

## The ultimate husband in Chinese chapter 5721-5730

The

tone is a bit cold and arrogant, there is no doubt.

I'll go...

Seeing Liu Ruxue's attitude, Yue Feng frowned secretly, speechless and funny.

This Liu Ruxue is really interesting. You made a mistake and caused Prince Aotian to escape. Now, it seems that it is all my responsibility.

Thinking to himself, Yue Feng said slowly: "Prince Aotian is very cunning, I don't know where he is hiding now." When the

voice fell, Liu Ruxue snorted coldly, and said unreasonably: "I don't care, before you But the one who promised me would help me to avenge my senior brother, don't think that when you return to your place, the words you have said will not count."

"What I have said will naturally count." Yue Feng only felt that his head was big, very It was a speechless explanation: "I told you before that Prince Aotian has a special status, and we have to take a long-term view."

How could Liu Ruxue not understand the truth? "What to

think about in the long run."

Liu Ruxue frowned, her delicate face full of irritability and impatience: "It's all your excuses. If you don't help me, I'll seek revenge on him myself."

In this Kyushu Continent, Liu Ruxue first encountered God King Aotian and was regarded as Gone's accomplice, almost losing his life, and then encountered the sinister and cunning Xiang Liu. 's fire. Facing Yue Feng at this time, he could no longer restrain himself.

After saying the last sentence, Liu Ruxue twisted her body and was about to leave the pill room.

"Hey!"

Seeing this situation, Yue Feng couldn't help laughing and crying. He quickly stepped forward and grabbed Liu Ruxue's arm: "Liu Ruxue, can you calm down?"

“This is the continent of Kyushu, you are not familiar with you at all, you are alone, where can you go to find Prince Aotian? Moreover, even if you meet him, you are not an opponent. In this way, when I catch Prince Aotian, I will definitely avenge you. The opportunity...”

When he said this, Yue Feng’s face was sincere.

“You...”

Suddenly caught by Yue Feng, Liu Ruxue was shy and angry, and tried to struggle: “You let me go...” Although there was no one around, the two of them were pulling at night. Fuck, what is it like.

Yue Feng also knew that he was abrupt, and quickly let go.

“Ah...”

Just at this moment, Liu Ruxue struggled too hard and could not stand firm. She exclaimed and was about to fall to the ground.

Yue Feng’s eyes and hands are quick and he grabbed Liu Ruxue’s waist, but he couldn’t hold Liu Ruxue, and the two fell to the door.

At the moment of the fall, Yue Feng directly pressed on Liu Ruxue’s body.

Gudong!

In an instant, smelling the fragrance of Liu Ruxue’s body, Yue Feng couldn’t help swallowing. At the same time, he looked at Liu Ruxue’s delicate face up close, and his whole person was stunned, his mind went blank.

It’s so soft and fragrant...

Speaking of which, Yue Feng and Liu Ruxue had a misunderstanding in the Ziwei Continent before, and they had already been married, but even so, I felt Liu Ruxue’s fragrance at this time. Hua Juedai, Yue Feng was still in a trance.

At the same time, Liu Ruxue was also covered, lying there with a buzzing brain.

Shasha...

At this moment, there was a sound of footsteps not far away, followed by a disciple running over sweating profusely.

Before reaching the door of the pill room, the disciple shouted: "Brother Feng..." Just after he shouted two words, he was stunned when he saw Yue Feng and Liu Ruxue on the ground.

This...

for a moment, the disciple's eyes widened, and the whole person was also blindfolded.

I felt before that this girl Liu was a confidante brought by Brother Feng from other continents, but now it seems that it is not fake.

Thinking to myself, the disciple reacted quickly, turned around quickly, and said in fear: "Brother Feng...I...I didn't see anything." What the hell

!

Hearing this, Yue Feng was very embarrassed and quickly got up.

At the same time, Liu Ruxue also reacted. Hearing the disciple's words, her delicate face blushed and explained, "I didn't see anything. Yue Feng and I have nothing to do with each

other ." He stood up quickly, blushing as if he could drip blood, and at the same time couldn't help but glared at Yue Feng: "It's all your fault."

If Yue Feng stopped him, he wouldn't have fallen, and he wouldn't have been let down by this disciple. Misunderstand.

## **The ultimate husband in Chinese chapter 5722**

Feeling Liu Ruxue's eyes, Yue Feng was dumbfounded.

"That..."

Hearing Liu Ruxue's explanation, the disciple scratched his head: "Brother Feng, continue, I... I'll come back later." After speaking, he was about to turn around and leave.

Seeing this, Liu Ruxue almost burst into tears.

Why can't I explain it clearly?

At this moment, Yue Feng stopped the disciple: "Wait, why are you so panicked?"

The disciple stopped, hesitated, and said, "It's the young lady of the Nalan family, so you have to leave arguing. , we told her that the murderer who raided Ling'er girl was not found, and she can't

leave yet." "As a result, this young lady of the Nalan family started to lose her temper, saying that we had put her under house arrest, and she was currently making trouble in the guest room." At that time, the disciple looked depressed.

Uh...

Hearing this, Yue Feng has a headache, this Nalan Wushuang is really worrying.

Thinking to himself, Yue Feng said to the disciple, "Okay, I understand."

After that, Yue Feng turned to look at Liu Ruxue: "You wait for me here first, I'll deal with Nalan Wushuang's affairs. I'll come back and find you again."

"What do you like to do?"

Liu Ruxue blushed and said angrily, "What's the matter with me?"

This chapter is provided by . Visit for daily update.

Yue Feng smiled bitterly, and said no more, just He left with the disciple and rushed towards the guest room where Nalan Wushuang was staying.

call!

Watching Yue Feng leave, Liu Ruxue took a deep breath, her delicate face unable to hide the irritability.

This Yue Feng is a bastard who doesn't speak much. Rather than waiting for his news here, it is better to go out to investigate the news, and maybe find the whereabouts of Prince Aotian.

After making up her mind, Liu Ruxue was about to leave.

Uh?

However, at this moment, Liu Ruxue noticed out of the corner of his eye that there was a pill quietly placed on the table in the pill room.

Obviously, this medicinal pill was refined by Yue Feng just before.

For a while, driven by curiosity, Liu Ruxue turned around and walked over, picked up the medicine pill and looked at it, and was secretly surprised. I saw that this medicinal pill was bright green with hair-like blood lines on it. Compared with the medicinal pills I had seen before, it was very peculiar.

What kind of medicine is this? Is it worth Yue Feng refining here at night?

Liu Ruxue murmured in her heart, and carefully placed it in front of her nose to sniff it, and suddenly felt an incomparably full of spiritual power rushing towards her nostrils.

Gudong!

Smelling the fragrance of the medicinal pill, Liu Ruxue couldn't help it for a while, and swallowed it directly into her mouth.

After swallowing the elixir, Liu Ruxue looked outside the door of the elixir room and said to herself, "Yue Feng, you lied to me to stay here and wasted my time, now I have taken one of your elixir, we two Don't owe each other."

After speaking, Liu Ruxue was about to leave the pill room.

hum!

However, before taking two steps, Liu Ruxue suddenly trembled, and a trace of pain appeared on her beautiful face.

She clearly felt that after taking the medicine pill, a heat flow raged all over her body, and the burning feeling became stronger and stronger, constantly attacking the nerves.

"Ok....."

Liu Ruxue couldn't help crying out in pain, her delicate body slumped to the ground, and she couldn't stop twisting.

It's broken, isn't it a panacea, but a poison?

If I knew this earlier, I wouldn't take it rashly.

For a time, Liu Ruxue wanted to cry without tears, but under the constant scorching heat, her eyes darkened and she fainted completely.

.....

the other side.

Before Yue Feng reached the door of the wing, he heard Nalan Wushuang's loud noise from a distance.

"Get out of the way, let me out." At the

door, several disciples stopped there, each with a complicated expression, daring to speak out.

call!

Seeing this, Yue Feng frowned, walked straight into the room, and saw a mess inside, and the valuable tables and chairs were smashed into pieces. Nalan Wushuang stood beside the bed, waving a pillow and going crazy.

"Brother Feng!"

Seeing Yue Feng's arrival, the Tianmen disciples guarding the door greeted them respectfully.

Yue Feng nodded and waved his hand: "Okay, you all step back first." Everyone responded and left.

"Hey!"

Nalan Wushuang threw his pillow away as soon as his forefoot left, walked over angrily, and shouted at Yue Feng, "Why do you put me under house arrest? Why don't you let me go."

Although Yue Feng is famous in Kyushu It is very big, but Nalan Wushuang is not afraid.

## **The ultimate husband in Chinese chapter 5723**

Call!

Feeling Nalan Wushuang's rudeness, Yue Feng breathed a sigh of relief and said patiently: "Girl, I told you about things before, the people who raided Hai Ling'er are very powerful, and I let you stay here because of you. For the sake of safety."

"If the murderer is hiding in Donghai City, and after you leave here, if you raid halfway, it will be troublesome."

Nalan Wushuang shook his head desperately and shouted: "I won't listen, I want to go back anyway. ." The

voice fell, and Nalan Wushuang was about to rush out of the room.

Yue Feng frowned, his figure flashed to block the door, and said displeasedly, "Girl, don't make fun of you."

This Nalan Wushuang really has no rules at all, no wonder Ya'er doesn't like her.

"Go away!"

At this moment, Nalan Wushuang was also completely angry, he shouted, then raised his hand and hit Yue Feng.

Seeing Nalan Wushuang's actions, Yue Feng couldn't bear it anymore, and said coldly: "What a stubborn girl, really no big or small, even if your grandfather Nalan Hongzheng sees me, you must be polite, you dare to follow me I'll do it?"

Clap!

The last word fell, Yue Feng first avoided Nalan Wushuang's palm, and then shot like electricity, urging divine power to inject into her Shenquan acupoint.

Shenquan acupoint is one of the key acupoints in the human body. Once invaded by external force, it will be extremely itchy.

"You..."

At this moment, Nalan Wushuang wanted to splash, but just after saying a word, he felt hot and itchy, and suddenly, his delicate and pretty face suddenly flushed red.

This chapter is provided by . Visit for daily update.

Aware of this, Nalan Wushuang endured the itch and shouted, "You...what have you done to me?"

Yue Feng smiled lightly: "You little girl, because you are the young lady of the Nalan family, you have no rules at all. Today, I will help you to understand the rules for the Nalan family."

"Don't worry, I won't . What do you do to you, just let you feel the unbearable itching."

After saying this, Yue Feng leaned against the door with a calm expression.

Swish!

Hearing this, Nalan Wushuang's pretty face changed, and he was about to scold him coquettishly, but at this moment, there was another burst of soreness and itchiness all over his body.

"Haha..."

Nalan Wushuang suddenly lost his restraint and couldn't help giggling.

While laughing, Nalan Wushuang stared fiercely at Yue Feng and kept shouting: "Yue Feng... Since you are still a well-known figure in Kyushu, would you use such a rude method? Haha.. "

"I'll tell you...if I have any problems...haha...the Nalan family won't let you go..."

Seeing her laughing and speaking ruthlessly, Yue Feng chuckled lightly. language.

This girl has been favored since she was a child, so she is so arrogant.

Thinking to himself, Yue Feng said lightly: "I don't know what's wrong, okay, then you can continue to enjoy." After speaking, he turned around and walked out of the room, sitting on the flower bed outside, with a leisurely expression on his face.

"Yue Feng!"

Seeing him like this, Nalan Wushuang was so angry that he continued to yell, "What Kyushu hero, I think he is a bear who can bully women...haha...it tickles me."

"Yue Feng ...you big bastard, haha... untie it for me..."

"Wait, when I return to the Nalan family, I must tell my aunt about today's events, haha.... Hahaha." The

tender shouts kept coming, but Yue Feng didn't seem to hear it.

Finally, after a few more minutes, Nalan Wushuangxiang in the room was dripping with sweat, and she couldn't hold it anymore, her tone softened: "Uncle Yue, I was wrong, please give me some relief. I beg you.. "

Seriously, Nalan Wushuang is arrogant and arrogant, and doesn't want to be soft at all.

But there is no way, this itchy feeling is really unbearable...

Phew!

Seeing that she was finally subdued, Yue Feng showed a smile and walked into the room slowly: "You know what's wrong?"

Nalan Wushuang nodded repeatedly: "Well, I was wrong... Haha... Quickly solve it for me, I'm sorry. No, haha..."

Yue Feng didn't move, but looked at her seriously: "It's okay to untie it for you, you won't be allowed to fool around here in the future, and absolutely obey the arrangement, understand?"

"Understood, I will never fool around. I'm done." Nalan Wushuang was about to cry, and hurriedly agreed.

When answering, Nalan Wushuang looked good, but his heart was full of resentment.

Yue Feng, you wait for me, the humiliation you gave me today will be repaid in the future when there is a chance.

## **The ultimate husband in Chinese chapter 5724**

Seeing that she lost her previous arrogance, Yue Feng couldn't slow down and took back the divine power injected into her body.

Afterwards, Yue Feng looked at Nalan Wushuang: "Okay, if you're really bored, just walk around in Haitang Garden. If you let me know you're messing around again, then I'll be really welcome." The

last word Falling down, Yue Feng strode away.

.....

At this moment, Danfang is here.

Liu Ruxue didn't know how long she had been in a coma, as if she had a dream. In her dream, she fell into the crater, and the hot lava drowned her...

Phew!

Finally, Liu Ruxue was shocked and woken up by a nightmare.

However, the moment she opened her eyes, Liu Ruxue found her state, and she was immediately blinded, her mind buzzing and blank.

I saw that my charming and slender curves were gone, but turned into a three or four-year-old appearance, with delicate facial features and a little baby fat, looking very smart and cute...

This

.... After more than ten seconds, Liu Ruxue reacted and panicked.

what's the situation? How did you become a child yourself?

Could it be... because of the effect of taking that pill?

Realizing this, Liu Ruxue almost burst into tears. If she knew this, she would not take the medicine pill.

“Liu Ruxue?”

Just when Liu Ruxue didn't know what to do, she suddenly thought of Yue Feng's voice outside the door: “Are you still there?” After

teaching Nalan Wushuang just now, Yue Feng rushed back to prepare Persuade Liu Ruxue well.

Oops!

Hearing Yue Feng's voice, Liu Ruxue panicked suddenly, she became a thirty-year-old child, and she couldn't wear a long skirt anymore, and there was only one obscene clothes on her body. If Yue Feng saw it, It's so embarrassing.

Thinking to herself, Liu Ruxue quickly grabbed the long skirt that fell off the ground and quickly hid it behind the shelf where the herbs were placed.

Just after hiding, Yue Feng walked in.

“Where's the person?” When he

entered the pill room and saw that Liu Ruxue was gone, Yue Feng couldn't help frowning secretly: “Will you really leave?”

Seeing him talking to himself, Liu Ruxue hiding behind the shelf , hold your breath and dare not move.

Ugh!

At this time, Yue Feng became more and more worried, patted his forehead, and muttered: “What a silly girl, everyone said that she is not the opponent of Prince Aotian, why don't you listen?”

At this time, Yue Feng , determined that Liu Ruxue had left Haitang Garden. Unnoticed, Liu Ruxue was hiding behind the shelf and turned into a child of three or four years old.

Silly girls?

At this moment, Liu Ruxue's face instantly flushed when she heard Yue Feng's name for her behind her back, and she couldn't help but retort: "Bastard, who are you calling a stupid girl?"

When she said this, Liu Ruxue was very angry, but the voice that came out was milky and milky.

As soon as she finished speaking, Liu Ruxue quickly covered her mouth.

Finished, exposed.

"Fuck..."

When suddenly heard a child's voice, Yue Feng was startled, and hurriedly walked towards the mouth of the shelf.

The next second, seeing Liu Ruxue hiding inside, Yue Feng was startled: "Whose child is this?" As he spoke, he pulled Liu Ruxue out.

After pulling it out, Yue Feng looked up and down at Liu Ruxue and nodded in approval.

This girl doll, looks pink and jade, and endearing.

But... I have never heard of such an old child in Haitang Garden.

Thinking to himself, Yue Feng asked Liu Ruxue, "Little sister, what's your name? Why are you hiding behind the shelf? Also, did you speak just now?"

At this time, Yue Feng still didn't know. , The girl doll in front of her is Liu Ruxue.

Hearing the question, Liu Ruxue's face turned stern and fierce: "I want you to take care of it."

Ouch?

Hearing this response, Yue Feng couldn't help but burst into laughter: "You're young, so you have a good temper. Well, if you don't tell me, then I'll ask someone else to ask."

After speaking, he was about to walk out of the alchemy recipe. Call someone to inquire about the situation.

"Don't..."

Seeing this scene, Liu Ruxue felt anxious, hurried up to protect Yue Feng's legs, shook her head and said, "Don't let anyone in." At this moment, if the entire Haitang Garden were to be People know, how will they see people in the future.

The

leg was hugged, Yue Feng stopped and looked down at her: "Huh? Are you so scared? Are you being bullied?"

Such a small child can only hide on the shelf if he is wronged behind?

Thinking to himself, Yue Feng hugged Liu Ruxue and said with a smile: "Come on, tell uncle, who are your parents? Why are you hiding in the pill recipe?"

At this time, in Yue Feng's heart, he thought The little girl in front of her is the daughter of the altar master of Tianmen.

"You..."

Liu Ruxue was shy and angry, she didn't answer directly, but kept twisting and struggling: "You...don't hug me, just put me down." Her expression was very anxious, but her voice was soothing. Milky voice, indescribably cute.

At this time, Liu Ruxue almost wanted to cry without tears.

He had been taken advantage of by Yue Feng several times before, and even her innocence had been taken away by her. Now that she has become a child, she is really ashamed to be held in his arms again.

Uh....

Seeing the little girl resisting him so much, Yue Feng was very embarrassed and put her down.

After landing, Liu Ruxue hurriedly tidied up the underwear on her lower body, which barely covered her body. If it was a child, it would be fine, but she was not a child, but became like this.

After finishing things up, Liu Ruxue bit her lip lightly, not looking at Yue Feng, and said in a low voice, "I...I'm not a child, I'm Liu Ruxue."

After saying this, Liu Ruxue hung down . Head, can't wait to find a crack to get in.

Shame, so shameful.

“puff...”

At this moment, Yue Feng just picked up the tea cup on the table and took a sip. Hearing Liu Ruxue’s words, he spit out a sip of tea on the spot.

You didn’t hear it wrong.

This girl... is Liu Ruxue?

In shock, Yue Feng looked at Liu Ruxue closely: “What are you talking about, are you Liu Ruxue?”

Li Ruxue nodded with a blushing face.

call!

At this moment, Yue Feng took a deep breath, his mind was completely messed up, and he didn’t recover for a while.

However, Yue Feng also noticed that the long skirt hidden behind the shelf was exactly what Liu Ruxue wore before, and the girl doll in front of her was wearing... adult women only wear close-fitting underwear. ....

Shit... Could she really be Liu Ruxue?

No, it’s so good, how did she change from a sexy beauty to a girl who is only three or four years old?

For a time, countless question marks appeared in Yue Feng’s mind.

In the end, Yue Feng looked at Liu Ruxue seriously: “What the hell is going on?”

“It’s all your fault!”

Seeing Yue Feng mention this, Liu Ruxue didn’t get angry and stepped forward and kicked it hard. Yue Feng’s foot: “The strange medicinal pill that I made became like this after I ate it.”

To Yue Feng, this foot was like a scratch, no pain or itching.

However, upon hearing her words, Yue Feng was stunned for a moment, then turned his head to look at the table, only to realize that the medicinal pill he had refined before was gone.

Haha...

After a few seconds, Yue Feng reacted and couldn't help laughing.

After a long time, Liu Ruxue became like this because she ate that pill. It turned out that the effect of this medicine pill was to turn people into children.

Seeing Yue Feng burst into laughter, Liu Ruxue was so angry: "What are you laughing at, think of a way."

"What can I do?"

Yue Feng smirked and shrugged: "This medicinal pill is I practiced it blindly, and there is no antidote at all." After speaking, Yue Feng explained the process of refining the medicinal pill in detail.

In particular, the main ingredient of the medicine pill is the poisonous blood exchanged by Sun Dasheng, and he said it exactly.

What?

Knowing the situation, Liu Ruxue trembled and panicked.

There is no antidote, can I not change back?

"Liu Ruxue!"

Seeing that she was about to cry in a hurry, Yue Feng smiled and comforted: "Don't panic, since you took the medicine pill and became like this, I will be responsible, so let's do it, I will treat you in the future. Raise you like a child bride, and then you will marry me."

When he said this, Yue Feng was secretly happy.

I didn't expect that the medicinal pills refined by poisonous blood would have the effect of rejuvenating youth. One day, if I have time, I can practice a few more pills, maybe it will be useful in the future.

## **The ultimate husband in Chinese chapter 5726**

Swish!

Hearing this, Liu Ruxue was embarrassed and angry, and shouted fiercely: "Shut up, who is going to be your child bride." As

she spoke, Liu Ruxue raised her hand to fight.

It's just that she is too short, and the way she raises her hand high is cute and cute.

Haha...

How could Yue Feng be hit by her? He laughed out loud at the time, and grabbed the underwear on Liu Ruxue's body as soon as he raised his hand, but he didn't have a good grasp of the strength. torn in half.

In an instant, I heard Liu Ruxue exclaim, and then hid behind the chair. At that time, she was furious: "Yue Feng, you...you bastard..."

Uh...

Yue Feng's hand Holding the torn underwear, his face was embarrassed: "This... I'm sorry, I don't know this dress, it's so weak."

After speaking, Yue Feng walked over slowly: "It didn't hurt you... ."

Liu Ruxue interrupted her before she had gone two chapters, her face flushed brightly: "Don't come here, stop..." Although he is only three or four years old in his current state, he will be seen by Yue Feng. , is also very embarrassing.

Yue Feng stopped, scratched his head and said, "Okay, I won't go over there."

This Liu Ruxue's temper is so outrageous that ordinary men can't control it at all.

"Hey!"

Just as Yue Feng was muttering to himself, Liu Ruxue said angrily: "What are you still doing? Find me some clothes." How can I meet people like this?

This chapter is provided by . Visit for daily update.

Yue Feng was awake and nodded: "Okay, I'll find you..."

With that said, Yue Feng was about to turn around and walk out of the pill room, but before he got to the door, he thought of something, looked back at Liu Ruxue and said, "But there is no girl as big as you in Haitang Garden."

Yue Feng said That's right, in Haitang Garden, the youngest child is Moyan's child, who is not yet one year old at this time, and the clothes are too small for Liu Ruxue to wear.

This is how to do?

Hearing this, Liu Ruxue frowned and stomped her feet in a hurry.

A few seconds later, Liu Ruxue bit her lip lightly and said, "In this way, take me out to buy." As she spoke, Liu Ruxue looked at the sky outside.

It will be dawn soon, and if someone comes in later and sees that he is not wearing anything, it will be troublesome.

call! Listening to the tone of her order, Yue Feng scratched his head and did not answer immediately, but said with a smile: "It

's not impossible for you to buy clothes for you, but I want to ask, why should I listen to you?"

Liu Ruxue, who is always on the top, thinks she is right, don't take the medicine pill to make her smaller this time, she must tease her with such a rare opportunity.

Seeing Yue Feng suddenly say this, Liu Ruxue was stunned.

Later, Liu Ruxue reacted and frowned: "Yue Feng, what do you mean?"

"It doesn't make any sense."

Yue Feng shrugged and said with a half-smile: "I thought about it just now, but you didn't allow it. , taking the medicine pill, this is your mistake, why should I help you?"

When he said this, Yue Feng was serious, but secretly laughed.

"you...."

Hearing this, Liu Ruxue's face flushed, and she was so angry at the time: "You bastard, get out, I don't want to see you..." This Yue Feng is really shameless, it's obviously the medicinal pill you made, and it hurt me In this way, he still speaks sarcastic words.

oops? Also let me go?

Seeing her expression, Yue Feng sighed deliberately and said with a wry smile: "Okay, since you are bothering me so much, then I'll go." The voice fell, and Yue Feng turned around and was about to leave.

In fact, Yue Feng didn't plan to leave, just pretended to scare her.

"Hey....Stop...."

As soon as he walked outside the door, Liu Ruxue shouted eagerly from behind.

Yue Feng stopped, looked back, and saw Liu Ruxue biting her lips tightly, her young face full of tangle.

“Just let me get out, and now let me stop, what are you trying to do?” Yue Feng licked his ears and asked with a smile.

call!

Facing Yue Feng’s gaze, Liu Ruxue looked away, not looking at him, and said in a low voice, “I’m sorry, I shouldn’t have let you go, you... what are you going to do to help me?”

” At the end, Liu Ruxue lowered her head and blushed.

“This...”

Yue Feng scratched his head, pretended to think for a while, and said slowly, “Well, call me a good husband, and I’ll take you to buy floral clothes.”

## **The ultimate husband in Chinese chapter 5727**

Swish!

When the words fell, Liu Ruxue’s face instantly became hot, and she stamped her feet: “Don’t even think about it.” This Yue Feng is really not serious.

“I don’t want to.”

Seeing her reaction, Yue Feng looked very disappointed: “Well, you can find a way yourself.” After speaking, he pretended to leave again.

Seeing this scene, Liu Ruxue was completely anxious. At that time, she gritted her teeth: “Okay, my name is, okay... Good husband.” The

last four words were very low and very small, and if you didn’t listen carefully, you couldn’t hear them at all.

To be honest, when Yue Feng took away his innocence, Liu Ruxue hated it to death. At this time, he was forced to call her husband, and her heart was even more resistant. But there is no way, if Yue Feng doesn’t help, and he will be seen by others later, he will be really embarrassed in the future.

Haha...

Seeing her finally softened, Yue Feng showed a smile and nodded: “Well, is this good? Let’s go, there is a seaside pedestrian street, not far from Haitang Garden, let’s go there now, just in time to open the door. “

However, Liu Ruxue didn't move, she still hid behind the chair, and whispered, "How can I go now?" After becoming a child, there was no inner strength at all.

More importantly, now that there is no cover on the body, wouldn't it be more conspicuous to follow Yue Feng?

Yeah....it's a hassle.

At this moment, Yue Feng also scratched his head, and then thought of something, and said with a smile: "Well, I'll hold you and walk quickly, no one will notice." With

that, Yue Feng took out the long skirt behind the shelf, threw it to Liu Ruxue: "Although this dress is big for you now, it can cover it, you should pay attention to it."

Well!

This chapter is provided by . Visit for daily update.

Liu Ruxue responded and wrapped her skirt around her body.

Seeing that she was done, Yue Feng walked over, hugged Liu Ruxue in his arms, and quickly walked out of the pill room.

In an instant, Liu Ruxue's immature face turned red all of a sudden.

Yue Feng was very fast and walked out of Haitang Garden through the back door in the blink of an eye.

Ok?

At this moment, several disciples guarding the back door, before they could react, saw that Yue Feng was already on his way down the mountain, and they couldn't help but whisper.

"Brother Feng, why did you go out so early?"

"Who knows, just now I seem to see that Brother Feng is holding something in his arms, it seems to be a girl..."

"You were stupid on duty last night? Let's How can there be a little girl here?" The named disciples continued to stand there, guarding the surrounding area.

On the other side, after Yue Feng took Liu Ruxue down the mountain, he went straight to Haiwang Street.

Adjacent to the seaside, Haiwang Street is the most famous commercial street in Donghai City. There are many shops on both sides of the street. It is the favorite check-in place for young men and women.

When Yue Feng and Liu Ruxue arrived, it was just dawn, many shops had not yet opened, and there were not many tourists, which seemed a little deserted.

Phew...

After turning around, Yue Feng saw that a children's clothing store had just opened, and immediately rushed in with Liu Ruxue in his arms.

"Boss!"

The moment he entered the store, Yue Feng put down Liu Ruxue and said, "Buy two sets of clothes that she can wear."

Liu Ruxue looked around at the children's clothes hanging on the walls on both sides. She felt dizzying. There were so many children's clothes, and the styles were very unique.

The Lagerstroemia Continent where Liu Ruxue was before was still in ancient times. At this time, she suddenly went to a modern clothing store, which felt like a dream.

Swish!

The shop owner was a woman in her forties, fat and plump, with a rich face. When she heard Yue Feng's words, she did not rush to introduce the clothes, but looked up and down at Yue Feng and Liu Ruxue.

Especially when she saw Liu Ruxue, she frowned.

The girl's eyes were red, and she seemed to have cried. Moreover, her young body was wrapped in an adult's long dress. No matter how you look at it.

Could it be that I met a human trafficker who abducts and sells children...

You know, in the past few years, there have been disputes in the rivers and lakes of the Kyushu continent, and various places are not peaceful. Two days ago, I heard that someone was playing at the beach and the child was abducted. Haven't found it yet.

Thinking of this, the proprietress first glanced at Yue Feng vigilantly, and then asked Liu Ruxue, "Child, where are your parents? How did you do this? Tell Auntie, have you encountered any bad guys?"

## **The ultimate husband in Chinese chapter 5727**

Swish!

When the words fell, Liu Ruxue's face instantly became hot, and she stamped her feet: "Don't even think about it." This Yue Feng is really not serious.

"I don't want to."

Seeing her reaction, Yue Feng looked very disappointed: "Well, you can find a way yourself." After speaking, he pretended to leave again.

Seeing this scene, Liu Ruxue was completely anxious. At that time, she gritted her teeth: "Okay, my name is, okay.... Good husband." The

last four words were very low and very small, and if you didn't listen carefully, you couldn't hear them at all.

To be honest, when Yue Feng took away his innocence, Liu Ruxue hated it to death. At this time, he was forced to call her husband, and her heart was even more resistant. But there is no way, if Yue Feng doesn't help, and he will be seen by others later, he will be really embarrassed in the future.

Haha...

Seeing her finally softened, Yue Feng showed a smile and nodded: "Well, is this good? Let's go, there is a seaside pedestrian street, not far from Haitang Garden, let's go there now, just in time to open the door. "

However, Liu Ruxue didn't move, she still hid behind the chair, and whispered, "How can I go now?" After becoming a child, there was no inner strength at all.

More importantly, now that there is no cover on the body, wouldn't it be more conspicuous to follow Yue Feng?

Yeah....it's a hassle.

At this moment, Yue Feng also scratched his head, and then thought of something, and said with a smile: "Well, I'll hold you and walk quickly, no one will notice." With

that, Yue Feng took out the long skirt behind the shelf , threw it to Liu Ruxue: "Although this dress is big for you now, it can cover it, you should pay attention to it."

Well!

Liu Ruxue responded and wrapped her skirt around her body.

Seeing that she was done, Yue Feng walked over, hugged Liu Ruxue in his arms, and quickly walked out of the pill room.

In an instant, Liu Ruxue's immature face turned red all of a sudden.

Yue Feng was very fast and walked out of Haitang Garden through the back door in the blink of an eye.

Ok?

At this moment, several disciples guarding the back door, before they could react, saw that Yue Feng was already on his way down the mountain, and they couldn't help but whisper.

"Brother Feng, why did you go out so early?"

"Who knows, just now I seem to see that Brother Feng is holding something in his arms, it seems to be a girl..."

"You were stupid on duty last night? Let's How can there be a little girl here?" The named disciples continued to stand there, guarding the surrounding area.

On the other side, after Yue Feng took Liu Ruxue down the mountain, he went straight to Haiwang Street.

Adjacent to the seaside, Haiwang Street is the most famous commercial street in Donghai City. There are many shops on both sides of the street. It is the favorite check-in place for young men and women.

When Yue Feng and Liu Ruxue arrived, it was just dawn, many shops had not yet opened, and there were not many tourists, which seemed a little deserted.

Phew...

After turning around, Yue Feng saw that a children's clothing store had just opened, and immediately rushed in with Liu Ruxue in his arms.

"Boss!"

The moment he entered the store, Yue Feng put down Liu Ruxue and said, "Buy two sets of clothes that she can wear."

Liu Ruxue looked around at the children's clothes hanging on the walls on both sides. She felt dizzying. There were so many children's clothes, and the styles were very unique.

The Lagerstroemia Continent where Liu Ruxue was before was still in ancient times. At this time, she suddenly went to a modern clothing store, which felt like a dream.

Swish!

The shop owner was a woman in her forties, fat and plump, with a rich face. When she heard Yue Feng's words, she did not rush to introduce the clothes, but looked up and down at Yue Feng and Liu Ruxue.

Especially when she saw Liu Ruxue, she frowned.

## **The ultimate husband in Chinese chapter 5728**

When she said the last sentence, the proprietress couldn't help but glance at Yue Feng.

Obviously, this is taking Yue Feng as an adult trafficker.

To be honest, ordinary people would not dare to ask such a straightforward question, but this proprietress is not afraid, because his husband is a police officer and is responsible for the safety of the Haiwang Street generation.

The proprietress had already thought about it. Once she confirmed that the man in front of her was a human trafficker, she immediately called her husband.

This...

Although Liu Ruxue has been in the rivers and lakes for many years, this is the first time that she has encountered such a situation. When she heard the question from the proprietress, she was stunned and didn't know how to respond.

What the fuck...

Yue Feng was also stunned for a moment, a little dumbfounded.

Listening to what this lady boss means, she is treating me as an adult trafficker.

Thinking to himself, Yue Feng quickly reached out and touched Liu Ruxue's head, then smiled and said to the proprietress: "Madame proprietor, you have misunderstood, we are a family and we are not in danger."

After speaking, Yue Feng thought for a while. , continued to explain: "It's like this, this is my child, our family came to Donghai City for a tour, and just took her to the beach to play, but the skirt was washed away by the sea, so I temporarily wrapped her in her mother's clothes. Then come buy two clothes."

Seriously, if it were normal, Yue Feng would not bother to explain.

But the proprietress in front of her had such a sense of justice that she couldn't be fooled, so she could only make up a lie.

Swish!

At this moment, Liu Ruxue's face flushed, and she couldn't help whispering, "Who is your family?"

This chapter is provided by . Visit for daily update.

This Yue Feng is really hateful, and he still keeps his mouth shut.

Liu Ruxue's voice was so small that the proprietress couldn't hear it at all.

However, the proprietress was skeptical of Yue Feng's explanation, and frowned at the time: "You are a family?" When she spoke, her eyes were full of suspicion and she didn't believe it at all.

Uh....

Facing this situation, Yue Feng was very speechless, so he said to Liu Ruxue: "Xiaoxue, I told you not to jump into the sea, but you didn't listen, don't tell me if you lost your clothes, now He was also misunderstood."

"Quick, call Dad, otherwise, this aunt thinks Dad is a human trafficker."

When he said this, Yue Feng looked serious, but his heart blossomed with joy, this Liu Ru Xue, on weekdays, is arrogant, but not arrogant.

Now I have become a child, and I don't take advantage of the cheap.

Swish!

Hearing this, Liu Ruxue trembled, biting her lip, very embarrassed.

This bastard, Yue Feng, had taken advantage of me by calling me husband before, and now I am calling you father again.

It's so shameless.

But seeing the lady boss who was staring at her, Liu Ruxue knew that if she didn't call, not only would the other party not sell clothes, but she would also call someone to investigate her relationship with Yue Feng.

At that point, I'm afraid it's even more unclear.

Thinking of this, Liu Ruxue bit her lip, and despite the reluctance in her heart, she finally called out to Yue Feng softly: "Dad..."

But the voice was very small, like a mosquito.

"Ah.."

Yue Feng replied with a smile, reached out and touched Liu Ruxue's head: "That's good, when Dad buys you clothes, we'll have a fight with Mom."

As he said that, Yue Feng looked at the lady boss and smiled: "How is it? Do you believe it now?" The

lady owner's eyes flickered, but instead of answering directly, she took Liu Ruxue's hand: "Is your name Xiaoxue? You look so beautiful, When she grows up, she must be a beautiful woman."

"Auntie here, I just got a few new styles, I'll let you try

them later ." Snow went to the fitting room.

call!

Seeing this scene, Yue Feng breathed a sigh of relief, then sat on the stool at the door and waited.

However, Yue Feng did not know that the moment the proprietress entered the fitting room, she took out her mobile phone and sent a message to her husband.

Yes, even though Liu Ruxue called Yue Feng's father, but the proprietress has been in business all the year round and has a lot of knowledge. Her sixth sense told her that the relationship between the man sitting at the door and the little girl was definitely not easy.

I have to say that Liu Ruxue was born to be a beauty embryo. I tried several sets of clothes, and each one looked fresh and lovely.

## **The ultimate husband in Chinese chapter 5729**

Oh!

At this moment, Yue Feng couldn't help feeling secretly after seeing Liu Ruxue change a few sets of clothes.

This Liu Ruxue really has a good foundation and looks good in whatever she wears, but it's a pity that her personality is too cold and arrogant.

Just thinking about it, Liu Ruxue has already chosen a few sets.

Yue Feng got up and gave the money, and was about to lead Liu Ruxue away.

"Don't go!"

But at this moment, the proprietress suddenly pulled Liu Ruxue behind her and grabbed Yue Feng's arm.

What the hell!

Yue Feng was stunned for a moment and tried to break free, but found that the proprietress was very strong, and smiled bitterly at that time: "Madam, what do you mean? It's not that I didn't give money."

Seriously, the proprietress is an ordinary person, no Cultivator, Yue Feng only needs to mobilize his divine power, and he can easily shake her away, but considering that this will hurt the other party, he holds back.

The proprietress clutched Yue Feng's arm tightly and shouted: "You gave money, but you are not the father of this child, you are a trafficker." The tone was firm and unquestionable.

What?

Hearing this, Yue Feng couldn't help laughing and crying: "Eldest sister, what evidence do you have to prove that I am a human trafficker?" Have you

watched too many movies of this proprietress?

At the same time, Liu Ruxue, who was next to him, was also anxious, and said to the proprietress: "Auntie, he is really my father." To be honest, Liu Ruxue was very resistant

to admitting that Yue Feng was his father's business, but She was in a hurry to get back to the way she was, and she didn't want to get caught up in these trivial matters.

"Child, don't be afraid."

However, after listening to Liu Ruxue's words, the proprietress didn't mean to let go at all, but comforted Liu Ruxue: "I know you were threatened by him, and I had to say that just now, if you are worried, Auntie will protect you, never It will make you fall into the hands of the bad guys." As

she spoke, the proprietress grabbed Yue Feng's arm and shouted at the door, "Someone, there are traffickers here, come and catch the bad guys."

At this time Almost all the other shops outside are open, and there are many people on the street.

Moreover, the proprietress was very loud, and in an instant, when they heard the shout, many people gathered around.

Whoa....

Everyone gathered around the door, their eyes all focused on Yue Feng.

"Human traffickers?"

"Dare to kidnap a child in broad daylight?"

"Catch him and put him in jail."

The angry shouts from the crowd kept coming, Yue Feng was speechless and wanted to cry without tears.

Nima....

what is this called?

But I have to say that this lady boss has a sense of justice.

Thinking to himself, Yue Feng explained to the crowd: "Everyone misunderstood, I'm not the kind of person you think, this is really my daughter." As he said that, he blinked at Liu Ruxue and motioned for her to help say.

Liu Ruxue was originally very anxious, but when she saw Yue Feng being scolded by everyone, she suddenly felt relieved.

This Yue Feng, who is not serious all day long, always takes advantage of me, is now regarded as an adult trafficker, and wants me to help? I don't help.

Thinking to herself, Liu Ruxue quietly hid behind the proprietress, sticking out her tongue at Yue Feng playfully.

What the fuck?

Seeing Liu Ruxue's reaction, Yue Feng's expression was stunned, some were dumbfounded, and some were angry.

Good you Liu Ruxue, see me being criticized, forget it if you don't help, and still gloat in misfortune?

At this time, there were more and more people outside the door. After learning about the situation, they all yelled at Yue Feng. For a while, Yue Feng became the target of public criticism, like a mouse crossing the street, everyone shouted and beat him.

"Get out of the way, get out of the way."

At this moment, a police officer separated from the crowd and walked over quickly. He was around forty years old, with a Chinese character face, and a righteous body. It was the boss's husband, Guo Wei.

"Where are the traffickers?"

Guo Wei looked around and asked. As a police officer, what Guo Wei hates most is human traffickers. He rushed over immediately after receiving the news.

As soon as he finished speaking, the proprietress raised her finger and pointed at Yue Feng: "It's him."

Guo Wei looked up and down at Yue Feng, without saying a word, took out the iron handcuff, placed it on Yue Feng's wrist, and said coldly, "Follow me. Take a walk." What the

hell!

Yue Feng was stunned for a moment, then smiled bitterly: "You misunderstood, I'm really not a trafficker. I'm Tianmen Yue Feng." To be honest, Yue Feng didn't want to reveal his identity, but there was really no other way to do this. .

What?

Hearing this, whether it was Guo Wei, the proprietress, or the others around, they were all stunned.

What does this kid say? Is he Yue Feng from Tianmen?

Hero of Kyushu, Yue Feng who founded Tianmen?

Huh...

After a few seconds, Guo Wei reacted and looked at Yue Feng up and down: "Are you Yue Feng?"

Yue Feng nodded and said with a wry smile: "If it's a fake, you can replace it." Speaking of which, he is considered a splendid Kyushu. It's a shame that a famous person was caught as an adult trafficker at this time.

However, as soon as the words fell, the proprietress stepped forward and pointed at Yue Feng's nose and scolded: "You are a trafficker who has suffered thousands of knives, you are not small, and you dare to say that you are Yue Feng, save you, and bring shoes to my idol. Not worthy."

Yes, although this proprietress is not a cultivator, she has always been in business, she is well-informed, and has a very good understanding of things in the arena, and the one she admires the most is Yue Feng.

As soon as the words fell, everyone around them also attacked Yue Fengkou.

"This guy really dares to brag."

"Yeah, he actually said that he is Yue Feng?"

"Hehe, Yue Zongism Bo Yuntian, how could he abduct and sell children?"

Like the proprietress, everyone around thought Yue Feng was nonsense. eight.

Speaking of which, all the people present were locals from Donghai City, and they all knew what Yue Feng looked like. However, Yue Feng has experienced so many things recently, and the unshaven one has not been taken care of, so everyone has not recognized it.

At this time, Guo Wei waved his hand to signal everyone to be quiet, and then looked at Yue Feng with a half-smiling smile: "Boy, you are really brave, even if you are suspected of kidnapping and selling children, you still dare to pretend to be Yue Feng."

"You know who Yue Feng is . The pride of our Donghai City, the hero of the Kyushu Continent, you also want to impersonate him, do you have the qualifications? I tell you, now you have one more crime, impersonating someone else..." As he

said, Guo Wei pulled Yue Wind, get into the police car.

“What happened here?”

At this moment, a loud shout came from not far away, and then, a big man with a few companions rushed over quickly.

The big man is 1.9 meters tall, and looks like an iron tower from a distance, and his body is filled with a powerful aura.

It was the altar master of the sub-altar in Donghai City, Wei Changhai, who set up Tianmen.

Just now, Wei Changhai led his subordinates to patrol the area of Haiwang Street. Linger was killed in Haitang Garden before. The entire Donghai City was turned over by Tianmen, but there was no clue at all, but Wei Changhai did not give up. Come to Haiwang Street and see if there are any suspicious people. Seeing Wei Changhai, Guo Wei hurriedly greeted him with a smiling face: “Why are you here? It’s okay, it’s just a human trafficker, and I’m about to take it away for investigation.”

Hearing this, Wei Changhai frowned, and then followed the eyes of everyone.

Seeing this, Wei Changhai’s expression changed, and the cold sweat broke out at that time, and he rushed to Yue Feng with three steps and two steps.
