

The ultimate husband in Chinese chapter 6061-6070

Uh...

Facing Nalan's happy and cold attitude, Yue Feng scratched his head and was very helpless.

Once a classmate of Shangwu Academy, Yue Feng knew Nalan Xinran's personality very well. Back then, she was a famous iceberg beauty in the class and even in the school. Unexpectedly, after being controlled by Gone at this time, she became even more ruthless and ruthless. .

She understands what she said so clearly, and she still cares so much.

Thinking to himself, Yue Feng smiled bitterly at Nalan and said, "Old classmate, don't be cold as soon as you meet. If these disciples hadn't shot, I wouldn't have fought back."

"Besides, I just knocked them unconscious, It didn't kill them..."

Speaking of which, Yue Feng looked around and made sure that Gone was not there, and didn't want to stay any longer: "Since he's not here, I won't bother you. Please tell him, Dozens of lives, I will definitely seek justice from him." After the

last word fell, Yue Feng turned and left.

To be honest, Yue Feng didn't want to leave just after learning that Nalan Xinran was under control, but Nalan Xinran was only under control and had no life worries for the time being.

The most important thing right now is to return to Donghai City as soon as possible to investigate the situation of Wen Chou Chou.

"Stop!"

However, before walking too far, Nalan's delighted and cold coquettish shout came from behind: "When someone from our Nalan family just wants to leave?"

Om!

When the words fell, Nalan's inner strength exploded with pleasure, and his delicate body rose up, clenching his long sword and stabbing towards Yue Feng's back quickly.

This sword contains Nalan Xinran's ten successful powers. It can be clearly seen that where the sword edge passes, the surrounding air is suddenly torn apart, and the power is amazing.

“Old classmate, what are you doing?”

Yue Feng sighed when he saw Nalan Xinran stabbed with a sword, and immediately exerted his divine power, dodged the sword, and then fought with Nalan Xinran in mid-air.

In order to avoid hurting Nalan Xinran, Yue Feng did not dare to burst out with all his strength, but just blindly defended.

Phew...

At this moment, the clan disciples watching below stared at the two people in the air, each of them couldn't help cheering for Nalan Xinran.

“Miss, take down this evil thief.”

“You mustn't let him run away...”

“What a hero of Jiuzhou, that's all...”

In the eyes of these family disciples, Yue Feng was comforted by Nalan. Jianpu was in a hurry and had no ability to counterattack at all. Fortunately, he was still a hero of Jiuzhou, and he was a person who made a name for himself.

None of them knew that Yue Feng did not want to hurt Nalan Xinran, and wanted to do so.

Under such circumstances, Nalan gladly used his sword to become more and more fierce, and each sword aimed directly at Yue Feng's body. This made Yue Feng speechless.

well!

Soon, Yue Feng reacted and couldn't help laughing at himself in his heart.

What am I doing? Nalan Xinran has been controlled, even if she saw that her classmates had made her in the past, she didn't know it.

Thinking about it, Yue Feng's whole body exploded with power and turned from defense to offense.

In less than two seconds, Yue Feng found an opportunity to dodge Nalan Xinran's sword, flipped his wrist, and slapped Nalan Xin with a palm and then his back.

This palm was fast and urgent, and Nalan Xinran didn't have time to dodge at all. At that time, her pretty face changed, and she could only use her internal force to meet her with a palm.

boom!

In an instant, the palms of the two sides collided, and a dull sound was heard. Nalan Xinran's delicate face flushed red, and her delicate body was also shaken back by the air.

What?

Seeing this scene, the disciples watching below all changed their faces, secretly surprised.

Didn't the eldest lady have the upper hand just now? Why did you lose all of a sudden?

Whoosh!

Just when everyone was surprised, Yue Feng took advantage of the situation to pursue, and without waiting for Nalan Xinran to stabilize her figure, she raised her hand to touch her acupuncture point. At that time, Nalan Xinran trembled and couldn't move.

"You..." Nalan was delighted and angry, and said tenderly: "Let me go."

Yue Feng showed a smile and said slowly: "Old classmate, I don't want to do this either, it's just that you are being controlled, I There is no other way. Well, looking at our former classmate friendship, I will take you to see Senior Shennong for treatment." As the

voice fell, Yue Feng picked up Nalan Xinran by the waist, showed his figure, and flew towards the sky in the distance.

The ultimate husband in Chinese chapter 6062

Swish!

Seeing this situation, many family disciples present were all furious.

This Yue Feng was really daring, and even kidnapped the eldest young lady.

What is even more hateful is that the eldest young lady is about to get married, but now she is being held by Yue Feng, what will it be like?

"Stop!"

"Yue Feng, let go of our eldest lady." In the

roar of anger, the disciples rushed towards Yue Feng like a flood.

Bunch of idiots.

Seeing the people behind him, Yue Feng was speechless and said loudly, "Your eldest lady is in my hands, it will be very safe, you should go back and take good care of Patriarch Nalan." The

last word fell, Yue Feng raised his hand and waved .

hum!

As the air vibrated, a purplish red flame burst out. In less than a breath, a purplish sea of flames formed behind Yue Feng.

Yes, what Yue Feng displayed was the Red Lotus Karmic Fire.

In the blink of an eye, where the sea of fire permeated, everything turned into a fly ash.

Hiss...

Seeing the power of this flame, the disciples who were chasing after them couldn't help gasping for air, and stopped one by one, with deep fear flashing on their faces.

Taking this opportunity, Yue Feng took Nalan to the sky with joy and disappeared from sight.

Yue Feng thought about it. After all, he was a classmate, so he couldn't ignore it, so he took Nalan Xinran to Shennong and asked him to help him heal Nalan Xinran and get out of Gone's control.

After Nalan Xinran's situation is resolved, go to Donghai City.

At this time, in midair.

Nalan was delighted to be tapped on the acupuncture points and could not move at all, but being held in his arms by Yue Feng made her very uncomfortable, her face flushed red, and she kept making a noise.

"Yue Feng, let me down!"

"Bastard, let me down..."

Yue Feng looked helpless: "We are now at an altitude of more than 1,000 meters. If we let you down now, wouldn't we fall to death? ?"

While speaking, Yue Feng couldn't help admiring Nalan Xinran up close.

I have to say that Nalan Xinran is truly stunning in the arena of Diyu Continent. Thinking back to the time when we went to school together is still vivid in my mind.

But after so many years, she has not changed at all, instead she has become more and more feminine.

At the same time, Yue Feng felt a little dizzy when he smelled the fragrance from Nalan Xinran's body again.

At this time, Nalan Xinran, because he was controlled, didn't notice Yue Feng's strange eyes at all, but was simply caught, and he was very angry.

"Let go of me...."

"Did you hear me, let me go."

Seeing her screaming constantly, Yue Feng had a headache, and finally had to knock her unconscious.

call!

The whole world was instantly purified, Yue Feng breathed a sigh of relief, and sped up to the place where Shen Nong lived in seclusion.

.....

On the other side, the small courtyard by the lake where Shennong lived in seclusion.

In the pavilion in the courtyard, Shen Nong sat there, dozens of medicinal materials and several prescriptions were placed on the stone table in front of him.

Su Xueying stood there respectfully.

"Art is broad and profound, there is no end." At this time, Shennong's face was full of kindness, and he slowly said: "You must keep in mind the few things I have taught you today

." "Got it, Master." Su Xueying nodded obediently.

When she and Shennong first came here yesterday, Su Xueying was still sad because of her grandfather's death, but under Shennong's teaching, she was immersed in the vast medical world.

It was only now that Su Xueying knew that the medicine that her family had inherited, in the thousands of years of medical inheritance, was just a drop in the ocean. She was taught by Shennong, which seemed to open a whole new door...

um!

Seeing his apprentice being so well-behaved, Shennong nodded his head in relief: "Okay, take the prescription, take a look at it, and take a break for the teacher." After speaking, he lay down on the chair and slowly closed his eyes.

Su Xueying responded, sat at the stone table, picked up the prescription and studied it carefully.

"Haha...Old Shennong..."

But at this moment, there was a burst of laughter outside the yard, and then, a figure climbed over the wall and entered.

Dressed in black, his face is full of stubble, and his facial features are Zhou Zheng. At first glance, he looks like a calm middle-aged uncle, but there is a frivolous frivolity in his eyes.

It was Zhu Bajie.

The ultimate husband in Chinese chapter 6063

"Hey!"

Su Xueying was startled when she saw someone breaking in, and then she stepped up with courage: "You... Who are you? How can you break in casually?"

This person is really rude , Didn't you see that the door was closed, but jumped over the wall and came in.

Moreover, this is the place where Shennong lived in seclusion.

well!

Just when Su Xueying questioned, Shennong opened his eyes and saw that it was Zhu Bajie, and immediately sighed, shaking his head with a headache.

Why is this guy here again...

“Yo he?”

At this moment, Zhu Bajie stared at Su Xueying, as if he had discovered a new world, and said with a smile, “What a beautiful beauty, beauty, what is your name? How old are you this year? Are you married?”

As he spoke, Zhu Bajie couldn't help looking at Su Xueying up and down, the more he looked at it, the more it tickled.

The beautiful woman in front of her has delicate facial features, and her figure is not to be mentioned. She has beautiful curves and sexy, especially this kind of Xiaojiabiyu's temperament. Any man will lose his mind when he sees it.

Zhu Bajie was lecherous, and when he saw Su Xueying at this time, he immediately revealed his true nature.

“Shameless...”

Seeing that the more he talked, the more indifferent, Su Xueying's face flushed, she couldn't help spit, and she said with a bit of anger: “You are so bold, you are frivolous and rude, do you know where this place is? ?”

Zhu Bajie didn't panic at all, and said with a smile: “Of course I know.”

This chapter is provided by . Visit for daily update.

Then, Zhu Bajie tilted his head and jokingly said to Shennong: “I can't see it, old Shennong. With a dignified appearance, she has also acted as a 'golden house hiding arrogance' behind the scenes, by the way, where did you get this beauty from?”

Zhu Bajie and Shennong have known each other for a long time, and they have always been open-mouthed.

“Don't talk nonsense!”

Shennong said with a gloomy expression, “What is Jinwu Zangjiao, this is my new apprentice, Su Xueying.”

Female apprentice.

Hearing this, Zhu Bajie was stunned, and then jokingly said with a smile: “You old man has a good eye, you can find an apprentice, and you can find someone so beautiful.”

Then, Zhu Bajie looked at Su Xueying again: “Su Xueying , Oh, this name is not bad, it's very poetic.”

“You...”

At this moment, Su Xueying realized that the person in front of her was Master’s friend, but seeing his hilarious smile, she couldn’t tell the resistance in her heart.

“Don’t be afraid, apprentice!”

At this time, Shennong walked over slowly and said with a smile, “This is Zhu Bajie, who likes to joke with people the most. If you don’t like it, just ignore it.”

What? Zhu Bajie?

Hearing this, Su Xueying’s delicate body trembled, and she was stunned.

The man in front of him with a serious speech and a frivolous face was the famous Zhu Bajie who disturbed the Beiyong Imperial City back then?

Although Su Xueying seldom left her hometown, she also heard of some incidents on the rivers and lakes. Back then, the sudden death of Emperor Hou Yi was rumored to be caused by the rendezvous between Empress Chang’e and Zhu Bajie.

Although the rumor was later refuted, Zhu Bajie’s name spread all over the country.

It’s just.... the person in front of him speaks so frivolously, and the impression of Zhu Bajie is 108,000 miles away. Also, according to rumors, Zhu Bajie is an extremely handsome guy, how does he look like an uncle?

“He...”

Muttering in her heart, Su Xueying couldn’t help but ask Shennong: “Master, you are right, he is Zhu Bajie?”

Shennong smiled and was about to answer, but was rejected by Zhu Bajie interrupted.

“Hehe...”

At this time, Zhu Bajie touched the stubble on his chin and smiled at Su Xueying: “There is no need to doubt the beauty, I am Zhu Bajie of real value, hehe, think of my handsome appearance back then. , is popular with thousands of beauties, I was really distressed, so I asked the old man Shennong to change my face.” As

he spoke, Zhu Bajie looked smug.

Seeing his appearance, Su Xueying was a little amused, and she couldn’t help but curl her lips and said, “You have a thick skin and boast about yourself.”

Hearing this, Zhu Bajie was not angry at all, but leaned over and said with a smile, “Beauty, follow old Shennong. What’s so good about studying medicine? It’s so boring to study medicines here all day long, why don’t you walk around the world with me.”

“As long as you want, I’ll pass on you the most powerful secret in the world, and make sure that no one dares to bully you if you learn it. .”

The ultimate husband in Chinese chapter 6064

l...”

Facing Zhu Bajie’s extraordinary enthusiasm, Su Xueying hurriedly took a step back, shook her head and said, “I won’t learn from you.”

Bajie waved his hand and said, “Go, go... This is the apprentice I have thoughtfully accepted, don’t make crooked ideas.”

Hehe...

Seeing Shennong’s words, Zhu Bajie scratched his head and temporarily became honest: “Are you kidding me, why do you have to be so serious?”

Shennong was too lazy to talk nonsense, and said lightly, “What are you doing with me again?”

Zhu Bajie stroked his beard and said with a smile, “I’m tired of using this face, I’m very tired of it. It’s boring, I think, let you change my previous appearance back.”

When saying this, Zhu Bajie looked relaxed.

What?

Hearing this, Shennong was so angry that his beard blew up: “What kind of place do you think I am? You can change a face if you want, do you know how much talent and energy it takes to change your appearance? ?”

After speaking, Shennong waved his hand angrily: “I’ve been very busy recently, and I don’t have time, so hurry up and leave.”

This Zhu Bajie treats this place as his own, so he can come and do whatever he wants.
.

This...

Su Xueying was secretly amazed by what she was listening to.

It seems that he is really Zhu Bajie, but there is something wrong with his brain. He used to be so handsome, he had to become a middle-aged uncle, but now, he wants to change back again...

“Hehe...”

Seeing Shennong’s angry face, Zhu Bajie had a smile on his face: “Why are you still angry? I didn’t tell you to help me now, you don’t have time, I can wait.” As

he spoke, Zhu Bajie said Big Thorn sat on the stone bench next to him, looking at Su Xueying, obviously, this is going to stay here for a long time. Moreover, the purpose is not only to change his appearance, but also to have more contact with Su Xueying.

What kind of character is Shen Nong? I saw Zhu Bajie’s intention in an instant, and said angrily at the time: “Don’t mess around. Recently, I want to teach my disciples, so I can’t be disturbed.” “

You hurry up and don’t disturb us.”

Fate, but you must take good care of your apprentice, and you can’t be fooled by him.

Zhu Bajie looked like a dead pig not afraid of boiling water, and said slowly: “Why are you always driving me away? You teach your apprentice, I just don’t bother.”

“Besides, your apprentice is so beautiful, in case there are bad people. What if I come to make trouble? I’m here, so I can protect you.”

Seeing his appearance, Shennong was both angry and funny: “Fuck off, there are really bad people too.”

“Old Shennong, you are slandering.. “

Don’t be long-winded, hurry up and leave!”

“Hey, I won’t leave.”

Seeing the way the two were arguing, Su Xueying couldn’t help laughing, but she still couldn’t help laughing.

“Senior Shennong!”

Just as the two were arguing, a shout came from outside the courtyard again.

Swish!

At this moment, Shen Nong and Su Xueying all looked up and saw Yue Feng hugging a slender figure, descending from the sky.

The woman in her arms looked beautiful and beautiful, but she closed her eyes and was in a coma.

It was Nalan gladly.

“Brother Zhu?”

At the moment of landing, Yue Feng saw Zhu Bajie sitting in the pavilion, and was surprised and delighted: “Haha, you are here too.”

Zhu Bajie sighed: “Hey, don’t mention it. , this old man is about to drive me away.”

After speaking, Zhu Bajie explained the situation again, and finally said: “Brother Yue Feng, you come to judge, based on my friendship with the old man Shennong, he drove me away like this. , isn’t it inappropriate?”

Uh...

Yue Feng scratched his head and smiled bitterly: “I won’t participate in your business.”

Yue Feng knows Zhu Bajie too well. , not to change her appearance at all, but to get close to Su Xueying.

Seeing that Yue Feng was not facing him, Zhu Bajie sighed very boringly, and then saw Nalan Xinran, his eyes lit up: “I’m going, where did my brother catch the beautiful girl?

” It ‘s not inferior to Chang’e back then.”

While admiring, Zhu Bajie surrounded Nalan and admired it.

The ultimate husband in Chinese chapter 6065

Uh...

Seeing Zhu Bajie like this, Yue Feng couldn’t laugh or cry, and explained: “Brother Zhu, don’t get me wrong, this is my old classmate, because I was controlled by others, so I used this method to kill her. Caught it back.”

Zhu Bajie was stunned: “It’s just an old classmate, not your woman.”

When he said this, Zhu Bajie looked complicated.

When I was with Yue Feng in the past, there were ten beauties that I met, and they were all related to him, which made Zhu Bajie have a shadow in his heart.

Yue Feng smiled: "Of course not, but they are getting married soon."

Alas!

Hearing this, Zhu Bajie couldn't help but let out a long sigh: "Unfortunately..."

At this moment, Shennong walked over quickly, checked the situation of Nalan Xinran, and asked, "Yue Feng, you Going to the Nalan family?"

Hmm!

Yue Feng nodded and told the situation: "It's a pity that Gone is not in the Nalan family. At that time, I was about to leave and go back to Donghai City, but she stopped me, so I had to bring her out."

Said, Yue Fengshen The color became solemn: "If my guess is correct, Gone is using the demon's soul control technique to control him. Although I have the power of the primordial spirit, I don't know how to crack it. I would like to ask the seniors to pay more attention. "

Hu...

Shen Nong took a deep breath, nodded silently, and said with emotion: "Speaking of which, this girl is controlled, and I am also responsible. If I hadn't asked her to secretly use medicine for the Nalan Patriarch, the matter would not have happened." It will be revealed."

After speaking, Shennong pondered for a while, and continued: "I know a little about the soul control technique of the demon race, I can try it." The last word fell, and Yue Feng took Nalan into the room with joy.

This chapter is provided by . Visit for daily update.

"Old Shennong!"

At this time, Zhu Bajie looked urgent: "Do you need my help?"

Shennong glanced at him and said lightly, "Stay outside the door, don't let anyone disturb me."

Alright!

Zhu Bajie responded and turned to sit in the pavilion. Shennong said this, indicating that he would not be driven away for the time being.

Just sitting down, Zhu Bajie said to Su Xueying, "Beauty, I have an interesting trick, do you want to learn it?"

"I don't want to learn it, I'm not interested." Su Xueying replied lightly, and turned to enter the room to help.

Uh...

hit a soft nail, Zhu Bajie was a little embarrassed, touched his nose and said to Yue Feng: "Now the beauties, are they all so cold?"

Haha....

Seeing him like this, Yue Fengren Can't stop laughing.

Years have passed, but Zhu Bajie's lustful nature has not changed.

Thinking to himself, Yue Feng took out the chess pieces under the stone table: "Brother Zhu, we haven't played chess for a long time, let's play chess." With Zhu Bajie's personality, he would definitely not be able to go to the room to disturb him, so he must give it to him. Just find something to do.

"Come on..."

As soon as he heard the game of chess, Zhu Bajie's eyes lit up instantly, he rolled up his sleeves, and started to play against Yue Feng. Zhu Bajie has two hobbies, one is beautiful women, and the other is to play chess.

....

the other side! Nalan family.

The sea of fire formed by Yue Feng's red lotus karmic fire lasted for more than half an hour before it completely disappeared.

For a time, the faces of the family disciples present were extremely ugly.

It was a shame for the family that the eldest lady was taken away by Yue Feng.

Om....

At this moment, a powerful aura came from the sky in the distance, and then, a figure came quickly, with a cold expression, and the whole body was filled with a powerful aura.

It was Gogne.

After killing Mr. Su and others in the town before, Gognie searched carefully within a radius of 100 miles, but could not find the whereabouts of Shennong. In desperation, he had to temporarily return to the Nalan family.

Um?

When he got to the front, Gogne frowned suddenly, and saw that the open space in front of the family gate was scorched black by the fire. Hundreds of family disciples stood there, each with a look of resentment.

“What happened?” Gogne couldn’t help asking.

A disciple came out and couldn’t hide his anger: “The eldest miss was taken away by Yue Feng.” Then, he explained the situation at that time in detail.

What?

Hearing this, Gogne’s face sank and he was furious.

Good you Yue Feng, I didn’t go looking for you, but you took the initiative to come to the door and took away my beloved woman.

The ultimate husband in Chinese chapter 6066

In anger, Gogne commanded the crowd: “Be optimistic about the manor, and if outsiders make trouble, kill them.”

Whoosh!

The voice fell, and Gogne’s figure erupted, turning into a streamer and heading into the distance.

Seeing this scene, the family disciples present were secretly surprised.

“So fast...”

“When did Senior Brother Nie Zhan’s strength become so powerful... Also, Yue Feng seemed to be calling ‘Goni’ before...”

“Yeah, I too I feel that Senior Brother Nie Zhan is a little weird during this time...” During the

discussion, everyone’s expressions were extremely puzzled.

.....

On the other side, Xi Cang Continent.

Located in the northwest of Xicang Continent, is a desolate Gobi Desert. This Gobi Desert stretches for nearly a thousand miles, and after the past is the Rakshasa tribe.

In the Gobi Desert, there are many oases, but because of the harsh environment, few people live there, but it has become a paradise for sand thieves.

Among them is an oasis in Moon Bay, with a complex geographical environment, surrounded by a clear lake surrounded by peaks and cliffs.

On the most dangerous peak, there is a stone fortress. The fortress is completely built of boulders. There is only a small intestine path from bottom to top, which is easy to defend and difficult to attack. This place is called Flying Eagle Fort, which is the most powerful gathering place for sand thieves in this Gobi Desert.

At this time, in the main hall of Flying Eagle Castle, the leader Yan Fei sat lazily on the throne, tasting the wine he had just grabbed a few days ago. Beside him, two maids waited cautiously.

This chapter is provided by . Visit for daily update.

Speaking of which, Yan Fei is not a local, but a direct disciple of Situ Wangqing, the owner of Wangyou Valley.

Many years ago, Su Qingyan was caught by the weather royal family. At that time, Yue Chen coveted her beauty and planned to do something wrong, but was discovered by his wife Chen Yun at a critical moment. In desperation, Yue Chen had to give Su Qingyan to Wangyou. Valley disciple.

After Su Qingyan was brought into Wangyou Valley, the owner of the valley, Situ Wangqing, forcibly poured Wangyou water down, which eventually led to amnesia.

Later, after Yue Feng helped Su Qingyan recover her memory, she was very annoyed when she learned what happened to her. At that time, she issued an order at Tianmen to suppress Wangyougu with all her strength.

It was the heyday of Tianmen at that time, and Wangyougu was naturally not an opponent. Under the suppression for several years, the disciples in the valley fled and scattered, and the owner of the valley, Situ Wangqing, also fled and died on the way.

After Situ Wangqing died, Yan Fei went all the way west, and finally came to Flying Eagle Fort and joined the Sand Pirates.

In just a few short years, Yan Fei gained the trust of the previous leader with his powerful strength. From a sand thief at the bottom, he rose step by step. After the death of the previous leader, he was logically called the new leader.

“Brother Fei!”

Just as Yan Fei was enjoying it leisurely, a sand thief ran in happily and shouted, “Brother Fei, a happy event, a big happy event, haha...”

Phew!

Seeing him yelling, Yan Fei frowned, put down the glass, and said angrily: “How many times have I told you, don’t yell when you are in trouble, what’s it like? Also, call me later. My boss, don’t call me Brother Fei.”

When he said this, Yan Fei had a headache.

Being in the company of these sand thieves really lowered my level.

Uh...

Seeing that Yan Fei was a little unhappy, the sand thief scratched his head and said with a smirk: “I forgot in a hurry just now, don’t blame the big leader.”

Yan Fei was too lazy to talk nonsense, and waved his hand: “Tell me, what’s the matter?”

The sand thief suddenly became excited, and said with a beaming expression: “Boss, we were patrolling outside just now and found a woman, oh, she looks good. Just like a fairy.”

Saying that, the sand thief flattered: “We have brought her, just outside the hall, hehe, it’s just right for this woman to be the wife of the great leader.”

Since Yan Fei became the leader Later, because he missed his previous life in Wangyou Valley, he had been widowed, and the sand thieves below wanted to find him a wife. With a home, his heart would settle down.

However, Yan Fei’s enthusiasm for them was helpless.

“Really?”

At this time, when Yan Fei heard his subordinates' words, Yan Fei couldn't help laughing and crying: “You guys, can you think about something serious every day? How many times have you said it, you don't have to worry about Laozi's business? .”

“Brother Fei, oh no, big boss.” The sand thief scratched his head: “The woman is really beautiful, and she seems to come from an extraordinary background, have you really never seen her?”

The ultimate husband in Chinese chapter 6067

“Okay!”

Yan Fei thought for a while, nodded and said, “Bring her in.”

Anyway, it's okay today, just see if this woman is as beautiful as they say.

okay!

With permission, the sand thief responded, walked out quickly, and walked in with a slender figure in a short while.

I saw that this woman was wearing a long white dress, with finely crafted facial features, a graceful figure and charming curves.

This woman is Hai Ling'er.

Back in the Wudang faction, Hai Linger, Yue Wuya, and Yue Feng faced the heavy siege of Qin Tianjian. At the critical moment, Hai Linger took out the magic talisman and escaped. Because of the uncertainty of the divine rune, Hai Ling'er was teleported to this Gobi Desert.

Hai Linger grew up in the sea since she was a child. She had never experienced such a harsh environment. At that time, she walked in the desert for a day and a night without going out. In the end, she was tired and thirsty, and passed out next door.

Half an hour ago, the sand thieves of Flying Eagle Castle were out on patrol and accidentally found Hai Linger and brought her back.

Swish!

At this moment, seeing Hai Linger's alluring face, Yan Fei's expression was startled, and his eyes were straight.

Beautiful, so beautiful.

This kid really didn't lie to me, is this a fairy descending to earth?

To be honest, the two maids next to her were also carefully selected for half a year, but in front of this girl, they were completely overshadowed.

This chapter is provided by . Visit for daily update.

“You...”

Just when Yan Fei was fascinated, Hai Linger's red lips lightly opened, and she said weakly, “Who are you? Why did you arrest me?” Hai Linger was very anxious when she spoke.

There are desert Gobi everywhere here, and I don't know where it is.

There are also Brother Wu Ya and Uncle Yue Feng, who do not know where they have been sent.

“Haha!”

Hearing the question, Yan Fei recovered, smiled and said: “Don't panic, beauty, this is Feiyang Castle, I am the leader here, don't worry, we have no injustice or enmity, and I will not hurt you. Yours.”

Having said that, Yan Fei said tentatively, “Dare to ask the beauty's name.”

Huh!

Hai Ling'er let out a sigh of relief and said slowly, “My name is Hai Ling'er.”

Hai Ling'er?

Hearing this name, Yan Fei recited it several times in his heart, and then his heart was shocked, and he quickly asked: “Could it be, which princess of the sea shark clan are you? The confidante of Yue Wuya, the current Tianmen sect master?” In

recent years, Yue Wuya's reputation in the arena is getting louder and louder, and the love between him and Hai Linger is unknown in the arena. Yan Fei is naturally aware of these situations.

Swish!

Seeing that he asked so straightforwardly, Hai Ling'er's delicate face suddenly blushed, but she still nodded: “Yes.”

Then, Hai Ling'er looked at Yan Fei seriously: "Since you know that I am Whoever, please let your subordinates untie me and let me go." The group of people in front of them are the small forces in the desert Gobi, and they don't dare to compete with Tianmen.

"Haha..."

However, upon hearing Hai Linger's words, Yan Fei didn't mean to loosen his ties at all, but instead burst into laughter.

Hai Linger frowned: "What are you laughing at?"

"Hehe!"

Yan Fei picked up a glass of wine, took a leisurely sip, and said with a wicked smile: "If you were a woman from an ordinary family, maybe I would be kind and let you go, but unfortunately, you are Yue Wuya's woman, so I will never let you go. I can't let you go."

"You..."

Seeing him say that, Hai Ling'er was furious and thought secretly at the same time.

There is resentment in Yan Fei's words, and he obviously has a grudge with Tianmen, but when he was with Wu Ya before, I never heard him talk about this person.

"You don't need to guess."

At this time, Yan Fei saw Hai Linger's eyes twinkling, and couldn't help laughing: "I have no hatred with Yue Wuya, but the hatred with his father, Yue Feng, is inexorable.

"I'm not afraid to tell you that I used to be a disciple of Wangyougu. Back then, Yue Feng was angry with Wangyougu because of Su Qingyan's incident, which caused me to be a disciple of Wangyougu. After being chased and killed, I died on the way to escape."

"Although I escaped, but for so many years, staying in such a ghost place is no different from dying." At the

end, Yan Fei looked at the sea with burning eyes. Linger, the corner of her mouth evoked a hint of evil: "It seems that God has eyes, and sent Yue Feng's future daughter-in-law to me. Tell me, what should I do with you?"

What?

Hearing these words, Hai Ling'er's delicate body trembled, and her heart instantly panicked.

She had already heard about Su Qingyan's memory loss back then and heard Yue Wuya say it.

After Su Qingyan lost her memory, she was coaxed by Duan Yu to deal with Yue Feng, causing Yue Feng to be surrounded several times. Because of this, Yue Feng decided to destroy Wangyougu.

It's just that Hai Ling'er never thought that she would encounter a slippery fish in Wangyougu today.

In a panic, Hai Ling'er said coldly, "What do you want?"

Hehe!

Yan Fei Xie laughed and didn't answer directly, but looked at the men at the door and said loudly: "Brothers, what do you think she asked me about?"

Wow!

Hearing the question, the men at the door, one by one, screamed as if they had been beaten with blood.

"What else is there to say? Of course, it is to be the wife of our brother Fei."

"What brother Fei, is the big leader." " Yes

, yes, to be the wife of our big leader.

, Hai Linger was ashamed and angry, glared at Yan Fei and said, "I warn you, don't mess around."

With an evil smile on his face, Yan Fei stepped off the throne and slowly came to Hai Ling'er.

Admiring Hai Linger up close, Yan Fei became more and more fascinated. At this time, he stretched out a finger and lifted Hai Linger's chin, tsk tsk admiringly: "It is rumored that Yue Wuya's confidante is a beautiful and beautiful country, and a beautiful country. Looking at it today, it's even more beautiful than a fairy."

“God intends to put you in front of me. If I don’t laugh at it, wouldn’t it be a waste?”

Yan Fei’s actions made Hai Ling’er unable to express the disgust, so he turned his head to avoid it, and said coldly: “Please let go Be respectful, I won’t be your woman.”

At this time, Hai Ling’er was ashamed and angry.

“Hey...”

Facing Hai Linger’s attitude, Yan Fei was not angry at all, but laughed: “Whether you want it or not, it’s not up to you.” After

speaking, Yan Fei ordered his subordinates: “First She will stay here, take good care of her, and everyone should prepare, after three days, I will have a big wedding with this beauty.”

Wow!

The voice fell, and the sand thieves present cheered. Immediately, a few people forcibly took Hai Linger down, and the others began to deploy the wedding hall.

“Shameless, bastard, robber...”

When Hai Ling’er was taken down, she was so ashamed and angry, she kept shouting, in addition to anger, she was also a little flustered.

Brother Wuya, Linger was caught by the bad guys, where are you?

.....

On the other side, in an oasis southwest of Eagle Fort.

This oasis is not big, but because it is the only way to go together with the Rakshasa, it has formed a small town here.

The town is very small, with only one inn and two taverns. It is convenient for passing pedestrians to rest here.

At this time, on the road to the north of the town, a man dragged his tired body and walked slowly.

It was Yue Wuya.

Like Hai Linger, Yue Wuya was also teleported to this desert, but the place where he landed was more than ten kilometers away, and the environment was harsh and complicated, so neither of them could find each other.

At this time, Yue Wuya had been walking in the desert for a day and a night, and his body was seriously dehydrated and very tired.

call!

When he arrived at the town, Yue Wuya took a deep breath.

Finally got to where there are people.

While muttering in his heart, Yue Wuya walked into the tavern and called the guy to ask for a bowl of water.

Gudugudu...

Soon, the man brought water, Yue Wuya took it and poured it down, feeling refreshed, and then asked, "Man, have you ever seen a beautiful woman, and another Middle-aged?"

In Yue Wuya's heart, he was transported to this place, and Hai Linger and Yue Feng should also be nearby.

The shop clerk shook his head: "In a place where birds don't shit, it's hard to meet a passerby in the year of the monkey, the horse and the month. I haven't seen any of the two you mentioned."

"In the past three days, you are the first customer. "

Uh....

Hearing this, Yue Wuya was very helpless, he was about to take the money, but he felt embarrassed when he touched his pocket.

After Yue Wuya became the sect master of Tianmen, everyone in his life took care of him, so he rarely brought money when he went out.

"I'm sorry..."

In embarrassment, Yue Wuya looked at his buddy with a bitter look: "I don't have..."

Da Da Da...

Before I finished speaking, I heard something coming from outside . A hoof sound.

At this moment, the shop clerk's expression changed, and he said to Yue Wuya: "Hide quickly, the sand thieves are here, they are robbing passers-by like you."

While talking, the shop clerk motioned for Yue Wuya to hide in behind the door.

Sand pirates?

At this moment, Yue Wuya frowned. He didn't expect that such a bad place would not be peaceful.

Afterwards, Yue Wuya hid behind the door according to his friend's instructions.

It wasn't that Yue Wuya was cowardly, but that he was exhausted after walking for a day, and he was eager to find Yue Feng and Hai Ling'er, so he didn't want to make trouble.

Whoa...

just hid, a few sand thieves broke in, and one shouted loudly.

"Boss? Is the boss here?"

"Come out quickly..."

Seeing this situation, the shop assistant greeted him with a smile: "Several uncles, what are you telling me, our boss is resting in

the back." The thief was very arrogant and pushed the man away: "Go away, what do I have to say to you, can you be in charge?"

Just as he was talking, the shop owner came out from behind, hating these sand thieves so much. , but still with a smiling face: "What wind is blowing several masters?"

"Stop talking nonsense!"

The leader of the sand thief looked impatient: "Before tomorrow, prepare fifty jars of wine for us." The

shop owner was taken aback: "Fifty jars of wine? Several masters, we are only a small business, and the existing wine is not like this. Too much."

"Go to Nimad!" As soon as he finished speaking

, the leading sand thief scolded: "Mother-in-law, let me tell you, the day after tomorrow is the day of our big leader's wedding, and these wines are used at the wedding banquet. , I don't care what method you use, fifty jars of wine must be prepared, if the wedding banquet is delayed, I will smash your tavern and hang you in the desert to dry." After the

last sentence, the sand thieves turned and left. .

well!

Watching the sand thieves leave, the boss sat on the ground and wanted to cry without tears: "These goddamn sand thieves are trying to force me to death."

"Too bullying." So did the shop assistant. Indignant: "These bastards, is there really no one to control them?"

At this time, Yue Wuya walked out from behind the door and couldn't help asking: "Where did these people come from?"

Huh!

The boss took a deep breath and said with a bitter face: "They are the sand thieves of the Eagle Fort, killing people and committing crimes. I give them money every month in order to get peace, but I didn't expect that they would intensify their efforts, and the leader wanted me to get married. Prepare fifty jars of wine...so many wines, where can I get it." After speaking

, the boss patted his thigh: "Forget it, it's better to leave than to sit still, but it's a pity that I have run a tavern for many years. "

After the last sentence, the boss greeted the shop assistant, packed up and left.

Seeing this, Yue Wuya wanted to comfort him, but he didn't know where to start, so he said goodbye to the boss and walked out of the tavern.

Leaving the town, Yue Wuya walked along the road towards the Rakshasa clan.

Yue Wuya thought about it, his father had a close relationship with the Rakshasa clan, and if he was also sent here, he would definitely rush to the Rakshasa clan as soon as possible, and go to the Rakshasa clan himself to find him, that's right.

After finding his father, he was trying to find a way to find Hai Linger.

Da Da Da...

After walking for a while, he heard the sound of horses' hooves behind him. Yue Wuya instantly became alert, thinking it was the gang of sand thieves. When he looked back, he was relieved.

I saw a caravan approaching slowly.

The leader was an old man with a little girl.

"Little friend!"

When he got to the front, the old man asked Yue Wuya, "Why are you traveling alone?"

Yue Wuya thought about it and replied, "I'm going to the Rakshasa tribe to join my relatives." If you are not familiar with it, it is better not to reveal your identity.

I see.

Hearing the answer, the old man nodded and invited him politely, "We are going to the Rakshasa clan to deliver goods. There are hundreds of miles of desert ahead. The little friend doesn't dislike it. Let's walk all the way, or have someone to take care of. You call me Ma Lao. Daddy is fine."

"Okay!"

Seeing the sincerity of the other party's face, Yue Wuya nodded: "Thank you, Father Ma."

At this time, the little girl next to Father Ma looked at Yue Wuya curiously: "My name is Xiao. Qing, what's the big brother's name?"

Yue Wuya thought about it and replied with a smile, "My name is Yue Shan!"

"Brother Yue Shan!" Xiaoqing called out sweetly.

Yue Wuya nodded with a smile, and then went on with Father Ma and the others.

Along the way, Father Ma and others accompanied him, and it was not lonely. Before he knew it was dark, Father Ma and others found a weathered cave and decided to rest for one night, and continue on their way at dawn.

Yue Wuya sat at the entrance of the cave, closed his eyes and rested, silently recuperating.

Hula...

As it approached midnight, there was a chaotic footstep in the desert not far away, and then, a fire lit up.

Yue Wuya opened his eyes alertly, and was stunned when he saw the scene in front of him.

I saw that there were nearly a hundred torches lit up not far away. The people holding the torches wore soft fur and armor unique to the desert, with a machete in the other hand, and the sand thieves who broke into the tavern during the day. Dress the same.

Yes, these people are the sand thieves of Eagle Castle.

During the day, the spies from Eagle Castle discovered Father Ma's caravan, but it was too hot during the day, so the sand thieves decided to do it at night.

"Sand thieves..."

"Damn..."

At this time, Father Ma and everyone woke up, seeing the sand thieves outside the cave, they were all in a mess and panicked.

Xiaoqing was so frightened that he threw himself into Father Ma's arms and burst into tears: "Grandpa, there are bad people, there are so many bad people .

" To the sand thieves, he said, "My fellow

Ma Laowu, I was not able to visit the hilltops of the uncles when I passed by here. I hope you will forgive me.

"

"I can see that you are quite acquainted. Our leader will get married soon, so we won't take your lives. Hurry up and come with us with the goods.

" Use these people, wait for the big marriage, and then kill.

What?

Hearing this, Father Ma's heart trembled.

He often takes this trade route, knowing that these sand thieves usually only sell goods and rarely kill them, but today, they have to rob people and goods together...

Yue Wuya didn't say anything, just stood silently at the entrance of the cave. Watching quietly.

At this moment, Father Ma reacted, and bowed his hands to the sand thieves in front of him, begging: "Masters, please raise your hands, you can take the goods, and hope you can give us a way to live."

"Go to Nepal . Mad!"

As soon as he finished speaking, one of the leading sand thieves pointed at Father Ma's nose and cursed: "Old people don't know how to lift up, let you follow me because I look down on you, I'm just ranting, I'll cut it now. I'll take care of you."

Saying that, the sand thief turned his head to see Xiaoqing, and a wicked smile evoked the corner of his mouth: "The little girl is very beautiful, just in time to serve our chief's wife."

"Our chief's wife is as beautiful as a fairy. , but the princess of the sea shark clan, it is your blessing to be able to serve her..."

Faced with this situation, Father Ma, Xiaoqing and the others were all very frightened, and they were all silent.

Swish!

However, at this moment, Yue Wuya's eyes flashed, and he locked on the sand thief: "What did you say just now? Who is your chief wife?"

Isn't it Ling'er, the princess of the sea shark clan?

Could it be... she was caught by these sand thieves?

Um?

At this moment, the eyes of the sand thieves present converged on Yue Wuya.

In the next second, the leading sand thief looked at Yue Wuya up and down: "Where did you come from, boy? Do you want to talk here?"

Yue Wuya's face remained unchanged, and he said coldly: "I ask you, Who is the chief's wife?"

"Go to Nimad, court death!"

The sand thief in the lead was instantly angry, shouted loudly, raised the long knife in his hand, and directly thought of Yue Wuya to cut it over. In his opinion, this The boy is a stunned young man.

Swish!

Seeing the leading sand thief rushing over, Yue Wuya's pupils shrank. At that time, the figure dodged the opponent's long knife, and then punched the opponent's back. He heard a dull sound, and the leading sand thief had not had time to scream. , was smashed more than ten meters away, and when he landed, he was out of breath.
