said, holding Yue Feng's arm very intimately, happily like a child, without the lofty attitude of a strong woman in the business world.

What?

Seeing this scene, whether it was Zheng Qiang or the local business tycoons around, they were all dumbfounded.

Especially Zheng Qiang, his mind was buzzing and blank.

What did President Chen call this kid? Brother Feng?

Did I hear it wrong? How could this kid be President Chen's friend?

This...

At the same time, Wang Xiaoman was also shocked, looked at Yue Feng blankly, and was speechless for a while.

She could clearly see that Chen Shishi, a legendary businesswoman in front of her, was extremely respectful and delighted in front of Yue Feng at this time, even happier than seeing her relatives.

He didn't lie to himself, he was really friends with Chen Shishi...

Yue Feng didn't care about the eyes of everyone around him, and smiled at Chen Shishi: "When did I make a joke on you? Watching the news on TV last night, I knew you were there. Here, I'll call you." As he

spoke, he admired Chen Shishi up close.

I have to say that Chen Shishi has an excellent temperament, and it is even more charming after not seeing her in a few years.

Hearing this, Chen Shishi nodded: "Why is Brother Feng here?"

In her impression, Yue Feng has been running around for the affairs of the rivers and lakes, and there is no cultivation sect nearby, so I have some doubts in my heart.

Phew...

Yue Feng breathed a sigh of relief and smiled bitterly: "It's hard to say anything."

Chen Shishi is a smart person, so he didn't ask more, but glanced at Zheng Qiang, who was not far away, and asked in a low voice, "What did Brother Feng suddenly ask for so much money? What happened here?"

Yue Feng He smiled and said, "It's nothing. I beat a rich second generation last night, and today they want me to compensate."

After that, Yue Feng explained the matter simply.

What?

Knowing the situation, Chen Shishi's delicate face instantly flushed red, and she was extremely angry.

This Zheng Qiang is really an asshole, lustful to beat the attention of female subordinates, and dare to threaten Brother Feng?

"Zheng Qiang!"

At this moment, Yue Feng took two steps forward slowly and looked at Zheng Qiang with a smile: "The money has been sent to you, it's at the door, it depends on whether you have the courage to take it. "

I..." Zheng Qiang opened his mouth, his face was like a purple eggplant, and his heart was inexplicably complicated: "You and President Chen..." Before he finished

speaking, Chen Shishi stepped on high heels quickly. Walking over, the jade hand raised and slapped Zheng Qiang fiercely.

Snapped!

The crisp sound sounded, and the entire hall was dead silent.

With this slap, Chen Shishi used all his strength, Zheng Qiang was beaten all over, and the hearts of the people around him also twitched.

You must know that Zheng Qiang is very powerful in the local area and is respected as the prince. Who dares to be rude to him, but Chen Shishi slapped him in public.

Although it is Chen Shishi's identity, there is nothing wrong with teaching Zheng Qiang, but there is a saying that is good, Qianglong does not overwhelm the snake.

"Mr. Chen..."

Finally, Zheng Qiang regained his senses, covered his face and looked at Chen Shishi, pretending to smile: "We are partners anyway, there is no need to hurt our peace for this kid."

When he spoke, Zheng Qiang was very suffocated . fire.

Madd, who was slapped in the face in front of so many people, where will he put his face in the future? However, thinking of Chen Shishi's strength in the business world, he temporarily endured it.

After all, I have to work with her in the future.

However, Chen Shishi didn't give him a good face at all, and scolded coldly: "Don't talk nonsense with me, do you know who he is? He..." Brother Feng is a famous hero in the entire Kyushu. Safety, how many times has he disregarded his own safety, without him, how could the prosperity and stability of Kyushu be today?

And this Zheng Qiang, who dared to trouble Brother Feng, was simply digging his own grave.

He was interrupted by Yue Feng before he said the next words: "Shishi, don't talk about this."

At this time, Haotian God King's subordinates should search the world for their whereabouts. In this case, they must not reveal their identities. .

Um!

Seeing Yue Feng's solemn expression, Chen Shishi nodded in understanding.

At this moment, Zheng Qiang endured the unhappiness in his heart and said to Chen Shishi: "Mr. Chen. Since he is your friend, I will give you a face, and forget about it."

The ultimate husband in Chinese chapter 5992

Speaking, Zheng Qiang showed a smile: "I have been preparing for today's business meeting for a long time. Let's discuss further cooperation later..."

In Zheng Qiang's heart, Chen Shishi is a businessman. A businessman must put his own interests first, and he will not quarrel with himself because of a poor person.

Zheng Qiang figured it out, Yue Feng is Chen Shishi's friend, so there is no need to embarrass him, but this Wang Xiaoman must give her some color.

However he was wrong.

“Cooperation?” The corners of

Chen Shishi’s mouth rose, revealing a hint of contempt: “From now on, we will not have any cooperation, and the previous ones will be voided. I am looking for someone to cooperate with, and the most valued character is a despicable and shameless person like you. , is not qualified to cooperate with our Estee Group.” The

attitude is firm and unquestionable.

What?

Hearing this, Zheng Qiang felt as if he had been hit by an invisible sledgehammer. He couldn’t breathe for a while, and his face was extremely ugly.

For this business meeting, I have been preparing for a full month. After promoting the cooperation, I will return ten times the income. At that time, the Zheng family will become the first business family in the local area and even the entire Yellow Sea Continent. .

But Zheng Qiang never thought that Chen Shishi would decisively give up cooperation for a man.

Is this woman crazy?

At this time, Zheng Qiang still didn’t know what Yue Feng meant to Chen Shishi. Without Yue Feng, Chen Shishi would not be where he is today, let alone give up his cooperation with Zheng Qiang, even if the entire Ase Group was handed over to Yue Feng, Chen Shishi would not be where he is today. Don’t frown.

call...

At the same time, when Wang Xiaoman saw Chen Shishi make such a choice, he was completely stupid. Looking at Yue Feng’s eyes, it is also full of incredible.

This chapter is provided by . Visit for daily update.

Who is he?

The female president of the dignified Ase Group gave up business cooperation with Zheng Qiang because of him...

This kind of plot that only appeared on TV was staged in front of her eyes.

This is not a dream.

Muttering in his heart, Wang Xiaoman couldn't help but stretched out his hand and pinched himself... Not a dream!

"Zheng Qiang."

At this moment, Chen Shishi looked at Zheng Qiang, and said lightly: "My friend beat you up last night, and the 100 million at the door is compensation. From now on, your Zheng family and our Yashi. The group, there is nothing to do, but I warn you, if you dare to take revenge on my friend, I will make your entire Zheng family disappear completely."

After speaking, Chen Shishi turned to look at Yue Feng, smiled, and her tone became gentle: "Feng Brother, let's go."

Hmm!

Yue Feng nodded and was about to greet Wang Xiaoman and leave with Chen Shishi.

Haha...

But at this moment, Zheng Qiang regained his senses and laughed loudly: "Interesting, really interesting." After

speaking, Zheng Qiang looked at Chen Shishi with bright eyes: "Mr. Chen, Mr. Chen, I really I admire you, a woman can make such an achievement in the sinister business world, but...you underestimate me Zheng Qiang too much, 100 million, tsk tsk, it is a lot of money, but I am not uncommon.

" Zheng Qiang at the time, his eyes flashed with madness.

Ma De, after all, he is also a well-known person in the local area. If Chen Shishi takes people away today, how can he still be in the business world in the future?

Um?

Hearing this, Chen Shishi was stunned, and looked at Zheng Qiang in surprise: "What do you want?"

Yue Feng also frowned secretly, but he didn't expect that Zheng Qiang's self-esteem was quite strong, and he didn't want one hundred million.

Next to Wang Xiaoman, she was inexplicably nervous. She knew Zheng Qiang too well. She was very powerful in the local area. .

Thinking about it, Wang Xiaoman's legs were weak, and he could hardly stand still.

“Don’t panic...” Perceiving

Wang Xiaoman’s nervousness, Yue Feng smiled and comforted: “It’s alright.”

Wang Xiaoman nodded, but did he calm down in his heart?

At this time, Zheng Qiang smiled evilly and said to Chen Shishi: “Mr. Chen, of course I won’t embarrass you. If you want to take this kid away, you can, but before you leave, let him kneel and kowtow three times for me. .”

After speaking, Zheng Qiang’s eyes fell on Wang Xiaoman: “As for this bitch, I can’t go with you, I have to stay.”

The ultimate husband in Chinese chapter 5993

When the

voice fell, Wang Xiaoman trembled and shook his head desperately: “No, I don’t want to stay, Zheng Qiang, I have resigned, it has nothing to do with you.” The

voice trembled, unable to hide the panic.

Haha...

Zheng Qiang chuckled, with a cold arrogance in control: “It doesn’t matter, it’s not up to you, bitch, don’t think that if you get to know President Chen through this kid, I’ll take you out. It’s the way to go, enter the room later, and I’ll let you kneel in front of me.”

Feeling the coldness in Zheng Qiang’s eyes, Wang Xiaoman’s face turned pale, and he was too scared to speak.

She knew that Zheng Qiang definitely had this ability.

call!

At this time, Chen Shishi reacted and looked at Zheng Qiang quietly: “What did you just say?” For so many years in the business world, Chen Shishi has a good quality and can control her emotions better, but this time, she is really angry .

This bastard actually wanted Brother Feng to kneel down and apologize to him?

Really looking for death.

“Hey!” Zheng Qiang laughed evilly and reiterated it again: “I said, if you want to take him away, this kid has to kneel down for me and kowtow three times.”

“Anyway, we don’t cooperate anymore. , I don’t need to give you face, do I?”

In the end, Zheng Qiang’s face was cunning and sinister, and his eyes flashed with the pleasure of revenge.

“You are courting death!” Chen Shishi’s red lips parted lightly, and coldly uttered three words.

This chapter is provided by . Visit for daily update.

Um?

Zheng Qiang was stunned for a moment, and then said calmly: “Oh, Mr. Zheng is angry, does this want my life? Don’t forget, whose place this is.”

Seeing Zheng Qiang becoming more and more arrogant, Wang Xiaoman was almost unable to stand.

Yue Feng had a leisurely look on his face, slowly walked to the side, sat on the sofa, and said to Chen Shishi, “You can deal with it.”

“Okay, Brother Feng.” Chen Shishi responded.

Afterwards, Chen Shishi glanced at Zheng Qiang, holding back his anger not to erupt, but took out his mobile phone and quickly sent a message.

After doing this, he looked at Zheng Qiang with a calm expression, and said lightly, “Zheng Qiang, I wanted to keep you alive, but if you insist on courting death, don’t blame me.

” A big power, so it is so arrogant and domineering, but I will inform you in advance that your Zheng family will soon go bankrupt, and there will be no possibility of a comeback.”

What?

As soon as these words came out, the audience was shocked, and Zheng Qiang’s expression changed.

But soon, Zheng Qiang recovered, looked at Chen Shishi and sneered: “Chen Shishi, you are scaring me, our Zheng family has billions of assets, you say bankruptcy means bankruptcy?”

” They all nodded secretly.

Because what Zheng Qiang said is right, the Zheng family's industry has penetrated into all walks of life in the local area. Not only that, but there are also many industries in other places. Such a behemoth cannot be said to go bankrupt if it goes bankrupt.

Hehe...

Seeing Zheng Qiang's conceited face, Chen Shishi chuckled and ignored it for the time being. Instead, he took out his mobile phone to read the information and began to state: "Your Zheng family designs 16 industries locally, and the main industry is hotels. And the clubhouse, but a minute ago, a department had already gone to seal it up."

"In addition, there are five companies established by the Zheng family in other places, two logistics companies, one real estate company, and two electronic production plants. However, starting from one minute ago, the logistics company will not receive any consignments. The real estate company The development of the real estate will be suspended."

"As for the two electronics manufacturers, the suppliers who provide you with parts have all been cut off."

Speaking of which, Chen Shishi looked at Zheng Qiang calmly: "At this pace, After two hours, the capital chain of all your Zheng family's industries will be broken... Not only will the capital chain be broken, but the bank will also stop lending."

This...

Facing Chen Shishi's eloquent talk, Zheng Qiang was originally confident His face was instantly bloodless, his legs were weak, and he almost fell to the ground.

You know, the industries that Chen Shishi said are all correct.

What Zheng Qiang could not have imagined was that the Zheng family was well hidden in several industries in other places, and was even found out by Chen Shishi, and in such a short period of time, it was simply unbelievable.

At the same time, everyone around them also exploded.

The ultimate husband in Chinese chapter 5994

This Chen Shishi is worthy of being the president of the Ya Shi Group. He has found out the various industries of the Zheng family so quickly.

It's just... It seems that it is not so easy to destroy the Zheng family based on the strength of the Ase Group.

Mad!

Listening to the discussion around, Zheng Qiang also quickly reacted, staring at Chen Shishi and shouting: "Chen Shishi, don't bluff me with a special code, I know that your Estee Group has strong financial resources and can find out these properties of our Zheng family, It's really powerful, but it seems like it's almost to destroy me completely."

Zheng Qiang's eyes were full of gloom when he spoke.

Mad, was almost fooled by this woman.

bluff you?

Chen Shishi showed a smile and said lightly: "Zheng Qiang, you're right, the Ase Group really doesn't have that much energy, but the Kyushu Pavilion has."

"The Kyushu Pavilion?" Zheng Qiang's expression froze.

Others don't know it, but Zheng Qiang knows something about this organization. It is rumored that it was established half a year ago. Those who can join the Kyushu Pavilion are all business leaders in Kyushu, and their worth and assets must reach at least 100 billion...

It can be said that , Kyushu Pavilion is equivalent to controlling the economy of the entire Kyushu continent, and a decision made in it can subvert the entire Kyushu business market.

For an organization like this, Zheng Qiang can only look up.

Gudong!

At this time, Zheng Qiang tried hard to calm himself down, swallowed secretly, and looked at Chen Shishi: "Are you from Jiuzhou Pavilion?"

Chen Shishi nodded: "Yes, I am the vice president of Jiuzhou Pavilion, and I'm not afraid to tell you, The president is also my friend, we just decided unanimously that your Zheng family will be completely bankrupt within a day."

"I gave you a chance just now, but unfortunately, you are very self-righteous."

After saying the last word, Chen Shishi turned to look at Yue Feng: "Brother Feng, are you satisfied with this result?"

Hmm!

Yue Feng nodded and said indifferently: "That's it."

At this time, Zheng Qiang was full of fear and looked at Yue Feng in shock, his mind buzzing.

Who is this kid?

To actually allow Chen Shishi to use the power of Jiuzhou Pavilion...

Wang Xiaoman was also extremely shocked. Looking at Yue Feng closely, he only felt that the man in front of him was as unfathomable as the ocean.

A businessman like Chen Shishi respected him so much that he even used the power of the Kyushu Pavilion to directly bankrupt the Zheng family.

If he hadn't seen it with his own eyes, Wang Xiaoman wouldn't have believed that this kind of thing happened right in front of his eyes.

Pfft...

After a few seconds, Zheng Qiang only felt that his eyes were blackened, and finally he closed his eyes and fell directly to the ground.

Yue Feng didn't even look at Zheng Qiang, got up slowly, and greeted Chen Shishi and Wang Xiaoman to leave.

"You..."

Outside the hotel, Wang Xiaoman's mind was still a little dizzy, but he couldn't help but said to Yue Feng: "Who are you?"

Yue Feng smiled slightly: "I didn't tell you. , a cultivator who mixes rivers and lakes."

After speaking, Yue Feng introduced to Chen Shishi: "Shishi, this is Wang Xiaoman, a yoga teacher, just lost his job, you can arrange it."

"Okay, Brother Feng." Chen Shishi nodded without thinking, and then called his personal assistant to arrange positions for Wang Xiaoman.

Huh....

When Wang Xiaoman and his assistant left, Chen Shishi breathed a sigh of relief, and her delicate face couldn't hide her worry: "Brother Feng, are you injured?"

Although she is not a cultivator, Chen Shishi also feels it. When he came out, Yue Feng's face and spirit were not as good as before.

Yue Feng nodded: "Yes, but it's not very serious. I need a hidden place to practice recovery. In addition, you can help me get some alchemy materials, and also, help me investigate the situation in Donghai City."

To be honest, at this time, Yue Feng really wanted to rush to Donghai City immediately, but his divine power was not completely restored.

The only thing to do now is to restore strength as soon as possible.

"Okay Brother Feng. I'll make arrangements as soon as possible." Chen Shishi nodded again and again, very excited. For so many years, I have been thinking about repaying Yue Feng, and now I can finally contribute, can you be unhappy?

...

on the other side, Donghae City.

The ultimate husband in Chinese chapter 5995

At this time, the fierce battle between the two sides continues.

However, in the face of thousands of divine soldiers and generals, the disparity in strength was too great. Wen Chou Chou and everyone desperately resisted, resulting in countless casualties and a complete defeat.

Bang bang bang...

Finally, with the cooperation of many gods, Wen Chou Chou and everyone were knocked to the ground, and then one by one, the acupoints were tapped.

Hehe...

Seeing this situation, Wu Yong, who was hiding not far away, gave a wicked laugh, walked over swaggeringly, and mocked at Wen Chou Chou and the crowd: "Just you guys, are you still trying to fight Qin Tianjian? It's really beyond our own power, and we won't be caught alive

in the end?" As he spoke, Wu Yong stared at Su Qingyan and Xiao Yuruo, both proud and envious.

Ma De, that Yue Feng is really beautiful and blessed, and the women around him are better than each other.

Swish!

Noticing Wu Yong's gaze, whether it was Su Qingyan or Xiao Yuruo, they were all ashamed and angry.

Sun Dasheng has a strong personality, how could he bear it when he heard Wu Yong's mockery? Immediately he roared, "What qualifications do you have to point fingers in front of us?"

Ma De, this Wu Yong is really despicable. He hid aside during the fierce battle just now, and now he jumps out to show off his power after the fight. This kind of person is still Elder, it really embarrassed the Wudang faction.

The voice fell, and everyone behind him also shouted and cursed.

"Yes, the dog fights the power of the people."

"What?"

"If it weren't for the divine soldier of the Diligent Supervisor, you could stand here and talk?"

The yelling and scolding kept coming, Wu Yong's face flushed red, and he stared at Sun Dasheng with incomparable resentment: "Good, you Sun Dasheng, you are already a prisoner, and you are still so arrogant, and then scold Lao Tzu for taking off your legs.

" At that time, Wu Yong almost exploded with anger.

After all, he was also an elder of the Wudang faction, but he was so abused by Sun Dasheng.

For a time, Wu Yong became more and more angry, pulled out a long sword, and directly thought of Sun Dasheng coming, and the gods standing beside him did not mean to stop him.

Faced with this situation, Sun Dasheng did not panic at all, and said stiffly: "Okay, come here, if I blink, it is your grandson, if you don't dare to do it, it is my grandson."

"You are courting death!" Listen! At this point, Wu Yong was completely angry.

Seeing that the long sword was about to be stabbed on Sun Dasheng's body, Wen Chou Chou was shocked and angry, and at the same time shouted anxiously: "Wu Yong, you are also an elder of the Wudang faction. When the words

fell, Su Qingyan couldn't help but say: "Fox fake tiger power, Wudang sect has such an elder, it really humiliates the reputation of thousands of years."

Huh...

Hearing this, Wu Yong's face turned blue for a while. Bai, then his eyes fell on Su Qingyan, revealing a wicked smile: "Tsk tsk, the beauty is so excited, she doesn't want to see Sun Dasheng die, well, I can keep Sun Dasheng's legs for a while, just see how the beauty lets me I'm happy."

As he spoke, Wu Yong stepped forward and reached out to hook Su Qingyan's chin.

Su Qingyan was extremely embarrassed, turned her head away, spit, and said in disgust, "Go away."

Shah!

At the same time, Wen Chou Chou, Sun Dasheng and the others were also extremely frightened and furious.

This Wu Yong is really a scum, he actually did something to Su Qingyan.

Um?

Seeing the disgust in Su Qingyan's eyes, Wu Yong instantly became angry, raised his hand and slapped her face fiercely.

At this time, Su Qingyan was tapped on the acupuncture point and couldn't dodge at all, when she heard a crisp sound, Su Qingyan groaned, her delicate body trembled, and she fell directly to the ground, bleeding all over her lips.

"I'm going to die soon, how dare you scold me?" Wu Yong stood there, admiring Su Qingyan's charming curves, and scolded coldly, "I think you are the one who doesn't know whether to live or die."

Nima!

Seeing this scene, Wen Chou Chou and everyone were extremely shocked and angry. I never thought that Wu Yong would dare to do it.

Sun Dasheng couldn't bear it any longer. At that time, his eyes were extremely bloody, and he yelled at Wu Yong: "Wu Yong, what the fuck is a woman, what is it to beat a woman? Come at me if you have the ability, come..."

The ultimate husband in Chinese chapter 5996

"If you want to be a man, let go of my sister-in-law, Cao Nima's..."

Hearing Sun Dasheng's constant yelling, Wu Yong couldn't hold back his face, and was completely furious: "Sun Dasheng, you really think I dare not I'm going to kill you, Mad, I will send you to the West now." After all,

he is also an elder of the Wudang faction, but he was abused by Sun Dasheng in front of so many people, and there are so many divine soldiers and generals who are diligent in Tianjian. Bear with it, how can you still stand in the rivers and lakes in the future?

hum!

The last word fell, Wu Yong's inner strength exploded, and he clenched his long sword and stabbed directly at Sun Dasheng's heart.

Seeing this situation, whether it was Su Qingyan or Wen Chou Chou, they were all shocked, and they wanted to rush over to stop them, but the acupoints were tapped, so they could only watch in a hurry.

Seeing Wu Yong rushing in with a long sword in hand, Sun Dasheng's eyes were blood red, and he didn't panic at all.

Whoosh...

Seeing Sun Dasheng's heart, he was about to be pierced by a long sword. Suddenly, a god general frowned, rushed over quickly, raised his hand and knocked down the long sword in Wu Yong's hand, and said coldly: "Wu Yong Don't be reckless, elder, the king of God specially explained that if you want to capture these people alive, you can't take their lives for the time being."

Hearing this, Wu Yong's eyes flickered, and he was very unwilling, but in the end he held back and said with a smile: "The general said The only thing is that I was reckless."

After speaking, Wu Yong glared at Sun Dasheng: "Sun Dasheng, you are lucky this time, but don't get lucky. When I bring you back to Wudang, I have a way to deal with you."

Sun Dasheng He snorted coldly, ignoring it.

"It's getting late."

At this moment, the leading god general looked at the sky and ordered the thousands of god soldiers around him: "Take everyone away."

"Yes!" Thousands of divine soldiers responded in unison.

This chapter is provided by . Visit for daily update.

A few minutes later, Wen Chou Chou, Sun Dasheng and the others were all tied up with five flowers, and they were escorted to the Wudang faction by thousands of gods and soldiers.

.....

On the other side, the Nalan family!

In the early morning, Shennong just took a pulse for Tie Bowen and returned to his room.

As soon as he arrived at the room, he saw that Nalan Xinran was already waiting.

“Senior!”

Seeing Shennong’s return, Nalan Xinran’s delicate face couldn’t hide her urgency: “Have you come up with a solution?” Last night, he discovered his father’s abnormality, and Nalan Xinran hardly slept all night.

Shen Nong breathed a sigh of relief, and said lightly: “Ling Zun, this old man thinks about it, because we don’t know who is behind the scene, so we can’t start the snake.”

After speaking, Shen Nong took out a jade bottle from his body, which contained some black pills : “This is the ‘Removing Yin and Breaking Evil Pill’ developed by the old man. It has the effect of stabilizing the mind. If you think of a way to take one tablet every day for Ling Zun for half a month, maybe Ling Zun can get out of the other party’s control.” That’s

great. !

Nalan happily took the jade bottle and was very happy: “Thank you senior.”

With the words of senior Shennong, my father should be saved. After all, he is the ancestor of medicine respected by the world.

However, Shen Nong was not at all relaxed, and said solemnly: “Girl, don’t be too happy. After I developed this medicine pill, it has not been used by anyone. Whether it can solve Ling Zun’s situation is still unknown.”

“I see, senior.” Nalan nodded happily and said seriously, “But I still want to thank you.” After saying that, Nalan greeted Shennong with a salute and hurried out.

.....

On the other side, Tianyun City.

Shiyu Hua Nian Hotel is the largest hotel in Tianyun City and one of the subordinate industries of Ase Group.

At this time, in the luxury suite on the top floor of the hotel, Yue Feng was sitting on the sofa, sipping a cup of tea slowly, while Chen Shishi sat opposite, his delicate face full of anticipation.

“Brother Feng, how is this tea?” Chen Shishi asked.

Yue Feng smiled: “It’s not bad, very elegant.”

Chen Shishi was very happy when he was praised, and then thought of something and asked: “Brother Feng, you said before that you were injured by the Divine King Haotian of the Diligent Heaven Supervisor. Yes, the other party is very powerful?”

Chen Shishi is all-powerful in the business world, but she doesn’t know much about things in the arena. In her impression, Yue Feng is a big boss in the arena, famous in Kyushu, and there are very few people who can hurt him.

But now, to be so embarrassed by a Haotian God King, it is incredible.

The ultimate husband in Chinese chapter 5997

Ha ha!

Seeing Chen Shishi’s puzzled face, Yue Feng smiled bitterly, and explained the origin of the Haotian God King in detail.

Knowing the situation, Chen Shishi’s body trembled, and she only felt that her brain was buzzing, and she didn’t recover for a while...

This God King Haotian... actually came from the realm of the gods... A

few seconds later, Chen Shishi Some inexplicably worried: “Brother Feng, the other party is so big, can you fight it? Also, what can I do to help?”

At this time, Chen Shishi was very shocked.

What Yue Feng said was completely beyond her cognition.

Huh...

Yue Feng breathed a sigh of relief, thought for a while, and said: “You should not participate in the affairs of the rivers and lakes, and I can’t stay here for too long. The Qin Tianjian is responsible for monitoring the rivers and lakes in Jiuzhou. Far beyond your imagination, I can’t implicate you.”

“Brother Feng!”

Hearing this, Chen Shishi became anxious: “Don’t you believe me?”

Yue Feng shook his head: “It’s not that I don’t believe you, but we You have to be cautious, if my guess is right, when you dealt with that Zheng Qiang before, Qin Tianjian may have already gotten the news, and it won’t take long to find out here.”

What?

Chen Shishi’s tender body trembled, how powerful is the Diligent Supervisor?

Just when she was secretly shocked, Yue Feng said slowly: “So we have to be very careful, I will leave when you get me some alchemy materials.” After

saying that, Yue Feng looked at Chen Shishi seriously: “You Don’t worry about me, I’ll be fine.”

“But...” Chen Shishi bit her lip, feeling indescribably uncomfortable.

For so many years, I have been repaying Yue Feng’s kindness, and now I finally have this opportunity, only to find that I can’t help at all, which is really uncomfortable.

“Brother Feng!”

After a few seconds, Chen Shishi looked at Yue Feng quietly: “Where are you going to go after you leave here?”

Yue Feng thought for a while: “There has been no news from Donghai City, I guess Brother Wen and the others are sure Something went wrong, so what I have to do now is to find an absolutely hidden place to quickly recover my strength.”

Absolutely hidden place.

Chen Shishi repeated it silently in his heart, and suddenly thought of something: “I think of a place that the Tiantian Superintendent will never find.”

“What place?” Yue Feng hurriedly asked.

Chen Shishi showed a smile: “I have a college classmate, my family has practiced medicine for generations, and my family has a Chinese medicine clinic, and Brother Feng can go to her.”

After speaking, Chen Shishi thought about it and continued: "I haven't contacted her for several years. Yes, but the relationship was very good when I was in school, and the diligent supervisor should not be able to find out."

Brother Feng is in urgent need of recuperation, so staying at a friend's Chinese medicine clinic is the most suitable.

That's it...

Hearing these words, Yue Feng thought for a while, then nodded and said, "Alright then, you can arrange it." Seriously, I haven't seen each other for a few years, and Yue Feng also really wanted to catch up with Chen Shishi. However, considering the strength of Qin Tianjian, he had to be extremely careful.

Since Chen Shishi and this classmate hadn't been in contact for a few years, it's better to avoid it. After all, after leaving here, Yue Feng really didn't know where to go.

Great...

Seeing that he finally agreed, Chen Shishi smiled brightly: "Okay, I'll contact her now." After speaking, she walked out of the room quickly.

A few minutes later, an ordinary car arrived at the back door of the hotel, and then Yue Feng and Chen Shishi got in the car and rushed towards a small town dozens of kilometers away.

On the way, Chen Shishi called this classmate. Yue Feng learned that her classmate was Su Yingxue.

On the phone, Su Yingxue was very happy to learn that Chen Shishi was coming.

An hour later, the car entered the town, the town was surrounded by three sides, and the environment was quiet.

Soon, the car stopped in front of a Chinese medicine hall.

The traditional Chinese medicine hall is not very big and is located in the center of the town street, but it is decorated in an antique style. There is a wooden plaque with a period of time hanging at the gate, and three big characters are written on it: Taihetang.

Seeing this environment, Yue Feng nodded secretly.

This place is not bad, Qin Tianjian should not be able to find it here.

Just as Yue Feng was muttering to himself, a beautiful woman in a long red dress walked out of the medical hall quickly, and when she saw Chen Shishi, she cheered and quickly greeted her.

The

beautiful woman has exquisite facial features and a graceful figure. Compared with Chen Shishi, each has its own merits.

It was Su Xueying.

“Shi Shi!”

Su Xueying happily took Chen Shishi’s hand and said with excitement, “It’s really you, I just received your call, I thought I was dreaming.

” The relationship is very good, like sisters, but after graduating from college, they rarely see each other.

Chen Shishi was also full of smiles, and jokingly said: “Xueying, I haven’t seen you in a few years, you are still so beautiful.” At the beginning of the university, the two were recognized school flowers.

After a few greetings, Su Yingxue noticed Yue Feng and couldn’t help but ask, “This is...”

Uh...

Chen Shishi thought for a while, then introduced with a smile: “This is my friend, his name is Feng. Tao.” On the way here, Yue Feng discussed with Chen Shishi, not to use his real name here, let alone reveal his identity.

“Friend?” Su Xueying was stunned for a moment, then she covered her mouth and smiled: “It’s your boyfriend, in front of me, what are you embarrassed about.”

She laughed, but Su Xueying frowned secretly.

With such good conditions as Chen Shishi, how could he find such an ordinary boyfriend?

Swish!

At this moment, Chen Shishi's delicate face immediately blushed: "Xueying, don't talk nonsense, he is really my friend, not what you think." What kind of character is Feng Ge, how can he be qualified to be his girlfriend? .

At this time, Yue Feng couldn't help looking at Su Xueying up and down.

I really didn't expect that in this small town, there are such superb beauties, but it's no wonder if you think about it carefully, where can you find out if you have a good relationship with Chen Shishi?

Su Xueying felt even more unhappy when she noticed Yue Feng's gaze.

This Shishi's boyfriend has no literacy at all, how can he stare at others like this? However, in front of Chen Shishi, Su Xueying didn't have any outbursts, but her impression of Yue Feng was much worse.

Soon, Su Xueying greeted Chen Shishi and Yue Feng to enter the hospital.

"Shi Shi!"

After sitting down, Su Xueying couldn't help but said, "What are you doing now? When you were in school, your grades were top-notch, and I was always envious."

Chen Shishi smiled and said, "Just work in a company. What?" After not seeing each other for

several years, Su Xueying didn't know that Chen Shishi was the boss of the Ase Group, and it was precisely because of this that Chen Shishi decided to let Yue Feng come here to recuperate.

well!

Hearing this, Su Xueying couldn't help sighing: "It's a pity that you work under someone else's conditions." After saying that, she couldn't help but glance at Yue Feng.

When this person dresses up, he doesn't look like a person with a job, and he doesn't rely on Chen Shishi to support him.

Thinking to herself, Su Xueying became more and more disgusted with Yue Feng.

At this time, Chen Shishi smiled and changed the subject: "Xueying, I'm here this time to ask you to do me a favor. My friend is in some trouble and wants to stay with you for a few days. I don't know if it's inconvenient. ..."

What?

At this moment, Su Xueying was stunned for a moment, and looked at Yue Feng subconsciously: "Recently, there is a shortage of staff in the medical center, but..." At this moment, Su Xueying was even more certain that Yue Feng was a waste of soft food. Otherwise, Chen Shishi would not bring him to find him.

Seeing her hesitant, Chen Shishi said, "Xueying, I will trouble you about this."

Chen Shishi's eyes were full of anticipation as she spoke.

"Okay!"

Su Xueying couldn't refuse, so she nodded helplessly: "Then let him fight in the hospital."

"Thank you." Seeing her answer, Chen Shishi was very happy, and then chatted with Su Xueying for a while. He left Yue Feng behind and drove away alone.

As soon as her forefoot left, Su Xueying looked back at Yue Feng: "Hey, what's the relationship between you and Shishi?"

She knew Chen Shishi too well. When she was in college, because of her good studies and good looks, she was chased by many boys. She is arrogant and never looks good.

But now, he is so concerned about this Fengtao thing that he has to think more.

"It's just a friend." Yue Feng said with a smile.

Hehe...

Hearing the answer, Su Xueying couldn't help but chuckle: "You don't have to pretend, I'll tell you, I don't care how you get along with Shishi, I'll let you see her face today. Stay here, but I'm just saying that, here you have to be honest and don't cause me trouble, you know?"

Uh...

Hearing this, Yue Feng was stunned for a moment, then smiled bitterly: "Don't get me wrong, Shishi and I are really friends, not what you think..."

Just didn't say anything After finishing, Su Xueying interrupted: "Okay, you don't need to explain, I know that a man like you eats soft rice and is concerned about his own dignity."

When she said this, Su Xueying's eyes were full of contempt.

Shit ...

Feeling Su Xueying's tone, Yue Feng was a little dumbfounded.

This Su Xueying is really interesting, how can she decide that she is Chen Shishi's boyfriend? What's more outrageous, you also say that I eat soft rice?

Depressed, Yue Feng wanted to leave, but he held back. Chen Shishi kindly found such a place for herself. If she left without saying goodbye, wouldn't she betray her good intentions.

Forget it, be misunderstood, be misunderstood.

Thinking of this, Yue Feng scratched his head and smiled: "Don't worry, I won't cause you trouble."

Su Xueying didn't bother to talk nonsense, nodded, and started arranging for Yue Feng to make some groceries.

Many years ago, Yue Feng had studied medicine with Shennong, and there were not many groceries in the medical hall, so everything was quite handy.

Unconsciously, a few hours passed, and it was getting dark.

Yue Feng cleaned the medical hall and sat on the side to rest. Su Xueying stood by the medicine cabinet, sorting out the medicinal materials.

Because of prejudice, Su Xueying has always ignored Yue Feng, and Yue Feng didn't care, and the two sides got along fairly harmoniously.

"Girl Ying."

At this moment, a shout came from outside, and then, a few men from the town, carrying a little girl of twelve or thirteen years old, rushed in in a panic.

I saw that the little girl's face was pale, her body was wet, and there were some water plants wrapped around her feet, her eyes were closed, and she didn't move.

"Xiaoyou!"

Su Xueying was taken aback when she saw this scene, and quickly came out and asked, "What's the matter?" The little girl's name was Xiaoyou, she lived in a small town, and Su Xueying was very familiar with it.

The voice fell, and several men said in a vain voice: "This girl is drowning."

"When we arrived, they all sank to the bottom of the water."

"Girl Ying, hurry up and save people."

Hearing this, Su Xueying hurried over, did some simple rescues to Xiaoyou, and kept calling Xiaoyou's name at the same time.

However, Xiaoyou didn't react at all, her little face was pale and pale, obviously it was more fortunate than for luck.

Seeing this situation, Su Xueying didn't have time to think about it, and said to Yue Feng, "You watch here first, and I'll call grandpa." Su Xueying's grandfather is a famous old Chinese medicine practitioner nearby. Only recently has the medical hall been handed over to Su Xueying.

Su Xueying has no problem in treating minor illnesses, but in an emergency, she still has to ask Mrs. Su.

Um!

Yue Feng responded and carefully observed Xiaoyou's situation.

After a while, Su Xueying returned from the backyard, followed by an old man with white hair and beard, it was Mr. Su.

Seeing Mr. Su, several men around were relieved.

"The old man is here!"

"Xiaoyou is saved."

In this small town, in the hearts of everyone, Mr. Su is not only highly respected, but also a living genius.

Soon, Mr. Su walked up to him, looked at Xiaoyou's situation, and said slowly, "Don't panic, this girl has been drowning for too long and her breathing is blocked. It will be fine to dredge her qi and blood.

", Old Master Su motioned everyone to lean Xiaoyou on the chair, press Tanzhong Point with one hand, and pat Xiaoyou's back lightly with the other.

After a few minutes passed, Mr. Su stopped and watched Xiaoyou's reaction quietly. Seeing that Xiaoyou's eyes were tightly closed, he didn't mean to wake up at all.

Seeing this, the surrounding men couldn't help but talk in a low voice.

"Why haven't you woken up yet?"

"Isn't this girl helpless? It's a pity that her parents are still working in other places. Grandma still doesn't know about it at home."

"Don't talk nonsense, Mr. Su must have a solution..."

The chatter kept coming, Su Xueying was also a little anxious, and couldn't help but ask: "Grandpa, how is Xiaoyou?"

Hu... Mr.

Su frowned, reached out to probe Xiaoyou's breath, shook her head and said in a somber tone: "The girl has been drowning for too long, it should be hopeless..."

Speaking, Mr. Su looked at the men around him: "You guys, go and inform her grandma and prepare for the funeral."

All the rescue methods he knew were used just now, this girl There has been no response, apparently helpless.

ah?

Hearing this, both Su Xueying and the men around were stunned, and then they couldn't hide their sadness.

Xiaoyou is still so young, this kind of thing happened.

It's so pathetic.

In grief, several men gathered around to discuss how to tell the bad news to Xiaoyou's grandma.

Su Xueying shed tears and took a white cloth, ready to cover Xiaoyou.

However, at this moment, Yue Feng came over and said to Su Xueying: "Don't cover the white cloth first, this little girl is not dead yet."

What?

Hearing this, Su Xueying was stunned.

At the same time, the old man Su and the men were stunned for a moment, and then looked at Yue Feng.

Who is this kid?

Old Master Su said that there was no help, but he said that Xiaoyou was not dead?

Soon, Mr. Su recovered, first looking at Yue Feng up and down, and then at Su Xueying: "Xiaoying, who is this kid?"

This chapter is provided by . Visit for daily update.

He has practiced medicine for so many years, and he has never made a mistake. Now he is questioned by a kid. , I felt a little unhappy in my heart.

"Grandpa!" Su Xueying hurriedly introduced: "He is a friend of my classmate. He came to us for a few days."

As she said that, Su Xueying couldn't help but glared at Yue Feng: "Fengtao, what are you doing? Don't make a fool of yourself if you don't understand." This Fengtao had clearly warned him before that he was not allowed to make trouble in the hospital, how could he forget it in a blink of an eye?

It's just a soft meal, what can you understand?

Feeling Su Xueying's displeasure, Yue Feng had a serious face: "I'm not messing around, the little girl is indeed not dead." If there were other things, Yue Feng would not be uncomfortable, but life is at stake, so he can't care about that much at this time. .

Su Xueying was so angry that she was about to reprimand, but was stopped by Mr. Su.

"Young man."

At this time, Old Man Su looked at Yue Feng up and down, and said lightly, "I have tried it just now, this girl has been drowning for too long, even if a god comes, she will not be able to recover, why do you say she is not dead? When the

voice fell, the surrounding men also looked at Yue Feng closely, waiting for his answer.

You must know that Mr. Su's medical skills are obvious to all. In the past few decades, I don't know how many people in the town have been saved, but this kid actually doubted Mr. Su's medical skills.

It's ridiculous.

Yue Feng breathed a sigh of relief and pointed to Xiaoyou's face: "The reason why the little girl is unconscious is not because she was drowning for too long, but because she was poisoned. If I guess correctly, it should be caused by being bitten by a water snake. Drowning."

"Look at her face carefully, her face is pale, but there is a trace of blackness between her brows, which is obviously a sign of poisoning."

Huh?

Hearing this, whether it was Old Man Su, or Su Xueying and the men, they all looked at Xiaoyou's face. Sure enough, there was a faint blackness on Xiaoyou's brows. Can't find it at all.

This.... for

a while, Su Xueying's heart was shocked, and she looked at Yue Feng in surprise.

Neither myself nor my grandfather noticed such small details. How did he see it?

At this time, Su Xue didn't know that the man in front of her had studied medicine with Shennong, and she was observant. It was not in her realm at all, and could be compared.

At this moment, Old Man Su also reacted and urged Su Xueying: "Xiaoying! Quickly, check on Xiaoyou."

Hmm!

Su Xueying responded, quickly opened Xiaoyou's clothes, checked carefully, and soon found several small blood holes on Xiaoyou's left leg, because the soaking in water for too long had stopped bleeding.

Seeing the blood hole, Mr. Su's body was shocked: "This was bitten by Qingshui Piao."

Qingshui Piao is a kind of water snake. Because it can meander and glide on the water, it is named Qingshui Piao. This kind of snake has poisonous teeth. The poison is not very strong, but if a child like Xiaoyou is bitten, it will still be fatal.

At this time, Su Xueying had already run to dispense the medicine without waiting for Old Man Su to speak.

After a while, Su Xueying boiled the medicine and gave it to Xiaoyou. Soon, she saw Xiaoyou's pale complexion, which gradually became rosy. Although she still didn't wake up, she saved her life.
