

The ultimate husband in Chinese chapter 5541-5550

Chapter 5541

Speaking of this blood wing armor, it is still from the ancient tomb of Lu Bu.

Back then, the ancient tomb of Lu Bu descended on Mount Hua, and experts from various sects in Kyushu flocked to them, but in the end, only Yue Feng, Zhu Bajie and others found Lu Bu's real spiritual hall. Although there were some twists and turns, in the end, Yue Feng obtained Lu Bu's peerless secret book 'Blood Battles in Eight Directions'. Moreover, Diaochan also gave Fang Tianhua halberd to Yue Feng.

However, in the ancient tomb of Lu Bu at that time, in addition to Lu Bu's peerless secrets and weapons, there was also a blood wing armor. This armor was exactly what Lu Bu wore when he fought in the Quartet. It is said to be able to withstand the attacks of the peerless gods.

It can be said that, compared to Fang Tianhuaji, this blood wing armor is also a treasure in the world.

In the ancient tomb of Lu Bu, this blood-winged armor was scrambled by more than a dozen sects, but it finally fell into the hands of the Huashan faction.

Now that many years have passed, this blood wing armor has always been the treasure of the Huashan faction.

What?

At this moment, when they heard the purpose of Liu Xudong's visit this time, whether it was Su Yanlin or Yue Feng, their hearts were shocked.

Especially Yue Feng, who was squinting at Liu Xudong at this time, very complicated.

This kid is really brave. He actually wanted to deceive the Huashan faction's blood-winged armor. Speaking of which, Yue Feng was taken away after he left the ancient tomb of Lu Bu. People have mentioned it, so I have some understanding of the blood wing armor.

At the same time, Su Yanlin was also stunned, and did not regain his senses for a while.

You know, the blood wing armor is the treasure of the Huashan faction. The entire Huashan Mountain is more important than life. Over the years, I don't know how many people from all walks of life have come here on purpose to see the blood wing armor, but Huashan has rejected them. Therefore, at this time, I never thought that as soon as the 'Yue Feng' in front of him opened his mouth, he would take this treasure.

“Sect Master Yue...”

At this moment, Su Yanlin recovered and said embarrassedly to Liu Xudong, “The Blood Wing Armor is a treasure of my Huashan faction. It is no trivial matter at this time, please allow me to think about it.

” At these times, Su Yanlin looked embarrassed.

This chapter is provided by . Visit for daily update.

To be honest, if it was someone else’s word, Su Yanlin would definitely reject it, but the one in front of him was the famous Kyushu hero. It would be inappropriate to directly reject it.

“Okay....”

Liu Xudong also guessed that the other party would not agree easily, so he nodded with a smile: “I understand.” When speaking, Liu Xudong’s eyes flashed with confidence.

Even if Su Yanlin didn’t agree, he still had other ways to get the Bloodwing Battle Armor. In short, this time, when you come to Huashan, you must not come back empty-handed.

Phew...

Seeing this situation, Yue Feng secretly breathed a sigh of relief.

Fortunately, Su Yanlin did not agree, otherwise it would be troublesome.

However, seeing the change in Liu Xudong’s expression, Yue Feng also guessed something, knowing that this person must have plans for the next step. Therefore, we must expose his fake identity as soon as possible.

Thinking of this, Yue Feng made a weak look and stood up slowly.

“Brother Feng.”

Seeing this situation, Su Yanlin quickly asked, “How is your situation now?” In his heart, when a disciple of the Dan Sect came to ask for help, he must take good care of it.

Yue Feng smiled: “Thank you for your concern, Sect Leader Su, I’m alright, I’m better than before.”

After speaking, Yue Feng’s eyes fell on Liu Xudong with a sincere look: “Sect Master Yue, you are taking courage, I want to ask Help.” Yue Feng felt very awkward when he called Liu Xudong the Sect Master Yue.

Um?

Liu Xudong frowned, feeling very unhappy in his heart, why is there so much trouble with this Dan Zong disciple, I'm not familiar with you, what can I do for you?

At the same time, Su Yanlin and Su Hong both looked at Yue Feng in confusion.

Soon, Liu Xudong reacted and said indifferently, "What do you want me to do?" Originally Liu Xudong didn't want to talk to Yue Feng, but thinking about his current status, he had to be tolerant, so he hid his unhappiness in his heart.

Yue Feng thought about it for a while, and said seriously: "The disciple's meridians have been injured and urgently need a panacea to recover. It is often heard that Sect Master Yue's accomplishments in the art of medicinal pills are unparalleled in Kyushu. I beg you to refine a healing medicine for me. , so that I can recover."

Chapter 5542

When talking about this, Yue Feng glanced at Su Yanlin: "With the medicinal pills refined by Sect Master Yue, I don't need to trouble Sect Master Su to get Huashan's Spirit Beast Inner Pill.

" Yue Feng's face was full of sincerity, but there was a trace of teasing in his eyes.

Although there are many alchemy associations in the Kyushu Continent, alchemy masters are still scarce, and there are very few in the entire arena.

This....

Hearing Yue Feng's request, Liu Xudong's face behind the mask suddenly became complicated, and his heart was also extremely depressed.

He is not Yue Feng at all, how can he concoct alchemy.

At the same time, Su Yanlin and Su Hong also looked at Yue Feng in astonishment. They didn't seem to have thought that this Pill Sect disciple would be so rude and ask 'Yue Feng' to refine the medicinal pills for him.

quiet!

For a time, the entire hall was deadly silent, and a needle could be heard clearly.

"Hey!" But soon, Su Hong was the first to react, and shouted at Yue Fengjiao very displeased: "What's the matter with you? Who are you, what status, and what qualifications do Yue Fengjiao have? Sect Master gave you alchemy?"

Su Hong's eyes were full of contempt and disgust when she spoke.

This person named Fengtao has too many things to do. Just now, the master promised to give him the inner elixir of the spirit beast, which is already considered to be very worthy of him, but he still has to make an inch, and wants Sect Master Yue to give him alchemy personally.

In Su Hong's heart, the status of Yue Feng and Liu Xudong is like one heaven and one underground. Yue Feng's request just now was simply a pipe dream.

I go....

In the past few times, Yue Feng didn't care about Su Hong, but seeing her speak so meanly, he couldn't help it, and said lightly, "This girl is wrong."

"As I am, I can't ask for it. What does Sect Master Yue do, but my master Zheng Chunqiu and Sect Master Yue are tacit acquaintances. I think that Sect Master Yue will not sit back and watch when a disciple of his friend is injured.

"One must, a healing medicine in the refining area is a piece of cake."

After saying this, Yue Feng did not forget to glance at Liu Xudong.

"You..."

At this moment, Su Hong was speechless, but she was very dissatisfied and stomped her feet angrily.

At this moment, Chen Rou couldn't stand it anymore, she hurried over and whispered to Su Hong: "Senior sister, this big brother Fengtao must have no choice, so he will rush to Sect Master Yue for help, don't say it. He's gone."

Su Hong was displeased and was about to refute, but was interrupted by Su Yanlin.

"Su Hong." At this time, Su Yanlin's face was full of displeasure: "What are you arguing about in the hall? Who does this brother Feng turn to for help? It's his childhood, and whether to help him or not, Sect Master Yue has his own judgment. ."

Then a word fell, and Su Yanlin looked at Liu Xudong.

Swish!

At the same time, Su Hong and Chen Rou's eyes also focused on Liu Xudong. Seeing this situation, Yue Feng also took the opportunity to hand over his hands, his face full of urgency: "Sect

Master Yue, please be kind and refine the healing medicine for me.”

.

Dare to pretend to be me, see how you can pretend.

Uh....

Faced with this situation, Liu Xudong was both annoyed and depressed. He never thought that he would be chased by a Danzong disciple.

He is not the real Yue Feng at all, how can he concoct alchemy. However, Liu Xudong is not stupid. After turning his head quickly, he smiled at Yue Feng and said, “I and you, Sect Master Zheng, are sincere and sincere. Since you are a disciple of Danzong, I can’t just sit back and watch.”

: “It’s just... I don’t have any materials for alchemy, and I still have important things to discuss with Sect Leader Su, so let’s go to Huashan’s medicine store to get some spirit beast inner pills to restore inner strength. , when I’m done, you come down the mountain with me, and I’ll make the medicinal pills for you myself.”

Liu Xudong thought about it, someone was present at this time, and he couldn’t turn his face with this man named Fengtao. After being deceived, I took this guy down the mountain, found a place where no one was there, and killed him directly.

Chapter 5543

Anyway, he’s just a disciple of Danzong, and he can’t cause much trouble if he dies.

This kid....

Hearing Liu Xudong’s words, Yue Feng was stunned for a while, secretly laughing in his heart.

This person is not stupid, he can find a reason to shirk in such a short period of time.

Just thinking about it, I heard Su Yanlin smile and say: “Brother Feng, since Sect Master Yue said so, you should go to the medicine store to get the spirit beast inner pill.”

At this time, Su Yanlin didn’t know the real situation at all, just saw Liu Xudong said this, and made a smooth human relationship.

Hehe...

Yue Feng smiled secretly, how could Liu Xudong be fooled so easily, I had to talk about it at that time.

Just before he spoke, he was interrupted by Su Hong who was beside him.

“You really don’t know what to do.” Su Hong walked over quickly, akimbo, and pointed at Yue Feng: “Sect Master Yue said so, what else are you dissatisfied with?”

” People, I have seen a lot, and relying on my master’s friendship with Sect Master Yue, I have the cheek to let Sect Master Yue do this and that, you are embarrassed, but I blush for you.” Nima

....

Yue Feng suddenly became angry, this female disciple is sick, I have nothing to do with you, but you are always targeting me.

Thinking to himself, Yue Feng wanted to refute, but Su Hong didn’t give him a chance at all, grabbed his arm, greeted Chen Rou at the same time, and went outside the hall together.

Yue Feng wanted to struggle very much, but he didn’t have any divine power in his body, so he couldn’t break free. Moreover, Su Hong was a woman after all, so he couldn’t tear his face completely.

“Junior sister! You go to his medicine store.”

Outside the main hall, Su Hong let go of his hand, and then ordered Chen Rou: “After you bring the spirit beast inner pill, let him go down the mountain quickly, and don’t let him disturb the conversation between Master and Sect Master Yue.”

Immediately, Su Hong again He glared at Yue Feng fiercely: “Don’t let me see you again, it will be annoying to see you.” After speaking, he turned around and returned to the main hall.

Damn....

For a while, Yue Feng stood there, a little annoyed, and a little dumbfounded.

Chen Rou looked apologetic and said softly to Yue Feng, “Brother Feng, don’t mind, my senior sister is like this. Sometimes what I do makes her dissatisfied, and she gets scolded.”

Mmmm!

Looking at Chen Rou's kind and lovely appearance, Yue Feng didn't say much, and nodded: "Then please accompany me to the medicine store."

Seriously, Yue Feng was very annoyed at this time, if it weren't for Su Hong has been making trouble, and it is estimated that the fake person has revealed his true colors at this moment.

Now that he was taken out of the hall, it was no longer appropriate to go in again.

Forget it, absorb some of the retail inner alchemy power first, restore some strength, and then think of a way.

"Okay!" Chen Rou responded with a smile, and then she led the way in front, leading Yue Feng to the direction of the medicine store.

While walking, Chen Rou did not forget to persuade Yue Feng: "Actually, my senior sister is a very good person, and she is usually very kind to people. It's just that when Sect Master Yue came here today, she is so abnormal."

"Why?" Yue Feng was puzzled . road.

Chen Rou smiled lightly: "Because my senior sister has always regarded Sect Master Yue as an idol, and you interrupted the conversation between Master and Sect Master Yue just now. Senior sister must be unhappy."

That's it...

Hearing this, Yue Feng nodded suddenly, then thought about it, shook his head and said to himself: "If this is the case, I don't want to have such an unreasonable follower."

"Chen Rou heard something, was stunned for a while, and couldn't help but said, "Brother Feng, what did you just say?"

I went...

Seeing Chen Rou's surprised face, Yue Feng suddenly realized, why did he say what he said in his heart?

Thinking to himself, Yue Feng quickly said with a smile: "It's nothing."

Then, Yue Feng quickly changed the subject: "By the way, your senior sister worships Yue Feng so much, how about you?"

"I..."

At this moment, Chen Rou bowing his head, his sweet and lovely face showed a hint of shyness: "I also admire Yue Feng very much, and have always dreamed of being friends with such a Kyushu hero, but I'm just an ordinary female disciple of the Huashan School. , how can I qualify."

"Also, when I faced Sect Master Yue just now, my heart was beating wildly and I was very nervous."

Chapter 5544

When talking about this, Chen Rou couldn't help but tilted her head and glanced in the direction of the hall, her eyes flashed with a strange brilliance, and said with emotion: "If I am a senior sister, and I can summon the courage to talk to Sect Master Yue, then Okay."

Uh....

Hearing this sincere confession, Yue Feng was stunned for a while, but felt a little embarrassed.

It turns out that this girl is also her own admirer.

Thinking to himself, Yue Feng smiled slightly and said, "Actually, you don't have to be nervous. Although Yue Feng is famous in Kyushu, he is not so high that people can't get close to him."

"Really?" Chen Rou said thoughtfully.

Yue Feng nodded: "Of course, you are inexplicably nervous because you can't see Sect Master Yue's face. When he takes off the golden mask, you will find that he is actually very approachable."

At this time, Yue Feng had already After thinking about it, with her current state, it is very difficult to unravel the true face of that impostor, so it is better to use this Chen Rou.

Once the golden mask is uncovered, the identity of the counterfeiter is naturally exposed.

"You..." Seeing that Yue Feng was so serious, Chen Rou was a little puzzled: "How do you know so much about Sect Master Yue?"

Hehe...

Yue Feng smiled secretly, I am Yue Feng, and of course I understand myself.

Thinking to himself, Yue Feng scratched his head and said, "My master and Sect Master Yue are close friends, of course I know it." Phew

...

Seeing him say that, Chen Rou no longer thought about it, but frowned. Gently said: "How can I see Sect Master Yue who is not wearing a mask?"

Yue Feng smiled and said meaningfully: "So, we have to find a way..."

"It's here!"

However, at this moment, Chen Rou pointed to a pavilion in front and said with a smile: "This is our Huashan medicine store. There are many spiritual beasts in it. How much Big Brother Feng needs, even if you take it. That's it."

Yue Feng was not polite, and followed Chen Rou in, and began to choose the inner elixir of spirit beasts.

.....

At this moment, this side of Huashan Hall.

call!

Seeing Yue Feng being taken out of the hall, Liu Xudong secretly sighed in relief, Mad, this troublemaker was finally taken away. He has to stay for a while, and he really can't stand it.

The next second, seeing the sun set outside the main hall, Liu Xudong cleared his throat and smiled at Su Yanlin: "Sect Leader Su, what are your thoughts on the blood wing armor?"

"Get the blood wing armor, lest you have too many dreams at night.

Uh...

In the face of the question, Su Yanlin smiled awkwardly.

I really don't want to lend him such a treasure, but since the other party is a Kyushu hero after all, I really don't know how to refuse.

Just when Su Yanlin was secretly struggling, he saw Su Hong walk in. "Master." When she came to the front, Su Hong's delicate face was full of ingratitude: "Junior sister has already taken that person to the medicine store. I was afraid that there would be no one

here to serve you, so I came here to serve you tea and water.”

With that said, Su Hong’s eyes were always on Liu Xudong.

In her heart, it was a great honor to be able to pour tea and water for her idol, but what she didn’t know was that the one beside her was not Yue Feng at all.

Seeing Su Hong coming in, Su Yanlin’s eyes flashed, and he suddenly had an idea.

“Sect Master Yue!”

Su Yanlin squeezed out a smile and said to Liu Xudong, “It’s getting late today, so why don’t you stay overnight in our Huashan for a while, about the blood wing armor, tomorrow morning, how can I answer you?”

With that said, Su Yanlin looked at Su Hong: “It just so happens that Su Hong is here. I’ll let her arrange a room for you to rest later. What do you think?”

The matter of the blood wing armor should not be taken lightly. An elder needs to have a good discussion.

As soon as the words fell, Su Hong’s face was full of joy, and she clapped her hands: “Okay.” If the idol stays overnight in Huashan, she will have the opportunity to be alone. Can you be unhappy?

This...

Hearing this suggestion, behind the golden mask, Liu Xudong looked embarrassed.

If you stay here, if your true identity is discovered, all your previous efforts will be in vain, and Huashan will not let him go.

But if he didn’t agree, he couldn’t find any other reason to ask Su Yanlin to immediately hand over the blood-winged armor.

Chapter 5545

Thinking, Liu Xudong’s eyes fell on Su Hong again.

This female disciple seems to admire Yue Feng very much. If she stays overnight, she might be able to feel the tenderness of beautiful women tonight...

Liu Xudong is a womanizer. Thinking of this at this moment, he no longer hesitates and nods at Su Yanlin. “If that’s the case, then I’ll disturb you.”

“Sect Master Yue is polite.”

Seeing his unity, Su Yanlin was secretly relieved, and then said with a smile, "You can stay in Huashan, but our Huashan faction is honored.

", Su Yanlin instructed Su Hong: "You take Sect Master Yue to rest first, remember, don't neglect, you know?"

"Master, don't worry."

At this moment, Su Hong, indescribably excited, nodded and said: "I must take good care of Sect Master Yue."

After saying that, he took Liu Xudong out of the hall and went to the guest room at the back.

"Sect Master Yue!"

After entering the room, Su Hong said with a smile: "This is the room where you rest tonight. Our Huashan Mountain is in poor condition, and I hope you don't dislike it."
Phew

...

At this moment, Liu Xudong was close The distance admired Su Hong's beauty and didn't care about the environment of the room at all, and immediately said with a

smile: " Don't say that, girl, this room is very nice and very warm." Su Hong smiled: "If Sect Master Yue doesn't dislike it, then it's best. alright."

The two of them chatted.

It has to be said that Liu Xudong is very talkative and makes Su Hong smile from time to time.

After chatting for a while, Su Hong was very interested in the golden mask and couldn't help but ask, "Sect Master Yue, can you show me your mask?" After speaking, she stretched out her jade hand and took off the mask.

Liu Xudong was startled, and quickly avoided: "I'm injured and my face is not good-looking, so don't pick it up."

After speaking, Liu Xudong turned his eyes and changed the subject: "I'm a little tired, do you have any wine in Huashan?" After the chat just now, Liu Xudong knew that this Su Hong was mean, but he was not scheming.

And the easiest way to deal with this kind of woman is to get her drunk.

“Yes!”

Su Hong nodded and said with a smile, “We have a kind of fruit wine in Huashan. It has a mellow taste and is made from several kinds of fruits. I’ll go get it for you.”

After speaking, she quickly walked out the door.

Seeing Su Hong walk out of the room, Liu Xudong showed a smile, and his eyes became sinister.

He thought about it. After getting Su Hong drunk, he first asked where the Bloodwing armor was stored. She was a direct disciple of Su Yanlin, so she must know. After asking about the armor’s hiding place, just enjoy the gentleness of no one.... After that, try to steal the Bloodwing armor.

....

on the other side, the drug store.

“Okay!”

It took ten minutes for Yue Feng to select a few Spirit Beast Inner Pills of the Martial Saint level and said to Chen Ju, “Let’s go out.” A

few Martial Saint Level Spirit Beast Inner Pills are not enough at all. Let Yue Feng completely restore his strength, but after integrating the power of these inner cores, he can at least fly in the sky, which is enough for Yue Feng.

Um!

Chen Rou responded and walked out of the medicine store with Yue Feng.

As soon as he got outside, he saw Su Hong coming from a distance, with a smile on his face and a very good mood.

“Why hasn’t he left yet?”

However, seeing Yue Feng, Su Hong’s face suddenly sank, she walked over quickly, and asked angrily, “Did you give Neidan?”

“Yes, he chose it himself. .” Chen Rou responded.

Su Hong frowned, seeing the Spirit Beast Inner Pill in Yue Feng’s hand, and immediately snatched it over with a cold snort: “You are just a disciple of the Pill Sect, what qualifications do you have to use the Martial Saint-level Inner Pill?”

Su Hong said, Turning around and returning to the medicine store, after a while, he took out a few Wuhou-level inner pills and threw them to Yue Feng: "Where do you take Huashan as a place? You can take whatever you want? You can only use Wuhou. High-level, understand? Take it and leave quickly."

When she said this, Su Hong couldn't hide the disgust on her face.

This person is really annoying the more he looks at it, he is just a disciple of the alchemy sect, he actually took the inner alchemy of the martial sage level, as if his status is high, it is really disgusting...

The ultimate husband in Chinese chapter 5546-5550

Chapter 5546 What the fuck

....

Seeing Su Hong's attitude, Yue Feng frowned and was speechless.

Is there something wrong with this girl's brain?

At this time, Chen Rou couldn't stand it anymore, and couldn't help but said to Su Hong: "Senior sister, don't be like this. Master said in the hall just now that he wants to help this big brother Feng..."

But he didn't say anything. After he finished speaking, he was interrupted by Su Hong: "Junior sister, you are too kind, this person is a disciple of Danzong, and he is unknown in the rivers and lakes. It is very good that Huashan can promise to help. Why are you treating him? So good?"

After saying that, Su Hong looked back at Liu Xudong's resting room, and continued: "If you have time, why don't you join me and get closer to Sect Master Yue, I'm about to get Sect Master Yue fruit wine. Well, wait for you to come with me."

When referring to Liu Xudong, Su Hong's eyes were full of pride and excitement, and her attitude was completely different from that of Yue Feng.

Huh....

Hearing this, Yue Feng couldn't help frowning secretly.

The guy who pretended to be me enjoyed it so much, he even wanted to drink.

But Chen Rou bit her lip tightly, and said very tangled: "I...I'm not going. When I saw Sect Master Yue, I was nervous..."

Seeing her say that, Su Hong Shaking his head: "It's fine if you don't go, don't blame me for not calling you."

After speaking, Su Hong revealed a bit of longing on her face: "I had a very speculative chat with Sect Master Yue just now, maybe, wait a minute. I can still have a drink with him..."

Su Hong at this time was completely immersed in her own illusion.

Seeing her like this, Yue Feng couldn't help laughing.

This chapter is provided by . Visit for daily update.

"What's so funny about you?"

Hearing the laughter, Su Hong's face sank, and she said angrily at Yue Feng: "The spirit beast's inner pill has been given to you, why don't you leave?"

At this time, Yue Feng, has calmed down, and said with a smile: "I laugh at this girl Chen Rou, who is gentle and quiet, and sticks to her duty. Unlike some people, in order to cling to the heroes of Kyushu, you don't want to be reserved at all." The

words were innuendo.

"You..."

Su Hong was furious, but she didn't know how to refute.

Seeing that the two were arguing, Chen Rou hurried to smooth things out: "Okay, Senior Sister, hurry up and go to the fruit bar. I'll send this brother Feng down the mountain." After the voice fell, she stopped Yue Feng from walking down the mountain.

On the way down the mountain, Yue Feng couldn't help but ask: "Just now your senior sister asked you to bring wine to that Sect Master Yue together, why didn't you go?"

Chen Rou thought about it: "I'm stupid, I don't speak like senior sister, Wan Wan If you offend the distinguished guests, you will be punished by the master."

Hearing

this, Yue Feng secretly sighed, she is really a silly and lovely girl.

Thinking to himself, Yue Feng took a deep breath, stopped to look at Chen Rou, and said very seriously: "Miss Chen Rou, have you ever thought that the person sitting in the hall just now is not the real Yue Feng? ."

A person pretending to be himself to come to Huashan to cheat, he must not just leave.

Yue Feng thought about it, showed his identity, and then exposed the true face of the impostor.

What?

Hearing this cold sentence, Chen Rou's body trembled, and she was stunned for a moment. She looked at Yue Feng blankly: "Brother Feng, you... What did you just say?"

Yue Feng said slowly: "That Yue Feng is fake."

"This..."

Chen Rou shook her head subconsciously, "This is impossible, if it was a fake Yue Feng, how could there be a golden mask??" She never imagined that someone would dare to impersonate Yue Feng.

Yue Feng smiled: "The golden mask is just a tool to symbolize identity, and some people with ulterior motives can naturally imitate it."

"I have to say that the golden mask that that person imitated just now is very delicate and almost the same as the real one, but The golden mask, I stopped wearing it a few years ago."

"Really..." Hearing these words, Chen Rou subconsciously responded, she only felt that her mind was in a mess, but she quickly realized that she was nervous. Looking closely at Yue Feng: "You... What did you just say? You stopped wearing it a few years ago? Then you..."

Before she could finish speaking, Yue Feng nodded and interrupted: "No need to guess. Now, I am Yue Feng."

Chapter 5547

This...

At this moment, Chen Rou's body trembled, and she stared at Yue Feng blankly, only to feel that her legs were weak and she couldn't stand still.

I thought this person in front of me was just an ordinary disciple of Danzong, but I never thought that he was actually Yue Feng, who was famous in Jiuzhou.

At this time, Yue Feng did not wait for Chen Rou to ask, and simply stated his experience during this period of time.

At the end, Yue Feng said with a wry smile: "It was spread to you in the Huashan area at that time. I wanted to visit your master, but I never thought that someone would pretend to be me."

Hearing Yue Feng's narration, Chen Rou gradually calmed down. , couldn't help saying: "You are really Yue Feng?"

"It's absolutely true."

Yue Feng nodded, and then took out the golden decree of the emperor: "This is the golden decree of the gods, it is the status symbol of the emperor, it is What the Heavenly Emperor gave me at that time, there is only one in the world."

Hu...

Seeing the Heavenly Emperor's golden decree, Chen Rou no longer doubted, but she was still a little puzzled: "But, in the hall just now, why didn't you reveal your identity, instead you said Are you a disciple of Danzong?"

Yue Feng smiled bitterly: "No one would believe the situation just now, even if I said it, and the person who pretended to be me is not low in strength. As for me, I have no strength at all.

" Especially your senior sister, not only won't believe me, but also said that I deliberately caused trouble and locked me up." The thought of Su Hong made Yue Feng's head very big.

Hearing this, Chen Rou nodded in agreement: "That's true."

Immediately, Chen Rou thought of something, and suddenly became nervous: "Then what should I do now? Master and Senior Sister, don't even know that person is fake. "

Especially thinking that Senior Sister might be deceived, Chen Rou was even more anxious.

"Don't panic."

Yue Feng smiled and said confidently: "Isn't your senior sister going to give that person fruit wine? We can start with this."

"Of course, we have to prepare in advance."

After that, Yue Feng Say your plan.

A few minutes later, Chen Rou followed Yue Feng's plan and took him to her resting room.

Chen Rou's room was clean and tidy, and there was a refreshing fragrance, which made Yue Feng feel depressed at first, but suddenly felt a lot more comfortable.

After bringing Yue Feng into the room, Chen Rou went to prepare things.

After a while, Chen Rou brought a few jars of fruit wine and some alchemy materials: "I've brought everything."

Hmm!

Yue Feng nodded, looked around, then picked up a clay pot and began to refine it.

At this moment, looking at Yue Feng's orderly appearance, Chen Rou's delicate face was full of shock, and she was even more convinced that this was the real Yue Feng.

After all, in Kyushu, there are very few people who can use the utensils around them to make alchemy at will, except for Yue Feng.

boom!

After a while, with a vibration, Yue Feng took out an orange-yellow medicinal pill from the clay pot, and then squeezed the medicinal pill into two pieces and put them in two jars of fruit wine. It melts, not only that, but the wafting wine smell is more mellow.

Seeing this scene, Chen Rou was very surprised.

Seeing her expression, Yue Feng smiled slightly and explained, "Don't worry, this is not poison. Mixing it with wine can make you drunk faster."

Hearing this, Chen Rou suddenly felt relieved, nodded and said, "I'll send the wine here." After speaking, she took the wine and walked out of the room.

After Chen Rou left, Yue Feng took out a few spirit beast inner pills and began to fuse the power inside.

.....

On the other side, the mysterious realm of Ziwei Continent.

At this time, in the secret realm, it was like hell. In the face of the rampant Jialan beast, the masters of various sects were not opponents at all, and they fell one by one in a pool of blood.

The melee went on for a day and a night.

In this day and night, the people from various sects added up to more than 100,000 people. Under the attack of the violent Jialan beast, there were only less than 2,000 people who survived at this time.

“Ah...” The

screams continued to sound, and the air was filled with a strong bloody smell.

At this moment, near the Chaos Transmission Formation, Prince Aotian hid on the top of a pillar, his body was covered in blood, and his gloomy face also showed a bit of weakness and annoyance.

Chapter 5548 I

thought that after these Jialan beasts went mad, they could get rid of Yue Feng as soon as possible, but never expected that at the last moment, he took Liu Ruxue and left through the teleportation array.

Really, one wrong step and the whole game is lost.

During this day and night, almost all the members of Lihuomen died tragically under the fangs and claws of Jialan beast, and Prince Aotian was also attacked madly, and finally, with his powerful strength, he hid in On the pillar, there is a chance to breathe.

Phew...

At this time, seeing the disciples of the sect not far away, constantly falling into the pool of blood, Prince Aotian took a deep breath, feeling very anxious.

These Jialan beasts are powerful one by one, and when the masters of the major sects die, they will become their final targets.

No, you have to find a way to leave.

Muttering in his heart, Prince Aotian looked at the direction of the exit of the secret realm, his mood instantly sank to the bottom, and he saw that on the way out, there were ferocious and murderous Jialan beasts everywhere, and there was no chance if he wanted to pass.

Ma De...

Faced with this situation, Prince Aotian couldn't tell the anxiety and anger.

Could it be that his ending will be the same as these people, and he will die here in the end? With fire in his heart, Prince Aotian subconsciously looked at the Chaos Teleportation Array not far ahead.

Two hours ago, Prince Aotian tried to open the teleportation array, but this chaotic teleportation array, seemingly simple, was very mysterious. Can't find a way to turn it on at all.

What made Prince Aotian even more depressed was that when Yue Feng and Liu Ruxue were teleported away, he saw with his own eyes that Liu Ruxue injected divine power into one of the pillars, but waited until Prince Aotian injected divine energy into it. , the teleportation array did not respond at all.

Prince Aotian did not know that the Chaos Teleportation Array was changing all the time, and the starting position would naturally change accordingly.

"Ouch..."

At this moment, I heard a burst of roars, and then, several Jialan beasts rose into the air and rushed towards Prince Aotian.

Prince Aotian scolded secretly, without hesitation at that time, he rushed down the column directly. Under the continuous fierce battle, Prince Aotian's strength was almost exhausted, and he was not the opponent of these Jialan beasts at all.

Seeing Prince Aotian flying down the column, several Jialan beasts let out a howl and came after him.

"Damn beasts."

Faced with this situation, Prince Aotian scolded loudly, without hesitation at the time, he rushed directly into the Chaos Teleportation Array, intending to use the complex environment in the teleportation array to get rid of these katana. Lan beast.

Swish...

But Jialan Beast has a very high IQ. Even if it is in a violent state at this time, it knows how to cooperate with each other and directly chases into the teleportation array. In just a few breaths, it will be proud of the emperor. The child is surrounded by the center.

Oops!

Seeing that he was surrounded, Prince Aotian's face was extremely pale.

There's really no way out now.

At this moment, a Jialan beast rushed over quickly, waving its sharp claws, and made several deep wounds on the back of Prince Aotian. In an instant, blood sprayed, and Prince Aotian trembled, almost kneeling on the ground.

“Bastard, get out, get out of here...”

Under the severe pain, Prince Aotian’s eyes were extremely blood red, he howled desperately, and flew up, running all his internal forces, and facing him fiercely. One of the Jialan beasts was shot away.

Even if you die, you have to pull a pad on your back.

However, the Jialan beast reacted very quickly, and its huge body quickly dodged to the side, dodging the palm.

boom!

This palm failed to hit, but slapped hard on a pillar in the teleportation formation. After a roar, Prince Aotian was also completely desperate in his heart.

In despair, there is deep unwillingness.

Before he could recreate his primordial spirit, he would die in such a place, but that kid Ao Lin was sitting firmly on the throne of the Heavenly Emperor, aloof...why, why is God so unfair.

When Prince Aotian was unwilling to cry in his heart, several Jialan beasts around him also rushed up again.

At this moment, Prince Aotian closed his eyes and gave up resistance completely.

Om....

However, at this critical moment, I saw a dazzling group of rays of light condensed from all around, directly shrouding Prince Aotian. It turned out that his palm was empty just now, but it was a coincidence. The power of the teleportation array was activated.

Chapter 5549

What’s the situation?

The sudden change made Prince Aotian stunned.

In the next second, feeling the power surging in the teleportation array, Prince Aotian quickly realized something and immediately smiled.

Haha....

It seems that I should not die.

At this time, the rays of light became stronger and stronger, covering the several Jialan beasts that rushed up, and the next second, Prince Aotian and several Jialan beasts were directly teleported away.

...

On the other side, Kyushu Continent, Xia Yinzong.

On the top of the mountain north of the main altar, the fierce battle between Yue Wuya and several elite soldiers continued.

Dangdangdang....

The sound of the collision of weapons kept coming, and it was seen that Yue Wuya had no strength to fight, and was forced to retreat again and again, his face was extremely pale.

Seeing this, Hai Ling'er's delicate face was full of anxiety. At that time, she wanted to rush over to help, but she held back and moved the stones faster to deploy the formation.

"Hey!"

At this moment, a cracking sound was heard, and Yue Wuya was stabbed in the shoulder, and blood spurted out immediately.

At this moment, Yue Wuya only felt that all the strength in his body was suddenly taken away, the whole person was extremely weak and sluggish, and he half-knelt on the ground.

"Brother Wuya!"

Hai Ling'er exclaimed. At this time, the formation had been deployed, so she rushed up desperately, with tears streaming down her face: "How are you? Hurry, the formation is ready, let's hide in. go."

However, Yue Wuya smiled tragically and looked at Hai Linger affectionately: "Linger, I'm about to die, leave me alone, hurry up and hide in the formation, hurry up..."

When he said this, Yue Wu Ya's eyes flashed with determination and reluctance.

Yes, just now he asked Hai Linger to deploy the formation, and the ultimate goal was to protect her and the child. You must know that his strength has not been completely restored, and it is impossible to kill the few divine soldiers in front of him.

The longer you delay, the worse it is.

The only way is to completely explode the power of the Overlord Hammer and die together with a few elite soldiers. Only in this case, the terrifying power that erupts will definitely hurt Hai Linger and the child by mistake.

However, as long as she and her child hide in the formation, they will be much safer.

“No...”

Hai Ling'er Bingxue was smart, looking at Yue Wuya's determined eyes, she immediately understood something, then shook her head desperately: “I don't want to leave you, Wuya brother, if we die, let's die together...”

The child in his arms seemed to sense something and started crying.

“Linger is obedient.”

Yue Wuya smiled weakly: “This is the only way, the two of you, one is my beloved and the other is my younger brother, I will not let you die with me.”

Speaking, seeing several divine soldiers quickly surrounding, Yue Wuya exerted his last strength, pushed Hai Linger to the edge of the formation, and shouted: “Quickly enter the stone formation!” The

last word Falling down, Yue Wuya held the Overlord Hammer tightly, struggled to stand up, and shouted at several divine soldiers: “You hypocrites, aren't you trying to kill me, come, come...”

“Looking for death !”

“It's long-winded, go to hell.”

In the face of the provocation, the eyes of several elite soldiers showed fierce killing intent, raising their long knives and slashing towards Yue Wuya.

At this moment, Yue Wuya did not dodge, but stood there proudly, ready to explode the last power of the Overlord Hammer.

Om....

But at this moment, the dark sky above my head suddenly twisted violently, and then, a ray of light connected the heaven and the earth, and from that ray of light, a figure and several huge bodies suddenly landed.

As soon as I saw the figure, it was covered in blood, and those huge bodies were several beasts with golden hairs all over their bodies, giving them an oppressive aura.

It was through the Chaos Teleportation Array that Prince Aotian and a few Jialan Beasts were transmitted.

This... all

of a sudden, in the face of this sudden situation, whether it is Yue Wuya or Hai Linger who is in grief, they are all stunned.

A few divine soldiers were even more startled, but soon, they were secretly relieved when they saw several Jialan beasts. After all, Jialan beasts were unique spirit beasts in the Divine Realm, and these divine soldiers were no strangers.

It's just that a few Jialan beasts suddenly appeared in the sky, which also made them very puzzled.

Chapter 5550

For a time, several elite soldiers looked at each other.

It's so good, how can there be several Jialan beasts falling from the sky?

Phew...

Just when they were all in shock, Prince Aotian looked around, frowning secretly in his heart.

What is this place? It doesn't look like Ziwei Continent.

Moreover, there are also elite soldiers here...

"Haha..."

Just as Prince Aotian muttered secretly, one of the elite soldiers took a step forward and asked Prince Aotian, "What are you? Humans?" To

be able to appear with a few Jialan beasts is definitely not a generalist.

Prince Aotian snorted coldly: "Only you are not qualified to know my identity." Although the appearance is still the same as that of Ren Pingsheng, in the heart of Prince Aotian, he still did not put these divine soldiers in his eyes. .

Huh...

Seeing his cold and arrogant attitude, several elite soldiers were all angry.

The next second, the leading elite soldier, who was too lazy to talk nonsense, issued an order to several Jialan beasts: "Tear these people into pieces." With these Jialan beasts, myself and my companions, and you don't have to do it yourself.

However, several Jialan beasts did not obey the instructions and attacked Yue Wuya, but leaned forward and let out a burst of roars.

Um?

Seeing this, the divine soldier frowned.

He didn't know yet that the several Jialan beasts in front of him were already violent and would not obey any of his orders.

"Don't understand the command?" After muttering, the magic soldier walked over.

"Ow..."

But before he got close, he saw one of the Jialan beasts let out a roar, and directly threw the divine soldier to the ground, biting frantically. In an instant, the armor shattered and blood was sprayed...

"Ah..." Under the severe pain, the divine soldier suddenly screamed, and at the same time shouted at his companion: "Save me... this... these Jia Lan beasts are crazy."

What... in an

instant, The expressions of the other elite soldiers changed drastically, and without any hesitation, they rushed over to drive the Jialan Beast. It's just that these Jialan beasts were mad, and they didn't listen to the instructions at all. At that time, they let out a roar and fought with a few elite soldiers.

Idiot...

Seeing this, Prince Aotian raised a trace of contempt at the corner of his mouth, then turned around and rushed down the mountain. There are several divine soldiers blocking Jialan Beast, if you don't leave at this time, when will you wait?

"Brother Wuya!"

At this time, Hai Ling'er calmed down, holding the child in her arms, and quickly rushed to Yue Wuya: "Let's go." As she spoke, she watched the magic soldier and Jialan beast fighting in front of her. scene.

These divine soldiers were dragged by several strange beasts, and this was a good opportunity to leave.

Hmm...

Yue Wuya responded, enduring the severe pain on her body, and quickly descended the mountain with Hai Linger.

...

on the other side, Huashan.

In the guest room, Liu Xudong looked at a few delicate dishes and two jars of fine wine on the table in front of him. He was in a good mood, and said to Su Hong, "Thank you, Miss Su Hong." "Sect Master

Yue is very polite."

Su Hong stood there with a cute face and replied with a smile: "It is my honor to serve Sect Master Yue."

Liu Xudong nodded and looked at Su Hong up and down, the more he looked, the more joy he felt in his heart.

Bang Bang...

At this moment, a timid voice sounded outside the door: "Sect Master Yue..."

For a while, both Liu Xudong and Su Hong were stunned. Then Su Hong went to open the door and saw Chen Rou holding two The jar of fruit wine stood there, with a very restrained look on her delicate face.

"Junior sister?"

Su Hong reacted and said with a smile, "Why are you here?"

Chen Rou first glanced at Liu Xudong carefully, and said in a low voice, "Senior sister said just now that Sect Master Yue wants to drink, I am afraid that senior sister will bring the wine. If it's not enough, I specially sent two jars."

After speaking, he walked in and put the wine jar on the table.

At this moment, Chen Rou's face was calm and calm, but she felt uneasy in her heart. She was kind and simple in her heart, and knew that the Sect Master Yue in front of her was fake, so how could she not be nervous.

Haha...

At this time, Liu Xudong also reacted, feeling indescribably happy, and took the initiative to send another one to the door. Did you have a good luck today?

Thinking to himself, Liu Xudong looked at Chen Rou with a smile: "Your name is Chen Rou, right? Since you're here, let's have a drink later."
