

The ultimate husband in Chinese chapter 5841-5850

Uh....

Seeing Ilona's big reaction, Yue Feng couldn't help laughing and laughing, and said awkwardly: "Girl, don't be so excited, you'll invite people from outside..." As he

said, Yue Feng wanted to stand up, but his hands and feet were tied and he couldn't move at all.

"You..." Ilona calmed down and realized that she had caught the wrong person. She looked at Yue Feng up and down and said suspiciously, "I ask you, why are you in the second lady's room?"

"Thinking that when Yue Feng was caught, he was on the bed, and Ilona began to guess.

Could it be that Yue Feng got excited when he saw that the second lady was beautiful....

The more she thought about it, Ilona's face was red, she was shy and angry. Although she didn't like that second lady, she was her sister-in-law anyway.

This scoundrel, Yue Feng, broke into his sister-in-law's room late at night with bad intentions, which is simply a humiliation to the family...

"Girl, don't get me wrong..."

Seeing Ilona's face changing, Yue Feng quickly explained: "I don't know. It was the second lady's room, you left the front hall at that time, I looked for you everywhere, and then I got lost and saw that the yard was not lit, so I went in..."

Phew...

Seeing him explain like this, Yi Lorna's face softened a little, it was her fault after all.

But then, Ilona thought of something, and looked closely at Yue Feng: "Since you broke in by mistake, why are you in bed?" Saying that, Ilona recalled the scene at that time.

When he was caught, Yue Feng seemed to have just got up from the bed...

In this case, it was hard not to think about what happened to Yue Feng and the second lady.

This...

Yue Feng secretly exhaled, and his mind quickly thought: "I was looking for a place to hide... I was going to get under the bed, but the bed was too narrow to get in at all..."

"Besides, the person on the bed seemed to be awake at the time, so I was going to go up and knock her unconscious. Before I even started, you broke in."

When he said this, Yue Feng was secretly ashamed.

The real situation cannot be told, otherwise, the explanation is even more unclear, and we can only make up lies.

Seeing what Yue Feng said seriously, Ilona no longer insisted on this matter, and nodded Ou: "Okay, let's not delve into this matter." After saying that, she came over and untied the ropes for Yue Feng.

call!

Having gained freedom, Yue Feng breathed a sigh of relief and moved his sore hands and feet.

At this moment, Ilona thought of something again, bit her lip, and said complicatedly: "You... did you wake up very early?" She thought it was her brother who was caught, but she didn't know it was Yue Feng.

It seems that he woke up very early, and he had seen all the scenes of bathing in it and putting on clothes...

Thinking of this, Ilona's face was flushed, and she could not wait to find a seam to get in.

"Well..."

Hearing the question, Yue Feng scratched his head and said with a smile: "It's not too early to wake up, it's not long after you entered the bathroom."

Shuh!

At this moment, Ilona was embarrassed and angry, and stomped her feet anxiously: "You woke up, why didn't you speak?" This Yue Feng is really a rogue.

Yue Feng shrugged with an innocent look on his face: "It's not my fault, the light was so dark at the time, I didn't even know who caught me."

"You..."

Ilona was at a loss for words, because Yue Feng said it well, her vision was dim at that time, otherwise, she would not have caught the wrong person.

It's just... Bai Bai was seen by Yue Feng, and he was really angry.

Thinking to herself, Ilona said angrily, "I don't care, in short, you have to forget about tonight's affairs..."

Oops?

Seeing her savage face, Yue Feng couldn't help laughing, and said slowly, "I'm afraid this is a bit difficult, I have the best memory, especially the experience with beautiful women, every scene is still fresh in my memory."

This Ilona is very interesting, Yue Feng couldn't help but tease her.

Swish!

At this moment, Ilona's face flushed red, as if she could drip blood, and she immediately pulled out her machete and scolded: "You are really a scoundrel, you ruin my innocence, I will kill you."

Om!

When the voice fell, Ilona made a meal with inner strength, and the machete drew a cold light, and slashed towards Yue Feng.

The ultimate husband in Chinese chapter 5842

....

worthy of being a woman of the Rakshasa clan, this is too sturdy.

Yue Feng was taken aback when he saw Ilona said to do it, and then quickly stepped aside to avoid the knife: "Girl, I just watched it, and I didn't do anything to you, so I can't do this, right?"

" , did you catch me as your brother, or did you take the initiative to take a bath, and I didn't force you, how can it be my fault now?"

Hearing these words, Ilona was speechless, but in her heart But even more ashamed.

"I don't care, in short, if you look at me, you will die." Ilona said coldly, holding the machete tightly in her jade hand, and slashed at Yue Feng again.

Yue Feng naturally wouldn't take the initiative to die, so he dodged around the table next to him.

Ilona chased after her.

For a while, the two were chasing around the table. If there was someone beside them, if they didn't know the situation, they thought they were flirting.

"You stop for me."

"I'm stupid, stop and let you cut?"

"You rascal..."

While chasing, the bickering between the two continued to sound.

Although Yue Feng's divine power has not fully recovered, his movement is still agile, and he always maintains a distance of one meter from Ilona.

A few minutes passed in the blink of an eye, and seeing Ilona was so embarrassed and angry that she almost cried, Yue Feng suddenly stood on the cloth and said with a smile: "Okay, I promise you, no one will talk about tonight's affairs."

This chapter is provided by . Visit for daily update.

This girl is so persistent, I'm really afraid that she can't think about it for a while.

call!

Seeing Yue Feng's smiling face, Ilona looked disbelieving, and said coquettishly: "I know what you said is true or false, unless you swear, if you say it later, you will die." The

last four words, Ilona almost It was said through gritted teeth.

What the fuck...

Yue Feng was stunned for a moment, not knowing whether to laugh or cry: "Girl, you're going too far." It's so cruel, he wants me to cut off my descendants.

Ilona's face is charming, and her tone is unquestionable: "If you don't swear, I will never die with you." Saying that, she waved her machete and rushed over.

"Okay..."

Yue Feng's head was big, and he quickly compromised: "I swear..." After saying that, according to Ilona's request, he made a serious oath.

After listening to Yue Feng's oath, Ilona put away the machete, but there was still a bit of shame and anger on her face.

For a while, the two didn't speak, and the atmosphere was a little awkward.

"That..."

After a few seconds, Yue Feng broke the awkward atmosphere: "Why did you arrest your brother? You want to force him to submit and let the queen go?"

Ilona nodded and said angrily: "This is not Is it nonsense?"

Saying that, Ilona sat at the table, with a bit of annoyance on her delicate face: "I thought that if I caught my brother, I would be able to turn the situation around and save a crisis, but I didn't know I caught you wrong. , now it's almost dawn outside, there's no chance."

Haha!

Seeing her anxious look, Yue Feng secretly laughed and said slowly: "To solve this crisis, you don't have to use this method.

" mean?"

Yue Feng thought for a while, then said slowly: "For example, you can pretend to apologize to your brother, and support him to be called the new king, and then take the opportunity to set up the place where the queen is imprisoned."

"When the time comes, let's quietly rescue the queen. , this method is the safest."

After saying this, Yue Feng looked at Ilona with a smile, waiting for her decision.

What?

However, after listening to Ilona, she stood up excitedly: "You asked me to apologize to my brother? Obviously he did something wrong, why should I apologize? I have to support him against my will?"

Alas!

Seeing her reaction, Yue Feng sighed and shook his head secretly. As expected of a woman from the Rakshasa clan, she has a straight personality and doesn't know how to

adapt. It's no wonder that the Rakshasa clan was expelled from the Kyushu Continent by Emperor Xuanyuan Yellow

... Yue Feng said patiently: "Girl, you still don't understand what I mean, this is just an expedient measure, our ultimate goal is to rescue the queen, do you still care about your dignity?"

Hearing this, Ilona Biting her lip tightly, she mused.

A few seconds later, Ilona glanced at Yue Feng lightly, and pouted: "You people from Kyushu are really hypocritical, such a cunning thing, and you say it in a high-sounding manner."

The ultimate husband in Chinese chapter 5843

Said, what Ilona thought, and her eyes locked on Yue Feng: "You swore just now, did you consider it as an expedient measure?"

Uh...

Yue Feng was stunned for a while, a little dumbfounded, no matter what. Unexpectedly, this girl would suddenly turn the topic to this matter, and immediately said seriously: "Swearing is not a child's play, how can it be fake?"

Seeing Yue Feng's sincere face, Ilona no longer struggled with this issue. In the next second, Ilona breathed a sigh of relief, and her delicate face couldn't hide the worry: "But... my brother knows my

character, what if he doesn't believe it?"

I didn't apologize to my brother.

Hehe...

Yue Feng couldn't help laughing, and persuaded: "Because of this, your brother will not doubt it. And don't worry, when the queen is rescued, I will definitely help to speak and save your brother's life."

Ilona thought for a while and nodded: "Okay then, I'll give it a try."

Then, Ilona and Yue Feng discussed some details.

.....

On the other side, the headquarters of Tiandao Society.

In the hall, there was a sumptuous banquet table. Itel and Prince Aotian sat opposite each other, and beside them, several young and beautiful maids were carefully serving them.

Haha...

Itel was in a good mood. At this moment, he laughed loudly and toasted a glass of wine to Prince Aotian: "Thanks to Sect Master Ye, I have such a situation. Come on, I will toast Sect Master Ye with a glass of wine. ."

This chapter is provided by . Visit for daily update.

Prince Aotian smiled slightly, and touched a cup with Itel.

After drinking a glass of wine, Prince Aotian said indifferently: "Although the palace has been controlled by the general, the general should not take it lightly."

Hmm!

Itel nodded in agreement, with a solemn look on his face: "What should I do next, please ask Ye Sect to give some pointers."

Prince Aotian thought for a while, and said slowly: "The entire Rakshasa clan, those leaders casually surface. Surrender, but it will take some time for them to willingly support you as king, but this matter is not urgent." After

speaking, Prince Aotian's face became serious: "The most important thing right now is to guard against a person."

"Who?" Itel asked quickly.

Prince Aotian did not answer immediately, but glanced at the maids around him lightly.

Itel was a wise man and waved his hand quickly: "You all step back."

"Yes, General." Upon hearing the order, the maids in the hall immediately retreated.

As soon as his forefoot left, Prince Aotian poured himself a drink, and then said slowly: "This person is Yue Feng. He is the Queen's VIP. He has a good relationship with the Queen. When he learns that the Queen is missing, he will definitely pursue it with all his strength."

Yue Feng ?

Hearing this, Itel frowned, and there was a hint of hostility in his eyes: "I am dissatisfied with the head of Ye, I have thought about this for a long time, and yesterday I sent

people to the entire Rakshasa clan to investigate his whereabouts. But there has been no clue, I think he has left here.”

Saying this, Itel smiled: “As far as I know, before we imprisoned Mona, Yue Feng was driven out of the palace by Mona for unknown reasons. .”

When the last word fell, Itel looked relieved.

To be honest, Itair didn’t have the slightest affection for Yue Feng. If it wasn’t for Yue Feng, the Queen would not have been angry and would not have allowed him to enter the palace.

However, there are various indications that Yue Feng has left the Rakshasa clan, so there is no need to worry.

“General!”

Prince Aotian shook his head in disapproval: “Don’t hold this kind of thinking and despise Yue Feng, I know a little about this person, he won’t give up easily until he finds out one thing. Yes .”

“Yesterday I got news that Yue Feng had been to the forbidden area of the ranch. It should be to investigate the matter related to the nine golden crows, so I speculated that he should still be in the Rakshasa clan, but he didn’t know where to hide.”

Said At these times, Prince Aotian’s face was calm, but there was a hint of gloom in his eyes.

Speaking of which, the ultimate purpose of Prince Aotian’s cooperation with Itair is to deal with Yue Feng, otherwise, in his capacity, he can completely disdain Itair.

Phew ...

Hearing these words, Itel took a deep breath and pondered.

A few seconds later, Yi Taier asked for advice: “In the opinion of Sect Master Ye, what should we do next?”

The ultimate husband in Chinese chapter 5844

Prince Aotian rubbed his brows and said slowly: “Naturally, it is to use the queen to lead Yue Feng out...”

“General.”

Just halfway through, two people suddenly broke in, both Is sweating profusely.

It was Itel's two cronies.

Swish!

Itel's face changed, and he scolded: "Before you came in, didn't you know how to report? There are really no rules." The

two cronies hurriedly knelt down, looking terrified.

"General, calm down."

"My subordinates have something important to report."

When they spoke, the voices of the two cronies trembled. Who knows, Itel is strict in governing the army, and if he offends him, there is absolutely no good fruit to eat. .

call!

Itel took a deep breath, and because Prince Aotian was on the side, he didn't have any seizures. He suppressed his anger and said, "What's the matter, hurry up and say."

One of his close friends, sweating profusely, bowed his head and said, "General, Miss ...the lady ran away..."

What?

Itel's face changed, he stood up suddenly, and shouted angrily: "What a waste, you can't do a little thing well. Didn't you want to be optimistic about her? How did you run away?"

This chapter is provided by . Visit for daily update.

"It's troublesome when things are said.

"Go back to General." The trusted confidant wiped the cold sweat from his forehead and said tremblingly, "Last night, we stayed at Miss's door, never leaving, but we didn't know that Miss opened the back window and rushed out. did not find..."

After saying this, the trusted confidant knelt there, full of fear.

The other is also nervous.

Mad!

Knowing the situation, Itel almost fainted from anger: "Pass my order and send all the cavalry to find me. In any case, we must find her whereabouts."

“If you can’t find anyone, you don’t have to come back.”

At this time, Itel was furious. My sister has been missing for one night. For such a long time, if the secret is leaked, the consequences cannot be imagined.

However, he didn’t know yet that Ilona didn’t leave the General’s Mansion, she just used a trick to move the tiger away from the mountain.

“Yes, General.” The two cronies responded and quickly walked out of the hall.

Seeing the two leave, Itel forced a smile and said to Prince Aotian: “Let the head of Ye laugh, my younger sister, who has been restless since she was a child, always causes trouble for me.”

Prince Aotian smiled, Then he asked curiously, “Why did the general ground your sister?”

Alas!

Hearing the question, Itel sighed, and then told about the quarrel between the siblings last night.

Knowing the situation, Prince Aotian pondered and frowned, “Have you told her that the general will imprison the queen?”

Itel nodded.

Prince Aotian sighed secretly and guessed: “I remember that the general once said that Lingmei has been in charge of guarding the restricted area of the ranch for the past two days, and Yue Feng went to the restricted area to investigate. According to this, the two should have met. Could it be... Lingmei escaped from the General’s Mansion, just to tell Yue Feng the news?”

Shuh!

Hearing this, Itair’s face changed, and he couldn’t sit still at that time: “Ye Zhangmen really thought about it, I didn’t expect this, it’s just...”

After speaking, Itel thought for a while: “Although my sister is She is reckless, but she also knows how to behave, and she is not familiar with Yue Feng, so I don’t think she would talk nonsense about such a big event.”

As she was talking, a maid appeared outside the door and said respectfully, “General, Miss. See you .”

Huh?

At this moment, Itair and Prince Aotian looked at each other, both stunned.

While I was talking about Ilona, she appeared... what a coincidence.

Soon, Itair reacted and said coldly: "Let her come in." When speaking, Itel couldn't hide the anger in his heart.

This little sister is really not worrying at all, she disappeared overnight, so be sure to ask questions later.

Under the order, the maid withdrew.

After a while, Ilona slowly walked into the hall, and when she got to the front, she said softly to Itel: "Brother..." At the same time, she couldn't help but glance at Prince Aotian.

Who is this person? Why haven't you seen it before?

boom!

Itel slammed the table and scolded: "You still have the face to see me? Let me ask you, where did you go last night?"

The ultimate husband in Chinese chapter 5845

"I..."

Feeling Itel's anger, Ilona bit her lip lightly: "I was at home last night and didn't leave at all."

At this time, Ilona was very flustered, But try to keep calm.

Before coming, Ilona and Yue Feng negotiated, pretended to apologize to her brother, and then set out the place where the queen was imprisoned. Although Ilona is an adult, she is naturally a little nervous when she does this kind of thing for the first time because of her upright personality.

at home?

Hearing the answer, Itel was stunned.

The Prince Aotian next to him also frowned secretly.

At this moment, Ilona said slowly: "Yes, I have been at home, but the two people you sent have been guarding outside the door, which annoyed me, so I thought of a way to lead them away. ."

Saying that, Ilona explained in detail how to use 'Tiaohu Lishan'.

It turned out to be so.

Knowing the situation, Itel nodded suddenly and couldn't help but scolded: "Those two wastes have been deceived like this." My sister has been gifted and intelligent since she was a child, and it is not uncommon to be able to use this method to deceive her subordinates. .

However, Prince Aotian thought secretly.

What Ilona said seems normal, but think about it carefully, if she has nothing else, there is no need to do this... There must be a hidden meaning in it.

Thinking of this, Prince Aotian noticed that Ilona seemed to be calm, but she was actually very worried.

call!

This chapter is provided by . Visit for daily update.

At this moment, Itel calmed down, looked at his sister and said, "Why are you looking for me in such a hurry?"

"Brother... I thought about it for a long time last night." Ilona lowered her head, did not look at Itair, and made a humbly confession: "Until this morning, I finally understood that I was wrong. ."

Saying that, Ilona stepped forward and took Itail's hand: "My brother took such a risk, but also for the prosperity of our family in the future. As my brother said, there is no turning back when I bow. I told you before. It's really inappropriate."

"I figured it out, from now on, I will fully support my brother."

When she said this, Ilona lowered her head and felt that her heart was about to jump out.

To be honest, Ilona has never said so many things that go against her heart when she grows up so big, but in order to prevent her brother from making mistakes again and again, she can only pretend to go on with her teeth.

This...

At this moment, after listening to Ilona's words, Itel was stunned, and he didn't recover for a long time.

You actually apologized to me, is this still the stubborn little sister?

A few seconds later, IteI reacted, couldn't help the joy in his heart, and laughed loudly: "Haha, my good sister, you are finally enlightened and mature, you can understand my painstaking efforts, I am really pleased."

Ilona squeezed out a smile, her expression very unnatural.

IteI was only happy, and didn't notice the change in his sister's expression at all, but Prince Aotian, who was sitting beside him, saw everything in his eyes.

interesting.

Prince Aotian got a glass of wine and drank it slowly, his eyes also looking at Ilona quietly.

This girl, last night, she was fighting with IteI on the grounds of reason, and she had a lot of trouble. She changed her attitude in a blink of an eye... The change is so fast, it is worth thinking about.

"Come on, dear sister."

At this moment, Yi Taier was in a good mood and introduced the two with a smile: "This is the head of the Wudang faction. Before, the elder brother was able to destroy the Heavenly Dao Society successfully, thanks to the help of the head of Ye."

Yiluo Na nodded, walked generously in front of Prince Aotian, and saluted according to the Kyushu etiquette: "I have seen the head of Ye."

"Haha..."

Prince Aotian showed a harmless smile, waved his hand: "It's all me People, you don't have to be so polite. As expected of the general's younger sister, she is indeed charming and heroic." After the

praise, Prince Aotian looked very curious: "I have something, I want to ask."

Phew!

Feeling Prince Aotian's gaze, Ilona was inexplicably uneasy. At that time, she pretended to be calm and said, "Master Ye, may I ask you."

"Did Yue Feng break into the forbidden area of the ranch a day ago?" Prince Aotian was holding a cup. wine, asked slowly.

Yue Feng?

Seeing him ask this, Ilona's delicate body trembled slightly.

The ultimate husband in Chinese chapter 5846

Ilona was nervous. After all, it was Yue Feng's idea to apologize to her brother. At this time, when Prince Aotian mentioned him, her heartbeat suddenly accelerated.

However, Ilona still tried to pretend to be calm, nodded and said, "Yes."

Mad!

As soon as the words fell, Itel couldn't help but yell: "This Yue Feng is really arrogant. With the support of Mona, he will act recklessly and dare to break into my forbidden area, sister, how did you deal with it at that time?"

" , and looked at Ilona with burning eyes.

Phew...

Ilona took a deep breath, calmed herself secretly, and said slowly, "I wanted to stop it at the time, but Yue Feng forced his way in, so I had to chase in."

"And then?" Itel Can't help nodding in approval.

As expected of my sister, she did not disappoint me.

Ilona lowered her head, with a bit of shame on her delicate face: "I wanted to catch him at the time, how could I know that Yue Feng was very cunning, and finally let him run away."

Run away?

Hearing the answer, Itel scratched his head, feeling a little lost.

Prince Aotian thought for a while and couldn't help but ask: "I heard from the general that there is only one entrance to the forbidden area, since you have chased it in and there are cavalry guards outside the entrance, how could Yue Feng run away? ?"

Prince Aotian was very thoughtful, and quickly called out the flaws in Ilona's words.

Moreover, he had always suspected that Ilona was secretly connected with Yue Feng, so he naturally wanted to ask more clues.

This chapter is provided by . Visit for daily update.

yes...

Hearing this, Yi Taier also suddenly woke up and looked at Ilona closely: "Then Yue Feng fought against the Nine Golden Crows before, and his strength was severely depleted. It stands to reason that he will not be your opponent, how could he be? Run away?"

Facing the two people's questioning at the same time, Ilona's mood suddenly became uneasy.

Oops... Brother and this Sect Leader Ye, won't start to doubt me.

Thinking to herself, Ilona adjusted her mood and made a very serious look: "The forbidden area was empty, at that time I shot Yue Feng, causing it to collapse and sink in, and then Yue Feng fell into it. "

The space below is very large and pitch-dark, so I didn't jump down..."

The matter of falling down with Yue Feng is absolutely impossible to say. Getting into the protective film deployed by Yue Feng, the scene is too embarrassing, how dare you say it?

This...

Upon hearing this news, Itel and Prince Aotian glanced at each other, both secretly shocked.

It turns out that under the forbidden ground, there are still other caves.

A few seconds later, Prince Aotian calmed down and looked at Ilona with a smile: "According to what you said, after Yue Feng fell, he never came up again?"

When asking this, Prince Aotian's tone was gentle. , his eyes were indifferent, but it gave Ilona the feeling that he had seen through her whole person.

Under inexplicable tension, Ilona lowered her head and did not look at Prince Aotian, bit her lip and nodded: "Yes."

Haha...

Ilona's change in expression was all watched by Prince Aotian. Couldn't help but let out a smile. I was even more certain in my heart that Ilona secretly formed some kind of cooperation with Yue Feng.

After confirming in his heart, Prince Aotian was very excited, but he didn't show it because Itair was by his side.

“Haha...” Itel was very happy, turned his head and smiled at Prince Aotian: “Depending on the situation, Yue Feng should have died under the forbidden area, haha.... This saves us a lot of things. .”

This big idiot.

Prince Aotian smiled without saying a word, but he secretly despised Itel in his heart.

This Yi Taier is really well-developed and simple-minded. He didn't know that he was deceived by his sister. If you count on him to help deal with Yue Feng, the chance of success is very small, it is better to rely on yourself.

call!

Seeing that Itel had no doubts, Ilona was secretly relieved, and her nervous mood instantly relaxed a lot.

“Brother...” In the

next second, Ilona received a glass of wine diligently, and asked Itel curiously, “Where did you imprison the Queen?”

When asked, Ilona seemed to be casual , but there is a bit of urgency in his eyes.

The ultimate husband in Chinese chapter 5847

After

playing for so long just now, the ultimate goal is to ask the queen's whereabouts, otherwise, all efforts will be in vain.

This....

Hearing the question, the wine glass that Yi Taier held hovered in the air, and at the same time subconsciously glanced at Prince Aotian, and said complicatedly: “Sister, the situation is not stable now, I can't tell you yet. “

Itel discussed with Prince Aotian just now that the place where Mona was imprisoned must not be told to a second person, not even her own sister.

Itel has a straight personality, what to say.

What?

At this moment, Ilona was so anxious, her delicate face showed displeasure, and she hugged Itel's arm and shook her: “Brother, I am your sister, can't I even know?

” Acting like a spoiled brat to Ilona, Itel smiled wryly and nodded.

“Oh!”

At this moment, Prince Aotian laughed and said hypocritically: “General, since Sister Ling has figured it out, we don’t have to hide it from her. It just so happens that the general needs to sit in the palace and preside over the overall situation, and I I’m an outsider, and I don’t show up for many things, so I will continue to watch with someone I can trust .” After speaking

, Prince Aotian smiled at Ilona: “The queen is imprisoned in the back room.”

Saying this At that time, Prince Aotian’s face was sincere, but his heart was endlessly cold.

He could see that Ilona was in such a hurry to ask where the Queen was, just trying to find a way to rescue her. If that was the case, then she would count on it.

After all, with the strength of Ilona alone, it is impossible to save the queen alone, and she will definitely ask Yue Feng for help...

This chapter is provided by . Visit for daily update.

Thinking of this, the corner of Prince Aotian’s mouth raised an arc... I want to save the queen, and then I will give you a surprise.

Ok!

Seeing that Prince Aotian had spoken, Itel did not stop it, and nodded in response.

Great...

At this moment, Ilona was indescribably excited and excited.

Finally found out where the Queen was imprisoned.

Excited, Ilona couldn’t help thinking of Yue Feng in her mind, hoping that he would be able to speak his mind, rescue the queen, help the queen, and let the queen forgive her brother’s crimes...

After thinking about this, Ilona looked in admiration. He opened his mouth and said, “It turns out that the queen has been imprisoned here all the time, no wonder those leaders have no clues after searching for a day.”

Hearing this, Yi Taier looked proud: “That is natural, speaking of it, brother can be so smooth, and all the With the help and advice of Sect Master Ye.”

“Come here, let’s give Sect Master Ye another cup.”

After speaking, he poured a glass of wine for Prince Aotian himself.

Ilona also quickly picked up the wine glass, made a very respectful gesture, and toasted Prince Aotian with her brother.

After a few glasses of wine, at the suggestion of Prince Aotian, Itel ordered Ilona to go to the back room to see the queen, and handed over the matter of guarding the queen to Ilona.

Ilona was very attentive. After understanding the situation, she went to prepare.

Itel and Prince Aotian continued to drink in the hall.

call!

At this moment, Yi Taier opened a jar of wine, filled it with Prince Aotian, and said with emotion: “My little sister has been restless since she was a child, which gave me a lot of headaches, but now that I have grown up, I know that I will share my worries. “

As he spoke, Itel looked relieved.

Haha...

However, Prince Aotian couldn’t help laughing, as if he had heard the funniest joke in the world, and there was a bit of deep meaning in his eyes when he looked at Itel.

Facing Prince Aotian’s sudden laugh, Yi Taier was a little confused: “Why is the head of Ye laughing so much?”

“General!”

Prince Aotian did not answer immediately, but instead asked: “The performance of Lingmei just now, the general did not find anything. Is it wrong ?”

“What’s wrong?” Itel was dazed and didn’t understand what Prince Aotian meant.

Prince Aotian smiled slightly: “Lingmei sang the opposite stage with you last night, but she suddenly woke up today and took the initiative to apologize to you, isn’t it strange?”

“When I mentioned Yue Feng just now, her eyes were dodging, and, So anxious to know where the Queen was imprisoned, wouldn’t the general feel strange?”

After speaking, Prince Aotian looked at Itair quietly.

The ultimate husband in Chinese chapter 5848

Call!

Hearing this, Itel took a deep breath, and the wine also woke up most of the time.

Yes, with her sister's personality, how could she compromise so easily? Moreover, he took the initiative to apologize to me...

Thinking to himself, Itair raised his eyes and looked at Prince Aotian: "Could it be that this girl is going to rescue the queen?" After speaking, Itail himself was shocked. A cold sweat.

He knew this sister too well, there were only things she didn't want to do, nothing she dared not do.

Prince Aotian nodded: "Yes."

Shuh!

Itel was in a hurry, and stood up quickly, his face full of anxiety: "Since the head of Ye saw it just now, why didn't you remind me? Besides, he also deliberately told her where Mona was imprisoned?"

", Yi Taier was in a hurry like an ant on a hot pan, walking back and forth constantly, unable to sit still at all.

Hehe...

Prince Aotian smiled slightly and reassured him, "General, don't worry, I did that just now to catch big fish with a long line." After speaking, he slowly drank a glass of wine with a confident attitude.

Catch big fish?

Hearing this, Itel was stunned and looked at Prince Aotian complicatedly.

Without waiting for him to continue to ask, Prince Aotian said slowly: "Lingmei is a smart person, she knows very well that it is impossible for her to save the queen by herself, and she dared to apologize by herself just now, which proves that there is someone behind the scenes. He made a plan."

"Who?" Itel asked, narrowing his eyes slightly.

Prince Aotian took a deep breath and slowly spit out two words: "Yue Feng!"

Yue Feng?

Itel was stunned for a moment, only to feel that his mind was a little messy. After a few seconds, he instinctively shook his head and said: "This... This is impossible, my sister and Yue Feng don't know each other, how can they cooperate with him?"

"Saying that, Itel shook his head again and again.

Prince Aotian smiled bitterly: "General, don't underestimate that Yue Feng, many things that we think are impossible can happen to him." When

he said this, Prince Aotian couldn't help remembering that when Yue Feng was assisting him Ao Lin, snatched away the throne of Heavenly Emperor that should belong to him. Immediately, a burst of anger burst out from the bottom of my heart.

This....

Seeing what Prince Aotian said was serious, Itel pondered for a moment, then gritted his teeth and said: "This girl, if she really dares to cooperate with Yue Feng, I will no longer talk about brother-sister relationship.

"There must be no mistakes.

Hehe....

Feeling Yi Taier's mood swings, Prince Aotian smiled slightly, patted him on the shoulder and comforted: "General don't have to worry, these are all my guesses, the so-called prevention is in the future, is there any truth to your sister? To cooperate with Yue Feng, we all need to deploy in advance."

"It's all up to Sect Master Ye's arrangement." Itel nodded.

....

on the other side.

On the hillside in the northwest of the Rakshasa Ranch.

Yue Feng disguised himself as a hunter, stood there, quietly looking around, seemingly calm, but his heart was full of emotional ups and downs, unable to hide his anxiety.

That girl, Ilona, is still young after all. I don't know if she will reveal her secrets when she sees her brother.

rustle...

Just when Yue Feng was secretly worried, there was a sound of footsteps on the mountain road not far away, and then, Ilona walked over quickly in casual clothes.

Although wearing casual clothes, he still can't hide his elegant and refined temperament, and the graceful curves are presented, which makes people obsessed.

However, Yue Feng was not in the mood to appreciate these at this time, so he hurried up to meet him, and couldn't wait to ask, "How is it?"

Huh!

Ilona breathed a sigh of relief and said with a smile on her face: "Everything is going well, my brother has no doubts, and I also found out where the Queen was locked up, in the secret room of the headquarters of the Tiandao Society."

Said, Ilona Tell the situation in detail.

Very good.

Hearing this news, Yue Feng was very excited, but also a little surprised: "You said, there is another person next to your brother, who is the head of the Wudang faction?"

Hmm!

Ilona nodded and replied: "My name is Ye Yun, very young, and it is said that he is a rookie of the Wudang faction this year."

After speaking, Ilona tilted her head and thought about it, and said seriously: "However, this person's The eyes give me a feeling that I can't tell, it's a little gloomy..." While speaking, thinking of the scene of being stared at by Prince Aotian at that time, I felt a little uncomfortable.

Ye Yun?

At this moment, Yue Feng couldn't help frowning secretly.

This kid actually became the head of Wudang, and, now he is in the Rakshasa clan? Also has a close relationship with Itair...

Thinking to himself, Yue Feng realized that this matter does not seem to be that simple, just to rescue Mona as soon as possible, and he can't care so much.

“Let’s get ready and act at night.” Yue Feng said seriously.

Ok!

Ilona nodded.

.....

Late night, Tiandao Society headquarters.

In the cold and faint secret room, Mona was tapped on the acupuncture point, her hands and feet were tightly bound by ropes, and she couldn’t move.

Tonight’s night was as cold as water, and gusts of cold wind blew in from the crack of the door of the secret room. Mona’s delicate body trembled uncontrollably.

However, Mona’s heart was even colder.

The dignified queen of the Rakshasa clan was in such a situation that anyone else would be unbearable.

Could it be that his fate ended in this dark room, leaving Itail to do things outside?

No...you can’t just accept your fate like that.

At this moment, Mona bit her lip tightly, endured the coldness, and tried to run her strength to open the acupuncture point...

“Squeak—“

But at this moment, I heard footsteps coming from the secret room. The footsteps were very light, and a few seconds later, with a slight noise, the door was gently pushed open a gap, and then, two figures quickly flashed in.

who?

Is Itel coming to deal with me?

Hearing the movement, Mona trembled in her heart. She thought it was Itel, but she looked at it and was stunned.

I saw that it was a man and a woman.

The woman's figure is slim and charming, and her facial features are exquisite, revealing a bit of heroic spirit. The man is tall and straight, cool and handsome.

It was Yue Feng and Ilona.

This...

For a time, Mona's brain was buzzing, and she couldn't calm down for a long time.

How could the two of them be together?

Just when Mona was stunned, Yue Feng looked at her up and down, and his heart was indescribably complicated, and at the same time, he felt a little distressed.

It's just that I haven't seen each other for two days. This is Mona, who is full of vigor. At this time, her face is pale, and she can't hide the tiredness between her brows. It looks distressing.

call!

Soon, Yue Feng reacted, walked slowly, and comforted: "Mona, don't be afraid. We are here to save you." Then, he was about to help her untie the rope.

However, before the hand touched, Mona cried out in shock: "Stop, don't touch me."

While exclaiming, Mona looked at Yue Feng's eyes, unable to hide her alertness.

Uh...

Feeling Mona's attitude, Yue Feng quickly stood on his feet, his face very embarrassed.

This Mona is too vengeful. I haven't forgotten about the drinking that night...

Ilona behind her was stunned, and she couldn't understand it for a while. What is the situation, the Queen and Yue Feng are not Are you in a good relationship? Why are you so hostile now?

A few seconds later, Yue Feng smiled bitterly: "Mona, don't worry about what happened before. We found this place, but we took a big risk. Let's go out first."

After speaking, he stretched out again . hand.

"You step back!"

However, Mona didn't listen to Yue Feng's explanation at all, and scolded coldly: "Yue Feng, I really didn't expect that you are such a person, not only secretly acting dirty, but also colluding with Yi Taier, trying in vain. Usurping the throne."

Mona was very angry at this time, in her eyes, Ilona was Itai's younger sister, and Yue Feng was with her. Obviously, Yue Feng could not escape this time he was arrested. related.

What the hell!

Hearing the accusation, Yue Feng wanted to cry without tears.

Why is this problem getting worse?

Depressed, Yue Feng explained patiently: "Mona, calm down first, I didn't cooperate with Itair, and Ilona almost fell out with her brother because she supported you."

Hearing this, Mona He sneered and glanced at Ilona: "Don't lie to me. During the day, Ilona and her brother came to see me together. How could they be deadlocked?" "

Your Majesty."

Lorna quickly explained: "You really misunderstood, I just pretended to support my brother at the time, the purpose was to find out where you were being held."

Saying that, Ilona explained her and Yue Feng's plans in detail. Say it.

Knowing the situation, Mona fell silent.

Just a few seconds later, Mona glanced at Yue Feng with a firm attitude: "Yue Feng, I have seen through your character, no matter what you say, I will not believe it."

At the thought of being almost taken by Yue Feng that night After leaving the innocence, Mona was indescribably embarrassed.

Until this time, Mona didn't know that it was not Yue Feng at all, but Prince Aotian who broke into the bedroom by mistake.

Shit....

Seeing that Mona still doesn't believe in herself, Yue Feng is very depressed, and his mind is also full of doubts.

The next second, Yue Feng couldn't help but say: "Mona, what misunderstanding do you have on me? Or, what did I do to make you so repulsive? Can you tell me clearly?"

At this time, Yue Feng, Almost crazy.

She obviously didn't do anything, but Mona's attitude at this time was as if she had done something shameful.

Swish!

At this moment, Ilona also looked at Mona, her delicate face full of curiosity.

In the face of Yue Feng's questioning, Mona bit her lip tightly, her expression very unnatural: "Yue Feng, what have you done, do you want me to tell it?"

Yue Feng nodded: "If you don't say it, why should I say it? Do you know?"

"Okay!"

Seeing Yue Feng's unwilling face, Mona took a deep breath and said coldly: "The night before yesterday, you sneaked into my bedroom late at night and plotted against me. If there were no maids shouting outside at that time, I... my innocence has been ruined by you." At the

end of the story, Mona's face flushed red, and she was indescribably embarrassed.

What?

Hearing this, whether it was Yue Feng or Ilona standing behind, they were all shocked and stunned on the spot.

Especially Yue Feng, his mind was buzzing and blank.

What did Mona say?

I sneaked into her bedroom at night with the intention of being wicked to her?
This....isn't this out of nothing?

Just when Yue Feng was thinking about this, Ilona walked up slowly and whispered to Yue Feng: "You are so courageous, you dare to hit the Queen's attention."

When she spoke, Ilona's delicate face Full of contempt.

Nima...

Hearing this, Yue Feng was about to cry without tears, and immediately retorted: "Don't talk nonsense, it's nothing at all." After speaking

, Yue Feng looked at Mona and said seriously: "Mongolia Na, I think you must have misunderstood. I was not in the palace the night before, so how could I sneak into your palace?"

When he said this, Yue Feng was even more sure that he was misunderstood by Mona, because he went to investigate the night before. The forbidden area of the ranch collapsed because of Ilona's pursuit, and the two fell into a deep hole, and then they encountered the fire scorpion.... They didn't leave until dawn.

Not in the bedroom?

Hearing this, Mona was stunned for a moment, and asked dubiously, "You're not in the palace, where have you been?"

"Forbidden pasture." Yue Feng answered honestly: "There are many places where the nine golden crows live. I didn't figure it out, so I went looking for clues. I stayed there all night and didn't come back until dawn the next day."

"Really?" How can I trust you?"

Seriously, Mona originally trusted Yue Feng, but too many things happened during this time, so she had to be suspicious.

call!

Yue Feng took a deep breath and pointed to Ilona behind him: "She can prove it."

In an instant, Mona's eyes fell on Ilona: "Ilona, is what Yue Feng said true? "When she spoke, Mona still had doubts in her eyes.

When asked suddenly, Ilona was stunned for a moment, then nodded: "Yes."

"You two, spent a night in the ranch forbidden area?" Mona asked again, her beautiful face could not be concealed. complex.

The two people in front of them, one is the world-famous hero of Kyushu, with a graceful demeanor, and the other is the only female general of the Rakshasa clan, with outstanding graceful and valiant looks.

These two have been together for a night, and I have to think about it...

shuh!

Feeling the deep meaning in Mona's eyes, Ilona's delicate face suddenly flushed with shame, and quickly explained: "Your Majesty, things are not what you think, I stopped Yue Feng from entering, but he forced his way in. , I can only do it, but I accidentally caused the collapse..."
