

The ultimate husband in Chinese chapter 5981-5990

Seriously, Zheng Qiang has been domineering in the local area for so many years. He is the only one who bullies others and has never been beaten so violently. In his heart, he doesn't want to bow his head like this.

It's just that if you don't give in, you're going to be beaten to death.

"Stop hitting, big brother, I was wrong..." At this time, Zheng Qiang kept yelling, his whole face was swollen, like a pig's head. .

Hehe...

Hearing that the other party softened, Yue Feng smiled coldly: "Isn't it very arrogant just now? It's only been a few times? Can't hold on anymore?" After speaking, he kicked Zheng Qiang again.

Zheng Qiang snorted and almost passed out. At the same time, he was also angry, and he swore in his heart.

Ma De, this poor boy dares to let himself be so embarrassed. Today's shame must be recovered with interest.

This...

Seeing this scene, Wang Xiaoman was completely dumbfounded, staring at Yue Feng blankly, unable to speak for a long time.

Who is he who can teach Zheng Qiang a lesson so miserable?

"Let's go!"

Just when Wang Xiaoman was stunned, Yue Feng stopped, turned around and smiled at her: "It's getting late." After saying that, he walked over, opened the car door and sat in the back seat, calmly, As if everything just now had nothing to do with him.

"Oh!" Wang Xiaoman responded subconsciously. I don't know if I was frightened just now, or if I wanted to escape as soon as possible, and quickly got in the car and started.

The next second, with the roar of the engine, the car quickly drove out of the parking lot.

"Wang Xiaoman, wait for me."

At this moment, Zheng Qiang stood up with his face covered, shouting and scolding: "I will play with you sooner or later, and that kid will not survive the sun tomorrow..."

While scolding, two security guards walked quickly. ran over.

"Mr. Zheng?"

"What happened, Mr. Zheng, your face..."

At this time, the two security guards were extremely surprised. You must know that Zheng Qiang was like a prince in the local area. Who dares to beat him like this?

Zheng Qiang was on fire in his heart, and when he saw the security guard coming, it was like a lit dynamite barrel: "Go to Nimad, are you both blind or deaf. Can't I see when I was beaten?"

"What a special code . Trash, get out, get out now, you won't have to go to work tomorrow." The

two security guards didn't dare to come out, so they left in despair.

"Hey!"

After scolding the security guard, Zheng Qiang took out his mobile phone and dialed a phone number: "Find me the identity of a kid who is with Wang Xiaoman now, who is Wang Xiaoman? Use? It's the one who taught yoga...sha pen..."

"Also, find this kid, don't kill him first, leave his life to me..."

Hanging up the phone, Zheng Qiang watched the two leave The direction you are going, his eyes are full of gloom and resentment, Mad, if a poor man dares to touch me, I will let you know what will happen to me.

At this moment, Yue Feng is here.

Huhu...

The car was speeding fast on the viaduct, the wind was howling outside the window, just like Wang Xiaoman's mood, he couldn't calm down for a long time.

Yue Feng was sitting in the back seat, his expression was indifferent, his eyes were slightly closed, and he was quietly resting.

"You..."

Finally, Wang Xiaoman came to his senses, and while driving the car, he asked softly, "Who are you?"

Yue Feng opened his eyes and smiled slightly: "I didn't tell you before, I am a practitioner who walks the rivers and lakes, so you don't have to worry, even if Mr. Zheng has learned boxing, he is not my opponent."

Wang Xiaoman bit his lip lightly: "But, he is very powerful in the local area, I am afraid... .. he will retaliate tonight, or else, I will send you out of here directly."

When speaking, Wang Xiaoman's delicate face could not hide his nervousness.

With Zheng Qiang's stubborn personality, he will not only retaliate against him, but also fear that he will also get into endless trouble. The best way is to leave the city tonight and find a new job elsewhere.

call!

Sensing Wang Xiaoman's nervousness, Yue Feng breathed a sigh of relief and pondered.

That is, at this moment, Yue Feng glanced at the billboard on the roadside outside, and suddenly showed a smile, and said to Wang Xiaoman: "The matter is not as serious as you think, let's go back to your home first."

The ultimate husband in Chinese chapter 5982

"It's really going to be serious, it's not too late to leave."

When he was talking, Yue Feng looked relaxed, as if nothing had happened.

To be honest, with Yue Feng's strength, even if he is injured at this time, he is not afraid of Zheng Qiang's revenge. Moreover, Yue Feng clearly saw just now that the roadside billboards are full of new product advertisements of Ase Group.

Not only that, the advertiser also said that Chen Shishi, the CEO of the group, will set up a branch here.

With Chen Shishi here, Yue Feng is even more calm. You must know that the two sides are old friends. Ten years ago, without the help of Yue Feng, Chen Shishi's career would not have been so great.

This....

Hearing Yue Feng's words, Wang Xiaoman bit his lip lightly and got into a tangle.

A few seconds later, Wang Xiaoman nodded: "Okay."

Seriously, she didn't trust Yue Feng unconditionally, but she left a lot of things in her house without packing up, so it was a bit hasty to leave in such a hurry.

Ten minutes later, Wang Xiaoman took Yue Feng back to where he lived.

This is an old community located in the suburbs. It has been baptized by wind and rain for more than ten years. The public facilities are old, but the environment is not bad, clean and tidy.

The building where Wang Xiaoman lived was located in the last row of the community, with a small rest square behind it. It was late at night and it was quiet.

Squeak!

Wang Xiaoman took out the key and opened the door, perhaps because of what happened just now, his mood has not calmed down, and he was a little silent.

Yue Feng was in a comfortable mood, looking at the elegant and warm deployment of the room, he couldn't help but breathe a sigh of relief.

This chapter is provided by . Visit for daily update.

"Just now..."

At this moment, Wang Xiaoman seemed to have calmed down, biting his lip and saying to Yue Feng, "I really thank you just now." To be honest, in the underground parking lot just now, if he hadn't acted in time, he really didn't know what to do. .

Yue Feng sat on the sofa casually, and smiled: "You're welcome, it's your job."

Having said that, Yue Feng couldn't help but admire Wang Xiaoman again.

I have to say that Wang Xiaoman's figure is really terrible. As a yoga instructor, the proportions of the curves are perfect. No wonder that rich second generation can spend nearly ten million on a bracelet to win her favor.

Swish!

Aware of Yue Feng's gaze, Wang Xiaoman was very shy and his face was red. In order to avoid embarrassment, he quickly turned on the TV: "You...you watch TV first, I'll go to the room to clean up."

Zheng Qiang now I must be thinking about how to get revenge, and I have to leave early tomorrow morning.

Yue Feng nodded and sat there, watching TV casually.

Speaking of which, Yue Feng hadn't watched TV for many years. He felt bored after watching it for a while, so he was about to close it. However, at this moment, a financial news message popped up.

"This reporter reported that Ms. Chen Shishi, President of Estee Group, will appear at the business exchange meeting held in this city tomorrow, which will have a great impact on the future development of our city..."

Haha..

Seeing this, Yue Feng couldn't help showing a smile .

I didn't expect that Chen Shishi was really here.

At this moment, Wang Xiaoman packed his things and came out. Seeing Yue Feng sitting there with a relaxed face, he said softly, "I've packed up, we will leave early tomorrow morning."

When he said this, Wang Xiaoman was very complicated . .

It was a good job, but it's gone... But then again, thanks to him tonight, otherwise the consequences would be even more disastrous.

Ha ha!

Hearing this, Yue Feng smiled: "You don't have to leave tomorrow. I taught that Zheng Qiang a lesson just now, which caused you to lose your job, but don't worry, I will introduce you to a new job tomorrow."

Just contact Going to Chen Shishi and arranging a job for Wang Xiaoman is simply a piece of cake.

ah?

Hearing this, Wang Xiaoman was stunned for a moment, thinking he had heard it wrong: "Are you looking for a job for me? Are you confused?" He is a foreigner, and he has no family and no reason here. If he has any connections, how can he find it for me? Work?

What's more, he had offended Zheng Qiang just now.

Seeing her face of disbelief, Yue Feng smiled: "I'm not joking, you'll know until tomorrow, well, it's getting late, hurry up and rest. You don't need to help me clean up the room, I'll just sleep on the sofa."

The ultimate husband in Chinese chapter 5983

Oh!

Seeing what he said in a serious manner, Wang Xiaoman burst into tears and laughter, thinking that Yue Feng was just comforting her.

Yue Feng turned off the TV, and did not rush to rest, but tried to call the Donghai City Villa again.

After calling several times, no one answered.

For a time, Yue Feng was very anxious.

Looking at the situation, there must be a situation in Donghai City, and he must restore his strength as soon as possible and go back.

There were also Ya'er and Ling'er, who didn't know where they were sent.

After thinking for a while, Yue Feng lay down on the sofa to rest.

The night is deep.

Before you know it, it's already midnight.

Swish....

Suddenly, there was a slight footstep sound in the silent corridor, the movement was very small, listening to a lot of people, all of a sudden, Yue Feng opened his eyes and sat up instantly.

In the next second, Yue Feng heard clearly that several people went outside the door and whispered.

"It's right here.."

"It's not wrong, I've investigated it all, that Wang Xiaoman moved in three months ago."

This chapter is provided by . Visit for daily update.

"Well, I'll tie up the girl first, and then teach that kid a lesson, Mad, I'm not too timid to dare to do something to Mr. Zheng, I'm tired of living."

The discussion of several people was very small, but Yue Feng could hear it clearly.

Ha ha...

At this moment, when Yue Feng heard this, he couldn't help laughing. Then Zheng Qiang's efficiency is good, so he sent someone to come to the door so quickly.

Thinking to himself, Yue Feng stood up slowly, looked around the layout of the living room, moved the sofa set up, combined with the coffee table, and deployed a simple five-element array.

Although Yue Feng couldn't see the appearance of several people outside through the door, but with his perception, he could also perceive that these people were ordinary thugs and bodyguards, not cultivators at all.

To deal with such a person, Yue Feng does not need to do it himself.

Kachacha ...

As soon as Yue Feng was deployed, he saw the door handle shake a few times, and then several men in black suits pushed the door and rushed in.

Yue Feng was not in a hurry, stood in the Five Elements Formation, smiled at a few people and said, "Are you looking for me?"

Huh?

At this moment, several men in suits were stunned for a moment, and by the moonlight pouring in from outside, they saw Yue Feng standing there with a half-smile, his expression indifferent, showing a bit of mockery.

what's going on? How did this kid know we were coming?

"Good boy!" The

leading man quickly reacted, his eyes flashing coldly, and he said to Yue Feng: "You still dare to stay in this place after hitting President Zheng, you really don't know how to write dead words." The

voice fell, The leading man pulled out a dagger and charged directly towards Yue Feng.

"Oops!"

Seeing the other party rushing towards him, Yue Feng pretended to be panic and said, "You guys are so unreasonable, you're killing people..." The voice fell, and Yue Feng pretended to dodge backwards.

Yue Feng's movements, which seemed to be flustered, led the opponent into the Five Elements Formation.

Pfft!

The leading man in black didn't know what was going on, and before he took two steps, he stumbled on the sofa and fell to the ground. A dog gnawed at the mud, and the dagger in his hand flew out.

"Ma De!" The straight and handsome man in black who was leading the black-clothed man's heart was filled with evil fire.

what's the situation? When he rushed over just now, Sha Ming was clearly beside him, so why did he suddenly stand in front of him?

It's really wicked.

In anger, the leader shouted at his companion: "What are you doing? Give me abolished him."

Whoa!

Hearing the shouting, the other men in suits swarmed up and quickly surrounded Yue Feng.

"Oh, bully the less with more." Yue Feng shouted again, dodging left and right while shouting, seemingly clumsy, but cleverly avoided the siege of the other party.

Not only that, because the lights were not turned on and the living room was dimly lit, not only did the men in suits fail to catch Yue Feng, but every time they shot, they hit their own people.

"Oh, you're blind, what are you beating me for?"

"Go to Nima, you're the one who stood in front of me, get out of the way..."

"What's the quarrel, quickly abolish this kid, and then find that Wang Xiaoman."

For a while, the living room was in chaos.

These men in black did not realize that they had entered the Five Elements Formation deployed by Yue Feng, and their every move was firmly controlled by Yue Feng.

The ultimate husband in Chinese chapter 5984

Ha ha!

Yue Feng played around for a while and couldn't help sneering secretly.

With this little ability, you dare to come out and engage in assassination? What a shame to go home.

Muttering in his heart, Yue Feng lost his patience, urging his figure to rush in, and shot like lightning.

Bang bang bang...

Almost in the blink of an eye, several men in black were all knocked into a coma, and fell to the ground one by one, unconscious.

After getting these men in black, Yue Feng lay down on the sofa again and continued to close his eyes.

A few hours later, the sky was bright.

Squeak!

At seven o'clock in the morning, Wang Xiaoman pushed open the door and walked out. He was shocked when he saw the scene in front of him.

I saw that several men in black were lying on the floor, their eyes closed, as if they had passed out. On the sofa next to him, Yue Feng was lying there comfortably.

"Are you awake?"

Hearing the movement, Yue Feng opened his eyes and smiled at Wang Xiaoman: "It's still early."

Seeing that he was so calm, Wang Xiaoman only felt dazed and pointed at the few people lying on the ground: "This... what's going on?" When speaking, Wang Xiaoman was inexplicably nervous.

Looking at it like this, it must be someone sent by Zheng Qiang.

This chapter is provided by . Visit for daily update.

"It's okay!"

Yue Feng waved his hand with a relaxed expression: "These little thieves are too stupid. They broke in to arrest me last night, but they started fighting..."

" already?"

Hearing this, Wang Xiaoman was even more puzzled. The people sent by Zheng Qiang couldn't be so stupid.

“Let’s go!”

Just when Wang Xiaoman was wondering, Yue Feng stood up and smiled: “It’s almost time, let’s go somewhere.”

“Where?” Wang Xiaoman was stunned.

Yue Feng said slowly: “I’ll introduce you to a new job.” The business meeting started at nine o’clock, and it was just past time.

What?

Wang Xiaoman’s body trembled, and he looked at Yue Feng in disbelief: “Don’t be ridiculous, Zheng Qiang sent someone to my place last night, why am I still working in this place?”

Wang Xiaoman couldn’t help but look He glanced at a few people lying on the ground.

More importantly, how could the person sent by Zheng Qiang still be in a coma in his own home?

“Don’t panic!”

Yue Feng looked at her seriously: “You have to believe me, someone like Zheng Qiang, the more you avoid him, the more he will pester you, only to make him stop thinking completely. That’s fine.”

With that said, Yue Feng walked over and pulled Wang Xiaoman involuntarily: “Come on, let’s drive over, I’m not familiar with this place, and I still need you to be the driver.”

Hearing

this , Wang Xiaoman’s mind was even more confused, and before he could react, he was pulled out of the door.

When he got to the car soon, Wang Xiaoman reacted, his delicate face was full of anxiety: “Don’t be ridiculous, Zheng Qiang is very powerful in the local area, we can’t all beat him.”

Yue Feng smiled slightly: “Lang Lang Qian Kun , evil does not oppress righteousness.”

Hearing this, Wang Xiaoman was stunned for a moment, and was immediately stunned by Yue Feng’s aura. That’s right, in broad daylight, no matter how strong Zheng Qiang is locally, it’s impossible for him to mess around in public.

Muttering in his heart, Wang Xiaoman couldn’t help but look at Yue Feng.

This guy is... so unpredictable.

“Drive.”

Seeing her in a daze, Yue Feng urged with a smile: “The business meeting is about to start. If you can’t catch up, your new job will be ruined.”

Hmm!

Wang Xiaoman was in a mess, but he still responded and started the car.

On the way, Wang Xiaoman finally recovered: “You just said a business meeting? What business meeting?”

Yue Feng scratched his head and said slowly: “It was the business meeting attended by the CEO of the Estee Group. I watched TV last night. It seems to be in some Saint Luo Hotel.”

Estee Group?

Hearing this, Wang Xiaoman’s body trembled, and he was shocked. He stared at Yue Feng blankly: “You...you know someone from the Ase Group?” When he spoke, Wang Xiaoman’s voice trembled.

You must know that Estée Group is well-known in Kyushu and is the vane of the fashion industry. It is said that a small executive of Estée Company has an annual salary of tens of millions.

And the man in front of him, dressed in ordinary clothes, could actually know the people of the Ase Group, which is really incredible.

The ultimate husband in Chinese chapter 5985

At this time, in Wang Xiaoman’s heart, he thinks that Yue Feng is only a small leader who knows Ya Shi Company. After all, it is very good to know the small leader of such a big company with his dress.

Um! Seeing her surprised look, Yue Feng nodded and said lightly: “I used to be good friends with the boss of Yashi Group, but we haven’t seen each other for several years.”

It’s true that I haven’t seen Chen Shishi for a long time.

What?

At this moment, Wang Xiaoman was stunned again, but soon he couldn’t help laughing.

“What are you laughing at?” Yue Feng asked.

Wang Xiaoman’s eyes flickered with complexity, and he looked at Yue Feng with a half-smile but not a smile: “I read a book before and said that most men like to brag, but I didn’t expect you to be more powerful than what you wrote in the book.”

“The Estee Group The boss of her is said to be a beautiful woman, do you know him? Stop bragging.”

Seeing her disbelief, Yue Feng smiled and didn’t explain much.

...

on the other side, in the Zheng family villa.

Zheng Qiang was wearing a nightgown, leaning on the sofa, his face covered with ice, and he was in an indescribable embarrassment.

Next to it, several young girls are waiting carefully.

It’s already eight o’clock?

This chapter is provided by . Visit for daily update.

At this time, Zheng Qiang looked at the time, and immediately sat up straight. Last night, he sent someone to teach that kid a lesson, and it should have been done.

When he thought of being beaten up by Yue Feng in the underground parking lot last night, Zheng Qiang became angry.

In the next second, Zheng Qiang took out his mobile phone and dialed a phone number: “How are things going? I didn’t see what time it was? Do you still need me to call you for this kind of thing?”

“Mr. Zheng! Feeling Zheng Qiang ‘s

anger, on the other side of the phone, he replied in a nervous tone: “You calm down, I just called to ask about the situation, and the few people sent... all passed out in that Wang Xiaoman’s house. , and Wang Xiaoman and that kid drove away, and I’m checking their whereabouts.”

What?

Hearing this, Zheng Qiang was furious: “Is your special code a pig? You can’t do this well? A few people can deal with a kid, and he can even let him run away. What’s the use of your special code alive?”

After scolding the last sentence, Zheng Qiang hung up the phone angrily, and ordered to the girls around him, "Quick, get me some clothes." The business meeting will start soon, and Chen Shishi from the Estee Group is coming, wait. Be sure to receive it well.

A month ago, Zheng Qiang's family, through hard work, finally negotiated several business cooperation with the Estee Group, and their influence in the local area has increased a lot.

Zheng Qiang has made up his mind, he must perform well at the business meeting later, as long as he has a good relationship with Chen Shishi and rides on the business giant of the Estee Group, He Chou won't make a lot of money in the future...

"Yes, Mr. Zheng!"

Several girls responded in unison, and then dressed Zheng Qiang thoughtfully.

A few minutes later, Zheng Qiang left the villa and drove a luxury car towards the Saint Luo Hotel.

.....

the other side.

Wang Xiaoman drove Yue Feng and finally arrived at the Saint Luo Hotel.

The Saint Luo Hotel is the largest and most upscale hotel in the area. The decoration is magnificent, comparable to a palace. What can be consumed here is either rich or expensive.

Today's business meeting was held here, and I saw luxury cars everywhere in the parking lot in front of the door, red carpets on the steps, and cordons on both sides.

Outside the cordon, many local journalists gathered.

The business meeting this time is related to the local economic development. The CEOs of major enterprises have all come, and it can be said that the businessmen gather here.

Huh... Wang

Xiaoman parked the car. Seeing the scene in front of him, he couldn't help but get nervous. He said to Yue Feng, "This kind of business meeting is very strictly managed. We don't have an invitation letter, can we go in?"

The elites in the workplace, but this is the first time I have encountered such a scene. The old people are all bigwigs. Can you not be nervous?

"You don't have to worry about this." Yue Feng smiled slightly, with a leisurely expression: "Just give me your phone to use later." Although he hadn't seen each other for several years, Yue Feng still remembered Chen Shishi's phone number.

For others, it will be difficult to enter this kind of business, but for Yue Feng, it is a matter of making a phone call to Chen Shishi.

The ultimate husband in Chinese chapter 5986

Hearing this, Wang Xiaoman was skeptical, but still handed the phone to Yue Feng: "Who are you going to call?"

Yue Feng smiled slightly: "Boss of Ase Group."

After saying that, Yue Feng looked Looking at the scene in front of me, I couldn't help but sigh. In my own impression, Chen Shishi is not only beautiful, but also a strong woman in the business world.

Over the years, Chen Shishi's company has grown bigger and bigger, and has almost become a legendary woman in the entire Kyushu business community, and she has lived up to her expectations.

"You..."

Wang Xiaoman trembled and stomped her feet anxiously: "Don't make a fool of yourself, okay?" This person is really getting more and more out of line, the female boss of the Ase Group, but a legend in the business world, why? Maybe know him?

To be honest, when I heard Yue Feng say this on the road just now, Wang Xiaoman thought he was just joking, but when he saw him say this again, he just felt that he was making fun of himself, and was speechless.

"I'm not fooling around!"

Seeing that she didn't believe it, Yue Feng didn't want to explain too much. He smiled and said, "You'll find out later."

Just as he was talking, he saw a commotion at the hotel's gate.

Buzz...

Immediately afterwards, a gorgeous sports car came galloping and stopped steadily at the gate. I saw that Zheng Qiang was sitting in the driver's seat in a suit and leather shoes, with an arrogant look on his face, showing the attitude of a wealthy disciple, but the swelling on his face had not subsided, and he looked a bit funny.

“Mr. Zheng is here.”

“It’s Zheng Shao…”

Seeing that it was Zheng Qiang, the door immediately gave way, and then the hotel manager and a few staff members hurried up to meet him.

This chapter is provided by . Visit for daily update.

When he got to the front, the hotel manager had a flattering look on his face: “Mr. Zheng is here.”

Zheng Qiang pushed open the car door, got out of the car very smartly, threw the key to the security guard next to him, and then asked lightly, “How is the preparation of the venue? Already?”

Yes, this business meeting was specially organized by Zheng Qiang in order to welcome Chen Shishi’s arrival. Although he is in the local area, he can only talk about one thing, but in the face of a behemoth like the Estee Group, he can only look up and please.

“Mr. Zheng, don’t worry..” The

hotel manager patted his heart and said with a look of flattery: “It’s all arranged according to your instructions, absolutely luxurious and won’t lose face for you.”

After speaking, the hotel manager looked at Looking at Zheng Qiang’s face, he cautiously said, “Mr. Zheng, your face…”

Before he could finish speaking, Zheng Qiang interrupted him.

“Don’t ask what you shouldn’t ask, why is there so much nonsense?” Zheng Qiang frowned and scolded angrily.

The hotel manager didn’t dare to ask any more questions, and with a shy smile, he accompanied Zheng Qiang into the hall.

Oops…

Seeing Zheng Qiang appear, Wang Xiaoman, who was standing in the crowd at the foot of the steps, suddenly trembled, his face turned pale, and he said to Yue Feng in a low voice, “I almost forgot. Now, Zheng Qiang and Estee Group have cooperation, so let’s not go in later.”

Zheng Qiang covered the sky with only one hand in the local area, and the business meeting in front of him was also held by him. ?

For a time, the more Wang Xiaoman thought about it, the more anxious he wanted to pull Yue Feng away.

However, Yue Feng stood there, motionless. Looking quietly at Zheng Qiang, who was surrounded by everyone, he sneered secretly in his heart. It's kind of interesting to meet him so soon.

Seeing that Yue Feng didn't leave, Wang Xiaoman became even more anxious: "Let's go, Zheng Qiang will find out later."

Swish!

As soon as the words fell, Zheng Qiang's eyes were cast over.

Seeing the two Yue Fengs, Zheng Qiang was stunned for a moment, and then endless anger appeared in his eyes, and he gritted

his teeth at Yue Feng and said, "Good boy, you are not too brave, you dare to send it to your door." It's a shameful beating.

Feeling Zheng Qiang's anger, Yue Feng didn't panic at all, and said lightly: "It's a coincidence, we meet again."

Wow...

At this moment, the eyes of everyone around him converged on Yue Feng, and he couldn't help but lower himself. The voice started to discuss..

"What's the situation?"

"Who is this kid, dare to talk to President Zheng like this..."

"Looking at his dress, he should be an ordinary employee, but the woman around him is really beautiful. .."

Under the discussion, many people's eyes were deeply attracted by Wang Xiaoman, and some eyes were straight.

The ultimate husband in Chinese chapter 5987

At this time, Zheng Qiang reacted and said

with a savage smile at Yue Feng: "Boy, you are really kind. You dare to fight with me for so many years, and you can appear in front of me again. You are the first."

, Zheng Qiang's voice was cold: "Today I will see if you have three heads and six arms." Zheng Qiang said the last sentence completely through gritted teeth.

When I thought of being beaten by Yue Fengfeng last night, I wanted to tear him apart.

What?

Hearing these words, the surrounding people who were not aware of the situation suddenly burst into an uproar, and they all looked at Yue Feng, shocked.

What did Mr. Zheng say?

This kid... did you do it with Mr. Zheng before?

Looking at his clothes, he obviously has no background, and he dares to provoke Mr. Zheng. Isn't this lighting a lamp in a dungeon... Isn't it courting death?

At the same time, Wang Xiaoman was also very frightened, hiding behind Yue Feng, clutching his arm tightly, his delicate body trembling faintly.

While nervous, Wang Xiaoman looked at Yue Feng and was full of complaints.

It's all his fault. After getting up in the morning, he obviously had time to leave, but he had to come to participate in this business meeting. Now, let's meet Zheng Qiang...

The surrounding discussions keep coming, Yue Feng With a calm expression and no mood swings, he said lightly to Zheng Qiang: "Mr. Zheng, it seems that you are here, and you are really covering the sky."

"What happened last night, you and I both know clearly. , even if you are rich and powerful, can you see no king's law?"

Wow...

This chapter is provided by . Visit for daily update.

hearing this, everyone around was talking again.

what's going on?

Last night, this kid had a conflict with President Zheng? As a boy without power and power, he dares to provoke President Zheng, isn't he courting death?

Haha...

At this time, Zheng Qiang sneered and looked at Yue Feng with contempt: "Boy, you're right, I'm the king here, Ma De, if you dared to beat me last night, I won't let you down today. With both legs and feet, I will not be called Zheng Qiang." The

last word fell, and many hotel security guards rushed out and quickly surrounded Yue Feng and the two.

Wow...

Seeing this situation, everyone around, whether they were here to attend the meeting or those reporters, quickly stepped back, for fear of being affected by the fish pond.

Facing the situation, Yue Feng did not panic at all, and a smile appeared on the corner of his mouth.

This kid really doesn't remember to eat or fight. He forgot how he was taught a lesson last night and how he begged for mercy. Now he is arrogant again in his own territory.

"Mr. Zheng!"

At this moment, Wang Xiaoman was anxious, and he didn't know where the courage came from. He walked over to stand in front of Yue Feng, and said in a complicated tone, "He didn't mean it last night, please, don't. Compete with him."

When he spoke, Wang Xiaoman was so nervous that his legs felt weak.

Wang Xiaoman is kind-hearted and timid, and the situation in front of her is almost paralyzed, because she knows Zheng Qiang's methods, and there is nothing he can't do. It is said that half a year ago, a shopping mall manager did not know how to offend him. The next day it disappeared, and some people said that it was thrown into the river to feed the fish.

And last night, Yue Feng hit him, and the end will be even worse.

It's just that this man came forward for his own sake, so he couldn't just watch him get revenge by Zheng Qiang and remain indifferent.

"Ha ha.."

Seeing Wang Xiaoman come out to clarify, Zheng Qiang grinned, looking up and down her graceful curve, and said coldly: "You bitch, I gave you a gift and gave you a chance, but you didn't take the chance, but you humiliated me with this poor man. "

Wait for me, wait until I get rid of this kid, and then take care of you slowly."

When he said the last sentence, Zheng Qiang couldn't hide the evil fire in his eyes, Ma De, when he got the news in the morning, he thought This Wang Xiaoman had already fled out of town, but she didn't expect that she would dare to take the initiative to send it to her door.

Zheng Qiang thought about it, and after he got Yue Feng, he would take Wang Xiaoman to the hotel room, wait until the business meeting was over, and then enjoy it slowly.

Done!

Feeling the coldness in Zheng Qiang's eyes, Wang Xiaoman's heart trembled. In extreme panic, his legs were weak and he could barely stand still. Zheng Qiang's eyes were too evil and terrible.

At this time, Zheng Qiang, full of proud face.

He knew that the man in front of him was very powerful, but on his own territory, no matter how powerful one person was, he couldn't stand the crowd. After all, two fists could not match four hands.

At this time, Zheng Qiang didn't know what a terrible existence he had provoked.

call!

Facing Zheng Qiang's arrogance, Yue Feng smiled lightly: "I don't have a last word, you can say what you want." To

be honest, when dealing with a scum like Zheng Qiang, Yue Feng doesn't want to talk nonsense, and if he does it, he is not afraid of the surrounding There are dozens of security guards, but considering Wang Xiaoman's safety, Yue Feng decided to deal with the other party temporarily.

"What do I want?"

Hearing this, Zheng Qiang thought that Yue Feng was cowardly, and couldn't help laughing: "Special code, do you still want to tell me the conditions? As poor as you are, I will let you Can you pay for the loss?" The

words were full of contempt.

Yue Feng smiled slightly: "Okay, I'll pay, how much do you want."

With Chen Shishi around, money matters are a piece of cake.

Is there something wrong with this kid's brain? To be compensated for Mr. Zheng's losses, just like this poor and sour look, I am afraid that even a button on Mr. Zheng's clothes can't be compensated.

While everyone was laughing, Zheng Qiang looked at Yue Feng up and down and sneered: "I want you to pay 10 million Kyushu coins, how about it? Do you have it? I don't think you have seen what 10 million looks like?"

Haha....

In an instant, the surroundings burst into laughter again, and everyone looked at Yue Feng's eyes as if they were seeing a poor clown.

Swish!

Seeing this scene, Wang Xiaoman was so embarrassed and angry that he finally couldn't help it. He summoned up his courage and said to Zheng Qiang: "Zheng Qiang, don't deceive people too much..."

This Zheng Qiang is really hateful, relying on his wealth, Can you trample on the dignity of others at will?

"The bitch still speaks for him."

Zheng Qiang said with a gloomy smile, "It was he who said he wanted to compensate me, but I asked for the price, how could it be so deceiving?" The voice fell, and many people around They nodded in agreement.

"Mr. Zheng is right."

“It’s this kid who doesn’t know how high the sky is, how can you blame Mr. Zheng?”

Many people present have interests in Zheng Qiang. Such a great opportunity?

“You...”

At this moment, Wang Xiaoman’s face flushed, but he was speechless to refute.

Because what Zheng Qiang said was right, Yue Feng did offer compensation just now.

“Okay, don’t get excited!” At this moment, Yue Feng whispered to Wang Xiaoman: “I will handle this matter.”

Having said that, Yue Feng looked at Zheng Qiang: “10 million Kyushu coins are Okay, okay, I’ll give it to you, I’ll call someone to bring it to you.” After speaking, he took Wang Xiaoman’s mobile phone, walked to the side and dialed Chen Shishi’s number.

The phone rang a few times and was quickly connected, and then Chen Shishi’s voice came: “Which one?” Yue Feng breathed

a sigh of relief and said slowly, “It’s me.

After a few casual chats, Yue Feng cut to the point: “Are you going to attend a business meeting now?” Then, Yue Feng said the name of the place.

“Well, I’m in the car now, brother Feng, where are you?” Chen Shishi was very excited.

Yue Feng said slowly: “I’m right in front of the hotel where the business meeting is held. Now you go and prepare 100 million Kyushu coins for me. I need all cash and pull it over with a car.”

“Okay, brother Feng, I Go do it immediately.”

One hundred million....

Hearing these three words, Zheng Qiang and everyone present were stunned.

Especially those security guards around you, all of them are a little messy, 100 million, I'm afraid they can't spend it in two lifetimes.

He must be crazy...

At the same time, Wang Xiaoman trembled as he stared blankly at Yue Feng, speechless.

Haha...

After a short silence, Zheng Qiang was the first to react, covering his stomach and laughing loudly: "Is there something wrong with my ears? What did you say just now? Give me 100 million?"

"Do you know how much 100 million is? Boy, I know you're bragging about delaying time, but please do it a little like that."

Boom!

The last word fell, and there was laughter around, and at the same time, many people also mocked Yue Feng.

"I heard that right, he said he wanted to pay 100 million yuan?"

"Haha... This kid has something wrong with his brain." "Interesting, is he pretending to be rich in front of our President Zheng?"

When I heard a sentence, Yue Feng was not angry at all, but looked at Zheng Qiang and said lightly: "It's up to you to believe it or not, but I want to tell you that when the money is really delivered, you will be responsible for what happened last night. For the behavior, kneel down and apologize to Wang Xiaoman in public. How?"

When he said this, Yue Feng's tone was slow and leisurely, but it gave people an unquestionable aura.

call!

Zheng Qiang took a deep breath, squinted and looked at Yue Feng for a moment, and then smiled coldly: "Okay, if you really get someone to send 100 million yuan, I will kneel down and apologize to her, not only that, I won't be embarrassed anymore. You."

Then Zheng Qiang said to the security guards around him, "Just guard the two of them, and if they run away, don't mess around." After he finished speaking, he called the others to enter the hall and wait.

"You..."

Watching Zheng Qiang and the others enter the hall, Wang Xiaoman was relieved and looked at Yue Feng in a complicated way: "Are you really crazy? One hundred million, do you have it?"

"Man, he encountered mountain bandits before, and all the valuable things on his body were robbed. Now let alone 100 million, I am afraid that even ten yuan can't be taken out."

What's more, the other party is Zheng Qiang, and the consequences of teasing him in front of so many people are even more unimaginable.

Feeling Wang Xiaoman's nervousness and anxiety, Yue Feng smiled slightly: "You'll find out later."

Seeing his confident face, Wang Xiaoman opened his mouth to say something, but in the end he didn't know what to say, so he could only sigh, cranky.

In the hotel lobby at this time.

Zheng Qiang sat on the sofa, staring closely at Wang Xiaoman outside the gate, his eyes were a bit gloomy.

Ma De, how can I not compare to that poor sour?

Just thinking about it, the hotel manager next to him couldn't help but asked in a low voice, "Mr. Zheng, you don't really believe that kid can send 100 million, right?"

"He got up: "How do I do things, I still need you to teach me? Since this kid likes to pretend, I will give him this opportunity, so as not to let people say that I am bullying others." After speaking

, Zheng Qiang looked at the time: "It is limited to ten minutes. , if you don't see anyone sending money within ten minutes, give that kid to me."

Huh...

Hearing this, the hotel manager nodded and bowed immediately: "What Mr. Zheng taught is that I am small."

Just as he was talking, he saw Yue Feng drag Wang Xiaoman in, and sat across from him without anyone else. on the sofa.

Um?

Seeing this scene, both Zheng Qiang and everyone around were stunned.

The next second, Zheng Qiang reacted and looked at Yue Feng with a gloomy face: "Boy, who let you in?" As

soon as he finished speaking, the hotel manager was also full of contempt: "Can you come in here? Get out." The

Yue Feng glanced at the hotel manager indifferently and ignored it at all.

Immediately, Yue Feng smiled at Zheng Qiang: "What? One hundred million is about to be delivered. I can't sit here for

a while?" Seeing him take it for granted, Zheng Qiang was very angry.

Huhu....

However, at this moment, two large trucks suddenly came from the street outside and stopped steadily at the entrance of the hotel.

Wow!

The next second, the two trucks lifted the trunk at the same time, and in an instant, bundles of bills poured down like a tide, and they piled up like a mountain in an instant, blocking the hotel door tightly.

Oh my god.

Seeing the mountains of bills, the security guards guarding the gate all had their legs weak and slumped on the ground.

Money... so much money, it fills two trucks full of money.

hiss!

At the same time, everyone in the hall couldn't help gasping for air. Looking at Yue Feng's eyes, it is also full of incredible.

This kid really got so much money, looking at the level of accumulation, it seems that there is really 100 million.

Zheng Qiang was completely stupid there.

And Wang Xiaoman, who was sitting beside Yue Feng, trembled, completely stupid, thinking he was dreaming. Someone really sent 100 million yuan, is it...all what he said before is true? Is the boss of the Estee Group always his friend?

Only Yue Feng sat there with a leisurely expression on his face, like no one else.

This...it's impossible.

At this time, Zheng Qiang was stunned for more than ten seconds, then quickly reacted, and said to the hotel manager next to him: "Go, go check it out." As he spoke, he looked at Yue Feng in shock.

Impossible, this kid is so poor, how can he get 100 million yuan? You must know that the Zheng family is also a well-known family in the local area. .

And the boy in front of him really sent 100 million with just one phone call.

"you..."

In shock, Zheng Qiang shouted at Yue Feng: "What conspiracy are you playing with me?"

Conspiracy! ?

Yue Feng shrugged and laughed, "You can tell at a glance if it's real money."

As soon as he finished speaking, the hotel manager took a bundle of money, quickly returned it and handed it to Zheng Qiang, his tone trembling: "Zheng.. Mr. Zheng, this is all true.."

Gu Dong,

hearing this, Zheng Qiang couldn't help swallowing his saliva, his eyes buzzing as he looked at the mountains of bills at the door. After a few seconds, he looked at Yue Feng and said coldly, "Good boy, I didn't expect you to actually send the money here." With

that, Zheng Qiang stood up slowly, his eyes flickering, thinking about how to deal with it.

However, at this moment, there was a sound of footsteps outside the door, and then, a slender figure, accompanied by several bodyguards, walked in from the side door of the hotel. Come.

This is a very beautiful woman, wearing a long wine red dress, covered with all kinds of original jewelry, shining under the lights of the hall, the woman's facial features are exquisite and beautiful, and the body is hot.

It was Chen Shishi.

As soon as Chen Shishi appeared, it immediately attracted the attention of the audience, whether it was Zheng Qiang, the hotel manager and others, all of them were dumbfounded.

At the same time, they are also full of admiration.

She deserves to be a famous businesswoman in Kyushu. It is rumored that this Chen Shishi is not only talented in business, but she is also a beautiful beauty. When I see her today, she really lives up to her reputation.

Finally, Zheng Qiang was the first to react, hurried up to meet him, and stretched out his hand: "Hehe, President Chen, you are looking forward to you, and today I hope to use this business meeting to strengthen our cooperation. .."

However, Chen Shishi didn't even look at Zheng Qiang, and walked straight past him, walking towards Yue Feng on the sofa, her beautiful face was full of smiles, unable to hide her joy.

what's the situation?

For a time, Zheng Qiang was a little surprised.

At the same time, everyone around was a little confused.

Didn't Chen Shishi come here this time to discuss cooperation with Zheng Qiang? Why did you just ignore him?

Da Da Da...

Just when everyone was stunned, they saw Chen Shishi walking in front of Yue Feng on high heels.

“Brother Feng!” In the

next second, Chen Shishi was like a pure girl who saw an idol, her tone was joyful, but also a bit coquettish: “It’s really you, Brother Feng, when you called me just now. , I thought you were joking.”
