

The ultimate husband in Chinese chapter 5511-5520

Chapter 5511 Papa

...

At the moment when the voice fell, Lei Xingyu slapped Liu Ruxue with a few whips, and it came out crisply, and he saw Liu Ruxue's delicate body was constantly shaking, and her beautiful face was extremely white. .

At this time, Liu Ruxue, under the severe pain, lost the strength to speak, but there was still determination in her eyes.

"You, look, die."

Seeing her being so stubborn, Lei Xingyu burned with anger.

At the same time, the God King Haotian who was sitting there lost his patience, waved his hand, and said coldly: "In this case, Lei Xingyu, don't talk nonsense with her, kill her, so that her soul will never survive. ."

When he said this, the face of the God King Haotian was full of icy coldness.

Like Lei Xingyu, he also believed that Liu Ruxue in front of him was Gone's subordinate. Otherwise, how could she, a human woman, possess divine power? And, he didn't even spit.

"Yes, Your Highness."

Upon hearing the order, Lei Xingyu responded, and then the divine power in his body exploded, and the air in the entire tent suddenly distorted.

At this moment, Liu Ruxue only felt that she was being suppressed by a big mountain, her face flushed, she couldn't get up, and her heart was even more frightened.

I can't live forever, does this mean I'm going to disappear forever?

At the same time, feeling the divine power that Lei Xingyu burst out, Liu Ruxue was also shocked beyond words.

The power of this person's eruption is the same as the divine power in his own body...

So it seems that they are all from the God Realm...

This chapter is provided by . Visit for daily update.

“I’ve given you two chances, but unfortunately, you didn’t take it well.” At this time, Lei Xingyu used his divine power, condensed it on his right hand, and said to Liu Ruxue word by word, “If that’s the case, then Don’t blame me for being cruel.” Oh

!

When the words fell, Lei Xinyu raised his right hand and slapped it abruptly on Liu Ruxue’s head.

This palm contains 100% of his divine power. As long as it is photographed, Liu Ruxue will not only eliminate the damage to his fragrance, but his soul will also be completely scattered, and he will never be born again.

Huh...

At this moment, Liu Ruxue wanted to struggle and resist, but the acupoints were taped on her body and she couldn’t move at all. In the end, she could only sigh and closed her eyes in despair.

At the same time, there is some dissatisfaction in my heart.

If I had known that coming to another world would lead to such an end, I shouldn’t have listened to Yue Feng at that time, fighting to the death in the mysterious realm of the sky, and maybe even killing the Prince Haotian.

In despair, Liu Ruxue’s tears ran down her cheeks.

Senior brother in charge, I’m sorry, junior sister can’t help you get revenge...

“Repay...”

Seeing that the top of Liu Ruxue’s head was about to be smashed to pieces, just at this critical moment, a magic soldier’s head was full of The Great Khan rushed in and shouted: “His Royal Highness Qi, there is news of the Supreme Being of the Demon Race.”

When he spoke, the Divine Soldier couldn’t hide the excitement on his face.

Swish!

Hearing this, Lei Xingyu stopped in time, his eyes locked on the magic soldier, full of urgency.

At the same time, Haotian God King also stood up abruptly: “Come on, where is it.”

Huh...

The magic soldier took a deep breath and replied quickly: "Nagone is at the main altar of Xia Yinzong, and the two sides have already fought. According to the information obtained from the inquiries, a female demon king of the demon tribe gave birth to a demon a few months ago. The child, the child was kidnapped by Yue Wuya, the sect master of Tianmen, and Yue Wuya and the Ouyang family have been living in seclusion in the Xia Yin Sect for the past six months."

"In order to get the child back, the Supreme Demons took their anger at the Xia Yin Sect. "..."

After saying this, the magic soldier raised his head and probed at the God King Haotian: "His Royal Highness, what should I do next? Please ask for instructions."

Xia Yinzong?

Knowing the situation, Haotian God King's expression became complicated, but soon, there was a trace of excitement in his eyes.

Thousands of years ago, Emperor Xuanyuan and Divine Realm turned against each other and led a group of followers to fight against Divine Realm. Later, Emperor Xuanyuan Huang died, but his subordinates fled to the mainland of Kyushu and secretly founded Xia Yinzong.

For thousands of years, God's Domain has always wanted to clear the Xia Yinzong, but the position of the Xia Yinzong is too hidden. At this time, when he learned that Gone and the Xia Yinzong fought, the God King Haotian realized that he had established his own merits. The opportunity has come.

"Pass my order."

At this time, a smile appeared on Haotian God King's face, and he said slowly: "All the soldiers assemble quickly and go to Xia Yinzong." This time, not only will he take Gone, but also destroy Xia along with him. occult.

Chapter 5512

"Follow the order.." After

receiving the order, the magic soldier responded and quickly left the camp.

At this time, Lei Xingyu calmed down and said, "I didn't expect Gone to find the position of Xia Yinzong. They fought fiercely, which is a good thing for us." After speaking

, Lei Xingyu started running . With the palm of his hand, he was about to kill Liu Ruxue in front of him.

“Wait a minute!”

At this moment, the God King Haotian had a complicated expression and said slowly, “Keep this woman for now. When Xia Yinzong comes, maybe you can use her to deal with Gone.”

In his subconscious, he identified Liu Ru . It was through Gone that Xue obtained the divine power of Lei Xingyu’s three younger brothers, so the relationship between Liu Ruxue and Gone must be very close.

Hearing this, Lei Xingyu hesitated, but nodded and said, “Follow the name of the king of gods.”

He believed that Liu Ruxue and Gone had killed his three younger brothers, and he wanted to kill her immediately. Kill, but Haotian God King said so, but also can endure.

After all, the God King Haotian has a detached status, and his prestige in the Divine Realm is second only to His Majesty. Who would dare not listen to his words?

Um!

Seeing his promise, the God King Haotian nodded and strode out of the tent.

Lei Xingyu followed with Liu Ruxue.

Phew....

regaining a life, Liu Ruxue secretly let out a long sigh of relief, but thinking of the unknown situation she was about to face, she felt a little uneasy in her heart.

Even if they can’t die temporarily, in their hands, won’t the final end be the same?

.....

On the other hand, Xia Yinzong.

In the forbidden area of the back mountain, after Hai Linger successfully led Mo Yan into the underground secret passage, she immediately returned to the room.

call!

After entering the room, Hai Ling’er couldn’t help but breathe a sigh of relief when she saw that the child was still sleeping in the cradle.

Finally, the witch was trapped.

But seeing the child's cute face carved in pink and jade, Hai Ling'er's mood suddenly became complicated again. Although Moyan was an evil demon queen, after all, she was also the child's biological mother.

Isn't it also inhumane to separate them from flesh and blood by what he did just now?

For a time, Hai Ling'er sat in front of the cradle, lost in thought

...

At this moment, in the underground secret passage.

Mo Yan didn't know how long it took to turn around, but she couldn't find an exit. Her beautiful face was full of sweat, but her heart was extremely anxious.

How big is the underground secret passage of this Xia Yinzong?

Do you want to be trapped here forever?

Thinking of this, Mo Yan felt even more upset, but at this time, she saw a small bulge on the wall in front of her, and she couldn't tell without looking closely.

Is it an agency?

Finding this, Mo Yan walked over immediately, without any hesitation at the time, she directly pressed the protrusion.

Speaking of which, Moyan, as one of the twelve holy demon kings of the demon race, has always acted cautiously. If it was normal, she would never be so reckless, but at this time, in order to leave the secret path, she was desperate and didn't care so much.

card wipe....

As soon as I pressed the bump, I heard a burst of noise under my feet, and then, in the corner not far ahead, a half-meter-high hole emerged.

Inside the cave, it was like a downward passage.

However, Mo Yan noticed that this hidden passage was very different from the secret passage I walked through just now. It was short and narrow, and the stone slab above was engraved with complicated patterns.

Huh ...

For a while, Rao was Moyan's mental toughness, but at this time, he was also stunned.

Unexpectedly, there is another mystery hidden under this huge secret passage.

If you can't get out anyway, let's see what's below.

Thinking to herself, Mo Yan took a deep breath, tried her best to calm herself, and then bent down and got in.

call!

After walking dozens of meters, the narrow passage suddenly became clear, and Mo Yan couldn't help taking a deep breath when she saw the scene in front of her.

I saw that there was a huge secret room in front of me. It was said to be a secret room, but it was more like a hidden dungeon.

This dungeon is the size of three basketball courts, and it is not square. The plane looks like a gossip, and on the eight walls, densely written words and some simple pictures.

Chapter 5513

In the center of the dungeon, is a stone platform more than three meters long, on which sits a skeleton.

The skeleton is wearing a wide robe. The four feet of the stone platform have a protrusion with a cold iron chain tied to it, and the other end of the cold iron chain is locked with the skeleton's hands and feet.

Obviously, this skeleton was trapped here alive.

It's just... Who the hell is he who can make Xia Yinzong treat him with such fanfare?

For a while, Mo Yan saw this, and she couldn't help but feel overwhelmed for a long time.

Huh...

After a few seconds, Mo Yan recovered, walked slowly to the nearest wall, and carefully read the words on it: "My generation Zhao Yanxiao, as the elder of the Xia Yin Sect, was confused for a while and stole the sect. The secret manual of the door formation is really sinful, and I regret it later..." A

few minutes later, after reading the words on the wall, Mo Yan suddenly understood the situation.

It turned out that the skeleton sitting on the central stone platform was Zhao Yanxiao, the great elder of the twelfth generation of Xia Yinzong. This Zhao Yanxiao was extremely talented.

In the forbidden treasure house of Xia Yinzong, the magic circles created by Xuanyuan Huangdi have been sealed, but these magic circles are very mysterious and profound. Since the founding of Xia Yinzong, almost no one has been able to comprehend their essence.

It is precisely because of this that these magic circles are sealed up.

However, Zhao Yanxiao was very obsessed with the battle technique, so he secretly stole the secret tome of the magic formation, and secretly observed and researched it, but unfortunately he didn't find it after a long time. No one is allowed to watch except the head, even if Zhao Yanxiao is the Great Elder.

Speaking of which, this matter can be big or small. At that time, after Zhao Yanxiao was arrested, he did not regret it at all. Instead, he contradicted the headmaster and pointed out that as long as he was a disciple of Xia Yinzong, he was qualified to study this magic circle. The rules are very unreasonable. Not only that, Zhao Yanxiao also challenged the head on the spot.

The Sect Master was very angry, and immediately accepted the challenge. The two sides fought fiercely for a day and a night. In the end, Zhao Yanxiao missed and severely injured the Sect Master, causing the Sect Master to die.

The head of the sect died tragically, and Zhao Yanxiao suddenly became the public enemy of the entire Xia Yinzong. At that time, countless elite disciples joined forces to subdue Zhao Yanxiao and then imprisoned him in this secret room.

After being detained, Zhao Yanxiao was very unconvinced at first, but as the days passed, he gradually realized his mistake and began to regret it.

At the same time of repentance, Zhao Yanxiao also engraved all the results he had learned from the secret tome of the magic circle on the surrounding walls, so that Xia Yinzong could pass on.

It's a pity... After Zhao Yanxiao was imprisoned, everyone in the Xia Yin Sect held resentment because of the death of the head, and didn't care about him. From the time he was imprisoned to the moment when the dungeon was discovered by Mo Yan, there was not a single one. People came down.

Sigh...

After reading the handwriting on the wall, Mo Yan looked at Zhao Yanxiao's remains in front of her, and couldn't help but sigh, not only feeling sorry for him in her heart.

Immediately, Mo Yan turned to look at the dense and complex graphics on the wall. She didn't feel anything at first, but gradually became extremely shocked.

This Zhao Yanxiao is worthy of being a master of the formation of the Xia Yinzong generation. The graphics on the wall are all the deployment and breaking methods of many deep magic circles in the magic circle secret book.

Moreover, the details of each step are displayed in great detail with graphics.

Of course, this was not what shocked Mo Yan the most. What was most shocking was that many of the formations depicted on the walls were profound formations that she had never seen or heard of.

What the Zhou Tianxingdou Great Formation, the Great Desolation Ten Great Formations, the Great Wheel Mingwang Formation, the Blood Sea Samsara Formation... These wonderful and profound formations are all the essence of Xuanyuan Huangdi's creation back then.

For a while, Mo Yan was gradually immersed in it, completely forgetting where she was.

Before I knew it, more than an hour passed.

This...

After reading all the magic circle deployment and cracking methods on the wall, Mo Yan couldn't help taking a deep breath and sighed secretly: "I never thought that a small Xia Yinzong would appear hundreds of years ago. Such a genius of formation."

"But unfortunately, such a genius is locked in this place, and no one cares until he dies..."

Chapter 5514

After feeling emotional, Mo Yan suddenly thought of something and patted her forehead.

What do you feel about a dead person? Aren't you trapped here now?

Thinking to herself, Mo Yan turned around and walked out of the dungeon, returned to the secret passage above, and continued to investigate.

In the blink of an eye, half an hour passed, Mo Yan had no clue at all, and she became completely anxious. She immediately activated the power of the primordial spirit and shouted: "Child, where are you?"

"Child, where are you..."

The sound spread out through the secret passage extending in all directions, and a sound echoed....

On

the other side, in the room above the secret passage.

Hai Linger sat in front of the cradle and thought about it for a while. When she tilted her head, she saw that the child had woken up at an unknown time and was staring at herself blankly, so cute.

“You’re awake.”

Hai Ling’er showed a smile, took the child out, and was about to leave the room.

The sound of fighting in the front hall continued, and I didn’t know what happened to Brother Wu Ya and Uncle Wen.

After Hai Linger thought about it, she took the child to the front to see the situation.

“Child, where are you...”

However, at this moment, a shout came from the ground under his feet, and it was Mo Yan’s voice.

“Wow..” The

so-called mother-child connection, suddenly heard the mother’s cry, a well-behaved child, and burst into tears.

Hai Ling’er was startled, and quickly patted her softly and coaxed her: “Dear, don’t cry...” However, the more she coaxed, the more the child cried.

This....

Faced with this situation, Hai Linger changed several ways, but she still couldn’t make the child stop. Immediately, Hai Linger was a little anxious, and at the same time, her heart began to shake.

“He’s still so young, but he can hear his mother’s cry all of a sudden... Is this the mother-son connection?”

Said to herself, Hai Ling’er bit her lip, and began to struggle in her heart.

Forget it, the children are innocent, so don’t let their mother and child be separated.

Finally, after more than ten seconds, Hai Linger made up her mind, carried the child to open the entrance of the secret passage, and walked in directly.

Hai Linger had lived in Xia Yinzong for so long, and she was Yue Wuya's girlfriend. Naturally, she was very familiar with this underground secret passage. After a while, she found Mo Yan's location.

Swish!

At this time, Mo Yan was already a little desperate, and she suddenly saw Hai Ling'er appear holding the child, her delicate body trembled, and her whole body was stunned.

Child, my child...

Seeing Mo Yan's excited look, Hai Ling'er took a deep breath and said softly, "Take the child with you, but I have one condition." While speaking, Hai Ling'er looked at Mo Yan in his arms.

Will Brother Wu Ya blame me for handing over the child?

He should understand.

"Okay."

Hearing Hai Ling'er's words, Mo Yan did not hesitate at all, nodded and said, "What conditions, you say."

Huh...

Hai Ling'er took a deep breath and said seriously, "In the future, I can no longer be enemies with the Ouyang family and Xia Yinzong, let alone cause harm to the world."

As the words fell, Mo Yan frowned and pondered.

A few seconds later, Mo Yan nodded: "Okay, I promise you." The moment she saw the child just now, she thought about it. It doesn't matter what to do to revive the demons. She just wanted to be with the child quietly. grow up.

Seeing her promise, Hai Linger didn't say anything more, walked over and handed the child to Mo Yan.

"Child, mother misses you so much..."

At this moment, Mo Yan hugged the child tightly, her delicate face was full of smiles, but her eyes flashed with tears. Although she has been separated from her child for more than two months, in her heart, she feels that they have been separated for a long time.

“Follow me.” Hai Ling’er let out a sigh of relief and said something before leading the way.

Mo Yan responded and followed closely with her child in her arms.

A few minutes later, Hai Linger took Mo Yan out of the back mountain.

Hai Linger glanced at the child reluctantly, and said to Mo Yan, “Let’s go, remember your promise.” After two months of being together, Hai Linger almost regarded the child as her own. feel bad.

“Thank you.”

At this moment, Mo Yan bit her lip lightly and responded with a sentence, then moved her figure, flew up, and went away.

Chapter 5515

When flying into the air, Mo Yan couldn’t help but look back at the direction of the hall.

I saw that in the sky above the open space of the main hall, Gogne was still fighting with the Twelve Star Fighters.

“Your Highness, I’m sorry.”

After taking a look, Mo Yan muttered to herself, then turned around and sped away.

To be honest, Mo Yan didn’t want to leave Gogne alone, but she also didn’t want her young child to go through such a tragic struggle. After weighing it in her heart, she finally chose to leave.

.....

At this moment, this side of the main hall.

Bang Bang Bang...

The battle between Gogne and the Twelve Star Fighters is getting more and more intense.

I saw Gogne’s figure turned into a bloody afterimage, constantly colliding with the Zhou Tianxingdou in front of him, trying to use the power of the demon soul to forcibly break the formation.

However, at this time, with the cooperation of the Twelve Star Dou Envoys, the Zhou Tian Xing Dou Great Array has been transformed into the strongest defensive form. force, constantly suppressing Gone.

“Ah...”

After countless failures to break the formation, Gone roared up to the sky, looking crazy, and his eyes were full of unwillingness.

Is this God's will?

After finally remodeling the demon soul and demon body, and restoring the peak strength, they were trapped by these humans with a formation.

Um?

While unwilling, Gone looked through the formation and saw the sky not far away, a slender figure was holding the child and was leaving.

Not who is Mo Yan?

“Moyan...”

Seeing this scene, Gone's heart was shocked, and he couldn't tell the anger.

In his heart, Mo Yan has always been loyal, and he never thought that until now, this most loyal subordinate would betray him and flee.

In a predicament and betrayed by his subordinates, in an instant, Gone's eyes were blood red, and his expression became insane.

Here comes the opportunity.

Seeing Gone's state, the twelve-star fighting emissaries looked at each other with a tacit explosive strength, and they all attacked Gone.

“Want to raid?”

Seeing the twelve Star Dou Emissaries bursting out together, Gone's eyes flashed coldly, and with a roar, his palms burst out to meet the two Star Dou Emissaries in front of him.

Bang Bang...

In the next second, I heard two dull sounds. After the collision between the two Star Douers and Gone, they were directly knocked back by the air.

However, it was at this time that the other Star Douers burst out, and the ten forces slammed into Gone at the same time.

“Boom...”

In an instant, a roar was heard, and Gone’s burly body was directly shaken and flew out, flying hundreds of meters away, and finally smashed a stone tower before falling down.

Wow...

Seeing this scene, the disciples of the Xia Yin Sect watching the battle below burst into cheers.

“Have you won?”

“Is this the magic circle of our Xia Yinzong? It’s so strong...”

The cheers came from the surrounding, and Su Qingyan, who was sitting there recovering, also showed a smile at this time. Fortunately, I had the foresight to choose the Star Dou Envoys half a year ago and let them devote themselves to studying the magic circle. Otherwise, Xia Yinzong would not be able to escape today.

This...

At the same time, Wen Chou Chou and Sun Da Sheng were also shocked.

Is this the magic circle created by Xuanyuan Huangdi and handed down by Xia Yinzong? It’s so strong, it’s much stronger than the formation that Fengzi has learned.

Swish swish...

Just when everyone was amazed and excited, the twelve star war envoys burst out one after another, surrounding Gone who fell to the ground again.

“Goni!”

At the same time, Su Qingyan stood up slowly, looked at Gone from a distance, her tone was clear and cold: “Give it up, this magic circle was created by Emperor Xuanyuan back then, even if it is the god of the gods. In the future, you will be helpless, you can’t crack it.” The

voice was not loud, but there was no doubt.

call!

Hearing this, Gone took a deep breath, and then laughed up to the sky: "Haha, it's interesting, it's really interesting... I didn't expect that I, Gone, have been in the world for nearly 10,000 years, whether it's the ancient ancestor or the emperor of heaven. He was afraid of me for three points, but now he was taught a lesson by a human woman in public."

Laughing, Gone squinted and looked at Su Qingyan tightly: "The formation created by Emperor Xuanyuan is indeed exquisite, but to destroy me, it's not enough!"

The ultimate husband in Chinese chapter 5516-5520

Chapter 5516

Om!

The voice fell, and Gone's hands suddenly raised, and in an instant, accompanied by a dazzling blood-colored light, a blood-red light ball slowly flew out of his body.

It was Gone's demon soul.

In the next second, the demon soul turned into a golden-red light, shrouding Gone, and forming a golden-red armor on his body, he saw that this armor, although it was an illusion of a demon soul, looked like the substance.

The moment the armor was formed, the aura that permeated Gone's body instantly increased several times.

Phew...

Feeling the terrifying power permeating the air, the twelve-star fighting envoys surrounding them couldn't help but take a deep breath, and their faces became extremely solemn.

It is worthy of being the Supreme Being of the Demon Race, even with such a disadvantage, it is still possible to burst out such terrifying power.

Also, how did the armor on him form?

At the same time, Wen Chou Chou, Sun Dasheng and others, who were sitting cross-legged not far away to recover their inner strength, were also secretly shocked.

Especially Wen Chou Chou, I was shocked beyond words.

What's going on here? Gone was clearly suppressed by the formation, how did his strength suddenly become so strong? Could it be that in the human world, there is really no way to control this Demon Race Supreme?

At this time, Wen Chou Chou didn't know yet, but Gone's move had a lot of history and was called the Heavenly Demon Hegemony.

With the power of the demon soul, the armor is condensed around the body to form a terrifying domineering body, and the defense power can be instantly increased by ten times.

Of course, it stimulated the demon body, and the defense increased, but there were also drawbacks, that is, the power of the demon soul would be consumed faster.

This chapter is provided by . Visit for daily update.

Speaking of which, Gone didn't take the Twelve Star Dou Emissary seriously at all, nor did he think about using the Heavenly Demon Body, but at this time he was trapped in the Zhou Tian Xing Dou formation and couldn't rush out, which made Gone very uncomfortable. Annoyed, he had no choice but to take risks.

Gone thought about it, after he used the Demonic Hegemony Body, even if he couldn't break the formation, the other party would have nothing to do with him. Moreover, after all, these twelve-star Dou-Envoys are human beings with limited internal strength. If they continue to drag on, they will definitely be unable to hold on .

Om....

at this time, the twelve star dou envoys reacted one after another, and together they condensed a sword shadow, which erupted towards Gone.

Just saw this sword shadow, as fast as thunder, carrying the power of opening up the world, the power is very amazing, looking at the entire Kyushu, no one can stop it.

Hehe...

However, Gone smiled contemptuously, suspended in mid-air, watching the sword shadow getting closer and closer, without moving, without any intention of dodging.

"Boom!" In the

next second, the sword shadow burst out and slammed on Gone's armor. A roar was heard, and the sword shadow instantly collapsed, and the powerful burst of power was completely offset by the armor.

And Gonie just swayed slightly, without taking any damage.

Hiss...

Seeing this, the Twelve Star Dou Emissaries couldn't help gasping for air, and looked at Gone blankly, their eyes filled with incredible.

This defense is too terrifying, the sword shadow just now, but the internal strength of twelve people is integrated.

"Oops!"

At this moment, Wen Chou Chou also frowned, unable to hide his shock, and said to himself, "This armor's defense is so strong, this is a big trouble."

Hearing this, Sun Dasheng couldn't help but say: "What if the defense is strong? He is not trapped in the formation, anyway, we have time to spend with him." As he

said, Sun Dasheng's eyes were full of confidence.

Wen Chou Chou smiled bitterly, shook his head and said, "You're wrong to think like this. Although this formation is powerful, the twelve-star Douer has limited internal strength after all."

"This formation can only trap him for a while, it is impossible to trap him forever. , once the Twelve Star Dou Envoy's internal strength is exhausted, it will be a doomed situation to welcome all of us."

Wen Chou Chou acted calmly, and was observant, at a glance, it was obvious that Gognier was wasting time. It can be said that in this situation, the longer it is delayed, the worse it will be for everyone.

After all, although the Twelve Star Dou Emissary is strong, it is only a mortal body.

Chapter 5517

"Brother Wen, don't worry."

Just when Wen Chou Chou was secretly anxious, Su Qingyan, who was not far away, said softly, "I carefully selected the Twelve Star Fighters, and you just now I've already thought of the situation I mentioned."

When she said this, Su Qingyan stared at the battle situation in front of her, with a bit of confidence in her eyes.

Huh....

Hearing this, Wen Chou Chou secretly breathed a sigh of relief. He knew Su Qingyan very well, and he would not say things that he was not sure about easily.

Bang bang bang...

At this moment, I saw Gone break out again, trying to break through the siege, the terrifying force swept away, and the twelve star war envoys around were all shaken back, and all of them turned pale. .

Wen Chou Chou's guess was good. The twelve-star Dou Envoys fought fiercely for several hours. At this time, their internal strength was exhausted.

However, after being shaken back, none of the Twelve Star Dou Envoys flinched, their silhouettes changed, and they rushed up quickly, again surrounding Gone in the middle.

"Haha..."

At this moment, Gone sneered, looking extremely arrogant, and looked at the Twelve Star Dou Envoy mockingly: "Do you want to continue to consume with me? It's totally courting death, I'll give you a chance, all of them will serve the deity. , this deity will give you a chance to live."

When he spoke, Gone looked arrogant.

He clearly noticed that the Twelve Star Fighters in front of him, after a few hours of fierce battle, are now getting weaker and weaker, and their internal strength is almost exhausted.

It's just that the magic formation they formed is very mysterious and exquisite, and it would be a pity to kill them all, so it is better to keep them for yourself. Anyway, I need to revive the demon clan, and I urgently need talents.

However, in the face of the conditions thrown by Gone, none of the Twelve Star Dou Envoys were moved, all of them were indifferent.

"Want us to serve you? Do you want to help Zhou? Stop dreaming."

"That's right... We were born from the Xia Yin Sect, and died as the soul of the Xia Yin Sect..."

"You think our internal strength is seriously exhausted . , you can break the formation? You are wrong."

At the same time as the twelve star dou envoys said, they took out the spirit beast inner core almost at the same time, and saw that these spirit beast inner core exudes a dazzling light, contains are very powerful.

Buzz buzz...

The next second, the twelve Star Dou Envoys smashed the inner core and quickly merged the disintegrated spiritual power. In the blink of an eye, the face that was originally weak, instantly full of energy, and the strength of the whole body became full.

Spirit Beast Inner Pills are things transformed by powerful spirit beasts in their bodies. The stronger their strength during their lifetime, the stronger the inner pills they contain. The inner pills that the Twelve Star Dou Envoys fused just now have the lowest energy. Above the level of Emperor Wu.

Huhu...

At the moment when the strength of the Twelve Star Dou recovered, the Zhou Tian Xing Dou Great Array formed also burst out with a powerful array of coercion.

In an instant, feeling the pressure from the formation, Gone's proud face suddenly became solemn, and his heart was also extremely frightened.

Ma De, these people from the Xia Yinzong are really insidious enough, and they even carry the spirit beast inner elixir with them.

There is a retail inner alchemy that provides them with a steady stream of internal strength, when will I be able to break through?

Haha...

And seeing this scene, Wen Chou Chou and Sun Da Sheng both showed excited smiles.

Especially Wen Chou Chou, when he was in a good mood, he couldn't help but nodded his head towards Su Qingyan and said, "Brother and sister are really admirable."

Su Qingyan smiled lightly: "Brother Wen, don't praise me, I used to In order to prevent accidents from happening, each of the Twelve Star Dou Envoys carried some spirit beast inner pills on their bodies. Unexpectedly, they came in handy today.

After saying that, Su Qingyan glanced at Gone who was trapped. He continued: "Although the armor on his body is strong in defense, it also consumes a lot of magic power, let's quickly restore our strength, and then find an opportunity to subdue him. After he said that ,

he closed his eyes and resumed his practice silently.

Hmm!

Hearing this, Wen Chou Chou and Sun Dasheng nodded, and quickly held their breaths and entered

a state of cultivation. You are better off dead. “

At this moment, after being rejected by the Twelve Star Dou Emissary, Gone's face was extremely ferocious, and after a loud roar, a terrifying aura broke out all over his body, and he rushed up directly.

Chapter 5518

At this time, Gone was indescribably annoyed.

I thought they could easily consume the Twelve Star Fighters by using the Heavenly Demon Hegemony Body, but they didn't expect that they would carry the Spirit Beast Inner Core on their bodies.

Swish swish...

Seeing Gone's attack, the twelve-star dou-emissaries looked at each other without flinching at all, and they all moved their figures to meet them.

Huh...

Seeing that the two sides fought fiercely again, the disciples of the Xia Yin Sect below couldn't help but sweat for the twelve-star Dou-Emissary, even though all the 12-star Dou-Emissary took the spirit beast inner elixir and temporarily recovered their internal strength. But the armor around this Demon Supreme's body is also very strong in defense.

It is really hard to predict who will win and who will lose in the end...

At this moment, Yue Wuya watched the fierce battle in mid-air and wanted to rush up to help Twelve Star Dou. Urgently need recovery.

If only his father was here, he would definitely have a way to deal with Gone.

“Brother Wuya.”

Just when Yue Wuya was thinking about this, he saw a slender figure running from the forbidden area behind, with a delicate and beautiful face that could not hide his worries.

It was Hai Ling'er.

“Brother Wuya.. How are you?” Hai Ling'er hugged Yue Wuya, very distressed and worried. She clearly felt that Yue Wuya's heart was traumatized.

While asking, seeing the tragic scene in front of her, Hai Linger was even more shocked.

I thought it was a provocation from the Sea Dragon Temple, but with the strength of the Xia Yin Sect, it was easy to deal with, but I never thought that the scene was so tragic, the corpses of the disciples of the Xia Yin Sect were everywhere, and the ground was dyed red. ..

Phew...

Feeling Hai Linger's concern, Yue Wuya breathed a sigh of relief and said with a smile, "I'm fine, we haven't gotten married yet, I can't die if I say anything..."

Then, he smiled. He looked at Hai Linger with tenderness in his eyes.

When the words fell, Hai Ling'er's delicate face instantly became extremely red, and she couldn't hide her shyness: "Brother Wuya, what are you talking about?" There are so many people around, how embarrassing.

Seeing her shy face, Yue Wuya couldn't help laughing, and suddenly thought of something: "By the way, you're out, where's the child?"

Hmm...

Hai Ling'er's delicate face instantly became complicated, and she gently bit his lip, he hesitated: "Brother Wuya, I.. I told you, don't be angry."

Seeing her say this, Yue Wuya realized that something was wrong, and quickly said: "Is something wrong with the child?" Seriously, He used to feel conflicted because the child's mother was a demon, but after this period of contact and the fact that the child was his half-brother, his heart gradually changed, and he became more and more close to the child.

If something happened to the child, Yue Wuya really didn't know what to do.

"The child is fine."

Hai Ling'er sighed lightly and said in a complicated tone, "I just... gave him to his mother."

What?

Hearing this, Yue Wuya was shocked, and looked at Hai Linger closely, very puzzled: "Why do you do this?" Just because of the child, Xia Yinzong just died, such a disciple, but now she has The child is handed over, so many disciples died in vain?

More importantly, the child's mother is a demon king, cruel and cruel, even if she returns the child, she will not be grateful.

“Brother Wuya..”

Seeing the change in Yue Wuya’s face, Hai Ling’er felt uneasy, but she still said softly, “I don’t know if I’m doing this right, I just think it’s inhumane to separate them from mother and child. The woman has promised me that she will not trouble the Xia Yinzong and the Ouyang family, and she will not bring trouble to the rivers and lakes...”

Yue Wuya was stunned, and then smiled bitterly: “Linger, you are so stupid, Mozu. How can you believe it?” After speaking

, Yue Wuya took a deep breath and continued: “Forget it, since you have already returned the child to her, it is useless to say anything now.”

Hai Ling’er lowered her head, as if A child who did something wrong: “Brother Wuya, don’t worry... I don’t think that woman will lie to me.”

Yue Wuya smiled and stopped talking.

...

On the other side, Mo Yan flew forward with the child in her arms, her expression was calm, but her heart was extremely tangled.

Is it really right to walk away with the child on your own?

Without my own help, I don’t know how your honor is doing now.

Chapter 5519

What to do?

If something happened to the honor, the Demon Race would really cease to exist. How could it be possible to revive the Demon Race by relying only on herself and her children...

For a while, the more Mo Yan thought about it, the more confused her mind became.

Whoosh!

Seeing a mountain in front of her, Mo Yan bit her lip tightly, landed on the top of the mountain quickly, and then turned her head to look towards the main altar of Xia Yinzong.

I saw that over the Xia Yinzong, the dark clouds were rolling, and the roar of fierce battles continued to come, and vaguely, I saw Gone wearing golden red armor, still fighting with the twelve stars

... .Your Majesty used the Demon Hegemony Body.

Seeing this scene, Mo Yan's delicate body trembled, and her beautiful face couldn't hide her anxiety.

Others don't understand it, but Moyan, as one of the twelve holy demon kings of the demon race, can tell at a glance that Gone has been forced to a desperate situation, otherwise, he will not easily display the demon body.

You must know that the Demon Hegemony body consumes the power of the Demon Soul very much.

Realizing that Gone's situation was not good, Mo Yan felt even more ashamed. As one of the Twelve Holy Demon Kings, she had sworn allegiance to Zunshang and the Demon Race forever, but at a critical moment just now, she escaped with her child.

Um?

Feeling ashamed in her heart, Mo Yan carefully observed the position of the Twelve Star Dou Emissary, and her heart was even more shocked.

The formation they formed... Isn't that the Zhou Tian Xingdou Great Formation that I saw on the wall in the dungeon before? How is this possible? For nearly a thousand years in the entire Xia Yin Sect, except for Zhao Yanxiao, who was trapped in the dungeon, no one has ever been able to comprehend the mystery of this formation.

But the twelve star Dou Envoys in front of them are composed of the Zhou Tian Xing Dou Great Array...

Under the shock, Mo Yan only felt that her brain was buzzing and messy. At this time, Mo Yan didn't know that as early as half a year ago, Su Qingyan realized the mystery of the formation.

Phew ...

A few seconds later, Mo Yan decided to go back and help Gone after some inner battle. It's really inconvenient to just have kids. Looking at the surrounding environment, Moyan placed the child on the top of the mountain, and then found some stones to surround it to ensure that the child would not roll off the top of the mountain.

After doing this, Mo Yan mobilized another force to condense a protective film, covering the child.

After making sure everything was safe, Mo Yan looked at the child closely and said softly, "Child, mother will be back soon, you must be good..." The

last word fell, Mo Yan took a deep breath, and her body was graceful. He started and rushed towards the main altar of Xia Yinzong.

call!

Soon, when they arrived at the main altar of Xia Yinzong, Mo Yan's body trembled when she saw the scene in front of her.

It was seen that Gone was tightly suppressed by the Twelve Star Dou Emissary, and the situation was very critical. Although he had used the Demon Hegemony Body, the power of the Demon Soul was depleted too quickly.

“Your Highness!” In the

next second, Moyan reacted and shouted at Gone, “I’ll help you break through the formation.” Feeling the power of the Zhou Tianxingdou formation at close range, Moyan was shocked at the same time. Somewhat fortunate.

Fortunately, in the dungeon below the secret passage, I saw the method of breaking the formation, otherwise, the honor will not escape.

Swish!

Hearing the shouts, whether it was Gone and the Twelve Star Fighters, or everyone below, all eyes were on Mo Yan.

“Oops...” Wen Chou Chou’s face changed, and he couldn’t help but say, “This woman is back, now it’s troublesome.” He, the Great Sage, and his younger brother Su Qingyan were all severely injured. , Only the Twelve Star Fighters can fight against the enemy.

However, the Twelve Star Fighters are dealing with Gone. In this situation, who can be Mo Yan’s opponent?

At the same time, Yue Wuya also looked closely at Mo Yan, his face could not hide the hostility, then he sighed deeply, and said to Hai Linger: “Linger, you see, the demons are the demons. , how is it possible to keep the word?”

How could this be?

Hai Ling’er looked at Mo Yan’s sudden return, and regretted it in her heart. When she heard Yue Wuya’s words again, her delicate face suddenly showed a bit of shame.

“Hey!”

But soon, Hai Ling'er calmed down and shouted at Mo Yan, "You promised me that you would not participate in any disputes, let alone fight against the Ouyang family and Xia Yinzong. Do you go back on your word?"

Chapter 5520

When shouting, Hai Linger's eyes were full of anger.

This....

Facing Hai Linger's questioning, Mo Yan's expression instantly became embarrassed. She originally agreed to leave, but now she suddenly returns, it is really unreasonable.

At this moment, Mo Yan thought for a while, and responded to Hai Ling'er, "Don't worry, I'll do what I say. I won't hurt Xia Yinzong and the Ouyang family. I just want to rescue Zun Shang."

She thought about it, After the formation is broken, I will take Gone away as soon as possible, and will not stay any longer.

I just help break the formation, and don't hurt the people of Xia Yinzong, it is not a violation of the oath.

Seeing her say this, Hai Ling'er was stunned, not knowing how to respond for a while.

Break the formation?

At this time, Yue Wuya, Wen Chou Chou, Sun Dasheng and others all frowned secretly.

This week's star-fighting formation, even Gone is helpless, she is only Gone's subordinate, will she know how to break the formation?

"Moyan!"

At this moment, Gone, who was trapped in the formation, looked at Moyan closely, his eyes flickering coldly: "Didn't you escape with your child? Is there a face to come back?"

Thinking of the scene of Moyan's departure just now, Gone couldn't hold back his anger.

Uh...

At this moment, Mo Yan was terrified, and quickly said: "Your Highness, I... I didn't think about running away, just... I just didn't want to take the child to risk... Besides, my subordinates already know it. The way to break the formation..."

Mo Yan's tone trembled when she answered.

This was the first time she had lied in front of Gone, and despite her efforts to calm herself, she couldn't help being nervous.

"The method of breaking the formation?"

Gone's eyes narrowed slightly, with a look of disbelief: "Moyan, you are no longer the Moyan you used to be. Do you think the deity will believe what you say?"

"He pointed to Hai Ling'er below: "Did you secretly make a deal with them? Or, are you conspiring with them to deal with the deity?" The

last sentence, although not loud, contained a suffocating pressure .

"I..."

Facing Gone's repeated questions, Mo Yan was completely panicked, bit her lip tightly, and said in panic, "This subordinate has not betrayed, let alone deal with your superior, I just ask them to return the child Give it to me, then promise them not to participate in the dispute."

She knew that these things could never be hidden from Gone, so she might as well say it directly.

What?

Knowing this, Gone's face changed, and he couldn't help shouting angrily: "It's ridiculous, they are just a bunch of ants, what qualifications do they have to negotiate with the demons? Moyan, I'm so disappointed in you..."

"Your Highness..." Moyan's heart trembled and she wanted to continue to explain, but under Gone's anger, she didn't know how to speak.

Buzz....

At this moment, a powerful aura suddenly came from the sky not far away.

Feeling this fluctuation, whether it was Gone or the others present, they all turned their heads to look, and they were all shocked.

I saw that thousands of golden figures came from the sky, all golden armors, the momentum was like a rainbow, and the surging aura distorted the sky.

There are thousands of elite soldiers.

In front of these divine soldiers are two burly figures, one of them wearing purple-gold armor, his eyes are as cold as a falcon, and he is majestic.

The other eye was blood red, almost spitting fire.

It was Haotian God King and Lei Xingyu.

An hour ago, the God King Haotian learned that Gone was fighting against Xia Yinzong. He did not hesitate at that time, and immediately rushed over with thousands of elites.

“Haha...”

At this time, the God King Haotian came to the front, and when he saw the scene in front of him, he couldn't help laughing, and mocked at Gone: “Gone, your demons no longer exist, and now , even your most loyal subordinates have begun to question you, and you are still delusional about revitalizing the Demon Race, which is simply delusional.”

When he said this, the Haotian God King was full of pride.

He clearly saw that both Gone and the people of the Xia Yinzong present were extremely weak after the fierce battle.

God-given opportunity, today can not only get rid of Gone, but also destroy the Xia Yinzong, how can you be unhappy?
