Chapter 5471 The

voice fell, and everyone around Tianhaimen and Beihai Constellation also looked at Yue Feng expectantly.

They all knew in their hearts that if they could not be rescued today, the reputation of Tianhaimen and Beihai Xingsu would be completely ruined if the matter spread to the rivers and lakes.

save you?

Seeing Li Qinghai changed his attitude, Yue Feng couldn't help but chuckle: "Now you want me to save you? What did you say just now? Don't you think I colluded with Lihuomen?"

Uh... Hearing this ,

Li Qinghai and the people around him were extremely embarrassed and anxious.

In the next second, Li Qinghai flattered: "George Yue, I just said those words because I was obsessed with my mind. If you really don't care, we are really finished."

At this time, Li Qinghai admitted his mistake, but in his heart Incomparable resentment.

Ma De, after all, I am also the Great Elder of Tianhaimen. Now, in front of so many people, I apologize to you, but you are deliberately making things difficult. You wait for me, and when I find a chance in the future, it will definitely make you doomed.

"Yeah..."

As soon as the voice fell, Yang Ye, the head of Tianhaimen who had been silent, couldn't help but pleaded with Yue Feng: "George Yue, Elder Li was offended a lot just now, please sir. A lot."

When he said this, Yang Ye also felt a fire in his heart, but in this case, it was not easy to attack.

Seeing Yang Ye speak, Yue Feng scratched his head and pretended to think deeply.

Speaking of which, Yue Feng would not leave them alone, but Li Qinghai and the others just now were too much. Taking advantage of this opportunity, he naturally wanted to teach them a lesson.

"Yue Feng.."

At this moment, Liu Ruxue couldn't stand it anymore. She couldn't help pulling Yue Feng and whispered, "Don't bother with them, let them all go." To

be honest, Li Qinghai said it just now . She and Yue Feng secretly colluded, and Liu Ruxue was also very angry. But it's just a few words, sin is not enough to die, and more importantly, to deal with Prince Aotian next, we also need the help of Tianhaimen and Beihai Xingsu.

Yue Feng smiled and said to Liu Ruxue in a low voice: "Don't worry, I didn't save them, I just wanted to teach them a lesson."

"Ahem..."

After saying that, Yue Feng cleared his throat and made a With a reluctant look, he pointed at Li Qinghai and said, "Okay, since Elder Li knows his mistakes and can correct them, I won't bother with you. However, before I save you, I have a condition." The

tone was indifferent, but he didn't allow it . refute.

condition?

Seeing Yue Feng's smile but not a smile, Li Qinghai frowned, knowing that it wouldn't be a good thing, but he still asked, "What conditions?"

"It's very simple..."

Yue Feng showed a smile and said seriously: " After you leave the Heavenly Mysterious Realm safely, you need to issue a statement on the rivers and lakes and publicly apologize to the Chunyang Palace. Before all of you, all the sects, went to the Chunyang Palace to make troubles

. In addition, I also want you to swear that you will not be allowed to pay attention to Dongfang Yunqing and Tianjigong Qimen exercises in the future."

"If you can do it, I will let you go immediately, but if you can't do it, then I'm sorry. Your life and death have nothing to do with me, and what happens after that depends on your fate." The

last word fell, Yue Feng leaned against the door of the main hall, looking indifferent.

What?

Li Qinghai and Yang Ye were all shocked, their eyes fixed on Yue Feng, and their hearts were extremely frightened.

This Yue Feng is really too much.

Previously in the underground town of Tianji Palace, Yue Feng took away Dongfang Yunqing, the only descendant of Tianji Palace, and also took away the soul of Tianji, which made all the sects present at the time all busy. It is reasonable for Qi Shang Chunyang Palace to ask for an explanation.

But now, he actually wants Tianhaimen and Beihai Xingsu to publicly apologize on the rivers and lakes? You must know that the three major sects have always been on an equal footing. If you apologize, wouldn't Tianhaimen and Beihai Xingsu be lower than Chunyang Palace? How can I stand on the rivers and lakes in the future?

Huh ...

For a moment, Yang Ye and Li Qinghai looked at each other, and they couldn't tell how annoyed each other was.

Chapter 5472

This Yue Feng is really hateful, how can this save people? It was clearly taking the opportunity to coerce.

Alas...

Seeing their reaction, Yue Feng sighed softly: "It seems that you can't meet the two conditions I put forward. Well, you can ask for more blessings." After

speaking, he pretended to say hello. Liu Ruxue left.

"Wait..."

At this moment, Yang Ye took a deep breath and hurriedly shouted: "George Yue, we agree to the two conditions." At the same time as he spoke, his hands clenched his fists secretly.

To be honest, as the head of Tianhaimen, agreeing to Yue Feng's condition is completely self-destructing.

But there is no way, everyone is trapped here, like meat on a chopping board, and the only chance to escape is in front of them.

As soon as he finished speaking, Li Qinghai's face was full of urgency, and he couldn't help but say, "Sect Master... a public apology..."

Yang Ye coldly scolded him before he finished speaking, "Shut up, I have already decided, just follow the instructions. Pavilion Master Yue said to do it, and what happened before was really unreasonable for us to make trouble."

As he spoke, he secretly winked at Li Qinghai, motioning for him to calm down.

Li Qinghai is a smart person, and he immediately knew that this was just an expedient measure.

Realizing this, Li Qinghai immediately changed his face and said humbly to Yue Feng: "The head is right, it was indeed our fault before. We will publicly apologize, and will not disturb that Dongfang again in the future. girl."

Hmm!

Seeing them say this, Yue Feng nodded: "Well, if you are sincere, then I will let you go."

Having said that, he greeted Liu Ruxue and walked over together to loosen everyone's bonds.

To be honest, Yue Feng is not stupid. It can be seen that Yang Ye is only perfunctory on the surface, but he is still very unconvinced in his heart, but he really refuses to let them go. He and Liu Ruxue alone cannot deal with Prince Aotian at all.

Phew...

Soon, everyone was free, and everyone breathed a sigh of relief.

In the next second, Yang Ye walked over quickly and thankfully said to Yue Feng, "Thank you, Pavilion Master Yue, for your help. Don't worry, we will fulfill our promise when we leave here safely.

" In his heart, he scolded Yue Feng thousands of times.

Yue Feng smiled, waved his hand and said, "Master Yang is very polite."

Yang Ye glanced outside and asked, "Dare to ask Pavilion Master Yue, how is the situation outside?" Ren Pingsheng's strength, he knew very well.

At this time, everyone was injured. If they met Lihuomen directly, there was no chance of winning. Therefore, it is necessary to inquire about the situation clearly.

Phew...

Facing the question, Yue Feng secretly exhaled, and then looked at Liu Ruxue next to him.

Immediately, Yue Feng said truthfully: "That fake Ren has already been injured, you wait to go out and rush out of the secret realm as soon as possible. Although there are many elite disciples of Lihuomen outside, as long as you are fast, They shouldn't be able to stop you."

Hearing these words, Yang Ye, Li Qinghai and the others were all secretly relieved.

If so, you don't have to worry.

Knowing the general situation, Yang Ye did not hesitate at all, and said to Yue Feng: "In this case, Pavilion Master Yue, let's go with us, so that we can take care of it."

At this time, Yang Ye had a sincere look on his face, but in fact he had other concerns in his heart.

After all, Yang Ye was dubious about what Yue Feng said just now, so he pulled Yue Feng together. Only in this way, Yue Feng would not dare to play tricks.

"Right, right..."

Li Qinghai knew Yang Ye's thoughts well, and said to Yue Feng at this time: "Yue pavilion master still go with us, in case of encountering someone from Lihuomen, everyone can work together. Defeat the enemy."

Yue Feng naturally wouldn't go with them, he immediately shook his head and said, "No need, I have other things to do." The voice was not loud, but there was no doubt about it.

Other things?

Hearing this, Yang Ye and Li Qinghai looked at each other secretly, and both became suspicious.

This Yue Feng really had a problem. He had such a good opportunity to leave, but he didn't leave.

But before they could continue to ask, Yue Feng urged: "It's not too late, you go first, I'm afraid there will be variables if it's too late."

Chapter 5473

"Oh, good."

Hearing the urging, Yang Ye calmed down, nodded, and greeted everyone to leave the hall quickly.

However, when he walked out of the hall, Yang Ye's calm face suddenly became extremely cold. Mad, Yue Feng, this kid, treats our two major sects as fools, you wait for me.

After walking more than 100 meters, Yang Ye slowed down.

"Sect Master!"

At this moment, Li Qinghai couldn't help but say, "Should we just go like this? If Yue Feng doesn't go with us, there must be a problem." The

voice fell, and Yang Ye said angrily: "Of course I know there is something wrong with him, but the situation at the time is really hard to turn his face. Yue Feng has no strength, but Liu Ruxue's inner strength is unfathomable."

Yes, Yang Ye had been holding back before turning his face, just Because there is Liu Ruxue.

Li Qinghai pondered for a while, frowned and said, "Then what should we do?" Phew

...

Yang Ye took a deep breath, looked around, and said slowly: "In this way, I will leave with someone first, you stay here for the time being and follow quietly. Yue Feng and Liu Ruxue, let's see what secrets they have."

"Remember, if you can't play, don't do it."

Seriously, Yang Ye didn't want to leave like this, but everyone around was injured. He hasn't recovered yet, and he can't fight at all. The only way is to leave Li Qinghai to inquire about the situation.

"Okay."

Li Qinghai nodded without hesitation, "Don't worry, Sect Leader, I will act carefully." After speaking, he turned around and walked quietly towards the main hall.

Arriving near the main hall, seeing Yue Feng and Liu Ruxue still at the door, Li Qinghai didn't have time to think, and quickly found a tree and hid.

....

At this time, the door of the main hall.

"Yue Feng!"

Seeing Yang Ye and everyone walking away, Liu Ruxue bit her lip lightly and said in a puzzled way, "Why don't we leave with them? With them, if we meet that Aotian prince, we will We can deal with it together."

Hehe...

Yue Feng smiled slightly, and said slowly: "Tianhaimen and Beihai Xingsu, everyone has their own ghosts, do you really think that they will help us deal with Prince Aotian? Really? At that time, I was afraid that they would leave us immediately and run for their lives alone."

Hearing this, Liu Ruxue Xiumei frowned: "Since you know that they are all hypocrites, you saved them just now."

"Hehe... ."

At this moment, Yue Feng showed a mysterious smile: "I am not a saint. I gave them freedom just now, but not to save them. You think, we escaped under the eyes of Prince Aotian just now, because of his personality. , there must be decent people looking for us everywhere."

"In this case, the two of us must have nowhere to hide, so we need to let the people from Tianhaimen and Beihai Xingsu attract their attention.

" At that time, Yue Feng had a confident attitude.

It turned out to be like this...

Hearing these words, Liu Ruxue suddenly woke up, looking at Yue Feng's eyes at this time, it was a little more complicated.

This Yue Feng is really too cunning, it is estimated that Yang Ye's gang still don't know, they have been used.

"Let's go!"

Just as Liu Ruxue was thinking about it, Yue Feng greeted him and walked towards the northwest.

Liu Ruxue was stunned for a moment, followed quickly, and couldn't help but ask, "Yue Feng, what are you doing?" He was injured, and he has no strength at all. Isn't he waiting to die by staying here?

Yue Feng smiled and sold out: "You will find out later."

Seeing him like this, Liu Ruxue didn't ask any more questions.

At this time, neither of them noticed that behind a tree dozens of meters behind them, a pair of eyes were secretly observing.

It is Li Qinghai.

call!

At this time, seeing Yue Feng and the two of them going to the side hall in the distance, Li Qinghai's eyes flickered, and the corner of his mouth even evoked a sneer.

This Yue Feng, who deliberately pushed us away just now, must have some hidden secrets. Fortunately, the head has foresight, let me stay here and observe in secret, otherwise, you will really be tricked.

Muttering in his heart, Li Qinghai first looked around to make sure there was no one else, so he quietly followed.

Chapter 5474 The

other side.

Prince Aotian sat cross-legged beside the rock and meditated quietly.

Hundreds of Lihuo Sect disciples around, quietly guarding, each with a terrified expression. Ten minutes ago, Prince Aotian broke the Five Elements Formation and rescued all the disciples trapped inside.

Afterwards, Prince Aotian sent someone to chase Yue Feng and Liu Ruxue, and then he practiced and healed himself.

Phew...

At this moment, Prince Aotian slowly opened his eyes and let out a breath of turbid air. The injury in his body was relieved a lot, but his face was still extremely cold.

At this moment, the disciples who were sent to pursue Yue Feng and Liu Ruxue quickly returned.

"Where's the people?"

Seeing these disciples come back, and they all looked apprehensive, Prince Aotian immediately guessed the result, but he couldn't help but ask coldly.

"Master..."

Facing the question, the leading disciple was sweating profusely, and said with sincerity: "We have been looking for a long time, but we haven't seen Yue Feng and the two..."

"Trash..."

No When he finished speaking, Prince Aotian scolded, his eyes full of sullenness: "I can't do this well, what's the use of all of you?"

At this time, Prince Aotian, the more he thought about it, the more angry he became. .

They could have intercepted Yue Feng before, but these useless gangsters were greedy for life and fear of death, and missed the opportunity.

Pfft...

Feeling the anger of Prince Aotian, dozens of disciples all trembled and knelt down.

In the next second, the leading disciple begged for mercy very terrified: "Sect Master, spare your life, spare your life..." Since the Sect Master passed the Holy Fire Ming respect for his life, his character became extremely violent. The entire Lihuomen was filled with fear from the bottom of his heart.

Phew....

Prince Aotian's body was filled with suffocating energy, but he calmed down after a few seconds, took a deep breath and said coldly, "I'll forgive you this time, and next time, you will apologize with death."

Seriously , Prince Aotian wanted to kill these disciples to vent his anger, but after thinking about it, these disciples were still useful, so he put up with it for the time being.

"Thank you, Sect Master."

After hearing this, the dozens of disciples kneeling there all expressed their gratitude.

Prince Aotian was too lazy to pay attention to them, rubbed his forehead, and frowned in thought.

The mysterious realm is not too big this day, where did Yue Feng and Liu Ruxue go?

"It's not good!"

At this moment, I saw a disciple guarding the entrance to the secret realm, running quickly from a distance, with a nervous face: "Sect Master, it's not good, everyone from Chunyang Palace escaped. Well , we tried hard to intercept it, but it didn't stop.."

What?

Knowing this situation, Prince Aotian was shocked, and at the same time he realized something, and his face was instantly ugly.

Too bad, Yue Feng and Liu Ruxue must have let go of the three major sects.

This pair of dogs and men, when they catch them, they will be smashed to ashes...

Crash...

Just at this moment, not far behind, there is a sound of footsteps.

Hearing the movement, Prince Aotian immediately turned his head and saw dozens of experts from all corners of the world approaching slowly, led by Yang Ye.

Coincidentally, everyone in Yang Ye planned to take a shortcut and leave the secret realm, but they ran into Prince Aotian and everyone from Lihuo Sect.

Swish!

Seeing Yang Ye and others, Prince Aotian's pupils shrank, and he said coldly, "Want to run? Can you run?" With

that, Prince Aotian waved his hand.

Wow...

In an instant, the surrounding Lihuo Sect disciples pulled out their long knives and surrounded Yang Ye and the others.

"Ah..."

Accompanied by a few screams, many of the disciples of Tianhaimen and Beihai Xingsu fell into a pool of blood before they could react.

Seeing this scene, Yang Ye and the other masters instantly had blood-red eyes and shouted, "Don't panic, fight back." When the words fell, Yang Ye's inner strength exploded and rushed towards Prince Aotian.

To be honest, Yang Ye knew how powerful he was when he fought against Prince Aotian before, but at this time he clearly felt that Prince Aotian was severely injured, and immediately shot without hesitation.

"Kill..."

Seeing that Yang Ye rushed up first, the remaining two masters of the sect also drew their long swords and rushed towards the crowd of Lihuo Sect disciples.

They all know in their hearts that the situation in front of them is impossible to retreat, and only by risking their lives can they find a way out.

Chapter 5475 Dangdangdang

...

In the blink of an eye, the sound of the collision of weapons on both sides, the roaring and killing sounds, constantly echoed in the secret realm.

.....

On the other side, Yue Feng took Liu Ruxue to a group of palaces in the northwest.

The location is remote and few people come here, so it looks very desolate.

When he arrived at the palace complex, Yue Feng first searched the first hall, took out a beautiful glazed tripod, and then collected several herbs on the grass outside the palace.

Seeing this scene, Liu Ruxue, who had been following behind her, finally couldn't bear it any longer: "Yue Feng, what are you doing?"

Yue Feng smiled and pointed at the Liuli Ding: "Alchemy."

Alchemy?

Hearing this, Liu Ruxue was stunned, frowning at Yue Feng, only to feel that the man in front of him became more and more unpredictable.

The next second, Liu Ruxue calmed down and said, "What are you doing with alchemy now?" Even if he is the Pill Pavilion Master of Chunyang Palace and has unique accomplishments in alchemy, he can't change the situation at this time.

Huh....

Yue Feng said while sorting the medicinal materials: "Of course it is to deal with Prince Aotian, as I said just now, the people from Tianhaimen and Beihai Xingsu can only temporarily attract Prince Aotian's attention. But don't expect them to help you avenge your senior brother."

“You have to know that Prince Aotian is the royal family of the Divine Realm. Even if you hurt him before, he can recover quickly. Once he recovers, all of you together will not be him. My opponent.”

“So, I need to restore my divine power as soon as possible.”

When he said this, Yue Feng looked extremely serious.

Yes, Yue Feng has done so much before, and the ultimate goal is to let Yang Ye and others hold off Prince Aotian and buy himself time for alchemy.

Speaking of which, it is very difficult for Yue Feng to recover his divine power, unless there is a Heaven Marrow Golden Pill, but in this mysterious realm, there is only one Celestial Marrow Golden Pill, and it has been eaten by Yue Feng before.

But this couldn't stop Yue Feng.

Half a year ago, when he was teaching Prince Aolin in the Divine Realm, Yue Feng had seen a kind of pill recipe in the library of the royal family, which recorded a kind of 'Nine Rotation Yuanyang Pill'.

This Jiuzhuan Yuanyang Pill, after taking it, can return to its peak state, but it only lasts for two hours, but for Yue Feng, it is enough to defeat Prince Aotian within two hours.

Refining the Ninth Rank Yuanyang Pill requires several kinds of rare spirit herbs. If these kinds of spirit herbs are found in other places, I am afraid that they will not be able to find them for a long time. However, in this mysterious realm, it is very easy to find these herbs. This was also one of the reasons why Yue Feng was reluctant to leave.

At this moment, Yue Feng told Liu Ruxue in detail about the Jiuzhuan Yuanyang Pill.

After he finished speaking, Yue Feng looked at the building complex in front of him and said seriously: “This place is remote, and Prince Aotian couldn't find it here in a short time, so I have enough time to make alchemy.”

“However, for the sake of Safety, I need you to guard me while I am refining alchemy.”
At the

end, Yue Feng looked at Liu Ruxue expectantly.

Huh...

Hearing this, Liu Ruxue was stunned. It turned out to be the case. After thinking about it, she nodded and said, “Okay, don't worry, I won't let anyone come in to disturb you.”

” Yue Feng took it away, which made Liu Ruxue very embarrassed, but in her heart, revenge for her senior brother was the most important thing. And to avenge his brother, he can only rely on Yue Feng.

In this case, as long as Yue Feng’s conditions are not too excessive, she will agree.

Um!

Seeing her promise, Yue Feng had no worries and immediately started alchemy.

Liu Ruxue, on the other hand, stayed by the side, alert to the surrounding situation.

At this time, neither of them noticed that a figure was quietly approaching outside the hall.

It is Li Qinghai.

Li Qinghai leaned on his waist and went outside the window sill of the main hall. He was stunned when he saw the scene inside through the gap in the window sill.

The two of Yue Feng were sneaking around on the way. It turned out to be alchemy here...

Realizing this, a sneer appeared on Li Qinghai’s face. If you find out, you will never get your wish.

The ultimate husband in Chinese chapter 5476-5480

Chapter 5476

Thinking to himself, Li Qinghai held his breath and quietly stood outside the window waiting for an opportunity.

He thought about it, and when Yue Feng had finished refining the medicine pill, he would attack and snatch the medicine pill.

.....

In the main hall.

Yue Feng stood in front of the Liuli Ding, controlling the fire in an orderly manner, paying full attention and being very serious.

This...

Seeing this scene, Liu Ruxue, who was standing by the side, had a delicate face full of doubts, and was also secretly muttering in her heart, is it too casual to make alchemy like this?

In Liu Ruxue's perception, alchemy requires a lot of attention, and requires a special alchemy furnace, and Yue Feng, who only uses a glazed cauldron, wants to refine a medicinal pill?

Is it too much fun?

Thinking to herself, Liu Ruxue couldn't help but ask, "Yue Feng, can you make it like this...?"

At this time, Liu Ruxue always felt that Yue Feng was playing at home.

"Don't believe me?"

Seeing her suspicious look, Yue Feng smiled, and then said seriously: "Speaking of which, when anyone first learns alchemy, they really rely on alchemy utensils, but you must know that after reaching a certain level, the utensils used for alchemy are not important, the important thing is the precise proportion of the materials and the control of the heat."

When he said this, Yue Feng's eyes were always on the heat, after a while, the Jiuzhuan Yuanyang Pill should also take shape. .

Huh...

This chapter is provided by . Visit for daily update.

Hearing this, Liu Ruxue nodded with a stunned expression.

It turns out that alchemy is all about these...

bang!

At this moment, a vibration suddenly came from the glazed tripod.

Liu Ruxue was startled, and quickly looked over, she saw Yue Feng was smiling, opened the glazed tripod, and took out a golden elixir from it.

It is the Jiuzhuan Yuanyang Pill.

For a time, Liu Ruxue looked at Yue Feng closely, her beautiful face couldn't hide the shock and complexity. He used this glazed cauldron to actually make a medicinal pill.

At the same time, Li Qinghai, who was hiding outside the hall, was also startled. Afterwards, seeing Yue Feng taking out the medicinal pill, Li Qinghai's eyes also became hot.

There is actually a golden elixir, which must be very rare and precious.

Muttering in his heart, Li Qinghai clenched his fists and was eager to try.

At this moment, in the hall.

“Yue Feng!”

Liu Ruxue reacted, unable to hide her joy, and said to Yue Feng: “The medicinal pill has been refined, you should take it quickly.” At this time, Liu Ruxue did not know why. He would be so happy when Yue Feng successfully practiced the medicinal herbs.

At the same time, Li Qinghai, who was hiding outside, couldn't hold back and was ready to rush in to make a surprise attack.

However, upon hearing Liu Ruxue's urging, Yue Feng smiled. Instead of taking the medicinal pill, he put it away temporarily and said, “No hurry, there is still time. I will take this opportunity to make one for you as well.

” Although you are a nine secluded profound yin body, you can integrate my divine power, but your physique is still too weak, I will help you refine a ‘Qiyuan Dan’, which will have the effect of rebirth after taking it.”

After saying this, Yue Feng began to material, put it in the glazed tripod.

Huh...

Seeing Yue Feng's serious face, Liu Ruxue wanted to refuse, but she didn't know what to say.

To be honest, this Yue Feng is good in all aspects, not only strong, but also a master of alchemy. It's just... Liu Ruxue finds it hard to calm down when he thinks of him taking away his innocence.

Still alchemy?

At this time, seeing the scene in the hall, Li Qinghai was about to make a surprise attack, but he finally held back.

He could hear the conversation between Liu Ruxue and Yue Feng just now. Especially when Yue Feng said that the next pill could make people reborn, Li Qinghai suddenly showed a cold smile.

It is rare to encounter Yue Feng alchemy, how could such a good opportunity be missed?

You practice it. At the end of the practice, all the medicinal herbs are mine.

Time passed by minute by minute.

boom!

After a while, I heard a vibration from the Liuli Ding, and the quenching pill was successfully refined.

At this time, Yue Feng was in a very happy mood. He took out the Primordial Quenching Pill with a smile and handed it to Liu Ruxue: "Hurry up, take it." Both the Jiuzhuan Yuanyang Pill and the Quenching Yuan Pill have been trained. After Liu Ruxue took it, she could quickly regain her strength, and at that time she could easily subdue Prince Aotian.

Chapter 5477

However, Liu Ruxue did not reach out to pick up the Quenching Yuan Dan.

"Yue Feng!" Liu Ruxue bit her lip tightly, and said without emotion: "Don't think that if you helped me refine a Yuan Quenching Pill, I will forget what happened before."

"I said Well, when I avenge my senior brother, I will find you to settle the account, so you should keep this quenching essence pill."

After finishing the last sentence, Liu Ruxue turned her face to the side, not arguing with Yue Feng. See.

Uh....

Hearing these words, Yue Feng's outstretched hand froze there, and he couldn't help but cry.

This woman is really vengeful.

It's all this time, and I haven't forgotten my innocence.

In his heart, Yue Feng still wanted to persuade him, but at this moment, a loud shout suddenly came from outside the hall.

"Yue Feng, go to hell."

With this loud shout, the window of the main hall shattered in an instant, and then, a figure rushed in with the momentum of thunder, and slapped Yue Feng with both palms. and Liu Ruxue.

It is Li Qinghai.

Li Qinghai was ready to take action when Yue Feng refined the 9th Rank Yuanyang Pill just now, but he held back when he saw that Yue Feng had to continue refining. Half a minute hesitant, decisive shot.

hum!

In the blink of an eye, Li Qinghai was behind the two of them, a terrifying aura erupted from his body, and his expression was extremely proud and arrogant.

Haha... The two peerless elixir are mine.

“Li Qinghai?”

When he suddenly saw Li Qinghai, Yue Feng was startled, and at the same time, he was extremely angry.

Mad, when did this man follow him?

At the same time, Liu Ruxue was also shocked and couldn't help shouting: “Li Qinghai, what are you going to do?”

“Hehe...”

Hearing the scolding, Li Qinghai's mouth twitched into a ruthless look, trying not to hide the fact that Lived excited and cold: “What am I going to do? The two of you sneakily hid here to refine medicine pills, but let us from Tianhaimen and Beihai Xingsu attract the attention of Lihuomen.

” We are acting like fools, how can I spare you? Especially you, Yue Feng, the old man has long disliked you, and I will kill you today. Go to hell.” As the

last word fell, Li Qinghai speeded up and his palms surged. move.

“Get out of the way!”

Yue Feng has no strength and can't avoid it at all. At this critical moment, Liu Ruxue let out a tender cry, and then pushed Yue Feng away.

The next second, Liu Ruxue raised her jade hand and greeted Li Qinghai.

boom!

The two of them collided, and a roar was heard, and the collapsing breath swept out, directly overturning the table used for alchemy, and the two elixirs that had just been refined also rolled into the distance.

At the same time, Liu Ruxue's delicate body trembled, and she took a dozen steps back, her beautiful face instantly pale.

To be honest, if Li Qinghai and Liu Ruxue had fought together half an hour ago, they would be asking for trouble. However, Liu Ruxue's injuries were not healed at this time. At the same time, Li Qinghai also took a few steps back, his face was blue and white, and his eyes were incredible, looking at Liu Ruxue, his heart was extremely horrified.

This woman, with a wound on her body, can actually burst out such a powerful force. If he hadn't been injured before, wouldn't his strength be even more terrifying?

Thinking of this, Li Qinghai's eyes flashed with strong killing intent.

This woman is a serious trouble, and she must be eliminated today.

hum!

Thinking of this, Li Qinghai erupted again, and his eyes locked on Liu Ruxue: "I didn't expect that the saint of Lihuomen was so powerful. Today I want to ask for advice." The

voice fell, and Li Qinghai burst out like a cannonball. Generally, it comes towards Liu Ruxue.

Seeing him burst out again, Liu Ruxue's beautiful face did not show any fear, she tapped her toes on the ground to meet him, and fought fiercely with Li Qinghai in the hall.

Bang bang bang...

I saw that the two of you came and went, and the battle became more and more fierce, but Liu Ruxue's face became paler and paler, and it was obvious that she was about to lose it.

Mad!

Seeing this scene, Yue Feng was anxious and looked at the Jiuzhuan Yuanyang Pill rolling down not far away.

Chapter 5478

There is only one thing in Yue Feng's mind at this time, quickly take a few nine turns of Yuanyang Dan, and then get rid of the despicable villain Li Qinghai.

"Yue Feng, stop for me."

Seeing that he was about to get the Rank Nine Yuanyang Pill, at this moment, he heard a loud cry from Li Qinghai: "Otherwise, this old man will crush this woman's body immediately. Throat."

There was madness in his voice, unquestionable.

Yue Feng stopped subconsciously, turned his head to look, and suddenly screamed badly.

It was seen that the two had ended their fight. At this moment, Li Qinghai was clasping Liu Ruxue's hands with one hand, and the other hand was tightly clasping her neck.

Obviously, because Liu Ruxue received a counter-injury before, he has never defeated Li Qinghai in the end.

Yue Feng clearly saw that as long as Li Qinghai exerted a little force, Liu Ruxue would lose the fragrance.

Mad!

Soon, Yue Feng reacted and looked at Li Qinghai coldly: "Let her go."

"Haha..."

Feeling Yue Feng's nervousness, Li Qinghai smiled coldly, his eyes full of jokes: "Yue Feng, you care so much about this woman's life, and you said that you didn't collude before?"

"But don't worry, I won't kill him for the time being. Of course, the premise is that you are obedient."

Having said that, Li Qinghai looked down and fell to the ground. The two medicinal pills in his hand were unquestionable: "Pick up these two medicinal pills immediately and give them to me, and also kneel down and apologize to me for what happened before. If you refuse, don't blame me for being ruthless. It's over."

At this time, Li Qinghai, in addition to being proud, also had a bit of resentment in his eyes.

This Yue Feng, who had previously coerced the sect master, wanted to publicly apologize to Chunyang Palace on the rivers and lakes. This kind of humiliation must be returned with interest.

Huh ...

Hearing this, Yue Feng did not respond, but looked at Li Qinghai coldly.

This Li Qinghai is really a despicable villain. He just released him and the people from Tianhaimen half an hour ago. Not only is he not grateful, he also repays his virtue with resentment.

“Yue Feng!”

At this moment, Liu Ruxue, who was restrained by Li Qinghai, couldn't bear it any longer and shouted: “I don't need your help, you quickly take the medicine pill, and after regaining your strength, help me kill that one. Prince Aotian.”

When she shouted these words, Liu Ruxue's eyes were full of determination.

Seriously, she didn't want to die like this, but she didn't want to accept too much help from Yue Feng. After all, it was Yue Feng who took away her innocence. If Yue Feng saved her life again, how would she settle accounts in the future?

Feeling Liu Ruxue's complicated gaze, Yue Feng took a deep breath: “I won't let you die.”

With that, Yue Feng took a step forward, bent over to pick up two medicinal pills, and threw them at Li Qinghai.

Papa ...

Li Qinghai was quick-witted and quickly caught the two pills, but the other hand never let go from Liu Ruxue's neck.

“Haha...” After getting the medicine pill, Li Qinghai was indescribably proud and excited, and then looked at Yue Feng jokingly: “Very good, I got the medicine pill, now you should kneel down and apologize.

” ...

At this moment, Yue Feng secretly clenched his fists and said with anger, “Okay, I kneel...”

To be honest, Yue Feng didn't want to be so humiliated, but he had no choice. He took away Liu Ruxue's virginity. Now that her life is in danger, if she doesn't care, is she still a man?

"Yue Feng..."

Seeing that Yue Feng was about to kneel down, Liu Ruxue suddenly became excited and shouted: "I don't want you to save me, don't you understand? We have nothing to do with it, I won't accept it. Your favor, get out...get the pills out..."

Putong...

Liu Ruxue scolded, Yue Feng didn't seem to hear it, he bent his knees and knelt directly towards Li Qinghai down. Word by word: "Elder Li, what happened before is all my fault, it's my arrogance."

"But the grievances between us have nothing to do with Liu Ruxue, you can let her go."

When apologizing, Yue Feng did not have the slightest emotional fluctuation on his face, and his tone was extremely sincere.

Haha....

Seeing Yue Feng really kneeling down, Li Qinghai was stunned for a moment, and then laughed proudly: "Tsk tsk, Pavilion Master Yue is really able to bend and stretch."

"The woman from Huomen knelt down, and I'm even more curious about your relationship."

Chapter 5479

"Let me think about it, have you two already had an affair? Tsk tsk, but then again, this woman looks beautiful, and I can't hold it back, old man."

When he said this, Li Qinghai had a look on his face Yin Xie, at the same time, did not forget to reach out and hook Liu Ruxue's chin.

As the great elder of Tianhaimen, Li Qinghai is usually sane, but he is actually a lecherous person. At this time, in his heart, the situation in front of him has been firmly controlled by him, so why not take the opportunity to enjoy the tenderness of beauty?

Swish!

In the face of Li Qinghai's frivolity, Liu Ruxue was extremely humiliated, and said tenderly: "Shameless, let me go..."

At the same time, Yue Feng frowned and looked at Li Qinghai coldly: "Elder Li, what do you want? Going back on promises?"

In Yue Feng's heart, Li Qinghai was the great elder of Tianhaimen after all, and he would definitely do what he said, but at this time, noticing Li Qinghai's look at Liu Ruxue, Yue Feng realized that he was thinking too simplistically. .

Haha...

Facing Yue Feng's questioning, Li Qinghai laughed proudly.

In the next second, Li Qinghai quickly shot and sealed Liu Ruxue's acupuncture point, and then walked step by step, his voice was indescribably arrogant: "Yue Feng, don't you understand the truth of winning the king and defeating the bandit?"

"There are only the three of us in this place. I will kill you in front of you and enjoy the perfect person. Who would know?"

"For the sake of kneeling, I'll give you a good one later, haha..." The

last sentence fell, Li Qinghai accelerated, and in the blink of an eye, he was in front of Yue Feng.

Nima!

Yue Feng was very angry, and subconsciously slapped it, but he didn't have the slightest bit of divine power, this soft palm didn't have any strength at all, Li Qinghai easily avoided it.

Papa ...

At the same time as dodging, Li Qinghai shot like lightning, directly sealing the acupoints on Yue Feng's body.

In an instant, Yue Feng couldn't move.

"Ma De." Li Qinghai scolded and slapped Yue Feng's face with his hand: "Yue Feng, you are a toothless tiger now, and you still want to hit me? Hehe, open your eyes later and see how I play with this woman. Yes."

With that, Li Qinghai smiled evilly, turned and walked towards Liu Ruxue.

"Go away..."

At this moment, Liu Ruxue was ashamed and angry, and scolded coldly: "Go away, don't come near me..." While drinking tenderly, she tried to open the acupuncture point. However, several attempts were made in vain.

The more Liu Ruxue scolded, the more excited Li Qinghai became: "Beauty, don't rush to call, hehe, wait until we are happy together, and then call not too late..."

While speaking, Li Qinghai came to the front and lifted up Grabbing her long skirt, she pulled it suddenly.

Sigh... I

heard a crisp sound, and the skirt was pulled a lot, and suddenly a charming curve appeared.

Swish!

Seeing this scene, Yue Feng's eyes were instantly blood red, and he shouted angrily: "Li Qinghai, if you dare to touch her today, I will tell you to die without a place to be buried."

Yue Feng almost howled out the last word.

He knew that Li Qinghai was extremely insidious, but he did not expect that he would be so shameless.

Li Qinghai ignored Yue Feng at all, and continued to tear Liu Ruxue's long skirt.

"Wooooo..."

Just at this critical moment, a roar suddenly came from outside the hall. This roar, with a kind of magic power, made people hear a kind of panic from the bottom of their hearts.

what sound?

Hearing the roar, Li Qinghai was shocked, stopped immediately, and looked out of the hall vigilantly.

Liu Ruxue's body trembled as well, temporarily forgetting her shame and anger, and looked at the door of the hall subconsciously.

It's them...

Only Yue Feng was full of excitement and a smile appeared on his face. "Wooooo

...” Just when Li Qinghai and Liu Ruxue were inexplicably panicked, there was another burst of roars outside, and the next second, they saw golden figures rushing into the hall like lightning. Hiss... At this moment, seeing the faces of these golden figures, whether it was Li Qinghai or Liu Ruxue, both gasped, and their spirits became tense. I saw that these golden figures were ferocious and terrifying beasts.

Chapter 5480

There are hundreds of giant beasts rushing in, and each giant beast is almost two meters high and four or five meters long. His body is covered with golden hair, his amber eyes are breathtaking, and his breath is strong.

This...

Seeing these giant beasts, Li Qinghai only felt that his legs were weak. Why did so many giant beasts suddenly appear?

Moreover, these beasts have never been seen before.

Yes, these giant beasts that appeared are the Jialan beasts.

Jialan beasts, the unique spirit beasts in the realm of the gods, were encountered in a hall when Yue Feng first entered the mysterious realm of heaven. At that time, by virtue of his identity as the master of the heavenly emperor, these Jialan beasts were surrendered.

At this time, seeing Jialan beast appear again, Yue Feng's anxious mood suddenly relaxed a lot.

Haha...

These Jialan beasts came in time. With them, I'm not afraid that Li Qinghai will do something wrong.

“Ouch...”

At this moment, accompanied by a roar, another Jialan beast slowly entered the hall, and I saw this Jialan beast, almost twice the size of the surrounding ones. It was their leader, Jialan beast. Lan Beast King.

Gudong...

Seeing Jialan Beastmaster, Li Qinghai couldn't help swallowing, and his heart was completely filled with fear.

The next second, seeing Yue Feng laughing there, Li Qinghai was very annoyed and couldn't help but say, "Yue Feng, why are you laughing? Suddenly there are so many beasts, and we will all die later."

In Li Qinghai In my heart, I thought that Yue Feng couldn't stand the stimulation and had gone crazy.

idiot...

Yue Feng scolded secretly, too lazy to take care of Li Qinghai, and then used animal language, shouting at Najia Lan Beast King: "I haven't seen you for a long time, are you all okay?"

"Crazy, really crazy..."

Seeing Yue Feng shouted at these giant beasts, Li Qinghai couldn't help sneering, because he couldn't understand the animal language, Li Qinghai thought that Yue Feng was going crazy.

Thinking of this, Li Qinghai tried his best to calm down.

Yue Feng is crazy, he can attract the attention of these giant beasts, and then he can escape with Liu Ruxue.

This...

At the same time, Liu Ruxue's heart trembled, and she couldn't help shouting at Yue Feng: "Yue Feng, what are you doing? Don't provoke these giant beasts."

At this time, Liu Ruxue, also Think Yue Feng is crazy.

However, the next scene left them completely dumbfounded.

Swish!

Hearing Yue Feng's beast language, Jialan Beast King and the surrounding Jialan Beasts all looked over. In the next second, Jialan Beastmaster

bent his limbs, crawled on the ground at Yue Feng, and said, "It turned out to be the emperor's teacher, and I was rashly disturbed, so don't be surprised." The beasts also crawled on the ground, kneeling in front of Yue Feng. What? Seeing this scene, Li Qinghai and Liu Ruxue were stunned. This... these giant beasts actually knelt down to Yue Feng? What the hell is going on? Shocked, Li Qinghai only felt that his brain was not enough.

Liu Ruxue looked at Yue Feng even more complicatedly, her mind buzzing, she just felt that the man in front of her was like a vast ocean, unfathomable.

“Haha...”

Yue Feng didn't pay attention to the shock of the two. At this time, he showed a smile and smiled at Jialan Beastmaster: “I said it last time. Seeing that I don't need so much etiquette, get up.”

Listen . At this point, Jialan Beast King and the surrounding Jialan Beasts stood up one after another.

It was at this time that Jialan Beastmaster felt Yue Feng's weakness, and said in amazement: “Emperor, you...why is your divine power gone?” It is a spirit beast and can clearly sense that Yue Feng There is no divine power in the body, and the whole person is extremely weak.

And... also got acupuncture points.

call!

Yue Feng took a deep breath and said bitterly: “This matter is a long story, but you are here at the right time. Help me solve this man first, and I will tell you slowly.”

Hearing the anger, Jialan Beastmaster did not After a little nonsense, he immediately issued an order to his accomplices: “Have you heard what the emperor said? Tear up that man

.

” rushed towards Li Qinghai.
