

## The ultimate husband in Chinese chapter 5691-5700

Soon, Sun Dasheng reacted and glared at Xiang Liu: "Who are you? If you dare to do something to Tianmen disciples, is your life too long

?" "Did you sneak into Haitang Garden and hurt people before?

" Xiangliu didn't panic at all with the momentum of Sun Dasheng, and asked instead, "Who are you?"

"Huaguoshan Sun Dasheng." Sun Dasheng responded coldly.

Sun Dasheng?

Hearing this, Xiang Liu narrowed his eyes slightly and said disdainfully: "It seems that you are not from Tianmen, you are here to meddle with your own business."

After saying that, Xiang Liu looked back at the hole and smiled evilly: "What? You have also taken a fancy to those two Tianmen female disciples, and want to enjoy the tenderness? No hurry, I will give it to you after I enjoy it."

Although the other party has the opening axe, Xiang Liu is not panic at all.

Mad!

Hearing this, the anger in Sun Dasheng's heart rose, staring closely at Xiang Liu, and sneered: "Very good, the tone is very crazy. Today, I will kill you scum to eliminate the evil in the rivers and lakes."

Om!

The voice fell, and a powerful breath permeated from Sun Dasheng, then suddenly raised his hand and hit Xiangliu with a palm!

In the eyes of Sun Dasheng, although Xiangliu in front of him is not weak, he is not qualified to use the Heaven-Opening Axe.

"It's good."

Seeing Sun Dasheng burst out, Xiang Liuxie laughed, without any intention of retreating, suddenly raised his hand and greeted Sun Dasheng.

boom!

At the moment when the two palms collided, a loud noise erupted, and at the same time a tyrannical fluctuation of internal force swept the audience!

With the powerful aura fluctuating, they saw that Sun Dasheng and Xiang Liu were both groaning, and then they were shaken back a dozen steps.

Obviously, no one took advantage of this palm!

Ma De...

But Sun Dasheng's heart was secretly shocked. You must know that his current strength has reached the late stage of Tribulation Transcendence Realm, and the palm just now used 90% of his power, but in the end, he was actually with this The woolly ugly guy, the tie...

This person has never been seen before. Could it be.... was also sent from other continents like that Prince Aotian and Liu Ruxue?

"It's kind of interesting..."

At this time, Xiang Liu reacted and said coldly, and then his figure flashed and rushed towards Sun Dasheng again!

Sun Dasheng snorted coldly, but he was also not afraid. He clenched the open axe and went up to meet him, fighting with Xiangliu in the air.

Bang bang bang...

The figures of the two sides are in mid-air, constantly shuttle back and forth. Every time they collide, a terrifying aura fluctuates.

In the blink of an eye, the two sides fought fiercely for more than a dozen rounds, and no one could do anything about the other.

"Bad me and good things, you will die for me." After a

long battle, Xiang Liu suddenly became anxious, a trace of viciousness flashed in his eyes, the last word fell, and a dark green light suddenly appeared all over his body.

Kazaza...

The next moment, along with the sound of bones rubbing against each other, Xiang Liu's figure gradually grew larger, revealing the true body of a nine-headed python.

The moment the real body was revealed, the temperature around Xiang Liu quickly dropped several degrees.

hiss...

At this moment, whether it was Dasheng Sun or the rest of the Sea Dragon Palace who were injured just now, they all felt a chill, and their eyes widened!

“This...what’s the situation?”

“How did the boss become a hydra...”

“Could it be that the boss itself is a spirit snake?” During the

discussion, the rest of the Sea Dragon Palace were stunned and secretly stunned. Breathe in the cold air.

Phew...

At the same time, Sun Dasheng stared at the behemoth in front of him, his heartbeat accelerated and he was shocked.

No wonder it always felt wrong, it turned out that the other party was not human at all.

“If you can force me to show my true shape, you can be considered dead.” At this time, Xiang Liu’s nine heads spoke at the same time, and the moment the voice fell, the long snake tail suddenly swung over.

Huh...

In an instant, wherever the snake’s tail passed, a strong wind whistled with astonishing power.

At this moment, Sun Dasheng didn’t have time to dodge, but he didn’t panic at that time, and quickly blocked the opening axe in front of him.

boom!

The tail of the snake was slammed on the opening axe, and Sun Dasheng only felt an overwhelming force coming from the mountains. At that time, he groaned and was knocked back dozens of steps. His face was red as blood, and his body was churning.

## **The ultimate husband in Chinese chapter 5692**

However, Sun Dasheng is the ultimate powerhouse in Kyushu, and he quickly stabilized his figure.

“After a long time, it turned out to be a strange snake, just because you want to hurt me?” Said coldly, Sun Dasheng clenched the sky-opening axe and held the top of his head high.

hum!

In an instant, the spiritual energy of heaven and earth within a thousand meters around him gathered frantically towards Sun Dasheng. The terrifying power filled the world, and the rest of the Sea Dragon Palace lying around felt a suffocating pressure.

“Quick, join hands to deploy a protective film!” In the

next second, I don’t know who shouted, and several remaining members of the Sea Dragon Hall joined forces to deploy a protective film in front of them to resist the powerful pressure of Sun Dasheng.

laugh!

At this time, Sun Dasheng used the Heaven-Opening Axe to absorb the spiritual energy of heaven and earth, without hesitation, he suddenly waved towards Xiang Liu, and in an instant, a dazzling hurriedly ripped apart the world.

This kid... unexpectedly can flexibly use the power of the opening axe.

Xiang Liu’s eyes were full of astonishment, and he wanted to avoid his edge at the time, but his real body was too big, like a hill, and he couldn’t avoid it at all.

“Boom!” In the

blink of an eye, Jin Mang slashed at Xiang Liu, and a deafening roar erupted!

As soon as I saw Xiang Liu screamed, a blood opening more than ten meters long was cut out on the huge body, and the blood was sprayed, like a rain of blood.

Sun Dasheng’s eyes were blood-red, and he clenched the sky-opening axe tightly, chasing after victory: “A wicked animal, dare to be presumptuous in front of my Dasheng Sun, go to hell.” The

voice fell, and the figure rose into the sky, slashing towards Xiang Liu’s nine heads. .

chi chi chi...

However, at this moment, Xiang Liu, who was originally sluggish and weak, suddenly flashed a cold light in his eyes, and then the nine heads opened their mouths at the

same time, and sprayed out a green venom, the venom formed a poisonous mist in the air, and instantly Sun Dasheng shrouded.

In an instant, Sun Dasheng's clothes were quickly corroded, and there were bursts of burning pain on his skin.

“Ah...”

Under the severe pain, Sun Dasheng let out a tragic howl, and then fell from the air, his eyes darkened for a while, and finally passed out.

The venom that Xiang Liu spewed out was extremely poisonous, even if Sun Dasheng reached the Tribulation Transcendence Realm, he couldn't bear it.

“Jie Jie...”

At this moment, Xiang Liu let out a sneer: “How dare you yell at me with this little strength?” The voice fell, and the snake head in the middle opened its bloody mouth and suddenly bit towards Sun Dasheng.

The man in front of him is very powerful, and if he combines his power, he will definitely increase his strength.

More importantly, he also got a peerless magic weapon.

Buzzing....

However, just at this critical moment, there was a burst of breath fluctuations in the sky not far away.

Xiang Liu stopped moving, looked at it subconsciously, and was stunned for a moment.

I saw hundreds of figures flying quickly, headed by a man and a slender woman. Men are gentle and elegant, women are sexy and charming.

It was Sun Dasheng and Su Qingyan.

A few minutes ago, Dasheng Sun and Su Qingyan were unsuccessful in their search for the murderer, so they returned to Haitang Garden one after another. When they learned that there was news on Dasheng Sun's side, they immediately brought people over.

This....

very soon, when they got to the front, Wen Chou Chou and everyone were shocked.

I saw that, at the entrance of the cave in front, a huge nine-headed python was coiled, and the whole body was filled with a horrible and evil atmosphere.

On the ground in front of him, Sun Dasheng was lying there, his face blue and unconscious.

“It’s him...”

Su Qingyan also trembled, and couldn’t help exclaiming.

Wen Chou Chou reacted and hurriedly asked, “Brother and sister, what’s the matter?”

Su Qingyan sighed lightly, bit her lip, and then fell into the abyss with Liu Ruxue, and then encountered Xiang Liu’s incident, quickly said it.

At the end of the story, Su Qingyan couldn’t hide her anger and fear: “Brother Wen, this Xiang Liu is very sinister and vicious. It seems that the Great Sage has been poisoned by him, so let’s be careful.”

Shah.

Hearing this, Wen Chou Chou took a deep breath and stared at Xiang Liu in mid-air, without hesitation at the time: “Everyone take the Qingling Pill and take down this evildoer together.

” The effect of poison is something that every Tianmen disciple carries.

## **The ultimate husband in Chinese chapter 5693**

swish...

Hundreds of Tianmen disciples who followed after hearing the order took out the Qingling Pill on their body and took it, and then burst out, rushing directly towards Xiangliu!

These disciples are all elites of Tianmen, and none of them are weak. At this time, they erupted together, and the sky was distorted, and the momentum was amazing.

Mad, here comes another gang to die.

Seeing this scene, Xiangliu didn’t panic at all, and gave Su Qingyan a deep look, and said with a smile: “Little lady, we are really destined. When I kill these prisoners, let’s catch up.”

When the last word fell, Xiang Liu’s eyes flashed with ruthlessness, and the snake’s tail was suddenly thrown out.

Bang bang bang...

Xiang Liu's snake tail is more than 100 meters long, lightning fast and thunderous, and the hundreds of Tianmen disciples were swept away before they rushed to the front. in a pool of blood.

Mad!

Seeing this scene, Wen Chou Chou's face instantly became solemn.

This monster is so powerful that if he doesn't get rid of him today, I'm afraid there will be endless troubles.

Thinking to himself, Wen Chou Chou did not hesitate at all, pulled out his long sword, flew up, and went straight to Xiang Liu.

"Brother Wen, I'll help you."

Su Qingyan, who was beside her, also trembled, jumped up, and rushed towards Xiang Liu together with Wen Chou Chou.

When they were in midair, Wen Chou Chou and Su Qingyan released their inner strength, and in an instant, the whole sky seemed to be shattered.

This chapter is provided by . Visit for daily update.

hum!

The next second, the two raised their hands, and a terrifying force instantly condensed. Finally, a ball of power light was condensed.

The ball of light is dazzling, like a scorching sun.

Feeling the power of the ball of light, Xiang Liu changed color in shock. The previous fierce battle with Sun Dasheng had already consumed a lot of strength. At this time, facing Wen Chou Chou and Su Qingyan joining forces, he naturally did not dare to resist.

Panicked, Xiang Liu wanted to dodge, but it was too late.

"Boom!..."

In an instant, the ball of light slammed into Xiang Liu, and a roar was heard. Xiang Liu spat out a mouthful of blood, and his huge body flew out.

Swish...

At this moment, Wen Chouchou and Su Qingyan looked at each other without any hesitation, their inner strength exploded, ready to give Xiang Liu a fatal blow.

At this time, Xiang Liu, how could he still have the courage to fight again, the blood mouth of the nine heads opened, and a poisonous mist was sprayed out again.

Seeing this situation, Wen Chou Chou and Su Qingyan quickly retreated to avoid the area filled with poisonous smog.

Taking advantage of the opportunity, Xiang Liu changed into an adult form, turned around and ran, and in less than a breath, the figure had disappeared from everyone's sight.

call!

Su Qingyan hurriedly stomped her feet: "Damn, let this beast run away again."

Wen Chou Chou also had a gloomy face, but still spoke to comfort: "It's been badly damaged, and it won't run far, let's take a look at the big one first. How's the saint."

Hearing this, Su Qingyan nodded, then greeted everyone, and quickly returned to Haitang Garden with Sun Dasheng.

.....

On the other side, behind the Wudang Mountain is a stone prison.

Gogne leaned against the corner, although his body was covered in scars, his expression was extremely calm.

As the supreme being of the demon race, Gone's demon body has a very strong self-healing power. These skin injuries can be healed in less than half a day.

Squeak!

Just when Gone closed his eyes and rested, he heard the door of the prison being gently pushed open, and then, a figure flashed in quickly.

Um?

Hearing the movement, Gone quickly opened his eyes, and when he saw the person coming, he was stunned.

It is Prince Aotian.

What is this kid doing?

Seeing Prince Aotian, Gone couldn't hide the contempt in his eyes, and said coldly: "Don't think that if you catch me, you will control everything, I will do what I say, and within a day, I will destroy Wudang."

Hehe. ..

Hearing this, Prince Aotian couldn't help laughing, and said slowly: "You don't need to remind me, I know you have this ability."

Gone frowned, staring at Prince Aotian: "What do you mean? ?"

Prince Aotian shrugged: "Others don't know your true identity, I know very well that you are the supreme demon clan, and destroying a Wudang faction is just an easy thing."

What?

Gone's expression changed: "You are not Ye Yun, who are you?"

## **The ultimate husband in Chinese chapter 5694**

He hides so deeply, it is impossible to be seen through.

What's more, the real Ye Yun has no such ability.

Hehe....

Feeling Gone's surprise, Prince Aotian smiled slightly: "I won't hide it until now, I am the eldest prince of the royal family of the Divine Realm, Aotian."

Aotian?

Gone's eyes flickered, and he said lightly, "Son of the Nine Heavens God?"

Prince Aotian nodded.

At this moment, Gone suddenly felt in his heart, no wonder, when he fought against Wudang Seven Swords before, this kid saw his weakness.

Thinking to himself, Gone said coldly: "Why are you looking for me late at night?"

"Gonie!"

Prince Aotian took a step forward slowly and looked at Gone seriously: "Mingren don't speak secretly, you hide Identity, hidden in the Nalan family, the ultimate purpose is nothing more than to revitalize the demons and have a place in the realm of the gods"

“And like you, I failed to compete for the throne of the emperor, and now I am in such a situation, I am really unwilling, if you and I are united. If you do, you will get twice the result with half the effort. When the time comes, you will help me win the throne of Heavenly Emperor, I will give you what you want, and everyone will get what they need, how about that?”

After saying this, Prince Aotian looked closely at Gone, flickering with anticipation. .

Prince Aotian stared closely at Gone, waiting for his response, his eyes flashing with excitement and anticipation.

call!

Hearing these words, Gone sighed secretly and couldn't help but chuckle: “Why should I cooperate with you? With your current situation, how can you help me?”

His tone was indifferent, revealing a trace of mockery.

Feeling Gone's attitude, Prince Aotian was very angry, but he held back and said with a smile: “I know you don't value my strength, but you have to be clear, now the God King Haotian is carrying tens of thousands of The elite soldiers are in Kyushu. As far as I know, they are now looking for your whereabouts.”

“Once you let him find you, I don't need to say what the result will be.”

“You threatened me.” Gone frowned secretly. , his eyes showed a hint of coldness.

Prince Aotian did not panic at all, and said lightly: “What I said is the truth. Although you are powerful, you can't stop the God King Haotian and so many divine soldiers. Therefore, you need an ally now.

” I am the royal family of the God Realm, and I was originally at odds with your demons, but I am different from the late emperor and my younger brother Ao Lin. The gods and demons are of the same origin, so why do we need to kill them all?”

“I came here with sincerity. Your Excellency think hard. Think.”

After saying the last sentence, Prince Aotian stood quietly by the side, waiting for Gone's response with a half-smiling smile.

Of course, he didn't really want to cooperate with Gone, he just wanted to use Gone to deal with Yue Feng.

call!

Gone pondered for a moment, finally heaved a sigh of relief, and said slowly: "Okay, how do you want to cooperate?" When he said this, Gone's expression was indifferent, but his eyes flashed gloomily.

As the Supreme Being of the Demon Race, Gone could see at a glance that Prince Aotian was not really cooperating.

However, with Gone's current situation, dealing with the God King Haotian and Yue Feng alone, is still a little powerless. At this time, Prince Aotian took the initiative to take the initiative. Although there is a risk, it is not a bad thing.

Haha...

Seeing that Gone finally agreed, Prince Aotian showed a smile, and then he gritted his teeth secretly: "Naturally, I will deal with Yue Feng first, and I will integrate his divine power to reshape Yuanshen."

When he thought of being restrained in front of Yue Feng before, Prince Aotian became angry.

Integrate the divine power of Yue Feng?

Hearing this, Gone was stunned, and then nodded approvingly: "Okay, this deity can help you." The culprit was Yue Feng when the demons were destroyed. , naturally supported.

In the next few minutes, the two sides negotiated, and then Prince Aotian took advantage of the night to quietly let Gone go.

.....

At this moment, on the small road under Wudang Mountain.

Yue Feng and Xiao Xi finally arrived at the entrance of the mountain road after several hours of flight.

He saw that at the entrance of the mountain road, there was a stone tablet with the words "Stop your honored guest, untie your sword and go up the mountain."

Seeing this scene, Xiao Xi couldn't help but pouted and muttered, "This Wudang sect is really powerful. Anyone who comes will have to untie the sword, just like the leader of the martial arts alliance."

## **The ultimate husband in Chinese chapter 5695**

Yue Feng smiled and was about to speak, but at this moment, a scolding came from above the mountain road.

“Who? Stop!”

Immediately afterwards, I saw several Wudang Sect disciples rushing down, each with vigilance in their eyes.

The leading disciple was named Lin Hua, who arrived in front of him at this time, looked at Yue Feng and Xiao Xi up and down, and said in an arrogant tone, “Wudang faction is forbidden to rush in, and those who come here sign up.”

Phew!

Yue Feng didn't care about Lin Hua's attitude, and smiled at the time: “Yue Feng, Wudang, specially came to visit the real person Lingyu, please guide

a few people.” The voice fell, and Xiao Xi added: “Heaven's door is the suzerain.”

Yue wind?

Hearing this, whether it was Lin Hua or the other Wudang disciples around, their expressions changed.

Tianmen just got the news that the Nalan family sent someone to Donghai City to ask for the support of Tianmen. From the Wudang faction's point of view, Tianmen and the Nalan family had already formed an alliance. At this time, Yue Feng suddenly visited and had to be guarded.

At this moment, Lin Hua shouted: “Yue Feng, your Tianmen and the Nalan family are united, and you still dare to come to our Wudang?”

Uh...

Facing this situation, Yue Feng smiled bitterly: “Don't get excited, everyone, I came here because of the grievances between you Wudang and the Nalan family, and my Tianmen is not allied with the Nalan family.”

However, Lin Hua didn't believe it at all, and said coldly, “Hehe, who knows your real purpose, in short, We Wudang are not accepting guests now, you can go.”

An hour ago, Gognie, as a disciple of the Nalan family, made a scene in Wudang and severely damaged the real person of Lingyu, which made Wudang disciples very angry. When he arrives at Yue Feng, he will naturally not have a good face.

This chapter is provided by . Visit [for](#) daily update.

Holy crap...

In the face of this situation, Yue Feng couldn't help laughing and crying.

At this time, Xiao Xi couldn't stand it anymore and couldn't help but say, "You guys are really rude in Wudang, is this how you treat guests?"

"Please leave." Lin Hua was too lazy to talk nonsense, and his attitude was cold.

"What's going on here!"

At this moment, a voice sounded from the mountain, and then, Prince Aotian slowly walked down. After letting Gone go just now, Prince Aotian came out for a walk, thinking about how to make up a reason to explain it to Spiritual Master Lingyu. Unconsciously, I came to the front mountain.

"Senior Brother Ye Yun!"

Seeing Prince Aotian, Lin Hua quickly greeted him politely. You must know that Ye Yun is Ye Xuan's son, and he has a detached position in the Wudang faction, and is not comparable to Lin Hua at all.

Prince Aotian nodded, and when he saw Yue Feng and Xiao Xi, he was shocked.

Yue Feng? Has he come to Wudang?

For a time, Prince Aotian was shocked, but soon, he calmed down, and his heart was a little excited.

Just after the alliance with the Supreme Demon Race, this Yue Feng was sent to the door...

Thinking to himself, Prince Aotian cupped his hands at Yue Feng, and said politely: "It turns out that Sect Master Yue is here, and Ye Yun, there are some Siyuan welcome."

"You're welcome!"

Yue Feng nodded with a smile, then looked up and down Prince Aotian, applauding in his heart.

This is Ye Yun, and it is indeed a talent, no wonder Nalan Xinran can secretly promise...

After a few polite words, Prince Aotian pretended to be very angry and accused Lin Hua and others: "Sect Master Yue is a hero of Kyushu, Great benevolence and righteousness, how can you be so rude?"

Hearing the scolding, Lin Hua retreated to the side.

Prince Aotian stopped talking nonsense, and sincerely invited Yue Feng and Xiao Xi to go up the mountain.

A few minutes later, Yue Feng and Xiao Xi were taken to the main hall. At the same time, the real person Lingyu, who had been healing in the room, learned that Yue Feng was coming, and hurried to the main hall to meet him.

“Real man!”

Seeing the state of the real person Lingyu, Yue Feng was stunned and couldn't help asking: “Why is the breath so weak, what happened?” Yue Feng clearly felt that the real person Lingyu was severely injured, and not badly injured.

Ugh!

Spiritual Master Lingyu sighed and said very ashamedly: “Ashamed to say, a person named Nie Zhan came to make trouble, this person is a new direct disciple of Nalan Hongzheng, and Pindao fought against him and was accidentally beaten. hurt.”

What?

Hearing this, Yue Feng was stunned for a moment, and looked at Xiao Xi, both of them extremely surprised.

## **The ultimate husband in Chinese chapter 5696**

The

dignified head of Wudang was injured by a young man who just joined the Nalan family? You must know that the real person Lingyu is very strong, and the pure Yang internal force has reached the transformation realm. Even if Nalan Hongzheng comes, I am afraid it will be difficult to win, but as a result, a direct disciple who has just accepted will severely damage the real person Lingyu... .

Really incredible.

call!

Finally, Xiao Xi took a deep breath, took the lead in reacting, and asked the real person Lingyu curiously: “This is called Nie Zhan, how strong is this.”

The real person Lingyu shook his head: “The opponent's strength is unfathomable, And it is not the practice of the Nalan family, which the poor have never seen before.”

This is interesting.

Hearing this, Yue Feng frowned, only feeling that the matter was getting more and more complicated.

A young man who newly joined the Nalan family was able to inflict heavy damage on Spirit Jade Daoist, and he didn't use the Nalan family's exercises...

Thinking to himself, Yue Feng asked, "This is Nie Zhan, Where does it come from?"

Spiritual Master Lingyu looked at Prince Aotian who was standing beside him: "Ye Yun, you have been to the Nalan family a few days ago, do you know the origin of this Nie Zhan?"

Shuh!

At this moment, the eyes of Yue Feng and Xiao Xi suddenly converged on Prince Aotian.

Prince Aotian sighed secretly and said lightly: "As far as I know, this Nie Zhan joined the Nalan family half a month ago. As for the origin, I'm not very clear."

Hearing the answer, Yue Feng was a little disappointed.

This chapter is provided by . Visit for daily update.

At this moment, the real person Lingyu thought of something, and said to Ye Yun: "Ye Yun, you told me before that the one who really killed Nalan Shinichi was this Nie Zhan, he deliberately framed you, and wanted to cause Nalan to be with Wudang. Is the faction's battle real?"

At this time, Yue Feng was present, it would be best if he could analyze the cause and effect of the matter. After all, Yue Feng is a famous hero in Kyushu. Knowing the truth, he will definitely act impartially.

This...

Prince Aotian scratched his head and made a guilty conscience: "Sect Master, I... I was not angry before, so I deliberately said that."

"In fact, I also I don't know who the murderer is."

After speaking, Prince Aotian lowered his head, not daring to look at Spiritual Master Lingyu, but there was a hint of cunning in his eyes.

If he didn't know that 'Nie Zhen's true identity was Gone, Prince Aotian would definitely tell the truth, but he had just formed an alliance with Gone, so naturally he wouldn't tell Yue Feng the truth.

"You..."

Immortal Lingyu was very speechless at this instant, looking at Prince Aotian and rebuking: "It's a big deal, how could you talk nonsense before?" As he spoke, he coughed violently.

He was severely injured by Gone before, and the real Lingyu was very weak. At this time, the situation was getting worse.

"I know I was wrong." Prince Aotian pretended to be ashamed. Yue Feng also hurriedly said, "Don't be impatient, Daoist Master,

Young Master Ye Yun suffers an unjust injustice. It is understandable to do this deliberately. You can extinguish the fire."

Feng hadn't noticed what was wrong with him.

Hearing the consolation, the real Lingyu waved his hand, indicating that he was okay.

"Master!"

At this moment, a disciple guarding the door walked in quickly and respectfully said, "The medicine for healing should be ready, I'll bring it in for you."

Spiritual Master Lingyu nodded.

The disciple did not neglect, turned around and left the hall.

"Real people!"

At this time, Yue Feng thought for a while, and said slowly: "Can you tell me the details of your fight with that Nie Zhan?" With a keen intuition, Yue Feng guessed that the whole thing and this The person named Nie Zhan is inseparable from the relationship.

Lingyu real person nodded, and then explained in detail the situation of the two sides fighting at that time.

Swish!

In an instant, Yue Feng's complexion changed suddenly after learning about it.

When the other party raised his hand, a bloody light erupted... This is clearly the power of the demon soul of the demon race.

Could it be... this Nie Zhan has something to do with the missing Gogne?

Oops...

At this moment, seeing the change in Yue Feng's expression, Prince Aotian was secretly anxious.

Yue Feng must have guessed the true identity of 'Nie Zhen', and he must find a way... If Gogne's whereabouts are revealed, his identity cannot be hidden.

## **The ultimate husband in Chinese chapter 5697**

Just when Prince Aotian was secretly anxious, Master Lingyu slowly opened his mouth and said, "Sect Master Yue, where do you think this person named Nie Zhan came from?"

Yue Feng thought about it and smiled: "No Well, if I can, I would like to meet this Nie Zhan." No matter who the other party is, you can see the clue when you meet him.

Fortunately, although the real Lingyu was injured, the Wudang faction also caught Nie Zhan.

Ok!

Spiritual Master Lingyu nodded in agreement: "Of course, but Yue Zongzhu waited for a while, waited for the poor Dao to take the medicine, and then took you to the Houshan Stone Prison."

Yue Feng responded and agreed.

Seeing this situation, Prince Aotian was so anxious that Gogne had been let go. When the real Lingyu took Yue Feng to the stone prison, he would definitely doubt if he didn't see Gogne.

Got it!

In a hurry, Prince Aotian thought of something, and hurriedly took a step forward and said to Spiritual Master Lingyu: "Master Master, I'll help you with the medicine." After speaking, he walked out of the hall quickly.

Lingyu Master and Yue Feng didn't notice Prince Aotian's strangeness, and they continued to chat when they saw him go to take medicine.

.....  
On the other side, after Prince Aotian left the main hall, he walked straight towards the pharmacy behind.

Soon after entering the room, I saw the disciple who had left before, who was standing in front of the fire to boil medicine, watching the fire intently.

“Senior Brother Ye Yun.”

Seeing Prince Aotian coming in, the disciple quickly greeted him politely.

This chapter is provided by . Visit for daily update.

Prince Aotian walked over with a smile: “You go to rest, and I will deliver medicine to the head master later.”

“Isn’t this a bit inappropriate...”

The disciple hesitated and said, “Taking care of my master has always been my job, how can I trouble my senior brother?” You know, Ye Yun has a high position in Wudi and never does anything Such a little thing.

Prince Aotian shook his head, with a serious expression on his face: “Why is it inappropriate, the master of the sect treats me well, it is reasonable for me to help him with the medicine, let’s go.”

Seeing him say this, the disciple nodded. : “Okay, then it’s hard work, senior brother.” After saying that, he bowed his hands to Prince Aotian, and then turned to leave the prescription.

As soon as his forefoot left, Prince Aotian, who was originally smiling, turned gloomy in an instant.

The next second, Prince Aotian looked around, and from a shelf not far away, he took a few stalks of Heart-Eating Grass and threw them into the medicine jar. Heart-Eating Grass is extremely poisonous and has always been an auxiliary material for alchemy. If it is taken alone, Easily fatal.

The purpose of Prince Aotian is very simple. Mix the heart-eaten grass into the decoction and count the time. After taking it, Lingyu real person will not die on the spot. It will only happen when he enters the stone prison with Yue Feng.

In this way, Yue Feng can’t get rid of the relationship, and he can even put Nie Zhan’s charge on his head.

After a while, the soup was ready, and Prince Aotian carefully poured it into the bowl and brought it to the hall.

“Sect Master.”

When he got to the front, Prince Aotian showed a docile and filial attitude: “The soup is ready, I see that Junior Brother is a little tired, so I will help him and let him rest.”

Hmm!

Spiritual Master Lingyu nodded approvingly: “Okay, you have your heart.” Then he took the soup and drank it.

After drinking the soup, Spiritual Master Lingyu stood up and said politely to Yue Feng, “Sect Master Yue, Pindao will take you to meet that Nie Zhan.”

Having said that, the real person Lingyu did not forget to instruct Prince Aotian: “Ye Yun, don’t follow, strengthen the guard of the mountain gate, and strictly prevent anyone from breaking into the mountain.” He knew whether Nie Zhan had any accomplices, so he had to be careful.

“Disciple understands.” Prince Aotian responded quickly, with respect on the surface, but a bit of gloom in his eyes.

Lingyu real person, don’t blame me for being cruel.

In order to deal with Yue Feng, I poisoned you, and if you want to blame it, you have to blame yourself for your bad luck.

Master Lingyu didn’t notice Prince Aotian’s strangeness, and after explaining a few more words, he took Yue Feng and Xiao Xi to Houshan Stone Prison.

“Daoist!”

After exiting the hall, Xiao Xi thought of something, and asked curiously at Spiritual Master Lingyu: “You said before that it was the seven masters who joined forces to defeat that Nie Zhan. who is that?”

## **The ultimate husband in Chinese chapter 5698**

Ha ha!

Hearing the question, Ling Yuzhen smiled and couldn’t hide the pride on his face: “These seven ancestors, like Sect Master Yue a hundred years ago, were the most famous people in the world...”

Then, He explained the deeds of the Wudang Seven Swords in detail.

At the end, the real person Lingyu said slowly: "Later, in order to understand the highest realm, the seven masters and uncles have been retreating in the back mountain, and it was not until today that Nie Zhan made a big noise in Wudang, and they were able to show up. There are very few people."

"So it is."

Knowing the situation, Xiao Xi nodded suddenly.

Yue Feng also listened to the secret admiration, but he did not expect that the Wudang faction still hides such a master.

Thinking to himself, Yue Feng opened his mouth and said, "If you have the opportunity, you must visit these seven seniors." From the previous narration of Lingyu Daoist, Yue Feng guessed that this Nie Zhan was using the power of the powerful demon soul. And Wudang Seven Swords can trap him by virtue of the sword formation, and his accomplishments in kendo are indeed extraordinary.

It would be a great pity if such a strong person could not get acquainted.

Haha...

Hearing this, Spiritual Master Lingyu couldn't help laughing: "Sect Master Yue is the hero of the world, a genius in the sky, and the seven uncles must be very happy to see you.

" Came to the stone prison entrance.

Ok?

At this moment, seeing that there was no one on both sides of the entrance, Spiritual Master Lingyu frowned secretly, feeling very unhappy.

The disciple guarding here is really outrageous, and he has neglected his duties. After Yue Feng leaves, he must check who it is, and he will be severely punished.

Thinking to himself, Lingyu's face did not fluctuate at all, and he said to Yue Feng: "Nie Zhan is locked inside, Sect Master Yue, please."

Yue Feng said politely: "After all, the Taoist priest is also my senior. , how can there be a reason for me to walk in front? Or the Taoist priest should ask first."

Hearing this, Master Lingyu smiled, and he was not polite at the time, so he walked in first.

Yue Feng and Xiao Xi followed closely behind.

What?

Arriving in the stone prison, seeing the situation in front of him, the expression of the real person Lingyu changed, and his mind was buzzing.

I saw that it was empty, with only a few scattered iron chains in the corner. Where is Nie Zhan's figure?

At the same time, Yue Feng and Xiao Xi also frowned secretly.

"Daoist!" In the

next second, Yue Feng couldn't help but ask: "Is there no one here?"

When he asked, Yue Feng felt complicated. This Lingyu real person will not deliberately lie to me. In his capacity, it seems that there is no need to do so.

Immortal Lingyu reacted and was about to respond, but suddenly his body trembled and his face became extremely pale.

"Cough cough..."

Immediately after, Immortal Lingyu coughed up a few mouthfuls of blood, fell directly to the ground, twitched violently, his pupils dilated, his face was hideous, and it was indescribably scary.

At this moment, Yue Feng and Xiao Xi were startled.

Especially Xiao Xi, hugged Yue Feng's arm tightly, and said in a panic, "Young Master, what's wrong with Daoist Master?"

Phew...

Yue Feng didn't answer immediately, but took a deep breath and hurriedly stepped forward to check the situation of the real person Xia Lingyu.

Immediately, Yue Feng's face was solemn: "The Taoist priest has been poisoned. Hurry up, go out and call someone."

Hearing the order, Xiao Xi nodded and ran quickly outside the stone prison, her delicate face full of anxiety: "Come on People, come here, something happened to the Taoist priest."

At the same time, in the stone prison, Yue Feng helped the real person Lingyu up and put divine power into his body in an attempt to save him, but the real person Lingyu was poisoned so deeply that there was no signs of improvement.

Wow...

Soon, hearing Xiao Xi's cry, many Wudang disciples rushed over and rushed into the stone prison.

Seeing the scene inside, these Wudang disciples were shocked.

I saw the real person Lingyu lying there, his skin was blue, his face was hideous, and he had already swallowed.

quiet!

For a while, the entire stone prison was dead silent.

Finally, a few seconds later, a disciple strode out and pointed at Yue Feng and shouted: "Yue Feng, you are really lawless. You actually killed our head and let the Nalan family go."

When speaking, the disciple's face was full of anger. It was Lin Hua who stopped Yue Feng at the foot of the mountain before.

Wow!

The words fell, and the surrounding Wudang disciples were instantly aroused, and they pointed at Yue Feng and shouted angrily.

"Yue Feng, what have you done to our Sect Leader?"

"The Sect Leader is dead, what is your explanation for Yue Feng?" When the crowd's anger came, Yue Feng frowned secretly, feeling very depressed.

Ma De, today's luck is too bad, this Lingyu real person is very good, why is it poisoned?

Thinking to himself, the scene of Emperor Aotian taking medicine appeared in Yue Feng's mind. Could it be him? No, he is a Wudang disciple, how could he harm his own head?

"You..."

Just when Yue Feng was thinking about it, Xiao Xi shouted angrily, "Don't spit your blood, the real Lingyu fell to the ground suddenly, and it has nothing to do with us."

"If we did it, will you still come out and call someone?"

When he said this, Xiao Xi's angry suburban trembled.

These Wudang sect disciples really don't understand the rules of etiquette, and they slander the young master without any evidence.

Facing Xiao Xi's coquettish shouting, the surrounding Wudang disciples were no longer noisy, but Lin Hua sneered: "If you didn't do it, then please explain, what happened to our head?"

"I..."

Xiao Xi opened her mouth, but didn't know how to answer.

After all, it happened so suddenly that there was no warning.

"No more to say?"

Seeing Xiao Xi's expression, Lin Hua decided that she was guilty, and said coldly: "Then let me tell you, your Tianmen has already formed an alliance with the Nalan family. This time, we came to Wudang to understand the situation, but in fact, we wanted to Murder our head."

At this time, Lin Hua's eyes were full of resentment.

A few years ago, Lin Hua was walking in the rivers and lakes, and he had a conflict with the disciples of Tianmen, so he was worried about it, so when he saw Yue Feng going up the mountain before, he would take aim everywhere.

The last word fell, and the Wudang disciples around, the anger in their hearts was ignited again, and they all pointed to Yue Fengkou and began to punish them.

"Senior Brother Lin Hua is right, you are the murderers."

"I didn't expect that Yue Feng, who is famous in Kyushu, would be such a despicable villain."

"Stop talking nonsense, take them down and avenge the leader.

"During the call, many Wudang disciples rushed up and surrounded Yue Feng and Xiao Xi.

Uh....

Facing this situation, Yue Feng wanted to cry without tears.

Nima, this is trouble.

Speaking of which, Yue Feng was also very angry at being slandered by the Wudang faction, and wanted to rush out with Xiao Xi, but if he did, wouldn't he admit his suspicion of being the murderer?

Depressed, Yue Feng looked around and said loudly: "Everyone calm down, I, Yue Feng, guarantee by my personality, the death of Lingyu Zhenren has nothing to do with me, he died suddenly of poison."

"This matter is very strange, but everyone can rest assured. , I, Yue Feng, will definitely help to find out the truth."

However, no one believed Yue Feng's explanation at all.

"Haha..." Lin Hua said with a gloomy smile: "Yue Feng, don't try to hide it. There are only you two here, there is no one else at all. The one who killed the head is you." When the

voice fell, someone found something. , shouted: "That Nie Zhan is gone too."

Shuh!

In an instant, everyone present immediately looked around the stone prison, and sure enough, there was no sign of Nie Zhan.

After discovering this, these Wudang disciples were even more convinced that Yue Feng secretly united with the Nalan family, and then came to Wudang to attack the real person Lingyu, staring at Yue Feng one by one, their eyes almost bursting with fire.

"Yue Feng, what else do you have to say now?"

"You let that Nie Zhan go, and then killed our head."

Facing the anger, Yue Feng burst into hair.

Mad, the situation is getting more and more complicated.

Xiao Xi was also very angry, and she was about to argue with Lin Hua and everyone, but before she could speak, she saw a figure separate from the crowd and walked in quickly.

It is Prince Aotian.

After the real Lingyu took Yue Feng and the two to leave the hall, Prince Aotian quietly followed behind to watch. When Xiao Xi called someone, Prince Aotian didn't show up.

At this time, seeing that the situation was out of control, he came out slowly.

"Sect Master!"

When he got to the front, Prince Aotian looked at Spiritual Master Lingyu lying on the ground, and came out of a very surprised look: "What happened?"

wake up..."

shouting, Tears also seemed to burst, and flowed non-stop.

Prince Aotian was very shrewd, and he knew very well in his heart that if he was like Lin Hua and the others, if he came up to accuse Yue Feng, he would definitely be suspected, and he would appear as if he had just learned of the situation.

I have to say that Prince Aotian is acting very similar. Seeing his sad face, the surrounding Wudang disciples feel even more heavy.

Yue Feng and Xiao Xi also sighed with a sad expression.

"Sect Master Yue!"

After crying for a while, Prince Aotian looked up at Yue Feng: "What the hell is going on? My sect master, why is this happening?"

Alas!

Yue Feng sighed and said very ashamedly: "The Taoist priest was poisoned, and the incident happened suddenly. I wanted to take treatment, but it was too late."

Then he explained the situation at that time in detail.

At this time, Yue Feng didn't know that Ye Yun in front of him was Prince Aotian, and what just happened was all his secret tricks.

After listening to Yue Feng, Prince Aotian nodded silently.

“Senior Brother Ye Yun!”

At this moment, Lin Hua on the side shouted with grief and indignation: “Yue Feng is fake, don't believe him, the murderer is him, he killed the head.”

The other Wudang disciples around, They all nodded in agreement.

This Lin Hua is good.

Hearing this, Prince Aotian was indescribably excited. With such a person helping to fuel the flames, he saved himself a lot of trouble.

With this in mind, Prince Aotian made a displeased look, stood up and scolded Lin Hua: “Lin Hua, Sect Master Yue is a hero of Kyushu, he is upright and upright, how could he do such a shameless thing? Act.”

Saying that, Prince Aotian looked around: “There must be something else hidden in this matter.”

Phew!

Seeing this scene, Yue Feng secretly breathed a sigh of relief. Fortunately, there are sensible people in the Wudang faction.

Thinking to himself, Yue Feng said to Prince Aotian: “I am deeply saddened by the unforeseen accident of the Taoist priest. Don't worry, I will definitely find out the truth.”

Prince Aotian smiled bitterly, looked at Yue Feng and said seriously. : “Sect Master Yue, I respect your character very much, and I believe that you will not harm the Sect Master, it's just...”

As he spoke, Prince Aotian turned his head: “When the Sect Master has an accident, only You and this girl are beside you, and that Nie Zhan has also disappeared. Therefore, please cooperate and stay in Wudang Mountain from now on, and when we find the real murderer, you will be cleared.

”, is reasonable, and cannot be refuted.

Prince Aotian knew very well that Yue Feng could not stay in Wudang Mountain all the time, so he deliberately said this, taking retreat as advance.

This...

Sure enough, upon hearing this, Yue Feng was stunned for a moment, and smiled bitterly: "The Daoist had something wrong in front of my eyes. I did. I can stay in Wudang to assist in the investigation, but Xiao Xi needs to leave."

Ya'er and Hai Ling'er are still on Shenlong Island, and they don't know what's going on. They can't leave, so let Xiaoxi go back.

"Sect Master Yue!"

Hearing this answer, Prince Aotian shook his head with a solemn expression: "I can't agree to this forgiveness, both of you are suspicious, and neither of you can leave."

Yue Feng frowned and did not respond.

However, Xiao Xi couldn't help it, and took a step forward: "What do you mean? Young master promised not to leave, you still want to put us all under house arrest?"

Seriously, Xiao Xi wanted to stay with Yue Feng. Here, but she also knew in her heart that Yue Feng was thinking about the situation of Yue Wuya and Hai Linger.

Facing Xiao Xi's dissatisfaction, Prince Aotian ignored it.

At this time, Yue Feng thought for a while, looked at Prince Aotian and said: "What if I insist on letting her go?"

Prince Aotian was waiting for these words, and his face sank immediately: "Since you don't cooperate, then I will also There is nothing to say."

Immediately, Prince Aotian looked around and said coldly: "Brothers, take down Yue Feng and the two." The last word fell, Prince Aotian hugged Lingyu's body and quickly exited the stone. prison.

Whoa!

At this moment, Lin Hua and the Wudang disciples who were present drew out their long swords and charged towards Yue Feng.
