

The ultimate husband in Chinese chapter 6011-6020

Seeing this situation, a smile appeared on Yue Feng's face.

Li Wei, this bastard, in order to behave in front of Su Xueying, he used me all over the place, and he was completely regarded as the younger brother in the lead. This time, when I got the opportunity, I had to teach you a good lesson.

At this time, Li Wei and the others were still happily collecting Aya herbs. During the collection, the fragrance of the pollen of Aya vanilla filled the air, and in the beehive not far away, countless wild bees were about to move.

Buzz....

Soon, thousands of wild bees flew out of the hive and flew towards Li Wei and the others. These wild bees depended on the nectar of Aya vanilla to survive. Now Li Wei and the others almost smashed the surrounding Aya vanilla. Light, these wild bees were instantly enraged.

"What's going on?" Li Wei couldn't help muttering when he heard the beep, then looked back subconsciously.

My mother...

At this sight, Li Weiwei paled in shock, and before he could greet his companions, a dozen wild bees slapped him in the face.

"Ah..."

This kind of wild bee sting is very painful, a dozen wild bees attacked together, Li Wei screamed on the spot, covered his face and fell to the ground, rolling non-stop.

At this time, the surrounding companions relaxed and saw thousands of wild bees, like a black mist, their legs were weak. At that time, they wanted to escape, but it was too late.

"Whoops, my face..."

"It hurts to death..." "Where did so many wild bees come from?"

For a while, Li Wei and the others were crying.

In less than ten seconds, Li Wei's face was stung like a pig's head, and his voice was hoarse. Seeing Yue Feng standing not far away, he couldn't help shouting: "Ma De, did you do this on purpose?"

Yue Feng looked innocent: "Brother Li, I didn't know there were so many wild bees here. ."

Saying so, Yue Feng's heart blossomed with joy.

Haha...

I tell you to bully others, the taste of wild bees is not good.

At this time, Li Wei, with nowhere to vent the evil fire in his stomach, shouted: "Shao Te Code nonsense, don't be stunned, quickly find a way to drive these wild bees away."

This...

Yue Feng scratched his head. , made a very embarrassed look, and smiled bitterly: "Brother Li, there are so many wild bees, what can I do to drive them away? In this way, I will go back and call someone, you guys hold on for a while." The

last word fell, Yue Feng Turn around and run.

A bunch of idiots, still want me to help? What are you daydreaming about, I have gone back to rest, you can enjoy it slowly here.

In the blink of an eye, Yue Feng disappeared on the mountain trail.

Li Wei wanted to stop it, but it was too late. Watching Yue Feng walk away, Li Wei scolded secretly, and had to call his companions to find a way to deal with the wild bees, but there were trees around and no water, so there was nowhere to hide.

I don't know how long it took, the wild bees finally receded, Li Wei and several people were stung all over their faces, all of them got fat, and they all lay on the ground half-dead, almost dying.

Mad...

At this time, Li Wei looked at the time and found that more than an hour had passed. Only then did he realize that he was brushed by Yue Feng, and his heart was very angry.

Good boy, dare to play with me, wait until I go back and see how I teach you.

...

On the other side, Yue Feng hummed a little tune and returned to Taihetang.

Su Xueying was cleaning up in the hall, when she saw Yue Feng coming back alone, she was stunned: "Why did you come back alone?"

After saying that, Su Xueying looked at Yue Feng's empty bamboo basket and frowned, "It's not to collect Ganoderma lucidum? Why don't you have one?"

Hehe...

Yue Feng smiled lightly: "All the herbs collected are stored in Li Wei's bamboo baskets. Speaking of which, Li Wei and the others are really diligent, I'm not too bad, I'm afraid you'll be too busy by yourself, so let me come back first."

Hearing this, Su Xueying froze for a while, frowning secretly.

People like Li Wei know how to bully others, when did they become so good?

"Aiya!"

Just when Su Xueying was thinking about this, Yue Feng stretched out: "I'm really tired after walking the mountain road for a long time. I'm going to take a rest first." After

saying that, Yue Feng put down the bamboo basket and just went to the backyard room to rest.

Su Xueying didn't think much about it and continued to work in the hall.

Wow...

An hour later, several Li Wei came back, panting and dirty, their faces stung into pig heads, and they looked indescribably funny and embarrassed.

The ultimate husband in Chinese chapter 6012

Pfft

...

Seeing their appearance, Su Xueying was stunned at first, and then she couldn't help laughing.

In the next second, Su Xueying couldn't help but said, "Li Wei, what happened to you? How did you get it like this?"

Shuh!

Hearing the inquiry, Li Wei was very embarrassed, and he couldn't tell the grievance in his heart: "It's nothing, I was just stung by some wild bees."

As he said, Li Wei looked around the hall, trying to find Yue Feng's figure, but it was a hindrance. In the presence of Su Xueying, it is not easy to attack.

Seeing his expression, Su Xueying didn't ask any more questions, and said lightly, "I'll prescribe some medicines for you to detoxify and reduce swelling. After two days, you'll be fine."

Then, Su Xueying stepped forward and said, "I found Ganoderma lucidum. ?"

Hehe!

At this moment, Li Wei immediately accompanied the smile, put the bamboo basket on the ground, and said with a flamboyant face: "I found a few ganoderma lucidum, but I picked a lot of other herbs."

Li Wei said, pointing to the inside Aya Herbs: "Especially this kind of spirit grass, we have collected several baskets, Xueying, aren't you happy?"

Aya Herbs?

At this moment, Su Xueying frowned lightly, and she was not happy at all, but said lightly: "What are you doing with so many Aya herbs? This herb is of little value, and a few plants can be used for a long time. Now the medical center There are many more."

Su Xueying wondered secretly when she said this.

This chapter is provided by . Visit for daily update.

What happened to Li Wei? I couldn't be more excited to get so many useless Aya herbs.

What? Little medicinal value?

Hearing this, Li Wei's expression changed, and then he glanced at a few companions behind, and immediately realized that he had been deceived by Yue Feng.

"Fengtao, get out of here with your special code."

Li Wei was very angry and shouted at the backyard.

Seeing this situation, Su Xueying frowned, and said very displeased: "Li Wei, what do you

call it?" Huh!

Li Wei took a deep breath and said angrily: "Ma De, this kid is playing with me."

Just as he was talking, he saw Yue Feng walking over from the backyard. If you dare to play with me, I think you are impatient."

Yue Feng said innocently: "Brother Li, where do you start?"

"You are still sophistry." Li Wei was so angry, Pointing to the herbs in the bamboo basket: "You were the one who told me that this was a spirit medicine and tricked me into picking it. Mad, if it wasn't for you, I would have been stung by a wild bee?"

Su Xueying vaguely guessed something after hearing this. He asked Yue Feng in a low voice, "Did you do this on purpose?"

People like Li Wei have little medical knowledge, but Su Xueying has been a doctor since elementary school, so of course she knows that wherever there are ling herbs, there will be wild bees, because wild bees My favorite is to collect the nectar of Aya vanilla.

Obviously, Li Wei and the others were stung by wild bees, and they had nothing to do with Yue Feng.

But having said that, Li Wei and the others did a lot of bullying in the small town, so this time I'll let them have a long memory.

Uh...

Hearing the question, Yue Feng scratched his head and pretended he didn't know anything: "How could I do it on purpose?" The voices of the two were so low that Li Wei couldn't hear them at all.

But seeing the two muttering, Li Wei became even more angry, pointed at Yue Feng and cursed: "What are you saying in a low voice? Stay away from Xueying."

This kid was stung too lightly.

Yue Feng breathed a sigh of relief and looked at Li Wei with a half-smiling smile: "Brother Li, you have misunderstood me, how could I play with you? I was saying that this thing is a rare herb, but I didn't say it. Let you all go away."

When he said this, Yue Feng looked serious, but there was a slight smile on the corner of his mouth.

Especially looking at Li Wei's face full of bags, it is even more secretly funny.

“Am I going to fuck you, I have to beat you up today!” At this time, Li Wei’s stomach was full of evil fire, and he didn’t listen to Yue Feng’s explanation at all.

At the same time, several other companions are also gearing up.

Looking at Li Wei and the others rushing up, Yue Feng smiled and did not panic at all.

With Yue Feng’s current state, he doesn’t need to do it himself, there are many ways to make Li Wei and others fall to the ground.

The ultimate husband in Chinese chapter 6013

“Stop Li Wei!”

However, at this moment, Su Xueying shouted and stood in front of Li Wei.

Although Yue Feng played tricks and made Su Xueying despised, Li Wei’s behavior of beating people in public made her even more disgusted.

“Xueying!”

Li Wei stopped, unable to hide his anger: “This kid is playing with me, what’s wrong with me teaching him?” As he spoke, the hostility towards Yue Feng became stronger in his heart.

Su Xueying’s pretty face was frosty, and she said word by word, “Li Wei, what I hate most is the way you are. Relying on the strength of your family, you will teach anyone you want to teach a lesson. Who do you think you are? The emperor? Please leave here. .”

Phew!

Seeing that Su Xueying was protecting Yue Feng, Li Wei was about to explode with anger, but he finally endured it, raised his hand, and greeted his companions to turn and leave.

But when he reached the door, Li Wei turned his head and glared at Yue Feng: “Boy, wait for me.”

Hehe...

Facing the threat, Yue Feng did not panic at all, but said with a smile: ” Brother Li, don’t be so angry, those wild bees are not very poisonous, but the more angry you are, the harder it will be to get rid of the bags on your face.”

Mad!

Seeing that he was still able to laugh at this time, Li Wei gritted his teeth and said, "Okay, you have a seed!" After that, he took someone away.

Watching Li Wei walk away, Su Xueying shook her head secretly.

In the next second, Su Xueying gave Yue Feng an angry look: "Li Wei is a well-known gangster here, and if he provokes him, be careful in the future, I can help you once, but I can't be by your side all the time. , you can ask for more happiness."

This chapter is provided by . Visit for daily update.

"It's okay!"

Yue Feng smiled slightly: "Even if he is great here, he can't possibly kill me." "Supposed to be

right!" Su Xueying didn't bother to pay attention, muttered, and turned to leave.

In the next time, Yue Feng helped Su Xueying to dry the herbs. Although not much Ganoderma lucidum was collected, this time Yue Feng, Li Wei and others also gained a lot.

After drying the herbs, it is getting dark.

After dinner in the evening, Su Xueying followed Mr. Su to study medical theory. Yue Feng was bored and went for a walk on the streets of the town.

"Ma De, the kid dares to come out!" Just as he walked to the street of the town, Yue Feng heard a scolding coming from behind Dao.

Whoops!

Yue Feng looked back and saw Li Wei and a few people, with ointment on their faces, coming over aggressively.

"Did you?" Li Wei held a wooden stick in his hand, pointed at Yue Feng, and his eyes burst into flames: "Don't think that with Xueying protecting you, I won't dare to do anything to you, tonight I will Abolish you."

Before being kicked out of Taihetang by Su Xueying, the more Li Wei thought about it, the more angry he became, so he greeted his companions and kept observing the situation of Taihetang from a distance. When he saw Yue Feng coming out, he would naturally not miss the opportunity.

"Encircle this kid!" Li Wei became more and more angry, pointed at Yue Feng and shouted, his eyes were red and red!

The voice fell, and several companions quickly surrounded Yue Feng.

Whoa!

At this time, it was after dinner, and many town residents came out for a walk and chatted. Seeing this scene, they couldn't help but talk in a low voice.

"Isn't this the new kid from Taihetang? How did you provoke Li Wei?"

"Yeah, this Li Wei is a mad dog... This kid is in trouble."

Li Wei didn't feel ashamed at all when the surrounding discussions came, but he was extremely proud and shouted at Yue Feng: "Boy, in this place, no one dares to play with me like this, but I will give you a chance, now give it to me Kneel down and apologize, that's all."

Li Wei has been domineering in the small town for so many years, and he has a good way of bullying people.

Kneel down and apologize?

Hearing this, Yue Feng smiled slightly, looked at Li Wei and said, "What if I don't apologize?!"

"Then I will unload your legs." Li Wei said arrogantly. He was swinging a wooden stick in his hand, as if he wanted to do something at any time.

Hehe...

Yue Feng laughed.

At this moment, a middle-aged man couldn't stand it any longer, he walked over and said to Yue Feng: "A strong dragon doesn't overwhelm the snake, you just came here, you can't fight him head-on, so you should be soft." The middle-

aged man When he said this, he couldn't hide the fear of Li Wei in his eyes.

At the same time, several people watching not far away also nodded.

"Yeah, I

can't do it." "It's just an apology, but not a piece of meat."

These small town residents are simple and kind. Although they are not familiar with Yue Feng, they can't bear to see him being bullied by Li Wei.

The ultimate husband in Chinese chapter 6014

Seeing everyone around him persuade Yue Feng, Li Wei was even more arrogant.

“Okay!”

At this time, Yue Feng gave the middle-aged man a thankful look, and then smiled at Li Wei: “I apologize, but it’s inconvenient here, let’s go to a secluded place.”

Yue Feng thought about it. Now, the residents of these small towns are so afraid of Li Wei, which shows how arrogant and domineering he is on weekdays, and he must be taught a lesson today.

However, in order to avoid identity exposure, it is better to find a secluded place.

Haha....

Seeing what Yue Feng said, Li Wei thought he was cowardly, and immediately pointed to the grove next to him: “Do you still want dignity? Well, then go to the grove with me.”

After saying that, he greeted Companion, surrounded Yue Feng and went to the woods.

Wow..

Seeing this scene, the residents of the small town who were watching the lively on the street wanted to follow up to see the situation, but they didn’t have the courage.

Soon, Yue Feng and Li Wei arrived in the woods.

Li Wei shook the wooden stick in his hand, leaned against a tree, and said slowly: “Okay, no one sees it here, hurry down and apologize, I tell you, your attitude is not sincere.”

Yue Feng With a slight smile: “Who said I’m going to apologize to you!”

Huh?

Li Wei was stunned for a moment, thinking that he had heard it wrong, and looked at Yue Feng closely: “What did you say?”

This chapter is provided by . Visit for daily update.

Yue Feng said slowly: “I came out to relax and was disturbed by you, didn’t you apologize to me? As you just said, be sincere.”

Mad!

Hearing this, Li Wei's face turned green at the time, and he shouted angrily: "Good boy, you are really talented, and you still dare to tease Lao Tzu? Ma De, fuck him!

"A companion rushed up one after another.

Seeing this, the corner of Yue Feng's mouth raised a trace of contempt, but with a panicked look on his face, he shouted: "Li Wei, if you hurt me, are you not afraid that Su Xueying will trouble you?"

"Shut up . . ."

Yue Feng didn't mention Su Xueying, but Li Wei's eyes were red when he mentioned Su Xueying: "You dare to mention Xueying, Ma De, if it weren't for you today, I would be so embarrassed in front of Xueying. ?"

After speaking, Li Weiwei shouted: "Hit me, let him be abolished..."

Several companions were eager to try, when they heard Li Wei's cry, they waved wooden sticks and smashed them at Yue Feng. come over.

well!

Yue Feng shook his head, his figure flashed, and the speed was as fast as lightning.

Before several people could react, two of them were tripped to the ground.

Yue Feng took the opportunity to pick up a wooden stick and said indifferently: "With this little strength, do you still want to teach people a lesson?" The voice fell, Yue Feng rushed over, and knocked down the remaining people to the ground.

Of course, in order to hide his strength, Yue Feng did not push his strength, but used traditional fighting techniques.

This...

seeing this scene, Li Wei was dumbfounded, this kid can fight like this?

At this moment, Yue Feng showed a smile and looked at Li Wei and said, "Brother Li, you agreed to take off my legs. It seems that you guys are not good enough." The

last word fell, and Yue Feng took action. , punched Li Wei's face hard!

"Ow..."

With this punch, Yue Feng still didn't use his supernatural power, but Li Wei also let out a miserable howl, and the whole person flew out a few meters away, his nose was slapped crookedly.

Before he could stand up, Yue Feng walked over quickly, picked up a rope from the ground, and tied Li Wei and the others together.

After doing this, Yue Feng hugged his arms and said slowly, "How is it, Brother Li, do you want to apologize now ?

"

Shouting: "Boy, you'd better let me go, otherwise, I will let you stay here."

In Li Wei's heart, the boy in front of him had only learned some martial arts, and he was careless just now.

oops?

It's all this time, and it's still so arrogant.

Hearing the scolding, Yue Feng showed a faint smile, walked over slowly, raised his hand and tapped Li Wei's crying point, Li Wei's body was shaken in an instant, and then he felt a burst of soreness in his nose.

"You..."

For a while, Li Wei was frightened and panicked again: "What did you do to me?"

The ultimate husband in Chinese chapter 6015

Yue Feng said lightly: "It's nothing, I just want you to repent."

"Go to Nima..." When the words

fell, Li Wei couldn't help but scolded, but just halfway, the tears stopped. The silence flowed down, and the voice choked up: "You... woo..."

At this time, Li Wei could not express his panic.

what happened? Why did you suddenly cry? This is too embarrassing.

"Are you crying so soon?"

Seeing him, Yue Feng held back his laughter and said slowly, "Are you going to apologize to me? It's just this attitude, it's not enough."

"You..."

Hearing Yue Feng Li Wei was about to explode with anger and wanted to yell at him, but his nose was sore, and his tears seemed to burst, and he couldn't stop it at all.

Right now, outside the woods.

Those town residents did not dare to enter the woods, so they could only stand outside the woods and listen to the sound quietly.

"It seems like a fight has started?"

"Ah, that new kid seems to be in a lot of trouble." "Go and call Xueying." During the discussion, someone rushed to Taihetang.

This chapter is provided by . Visit for daily update.

Su Xueying was about to rest, when she learned of the situation, she was in a hurry and rushed over quickly.

When approaching the grove, Su Xueying couldn't help shouting, "Li Wei, don't mess around." To be

honest, Su Xueying didn't like Yue Feng, but anyway, he was arranged by his good friend Chen Shishi, so, No matter what, you can't let him go wrong.

At this time, in Su Xueying's heart, like those small town residents, she thought that Yue Feng was more fortunate than fortune.

Seeing Su Xueying go in, many town residents followed behind.

This....

while shouting, Su Xueying walked quickly into the woods, and when she saw the scene inside, her body trembled and she was stunned.

At the same time, the residents of the small town were also stunned.

I saw Li Wei and his few friends, all with bruised noses and swollen faces, all tied with hands and feet.

What surprised her even more was that Li Wei was crying so hard at this time that his eyes were swollen.

This Feng Tao, one person against Li Wei and several others, won the battle?

How did he do it?

Nima!

Suddenly so many people came to watch, Li Wei couldn't tell the fire, and he wanted to find a crack to get in. He used to teach others, but now he was taught a lesson by an outsider. Not only that, but he kept crying. It's just so embarrassing.

Finally, Su Xueying reacted and couldn't help but say, "Fengtao, what's this... what's going on?"

Shuh!

At the same time, those who were watching the excitement also looked at Yue Feng curiously. Yue

Feng scratched his head and said solemnly: "It's nothing, Brother Li, who just wanted to teach me a lesson. After being persuaded by me, they changed their past. Now, I'm crying and repenting."

Feng smiled and looked at Li Wei: "Right, Brother Li."

"I..."

Hearing this, Li Wei almost fainted from anger, and instinctively wanted to scold, but only one word was said, and it turned into a whimpering cry, tears rushing, how miserable it was.

persuasion?

Seeing this scene, Su Xueying was secretly surprised. She knew what Li Wei was like. She was arrogant and domineering on weekdays, and she was not afraid of the sky, so how could she listen to other people's advice?

It's just... he's crying so hard now, it's not like he's pretending.

Muttering in her heart, Su Xueying looked at Li Wei seriously and said, "Li Wei, if you really change your past, I will be very happy. I hope you will stop bullying people in the future." The

voice fell, and everyone around nodded. .

“This little brother Fengtao is amazing, he can actually persuade Li Wei to get lost.”

“Yeah, we were worried about you just now.”

Hearing these words, Yue Feng smiled and said nothing.

“Woooooo...”

At this moment, Li Wei wanted to defend himself, but his tears kept flowing, his voice was choked up, and he couldn't speak at all. At that time, his heart was dead.

It's okay to be seen by the residents of the town, the key is to be seen by the sweetheart.

Just a shame to throw it home.

But at the same time as shame and anger, Li Wei couldn't tell the doubts in his heart. Just now this kid tapped on his body, and he kept crying. What was the method? Is it a point in the rivers and lakes?

The ultimate husband in Chinese chapter 6016

“Oops!”

At this moment, Yue Feng came over and helped Li Wei up with a smile: “Brother Li is so sincere, what happened just now is over.” After

speaking, Yue Feng said in a low voice: “Li Wei, I know you're not convinced, but it doesn't matter, if you want revenge, come and find it, but I'll tell you in advance that it won't be as simple as making you cry the next time.”

When he said this, Yue Feng The voice was so small that only he and Li Wei could hear it.

“Wooooo...”

Hearing this, Li Wei couldn't help holding back his anger, but thinking of his own situation, he couldn't be arrogant, so he nodded again and again.

Seeing that he was finally subdued, Yue Feng stopped talking nonsense, and quietly solved the acupuncture point for Li Wei with the help of his help.

call!

At this moment, Li Wei took a deep look at Yue Feng, did not dare to stop, and greeted his companions to leave in despair.

There was no liveliness to watch, and the residents of the surrounding towns were also scattered.

“Okay!”

At this time, Yue Feng turned to Su Xueying and said with a smile: “It’s alright, let’s go back and rest.”

Su Xueying responded instinctively, but she was secretly curious in her mind. How did he do it so obediently?

Muttering in her heart, Su Xueying looked at Yue Feng with a half-smiling look at herself, and suddenly reacted, her delicate face was faintly flushed: “Who... Who wants to rest with you?” After the

last word fell, Su Xueying stomped her feet. , turned around and returned to Taihetang.

Yue Feng smiled and followed slowly.

.....

On the other side, the Nalan family.

In the secret room, Gone reluctantly cast the soul control technique on Nalan happily.

In Gone’s heart, he already regarded Nalan Xinran as his own woman, and was reluctant to use this method, but there was no way, Nalan Xinran’s personality was too strong.

Gone thought about it. After killing the gods and revitalizing the demons, he would release the soul control technique on Nalan Xinran.

Um!

Half an hour later, Nalan Xinran woke up faintly, his eyes were lost, and there was a bit of emptiness in his eyes. When he saw Gone, his delicate body trembled and he quickly stood up.

In the next second, Nalan Xinran’s red lips lightly opened, and her tone was extremely respectful: “I have seen the master.”

Hearing this title, Gone’s mood was very complicated, and he immediately said warmly: “Xinran, you are my woman, don’t call me. Master.” The beloved woman has lost her

own thoughts, and all this is done by herself, and it will be uncomfortable for anyone else.

“Okay, master.” Nalan bowed his head happily, his face obedient.

Seeing her like this, Gone gave a bitter smile and said slowly: “Okay, it’s getting late, you can go back and rest.”

Hmm!

Nalan happily responded and slowly exited the secret room.

.....

At this moment, in the secret room where Tie Bowen was recuperating.

Shen Nong sat there, quietly closing his eyes and resting, while Tie Bowen lay there on the Hanyu bed next to him, motionless.

From now on, Tie Bowen has been lying here for half a month. Although he couldn’t wake up for a while, with Shennong’s careful treatment, the situation has stabilized, and he is just short of the ‘Nine Rank Revival Grass’.

“senior!”

At this moment, an excited voice sounded outside the secret room, and then, a slender figure walked in quickly.

The delicate and delicate face was full of sweat, and the stream of sea was attached to the forehead. The snow-white face was full of smudges. The whole person looked very tired, but there was a light of excitement in his eyes.

It is Nalan Wushuang.

Half a month ago, Nalan Wushuang learned from Shennong that the only way to save Tie Bowen was to find the Rank Nine Resurrection Grass. Without any hesitation, he went out and searched everywhere.

In the past half month, Nalan Wushuang has scoured almost all the famous rivers and mountains in Kyushu.

After getting the Rank Nine Resurrection Grass, Nalan Wushuang couldn’t wait to rush back to the Nalan family.

“You...”

At this moment, Shennong saw the dirty Nalan Wushuang in front of him, and almost didn't recognize it: "You girl, how did you do it like this? Did you find the Rank Nine Resurrection Grass?"

The ultimate husband in Chinese chapter 6017

Hmm!

Nalan nodded, unable to hide his excitement, and took out the Rank Nine Resurrection Grass from his bag: "Senior, look, is this the Rank Nine Resurrection Grass? I collected it on a cliff.

" Dangerous, I almost fell to my death."

Nalan Wushuang's face was relieved when describing the scene at that time, and he said it lightly.

In her heart, as long as she could save Tie Bowen, it would be worth her life.

"This..."

At this moment, Shennong took the 9th Rank Resurrection Grass, and after identifying it carefully, his excited voice trembled: "Yes, this is the 9th Rank Resurrection Grass, I didn't expect that after so many years, the old man would still be fortunate. Seeing this kind of treasure." After speaking

, Shennong looked at Nalan Wushuang, and said with emotion: "You are a girl who values love and righteousness, and you will achieve great things in the future."

Hearing Shennong's praise, Nalan Wushuang did not feel anything. She didn't take it to heart, now she only cares about whether Tie Bowen can wake up: "Senior, is Big Brother Bowen saved?"

"Saved." Shennong said with a smile.

Great!

Nalan cheered happily, not happy, the hard work in the past half month was finally not in vain.

Just as he was happy, Nalan Xinran suddenly covered his forehead, and his eyes were also blackened, and he almost fainted. Obviously, Nalan Wushuang had hardly slept well in the past two weeks in order to find the Rank Nine Resurrection Grass.

Shennong's eyes and hands were quick and he held her up: "You girl, even if you save people, you can't ignore your body, go and rest." After

speaking, Shennong ordered seriously: "I'll use the nine-turn resurrection grass later. , save your friend, during this period, you'd better not come in and disturb."

Um!

Nalan Wushuang responded and walked out full of joy.

When they got outside, Nalan Wushuang called a few patrolling disciples and instructed: "Take care of this place, no one can go in without Senior Shennong's orders, you know?"

" , and then guarded outside the door of the secret room.

Nalan Wushuang exhorted a few more words before returning to his room. Under the service of the two maids, he took a hot bath and then rested beautifully.

Time flew by, and soon it was the next morning.

"Miss!"

Nalan Wushuang was sleeping soundly when a maid woke him up.

Nalan Wushuang opened his eyes, and the first thought came to Tie Bowen, and he quickly asked: "Is there any news from Senior Shennong? Brother Bowen woke up?"

The maid shook her head: "Senior Shennong has been busy all night, It's not over yet." After

speaking, the maid said slowly: "Miss just came back from outside, it's time to say good morning to the master." The Nalan family has strict family rules, and the juniors return from other places. This is a rule that has lasted for thousands of years.

Oh!

Hearing the answer, Nalan Wushuang felt a little lost.

It's not a good night, it won't be an accident.

Probably not....Senior Shennong is the ancestor of medicine admired by the world, and since he has already taken back the Rank Nine Resurrection Grass, it will definitely not be an accident.

Thinking to himself, Nalan Wushuang got up slowly, and at the same time instructed the maid, "Get me some clothes."

Tie Bowen hasn't woken up yet. Nalan Wushuang doesn't want to do anything, but the rules of the family cannot be broken.

"Yes, miss!" The maid responded and turned to prepare clothes.

It was at this moment that the maid suddenly thought of something, took out a new dress from the cabinet, and smiled at Nalan Wushuang: "By the way, Miss, this dress is already ready, you haven't tried it yet, Half a month is the wedding, there is enough time, if the lady is not dressed properly, there is still time to change it."

Wedding?

Hearing this, Nalan Wushuang was stunned for a moment: "What wedding!" For the past two weeks, just looking for the Rank Nine Resurrection Grass, he forgot about the wedding of Aunt Nalan Xinran and Gone.

The maid pursed her lips and said with a smile: "It's the wedding of Miss Xinran and Nie Zhan. Miss forgot."

Nie Zhan...

Hearing this name, Nalan Wushuang's body was shocked, and the scene of the previous encounter appeared in his mind. , suddenly broke out in a cold sweat.

The ultimate husband in Chinese chapter 6018

Nie Zhan, this bastard, secretly colluded with Wudang Ye Yun, but fortunately killed me and silenced me, how could I forget this?

Back then, Nalan Wushuang left Tianmen, met Prince Aotian and Gone on the way, was chased and killed by Prince Aotian, and finally lost his memory, and was brought back to the Rakshasa by Tie Bowen's father.

How could Nalan Wushuang forget these things?

Bastard...

At this moment, Nalan Wushuang covered his forehead, and the anger in his heart rose.

This bastard Nie Zhan is a hypocrite in human skin, and he still wants to marry my aunt? Previously, I was just looking for Rank Nine Resurrection Grass for Brother Bowen, and almost ignored this matter.

However, it is not too late.

Thinking of this, Nalan Wushuang slapped the dress off the ground, and her delicate face couldn't hide the disgust and anger: "Why should I try this dress? Take it and burn it." The

maid was startled, but she didn't dare . What to say, standing there inexplicably frightened.

In the entire Nalan family, everyone understands Nalan Wushuang's temperament, unreasonable and moody.

At this time, the maid thought that she was wrong about what she said and provoked Nalan Wushuang. After a few seconds of panic, she tried to comfort her: "Miss, this dress is..."

But she didn't finish her sentence. It was interrupted by Nalan Wushuang.

"If you want to burn it, burn it, so much nonsense."

After saying this coldly, Nalan Wushuang dressed casually and quickly went out. Go straight to Nalan Xinran's room.

Gotta stop this wedding.

At this moment, Nalan Wushuang had only one thought in his mind. Tell your aunt the truth and expose Nie Zhan's true face.

"Auntie..."

Nalan Wushuang shouted as soon as he arrived at the door, he pushed the door and rushed in. Just saw Nalan Xinran sitting in front of the dressing table, combing her hair quietly, her slender and charming back, as charming as the fairy in the painting.

Seeing this scene, Nalan Wushuang regained some sense of reason, lowered his head, and said embarrassedly: "I'm sorry aunt, I have something urgent to tell you, I forgot to knock on the door."

In the whole family, Nalan Wushuang acted willfully, There are only two people who are afraid, one is the patriarch Nalan Hongzheng, and the other is the aunt in front of him.

If it was normal, Nalan Wushuang rushed in like this, and Nalan would definitely blame him.

Today, however, Nalan Xinran was surprisingly calm, and said lightly, "Wushuang, what's the urgency so early?" After speaking, he turned back to look at Nalan Wushuang quietly.

At this time, Nalan was pleased, his expression was calm, but his eyes were no longer the same as before.

"Auntie!"

Nalan Wushuang didn't realize what was wrong, and walked over quickly, unable to hide his anxiety: "You can't marry that Nie Zhan, he's a bastard, he met with Wudang Ye Yunmi before, and I bumped into him at that time. Start chasing me..."

In the next few minutes, Nalan Wushuang explained the situation in detail.

After speaking, Nalan Wushuang clung to Nalan Xinran's hand tightly: "Auntie, this person is a bastard, one thing on the surface, one behind the other, I suspect that my father was killed by him and Ye Yun together, you can't marry Him."

"Also, you must tell Grandpa about this." After the

last word fell, Nalan Wushuang pulled Nalan Xinran and went to the front hall.

However, Nalan Xinran broke away from her hand, her delicate and beautiful face did not fluctuate in the slightest, and said lightly: "Wushuang, what are you talking about? Nie Zhan will soon become your uncle, how can you do this? slander him?"

After being controlled last night, Nalan Xinran has respected Gone as the master, how could he believe Nalan Wushuang's words?

What?

Hearing this, Nalan Wushuang's delicate body trembled and stood there in a daze.

Aunt what does this mean? You mean I'm lying?

Thinking about it, Nalan Wushuang became anxious: "Auntie, what I said is the truth, you must believe me." Until then, Nalan Wushuang realized that something was wrong with the aunt in front of her. Too indifferent.

In particular, there is also a sense of strangeness that rejects people thousands of miles away.

In a daze, Nalan Wushuang said again: "Auntie, I..."

But she couldn't finish her sentence, Nalan gladly showed a bit of tiredness between her brows, and waved her hand: "Don't say it, I Trust Nie Zhan, go out."

Speaking, Nalan turned around happily and ignored Nalan Wushuang.

This...

In the face of this situation, Nalan Wushuang is very aggrieved. He is a niece, and he is not as good as an outsider.

Afterwards, Nalan Wushuang stomped his feet, turned around and walked out.

Outside the room, Nalan Wu's eyes turned red, the more he thought about it, the more aggrieved. Then his eyes flashed, and he walked straight to the front hall.

The aunt didn't believe it, so she went to find the grandfather.

After all, grandpa is the patriarch, and he loves me so much, so he will definitely believe my words.

"Miss!"

Just before he reached the front hall, a patrolling disciple walked over quickly, his face couldn't hide his excitement: "Senior Shennong asked you to come over and said that the Rakshasa boy woke up."

Is that right? Great.

Hearing this, Nalan Wushuang was overjoyed, and he didn't bother to go to the front hall to find Nalan Hongzheng to tell the truth. He turned and walked quickly towards the secret room.

in the room.

Nalan Wushuang had just left, and Nalan also left the room with pleasure and went to the secret room where Gone practiced.

At this time, Gone was meditating, and when he saw Nalan Xinran coming in, he suddenly showed a smile: "Xinran, you are here." Although he used soul control to control Nalan Xinran, in Gone's heart, there was no Treat her as a puppet.

"Master!"

Nalan Xinran slowly walked to the front, with a calm expression and a bit of respect: "Nalan Wushuang came to me just now and said a lot of things." Then, he told the situation.

call!

Knowing the situation, Gone took a deep breath and his expression gradually became solemn.

During this period of time, I was only concerned with preparing for the wedding, and almost forgot, and Nalan Wushuang, who slipped through the net, but fortunately, now that the Nalan family is completely under my control, I am not afraid of how much Nalan Wushuang will make waves.

Thinking to himself, Gone smiled and said, "Don't worry about it, I will take care of it." At the moment when the voice fell, Gone's eyes flashed with an imperceptible coldness.

Nalan Wushuang, you are courting death yourself, no wonder I am.

....

on the other side.

Nalan Wushuang rushed towards the secret room with joy.

When they were about to reach the secret room, they heard Tie Bowen and Shennong talking inside.

"I... what happened to me? Where is this? Who are you?"

"Hehe, don't be nervous, I'm the Shennong clan, I just woke you up, this is the Nalan family, the Nalan Wushuang That girl brought you back, you are lucky to meet such a confidante..."

Nalan Wushuang heard the conversation outside the door, and was so excited that he walked in quickly.

The moment he entered, he saw that Tie Bowen had already got off the cold jade bed and was sitting on a chair talking to Shennong. Although his face was still pale, it was much better than the previous situation.

Seeing this scene, Nalan Wushuang's delicate body trembled faintly, and couldn't help shouting with joy: "Brother Bowen, you finally woke up."

Shuh!

Hearing the call, Tie Bowen shuddered, his eyes fixed on Nalan Wushuang, and he did not recover for a while.

Finally, Tie Bowen reacted and showed a smile: "Wushuang, it's great to see you, I thought I was dead."

When he was talking, Tie Bowen's eyes were full of warmth.

"Wow!"

At this moment, Nalan Wushuang couldn't bear it any longer, he rushed over, threw himself into Tie Bowen's arms and burst into tears: "Brother Bowen, you finally woke up, do you know that during this time I have How worried... I even thought about it, you are really going to die, and I won't live..."

For the past half month, Nalan Wushuang has suffered a lot in order to find the Rank Nine Resurrection Grass. But he kept clenching his teeth and holding on, and facing Tie Bowen at this time, he couldn't hold back any longer.

"Don't cry, don't cry..."

Tie Bowen was in a hurry, and while helping Nalan Wushuang to wipe his tears, he comforted: "I'm all right." After speaking, Tie Bowen looked at Nalan Wushuang in front of him and said no. out of distress.

After not seeing each other for a while, Nalan Wushuang lost a lot of weight.

Uh...

Seeing their mutual tenderness, Shennong, who was standing by the side, couldn't help but feel a little embarrassed. In the end, he couldn't help coughing: "Cough cough..." In an

instant, Tie Bowen reacted and quickly let go of his hand.

Nalan Wushuang's delicate face also flushed instantly, and she was shy, and quickly left Tie Bowen's embrace.

In the next second, Nalan Wushuang calmed down and said to Tie Bowen, "Brother Bowen, this time you must thank Shennong for your goodbye. If it wasn't for you, we would really be separated from yin and yang."

After speaking, Nalan Wushuang told the situation.

Pfft!

Knowing the situation, Tie Bowen was grateful, and knelt down directly at Shennong: “Senior’s life-saving grace, Tie Bowen would not dare to forget, and Tie Bowen will never frown if senior has any dispatch in the future.”

“Hehe, no need to do that . You’re welcome.”

Shennong smiled slightly, raised his hand and flicked, Tie Bowen only felt a strong force coming, and stood up unconsciously.

Immediately, Shennong looked at Nalan Wushuang: “You really want to thank the Wushuang girl. In the past half month, if she hadn’t traveled through mountains and rivers and searched for the 9th-turn revival grass, I’m afraid you would have died a long time ago.”

Huo !

Hearing this, Tie Bowen was so moved that he held Nalan Wushuang’s hand tightly: “Senior, don’t worry, I will protect her with my life in this life.”

Nalan Wushuang was very touched by Tie Bowen’s hand. I’m sorry, but when I heard his words, my heart was even more joyful.

Sigh...

The next second, Nalan Wushuang thought of something, couldn’t help sighing, looked at Tie Bowen and said seriously: “Brother Bowen, I’m really happy when you wake up, I should have been with you, But I have very important things to do next.”

Tie Bowen was stunned: “What is so important?”

At the same time, Shennong looked at Nalan Wushuang curiously.

call..

Nalan Wushuang took a deep breath, his eyes flashed with a bit of anger, and slowly said: “Our Nalan family has a spy, and this spy also wants to marry my aunt.”

“And I am also because of him. , and finally ended up in the Rakshasa clan...”

In the next few minutes, Nalan Wushuang explained the situation in detail.

What?

At this moment, Tie Bowen's face changed, and he said angrily: "How can there be such a despicable and shameless person? Being taken in by your Nalan family, not only is I not grateful, but also plots against you... It's really hateful.

"Farewell, in Tie Bowen's heart, Nalan Wushuang is everything. When he learned what happened to her, how could he bear it? At this time, Nalan Wushuang

calmed down and continued: "I went to my aunt just now and told the story, but my aunt refused to believe it and said that I slandered that Nie Zhan."

The head pondered for a while, and continued: "I feel that my aunt has also changed. She has become different from before, just like a stranger."

"Wu Shuang is not afraid!" Dao: "No matter what decision you make, I will support you."

Well!

Nalan Wushuang nodded: "I'm going to tell Grandpa about the situation later..." As

soon as the voice fell, Shennong next to him looked solemn: "No."

When he spoke, Shennong's eyes flashed with complexity, according to Nalan Wushuang The situation described, the person who secretly controlled Nalan Hongzheng should be this Nie Zhan.

In this case, the unparalleled girl went to Nalan Hongzheng, not only could not solve the problem, but also shocked the snake.

"Why?" Suddenly interrupted by Shennong, Nalan Wushuang was stunned.

Tie Bowen was also full of doubts, looked at Shennong and said, "Senior, is there anything wrong?"

"Of course not!"

Shennong shook his head and looked at Nalan Wushuang solemnly: "Girl, your grandfather has already Being controlled by this Nie Zhan, if you ask him to explain the problem, it will not solve the problem at all, but will put yourself in danger."

What?

Hearing this, Nalan Wushuang's delicate body trembled, but his mind was buzzing and blank.

Grandpa was controlled by Nie Zhan?

At this time, Shennong didn't hide it, he told what he had discovered before, and at the end, Shennong sighed: "This old man was thinking that your aunt took the medicinal pill I developed to make your grandfather return to normal. , Now it seems that things are self-defeating, and your aunt should also be controlled."
