

The ultimate husband in Chinese chapter 5601-5610

What shocked Yue Feng even more was that his throat was also numb.

Nima!

Feeling this, Yue Feng couldn't help but scolded, is this poisonous mist so powerful?

Then Yue Feng looked around, but his vision was completely blocked by the poisonous fog, so he couldn't see the surrounding situation at all, so he had to open his mouth and try to call out to Liu Ruxue.

“Ah... ah...”

As a result, Yue Feng's throat was infected with the poison, and he opened his mouth and made a babbling sound, unable to speak at all.

For a time, Yue Feng was very depressed.

Speaking of which, Yue Feng has the body of the Profound Sage, and is invulnerable to all poisons. It stands to reason that he will not be affected by Xiangliu's poison. However, when he was about to fuse the essence of quenching the golden pill, he was interrupted by Liu Ruxue. God is extremely unstable, which is why he was exploited by the poison.

However, Xiang Liu's poison can only paralyze him, and have no effect on his life.

Done.

Unable to speak, Yue Feng wanted to cry without tears, and his body was paralyzed, so he could only wait and see what happened.

At this time, Yue Feng also realized that Liu Ruxue suddenly rushed into the cave just now to make a surprise attack, and regarded himself as the subordinate of the God King Haotian. After all, he was wearing a armor of a god general and a helmet.

Thinking of this, Yue Feng couldn't help but admire secretly.

This Liu Ruxue is quite intelligent, and knows how to lead me into the woods and then cast poison.

However... Liu Ruxue, as the saint of Lihuo Sect, doesn't seem to be good at using poison. Moreover, this poisonous mist is also a bit strange... So domineering and violent, it doesn't seem like a human being, but a certain The characteristics of a powerful spiritual beast...

At this time, deep in the woods.

Su Qingyan and Liu Ruxue hid in the dark, and they were extremely excited to see the 'God General' not far away being shrouded in poisonous mist.

Haha...

At this time, Xiang Liu, who was standing beside him, also showed a smile and said proudly, "Master, I'm right, as long as we cooperate well, a mere god general will not come easily."

Liu Ruxue hummed and nodded approvingly.

Although this Xiang Liu is disgusting, it is still useful at critical moments.

Thinking to herself, Liu Ruxue said, "How long will your poison last?" After all, the other party is a divine general and has divine power to protect his body. If Xiang Liu's poison doesn't work, it will be a waste of effort.

"Master, don't worry!"

Xiang Liu said with a smile: "Only I can cure my poison. Moreover, this god was obviously injured before. Although the poison is not fatal to him, it can paralyze him."

While speaking, Xiang Liu glanced at Yue Feng in the poisonous mist from a distance, and continued: "In the current situation, the poison has spread all over his body, and there is no threat to us." The

last word fell, and Xiang Liu slowly raised his head. hand.

Huhu...

In an instant, the poisonous fog slowly dissipated, and Xiangliu walked over in order to prove his loyalty.

Su Qingyan and Liu Ruxue didn't have time to think, they quickly followed and walked towards Yue Feng.

Light smoke?

At this moment, seeing the three Su Qingyans, Yue Feng was shocked, surprised and happy.

When he saw Liu Ruxue in the cave just now, Yue Feng was already surprised, and when he saw Su Qingyan there, he was immediately excited.

“Ah...ahh...” Under the excitement, Yue Feng spoke again, but the sound was still babbling.

For a time, Yue Feng was so anxious that his relatives were right in front of him, but he couldn't recognize each other. It would be difficult for anyone to calm down about this matter. At the same time, Yue Feng's eyes were also fixed on Su Qingyan, with some pity and compassion. distressed.

I haven't seen you for so long, and the smoke has been reduced a lot.

“Hey...”

Just when Yue Feng was staring at Su Qingyan affectionately, Xiang Liu quickly walked to him, raised his hand and patted Yue Feng's helmet, with a playful expression on his face: “How is it? Can't you move? I'm telling you, be honest, don't play tricks, understand?”

When he said this, Xiangliu looked like a villain.

What the hell!

At this time, Yue Feng noticed Xiang Liu, and when he saw his appearance, he was shocked. Pointy face, narrow eyes, blue skin.

This... what is this? It looks too ugly.

“I'm asking you.”

Just when Yue Feng was secretly shocked, Liu Ruxue walked over slowly and asked in a cold tone, “What are you doing in the cave?”

The ultimate husband in Chinese chapter 5602

When asking, there was a trace of resentment in Liu Ruxue's eyes.

As soon as he came to the Kyushu Continent, he was caught by the God King Haotian and almost died, so he hated these gods and soldiers.

“Yah...Yeah...”

Yue Feng opened his mouth to answer, but he couldn't say a single word.

For a while, Yue Feng was sweating with anxiety. At that time, he thought of writing on the ground, but after absorbing the poisonous mist, his whole body was paralyzed and he couldn't move at all.

Um?

At this moment, Liu Ruxue and Su Qingyan were also stunned for a while, and looked at each other, both very puzzled.

Why can't you speak?

Soon, Liu Ruxue calmed down and asked Xiang Liu, "What's going on?"

Xiang Liu scratched his head and explained, "It may be that he was poisoned too deeply, causing his throat to become paralyzed, so he said no. Say something."

"This..."

Liu Ruxue was helpless when she heard this, and said angrily: "He can't speak, what's the use of us arresting him?" The other party said a word I don't know how to ask about Xia Yinzong's situation.

Su Qingyan also shook her head, it was a waste of time.

However, Su Qingyan also noticed that the eyes of the 'God General' in front of him had been staring at him, his eyes full of affection.

Does he know me?

This chapter is provided by . Visit for daily update.

Impossible, I have never been to the realm of the gods, how could he, a god, know me?

Thinking to herself, Su Qingyan stepped aside and guarded the surroundings to prevent other divine soldiers from appearing.

light smoke..

Seeing Su Qingyan walk aside, Yue Feng was so anxious that he kept shouting in his heart, "Qingyan, look carefully, it's me, it's me.

Anxious, Yue Feng tried to speak again, but the result was still a babbling sound.

"What's the noise?"

Yue Feng's babbling made Xiangliu very unhappy, and couldn't help scolding: "Be quiet."

Immediately, Xiangliu turned his head to look at Liu Ruxue, flattering: "Master, Although this guy can't speak, it doesn't matter, what do you want to ask, just ask directly, he is not stupid."

Master?

Hearing this title, Yue Feng was stunned again. First, he looked at Xiang Liu, who had a strange appearance, and then at Liu Ruxue, only to feel that his mind was even more confused.

When did Liu Ruxue accept such a strange subordinate?

Also, how could she be with Qingyan? Moreover, the relationship seems to be good...

At this time, Yue Feng didn't know that Liu Ruxue and Su Qingyan had not known each other for a long time, but they had experienced life and death together.

Huh...

At this moment, hearing Xiang Liu's suggestion, Liu Ruxue thought for a while, then looked at Yue Feng and said, "I'll ask you a few questions, if it's right, just nod your head, if not, shake your head."

If you dare to deceive me, I will tell you that life is better than death, understand?"

When she said the last sentence, Liu Ruxue's delicate face showed a bit of ferocity, but in Yue Feng's opinion, there was no such thing as the slightest bit of ferocity. Threatening, but indescribably charming.

However, at this time, Yue Feng was speechless and unable to identify himself, so he could only nod his head.

Seeing his cooperation, Liu Ruxue nodded and asked the first question: "Is the Haotian God King still in the Xia Yin Sect?" It is extremely apprehensive.

Yue Feng nodded.

Liu Ruxue thought for a while, then continued to ask, "Have the people of Xia Yinzong been arrested?"

Yue Feng shook his head, the followers of Xia Yinzong managed to escape as early as an hour ago.

Nothing is fine.

Seeing his reaction, Liu Ruxue and Su Qingyan looked at each other, both secretly relieved.

At this time, Su Qingyan couldn't help but said, "Have you found the entrance to the secret passage?"

Yue Feng shook his head again.

Afterwards, Su Qingyan asked a few more questions, and Yue Feng answered with shaking his head and nodding.

Soon, Su Qingyan and Liu Ruxue gradually understood the current situation of Xia Yinzong. Not only were the members of Xia Yinzong not arrested, but they all escaped successfully. Not only that, Wen Chouchou, Sun Dasheng and others also successfully escaped. .

"That's great."

At this moment, Su Qingyan couldn't hide her excitement, took Liu Ruxue's hand and said, "Brother Wen and the others have also escaped, so we don't have to take the risk to investigate Xia Yinzong."

The ultimate husband in Chinese chapter 5603

However, Liu Ruxue was unusually calm, first glanced at Yue Feng, and said slowly: "Let's not be too happy, he may not answer everything, maybe he is deliberately fooling us."

Yes ...

Hearing this, Su Qingyan also calmed down.

Brother Wen and Dasheng were all injured before. How could they escape easily under such circumstances?

Thinking to herself, Su Qingyan Xiumei frowned and said to Yue Feng, "Did you lie to us on purpose?" After speaking, she drew out her long sword and placed it directly on Yue Feng's neck.

Yue Feng immediately shook his head, and his heart was too anxious.

Mad, the feeling of not being able to speak is really uncomfortable.

"Forget it!"

At this moment, Liu Ruxue didn't want to waste any more time, and said slowly: "Stop talking nonsense with him, whether what he said is true or not, we have to go back to Xia Yinzong to see the situation."

Su Qingyan nodded in agreement, and then looked at Yue Feng: "How does he deal with it?"

"Kill it." Liu Ruxue said without thinking, looking at Yue Feng's eyes, also revealing a bit of killing I mean, the whereabouts of myself and Su Qingyan have been exposed, and this 'god general' must not be allowed to return alive.

Um!

Su Qingyan had no objection and nodded.

At this moment, Yue Feng was shocked, and immediately panicked. When it was over, they decided that I was the subordinate of the God King Haotian and planned to silence it.

"Master!"

This chapter is provided by . Visit for daily update.

At this time, Xiangliu said with a smile in order to show: "Let me do this kind of dirty work." After speaking, he was about to do something to Yue Feng.

Nima...

Faced with this situation, Yue Feng wanted to cry without tears, so he quickly and silently activated his divine power to expel the poison in his body.

However, at this time, there was a sudden aura fluctuation in the sky not far away, and then, from a distance, more than a dozen divine soldiers were flying towards this direction.

Depending on the situation, it should be something to patrol in this area.

Oops!

Seeing this team of magic soldiers, whether it was Liu Ruxue or Su Qingyan, their pretty faces changed.

Xiang Liu was also taken aback, looked at Yue Feng sideways, and smiled coldly: "Did they come to you?" Yue Feng

immediately shook his head.

“Don’t ask, hide first.” At this time, Su Qingyan immediately urged the magic soldiers to get closer and closer. After speaking, take the first step and rush into the cave where Yue Feng was before.

When the words fell, Liu Ruxue and Xiang Liu did not hesitate and followed closely with Yue Feng.

“Listen!”

At the moment of entering the cave, Xiang Liu said fiercely to Yue Feng: “You better not make a sound, otherwise, I will destroy your primordial spirit.”

Xiang Liu has lived for more than two thousand years, and also He is well-informed and knows that the existence of God’s Domain has Primordial Spirit, but his strength is not enough to destroy Yue Feng’s Primordial Spirit. At this time, he is just pretending to scare Yue Feng.

Haha...

Seeing Xiangliu’s deliberate gesture, Yue Feng smiled secretly in his heart.

This guy is quite interesting, but I don’t know what it really looks like.

Thinking to himself, Yue Feng nodded, indicating that he would not make a sound. After all, he was a fake god general, not a subordinate of the God King Haotian at all. How could he bring in the enemy?

Seeing Yue Feng’s cooperation, Liu Ruxue was a little worried, and suddenly raised her jade hand and hit Yue Feng’s helmet with a palm.

boom!

Liu Ruxue shot quickly, and Yue Feng was still paralyzed in public, so he couldn’t dodge at all, when he heard a dull sound, Yue Feng’s eyes darkened, he immediately fell to the ground and passed out.

Holy crap...

At the moment of losing consciousness, Yue Feng was very depressed.

I thought I was lucky today, I rescued Brother Wen and the others first, and then Xia Yinzong and others, but in the end I never thought that it would fall into my own hands.

Wow ...

Yue Feng was just knocked out, and a dozen divine soldiers had already arrived on the platform above the cave. In an instant, Su Qingyan, Liu Ruxue, and Xiang Liu were all holding their breaths, not daring to make a sound.

These magic soldiers arrived on the platform and did not leave, but complained one by one.

“It’s really unfortunate. We should have rested at this time, but we were sent out to inspect...”

“Who said it wasn’t?”

“But today it’s really evil. Someone pretended to be us, and successfully deceived His Royal Highness the King of God and sent the Ouyang family Hexia Yinzong’s people are all let go.”

The ultimate husband in Chinese chapter 5604

voice of the discussion continued to spread, Su Qingyan and Liu Ruxue looked at each other and were overjoyed.

Great.

Brother Wen and the people from Xia Yinzong managed to escape.

In their joy, Su Qingyan and Liu Ruxue both subconsciously glanced at the unconscious Yue Feng, and were very puzzled.

It seems that the news he gave before is correct.

It’s just... As a subordinate of the Haotian God King, a dignified general of the Divine Realm, why did you cooperate so much just now?

While thinking about it, I heard the magic soldier on the platform above, and the voice of discussion came again.

“Let’s go and have a look around...”

“Well, everyone scattered around and searched, and then meet here.”

Soon, after these magical soldiers discussed, they spread out and began to search around.

Huh...

Hearing this, Su Qingyan and Liu Ruxue were a little anxious.

These divine soldiers are nearby. In this case, if you go out rashly, you will definitely be found. It seems that you can only hide in this cave.

Just hiding in the cave, it is also easy to be found.

At this moment, Liu Ruxue pondered for a while, and instructed Xiang Liu: "Get some straw and block the entrance of the cave." The entrance of this cave is very small, and if it is blocked with straw, it will be difficult to be found.

This chapter is provided by . Visit for daily update.

Alright...

Xiang Liu replied with a smile, then turned around and blocked all the straw in the cave at the entrance of the cave.

At this time, Xiang Liu seemed to be very attentive, but when his back turned to Liu Ruxue, his eyes flashed with a hint of gloom. Having survived for more than 2,000 years, it is a shame to be yelled at by a woman at this time.

However, Xiang Liu was very tolerant, he had already made a plan in his heart, and when he had the next chance, he would take action to stop Liu Ruxue, and then force Su Qingyan to hand over the antidote.

"Okay!"

Soon, Xiang Liu blocked the entrance of the cave, clapped his hands, and flattered Liu Ruxue: "Does the master have any other orders?"

Liu Ruxue thought for a while, and said lightly: "You just keep it. Right at the entrance of the cave."

Xiang Liu responded and stayed at the entrance of the cave. Seeing that Su Qingyan and Liu Ruxue were both worried, he pretended to comfort him: "Master, I am here, those magic soldiers must be there. We can't come in."

"Since we can't go out for the time being, the two of you might as well take this opportunity to meditate here to recover."

When he said this, Xiang Liu's eyes were full of seriousness, and he seemed to be thinking about Liu Ruxue everywhere. In fact, he wanted Liu Ruxue to relax their vigilance.

Huh...

Hearing this suggestion, Liu Ruxue bit her lip lightly, then looked at Su Qingyan and said, "Then let's meditate to recover, those magic soldiers outside, I don't know when they will leave.

" A lot of strength has been consumed in the abyss, and it is time to recover.

Su Qingyan nodded, and together with Liu Ruxue, sat cross-legged in the cave, quietly meditating to recover.

Haha...

Seeing this scene, Xiang Liu let out a wicked smile. They are really two stupid women, with such low vigilance, don't blame me later.

Thinking to himself, Xiang Liu did not rush to take action, but quietly waited for the two of Su Qingyan to enter the cultivation state.

However, Xiang Liu at this time did not notice that Yue Feng, who had fainted not far away, had slowly woken up at this time, but the poison in his body was still there, and his body was limp and still unable to move.

Phew...

After waking up, Yue Feng was relieved to see Su Qingyan both meditating.

Fortunately, fortunately, after knocking me out, there was no killer.

The next second, Yue Feng glanced at Xiang Liu at the entrance of the cave, and frowned secretly, this person's eyes showed a fierce light, is it trying to do something wrong?

Just when Yue Feng was thinking about this, he saw Xiang Liu quietly walk over and circle behind Liu Ruxue.

Oops, this guy wants to raid.

Seeing this scene, Yue Feng was startled and wanted to remind him, but it was too late.

hum!

Xiang Liu came to Liu Ruxue's back, his right hand suddenly lifted, and he hit her behind.

At this time, Liu Ruxue was immersed in the cultivation state, but she turned her head alertly when she sensed the danger coming from behind.

“What are you doing?”

Seeing Xiang Liu behind her, Liu Ruxue was taken aback and couldn't help but let out a coquettish cry.

Speaking of which, Liu Ruxue knew very well that this Xiang Liu was cunning and despicable, and it was impossible for him to surrender sincerely, but he did not expect that he would rebel so quickly.

The ultimate husband in Chinese chapter 5605

“Hehe.”

Feeling Liu Ruxue's anger, Xiang Liu smiled evilly, not panic, but couldn't hide his excitement and pride: “Little lady, do you really think I will be loyal to you? I didn't act like I did before, how can I ask you to help me lift the forbidden spell?” The

voice fell, Xiang Liu's speed increased, and his palm shot down like lightning.

At this moment, Su Qingyan also reacted. Seeing this situation, she couldn't help but exclaimed, “Be careful.” After saying that, she was about to help, but it was too late.

boom!

This palm hit Liu Ruxue's back hard, and she heard a dull sound, Liu Ruxue spat out a mouthful of blood, and the whole person flew out.

It flew a few meters away, and finally hit the opposite wall before falling.

After landing, Liu Ruxue's face was pale and weak.

“Shameless!”

Liu Ruxue was very angry, she glared at Xiang Liu and scolded, at the same time she wanted to stand up, but Xiang Liu's palm was too cruel, she clearly felt that her heart was almost pierced Shattered.

But fortunately, Liu Ruxue has divine power to protect her body, otherwise, the fragrance would have already disappeared.

Su Qingyan was also so angry that she shouted: “I knew for a long time that your mind was not right, you should die.” The voice fell, and her figure rose up and rushed directly to Xiang Liu.

“Aiya..”

Seeing Su Qingyan attacking, Xiangliu didn't panic at all, but laughed and teased: "Fighting alone, you're not my opponent, so why bother?"

"On the one hand to meet.

Bang Bang Bang...

In the blink of an eye, the two sides were fighting fiercely in the cave.

Seeing this situation, Liu Ruxue was very anxious, and at the same time, she regretted it. She knew that Xiang Liu was so despicable, and she shouldn't have helped him to lift the forbidden curse.

At the same time, Yue Feng, who was not far away, was also extremely worried.

The strength of the light smoke has not fully recovered, and it is not the opponent of this strange person at all.

Thinking to himself, Yue Feng wanted to stand up, but the poison in his body was still there, so he couldn't exert his strength at all. At that time, Yue Feng tried his best to calm himself, and then silently activated his divine power to expel the poison from his body.

At this time, the fierce battle between Su Qingyan and Xiang Liu became more and more fierce.

Speaking of which, Xiang Liu could completely subdue Su Qingyan, but in order to get the antidote, he didn't dare to kill him.

boom!

At this time, the two sides touched each other and saw Su Qingyan's pretty face change, and she was shocked a few steps back. In an instant, Su Qingyan was extremely embarrassed, raised her jade hand, and drew out her long sword.

Su Qingyan thought about it, this Xiangliu is so insidious, he must be eliminated today no matter what, otherwise, there will be no peace in the rivers and lakes in the future.

"Hehe..."

However, before Su Qingyan could use her sword, she saw Xiang Liuxie laugh and quickly flashed behind Liu Ruxue, with one hand stuck by her neck and the other hand hanging on top of her head: "I don't want her to die. If you do, stop immediately."

Shuh!

Seeing this scene, Su Qingyan stopped her steps, her delicate face was full of anger: "Let go of her."

Xiang Liu smiled and said playfully: "Such a beautiful woman, who helped me before. After unlocking the forbidden spell, I don't want to be troublesome and destroy the flowers, but I have to do it."

Said, Xiang Liu looked at Su Qingyan seriously: "I can let him go, but you have to give me the antidote."

Antidote?

Hearing this, Su Qingyan's eyes flickered, and at this time she finally understood that the other party has been holding back until now, and the ultimate goal is to cure the medicine.

Thinking to herself, Su Qingyan breathed a sigh of relief, nodded and said, "Okay, I'll give you the antidote."

"Don't..."

Liu Ruxue weakly shouted, "Don't give him the antidote. The beast is cunning and despicable, even if we give it an antidote, it will not let us go."

Saying that, Liu Ruxue's eyes flashed with determination: "Don't worry about me, hurry up, and if you have the chance, avenge me. "

Hoo!

Su Qingyan breathed a sigh of relief and shook her head: "No, I can't leave you." Although she had known each other for a short time, in her heart, she already regarded Liu Ruxue as a sister, so how could she ignore her accident?

The last word fell, and Su Qingyan took out a medicine bottle from her body.

"Hehe."

Xiang Liu was very cunning, instead of picking up the medicine bottle, he looked at Su Qingyan slyly: "It's not that I don't believe you, you take one out and eat it before throwing it to me."

The ultimate husband in Chinese chapter 5606

lived for more than two thousand years, Xiang Liu was very cautious. In order to make sure that what Su Qingyan brought out was not poison, let her try the medicine first.

Hu...

Su Qingyan breathed a sigh of relief, and without any hesitation, she poured out a pill and took it.

For a time, Xiang Liu watched her expression change closely, and after a few minutes, seeing that Su Qingyan had nothing to do with it, he felt relieved, took the medicine bottle, poured out an antidote and took it.

“Okay!”

At this time, Su Qingyan restrained the anger in her heart and said to Xiang Liu: “You have already taken the antidote, now it’s time to let her go.” As she spoke, she paid attention to Liu Ruxue’s condition.

I saw that her face was pale and weak, and she could faint at any time.

Alas...

Seeing this, Liu Ruxue sighed, very anxious.

This Xiang Liu is very cunning, he is completely a villain who does not believe his words, and it is too unwise to give him the antidote.

However, Liu Ruxue also knew in her heart that Su Qingyan did this entirely for her safety.

“Hehe..”

Xiang Liu grinned when he heard Su Qingyan’s words: “Of course, I always count what I say.” After speaking, he suddenly pushed Liu Ruxue towards Su Qingyan.

Liu Ruxue was very weak, and when she was pushed like this, her delicate body was about to fall to the ground. Su Qingyan didn’t have time to think about it, and quickly stepped forward to help.

hum!

This chapter is provided by . Visit for daily update.

However, at this critical moment, Xiang Liu took the opportunity to move his figure and slapped Su Qingyan with a ruthless palm.

Yes, he did this on purpose, the poison in his body has been resolved, and he has no worries at all at this time, how could he easily let Su Qingyan and Liu Ruxue go?

“Despicable and shameless.” The speed of

this palm was too fast, and Su Qingyan couldn't dodge in time. At that time, she let out a coquettish cry, and then mobilized her inner strength to meet her with a palm.

boom!

The next second, the palms of the two sides collided, and a dull vibration was heard, and then, Su Qingyan's delicate body stepped back a few steps, and her delicate and beautiful face was also instantly difficult to look at.

Although Su Qingyan is very powerful and is one of the best in the Kyushu Continent, Xiangliu has lived for more than 2,000 years, and her background is not comparable to her.

“How are you?”

Seeing this situation, Liu Ruxue looked worried and said to Su Qingyan, “You shouldn't have given him the antidote just now.”

Su Qingyan shook her head: “I'm fine.”

Said Then, Su Qingyan looked at Xiangliu coldly: “Bastard, today I will get rid of your scourge for Jianghu.” After the words fell, Su Qingyan rose up and stabbed Xiangliu with a sword.

Chi...

This sword contains 100% of Su Qingyan's internal strength, and it can be clearly seen that wherever the long sword passes, the air is torn apart.

However, Xiang Liu stood there, not panicking at all, instead he laughed and mocked: “You two can't escape from my palm, why are you so persistent?” The

last word fell, Xiang Liu's figure flashed, and In the cave, he fought fiercely with Su Qingyan.

Bang bang bang...

The news of the fierce battle between the two sides kept coming, Yue Feng was so anxious, he wanted to get up and help Su Qingyan, but the poison in his body had not been expelled, so he could only be anxious.

Dang bang..

Soon, Xiang Liu and Su Qingyan fought for a few rounds, and they saw Xiang Liu's figure flashing lightning fast. Finally, he found an opportunity and flashed directly to Su Qingyan's side, raising his hand and knocking down the long sword in her hand.

Immediately afterwards, Xiang Liu raised his hand quickly on her body, sealing the acupoint.

Suddenly, Su Qingyan's body trembled, and she couldn't move.

"You..."

For a time, Su Qingyan looked at Xiang Liu in shock and anger: "Let me go."

At the same time, Liu Ruxue couldn't help but snorted: "Let her go." He was about to start, but he was attacked by Xiang Liu just now. He was so weak that he couldn't exert any strength.

"Hehe..."

Xiang Liu showed a smug smile when he heard Jiao's drink, looked at Liu Ruxue and said, "Don't yell, both of you can't escape."

Downstairs, Xiang Liu rushed to Liu Ruxue. In front of Ruxue, she raised her hand to seal her acupuncture point, making her unable to move.

"Haha..."

After restraining the two beauties one after another, Xiang Liu was indescribably proud and excited. After laughing, he walked up to Su Qingyan, unscrupulously admiring her peerless face and charming curves.

The ultimate husband in Chinese chapter 5607

next second, Xiang Liu stretched out his finger, hooked Su Qingyan's chin, and said with a smile: "Little lady, this is God's will, be my woman.

" No, her pretty face flushed with anger: "Go away, don't touch me."

It's time to drink, Su Qingyan's face is cold, but her unspeakable nervousness falls into Xiang Liu's hands, and she doesn't need to end the game. If you think about it, you will definitely suffer endless humiliation.

"Hehe..."

Su Qingyan's coquettish scolding did not make Xiangliu restrained, but aroused his interest even more, and immediately said with a smile: "Little lady, you look more charming when you are angry."

"I'm sure, I want you to be my woman." As he

spoke, Xiang Liu slowly leaned forward, sniffed on Su Qingyan's body, and was indescribably intoxicated: "Tsk tsk, it's really fragrant."

Shuh!

Seeing this situation, Su Qingyan's face turned pale and almost fainted.

At the same time, Liu Ruxue was also extremely indignant and shouted: "Bastard, you quickly let her go, otherwise I won't be able to forgive you."

Xiang Liu squinted at Liu Ruxue, his face full of playfulness: "Oops, are you in a hurry? Hehe, don't worry, I'll take care of her after I've finished hurting her."

After speaking, Xiang Liu grabbed Su Qingyan's hand and pulled it directly into his arms.

Su Qingyan exclaimed, with an indescribable shame and anger in her heart, before she could scold her, she was hugged tightly by Xiang Liu.

"Little lady, let me take good care of you, don't be afraid, hehe..." Xiang Liu said with a smile, and then slowly put his mouth up, ready to touch the beauty of this world.

Is this life?

This chapter is provided by . Visit for daily update.

At this moment, Su Qingyan was full of despair, she slowly closed her eyes, and tears rolled down her face.

"Stop..."

However, at this critical moment, a hoarse voice suddenly came from behind.

Um?

At this moment, whether it was Xiang Liu, or Su Qingyan and Liu Ruxue, they were all stunned for a moment, and then looked at them subconsciously.

I saw that the divine general who was knocked out, woke up at an unknown time, and was standing there, glaring at Xiang Liu.

This... this god will expel the poison so quickly?

Feeling the coldness of Yue Feng, Xiang Liu was inexplicably uneasy, and he was also a little surprised.

And Su Qingyan and Liu Ruxue both had complicated expressions. He didn't seem to expect that this 'God General' would wake up so quickly.

However, this is also a good thing for them. With this god to restrain Xiang Liu, they will have a chance to breathe.

"Haha..."

At this moment, Xiangliu reacted and smiled at Yue Feng: "Your Excellency General, don't misunderstand, in fact, these two women and I are not in the same group. We released the poisonous mist before. I have no choice but to deal with you."

After speaking, Xiang Liu turned to look at Su Qingyan and continued: "Besides, these two women have already been caught by me, what to do with them will be left to the general. Hehe..."

Although Xiangliu was daring, he didn't dare to oppose God's Domain. Seeing Yue Feng awake at this time, he quickly made a timid appearance.

However, Xiang Liu was respectful on the surface, but there was a bit of ruthlessness in his eyes.

At this time, Xiang Liu could clearly feel that the 'God General' in front of him, after expelling the poison, consumed a lot of his Primordial Spirit's power. As long as he made a surprise attack, he would definitely be able to defeat him.

"Go away!"

Facing Xiang Liu's flattery, Yue Feng was too lazy to talk nonsense, and spit out a word coldly, but his voice was still hoarse.

The fusion of the Primordial Quenching Golden Pill was interrupted before, so that Yue Feng only managed to absorb half of the power of the two Primordial Quenching Golden Pills. When he was just getting rid of the poison, he was too anxious, so there were still some poisons left in his body.

In this case, Yue Feng's voice did not fully recover, and his speech was very hoarse.

okay!

Xiang Liu nodded and bowed in response, then pretended to leave the cave.

At this time, Su Qingyan and Liu Ruxue looked at each other, feeling a little anxious in their hearts. Although they escaped Xiang Liu's claws, if they fell into the hands of this divine general, their fate would not be much better.

"Go to hell!"

However, after Xiang Liu walked a few steps, he suddenly shouted, raised his right hand, and slapped Yue Feng's back with a fierce palm.

The ultimate husband in Chinese chapter 5608

From leaving the abyss to the present, Xiang Liu has been forbearing, and he managed to control Su Qingyan and Liu Ruxue, how can he easily give it to others.

Huh...

Seeing this scene, Su Qingyan and Liu Ruxue were both taken aback.

This Xiang Liu is really daring and dare to attack the god general.

But at the same time, the two girls couldn't help but cheer up. Let's fight, you'd better fight to lose both, so we can have a chance to escape.

Until this time, Su Qingyan and Liu Ruxue had not noticed that the divine general in front of them was Yue Feng.

Nima!

Seeing Xiangliu's surprise attack from behind, Yue Feng was furious, and without hesitation, he turned around decisively, raised his hand and collided with Xiangliu's palms.

In an instant, a loud noise was heard, and at the moment when the palms of the two sides collided, a powerful force raged through the entire cave, causing a cloud of dust.

In the dust, Yue Feng and Xiang Liu groaned and were shaken back a few steps at the same time.

Obviously, neither side took advantage of this palm.

Speaking of which, if Yue Feng's strength was at his peak, Xiang Liu would have already received a heavy blow, but unfortunately, Yue Feng's previous fusion with the Primordial Quenching Golden Pill was interrupted, and he had just been poisoned again, so his strength was greatly reduced.

"Hey..."

Soon, Xiangliu stabilized his figure and smiled at Yue Fengxie: "A mere god general, his strength is nothing more than that." The divine general's strength did not fully recover, and his confidence suddenly increased.

hum!

The voice fell, Xiang Liuxie laughed, and the figure erupted, rushing towards Yue Feng again.

Yue Feng's pupils shrank, and without the slightest fear, he resolutely attacked.

Bang Bang Bang...

In the blink of an eye, the two sides fought fiercely for more than a dozen rounds, but no one could suppress the other.

For a while, Yue Feng was a little anxious. It would be impossible to continue like this. If the magic soldiers outside heard the news and rushed over and his identity was exposed, not only would he not be able to save Qingyan and Liu Ruxue, but he would also be captured. .

However, seeing the armor of the god general on his body, Yue Feng suddenly had a flash of inspiration and decided to take another risk.

Bang...

That's when Yue Feng and Xiang Liu faced each other again. The moment he stepped back, Yue Feng looked at the hole behind him. He didn't hesitate at that time. .

Afterwards, Yue Feng took a deep breath and let out a long whistle towards the outside of the cave.

That's right, Yue Feng intends to bring in the magic soldiers who are patrolling outside, and then use his status as a 'magic general' to let those magic soldiers assist in dealing with Xiang Liu.

Oops...

Seeing Yue Feng's long howl, Xiang Liu's face changed. At that time, he looked at Su Qingyan and Liu Ruxue very reluctantly, then turned his head and rushed out of the cave.

The strength of the 'God General' in front of him has not fully recovered, and Xiang Liu is completely sure to deal with it. If the magic soldier from outside arrives, he will only be abused.

Although beauty is important, it is not as important as life.

Done!

At the same time, Su Qingyan and Liu Ruxue looked at each other with despair on each other's delicate and beautiful faces.

The 'God General' called for reinforcements, Xiang Liu fled, and the two of them still couldn't get rid of the result of becoming prisoners.

"run?"

At this moment, Yue Feng snorted coldly and was about to rush up to stop Xiang Liu, but Xiang Liu was very cunning and raised his hand to let out a poisonous smoke between him and Yue Feng.

Yue Feng had suffered losses before, so he did not dare to rush forward, so he could only dodge away from the poisonous smoke.

Taking advantage of the opportunity, Xiang Liu quickly fled into the distance.

Wow...

It was at this time that more than a dozen divine soldiers heard Yue Feng's whistle and rushed over quickly.

When they got to the front, more than a dozen divine soldiers were stunned when they saw Yue Feng. They didn't seem to expect that there would be a divine general here, but they didn't have any doubts at the time.

Immediately, one of the magic soldiers respectfully said: "General, what happened?"

Yue Feng raised his finger and pointed at Xiang Liu Yuan's back, his voice was hoarse and eager: "Quick, grab that guy, he is a chivalrous man. The remnants of Yinzong must not let him run away."

Yue Feng was very thoughtful, when he discovered these magical soldiers, he knew that they must be tracking the whereabouts of Xia Yinzong's followers, and at this time he deliberately said Xiangliu was People of Xia Yinzong, these magical soldiers will definitely pursue them with all their strength.

The remnants of Xia Yinzong?

Sure enough, when they heard Yue Feng's words, more than a dozen divine soldiers were suddenly shocked, and they all urged their figures to chase after Xiang Liu.

While chasing, more than a dozen divine soldiers shouted.

"Stop."

"Hurry up and capture." He

caught the remnants of Xia Yinzong, but it was a great achievement, and more than a dozen divine soldiers pushed their speed to the extreme.

Seeing more than a dozen magical soldiers chasing after him shouting, Xiang Liu panicked even more, and desperately fled to the distance. In the blink of an eye, more than a dozen magical soldiers chased Xiang Liu and disappeared from sight. .

call!

Seeing this scene, Yue Feng breathed a sigh of relief, and then went back to the cave to unblock Su Qingyan and Liu Ruxue.

Mad, this piece of broken armor was caught by his own people.

When he turned around and walked towards the cave, Yue Feng cursed and wanted to take off his armor.

Wow...

But at this moment, another team of magic soldiers rushed over from a distance.

Yue Feng hurriedly stopped and reorganized his armor. He also muttered to himself: Mad, how many men did the God King Haotian send to patrol outside?

"General?"

At this moment, the pair of magic soldiers also came to the front. One of the magic soldiers headed respectfully said to Yue Feng, "What happened here?"

" Looking at Yue Feng up and down, he sensed that the god general in front of him was weak and obviously injured.

"fine!"

Yue Feng said lightly: "I met a remnant of the Xia Yinzong just now and fought for a few rounds. The opponent is very strong, and I couldn't catch it."

After speaking, Yue Feng pointed to the direction Xiangliu fled just now. : "People are running in that direction, hurry up and intercept them."

Su Qingyan and Liu Ruxue were in the cave behind them. They must not be discovered by these magical soldiers, and they must be quickly separated.

And at this time in the cave.

Hearing the movement outside, Su Qingyan and Liu Ruxue raised their hearts to their throats.

Xiang Liu had already fled, and the two of them were still acupuncture points, so they couldn't move at all. It seemed that they finally fell into the hands of the God King Haotian.

However, Su Qingyan and Liu Ruxue were not ordinary women. Faced with this situation, the desire for survival was even more aroused in their hearts. After looking at each other at this time, they silently urged their inner strength to solve the acupoints.

outside the cave.

"General has worked hard."

After listening to Yue Feng's narration, the leader of the magic soldier said politely, and then said to his companions: "Everyone search around to see if there are any remnants of Xia Yinzong hiding nearby, be sure to Search carefully." The

voice fell, and the other divine soldiers nodded, and they were about to disperse to search.

Holy crap...

Seeing this situation, Yue Feng was in a hurry, and quickly stopped: "Everyone don't need to search, I have already searched here, except for the one who escaped, there is no one else."

Seeing his seriousness, a few The famous soldier stopped.

Afterwards, the leading magic soldier said to Yue Feng: "The general is injured, let's escort you back."

Uh...

For a time, Yue Feng was very embarrassed, he was a fake, and he had already teased the God King Haotian before.

To be honest, at this time, Yue Feng really wanted to do something, but his own strength had not recovered, so he acted rashly. If he couldn't knock out these magical soldiers, he would not only reveal his identity, but also attract the magical soldiers from a distance.

Depressed in his heart, Yue Feng thought about it and said, "No need, I'll meditate here and rest for a while, you all go back first."

Hearing this, several divine soldiers looked at each other in dismay.

Whoosh...

At this moment, another divine soldier flew in from a distance, and saw a few command flags sticking on his back, it was the messenger of the God King Haotian.

"His Royal Highness has an order." When he was about to approach, the messenger floated

in mid-air and said loudly: "All the soldiers and soldiers will return, and there must be no mistake." , Looking at this situation, if you can't go back, you have to go back with these magic soldiers. After all, disobeying the orders of the God King Haotian is easy to be suspected. Yue Feng thought about it, and when he was on the road, he would find another opportunity to escape. Thinking in his heart, Yue Feng nodded, and said to the soldiers around him, "Since His Highness has issued an order, let's go back together."

The ultimate husband in Chinese chapter 5610

When he was talking, Yue Feng looked at the cave in the corner of his eyes and prayed secretly in his heart.

Light smoke, Liu Ruxue.

You must be fine and wait for me to come back.

A few divine soldiers responded and escorted Yue Feng towards the main altar of Xia Yinzong.

At this time, inside the cave.

Su Qingyan and Liu Ruxue were nervous at first, but in the end they found that the 'God General' did not bring the Divine Armament in, but left, and immediately raised countless question marks in their hearts.

what's the situation?

Why didn't the 'God' take the two of us away? Forgot?

That's right, how could such a thing be forgotten?

After thinking about it for a long time, Su Qingyan and Liu Ruxue couldn't think of the reason, and in the end they simply gave up and held their breaths, urging their inner strength to continue to open the acupoints.

call!

Finally, half an hour later, Liu Ruxue took the lead in opening the acupuncture point, and immediately let out a long sigh of relief, and then released the acupoint for Su Qingyan.

After regaining their freedom, Su Qingyan and Liu Ruxue did not leave the cave for the first time, but carefully listened to the situation outside at the entrance of the cave and made sure that there were no magic soldiers left behind, and then went out.

When they got outside, Su Qingyan took a deep breath and said slowly, "Brother Wen and the others, as well as the people from Xia Yinzong, have all escaped danger. We don't need to go back. You can go back to Donghai City with me."

Donghai City is Tianmen Wen Chou Chou, Yue Wu Ya and others will definitely go back after they escape from danger.

Um!

Liu Ruxue nodded, and immediately rushed towards Donghai City with Su Qingyan.

...

the other side.

Yue Feng and several divine soldiers flew in the air.

Seeing Xia Yinzong's main altar getting closer and closer, Yue Feng was very anxious.

Thinking in his heart, Yue Feng turned his head, and suddenly shouted behind him, "His Royal Highness the King of God."

Shuh!

Hearing this shout suddenly, several divine soldiers quickly stopped and looked back.

Taking advantage of the opportunity, Yue Feng turned his palms with both hands, and slapped the backs of the two divine soldiers like lightning. He heard two roars. Before the two divine soldiers could react, they were directly sent flying, and they all passed out after landing. .

What?

Several other divine soldiers were startled one after another, and at the same time they reacted and quickly surrounded Yue Feng.

“He’s a fake.”

“Catch him.”

Under the shout, several divine soldiers mobilized their divine power and attacked Yue Feng.

Naturally, Yue Feng would not confront them head-on. After all, this place is not far from the main altar of Xia Yinzong. When a fight occurs, the movement will quickly attract other divine soldiers.

If the Haotian God King is disturbed, it will be even worse.

At that time, Yue Feng didn’t hesitate at all, and confronted a divine soldier who rushed to the front, then turned around and rushed into the distance.

Several divine soldiers were in hot pursuit.

Ten minutes later, several divine soldiers chased Yue Feng to the beach.

Nima!

Arriving on a cliff by the sea, and seeing that there was no road ahead, Yue Feng cursed secretly, and simply did not run away. Anyway, it was far from the main altar of Xia Yinzong. It’s not a problem to deal with the few magic soldiers in front of you.

“Just a few of you want to catch me?”

Yue Feng said coldly, rushing up and fighting with a few divine soldiers.

Bang Bang Bang... In

less than ten minutes, several divine soldiers were all defeated by Yue Feng.

It was just that when the last divine soldier was stunned, Yue Feng was also slapped in the heart by the opponent's palm. At that time, Yue Feng only felt a strong force coming, his footing was unsteady, and he fell directly from the cliff.

Pfft!

At the moment of falling into the sea, the huge impact made Yue Feng's eyes black and he fainted.

Yue Feng didn't know how long he had been in a coma, his body drifted with the waves in the sea, ups and downs.

When he finally opened his eyes, he found himself washed up on the beach by the sea. After looking around, I saw a bay not far away, which should be a tourist attraction. Many tourists are surfing and playing.

call!

Yue Feng took a deep breath and finally got rid of the subordinates of the God King Haotian.

In his heart, Yue Feng was about to enter the woods not far away. After all, he was wearing the armor of a god general and was seen by tourists not far away.

Just before taking two steps, a voice came from behind.

"Hello everyone in the live broadcast room, the weather is good today, let's not talk about writing novels, let's live broadcast in the wild."

When Yue Feng heard the sound and looked back, he saw a young and handsome man with a selfie stick in his hand, talking nonstop while walking towards him.

Obviously he is an internet celebrity and came to the beach for inspiration today.

"Oh!"

At this moment, the Internet celebrity saw Yue Feng, and was stunned for a moment, then hurried over and looked up and down at Yue Feng's armor: "Brother, your armor is good, where did you buy it, look It's the same as the real thing." As

he spoke, he couldn't help but reach out and touch it.

Yue Feng could not laugh or cry, this is the armor of a god, and money can't buy it.

However, Yue Feng did not explain, but smiled: "You like me and gave it to you." After saying that, he took off the armor directly, because of this armor, there were too many misunderstandings before.

In the face of Yue Feng's generosity, the internet celebrity was a little confused at the time.

"This... how embarrassing is this? I won't be rewarded without merit, I can't ask for it." Although the anchor said that, he couldn't put it down.

"It's okay, I'll see you off." Yue Feng waved his hand and turned to leave.

After all, Su Qingyan and Liu Ruxue were still in the cave, so they had to go back and have a look.

However, at this time, the Internet celebrity suddenly grabbed him and said sincerely: "Brother, you are really a particular person, so, I will accept the armor, you come to my live broadcast room, I will arrange for you! I am kissing the sky. The wolf, the author of the novel! Pay attention to my trembling cause, search the number: 994438295, I will teach you to write a book, how about it?"

He is not a cheap person, and gets a pair of armor for no reason. If you don't give something in return, you won't be able to sleep at night.

Well...

Seeing that the other party was so persistent, Yue Feng smiled bitterly: "Okay, I remember it, and I will pay attention to you when I go back." The voice fell, the figure rose into the sky, and disappeared from sight in the blink of an eye.

I go... have I met a fairy?

Seeing this scene, the wolf kissing the sky opened his mouth wide, his mind went blank, and he couldn't come to his senses for a long time.
