

The ultimate husband in Chinese chapter 5671-5680

When the golden throne appeared, there was a colorful cloud around it.

Swish!

With such a vision, whether it was the people in Haitang Garden or the thousands of elite soldiers surrounding them, they couldn't help but look up at the sky.

At the same time, the God King Haotian was stunned there, feeling uneasy.

Colorful auspicious clouds...Golden throne...

Could it be...is His Majesty coming to the Kyushu Continent?

Just when the God King Haotian was muttering secretly, he saw that the colorful clouds gradually receded, and the outline of the golden throne gradually became clear, with a handsome and tall figure sitting on it.

The golden five-clawed dragon robe, the eyes are calm, and the whole body is filled with the aura that makes all living beings surrender.

It was the current Heavenly Emperor, Ao Lin.

Behind the golden throne, the nine imperial guards of the Imperial Palace stood there quietly, each with a stern expression, not angered and arrogant.

Swish!

Seeing that it was really Ao Lin, whether it was the God King Haotian or the thousands of elite soldiers around him, their hearts trembled and they were dumbfounded.

And the Tianmen disciples in Haitang Garden, as well as Wen Chou Chou, were also stunned when they felt Ao Lin's powerful aura.

"What a powerful aura, could it be that the gods came to the world?"

"What gods came to the world? Looking at the background, the status is higher than this God King Haotian..."

"Could it be... the emperor of heaven?"

"When talking in a low voice, Yue Feng showed a smile, and he was completely relieved.

This apprentice came in time, otherwise, everyone here would be miserable.

Pfft!

At this moment, the God King Haotian reacted, bent his knees, and knelt down directly, his tone was full of fear: "Chen Haotian, see Your Majesty."

When he spoke, the God King Haotian was full of anxiety. Could it be because he didn't return to his life for a long time, His Majesty was displeased, and went to Kyushu in person...

Put pu tong... As

soon as the voice fell, the thousands of elite soldiers around him also knelt down in unison, and the voice was high. call.

"See Your Majesty!"

Thousands of divine soldiers shouted in unison, the momentum was overwhelming, and in an instant, seeing this scene, Wen Chou Chou and everyone in Haitang Garden were completely dumbfounded.

It's really God's arrival.

quiet!

The entire Haitang Garden was deadly silent.

On the golden throne, Ao Lin glanced at the Haotian God King lightly and ignored it, but raised his hand and waved, the throne under him disappeared without a trace, and his figure also quickly landed.

The nine imperial guards behind him followed closely behind.

On the ground, Ao Lin took three steps and two steps, and quickly came to Yue Feng. His handsome face was filled with joy and shame: "Master, I have finally found you."

Before Yue Feng left without saying goodbye, Ao Lin became anxious. , It was almost uneasy to sleep and eat, but now that I see Master, I am happy from the bottom of my heart.

What?

Seeing this situation, the entire Tianmen disciples of Haitang Garden were shocked and completely shocked.

The dignified emperor actually called Brother Feng his master? This...this is not a dream...

Only Wen Chou Chou knew about Yue Feng as the emperor's teacher, and the disciples below were still kept in the dark. Seeing that the Emperor of Heaven was so respectful to Yue Feng, they all froze there, dumbfounded.

"Master!"

At this time, Ao Lin asked very puzzled: "Master, why did you leave without saying goodbye?"

Hu!

Yue Feng took a deep breath and smiled bitterly: "I told you a long time ago that I don't belong to the God's Domain, and the Kyushu Continent is my home. I will come back sooner or later."

Hearing this, Ao Lin nodded silently. .

The next second, aware of Yue Feng's injury, Ao Lin frowned: "Master, are you injured? Who is so bold and dare to hurt my master?" He looked around.

Being swept by Ao Lin's eyes, whether it was the Haotian God King or the elite soldiers, their hearts trembled, and they didn't dare to let out the air.

Especially the God King Haotian, his face was instantly covered with cold sweat.

Oops, Yue Feng was injured by me. If Your Majesty is to blame, you will suffer.

Thinking to himself, the God King Haotian didn't wait for Ao Lin to ask again, he opened his mouth and said, "Go back to Your Majesty, Yue Feng was injured by the minister."

Shuh!

Hearing this, Ao Lin suddenly changed color, and his eyes locked on Haotian God King: "Haotian, you are so bold, Yue Feng is my master, you are the emperor, you actually hurt him, do you want to rebel?"

The ultimate husband in Chinese chapter 5672

When the

emperor is angry, the universe changes color.

Gudong!

Feeling Aolin's anger, the Haotian God King secretly swallowed his saliva, and he was almost unable to kneel. The thousands of elite soldiers around him were even more silent.

In the next second, the God King Haotian tried his best to calm himself down, and said cautiously, "Your Majesty, this minister did not intend to offend the Emperor, but just now, there was a reason for the attack."

After speaking, the God King Haotian looked at Su Qingyan and continued. : "Ten thousand years ago, the human emperor Xuanyuan led his congregation to fight against the Divine Realm, and the crime was extremely heinous. After Xuanyuan's death, a remnant of his men hid in Kyushu and secretly founded the Xia Yin School."

"In the following thousands of years, the Divine Realm has been tracking down The whereabouts of the followers of the Xia Yin Sect, the Emperor Jiutian once issued an edict that Xuanyuan's remnants must be completely eradicated. This time, the minister went down to Kyushu and traced the whereabouts of Gone. At the same time, he found the main altar of the Xia Yin Sect, but it was a pity that the siege failed at the beginning. Let them escape."

"Su Qingyan, the current Sect Master of the Xia Yin Sect, is Yue Feng's woman. When the minister found out that she was hiding here, he led a group of soldiers to arrest her, but was blocked by the emperor.

"Your Majesty, it is indeed inappropriate for the minister to take action against the emperor, but it is also the minister's duty to clean up Xuanyuan's remnants, so please let your majesty know it."

After saying the last sentence, the Haotian God King fell on the ground, not daring to move, and quietly waited for Ao Lin. Reaction.

Swish!

At the same time, the surrounding Tianmen members and thousands of elite soldiers also looked at Ao Lin.

For a while, the entire Haitang Garden was silent.

Knowing the situation, Ao Lin took a deep breath, his face changed, and he thought quietly.

A few seconds later, Ao Lin reacted, with a very humble and polite expression, and said to Su Qingyan: "Master, I'm so sorry, I've surprised you."

This chapter is provided by . Visit for daily update.

In Ao Lin's heart, Su Qingyan was Yue Feng's woman, so she was naturally his wife.

Without a master, I would not be able to sit in the position of the emperor of heaven, so it is natural to treat my wife with respect and courtesy.

"No..."

Seeing the dignified Heavenly Emperor and apologizing to herself, Su Qingyan's body trembled, only to feel dizzy and completely confused, she shook her head in flattery, "You're welcome..."

This... ..

Seeing this situation, the God King Haotian, who had been lying there, was also stunned.

Your Majesty apologizes to the Sect Master of the Xia Yin Sect. Could it be.... Your Majesty is going to pardon Xuanyuan's remnants?

At this moment, Ao Lin tilted his head to look at the God King Haotian, and said lightly: "Haotian, since there is a reason for this, I won't blame you. From now on, I will revoke the suppression of Xia Yinzong."

Xuanyuan's fight against God's Domain , it's been so long, it's time to end it.

More importantly, the Sect Master of Xiayin Sect is Master's woman. If he ordered her to be arrested, wouldn't it be absurd?

What?

Even though the God King Haotian was prepared in his heart, he was surprised when he heard Ao Lin say this, and said eagerly, "Your Majesty, this seems inappropriate, the Nine Heavens Emperor once issued an edict that he must exterminate Xuanyuan's remaining sins... "

Just before he finished speaking, he was interrupted by Ao Lin.

"Shut up!"

At this time, Ao Lin was very angry and glared at the God King Haotian: "Are you the Emperor of Heaven or I am the Emperor of Heaven, do I still need you to remind me of these things?"

"Even if Xia Yinzong has something to do with Xuanyuan, But it's been so long, and it's time to end it, but you have to hold on to it, what's your motive? You want me and Master to turn against each other?"

Pfft!

Feeling Aolin's anger, the God King Haotian turned pale, and quickly said: "I dare not, this is not what I mean."

When he said this, the God King Haotian was full of cold sweat, but he couldn't tell the fire in his heart.

Ma De, Your Majesty is obviously trying to favor Yue Feng. Forget it, it is very unwise to argue with His Majesty, so let's endure it first.

call!

Seeing that God King Haotian no longer had any objections, Ao Lin breathed a sigh of relief, smiled and tried to Yue Feng: "Master, this matter is settled like this, what do you think?" The

tone is extremely respectful, and treats God King Haotian with the utmost respect. In comparison, it is simply one in the sky and one in the ground.

Ha ha!

Yue Feng smiled slightly, nodded and said, "This is the best way to deal with it."

After saying that, Yue Feng also secretly rejoiced.

It's really dangerous, fortunately, I have the identity of an imperial teacher, otherwise, Qing Yan is burdened with the crime of Xuanyuan Yuxie, which is really difficult to solve.

The ultimate husband in Chinese chapter 5673

Call!

At the same time, Wen Chou Chou and Sun Dasheng, who were next to him, also breathed a sigh of relief.

It was really dangerous just now. If he really fights with the God King Haotian, everyone present is afraid that they will fall into a doomed situation. Fortunately, this Heavenly Emperor is facing Fengzi.

At this time, under Ao Lin's instruction, the Haotian God King ordered thousands of elite soldiers to evacuate Haitang Garden.

Subsequently, Yue Feng was sent into the hall.

Arriving at the hall, Ao Lin was placed in the main seat, and Yue Feng accompanied him.

Wen Chou Chou, Sun Dasheng and the others stood aside. Even though they knew that Yue Feng was the teacher of the Heavenly Emperor, under Ao Lin's powerful aura, Wen Chou Chou and others did not dare to be arrogant in the slightest.

God King Haotian stood at the door, looking awkward and at a loss.

"Master!"

This is, Ao Lin took out a delicate jade box from his body, and handed it to Yue Feng with a smile: "The disciple just noticed that the master's divine power is seriously depleted, and it happened that I brought a few heavenly marrow golden pills with me. I'll leave it to you to restore your divine power."

Haha...

At this moment, Yue Feng was extremely excited and worried about how to restore his strength, so Ao Lin sent a few Heaven Marrow Golden Pills.

However, with the God King Haotian watching, Yue Feng didn't show too much excitement, he took the jade box calmly, nodded and said, "Okay."

Ao Lin was very happy to see Yue Feng accept the jade box.

The next second, Ao Lin thought of something and looked at the Haotian God King standing at the door: "Haotian, you heard the news earlier that Goni escaped, what happened?"

This chapter is provided by . Visit for daily update.

Hearing the question, the God King Haotian hurriedly bowed and responded, "Goni was indeed captured by Qin Tianjian before, but he was too cunning and escaped after devouring the divine power of the mysterious general.

"Xia Yinzong fought against him, but finally let him run away."

Hearing this, Ao Lin frowned.

The Supreme Being of the Demon Race has not been caught for a day, and has been threatening the peace of God's Domain.

"Your Majesty!"

At this moment, Yue Feng, who was next to him, said with a serious look: "Now it's not just about Gone, but also your brother, Prince Aotian."

In the next few minutes, Yue Feng will be proud of The emperor's situation was explained in detail.

What?

For a time, both Ao Lin and Haotian Divine King were shocked.

Prince Aotian actually went to the lower realm of Kyushu privately, and also mutilated innocent people, taking other people's bodies...

But under the shock, the God King Haotian frowned slightly.

Prince Aotian went down to Kyushu and seized the human body. The ultimate goal must be to seize the throne of the Emperor of Heaven. This might be an opportunity for him.

After all, the current Heavenly Emperor, Aolin, has always been partial to Yue Feng and has a gap in his heart. Instead of being under his command, why not help Aotian?

"Haotian!"

Just when the God King Haotian was thinking about this, Ao Lin said slowly: "You are clear about the matter, it is not too late, immediately start to search the whereabouts of Aotian and Gone, and there must be no slights. Do you know?"

"Yes!" Haotian God King responded quickly, but he was very unconvinced.

Seeing his response, Ao Lin nodded and continued: "Once you discover the whereabouts of Gone and Ao Tian, report to the emperor immediately, and must not act alone."

What?

The God King Haotian was stunned for a moment, and felt even more unhappy. He was a dignified God King, and he wanted to report to Yue Feng?

Seeing his hesitation, Ao Lin frowned and said: "What? Is there anything wrong? The emperor knows the situation in Kyushu very well. With his help, you will definitely get twice the result with half the effort to capture Aotian and Gone."

Haotian God King took a deep breath and pressed hard Dissatisfied, he nodded and said: "Your Majesty's words are very true, this minister will definitely cooperate with the emperor."

At this time, Haotian God King was extremely suffocated in his heart, but in front of Ao Lin, he did not dare to attack. I can only swear in my heart.

Good you, Ao Lin, after you became the Emperor of Heaven, you pointed fingers at me. When I assist Ao Tian to seize the throne of the Emperor of Heaven, you will never be turned over.

With this in mind, the God King Haotian said with a humble expression: "Is there any other order from Your Majesty?"

Ao Lin waved his hand: "No, it is urgent to capture Aotian and Gone. You should prepare immediately."

"Yes . . . Your Majesty!" Haotian God King responded and turned to leave the hall.

Call! As soon as his forefoot left, Ao Lin took a deep breath and smiled at Yue Feng: "I finally got rid of this Haotian, talking

to him and pretending to be serious. It's really tiring."

Ao Lin directed at Wen Chou Chou and said, "Everyone, don't be restrained, sit, all sit..."

At this time, Ao Lin's face was kind and pleasant, and he was completely different from the previous Heavenly Emperor.

Haha...

Seeing him like this, Yue Feng couldn't help laughing.

This Ao Lin, who has become a Heavenly Emperor, is still so unstable.

This...

Seeing this scene, Wen Chou Chou and Su Qingyan looked at each other in dismay, and secretly laughed in their hearts.

I didn't expect that this Heavenly Emperor was so interesting.

Despite this, everyone did not dare to sit down rashly. After all, the other party was the ruler of heaven and earth.

Feeling the hesitation of everyone, Yue Feng greeted with a smile: "Brother Wen, Great Sage, since Your Majesty has spoken, don't be restrained, sit down."

Seeing Yue Feng say this, everyone took their seats.

“Master!”

At this time, Ao Lin couldn't help complaining at Yue Feng: “You don't know, after you left God's Domain, no one accompanies me to study formations, play chess, and deal with government affairs all day, it's really boring. I'm dead.”

Yue Feng said with a wry smile: “What should have been taught to you before was taught by teachers. Besides, you are the Emperor of Heaven now, so you can't always think about taking time off and wanting to benefit the whole world, but you can rest assured and wait for the solution. I'll go back to the realm of God to see you after the matter of Gone and Aotian.”

“Okay, then I'll wait for your good news, Master.”

Hearing this, Ao Lin was no longer depressed and smiled.

After chatting for a while, Ao Lin slowly got up and looked at Yue Feng reluctantly: “Master, it's time for me to go, you know, I am the Emperor of Heaven and can't rashly leave God's Domain.”

This time, the lower bound Kyushu originally asked Hao The Heavenly God King made progress, but unexpectedly reunited with Yue Feng. For Ao Lin, it was an unexpected joy, and he was very satisfied.

Um!

Yue Feng smiled, nodded, and then sent Ao Lin to the outside of the hall with everyone.

A few minutes later, under the escort of nine imperial guards, Ao Lin returned to the realm on a colorful cloud.

“Fuck...”

At this moment, Sun Dasheng watched Xiangyun disappear into the sky, and kept muttering to himself: “Fuck...Fuck...”

Yue Fengren couldn't stop talking. He couldn't stop laughing and said, “Great Sage, what have you been muttering about?”

At the same time, the crowd of Wen Chou Chou also looked at Sun Da Sheng in astonishment.

Sun Dasheng scratched his head and murmured: "My Dasheng Sun has been walking around the world for many years, and I have seen all kinds of strong winds and waves, but I didn't expect that one day I would sit and chat with the Emperor of Heaven. It's like a dream."

Saying that, Sun Dasheng raised his hand and slapped himself in the face.

Haha...

Seeing him like this, Yue Feng and Wen Chou Chou couldn't help laughing.

"Brother Feng!"

Just as he was joking, a disciple walked up quickly and respectfully said to Yue Feng, "Miss Wushuang of the Nalan family is here and is asking to see you outside the gate."

Miss Wushuang?

Yue Feng was stunned for a moment, his mind recalled, he only knew that there was a Nalan Wushuang in the Xia Yinzong before, but he also knew that the Nalan family had another with the same name.

Swish! At this moment, Yue Wuya who was behind closed his smile and frowned: "What is that girl doing here?" When he thought of Nalan

Wushuang, Yue Wuya became a little angry.

He will not leave in a fit of anger, nor will he be caught by the Sea Dragon Palace and almost lost his life.

At the same time, Wen Chou Chou, Sun Dasheng and others also had complex expressions on their faces. They also didn't have a good impression of this young lady of the Nalan family.

However, Wen Chou Chou has a sincere and honest nature. After reacting, he said to Yue Feng: "Everyone is here, just ask what is going on."

Yue Feng smiled and said, "It must be the Nalan family and Wudang."

Immediately, he said to the disciple, "Bring people in." After speaking, he called everyone back to the hall.

"Yes."

The disciple responded, and after a while, he took Nalan Wushuang to the hall.

The moment he saw Nalan Wushuang, Yue Feng couldn't help but secretly nodded in admiration. This Nalan family is really beautiful. This Nalan Wushuang has the shadow of Nalan Xinran back then, but its temperament is slightly inferior.

The ultimate husband in Chinese chapter 5675

But it is also a rare beauty.

Admiring in his heart, Yue Feng said with a smile: "Girl, what are you looking for me for?" Huh

!

Nalan Wushuang breathed a sigh of relief, resisted the displeasure in his heart, and said slowly: "I am visiting on behalf of the family, one is to apologize, and the other is to ask Uncle Yue for help." Back then

at the Martial Arts Academy, Yue Feng and Nalan were happy. A classmate, Nalan Wushuang naturally calls him uncle according to his seniority.

Apologize?

Hearing this, Yue Feng was stunned for a moment. He guessed that Nalan Wushuang came this time because of the family and Wudang, but he didn't expect to apologize.

"Why do you want to apologize?" Yue Feng asked curiously.

Nalan Wushuang bit his lower lip lightly, and did not answer immediately, but walked delicately in front of Yue Wuya and said slowly: "Yue Wuya, I was wrong before, please, your lord, don't bother with me.

"Lan Wushuang hated Yue Wuya because of his love and hatred, so he stopped calling him 'Brother Wuya', and called him by his full name.

To be honest, to apologize to Yue Wuya, Nalan Wushuang felt ten thousand reluctance in his heart.

But there was no way. Before coming, Nalan Hongzheng and his aunt had said that this time they needed the support of Tianmen, and they had to show their sincerity no matter what.

Ha ha!

Seeing her reluctant expression, Yue Wuya chuckled lightly and said lightly: "You are the young lady of the Nalan family, you are aloof, whatever you do is right, you apologize to me, how can I bear it? ."

When speaking, Yue Wuya raised his head and deliberately did not look at Nalan Wushuang.

This chapter is provided by . Visit for daily update.

Speaking of which, Yue Wuya is not a stingy person, but Nalan Wushuang's previous approach was really too much. Without any real evidence, he did a paternity test, slandering himself as the child's father, causing Linger to leave in a fit of anger, and was taken by the Sea Dragon Palace. grab.

In order to find Ling'er, I fell into the trap of the Sea Dragon Temple at that time, and finally caused Uncle Wen and the Great Saint Uncle to be injured...

All of this was caused by this unreasonable Nalan Wushuang, and now it's just an apology?

For a time, Yue Wuya held back his fire the more he thought about it.

"You..."

Seeing Yue Wuya's attitude, Miss Nalan Wushuang's temper instantly rose, and she stomped her feet: "Yue Wuya, what do you mean? I apologized, but you are still weird."

Yue Wuya looked at her quietly: "What? Do I have to accept your apology? Your lady's air is really big."

Nalan Wushuang was so angry, but he had nothing to refute.

For a time, the atmosphere was a little dignified.

"Qingyan!" Seeing this situation, Yue Feng's head was full of question marks, and he turned his head towards Su Qingyan

and asked in a low voice, "What's the situation?"

On the bar?

Su Qingyan pursed her lips and smiled, and said softly, "Is this still a debt of love left by Ya'er?" After speaking, she explained the details in their entirety.

It turned out to be so.

Upon learning of the situation, Yue Feng was stunned, and at the same time looked at Yue Wuya approvingly.

Haha... I didn't expect that Ya'er was so attractive, that the young lady of the Nalan family would be jealous for him.

With emotion in his heart, Yue Feng stood up and smiled to smooth things out: "Okay, okay, the past is over, Ya'er, men should be more generous."

Seeing Yue Feng speak, Yue Wuya said: "Okay. Well, forget what happened before."

Nalan Wushuang didn't say anything more.

"Girl!"

At this moment, Yue Feng looked at Nalan Wushuang with a smile: "The apology is over, now talk about it, what can I do for you?"

Wow...

just after the voice fell, Nalan Wushuang With red eyes, he burst into tears: "Uncle Yue, my father died so tragically, you must give us justice..."

For the next ten minutes, Nalan Wushuang choked, Things were told in detail.

At the end, Nalan Wushuang bit his lip and said fiercely: "The Wudang faction bullied others, killed my father, and had to save the murderer. Fortunately, God has eyes and made that Ye Xuan pay the price, but the Wudang faction It will definitely distort the facts, Uncle Yue, you must help our Nalan family."

The ultimate husband in Chinese chapter 5676

Call!

After listening to Nalan Wushuang's narration, Yue Feng and Wen Chou Chou looked at each other, and their faces were a little complicated.

Especially Yue Feng and Wen Chou Chou, their brows furrowed, they both felt that it was not that simple at this time.

You know, Ye Yun and Nalan are happy to be in love with each other, and they both recognize each other. Even if Ye Yun asks Nalan for help and is rejected, it is impossible to turn around.

This is not normal.

What made Yue Feng even more puzzled was Nalan Hongzheng.

Tianmen and the Nalan family have always been on good terms and have met a few times. Therefore, Yue Feng knows a little bit about the patriarch of the Nalan family. He is a very cautious and calm person.

However, the death of Nalan Shinichi is full of doubts, how could Nalan Hongzheng not see it?

At this moment, Yue Feng was thinking in his heart, and he and Wen Chou Chou looked at each other.

“Girl!” In the

next second, Yue Feng looked at Nalan Wushuang calmly: “According to your description, I think that Ye Yun should not be the murderer.

” Ye Yun should have been framed.

The person who framed Ye Yun was not only very cunning, but also had extraordinary strength. Otherwise, it would be impossible to commit murder in the Nalan family.

What?

The voice fell, Nalan Wushuang’s delicate body trembled, and she stared at Yue Feng blankly, her mind blank.

This chapter is provided by . Visit for daily update.

Is the murderer someone else?

This.... how is this possible?

Thinking to himself, Nalan Wushuang shook his head and said excitedly: “This is absolutely impossible. At that time, when my grandfather checked my father’s injury, the top of his head was smashed by the palm of the Wudang faction’s Taixu Gong, and Ye Yun He is a rookie in Wudang, and he learned Taixu Gong two years ago.”

“The evidence is conclusive, the murderer is him.” At the

end, Nalan Wushuang was very anxious. He was also very dissatisfied with Yue Feng in his heart.

This Yue Feng did not express his support, but instead made a fuss about the murderer. Could it be that... the Wudang faction and Tianmen have secretly communicated that they want to deal with the Nalan family together?

“Don’t get excited, girl.”

Seeing her like this, Wen Chou Chou smiled and comforted: "What your uncle Yue said is not groundless, and I also think there is something strange at this time, that Ye Yun may be framed and kill your father. The murderer, someone else."

Wen Chou Chou also thought of the question Yue Feng thought of.

The whole thing, obviously someone framed Ye Yun, and then triggered the fight between Wudang and the Nalan family. It was only Nalan Hongzheng who was a fan of the authorities, or lost his beloved son and lost his mind, that he made a wrong judgment.

Whoa!

As soon as the words fell, Su Qingyan and others around also nodded, agreeing with Wen Chou Chou's inference.

"You..."

Seeing this scene, Nalan Wushuang's delicate face suddenly flushed red, his eyes were full of anger, he looked at Yue Feng and said, "Uncle Yue, I respect you and call you uncle, I hope You Tianmen can give full support to help arrest Ye Yun, the murderer, but you have tried your best to help Ye Yun exonerate."

"I see, you Tianmen and Wudang sect have secretly communicated to deal with our Nalan family. Since that's the case, there's nothing to say."

After saying the last sentence, Nalan Wushuang stomped his feet and turned to leave.

When she apologized to Yue Wuya just now, she felt a surge of anger in her heart. When she saw Yue Feng and Wen Chou Chou, they both said that Ye Yun was framed, so she couldn't help it.

Uh...

Seeing this scene, Yue Feng's face was bitter and speechless.

Wen Chou Chou, Su Qingyan and the others looked at each other and couldn't help laughing and laughing. The eldest lady of the Nalan family is so stubborn. We just reminded her kindly, but in her heart, she became helping the Wudang faction.

"Hey, what are you talking about?"

Seeing that Nalan Wushuang was about to walk out of the hall with an angry expression, Yue Wuya couldn't help it, his figure flashed and stopped in front of Nalan Wushuang, and said angrily: "Father and Uncle Wen, it's just a matter of fact, why are you so excited?"

After speaking, Yue Wuya pointed to the hall in front of him, and continued: "I tell you Nalan Wushuang, you'd better put away that eldest lady's bad temper, This is our Heavenly Gate, not your family's back garden, and no one is used to your bad temper."

The ultimate husband in Chinese chapter 5677

When he said this, Yue Wuya was very angry.

This Nalan Wushuang really has no manners at all. Before, Linger and I almost died in the hands of the Sea Dragon Palace, and now he is acting wild in front of his father, Uncle Wen and others...

"Go away!"

Nalan Wushuang at this time In a very bad mood, seeing Yue Wuya standing in front of him, he immediately gave a coquettish shout, and then shoved Yue Wuya fiercely.

However, Yue Wuya had been prepared for a long time, secretly running his inner strength, pouring it into his legs, and standing there like a rock.

Dengdengdeng....

Nalan Wushuang pushed Yue Wuya with both hands, not only did not push him away, but was shocked to take a few steps back.

Seeing this situation, Yue Feng and Wen Chou Chou all looked complicated and wanted to stop it, but they held back because of their status as elders.

"Yue Wuya!"

At this time, Nalan Wushuang stabilized his figure, his delicate face was full of shame and anger, and glared at Yue Wuya: "What do you mean? This is the place of your Tianmen, do you just want to bully others?"

"Still, your Tianmen is really secretly colluding with Wudang to deal with our Nalan family? Now, do you want to put me under house arrest?" In

anger, Nalan Wushuang expressed his suspicions without hesitation.

Swish!

Seeing that she was talking more and more outrageous, Yue Wuya was so angry that he shouted angrily: "Shut up for me, my Tianmen has never colluded with Wudang

. Apologize to Uncle Wen and the others." The

tone was sharp and unquestionable.

This Nalan Wushuang is getting more and more outrageous, and she must be taught a lesson today.

Apologize?

Hearing this, Nalan Wushuang also trembled with anger, and shouted: "I didn't do anything wrong, why should I apologize? Yue Wuya, don't think you are the sect master of Tianmen, just yelling at me. , I don't want to eat your way, get out of my way."

Yue Wuya stood there without moving, with a firm attitude: "Don't apologize, don't go."

Nalan Wushuang was completely angry and gave a coquettish shout . : "Go to hell, you." The

last word fell, Nalan Wushuang raised his jade hand, summoned a long sword, and stabbed at Yue Wuya's heart as fast as lightning.

Chi Chi...

Because he was too angry, Nalan Wushuang shot mercilessly, and saw the long sword draw a cold light, and in the blink of an eye, he arrived in front of Yue Wuya.

What?

Seeing this scene, both Yue Feng and Wen Chou Chou were all shocked.

This Miss Nalan Wushuang is too temperamental. As soon as they disagreed, they drew their swords...

Surprised, Yue Feng, Wen Chou Chou and others wanted to stop them, but they were far away from Nalan Wushuang, and it was too late.

What a crazy woman.

At this moment, feeling the power of Nalan Wushuang's long sword, Yue Wuya's expression changed, and he cursed inwardly, but he didn't panic at the time, but moved his figure and avoided it.

After dodging the sword, Yue Wuya turned to Nalan Wushuang's back, and said coldly, "You really have no rules or upbringing. I don't think you are here to ask for help, but to find trouble on purpose.

" Falling down, Yue Wuya raised his right hand and hit Nalan Wushuang's back with a palm.

boom!

This slap was fast and urgent, Nalan Wushuang didn't have time to dodge, and was slapped directly on the back, when he heard a muffled groan, and the whole person was shaken out more than ten meters away.

Finally hitting the pillar, Nalan Wushuang stopped and fell to the ground, with a pale look on his delicate face, his eyes fixed on Yue Wuya, full of resentment.

"If something happens to me, the Nalan family won't let you go to Tianmen." The

next second, Nalan Wushuang said ruthlessly, and then his eyes darkened and he passed out.

Wow....

Seeing this situation, Yue Feng and Wen Chou Chou didn't have time to think about it, and quickly gathered around. When they got there, Su Qingyan checked Nalan Wushuang's situation.

At this time, Yue Feng frowned and looked at Yue Wuya: "Ya'er, you are too impulsive, how can you do it?" The

visitor is a guest, this Nalan Wushuang really doesn't understand the rules, but as the master, he can't do it.

"Father!"

Facing Yue Feng's rebuke, Yue Wuya lowered his head and said very depressed: "I know I'm wrong."

As soon as the words fell, Sun Dasheng grabbed Yue Wuya's shoulder and said loudly: "Ya'er, Uncle Dasheng supports you, the palm of your hand was right." After speaking

, Sun Dasheng pointed at Yue Feng again Said: "This girl is rude, what are you accusing Ya'er of?"

Uh...

Seeing the great sage being so protective, Yue Feng couldn't help laughing and crying: "Great sage, this girl is here on behalf of the Nalan family after all, Ya'er. It's really inappropriate to do this."

Just as she was talking, Su Qingyan slowly stood up and said softly, "It's alright, I just passed out, just take a rest."

Phew!

Hearing this, Yue Feng breathed a sigh of relief. Fortunately, Ya'er's palm was not fatal, otherwise, it would be difficult to explain to the Nalan family.

Thinking to himself, Yue Feng looked at Wen Chou Chou and said, "Brother Wen, what should we do next? What do you think?"

Wen Chou Chou thought for a while, and said slowly, "Nalan Shinichi's death is very strange, and there must be something else in it. It's just that the people of the Nalan family are deceived by the appearance of things."

"Well, let this girl rest in Haitangyuan for a night, and tomorrow morning, let's go back to the Nalan family with her and investigate."

Saying this At that time, Wen Chou Chou frowned, very helpless.

To be honest, I just experienced being suppressed by Haotian God Wang Qing a few days ago, so at this time Wen Chou Chou was mentally exhausted and really had no intention of taking care of other things.

It's just that the Nalan family and the Wudang faction have a pivotal position in the arena. Once the two sides are allowed to expand their conflicts and other sects are involved in the battle, the consequences are unimaginable.

Therefore, after thinking about it, Wen Chou Chou decided to go to the Nalan family with Yue Feng and try his best to prevent this catastrophe.

"Okay!"

Hearing this, Yue Feng pondered for a moment, and finally nodded: "Just do as Brother Wen said." After speaking

, Yue Feng called two female disciples and asked them to take Nalan Wushuang there. Backyard rest. Later, Yue Feng and everyone discussed the cause of Nalan Shinichi's death in the hall.

.....

At this moment, on a cliff two miles away from Haitang Garden. A figure stood there quietly, watching the situation of Haitang Garden.

Wearing a black linen gown, it looks ordinary, but the breath that permeates the whole body is not to be underestimated.

It was Gogne.

Half a day ago, not long after Nalan Wushuang left the family manor, Gognie also made an excuse to leave, and then quietly followed Nalan Wushuang. After arriving in Donghai City, Gene hid on the cliff and watched the situation of Haitang Garden secretly.

Although Gogne hides his strength, he is the Supreme Being of the Demon Race after all, so Nalan Xinran's every move in the hall just now is in sight.

Hehe...

At this time, when Nalan Wushuang was knocked out by Yue Wuya, Gogne smiled suddenly.

I originally wanted to secretly provoke the grievances between Nalan Wushuang and Tianmen, but now it seems that this girl is extremely rude, and she doesn't need to go out on her own, and she has a deadlock with Tianmen.

Of course, this is not enough for Gogne, he wants the Nalan family to completely break with Tianmen. And the best way to break the two sides is to let Nalan die happily in Haitang Garden.

It's just that it's daytime, and Haitang Garden is heavily guarded.

But Gogne wasn't in a hurry. Find a hiding place on the cliff and wait quietly.

Time passed minute by minute, and in a blink of an eye it was night.

Whoosh!

Gogne stood up slowly, urging the figure, like a ghost Yi Ban, and soon arrived near the back door of Haitang Garden.

There were not many Tianmen disciples guarding the back door, and Gogne found the opportunity and easily entered the backyard.

.....

At this moment, in a wing of the garden.

Yue Wuya sat there, his handsome face full of depression.

Yue Wuya is still a little annoyed when he thinks of what happened during the day. This Nalan Wushuang is really rude. He clearly came to apologize and ask for help, but he has the attitude of a young lady.

What was even more irritating was that in the hall, in front of so many people from his father, he dared to draw his sword.

Beside, Hai Linger is carefully making tea.

“Okay!”

At this time, Hai Ling'er saw Yue Wuya's annoyed face, and immediately pursed her lips and smiled, gently comforting: “You don't know little sister Wushuang's character, so why bother with her? Come, Have a cup of tea and relax.”

Said, Hai Linger handed over a cup of tea.

call!

Yue Wuya took the teacup, took a deep breath and said, “Linger, Nalan Wushuang treated you like that before, and almost killed us both, so you taught her Wushuang sister?”

Hai Linger let out a light sigh of relief: “Wuya Brother, I know that the things she did before have always left you brooding, but there is no perfect person in the world, who can never make mistakes for a lifetime?”

“Besides, she did that because she liked you so much.

Speaking of this, Hai Ling'er sat beside her, resting her chin in her hands, looking out the window and said, “When I was very young, my father taught me not to care about things, and to have a tolerant heart, so that I can live my life. ” Feel free and happy.”

Hearing this, Yue Wuya pondered for a moment, then smiled bitterly: “Linger, you are so kind. Well, I don't care about the past.”

“That's great!”

Seeing that he finally let go, Hai Linger was very happy and said with a smile: “This is the brother Wuya I admire and admire.” After

saying that, Hai Linger took Yue Wuya's arm and said tentatively, "Brother Wuya, you drink tea first, I just prepared some medicinal pills to clear the meridians, go see Sister Wushuang, okay?"

What?

Hearing this, Yue Wuya was stunned for a moment, then frowned and said, "What do you think she's doing? I didn't use all my strength in that palm, she has nothing to do with it."

Hai Ling'er smiled and said patiently: "That being said, but she was knocked out by you after all, so I should see her for you."

This...

Hearing this, Yue Wuya hesitated, nodded and said, "Okay, since you want to see her, I will accompany you." Nalan Wushuang is rude and unreasonable, Linger only suffers in front of her, and herself You have to be watching from the sidelines.

However, Hai Ling'er shook her head: "Brother Wu Ya, don't follow. You both started in the hall. I'm afraid that you will quarrel again when we meet."

"Don't worry, I'm just giving She sent a few pills, nothing will happen."

After finishing the last sentence, Hai Ling'er gently kissed Yue Wuya's face, her eyes full of anticipation.

Hai Ling'er is kind-hearted, in order to ease the conflict between Yue Wuya and Nalan Wushuang, it can be said that she has to worry a lot.

call!

Feeling the lingering fragrance on his face and Hai Linger's gentle request, Yue Wuya had to compromise: "Well, after you give her the medicine, hurry back."

"Well, I see." Seeing him finally Agreed, Hai Linger was very happy, and quickly walked out the door.

.....the

other side.

Gogne quietly searched the backyard and finally found the room where Nalan Wushuang rested.

I saw that there were two Tianmen female disciples outside the door, quietly guarding.

But it couldn't be more difficult for Gone. In his heart, the only thing he feared in the entire Haitang Garden was Yue Feng. He walked over quickly, and before the two female disciples could ask, he quickly shot and sealed their acupoints.

Putong Putong...

The two female disciples couldn't react at all, and fell to the ground.

Gone sighed secretly, dragged the two female disciples to the shadows next to them, then gently pushed the door open and walked in.

In the room, Nalan Wushuang lay there quietly, still in a coma, but his face was much better.

call!

At this moment, Gone walked slowly and looked at Nalan Wushuang quietly, without any emotional fluctuations in his tone, and said slowly: "Girl, killing you, an unarmed and weak woman, is not the deity's will, but the situation forced it. I can only sacrifice you."

The

last word fell, and Gone was urging energy, and he was about to start.

Bang bang bang...

But at this critical moment, a knock on the door suddenly sounded outside, and then a pleasant voice came: "Sister Wushuang, are you awake?"

"Medicine Hailinger.

is her?"

Despite the door, when he heard the voice, Hai Linger's figure instantly appeared in Gone's mind. You must know that Hai Linger was caught by the Sea Dragon Palace and interrogated Hai Linger on the spot in Zhaixinglou, so she was no stranger to her.

What is this girl doing?"

For a time, Gone's figure flashed, and he hid in the doorway, his mind was turning quickly.

Outside the

door.

Seeing that no one responded, Hai Linger bit her lip lightly, hesitant.

It seemed that Nalan Wushuang had not woken up yet.

Muttering in her heart, Hai Ling'er was about to turn around and leave, intending to come back the next day, but then she thought, since she's here, she'll leave the medicine pill behind before leaving.

After making up his mind, Nalan Wushuang gently opened the door.

Squeak!

As the door was pushed open, Gone, who was hiding behind, frowned, and countless thoughts flashed in his mind.

This Hai Ling'er, who doesn't come sooner or later, comes at this time.

Well, then I will send you on the road with this Nalan Wushuang. At this time, Hai Linger

didn't know that the danger was approaching. She entered the room and looked at Nalan Wushuang, who was lying there, and called out softly, "Sister Wushuang?"

Determine if Nalan Wushuang is really still in a coma in public. I wanted to take a closer look.

hum!

However, at this moment, Gone, who was hiding behind the door, had a cold look in his eyes, and without hesitation, he raised his right palm and slapped Hai Linger's back ruthlessly.

Feeling the danger coming from behind, Hai Ling'er trembled, instinctively wanting to dodge, but it was too late.

boom!

Hearing a dull sound, Hai Ling'er's heart was shattered directly. At that time, a mouthful of blood spurted out, and she fell to the ground softly and fainted.

With one move, Gone's mouth twitched with cruelty, and then quickly walked towards Nalan Wushuang.

WOW...

It was just that before Gogone could start again, not far outside, a group of Tianmen patrol disciples rushed over.

"There is movement here!"

"It seems to be Miss Nalan's room."

"Go, go and see..." The voice of the conversation came, and the footsteps were getting closer.

In the face of this situation, Gogone took a deep look at Nalan Wushuang who was still in a coma: "You are lucky girl." After saying that, Gogone quickly left the room and disappeared into the night without any hesitation.

As soon as the forefoot left, several Tianmen patrol disciples rushed over.

What?

When they arrived in the room, these disciples were stunned when they saw the scene in front of them.

He saw that Hai Ling'er fell to the ground, dying, and there was blood on the ground next to her.

"Oops, something happened to Miss Ling'er."

"Hurry up, hurry up and call someone..."

It was at this moment that Nalan Wushuang faintly woke up amid the noise.

Um?

The moment he opened his eyes and saw the scene in front of him, Nalan Wushuang frowned and was stunned.

Several Tianmen disciples stood there with anxious expressions. On the ground, Hai Linger lay there with her eyes closed, not knowing whether she was dead or alive.

what's the situation?

While muttering in his heart, Nalan Wushuang scolded angrily: "Hey, what are you doing here?" He was also a lady, and these Heavenly Sect disciples, breaking into their room late at night, were really rude.

Whoa!

Before a few Tianmen disciples could respond, Yue Wuya, as well as Yue Feng and Wen Chou Chou, all rushed over when they learned of the situation.

Swish!

Entering the room and seeing the scene in front of him, both Yue Feng and Wen Chou Chou were all shocked.

“Ling’er!”

At the same time, seeing Hai Ling’er lying on the ground, Yue Wuya let out a howl as if going crazy, and ran over to hold Hai Ling’er in his arms.

At this time, Yue Wuya clearly felt that Hai Linger’s heart was shattered, her breath was extremely weak, and her life was in danger at any time.

“Linger, Linger, don’t scare me.... Open your eyes...” Yue Wuya collapsed instantly, her voice choked, and her heart was cut like a knife.

Swish!

The next second, Yue Wuya looked up and locked Nalan Wushuang tightly: “Nalan Wushuang, you are a woman with a heart like a snake, Linger kindly gave you medicine, but you killed her, are you still human?”

When he spoke, Yue Wuya’s eyes were blood red, and his anger was burning.

In his heart, Hai Linger was seriously injured by Nalan Wushuang. After all, Nalan Wushuang had always hated Hai Linger.

“You...”

In the face of this situation, Nalan Wushuang’s mind went blank, but he quickly reacted and shouted: “Yue Wuya, are you a mad dog? If you catch someone, you will be bitten? Your woman was injured. , who cares about me?”

Nalan Wushuang at this time was very angry, and he was slandered just after waking up, which is really inexplicable.
