone with complicated eyes: "I should have guessed it a long time ago, how could a young master from the Liu family have such terrifying strength?"

"It seems that you took away his body and was reborn by rebirth."

The matter of rebirth by rebirth is just a rumor in the arena, because this kind of thing sounds very weird and absurd, but Wen Chou Chou died that year. Once, and later became the messenger of Hades, so I know a little about this.

"Haha..."

Hearing Wen Chou Chou guessing, Gone nodded approvingly: "As expected of a famous think tank in the world of the earth, you have guessed it."

"Yes, I borrowed Liu Hao. My body is reborn, but what if you know the truth? Today, none of you want to leave alive, the grievances between my Demon Race and Yue Feng, start with you..."

Om!

When the voice fell, Gone's whole body flashed red, and a terrifying aura locked Wen Chou Chou.

Feeling the terrifying pressure, Wen Chou Chou's face changed, and in the end, he gritted his teeth, and his long sword drew a panic and rushed directly to Gone.

Wen Chou Chou knew very well that with his own strength, it was impossible to resist Gone. But in the current situation, there is no way out at all. Instead of flinching, it is better to let go.

"Brother Wen, I'm here to help you."

Seeing this situation, Sun Dasheng howled, waving his axe, and charged towards Gone.

hum!

The brothers were one after the other, and the internal force that erupted distorted the sky, with amazing power.

However, Gone sneered, with a hint of contempt at the corner of his mouth: "However, two ants, dare to be presumptuous in front of the deity?" The voice fell, the power of the demon soul within the body was urged, and two blood-colored rays of light erupted, welcoming the two ugly and ugly people. people.

Bang Bang...

The bloody light was as fast as lightning, and in the blink of an eye, it collided with Wen Chou Chou and heard two vibrations. Both brothers groaned and quickly fell to the ground.

Dengdengdeng...

After landing, Wen Chou Chou stepped back a few dozen steps before he stabilized his figure. His face was extremely pale. In the past two years, Wen Chou Chou has devoted himself to cultivation, and his strength has reached the pinnacle. It can be easily dealt with, but unfortunately, in front of him is the Supreme Being of the Demon Race.

"Pfft..."

At the same time, after Dasheng Sun landed, he also quickly retreated, and finally hit the wall of Zhaixinglou, spewing a mouthful of blood, and the opening axe in his hand almost couldn't hold it and let it go.

Chapter 5417

"Wen Chou Chou, Sun Dasheng..."

At this moment, Gone stood proudly suspended in mid-air, staring at Wen Chou Chou closely: "There is no enmity between you and this deity, but who made you Yue Yue Feng's sworn brother."

"After killing you today, the deity will find Yue Feng as soon as possible and send him down to reunite with you." As the

voice fell, Gogne's whole body filled with energy and quickly approached the brothers.

Gudong...

The terrifying aura pervaded the world, Wen Chou Chou and Sun Dasheng looked at each other, feeling a little jealous and nervous in each other's hearts.

To be honest, the three brothers have experienced countless calamities and encountered countless powerful enemies since they set foot in the arena, but facing Gone at this time, they feel a sense of frustration.

After all, the strengths of the two sides are so different that they are not on the same level at all.

Phew...

At the same time, the surrounding Changsheng Hall, Huaguo Mountain, and even the disciples of Xia Yinzong secretly sweated for Wen Chou Chou.

The other party is the Supreme Being of the Demon Race.

Even if the brothers have the axe, I'm afraid they won't be able to stop them.

"Remains of the demon race, don't be mad."

However, at this critical juncture, an angry shout came from the sky not far away. The sound was thunderous and contained great power.

At this moment, Wen Chou Chou's heart trembled, and hope flashed in his eyes.

Looking at the sound, I saw a golden figure coming from the sky. These figures were wearing uniform golden helmets and gold armor, each holding a long spear, and their bodies were filled with powerful divine power.

It was a divine soldier dispatched by God's Domain to the Kyushu Continent.

A year ago, the Heavenly Emperor had not yet been elected in the Divine Realm. At that time, the Haotian God monarch was in power, and he personally led the gods and soldiers to enter the Kyushu Continent, intending to eradicate all forces related to Yue Feng. With the members of the Ouyang family, they entered the Xia Yin Sect to avoid disaster.

Later, when Prince Aolin succeeded to the throne of Heavenly Emperor, the power of Haotian Divine Monarch decreased sharply.

After that, these gods and soldiers did not recall the gods, but set up a diligent watch in the Kyushu mainland to monitor the strength and order of all parties in the Kyushu rivers and lakes.

At this moment, I saw four burly figures in front of these divine soldiers and generals, wearing purple-gold armor and surrounded by lightning.

It is the Four Profound Handle God Generals.

The four mysterious generals were originally four brothers. From the eldest to the fourth, they were Lei Xingyu, Lei Xingtian, Lei Xingshou and Lei Xinghai. The four brothers

started out as guards outside the gate of Yutian Palace. Later, in the battle with the demons, they were conferred the title of Xuangang generals by the Nine Heavens God.

A month ago, after Prince Aolin succeeded the throne of the Emperor of Heaven, he sent the four brothers to Kyushu to take charge of the diligent Tianjian.

In the past month, the four brothers have worked diligently to reorganize the military discipline of Qintianjian, and ordered that they should not interfere with the disputes in the Kyushu rivers and lakes at will, but at the same time, they are also paying close attention to the situation of all parties.

Especially the battle between Hailong Palace and Tianmen, Qin Tianjian has been watching secretly, and pays close attention to Gonie, although Gonie looks like Liu Hao, a wealthy disciple of Donghai City, but the powerful demon power contained in him makes Qin Tianjian not want to. It's hard to pay attention.

Half a day ago, when they learned that a fierce battle broke out between Hailong Hall and Wen Chou Chou, the Four Great Profound Handle Gods did not hesitate at that time, and immediately came with the subordinates of Qin Tianjian.

Swish!

At this moment, seeing the Four Great Profound Handle Divine Generals, Gone frowned secretly, and his eyes flashed a bit cold.

It's these four dogs!

To others, the four mysterious gods will be the gods above, but in Gone's heart, these four brothers were just the watchdogs of the nine gods at first. Didn't pay attention at all.

Wow...

But compared to Gone's disdain, Wen Chou Chou, Sun Dasheng, and even everyone present were shocked when they saw the golden light in the sky in front of them.

This... Divine Soldier and General of Diligent Tianjian?

Shocked, Wen Chou Chou and Sun Dasheng looked at each other, each inexplicably excited.

Great, I was worrying about how to deal with this supreme being of the Demon Race. At the critical moment, the Divine Soldier of Diligent Tianjian is coming.

"Remaining evil!"

At this moment, the four Profound Handle God Generals came to the front, and the leader, Lei Xingyu, fixed his eyes on Gone: "Sign up and die."

## Chapter 5418

When speaking, Lei Xingyu couldn't hide the excitement on his face.

Since the complete collapse of the Demon Race, there have been many rumors in the Divine Realm that there are still some remnants of the Demon Race still alive, but the whereabouts of these Demon Race remnants have not been found for a long time.

At this time, feeling the power of the demon soul pervading Gone, Lei Xingyu knew that his chance to make a contribution had come.

As long as you catch the remnants of the demon clan in front of you, your Majesty will definitely reward them with great rewards. Maybe the four brothers will no longer need to stay in the Kyushu Continent, and can return to the God's Domain to increase their ranks.

At this time, in Lei Xingyu's heart, he completely regarded Gone as a fish that slipped through the net of the Demon Race, completely unaware that the other party was the Supreme Being of the Demon Race.

Hehe...

At this moment, Gone showed a disdainful smile, and said contemptuously at Lei Xingyu: "Just a lackey, how dare you be presumptuous in front of the deity?" After

saying that, Gone squinted slightly: "Just right, This deity wants to reshape the demon body, and I always owe some heat, and today I will use your divine power to temper my demon body."

Swish!

Feeling Gone's arrogance, whether it was Lei Xingyu or the three brothers beside him, his expression changed and he was furious.

This demon clan remnant is so mad, his four brothers, as the dignified Heavenly Gang gods, who are in charge of diligent Tianjian, can also be regarded as overlords of a party. In his mouth, they have become lackeys?

"Looking for death!"

In anger, the third Lei Xingshou shouted angrily: "I'm just a remnant of the demon clan, who dares to speak madly. Today, I will tell you that you will never be born again."  
When the

voice fell, Lei Xingshou raised his right hand , clutching a mace, and charged directly towards Gone.

“Don’t be impulsive, the third child, don’t rush to kill him first.”

“Yes, we’d better capture these remnants alive and hand them over to His Majesty to receive the reward.”

At this moment, the three Lei Xingyu shouted, rushing up to surround Gone.

“Haha..”

Seeing the confident expressions of the four brothers, Gone gave a contemptuous smile: “With your strength, do you want to arrest me? It’s a shameless statement.” The voice went downstairs, Gone mobilized the power of the demon soul, terrifying The breath swept out.

In an instant, the main piece of sky above Zhaixinglou was stagnant.

A terrifying aura pervaded the heavens and the earth.

This...

In an instant, the four brothers Lei Xingyu frowned secretly, shocked inside.

Just a remnant of the demon race, how could he possess such terrifying power.

“Be careful...”

Just when the four brothers of Lei Xingyu were secretly shocked, Wen Chou Chou couldn’t help shouting: “He is the supreme god of the demon race, he was reborn with the help of Liu Hao’s body, don’t underestimate the enemy. ...” To

be honest, Wen Chou Chou didn’t have any good feelings for these divine soldiers and gods. At the beginning, Yue Feng helped the gods to deal with the demons, but the gods have always regarded Yue Feng as a thorn in their eyes, and they also targeted the Ouyang family and persecuted the Ouyang family. , had to hide in Xia Yinzong.

If Wen Chou Chou saw the situation in front of him three months ago, he would naturally be happy to see it.

But now the situation is different. Gone is cruel by nature. If he is allowed to control the overall situation, not only will everyone present at the scene be doomed, but the entire Kyushu will experience an unprecedented catastrophe.

What?

The moment the words fell, the four Lei Xingyu brothers were all shocked.

He... he is the Supreme Goni of the Demon Race?

In the Divine Realm War a year ago, didn't he die together with His Majesty the Nine Heavens God? It has been resurrected again...

No wonder the breath that permeates the body is so strong.

call!

Shocked, the boss Lei Xingyu took a deep breath and shouted: "The second, the third, the fourth, form a formation." When the

voice fell, the three brothers around him responded in unison, and immediately moved the figure, and the sub-stations were in the direction of east, west, north and south. , surrounds Goni in the middle.

Seeing this situation, Goni's face did not fluctuate at all, and said coldly: "With a single formation, you want to trap the deity? Are you four dogs too naive?"

"The power of the soul exploded, and in mid-air, it fought fiercely with the four Profound Handle God Generals.

At the beginning, Goni was full of self-confidence, but gradually his face became solemn. He clearly felt that the formation in front of him, although there were only four people, was ever-changing.

Chapter

5419 In less than ten minutes, Goni tried many times, but was still unable to break out of the formation.

If Yue Feng was present at this time, he would definitely nod his approval to the four Profound Handle God Generals. Because this formation was exactly the four-symbol demon-fighting formation that was passed down when Prince Aolin was taught in God's Domain.

After Prince Aolin became the Emperor of Heaven, he often studied this formation, and later dispatched the four great generals of the Profound Handle to be in charge of the Tianjian, and he passed this formation to the four brothers. to help them cope with emergencies.

To be honest, if Goni was in his peak state, a mere four-image demon-fighting formation would not be able to trap him at all, but he hadn't fully trained his demon body, so he couldn't forcefully break through the formation.

Haha...

Seeing this scene, Wen Chou Chou was extremely excited, looked around the audience and shouted: "The Hall of Longevity, the disciples of Huaguo Mountain can launch a counterattack against the Sea Dragon Hall if they obey the order.

"Will be trapped, it is a good time to counterattack.

"Kill..."

Hearing the order, the Huaguo Mountain, the disciples of the Hall of Longevity, and even the disciples of the Xia Yinzong, who were present, shouted loudly, and rushed towards the crowd in the Sea Dragon Hall.

The members of the Sea Dragon Palace were all focused on the fierce battle in mid-air, and they were suddenly caught off guard by the counterattacks of the three sects.

"Ah..."

Almost in the blink of an eye, hundreds of members of the Sea Dragon Palace fell into a pool of blood.

A few minutes ago, with his powerful strength, Gogne shocked the audience. The morale of the people in the Sea Dragon Palace was high, and they almost controlled the situation. Now Gogne is trapped by the formation, which has caused the morale of the people in the Sea Dragon Palace to plummet.

Under such circumstances, in the face of the counterattacks of Wen Chou Chou and the crowd, the formation of the Sea Dragon Palace collapsed, and it was difficult to restore the situation.

Mad!

Seeing that many members of the Sea Dragon Palace fell in a pool of blood, Yu Du clenched his fists tightly and his face was extremely cold.

How could this be?

In anger, Yu Du looked at Gogne in mid-air, and saw that he only focused on breaking the formation, ignoring the life and death of the members of the Sea Dragon Palace below.

It can't go on like this. He is the supreme being of the demon race. Even if he loses, he won't die for the time being, but the following people will all die.

"Yu Du, die!"

Just when Yu Du was secretly anxious, Sun Dasheng roared, waving the axe to open the sky and rushed forward.

Yu Du's complexion changed, and he did not hesitate at that time, mobilized all his inner strength, and fought fiercely with Sun Dasheng. However, although his strength was strong, he could not stop the power of Kaitian Axe.

boom!

In less than two rounds, the residual poison was shaken back by an axe, his face was pale, and a mouthful of blood spurted out.

"Your master can't protect himself, no one can save you this time." Sun Dasheng roared with fighting intent all over his body.

Looking at the axe of Sun Dasheng, Yu Du's eyes couldn't hide the panic, and he completely lost his determination to continue the fight. He took out a packet of powder from his arms and threw it directly at Sun Dasheng.

Huhuhu...

In an instant, the powder formed a blue mist in the air, and the mist stained the grass on the ground, which instantly withered and turned yellow. Obviously, the powder was highly toxic.

Seeing this scene, Sun Dasheng quickly dodged and avoided.

Whoosh!

Taking this opportunity, Yu Du didn't hesitate, turned around and ran towards the seaside. By the time Yue Wuya reacted, he had disappeared.

Yu Du acted decisively, and when he saw that the situation was over, he decided to flee. As for Gone, he was not worried, after all, he was the supreme being of the Demon Race and had enough self-protection ability.

Ma De...

Seeing Yu Po's escape, Sun Dasheng's axe smashed to the ground. He thought that he could get rid of this scourge for Jianghu today, but he didn't arrive first. This Yu Po was so cunning, he even carried a highly poisonous with him.

Cursing inwardly, Sun Dasheng turned around and rushed into the enemy group, and continued to fight fiercely.

.....

Yu Du rushed all the way down the mountain, increasing the speed to the extreme, watching behind him while running.

call!

When approaching the beach, seeing that there were no chasing soldiers behind him, Yu Du breathed a sigh of relief, then turned around and quickly rushed towards the port.

The ships in the Sea Dragon Palace were all docked at the port. Not only that, but one of the ships was also imprisoning Mo Yan at this time.

## Chapter 5420

A few days ago, under the pressure of Gone, Mo Yan had to admit that he and Yue Feng had a child. At that time, Gone was furious, but he was reluctant to execute Mo Yan, and finally put Mo Yan on the boat .

And taking care of Mo Yan's affairs was handed over to Yu Du.

At this time, Yu Du arrived at the port and saw that the people guarding the ship were all there, and he felt fortunate in his heart.

Fortunately, several sects in the Hall of Longevity put their troops in the Star-Zhailing Building, and did not pay attention to this side.

Muttering in his heart, Yu Du quickened his pace and boarded one of the big boats.

"Leader Yu."

Seeing Yu Du's appearance, the elites of the Sea Dragon Palace guarding the boat quickly shouted respectfully. At the same time, one by one looked complicated.

Because they clearly saw that Yu Du was stained with blood, and his face was extremely weak, and he was obviously injured.

"Boss Yu." After saying hello, a disciple walked over quickly, supported Yu Du, and asked cautiously, "Are you alright? Zhaixinglou...is it...something happened?"

" They were not very far from Zhaixing Tower. They could hear the thunderous shouts and fights clearly on the boat. They wanted to check it out at the time, but their duty kept them from disembarking.

Yu Du didn't answer directly, and asked solemnly, "How's the Queen doing?" The situation

upstairs in Zhaixing is over, and now he only cares about Mo Yan's safety.

Seeing that he avoided the key points, the disciple realized that the situation was not good, and immediately responded: "The Queen has not left the cabin for the past two days."

Hmm!

Yu Du nodded and said without further ado, "Pass my order, all ships can return to Dragon King Island, be quick."

Gone was trapped by the formation of the four Profound Handle Gods, and he didn't know how long it would last. Once Gone was caught, the gods and soldiers of Diligent Tianjian would definitely wipe out the people in the Sea Dragon Hall in the entire Donghai City.

Therefore, before the battle in the Star Picking Tower is over, you must take Mo Yan and the men who are wearing them to flee quickly. After returning to Dragon King Island, make plans.

"But..."

Hearing the order, the disciple hesitated for a moment, wondering: "But... Your Excellency passed down the password before, let us stand by here, and there is still a fierce battle upstairs in Zhaixing, if we leave Now, isn't it inappropriate?"

At this moment, Yu Du's face was gloomy and he scolded: "What? Are you questioning me?"

Yu Du's eyes showed a cold glow when he spoke.

Gudong!

Seeing Yu Du's anger, the disciple's heart trembled, and he quickly said, "My subordinates don't dare, my subordinates will do it now." After speaking, he hurriedly went to summon the people from the port.

After a while, all the ships docked at the port raised their sails and headed towards the Dragon King Island.

When the ship started sailing, Yu Du washed the blood on his face, changed his clothes, and walked slowly into the cabin where Mo Yan was being held.

Ugh!

The moment he entered the cabin, Yu Du couldn't help sighing when he saw the scene in front of him.

He saw that Mo Yan was sitting there quietly, with a haggard expression, completely lost the demeanor that dominated the strength of many pirates in the past. At this moment, she is a weak woman who misses her flesh and blood.

“Yu Du?” At this moment, Mo Yan saw Yu Du and was stunned for a moment: “Why are you here? Also, how did the boat go?”

He looked weak, obviously injured.

“Queen.”

Yu Du gave a wry smile and said slowly, “Today, Yue Wuya and the Ouyang family were supposed to be wiped out. Who knew that the sudden change would happen, and the Divine Realm’s Diligence Mirror came, and the four leading gods formed a formation. Trapped Zun Shang...”

“I... I saw that the situation was not good, so I escaped from the Zhaixing Building and rushed back. Divine Soldiers and Generals of Diligent Tianjian are no trivial matter, so I let the people below. , start the ship, and temporarily return to Dragon King Island...”

What?

Knowing these circumstances, Mo Yan’s delicate body trembled, and she felt that the world was spinning and she almost fainted.

Zun Shang... Zun Shang is trapped in the Zhanxinglou?

The child was not found, and even Gone was in danger. What should I do?

Seeing Moyan’s unsteady standing and about to fall to the ground, Yu Du has a quick eye and grabs Moyan’s waist: “Queen, don’t be in a hurry, let’s go back to Dragon King Island first, and then act according to chance.”
