

The ultimate husband in Chinese chapter 5441-5450

Chapter 5441

"You are courting death." After saying a few words coldly, Prince Aotian's body filled with suffocation, and he walked towards Yue Feng step by step: "Yue Feng, you don't have any supernatural power now, what qualifications do you have to speak up?"

"He 's just a poor bastard about to die, how dare you laugh at me?"

When he said this, Prince Aotian looked gloomy, glanced at the crystal stones around the Immortal Destruction Array, and said word by word, "Wait for me. Not only will you fuse your divine power, but you will also completely destroy your divine soul, so that you will never be born again."

Phew!

Hearing this, Yue Feng took a deep breath, his face was extremely weak: "Kill me, you can't be the emperor of heaven. Because your heart is too vicious, you can't convince the public at all." At the

end, Yue Feng looked at the proud In the eyes of the emperor, he couldn't hide the joke: "Aotian, you are destined to be a loser." The

emperor was already angry, but at this time Yue Feng's words undoubtedly added to his anger. a fire.

"There's so much nonsense, go to hell."

At this moment, Prince Aotian was completely furious. He howled and slapped Yue Feng with a fierce palm.

At this time, in Prince Aotian's heart, Yue Feng was already a waste person, and he had no ability to reverse the situation at all.

hum!

The voice fell, Prince Aotian stopped talking nonsense, and slapped Yue Feng with a fierce palm.

With this palm, Prince Aotian tried his best, vowing to destroy Yue Feng's Primordial Spirit with a single blow, and he saw that wherever the figure passed, the surrounding air was stagnant, and the power was terrifying.

Seeing this situation, Yue Feng looked fearless on the surface, but felt a little uneasy in his heart.

At the same time, I couldn't help but quietly glance at Liu Ruxue, who was pretending to be in a coma... As I said earlier, I attracted the attention of Prince Aotian, and she looked for an opportunity to sneak attack.

This chapter is provided by . Visit for daily update.

It's just... I just took away her innocence, she won't change her mind temporarily and let Prince Aotian kill me, right?

Whoosh!

Seeing this palm, it was about to hit Yue Feng, and at this critical moment, Liu Ruxue, who was lying beside him and pretended to be unconscious, suddenly moved.

"Return my brother

's life." At this time, Liu Ruxue was drinking tenderly, and her figure was as fast as lightning, rushing directly from behind, and the long sword stabbed at the heart of Prince Aotian.

For a time, the entire hall was filled with terrifying murderous aura.

Yue Feng's guess was good. When Liu Ruxue was lying on the ground and pretending to be in a coma, listening to the conversation between Yue Feng and Prince Aotian, he wanted them to go to hell together.

These two people, one who took away his innocence and the other who killed his closest senior brother, deserved to die, but for some reason, seeing Yue Feng's tragic death under Prince Aotian's hands, suddenly he couldn't bear it.

Um?

At this time, Prince Aotian, all his attention was on Yue Feng. He didn't expect Liu Ruxue to make a surprise attack from behind. At that time, his face changed and his mind went blank.

But after all, he is the royal family of the God Realm, so he quickly reacted and shouted angrily at Liu Ruxue: "Liu Ruxue, you are crazy."

When he spoke, Prince Aotian was very puzzled.

Under the strong pressure of the Immortal Extinguishing Formation, this woman was fine... Not only that, but she seemed to be out of her control.

"You take away my brother's body, and I want you to pay for it with blood."

Liu Ruxue's beautiful face was full of gloomy coldness. After she snorted, her speed suddenly accelerated.

hum!

When he was approaching Prince Aotian, an incomparably powerful force burst out from Liu Ruxue.

"You..."

At this moment, feeling the terrifying power of Liu Ruxue, Prince Aotian was taken aback. He clearly sensed that Liu Ruxue's strength was more than ten times stronger than before.

In particular, the terrifying aura that pervaded her body was like a goddess of war coming into the world.

How could this be?

Just when Prince Aotian was secretly shocked, Liu Ruxue's palm was already in front of him.

"If you commit the following crimes, you should be punished!" In the

next second, Prince Aotian reacted, shouted angrily, raised his right hand, and met Liu Ruxue.

boom!

The palms of the two sides collided fiercely, and I heard Prince Aotian groaning.

Chapter 5442

After all, Prince Aotian has only occupied Ren Pingsheng's body for a few days, and since he has not recreated his primordial spirit, he is naturally not Liu Ruxue's opponent.

After all, Liu Ruxue had already obtained the divine power of Yue Feng. Although it is not fully integrated, it is more than enough to deal with the Aotian Prince in this state.

"You..."

At this moment, Prince Aotian struggled to stand up, his face pale and indescribably ugly, his eyes were fixed on Liu Ruxue, full of incredible: "The power in your body, from Where did you come from?"

When he controlled Liu Ruxue before, Prince Aotian had a detailed understanding of her strength. Although this woman is not weak, she is not considered the top in the arena.

But... It's only been more than two hours since she didn't see her. Not only was she out of her control, but her strength also improved by leaps and bounds.

Even if you eat the fairy fruit of the gods, it is impossible to have this effect.

In the face of Prince Aotian's question, Liu Ruxue's face was frosty and she didn't respond, just looked at him coldly.

But his heart was secretly excited.

Although Yue Feng's method was a bit despicable, it really worked. The attack just now was sure to hit him, but unfortunately, that palm didn't kill him.

"Haha..."

At this moment, Yue Feng smiled slightly and mocked at Prince Aotian: "Aotian, fortunately you are still the royal family of God Realm, the situation is so obvious, can't you see it?"

"She just now It is my divine power that is used. Do you really think that this Immortal Destruction Formation has absorbed all of my divine power? Silly hat."

Although his expression was weak, Yue Feng's tone was very leisurely when he said this, with a strategized expression. attitude.

What?

Hearing this, Prince Aotian was shocked. He first looked at Liu Ruxue and then at Yue Feng, only to feel that his mind was buzzing and blank.

The divine power in Yue Feng's body was not absorbed by the Immortal Destruction Formation, but was all passed on to this woman?

This...it's impossible.

Thinking to himself, Prince Aotian glared at Yue Feng and almost roared: "Yue Feng, shut up, stop talking nonsense here, how could she be a mortal woman with your divine power?"

Ma De, this Yue Feng must be Deliberately talking nonsense, trying to disturb my mind.

Seeing that he didn't believe it, Yue Feng sneered: "You are still the prince, don't you know that there is a unique 'Taiyou Xuanyin' body in the human world?"

Taiyou Xuanyin body?

Hearing these words, Prince Aotian was shocked, and his eyes flickered.

In the ancient books collected by God Domain, it seems that this kind of physique was recorded....

Before he could react, Yue Feng glanced at Liu Ruxue and continued: "As it happens, she is the rumored Taiyou Xuanyin body. , Aotian, you think you are in control of everything, but why do you think that you will lose here in the end."

"Impossible..."

At this time, Prince Aotian, full of fire in his heart, roared: "Even if she is too It's impossible for the mysterious Yin body to gain your divine power so easily, it's impossible..." It should

have been in control of the overall situation, but it turned out to be the way it is now, and anyone else would not be able to accept it.

"Haha!"

Seeing his crazy face, Yue Feng sarcastically said, "Whether you believe it or not, this is the truth and God's will." In fact, Yue Feng had guessed it just now.

The reason why Liu Ruxue was able to obtain divine power so easily was not only because of her profound Yin body, but more importantly, she had experienced an intimate exchange with herself...

but this matter is related to Liu Ruxue. Of course, Yue Feng wouldn't say it.

After taunting a few words, Yue Feng struggled to stand up and said to Liu Ruxue: "Liu Ruxue, wasted time and killed him directly. Although you didn't fully integrate my divine power, killing him was still easy. "

Don't worry about his identity, he is a desolate prince. If I guess right, he came to the human world privately, and he was hiding from the realm of the gods, so no one would know if you killed him."

"Suffer to death!"

heard At Yue Feng's words, Liu Ruxue bit her lip tightly, without the slightest hesitation at that time, she shouted at Prince Aotian, and then her delicate body rose up and burst out.

Chapter 5443

Mad!

Feeling the power of Liu Ruxue's eruption, Prince Aotian was furious. There was no way to retreat at that time, so he had no choice but to explode his power and attack.

In the blink of an eye, the two sides fought fiercely in the Immortal Extermination Formation.

Bang bang bang...

I saw that the silhouettes of the two sides kept moving back and forth, and the breath that burst out tore the air in the entire hall.

Just now, he was sneaked by Liu Ruxue, and Prince Aotian was shocked. At this time, under the fierce battle, the figure was defeated and retreated, and he couldn't stand it at all.

boom!

Soon, the two sides touched again, and they heard a shock, and then, the Immortal Destruction Formation was instantly destroyed.

Prince Aotian took a dozen steps back, his face turning blue and white. As for Liu Ruxue, she just swayed slightly and stabilized her figure.

Obviously, this time, Liu Ruxue had the absolute advantage.

Om...

At this moment, Liu Ruxue raised her hand, and the powerful force in the air condensed a dazzling sword shadow, which came towards Prince Aotian like thunder and lightning.

Feeling the power of the sword shadow, Prince Aotian was taken aback.

Boom....

In the next second, the sword shadow slammed into Prince Aotian, and he heard a roar, followed by a mouthful of blood from Prince Aotian, and the whole person was shocked and flew far away.

Without reshaping the primordial spirit, this blow could not be stopped at all.

Liu Ruxue's face was cold and she didn't give Prince Aotian a chance to breathe. He clenched his long sword and stabbed at Prince Aotian's heart.

Mad!

Feeling the killing intent in Liu Ruxue's eyes, Prince Aotian scolded secretly, feeling a little flustered in his heart, he would definitely die here.

Realizing this, Prince Aotian was no longer in love at that time, and stabbed a few swords sharply. These swords almost exhausted their strength, and they were all unique swordsmanships in the Divine Realm, which were unpredictable.

Chi Chi... In an

instant, sword shadows condensed, the air was torn apart, and the power was terrifying.

Liu Ruxue didn't dare to take it hard, and dodged subconsciously.

And taking advantage of this opportunity, Prince Aotian turned around and ran, and in the blink of an eye, he rushed out of the hall.

"Don't run!"

Seeing this, Liu Ruxue shouted and quickly chased out.

Just after a few steps, Liu Ruxue suddenly thought of something, and stopped, looked back at Yue Feng and said coldly: "Yue Feng, our grievance is not over yet, when I solve him, I will come back to you to settle accounts. ."

Senior brother's hatred is important, but his chastity cannot be lost in vain.

The last word fell, Liu Ruxue's figure rose up, and quickly chased in the direction of Prince Aotian's escape.

Uh...

Watching Liu Ruxue's figure go away, Yue Feng couldn't help laughing.

This woman really holds grudges, even at this time, she has not forgotten to say harsh words.

Muttering in his heart, Yue Feng was too lazy to think too much. He sat there cross-legged and rested quietly.

...

On the other side, the mainland of Kyushu.

Before the Star Zhai Tower, the fierce battle between Gogne and the four Profound Handle generals continued.

This battle has been going on for a day and a night.

In the fierce battle, although the four Profound Handle God Generals formed a formation and trapped Gogne to death, they were unable to subdue him, and Gogne was also unable to break the formation.

The two sides were at a stalemate for a while.

However, the battle between Hailongdian and Wen Chou Chou and the others was drawing to a close.

At this time, it was early in the morning, and I saw that the surroundings of the Star Picking Building were completely stained with blood, and the bodies of the disciples of the Sea Dragon Palace were everywhere.

call!

At this moment, Wen Chou Chou threw away the long sword that was about to break, and let out a long sigh of relief.

The battle is finally over.

“Brother Wen.” Sun Dasheng

next to him was covered in blood, and he was exhausted. Looking at the fierce battle in midair, he couldn't help but ask, “Should we go up and help?”

Staring at Gogne's figure, he couldn't hide his resentment. This time, in the battle of Xingxinglou, I don't know how many disciples died in his hands. Fortunately, the gods and soldiers who were the last diligent in Tianjian arrived, otherwise the consequences would be disastrous.

Wen Chou Chou looked around at the situation in front of him, shook his head and said, “This supreme demon has unfathomable strength, and we can't help us much if we go up.”

Chapter 5444

“Besides, he has been trapped by the four great generals now, and he shouldn’t last long. Let’s withdraw first and go back to heal.”

Wen Chou Chou acted calmly and helped Qin Tianjian deal with Gone, which was too risky. More importantly, everyone and the people of the Sea Dragon Palace fought for a day and a night, and everyone was exhausted. Continuing to fight would only increase the damage.

Um!

Seeing Wen Chou Chou saying this, Sun Dasheng no longer insisted and nodded.

A few minutes later, the Hall of Longevity, Huaguo Mountain, and the followers of the Xia Yinzong quickly withdrew from the Star Picking Building.

For a time, in addition to the corpses scattered all around the Star Zhai Tower, there were only the Heavenly Soldiers and Heavenly Generals who were diligent in Tianjian, and Gone who was trapped by the formation.

“Goni!”

At this moment, the boss Lei Xingyu saw the situation below, and couldn’t help shouting at Gone: “I advise you not to struggle any more, all the little scoundrels under your command are dead. “

It’s pointless to continue resisting, just give up.” Phew

... Hearing this, Gone sighed secretly, his face also extremely solemn. He had seen the following situation for a long time, and because of his identity, he had never shown it on his face, but at this time, he was also a little anxious. But soon, Gogne calmed down. If this stalemate continues like this, it is better to pretend to be caught by them. When the time comes, I will find an opportunity to defeat the four Profound Handle Gods one by one and fuse their divine powers. As long as he fuses the divine power of these four profound master generals, his strength can return to its peak state.

Speaking of which, when the Four Great Profound Handle God Generals first appeared in the Xingxing Tower, Gone had the idea of integrating their divine powers in his heart, but he was always on guard against the appearance of the Haotian God Sovereign, so he always had concerns.

After the death of the Nine Heavens God, the only person Gone was afraid of was the Haotian Divine Sovereign.

You must know that the status of Haotian Divine Sovereign is second only to the God of Nine Heavens. Under one person and above ten thousand people, his strength is also

unfathomable. With Gone's strength at this time, if he really wants to meet Haotian Divine Sovereign, it must be a lot of misfortune.

However, after the day and night passed, the Haotian Divine Sovereign never appeared, which made Gone realize that the Haotian Divine Sovereign was not in the Kyushu Continent.

In Gone's heart, if the four Profound Handle God Generals do not have Haotian Divine Sovereign in charge, their biggest reliance is this formation. As long as they are separated, they will be easily defeated one by one.

Of course, in order to implement this method, they must be caught.

At this point, Gone made up his mind, and sneered at the boss Lei Xingyu: "Give up? Do you have the qualifications to talk to me like this?"

Om!

When the voice fell, Gone's figure flashed and came straight to Lei Xingyu.

Lei Xingyu did not panic at all, he greeted the other three brothers, cooperated with each other, and fought fiercely with Gone again.

A few rounds later, Gognie deliberately revealed a flaw and was slapped in the back by Lei Xingyu.

boom!

Hearing a dull sound, while Gone was being shaken back, the four brothers threw out the trapped magic chains and entangled Gone.

The Sleeping Devil Chain is a special whip made by God Domain specially to deal with the devil race. It has a powerful divine power sealed inside, which can restrain the devil soul.

In an instant, the four trapped magic chains were wrapped around Gone's body, and they couldn't move at all.

Haha....

At this moment, the four brothers looked at each other and couldn't help laughing, with indescribable excitement on their faces. At the same time, he taunted Gone.

"Goni, didn't you escape from our palms in the end?"

"The Supreme Being of the Demon Race is nothing more than that."

“Haha...”

The four Lei Xingyu at this time were all extremely excited. .

The Supreme Being of the Demon Race was actually captured alive by his four brothers, and these are sure to flourish.

Listening to the mockery of the four brothers, Gone looked inconvenient, and said in a cold and arrogant tone: “You despicable people, you are just lucky, what is there to be proud of?”

As soon as he finished speaking, Lei Xingyu couldn't help but laugh: ” You can scold you as you please, in short, your dignified Demon Clan Supreme fell into the hands of our four brothers, and you have no face to be proud of.”

After speaking, Lei Xingyu did not talk nonsense, and together with the other three brothers, he led the surrounding gods and generals, and quickly Return to Qin Tianjian.

Chapter 5445

Wow....

Not long after the four Profound Handle God Generals left, they saw a dozen large ships docked on the seaside not far away.

Immediately afterwards, a slender and charming figure, with thousands of elites, quickly rushed to the square in front of the Star Picking Building.

It was Mo Yan.

In the cabin at that time, Mo Yan learned about the situation of Zhaixinglou from Yu Du's mouth, and she was very anxious. Then, because of Yu Du's blasphemy, she expelled Yu Du from the Sea Dragon Hall in a rage, and then turned all the ships around and came to pick them up. Star support.

This....

at this time in the square, when she saw the scene in front of her, Mo Yan's body trembled and she almost collapsed on the ground.

Too bad, after all, he was still one step behind.

She could clearly see that the corpses of the members of the Sea Dragon Palace were everywhere around the Star Picking Building. It could be said that the Sea Dragon Palace suffered heavy casualties in this battle.

Not only that, but there was no sign of Gone in the audience. Obviously, it was captured by Qin Tianjian.

If Zun Shang really falls into the hands of Divine Realm, the consequences cannot be imagined.

“Queen!”

Just when Mo Yan was anxious, a leader came over and said cautiously, “What should we do next?”

Mo Yan sighed lightly without hesitation: “Pass my order and let everyone be here. Rest in place, and then go with me to Qin Tianjian to rescue Zun Shang.”

“Yes...”

The leader responded when he heard the order.

Ten minutes later, after everyone rested for a while, under the leadership of Mo Yan, they hurried towards Qin Tianjian.

.....

On the other side, the four brothers Lei Xingyu led the Heavenly Soldiers and Heavenly Generals to escort Gone, and soon returned to Qintianjian.

After Gone was imprisoned, the four brothers ordered a table of wine and food in the hall, and then chatted excitedly about the battle while drinking.

“Big brother.”

At this time, the third youngest Lei Xingshou took a sip of wine and said with a big laugh: “This time we have captured Gone, and our four brothers are going to take off.”
The

voice fell, Lei Xinghai and Lei Xingtian, Nodding in agreement.

“Yeah, if His Majesty knew, he would definitely give us an appointment.”

“Haha... Guess, if those guys from Yutian Palace knew that we had captured Gone alive, what would their expressions look like?” The

three The brothers kept joking and laughing, but the boss Lei Xingyu had a calm expression.

“Don’t get carried away.”

After three rounds of drinking, Lei Xingyu said with a serious face: "Goni's identity is very unusual. Although we caught him, we can't take it lightly."

"In order to avoid too many nights and dreams, I decided to go back in person. Go to God's Domain and report the situation to Your Majesty. The three of you, stay in Qintianjian and watch him carefully."

Staying in Kyushu to take care of Qintianjian is the responsibility of the four brothers, so they cannot return to God's Domain together.

To be honest, Lei Xingyu also thought about taking Goni back to God's Domain by himself, but Goni's identity is special and his strength is unpredictable. If something happens on the way, the consequences will be unimaginable.

So after thinking about it, Lei Xingyu decided to return to God's Domain alone.

The words fell, and the three Lei Xingtian nodded in agreement.

"Okay, just listen to the boss."

"Just do it..."

Half an hour later, Lei Xingyu returned to God's Domain through the teleportation array.

"Report!"

As soon as Lei Xingyu left, a magic soldier walked into the hall quickly, and said to the three brothers who were still at the wine table: "I just got the news that a remnant of the Sea Dragon Palace is rushing towards our Qin Tianjian. come."

What?

Hearing this, the three of Lei Xingtian looked at each other and were stunned.

Goni has been arrested, those people from the Sea Dragon Palace, who dare to be so arrogant, come to Qin Tianjian to provoke them, do they think they have a long life?

The next second, Lei Xingtian reacted and drank the wine in his glass: "Go, go out and have a look."

Then he strode out of the hall.

Lei Xingshou and Lei Xinghai followed closely behind.

Um?

When they got outside, the three brothers frowned when they saw the scene in front of them.

I saw that thousands of members of the Sea Dragon Palace came in a mighty manner, each with an indomitable momentum, and a charming figure was suspended in the air in front of the team.

It was Mo Yan.

Seeing these thousands of members of the Sea Dragon Palace, the three brothers laughed disdainfully. You must know that although these members of the Sea Dragon Palace are not weak, they are completely vulnerable in front of the gods and gods of Diligent Tianjian.

The ultimate husband in Chinese chapter 5446-5450

Chapter 5446

Huh?

But the next second, when the three brothers' eyes fell on Mo Yan, they were all stunned.

They clearly sensed that the woman in front of them had a strong aura all over her body. Speaking of which, the four brothers Lei Xingtian had seen Mo Yan in the battle between gods and demons, but they only glanced at them from a distance. Haven't played against each other.

Moreover, after Mo Yan had a child, she lost the frosty arrogance she used to be, and instead looked a little more feminine and sexy. Under such circumstances, the three Lei Xingtian brothers would naturally not recognize them.

Soon, Mo Yan brought the members of the Hailong Palace to the front.

At this moment, Mo Yan's beautiful face did not fluctuate at all, and coldly said to the three brothers: "Hurry up and hand over your honor."

His face was cold, but his heart was very anxious.

You must know that Goni's identity is no trivial matter. Once he is brought back to the realm of the gods, it will definitely be the end of his soul and soul.

At this time, Mo Yan secretly prayed, praying that Goni had not been sent to the realm of the gods.

Haha...

Mo Yan's tone didn't put the three brothers under pressure. After looking at each other, they couldn't help laughing.

In the next second, Lei Xingtian couldn't help but taunted: "Dangtang Mozu Supreme, it's getting worse and worse. I don't say that I was caught, and now I have to rely on a woman to save..."

Lei Xingtian said, She looked at Mo Yan with a half-smile, and her tone was full of contempt: "Seeing as you are a woman, we will not embarrass you, and let your people be obediently captured. As for Gone's fate, you don't need to know.

" In Lei Xingtian's heart, he thought that this woman was just a female subordinate of Gone in the Kyushu Continent. Didn't pay attention at all.

At the same time, Lei Xingshou and Lei Xinghai next to him also looked arrogant.

This chapter is provided by . Visit for daily update.

Huh...

Feeling the contempt of the three brothers, Mo Yan's beautiful face instantly turned cold, then her red lips lightly opened, and she asked again, "I'll ask you again, how do you feel about your honor?"

" Woman." Lei

Xingtian frowned, "Did you not understand the words? I said just now, you have no right to know, and you don't need to know what happened to Gone." Going against the sky, how dare you make a fuss today? Hurry up and surrender with your people."

"What nonsense?"

Lei Xingshou said coldly, "Gone's subordinates are all dead. "

Speaking, Lei Xingshou ordered the surrounding soldiers: "Destroy all these daring people, not a single one."

Buzz....

The last word fell, and hundreds of people around The divine soldiers burst into divine power one after another, and without a word of nonsense, they rushed directly into the crowd in the Sea Dragon Hall.

"Ah..."

These divine soldiers took action very quickly, and almost all the members of the Sea Dragon Temple present were too late to react. In just a few seconds, many people screamed and fell in a pool of blood.

Huh...

Seeing this scene, Mo Yan's beautiful face instantly darkened, and her delicate body trembled faintly.

On the way here before, Mo Yan knew that this time, when she entered the Diligent Tianjian, a fierce battle was inevitable.

Looking at the surrounding subordinates, one by one dying, Mo Yan bit her lip tightly, her anger rising.

swipe....

At this moment, several divine soldiers rose into the air and burst straight towards Mo Yan.

“Counterattack, everyone will fightback.”

At this moment, Mo Yan snorted, and then mobilized the power of the devil's soul to meet the several divine soldiers.

“Kill!”

Upon hearing the order, the members of the Sea Dragon Palace responded one after another, pulled out their weapons, and fought fiercely with the surrounding divine soldiers. If it were other sects, the Sea Dragon Palace could still fight. However, at this time, they faced each other. That's right, the gods and soldiers from God's Domain. The strength of the two sides is completely different.

It can be said that this is a complete one-sided massacre. In just one minute, thousands of Hailong Palace elites fell over a thousand people.

Seeing this scene, Mo Yan's heart was bleeding.

The Sea Dragon Palace can have the scale it is today, but Mo Yan has spent a lot of hard work. At this time, seeing her subordinates die one by one, how can she bear it?

Chapter 5447

Whoosh....

In the blink of an eye, Mo Yan came to the front of several divine soldiers, her delicate and beautiful face was full of resentment: "You all die for me."

The moment the words fell, Mo Yan raised her hand and waved, a red glow burst out.

Boom..

the next second, the red light exploded in the middle of several divine soldiers, a terrifying aura swept out, and directly sent these divine soldiers flying out, flying more than 100 meters away, several divine soldiers. The soldiers, without exception, passed out on the spot.

Even one of the divine weapons, the primordial spirit, was directly shattered by Zhan, which was very miserable.

What?

Seeing this scene, the three Lei Xingtian brothers, who were watching the battle with ease, were all shocked, their eyes fixed on Mo Yan, and they were furious.

Is this woman so strong?

He was able to shatter the primordial spirit of the divine weapon with one move...

"Wait..."

At this moment, Lei Xinghai carefully observed Mo Yan's appearance, suddenly thought of something, and shouted: "Second brother, third brother, let's be careless, this woman is not a human woman, she... she is one of the ten demon kings of the demon race." The

person who shouted these was an idiot, and Lei Xinghai's eyes were full of shock.

I thought that this woman was Gone's newly recruited subordinate in the Kyushu Continent, but the moment Moyan made her move, she sensed the power of the demon soul in her body, and only then did she realize that the other party was Moyan, one of the top ten gods and demon kings.

As soon as the words fell, Lei Xingtian and Lei Xingshou looked at Mo Yan closely with a sudden look.

"It's really... No wonder you have such a strong demon soul."

"Mad, I just missed the mark."

Under the shock, the three brothers couldn't express the excitement and excitement in their hearts.

It seems that these two days have been very lucky. The Demon Supreme was only caught half a day ago, and now, Mo Yan, one of the Demon Kings, took the initiative to send it to the door.

This is the credit delivered to the door.

“Haha...”

Excited, Lei Xingtian was the first to react, laughing at Mo Yan, “I thought she was a human woman, but I didn't expect that it was one of the ten famous holy demon kings who came here. , you want to save Gone is a fool's dream, or just be obedient and capture it.”

Om... When the

voice fell, Lei Xingtian's divine power exploded, and the figure rose into the sky, heading straight for Mo Yan.

Lei Xingshou and Lei Xinghai followed closely behind.

Whoosh whoosh...

Almost in the blink of an eye, the three brothers surrounded Moyan in the middle.

Facing the situation, Mo Yan was not at all uncomfortable, her delicate face was extremely cold, and she spit out a few words: “It is uncertain who will win today and who will lose.” The

last word fell, and the power of the demon soul in Moyan's body exploded. A terrifying force swept the audience, and then they went up to them and fought fiercely with the three brothers in mid-air.

Bang Bang Bang...

I saw the silhouettes of Mo Yan and the three brothers, constantly shuttled back and forth in the air. The terrifying power that erupted from both sides caused the sky to be surging and thunderous, like the end of the world.

At the same time, the battle on the ground was also extremely tragic.

I saw that under the crushing power of many divine soldiers and generals, people in the Sea Dragon Palace kept falling down, but even so, no one flinched.

Most of the people in the Sea Dragon Palace were once pirates wandering overseas, and it was Moyan who brought them together. It was precisely because Moyan established the Sea Dragon Palace that they could return to the long-lost continent.

It can be said that without Moyan, they would not be where they are today. At this time, Moyan wants to rescue Gone, how could they back down?

Dangdangdang ...

For a time, the sound of weapons colliding, screaming and screaming, constantly echoed in the sky above Qin Tianjian.

The movement attracted a lot of people nearby, as well as people from the rivers and lakes passing by, standing in the distance to watch, seeing such a tragic fierce battle, those people and people in the rivers and lakes were shocked.

Especially those people in the rivers and lakes, their eyes are fixed on Mo Yan in the air, and at the same time they are shocked, they can't help but feel a little regretful in their hearts.

This Hailong Palace is really crazy, it dares to come to Qintianjian to make trouble.

It would be a pity for such a beautiful woman to die.

...

Qin Tianjian, dungeon.

Gone was sitting there quietly, closing his eyes to contemplate.

After being caught by the four Lei Xingyu brothers before, Gone was temporarily imprisoned in this dungeon.

I saw that there were magical soldiers everywhere outside the dungeon, with five steps at a post and ten steps at a post, which can be said to be heavily guarded.

Chapter 5448

At this moment, waves of fighting came from time to time.

Swish!

Hearing this movement, Gone, who was originally meditating with his eyes closed, suddenly opened his eyes and couldn't help but muttered in his heart.

Someone came to Qintianjian to make trouble? This is interesting.

I was thinking in my heart that the magic soldiers guarding the dungeon outside were talking in a low voice one by one.

“There’s a fight outside, do we want to go out and have a look?”

“Our duty is to watch this devil, what are we going to do? Besides, it’s just a bunch of pirates who came to die. We don’t need reinforcements at all.”

“Pirates “

Yeah, as far as I know, the leader is one of the Ten Great Holy Demon Kings...” The

voices of discussion kept coming, Gogone heard it clearly, and was stunned for a moment, feeling a little inexplicable in his heart.

It turned out that Mo Yan brought the people from the Hailong Palace.

This Mo Yan, I asked her to think about it on the boat, but she actually acted without authorization.

For a while, Gogone was very unhappy in his heart, and then he thought about it, maybe it was a good thing that Mo Yan brought the people from the Sea Dragon Palace to make a big noise.

Exactly, let her attract the attention of the four Profound Handle God Generals.

Thinking to himself, a smile appeared on Gogone’s face. Speaking of which, he was deliberately caught by the four Lei Xingyu brothers before, and the ultimate goal was to integrate their divine power.

It’s just that the formation formed by the four Lei Xingyu brothers is too strong, and with Gogone’s strength at this time, it is impossible to break it, and now Mo Yan is leading people to make a scene in Qiantianjian, which may be a good opportunity.

With Mo Yan attracting the attention of the four brothers, he could find an opportunity to raid and destroy them one by one.

After making up his mind, Gogone closed his eyes again and silently restored the power of his demon soul. After all, after fighting fiercely with the four brothers Lei Xingyu before, the power of the demon soul in the body was consumed too much.

...

the other side.

On the northwestern border of the Yellow Sea Continent, there is a town called Qingmu. Although the town is small, it is very lively because it is the intersection of the Yellow Sea Continent and the Apocalypse Continent.

At this time, in a tavern in the town, a man in a state of despair was sitting there drinking suffocating wine.

It's the aftermath.

A day ago, after Yu Du was chased away by Mo Yan, he wandered around as if he had lost his soul, and came to Qingmu Town half an hour ago. When I saw a pub, I wanted to drink wine to ease my worries.

Huh..

At this time, Yu Du poured a glass of wine into his stomach and couldn't help but smile bitterly. Is it really wrong to love someone?

In his heart, Moyan is not only a high-ranking woman, but also everything to him. At that time, he was on the boat, and he was in a moment of embarrassment. He made an intimate move towards Moyan. He knew that he was a bit abrupt and was ready to be punished. Unexpectedly, Mo Yan would eventually drive him away.

Alas...

thinking in my heart, Yu Du couldn't help but sighed and said to himself: "Queen, you know, without you, I would have nothing, even if I have the strength to walk the world, what's the point of living like this? What do you mean?"

With that, Yu Du poured another glass of wine, raised his head and drank it.

Wow...

At this moment, several men walked into the tavern, bit the food and drink at the shop assistant, and then sat next to Yu Po.

These men, carrying knives and swords one by one, looked like everyone in the rivers and lakes.

As soon as they sat down, several men began to discuss with rapturous expressions.

"Let me tell you, an hour ago, I passed by Qintianjian, and I saw people in Hailong Palace making trouble there..."

"What? Hailong Palace went to Qintianjian to make trouble? Is it the pirates who do all kinds of evil?"

“Except Who else would they be? Speaking of which, if the Sea Dragon Palace was destroyed by Qin Tianjian, it would be very pleasing, but it’s a pity for that woman.”

Several men were talking loudly, and Yu Du could hear it clearly, knowing that it was The matter of the Sea Dragon Palace, I was half awake at the time, when I heard them mention Mo Yan, my heart was even more shocked, and then I listened carefully.

At this time, the men were still chatting excitedly.

“Woman? What kind of woman?”

“You don’t know? It’s the self-proclaimed queen of the Sea Dragon Palace. I have long heard that the queen of the Sea Dragon Palace is beautiful, but unfortunately I didn’t have the chance to meet her, but just now she was with a few gods. When the battle was about to take place, I was fortunate enough to have a glimpse of the true face, oh, it’s really like a fairy descending to earth...”

“Really, if this is the case, it would be a pity to die.

” had a glass of wine.

Chapter 5449

Swish!

At this moment, when Yu Du heard this, he couldn’t help it. He stood up suddenly, turned to grab the man’s arm, and asked eagerly, “I ask you, how was the situation at the time?

” Heartbroken.

Although he was kicked out of the Sea Dragon Palace, in his heart, he would always be Moyan’s subordinates. At this time, when he learned that Moyan was trapped in Qintianjian, why not worry?

Swish.

The drinking was interrupted, and several men were displeased and looked at Yu Du with all eyes.

Especially the man who was pressed by Yu Du’s shoulder was even more furious. He first took Yu Du’s hand away, and then cursed: “Nima, where is the drunken lunatic? Go away.”

In his eyes, in front of him The lingering poison of , is an alcoholic who does not have long eyes, and he doesn’t care at all.

The voice fell, and the other companions also yelled at Yu Du.

“Go away, don’t delay our drinking.”

“This person is stupid.”

“Hehe, I think I’m so excited when I hear a beautiful woman. And looking at his appearance, I don’t think he has tasted the taste of a woman. Haha...” The

mocking sound kept coming, and Yu Du didn’t bother to pay attention, but looked at the man in front of him tightly: “I ask you, how is the situation with the woman you just said?”

“Shut up. “

The man didn’t bother to pay attention to it, after scolding, he pulled out his long knife and slashed directly at Yu Du.

Hula..

Seeing that the knife was moved, the expressions of the other guests around changed greatly, and they ran out one after another, so as not to bring disaster to Chiyu.

Looking at the chopped long knife, Yu Du’s pupils shrank, and he didn’t dodge at all. Instead, he leaned forward, tilted his head to avoid the knife, and slapped the man with his right hand like lightning.

Speaking of which, Yu Du didn’t want to fight with these unknown people, but the other party was so arrogant, he couldn’t help it.

Bang...

This palm hit the man hard, and there was a dull sound, and the man also made a hoot, and was sent flying, and finally knocked down two tables before he fell to the ground, with the The knife also fell, and his face was pale and embarrassed.

This....

the man’s companion, originally wanted to take action, but seeing Yu Du’s strength at this time, everyone was too frightened to move.

Yu Du walked over quickly, stepped on the man’s body, and asked condescendingly: “I’ll ask you another side, when you passed the Qin Tianjian before, what was the situation at that time? What happened to the woman?”

“I. “

At this time, the man completely lost his arrogance, and said quickly, "I said, I said, when I was passing by, I saw three divine generals surrounding the woman."

"The woman can only parry . I don't have the power to fight back at all, I guess, I'm afraid it's just a matter of luck now."

When he said this, the man didn't dare to look directly at Yu Po.

I thought it was a bad alcoholic, but I never thought that the opponent was so strong.

What...

Knowing the situation, Yu Du's face changed greatly, and his heart was also anxious.

Looking at this situation, the situation the Queen is facing is very dangerous. No, she must go and help.

whoosh...

Thinking to himself, Yu Du took out the money and slapped it on the table, turned and rushed out of the tavern.

.....

On the other side, Qin Tianjian.

Bang bang bang...

In midair, the fierce battle between Mo Yan and Lei Xingtian continued.

It was seen that the three brothers cooperated tacitly and stood in three directions, trapping Mo Yan tightly. But even so, in the face of Mo Yan who burst out with all her strength, she always defeated her.

"Ah..."

At this time, along with the screams of the last member of the Sea Dragon Palace, the thousands of elites Mo Yan brought, all died in battle.

"Haha..." Seeing the situation below, Lei Xingtian couldn't hide his pride and excitement, and shouted at Mo Yan, "Stop struggling, all your men are dead."

"You are the only one left. I can't turn the situation around at all."

Hearing these words, Mo Yan's body was shocked, she glanced down, and her delicate face was filled with anger and sadness.

I saw that thousands of members of the Sea Dragon Palace were all lying in a pool of blood, and the ground was stained red with blood.

For a time, Mo Yan felt a little despair in her heart while she was sad and angry.

Could it be... this is the fate of the demons?

Zun Shang was caught, and as a subordinate, he could not rescue him, and even the people who brought him died.

Chapter 5450

After extreme despair, Mo Yan's eyes flashed with a trace of madness.

"Today, I will step down here." A

cold voice came from Mo Yan's mouth.

At the moment when the last word fell, Mo Yan slowly raised her hands, and a terrifying power of the devil's soul erupted, and she saw blood-colored lightning tearing through the sky.

"Blood Phoenix Art!" The

next second, Mo Yan shouted, and saw the blood-colored lightnings, quickly condensing a huge blood-colored phoenix.

The phoenix was blood-red, and there was a terrifying aura all over his body.

The blood phoenix art is a unique skill of Mo Yan, and it is never easy to perform.

Phew...

At this time, under Mo Yan's order, the blood-colored phoenix came straight to the three brothers Lei Xingtian, carrying the might of destroying the sky and destroying the earth.

Seeing this scene, the three Lei Xingtian brothers all changed their expressions, and immediately joined forces in front of them to deploy a protective film.

boom!

In the next second, the blood-colored phoenix slammed into the protective film, and heard an earth-shattering roar, the protective film shattered instantly, and at the same time, the three brothers were also sent flying.

After landing, the three Lei Xingtian brothers were all pale and shocked.

This woman deserves to be one of the top ten holy demon kings of the Demon Race. This blood phoenix trick is really too strong. Fortunately, her three brothers have the soul to protect the body. Otherwise, the spirit and soul would have been destroyed just now.

“Amazing.”

In shock, Lei Xingtian stared at Mo Yan and sneered: “It’s really amazing, but unfortunately, this move didn’t hit us hard. If you want to reverse the situation, it’s probably impossible.”

When the voice fell, Lei Xinghai couldn’t help shouting: “You Demon Race Supreme, we have all captured you alive, why are you struggling? Accept your fate.”

Swoosh swish...

After saying the last word, the three brothers exchanged Glancing at each other, they rose up into the air again and attacked Moyan.

Seeing the three brothers rushing in again, Mo Yan bit her lip tightly, her expression indifferent, and she didn’t flinch at all.

“Hugh is going to hurt my queen.”

However, at this moment, a roar came from the sky not far away, and then, a figure came quickly like a sharp sword.

With a nervous look on his face, who is it not Yu Po?

When he heard the news that Mo Yan was trapped in the Cyanwood Array, Yu Du rushed over immediately.

“Kill my brother, I want you to pay for your life.”

In a blink of an eye, Yu Du rushed to the front, looking at the scene in front of him, his eyes were instantly blood red.

He clearly saw that the ground was full of corpses of the members of the Sea Dragon Palace, the ground was stained red with blood, and Mo Yan, surrounded by the three brothers, was pitiful when her beautiful face was pale.

In Yu Du’s heart, the members of the Sea Dragon Palace are his life and death brothers. Not to mention Mo Yan’s status in his heart, for a while, the anger in his heart rose.

hum.

Under the anger, Yu Du's internal power exploded and charged directly towards the three of Lei Xingtian.

why did he come here?

Seeing Yu Du's appearance, Mo Yan's delicate face was extremely complicated. When he saw that he was going to join the battle, he immediately shouted: "Yu Du, I have nothing to do with you here, hurry up." The

tone was cold and there was no room for negotiation.

That's right, Mo Yan has been blaming Yu Du for being desecrated in the cabin before.

Swish.

Hearing this, Yu Du suddenly stopped, and looked at Mo Yan with complicated eyes: "Queen, are you still blaming me?"

Mo Yan was too lazy to talk nonsense, and said coldly: "I said it before, I don't want to see you in the future. , and you have been expelled from the Sea Dragon Palace, the Sea Dragon Palace has nothing to do with you at all."

Mo Yan's words, like an invisible sledgehammer, slammed on Yu Du, and staggered back a few steps at that time. , with a grim face.

The queen still refuses to forgive me...

Hehe...

Seeing this situation, Lei Xingtian sneered and ordered to the many soldiers below, "Kill this clown jumping on the beam." In his eyes, Yu Du was not a threat at all. , killing him is like crushing an ant.

Buzz...

Downstairs, dozens of divine soldiers focused on Yu Po and burst out one after another.

"If you want to kill me, come, come."

Looking at the divine soldier rushing up, Yu Du's face was hideous, he shouted like he was crazy, and then he attacked.
