Chapter 5491

Hearing this, Liu Jianji looked at each other, her delicate face changing.

Yue Feng wants to let us go?

What the hell is this man doing in secret?

Doubt in her heart, Liu Jianji did not mean to turn around and leave, but secretly speculates on Yue Feng's purpose.

"What?"

Seeing them standing still, Yue Feng smiled slightly and teased: "Why don't you leave? Don't worry, I have no other intentions, I just don't want to see your fragrance disappear."

"Speaking of which, let's It was all a misunderstanding before, there is no need to kill the opponent, besides, these are not ordinary beasts, no matter how powerful your sword formation is, they are not opponents."

Hu...

Hearing Yue Feng's words from the bottom of his heart, Ruxue lightly bit her lip and said softly, "Sisters, let's go." After speaking, she moved her figure and walked towards the exit of the secret realm.

To be honest, Ruxue was very reluctant to leave like this, but she also clearly saw that the beasts around were too powerful. The masters of the major sects present were not opponents at all, and people kept falling in a pool of blood. middle.

If they don't leave, I'm afraid that the Six Sisters will end up like those who died tragically.

Swish swish....

Hearing Ru Xue's words, the other five sword princesses glanced at Yue Feng unwillingly, then turned and left.

Finally gone.

Seeing Liujian Ji leave, Yue Feng secretly exhaled, and then controlled Jialan Beastmaster, suspended in mid-air, closely watching the situation in front of him.

This chapter is provided by . Visit for daily update.

Yue Feng thought about it, as long as he found an opportunity, let Jialan Beastmaster directly attack Prince Aotian.

“Yue Feng!”

However, at this moment, Liu Ruxue, who was sitting at the back, suddenly asked, “What is your relationship with... that Six Swords Princess?”

When asking these questions, Li Ruxue’s delicate face, A hint of curiosity came out.

Uh....

When I heard this question, Yue Feng was a little embarrassed, and then he scratched his head and said, “It’s okay, I just met a few times before.”

Liu Ruxue is a very interesting woman, do I have any relationship with Liujianji? It doesn’t seem to be your business.

Hearing this answer, Liu Ruxue seemed a little dissatisfied, and said with disdain: “Okay, stop pretending, just met a few times, why do they have to kill you?”

“Also, you called them a lady just now... ..”

When asked the last sentence, Liu Ruxue couldn’t hide the displeasure on her face.

Um?

Seeing her repeated questions, Yue Feng was stunned for a moment, then turned to look at her, and said with a smile: “Liu Ruxue, you care so much about me and Liu Jianji, do you...you like me? So see me. Calling them ladies, are you jealous?” The

voice fell, and Liu Ruxue’s delicate face instantly flushed red.

“Shut your mouth.” In the next second, Liu

Ruxue reacted and said with shame and anger: “Who likes you? Who is jealous? You really can’t spit out ivory from a dog’s mouth.”

Snow was extremely embarrassed.

What happened to yourself? What is his relationship with Liujianji, what does it have to do with me...

“Hehe...”

Seeing her embarrassed look, Yue Feng didn't panic at all, but teased with a smile: "I don't like me, why do you care so much about me and Liu Jianji?" As

he said, Yue Feng looked at him slyly. Liu Ruxue had a wicked smile on her face.

Liu Ruxue blushed, snorted coldly, and argued vigorously: "You don't put gold on your face, I want to kill you, so that I won't like you."

"I'm asking you, just want to know the situation, Wan Wan Once you are killed by them, who will I seek revenge for in the future?"

While defending, Liu Ruxue glared fiercely at Yue Feng, if it wasn't for the circumstances, she really wanted to kick him off the back of Jialan Beastmaster.

Seeing her explanation like this, Yue Feng smiled and stopped arguing with her, but continued to observe the surrounding situation.

"Ah..."

I saw that the surrounding battle was getting more and more tragic. Under the fierce attack of hundreds of Jialan beasts, people from time to time screamed and fell to the ground...

Prince Aotian was also killed . Several Jialan beasts were tightly surrounded.

"Ma De!"

At this time, Prince Aotian, with blood-red eyes, kept roaring, waving the long sword in his hand at the same time, trying to rush out.

Chapter 5492

However, these Jialan beasts, although they are spirit beasts, cooperated tacitly. Prince Aotian tried several times, but all ended in failure. Not only that, he was scratched by Jialan beasts in many places, dripping with blood.

"Bastard, get out of the way, get out of your way."

Under such circumstances, Prince Aotian's eyes were extremely blood-red, and his face was full of anger.

The dignified prince of God's Domain was actually trapped by several Jialan beasts. If this matter spreads to God's Domain in the future, where would he put his face? How will you fight for the throne in the future?

Chi...

Under his anger, Prince Aotian clenched his long sword and stabbed the Jialan beast in front of him with the danger of being scratched.

This sword was fast and ruthless, the Jialan beast couldn't avoid it, and a blood hole was stabbed directly on its body. At that time, it screamed and fell heavily to the ground.

Chilla...

Although Prince Aotian stabbed a Jialan beast, he did not avoid the sharp claws of other Jialan beasts. In an instant, three Jialan beasts rushed up at the same time, directly scratching on Prince Aotian. After a few mouths to taste, in an instant, blood was sprayed, like a blood rain in the air.

Here comes the opportunity.

Seeing this scene, Yue Feng was very excited. He immediately drove Jialan Beastmaster and rushed towards Prince Aotian. At the same time, he said with a sneer: "I gave you a chance just now. You didn't take it well. Do you regret it now?"

", but there is a cold arrogance that dominates the audience.

Swish!

Hearing this, Prince Aotian was angry, gritted his teeth and said coldly: "Yue Feng, you are not proud, it is not certain who will win and who will lose today.

" Without them, this prince can pinch you to death with one finger."

When speaking, Prince Aotian's eyes were full of resentment.

Mad, thought he would be in control of the situation today, but he never thought that Yue Feng had conquered so many Jialan beasts.

"Okay. Since you're obsessed, then you can't blame me."

Yue Feng shook his head and said something regretful, and immediately issued an attack order to Jialan Beastmaster.

"Ow..." After

receiving the order, Jialan Beastmaster let out a roar, his huge body burst out with a terrifying aura, and rushed towards Prince Aotian.

Nima!

Feeling the terrifying aura of Jialan Beastmaster, Prince Aotian's pupils shrank. At that time, he didn't dare to hesitate at all, so he quickly mobilized his whole body and held the long sword in front of him to resist.

boom!

In the next second, Jialan Beastmaster burst out, collided with Prince Aotian, and heard a roar, and then, the whole person was shocked and flew out, and flew more than 100 meters before landing heavily.

When he was besieged by other Jialan Beasts just now, Prince Aotian was already injured, so he could not resist the Jialan Beast King at this time.

"Sect Master..."

"Sect Master..."

Seeing this scene, the surrounding Lihuo Sect disciples exclaimed and wanted to rush over to support, but there were so many Jialan beasts around, they simply rushed But come.

"How is it?"

Looking at Prince Aotian's miserable appearance, Yue Feng looked indifferent and said word by word, "The victory has been decided, do you take the initiative to get out of this body, or let me beat you out?" As he

said, Yue Feng rode Jialan Beastmaster and walked step by step.

Ha ha...

Hearing this, Prince Aotian struggled to stand up, his face full of grimness, and he laughed loudly in the sky: "Yue Feng, if you have the ability, kill me, little mother-in-law."

When he laughed, Prince Aotian looked crazy, and his eyes Even more cunning.

Mad!

At this moment, Yue Feng frowned secretly, this Prince Aotian really didn't turn his head without hitting the south wall.

At the same time, Liu Ruxue, who was sitting at the back, couldn't restrain her emotions at this time, and said coldly: "Yue Feng, don't talk nonsense, kill him." The

tone was firm and unquestionable.

Yue Feng nodded, and he no longer hesitated at this time, and patted the head of Jialan Beastmaster.

In an instant, the Jialan Beast King rose into the air, and his sharp claws waved out a cold glow, and slapped it directly on the top of Prince Aotian's head.

"Yue Feng!"

However, when he saw Jialan Beast King rushing towards him, Prince Aotian didn't panic at all, and his eyes flashed with madness: "Do you really think you can kill me?"

Chapter 5493

Chi!

When the last word fell, the corner of Prince Aotian's mouth evoked a trace of cruelty, the long sword in his hand was reversed, and he stabbed directly into his heart. In an instant, blood spurted out.

what's the situation? Is he going to kill himself?

Seeing this scene, both Yue Feng and Liu Ruxue frowned and were secretly shocked.

Om...

Just when Yue Feng and the two were puzzled, they saw Prince Aotian slowly raising his hands and muttering something in his mouth. Suddenly, a violent aura burst out from his body.

At the same time, the blood sprayed from his heart also stopped flowing downward, but rose rapidly, forming a blood mist in the surrounding air.

"Jie Jie... Jie Jie..." The blood mist

quickly spread around, and soon, the faces of the masters of the various sects who breathed the blood mist suddenly became hideous, their eyes were blood red, and their mouths were even more ferocious. A piercing grin came out...

Not only that, but those Jialan beasts inhaled the blood mist, and they all became manic, and let out bursts of roars.

"Ouch, ooh..." In the

next second, these sect masters started to fight each other, and they all went crazy and completely lost their senses. At the same time, many Jialan beasts also began to bite each other.

“Haha...haha..”

Seeing this scene, the corners of Aotian Prince’s mouth twitched, and bursts of smug laughter: “Kill, let the killing in your hearts be released...”

At this time, Aotian Emperor Son, the whole person is crazy.

What he performed just now was the ‘Blood Spirit Sacrifice’ in Soul Melting Dafa.

Blood Spirit Sacrifice, as the name suggests, is to use his own blood as a guide, and then release terrifying power to disturb the mind of the enemy. Although this move is very poisonous, it will affect the disciples of Lihuomen, but Prince Aotian can’t care anymore. So much.

For a time, whether it was the masters of the surrounding sects or those Jialan beasts, they completely lost their minds and became violent.

“Ah...” In the

blink of an eye, under the screams, many sect masters and Jialan beasts fell in a pool of blood.

Even many disciples of Lihuo Sect began to slash and kill each other...

This...

Seeing this scene, Yue Feng and Liu Ruxue were both stunned and shocked.

Especially Yue Feng, who stared at Prince Aotian, was shocked and puzzled. Mad, what kind of skill did this Prince Aotian use just now? Not only can it make people from various sects lose their minds, but it can also make these Jialan beasts violent.

At this time, Yue Feng didn’t know that what Prince Aotian performed was the blood spirit sacrifice in the soul-melting Dafa, and the soul-melting Dafa was a practice method created by Immortal Venerable Taiyi recently.

“Haha...”

Just when Yue Feng was secretly shocked, Prince Aotian laughed, then looked at him coldly and called out, “Yue Feng, aren’t you going to kill me? Come on...”

“I said However, without these evil beasts, you might as well be ants all the time. You want to control the whole situation with these evil beasts, but I am not as good as you want. On the contrary, I want you to die under the sharp claws of these evil beasts.”

Om!

The last word fell, Prince Aotian raised his hands above his head, and recited the blood spirit sacrifice incantation in his mouth again.

In an instant, the surrounding blood mist became more and more intense.

Jialan Beastmaster, who was under Yue Feng, keenly felt that it was not good, and subconsciously wanted to retreat, but it was a pity that he was a step late, and he still inhaled a lot in the end.

“Ow...”

After inhaling the blood mist, Jialan Beastmaster’s eyes were instantly blood red and became extremely manic. At that time, Yangtian roared, and his huge body suddenly swayed.

All this happened too fast, Yue Feng and Liu Ruxue were too late to react and were thrown out.

Puff, puff!

After flying dozens of meters away, Yue Feng and Liu Ruxue fell heavily among the rocks.

For a time, Yue Feng’s qi and blood were tumbling, and he only felt that the internal organs in his body were about to shift.

Liu Ruxue also frowned, her face was extremely pale, and she obviously fell hard.

Huh.. The

next second, Yue Feng struggled to get up, took a deep breath, and asked Liu Ruxue, “How are you? Are you okay?”

Liu Ruxue shook her head to indicate that she was fine, looking at the chaos in front of her. The situation, could not help frowning: “How can this be?”

Chapter 5494

She clearly saw that under the blood mist, the masters of various sects, like crazy, fought and killed each other.

At the same time, hundreds of Jialan beasts were biting each other, and the scene was extremely bloody.

“I didn’t expect it either.”

Yue Feng shook his head and said bitterly, "This Prince Aotian is too much. It's insidious, and in the end it's still hiding this hand."

After speaking, Yue Feng looked at the situation in front of him and knew that the situation was over, and there was no possibility of recovery, and he sighed again.

"Yue Feng!"

At this moment, Prince Aotian locked his eyes on Yue Feng, and said with a grin, "Did you not expect it? Let me tell you, even if Ao Lin came today, he couldn't save you.

" Just go step by step.

Speaking of which, Prince Aotian was scratched by Jialan Beast just now. He was full of wounds and was very weak, but it was more than enough to deal with Yue Feng. After all, Yue Feng had no strength at all.

Hu...

Looking at Prince Aotian who was pressing step by step, Liu Ruxue bit her lip: "I'll deal with him, you hurry up." As

she said that, she was about to rush up.

Although she received a counter-injury from divine power before, the injury was not very serious, and it was no problem to block Prince Aotian.

Just before she could rush over, she was stopped by Yue Feng.

"Don't go." Yue Feng pulled Liu Ruxue's arm tightly, shook his head, and said with a solemn expression: "Although you can block him, these blood mists are all transformed by the blood in his body."

"So, within the range covered by the blood fog, those people and Jialan beasts will fight each other, but they will not attack him, and once you enter the blood fog area, you will lose your mind, and you will not only be unable to kill at that time. He will also be attacked by other people and Jialan Beast."

This...

Hearing these words, Liu Ruxue frowned and became a little anxious for a while: "Then... what should I do?"

Yue Feng frowned, suddenly thought of something, and said quickly: "In the current situation, you can't avenge your senior brother for the time being, the most important thing now is to save your life first."

“Let’s go to the big square in the northwest, hurry up. “

The Chaos Teleportation Array that was built before is on the square in the northwest. Right now, I can’t fight with Prince Aotian, let alone sit back and wait. The only way is to leave through the teleportation array.

Um!

At this time, Liu Ruxue was already in a mess. Hearing this, without any hesitation, she quickly rushed out of the rock formation with Yue Feng and headed towards the northwest.

“Run?”

Prince Aotian sneered, and immediately moved his figure to chase after him. However, he was too injured to speed up, and could only chase after him closely.

Seeing Prince Aotian chasing behind him, Yue Feng did not panic at all, but instead showed a smile, because the big square was not far ahead.

Soon, in front of the Chaos Teleportation Array on the square, Yue Feng shouted: “Okay!”

Hu...

At this moment, Liu Ruxue stopped and saw the huge teleportation array in front of her, with a delicate and beautiful face It was full of shock: “This... what is this?”

I saw that there were huge black stone pillars lined up in front of me, which looked messy, but hidden mysteries.

After so many years of walking in the rivers and lakes, Liu Ruxue is also well-informed, but this is the first time I have seen such a scene.

“This is the Chaos Teleportation Array.”

Yue Feng responded, looking back at Prince Aotian getting closer and closer, he urged: “Quick, hurry up and inject the energy into the third pillar on the left.”

Hearing this Then, Liu Ruxue responded, hurriedly urged the energy, then found the pillar that Yue Feng said, and put her hand on it.

call!

At this moment, Yue Feng didn’t hesitate to walk into the teleportation formation, and then pulled Liu Ruxue into it.

At this time, Liu Ruxue didn't understand what was going on, so she couldn't help but said, "Yue Feng, let's get to the end..."

Om...

Before I finished asking a sentence, an explosion erupted in the Chaos Teleportation Array. A terrifying force came out, and then, a group of rays of light condensed, directly shrouding Yue Feng and the two of them.

Mad!

The light became more and more intense, and it illuminated the surrounding area within a thousand meters. The Prince Aotian, who had rushed over from a distance, saw this scene and was immediately furious.

Chapter 5495

This Yue Feng actually built a teleportation array in the secret realm...

Liu Ruxue couldn't see that this was a teleportation array, but Prince Aotian, as the royal family of the God Realm, could see it at a glance. It is a huge teleportation array.

"Yue Feng, you can't escape."

Under the shock, Prince Aotian roared, endured the pain, and charged faster.

Just before he could get close, he saw that the light was getting stronger and stronger, and then Yue Feng and Liu Ruxue were directly teleported away, and their figures disappeared without a trace.

"Bang!"

Seeing this, Prince Aotian was extremely angry, and slammed a fist on a pillar.

...

On the other side, the mainland of Kyushu.

Xia Yinzong, in the garden of the back mountain.

The weather was nice today, and the eyes were bright. Yue Wuya was sitting on a chair to rest, quietly basking in the sun. Beside him, Hai Linger gently teased the children.

A few days ago, during the Battle of Zhaixinglou, Yue Wuya was hit hard. He was dying at the time, but at the last critical moment, Wen Chou Chou and Sun Dasheng arrived and saved his life.

After returning to Xia Yinzong, Yue Wuya finally recovered from her injuries under Hai Linger's meticulous care.

"Brother Wuya."

At this time, Hai Ling'er smiled at Yue Wuya while teasing the child: "If you look closely, this child really knows you a little bit, I really want to know, you are young Isn't it so cute back then..."

Yue Wuya smiled, glanced at the child, and said, "Of course I was cute when I was a child, and, like him, I was ill-fated."

Immediately, he said with emotion: "Speaking of which, I really did not expect that this child is actually my half-brother."

Phew...

Hearing this, Hai Ling'er couldn't help but think of what happened a few days ago. The matter, he said regretfully: "Brother Wuya, I'm sorry, I misunderstood you before."

"It's all over, and I don't blame you." Yue Wuya's face was full of tender consolation.

boom!

Just as he was talking, he heard a roar, coming from the direction of the front hall. This roar was earth-shattering, and Yue Wuya and Hai Linger were both startled.

what's the situation?

In the next second, Yue Wuya and Hai Ling'er looked at each other, feeling a little nervous in each other's hearts.

Could it be... After Qin Tianjian dealt with Gone, he came to trouble the Ouyang family again. After all, when these gods and soldiers of Qin Tianjian were sent to the Kyushu Continent, their main purpose was to deal with Yue Feng. and the Ouyang family.

"Don't panic!"

Soon, Yue Wuya reacted, patted Hai Linger's shoulder lightly, and comforted: "You take good care of the child, I'll go take a look." After saying that, he strode towards the main hall. .

After arriving at the main hall, they saw Wen Chou Chou, Sun Dasheng and others, and they rushed over when they heard the movement, and the scene in front of them made Yue Wuya gasp.

I saw that the gate in front of the Xia Yinzong Hall was directly smashed to pieces.

In the midair, two figures of a man and a woman were quietly suspended. The man was dressed in black robes, and the terrifying evil spirit around him filled the whole world.

The woman is beautiful, with a delicate face and a graceful figure.

It was Gone and Mo Yan.

Seeing that it was them, whether it was Yue Wuya or Wen Chou Chou, everyone was shocked.

This... This Demon Race Supreme, wasn't he caught by Qin Tianjian? How did you get out?

Moreover, the power that permeated his body was even more terrifying than before.

"Haha..."

Seeing everyone's expressions, Gone's mouth twitched coldly: "I didn't think

so, right?" Gone's eyes fell on Wen Chou Chou, and his tone couldn't be refuted: "Hand over the child immediately, and then you two. Everyone, kill yourself on the spot. Otherwise, the deity will let you all die." The

voice was cold and arrogant, spreading throughout the Xia Yinzong.

Swish!

Hearing this, everyone present was shocked.

As expected of the Supreme Being of the Demon Race, he is indeed domineering.

In the next second, Sun Dasheng took the lead in reacting. One step ahead, he stared at Gone coldly: "It's really interesting, I want all of us to commit suicide? What if you are the Supreme Being of the Demon Race? Others are afraid of you, but I, Dasheng Sun, are not afraid of you.

" Falling, Sun Dasheng raised his hand and waved, and the opening axe was firmly grasped in his hand.

The ultimate husband in Chinese chapter 5496-5500

Chapter 5496

Hehe...

Seeing Sun Dasheng summoning the opening axe, a trace of contempt appeared on the corner of Gone's mouth: "The clown jumping on the beam, how dare you be presumptuous in front of the deity?"

In an instant, the sky and the earth were surging, and the terrifying evil spirit shrouded the entire Xia Yinzong.

Feeling Gone's contempt, Sun Dasheng was so angry that he was about to rush up.

"Sect Master Sun."

However, at this moment, a loud cry was heard, and then, ten figures came quickly and blocked in front of Sun Dasheng. One by one is powerful.

It is the ten kings of Tianmen. "Sect Master Sun, Sect Master, this Demon Clan Supreme had destroyed the main altar of Heaven Sect and hurt countless disciples of Heaven Sect. Today, he came to harass

Xia Yinzong again, so let us deal with him." The great kings erupted one after another, rushed into the air, and surrounded Gone. The ten heavenly kings, powerful and powerful, broke out together at this time, the surrounding air was extremely distorted, and the momentum was amazing. Phew... But even so, Sun Dasheng, Wen Chouchou, Yue Wuya and others all took a deep breath and couldn't help sweating for the Ten Heavenly Kings. "Hehe, a bunch of ants, get out of the way." Seeing the attack of the Ten Heavenly Kings, Gone's eyes flashed a gloomy look, and after a loud shout, he waved his right hand sharply. hum! In an instant, the terrifying power of the devil's soul erupted, forming a blood-colored light in mid-air, directly shrouding the ten kings who rushed up.

The red glow was as fast as lightning, and the Ten Heavenly Kings had no time to dodge.

Bang bang bang...

The next second, I heard a dull sound, and then I saw the top ten heavenly kings, all of them were shaken and flew out, one by one spraying blood, and flying more than a hundred meters away, They slammed on the top of the main hall, their faces pale, and their breath was sluggish.

One move, just one move, the top ten heavenly kings across the rivers and lakes were completely defeated and completely lost the strength to fight again.

This...

Seeing this scene, the disciples of the Xia Yin Sect couldn't help but gasp.

Is this the strength of the Demon Race Supreme? The ten heavenly kings of Tianmen are famous in the arena, but at this time, he can't even catch his move?

This chapter is provided by . Visit for daily update.

And Sun Dasheng and Wen Chou Chou all looked extremely solemn.

Oops, this Gogne's strength is much stronger than the previous days, I'm afraid that all the people present together will not be his opponent...

shuh!

At this time, Gone proudly hovered in mid-air, looking down at Sun Dasheng and the others: "Since you all want to fight stubbornly, come up and die." His

tone was extremely proud.

"Okay.." Sun Dasheng took a deep breath, and the veins in his hand clenched tightly to the opening axe, and shouted: "I want to learn how to teach, how capable you are, the Supreme Being of the Demon Race."

Om!

The words fell, and Sun Dasheng rose into the sky, and the opening axe in his hand drew a golden beam, heading straight for Gone.

I saw that the dazzling golden light ripped apart the sky, as if the whole world was about to be split open.

In the past few days, Sun Dasheng was healing his wounds in the secret room, and he was also comprehending the power of the Heaven-Opening Axe. In a few days, he had some new insights.

Huh...

Seeing the power of this axe, whether it is Wen Chou Chou or everyone in Su Qingyan, their faces are filled with incomparable excitement.

"The strength of the Great Sage seems to have improved a lot."

"Yeah, the power of this axe is very strong."

"This should be the strongest power of the Kaitian Axe..."

Everyone's admiration continued to come . , Gone, who was suspended in mid-air, snorted softly, his eyes full of contempt.

It was at this time that Jin Mang roared with terrifying power.

At this critical moment, the corners of Gone's mouth rose, and he raised his hand lightly to deploy a protective film in front of him. In an instant, Jin Mang slammed into the protective film and made a roar, and the entire Xia Yinzong Mountain Gate was filled with dust and smoke.

After more than ten seconds, when the dust and smoke gradually dissipated, he saw Gone still floating there, his expression as usual.

Obviously, Sun Dasheng's strongest blow did not cause any damage to him.

What?

Seeing this scene, everyone present was shocked.

This... the defense of the Demon Race's Supreme is too terrifying, isn't it?

Chapter 5497

Mad...

Dasheng Sun's face was pale, his eyes were fixed on Gone, and his heart was extremely shocked.

The axe just now, almost exhausted all of his skills, was blocked by him so easily.

However, Sun Dasheng is a personality that refuses to admit defeat. At that time, his eyes were red and blood red, he shouted loudly, clenched the axe, and went to Gone again.

"It's beyond your own power."

Seeing Sun Dasheng rushing towards him, Gone snorted coldly, raised his hand and waved, an invisible palm force greeted Sun Dasheng.

boom!

The next second, the palm force slammed on the opening axe, and Sun Dasheng snorted, a mouthful of blood spurted out, and the figure fell rapidly. After landing, the Kaitian axe fell out of his hand and fell to the ground, and Sun Dasheng was also pale.

When they fought for the first time, Sun Dasheng had almost exhausted his internal strength. At this time, he was severely injured and had no strength to fight again.

"Great Sage..."

Seeing this scene, Wen Chou Chou, Su Qingyan and others exclaimed in surprise, and then rushed over to check on Sun Da Sheng's injury.

"Haha.."

At this time, Goni smiled contemptuously, looking at Dasheng Sun with a playful look in his eyes: "With your strength, do you want to fight against me? You really don't know how to live or die."

Gone's eyes flickered as he spoke. With killing intent, he was about to approach Sun Dasheng.

"Your Highness..."

At this moment, Mo Yan, who had been suspended in silence in mid-air, finally couldn't help it and said softly, "Although the people of the Ouyang family are abominable, they are not guilty of death. It must be slaughtered."

After speaking, Mo Yan bit her lip and hesitated, then continued: "Also, the most important thing for us to come this time is to return the child..."

At this moment, Mo Yan's face was complicated, and her eyes flashed. With some pleading.

After becoming a mother, Mo Yan's personality is no longer as cold as before. The Ouyang family are all relatives of Yue Feng, and Yue Feng is the father of the child. I really can't bear to see them all die tragically by Gone.

"Shut up!"

Hearing this, Gone's face turned gloomy instantly, and he scolded coldly: "You are still a woman's benevolence, and what this deity does, I don't need to ask you to tell me."

"Today, everyone here will die. Undoubtedly, let's not talk nonsense anymore, you can quickly go inside to find the child, you don't need to worry about it here." The

voice was not loud, but he couldn't refute it.

Huh

Feeling Gone's anger, Mo Yan's tender body trembled, knowing how to persuade was useless, and immediately nodded: "Yes, Your Highness."

After saying that, Mo Yan gave Sun Dasheng a complicated look. Hewen Chou Chou and the crowd flew out gracefully and rushed directly into the back mountain...

“Stop her...”

Seeing this situation, Su Qingyan frowned, and immediately gave a coquettish shout.

Clap la la...

At the moment when the voice fell, the disciples of the Xia Yin sect in all directions erupted one after another, and intercepted them towards Mo Yan. Speaking of which, these disciples of the Xia Yin sect were not weak.

However, the enemy in front of them was Mo Yan, one of the Ten Great Sacred Demon Kings, and was not an opponent at all.

bang bang bang..

In the blink of an eye, many disciples of the Xia Yin Sect were injured by Mo Yan's palm, and one by one fell to the ground unconscious. Mo Yan was reluctant to start killing, and did not use her real strength, otherwise, these Xia Yin Sect disciples would have died.

After repelling the disciples of Xia Yinzong, Mo Yan did not hesitate and rushed into the back mountain.

At this time, Mo Yan had only one thought in her heart, that is, to find the child as soon as possible.

At the same time, here in the main hall.

Gone's face was cold and arrogant, looking at the incomparably weak Sun Dasheng, jokingly said: “Sun Dasheng, you have ruined my plan several times, and today I will use you first.” The

voice fell, and Gone's figure flashed, raised his hand and slapped towards Sun Dasheng. Open.

This palm seems light, but its power is terrifying. In an instant, the surrounding air seems to be stagnant.

Phew...

Feeling the power of this palm, Sun Dasheng gritted his teeth and tried to dodge, but he was hit so hard just now that he couldn't use any strength.

“Great Sage, you rest first.”

At this moment, Wen Chou Chou next to him shouted, and then he drew his long sword and went directly to Gone.

“Brother Wen, let’s help you.”

“Uncle Wen, be careful...”

At the same time, Su Qingyan and Yue Wuya also burst out, cooperating with Wen Chou Chou, rushing towards Gone.

Chapter 5498

Om!

For a time, the three of Wen Chou Chou erupted with internal power at the same time, and the surrounding sky suddenly distorted, and the power was amazing.

But Gonie didn’t pay attention to it at all, and sneered at that time: “Let’s die together? Very good.” After the

last word fell, Gonie raised his hands slowly, activating the power of the devil’s soul, and in an instant, a red light burst out. out, directly covering the three Wen Chou Chou.

Bang Bang Bang...

Feeling the power of the red glow, the three of Wen Chou Chou were shocked. At that time, they instinctively wanted to dodge, but it was too late, and they heard a few dull sounds. The three groaned and were directly shocked. Retreat...

“Pfft...”

After landing, Wen Chou Chou directly hit the pillar, his face pale, and then a mouthful of blood spurted out.

Pedaling...

And Yue Wuya and Su Qingyan, after landing, also staggered back a dozen steps to stabilize their figures, but when their faces were pale, they were obviously also injured.

It’s over...

After stabilizing her figure, Su Qingyan’s beautiful face was full of shock.

The strength of this Demon Race Supreme is simply too strong. Judging from this situation, Xia Yinzong cannot escape today.

hum!

At this moment, Gone's figure hovered proudly in the air, and his eyes slowly swept over Sun Dasheng, Wen Chou Chou and everyone: "Today, you can't escape death, accept your fate." The

voice fell, Gone's figure flashed, like a ghost, directly towards The text is ugly and ugly.

Wen Chou Chou gritted his teeth and took a deep breath, urging all his inner strength to merge into the long sword, drawing a shock, and attacking Gone.

boom!

The next second, the figures of the two sides collided, and a vibration was heard, Wen Chou Chou wow, a mouthful of blood spurted out, and the whole person was indescribably weak.

"Is it useful to struggle?" Gone's face was full of disdain. After saying a word coldly, he walked towards Wen Chou Chou step by step.

Seeing this situation, Su Qingyan was in a hurry, and immediately ordered the surrounding disciples of Xia Yinzong: "Protect Palace Master Wen." She was also injured just now, and it was too late to rescue Wen Chou Chou, so she could only pin her hopes on on the surrounding disciples.

Although these disciples are not Gone's opponents, they can at least delay the time and give everyone a chance to breathe.

"Kill!"

"Protect Palace Master Wen." After

receiving the order, the surrounding disciples of the Xia Yin Sect rushed up one after another shouting.

"A bunch of ants are also worthy of showing their teeth and claws in front of this deity?"

"Pfft..."

"Ah..."

The disciples of the Xia Yin Sect who rushed up around were torn to pieces by this terrifying force before they rushed forward, and they fell into a pool of blood screaming.

This is no longer a confrontation, but a one-sided massacre.

In the square in front of the entire hall, the ground has been dyed red with blood, like an Asura slaughterhouse.

In just a few short breaths, almost all the disciples of the Xia Yin Sect present were lying in a pool of blood. Only around Su Qingyan, there were a few left to guard her.

bang bang...

At this moment, Gone threw the last few disciples in front of him and flew out, his figure flashed, and he was already in front of Wen Chou Chou, his face was full of arrogance and cruelty: "Just because you want to block me?" Mang flashed, raised his hand and slapped it on Wen Chou Chou's head.

If this palm hits, Wen Chou Chou will definitely burst his brain and die.

For a time, Wen Chou Chou gritted his teeth, his heart was full of unwillingness, but he was helpless, and finally closed his eyes in despair.

Great Sage, Fengzi, Brother Wen is going one step ahead.

"Brother Wen..."

"Uncle Wen..."

Seeing this scene, Dasheng Sun and Yue Wuya couldn't help but howl, their eyes were blood red, and they wanted to rush over, but they were hurt too badly and had no intentions at all. Powerless.

"I will never let you do whatever you want here."

At this moment, Su Qingyan let out a tender cry and rushed over, completely bursting out her inner strength and helping Wen Chou Chou block this slap.

boom!

In the next second, I heard a vibration, and then I heard Su Qingyan groan, and she was directly shaken and flew out, flying dozens of meters away, and landed heavily on the ground.

"Pfft..." After landing, Su Qingyan spurted out a mouthful of blood, but her beautiful face was full of determination, and she said to Gone word by word, "Since ancient times, evil has been invincible, and you will not succeed."

Chapter 5499

When he said this, Su Qingyan was shaky and could faint at any time.

Seeing this situation, Wen Chou Chou's heart was cut like a knife, and he couldn't help but howl, "Brother and sister, don't worry about me, if you have a chance, hurry up and leave..."

Su Qingyan was in awe Beloved woman, never let her have an accident.

However, Su Qingyan didn't seem to hear it, but stared at Gone closely. Her whole body was extremely weak, but her whole body was filled with an aura that should not be underestimated.

Haha...

Hearing Su Qingyan's words, Gone was stunned for a moment, and then laughed out loud: "Evil can overcome righteousness? Haha... You are a weak woman, you are so shameless, I want to ask, why are you blocking me? ?"

Su Qingyan bit her lip tightly, and did not answer directly, but raised her dantian, and shouted loudly, "Where is the Twelve Star Dou Shi?" The

voice was clear and sweet, and it spread throughout the Xia Yinzong Mountain Gate.

Boom boom boom...

In the next second, a series of roars erupted in the direction of the forbidden area of the back mountain, and then, in the dust and smoke, twelve figures rose into the sky.

They are twelve middle-aged men, each with a strong aura. It can be clearly felt that none of these twelve people are weaker than Wen Chou Chou and Sun Dasheng, and they can be said to be the strongest among the strong.

In the blink of an eye, twelve men approached and shouted at Su Qingyan extremely respectfully: "Twelve Star Dou Envoys, please follow the Sect Master's orders." The twelve men spoke in unison, full of aura.

"Arrangement!"

Su Qingyan nodded, then opened her red lips and spit out two words.

The Twelve Star Dou Envoy was a position established by Su Qingyan in the Xia Yin Sect half a year ago, and its status was higher than that of the elders, second only to the suzerain.

Speaking of it, the patriarch of Xia Yinzong was the effective subordinate of Emperor Xuanyuan Huangdi thousands of years ago. At that time, Emperor Xuanyuan Huangdi was dissatisfied with the gods' rule over the world and led the crowd to resist. In order to fight against the gods at that time, Emperor Xuanyuan Huangdi created many

mysteries. 's array. After Xuanyuan Huangdi fell, his subordinates took these magic circles and created the Xia Yinzong.

However, with the passage of time, and because these magic circles are too mysterious, in the past few hundred years, the suzerain of Xia Yinzong has been unable to comprehend the essence of these magic circles. Until Su Qingyan became the suzerain of Xia Yin Sect.

A year ago, after Su Qingyan became the suzerain of the Xia Yin Sect, he reorganized the main altar and discovered these dusty secrets. After that, he was very interested and began to study it.

You must know that Su Qingyan used to be the sect master of Wenzong before. She is talented and talented, and is a famous talented girl in Dongao Continent. After following Yue Feng, under the influence of Yue Feng, she also has unique insights into the battle method.

Therefore, it only took Su Qingyan two months to understand the mystery of those magic circles in the secret realm.

Afterwards, in order to deal with the Ouyang family, Divine Realm set up Qin Tianjian in Kyushu. While Su Qingyan invited Wen Chouchou and others to take refuge in the Xia Yin Sect, she also selected twelve outstanding people from the Xia Yin Sect. For the twelve-star Dou Shi, let them mainly study the magic circle.

It can be said that the establishment of the Twelve Star Dou-Envoy is specially designed to deal with the Divine Realm. However, today Gone suddenly killed, Su Qingyan knew that she was invincible, so she pinned her hopes on the Twelve Star Douer.

After all, when Xuanyuan Huangdi created these magic circles, they could block the gods, and they should also be able to block the Supreme Beings of the Demon Race.

“Follow your orders!”

At this moment, upon hearing Su Qingyan's order, the Twelve Star Dou Envoys responded in unison, then rushed over quickly, surrounding Gone in the middle.

Ha ha..

Seeing the formation of the Twelve Stars, the corners of Gone's mouth rose, and his eyes were full of disdain: “How naive, you want to trap me with a single formation?” In his heart, the formation of the twelve-stars in front of him was the same as a few days ago. Compared to the formations of the four great Profound Handle generals, they are completely vulnerable.

hum!

When the last word fell, the power of Gone's demon soul exploded, and a red beam slammed toward the twelve star warlords.

At this moment, I saw Twelve Star Dou Shi's figure changing, and a powerful formation force condensed. Immediately, the red light was directly blocked by the formation's power and disappeared without a trace.

Chapter 5500

What?

Seeing this situation, Gone's heart was shocked, and the whole person was stunned.

This formation is so powerful?

At this time, Gone did not know that the formation formed by the twelve star dou was called the Zhou Tian Xing Dou Great Formation. With this formation, Xuanyuan Huangdi threw hundreds of elites and blocked thousands of heavenly soldiers in the God Realm. Heaven will.

Soon, Gone came back to his senses, and his eyes flashed with madness: "Okay, I want to see how powerful this formation is." The

voice fell, and the power of Gone's demon soul broke out completely, and he fought with the Twelve Star Fighters again. stand up.

....

on the other side, God's Domain.

In the Yutian Palace, Ao Lin was wearing a golden dragon robe, sitting on the throne, his handsome face could not hide the irritability.

On the two sides below, the Haotian God King and the priests stood there, all of them bowing their heads and saying nothing. The atmosphere was indescribably depressing.

A few months ago, the emperor Yue Feng suddenly disappeared, Ao Lin was very anxious, and immediately sent out the guards to investigate, but found nothing, this matter made Ao Lin very annoyed.

The dignified emperors and teachers have disappeared, where will the face of the royal family of the gods be put in the future?

More importantly, Aolin regards Yue Feng as a relative. How can he be happy now that there is no news about Yue Feng?

“Haotian!”

At this moment, Ao Lin’s eyes fell on the Haotian God King, his eyes full of urgency: “I asked you to send your men to Kyushu to check the news of the emperor, how is it now?”

” It is possible to return to Kyushu.

Hearing the inquiry, the God King Haotian took a deep breath and took a step forward to respond: “Go back to Your Majesty, within the past two months, I have searched all over Kyushu, but there is no news of the emperor.”

When saying this, the God King Haotian On the surface, he was respectful and polite, but there was a burst of anger in his heart.

If it wasn’t for Yue Feng to support Ao Lin, the Aotian prince he supported would become the Emperor of Heaven. At that time, he would be under one person and over ten thousand people, not now, with the name of the king of gods, but no real power. .

Huh...

Hearing the answer, Ao Lin’s face suddenly darkened, and at the same time, he became more anxious, and said to the God King Haotian: “If you can’t find it, continue to look for it, no matter how many people you send, you will find the whereabouts of the emperor no matter what. .”

In the days without the master, this Heavenly Emperor is not happy at all.

This...

Seeing Aolin being so persistent, the Haotian God King hesitated and said tentatively: “Your Majesty, is this a bit of a fanfare? Of course, the emperor’s teacher is important, but the affairs of the gods are more important for the time being. I hope that Your Majesty can put more energy into it. In the affairs of God’s Domain...”

He and Yue Feng had always disliked each other, but now His Majesty kept asking him to look for Yue Feng, which naturally contradicted him.

boom! Just before he finished speaking, Ao Lin slammed down the throne and scolded: ” Shut

up, do what I tell you to do, do what you want, are you questioning me?”

majesty.

Feeling Ao Lin's anger, the God King Haotian trembled, and quickly knelt down: "Your Majesty calm down, I dare not." When he said this, the God King Haotian looked terrified, but there was a trace of gloom in his eyes.

Ma De, Ao Lin, when he was not a Heavenly Emperor before, didn't dare to breathe when he saw me, but now that he has become a Heavenly Emperor, he didn't give me face like that in front of the priests.

If there is a chance in the future, it will definitely pull you down from the throne.

"Report!"

At this moment, a divine guard walked in quickly and knelt down to Ao Lin: "Reporting to Your Majesty, Lei Xingyu, who is in charge of the Kyushu Diligent Tianjian, said he had something to ask for, and was waiting outside the hall at this time. "

Ao Lin frowned and raised his hand: "Let him come in."

"Yes, Your Majesty!"

Soon, Lei Xingyu was brought in.

"Lei Xingyu." At this time, Aolin was in a bad mood, and said coldly, "You are not in charge of the Diligent Tianjian in Kyushu, what are you doing back to God's Domain?"
"Go

back to Your Majesty."

Lei Xingyu couldn't hide his excitement, He responded: "The subordinate has a major situation report, which is related to the safety of the world, so the subordinate returned to the God's Domain rashly. It turns out that... that Demon Race Supreme did not perish, but in the Kyushu Continent, seized a human body, and The demon soul has been reshaped..."

In the next few minutes, Lei Xingyu explained the details one by one.
