Hu....

Seeing these Wudang disciples rushing up, Yue Feng did not panic at all, and said lightly: "Everyone calm down, I, Yue Feng, did not cooperate, nor did I want to leave Wudang, I just hope everyone can let go. She's gone." The

voice fell, Lin Hua glanced at Xiao Xi, and said coldly: "When we Wudang are all fools, let her go, so that she can go to rescue soldiers? Today, neither of you want to leave. "The

last word fell, Lin Hua clenched his sword tightly, and stabbed at Yue Feng first.

Yue Feng frowned secretly, and was too lazy to talk nonsense at the time: "Okay, then offend me."

Om!

The moment the words fell, Yue Feng's figure flashed, dodging Lin Hua's sword, and at the same time he waved his right hand and slapped it on the back of Lin Hua's sword.

At that time, Lin Hua only felt an overwhelming force coming, the long sword flew out of his hand, and the whole person staggered back a few steps, very embarrassed.

Yue Feng didn't want to meet Wudang's sword, so this palm just used 10% of his strength. Even so, Lin Hua was secretly shocked.

Is this the strength of Yue Feng?

Really strong.

Thinking to himself, Lin Hua's eyes flickered, and he shouted at the surrounding: "Everyone has seen it, this Yue Feng said that the death of the leader had nothing to do with him, but he started in a blink of an eye, there is clearly a ghost..."

Nima !

Yue Feng scolded secretly, a little dumbfounded.

Obviously it was you who moved first, but in turn, I said that it was not mine. Am I going to stand and let your sword slash at me?

wow....

A stone stirred up a thousand waves, and the surrounding Wudang disciples, who were originally mourning for the death of Lingyu Daoist, heard Lin Hua fan the flames, and they were completely angry.

Seeing this scene, Prince Aotian looked solemn, but his heart was filled with joy.

Haha...

The plan went surprisingly smoothly, but Yue Feng was speechless this time.

This time, he had to seize Yue Feng no matter what, and then fuse his divine power, wait until he had reshaped his primordial spirit, and cooperated with Gone to slay back to the realm of the gods and seize the throne of the Emperor of Heaven.

Excited in his heart, Prince Aotian also kept a bit of calm. He knew very well that it was impossible to stop Yue Feng with only Lin Hua and his disciples. The best way was to ask Wudang Qijian to take action.

Whoosh...

he made up his mind, Prince Aotian put the body of the real person Lingyu temporarily outside the stone prison, then pulled a Wudang disciple, and whispered: "Go and invite the seven master uncles, just say Nie Zhan's accomplices are here, not only killing the sect master, but also destroying the entire Wudang, hurry up..."

As he spoke, Prince Aotian glanced at the stone prison, flashing gloomy and cold.

As long as the Seven Swords of Wudang arrive, Yue Feng will not be able to fly. You must know that the sword formation formed by the Seven Swords of Wudang before, even the Supreme Being of the Demon Race, is helpless, and it is even more impossible for Yue Feng to break through.

"Yes, Senior Brother."

Hearing the order, the disciple nodded quickly, and then hurried to the secret room of Wudang Seven Swords Retreat.

At this moment, inside the stone prison.

Nearly a hundred Wudang disciples clenched their long swords and burst out in unison. They saw the sword qi vertical and horizontal, and Yue Feng's retreats were all blocked. The power was amazing.

Ugh!

Seeing that all these Wudang disciples lost their minds, Yue Feng was very helpless.

In an instant, a dazzling burst of urgency erupted, instantly shrouding the Wudang disciples who rushed up.

“Ouch...” The

next second, accompanied by a scream of pain, I saw nearly a hundred Wudang disciples being shaken to the ground, all of them pale, obviously without the strength to fight again.

In order to avoid further misunderstanding, Yue Feng did not kill the killer, otherwise, these Wudang disciples would have lost their lives.

“Yue Feng!” At this time, Lin Hua

, who was shocked at the door of the stone prison, shouted at Yue Feng with a look of grief and indignation: “I have inherited Wudang for thousands of years, so how can I allow you to be wild here?”

He screamed at the outside: “Come on, come and support...”

Buzz....

Hearing the call, the Wudang Mountain disciples in the entire mountain gate flocked.

Seeing this situation, Yue Feng didn't have time to think, did he pull Xiao Xi and rush out quickly, outside the stone prison, Yue Feng's tone was complicated: “Xiao Xi, you go back to Shenlong Island first, and I will deal with Wudang's affairs.”

Huh

....

Hearing this, Xiao Xi bit her lip tightly, hesitated, and finally nodded: “Okay, sir, be careful.”

After saying that, Xiao Xi looked at Yue Feng reluctantly, Immediately, the toes tapped the ground, and the delicate body flew up, heading towards the night sky in the distance.

If it were five years ago, Xiao Xi would never have separated from Yue Feng, but now she has grown into a big girl and her mind has matured a lot. Knowing that Yue Feng must have his reasons for doing so, he will leave decisively.

Swish!

Seeing this scene, Lin Hua turned on his face, pointed at Xiao Xi in the night sky and shouted, "Run one, quickly chase." After speaking, Lin Hua picked up the long sword on the ground, flew up, and chased after him first. .

Swish swish....

At this time, Wudang disciples who came from all directions heard Lin Hua's words, and many people immediately followed Lin Hua to chase after Xiao Xi.

Yue Feng frowned, but he wasn't too worried. In the past two years, Xiao Xi has been cultivating with great concentration in the Shenlong family, and her strength has grown by leaps and bounds. It should be easy to deal with people like Lin Hua.

At this moment, the Wudang disciples who came to support them surrounded Yue Feng and shouted loudly.

"Yue Feng, capture it without your hands."

"If you are resisting, don't blame us for being rude."

Everyone shouted at you angrily, and when I said it, Yue Feng smiled lightly, not panicking at all.

"Everyone!"

Yue Feng took a deep breath and tried to explain again: "I have already said, I will help Wudang to investigate the death of the Taoist priest, and please calm down."

However, these Wudang disciples did not listen to the explanation at all . , one by one is extremely sad and angry.

"Don't be hypocritical, since you want to cooperate, why do you still hurt so many of our brothers and sisters?"

"Dignified Kyushu hero, your actions are so despicable..."

"Stop talking nonsense with him, grab him and lock him up first.

" In the sound, many Wudang disciples rushed up, howling, and one by one completely lost their minds.

Ugh!

In the face of this situation, Yue Feng was very helpless, and immediately urged his figure to fight fiercely with the surrounding Wudang disciples.

.....

On the other side, in the woods at the foot of the Wudang Sect, Xiao Xi's figure was agile and moved quickly. Behind her, was Lin Hua and hundreds of Wudang disciples.

Because he is not very familiar with the environment, Xiao Xi's speed is not very fast, and after a while, he is caught up by Lin Hua and the others.

"Want to run?"

At this moment, Lin Hua clenched his long sword and said coldly at Xiao Xi, "You and Yue Feng killed our head, can you run?" After speaking, he raised his hand and waved.

In an instant, hundreds of Wudang disciples quickly surrounded Xiao Xi.

"You..."

Om!

The last word fell, Xiao Xi's delicate body was suspended in the air, and the power of the dragon all over her body erupted. In an instant, the night sky was originally calm, and the wind was surging.

The next second, a huge blue dragon condensed out.

This azure dragon was formed by Xiaoxi's divine dragon's soul. Auspicious clouds lingered all over his body. Although it was formed by illusion, it was very lifelike. The huge body was more than fifty meters long, and the scales were glowing with cold light, palpating.

Hiss....

Seeing this scene, Lin Hua, who was still proud, suddenly widened his eyes, and his heart was extremely shocked.

At the same time, the surrounding Wudang Sect disciples all gasped.

What kind of magic is this? Can you transform into a giant dragon?

In the hearts of these Wudang disciples, Xiao Xi was a servant girl beside Yue Feng. At this time, they could not have imagined that the woman in front of her was from the Shenlong family.

hum!

Just when Lin Hua and everyone were shocked, Qinglong, under Xiao Xi's instruction, roared his huge body and rushed towards the crowd.

“Quick, run...”

Feeling the powerful power of Qinglong, Lin Hua turned pale and couldn't help shouting. At that time, he turned to avoid it, but his legs were already weak and he couldn't walk at all.

Just like Lin Hua, the surrounding Wudang Sect disciples were also stunned by Qinglong's aura, and they couldn't hear his cry at all.

Finally, Qinglong rushed into the crowd, and terrifying power swept out.

Under the shock of the powerful aura, hundreds of Wudang disciples were all shaken and flew out, one by one, flying dozens of meters away. After landing, they all fainted.

“Ah...” Lin Hua also shouted, vomiting blood, and took a few dozen steps back to stabilize his figure.

quiet!

For a time, there was a dead silence in the entire forest.

Lin Hua looked at Xiao Xi closely, his eyes full of shock.

A weak woman can burst out such terrifying power, what is her identity?

At this time, Xiao Xi slowly landed and gave Lin Hua a cold look: “This time, I won't take your life. If you dare to entangle again, don't blame me for being rude.” After the

Looking at Xiao Xi's back, Lin Hua was dripping with cold sweat. He only felt that his legs were weak and he couldn't stand still. I thought this woman would be easy to deal with, but I never imagined that her strength was so terrifying.

.....

At this moment, in the gate of Wudang Mountain.

Bang bang bang...

Although Yue Feng's divine power has not been completely restored, his background is not comparable to these Wudang disciples at all. In less than five minutes, the Wudang disciples who rushed up were easily defeated by Yue Feng. on the ground.

call!

At this moment, Yue Feng breathed a sigh of relief, looked around and said indifferently: "Everyone, stop, I want to leave, you can't stop it."

Hearing this, the Wudang Sect disciples present seemed to be humiliated and could not bear it. In severe pain, they stood up and charged towards Yue Feng again.

"Retreat all!"

At this moment, a deep shout came. Hearing this voice, the surrounding Wudang disciples looked excited and quickly retreated.

Yue Feng turned his head to look subconsciously, and was stunned for a moment.

I saw that seven figures came quickly, leaving a trail of afterimages in the night sky where they passed. Such a movement technique is really rare.

All white robes, strong breath.

It was the Seven Swords of Wudang that Gone fought before.

Feeling the breath of the Wudang Seven Swords, Yue Feng couldn't help but let out a sigh of relief, secretly admiring the strong aura.

In shock, the Seven Swords of Wudang had already arrived.

At this time, Yue Feng also reacted, took a step forward, and bowed his hands at Wudang Seven Swords: "Junior Yue Feng, I have seen seven seniors." Although he is famous in the Kyushu rivers and lakes, Yue Feng is not proud of it.

Swish!

Yue Feng greeted him politely, but Wudang Qijian did not appreciate it, and looked at Yue Feng up and down one by one.

The next second, Tian Shuzi, who was headed by him, said coldly, "You are Yue Feng?"

"You are the junior." Yue Feng nodded.

Tian Shuzi narrowed his eyes slightly: "I heard that you have a good talent. You have done a lot of things for the Jiuzhou Jianghu, and you have a great reputation. Why do you want to join the Nalan family and deal with my Wudang?" The

However, Xiao Xi had good intentions in her heart, but Lin Hua and these Wudang disciples were unceremonious one by one. Soon, taking advantage of Xiao Xi's unpreparedness, a Wudang disciple rushed up from behind and stabbed Xiao Xi's shoulder with a sword.

puff!

In an instant, blood spurted out.

Haha...

Seeing this situation, Lin Hua laughed proudly and said, "Don't rely on Yue Feng's people, you can do whatever you want. If you don't want to die, just follow us back obediently."

Xiao Xi bit her tightly. He quickly covered the wound with his lips, and said tenderly, "Don't deceive people too much. I give in everywhere, but you keep pushing each other. Do you really think I'm afraid of you?"

Uh... In

the face of Tianshuzi's questioning, Yue Feng smiled bitterly and explained: "Senior misunderstood, this matter is very strange, and it is also a coincidence... I just arrived at the stone with the real person Lingyu. In the prison, the real person suddenly became poisoned."

"Also, there was no figure of Nie Zhan in the stone prison at that time, so he must have escaped ahead

of time." When he said this, Yue Feng's face was sincere.

Knowing the situation, Wudang Qijian looked at each other, thoughtful.

Afterwards, Tianshuzi took a step forward, looked at Yue Feng and said coldly: "According to you, Lingyu's death has nothing to do with you?"

“Yes.” Yue Feng smiled helplessly.

Swish!

As soon as the words fell, Tian Shuzi’s face sank, and he said coldly: “If that’s the case, why did you hurt my Wudang disciple?” After saying that, he looked around and saw nearly a thousand Wudang disciples, falling to the ground, although they did not die. Dangerous, but each one looks in pain.

This...

Yue Feng scratched his head: “The disciples of your sect believe that it was me who killed the real Spirit Jade. In desperation, the younger generation will do it.”

“Hehe...”

Tianshuzi was cold when he heard the answer. Yixiao: “Listening to what you said, is it our Wudang who did something wrong?”

Yue Feng was stunned, then shook his head and said, “Junior didn’t mean that. Spiritual Master Lingyu died suddenly, and the junior is also very sad...” He

didn’t say anything . After finishing, it was interrupted by Tianshuzi.

“Painful? If you are in pain, just obediently capture it.” Tian Shuzi looked cold and said word by word, “When Wudang finds out the reason and finds the real murderer, I will naturally let you go.”

“But before that, please stay in the stone prison.” In the

last sentence, Tian Shuzi’s attitude was firm and unquestionable.

What the hell...

At this moment, Yue Feng was stunned for a moment, a little dumbfounded.

Looking at it like this, the Seven Swords of Wudang also identified me as the murderer. I just talked about it for a long time, and it was completely wasted effort.

Haha...

Seeing this scene, Prince Aotian, who was standing not far away, suddenly showed a smile.

Wudang Qijian shot, this Yue Feng was doomed.

He thought about it, when Yue Feng was caught, he would find an opportunity to integrate his divine power...

At this time, Yue Feng reacted and smiled bitterly at Tianshuzi: "Senior, please forgive me for not agreeing to this request. "

Pride!"

As soon as he finished speaking, Tian Quanzi, who had a fiery temper, strode out, pointed at Yue Feng, and scolded: "You hurt so many of my disciples, and you still want to walk away?"

" Come on, this old man will learn from you, how capable you are."

Om!

The voice fell, and a powerful aura burst out from Tian Quanzi, hitting Yue Feng with a palm.

As soon as I saw the palm wind passing by, the air was violently twisted, and the power was amazing.

Such a strong palm.

Seeing Tian Quanzi burst out, Yue Feng was secretly taken aback, without hesitation at the time, he quickly raised his hand and collided with Tian Quanzi's palm.

boom!

At the moment when the palms of the two sides collided, a huge shock was heard, and the terrifying internal force fluctuations swept the audience.

Under this powerful fluctuation of power, the surrounding Wudang disciples were all shaken back.

Yue Feng and Tian Quanzi also each took a few steps back.

In this palm just now, the two sides were evenly matched.

Of course, in order to avoid deepening the misunderstanding, Yue Feng did not use his full strength.

Good boy...

Tian Quanzi stabilized his figure, stared at Yue Feng, and was shocked. You must know that the palm just now contained 80% of the internal force, but faced with this Yue Feng, it was a tie.

Sure enough, there are talented people from the Jianghu generation.

But thinking of the death of Lingyu Zhenren, Yue Feng was very suspicious. While Tian Quanzi was shocked, he looked at Yue Feng's eyes with deep hostility.

What?

At the same time, the Tianshuzi next to him were also surprised.

They knew the best of Tian Quanzi's strength, but he had almost burst out with all his strength just now, but he did not defeat this Yue Feng.

This Yue Feng, so young, has such profound strength... In

shock, Tian Shuzi looked at Tian Quanzi: "How are you?"

Tian Quanzi shook his head, saying that he was fine, and then looked at A glance at Yue Feng: "This kid is not weak, but it is rare in my life, we should not despise it."

Hearing this, Tianshuzi nodded, his face flashing solemnly: "Even if this kid is the reincarnation of the god of war, he can't be allowed to run away today." The

Swish swish...

Tian Quanzi followed closely behind, and in the blink of an eye, they surrounded Yue Feng.

"Several seniors!"

Seeing this situation, Yue Feng had a bitter expression on his face: "Do you have to do this?"

"Stop talking nonsense." Tian Quanzi shouted angrily, "Quickly capture it." As he spoke, he raised his right hand. , condensed an illusory long sword, and quickly stabbed at Yue Feng.

Faced with this situation, Yue Feng sighed, knowing that it would be useless to talk too much, so he immediately activated his divine power.

hum!

A powerful aura erupted from Yue Feng's body, and then his figure flashed, avoiding Tian Quanzi's sword.

"Sure enough, I have some ability." When the sword fell in the air, Tian Quanzi raised his spirits and did not underestimate the enemy.

At the same time, several Tianshuzi also launched an attack on Yue Feng.

Facing the siege of Wudang's Seven Swords, Yue Feng did not dare to be slighted, and the two sides fought fiercely in mid-air.

Seeing this scene, the Wudang disciples below all held their breaths and watched with shock.

You must know that Yue Feng is a famous figure in Kyushu. He founded Tianmen in the past, and then led the sect of Kyushu to fight against the Rakshasa clan, and smashed Yang Jian to dominate Kyushu... And Wudang Seven Swords, famous a hundred years ago, has no kendo attainments. People can reach it, and because of them, Wudang jumped up and became the first sect at that time..

It can be said that both sides are unparalleled geniuses.

Ten minutes passed in a blink of an eye.

I saw that the figures of the two sides were constantly moving back and forth in midair. Although the Seven Swords of Wudang were numerous, they were unable to suppress Yue Feng.

After a long battle, Tian Shuzi became a little anxious.

Especially Tian Shuzi, with a gloomy face, couldn't help saying at the time: "Sword formation." When the words

fell, Tian Quanzi nodded one after another, and then stood in all directions, surrounding Yue Feng in the middle.

Chi Chi...

The next second, the seven people displayed determination at the same time, and they heard the sound of air tearing, and the surrounding air condensed the sword shadows all over the sky.

The moment the sword shadow condensed, the surrounding air seemed to stagnate.

I'm going....

Facing the pressure of the sword shadows in the sky, Yue Feng couldn't help but be moved and praised secretly in his heart.

These seven seniors are worthy of being famous for a hundred years. They have condensed so many sword shadows in a short period of time, and their accomplishments in kendo are probably higher than that of Master Nangong Jue.

His heart was shocked, but Yue Feng did not panic at all.

Yue Feng was extremely talented. Back then, he worshipped Nangong Jue as his teacher and learned the Heavenly Gang Sword Art. In just two years, he improved the Heavenly Gang Sword Art and added a few tricks.

It can be said that today's Yue Feng has long surpassed the blue, and his skills in swordsmanship have already surpassed Nangong Jue, and at this time, he is not inferior to the Seven Swords of Wudang.

At this moment, Yue Feng hovered in the center of the sword formation, his expression was indifferent, not panic at all.

This sword formation is interesting...

Chi Chi....

Just as Yue Feng was observing secretly, the seven swords of Wudang, while holding the sword art, all of a sudden, the sword shadows all over the sky came towards Yue Feng like a torrential rain.

Yue Feng did not change his face, raised his hand and waved, mobilizing his divine power, and deployed a protective film in front of him.

Bang bang bang...

In an instant, countless sword shadows erupted, hitting the protective film, making a roar, and in an instant, countless sword shadows collapsed and disappeared, and the protective film also shattered. At the same time, Yue Feng was also volleyed into the air. Shocked back ten steps.

After stabilizing his figure, Yue Feng looked as usual. However, he was secretly shocked.

The power of these sword shadows is too strong, fortunately, he now has divine power, otherwise, I am afraid that it would have been turned into a hornet's nest.

What?

And the seven swords of Wudang surrounding them also changed color in shock.

This... this is impossible.

It seemed that the only way to defeat him was to use the 'Five Elements Holy Sword Art'.

"Good boy!"

Thinking to himself, Tian Shuzi looked at Yue Feng and said coldly: "I really underestimated you before, if I don't show any real skills, I will really be underestimated by you." The

last word fell, Tian Shuzi and Tian Quanzi looked at each other, then moved their figures, put their hands together, turned upside down in the air, head down and feet up.

Ok?

Seeing this scene, Yue Feng couldn't help frowning secretly.

What is this way?

"The five elements of heaven and earth, the wind and thunder are extinguished..."

Just when Yue Feng was muttering secretly, he heard the seven people of Tianshuzi shouting in unison, and the angry shouts spread throughout Wudang.

hum!

The moment the voice fell, the breath of the seven people filled their bodies, forming a terrifying power storm that raged in midair.

Immediately afterwards, dark clouds rolled over the entire Wudang sky, and the whole world was filled with a strong chilling aura.

That's right, what Wudang's Seven Swords used at this time was their unique technique of pressing the bottom of the box, the Five Elements Holy Sword Art.

This chapter is provided by . Visit for daily update.

The Five Elements Holy Sword Art is the most powerful swordsmanship technique that Wudang Qijian has learned in recent decades. Decisively cast out.

Gudong!

Seeing this scene, the numerous Wudang disciples below subconsciously swallowed their saliva and looked up at the sky, with deep excitement and awe in their eyes.

"What kind of exercises did the seven master uncles perform? They can actually trigger the vision of heaven and earth..."

"It's too shocking, is this the highest level of swordsmanship?"

"Although Yue Feng is very powerful, he is more powerful than the seven master masters ." , it's even worse."

Shocked, many Wudang disciples couldn't help but talk about it, in their hearts, the seven swords of Wudang in front of them triggered the vision of heaven and earth, and the outcome was already doomed, Yue Feng would definitely lose.

I'm going...

At this moment, Yue Feng was stunned when he looked at the rolling thunderclouds in the sky.

The strength of these seven seniors is really strong, and they can actually trigger the vision of heaven and earth.

"Boom!"

At this moment, the seven Tianshuzi, who were upside down in the air, recited sword tactics in unison, and in an instant, a thunderstorm came from the rolling dark clouds, and then a bolt of lightning ripped apart the sky.

“Crack, Kick...” In the

next second, a large hole appeared in the billowing clouds in the sky, and hundreds of lightning bolts condensed out, finally forming a huge thunder sword.

I saw that this Thunder Sword was a hundred meters long, with lightning flashes all over its body, vast and mighty, shocking people.

hiss!

At this moment, the entire Wudang was deadly silent, even if a needle was hung on the ground, it could be heard clearly.

call!

At the same time, feeling the power of the Thunder Sword, Yue Feng's expression changed, and his heart was shocked. As expected, there is a sky outside the sky, and there are people outside the human body. Unexpectedly, the seven swords of Wudang in front of me can actually integrate kendo and Tianwei.

“Boy!”

At this time, Tian Shuzi looked at Yue Feng closely, and said coldly: “This old man will give you a chance, and you can capture it without a hitch. Otherwise, if you are struck by this thunder sword, you will be too late to regret it.”

His tone was arrogant. Undoubtedly.

Yue Feng reacted and took a deep breath: “Several seniors, you insist on making me a prisoner. Please forgive me for not agreeing .

“

, raised his hand and waved straight to Yue Feng.

boom!

In an instant, the huge thunder sword hanging in the sky drew a dazzling ray of light and came straight towards Yue Feng. Wherever it passed, the world seemed to be split into two halves.

At this moment, Yue Feng did not hesitate for a moment, and made a decisive decision, mobilizing his divine power.

boom!

In the next second, a huge thunder sword slammed into Yue Feng. Suddenly, the entire Wudang was covered in dust and smoke. The surrounding Wudang disciples all urged their inner strength to deploy protective membranes in front of them, but even so, they were still shaken back one by one.

The ultimate husband in Chinese chapter 5707

After stabilizing the figure, many Wudang disciples all looked at Yue Feng's position, all looking very excited.

If Yue Feng can be killed this time, Wudang will definitely be able to return to the peak of the rivers and lakes.

The sky was full of dust and smoke, which lasted for a few minutes.

When the dust and smoke gradually dissipated, the scene in front of him finally appeared.

What?

At this moment, seeing the scene in front of me, not only the Seven Swords of Wudang, but also the surrounding Wudang disciples couldn't help gasping for air, and they were all dumbfounded.

I saw that a huge pit with a diameter of 100 meters was hit on the ground, and at the bottom of the giant pit, Yue Feng stood there quietly, his expression was calm and indifferent.

The clothes on his body were completely destroyed by the Thunder Sword, revealing the red blood-winged armor inside. At this time, everyone could clearly see that the armor was shining with golden rays of light.

Yes, these golden rays of light are exactly the divine power of Yue Feng. At the moment when the Thunder Sword fell, Yue Feng integrated the divine power into the Blood Wing Armor. bear.

In this case, Yue Feng was naturally unscathed.

At this

moment, the Wudang Sect disciples present were buzzing and blank.

How is this possible, such a terrifying might of the Thunder Sword did not cause any harm to Yue Feng.

Is this Yue Feng a human or a monster?

At the same time, the seven Tianshuzi also stared at Yue Feng, unable to speak for a long time.

This chapter is provided by . Visit for daily update.

The Lei Jian move just now, even if Lu Bu was alive, I am afraid that he would not be able to resist, but Yue Feng, who was in front of him, blocked it so easily.

Incredible.

The next second, Tian Shuzi saw the blood-winged armor on Yue Feng's body, and was stunned for a moment, and muttered to himself: "The blood-winged armor that Lu Bu wore back then?"

At the same time, Tian Quanzi also Notice this.

"It turns out that there is a treasure armor on his body, no wonder he can see it."

"This kid is not weak, and he has a lot of skills..." During the

discussion, Tian Shuzi looked at Yue Feng and nodded in approval: "Okay, very good, This sword can be caught, and the old man is looking forward to the next duel more and more."

"The Wind and Thunder Sword was blocked by your treasure armor, and the next Marrow Ice Sword, I don't know if you can break it."

hum!

Then a word fell, Tianshuzi and Tianquanzi seven burst into internal force at the same time, and the surrounding air froze again.

A powerful breath filled the world, and the surrounding temperature dropped suddenly.

Huhu.....

In the next second, a gust of night wind blew, and I saw that snowflakes actually fell in the clouds condensed in the sky.

"The Five Elements of Heaven and Earth, Marrow Ice Sword!" An icy voice sounded from Tian Quanzi's seven mouths.

The voice fell, and the snowflakes in the sky quickly condensed, and then formed seven crystal clear ice swords, coming straight towards Yue Feng.

Wow....

I saw that where the seven ice swords passed, the air seemed to be frozen, and a few trees on the top of the mountain beside it, after the ice swords passed, instantly became ice sculptures, and the sky and the earth were instantly enveloped. in an icy cold.

Seeing this situation, the Wudang Sect disciples present were all shocked, and at the same time, under the attack of the cold, they could not stop shaking.

“Quick, stand together to mobilize your inner strength to resist the cold.”

At this moment, someone shouted, and the Wudang Sect disciples who were present all reacted and quickly gathered together, bursting out inner strength, forming a protective shield around them.

Such an icy aura, if you don't put a protective cover on it, you will be frozen to death.

call!

At this moment, seeing the seven ice swords erupt, Yue Feng's expression was extremely solemn.

The ice sword was getting closer and closer, Yue Feng clearly felt that the breath he exhaled seemed to be frozen, and his heart suddenly felt a little anxious.

He used 90% of his divine power just now, and at the same time, with the help of the blood wing armor, he barely blocked the Thunder Sword. At this time, his divine power had not recovered. With the blood wing armor alone, it was impossible to block these seven ice swords.

If you fail miserably, you will become a prisoner. Everyone in Wudang believed that they had killed the real person Lingyu.

No, this battle cannot be defeated.

But... how can we crack the seven ice swords?

The ultimate husband in Chinese chapter 5708

Under the anxiety, Yue Feng suddenly thought of something and suddenly smiled.

Since the sword tactics that these seven seniors used are incompatible with the five elements of heaven and earth, the method of cracking must also be related to the five elements.

“Seven seniors!”

Thinking to himself, Yue Feng shouted at the Wudang Seven Swords: "This sword technique is really powerful, but the junior is not talented, so I just thought of a way to crack it." The voice fell, and the divine power all over his body burst out.

hum!

The next second, Yue Feng raised his right hand, and a purple flame burst out from the palm of his hand.

It is the power of the Faye Red Lotus.

At the beginning, Yue Feng was killed by Gone, and a remnant soul was reborn with the help of the Faye Red Lotus. The Faye Red Lotus has a very strong flame power, which is the nemesis of the ice sword.

Ok?

At this moment, seeing the flames jumping in Yue Feng's palm, whether it was Tianshuzi or Tianquanzi six, he was stunned.

What kind of flame is this? Looking so strange.

Chi...

Just when the seven swords of Wudang were secretly surprised, I saw Yue Feng raised his hand and waved, the flames soared into the air, and immediately formed a fire sword, the fire sword cut through the night sky and met the seven ice swords. And on.

Where the fire sword passed, the surrounding icy air suddenly increased in temperature.

boom!

Soon, the fire sword and the seven ice swords collided, and the two forces of ice and fire collided, and a deafening roar broke out.

Just saw the roar, the fire sword and the seven ice swords shattered instantly, and under the impact of this powerful force, Yue Feng's figure was shaken back by the volley.

"puff..."

At the same time, the seven Tianshuzi also groaned, vomited blood one by one, and took a few dozen steps back. The formation is scattered, and the sword formation is not self-defeating.

Taking advantage of the opportunity, Yue Feng endured the churning of qi and blood in his body, quickly moved his figure, and rushed out of the encirclement of the Seven Swords of Wudang.

For a time, the entire Wudang Mountain Gate was deadly silent.

All the Wudang disciples present were completely blinded.

The seven ice swords were actually cracked by Yue Feng...

You must know that the seven master ancestors have lived for hundreds of years. The defeat...

At the same time, the seven Tianshuzi, after stabilizing their figures, looked at the position where the ice sword shattered, completely shocked.

This kid...what kind of exercises are you practicing?

“Several seniors.”

At this time, with a safe distance away, Yue Feng turned around and clasped his fists at Wudang Qijian: “The death of Lingyu Zhenren, the junior really didn’t know about it, I wanted to calm down and solve it in Wudang, but I didn’t think about it. , and finally reached the point of being out of control.”

“The current situation, the junior is not easy to stay, so let’s say goodbye temporarily. When the junior finds the clue, he will naturally come back to Wudang to give you an explanation.” The

last word fell, Yue Feng took a deep breath , flew towards the distant night sky, and disappeared in the sight of everyone in a blink of an eye.

To be honest, Yue Feng didn’t want to leave in a vague way, but there was no way. Wudang and Wudang didn’t want to listen to his explanation.

Mad!

Watching Yue Feng leave, Prince Aotian, who had been watching in the dark, turned gloomy instantly.

This made him run away...

Afterwards, Prince Aotian looked at the Seven Swords of Wudang, with a trace of anger flashing in his eyes. These seven old guys are really disappointing.

“Pfft...”

In mid-air, Tian Quanzi, who had a fiery temper, saw Yue Feng go away, and his face changed in a hurry. Then he spurted out a mouthful of blood and fell directly from the air.

Seeing this scene, the six Tianshuzi were all shocked and fell.

At the same time, the surrounding Wudang disciples were also startled.

“Everyone, beware of the mountain gate.” At this time, Tian Shuzi picked up Tian

Quanzi and issued an order to the surrounding disciples: “Block all exits, and do not allow any suspicious people to go up the mountain.”

With Tian Quanzi, he returned to the secret room in Houshan.

After receiving the order, the Wudang disciples present did not dare to neglect, and acted one after another to block the entire mountain gate.

Just as the disciples of the Wudang faction were all taking action to put martial law on the entire mountain gate, no one noticed that a figure quietly sneaked into the back mountain and walked towards the secret room where Wudang Qijian retreated.

The ultimate husband in Chinese chapter 5709

Under the moonlight, this person’s face is calm, but his eyes are flickering with ruthlessness.

It is Prince Aotian.

At this time, Prince Aotian was very annoyed. He thought that if he invited the Seven Swords of Wudang, he could use their hands to capture Yue Feng alive. At that time, he would have the opportunity to devour Yue Feng’s divine power.

But as a result, he never expected that the unique skills of Wudang’s Seven Swords would be easily cracked by Yue Feng.

If the plan fails, it is difficult for anyone to be calm.

Wudang Qijian first fought with Gone, and just now fought fiercely with Yue Feng. Each and every one of them lost their inner strength. At this time, they were weak. Since they couldn’t catch Yue Feng alive, it was useless to keep it.

Prince Aotian thought about it, and waited to find an opportunity to integrate the cultivation and internal strength of the Seven Swords of Wudang.

Although the seven swords of Wudang couldn't beat Yue Feng, each of them lived for more than two hundred years, and their internal strengths were unfathomable.

Soon, Prince Aotian arrived at the entrance of the secret room.

The so-called secret room is a cave.

Back then, when Wudang Qijian retreated, the Wudang faction deliberately dug out a cave in the back mountain, which was listed as a forbidden area, and no one was allowed to enter.

Originally, there were special disciples guarding the entrance, but with so many things happening today, the disciples guarding here went down the mountain to block all intersections.

call!

Seeing that there were no disciples at the entrance, Prince Aotian showed a wicked smile, and then strode in.

The secret room is very deep, and the stone walls on both sides are lit with oil lamps, extending all the way, giving people a very mysterious feeling.

This chapter is provided by . Visit [for](#) daily update.

After walking for a few minutes, Prince Aotian finally arrived at the secret room.

I saw that the secret room was very large, half the size of a football field. The entire secret room was in the shape of a gossip. The corners of the eight walls were filled with lamps and candles, which illuminated the secret room.

In the center of the secret room, there is a huge ice jade.

This kind of ice jade can calm people's mind and prevent them from going crazy. It is a treasure in the hearts of cultivators.

At this time, on the frozen jade stone, Tian Quanzi was sitting in the center, recuperating from his injuries, while the six Tianshuzi were sitting around him, placing their hands on Tian Quanzi, inputting internal strength for him, helping him Healing.

Haha...

Seeing this scene, Prince Aotian showed a smile and walked over directly.

If it was half a day ago, Prince Aotian would never have had the courage. You must know that he has not recreated the primordial spirit, his strength is limited, and he is not an opponent of Wudang Seven Swords at all. But at this time, the seven swords of Wudang were all injured, and at the critical moment of healing, they could not be distracted, so Prince Aotian had no worries.

Ok?

Hearing the footsteps, Wudang Qijian suddenly became alert, opened his eyes one after another, and simply proud of the emperor.

“Ye Yun?” In the

next second, Tian Shuzi frowned and said coldly, “What are you doing here?” The voice fell, and several Tian Quanzi beside him were very displeased and scolded.

“Who told you to trespass the forbidden area?”

“Don’t you know the etiquette? Go out.”

Just now in the fight against Yue Feng, after losing consecutively, Wudang Qijian was in a very bad mood. big fire.

“Ha ha...”

Facing the anger of Wudang’s Seven Swords, Prince Aotian smiled slightly and said lightly: “Seven masters, you are all so old, and you are still so angry?”

After speaking, Prince Aotian shook in disappointment. Shaking his head, he continued: “Speaking of which, when you faced off against Yue Feng just now, I did my best, but I didn’t expect you to be so useless, and finally let Yue Feng run away. Alas, what a waste. “

Shh!

Hearing this, whether it was Tian Shuzi or Tian Quanzi, they were all furious.

“Bunny, what are you talking about?”

“Presumptuous...”

“The kid is neither big nor small, dare to be so rude...” In the

roar, Wudang Qijian did not stand up, because the six Tianshuzi were in the process of To input internal strength to Tian Quanzi to help him recover from his injury, this is the critical moment, and there can be no mistakes.

“Oops...”

Feeling their anger, Prince Aotian didn't panic at all, but said with a smile: “Seven masters calm down, what I said is true. You faced Yue Feng just now, and you lost repeatedly, Wudang. You can see it all over the place.”

The ultimate husband in Chinese chapter 5710

Hu...

Hearing this, Wudang Qijian's face changed, but he did not refute.

Because what Prince Aotian said was right, they did lose to Yue Feng in the previous duel, and they lost Wudang's face.

At this moment, Tian Shuzi took a deep breath and suppressed his anger: “Ye Yun, what are you trying to say?” In the

Seven Swords of Wudang, Tian Shuzi acted calmly, and he could see that Ye Yun deliberately came in to provoke, and there must be something wrong. picture.

Swish!

The voice fell, and the six Tian Quanzi also glared at Ye Yun, waiting for his answer.

Hehe...

Prince Aotian smiled and praised Tianshuzi: “It's nothing, just now the seven ancestors fought with Yue Feng and lost the prestige of Wudang, I just thought about it, you are so tall If your strength is integrated into one person, the next time you fight against Yue Feng, it will not be as miserable as it is today.”

“Speaking of which, you are all old, and you will not improve if you continue to retreat. It is better to use your internal strength. Give it all to me, so that we Wudang faction can have a chance to return to the top of the rivers and lakes.”

When he said this, Prince Aotian had a smile on his face, and his eyes were even more playful.

Yes, he wanted to completely anger Wudang Seven Swords, because at this time they were in the critical period of healing, and they were the most taboo to be impatient.

Wow...

Sure enough, hearing this, the seven Tianshuzi couldn't bear it anymore, and they all burned with anger.

Especially Tian Quanzi, his whole body was trembling with anger, and his eyes were spitting fire.

This chapter is provided by . Visit for daily update.

"You bastard, you can say something so outrageous. I have to kill you." Under the anger, Tian Quanzi suddenly stood up, his inner strength exploded, and he hit Prince Aotian with a palm.

hum!

This palm contains the anger of Tian Quanzi, and the surrounding air is violently distorted wherever it passes.

Hehe...

Prince Aotian sneered, not panic at all: "Master, you are all injured, why are you still so irritable? If you don't want to, don't want to, why do you do it?" The

voice fell, and Prince Aotian figured. Flickering, first avoiding Tian Quanzi's palm, and then fighting with him.

Bang Bang Bang...

In the blink of an eye, the two sides fought fiercely for two rounds. Taking advantage of Tian Quanzi's inconvenience, Prince Aotian hit him on the back with a palm, and then raised his hand to stop Tian Quanzi's foot when he was still unsteady. acupuncture point.

In an instant, Tian Quanzi's body shook, and he couldn't move.

"Stinky boy, let me go." Tian Quanzi's eyes were blood red and he shouted angrily.

Seeing this, the six Tianshuzi also stood up at once.

"Good boy, do you want to deceive the master and destroy the ancestors?"

"Rebel, dare to do it..." The

voice fell, and the seven Tianshuzi burst out one after another. It's just that they were all injured before, plus they were healing Tian Quanzi just now, and they were suddenly interrupted. At this time, they were all in danger of being backlashed.

In this case, the six people seem to have a strong aura, but in fact they are all dead ends.

Hehe..

Prince Aotian wanted this effect. At that time, his strength completely exploded, and he did not win against Tianshuzi directly, but used the environment of the secret room to fight with them around the ice jade.

bang bang bang...

At first, the six Tianshuzi thought that Prince Aotian would be subdued soon, but after a few rounds, they felt that something was wrong.

Ye Yun, a rebel, is so strong?

And... the moves he used didn't seem to be the martial arts of the Wudang faction.

At this time, the six Tianshuzi didn't know yet that Prince Aotian, who had taken Ren Pingsheng's body before, was using Lihuomen's exercises at this time.

Papapa...

Soon, Prince Aotian found an opportunity and tapped the acupoints of Tianshuzi's six people. Suddenly, the six people stiffened and could not move.

Seeing this scene, Tian Quanzi's expression changed.

The next second, Tian Quanzi glared at Ye Yun: "Bunny, do you want to rebel? Quickly solve the acupoints for us."

"Resolve the acupoints?"

Prince Aotian smiled coldly and said slowly, "I think you are really confused. Well, didn't I say just now, let the seven of you give me your inner strength, I haven't got inner strength yet, how can I let you go?"

"After speaking, Prince Aotian's eyes became cold: "Speaking of which, you are really pedantic. , what's wrong with giving me internal strength? Do you want me to grab it?"
