“Senior Liao Zan.”

Yue Feng breathed a sigh of relief and smiled humbly: “The most important thing is that the senior is strong. The senior’s injury is no longer a serious problem, so let’s leave as soon as possible.”

Although it is hidden here, But Gognier is not a fuel-efficient lamp, and it is better to leave early.

“Okay!” Shennong nodded.

Yue Feng stopped talking, walked over quickly, raised his hand and removed the three enchantments at the exit of the dark room.

Um?

The moment the barrier disappeared, Yue Feng and Shen Nong both frowned secretly, and they smelled a strong bloody smell.

Oops, something must have happened up there.

Sensing that something was wrong, Shennong and Yue Feng looked at each other, hurriedly walked into the secret passage, entered the hall, and soon, when they arrived in the hall, seeing the scene in front of them, both of them couldn’t help gasping for air!

I saw that there was blood everywhere in the hall of Taihetang. In the pool of blood, Li Wei and many residents of the town were lying there, their pupils dilated, and they were dead!

“This....how did so many people die?”

At this moment, Shennong couldn’t help but speak, his scalp tingling.

Yue Feng did not answer, but walked over quickly, checked the crowd, and found that they were all killed by one move, and their hearts were directly pierced.

Such a neat and ruthless method is definitely not what ordinary people call it.

“Goni!”

Realizing this, Yue Feng’s eyes were blood red, and his fists were clenched.

There is no need to guess, it must be Gone who followed Shennong's whereabouts all the way, found Taihetang, wanted to search here, but was blocked by everyone, so he started to kill.

For a time, while Yue Feng was angry, he was also indescribably regretful.

"Little friend Su..."

At this time, Shennong saw the old man Su who was lying at the door, and couldn't help shouting, very sad.

When Yue Feng heard the sound, he heard a buzzing sound in his head, and the whole person was stunned.

I saw that the old man Su was lying at the door, covered in blood, and the Tianling cover was shattered, and his death was very miserable.

hum!

In an instant, the anger in Yue Feng's heart burned completely.

This Gonie is inhumane, and he actually took action on innocent people... In

anger, Yue Feng said to Shennong: "Senior... Old Master Su and these people, can they still be saved?" If it was someone else, Yue Feng must have given up, but Shennong was different. He was a god-like existence in the medical world of Kyushu.

well!

Facing Yue Feng's urgent gaze, Shennong calmed down and sighed heavily.

The next second, Shennong looked at Mr. Su: "The spirit of the sky is destroyed, the immortals can't be saved, other people's hearts are injured, and there is no possibility to save them." After

speaking, Shennong couldn't hide his grief: "It's all my fault. , I didn't bring Gone here, and they wouldn't suffer from this kind of unwarranted disaster."

Hearing this, Yue Feng's face was gloomy and his heart was broken.

Although he had only been here for a few days, Old Man Su was a humble man, and suddenly died tragically at this time, which made Yue Feng very uncomfortable.

As for Li Wei and other town residents, they were completely affected by Chiyu...

"Grandpa!"

At this moment, Su Xueying's voice sounded outside the hall. The next second, Su Xueying walked in briskly with a bamboo basket on her back. At this time, Su Xueying didn't know what happened, and she was in a good mood because she went up the mountain this time. , collected a lot of medicine.

This...

Just entering the hall, Su Xueying saw a step in front of her, and her body trembled, and she was dumbfounded.

I saw that the whole hall was filled with a strong smell of blood, and the ground was dyed red. Grandpa and many town residents fell in a pool of blood...

"Grandpa..." Su Xueying was shocked. He walked up quickly, threw himself on the old man Su and burst into tears: "Grandpa, don't scare me...Open your eyes, look at me, look at me..."

"You're gone, what should I do... .."

During the shouting, Su Xueying's tears seemed to burst and flowed non-stop.

When she was very young, her parents died unexpectedly, leaving only her and her grandfather to support Taihetang and live together.

well!

Seeing Su Xueying's grief, Yue Feng and Shennong both sighed secretly, and they couldn't express their remorse in their hearts.

The ultimate husband in Chinese chapter 6052

Phew

... I don't know how long I cried, Su Xueying took a deep breath and turned to look at Yue Feng and Shennong: "How did my grandfather die? Who is the murderer?" As she asked, Su Xueying couldn't help but look Glancing at the corpses of Li Wei and the others, my heart skipped a beat. Who in the end did such a ruthless shot, not only killed such a person, but also killed his grandfather... alas! Faced with the questioning, Shennong sighed, his old face couldn't hide the guilt: "Girl, your grandfather and these people were all killed by my enemies, it's all my fault..." "The old man doesn't come, they I won't suffer from such an innocent disaster, it's all caused by this old man..." When he said this, Shennong blamed himself. "You..." Su Xueying was angry and sad when she learned of the situation. She wanted to say a few words about her responsibilities, but she only said one word, her eyes darkened, and she fainted. After all, Su Xueying was just a girl, and she couldn't bear it at all in the face of such a change. Seeing this scene, Yue Feng rushed over and hugged Su Xueying in his arms.

Shen Nong also hurried over to check, and after taking a pulse, he said slowly, "This girl is fine, but she was too sad and passed out." Hmm! Hearing this, Yue Feng nodded and breathed a sigh of relief. It's alright, if Su Xueying has three strengths and two weaknesses, I'm afraid she will feel sorry for her for the rest of her life.

After confirming that Su Xueying was not in danger, Yue Feng carried her to the backyard room to rest and let Shennong take care of her temporarily. Then Yue Feng returned to the hall and buried the bodies of Mr. Su and Li Wei in the woods north of the town.

call!

At this time, Yue Feng set up the last tombstone, clenched his fists tightly, and his stern face was full of resentment: "Goni, if this revenge will not be repaid, I, Yue Feng, will not be a human being."

Kacha... The

voice fell, The originally clear sky was suddenly covered with dark clouds and thunder, followed by pouring rain.

Yue Feng stood there, allowing the heavy rain to wash away without moving.

The icy rain continued to fall, but it could not extinguish the anger in Yue Feng's heart.

A few minutes later, Yue Feng bowed at the graves of Old Master Su and everyone, turned around and returned to Taihe Hall.

Um?

Just arrived in the hall, Yue Feng frowned. I saw a few cars coming quickly on the street outside.

At the entrance of Taihetang, the car stopped steadily, and then, Chen Shishi, dressed in tight black clothes, walked in quickly, surrounded by dozens of bodyguards.

"Brother Feng!"

As soon as he entered the hall, Chen Shishi saw Yue Feng and hurried up to meet him. With a delicate face, he couldn't hide his worry: "I heard that something happened to Taihetang, so I quickly brought someone here."

This chapter is provided by . Visit for daily update.

While talking, Chen Shishi looked up and down Yue Feng, wanting to see if he was injured: "Are you all right, Brother Feng."

When Chen Shishi arranged for Yue Feng to come to Taihetang, even though he didn't send someone to protect him secretly, he kept going. Paying attention to the situation in the town, an hour ago, Chen Shishi got news that Taihetang had died.

At that time, Chen Shishi was very nervous, thinking that something had happened to Yue Feng, so he hurriedly brought someone over. At this time, seeing that Yue Feng was safe and sound, a hanging heart fell.

Huh....

Feeling Chen Shishi's concern, Yue Feng breathed a sigh of relief and smiled bitterly: "I'm fine, but I hurt your college classmate." Thinking of the tragic death of Mr. Su, Yue Feng felt Blame it.

What?

Hearing this, Chen Shishi was stunned, and at the same time, he also found the blood stains on the floor of the hall.

Seeing this, Chen Shishi's delicate face was extremely complicated.

"Wow..."

At this moment, a cry came from the backyard. Obviously Su Xueying woke up.

Yue Feng didn't have time to think, and walked quickly towards the backyard.

Chen Shishi reacted, and hurriedly took the bodyguard and followed.

When I entered the backyard room, I saw Chen Shishi sitting there, crying non-stop, with trembling shoulders, which made people feel pity.

Shennong stood by, with a look of self-blame.

well!

Seeing this situation, Yue Feng sighed and wanted to comfort him, but he didn't know how to speak.

Chen Shishi stood at the door and saw the scene in front of him. He was not happy, and asked Yue Feng, "Brother Feng, what happened?"

The ultimate husband in Chinese chapter 6053

Because she just arrived, Chen Shishi still doesn't know the specifics.

Yue Feng took a deep breath and told the details. At the end, Yue Feng looked guilty: "It's all my fault, if it wasn't for me, this would not have happened."

Alas!

Chen Shishi sighed lightly: "The world is unpredictable, and Brother Feng doesn't have to blame himself." After speaking, he slowly walked into the room.

At this time, Su Xueying was still immersed in pain, and she was stunned when she suddenly saw Chen Shishi appear.

"Shishi?" The

next second, Su Xueying choked up: "You...why are you here?"

Chen Shishi had a complicated face, walked up to Su Xueying, bit her lip and said, "Xueying, I'm sorry, I don't know either. It's going to be like this."

What?

Hearing this, Su Xueying was a little confused: "Shi Shi, what are you talking about?"

Chen Shishi looked back at Yue Feng, and after being instructed by Yue Feng, she slowly replied: "Xue Ying, I will not hide the matter until now. You, he is not my friend, but my benefactor, he is the famous Yue Feng in Kyushu..."

"And I am not an ordinary company employee, but the boss of the Estee Group..."

The next A few minutes later, Chen Shishi told the situation.

At the end, Chen Shishi's delicate face was full of shame: "I arranged for Brother Feng to come to you, the purpose is to let Brother Feng regain his strength as soon as possible, but I didn't expect to involve you." The

last word fell, Chen Shishi directed at Su Xueying Bent down and bowed: "I'm sorry!"

This chapter is provided by . Visit for daily update.

"You..."

Hearing these words, Su Xueying only felt a thunderbolt flashing in her mind, her whole person was dumbfounded, and her brain was buzzing.

This wind wave turned out to be the famous Yue Feng in Kyushu.

And Chen Shishi is actually the boss of the Estee Group...

For a small person like Su Xueying, these two identities are out of reach for her... I would never have thought that such a person as Yue Feng Big people will come to Taihetang to do chores.

But all of this happened just like that.

“You go...”

Finally, Su Xueying came to her senses and looked at Chen Shishi closely, her eyes flashing with anger and complexity: “You go, I don’t want to see you.”

After saying that, Su Xueying’s eyes fell on Yue Feng. : “You go too!”

Although Grandpa’s death was not directly caused by them, it had nothing to do with them.

Facing Su Xueying’s anger, Yue Feng and Chen Shishi looked at each other, embarrassed to each other.

“Girl!”

At this moment, Shennong, who had been silent, couldn’t help but said to Su Xueying: “I understand your feelings, your relatives died tragically, you are very sad, but don’t blame Yue Feng.”

“Your grandfather, it’s me . Indirectly killed, if I hadn’t led the murderer here, your grandfather would not have been in trouble.” At the

end, Shennong pulled out a dagger and handed it to Su Xueying: “Killing people to death in vain, this old man has a lot of sins, I am willing to Let Su Xiaoyou die.”

At this time, Shennong was very depressed.

As the ancestor of medicine, a living miracle doctor, who has been respected by the world for nearly a thousand years, I don’t know how many lives have been saved, but recently, because of his own safety, Su Laoyuezi was innocently killed, which made Shennong very uncomfortable, and almost became There was a hurdle in my heart that I couldn’t get past.

In this state of mind, Shennong could only ask for death to relieve his inner guilt.

“Senior...”

Hearing Shennong’s words, Su Xueying was stunned with a dagger in her hand: “I...” Grandpa died tragically, she was very sad and angry, but she never thought of letting Shennong die. , In the face of this situation, naturally do not know what to do.

What the hell!

At the same time, Yue Feng's face was also on the side, and he couldn't help but said to Shennong: "Senior Shennong, don't be impulsive.... The murderer is Gone. Even if you die now, Mr. Su will not survive.

" Now, let Gone know that you are here to die, he will only mock you for being pedantic, senior, calm down, there are so many righteous people in the rivers and lakes, waiting for you to save your life..."

When he said this, Yue Feng's face was full of anxiety, because he clearly felt that Shennong at this time was really going to die for Old Master Su.

call!

Hearing the consolation, Shennong's face changed, and he took a deep breath and pondered.

What?

Su Xueying and Chen Shishi were trembling, looking at Shennong closely, speechless in shock.

The ultimate husband in Chinese chapter 6054

What did Yue Feng call him just now?

Senior Shennong?

He...he is Shennong, who is honored by the world as Yaozu? The living gods of the Kyushu mainland?

In shock, Su Xueying stared blankly at Shennong, her red lips parted lightly: "Senior...you...are you Shennong?"

Shennong smiled bitterly and nodded: "Yes.

"

After being confirmed, Su Xueying's jade hand trembled, her dagger fell to the ground, and she said in a complicated tone, "If grandpa knew his identity, he would be very honored and relieved."

After speaking, Su Xueying sighed, "Grandpa died tragically today . , maybe his life should be like this, how would the junior dare to ask the senior to take his life?"

At this time, Su Xueying was already awake a lot.

Hearing this, Shennong smiled bitterly, but he was still entangled in his heart.

At this time, Yue Feng continued to comfort him: “Senior, don’t be obsessed. I believe that Master Su will not blame you under Jiuquan. On the contrary, if Senior continues to help the world and save people, Master Su will be comforted by the spirit of heaven. ”

Phew!

At this moment, Shennong took a deep breath and said slowly: “Okay, I was reckless. However, Su Xiaoyou’s death was indeed caused by me...”

After speaking, Shennong looked at Su Xueying closely: “Girl, You have a good talent in medicine, if you don’t dislike it, the old man is willing to accept you as a disciple, and teach him what he has learned in his life.”

When he said this, Shennong looked at Su Xueying with anticipation in his eyes.

This chapter is provided by . Visit for daily update.

Speaking of which, Shennong never accepted apprentices lightly. He had accepted no more than five apprentices for thousands of years, and all of these apprentices had passed away.

For nearly a hundred years, Shennong has devoted himself to the study of medical theory, and has no plans to accept any more disciples.

However, what happened today made Shennong very sad, so he thought of accepting Su Xueying as his disciple, in order to relieve the guilt in his heart.

Of course, Su Xueying has a good talent and is also a suitable candidate to inherit Shennong’s medical skills.

Phew...

Seeing this situation, Yue Feng breathed a sigh of relief.

Shen Nong, the old man, is finally not persistent.

At the same time, Yue Feng looked at Su Xueying’s eyes with a strange light. She was the first to be accepted by Shennong.

“1...”

At this time, Su Xueying was stunned again, facing Shennong's urgent eyes, thinking that she had heard it wrong, she was shocked and inexplicably happy: "Senior...Senior wants to accept me as a Disciple?" The person

in front of him was Shennong, the ancestor of medicine known to the world.

Before I changed it, I didn't even dare to think about seeing him, but now, he actually wants to accept me as a disciple.

Shennong nodded solemnly, smiled and said: "What? Is the girl unwilling?"

"Yes!"

Su Xueying nodded quickly, then bent her knees, knelt in front of Shennong, and said respectfully: "Disciple pays respects to master." At the same time as Master, Su Xueying felt a little sad when she thought of her grandfather.

Grandpa...Did you see that the granddaughter became a disciple of Shennong...

"Okay, okay..."

Shennong nodded again and again, raised his hand to help Su Xueying up, his face kindly said: "Follow me in the future and devote myself to studying medicine. , and I hope to achieve something in the future."

Saying that, Shennong said to Yue Feng, "This old man will go back to the place of seclusion first, and if something happens, I will notify you as soon as possible."

Yue Feng nodded: "Okay, senior."

Shennong said no more, and let Su Xueying clean up. down, and then took her to the place of seclusion.

"Brother Feng!" As soon as his

forefoot left, Chen Shishi reacted and said to Yue Feng, "What are you going to do next?" Yue Feng

thought for a while, then waved his hand and said, "You don't need to worry about these matters. If you can't participate, take your people away quickly, don't worry about me."

However, Chen Shishi was still a little worried: "But you are alone..."

Before she could finish speaking, Yue Feng interrupted with a smile: "My injury has healed, The strength has also recovered almost, even if you encounter the God King Haotian, or the Supreme Demon, you can easily deal with it."

Hearing this, Chen Shishi no longer insisted, and nodded: "Well, Brother Feng, take care." The

voice fell, Chen Shishi left with the bodyguards.

After Chen Shishi left, there was only Yue Feng left in the entire Taihetang, which was very cold.

call!

At this moment, Yue Feng did not hesitate, and his figure flew high into the sky, rushing towards the Nalan family.

The ultimate husband in Chinese chapter 6055

Knowing that Nie Zhan of the Nalan family was Gone in disguise, Yue Feng did not dare to take it lightly.

Yue Feng thought about it, first went to the Nalan family to investigate the situation, and then act accordingly.

.....

On the other side, the underground cell of Qintianjian.

After Wen Chou Chou and the others took the pills, they sat cross-legged and silently recovered their inner strength. Han Bing stood at the door of the cell, watching the situation outside.

Huh...

I don't know how long it took, Wen Chou Chou opened his eyes first and stood up slowly.

Seeing this, Han Bing hurried over and asked, "Uncle Wen, how is your strength recovering?"

Wen Chou Chou showed a smile and responded, "The injury is almost healed, but the inner strength of the dantian has not fully recovered. Moreover, the meridians seem to be suppressed by a force, and the internal force runs very slowly..."

When he said this, Wen Chou Chou couldn't help frowning, very puzzled.

The words fell, and Sun Dasheng and others also opened their eyes and nodded in agreement.

“My meridians seem to be suppressed by a force.”

“Me too.”

Hearing what everyone said, Han Bing frowned and couldn't help but say: “What's going on? Poisoned you?”

“Probably not.”

Wen Chouchou shook his head: “God King Haotian is very conceited and will not allow his subordinates to do such despicable things. I guess that this strange power is the result of previous and gods. When the gods of war fought fiercely, they had the divine power in their bodies.”

“Fortunately, these divine powers are not very strong, and they should be able to be completely dispelled in a few days.”

After speaking, Wen Chou Chou glanced outside the cell: “Let's not talk about this, it's not suitable to stay here for a long time, let's rush out.”

Hmm!

Han Bing nodded: “I'll go out first, you follow.” After saying that, he should rush out of the cell first.

Wen Chou Chou followed closely behind.

Because the large troop has not returned, the defense of Qintianjian at this time is very weak.

However, there were too many people in Han Bing and Wen Chou Chou. As soon as they got out of the cell, they were discovered by a team of patrolling soldiers.

“Stop!”

At this moment, the leader of the patrol magic soldier, staring at Han Bing, shouted loudly: “You are not too timid, come to Qintian Prison to rob the prisoners. Take it.” The

voice fell, the god The force of the captain exploded, and the long knife in his hand slashed at the ice.

Whoosh...

a dozen divine soldiers, followed by them, were surrounded by the ice.

In the hearts of these patrolling soldiers, Wen Chou Chou and others are very weak, and they are nothing to worry about. They only need to subdue the ice.

However, they didn't know that before leaving the cell, Wen Chou Chou took the pills from the Emei faction. Although their strength had not completely recovered, they had recovered 70% to 80%.

Seeing these divine soldiers rushing up, Han Bing clenched his lip and did not panic at all. The long sword drew a cold glow and attacked him.

“Cao Nima!”

At this moment, Sun Dasheng scolded, summoned the opening axe, and charged directly.

Wen Chou Chou and everyone also joined the battle one after another.

Oops!

Seeing this, the captain of the magic weapon changed his face. He wanted to ask for help, but it was too late.

Bang Bang Bang...

In less than two minutes, this team of patrol soldiers were all knocked to the ground and passed out one by one. Of course, with the strength of Wen Chou Chou and Sun Dasheng, it is not enough to stun these magic soldiers, they all rely on Sun Dasheng's axe.

After knocking out these divine soldiers, Han Bing and Wen Chou Chou quickly rushed out of the Qintian Prison without any hesitation, and walked away into the distance. In the blink of an eye, they left cleanly.

At this moment, in the sky several hundred meters away from Qin Tianjian.

The Haotian God King and a divine general were quietly suspended there, looking at the situation of Qin Tianjian from a distance.

The scene where Han Bing rescued Wen Chou Chou and everyone just now was clearly seen by the God King Haotian.

“His Royal Highness God King!”

At this time, watching the people in Han Bing go away, God will not help but say: “We put Wen Chou Chou and these people in the cell, the purpose is to attract Yue Feng to

appear, but Yue Feng did not come, he The daughter is here, and the plan is disrupted, so we don't have to pursue it?"

Haotian God King's eyes flickered, and he said lightly: "It doesn't matter, since it is Yue Feng's daughter, to rescue Wen Chou Chou and others, he must join up with Yue Feng."

The ultimate husband in Chinese chapter 6056

"You immediately lead your cronies and follow the Wen Chou Chou group. You must not expose them until they meet with Yue Feng. Once you find Yue Feng, report it as soon as possible."

When he said this, Haotian God There was a trace of wickedness in the king's eyes.

Yes, he said that Wen Chou Chou was detained in Qintian Prison for a few days, and there was no interrogation. The purpose was to wait for Yue Feng to come to rescue, but he never thought that Yue Feng did not come, but his daughter came.

However, the God King Haotian was calm and his plans were disrupted, so he decisively changed his strategy.

"Yes, His Royal Highness."

After receiving the order, the god hurriedly responded. Immediately, he summoned hundreds of elite soldiers and quickly chased in the direction where the people of Han Bing left.

...

the other side.

In the rushing river water, Tie Bowen held Nalan Wushuang's hand tightly and did not dare to let go.

At the same time, Tie Bowen and Nalan Wushuang also paid attention to the shore from time to time.

Seeing that there were no magical soldiers chasing after the shore, the two people's nervous mood relaxed a lot.

Wow...

Finally, at a river bend, Tie Bowen got out of the water and swam to the shore with Nalan Wushuang.

Just after landing, Tie Bowen took a deep breath and said slowly: "Those gods and soldiers did not chase, they should have returned to Qintianjian, calculate the time carefully, that girl Hanbing should have sneaked in, but I don't know. What's the situation now?"

When he said this, Tie Bowen's eyebrows were solemn.

This chapter is provided by . Visit for daily update.

Although she bought time for Han Bing, she is after all alone, and it is not an easy task to save people from Qin Tianjian.

At this moment, Nalan Wushuang was also a little worried, and said softly, "How about we go back and check the situation?" If something happened to Han Bing, he would not be at ease for the rest of his life.

"Okay!" Tie Bowen nodded without hesitation, and then rushed in the direction of Qin Tianjian with Nalan Wushuang.

A few minutes later, the two came to the hillside north of Qintian Prison.

Hiss...

Seeing the scene in front of them, Nalan Wushuang and Tie Bowen couldn't help gasping.

I saw that the entire Tiantian Supervision was in chaos, and patrols left from time to time to investigate

the surroundings... oops...

Seeing this, Nalan Wushuang's delicate face could not hide the worry: "Sister Hanbing, must have been discovered, otherwise, Qin Tianjian would not be in such a mess." As

he said, Nalan Wushuang kept searching in Qintianjian, trying to find Hanbing's figure. As a result, after watching it for a long time, I never saw the ice.

The more this happened, the more anxious Nalan Wushuang became.

Tie Bowen calmed down a little, and couldn't help comforting him: "Don't worry, look at this, the ice girl should have escaped. Let's observe it for a while."

Hmm!

.

Hearing the consolation, Nalan Wushuang nodded. Soon, a few minutes later, Nalan Wushuang

still did not see Han Bing, and at this time also agreed with Tie Bowen's statement: "It seems that Sister Han Bing has escaped, what should we do now?"

Lan Wushuang was very confused.

The Nalan family will definitely not be able to go back. Both grandfather and aunt are under control, and Tianmen is targeted by Qin Tianjian, and they cannot seek their help for the time being. Under such circumstances, Nalan Wushuang does not know what to do for a while.

Seeing her helpless appearance, Tie Bowen couldn't help feeling a little distressed.

I can't go back home, how helpless...

"Wushuang!" Tie Bowen couldn't help holding Nalan Wushuang's hand and said seriously: "Or, you can follow me back to the Rakshasa clan, now the situation in Kyushu is getting worse and worse. The more complicated it is, the two of us alone are powerless to change, it is better to seek the help of the Rakshasa clan."

When he said this, Tie Bowen looked complicated.

After walking for so long, the Rakshasa clan didn't know what was going on. Their father and family died tragically, and they didn't go back to pay their respects.

"Okay!"

Nalan Wushuang thought for a while, then nodded: "I'll listen to you."

After the discussion, the two quietly left the hillside, avoiding the nearby soldiers patrolling, and hurried towards the Rakshasa clan.

A few hours later, Nalan Wushuang and Tie Bowen finally arrived at the Rakshasa clan.

call!

At this moment, stepping into the realm of the Rakshasa tribe, Nalan Wushuang couldn't help taking a deep breath, recalling the previous experience here, it felt like a world away.

The ultimate husband in Chinese chapter 6057

At that time, I lost my memory, and getting to know Brother Bowen here was like a dream.

Tie Bowen was even more worried.

Tie Bowen wanted to go home and have a look, but after Timur's death, the manor had been sealed off, and the gate was guarded by warriors specially dispatched by the Queen, so he couldn't get in at all.

In this case, Tie Bowen had no choice but to take Nalan Wushuang into the palace to meet the queen.

Today's palace has strengthened its defense. After the two entered the hall, they saw many warriors in armor standing neatly on both sides of the hall, each with a sacred expression and a solemn atmosphere.

Not only that, but the leaders were also present.

Queen Mona, sitting on the throne.

At this time, Mona, wearing a gorgeous golden robe, showed her graceful figure incisively and vividly, her facial features were exquisite and beautiful, and her body was filled with a powerful aura that could not be desecrated.

Feeling the majesty of the queen, Nalan Wushuang's heartbeat couldn't help speeding up.

But seeing Mona's face, Nalan Wushuang couldn't help but secretly admire.

so beautiful.

Rumor has it that the queen of the Rakshasa clan is an out-and-out beauty, with a dignified manner and an alluring beauty. When I saw it today, it really lived up to its reputation.

"Your Majesty."

At this time, Tie Bowen took a step forward and gave Mona a deep salute: "Tie Bowen, see Her Majesty the Queen."

"No bow!" Mona nodded and looked at Tie Bowen with emotion. "I thought you were dead, but now that you are safe and sound, I feel relieved."

This chapter is provided by . Visit [for](#) daily update.

When Timur was murdered, Mona felt very uncomfortable and guilty, so she kept sending people to look for the trace of Tie Bowen to ensure that Timur would have someone in her successor, but unfortunately, there was no clue.

Now that Tie Bowen came back safe and sound, Mona was very relieved.

Whoa!

At the same time, the surrounding leaders saw Tie Bowen, and they all talked about it.

“This kid is really lucky.”

“Yeah, but it’s good to come back, Timur finally didn’t lose his blood.”

“This kid’s qualifications are good, and he can be useful in the future...”

Listening to everyone around Tie Bowen’s face was humble, and he clenched his fists at the crowd.

The next second, Tie Bowen saluted at Mona: “Thank you for the Queen’s love.”

After speaking, Tie Bowen asked tentatively: “Your Majesty, may I ask my father...”
Thinking of the tragic death of his father and his family, It is difficult for Tie Bowen to remain calm.

well!

Mona sighed, and her delicate face couldn’t hide the sadness: “It’s all my fault, I didn’t see through Ital’s ambitions at that time, almost let him usurp power, and killed your father...”

Said At these times, Mona blamed herself.

What?

Father and family are really all dead...

Hearing this, Tie Bowen staggered like he was struck by lightning, he could hardly stand still, and endless grief took over his heart.

Seeing his expression, Nalan Wushuang couldn’t tell how distressed he was, walked over silently, grabbed Tie Bowen’s arm, and whispered, “Brother Bowen, don’t feel bad, I’ll be with you in the future.”

Hmm!

Feeling Nalan Wushuang’s tenderness, Tie Bowen’s heart surged with warmth and nodded.

Afterwards, Tie Bowen calmed down and smiled bitterly at Mona: “Your Majesty doesn’t need to blame himself. Speaking of which, some things happened because of me. If I didn’t break into the forbidden area of the ranch and take the sunset bow, It won’t attract Ital’s crazy revenge.”

Mona’s eyes flickered and she sighed: “Forget it, don’t mention the past.” After saying that, Mona’s eyes fell on Nalan Wushuang: “This is Bit is…”

Swish!

The voice fell, and the eyes of the surrounding leaders also converged on Nalan Wushuang, and they were all attracted by her delicate face.

What a handsome, beautiful girl.

Feeling the eyes of everyone, Nalan Wushuang was a little shy, and subconsciously pulled Tie Bowen’s arm.

Tie Bowen patted the back of her hand, indicating that she should not be nervous, and then responded to Mona: “Go back to Her Majesty the Queen, this is Nalan Wushuang, from the Nalan family of Diyuang Continent. She was chased and killed at first. It caused amnesia, was rescued by my father, and then brought to the Rakshasa clan…” After speaking

, Tie Bowen explained the situation at that time in detail.

I see.

Knowing the ins and outs of the matter, Mona and the leaders present were all stunned.

Soon, Mona reacted, looked at Tie Bowen and said, “There are many things, maybe it’s fate, don’t be too sad about your father’s death.”

“Yes, Your Majesty!” Tie Bowen nodded.

“Everyone!”

Mona thought for a while, then glanced at the audience slowly, and announced: “This king has decided that starting today, Tie Bowen will be canonized as the new general, commanding 100,000 cavalry.”

When she said this, Mona Looking at Tie Bowen’s eyes, he couldn’t hide his admiration.

Speaking of which, Mona's canonization of Tie Bowen is not simply because he loves Wu and Wu, because he is the only son of Timur, but Tie Bowen does have the demeanor of a general.

Whoa!

The voice fell, and the leaders present were in an uproar, but no one objected, and everyone congratulated them from the bottom of their hearts.

"Haha, congratulations, kid!"

"Congratulations, congratulations..."

Facing everyone's congratulations, Tie Bowen had a complicated expression, and said to Mona, "Your Majesty, I'm afraid I can't handle such an important task.

"After experiencing so many things for a while, Tie Bowen has looked down on power, and now he just wants to live a life without competition with Nalan Wushuang.

Seeing his resignation, Mona was stunned for a moment, and then said seriously: "The younger generation of the entire Rakshasa clan, except you, no one can take on this important task."

"Your father has worked hard for the economic development of our Rakshasa clan for dozens of years. Years, I hope you can like him, inherit his legacy and continue to contribute to our Rakshasa." At the

end, Mona's eyes flashed with a strange light: "I heard that you are the first to use the sunset. Bow, successfully inspired the power of the Sunset Bow, right?"

Uh...

Hearing such a question suddenly, Tie Bowen was stunned for a moment, then nodded and said, "Yes."

Mona said no more, and waved her hand.

In an instant, the maid behind him understood and hurriedly left the hall, returning shortly after, holding a delicate rectangular wooden box in her arms.

Swish!

At this moment, whether it was Tie Bowen or the eyes of others present, they all focused on the wooden box. I vaguely guessed something in my heart.

“Tie Bowen!”

At this time, Mona motioned to the maid, handed the wooden box to Tie Bowen, and said seriously: “The greater the ability, the greater the responsibility, today the king gave you the sunset bow, I hope you can get such a magical weapon, I can do my best to protect the safety of the Rakshasa.”

Phew!

Tie Bowen took a deep breath, slowly opened the wooden box, and saw that there was a beautiful longbow quietly placed inside, the whole body was shining with golden light, and the body contained infinite power.

It is the sunset bow.

For a time, Tie Bowen lightly stroked the arched back with both hands, feeling indescribable in his heart.

I really didn't expect that at the beginning, because of this bow, the family was destroyed. In the end, after a long circle, this bow was returned to my hands.

Could this be God's will?

“Brother Bowen!”

At this moment, Nalan Wushuang came over and hugged Tie Bowen's arm tightly with a smile on his face: “Congratulations.” The beloved man not only became a general, but also got the sunset. The bow god soldier is happy for him from the bottom of his heart.

Tie Bowen smiled: “Do you like it?”

Nalan Wushuang did not answer immediately, but tilted his head to think for a while, and said with a smile: “No matter what kind of person you become, I like it.” Hearing this, Tie Bowen took a deep breath, and

immediately

Holding the sunset bow tightly, she knelt down towards Mona: “Don't worry, Your Majesty, I will definitely live up to His Majesty's expectations.”

Hearing this, Mona was very relieved and nodded approvingly: “Okay, okay, get up.”

Tie Bowen stood up in response, and then looked at Nalan Wushuang.

The next second, Tie Bowen said, “Your Majesty, I have something to report to you.” In the next few minutes, Tie Bowen explained what happened to the Nalan family, the

situation that Tianmen was targeted by Qin Tianjian, and his own What I saw and heard, all said in detail.

At the end of the story, Tie Bowen said with a solemn expression: "Today's Kyushu Continent is peaceful on the surface, but in fact undercurrents are surging. My subordinates think that our Rakshasa clan can't stand idly by, and ask Your Majesty to make a decision."

What?

Upon learning of these circumstances, both Mona and the leaders present were shocked.

The ultimate husband in Chinese chapter 6059

Especially Mona, her delicate body trembled faintly, and her delicate face couldn't hide her worries.

Tianmen was targeted by Qin Tianjian, and he didn't know what happened to Yue Feng.

Thinking of Yue Feng, Mona felt an indescribable feeling in her heart...

At this time, the leaders present also began to discuss. "The so-called dead lips and teeth are cold, if Kyushu is completely in chaos ,

our Rakshasa clan will not be peaceful."

"Yes, we have to take measures to deal with it as soon as possible ." "Yes, we can't sit still."

For a moment, there was a calculation soon.

"Tie Bowen!" The

next second, Mona looked at Tie Bowen and said slowly: "You said it right now, the situation in Kyushu is turbulent, we can't stand by and watch, tomorrow morning, order you to lead 100,000 cavalry to Kyushu to help Tianmen , help the Nalan family to eliminate foreign enemies!"

Tie Bowen was overjoyed, and he quickly knelt down and said loudly: "I obey!"

At the same time, Nalan Wushuang was also indescribably excited and grateful, and knelt down: "Thank you, Your Majesty!"

Mona He raised his jade hand, motioned for the two to get up, and then explained a few more words.

Half an hour later, Tie Bowen and Nalan Wushuang left the palace hall and went to worship in front of Timur's tomb. "Father!"

When he arrived at the tomb, Tie Bowen collapsed instantly, screamed and knelt down, tears streaming down his face.

Seeing this scene, Nalan Wushuang didn't feel good in his heart. He gently stroked his back and accompanied him quietly.

"father.."

The more he cried, the more sad he became. He kept blaming himself: "It's all my fault. If I hadn't taken Wushuang to the forbidden ranch on a whim, nothing would have happened. It was I who harmed you and the whole family.

" My son is unfilial..."

Seeing her so sad, Nalan Wushuang couldn't help comforting her: "Brother Bowen, don't be like this, my uncle in the spirit of heaven will be very sad when he sees you so sad."

"Also, all things, It's not your fault, it's that IteI who is to blame, he has long been willing to rebel."

Hearing the consolation, Tie Bowen gradually calmed down, and choked at the tombstone: "Father, my son is now a general. Her Majesty appreciates me very much, don't worry, I will revive the glory of the family, and I will not embarrass you."

Tie Bowen knelt in front of the tomb for a long time, until it was dark, and Nalan Wushuang left.

Early the next morning, Tie Bowen put on the armor of a general and led a hundred thousand Rakshasa cavalry, accompanied by Nalan Wushuang, and marched mightily towards Kyushu.

...

the other side.

Yue Feng flew for more than two hours and finally arrived at the Nalan Family Manor.

Swish!

At this moment, the family disciples who were guarding the gate all locked on Yue Feng in mid-air, and their expressions changed drastically.

Yue Feng?

Why is he here?

In the next second, one of the disciples reacted, took a step forward, pointed at Yue Feng and shouted: "Yue Feng, you still dare to come here, your daughter injured our patriarch, how do you explain this?" The

voice fell, The other disciples of the clan also looked at Yue Feng with anger flashing in their eyes.

Previously, Han Bing severely injured Nalan Hongzheng. The disciples took him back to the manor and took good care of him. However, Han Bing's big ice dragon palm was too powerful. Nalan Hongzheng was seriously injured and is still in a coma.

What?

At this time, when he heard the other party's anger, Yue Feng couldn't help frowning secretly.

Frost injured Nalan Hongzheng? When did this happen? I do not know how?

In his heart, Yue Feng was too lazy to talk nonsense, suspended in mid-air, and said coldly: "I don't know about this, let's not mention it for the time being, I will come to Nie Zhan, and let him come out to see me quickly."

When he said this, Yue Feng's face was calm, but his heart was burning with anger.

Old Master Su and dozens of lives in the town are too numerous to list. This account must be settled with Gone.

If it was a few days ago, Yue Feng would never have dared to be so flamboyant, but now that his strength is almost restored, he is not afraid to fight Gone head-on.

Is he looking for Nie Zhan?

Hearing Yue Feng's words, the family disciples below looked at each other in dismay.

This Yue Feng is too arrogant, the patriarch was beaten so hard by your daughter, why don't you mention it if you don't mention it?

In anger, the leading family disciple couldn't help shouting angrily: "Yue Feng, don't do this, you must explain the matter of our patriarch."

"Otherwise, you can't leave today." The

last one The words fell, and the disciple pulled out his long sword.

Swish...

At the same time, other disciples also pulled out their weapons, and the atmosphere instantly became tense.

A bunch of idiots.

Facing this situation, Yue Feng did not panic at all, but frowned and cursed inwardly.

The next second, Yue Feng was too lazy to pay attention to these people. At that time, he raised his dantian and shouted into the manor: "Goni, you are killing innocent people. If you have the courage to do it, you must have the courage to admit it. Get out.

" Throughout the entire manor, everyone's heart trembled when they heard it.

In particular, the family disciples who were guarding the gate were even more shocked when they looked at Yue Feng.

This Yue Feng is worthy of being a peak powerhouse in Kyushu, but just by shouting, he almost disturbed his dantian. With such strength, I am afraid that the entire Kyushu will not be able to find a second one.

But at the same time as the shock, these disciples were even more angry.

Yue Feng shouted so much, and he didn't take the Nalan family seriously.

"Yue Feng!"

In anger, the leading disciple couldn't help shouting: "This is not the gate of heaven, it is not the place where you are savage."

Om!

The voice fell, and the headed disciple's inner strength exploded, clenching the long knife, and rushing directly towards Yue Feng.

The other disciples around erupted one after another.

“Go away!”

At this time, Yue Feng was so annoyed that he couldn't be bothered to talk nonsense when he saw the people rushing up. After shouting angrily, he raised his hand and waved.

In an instant, the surrounding air suddenly distorted.

“Roar!”

Immediately afterwards, a roar of dragons sounded, and nine golden dragons condensed out around Yue Feng. These nine golden dragons, each 100 meters long, were lifelike, and the pervading power was even more suffocating.

Yes, Yue Feng performed the first stunt he practiced back then, Nine Dragons Ascension to Heaven.

hiss!

Seeing the appearance of the nine golden dragons, the disciples of the Nalan family couldn't help gasping for air and trembled in their hearts.

boom!

In the next second, nine golden dragons erupted, and the terrifying power raged in the crowd. The disciples who were affected by the power all let out a miserable howl, and one by one, they were shaken and flew out, and finally fell to the ground and passed out.

Although Yue Feng was angry, he had not lost his mind. When he used Nine Dragons Ascension just now, he only used three points of his strength. Otherwise, these disciples would have already entered the gate of hell.

“What's the situation?”

“Someone came looking for something...”

“It's Yue Feng!”

Hearing the movement, more disciples in the manor rushed out, and when they saw Yue Feng suspended in mid-air, they were all stunned. The fear that could not be concealed in his eyes.

At the same time, a slender figure flew over.

It was Nalan gladly.

Swish!

Arriving at the gate, Nalan was pleased to see the scene in front of her, and she was immediately angry. She clearly saw that dozens of disciples fell to the ground, unconscious. Although they were not life-threatening, they had to rest for at least a month. recover.

The next second, Nalan gladly locked his gaze on Yue Feng in midair: "Yue Feng? What do you mean by coming to my Nalan family to make trouble?" The tone was cold and without any emotion.

Um?

Facing the question, Yue Feng did not answer immediately, but quietly looked at Nalan Xinran, frowning secretly.

It seemed that what Senior Shennong said was right, Nalan Xinran seemed to be really under control.

Yue Feng clearly noticed that Nalan Xinran in front of him seemed to be the same as before, but there was a faint black air between his brows. Not only that, but his eyes were cold and indifferent, which was a sign that his mind was being controlled. Upon discovering this, Yue Feng did not show it immediately, but asked lightly: "Old classmate, I don't mean to make trouble, I just want to talk to your fiancé

, what about others?"

around.

You must know that Gone is cunning and cunning, and his methods are very spicy, and he may be hiding in the dark.

"He's not here!"

Nalan happily said indifferently, "I don't care about you, your daughter hurt my father, and you hurt so many of my family disciples just now, what are you going to explain?"
