

## The ultimate husband in Chinese chapter 5751-5760

Hu....

After a while, Nalan Wushuang woke up faintly, saw Timur and the others in front of him, and was suddenly shocked: "You... Who are you? What are you going to do?"

"", Nalan Wushuang shrank back and instinctively grabbed the long sword on his body.

"Girl!"

Seeing her reaction, Timur quickly raised his hands and calmly said: "Don't be nervous, we are not bad people, I saw you floating in the river just now and you were injured, so I will take you down. I've been rescued."

After speaking, Timur couldn't help but ask: "Where is the girl? Did you meet a bandit?"

Timur had a great sense of justice. Feeling pity, I want to help people to the end and escort her home.

"I..."

Hearing the question, Nalan Wushuang frowned, trying to think about everything that happened before, but his mind was blank, and he couldn't remember anything.

"Who am I..." The more Nalan Wushuang thought about it, the more headache he remembered: "Why am I here?"

Yes, Nalan Wushuang was injured by Prince Aotian's palm before, and then he After soaking in the river for several hours, he has lost his memory, completely forgetting who he is and where did he come from?

This...

Seeing this, Timur was stunned.

The dozen or so Rakshasa warriors behind them also looked at each other in dismay, not knowing what to do for a while.

Soon, Timur reacted and asked, "Girl, do you remember how you fell into the water?" If the girl lost her memory, it would be troublesome.

This chapter is provided by . Visit for daily update.

Even if she wanted to help, she couldn't contact her family.

"I..." Nalan Wushuang bit his lip tightly, his eyes full of blankness: "I forgot."

Timur sighed, seeing her helpless appearance, just about to console her.

hum!

However, at this moment, a powerful aura burst out from a distance. In an instant, Timur instinctively protected Nalan Wushuang behind him, and then turned to look at him together with a dozen Rakshasa warriors.

I saw a figure coming quickly from the bank of the river 100 meters away.

He is a heroic and extraordinary man, wearing a dark green robe, showing nobility and extraordinariness, but his face is filled with evil spirits, and his eyes are even more flickering with heart-pounding light.

It was the Aotian Prince who had searched all the way.

Swish!

At this moment, Prince Aotian glanced over the crowd, locked Nalan Wushuang tightly, and a hint of gloomy expression appeared at the corner of his mouth: "Stinky girl, you have a great fate, but it's a pity that it didn't fall into my hands in the end?"

After chasing along the river for more than two hours, Prince Aotian was very impatient, and when he saw Nalan Wushuang, he couldn't restrain himself.

hum!

The last word fell, and the figure of Prince Aotian burst out, just wanting Nalan Wushuang to come. At this time, Prince Aotian just wanted to kill Nalan Wushuang quickly and return to Wudang.

As for the people of the Rakshasa tribe like Timur, Prince Aotian didn't pay attention to them at all.

Seeing Prince Aotian burst out, and feeling the killing intent on his body, Nalan Wushuang's delicate body trembled, her delicate face instantly turned pale, and she was so panicked.

"Wait."

At this moment, Timur frowned, shouted at that time, and stopped Prince Aotian: "Your Excellency has something to say slowly, there is no need to kill a girl, right?"

The voice is not loud, but the words are righteous.

Ok?

Prince Aotian was stunned for a moment, his figure was suspended in mid-air, he looked at Timur up and down, and said coldly: "Don't mind your own business, get out of the way. Otherwise, I will kill you all together."

It is no wonder that Prince Aotian has integrated the internal power of the seven swords of Wudang, and has successfully reshaped the primordial spirit.

This man is so crazy.

Hearing this, Timur's face sank.

Qiang Qiang...

At the same time, a dozen Rakshasa warriors around also pulled out their machetes and glared at Prince Aotian.

The purpose of the Rakshasa clan is not to pick things up, not to be afraid of things, but once someone offends, they must deal with it with thunder. They all felt that the Aotian Prince in front of him was very powerful, but none of the dozen or so Rakshasa warriors flinched.

## **The ultimate husband in Chinese chapter 5752**

Hehe..

Seeing the reaction of everyone in Timur, the corner of Prince Aotian's mouth evoked a contemptuous smile.

Immediately, Prince Aotian looked at Nalan Wushuang: "It's interesting, I didn't expect you to find helpers in such a short time. Do you think they can stop me? How naive!"

Nalan Wushuang bit her tightly. With his lips, he met Prince Aotian's gaze, and said coquettishly: "What kind of grievance is between me and you, you want to kill me?" Because of amnesia, Nalan Wushuang forgot his identity, and naturally he couldn't remember the Aotian Emperor in front of him. son.

Amnesia?

Hearing this, Prince Aotian frowned. Looking at Nalan Wushuang's expression, he didn't seem to be pretending

. Then, Prince Aotian glanced coldly at Timur: "My last warning, get out now, or all of them will die."

Phew!

Timur took a deep breath, and was not frightened at all, but stared at Prince Aotian: "You hit this girl's injury, right?"

Prince Aotian sneered and didn't respond.

Seeing him like this is tantamount to acquiescing, and Timur has a firm look on his face: "I don't care what kind of grievances and grievances you have, in short, I am here, and you will never want to hurt her."

Although the Rakshasa people advocate force, they are not allowed to bully the weak matter.

"Long-winded!"

At this moment, Prince Aotian was too lazy to talk nonsense, and spit out a few words coldly: "Since you are courting death, then I will fulfill you." The voice fell, and the figure erupted again, heading straight for Timur.

hum!

This chapter is provided by . Visit for daily update.

The powerful aura fluctuations made the surrounding air extremely distorted.

What a powerful force.

At this moment, Timur was startled, but his eyes flashed with determination. At that time, he did not hesitate at all, and his whole body was urged to meet him with a palm.

boom!

In an instant, the palms of the two sides collided, and a roar was heard. Then, Timur groaned, and the figure was directly shaken to the ground, and then he took a dozen steps back to stabilize the figure.

And Prince Aotian's figure swayed, his expression as usual.

This person is so young, yet possesses such domineering power...

After stabilizing his figure, Timur looked at Prince Aotian closely, his heart was full of shock, the blood in his body was churning, and his internal organs were almost displaced.

What?

At the same time, the expressions of the surrounding dozen Rakshasa warriors also changed, and they were all shocked.

The strength of this young man is too strong.

You must know that Timur is one of the best gold medal warriors in the Rakshasa clan, and he is also the right arm of the Queen. His strength is unfathomable, and facing this young man at this time, he can't even catch a palm.

"It's just a bunch of clowns jumping on the beam."

At this time, Prince Aotian, who was suspended in mid-air, was full of contempt in his eyes: "With this little strength, you want to be a hero to save the beauty? You must know that being a hero has to pay a price."

Whoosh!

The last word fell, Prince Aotian's divine power exploded, and his figure was like a bolt of lightning, coming straight towards Timur.

Timur did not dare to be careless, so he pulled out his machete and shouted at the surrounding warriors: "Form a formation, a net of heaven and earth!

"

Hearing the order, more than a dozen Rakshasa warriors erupted one after another and surrounded Prince Aotian in midair.

For a time, I saw the machete swinging out a cold light, intertwined into a knife net, directly blocking the retreat of Aotian Prince, front and back, left and right, and the sky was torn as the sword light flickered.

The Tianluodiwang is a unique blade formation of the Rakshasa tribe. It is very fierce and domineering. When the Kyushu Alliance fought against the Rakshasa tribe, many people died under this blade formation.

Timur is extremely talented. After being entrusted by Mona half a year ago, he improved the Tianluodi net several times, making this sword formation more powerful and domineering.

call!

In front of this scene, Nalan Wushuang's delicate body trembled faintly, and the whole person was stunned.

She could feel it, the sword formation in front of her, every time it changed, there was nowhere to hide the ultimate move, but... Can you deal with this terrifying man?

In the blink of an eye, half an hour passed, and in mid-air, Timur and a dozen Rakshasa warriors cooperated closely, but they were unable to suppress Prince Aotian.

## **The ultimate husband in Chinese chapter 5753**

Even so, Prince Aotian couldn't rush out of the sword array.

"It's over!"

For a while, Prince Aotian was a little anxious, shouted angrily, and his divine power exploded completely, and then, he saw a group of golden beams bursting in the sword formation.

Bang Bang Bang...

Under the terrifying power raging, more than a dozen Rakshasa warriors groaned and were directly shaken back.

"Beyond your own power!"

Seeing this, Prince Aotian sneered, his expression extremely arrogant, and then his eyes locked on Nalan Wushuang, and he was about to rush over to kill her.

Buzz buzz...

But at this moment, there was a burst of breath fluctuations in the distant sky, and then, I saw several divine soldiers bursting out in golden armor.

These divine soldiers, who were patrolling nearby, sensed the fluctuation of divine power here, and immediately came over to check.

Mad!

Seeing these magical soldiers coming quickly, Prince Aotian's face suddenly became ugly, and he cursed in his heart.

It was a violation of heaven's rules to go to the lower realm of Kyushu privately, and to take away the power of others. Therefore, these magical soldiers must not be caught.

Otherwise, if Ao Lin knew about it, the consequences would be unimaginable.

Thinking about it, Prince Aotian gave Nalan Wushuang a very unwilling look, and said coldly, "You are lucky today, but you can't escape my palm if you escape to the ends of the earth." The

This chapter is provided by . Visit for daily update.

last word fell, Prince Aotian's figure erupted, and he quickly rushed into the distance.

"It's him..."

"It's very suspicious that a human being can use divine power..."

"Grab him."

Several divine soldiers, with their eyes locked on Prince Aotian, shouted and chased after him.

In the blink of an eye, several divine soldiers chased Prince Aotian and disappeared into the sky.

This... In

the face of this sudden situation, Timur and a dozen Rakshasa warriors were stunned for a while before gradually recovering.

The man just now, turned out to be using divine power?

It's no wonder that even the heaven and earth net can't suppress it.

Under the shock, one of the warriors came up and asked Timur, "That person ran away, what should I do with this girl?" As he spoke, he glanced at Nalan Wushuang subconsciously.

See, Nalan Wushuang at this time, his delicate face is full of helplessness.

call!

Timur took a deep breath, adjusted his inner breath, and said slowly: "Take her first and return to the clan together." This girl lost her memory, and leaving her here alone will inevitably lead to other troubles. .

"Yes."

Upon hearing the order, the warrior answered.

A few minutes later, Timur and a dozen warriors rushed in the direction of the Rakshasa tribe with Nalan Wushuang.

....

on the other side.

Prince Aotian pushed his speed to the extreme, trying to get rid of the few divine soldiers behind him.

However, he had just reshaped his primordial spirit, and his strength had not yet recovered to its peak. Before, it was more than enough to deal with Timur and others, but facing the pursuit of several divine soldiers, he had no chance of winning.

call!

Seeing that the divine soldiers behind him were getting closer and closer, Prince Aotian knew that he could not escape, so he took a deep breath and landed directly on the hillside below.

Swish swish...

Just after landing, several divine soldiers will also fall, and quickly surround Prince Aotian.

Immediately, the one in the lead looked at Prince Aotian up and down, and said coldly, "Who are you? Why do you have divine power in your body?" At the beginning, the four Xuangang gods would be devoured by the supreme demons and devoured their primordial spirit to their death. Things have a great impact on Tianjian, so in a similar situation, these magical soldiers naturally can't let any suspicious person go.

Ma De...

Faced with the questioning, Prince Aotian was furious.

I am a dignified royal family of the Divine Realm. When I was in the Divine Realm, whoever saw me was not respectful, but now, a few soldiers dared to question themselves.

However, he was angry in his heart, but Prince Aotian showed a polite smile and said, "Some of you may have misunderstood, I am Ye Yun, the head of Wudang, and I practice the Taoist pure yang method, how can I have divine power? You must be sure. It's a mistake."

Taoist exercises?

Hearing this, several divine soldiers looked at each other and sneered secretly.

Immediately, the leading divine soldier shouted angrily at Prince Aotian: "Bold, you already have a primordial spirit, do you think we are fools?"

## **The ultimate husband in Chinese chapter 5754**

"Take him!" The

last word fell, and several divine soldiers burst into divine power, rushing towards Prince Aotian.

"If you want to arrest me, come on."

Seeing this situation, Prince Aotian knew that the explanation was useless, and he was also angry at the time.

However, Prince Aotian had just reshaped his primordial spirit and had not yet recovered to his peak. With the cooperation of several divine soldiers, he was quickly suppressed.

boom!

In the end, a divine soldier slapped Prince Aotian on the back, and he heard a dull sound, and Prince Aotian was directly shaken back a few steps, and his face turned pale.

Taking advantage of the opportunity, other divine soldiers swarmed up and joined forces to subdue him.

"Take it back and hand it over to His Royal Highness for interrogation." The

leading divine soldier shouted loudly, and his companions tied Prince Aotian Wuhua, and then took him back to Qintian Prison quickly.

....

on the other side.

After Yue Feng and Liu Ruxue flirted with each other, they said goodbye to Shennong and returned to the villa in Donghai City.

When they arrived at the villa lobby, they saw Wen Chou Chou and Su Qingyan, all sitting there waiting for news.

"Fengzi!"

This chapter is provided by . Visit for daily update.

Seeing Yue Feng bringing Liu Ruxue back, Wen Chou Chou stood up and said with a smile, "Looking at the situation, Miss Liu is all right now."

This woman seems to have become more beautiful than the last time we met.

At this time, Wen Chou Chou didn't know that this was because Liu Ruxue took the inner elixir.

Yue Feng smiled and explained the situation in general.

Knowing the situation, Wen Chou Chou and everyone were secretly amazed.

"I didn't expect that the last antidote turned out to be the inner elixir of the snake..."

"It's really big in the world, there are no wonders."

Under the amazement of everyone, Wen Chouchou noticed the state of Yue Feng and Liu Ruxue, and immediately Haha smiled: "It's fine, that, I still have something to do, so I'll go out first."

As he spoke, he implied that the others would also leave.

Wen Chou Chou was a past person, and at a glance, he could see that the relationship between Yue Feng and Liu Ru Xue was beyond the scope of friends.

Soon, everyone also left one after another, leaving only Su Qingyan.

The atmosphere suddenly became awkward.

"Qingyan!"

Yue Feng spared his head and walked over with a smiling face.

Su Qingyan rolled his eyes at him, then stood up and smiled at Liu Ruxue: "I've been worrying about you all the time. Seeing that you're all right, I'm relieved."

Feeling Su Qingyan's sincerity, Liu Ruxue smiled. Ruxue's face flushed, and she said softly, "I'm sorry, I... I didn't mean to rob you of Yue Feng."

Before at Shennong's place, Liu Ruxue thought she was helpless, but then revealed her true feelings to Yue Feng, But facing Su Qingyan at this time, she felt unspeakable guilt, because she knew that Su Qingyan loved Yue Feng deeply.

call!

Hearing this, Su Qingyan breathed a sigh of relief and smiled lightly: "You came from another continent, and now you have a home, how could I blame you."

"You will sleep in my room tonight, we have known each other for so long. , I haven't had a good chat yet."

Hmm!

Seeing her so broad, Liu Ruxue instantly put down her anxiety and nodded with a smile.

Yue Feng, who was next to him, was stunned, and couldn't help but say, "You two sleep in the same room, where shall I sleep?" He thought that Su Qingyan would reject Liu Ruxue, but the result was unexpected.

Pfft...

Seeing Yue Feng's expression, Liu Ruxue couldn't help but smile and said, "You guard the door and stand guard for us."

Su Qingyan nodded in agreement.

Yue Feng was stunned for a moment, and then said with a wicked smile: "What are you standing on, the three of us can squeeze together, it's still okay, hehe..."

Just as he was talking and laughing, he heard a coquettish shout from outside.

"Yue Feng, come out for me." The

voice was clear and pleasant, but there was a hint of arrogance.

Swish!

In an instant, Su Qingyan and Liu Ruxue's eyes turned to Yue Feng, with a bit of anger on their faces.

"Yue Feng, how much love debt do you have outside?"

"Which woman is this?"

Yue Feng burst into tears and said, "Don't get me wrong, where can I still have a woman outside?" Quickly walked out to check the situation.

Su Qingyan and Liu Ruxue looked at each other and walked out.

## **The ultimate husband in Chinese chapter 5755**

Call!

Arriving outside the villa, Yue Feng was stunned for a moment.

I saw a slender figure outside the gate, with an undisguised anxiety between his brows.

It was Nalan gladly.

A few days ago, the family sent Nalan Wushuang to seek help, but a few days passed and there was no news at all. Nalan gladly couldn't wait and came to inquire about the situation.

As a result, the Tianmen disciple at the entrance of the villa said that Nalan Wushuang left Donghai City half a day ago.

Knowing the situation, Nalan Xinran was even more anxious. In half a day, Wushuang should have returned to the family, but she has not seen anyone yet.

Nalan readily suspected that the Tianmen disciple was lying, and in a hurry, he asked to see Yue Feng by name.

“Haha..”

At this time, seeing Nalan Xinran, Yue Feng was stunned for a moment, and then greeted with a smile: “Old classmate, long time no see.” As he spoke, he looked Nalan Xinran up and down.

After not seeing him for a few years, this Nalan gladly became more sexy and charming.

Seeing Yue Feng's appearance, Liu Ruxue, who followed behind, couldn't help pinching Yue Feng's waist.

hiss!

When the pain came, Yue Feng couldn't help taking a breath of cold air. He looked back at Liu Ruxue and said in a low voice, “Why are you pinching me?”

“Who told you to look around?” Liu Ruxue said angrily.

This chapter is provided by . Visit for daily update.

As soon as the words fell, Su Qingyan also whispered: “It's good.”

Yue Feng couldn't laugh or cry, and explained in a low voice: “This is my classmate at Shangwu Academy, Nalan Xinran.”

However, Su Qingyan and Liu Ruxue didn't listen at all, with a look that you dare to make a fool of yourself and want you to look good.

"Yue Feng!"

At this time, Nalan outside the gate happily said straight to the point: "Where is Nalan Wushuang? I want to see her."

Yue Feng waved his hand and motioned for the disciples who were guarding the door to step back.

The next second, Yue Feng invited Nalan to enter the hall. After everyone was seated, he said, "The girl has already left. Wen Ge deliberately arranged for a named disciple to escort him."

Hearing this, Nalan sat down completely. She couldn't stop, her eyebrows knitted tightly: "No, but she hasn't returned to the family until now. Could it be... something happened in the middle?"

She could see that Yue Feng did not lie. After all, these years The relationship between the Nalan family and Tianmen has always been good.

"Don't worry!"

Seeing her appearance, Yue Feng reassured him: "Maybe this girl is playful, and it's not necessarily the time delay. Well, you stay here first, and I will send someone to look for it and see if there are any clues. ."

Hmm!

Nalan thought for a while, then nodded.

That's all it can do now.

.....

On the other side, Qin Tianjian.

At the beginning, Gane made a big disturbance in the Qintianjian and destroyed the place into ruins, but the Haotian God King soon established the Qintianjian on the original site.

At this time, in the hall, the God King Haotian was sitting there with his eyes closed.

"His Royal Highness."

At this moment, a divine soldier walked in quickly and respectfully said, "I was waiting outside on patrol just now and found a suspicious person who has a primordial spirit in his body, so I arrested him."

Someone with primordial spirit?

Hearing this, the God King Haotian was shocked and suddenly opened his eyes: "Where is the person?"

"Just outside."

"Bring it in."

Hearing the order, the magic soldier answered and walked out quickly. . Soon, he came back with a man who was tied up.

It is Prince Aotian.

Swish!

At this moment, God King Haotian locked on Prince Aotian, and asked coldly, "Who are you? Where did the primordial spirit come from, you have to explain it honestly, otherwise, the consequences will not be your responsibility."

Ha ha!

Prince Aotian was suffocating on the road, and when he heard this, he couldn't help laughing: "It's already in your hands anyway, I'm not afraid to tell you, I'm Prince Aotian.

" Prince Aotian met God King Haotian's gaze and said word by word, "You want to use me to ask Ao Lin for credit, please do it, but I don't know what benefits you will get."

What? Proud prince?

Hearing this, God King Haotian's expression changed, and his heart was both excited and complicated.

Before Ao Lin left, he specially explained that he had to find Ao Tian's whereabouts no matter what, but he didn't expect to meet him so quickly.

## **The ultimate husband in Chinese chapter 5756**

Swish! Just when the God King Haotian was feeling emotional, the god soldier next to him changed his face, and said

to Prince Aotian furiously: “Bold, dare to be so presumptuous in front of the God King, and dare to call yourself a royal family?”

To get started.

Prince Aotian smiled coldly and ignored it.

At this moment, the God King Haotian reacted and quickly stopped: “Stop.” Then he waved his hand to signal the divine soldier to retreat.

Shenbing didn't dare to neglect, he responded and slowly exited the hall.

“Are you really Aotian?”

As soon as he left, the God King Haotian stared at Prince Aotian and asked again, while secretly sensing the primordial spirit in his body.

Prince Aotian looked arrogant, and said word by word: “If it is fake, it will be replaced.”

Hu!

Hearing the answer, God King Haotian took a deep breath, stood up quickly, and stepped forward to untie Prince Aotian. Then he gave a deep bow and respectfully said: “Haotian, meet the prince.” To

be honest, with the status of the god king of Haotian at this time, there is no need to be so humble to the prince of Aotian, but doing things under Aolin's hands is fundamental. not be reused.

What made Haotian God King even more unacceptable was that Aolin obeyed Yue Fengyan.

And the Aotian Prince in front of him, although he was in a state of despair at this time. But he is also the only one who can compete with Ao Lin for the throne. Moreover, as early as a few days ago, the God King Haotian had thought about it, and when he found Aotian, he would try his best to assist him and help him regain the throne of the Emperor of Heaven.

Ok?

This chapter is provided by . Visit for daily update.

At this moment, feeling the politeness of the Haotian God King, Aotian frowned: “What does the God King mean?” It's not that he doesn't believe in the Haotian God King, but in this situation, he has to be careful.

“Your Highness, don’t be nervous.” Haotian God King showed a smile and said politely: “This king is not pretending, I think at the beginning, Empress Hua Zhao asked me to do my best to help you ascend to the throne, but it backfired, and finally let Ao Lin take the lead. “

Whenever I think of this matter, this king is very ashamed. Speaking of which, although I am working under Ao Lin at this time, Ao Lin trusts Yue Feng too much and is very alienated from this king.”

“Alas, This king has no ambitions and has nowhere to show it.”

Hearing this, Prince Aotian showed a smile, and looked at the God King Haotian with a deep expression: “If you are unwilling beside Ao Lin, you turn to take refuge. Me?”

“Yes, Your Highness Mingjian.” God King Haotian nodded.

After speaking, the God King Haotian said again: “Also, I have always supported His Highness in my heart.”

“Haha!”

Hearing this, Prince Aotian was very useful, and he laughed and said: “The words from the heart of the God King are enough. Well, it’s just that I have just reshaped my primordial spirit, and even with your support, I still can’t return to the realm of the gods.”

God King Haotian thought for a while and said, “What are your plans?” What are your plans?

Prince Aotian narrowed his eyes, and the corners of his mouth raised a hint of gloom: “Beside Ao Lin, the one who can threaten us is Yue Feng, and Kyushu is his hometown, so before we return to God’s Domain, it is best to get rid of Yue Feng. ” Speaking of this, Prince

Aotian was filled with killing intent: “There are also those relatives of Yue Feng, who created the Tianmen with one hand. If one is not left, they will all be eradicated.”

The perfect plan.”

Hmm!

Prince Aotian nodded, then conspired with God King Haotian, planning for several hours, and finally Prince Aotian left Qintian Prison and returned to Wudang.

...

the other side.

The people of Timur, after several hours of rushing, finally arrived at the land of the Rakshasa clan.

After several years of recuperation, the Rakshasa people have become more and more prosperous. The residential areas and commercial streets in the clan's land are clearly distinguished. You can see that there are many shops on the commercial street, and people come and go, which is indescribably bustling and lively.

Timur's residence is located in the southern part of the clan's land. It is a large manor. Although it is not as elegant as the Kyushu clan, it is also magnificent.

"This..."

After entering the manor, Nalan Wushuang looked left and then again, a little curious, but also a little nervous, and couldn't help but ask: "What is this place?"

Timur smiled: "Here It's the clan of the Rakshasa clan. How is it? It's very different from where you are..."

## **The ultimate husband in Chinese chapter 5757**

Halfway through, Timur suddenly thought of something, patted his forehead, and smiled apologetically: "Sorry, I forgot that you lost your memory. But don't worry, no one is here to trouble you with me. "

This manor is my home, you can live here with peace of mind."

When he said this, Timur looked sincere. At the same time, looking at Nalan Wushuang's eyes, there is also a bit of deep meaning.

Yes, Timur's arrangement is selfish.

Timur has a very high prestige in the Rakshasa tribe and is widely used by the queen, but he has a son who is very troublesome for him, his son's name is Tie Bowen.

Tie Bowen just turned 20 this year. According to the customs of the Rakshasa tribe, he should get married and have children early. However, this Tie Bowen does not like the women of the Rakshasa tribe. A Kyushu woman as his wife.

This gave Timur a headache.

On this trip to Kyushu, he met Nalan Wushuang, who had amnesia, on the way. Seeing that the girl was as beautiful as a fairy, Timur suddenly thought of his son.

This may be a chance, let the son and this girl get acquainted.

Ok!

At this moment, feeling Timur's sincerity, Nalan Wushuang nodded.

"Sir!"

At this moment, a servant came up to greet Timur with a respectful face: "Are you back?" As he said, he looked at Nalan Wushuang curiously.

What a beautiful Kyushu girl.

Timur waved his hand and instructed: "Go and call Tie Bowen out and say that there are guests at home."

This chapter is provided by . Visit for daily update.

"Yes, my lord!" The servant answered and walked quickly to the backyard.

Timur led Nalan Wushuang into the hall.

After getting someone to make the tea, Timur handed Nalan Wushuang a cup and said with a smile, "I just started drinking your tea from Kyushu, and I thought it was very bitter, but if I drink a lot, I can taste it. This is the Apocalypse Continent. My friend gave it to me, girl, try it."

Nalan Wushuang nodded and took a sip.

"That's right!"

At this moment, Timur thought of something and asked, "Does the girl remember her name?"

"I..." Nalan Wushuang frowned slightly, thought hard, and finally shook his head.

Seeing this, Timur smiled bitterly and said, "Since the girl can't remember her name, you are from Kyushu, so I'll call you Jiu girl for the time being."

Nalan Wushuang nodded and had no objection.

"Father!"

As he was speaking, a loud voice sounded outside the door: "Any guests here? Do we have relatives in Kyushu?" As the voice fell, a burly figure walked in.

The young man is in his twenties, with a slender and sturdy figure, a typical image of a Rakshasa warrior, but his facial features are sharp and angular, and he is very handsome, which is in line with the aesthetics of Kyushu people.

It is Tie Bowen.

Timur frowned and said displeasedly, "Why are you yelling? No rules at all?"

Tie Bowen scratched his head and smiled, with a simple and honest face, and then saw Nalan Wushuang sitting next to him, and was instantly stunned. , his eyes became a little dull.

Beautiful, what a beautiful woman.

The facial features are exquisite and beautiful, and the figure is graceful and slim.

Isn't this the Kyushu wife he's dreamed of?

Aware of Tie Bowen's gaze, Nalan Wushuang was always at a loss.

"Bowen!"

At this moment, Timur broke the embarrassment and said, "Don't stare at people like this, it's too rude, this is Miss Jiu, whom I met on the way back, because I ran into trouble, It leads to amnesia, you have to take care of us if you want to stay with us for a while, you know?"

Hearing this, Tie Bowen hurried over and smiled at Nalan Wushuang: "Hello, Miss Jiu, my name is Tie Bowen.

Nalan Wushuang nodded, very shy: "Hello." When

he spoke, Nalan Wushuang looked at the tall and straight Tie Bowen, and a faint throbbing rose in his heart.

Unexpectedly, the Rakshasa tribe also has such handsome men. Seeing that the two sides had known each other, Timur drank the tea in the cup and said

with a smile: "Okay, let's talk, I'm going to meet the Queen and report the situation."

Step out of the hall.

## **The ultimate husband in Chinese chapter 5758**

For a time, Tie Bowen and Nalan Wushuang were left in Noda's hall.

The atmosphere was also a little embarrassing.

“That...”

After a few seconds, Tie Bowen scratched his head and said to Nalan Wushuang: “You just came to the Rakshasa clan, why don’t you...let me take you around the street?” Bowen is also used to seeing beautiful women in the Rakshasa tribe, but this is the first time I have seen such a beautiful Kyushu beauties, and I am inevitably a little nervous.

“Okay.” Nalan Wushuang smiled and nodded in agreement.

She was not originally an introvert, but she just came to an unfamiliar place and was somewhat shy, and it was boring to stay in this manor. At this time, when she heard Tie Bowen’s invitation, she agreed without hesitation.

A few minutes later, Tie Bowen and Nalan Wushuang wandered around the bustling street.

The shops on both sides of the street not only sell the unique handicrafts of the Rakshasa tribe, but also goods from all over Kyushu.

The two walked around until it was dark before going back, and before they knew it, the relationship between the two sides also became much closer.

...

the other side.

Yue Feng appeased Nalan Xinran, and immediately sent Tianmen disciples to investigate the situation on the only way for Nalan Wushuang to return to the family.

Afterwards, Yue Feng was in the study on the second floor of the villa, studying the medicinal pills he had refined before.

This elixir can rejuvenate people, but the only thing that can be solved is the inner elixir. Is there no other solution?

If it really doesn’t, then this kind of medicine has no solution.

“Brother Feng!”

Just when Yue Feng was studying these, a Tianmen disciple appeared outside the door and said respectfully, “The Shenlong Clan has come to the messenger to ask to see you.” The

Shenlong Clan?

Could it be that something happened to Wu Ya and Hai Ling'er?

Yue Feng thought to himself, and quickly said: "Quickly invite the messenger up."

"Yes!" The disciple responded and quickly went downstairs, and soon led a sexy beauty up.

A light blue long dress with some dragon-shaped patterns embroidered on it shows a graceful and sexy figure, delicate facial features, and a bit of arrogance, which makes life impossible to blaspheme.

It was Long Xiang'er, one of the four divine dragon envoys under Xian Di.

Seeing Long Xiang'er, Yue Feng's eyes lit up, and he couldn't help but admire secretly.

The last time I went to Shenlong Island, I didn't see her. I didn't expect that Long Xiang'er would be even more charming and sexy after not seeing her for so long.

Sighing with emotion, Yue Feng motioned for the disciples of that day to retire.

"Long Zun!"

At this time, Long Xiang'er walked into the study room and respectfully said to Yue Feng, "The Empress has asked me to come and announce that the girl named Hai Ling'er has been rescued, but she is too weak and needs to be in the Shenlong Island will rest for a while."

In front of others, Long Xiang'er has always been cold, except for Yue Feng.

After all, Yue Feng is the Dragon Lord of the Shenlong Clan, and his status is second only to Queen Xiandi.

Very good.

Hearing this, Yue Feng was very excited and said with a smile: "Sure enough, the Empress still has a way. I don't know what method was used to save her life at that time?" Yue Feng looked curious.

Long Xiang'er bit her lip lightly and responded, "It's the empress who used her own dragon's blood."

What?

Yue Feng was stunned for a moment, then looked solemn: "When you go back, help me tell the Empress, this time, Yue Feng won't dare to forget." As a Dragon Lord, Yue Feng of course knows the blood of the Shenlong, and it is very important to the Shenlong family. how important.

As the Queen of the Dragon Clan, Xian Di is willing to use her own blood to treat her, which shows her sincerity.

Long Xiang'er nodded: "Don't worry Long Zun, I will definitely bring the words to you."

Huh?

Saying that, Long Xiang'er saw the medicinal pill on the table and asked curiously, "What kind of medicinal pill is this?"

Yue Feng scratched his head and smiled bitterly: "I haven't decided on the name yet, so let's call it 'Rejuvenating the Elderly'. Medicine pills can rejuvenate people..."

After speaking, Yue Feng explained in detail what happened to Liu Ruxue.

Is there such a thing?

Hearing this, Long Xiang'er suddenly became interested, stepped forward and looked at the medicinal pill carefully. After a few seconds, he asked Yue Feng for instructions: "Long Zun, can I try it?"

What?

Yue Feng was startled, and quickly waved his hand: "No, you can't try this thing randomly."

## **The ultimate husband in Chinese chapter 5759**

When speaking, Yue Feng was speechless.

This Long Xiang'er is too impulsive. As I said just now, the only way to solve it is to take the inner elixir, but Xiang Liu's inner elixir has already been taken by Liu Ruxue.

There is only one in the world.

If Long Xiang'er became smaller and couldn't recover, wouldn't it be troublesome?

Looking at Yue Feng's appearance, Long Xiang'er gave a rare smile: "Long Zun don't have to worry, our Shenlong family is immune to all poisons, maybe this medicine pill has no effect on me?"

"Let me give it a try." After the

last sentence fell, Long Xiang'er picked up a medicinal pill and threw it into her mouth.

Gudong!

Yue Feng wanted to stop it, but it was too late, and Long Xiang'er had already swallowed it.

Seeing this situation, Yue Feng was full of anxiety.

However, Long Xiang'er looked as usual, quietly waiting for the effect.

Kachacha...

Soon, after more than ten seconds passed, I heard a sound of bones shifting around Long Xiang'er's body, and then, I saw her whole body slowly getting bigger.

In the blink of an eye, his head reached the ceiling, and his height reached three meters, like a female giant.

The long skirt on his body also shattered into strips, and the curves were exposed to Yue Feng's sight without reservation.

This chapter is provided by . Visit for daily update.

Holy crap...

However, at this time, Yue Feng, who was in the mood to look at Long Xiang'er's figure, his eyes widened and his whole body was blinded.

What's the situation?

Why did Liu Ruxue become a child after taking it, while Long Xiang'er became bigger after taking it?

Could it be... because the body structure of dragons and humans is different, so there will be different results?

Long Xiang'er also seemed to be confused, but as a divine dragon envoy, she quickly calmed down and meditated on the magic formulas of the divine dragon clan, and then her body slowly returned to its original state.

"Long Zun!"

After returning to the original, Long Xiang'er looked at Yue Feng and said, "It seems that I guessed right. Although this medicinal pill is unique, it is useless to our Shenlong family."

Yue Feng thoughtfully nodded. head.

According to this, if someone takes this medicine and becomes smaller, it can be solved with the blood of the dragon family.

Gudong...

While thinking about this, Yue Feng looked at Long Linger in front of him, and couldn't help swallowing his saliva.

Just now, Long Linger grew bigger and shattered the long skirt support into strips. At this time, the charming curve could not be concealed at all. This scene, let alone Yue Feng, would be impossible for any man to see.

Swish!

Aware of Yue Feng's gaze, Long Linger finally realized something, her delicate face suddenly blushed, she wanted to find something to cover it up, but in this study, there was nothing else except books.

For a time, the atmosphere was extremely awkward.

"Yue Feng!"

At this time, Nalan's happy voice sounded from the stairs: "It's been an hour, do you have any news from Tianmen?"

Nalan Xinran has been waiting downstairs for news, but he waited for an hour. , I was a little anxious when I didn't see the Tianmen disciples coming back to resume their lives. Come up and ask Yue Feng.

While speaking, Nalan Xinran had already arrived at the door of the study.

Just when he arrived at the door and saw the scene in the study, Nalan's body trembled with joy, and the whole person was stunned.

Immediately afterwards, a blush quickly spread on Nalan Xinran's face.

I saw that there was a sexy beauty standing in the study, with a hot and sexy figure, but the long skirt was split into strips, which couldn't be concealed at all...

This Yue Feng... is too that.

In the middle of the day, he was actually in the study...

“Ah...”

Finally, Nalan responded with pleasure, quickly covering his face, and couldn't help exclaiming.

What the hell!

Yue Feng was stunned for a moment, then quickly reacted and waved his hands in a panic: “Don't get me wrong, we have nothing... She just took a pill...”

Nima, this is too coincidental, Na Why did Lan Xinran come up suddenly?

However, the more he explained, the more misunderstood Nalan Xinran was, and her delicate face was full of complexities: “You still give her medicine pills? Yue Feng... I really didn't expect you to be this kind of person, so shameless.

” Nalan readily thought that Yue Feng was giving Long Xiang'er that kind of medicine...

Hearing this, Yue Feng wanted to cry without tears.

It's over, it's even more unclear now.

## **The ultimate husband in Chinese chapter 5760**

“What's wrong?”

“What happened?”

At this time, hearing the movement here, Liu Ruxue and Su Qingyan, who were chatting in the downstairs room, also walked up quickly.

Swish!

As soon as they arrived in the study, when they saw the scene in front of them, Su Qingyan and Liu Ruxue's faces also blushed instantly.

“Yue Feng, you bastard.” Liu Ruxue stamped her feet angrily, turned and went downstairs.

Su Qingyan was also shy and angry, so she couldn't help but glared at Yue Feng: “Yue Feng, how can you do this to Long Xiang'er?” Long Xiang'er is the envoy of the dragon, Yue Feng actually...

Yue Feng can't laugh or cry, explain Said: "Qingyan, don't get me wrong, she just insisted on taking the Rejuvenation Pill."

At this time, Long Xiang'er also recovered and explained with a red face: "Yes, regardless of Long Zun's affairs, I was too reckless just now."

That's it...

Su Qingyan was very thoughtful, when she heard this, she immediately understood that this was a misunderstanding, and immediately took Nalan Xinran's hand and said with a smile, "Miss Xinran, look It's really a misunderstanding."

After speaking, he dragged Nalan downstairs with pleasure, and explained in detail what happened to Liu Ruxue before.

Yue Feng walked out quickly and instructed a female disciple to quickly prepare clothes for Long Xianger.

After a while, Long Xiang'er changed her clothes, went downstairs, and said to Yue Feng, "Long Zun, I'll go back and report to the Empress." As she spoke, she left with a blushing face.

At this time, Nalan Xinran also understood the ins and outs of the matter, but it was still strange to see Yue Feng's eyes. Su Qingyan and Liu Ruxue sat aside, still a little embarrassed when they recalled the scene just now.

This chapter is provided by . Visit for daily update.

Your own man, almost embarrassed in front of other women, can you not be embarrassed?

For a time, the atmosphere was a little subtle.

"Brother Feng!"

At this moment, a Tianmen disciple rushed in panting and shouted, "I found it..." The awkward atmosphere was broken, Yue Feng breathed a sigh of relief, but still frowned: "Why are you panicking? Say it carefully, what did you find?"

Nalan Xinran, who was sitting next to him, also looked closely at the disciple of that day.  
call!

The disciple took a deep breath and said solemnly, "Brother Feng, we followed Miss Nalan's way back to the family. We searched several times and found no clues. Later,

we expanded the scope and found it by a waterfall in the northwest of Zhongzhou City. The bodies of several escorted disciples were investigated, and there was no sign of a fight at the scene, they were all killed instantly.”

“It’s just that we didn’t find Miss Nalan’s body, we speculate that she is still alive, but we don’t know where she is. “

What?

Hearing this, Yue Feng’s face changed, and then he clenched his fists tightly.

Being able to kill several Tianmen disciples in an instant, the opponent’s strength is very strong. Perhaps, it is the same person who seriously injured Hai Linger before. This person is elusive, and it is really annoying to fight against Tianmen again and again.

At the same time, Nalan was so anxious to hear the news that he almost fainted.

Wushuang is the only daughter of my brother. If something goes wrong, how can I explain to my brother under Jiuquan?

“go!”

Finally, Yue Feng calmed down and instructed the disciple: “Send a message to all the sects in the Tianmen Alliance, asking them to help find Nalan Wushuang, and put up notices everywhere, no matter what, you must find Nalan Wushuang. The whereabouts.”

“Yes, Brother Feng!” The disciple responded and left quickly.

Watching the disciple leave, Yue Feng took a deep breath and turned around to apologize to Nalan, “I’m sorry, it was my negligence. If I knew this earlier, I would send the girl back in person.”

Phew!

Hearing this, Nalan smiled bitterly: “It’s all happening, what’s the use of talking about it? I’ll go back to the family to make arrangements.” After speaking, he got up and said goodbye.

When he came to the door, Nalan stopped happily and looked back at Yue Feng: “Yue Feng, if there is something wrong with Wushuang, you must give me an explanation, otherwise, the consequences will be at your own risk.”

Hearing this, Yue Feng smiled wryly . down.

Yue Feng would definitely be dismissive if others were ruthless, but Nalan Wushuang's accident was indeed his own responsibility.

Seeing that Yue Feng was silent, Nalan gladly stopped talking nonsense and turned to leave.
