

The ultimate husband in Chinese chapter 5481-5490

Chapter 5481

Swish!

Seeing this scene, Liu Ruxue's face turned pale with fright, and her delicate body kept trembling.

With so many giant beasts rushing over, I'm afraid that there will be no bones left, but I can't tell the resentment in my heart. Li Qinghai, a beast in human skin, deserves to be torn apart.

Pfft ...

Li Qinghai's legs were even weaker, feeling the breath of so many Jialan beasts, he didn't have the courage to resist at all, his legs were weak, and he knelt directly on the ground.

The next second, Li Qinghai shouted at Yue Feng: "Yue Feng, please... please stop these giant beasts, I was wrong... I won't dare..."

In a huge panic Below, Li Qinghai's voice trembled.

Although Yue Feng and these Jialan beasts communicated in animal language, Li Qinghai was not stupid. It could be seen that these giant beasts followed Yue Feng's orders and launched an attack on him.

In front of this life-and-death juncture, Li Qinghai didn't bother to think about the relationship between these giant beasts and Yue Feng, and immediately asked for forgiveness.

Hehe...

Hearing the begging for mercy, Yue Feng smiled coldly, his face full of indifference.

"Ouch, ooh..."

At this moment, many Jialan beasts had already rushed to Li Qinghai, opening their bloody mouths and biting frantically.

"Ah..."

Although Li Qinghai was powerful, he had no resistance at all in front of so many Jialan beasts.

This chapter is provided by . Visit for daily update.

A few seconds later, Li Qinghai's screams were drowned out by the roar of the Jialan beast, and his whole body was torn to pieces, and finally became the mouth of these Jialan beasts, leaving no bones.

Huh....

Seeing such a bloody scene, Liu Ruxue's delicate body kept trembling, a chill came from her back, and she almost fainted.

A big living person disappeared in the blink of an eye, and no one else could calm down.

"Your Majesty!"

At this moment, Jialan Beast King walked slowly to Yue Feng and said respectfully: "This scum is dead, what else do you want to tell me?"

Yue Feng smiled slightly: "Well done, I have been tapped, and I would like to trouble you to help me solve it." After speaking, he told Jialan Beastmaster how to solve the acupoint.

Jialan Beastmaster is a spirit beast after all. Hearing the order, he raised his claws to help Yue Feng unblock the acupoints.

call!

The moment the acupoints were opened, Yue Feng took a deep breath and moved his muscles.

The next second, seeing Liu Ruxue who was still immersed in fright, Yue Feng said to the Jialan Beastmaster, "Please wait outside for a while, my friend and I have something to say."

"As ordered. "

After receiving the order, the Jialan Beast King responded, and took the other Jialan Beasts, quickly exited the hall, and stood guard outside.

At this time, Yue Feng walked up to Liu Ruxue, helped her to unlock the acupoints, and then said with a smile: "Okay, don't be afraid, it's all right."

Huh...

Hearing Yue Feng's comfort, Liu Ruxue recovered from the shock: "Have those giant beasts gone?"

Her voice couldn't hide the fear, especially when she thought of the tragic death of Li Qinghai just now, her heart shuddered.

Yue Feng smiled and said softly: "I didn't leave, I'm guarding outside."

Liu Ruxue was stunned for a moment, and couldn't help but ask, "What are these giant beasts? Why did they kneel to you just now? Also, why did they obey your orders?"

At this time, Liu Ruxue was full of thoughts. All doubts.

After all, what happened just now is so incredible that if you hadn't seen it with your own eyes, you wouldn't believe it.

This...

Facing Liu Ruxue's doubts, Yue Feng scratched his head, and then slowly explained: "These giant beasts are called Jialan beasts, which are unique spirit beasts in the mysterious realm of heaven, and I... just happened to be I know a little animal language, so I can communicate with them."

"Don't think that they are just spirit beasts, but they are jealous of evil, so shameless villains like Li Qinghai, they will naturally not let them go."

When explaining this, Yue Feng looked serious, but complexities flickered in his eyes.

To be honest, the fact that he is an imperial teacher is too shocking, so after thinking about it, Yue Feng decided not to tell Liu Ruxue.

Beast language?

Hearing this explanation, Liu Ruxue looked at Yue Feng tightly and was shocked again.

This Yue Feng, who can refine alchemy, possesses divine power, and now can speak animal language, how many secrets does he have?

Chapter 5482

Thinking about it, Liu Ruxue looked at Li Qinghai's pool of blood left on the ground, and suddenly thought of something: "Aiya, medicinal pills..."

"The medicinal pills you worked so hard for just now are all gone. "

I saw that apart from a pool of blood on the ground, where is the shadow of the medicinal pill? Obviously, when the Jialan beasts bit Li Qinghai just now, they also ate the medicinal pills on him.

Oops..

Hearing this, Yue Feng also realized it later, and couldn't help but patted his forehead.

Just now, I only cared about venting my hatred and forgot to ask Li Qinghai to hand over the medicine pill before those Jialan beasts started, but it was too late to say anything now.

Seeing his expression, Liu Ruxue bit her lip lightly: "Yue Feng, can the medicinal pill still be refined?"

"I can't."

Yue Feng smiled bitterly and shook his head: "The glazed cauldron is broken, and it is refined. The materials needed for the medicine pill also need to be collected again, but we have no time."

As he spoke, Yue Feng couldn't help but glanced outside the hall.

More than an hour has passed since the release of Yang Ye and others. It is estimated that they have already encountered Prince Aotian, and the fierce battle is coming to an end...

Hearing Yue Feng's answer, Liu Ruxue suddenly became anxious: "Then what should I do? ?" Without the medicinal pill, Yue Feng would not be able to recover his divine power, and his state was also very weak. How could he be the opponent of Prince Aotian?

"Don't panic."

Seeing her anxious face, Yue Feng smiled and comforted: "Even if we don't regain our strength, we can still deal with Prince Aotian..."

Liu Ruxue is a smart woman, so she doesn't wait for him to finish. , then answered: "Are you going to use these giant beasts to deal with him?"

The corners of Yue Feng's mouth twitched, revealing a bit of confidence: "Prince Aotian probably never thought that at the last moment, there will be a group of Jialan beasts to help me." The

last word fell, Yue Feng strode out of the hall .

Liu Ruxue was stunned for a moment, and quickly followed.

...

On the other side, the battle next to the rocks continues.

The smell of blood filled the air.

“Ah..”

Shouting, screams kept coming, the ground was stained red with blood, and the battle became more and more intense.

Although Yang Ye and the others fought hard to resist, they were caught before, and their strength was not fully recovered. They were not opponents of Lihuomen at all.

At this time, I saw that many disciples from Tianhaimen and Beihai Xingsu fell into a pool of blood one by one, and the only ones who could continue to fight in the field were Yang Ye and some elders.

“Beyond one’s own strength...”

Seeing this scene, Prince Aotian had a grim face, pointed at Yang Ye and shouted: “All disciples obey the order and kill Yang Ye first.” As long as Yang Ye died, the remaining elders, It’s not enough to worry about.

Swish swish...

The voice fell, and dozens of Lihuo Sect elite disciples burst out one after another, rushing directly towards Yang Ye, the burst of breath tore the surrounding air, with amazing power.

Nima!

At this time, Yang Ye was covered in blood. The fight just now had consumed a lot of his internal energy, but when he saw dozens of enemies rushing towards him, he was not afraid at all, and roared: “If you want to kill me, come on...”

The voice fell, Yang Ye flew up, and the long sword in his hand drew a shock.

“Flying Rainbow Sword Art!”

The next second, the cold words came out of Yang Ye’s mouth, and then, a colorful dazzling light burst out from the long sword, swept towards the dozens of elite disciples of Lihuo Sect. go.

The Flying Rainbow Sword Art is a stunt of the Tianhaimen school. When it is displayed, it is like a flying rainbow. came out.

“Give me death.” Yang Ye roared.

“Ah...” The

voice fell, and the dazzling colorful rays of light directly enveloped the dozens of elite disciples. In an instant, a scream was heard, and dozens of disciples, without exception, all fell into a pool of blood. .

Hiss...

Seeing this scene, the other disciples of the Lihuo Sect couldn't help but gasp, looking at Yang Ye's eyes with deep fear.

After suffering such a serious injury, he can still burst out with such powerful strength. Is this the true strength of the head of Tianhaimen?

Chapter 5483

At the same time, Prince Aotian's expression was extremely ugly.

“Ma De, the dying person is still fighting the trapped beast?”

Said coldly, Prince Aotian soared into the sky and went straight to Yang Ye.

Om...

In an instant, Prince Aotian's power exploded, and the surrounding air was torn apart.

The next second, Prince Aotian quickly raised his hand, condensed a ball of flame, and smashed it towards Yang Ye.

In an instant, where the flames passed, the surrounding temperature suddenly rose.

“Sect Master...”

“Be careful...”

Seeing this situation, several Tianhaimen elders couldn't help but exclaim, and at the same time wanted to come over to help, but they were entangled by the Lihuomen disciples and couldn't get through. Come.

Feeling the power of this flame, Yang Ye was also taken aback. He didn't hesitate at that time, and quickly activated his inner strength to deploy a protective film in front of him.

boom!

That is, at this moment, the flame slammed into the protective film and made a roar. I saw Yang Ye spit out a mouthful of blood, and the whole person was shocked and flew out.

Haha...

At this time, Prince Aotian, his face was full of madness, looked at Yang Ye and said coldly: "But a bunch of ants dare to be presumptuous in front of me, today, I will call you three sects, completely in Disappeared in the rivers and lakes." The

voice fell, and Prince Aotian walked towards Yang Ye step by step.

Feeling the suffocating energy that permeated Prince Aotian's body, Yang Ye's face was full of panic, but he quickly thought of something, and quickly took out something from his body.

This is a black fist-sized bead, covered with runes, and contains powerful energy.

This bead, known as the 'Xuan Lei Bead', was found by a disciple of Tianhaimen while investigating the mysterious realm of the sky a few years ago. After it was handed over to Yang Ye, it was always carried by him.

At this critical juncture, Yang Ye immediately thought of this Xuan Lei Zhu.

"If you want me to die, I will bury you with me."

At this moment, Yang Ye howled like crazy, directly injected his inner strength into the Xuan Leizhu, and then smashed it at Prince Aotian.

boom!

Almost in the blink of an eye, Xuan Leizhu arrived in front of Prince Aotian's face. At that time, it exploded directly, and an earth-shattering roar erupted. At the moment of the explosion, the power of thunder and lightning was seen raging around.

"Ah..."

There were a lot of Lihuo Sect disciples around, and they didn't have time to dodge. They were instantly overwhelmed by those thunder and lightning, and they let out a miserable howl, and in the end not even the scum was left.

Prince Aotian was furious, but he didn't dare to resist the power of these mysterious thunderbolts, and immediately raised his hand to deploy a protective film in front of him, but even so, he was shocked back dozens of steps, and his face instantly paled.

Whoosh!

Taking advantage of the gap when Prince Aotian was shaken back, Yang Yeqiang endured the pain on his body, turned around and ran.

When everyone came back to their senses, Yang Ye had disappeared from sight.

Mad!

Seeing Yang Ye escape, Prince Aotian looked extremely ugly, pointed at the elders who were still desperately resisting, and shouted, "Take them all down."

"As ordered..."

Hearing the order, the surrounding Lihuomen disciples shouted and rushed forward. When Yang Ye was still there, the elders of Tianhaimen and Beihai Xingsu still had confidence in their hearts. At this time, Yang Ye left, and they all had great morale. fell, and were all captured alive in no time.

After controlling the situation in the audience, Prince Aotian took a deep breath and was ready to send someone to continue searching Yue Feng and Liu Ruxue.

Buzz...

But at this moment, there was a vibration of breath coming from the direction of the entrance. In an instant, Prince Aotian frowned, and at the same time, everyone around looked at him.

Seeing this, everyone was stunned.

I saw countless figures rushing towards here like a tide. After careful identification, it was found that it was the various sects on the rivers and lakes, the divine carving door, and the red-clothed sect all came.

And rushing to the front, are six charming figures, each wearing a black and red dress, holding a long sword, the facial features are exquisite and beautiful, but the whole body is filled with a powerful atmosphere.

It is the Six Swords Princess of the Red Clothes Sect.

Huh...

At this time, the masters of the major sects came to the front and stopped when they saw Prince Aotian and the disciples of Lihuo Sect present. Each one's eyes flickered with complexity.

Chapter 5484

A few days ago, the killing of Deng Shiqi by Prince Aotian shook the whole world. At that time, the major sects paid close attention to Lihuomen's every move, and later learned that Lihuomen had occupied the mysterious realm of the sky, and these sects were all sitting I can't stop, and they come at the same time, all wanting a piece of the pie.

You must know that there are many treasures hidden in the mysterious realm of the sky, who is not jealous?

"Everyone..."

At this time, Prince Aotian also calmed down, swept over the masters of the major sects coldly, and said coldly: "You are not invited, what do you mean?" The

voice was not loud, but it spread throughout the audience, giving people a suffocating sense of oppression.

"Hehe..."

As soon as he finished speaking, he heard a burst of laughter from the crowd, and then, a man in white with a folding fan in his hand walked out slowly, smiled at Prince Aotian and said, "Ren Zhang The door, really is the unparalleled power of the world, not only killed the head of Deng in Beihai Xingsu, but also forcibly occupied the mysterious realm of the sky."

"However, this secret realm is so big, I'm afraid you can't stand it alone with people like Lihuomen. Why don't you give us a point? What do you think?" At the

end, the man in white had a treacherous face.

This man in white is the deputy head of Shendiaomen, Ding Peng. This person is tactful and treacherous. If he were to face Prince Aotian alone, he would never be so arrogant, but at this moment, there are so many fellows in the rivers and lakes around him.

The last word fell, and other sect masters around also nodded in agreement.

"That's right.. This secret realm is so big that you can't eat it."

"The so-called seers have a share, so we can't let us go for nothing.

” After so many years, now it’s our turn.”

Everyone said your sentence and my sentence, and everyone was very excited, and they did not take Prince Aotian in their eyes at all, because they could see that the ‘Ren Pingsheng’ and the disciples of Lihuo Sect had been in front of them for two consecutive days. In the fierce battle, the strength of each one is almost exhausted.

Under such circumstances, he was naturally not afraid to turn his face with Lihuomen.

Huh...

Hearing everyone’s words, Prince Aotian’s face instantly turned extremely cold, as if he had seen a bunch of Xiaoliang clowns, sneering again and again: “Haha, it’s interesting, really interesting...” As

he said, Prince Aotian’s eyes fell on Ding Ding. On Peng, he said word by word: “You guys are really good at challenging times. I have been fighting fiercely for the past two days and paid a great price to win this secret realm, and you people , want to get something for nothing, take advantage for nothing?”

Speaking of which, Prince Aotian sneered and said in a very cold and arrogant tone: “Do you...have this qualification?”

Hulah...

The last sentence fell, and the surrounding Lihuo Sect disciples, one after another Pulling out the long sword, killing intent flashed in his eyes.

For a time, the whole scene was tense, and the air was filled with a strong smell of gunpowder.

“Tsk tsk...”

At this moment, Ding Peng chuckled, looked at Prince Aotian and said, “Look at this, Sect Master Ren is very confident in the strength of your Lihuo Sect, I really want to ask for advice. “

Om!

Saying that, Ding Peng took a few steps forward, and his inner strength exploded, and a very strong aura suddenly swept out. His eyes were full of provocation.

He could see that the ‘Ren Pingsheng’ in front of him consumed a lot of strength, while he was in his peak state. If they fought, this ‘Ren Pingsheng’ would definitely lose.

At this time, Ding Peng didn't know that the person in front of him was no longer Ren Pingsheng.

Seeing this scene, Prince Aotian narrowed his eyes slightly: "You want to fight me?" This person thought that my strength was severely depleted, so he wanted to take the opportunity to show off, hehe... He really is a typical villain.

"Naturally!" Ding Peng raised his chin with confidence.

In his heart, he believed that Prince Aotian would not dare to fight, after all, the situation in front of him caused his whole body to be affected.

However he was wrong.

"Okay!" Prince

Aotian responded lightly, then walked to the open space next to him and looked at Ding Peng with a half-smiling smile: "Since Your Excellency is so confident, how could I be so embarrassed to disappoint you?"

He waved at Ding Peng: "Please take action."

Chapter 5485

Seriously, suddenly so many sects came, Prince Aotian was calm on the surface, but also a little flustered in his heart.

If it really started a melee, I could still protect myself, but the surrounding Lihuo Sect disciples would be less fortunate. I didn't expect that Ding Peng in front of him would take the initiative to challenge.

For Prince Aotian, this is naturally beyond expectation.

Um?

Seeing Prince Aotian agreeing so happily, Ding Peng was stunned.

At the same time, the other sect masters behind him also whispered.

"Ren Pingsheng actually took on the challenge..."

"Hehe, this person has the best face, Ding Peng will challenge him in public, he will definitely not refuse, but, looking at his situation, he consumes a lot of internal strength, I am afraid that he will lose in the future. It 's miserable."

“He deserves to lose. We gave him face just now, but he insists on swallowing the mysterious realm.” During the

discussion, no one thought that Prince Aotian would win.

“Sect Master Ren is really a happy person.”

At this moment, Ding Peng reacted with a mocking expression that could not be concealed on his face: “If that’s the case, then I’m welcome.” The voice fell, and the inner strength of the whole body exploded, and so did the whole person. Soar up.

hum!

Under the explosion of internal force, the surrounding air suddenly distorted, and then Ding Peng pulled out his long sword and drew a dazzling light, which came straight to Prince Aotian’s heart.

I saw that the air was distorted wherever the long sword passed, and the power was amazing.

However, Prince Aotian was full of disdain. He sneered at that time, raised his right hand suddenly, and grabbed a long sword that was stuck on the ground not far away.

Under the injection of divine power, I saw that the long sword burst out with a dazzling golden light.

What?

At this moment, whether it was Ding Peng or the masters of the major sects present, they were all stunned for a moment, shocked beyond words.

This... this Ren Pingsheng looks so weak, yet he can still burst out with such a powerful aura.

“Accept!”

Just when Ding Peng was secretly shocked, Prince Aotian snorted coldly, and when he swung his long sword vigorously, he heard a scream, and a dazzling golden light burst out from the long sword and directly greeted him. Ding Peng.

Feeling the power contained in Jinmang, Ding Peng realized that he underestimated the enemy. At that time, he wanted to dodge, but it was too late.

boom!

In the next second, Jin Mang slammed into Ding Peng fiercely, and he heard a miserable howl. The whole person was sprayed with blood and flew out, flying more than 100 meters away, and finally landed on the rubble. among.

“Pfft...” After landing, Ding Peng spat out another mouthful of blood, and then his eyes darkened, and he passed out.

What?

Seeing this scene, the masters of the major sects present were all dumbfounded.

When did the strength of Ren Pingsheng become so terrifying? Before this, he had already fought against the three major sects, but at this time he could still defeat Ding Peng with one move.

Quiet...

For a while, the audience was deadly silent, everyone stared blankly at Prince Aotian, speechless in shock.

Looking at the expressions of the masters of the major sects, Prince Aotian smiled disdainfully, then cleared his throat and said loudly: “Everyone, whoever wants to come up for advice, I will accompany you at any time.”

As he spoke, his eyes swept across the masters.

Feeling the fierceness in Prince Aotian’s eyes, none of the masters from various sects dared to look at him, let alone challenge him. After all, Ding Peng was defeated by one move, who would dare to come up and ask for trouble?

A bunch of scumbags.

Seeing that no one responded, Prince Aotian raised a trace of disdain at the corner of his mouth, scolded secretly, and then said something.

“Ouch...”

However, at this moment, in the depths of the secret realm behind him, a roar suddenly came. Hearing this roar, everyone present trembled in their hearts and felt an inexplicable panic.

Are there beasts here?

For a time, under the doubts of everyone, they all looked in the direction from which the roar came.

Prince Aotian also frowned.

A few seconds later, I saw a huge figure walking slowly from a shadow not far away. It was a giant beast covered with golden hair, sharp teeth and claws, and its eyes shone with breathtaking light.

And on the back of this giant beast, a man and a woman were carried.

The ultimate husband in Chinese chapter 5486-5490

Chapter 5486 The

men are handsome and cold, and the women are soft and charming, it is Yue Feng and Liu Ruxue.

And the giant beast carrying them is the Jialan Beastmaster.

Huh...

All of a sudden, the eyes of the audience converged on Yue Feng and the two of them. They were both shocked and puzzled.

It's Yue Feng...

next to him, isn't Liu Ruxue, the saint of Lihuomen? At this time, the Lihuomen and the three major sects were like water and fire. How could they be together?

Under the doubts, many sect masters subconsciously looked at Prince Aotian, their eyes could not hide the complexity.

Mad!

At this moment, Prince Aotian's face was also extremely gloomy. Seeing Yue Feng and Liu Ruxue appearing together, the anger in his heart rose even more.

If it weren't for the two Yue Feng, the masters of the three major sects would not have been rescued, the fierce battle just now could have been avoided, and the Lihuo Sect would not have died so many disciples.

But at the same time of anger, Prince Aotian looked at Jialan Beastmaster below them.

Jialan Beast...

This Yue Feng actually subdued a Jialan Beast.

Others don't know what this giant beast is, but Prince Aotian, as the royal family of the Divine Realm, can see at a glance that this is a unique spiritual beast in the Divine Realm.

"No wonder..."

This chapter is provided by . Visit for daily update.

At this moment, among the Six Sword Princesses, Ru Xue walked out slowly and looked at Prince Aotian with a deep expression: "It's no wonder that Sect Master Ren is so confident that he could easily defeat the three major sects before. It turns out that you Lihuomen have secretly colluded with Yue Feng."

In her heart, Yue Feng and Liu Ruxue were together, which naturally meant that Yue Feng was on Lihuomen's side.

While speaking, Ru Xue couldn't help but glared at Yue Feng.

She couldn't forget that when she was exploring the underground town of Tianji Palace, she was humiliated by Yue Feng several times. What's more abhorrent was that, after leaving the underground town, Yue Feng, relying on the presence of the Juggernaut, coerced the six sisters into admitting that she was her wife.

Moreover, at that time, Yue Feng also asked the six sisters to rub his back and rub his shoulders.

The scene at that time was vivid in my mind, and murderous intent filled the eyes of the snow for a while, and I could not wait to tear Yue Feng into eight pieces immediately.

Huh...

At this moment, Ruxue's voice just fell, and the other sect masters around also looked at Prince Aotian with hostility in their eyes.

Faced with this situation, Prince Aotian's eyes flickered, and then he said loudly: "Don't get me wrong, Yue Feng has nothing to do with my Lihuomen." After

speaking, Prince Aotian raised his finger and pointed at Liu Ruxue: "It's This woman colluded with Yue Feng, betrayed Lihuo Sect, and I have expelled her from the mountain gate."

To be honest, with the personality of Prince Aotian, he doesn't bother to explain, but the situation at hand is too complicated, I really want to If they are in trouble with the major sects, they will inevitably unite with Yue Feng.

Therefore, the best way is to provoke conflicts between the various sects and Yue Feng, and reap the benefits of the fisherman.

Wow....

Hearing these words, the masters of various sects present suddenly burst into an uproar.

At the same time, all eyes were also fixed on Liu Ruxue, and there were many discussions... “

Liu Ruxue and Yue Feng secretly colluded?”

Hands...”

“This Yue Feng is really good at dealing with women...”

Everyone’s comments, you and I came, and they were all speculation and slander. In their eyes, Yue Feng and Liu Ruxue were sitting on the back of the giant beast, so close, the relationship must not be simple.

Huh...

Hearing these remarks, Li Ruxue’s delicate and beautiful face suddenly flushed red, and her heart was filled with shame and anger.

She wanted to explain aloud, but finally held back.

The fact that the senior brother of the sect was taken away is too illusory, and it is really said. These major sects may not believe it.

Haha...

Seeing the reactions of the masters of the various sects, they were all slandering the two Yue Fengs. Prince Aotian showed a smile, and his heart was very happy.

The next second, Prince Aotian looked at Yue Feng with a half-smile but not a smile: “Yue Feng, you were lucky to escape before, but you are lucky, this time, you can’t fly.”

Thinking of the two Yue Feng before, in his own eyes Leaving below, Prince Aotian was inexplicably angry.

Chapter 5487

“Really?”

Feeling the coldness of Prince Aotian, Yue Feng smiled slightly, not panicking at all: "If you do too much injustice, you will kill yourself. I advise you to wake up in time, and don't make mistakes again and again."

Tone Proudly, as if teaching an ignorant junior.

In fact, Yue Feng is not joking, you must know that Prince Aotian, as the royal family of the God Realm, cannot go to the realm at will, and he not only came to the human world quietly, but also took Ren Pingsheng's body, just based on these two points, he committed a felony.

Ma De...

Seeing that Yue Feng was still arrogant at this time, Prince Aotian's face instantly turned gloomy.

Immediately, Prince Aotian took a deep breath, resisted the urge to take action, and said to the masters of the various sects around him: "Everyone, Yue Feng, a scum like Jianghu, who robbed the Heavenly Secret Palace of Qimen's cultivation technique before, has now abducted it again. The saint who took care of our Lihuomen, such a despicable person, everyone will kill him."

"Don't you want to have the right to explore the mysterious realm of the sky? Then I will give you a chance to help me get rid of Yue Feng and Liu. Ruxue."

"Whoever is willing to help me with Lihuo Sect will be my ally."

Wow... the

voice fell, and the masters of various sects suddenly exploded. The purpose of these people's coming is the hidden treasures in the secret realm, but just now, Prince Aotian defeated Ding Peng with a move, which made them a little jealous.

At this time, Prince Aotian released the conditions, who wouldn't be moved?

It's just... Seeing the Jialan Beastmaster below Yue Feng and the two of them, many people felt a chill in their hearts. Such a big beast must be very powerful. I'm afraid that if you take action rashly, you will die.

In this case, the masters of the major sects, you look at me, I look at you, no one dares to stand up.

What a bunch of junk.

Seeing this, Prince Aotian couldn't help but sneer, and his heart was full of contempt.

This group of people from the sect wants to get the treasures of the secret realm, but they don't want to help... How can there be such a good thing in the world?

Haha...

Seeing this scene, Yue Feng was a little nervous at first, but now he couldn't help laughing.

This Prince Aotian wanted to use a knife to kill people and use these sects to deal with me, but he never thought that each of these people was more timid than the other.

"Okay, let's help you Lihuomen."

Just as Yue Feng was laughing secretly, he heard a coquettish shout, and then, Ruxue flew up and came straight towards Yue Feng.

At the same time, the remaining five sword princesses also erupted.

In Liu Jianji's heart, Yue Feng had a grudge against them. Seeing that Prince Aotian had put forward a condition, he immediately made a decisive move without any hesitation.

Phew...

Seeing Liu Jianji's shot, the other sect masters present couldn't help but exclaim.

"Liu Jian Ji has shot..."

"It's really heroic, it doesn't have a special flavor."

"The beast that Yue Feng rides is huge, I don't know if Liu Jian Ji can handle it..."
During the

discussion, whether The few people were also eager to try, but in the end they held back. One by one, they stared at Liu Jianji, making plans in their hearts. After they tried the power of that beast first, they made plans.

Phew...

Seeing that someone finally made a move, Prince Aotian also took a deep breath and was very excited.

It seems that his plan is going well, someone helps to deal with Yue Feng, and he can rest for a while.

"Yue Feng..."

At this moment, Ruxue flew over in midair, staring at Yue Fengjiao and shouted, "Come and lead to death quickly." His tone was full of resentment.

Thinking of the scene of being humiliated by Yue Feng before, Ruxue couldn't hold back her anger.

Shit...

Feeling Ruxue's anger, Yue Feng couldn't help laughing. He adjusted his emotions and said with a smile: "Miss, this is your fault, we are all related, how can you help others?"

"Assassination of my husband?" It's good that Yue Feng didn't mention this, but when he mentioned this, Ru Xue Juemei's face flushed instantly, and he was also extremely resentful: "Shut up."

This Yue Feng, who was dying, Still thinking of taking advantage of it. At the same time, the other five sword princesses who flew behind them were also very angry, and they all started drinking. "Shameless, dare to talk nonsense." "When you catch him, cut his tongue first, and then torture him."

Chapter 5488

"Yes, just kill him directly, it's too cheap..."

Liu Jianji's coquettish shouts kept coming, and Liu Ruxue, who was sitting in the back, suddenly became a little messy.

This Yue Feng is really not serious, the other party is the famous Liujian Ji in the rivers and lakes, he actually calls the other party's lady, but... Judging from their reactions, it seems that the festival with Yue Feng is more than that.

Thinking to herself, seeing Liu Jianji getting closer and closer, Liu Ruxue became a little anxious and couldn't help but said: "Yue Feng, this Liujian Ji is very powerful, you have no strength, you are definitely not an opponent."

"Or... I'll deal with them?"

When she said the last word, Liu Ruxue bit her lip tightly, feeling a little complicated in her heart.

To be honest, because of the issue of innocence, she also wanted Yue Feng to die, but Prince Aotian was so powerful that without Yue Feng's help, it would be very difficult to avenge the revenge of the sect master.

"No need..."

Yue Feng didn't think about it, shook his head and refused: "You were wounded by divine power before, and you are not their opponent at all. Just sit down honestly.

" Jian Ji is easy to do."

While speaking, Yue Feng patted the head of Jialan Beastmaster and said in a beast language: "It's all up to you .

"

He responded, "Don't worry, Your Excellency, I am here, and no one can hurt you."

Om!

As soon as the voice fell, Jialan Beast King carried Yue Feng and the two of them, and rose directly into the sky to meet Liu Jian Ji.

Such a strong breath...

At this moment, feeling the power of Jialan Beastmaster's outbreak, whether it is Ruxue or the surrounding five sword princesses, their faces are full of shock that cannot be concealed.

In the mysterious realm of the sky, there is still such a ferocious beast hidden in it, which is really incredible.

What's even more shocking is that the huge beast in front of him was tamed by Yue Feng.

Hehe...

Feeling the fear of Liu Jianji, Yue Feng showed a smile and comforted: "Six ladies, if you can't beat it, you should give up."

"Also, Ren Pingsheng is just taking advantage of you, don't you think? Didn't you notice?" The

matter of Prince Aotian taking Ren Pingsheng was too shocking, so Yue Feng didn't bother to explain, and still called him Ren Pingsheng.

"Who is your wife?" Ru Xue snorted, not too angry, but her face was red and she looked extremely charming.

"Don't talk nonsense with him, let's go together!" The

other five sword princesses were also very angry, and they all shouted, and directly surrounded Jialan Beast King.

“Aww...”

At this moment, Jialan Beastmaster let out a roar, swung his front paws fiercely, and bursts of strong winds erupted towards Liu Jianji.

Swish swish...

Liu Jianji did not dare to be careless, and they all urged their figures to dodge the wind, then drew out their long swords and fought fiercely with Jialan Beastmaster in mid-air.

Seeing this scene, the masters of the major sects below held their breaths one by one, sweating for the six sword princesses in their hearts.

call...

At the same time, many men's eyes were also attracted by Liu Jianji's demeanor. Just saw that in the fierce battle between the two sides, Liu Jianji's charming curves were looming, and many people's eyes were straight.

Yue Feng and Liu Ruxue were leaning on Jialan Beast King's back, and they didn't dare to be careless.

Yue Feng and Liu Ruxue, one has no strength at all, and the other is injured and has no fighting power at all. In this case, they can only rely on Jialan Beastmaster.

Bang bang bang...

In the blink of an eye, the two sides fought fiercely for more than a dozen rounds. Liu Jianji was unable to subdue Jialan Beast King, but Jialan Beast King did not kill the killer because of Yue Feng's instructions.

For a while, the two sides were deadlocked.

“Everyone...”

Seeing this situation, Prince Aotian was also a little anxious, and shouted at the surrounding masters of various sects: “This beast is not as powerful as imagined, and Liu Jianji can fight against it. Go up and down, go a few more people, you can definitely kill it...”

He could see that the Jialan Beastmaster in front of him did not burst out with all his strength. If he burst out with all his strength, Liu Jianji would definitely die, but... his purpose is to kill people with a knife, and he doesn't care about that at all.

Chapter 5489 Huh

....

Hearing this, the masters of the surrounding sects hesitated for a while, and burst out one after another, rushing towards the Jialan Beast King.

“Go, this giant beast can’t hold on anymore.”

“Kill Yue Feng and seize the Qimen Cultivation Technique of Tianji Palace.”

When they rushed up, these sect masters looked crazy.

Yes, the reason why they will help deal with Yue Feng is not only for the mysterious realm of the sky, but also partly because of the Qimen exercises of the Tianji Palace.

Half a month ago, Yue Feng rescued Dongfang Yunqing from the underground town, and the matter has already spread in the rivers and lakes. However, due to Yue Feng’s identity, the sects only have what they think in their hearts.

At this time, Yue Feng has become the target of public criticism, and there are no people from Chunyang Palace around. These sect masters naturally have no worries.

Mad!

Seeing many sect masters rushing up, Yue Feng frowned secretly and couldn’t help but cursed in his heart.

Prince Aotian, this bastard, is fanning the flames again, but these people from the sect are not good things, they will only take advantage of the fire.

While scolding inwardly, Yue Feng did not panic at all.

Buzzing...

In the blink of an eye, nearly a hundred sect masters, together with Liu Jianji, surrounded Jialan Beastmaster, and the aura that erupted made the surrounding air extremely distorted.

Feeling the threat, Jialan Beastmaster roared in the sky, then opened his mouth and spurted a golden lightning bolt, slamming into the crowd.

This flash of lightning contains infinite power of profound thunder.

boom...

In the next second, golden lightning exploded in the crowd, and an earth-shattering roar was heard. Within a kilometer radius, dust and smoke filled the air, and everyone around who did not take action deployed protective films in front of them.

And those sect masters who were hit by Xuan Lei screamed and fell down one after another, falling into a pool of blood. Even Liu Jianji was shaken back by the volley, and all of them turned pale.

That flash of lightning is the unique skill of Jialan Beast, the Profound Thunder Curse. It contains the power of powerful Xuan Lei, and as the leader of Jialan Beastmaster, the power that erupts is even more terrifying.

However, after releasing the Profound Thunder Spell, Jialan Beastmaster also slowed down and was a little weak.

Hiss...

At this moment, seeing the scene in front of you, everyone present couldn't help but gasp.

This giant beast can also attack with skills, and this power is too strong.

"Everyone, don't panic."

At this moment, Prince Aotian shouted: "This giant beast is already at the end of the game. With concerted efforts, everyone will be able to kill it." beast.

Jialan beast can only exert all its power in the realm of the gods, but in the human world, its strength is limited, and it is already the limit to be able to cast the Profound Thunder Spell.

At this time, Prince Aotian clearly sensed that after this Jialan Beastmaster cast the Profound Thunder Curse, he no longer had the strength to continue fighting.

Huh...

Hearing the words of Prince Aotian, the masters of the surrounding sects, one by one, had no worries, and rushed up like crazy.

At the same time, Prince Aotian also burst out, his eyes locked on Yue Feng, and sneered: "Do you think that with the help of a wicked animal, you can be safe and sound? You are too naive."

In the eyes of others, Jialan beast is a rare spirit beast, but Prince Aotian did not pay attention to it at all.

Om....

When the last word fell, Prince Aotian's whole body exploded with power, and he slapped Yue Feng with a savage palm. The palm of his hand passed over the place, setting off a hurricane, which was incomparably powerful.

When he bewitched the major sects to take action just now, Prince Aotian has been secretly recovering his strength. At this time, seeing that the battle is coming to an end, he does not hesitate to take action.

Hehe...

Seeing Prince Aotian bursting out, Yue Feng did not feel nervous at all, instead he showed a smile: "Do you really think that Jialan beast is the only one?"

When he said this, Yue Feng had a relaxed expression on his face. .

Um?

Hearing this, Prince Aotian was stunned.

Could it be... there is more than one Jialan beast here?

"Ouch..."

Just when Prince Aotian was thinking secretly, he saw Jialan Beastmaster howling in the sky, and in an instant, there were bursts of roaring responses not far away.

"Ow, ooh..."

Along with the roars one after another, I saw hundreds of Jialan beasts running wildly from a distance.

When he came out to investigate the situation before Chapter 5490

, Yue Feng considered that there were so many Jialan beasts that it was easy to be exposed, so he let those Jialan beasts hibernate first, and he and Liu Ruxue rode the Jialan Beastmaster and came out to check the situation.

At this time, the Jialan Beast King was unable to support alone, so he decisively sent a signal to ask other Jialan Beasts for help.

What?

Suddenly seeing so many Jialan beasts appearing, Prince Aotian was stunned, his mind buzzing and blank.

At the same time, the surrounding sect masters also had chills on their backs.

So many...

Just one just now was enough to give everyone a headache, and now there are hundreds more.

This... how can it be beaten.

“Run...Let’s run...” Under the

panic, I don’t know who shouted, and for a while, many people ran away, all with panic on their faces. A fierce beast just now forced Liu Jianji to go all out, and now there are so many, who can stop it.

However, how could the speed of these people be as fast as Jialan Beast?

“Ouch, ooh...”

Seeing the sect masters fleeing in all directions, the Jialan beasts who rushed over roared and quickly chased after them. Almost in the blink of an eye, they intercepted these people.

After intercepting, these Jialan beasts used their fangs and claws to attack.

“Ah...”

Seeing the chaos on all sides, many sect masters died tragically under the claws of Jialan Beast before they could react.

“Ow, ooh...”

At the same time, several Jialan beasts opened their bloody mouths and rushed towards Prince Aotian.

Prince Aotian was startled and angry. While dodging, he shouted angrily: “Beast, I’m Prince Aotian, don’t be arrogant, let me go away...”

Prince Aotian was arrogant and arrogant, and he was still in God’s Domain before. At the time, he just regarded the spirit beasts like Jialan Beast as the beasts guarding the Divine Realm, but now, these beasts in the eyes actually attacked him, how can he not be angry?

However...

Prince Aotian at this time, looks like Ren Pingsheng, and has not recreated the primordial spirit in his body. Several Jialan beasts can't listen to this anger.

On the contrary, Prince Aotian took a bite of evil beasts, arousing their ferocity.

Mad!

In the face of this situation, Prince Aotian was completely furious, his whole body strength exploded, and he fought fiercely with several Jialan beasts.

At the same time, the major sects present were also attacked by Jialan Beast, and the whole scene was in chaos. Speaking of which, the masters of various sects who came to the secret realm this time are not weak, but it is a pity that what they encountered was not an ordinary enemy, but the Jialan beast from the gods.

“Ah...”

In less than five minutes, many sect masters fell in a pool of blood, screaming incessantly, and the air was filled with a strong smell of blood.

At this moment, Yue Feng was driving Jialan Beastmaster, quietly suspended in the air, looking at the situation in front of him, his expression was indifferent, without the slightest fluctuation.

To be honest, Yue Feng didn't want to do this either, but these sects in front of them were really abominable. For their own selfish interests, they were intriguing and fighting against each other, even if they all died, it would not be a pity.

call...

At the same time, Liu Ruxue, who was sitting at the back, trembled for a while, and her beautiful face could not hide the shock.

Bloody, too bloody.

The power of the hundreds of Jialan beasts was beyond imagination. The masters of the various sects present fell like mustards, and there was no room to fight back.

Even though Liu Ruxue is the saint of Lihuomen, she has been in the rivers and lakes for many years and has a lot of knowledge, but it is difficult to calm down when she sees the scene in front of her.

Bang Bang Bang...

At this time, not far away, Liu Jian Ji was also surrounded by more than a dozen Jia Lan beasts, all of them were pale, obviously they were about to be unable to hold on. Seeing this, Yue Feng took a deep breath and said to the dozen

Jialan beasts: "These six women, don't hurt them, let them go.

"

Several Jialan beasts let out a howl in response, then gave up Liujianji and turned around to attack the others.

Huh...

For a while, Liu Jianji stood there one by one, still in shock, and after a few seconds, they all looked at Yue Feng with complex eyes.

Yue Feng breathed a sigh of relief, looked at them and said: "Speaking of which, there is no deep hatred between us, and I have no intention of killing you. You can go and get out of here quickly."
