

The ultimate husband in Chinese chapter 5791-5800

Uh...

Seeing Mona furious, Yi Taier was struck by lightning, and the whole person froze there, unable to speak for a long time.

The surrounding leaders did not dare to let out a sigh of relief.

A few seconds later, Ite reacted, responded with sincerity and fear, and then walked out of the side hall in despair.

When he got outside, Ite took a deep breath, feeling indescribably depressed.

Mad, who has been loyal to the Rakshasa clan all these years, and thinks about everything for the sake of the clan, but he never expected that he would be treated like this by the queen in the end.

The more he thought about it, the more angry he became. He returned to the large tent of the military camp and shouted: "Come here, bring me some wine." Today, I really carried it home, and it was difficult to express my depression without drinking a lot.

Hearing the order, a general couldn't help but say: "General, the Queen has ordered that no drinking is allowed in the barracks, this..."

"Shut up!"

Hearing the two words from the Queen, Ite couldn't hide his disbelief. Restraining the anger in his heart, he shouted: "I'm a general, I can't drink in my military camp? Go get it .

"

After going to the two altars, he immediately thought of something, and his expression became more sinister.

That Tiandao Society's Tang Jian, who led people into the forbidden area at that time, also delusionally wanted to snatch the divine bow with me.

This bad breath must not be swallowed like this.

Thinking of this, all the generals of the General Itair battalion convened and ordered: "Pass my order to arrest the people of the Tiandao Society with all their strength, and seal all their shops in the clan."

“And that big boss Tang Jian, It must be caught alive, and there must be no mistake.”

When he said this, Irel's eyes were full of killing intent.

A small business organization that dares to oppose me is simply courting death.

“According to the order...” After

receiving the order, the generals present responded in unison.

A few minutes later, tens of thousands of black-armored cavalymen rushed out and completely blocked the commercial area controlled by the Rakshasa clan. The shops of Tiandaohui within its range were blocked one by one.

Immediately afterwards, the black armored cavalry surrounded the headquarters of the Tiandao Society and launched an attack.

Tang Jian had long expected that Yi Taier would retaliate. Seeing the menacing black armored cavalry, he did not hesitate at that time and directed the Tiandao Society to resist.

Bang Bang Bang...

For a time, the sound of fighting between the two sides, the sound of weapons colliding, constantly echoed over the Tiandao Club headquarters.

.....

On the other side, the Rakshasa royal palace.

In the luxuriously decorated bedroom, Yue Feng sat quietly on the soft couch, closing his eyes and resting. There is still a bit of weakness on his knife-like face. You must know that the divine power in the body was almost exhausted after the fierce battle with the nine golden crows. Even if he had the golden core given by Ao Lin, he still needed to at least recover completely. half a month.

“Yue Feng!”

At this moment, a soft voice came from outside the palace, and then, surrounded by several maids, Mona walked in quickly.

In the side hall just now, Mona explained some things, let the leaders go away, and then rushed over impatiently. In her heart, nothing was more important than Yue Feng's safety.

Soon, Mona came to the front and waved for the maids to step back.

“Yue Feng!”

At this moment, Mona’s delicate face, unable to hide her worry, asked Yue Feng, “How are you?”

Yue Feng slowly opened his eyes, because the distance was very close, he could smell the faint light on Mona’s body. The fragrance smelled, he smiled and said, “It’s okay, I’m losing too much power, I just need to rest and it’ll be fine.” As

he said, Yue Feng admired Mona up close.

I have to say that this Mona is worthy of being the number one beauty of the Rakshasa clan. I haven’t seen her for a few years, and she’s getting more and more charming and sexy.

Huh....

Hearing this, Mona sighed lightly, and a stone hanging in her heart also fell to the ground. He smiled at Yue Feng and said, “If you need healing medicine, even if you say that the Rakshasa clan has developed quite well over the years, they have been doing business with Kyushu, and there are many spiritual medicines hidden in the palace.

” Na’s concern, Yue Feng felt warm in his heart, and immediately smiled: “You don’t have to worry about my situation, I have a lot of elixir and so on.”

After speaking, Yue Feng took out a few The jade bottle came out, and it contained all kinds of top-quality medicinal herbs.

The ultimate husband in Chinese chapter 5792

Seeing this scene, Mona was stunned, and then smiled.

I almost forgot, Yue Feng is one of the best alchemy masters in Kyushu, how could he have a panacea?

“That’s right!”

At this moment, Yue Feng thought of something, picked out a jade bottle and handed it to Mona: “It contains ‘Zhuyan Dan’. After taking it, it has the effect of maintaining beauty and beauty. When I came to the Rakshasa clan so rashly, I didn’t prepare any gifts, so these Zhuyan Pills should be treated as small thoughts.”

Zhuyan Pills?

Mona took the jade bottle and was overwhelmed with joy after hearing the introduction.

There is no girl who doesn't love beauty, especially after Mona became the queen of the Rakshasa clan, she attached great importance to her image. At this time, knowing that these medicinal herbs have beauty effects, my heart almost burst into laughter.

“And...”

Yue Feng has selected several medicinal pills and handed them over to Mona: “These medicinal pills are to improve strength, so I will give them to you as well.”

Speaking of which, these pills on Yue Feng's body The medicine was originally made for Su Qingyan and Qin Rongyin, but this time, when they came to the Rakshasa clan, they were empty-handed, so they could only use these medicine pills to 'borrow flowers to offer Buddha'.

Although Mona is a Rakshasa, in Yue Feng's heart, she is just like her own sister.

Huh...

I got so many elixir all at once, Mona was very happy and couldn't help saying: “Yue Feng, thank you!”

After saying that, she took a few elixir and took it.

Yue Feng smiled and said that you are welcome. Then, with Mona, we took a walk in the small garden outside the bedroom.

This chapter is provided by . Visit for daily update.

After strolling around the garden, night gradually fell.

Back in the bedroom, Mona told several maids outside: “Prepare a few small dishes, and then take two jars of black stone wine...” Yue Feng finally came here once, and he must be treated well.

Several maids responded and hurried to prepare.

Seeing this situation, Yue Feng couldn't help laughing and said: “My own person, you don't need to be so polite.”

Mona insisted, and said softly: “It's because she is her own person that I want you to taste our Luoyang. The unique black stone wine of the Cha family, this wine is completely different from the way you make it in Kyushu, and drinking this wine has the effect of relaxing muscles and activating blood, and it is very helpful for you to restore your strength.”

Saying these At the time, Mona's delicate face was full of persistence.

As the queen, I took Yue Feng's gift, and it would be too much to say if I didn't express it.

Ok!

Hearing this, Yue Feng knew that it was useless to refuse, so he smiled and nodded.

After a while, the maid prepared the wine and side dishes, and then exited the bedroom.

At this time, Mona opened the wine jar very diligently, with a gentle and graceful face, without the slightest bit of a queen's air, and said with a smile: "This kind of black stone wine takes a year to brew, you must taste it well. "

Speaking, Mona poured a cup for Yue Feng.

Yue Feng took a deep sniff, and couldn't help but exclaim: "The fragrance is strong and the wine is good."

With that, Yue Feng picked up the wine bowl and drank it all in one go.

"Yue Feng!"

At this time, Mona also held up a cup, her delicate face was full of gratitude: "This time, you saved my Rakshasa clan and saved me from a catastrophe. On behalf of the entire Rakshasa clan, I would like to express my gratitude to you. Thank you, and I salute you with this cup."

When the words fell, Mona drank the wine in the bowl in one breath. Although she was a woman, Mona had a bold personality, which was completely different from the graceful grace of Kyushu women.

In the next few minutes, Mona and Yue Feng were drinking wine while talking about the general situation of Kyushu.

Before you know it, a jar of wine has been drank.

Yue Feng, as a mysterious saint, drank most of a jar of wine, and his face was as normal as usual, but Mona was different, her delicate face was red, and under the candlelight, she was indescribably charming. .

call!

Seeing this, Yue Feng took a deep breath and muttered in his heart.

Although the Rakshasa tribe does not have so many cumbersome etiquette, after all, there are differences between men and women, and the Queen and the Queen are alone drinking in the bedroom, and the news will definitely make people think more.

Thinking of this, Yue Feng said with a smile: "Okay, it's getting late, let's stop drinking, and the queen should hurry up and rest."

The ultimate husband in Chinese chapter 5793

However, Mona was in the mood at this time. Hearing Yue Feng's dissuasion, she shook her head: "I only drank a jar, how can this work?"

Said, Mona looked at Yue Feng, her eyes twinkling. Smile: "You guys in Kyushu have a saying, 'When you meet a confidant, drink less than a thousand cups, and you don't have a lot of speculation.' Is it because you don't think of me as a friend, so you don't want to drink together?"

Uh...

heard Yue Feng didn't know whether to laugh or cry: "Why didn't I consider you a friend?"

At this time, Yue Feng was very helpless. He could see that Mona was a little drunk, but he couldn't bear to disturb her interest.

Just when Yue Feng was helpless, Mona opened another jar of wine.

"Do you know?"

Mona said softly while pouring wine: "Although I have become a queen, I have been unhappy all these years, and I have been stared at at everything."

"Sometimes I think, If only I wasn't the queen, I could go wherever I want, do what I like, go where I like, no one will interfere..."

"I often think of my father, my two brothers, It would be great if they were all there, so that I could have no worries..."

For a while, Mona took Yue Feng as the object of her confession, and said her thoughts without reservation.

Ugh!

Hearing these words, Yue Feng secretly sighed, and felt a little sympathetic to Mona.

Who would have thought that this tall, seemingly strong girl would be so lonely in her heart.

“Come on!”

This chapter is provided by . Visit for daily update.

After Mona finished her thoughts, she raised her glass: “Cheers.” After speaking, she was about to drink it up.

At this moment, Yue Feng’s eyes were quick and he stopped quickly and said, “Mona, you’ve been drinking too much, you can’t drink any more.”

“No, I’m not drunk...”

Mona shook her head stubbornly, thinking at the same time. He was about to take back the wine glass, but at this time, his delicate body suddenly trembled, his forehead was covered with beads of sweat, and his face that was flushed turned pale.

what happened?

Why is it so uncomfortable all of a sudden?

At this time, Mona clearly felt that a heat flow was moving around in the body, and the internal force seemed to be out of control. Soon, the whole body was getting hotter and hotter as if it was on fire.

“It’s so uncomfortable...”

Finally, Mona couldn’t bear it anymore, and let out a painful groan, her delicate body slumped on the soft collapse, trembling slightly, and her delicate face was full of pain.

I went....

Yue Feng was also taken aback when he saw Mona’s appearance.

But soon, Yue Feng calmed down and guessed something. Mona had taken a few pills before, and she had not fully absorbed the power of the pills, so she drank alcohol, which caused the disorder in her body.

You know, drinking alcohol is a big no-no when taking medicine pills.

I was just chatting with Mona just now, how could I forget this taboo?

Thinking about it, Yue Feng warmly comforted: “Mona, don’t panic, I’ll call someone in.” In this case, only taking the Phosphorus Grass can be used to solve this problem.

And Phosphorus is the most common herbal medicine. After all, this is the palace of the Rakshasa clan, so it should be easy to get Phosphorus.

With that said, Yue Feng was about to leave the bedroom and call for someone.

“Don’t go...”

However, before taking two steps, I heard Mona’s coquettish cry, and suddenly rushed into Yue Feng’s arms and hugged him tightly.

Gudong!

For a time, Yue Feng was blinded, and he felt as if he was hugging a stove, and with the soft touch, he couldn’t help swallowing.

“Yue Feng...”

At this time, Mona had gradually lost her mind, hugged Yue Feng tightly, and murmured, “Don’t go, don’t leave me alone...” Speaking of which, Mona has always been in love Yue Feng, just because of his identity, never expressed it face to face.

At this time, Mona was in a state of disorder because of her internal strength disorder, and she couldn’t restrain herself any longer when she was in a difficult situation.

This...

At this moment, upon hearing Mona’s plea, Yue Feng’s mind was also confused, and he froze there, feeling a little helpless for a while.

“Hot, I’m so hot...”

Just when Yue Feng was stunned, Mona couldn’t help but let out a low cry, the burning sensation in her body became stronger and stronger, and in the next second, a flame emerged from her body come out.

The ultimate husband in Chinese chapter 5794

Terrible! Mona is going to go crazy...

Seeing this scene, Yue Feng’s expression suddenly became solemn.

Yue Feng knew very well that the flame that jumped out of Mona’s body was called the Heart Demon Karma Fire. It was the flame derived from the dantian when the cultivator went into the devil. At that time, even if Shennong came, he would not be able to save him.

Chi Chi... In

just a few seconds, the robe on Mona's body was destroyed by the fire of the demons, and in an instant, the charming curve was completely exposed in front of Yue Feng's eyes.

Yue Feng couldn't help but glance at it, only to feel his blood surge.

This body...it's like a perfect work of art, it's absolutely amazing.

Especially Mona is still holding Yue Feng tightly at this time, that kind of feeling is difficult for any man to control.

call!

However, Yue Feng quickly calmed down, took a deep breath at that time, and exerted his divine power, placing his hands on Mona's lower abdomen, trying to help her drive away the karmic fire of her inner demons.

However, Yue Feng's divine power has not recovered, and it will take at least a few hours to drive out Mona's inner demons.

Moreover, in these few hours, there can be no mistakes, otherwise, not only will the previous achievements be lost, Mona will also be in danger.

Therefore, Yue Feng closed his eyes directly in order to avoid his confusion.

For a while, the entire bedroom was silent, except for the pain that Mona made from time to time.

rustling...

Half an hour later, I heard footsteps coming from outside the bedroom, and then, several maids walked in. These are Mona's personal maids, because it was not early, they came to serve Mona to bed.

Swish!

The moment they entered the palace, when they saw the scene in front of them, the maids were stunned for a moment, and then their faces turned crimson.

I saw that the queen was sticking to Yue Feng's arms, her delicate face glowing red.

The attitude of the two people, how ambiguous and ambiguous.

Thinking of this, several maids blushed and felt embarrassed beyond words.

What the fuck...

Hearing the movement at the door, Yue Feng opened his eyes subconsciously, and saw several maids standing there, all of their faces flushed, and they were extremely embarrassed at the time.

It's a big misunderstanding.

Embarrassed, Yue Feng wanted to open his mouth to explain.

"Queen's forgiveness!"

However, before Yue Feng could speak, several maids started begging for mercy.

"We didn't break in on purpose."

"The slaves didn't see anything..."

"The slaves retire..."

Several maids said in a panic, and they all withdrew, not forgetting to close the door of the bedroom.

Nima...

Facing this situation, Yue Feng wanted to cry without tears.

Now jumping into the Yellow River can't wash it.

.....

On the other side, the Wudang faction.

In the secret room, Prince Aotian sat there, closing his eyes and resting, his calm face showing a bit of sinister.

"Sect Master!"

At this moment, an elite disciple walked in cautiously and respectfully said, "We arrested two more people today." This elite disciple is called Xu Wei, and after Prince Aotian called Wudang Sect Master, Nurtured henchmen.

Ok!

Prince Aotian opened his eyes, nodded approvingly, and then motioned to bring people in.

Xu Wei didn't dare to neglect, he went out quickly, dragged two people who were tied up, and saw that both of them were cultivators, and their strength was not low. One with a scar on his face was obviously not good.

However, facing Prince Aotian, both of them were inexplicably frightened.

"Sect Master." Xu Wei looked ingratiatingly, and smiled at Prince Aotian: "These two people, one is the leader of the mountain bandit, the other is a gangster in the rivers and lakes, no one will feel a pity if they die."

Prince Aotian showed a trace of it. Smile: "Well done."

Before, Prince Aotian absorbed the power of Wudang's Seven Swords and reshaped his primordial spirit, but to return to his peak state, he still needs to continuously absorb the power of others, so during this time, Prince Aotian has He ordered Xu Wei to secretly catch cultivators all over the rivers and lakes.

"What are you going to do?"

"Although I have done a lot of evil, I have never hurt your Wudang faction."

At this time, the two people who were arrested couldn't help but ask.

The ultimate husband in Chinese chapter 5795

Hehe...

Prince Aotian ignored it, but walked over slowly with a sneer. When he came to him, his hands reached out like lightning and pressed them on top of their heads.

In an instant, the two only felt that the power in their bodies was leaking wildly, and then they were quickly absorbed by Prince Aotian.

The two wanted to call but couldn't, their faces full of horror.

After a while, Prince Aotian completely absorbed the internal strength of the two, and a happy smile appeared on the sullen face, while the two became skin and bones, like weathered mummies, which made people take a look. Just horrified.

Phew...

Seeing this scene, Xu Wei secretly took a deep breath despite his preparations.

What kind of cultivation method is the master practicing, and it is so sinister.

Xu Wei thought so in his heart, but he didn't dare to show it on his face, and complimented Prince Aotian: "By the way, the headmaster, just now, the Qintian Superintendent sent a divine soldier envoy to meet the headmaster, saying that there is Important things to discuss."

When he said this, Xu Wei was very complicated.

Since this senior 'Ye Yun' became the head, the whole person has become completely different from before. Not only has his strength become unfathomable, but now even the Tianjian has come to visit.

It's incredible...

Messenger of God?

Hearing this, Prince Aotian's eyes flashed: "Okay, I'll go right away." His face was calm, but his heart was a little excited. You must know that God King Haotian will not send people over easily. Once someone is sent, it means that there is a major discovery.

A few minutes later, Prince Aotian came to the main hall.

This chapter is provided by . Visit for daily update.

When entering the hall, I saw a divine soldier standing inside, and outside the hall door, many disciples were standing there, whispering, each one could not hide their curiosity.

"You all step back." Prince Aotian looked around and spoke slowly.

Hearing this, the disciples present did not dare to disobey, they responded and quickly dispersed.

In an instant, in the hall of Noda, only Prince Aotian and the divine soldier were left.

"I have seen His Royal Highness."

Seeing that there was no one around, the divine soldier immediately greeted him and gave a respectful salute. This divine soldier is the henchman of the God King Haotian, so he naturally knows the identity of Prince Aotian. Prince Aotian

waved his hand to show his waiver, and then asked impatiently, "God King asked you to come, is there any important discovery?"

"Yes!"

, the whereabouts of that Nalan Wushuang has been found out, this girl is in the Rakshasa clan. Not only that, she also broke into the forbidden area of the Rakshasa clan by mistake and released nine golden crows...”

In the next few minutes, the goddess The soldier told the details.

Speaking of which, many Jianghu sects were still kept in the dark about what happened to the Rakshasa clan, but they could not escape the surveillance of the Tianjian.

call!

Knowing the situation, Prince Aotian took a deep breath and narrowed his eyes slightly: “No wonder I can’t find that girl, it turned out that the one who rescued her at that time was someone from the Rakshasa clan.”

Muttering, Prince Aotian asked: “God What advice does the king have?”

The divine soldier hurriedly said: “His Royal Highness the God King asked me to tell the prince that Nalan Wushuang fled into the wild and strange realm, and it is impossible to protect himself, so we don’t have to worry about it for the time being.”

“In addition, according to the investigation of our Qin Tianjian, there are hidden dangers within the Rakshasa clan. The Queen’s two right-hand assistants, Itel and Timur, are at odds with each other... His Royal Highness suggested that we can start from this aspect. “

This...

Hearing these words, Prince Aotian frowned: “What does the king of God mean?”

The god soldier thought for a while, and responded: “His Royal Highness the king of God means very simple, the prince wants to deal with it. Yue Feng, the Rakshasa clan is a force to be reckoned with.” After speaking

, Shenbing thought of something, and added: “Also, according to the news we got from Qin Tianjian, now Yue Feng is also in the Rakshasa clan... “...”

Prince Aotian nodded thoughtfully: “Okay, I understand.” A

few minutes later, after the divine soldier left, Prince Aotian deliberately dressed up, left Wudang, and turned to the Rakshasa clan. direction to go.

...

on the other side, the Rakshasa royal palace.

It took Yue Feng a few hours to finally help Mona get rid of the inner demon karma.

The ultimate husband in Chinese chapter 5796

Call!

For a while, Yue Feng took a deep breath. In order to help Mona get rid of her inner demons and karma, the divine power that she had managed to recover before was exhausted again, but it was not bad to be able to rescue Mona.

With emotion, Yue Feng looked down and was stunned.

I saw that Mona in her arms had woken up. At this time, her delicate face showed a hint of ruddy, and her eyes stared at Yue Feng, a little shy and flustered.

This is embarrassing.

Yue Feng was sweating profusely in an instant, and smiled bitterly: "Are you awake?"

"Hmm..."

Mona bit her lip tightly and responded, her mind was almost blank. She only remembered that after drinking well before, she suddenly became very hot, and she didn't know anything after that.

The next second, seeing that there was no cover on her body, Mona's face suddenly turned red to the root of her neck, and she whispered, "You... can you let me down first?"

When she said this, Mona lowered her voice. Turning his head, he didn't dare to look at Yue Feng at all.

The dignified Rakshasa Empress was wearing nothing and was hugged by Yue Feng, she was ashamed.

Oh...

Hearing this, Yue Feng reacted, and quickly put Mona on the soft couch, then moved his eyes away, and slowly said: "You took the medicine pill before, and then drank the wine, The strong liquor and the medicinal power clashed, and almost went crazy..."

When explaining, Yue Feng had a serious look on his face.

It turned out to be so.

This chapter is provided by . Visit for daily update.

Mona nodded suddenly, no wonder it was suddenly so uncomfortable at the time, she muttered in her heart, and then she thought of something, and asked curiously, "Why are you all right?"

Haha...

Seeing her question, Yue Feng couldn't help laughing, but he still turned his back to Mona like a gentleman and didn't look at her: "Many years ago, I was invulnerable to all poisons. This situation will not happen to me at all."

"No wonder."

Knowing the situation, Mona nodded silently, thinking of the scene just now, her beautiful face flushed again.

At the same time, Mona also realized that Yue Feng was saving her by hugging her just now, and immediately said gratefully: "Yue Feng, thank you..."

"The Queen is very polite." relieved. I thought that Mona woke up and would misunderstand herself when she saw the scene... I didn't expect it, but she was quite understanding.

Thinking to himself, Yue Feng said, "That...it's dawn, I'll go out for a walk."

It was inappropriate for Mona to stay here all the time.

Ok!

Mona responded, and just waited for Yue Feng to leave the palace, and then went to the dressing area at the back to put on clothes, but what she didn't expect was that she had just experienced the madness, her body was limp, she had no strength, and she couldn't stand at all. stand up.

Seeing that Yue Feng was about to walk outside the door, Mona felt anxious and quickly said, "Yue Feng, don't go yet."

Shuh!

Yue Feng stood on the footcloth and looked back subconsciously: "What's the matter?" As soon as he finished speaking, his eyes unconsciously swept across Mona's charming curve, and his heart suddenly became dazed.

Beautiful, so beautiful...

At this time, the morning sun just rose outside, and a golden morning light sprinkled in, and a hazy golden light appeared on Mona's body, which looked indescribably holy.

For a while, seeing this scene, Yue Feng was stunned.

Feeling Yue Feng's gaze, Mona's face was flushed, and she was indescribably shy, and at the same time, her heart was also inexplicably throbbing.

Speaking of which, Mona has always admired Yue Feng, and occasionally thought of being Yue Feng's woman, but she also knew that she was the queen of the Rakshasa clan, with a special status, and it was impossible to be with Yue Feng.

But she never imagined that one day, Yue Feng would look

down on her....

Aware of Mona's reaction, Yue Feng reacted and quickly covered his eyes: "I'm sorry... I'm a little lost, I don't know what the Queen ordered..."

Mona reacted, bit her lip lightly, and hesitated. Zhi: "...I can't get up now, can you go to the locker area at the back and help me get my clothes..." Finally, the voice was very small, like a mosquito.

Yue Feng nodded, immediately following Mona's gesture, he walked into the dressing area at the back, chose a red robe, took it and handed it to Mona.

The ultimate husband in Chinese chapter 5797

After arriving at the clothes, Yue Feng did not leave immediately, but stayed at the door. To prevent any palace warrior who does not have long eyes from suddenly breaking in.

During this period, the two didn't speak anymore, only the sound of Mona rustling on her clothes.

The atmosphere is also a little awkward and subtle.

"I..."

At this moment, Mona tidied up her clothes and said shyly: "I'll go to the side hall to see how the aftermath of the clan's land is going." After speaking, she walked out of the palace as if she were fleeing.

At this time, Mona did not have the cold arrogance that a queen should have, just like a little girl who was just beginning to fall in love.

call!

Seeing Mona leave, Yue Feng shook his head and smiled bitterly, then left the palace and rushed towards the forbidden area of the ranch.

When I was drinking with Mona last night, I learned that the nine golden crows appeared from the cave in the forbidden area. Yue Feng felt that it was better to go there and see for himself.

.....

On the other side, the headquarters of Tiandao Society.

At this time, the ground near the headquarters was almost completely dyed red. The black armored cavalry led by Itel and the members of the Tiandao Association fought hard, and people on both sides kept falling in a pool of blood.

The two sides have been fighting fiercely here for a day and a night.

During this period, there were continuous casualties on both sides, but the black armored cavalry were the most seriously injured. You must know that this is the home of the Tiandao Society after all, and it has a geographical advantage.

More importantly, Tang Jian is very good at arranging troops, and he is familiar with the surrounding environment.

This chapter is provided by . Visit for daily update.

In this case, the multiple charges of the black armored cavalry were blocked. After more than 20 hours of fierce fighting, tens of thousands of black-armored cavalrymen, and finally only more than 10,000 people remained.

On the Tiandaohui side, only a few thousand people were lost.

Mad!

At this time, Itel was suspended in mid-air, seeing the heavy casualties on his side, his face was extremely gloomy and ugly.

The black armored cavalry of the dignified Rakshasa clan can't even win a small business organization. If this is spread out, where will it be put in the future?

More importantly, I originally wanted to use this Qing Suppression Association to make the Queen change her opinion of herself. But in the end, it's all over.

"Hahaha..."

Looking at Itel's expression, Tang Jian, who was not far away, couldn't help laughing and mocking: "Itel, although you are the first warrior of the Rakshasa tribe, but you want to destroy it. My Tiandao Society is just wishful thinking."

“Hurry up and take your useless subordinates and go back to your military camp.”

Haha... When the

voice fell, many members of the Tiandao Society laughed along with them. .

“You’re courting death!”

Facing the ridicule, Yi Taier’s eyes instantly turned blood red, and he locked onto Tang Jian and shouted angrily: “Desecrate the prestige of my black-armored cavalry, I will call you in a different place today.”

Om!

The voice fell, and a powerful breath burst out from Itel, and in an instant, the sky seemed to be stagnant.

Immediately, Yi Taier’s figure burst out, rushing like lightning, crossing the two sides in the fierce battle, and slamming Tang Jian with a fist.

Hehe, is this a desperate effort?

Feeling the burst of breath from Itel, Tang Jian didn’t panic at all, with an indifferent smile on his face.

The next second, Tang Jian quickly took out a medicinal pill from his body and took it. In an instant, his skill greatly improved, and then he raised his palms to meet Yi Taier.

boom!

The palms of the two sides collided fiercely, and a roar was heard. Itel only felt a terrifying force coming. At that time, he groaned, and the whole person was directly shaken back.

After landing, he took a dozen steps back to stabilize his figure.

mad.

Tang Jian, this despicable villain, actually took medicine pills, it was so shameless.

After stabilizing his figure, Itel resisted the churning of blood in his body, and stared at Tang Jian fiercely, like a dormant beast.

At the same time, the surrounding black-armored cavalry couldn’t stand it anymore, and shouted and cursed loudly.

“Do you want to be embarrassed when you take medicine pills before the battle?”

“It’s really shameless...”

“Ma De, do you dare to fight in a dignified manner...”

The cavalry scolded, and I heard you and me, Tang Jianyi With disdain on his face, he sneered: “Who stipulated that pills can’t be taken in a fight? You Rakshasa are too stupid, no wonder I.”

said, Tang Jian’s eyes fell on Itair, with a hint of gloom: “Ital, when I was in the forbidden area, I said that the sunset bow in there is my Kyushu thing, I As a native of Kyushu, it is only natural to go and get it back.”

“But you mad dog, you just don’t understand, and now you want to destroy my Heavenly Dao Society.”

“Hehe, since you are aggressive, then no wonder I am cruel. Now, let me tell you, today, you and your rubbish subordinates, don’t even want to leave.”

Kacha!

The last word fell, and Tang Jian raised his right hand, holding a long sword with dazzling brilliance tightly in his hand.

You can see that this long sword has a colorful halo flowing through its body. The sword is long and narrow, several inches longer than ordinary long swords. The sword edge is sharp, and the cold light is dazzling in the sun.

This long sword came from Mingjian Villa, and it also has a name called Taiyuan. It was obtained by the owner of Mingjian Villa himself.

Two years ago, Famous Sword Villa cast three purple-rank weapons, each of which is a high-quality weapon among the soldiers, among them this Taiyuan. Later, Tang Jian took advantage of his identity as the leader of the Tiandao Society, and after many setbacks, he bought it at a sky-high price. this sword. It has been a personal collection since then and has never been used.

But today, when Tang Jian dealt with Itair, he summoned Taiyuan for a quick decision.

As soon as the Taiyuan Sword came out, the surrounding temperature seemed to plummet.

Phew ...

At this moment, many black-armored cavalymen were also sweating for Itel.

After all, this Tang Jian had just taken the medicinal pill, and his strength alone suppressed the general. At this time, he took out his weapon again. I am afraid that the general could not stop him.

Mad!

At the same time, Itel was also inexplicably flustered, and he never thought that Tang Jian still had a backer.

“Ital, lead to death.”

Just when Itair was in a state of anxiety, he heard Tang Jian snort coldly, clenched the Taiyuan sword and swung it suddenly, and heard a scream from the Taiyuan sword. , and then a sword shadow condensed, like a bolt of lightning, slashing towards Itair.

Itel was injured by the shock just now, and he had no time to dodge. He could only grit his teeth and pull out his machete in front of him in an attempt to block the blow.

clang!

In the next second, I saw the sword shadow slamming into the machete, and I heard a crisp sound, the machete in Itair’s hand shattered instantly, and he groaned, and was directly shaken out.

It flew dozens of meters away before falling to the ground.

It can be clearly seen that a tens of centimeters-long slit was cut in Itel’s heart, blood kept pouring out, and his face was extremely pale.

“General...”

Seeing this scene, many black-armored cavalymen exclaimed and rushed over.

Tang Jian looked contemptuous: “Are you all here to die, then I will fulfill you.” The voice fell, and the Taiyuan sword was swung out again, and he saw cold lights flashing in the field.

“Ah...”

The black armored cavalymen who rushed up, before they could react, let out a scream and fell in a pool of blood.

For a time, many members of the Tiandao Society around, burst into cheers.

“The big leader is mighty...”

“Haha, watching the big leader make a move is a joy.”

“The big leader, kill them all.”

Compared to the excitement of the members of the Heavenly Dao Association, IteI’s eyes were spitting fire, and he only felt that his heart was dripping blood. You must know that these black armored cavalry were cultivated by him over the years and a lot of hard work.

At this time, they all died under Tang Jian’s sword.

“Tang Jian!”

In his anger, IteI hissed and roared: “If you don’t smash your corpse into ten thousand pieces, I, IteI, will never be a human being.”

“Cut my corpse into ten thousand pieces?” Full of contempt: “Just based on your current state, do you have the qualifications? Don’t waste your efforts, let’s go on the road with your subordinates.”

“Go against our Heavenly Dao Association, this is the end, accept your fate.”

When the last word fell, Tang Jian clenched the Taiyuan sword and walked towards IteI step by step.

Mad!

Seeing Tang Jian approaching step by step, IteI scolded secretly, and wanted to stand up and fight back, but the wound lost too much blood, and the whole person was weak, and he had no strength to fight again.

Could it be... is this your destiny?

For a time, IteI clenched his fists tightly, feeling very unwilling.

“Tsk tsk...”

Seeing that Yi Taier was about to die under Tang Jian’s sword, suddenly, a mocking voice came from the sky not far away: “What a big tone.”

Hearing the voice, Tang Jian Frowning, he turned his head to look.

At the same time, IteI also looked up at the sky subconsciously.

I saw a figure coming from the sky.

Wearing a white robe, it gives people a sense of immortality, but the person here is very young, in his mid-thirties, his facial features are handsome and handsome, but there is a vague evil spirit between his eyebrows.

It was Prince Aotian who came from Wudang.

Previously in Wudang, Prince Aotian knew what happened to the Rakshasa clan in the last few days from the divine soldier who passed the letter, and after listening to the advice of the God King Haotian, he rushed over immediately.

Two hours ago, Prince Aotian rushed to the vicinity and saw two groups of people fighting fiercely, so he quietly hid and watched, and later learned that one of them was the first warrior of the Rakshasa, IteI, Prince Aotian. At that time, he made up his mind to draw this IteI over.

At this time, seeing that Yi Taier was about to die under Tang Jian's sword, he immediately showed up without any hesitation.

Swish!

At this moment, the eyes of everyone in the audience focused on Prince Aotian, all of them frowning secretly.

This person looks young, but the strength that pervades his body is not weak...

Phew!

Immediately, Tang Jian was the first to react, looking at Prince Aotian up and down, and said lightly: "Who am I, it turns out to be Ye Yun from the Wudang faction." , Knowing it like the palm of your hand, a few days ago, the real person Lingyu suddenly died suddenly, and the Wudang faction established Ye Yun as the new head of the new generation of disciples, Tang Jian naturally knew.

However, at this time, Tang Jian didn't know that the person in front of him was just wearing Ye Yun's skin, not Ye Yun's deity at all.

"Oh?"

When the other party called out his name, Prince Aotian was stunned for a moment, then chuckled, "Your Excellency knows me?"

Tang Jian frowned, too lazy to talk nonsense: "Ye Yun, this is my Tiandaohui and the Rakshasa clan. If you are acquainted with this matter, don't intervene, so as not to cause trouble."

Although the other party is the new head of Wudang, but after all, he is a young boy, so there is nothing to worry about.

Hehe...

Feeling Tang Jian's cold arrogance, Prince Aotian couldn't help laughing, and said slowly: "The purpose of my generation of Jianghu people is to help when the road sees injustice."

"As we all know, the Rakshasa and Kyushu have always been peaceful. Friendly friend, you are attacking the general of the Rakshasa clan now, intending to destroy the peace between the Rakshasa clan and Kyushu, how can I ignore it?"

When he spoke, Prince Aotian's face was righteous.

In fact, Prince Aotian only deliberately said these high-sounding words to win over Itel, otherwise, he would not care about his life or death.

Ok?

Hearing this, Tang Jian was stunned for a moment, and then he looked up to the sky and laughed loudly: "Interesting, it seems that you want to meddle in your own business, boy, don't think that you have just become the head of Wudang, and I will be a little bit afraid, I Tell you, don't say it's you, even if the real Lingyu is alive, I don't take Wudang in my eyes."

After speaking, Tang Jian's eyes became cold and he shouted, "Get out now, or don't blame me for being rude."

Get out?

Hearing this word, the corner of Prince Aotian's mouth twitched, revealing a sneer: "You should be the one to get out."

What a kid who doesn't know whether to live or die.

Tang Jian was instantly angry, holding the Taiyuan sword tightly, and shouting angrily: "Be a hero, okay, you will die for me." After the

voice fell, Tang Jian's figure erupted, the strong breath filled the sky, and Taiyuan in his hand The sword even burst out with a cold glow, coming straight to Prince Aotian's heart.

Chi Chi...

I saw that wherever the Taiyuan Sword passed, the sky seemed to be torn in half, with amazing power.

Ha ha...

Seeing Tang Jian burst out, Prince Aotian looked contemptuous, raised his right hand slowly, urging his divine power to condense a golden sword out.

This golden sword was completely condensed by the divine power in his body, and the golden light radiated in all directions.

This...

Seeing the golden sword that suddenly appeared in the hands of Prince Aotian, both Tang Jian and the people around were stunned and shocked.

This Ye Yun looks young, but his inner strength is so deep that he can condense a golden sword so easily.

Moreover, this golden sword looks the same as the real one, and the pervading breath is almost breathless...

Phew!

At the same time, Itel, who was slumped on the ground not far away, also looked at Prince Aotian closely at this time, and his heart was very complicated.

This Wudang faction Ye Yun is not weak.

But, can he beat Tang Jian? You must know that although the golden sword he condensed with his internal strength is beautiful, it is fake after all, and Tang Jian's hand is a purple-level weapon.

At this time, Itel didn't know that the golden sword in Prince Aotian's hand was made of divine power.

"Om!"

Just when everyone was shocked, they saw Prince Aotian's figure flashing, a terrifying aura erupted all over his body, and he fought with Tang Jian in mid-air.

I saw that the silhouettes of the two sides kept moving back and forth in mid-air, and the sound of weapons colliding kept coming.

clang!

In just a few breaths, a vibration came out, and Tang Jian's whole body was shaken back by the air.

And Prince Aotian was suspended there, calm and steady, as steady as Mount Tai.

This...it's impossible.

Soon, Tang Jian stabilized his figure in mid-air, and looked at Prince Aotian tightly, shocked in his heart.

As the chief leader of the Heavenly Dao Society, Tang Jian knew a little about the stunts of various sects in Jianghu, especially the inner strength of the Wudang faction.

At this time, after Tang Jian and Prince Aotian fought against each other, he clearly felt that the strength of the other party was unfathomable, and the exercises they performed were not pure Yang internal force, and they were stronger than pure Yang internal force.

what happened?

Could it be that in the Wudang sect, there are more powerful stunts than the Chunyang exercises?

Wow....

Seeing this scene, Intel below, and the surrounding black armored cavalry are all very excited.

I thought that Ye Yun from the Wudang faction was just trying to be brave, but I didn't expect that this person was hidden.

"It's over!"

Just when Tang Jian was secretly frightened, Prince Aotian spit out a few words, and then suddenly waved the golden sword in his hand, and in an instant, he heard a

scream like a tiger's roar and a dragon's roar, and came from the golden sword. , and then, the golden sword turned into a golden beam and burst out.

This...

Faced with this situation, Tang Jian paled in shock. At that time, he wanted to dodge, but it was too late.

The next second, Jin Mang slammed into Tang Jian.

"Ah!"

Tang Jian let out a miserable cry, and the whole person shed a rain of blood in the air. The whole person flew out at once, flying more than 100 meters away, and finally broke a few trees before falling to the ground. .

After landing, Tang Jian's whole body was infected with blood, his flesh was blurred, and he had died.

My God....

Seeing this scene, whether it was Itair or the black armored cavalry present, they couldn't help but gasp and were completely shocked.

Within ten moves, he killed Tang Jian?

The strength of this Wudang Ye Yun is too terrifying, right?

At the same time, the surrounding Tiandao Society members were frozen one by one, their minds blank.

"The big leader is dead..."

"Run..." In the

next second, someone shouted, and all the members of the Heavenly Dao Congregation who were present scattered like birds and beasts, and in the blink of an eye they fled clean. net.

Prince Aotian did not pursue, but said indifferently: "A gang of rabble."

"All cavalry obey orders."

However, at this time, Yi Taier stood up with a long knife and shouted: "You can chase the remnants of the Heavenly Dao Society, and cut them off. Don't let one go." After a

day and night of fierce battles, with so many casualties among his subordinates, how could these Heavenly Dao Society escape?

“Abide by the order of the general.”

After receiving the order, the black armored cavalry present responded in unison, and then chased in the direction where the members of the Tiandao Society fled.

call! At this time, Yi Taier took a deep breath and walked slowly to Prince Aotian

, his face could not hide his gratitude: “Thank you, Your Excellency, for your help!”

The look: “It’s just a hands-on effort.”
