Hehe...

Seeing the pleas of the people in the Sea Dragon Palace, Xiang Liu smiled contemptuously, his eyes full of contempt.

The next second, Xiang Liu wiped the blood from the corner of his mouth, and asked slowly, "Look at your appearance, you don't look like ordinary mountain bandits, why are you blocking the road and looting here?"

"Simply out of tune with mountain bandits.

Huh....

In the face of the questioning, everyone looked at each other in dismay, then a man raised his eyes and looked at Xiang Liu, and said in fear: "Go back to your Excellency, we are all from the Sea Dragon Palace..."

In the next two minutes, Tell the story of the destruction of the Sea Dragon Palace.

It was a bunch of pirates.

Knowing the identity of the other party, Xiang Liu's eyes were even more disdainful. He was trapped under the abyss for hundreds of years, and he didn't know the situation outside. Don't say these things, you keep telling me to let me go, and you have to give me a reason to spare you."

When speaking, Xiang Liu's eyes flashed with evil spirits.

Xiang Liu is not only lustful, but also has a very cruel temperament. He will never let go of those who provoke him. At this time, he is thinking about how to kill these people in the Sea Dragon Palace.

Gu Dong...

Feeling the coldness in Xiang Liu's eyes, the surrounding Hailong Palace members couldn't help swallowing their saliva, and their hearts were all in their throats.

The next second, the man kneeling at the front hurriedly said, "Your Excellency is powerful, killing us is as simple as squeezing an ant, but it is not good for Your Excellency at all."

"If Your Excellency will let us die . , I will be saddled and followed to the death."

The voice fell, and everyone else nodded.

“That’s right, I’ll be with you until death.”

“I beg your Excellency to take it in.”

Hearing these words, Xiang Liu sat on the stone beside him, frowning and thinking.

For a while, there was silence all over the place, and the members of the Hailong Palace who were present did not dare to let out any air, and looked at Xiang Liu nervously, waiting for his response.

“Hmm...”

After a few seconds, Xiang Liu looked at the people in front of him and said to himself, “It seems not bad to take back a bunch of subordinates, and in the future, there is no need to do things yourself. “

Afterwards, Xiang Liu said to the crowd, “Okay, from today onwards, you can follow me. If you dare to betray, I will make your life worse than death.”

Speaking of which, Xiang Liu planned to kill all these people. But when you think about it carefully, you have a peculiar appearance. No matter where you go, you will attract attention, and you will be afraid to do anything at that time.

Huh...

Seeing Xiangliu’s agreement, all the members of the Hailong Hall who were present were secretly relieved, and then they all knelt down and bowed: “I have seen the boss.”

Listening to everyone’s shouting, Xiangliu showed a smile and signaled. Everyone got up and led them towards Donghai City.

.....

On the other side, the Nalan family.

The weather in June is fickle, it is still cloudless in the morning, and it starts to rain in the middle of noon.

In the Nalan family’s manor, there was also a dull and depressing atmosphere.

Inside and outside the manor were covered with white lingerie, and all the disciples of the family were also dressed in white plain clothes. Everyone’s face could not hide the heaviness and sadness.

However, Nalan Zhen was buried today, and it was also the day when Ye Yun was publicly disposed of.

Two days ago, Nalan Hongzheng spread the news of the tragic death of his son to the rivers and lakes, and all the sects were shocked at that time. You must know that the Nalan family has a high reputation in the arena, and has close contacts with many sects, so after learning the news, many sects sent people to come to express condolences.

At this time, in the open space in front of the manor hall, a wooden platform was built. The platform was the size of a basketball court. There were hundreds of seats on both sides of the wooden platform. .

Tianshan School, Iron Palm School, Xingyimen, etc. They are all sects that have a good relationship with the Nalan family.

The wooden table is facing the hall, and inside is Nalan Shinichi's mourning hall.

Inside the mourning hall, there were many disciples of the Nalan family, each with a sad expression.

I

saw that the person who came was dressed in a light blue gown, immortal, and had a good aura.

It was Ye Xuan of the Wudang faction.

“Father!”

Seeing Ye Xuan, Ye Yun, who was already desperate, shouted as if he had grabbed a life-saving straw: “Save me, I didn't kill anyone, they wronged me...”

Ye Xuan nodded: “Father believes that You.”

Having said that, Ye Xuan looked at Nalan Hongzheng and said lightly: “Patriarch Nalan, I am also very sorry to hear that Lingzi died tragically, but I believe that Yun'er is a person of pure and good nature, and it is impossible for him to suffer for no reason. Killer.”

As soon as the voice fell, there was a loud shout from outside the manor: “Who dares to hurt my Wudang disciples?”

Whoa..

In the next second, I saw hundreds of figures coming quickly, and the dozens of people headed by them were exactly Several other elders of the Wudang sect, as well as elite disciples of the Wudang sect.

The others were the Diancang faction, the Burning Incense Valley, the Beggar Gang and other sects who were friends with Wudang.

Swish!

Everyone rushed to the manor and saw that Ye Yun was tied up by the five flowers, extremely embarrassed, and all of them were suddenly furious.

The next second, several Wudang elders shouted angrily at Nalan Hongzheng.

“Nalan Hongzheng, what do you mean?” “Ye Yun made us see that the elders

people.

Seeing this, Nalan Hongzheng was furious. He raised his hand and waved, and dozens of elite disciples rushed up and blocked in front of several Wudang elders.

In an instant, the atmosphere suddenly became solemn, and the sword was drawn.

“Nalan Hongzheng.”

Ye Xuan tried hard to calm himself down, and said coldly to Nalan Hongzheng: “What do you mean?” He clearly saw that his son Ye Yun was tied up with five flowers and was very weak. Not urgent?

However, as an elder of Wudang and once again the arrogance of Shangwu Academy, Ye Xuan acted very cautiously.

You must know that the Nalan family is not weak in the arena, and they had a good relationship with Wudang before.

Nalan Hongzheng took a deep breath and said coldly: “Ye Yun kills my son, I want him to die.”

Ye Xuan looked at Ye Yun: “Yun'er, did you kill Nalan Shinichi?”

” No!” Ye Xuan shouted: “When I entered the room, Nalan Shinichi was already dead, and then I fainted, and they were arrested after that. I am not the murderer.” situation, said it quickly.

call!

Knowing the situation, Ye Yun took a deep breath, restrained his impulse, looked at Nalan Hongzheng and said, “Nalan Hongzheng, this matter, Yun’er was clearly framed,” the

voice fell, several Wudang elders, and the Diancang faction He and the beggar gang also shouted.

“Elder Ye is right, this is clearly framed.”

“Hurry up and release people!”

Framed?

Hearing this, Nalan Hongzheng’s eyes were instantly blood red, and he said: “Shinichi died under the power of your Wudang faction’s ‘Taixu Gong’, the evidence is conclusive, do you still want to excuse Ye Yun?”

” The Tianshan faction and other sects sitting on both sides couldn’t stand it any longer, and they all pointed at Ye Xuan.

“Do you Wudang want to use your power to bully others?”

“Murder pays for life, it is only right and right, Ye Yun must pay for life today.”

“That is, with so many people, who do you want to scare?”

These sects have close contacts with the Nalan family, especially the Tianshan faction. In recent years, many elders in the Tianshan faction are from the Nalan family. It can be said that the two sides are as close as one family.

At this time, Su Yelong, the Northern King of the Tianshan Sect, stood up abruptly and glared at Ye Xuan: “Ye Xuan, the Nalan Patriarch has just said that Ye Yun used your Wudang Sect’s ‘Tai Xu Gong’ to kill Shinichi, and the evidence is conclusive, so , Ye Yun must pay for his life, you don’t have to be presumptuous here.”

Phew!

Seeing this, Ye Xuan took a deep breath and ignored Su Yelong.

The next second, Ye Xuan looked at Nalan Hongzheng: "Patriarch Nalan, is there really no room to talk about it?"

Nalan Hongzheng sneered: "What is there to talk about? Can you bring my son back from the dead? I tell you, Ye Yun must die today, and I will use his blood to comfort my son's spirit in heaven."

The ultimate husband in Chinese chapter 5654

"Okay, okay, okay!"

Hearing this, Ye Xuan nodded again and again, and stopped talking nonsense at that time, shouting: "Wudang disciples obey orders, rescue Yun'er!" The moment the words fell, Ye Xuan's figure broke out. , rushed straight to the wooden platform.

Whoa!

The last word fell, and hundreds of Wudang elite disciples howled one after another.

At the same time, other sects who came with Wudang also shouted.

"Disciples of the Diancang faction, let's rescue Ye Yun together."

"The disciples of the Beggar Clan obey the order and rescue Young Master Ye Yun..."

In an instant, several disciples of the sect let out a howl and rushed towards the wooden platform.

Swish!

Seeing this scene, Nalan Hongzheng's eyes were blood red, and his anger swelled up.

The Wudang faction is really lawless, denying the fact of Ye Yun's murder, and bringing other sects to make trouble together. The Nalan family has been standing in the rivers and lakes for hundreds of years, but today they are bullied to their doorstep. This tone cannot be tolerated no matter what.

For the hatred of the beloved son, for the glory of the family, we must fight to the end today.

"Everyone in the Nalan family obeys the order." In

anger, Nalan Hongzheng roared loudly: "Kill the offender." The moment the words fell, Nalan Hongzheng burst out and greeted Ye Xuan directly.

"Kill!"

This chapter is provided by . Visit for daily update.

For a time, thousands of Nalan disciples poured out from the backyard, fighting with Wudang and the disciples of the Diancang faction.

The sound of weapons colliding and fighting reverberated in the Nalan family manor.

This...

At this time, Nalan, who was guarding the coffin in the mourning hall, saw the chaotic scene outside, and immediately became anxious and angry: "The Wudang faction is so abominable, Ye Yun killed my elder brother, and they still have to shelter."

Said, Na Lan Xinran was about to rush into the battlefield, but was stopped by Gone.

"Senior sister!" Gone's face was solemn: "I'll go and help, you put away the coffin."

Whoosh!

The voice fell, Gone's figure flashed, and he rushed out.

But when he got outside, Gogne didn't make a move, but quietly watched. You must know that if he wants to make a move, he must use the power of the demon soul, and his identity will be revealed at that time, so he can only wait quietly for the opportunity.

The war is getting fiercer.

"Patriarch Nalan!"

At this moment, Su Yelong, the Northern King of the Tianshan Sect, pulled out his long sword, rushed into the battlefield and shouted, "I am from the Tianshan Sect to help you." After

speaking, Su Yelong shouted, "A disciple of the Tianshan Sect. Obey the order and help the Nalan family to defend against the enemy."

Wow...

the voice fell, and the disciples of the Tianshan faction, who were already eager to try, burst into the battlefield one after another.

At the same time, other sects who came to participate in the condolences also participated in the fierce battle.

In an instant, the major sects fought with each other, creating chaos.

Swish!

Seeing the Tianshan faction and other sects join the battlefield to help the Nalan family, Ye Xuan's face was instantly gloomy.

The next second, Ye Xuan looked at Nalan Hongzheng coldly: "Nalan Hongzheng, it seems that you are already prepared, very good, I will see today, what is your Nalan family's ability to take my son's life. "

The last word fell, and a powerful internal force erupted from Ye Xuan's body, and then a fierce palm hit Nalan Hongzheng.

Na Lanhong showed no fear, raised his right hand, and touched Ye Xuan's palm.

boom!

At the moment when the palms of the two sides collided, a loud noise was heard, and then, powerful internal force fluctuations swept away. Under the strong vibration, Ye Xuan and Nalan Hongzheng were both shaken back a few steps.

Obviously, neither side took advantage of it.

But Ye Xuan was very anxious in his heart. His son was framed, and he would die here, and he had to be rescued no matter what.

Thinking to himself, Ye Xuan shouted and rushed towards Nalan Hongzheng again.

Dangdangdang...

In the blink of an eye, Nalan Hongzheng and Ye Xuan fought fiercely for more than a dozen rounds, and neither of them could suppress the other.

At that time, Ye Xuan was a little anxious, and shouted: "Get out of the way." The

voice fell, Ye Xuan pulled out his long sword, and saw the sword light flashing, and quickly condensed an illusory gossip in front of him, and the surrounding air suddenly froze. .

It is the Wudang faction's unique 'Tai Chi invisible sword'.

laugh!

The next second, Ye Xuan clenched his long sword, carrying the might of thunder, and stabbed at Nalan Hongzheng.

Feeling the power of Ye Xuan's sword, Nalan Hongzheng didn't dare to neglect, and immediately condensed a protective film in front of him.

boom!

When the long sword stabbed on the protective film, a roar was heard, and the protective film in front of Nalan Hongzheng shattered instantly.

Nalanhong's face was pale, looking at Ye Xuan, he was very shocked.

This Ye Xuan is indeed a well-known figure in the arena. The sword just now was really powerful.

Whoosh!

Just when Nalan Hongzheng was secretly shocked, Ye Xuan's figure burst out again, ready to defeat Nalan Hongzheng in one fell swoop, and then rescue Ye Xuan.

However, at this moment, a figure rushed up to the wooden platform, grabbed Ye Yun, and flew towards the woods behind the manor.

It was Gogne.

"Elder Ye."

Gonie held Ye Yun tightly, not forgetting to look back and taunt Ye Xuan: "With this little strength, do you want to save people? It's a fool's dream." The voice fell, and Gone moved his figure to speed up. In the blink of an eye, it was hundreds of meters away.

Swish!

Seeing that his son was taken away, Ye Xuan turned his face aside and roared, "You are courting death!" Then the figure erupted and quickly chased after Gone.

The two sides were one after the other, and soon they arrived near Luochan Temple.

Pfft!

This chapter is provided by . Visit [for](#) daily update.

Going to the hillside behind Luochan Temple, Gone stopped and saw that no one else was following behind, so he threw Ye Yun directly on the ground, and then quietly watched Ye Xuan who was catching up.

"Boy!"

Seeing this situation, Ye Xuan's eyes flickered, and then he said coldly: "Hurry up and let Yun'er go." In his heart, the Gone in front of him was just a disciple of the Nalan family, and it was nothing to worry about.

Gone smiled indifferently: "Human, I won't let it go. If you think your son is fine, it depends on how capable you are."

"You are courting death!"

Ye Xuan's face sank, his heart was angry, and the dignified Wudang elder was actually killed by a How can the disciples of the Nalan family endure the provocation? Immediately, he shouted angrily, raised his hand, and a pure yang fire condensed.

hum!

The moment the flames condensed, the surrounding air seemed to be on fire.

The Pure Yang Zhenjing is the ultimate martial art of the Wudang School. Ye Xuan has practiced the Pure Yang Zhenjing for many years, and the pure Yang internal power in his body is extremely pure, and he can easily condense the pure Yang fire.

The next second, Ye Xuan raised his hand and waved, and the fire of pure Yang roared towards Gone.

Huh....

Seeing this scene, Ye Yun, who was lying on the ground, was indescribably excited and excited.

Father cast pure yang fire, this Nie Zhan will definitely die.

However, Gone stood there quietly, but he didn't panic at all, but a contemptuous smile evoked the corner of his mouth: "How dare you be presumptuous in front of me?"

While speaking, Gone silently stimulated the power of the demon soul to protect the Live the whole body.

boom!

It was at this moment that the pure yang fire broke out and slammed on Gone. He heard a loud noise, and Gone was directly enveloped by the billowing smoke.

Seeing this situation, Ye Xuan showed a proud sneer, and then quickly walked towards Ye Yun: "Yun'er, how are you?"

Ye Yun opened his mouth and was about to answer, but when he saw Gone's situation, he suddenly took a breath of cold air.

Ye Xuan subconsciously turned his head to look, and was also stunned.

Just saw the smoke dissipated, and Gone stood there, unharmed in the slightest.

This...

Ye Xuan's eyes were full of shock.

This is impossible. In the whole arena, there is no one who can resist my pure yang fire. Even if Yue Feng comes, it is impossible to have nothing at all, and this person in front of him is unscathed...

How could this be? ?

At this time, Ye Xuan still didn't know that the person in front of him was not a member of the Nalan family at all. His true identity was the Supreme Being of the Demon Race. He had the power of the Demon Soul to protect his body. Karmic fire can't harm it.

"This is the strength of Elder Wudang?"

At this moment, Gone said coldly, his figure suddenly flashed up, and a palm hit Ye Xuan's heart.

This speed...

Seeing Gone's speed, Ye Xuan's color changed in shock, and his mind went blank when he felt the power of the powerful demon soul that Gone had erupted.

At the same time, Ye Yun was also surprised.

This Nie Zhan's explosive strength is even stronger than Nalan Hongzheng. It seems that when he was discussing with him before, this person deliberately concealed his identity.

The ultimate husband in Chinese chapter 5656

Boom!

At the moment when Ye Xuan was extremely shocked, Gone's palm had already hit him in the heart, and when he heard a vibration, Ye Xuan couldn't react at all, and was directly shaken out.

After flying more than a hundred meters, it smashed heavily on a boulder.

“Father!”

Seeing this scene, Ye Yun couldn't help shouting. At the same time, he wanted to rush over to check Ye Xuan's situation, but his hands and feet were tied and he couldn't stand up at all.

At this time, Ye Xuan stood up staggeringly, his face turned pale, and a mouthful of blood came out from his mouth. He looked at Gone in horror.

He clearly felt that the palm of Gone just now directly shattered his heart.

At this time, Ye Xuan had absolutely no strength to fight again.

“You...”

Under the horror and anger, Ye Xuan looked at Gone and wanted to speak, but another mouthful of blood spurted out.

Gone's eyes flickered with indifference, and he said lightly to Ye Xuan: “I don't have enough confidence to kill you, how could I lead you to this place?”

As he spoke, Gone moved his steps and approached quickly.

“You...”

Seeing Gone approaching step by step, Ye Xuan tried his best to calm himself, but his heart couldn't stop trembling: “Who are you?” As an elder of the Wudang faction, Ye Xuan knew I felt that the strength that Gone just broke out was very powerful and evil, and did not belong to any sect.

The corners of Gone's mouth twitched, revealing a mean smile: “Anyway, you will die soon, so I won't let you know that I don't belong here. My real name is Gone, and I am the Supreme Being of the Demon Race.”

This chapter is provided by . Visit for daily update.

What?

Hearing this, Ye Xuan's heart was shocked, as if a thunderstorm sounded in his mind.

He... he is the Supreme Being of the Demon Race?

hum!

At this moment, Gone was too lazy to talk nonsense, his right hand suddenly raised, and the power of the demon soul condensed a red light, which went straight to Ye Xuan's heart.

The blood-colored light was as fast as thunder, and Ye Xuan didn't have time to dodge when he heard a light sound, his heart was pierced directly, and blood flowed out.

"Father!"

Ye Yun, who was not far away, saw this scene, his eyes were extremely blood red, and he couldn't help howling loudly.

Ye Yun only felt that the strength of the whole body was rapidly draining. At this time, when he heard his son's cry, he immediately smiled bitterly and said weakly: "Yun'er, my father is sorry for you, I didn't succeed in saving you..." The

last word did not After speaking, Ye Yun fell backwards and died of breathlessness.

"Father..."

Father died tragically in front of his eyes, Ye Yun completely collapsed, roared up to the sky, blood red eyes also shed tears.

The next second, Ye Yun glared at Gone: "If you kill my father, I will tear you to pieces." When Gone revealed his identity to Ye Yun just now, because of the distance, Ye Yun couldn't hear it at all. At this time, I only know that the revenge of killing my father is not shared.

Haha...

Gonie smiled contemptuously, his face full of arrogance: "A dying man, how dare he speak madly?" The

voice fell, and Gone's figure flashed in front of Ye Yun, raised his foot, Ye Yun only Feeling a burst of pain, the whole person was kicked and flew out, flying dozens of meters away, and then fell to the ground like a pool of mud.

Ye Yun struggled to stand up, but his body was in excruciating pain. He clearly felt that his ribs were all broken and his meridians were severely injured.

For a time, Ye Yun was sad and angry again.

My father is dead, but I can't avenge him immediately...

"Ye Yun!"

Gone's face was full of cruelty, and he said coldly: "Anyway, you are going to die, I'm not afraid to tell you that Nalan Shinichi was killed by me. Yes, when you fainted in the room, you were also poisoned by the poison that I set up."

Shua!

Hearing this, Ye Yun's face instantly turned pale, and his eyes were fixed on Gone: "It's really you, I knew you had a problem."

When speaking, Ye Yun was extremely sad and angry, and at the same time secretly calmed himself down .

The opponent's strength is too strong, and if he wants to take revenge, he must save his life...

Thinking to himself, Ye Yun quickly looked around and found a hole in the ground two meters away. Due to the geography and climate, there are often pangolins in the area where the Nalan family manor is located. Therefore, the burrows made by the pangolins can be seen everywhere.

The ultimate husband in Chinese chapter 5657

Seeing the cave at this time, Ye Yun suddenly had an idea in his heart.

"You know the truth, and you should go with your father."

At this time, Gone said coldly, walking towards Ye Yun step by step.

Seeing Gone getting closer, Ye Yun clenched his fists tightly, his face unable to hide his nervousness, and suddenly looked behind Gone and shouted, "Elders, come and save me."

In fact, No one came behind Gogne at all.

But Ye Yun acted very similar, and Gone looked back at that time.

Swish!

Taking advantage of the opportunity, Ye Yun endured the severe pain on his body, used both hands and feet, and directly got into the narrator's hole.

The moment he got into the hole, Ye Yun saw that the hole was sloping down, winding and winding for unknown depth, and the entrance was narrow, but it was wide inside.

Strange...it doesn't seem like a pangolin made a hole.

Noticing this, Ye Yun couldn't help but murmured, and at the same time, because the slope was too large, the whole person rolled directly into the depths of the burrow.

Gone acted very cautiously. When he looked back and saw no one, he realized that he had been deceived. At that time, he rushed to the hole in anger, and saw the pitch black below. How could there be Ye Yun?

Mad!

For a time, Gone's angry eyes spewed fire. As the supreme being of the demon race, he was deceived by a Wudang disciple. How could he bear this? At that time, he was about to enter the burrow, but he quickly gave up the idea.

In less than half an hour, both sides suffered casualties, the air was filled with the smell of blood, and the ground was dyed red.

Speaking of which, this is the manor of the Nalan family. The disciples of the Nalan family, relying on their geographical advantages, completely suppressed the Wudang faction, but none of the Wudang faction flinched.

"Stop all of them!"

Suddenly, a loud shout came, and then, he saw Gone landing on the eaves of the hall with Ye Xuan's body.

In the next second, Gone looked around the audience, threw Ye Xuan in his hand onto the wooden platform, and said loudly: "Ye Xuan is dead, who would dare to be presumptuous in the Nalan family?"

Shuh!

In an instant, both sides in the fierce battle stopped and their eyes focused on Ye Xuan's corpse.

At this time, the surrounding Nalan family disciples, as well as other sect masters who came to express their condolences, quickly gathered around to check Ye Xuan.

For Nalan Xinran these two days, it seemed like a nightmare. She never thought that it was a good thing to propose a marriage, but it turned out to be a disaster in the end.

Wow...

At this moment, with a burst of restlessness, Nalan Hongzheng appeared at the entrance of the hall in white clothes, and suddenly lost his beloved son. Under the huge blow, Nalan Hongzheng seemed to have aged ten years in two days.

Behind him, Gone stood quietly, his face neither happy nor angry.

At this moment, Nalan Hongzheng looked around the audience, and bowed his hands at the representatives of the various sects: "Thank you for your support, and come to the funeral of the dog." The

voice fell, and the representatives of the sects quickly got up and responded.

"Patriarch Nalan is polite."

"My condolences and change."

"Alas... I really didn't expect that Nalan's team leader is so sorry."

While consoling, everyone's eyes also looked at Gone subconsciously.

Is this the new direct disciple of Nalan Hongzheng?

Really impressive.

Listening to everyone's consolation, Nalan Hongzheng nodded, calm on the surface, but very sad in his heart. At that time, he walked slowly to the center of the wooden platform, raised his hand, and signaled everyone to be quiet.

In an instant, the entire Nalan family manor fell silent.

"Everyone!"

Nalan Hongzheng took a deep breath, adjusted his mood, and said slowly, "I invite you all this time. In addition to attending the dog's funeral, you also need a notarization."

As he spoke, Nalan Hongzheng said in a very sad and angry tone: "Ye Yun of the Wudang faction, kill my beloved son, the crime cannot be punished."

In the next ten minutes, Nalan Hongzheng tragically killed his beloved son, as well as the investigation at that time. Details said it.

Huh..

After learning of the situation, the representatives of the various sects present were extremely indignant and shouted.

"I didn't expect that the Wudang sect would teach such a scum."

"It's so cruel, he must be let go."

"Yes, one life is worth one life."

In the echoes of the crowd, Nalan Hongzheng turned back to face the few below. The famous disciple gestured, and several disciples immediately understood, turned around and entered the backyard to drag Ye Yun out.

On the wooden platform, several disciples trapped Ye Yun on the prepared wooden stake.

I saw that Ye Yun's face was pale at this time, very weak and weak, and deep panic flashed in his eyes.

Seeing Ye Yun, the representatives of the various sects below began to curse.

"The scum of the rivers and lakes ..." "Kill your life, go to die..."

"Kill him!"

Facing the howls of the crowd, Ye Yun couldn't tell the nervousness and fear, looked around and shouted: "I am not Murderer, I didn't kill Nalan Shinichi, I was wronged, wronged..." It's

just that no one believed him, and the roars of the crowd came, which quickly overwhelmed Ye Yun's defense.

At this time, in the mourning hall.

Seeing the situation outside, Nalan Xinran looked indifferent, looked at Ye Yun on the wooden platform, and said to himself, "Why, why did you kill my elder brother..."

At this time, Gona didn't know when, he appeared behind him, and comforted him warmly: "Senior sister, don't be too uncomfortable, and don't worry about these things, the so-called know people, know faces but don't care, this Ye Yun is not worth doing for him. ."

Hmm!

Nalan nodded happily, and felt a little better when he heard Gona's consolation.

The rain continued to fall.

At this time, Nalan Hongzheng looked at the sky and shouted at the surrounding: "Shinichi, my son, I have avenged you for my father." When the voice fell, Nalan Hongzheng's inner strength exploded, and then he slapped Ye Yun's head with a palm.

hum!

This palm contains Nalan Hongzheng's ten successful powers, and he can clearly see that the surrounding air is suddenly distorted, and the power is amazing.

Feeling the power of this palm, Ye Yun felt despair in his heart, and closed his eyes in resignation.

"Stop!"

However, just at this critical moment, I heard a loud shout, followed by a figure with lightning fast, rushing directly to the wooden platform, confronting Nalan Hong with the palm of his hand.

boom!

A vibration sounded, and both sides were shaken back a few steps at the same time.

After stabilizing his figure, Nalan Hong was raising his eyes to look at the person who came, and his pupils shrank suddenly: "Ye Xuan, you raised a scum in the rivers and lakes, and you still have a face?"

Call!

Under everyone's attention, Gona secretly exhaled and said slowly, "I killed it."

Everyone present was taken aback as soon as he said this.

This Nie Zhan can kill Ye Xuan, bragging right?

At this time, Gone scratched his head and continued: "At that time, I took Ye Yun and led Ye Xuan to the vicinity of Luochan Temple. I wanted to use the complicated environment there to capture Ye Xuan alive, but I didn't know that Ye Xuan was trying to save people. Completely crazy, constantly attacking, and insisting on killing me."

"So, I changed my strategy, and while dealing with him, I mocked him at the same time. I said that he handed over a scum like Ye Yun. I'm not right to wash off Liang Wei', Ye Xuan couldn't scold me, and finally got angry."

"At that time, he went crazy and his whole body collapsed, so I took the opportunity to pierce his heart with a long sword."

At the end of the story, Gone made a happy look: "Speaking of which, I was lucky to be able to kill him." The real situation cannot be said, it can be made up.

It turned out to be like this...

After hearing these words, everyone around was suddenly enlightened. Immediately, many disciples of the Nalan family, their views on Gone were also changed a lot.

"Junior Brother Nie, don't be humble, you can kill Ye Xuan, and now you can become famous in the world."

"Junior Brother Nie is very brave and knowledgeable. Master accepts you as a direct disciple. You really know the pearl."

"Yes, Junior Brother Nie. If Ye Xuan doesn't die, I don't know how long this battle will take."

Facing the praises from everyone, Gone was humble and smiled without saying a word.

"Right!"

At this moment, someone thought of something and asked Gone, "Where's Ye Yun?"

The voice fell, and the others around looked at Gone again.

Gone took a deep breath, told the situation at the time, and said slowly at the end: "The hole was unfathomable, Ye Yun was seriously injured, and fell into the consciousness and realized the possibility of surviving. But we can't take it lightly." The

voice fell . , Nalan Hongzheng, who had been silent all the time, immediately ordered to the surrounding family disciples: "Everyone obeys the order, immediately search the underground cave near LuoChan Temple, make no mistake, must find Ye Yun, live to see people, die to see Corpse."

"Yes."

... the

other side!

Gululu.... In

the hole, Ye Yun's whole body was like a ball, rolling towards the depths continuously, and after rolling for more than ten minutes, he slowly stopped.

Rolling all the way down, Ye Yun only felt that the world was spinning, and it took a while to slow down. At that time, when he opened his eyes and saw the surrounding environment, he was stunned.

You can see that, dozens of meters ahead, is the exit of the underground hole.

However, the place next to the exit is a simple earthen house. The earthen house was completely excavated by hand. It is not very large, and it looks like more than ten square meters.

In the center of the hut was a bonfire, and inside was a bed of earth covered with straw, and a short man was sleeping.

The man has a scruffy beard, wears a gray soft armor, and has sharp-nosed monkey cheeks. From a distance, he looks like a big mouse, but his body is filled with a powerful aura.

Anyone else here?

Seeing this scene, Ye Yun was inexplicably surprised.

Looking at it like this, the same person dug the hole where he rolled down.

At this time, Ye Yun didn't know that the eccentric lying there, named Tu Xingsun, once served for Emperor Hou Yi, and was also famous in the Northern Ying Continent back then.

When Emperor Hou Yi died violently, Tu Xingsun always protected Chang'e. Later, Chang'e went to the holy sect to retreat and practice, and no longer needed protection, and Tu Xingsun began to travel around the world.

Three months ago, Tu Xingsun came to the vicinity of Luochan Temple and guessed that there was an ancient tomb under the temple, so he hit a secret road to the depths of the temple. At that time, he did find the ancient tomb, but unfortunately there was nothing inside. Sun was very depressed, so he planned to take a day or two to leave.

Swish!

At this moment, Tu Xingsun, who felt someone approaching and was meditating with his eyes closed, suddenly opened his eyes and looked Ye Yun.

“Where’s the kid?” Tu Xingsun looked at Ye Yun up and down and asked coldly.

call!

Feeling the aura of Tu Xingsun, Ye Yun took a deep breath, cupped his hands, and said politely: “I am sending Ye Yun to Wudang to disturb the senior’s rest, so don’t be surprised.”

People from the Wudang faction?

Hearing this, Tu Xingsun touched the tip of his nose and asked casually, “The Wudang sect is hundreds of kilometers away from here, what are you doing here? You are still injured, do you want to find the treasure of the ancient tomb?”

Ye Xuan did not answer immediately, but asked cautiously, “I don’t know the name of my predecessor.”

Tu Xingsun waved his hand: “Old man Tu Xingsun, there is no other name.”

What, is he Tu Xingsun?

At this moment, Ye Yun’s heart was shocked, and he stared blankly at Tu Xingsun, speechless.

Seeing him like this, Tu Xingsun was a little impatient and frowned: “Boy, you haven’t answered my question yet, why are you here?”

Alas!

Ye Yun sighed and told what happened to him. At that time, when he talked about his father’s tragic death, his tears couldn’t stop flowing.

At the end, Ye Yun looked at Tu Xingsun eagerly: "Senior, that Nie Zhan is despicable and shameless, first killed Nalan Zhenyi to frame me, and finally killed my father, I beg you to come forward and help me kill him, Eliminate the harm of the martial arts." The

last word fell, Ye Yun knelt there all of a sudden, and kept kowtow.

To be honest, his father died tragically, and Ye Yun wanted to kill Gone with his own hands, but he also knew very well in his heart that the opponent could kill his father.

And the Tu Xingsun in front of him was once a capable general under Emperor Hou Yi, so it shouldn't be a problem to deal with Nie Zhan.

"What are you doing?"

Seeing Ye Yun suddenly knelt down and kowtowed, Tu Xingsun was stunned, and then he waved his hands again and again: "The old man has stopped asking about the rivers and lakes, these are the grievances of the rivers and lakes, don't look for me, don't look for me."

Ye Yun suddenly became anxious: "Senior, do you have the heart to see a scum in the rivers and lakes at large?" Huh

!

Tu Xingsun took a deep breath, shook his head and said, "I've already said it, I don't ask about the rivers and lakes for a long time, if you bother me again, the old man will throw you out."

Seeing his firm attitude, Ye Yun looked sad, thinking of the scene of his father's tragic death, again weeping.

"A big man, what's the way to cry?" Tu Xingsun frowned and said angrily: "Forget it, I can check the situation for you, but don't expect me to help you get revenge."

Said, the figure In a flash, he disappeared into the cave.

After a while, Tu Xingsun returned and said to Ye Yun: "The battle is over, your Wudang faction was defeated, and everyone ran away."

What?

Hearing this, Ye Yun's heart trembled, and he quickly asked: "Where is my father?"

Tu Xingsun said lightly: "In the hands of the Nalan family, the manor is surrounded by strict worship, where is your father's body? I don't know, and there are many people outside, searching for your whereabouts everywhere."

Mad!

Ye Yun gritted his teeth, his eyes instantly blood red. If this revenge is not repaid, I swear not to be human.

At this time, Tu Xingsun looked at his injury and said slowly: "Because of you, I can't keep my hiding place, and the Nalan family will find it here soon, that's all, it's time to meet. Let's change our hiding place, I'll help you restore the broken bones, and then escort you back to Wudang."

Tu Xingsun looked scary, but he was actually kind-hearted.

Hearing this, Ye Yun was stunned, and then said gratefully: "Thank you, senior."

Although the other party did not promise to avenge his father, escorting him all the way back to Wudang was a big help.

.....

On the other side, Donghai City, Haitang Garden.

It was late at night, and there was silence in Haitang Garden.

However, in the corridor leading to the back room, a slender figure was sneaking cautiously. A black tights can't hide the graceful curves, with a black veil on his face, he can't see his appearance.

It was Liu Ruxue.

During the day, Liu Ruxue wanted to kill Prince Aotian with his own hands, but was stopped by Yue Feng. At that time, Liu Ruxue was very unhappy, so she secretly made up her mind to wait until the evening when there were fewer people.

When it was about to imprison Prince Aotian's secret room, he saw two Tianmen disciples guarding outside the door.

Liu Ruxue's eyes flickered, and she walked over without any hesitation.

"Who?" "Who?"

“
Seeing Liu Ruxue approaching, the two Tianmen disciples immediately became alert and scolded in unison.

Liu Ruxue took a deep breath, lowered her voice, and said solemnly: “I am here under the order of the sect master to take the prisoner away. This is a warrant.” As she spoke, she took out something from her body and handed it over.

The two Tianmen disciples looked at each other and looked at Liu Ruxue’s hands, and they were stunned for a moment.

I saw that Liu Ruxue’s hand was not a warrant, it was just an ordinary jade pendant.

Bang Bang....

But at this moment, before the two Tianmen disciples could recover, Liu Ruxue swiped lightning with her left hand and hit them on the necks, and heard two dull sounds, two Tianmen disciples. It was soft to the ground and fainted.

After knocking out the two Heaven and Earth Sect disciples, Liu Ruxue dragged them to the shadows, making sure there was no one else around, and then slowly opened the door of the secret room.

Squeak...

The moment the door was opened, Liu Ruxue dodged in and pulled out the long sword on her body at the same time.

At this time, Prince Aotian, with his hands and feet locked by iron chains, was still closing his eyes and resting. He suddenly heard the movement and opened his eyes immediately. Seeing that it was Liu Ruxue, she was stunned.

“Evil thief!”

At this moment, Liu Ruxue clenched the long sword and stared at Prince Aotian fiercely: “Don’t think that if Yue Feng stopped you during the day, you will escape, I said, I will kill it myself. You, avenge my brother.”

When she spoke, Liu Ruxue’s eyes were full of resentment.

This chapter is provided by . Visit for daily update.

Feeling Liu Ruxue’s killing intent, Prince Aotian suddenly became a little nervous, but his face showed a nonchalant look, and said with a light smile: “Kill me? Do you have that strength?” With a mocking expression on his face: “During the day, Yue Feng

already told you that I am the royal family of the Divine Realm, and this body is not my real body, but was taken away by me. I won't die."

When he said this, Prince Aotian's face was calm, but he was actually panicking in his heart.

Speaking of which, what Prince Aotian just said was right. If Liu Ruxue really wanted to do something, he would only destroy this body, not really kill him, but if he really wanted to destroy this body, his spirit would float out, nowhere to go. Although not dead, but not much better.

However, Prince Aotian is sinister and despicable. He knows that the more this is the case, the more calm he needs to be. Instead of being flustered, it is better to gamble.

call!

In the face of Prince Aotian's provocation, Liu Ruxue bit her lips tightly, her delicate face full of resentment.

"Go to hell!" In the

next second, Liu Ruxue's red lips parted lightly, and she spit out a few words coldly. Then, a cold light was drawn from the long sword in her hand, stabbed in the heart of Prince Aotian.

In an instant, blood sprayed.

Prince Aotian only felt a sharp pain, and almost fainted, but he still gritted his teeth and pretended to be okay with a smile: "See, this way of yours will destroy your senior brother's body at most. It can't kill me at all." Seeing him still laughing, Liu Ruxue's body trembled, and she lost her mind

. You can't die like this, how can this be good? No, senior brother's revenge must not be avenged, and he must find a way to kill him.

Thinking to herself, Liu Ruxue's eyes flashed resolutely, she clenched her long sword and waved it twice, cutting off the iron chain on Prince Aotian's hands and feet, then holding the iron chain, she said tenderly, "Follow me."

Stay . Here, Yue Feng will definitely stop himself from taking revenge, it is better to take Prince Aotian away.

This crazy woman.

Faced with this situation, Prince Aotian wanted to cry but had no tears. He thought that after the other party stabbed a sword, he would give up temporarily, but he never

thought that Liu Ruxue and Liu Ruxue were so courageous that they planned to take him away.

Soon, Liu Ruxue took Prince Aotian outside.

“Come here, come here!”

At this moment, Prince Aotian saw a group of patrolling disciples not far away, and hurriedly shouted in pain.

Prince Aotian knew very well in his heart that staying here, he was very safe. After all, Yue Feng, as an imperial teacher, had to take into account the face of the royal family of the Divine Realm, and would not easily kill himself.

But Liu Ruxue was different. She was bent on revenge. If she was taken away by her, it would be really bad luck.
