

The ultimate husband in Chinese chapter 5531-5540

Chapter 5531

Tianying Sword Art is one of Lihuomen's stunts. If Liu Ruxue's strength was before, it would be impossible to hurt these elite soldiers. Amazing.

"Ah..."

In an instant, under the terrifying power of the sword shadow, many divine soldiers let out a scream, and fell to the ground one after another, passing out.

Seeing this scene, the other elite soldiers around looked at Liu Ruxue's eyes, unable to hide their shock.

Is this woman so strong?

Previously received the force of the Blood Sacrifice Great Array and the Zhou Tian Xing Dou Great Array, these elite soldiers were all severely injured. At this time, they felt Liu Ruxue's strength and did not dare to rush forward for a while.

Mad...

At the same time, the God King Haotian was also furious.

This woman actually knows how to use the divine power in her body. If she hadn't been beaten by Gone just now, how could she be allowed to be presumptuous here?

And Lei Xingyu, the reckless man who insisted on chasing Gone, if he was present, the situation would not have turned out like this.

Bang bang bang...

Just when the God King Haotian was extremely annoyed, Liu Ruxue broke out with a sword shadow again, forcing the dozen or so elite soldiers back in front of him, then grabbed Sun Dasheng, used his supernatural power, and sent him to Wen Chou Chou here.

At the same time, Liu Ruxue did not forget to shout at Wen Chou Chou and the others: "Let's go."

The moment the words fell, Sun Dasheng had already gently landed next to Wen Chou Chou.

Huh...

This chapter is provided by . Visit for daily update.

At this moment, Sun Dasheng's heart was extremely complicated, and he shouted at Liu Ruxue: "Thank you, girl. Your great kindness and great virtue, I, Sun Dasheng, will never forget."

"I still don't know the girl's name, where is the teacher..." To

be honest, at the time of the crisis just now, Dasheng Sun was very desperate, and he was ready to die. He was able to save his life under such circumstances. Ruxue is naturally very grateful.

It's just... This woman looks very unfamiliar, and I really can't think of any sect with such a powerful woman.

"My name is Liu Ruxue."

Liu Ruxue bit her lip lightly and responded, "You don't have to thank me, I just don't understand what they are doing." The voice fell, and several elite soldiers rushed up, Liu Ruxue did not hesitate, and went directly to meet him.

Liu Ruxue...

Hearing this, Wen Chou Chou and Sun Da Sheng looked at each other, and became even more puzzled in each other's hearts.

I've never heard of this name before. When did such a powerful existence appear in the world?

However, Wen Chou Chou quickly realized that the situation at hand was so urgent that he had no time to worry about Liu Ruxue's origin, and immediately shouted, "Thank you Miss Liu for your help."

After saying that, Wen Chou Chou grabbed Sun Dasheng and quickly moved towards Su Qingyan. Edges meet.

Originally, there were many elite soldiers around Su Qingyan, but after Liu Ruxue appeared, all these elite soldiers were attracted, so Su Qingyan and the surrounding disciples of Xia Yinzong also had a chance to breathe. And Wen Chou Chou brought Sun Dasheng over to meet, and he did not encounter any obstacles.

"Brother and sister..."

Wen Chouchou looked serious and said to Su Qingyan, "Quickly bring the Great Sage, and Wuya and the others to take refuge in the secret passage." As

he spoke, Wen Chouchou turned to look at Liu In Ruxue's situation, she was surrounded by many elite soldiers. Although she possessed divine power, the situation was very bad.

Wen Chou Chou thought about it, and after covering Su Qingyan and the others to enter the underground secret passage, he came back to help Liu Ruxue.

Wen Chou Chou Yi Bo Yun Tian, although she met Liu Ru Xue Ping water, but she saved her brother just now, and she can't leave her alone at this time.

"Brother Wen..."

Su Qingyan Bingxue was smart, she guessed Wen Chou Chou's thoughts at once, and immediately frowned, "You want to go back and help Liu Ru Xue?"

Wen Chou Chou nodded with a serious look: "This girl Liu is helping her righteously, I can't leave her here alone."

"That's right!" As soon as he finished speaking, Sun Dasheng nodded, with a proud face: "It was me who was saved by girl Liu, I can't just leave like this. , Brother Wen, I'll stay with you."

Hearing this, Wen Chou Chou was a little dumbfounded.

The fiery impatience of this great holy man has never changed. He was injured so badly that he still wanted to fight.

Chapter 5532

Thinking, Wen Chou Chou said to Sun Dasheng: "Dasheng, you are so seriously injured, don't follow me, or go to the secret passage with your younger brother and sister to take refuge..."

Sun Dasheng was in a hurry and was about to speak, But it was planned by Su Qingyan on the side.

"No..."

Su Qingyan stomped her feet in a hurry at this time, and said resolutely, "None of you can stay, this Liu Ruxue, I will help her."

Brother Wen and the Great Sage, one by one If you are seriously injured, you will die if you stay.

For a moment, Wen Chou Chou and Sun Da Sheng were stunned, and then shook their heads in unison.

“No, you are the Sect Master of Xia Yin Sect, and you have to protect everyone’s lives.”

“Yes, for this kind of thing, let me and Brother Wen go...”

Seeing that the brothers objected, Su Qingyan was too lazy to say anything, and immediately raised her eyebrows. With a jade hand, he quickly sealed the acupoints of Wen Chou Chou and Sun Da Sheng.

In an instant, the two of them trembled, unable to move.

Wen Chou Chou looked at Su Qingyan with a look of astonishment, “Brother and sister...what are you doing?”

“Yeah.” Sun Dasheng was also a little confused: “Why are you tapping our acupuncture points?”

Feeling the surprise of the two, Su Qing Yan smiled lightly, pretending to be very calm and said: “Brother Wen, Dasheng, don’t be angry, I have no choice but to do this. Both of you were injured. Going back to help now will not turn the situation around. I can’t help that. Liu Ruxue.”

“I’m the Sect Master of Xia Yin Sect, I am familiar with the environment here, don’t worry...” After the

last sentence fell, Su Qingyan beckoned and ordered several Xia Yin Sect disciples to quickly remove Wen Chou Chou and Sun Dasheng into the forbidden area of the back mountain.

Mad!

At this time on the battlefield, seeing most of the disciples of the Xia Yin Sect fleeing into the forbidden area of the back mountain, the God King Haotian looked extremely ugly and shouted: “Trash, what a bunch of trash.”

“Stop them for me...”

At this time, the God King Haotian almost fainted from anger.

Gone escaped just now, which has made him very embarrassed. If everyone in the Xia Yinzong successfully escaped at this time, how could he have the face to return to the realm of the gods?

“Kill!”

Hearing the order of the God King Haotian, more than a hundred elite soldiers continued to deal with Liu Ruxue, while the rest let out a howl and rushed towards Su Qingyan.

Seeing the elite soldiers rushing up, Su Qingyan couldn't tell how nervous she was. Her strength was outstanding in the entire Jiuzhou arena, but she was not the opponent of so many soldiers, but she still bit her lip and waved her long sword to meet her. And on.

There was Su Qingyan blocking the elite soldiers who were chasing after him, and the members of the Xia Yin Sect took this opportunity to take Sun Dasheng, Yue Wuya and others to quickly enter the underground secret passage in the forbidden area of the back mountain.

“By the way, child...”

Just as everyone entered the secret passage, Hai Linger suddenly thought of something. She let out a coquettish cry and ran directly to the mountain to the north.

When Moyan died tragically, she had entrusted her to take care of the child, and said that the child was on the top of the mountain, and Hai Linger remembered it in her heart and dared not forget it for a moment.

Seeing this scene, Yue Wuya's complexion changed, and he immediately shouted: “Linger, what are you doing?” When the voice fell, he moved his figure and quickly chased after him.

When they got to the front, Yue Wuya grabbed Hai Linger with a solemn expression: “Linger, don't run around, fast forward to the secret passage.” When he spoke, Yue Wuya's face was pale and very weak.

Speaking of which, Yue Wuya also wanted to help Liu Ruxue just now, but he was hit hard by Gone before and has yet to recover. At this moment, I just want to enter the secret path and quickly recover from practice, but Hai Linger would suddenly run away.

“Brother Wuya.”

Hai Linger's delicate face was full of anxiety: “I'm going to find the child. Just before the child's mother died, the child's mother told me that the child is on the top of the mountain in the north, and I can't ignore it.”

Said At these times, Hai Linger almost cried.

The child is still so young, and at this time, he is alone on the top of the mountain, and he doesn't know what to do.

Huh...

Hearing this, Yue Wuya took a deep breath, without any hesitation at the time, nodded and said, "Okay, I'll go with you." After speaking, he and Hai Linger quickly rushed towards the north mountain peak. .

"There are two over there."

"Kill them..."

At this moment, several divine soldiers spotted the two Yue Wuya, shouted one after another, and chased after them.

Chapter 5533

Hearing the movement behind, Yue Wuya and Hai Linger immediately looked back, and they were all taken aback.

"Oops, we've been discovered."

"Let's hurry up, it's important to find the child first." As he

spoke, Yue Wuya held Hai Ling'er's hand tightly, urging her inner strength to speed up.

Soon, when they reached the top of the mountain, they saw the child lying there, surrounded by some stones to prevent them from falling down.

Phew...

Seeing that the child is all right, Yue Wuya and Hai Ling'er looked at each other and both breathed a sigh of relief.

Immediately, Hai Linger walked over quickly, hugged the child in her arms, and comforted her in a low voice: "Good, we're here..." As she spoke, thinking of Mo Yan's tragic death, Hai Linger couldn't stop herself. shed tears.

Whoops...

At this time, the soldiers who were chasing behind also flew to the top of the mountain. At this time, seeing the child in Hai Ling'er's arms, several divine soldiers were stunned.

But soon, several divine soldiers reacted and pulled out their long knives, quickly approaching Yue Wuya and Hai Linger.

"Child?"

"It must be the remnant of the Xia Yin Sect. We will kill them together."

After deliberation, several divine soldiers shot together and slashed at Yue Wuya and Hai Ling'er with long knives.

Cao Nima's...

Seeing that they didn't even let the child go, Yue Wuya's eyes were instantly red, he raised his hand and waved, holding the Overlord's Hammer tightly, and then protecting Hai Ling'er behind him.

"Ling'er, you go first, I will hold them back."

After explaining a sentence, Yue Wuya directly greeted him and fought fiercely with several divine soldiers.

Where would Hai Linger take her child alone? At that time, I was so anxious: "Brother Wuya...you be careful..." While shouting, he hugged the child tightly.

Dang dang dang...

In the blink of an eye, Yue Wuya and several divine soldiers fought fiercely for several rounds. At the beginning, Yue Wuya relied on the power of the Overlord Hammer to make those divine soldiers very jealous, but gradually Some can't stand it anymore.

After all, he had been hit hard by Gone before and had not fully recovered at this time.

"Hey..."

Soon, one of the divine soldiers slashed Yue Wuya's back with a long knife, and he heard Yue Wuya roar, blood sprayed out, his body staggered and took a few steps back, his face was even darker. Incomparably white.

"Brother Wuya..." Hai Linger cried out in grief, tears streaming down her cheeks. At this time, she really wanted to rush over to fight alongside Yue Wuya, but she was a little hesitant when she thought about the safety of her child.

Yue Wuya saw her intentions, clenched the overlord hammer, and said hoarsely: "Linger, don't come here, go, go quickly..."

At this time, Yue Wuya was almost in a hurry. With his current strength, he could It won't take long to resist, the only thing that can be done is to hold back these magic soldiers and let Linger take the child away quickly.

"No..."

Hai Ling'er shook her head desperately and cried, "I'm not going, I want to go together, I'm going to die together."

After speaking, she was about to put the child in the circle of stones, Then come and help.

Yue Wuya was anxious all of a sudden, but when he saw those stones, he suddenly thought of something: "Linger, do you remember the formation I taught you before? Hurry up, use these stones to form a formation, hurry up..."

Although Yue Wuya did not grow up with Yue Feng, he also inherited Yue Feng's talent in the formation technique. After he became the Sect Master of Tianmen, he was even more familiar with the military book, and also had unique accomplishments in the formation technique.

In recent months, in the spare time of Xia Yinzong, Yue Wuya made some simple trappings with Hai Linger. Therefore, when I saw the stone at this time, I immediately thought of using the formation method to fight the enemy.

After all, there are just a few magic soldiers, and it is more than enough to deal with them with some simple trapped formations.

Um!

Hearing this, Hai Linger quickly wiped away the tears from the corners of her eyes, and after responding, she quickly moved the stones to form a trapped formation.

"Want to use the trapped formation to deal with us? It's too naive."

At this time, when they heard the conversation between the two, several divine soldiers all looked contemptuous, and immediately attacked Yue Wuya again.

Yue Wuya didn't say a word of nonsense.

Bang Bang Bang...

In an instant, the sound of the collision of weapons continued to sound on the top of the mountain.

.....

On the other side, the general altar of Xia Yinzong.

Su Qingyan returned to the battlefield, intending to help Liu Ruxue, but she was surrounded by many divine soldiers before she could rush to the front.

Chapter 5534 Dang

dang dang

In less than two rounds, Su Qingyan was a little powerless. Like Wen Chou Chou and Sun Dasheng, her strength has not fully recovered. Facing the attacks of so many elite soldiers, she simply Can't stand it.

Seeing this scene, Liu Ruxue was so anxious that she couldn't help but said to Su Qingyan, "Didn't I let you go? Why did you come back?" As

she spoke, she responded to the magic weapon in front of her. Su Qingyan responded, "Our Xia Yin Sect has always put chivalry first. You saved the Great Sage just now. As the Sect Master of Xia Yin Sect ,

I cannot leave you alone."

The famous soldier, taking advantage of Su Qingyan's inattentiveness, quickly charged from behind, and the long knife was as fast as lightning, stabbing Su Qingyan's back.

Chi...

This knife is very powerful, and the air is torn apart wherever it passes.

Su Qingyan was entangled by the magic weapon in front of her, and she couldn't dodge at all. She felt the danger coming from behind, and her beautiful face could not hide the despair.

The strength of these divine soldiers is really too strong. Could it be that he just died like this?

"Be careful."

Seeing the situation here, Liu Ruxue exclaimed. She didn't have time to think about it at the time. She used her divine power to explode the speed to the extreme, and rushed directly in front of Su Qingyan. She raised her jade hand and shook the long knife away.

After recovering his life, Su Qingyan was still in shock. It took a few seconds before she recovered and said gratefully to Liu Ruxue, "Thank you."

Alas!

Liu Ruxue sighed and said helplessly, "You can't help me at all by rushing over like this. Instead, you'll put yourself in danger.

"

While speaking, I saw all the magic soldiers in the audience quickly surrounded them.

In the face of a powerful enemy, Liu Ruxue felt a hint of despair in her heart at this time. What if she had divine power? With so many magic soldiers, it is impossible to win.

Su Qingyan was also nervous, but she didn't regret it at all.

Now Brother Wen and the others are safely hiding in the secret passage, there is no danger, even if they die, it is worth it.

"Go away..."

At this moment, Liu Ruxue let out a coquettish cry, clenched her long sword tightly, and fought the gods again.

Su Qingyan also bit her lip tightly, with a hint of determination on her face, and stood shoulder to shoulder with Liu Ruxue to fight against the powerful enemy. However, the divine power in Liu Ruxue's body was not her own after all. It didn't take long for her speed to slow down, making her a little powerless.

Chi la...

It was at this time that a divine soldier slashed with a long knife and cut a wound on Liu Ruxue's shoulder. In an instant, blood sprayed, Liu Ruxue's body trembled, and she staggered back.

"How are you?"

Su Qingyan exclaimed, and quickly hugged Liu Ruxue, very worried: "Are you alright..."

Liu Ruxue shook her head, indicating that she was fine, but delicate. But there was bitterness on his face: "It seems that today is doomed, is this my life?"

"In my own world, I just got out of danger, and I thought of coming to another world to breathe a little. How could I have imagined that when I just came out of the wolf's den and entered the tiger's mouth..."

When Liu Ruxue sighed with emotion, Yue Feng could not help but come out of her mind.

Speaking of which, all this was caused by Yue Feng. If Yue Feng had not brought her into the Chaos Teleportation Array, she would not have faced such a situation at this time.

But for some unknown reason, at this time, Liu Ruxue couldn't hate Yue Feng in her heart, instead she was a little worried about him.

Since entering the teleportation formation, he has never seen Yue Feng again.

I don't know how he is.

“Another world?”

At this time, Su Qingyan was shocked when she heard Liu Ruxue's muttering, and realized something at that time: “You...you are from another world? “

Liu Ruxue nodded.

Su Qingyan was suddenly stunned, no wonder, she had never heard of it when she signed up.

Wow...

At this moment, the surrounding magic soldiers rushed up again.

Liu Ruxue was already at the end of her strength, but she still bit her lip tightly, and burst out the last divine power in her body through the long sword. In an instant, a golden sword shadow burst out.

This sword instantly exhausted all Liu Ruxue's strength, but it was also very terrifying. Feeling the power of the golden sword shadow, the surrounding magic soldiers were all shocked and retreated.

Chapter 5535

“Let's go!”

Taking this opportunity, Su Qingyan grabbed Liu Ruxue's hand tightly and quickly walked towards the back mountain of Xia Yinzong.

“Want to run?”

“Chase...”

The gods and soldiers reacted and shouted, urging their figures to quickly chase after them.

Seeing the chasing soldiers getting closer and closer, Su Qingyan was very anxious and at the same time extremely worried, because she could clearly sense that Liu Ruxue's breath was sluggish and would faint at any time.

How to do?

When passing through the forbidden area, Su Qingyan really wanted to take Liu Ruxue into the underground secret passage, but the divine soldiers at the back were chasing

too closely. If they did this, not only would they not escape the danger, but they would lead the enemy to the secret passage. At that time, Wen Chou Chou and the others are in danger.

Thinking of this, Su Qingyan could only grit her teeth and continue to flee with Liu Ruxue.

Phew...

A few minutes later, Su Qingyan was exhausted and landed with Liu Ruxue, seeing the scene in front of her, she suddenly became desperate.

I saw that there was a cliff in front of me, and below the cliff was an abyss.

Speaking of which, this abyss is not far from the Xia Yin Sect. Su Qingyan knows a little bit about it. It is said that this abyss is unfathomable and even more dangerous inside. Zong sent experts to investigate several times, but no one came up alive.

Therefore, this abyss has become a restricted area.

Seeing the abyss in front of her at this time, Su Qingyan's mouth evoked a hint of bitterness, and her eyes were full of despair.

How did you get here? Is it really God's will? Today is really doomed.

wow....

At this moment, the gods behind them also chased after them. Seeing that Su Qingyan and the two were blocked by the abyss, they couldn't help but laugh.

"Run, why don't you run?"

"Haha, can't run away now."

While mocking, the gods clenched their long swords and slowly approached.

call!

Seeing that the distance between the two sides was getting closer, Su Qingyan took a deep breath and planned to discuss countermeasures with Liu Ruxue, but when she tilted her head, she saw that Liu Ruxue's eyes were closed and she had passed out.

Obviously, in the process of escaping just now, Liu Ruxue did not hold on.

Seeing that Liu Ruxue passed out, Su Qingyan calmed down instead. At that time, her eyes flashed with determination, and she jumped with Liu Ruxue, jumping directly into the abyss.

Su Qingyan looks gentle, but her personality is extremely tough.

Since there is no way to escape, it is better to give it a shot. Even if you die under the abyss, you cannot fall into the hands of these divine soldiers.

Damn....

Seeing Su Qingyan jumping into the abyss, the expressions of all the gods changed, they rushed to the edge of the cliff and looked down, and they saw that the clouds and mist were so small, how could there be Su Qingyan's two daughters? figure.

For a time, the gods were extremely annoyed.

"Ma De, you actually jumped off a cliff..."

"The two of them are almost exhausted. Jumping down will definitely kill you."

Just as the gods were discussing, they saw Haotian God King leading other gods. , came over quickly.

"Where are the people?"

Seeing them lingering on the cliff, the God King Haotian looked gloomy and couldn't help but question.

Hearing the question, the gods and soldiers looked at each other, their faces were full of unease, and then one of them walked out cautiously, bowing his head and said, "Reporting to His Royal Highness, then... those two women jumped off the cliff just now, and we didn't stop them.

" cliff?"

At this moment, the God King Haotian was stunned for a moment, and then roared angrily: "Then what are you doing standing here one by one? Leave it all to me, and if you don't catch anyone, don't come back."

At this time, the God King Haotian, I was about to explode with anger, but two weak women could even let them run away.

It simply lost the face of God's Domain.

"Yes..."

Feeling the anger of the God King Haotian, the divine soldier trembled, and quickly nodded in response, then mobilized his divine power and jumped into the abyss.

The other divine soldiers also jumped down one after another.

Watching the gods jumping down into the abyss, the God King Haotian looked gloomy and his anger remained, and said coldly to the other gods: "For the rest, immediately enter the forbidden area of Xia Yinzong to search, and be sure to find the entrance to the secret passage. "

When he said this, God King Haotian clenched his fists tightly, his eyes flashing with terrifying murderous intent.

"As ordered..."

The ultimate husband in Chinese chapter 5536-5540

Chapter 5536

A few minutes later, hundreds of elite soldiers returned to the forbidden area behind the Xia Yinzong and started a carpet search.

...

On the other side, the Huashan General Altar.

Outside the main hall, Yue Feng heard the chatter and laughter inside, and was stunned for a long time without recovering.

Nima, what a coincidence. As soon as I came to Huashan, I encountered someone pretending to be myself.

"Hey!"

Just as Yue Feng was muttering about this, Su Hong frowned and couldn't hide his disgust: "What are you stunned for? Let me tell you, this is the Huashan Conference Hall, and you can't walk around at will."

"You just wait here. After I tell the master, I will tell you to come in again, do you hear me?" The

words were full of impatience.

As soon as the words fell, Chen Rou also said to Yue Feng, "Don't walk around." The tone was gentle, and Su Hong's attitude was completely the same in the sky and the other in the ground.

Yue Feng didn't take Su Hong's contempt at all, and smiled at that time: "Thank you both."

Su Hong was too lazy to talk nonsense, and dragged Chen Rou into the hall quickly.

Yue Feng kept his promise and did not follow up, but he couldn't help but quietly poked his head and looked into the hall. I saw that musk was lit in the hall, and blue smoke was lingering.

In the center of the hall, sits the current head of Huashan, Su Yanlin.

Is it him...he is now the head of Huashan?

This chapter is provided by . Visit for daily update.

Seeing Su Yanlin, Yue Feng was stunned for a moment. You must know that when the ancient tomb of Lu Bu came to the world a few years ago, the head of Huashan was still Yang Baimei.

However, this Su Yanlin was no stranger to Yue Feng. He had met at the ancient tomb of Lu Bu at that time. He was Yang Baimei's junior brother and the law enforcement elder of Huashan.

Judging from this situation, it was Yang Baimei who passed the position of head to him.

On the VIP chair opposite Su Yanlin, sat a well-proportioned and tall figure with a delicate golden mask on his face and a light blue silk blouse, which was extravagant.

This golden mask is exactly the same as the mask Yue Feng wore when he first founded Tianmen. It is carved with a vivid dragon...

Nima...

Seeing this mask, Yue Feng frowned and couldn't help but feel dark. scolded.

Today's liars are really reluctant to make a copy. They even forged the golden masks of the year. Moreover, the craftsmanship turned out to be fake.

In shock, Yue Feng became interested in this guy wearing a mask, and secretly sensed his strength, and was startled again.

Yue Feng clearly felt that this person was not weak, but he was actually capable of crossing the Tribulation Realm. It's just that this person is very smart and deliberately hides his breath.

At this time, Yue Feng didn't know that during the time he left the Kyushu Continent, there were many people who imitated him in various places, and this one was one of them.

This person is called Liu Xudong. He was originally a disciple of Tianmen three years ago, but his mind was not right, and he often did some deceiving and deceiving things. Later, Yue Wuya found out about it, and after punishing him, he was expelled from Tianmen.

After being kicked out of Tianmen, Liu Xudong felt resentment and wanted to take revenge on Yue Wuya and Tianmen, but Tianmen was so powerful that Liu Xudong never had a chance. Until recently, the Sea Dragon Palace had repeatedly fought against Tianmen, and finally destroyed the main altar of Tianmen, causing Tianmen's morale to plummet. In addition, there are many people pretending to be Yue Feng on the rivers and lakes, which makes Liu Xudong know that the opportunity has come.

Liu Xudong used to be responsible for guarding the Sect Master's closed room, so he knew a lot of the internal secrets of Tianmen, and he was very familiar with Yue Feng's original mask. So I found a clever craftsman and copied it on purpose.

After imitating the golden mask, Li Xudong sneaked into a branch of Tianmen and stole a lot of elixir and secret manuals. After practicing for half a year, his strength greatly increased, and then it took more than a month to imitate Yue Feng's voice.

After that, Liu Xudong swindled and deceived everywhere in the rivers and lakes. At first, he deceived some small sects and factions. However, he could not get any benefit from these small sects and small factions. Liu Xudong wanted to do a big one, and finally targeted Huashan.

The reason for choosing Huashan is because Huashan is remote, and even if he is exposed, the news will not spread to the rivers and lakes in a short time.

Chapter 5537

Speaking of which, when he first went to Mount Huashan, Liu Xudong was very nervous, but after seeing Su Yanlin, the other party didn't see it through, which made Liu Xudong very excited, and his doubts disappeared without a trace,

“Haha...”

At this time Liu Xudong Sitting on the VIP seat, with a calm and mature attitude, he smiled at Su Yanlin and said, “When I went up the mountain just now, I saw the disciples of the noble school, all of them full of energy and talent. I believe that in the near future, Huashan will definitely be able to Under the leadership of Sect Leader Su, he has become one of the top sects in the world.” I

have to say that Liu Xudong was very careful, his words seemed polite, but there was a bit of pride in his tone.

People who don't know it really think it's Yue Feng's deity.

Uh....

Hearing Liu Xudong's compliment, Su Yanlin smiled awkwardly and said very humbly: "Sect Master Yue Liao Zan, we Huashan are just a couple, and it is already very good to have a seat in the arena. Now, to be one of the best sects, I don't even dare to think about it."

Saying that, Su Yanlin couldn't hide the admiration and admiration on his face: "It's Sect Master Yue, who founded Tianmen back then, and he was the real hero. "

Haha..."

Hearing this compliment, Liu Xudong was very impressed and couldn't help laughing, as if he really thought he was Yue Feng.

At this moment, Su Yanlin thought of something and said with a smile: "Sect Master Yue, I, Huashan, have always been on good terms with Tianmen. Speaking of which, when the ancient tomb of Lv Bu appeared in the world, it was thanks to you that you restrained the audience and prevented Gu Gu. The treasures in the tomb were snatched away by other sects."

"So, when you come to Huashan, it's like returning to your own home. Why don't you take off the mask and feel more at ease.

" Full of anticipation.

Ever since I met Yue Feng at the ancient tomb of Lü Bu, I never had the chance to see him again. A few years later, when Yue Feng suddenly arrived, Su Yanlin was very excited. At this moment, he wanted to see Yue Feng's true face again.

Huh....

Seeing this, Yue Feng, who was standing outside the gate of the main hall, suddenly held his breath and stared at Liu Xudong.

This guy has the guts to pretend to be me, dare to show his true colors?

He didn't dare, if he really had the guts, he wouldn't imitate the golden mask.

Yue Feng's guess was good. Liu Xudong didn't dare to take off the mask at all. After all, his appearance and Yue Feng were not even close to each other. If he took off the mask, wouldn't it be exposed?

Therefore, hearing Su Yanlin's suggestion at this time, Liu Xudong's heart was shocked, and he was a little nervous at that time.

"Hehe..."

But in the next second, Liu Xudong calmed down and said to Su Yanlin with a smile: "I still don't take off the mask, to be honest, I just came back from the God's Domain recently, in order to cultivate one of the God's Domain. As a result, there was an accident and my face was injured, so I should still wear a mask."

So...

Hearing this, Su Yanlin nodded and stopped insisting.

Interesting...

Yue Feng, who was eavesdropping on the outside at this time, smiled secretly. This kid is quite good at making up lies. Well, I'd like to see, how long can you pretend.

"Master!"

"Master, here we are."

At this moment, Su Hong and Chen Rou, who had already entered the hall, finally found a chance to speak and bowed to Su Yanlin.

Afterwards, the two women greeted Liu Xudong again, very politely and respectfully: "I have seen Sect Master Yue." Chen Rou was quiet and introverted. When greeting, she did not dare to look into Liu Xudong's eyes.

After all, this is the famous Kyushu hero.

However, she didn't know that the Yue Feng in front of her was fake, and the real Yue Feng was just outside the hall.

Su Hong, who was next to him, had an extroverted personality. At this moment, he was indescribably excited. Looking at Liu Xudong wearing a golden mask in front of him, he was extremely excited and excited.

You know, Yue Feng has always been her idol and hero. How can you be unhappy when you see a real person now?

Um!

At this moment, Su Yanlin was the first to react and explained to Liu Xudong with a smile: "Sect Master Yue, don't mind, these are my two disciples, one is Su Hong and the other is Chen Rou."

Liu Xudong nodded and made a very The appearance of a gentleman: "The two girls are not only young and beautiful, but also have excellent qualifications, not bad..."

Chapter 5538

At this time, Liu Xudong looked at Su Hong and Chen Rou up and down through the golden mask while giving a false approval, and his eyes were straight.

Beautiful, so beautiful.. I

didn't expect that there are such top-notch beauties in the Huashan faction. It seems that this trip was not in vain.

"Sect Master Yue!"

Just when Liu Xudong was fascinated by it, Su Yanlin said very embarrassedly, "I'm really sorry, my two female apprentices are fine in everything, but there are no rules, I will let them retire now."

As he said that, he looked at Su Hong and the two unhappy.

It's really outrageous to interrupt yourself and VIP conversations.

"No, no..."

As soon as he finished speaking, Liu Xudong quickly waved his hand and said with a smile: "Sect Leader Su also said just now that Tianmen and you Huashan have always been friends, they are all from their own family, and there are not so many rules. , and, I believe that the two of them must have something to do, so they rushed in and interrupted our conversation."

While speaking, Liu Xudong's eyes swept over Su Hong and Chen Rou, intentionally or unintentionally.

This time I came to Huashan, and it was a deception. There were two beauties on the side, and they looked pleasing to the eye. Naturally, Su Yanlin couldn't let them drive them out.

Huh ...

Seeing him say that, Su Yanlin nodded, and then said to Su Hong indifferently, "Tell me, what's the matter with the two of you?" Seriously, Su Hong and Chen Rou belonged to him. My disciple, I just talked in front of Liu Xudong just now.

"Master!"

Hearing the question, Chen Rou bit her lip lightly and said softly, "Just now before my senior sister and I went up the mountain, I met a man who seemed to be injured. He said that he had something to talk to Master for."

man?

Hearing this, Su Yanlin and Liu Xudong looked at each other, both stunned.

At this moment, Su Hong curled her lips, and said very boringly: "That person, he is dirty and looks like a nobody, I didn't want to pay attention to it at the time, but my younger brother and sister were very kind at that time, and he insisted on bringing them with him. So we had to bring people up. We are waiting outside the main hall at this time."

When she said this, Su Hong's delicate face could not hide her disgust.

That's it...

After learning about the situation, Su Yanlin pondered and waved his hand: "Okay, let him come in."

After speaking, Su Yanlin smiled apologetically at Liu Xudong: "Sect Master Yue, it happened suddenly, you don't Mind."

Liu Xudong smiled and said nothing.

After receiving the order, Su Hong walked out of the hall quickly, and said angrily to Yue Feng: "My master let you in, but I can warn you that there are big people today, you better be honest, otherwise, I will kick you. Kick down

the mountain." When she spoke, Su Hong couldn't hide the contempt and disgust on her face.

"Understood." Yue Feng smiled harmlessly.

Su Hong snorted coldly, stopped talking nonsense, turned and walked into the hall, Yue Feng slowly followed.

Swish!

The moment they entered the hall, the eyes of Su Yanlin and Liu Xudong converged on Yue Feng, and they frowned secretly.

This man was in a state of embarrassment, but he looked familiar.

Speaking of which, Su Yanlin had met Yue Feng at the ancient tomb of Lü Bu a few years ago, and Liu Xudong was a disciple of Tianmen before, so he was no stranger to Yue Feng, but Yue Feng had experienced so many things in the past few days, and his clothes were dirty. With a disheveled face and unshaven beard, such an image, not to mention Su Yanlin and Liu Xudong, even Wen Chou Chou and Sun Dasheng were present, and could not recognize him for a while.

Huh ...

After a few seconds, Su Yanlin was the first to react. He looked at Yue Feng up and down and asked, "Who is your Excellency? I just heard from my two disciples, do you have something to ask me?"

" Su Yanlin's face was very unhappy.

The heroes of Kyushu are here today. Su Yanlin was thinking about how to treat him well, but was interrupted by a stranger. Naturally, his mood was not much better.

Yue Feng showed a smile, first glanced at Liu Xudong in the VIP seat, and slowly replied: "Xiafengtao, a disciple of Danzong in Dongao Mainland, was injured in pursuit of a Jiangyang robber a few days ago, passing by the noble faction, I just want Sect Leader Su to give some help."

Chapter 5539

Seriously, at this time Yue Feng really wanted to show his identity, but he looked like a beggar, and he didn't have the slightest strength. After saying it, Su Yanlin in front of him would not believe it at all.

More importantly, there was a fake 'Yue Feng' sitting on the VIP seat.

Therefore, Yue Feng had an idea just now and said that he was a member of Danzong. After all, Zheng Chunqiu, the suzerain of Danzong, and Yue Feng were brothers. More importantly, Danzong was far away from Mount Hua, so it was impossible for Su Yanlin to send someone to Danzong for verification.

A disciple of Danzong?

At this moment, when he heard Yue Feng's self-introduction, Su Yanlin's expression was taken aback. He looked at Yue Feng with less disgust than before. You must know

that Danzong and Tianmen have fought side by side over the years and have made a lot of contributions to Kyushu.

At the same time, Su Hong and Chen Rou, who were standing aside, were also stunned.

The next second, Su Hong said with a mean face: "It turned out to be a person from Danzong. If you don't say it, I thought it was a beggar wandering around in the rivers and lakes."

Phew...

Hearing this, Yue Feng frowned . , I was a little unhappy.

This Su Hong is a beautiful person, but it's a pity that she acts too cool and thin, and she has never experienced strong winds and waves at first glance.

Thinking like this, Yue Feng didn't bother to care about it.

"Senior sister!" However, at this time, Chen Rou couldn't help but said to Su Hong: "Don't say that, Danzong has done a lot for Kyushu over the years, and the entire Danzong is worthy of admiration.

" I said, it became like this because the thief was injured in chasing a Jiang Yang robber, so don't judge people by their appearance."

She was kind-hearted, and when she saw her sister's attitude towards Yue Feng, she couldn't help it.

Su Hong snorted coldly, and curled her lips: "Of course I know, it's still up to you to say that?" She said so, but looking at Yue Feng's expression, she was still aloof.

"Brother Feng!"

At this moment, Su Yanlin smiled and said to Yue Feng, "Your Danzong Sect Master Zheng Chunqiu is also a great hero, and I have always admired it."

After speaking, what Su Yanlin thought of, Pointing at Liu Xudong next to him, he said with a smile: "By the way, this is the famous Sect Master Yue Fengyue. I remember your Sect Master Zheng, and Sect Master Yue is also a tacit acquaintance. You can meet me.

" .

Hearing this, Yue Feng was stunned for a moment, and he felt like crying without tears in his heart.

What kind of thing is this Nima, making me salute a fake 'self'?

However, Yue Feng couldn't help the situation in front of him. At that time, he could only bow his hands to Liu Xudong, and said politely, "Dan Zong disciple, I have seen Yue Zongzhu."

However, Liu Xudong didn't take him seriously at all. A hum. A mere disciple of Danzong, he didn't care about it at all, and at this time, he only thought about how to obtain greater benefits in Huashan.

However, he didn't know that the person in front of him was the Yue Feng he pretended to be.

Seeing that Yue Feng finished the ceremony, Su Yanlin asked with a smile: "Brother Feng, if you need anything, just say it."

Hu...

Yue Feng took a deep breath, thought about it, and said, "Thank you for your generosity, Sect Leader Su, I have nothing to ask for, but Sect Leader Su can give me some spirit beast inner pills, so that I can regain some strength, so that I can return to the pill sect as soon as possible."

When he said this, Yue Feng's face was full of sincerity.

Yue Feng knew very well in his heart that he said that he was a disciple of the alchemy sect, and it was obviously inappropriate to ask Su Yanlin for a panacea.

As long as he can absorb the power of some spirit beasts' inner alchemy and restore some strength, he can return to Xia Yinzong as soon as possible. Of course, at that time, he can also find an opportunity to uncover the mask of the person sitting in the VIP seat.

Um!

Hearing this request, Su Yanlin did not hesitate at all, and said to Su Hong, "Su Hong, take this Brother Feng to the medicine store to get some spirit beast inner pills."

However, as soon as the words fell, Su Hong pouted, her face full of expression. Reluctantly, he said, "Master, I don't want to go, I want to stay in this hall." As he spoke, he looked at Liu Xudong with admiration.

In Su Hong's heart, the person she admires most is Yue Feng. She has dreamed countless times that she will be able to meet Yue Feng up close one day.

Chapter 5540

And today, Yue Feng really came to Huashan. In this case, she just wanted to stay in the hall and cherish the opportunity to see Yue Feng.

Seeing her disobeying her teacher's orders, Su Yanlin's face sank, about to have a seizure.

This Su Hong is really getting more and more outrageous.

"Master, let me go..."

But at this moment, Chen Rou walked over quickly and shouted, and then said softly to Yue Feng: "Senior sister may have other things, I'll take you to the medicine store. ."

She knew that Senior Sister admires Yue Feng the most, and at this moment 'Yue Feng' is here, so naturally she will not leave easily.

Um!

In the face of this situation, Yue Feng didn't appreciate it, nodded immediately, and prepared to leave the hall with Chen Rou.

Just after walking a few steps, Yue Feng turned his head and changed his mind again. This guy who pretended to be himself came to Huashan, and he must have a plan. It is better to stay and see the situation.

"Oops..."

After making up his mind, Yue Feng pretended to be in pain, yelled, and sat on the chair next to him while covering his stomach.

"What's wrong with you?" Chen Rou was startled and asked quickly.

At the same time, Su Yanlin also stood up quickly, with concern in his eyes: "What happened to Brother Feng?"

However, Liu Xudong and Su Hong were both indifferent.

"It's okay!"

Yue Feng squeezed out a smile and waved his hand: "It may be that the injury has been affected just now. It's okay, Sect Leader Su, can I rest in this hall for a while before going to get the spirit beast inner pill?"

Yes, Yue Feng deliberately pretended to be like this, and found a reason to stay in the hall temporarily, so that he could also investigate this fake guy and the purpose of coming to Huashan.

Hearing that he was fine, Su Yanlin breathed a sigh of relief and nodded, "Of course you can."

But Su Hong, who was standing beside him, was full of contempt: "There are so many things..."

Feeling Su Hong's attitude, Yue Feng He smiled secretly, ignoring it.

At this time, Chen Rou kindly brought a cup of hot tea, Yue Feng thanked him, took a sip of tea, and pretended to rest.

After confirming that Yue Feng was fine, Su Yanlin smiled at Liu Xudong and continued the previous topic.

After chatting for a while, Su Yanlin couldn't help but said, "Sect Master Yue, take the liberty to ask, this time you are here, but what are the

important things to discuss?" Su Yanlin knew that Yue Feng was very busy, and it was impossible to come if there was no important matter. Huashan.

Ugh!

Hearing the question, Liu Xudong sighed and said in a very painful tone: "Sect Leader Su, you must have already known about the recent battle between my Heavenly Sect and the Sea Dragon Palace

." For half a year, the Hailong Palace has been fighting with Tianmen, and even the main altar of Tianmen has been destroyed. Who doesn't know about this?

Moreover, as early as half a month ago, Huashan also sent elite disciples to support Tianmen.

Um?

Hearing the conversation between the two, Yue Feng, who was sitting on the chair below and pretending to rest, was shocked.

Tianmen and Hailong Palace are fighting?

What kind of sect is the Sea Dragon Palace? A recently rising power?

Just when Yue Feng was puzzled, Liu Xudong continued: "The Sea Dragon Palace is very strong, and I have fought several times, and my Tianmen has been killed and injured countless times, especially the leader of the Sea Dragon Palace, whose strength is even more unfathomable, so this time I went before me. I'm here because I want to ask Sect Leader Su for help."

“Sect Master Yue invites me to go up and down Mount Hua. Naturally, it’s my responsibility.” Su Yanlin nodded and replied seriously, “I’ll be anxious for all the disciples later...”

Su Yanlin was very excited at this time, to have ‘Yue Feng’ personally come to invite help, which simply gave Huashan enough face, and he naturally wanted to help.

At this time, Su Yanlin didn’t know that the Sea Dragon Palace had been destroyed in the Qin Tianjian a few days ago.

“Not busy, not busy...”

Seeing Su Yanlin’s resolute statement, Liu Xudong quickly stood up, waved his hand and said, “Sect Leader Su, I don’t want you to come out of Huashan, I just want to borrow your blood wing armor. I’m not afraid of your jokes. , I have fought against the leader of the Sea Dragon Palace before, and I have never been able to defeat him. That’s why I want to use the blood wing armor.”

When he said this, Liu Xudong’s tone was sincere, but his eyes flashed with cunning.

Yes, the ultimate purpose of his visit to Huashan this time is to get the treasure of the Huashan faction, the blood wing armor.
