Chapter 5431

However, Liu Ruxue didn't seem to hear it, and just flew forward, without the slightest shame.

Um?

Seeing this, Yue Feng's brows wrinkled even deeper, something was wrong. If he had ridiculed her like this before, Liu Ruxue would have become angry and turned back to fight with herself.

At this time, the woman didn't respond at all, and she behaved unusually calm.

At this time, Yue Feng didn't know that Liu Ruxue had been controlled and completely turned into a puppet.

Whoosh!

Thinking to himself, Yue Feng speeded up, and his figure was like a streamer, gradually getting closer to Liu Ruxue.

Seeing that he was about to catch up, he saw Liu Ruxue's delicate body turned and flashed into a hall. In the mysterious realm of heaven, there were many majestic halls, most of which were empty.

So seeing this scene, Yue Feng didn't think much about it and rushed in directly.

This...

the moment he rushed into the hall, Yue Feng immediately stopped and frowned secretly.

I saw that in the main hall, there were many black square stone pillars, which seemed to be disorganized, but if they were carefully distinguished, it would make people feel very difficult.

Five Elements Ecstasy Array?

After watching it for a few seconds, Yue Feng showed a smile. His accomplishments in the art of formation can be said to be unparalleled. At this moment, he could see at a glance that these square stone pillars were composed of the Five Elements Ecstasy Formation.

The Five Elements Ecstasy Formation is a medium-sized formation. For others, it is unpredictable, but for Yue Feng, breaking this formation is completely a piece of cake.

This chapter is provided by . Visit for daily update.

With a chuckle, Yue Feng did not hesitate at all, and rushed to the formation directly, staring directly at Liu Ruxue: "Tell me, where did you keep the palace master?"

If it was normal, Yue Feng would say a few more words to tease Liu Ruxue, but now he is worried about the safety of the palace master, so he is not in that interest.

"Promise me first."

Facing the question, Liu Ruxue's beautiful face was as cold as ice, and she responded coldly.

Chi Chi...

With this sword, Liu Ruxue burst out with all her strength, and when she saw where the long sword passed, the surrounding air distorted violently.

Sigh...

Seeing Liu Ruxue attacking, Yue Feng smiled slightly, with helplessness flashing in his eyes, and said with a wry smile: "Why is this? We have fought several times before, but you are not my opponent at all."

"I know Now, you want to procrastinate, don't you?"

When he said this, Yue Feng stood there as steady as a mountain, and didn't mean to dodge at all.

Liu Ruxue's expression was indifferent, she did not respond, and at the same time increased her speed.

Seeing this scene, Yue Feng stopped talking nonsense, pulled out his long sword, and greeted Liu Ruxue.

clang clang!

The long swords on both sides kept colliding, sending out bursts of crisp vibrations. In less than two rounds, Liu Ruxue was forced to retreat step by step, but her eyes still flashed with determination, and she did not flinch.

Nima!

Seeing Liu Ruxue's desperate attitude, Yue Feng was very annoyed and couldn't help saying: "Liu Ruxue, don't think I won't kill you, but keep challenging my patience.

"Where is the main gate?"

Yue Feng frowned as he spoke, unable to hide his anxiety.

Before, because of the Tianjigong practice, he not only humiliated Liu Ruxue several times, but also defeated Ren Pingsheng. It is normal for Ren Pingsheng to count this grudge on the head of Chunyang Palace.

Therefore, if the palace lord falls into their hands, it will be more fortunate than fortune.

However, in the face of Yue Feng's anger, Liu Ruxue still looked indifferent: "Yue Feng, you are doomed today." The

voice was extremely cold, and there was no mood swing.

"Okay, you forced me."

At this moment, Yue Feng stopped talking nonsense, and the figure rushed up quickly, raised his hand and hit him.

This palm was extremely fast and violent, Liu Ruxue couldn't avoid it at all, but she didn't panic at all, urging all her inner strength, and also greeted her with one palm.

boom!

The next second, the palms of the two collided, and a dull sound came out. Then, Liu Ruxue groaned, and her delicate body retreated again and again, and finally hit a square stone pillar and stopped.

At this time, Liu Ruxue's delicate face was pale, but there was still no joy or anger in her eyes.

Chapter 5432

What a crazy woman.

Seeing this scene, Yue Feng couldn't help muttering to himself, she was injured, but this woman could still bear it. Thinking to himself, Yue Feng walked over step by step, and the long sword touched Liu Ruxue

's heart: "I will ask you one last time, where is the palace lord locked up?"

I couldn't hold back my anger.

Liu Ruxue quietly looked at the long sword in front of her, her beautiful face did not fluctuate in the slightest: "I won't tell you if you killed me, anyway, you can't escape today."

An hour ago, Emperor Aotian Zi specifically explained to Liu Ruxue that once Yue Feng came to the rescue, he would be led into this formation.

Liu Ruxue has been completely controlled, and obeys Prince Aotian's orders. In her heart, completing what Prince Aotian explained is the most important thing, and she doesn't care about other things, let alone her own life.

Nima!

Seeing Liu Ruxue's firm appearance, Yue Feng gritted his teeth, very angry, and at the same time a little helpless.

In Yue Feng's heart, Liu Ruxue had tried to plot against herself before, but she was not guilty enough to die. If she wanted to kill her, she really couldn't do it.

Huh...

After a few seconds, Yue Feng took a deep breath and looked at Liu Ruxue with a half-smile, "Liu Ruxue, do you think you're trapping me with a five-element ecstasy array? You underestimate me, Yue, too. It's windy."

At this time, Yue Feng thought that the other party was relying on the surrounding Five Elements Fascinating Soul Formation, so he was so confident.

Liu Ruxue looked at him indifferently and did not respond.

hum!

At this moment, Yue Feng didn't bother to talk about it, his whole body was spinning with divine power, and with a wave of his hand, a powerful aura swept out.

Bang bang bang...

The powerful force was raging in the entire palace, and I saw that those hard square stone pillars shattered one by one in an instant, and in an instant, the Five Elements Fascinated Soul Array was self-destructed.

After destroying the formation, Yue Feng looked at Liu Ruxue proudly: "How is it? Did you not expect it?"

However, what he did not expect was that Liu Ruxue's face did not fluctuate at all, as if the formation Destroyed, it has nothing to do with her.

“Yue Feng, go to hell!”

At this moment, a loud shout came from outside, and then, a figure rushed like lightning from outside the hall and slapped Yue Feng’s back with a palm.

The visitor looked ferocious, with resentment and anger in his eyes, it was Prince Aotian.

Of course, the Prince Aotian at this time was still the same as Ren Pingsheng.

Ten minutes ago, when Yue Feng appeared at the entrance of the secret realm, Prince Aotian got the news. At that time, Liu Ruxue rushed over and led Yue Feng to the five elements of the hall.

As for Prince Aotian himself, he was quietly hiding outside the hall, the purpose was to wait for the opportunity to raid.

At this time, seeing that Yue Feng’s attention was all on Liu Ruxue, Prince Aotian knew that the opportunity was coming, and without any hesitation, he acted decisively.

hum!

At this moment, Prince Aotian quickly thundered, and a terrifying force erupted from his body.

Mad!

Seeing the sudden appearance of ‘Ren Pingsheng’, Yue Feng frowned and instantly became angry.

To be honest, when he entered the hall just now and saw the Five Elements Fascinating Array, Yue Feng had guessed that Ren Pingsheng was likely to be in ambush nearby, but he did not expect that the other party would grasp the timing so precisely.

What shocked Yue Feng even more was that the strength of the ‘Ren Pingsheng’ in front of him was obviously much stronger than a few days ago.

What kind of exercises is this ‘Ren Pingsheng’ practicing? In just a few days, the strength has increased so much?

From this point of view... he was not just lucky to be able to kill Deng Shiqi alone.

At this time, Yue Feng did not realize that the person in front of him was not Deng Shiqi at all, and the soul inside was Prince Aotian.

“Yue Feng, let’s settle the account.” In the

blink of an eye, Prince Aotian came to him, with excitement and hatred flashing in his eyes, and shouted, "This time, you are doomed, die."

The last word fell, and Prince Aotian's inner strength surged, and he slapped him fiercely.

boom!

To be honest, Prince Aotian was so fast that Yue Feng didn't have time to dodge, but he didn't panic at the time, and quickly activated his inner strength to condense a layer of protective film behind him.

Chapter 5433

Boom!

The next second, Prince Aotian slapped the protective film with his palm, and saw that the protective film shattered instantly.

After flying more than ten meters, Yue Feng fell heavily to the ground.

Mad!

Yue Feng could clearly feel that the energy and blood in his body were tumbling, and his primordial spirit was almost scattered. In an instant, he looked at Prince Aotian's eyes and became solemn.

I haven't seen each other for a few days, this person's strength has become so strong?

It shouldn't be... You know, you have the soul to protect the body, but just now the opponent's palm almost shook his soul away...

Haha...

At this moment, Prince Aotian couldn't hide it. Excited, he said proudly at Yue Feng: "How is it? Didn't expect it?" When he spoke, Prince Aotian was a little pity.

If it is in its peak state, that palm just now is enough to defeat Yue Feng's primordial spirit. But it's not bad to hit him hard.

Huh...

Hearing the ridicule, Yue Feng did not panic at all, and looked at Prince Aotian with a calm expression: "Ren Pingsheng, you are only capable of this, and you will only make a secret surprise attack."

“What if your surprise attack is successful? Do you really think you are in control of the whole situation?” As he

said that, Yue Feng slowly stood up and secretly adjusted the power of his soul. Between his expressions, he was also full of arrogance.

At this time, Yue Feng has not yet felt that the person in front of him is no longer the Ren Pingsheng he was a few days ago.

Ha ha...

Feeling Yue Feng's contempt, Prince Aotian felt annoyed in his heart, but he quickly calmed down and said with a chuckle: “You're right, that palm just wasn't enough to kill you at all.”

“But you think that I In this hall, there is only one five-element fascination array?” The last word fell, Prince Aotian raised his hand and waved, and a ray of light flashed out, hitting a hidden mechanism on the wall.

Kazaza... The

next second, I heard a sound of vibration, and then, in the four corners of the hall, several stone platforms slowly rose, and on each stone platform, there was a dark purple spar , In the spar, there is a very strong spiritual energy of heaven and earth.

Buzz....

these heaven and earth auras gathered together to form a formation that directly enveloped Yue Feng and Liu Ruxue. In an instant, within the range shrouded in the barrier, a terrifying force raged.

Nima!

Seeing this, Yue Feng was taken aback, and then said coldly to Prince Aotian: “Ren Pingsheng, you are crazy, you want to deal with me, but even your junior sister is trapped, so don't worry about me Deleted her?”

Yue Feng couldn't help but glance at Liu Ruxue next to him.

I saw that Liu Ruxue stood there quietly, with an indifferent expression, and there was still no change in his expression.

Haha....

Hearing this, Prince Aotian couldn't help laughing: "Junior sister? It's just a puppet controlled by me. As long as I can deal with you, what is the sacrifice of a puppet?"

Puppet?

Hearing this, Yue Feng's heart shuddered, and he instantly understood something.

No wonder... No wonder Liu Ruxue looked like a different person from a few days ago. No matter how much she teased before, she was not angry. It turned out that she was being controlled.

Buzz...

At this time, in the space within the enchantment, the terrifying power is getting stronger and stronger. Feeling the powerful power, Yue Feng only felt a little breathless, and his heart was even more shocked.

This...isn't this the 'Destroying Immortal Array' that only exists in God's Domain?

For a time, Yue Feng only felt that his brain was buzzing, and the whole person was covered. As the Nine Heavens Profound Sage of the God Realm, he knows the situation of the God Realm very well.

When he taught Ao Lin before, Yue Feng had seen him demonstrate the Immortal Destruction Formation. The power of the Immortal Destruction Formation is endless. Once trapped, it is impossible to escape. It can be said that this formation is the exclusive use of the royal family of the Divine Realm, and even the Haotian Divine Sovereign is not qualified to understand.

And the 'Ren Pingsheng' in front of him is just a sect master in the human world, and he actually knows how to deploy the Immortal Destruction Formation. How can people not be shocked?

"You..."

At this moment, Yue Feng urged Yuanshen to resist the strong pressure from all directions, looked at Prince Aotian outside the barrier and said, "You are not Ren Pingsheng, who are you?"

While asking, Yue Feng's eyes are dignified, and it is difficult to hide a trace of panic.

Chapter 5434

He clearly felt that as the pressure in the Immortal Destruction Formation became stronger and stronger, the power of the Primordial Spirit in his body was also absorbed by the purple crystal stones around him...

“Yue Feng, Yue Feng.”

Hearing the question at this time, Prince Aotian was full of pride: “Thank you for being the Nine Heavens Profound Sage, and you still don’t know who I am? Hehe.. I ask you, who is qualified to use this Immortal Destruction Array?

” qualifications?

Hearing this, Yue Feng’s eyes flickered, and he suddenly thought of something. He took a deep breath and said, “You...you are Prince Aotian?” Among the royal family of the Divine Realm, Ao Lin is his apprentice and the current Emperor of Heaven. It’s impossible to deal with yourself at all.

The only one who has had a holiday with himself is Prince Aotian.

“Hehe, you’re not too stupid.” Prince Aotian

smiled coldly and looked at Yue Feng through the barrier: “I never expected that you would end up in my hands.”

The title belongs to this prince, but because you helped Ao Lin, took away my position as the emperor of heaven, and even more harmed my master Taiyi Immortal Venerable, and was expelled from Yutian Palace.”

“If it weren’t for you, I wouldn’t . If the breakthrough fails, it will not come to the human world to reshape the primordial spirit, so now you are trapped by me using the Immortal Destruction Formation, and it is your own fault.”

Prince Aotian became more and more mad as he spoke, and his expression was indescribable.

Nima!

Hearing these words, Yue Feng frowned secretly.

This Prince Aotian is really insane, he has no ability to compete for the throne of the emperor, but blames others.

Thinking to himself, Yue Feng took a deep breath and tried to calm himself down: “Prince Aotian, I know that you have always hated me, but have you ever thought about it, I’m an imperial teacher, you deal with me so deliberately, if you are attacked by Ao Lin I know, what’s going to happen to you?” The

end?

At this moment, Prince Aotian did not panic at all, but instead shouted with a frenzied expression: "If this prince dares to do this, he is not afraid of the consequences. Besides, in this Ziwei Continent, no one knows the true identities of the two of us, wait. I have merged your divine power, and then kill you to silence your mouth. At that time, there will be no proof of death, and Ao Lin will not dare to do anything to me."

"By the way, you should also know that the most powerful part of this Immortal Extermination Array is that it can absorb divine power. , No matter how powerful a god is trapped, he can only be appointed."

"Hey, with your current situation, within a few hours, the divine power will be completely absorbed, and I will use yours. Divine power is used to reshape the primordial spirit, so... enjoy it slowly." At the

end, Prince Aotian ordered Liu Ruxue: "Be optimistic about him, and kill him immediately if you find that he is about to escape."

"Yes!"

At this time, Liu Ruxue, under the terrifying pressure of the Immortal Extermination Formation, trembled faintly, but when she heard the order, she nodded firmly.

Prince Aotian said no more, turned and walked out of the hall.

To be honest, Prince Aotian really wanted to see Yue Feng's divine power being sucked up by the Immortal Destruction Formation. However, he is only occupying Ren Pingsheng's body, and he has not reshaped his primordial spirit. In this case, he is close to Destruction. Immortal array, if you are not careful, the soul will be swallowed.

Therefore, for the sake of safety, Prince Aotian decided to leave temporarily.

He thought about it, waited for the Immortal Extermination Formation to drain Yue Feng's divine power, and then he would come back to merge. After all, the divine power absorbed by Yue Feng would be temporarily stored in those purple spar stones, so there was no need to worry about it collapsing and disappearing.

Nima!

Seeing Prince Aotian's figure go away, Yue Feng clenched his fists tightly, his eyes bloodshot instantly, and he was indescribably angry.

The power of the primordial spirit that he finally recovered, how could he make a wedding gown for Prince Aotian for nothing?

No, I must destroy this Immortal Extermination Formation.

Thinking to himself, Yue Feng gritted his teeth and endured the coercion from the formation. He first looked around, then raised his hand and waved, a purple-red fireball erupted and slammed into the enchantment in front of him. .

boom!

The next second, the fireball hit the barrier, and a roar erupted, but it didn't break the barrier.

Speaking of which, if Yue Feng was in his peak state, breaking the barrier would not be a problem, but just now he was attacked by Prince Aotian, and after that, the divine power in his body was continuously absorbed by the formation. In this state, it would be difficult to break the barrier.

Chapter 5435 It's

over!

Seeing that the enchantment was safe and sound, Yue Feng was annoyed and depressed.

However, at this moment, a fierce killing intent came from behind.

Yue Feng's heart froze, and he looked back subconsciously, and saw Liu Ruxue holding the long sword tightly, staring at him coldly, his eyes full of killing intent.

When Prince Aotian left just now, he specially explained to Liu Ruxue that as long as Yue Feng tried to break the formation, he would be killed. Liu Ruxue kept it firmly in her heart, and when she saw Yue Feng breaking through the formation, she did not hesitate to take action.

"Yue Feng, die."

At this moment, Liu Ruxue spit out a few words coldly, and the long sword drew a shock, stabbing straight at Yue Feng's heart.

Nima, this woman...

Yue Feng was shocked and wanted to scold, but thinking that Liu Ruxue was already under control, he held back.

In the next second, Yue Feng endured the coercion of the Immortal Destruction Formation, quickly dodged to the side, and shouted at Liu Ruxue: "Liu Ruxue, wake up..."

Because of the divine power in his body, he was constantly absorbed by the formation. , When he shouted these words, Yue Feng's voice was hoarse, and the whole person was extremely weak. However, Liu Ruxue was also suppressed by the formation. Although this sword was sharp, it was very slow, so she escaped in a thrilling manner.

Chi...

After the sword missed, Liu Ruxue did not give up, bit her lip tightly, and charged again.

Seeing this situation, Yue Feng was speechless. While dodging, he continued to shout: "Liu Ruxue, wake up, if you kill me, you won't be able to live..."

However, Liu Ruxue couldn't listen at all. , the long sword waved sword flowers one after another, blocking Yue Feng's retreat.

call....

Seeing that it was inevitable, Yue Feng took a deep breath, first avoiding Liu Ruxue's sword, and then a lightning strike from his right palm hit her shoulder.

Although he has been suppressed by the Immortal Destruction Formation, Yue Feng's background is not comparable to Liu Ruxue. Yue Feng had been forgiving before, just because he didn't want to hurt her, but seeing Liu Ruxue pressing him step by step, he couldn't help it.

Pfft...

In this palm, Yue Feng didn't use all his strength, but Liu Ruxue's eyes went black, her delicate body fell softly to the ground, and she fainted directly.

"I don't want to do this, but there is really no other way." Yue Feng looked helpless, looked at Liu Ruxue who was in a coma, said something to himself, and then continued to think of a way to break the formation.

Although Yue Feng's accomplishments in the formation technique are unparalleled, this Immortal Destruction Formation is exclusive to the royal family of the Divine Realm, so there is no clue at all for a while.

It's over...

Is it really going to be drained of divine power this time and trapped here alive?

At this moment, with the rapid leakage of divine power in his body, Yue Feng wanted to cry without tears.

"Hmm..."

And at this moment, Liu Ruxue, who was in a coma by the side, suddenly let out a painful low tone.

This voice has a fatal temptation, and Yue Feng's heart is shocked when he hears it.

The next second, Yue Feng turned his head to look, and saw Liu Ruxue woke up, her beautiful face was extremely red, her eyebrows were furrowed, and she looked very painful.

Obviously, the palm just didn't completely knock Liu Ruxue unconscious, and under the powerful pressure of the Immortal Extermination Formation, Liu Ruxue, who woke up, could not stand it anymore.

Although the Immortal Destruction Formation is constantly absorbing Yue Feng's divine power, the powerful power that pervades it is not something that Liu Ruxue can compete with.

Done!

Looking at Liu Ruxue's appearance, Yue Feng secretly complained.

The appearance of this woman at this time has already entered a state of infatuation. If it is not treated in time, after the infatuation, the fragrance will disappear.

Realizing this, Yue Feng wanted to help, but he could not protect himself, how could he be able to help Liu Ruxue?

"Uncomfortable, so uncomfortable..."

At this time, Liu Ruxue's face was flushed red, her dantian's inner strength was completely disordered, and her whole person lost her mind: "Am I going to die..."

Seeing this situation, Yue Feng also Unable to be anxious, he couldn't help but weakly said: "Liu Ruxue, if you can hear me, hold your breath quickly, otherwise, you will be doomed..."

Shuh!

Hearing Yue Feng's words, a trace of confusion flashed in Liu Ruxue's eyes, then rushed over and hugged Yue Feng.

The ultimate husband in Chinese chapter 5436-5440

At this time, Liu Ruxue, under the powerful pressure of the Immortal Extinguishing Formation, has a disordered inner strength in his dantian, and is about to go into a demon, and his whole person has lost his mind.

“You...”

Suddenly the soft fragrance came into his arms, and Yue Feng was immediately blinded. At this time, he wanted to push Liu Ruxue away, but the divine power in his body was constantly being absorbed by the Immortal Destruction Formation, and he was extremely weak and completely powerless.

As soon as he said a word, he saw Liu Ruxue’s face was extremely red, and suddenly came up and kissed Yue Feng directly.

Om....

For a moment, Yue Feng’s mind buzzed, and it went blank. He never thought that things would suddenly develop like this.

However, Yue Feng could also feel that at this time, Liu Ruxue was hot all over, as if the whole person was about to burn.

Pfft...

The next second, before Yue Feng could react, Liu Ruxue hugged him tightly and rolled directly to the ground.

“Liu Ruxue...” Yue Feng was very anxious, almost wanting to cry without tears: “Calm down... See who I am, I am Yue Feng, your enemy, we can’t do this. ..”

As he spoke, Yue Feng tried to push Liu Ruxue away, but the divine power in his body was draining so badly that he had no strength to speak, and he couldn’t push Liu Ruxue away at all.

At this time, Liu Ruxue couldn’t hear Yue Feng’s voice at all, she just felt extremely uncomfortable, as if there was a fire burning inside her body, she hugged Yue Feng tightly, tearing at Yue Feng’s clothes like crazy.

A few seconds later, Liu Ruxue’s mind went blank and sat down directly.

“Yeah!” A

seductive low voice echoed in the Immortal Destruction Formation.

This chapter is provided by . Visit for daily update.

finished...

However, at this time, Yue Feng, how could he feel this wonderful feeling, anxious like an ant on a hot pot.

Not to mention being trapped in this Immortal Destruction Formation, Liu Ruxue is also crazy.

Now I'm just afraid of dying here.

Huhuhu...

However, what shocked Yue Feng was that the divine power dissipated from his body was no longer absorbed by the Immortal Destruction Formation, but instead continuously entered Liu Ruxue's body.

How could this be?

After an unknown amount of time, Liu Ruxue finally woke up and fell asleep while leaning on the side.

Yue Feng sat on the side, his expression was extremely weak and sluggish. Just after the cloud and rain with Liu Ruxue, all the divine power was transferred to Liu Ruxue. In this case, only a child could easily kill Yue Feng. .

It's just this situation that makes Yue Feng puzzled and shocked.

Strange...

This Liu Ruxue is just a human woman. She has no primordial spirit in her body, so how could she fuse her own divine power? You must know that Yue Feng's divine power is incomparably thick and vast, and Liu Ruxue's physique, a human woman, can't bear it at all.

But what is unexpected is that after Liu Ruxue got this divine power, nothing happened.

Um?

Just when Yue Feng was thinking about it, he saw that between the unconscious Liu Ruxue's eyebrows, there was a purple vortex mark that appeared and disappeared from time to time.

Seeing the vortex mark, Yue Feng was shocked and completely stunned.

What the hell.... is this Liu Ruxue the legendary 'Taiyou Xuanyin' physique?

For a time, Yue Feng's heart was completely filled with shock. When he taught Prince Aolin in God's Domain before, Yue Feng had read a secret book collected by the royal family of God's Domain.

The secret book said that among the many women in the human world, in addition to the supreme yin physique, there is also an extremely rare 'Taiyou Xuanyin' physique.

A woman of this physique can fuse divine power even without the primordial spirit, but the chance of fusion is very small.

In addition to the 'Taiyou Xuanyin' physique, some human men also have a 'Tiangang to Yang' physique. Similarly, men with a Tiangang to Yang physique can also integrate divine power.

It's just that Yue Feng has never met a person with such a physique after walking around the world for so many years. Unexpectedly, Liu Ruxue in front of her was actually a Taiyou Xuanyin body.

Because it was written very clearly in the ancient book, a woman with Taiyou Xuanyin physique would have a chaotic vortex mark between her eyebrows after she fused divine power.

What appeared between Liu Ruxue's eyebrows just now was the mark of the chaotic vortex.

Chapter 5437

is just...

This kind of physique, although it can integrate divine power, but the ancient book also said that the chance of success is very small.

In front of Liu Ruxue, the fusion was so smooth.

Incredible.

At this time, Yue Feng did not know that the reason why Liu Ruxue was able to integrate his divine power and possessed the 'Taiyou Xuanyin' physique was only one of them. More importantly, they had just experienced an intimate affair. It is convenient for Liu Ruxue to integrate.

Buzz buzzing....

The pressure of the Immortal Destruction Formation kept coming. At this time, Yue Feng lost his divine power, and the pressure he felt became more and more intense.

Shuh...

At the same time, Liu Ruxue also woke up next to him, and when he saw Yue Feng, a strong killing intent flashed in his eyes.

Gu Dong...

Feeling Liu Ruxue's hostility, Yue Feng couldn't help swallowing his saliva, his face was bitter, and he said weakly: "Are you awake?" .

Seeing that after her fusion of divine power, the whole person looked bright, and compared to the previous delicateness, she was completely different. Not only that, but there was still a trace of blush on her beautiful face, which was extremely charming.

"Yue Feng!"

Just as Yue Feng was secretly admiring it, Liu Ruxue bit her lip tightly, her tone as cold as ice: "You...you ruined my innocence, I want you to shred your corpse into thousands of pieces.

" At that time, Liu Ruxue's eyes were full of resentment.

Although she didn't know what happened before, she could clearly sense that she was no longer perfect, and there was only Yue Feng in front of her. If it wasn't him, who else would it be?

Huh...

In the face of Liu Ruxue's anger, Yue Feng didn't panic at all, but heaved a sigh of relief. The woman finally woke up completely.

Thinking to himself, Yue Feng smiled slightly: "Liu Ruxue, you really don't remember what happened before?"

Liu Ruxue didn't respond, just looked at him coldly, with a gesture of taking action at any time.

Yue Feng said calmly: "I tell you, your senior brother Ren Pingsheng is already dead, but his body was taken away, and the existence of his body is the Aotian Prince of the God Realm... ."

In the next few minutes, Yue Feng quickly explained the situation while under the pressure of the Immortal Extinguishing Formation.

At the end, Yue Feng looked at Liu Ruxue complicatedly: "So, what happened to us just now was purely a coincidence, and it was you who took the initiative at that time..."

Just before he finished speaking, It was interrupted by Liu Ruxue.

“You...” Liu Ruxue bit her lip so hard that she almost bleeds, her beautiful face couldn't express the shame and anger: “Shut up for me, do you think I would believe this kind of absurd thing? “

What God's Domain Prince?

It's all nonsense. This Yue Feng is a complete lecher. He has obviously ruined his innocence, and he deliberately fabricated lies to shirk his responsibility. Today, he must be killed.

Thinking to herself, Liu Ruxue no longer hesitated, picked up the long sword on the ground, and stabbed directly at Yue Feng's heart: “Yue Feng, go to hell.”

Alas!

Seeing this sword stab, Yue Feng was speechless, because he was too weak to dodge at all, so he simply did not dodge, looked directly at Liu Ruxue, who was approaching quickly, and said lightly: “It's true or false, you can feel it. You know the power within yourself.”

When he said this, Yue Feng's eyes flickered helplessly.

This woman looks shrewd on the surface, but she is so stupid at the critical moment. Didn't she feel the change in her inner strength?

Swish!

Seeing Yue Feng's calm appearance, Liu Ruxue suddenly stopped, and at the same time felt the situation in her body, her heart trembled.

It's... such a powerful force.

At this time, Liu Ruxue clearly felt that the inner strength of her dantian had undergone earth-shaking changes, and an incomparably powerful force filled her meridians.

And this power is something she has never dared to imagine in her life.

For a while, Liu Ruxue froze there, staring blankly at Yue Feng, unable to speak for a long time.

Could it be... what he just said was true?

Seeing Liu Ruxue's appearance, Yue Feng smiled weakly: “Don't look at me like this, if I were you, I wouldn't believe it, but it's a fact.”

Chapter 5438

“I...” The

voice fell, Liu Ruxueyu put her hand on her forehead, her eyebrows knitted together, and while trying to recall, she said: “I was really controlled before? What day is today?”

Yue Feng did not hesitate to say the date.

In an instant, Liu Ruxue’s delicate body trembled, and her whole body froze completely.

Five days..

I was actually controlled for five days, and I have no impression of what happened in these five days.

That’s right, Liu Ruxue’s memory only stayed at the time when he first saw Prince Aotian, and after he was controlled by Prince Aotian, because he lost his mind, he had no idea what happened in the past five days.

“Liu Ruxue.”

At this time, seeing Liu Ruxue’s face changing, Yue Feng couldn’t help but say, “Now you should believe me. Speaking of which, I and you Lihuomen have been celebrating a little bit, but we haven’t arrived yet. Endless death.”

“Now we have a common enemy, the Aotian prince who took away your senior brother. He is the royal family of the Divine Realm, and his actions are sinister and ruthless. The rivers and lakes will all be caught in the bloody storm.”

“Which is more important, think about it.”

After saying this, Yue Feng’s face was indifferent, but his heart was secretly anxious.

You must know that at this time, the two are still trapped in the Immortal Extermination Formation. Liu Ruxue has supreme divine power in her body, and she can fully withstand it, while Yue Feng’s divine power cannot last long.

call!

At this moment, Liu Ruxue took a deep breath, her heart was extremely complicated.

Speaking of which, Liu Ruxue, as a saint of the Lihuo Sect, has traveled all over the world for so many years, and is considered to be well-informed.

To be honest, let alone Liu Ruxue, even the most powerful people in the arena would not be able to accept it.

“You...”

Finally, Liu Ruxue reacted enough, and looked at Yue Feng in a complicated way: “You said that Prince Aotian took away my brother’s body?”

Yue Feng nodded: “Of course.”

Saying that, Yue Feng looked around and said slowly: “Otherwise, who do you think this powerful formation was created? This is called the Immortal Destruction Formation, and there is no such formation in the human world.

” At these words, Liu Ruxue nodded silently and pondered, her beautiful face was indescribably complicated.

In Liu Ruxue’s heart, she only thought that her innocence was ruined by Yue Feng, but she didn’t expect that the whole thing would be so complicated. For a time, I just felt that my brain was buzzing.

A few seconds later, Liu Ruxue tried to calm herself down, but she suddenly thought of something, and looked at Yue Feng puzzled: “You said just now that Prince Aotian put this formation in order to absorb your divine power, why, After the divine power was fused by me, I didn’t feel that the formation was absorbed?”

Hu...

Hearing the question, Yue Feng smiled slightly: “The biggest feature of this Immortal Destruction Array is that it can lock on the target, the target has always been me, and now I have nothing on my body. With divine power, the formation has no target, so naturally it won’t absorb it.”

Hearing this, Liu Ruxue nodded in understanding.

Wait...

And the next second, Liu Ruxue suddenly thought of a key question, and looked at Yue Feng with burning eyes: “You...you have divine power? Could it be that...you are not from the Ziwei Continent? “

When asked, Liu Ruxue couldn’t hide the shock in her heart.

Before, I had been struggling with my innocence and the death of my senior brother Ren Pingsheng, completely ignoring this issue. Now that I suddenly think about it, I realize that Yue Feng, who is in front of me, is the most invisible person.

This...

At this moment, Yue Feng scratched his head, hesitated, nodded and said, "Yes, I don't belong here, I'm from the Kyushu Continent." After speaking, he took some of the situation in the Kyushu Continent. Simply say it.

Kyushu mainland?

Hearing this, Liu Ruxue's delicate body was shocked, and it was inconceivable: "In addition to Ziwei Continent, are there other human continents?" In her knowledge, there is only Ziwei Continent in the human world.

"Of course there is." Yue Feng smiled and said, "Not only the continent of Kyushu and Ziwei, but I have also been to a continent called Roland."

Chapter 5439

mentioned Roland Continent, and Yue Feng couldn't help but think of Fuxi in his mind.

Speaking of which, Yue Feng would not have learned to build a Chaos Teleportation Array if he hadn't happened to encounter Fuxi's remaining soul consciousness in Roland Continent.

It turns out... the outside world is bigger than imagined.

At this moment, Liu Ruxue froze there, unable to calm down for a long time.

"But..."

But soon, Liu Ruxue came back to her senses and looked at Yue Feng: "Even if you are from the Kyushu Continent, you are only human, how can you have divine power? Moreover, the Divine Realm royal family also specially deals with you. .."

Uh...

Feeling Liu Ruxue's doubts, Yue Feng smiled awkwardly: "This... is a long story."

Having said that, Yue Feng glanced outside the door: "Okay. , Don't say it, you have my divine power now, don't be afraid of this Immortal Destruction Formation, I can't do it, if you continue to consume it, I will die here."

"Also, the Prince Aotian is probably coming back soon."

Hehe

Seeing the sadness on his face, Liu Ruxue's beautiful face showed a hint of mockery: "Yue Feng, did you ever think that you have such a day too?"

"You took away that secret before. Gong little girl, when you monopolized the Qimen exercises of the Tianji Palace, you never thought that you would end up like this. Let me tell you, you caused my senior brother to go into trouble before, and you had to use the holy fire to respect the life. Now that you have ended up in such a field, it's also up to you."

When she said this, Liu Ruxue couldn't hide the hatred in her eyes.

Although the senior brother Ren Pingsheng was not killed by Yue Feng, he was directly related to him. If it wasn't for Yue Feng, the senior brother would not have used the holy fire to regenerate the fire, and at the critical moment of his rebirth, he was taken advantage of by the Aotian prince. When he entered, he gave up his body.

I'm going...

Hearing this mockery, Yue Feng couldn't help laughing and crying.

This woman, too, holds grudges too much. I have explained everything clearly, but I am still full of hatred.

Muttering in his heart, Yue Feng said helplessly: "Okay, it's easy for you to kill me now, but what about after you kill me? Chunyang Palace will definitely not let it go."

"Also, that Prince Aotian is now, yes you are using the identity of your senior brother, who controls Lihuo Sect. If you don't take measures as soon as possible, you know better than me what the consequences will be."

"Even if you publish the truth, you can be taken away. How many people believe it? So, the best way is to wait for Prince Aotian to wait, let's defeat him in this hall, otherwise, I'm afraid there will be no chance in the future."

Hearing

this, Liu Ruxue weighed it in her heart, and said angrily: "You said before, he is the royal family of the Divine Realm, so I can defeat him?"

Yue Feng said confidently: "Of course, he just won the house. Your senior brother's body, and he doesn't have primordial spirit yet, you can beat him easily."

When he said this, Yue Feng looked annoyed.

Ma De, if he hadn't taken it lightly before, he wouldn't have been successfully raided by Prince Aotian, and he wouldn't have ended up like this now, but now it's too late to say anything.

The only way is to talk to Liu Ruxue and let her deal with Prince Aotian. After all, she has integrated her own divine power, and she doesn't know how to use it as soon as possible, but it is enough to deal with Prince Aotian who has no primordial spirit.

"Okay!"

Seeing Yue Feng's self-confidence, Liu Ruxue bit her lip tightly. After weighing it, she nodded and said, "I will believe you once, but I tell you, don't think that our grievances are understood, wait until I kill this one. The royal family of the God Realm who killed my senior brother, let's settle accounts slowly."

When the last word fell, Liu Ruxue couldn't hide the anger in her eyes.

She is a dignified saint of Lihuomen, who is pure and clean, but her innocence was taken away by Yue Feng, how can she bear it?

"Okay, it's up to you."

Feeling Liu Ruxue's resentment, Yue Feng was very helpless and smiled bitterly: "After dealing with Prince Aotian, you can do whatever you want with me, even if you promise me..."

After speaking, Yue Feng looked at her with a smile.

Yue Feng knew in his heart that Liu Ruxue would definitely avenge Ren Pingsheng, so before that, he would not easily kill himself. In this case, I couldn't help teasing her.

After all, this atmosphere is too dull.

Chapter 5440

Swish!

In an instant, Liu Ruxue's pretty face flushed, and she was so angry at the time: "Yue Feng, are you courting death?" After saying that, she walked over quickly, wanting to slap him.

This Yue Feng, who is half dead, dares to speak out.

However, seeing Yue Feng's weak appearance, he held back.

There must be something extraordinary about Prince Aotian's ability to seize his senior brother. He knew nothing about him, and it was not an easy thing to kill him to avenge his senior brother, so he still didn't care about Yue Feng for the time being.

After all, only Yue Feng knew how to deal with that Aotian Prince.

Thinking to herself, Liu Ruxue said coldly, "Yue Feng, don't think that I dare not kill you, otherwise, try it."

Uh...

Seeing that she was really angry, Yue Feng scratched his head, very said boringly: "Isn't this a very boring atmosphere, I'm just kidding, why are you being so serious?"

This woman has a cold and fierce personality, and whoever marries her will be unlucky in the future.

"Okay."

Liu Ruxue said impatiently, "Stop talking nonsense, tell me quickly, what can you do to deal with that Prince Aotian?"

Yue Feng smiled slightly and tickled at Liu Ruxue. Finger, when she got close, she explained her plan in detail.

Hearing Yue Feng's plan, Liu Ruxue's beautiful face was full of complexity: "You are so despicable."

Hehe...

Yue Feng smiled and said calmly: "To deal with him, it doesn't matter if you are despicable or not. ." Having said that, Liu Ruxue quickly prepared.

Without hesitation, Liu Ruxue used the formula that Yue Feng had just taught to hide the divine power in her body, then walked to the place where she was unconscious before, lay down and closed her eyes.

Yue Feng, on the other hand, sat there motionless, quietly looking out of the hall.

Yes, Yue Feng's plan is very simple, pretending to be his own divine power, which has been absorbed by the Immortal Extermination Formation, while Liu Ruxue is pretending to be in a coma.

After Prince Aotian came in, Yue Feng caught his attention, and Liu Ruxue took the opportunity to make a surprise attack.

Time passed by minute by minute.

Whoosh!

An hour later, footsteps sounded outside the silent hall, and then, a figure quickly arrived at the door of the hall.

His face was gloomy, and his brows were cold and arrogant.

It is Prince Aotian.

“Haha...” At

this moment, seeing the state of Yue Feng in the Immortal Destruction Formation, Prince Aotian couldn't help laughing, and sneered: “Tsk tsk, Yue Feng, how does it feel to be sucked out of divine power?”

God's Domain, when you helped Ao Lin deal with me, did you ever think that you have such a day?”

When he said this, Aotian Prince was full of pride, and he clearly sensed that Yue Feng in the Immortal Extermination Formation was at this moment. , The divine power in the body has completely disappeared.

Prince Aotian subconsciously believed that Yue Feng's divine power had been absorbed by the Immortal Destruction Formation.

idiot!

Looking at the proud face of Prince Aotian, Yue Feng cursed inwardly, but his expression was full of grief and indignation: “Aotian, have you ever thought about the consequences for you treating me like this?”

“Ao Lin knows you For his master like this, he will definitely not let you go.”

Haha...

Prince Aotian smiled contemptuously: “Yue Feng, don't scare me, this is the human world, I will combine your divine power, and then destroy your corpse and destroy your traces, no one knows that I did it.

” Don't forget, I'm not the only enemy of yours, and the demons can't wait to tear you to pieces.”

Yue Feng's eyes flickered and he smiled coldly: “Aotian, do you know why you can't become the Emperor of Heaven? Because you are just like that. If you have some

ability, you will only make a surprise attack. If Aolin is a bright moon, you are only a small firefly.”

“Compared to others, you are a hundred and eight thousand miles away.”

At this time, Yue Feng, his eyes Staring closely at Prince Aotian, full of sarcasm.

Yes, Yue Feng is deliberately angering Prince Aotian. You must know that Prince Aotian, although he acts despicable, is also very cautious. Otherwise, he would not have chosen to leave because he was afraid of being hurt by the Immortal Destruction Formation.

Yue Feng knew in his heart that not being the Emperor of Heaven had always been the pain of Prince Aotian. To ridicule him with this, he cannot help it.

Swish!

Sure enough, as soon as Yue Feng’s voice fell, Prince Aotian’s expression changed.
