

## The ultimate husband in Chinese chapter 6091-6100

Pegging ...

Yan Fei staggered, startled and angry, and looked back at Kou Tianhu: "You...you are so bold..." Until then, Yan Fei didn't realize what a hole in the ground was. There is Yue Wuya, which does not exist at all. This is completely Kou Tianhu's trick to lure the enemy.

Moreover, Yan Fei clearly saw that all the people present were Kou Tianhu's cronies.

At the same time of being frightened, Yan Fei wanted to use his internal power to kill Kou Tianhu, but his heart was just pierced by Kou Tianhu, and his dantian internal power was completely disordered, and he was completely powerless.

"Yan Fei!"

Feeling Yan Fei's anger, Kou Tianhu didn't panic at all, but he couldn't tell how proud and excited he was.

"Ma De, I have followed you for the past few years. I have been loyal and devoted to death, but what did I get in the end?"

"Before, I tried my best to deal with Yue Wuya, but what about you? For a woman, you actually humiliated me like that, Ni. Ma's..." As the

last word fell, Kou Tianhu clenched his long sword and slashed towards Yan Fei again.

Thorn...

Under the heavy reward of Yan Fei, he couldn't dodge at all, and a long bloody mouth was cut out in front of him again, and the blood was sprayed, spreading a scarlet on the ground.

"Rebel!"

After being injured one after another, Yan Fei was extremely weak, his eyes were blood red, he roared, his whole body burst out, and he slapped Kou Tianhu with a palm.

boom!

It was just that Yan Fei was injured, and the power of this palm was limited. It only knocked Kou Tianhu back a few steps, and caused no substantial damage at all.

But in Kou Tianhu's view, this is indeed a great humiliation. After stabilizing his figure, he shouted: "Ma De, if you dare to fight back, I will call you dead today without a place to be buried."

After speaking, Kou Tianhu directed at Hu San and the others next to him. The National People's Congress shouted: "Chop him!"

Whoa!

When the words fell, Hu San and Ding Peng, who were staring at them, drew out their long knives and swarmed up. Yan Fei was naturally not an opponent. In the blink of an eye, he was hit with dozens of knives and fell in a pool of blood.

Haha...

Seeing this scene, Kou Tianhu couldn't help laughing up to the sky, Yan Fei was dead, and the power of Feiyang Castle would naturally fall into his hands.

At the same time, Hu San, Ding Peng and others were also very excited and congratulated Kou Tianhu one after another.

"The big thing has been accomplished, congratulations to Brother Hu."

"Haha, happy, congratulations to Brother Hu to become a big leader, and we will have the final say in the future."

"Yeah..."

Hearing everyone's congratulations, Kou Tianhu He showed a smile, then thought of something, and said solemnly: "Don't be too happy, Yan Fei is dead, and his cronies are still there."

Hu San, Ding Peng and the others looked at each other, and immediately expressed their opinions.

"It's simple, kill them all!"

"Yes, there will be no future troubles."

In the next few minutes, Kou Tianhu and everyone discussed the details, and quickly rushed back to Flying Eagle Castle.

Soon, at the main hall of Flying Eagle Castle, at the signal of Kou Tianhu, Ding Peng rang the big bell at the door.

clang clang...

The bell rang, and the leaders, big and small, quickly rushed to the main hall to gather. I saw that Kou Tianhu had an altar placed in the center of the hall.

At this moment, a man with a knife scar on his face stepped forward quickly and asked Kou Tianhu, "Kou Tianhu, is it you ringing the big bell? What's so urgent?" His

tone was arrogant, as if he didn't put Kou Tianhu in his eyes.

This person's name is Wu Jun, who is Yan Fei's henchman. Relying on Yan Fei's trust, he doesn't care about other people at all. At this time, he didn't know that Yan Fei had already smashed into the wilderness.

At the same time, other leaders are also talking about it.

"What happened?"

"I don't know."

"What the hell is Kou Tianhu doing? Where's the big boss?"

Everyone's discussion, you and I came, Kou Tianhu didn't seem to hear, but lit three incense sticks and put them in the incense burner on the altar, he bowed and looked very pious.

Swish!

Seeing his appearance of no one else, Wu Jun became furious and couldn't help shouting, "Kou Tianhu, I'm asking you something, Ma De, what are you pretending to do?"

## **The ultimate husband in Chinese chapter 6092**

At this moment, everyone's eyes also fell on Kou Tianhu.

call!

Kou Tianhu took a deep breath, looked back at Wu Jun, and said word by word, "Wu Jun, don't yell in front of me. I'm opening the incense hall now, just to judge you in public.

"

Whoa!

The voice fell, and the whole hall was in an uproar.

Judge me?

Hearing this, Wu Jun got angry for a while, stared at Kou Tianhu and said, "Go to Nimad, Kou Tianhu, what kind of thing are you, you are qualified to judge me? If you have anything to say, don't do this.

", Wu Jun is full of arrogance, and he has the support of a big leader, who dares to move himself?

Kou Tianhu was too lazy to talk nonsense, he sneered at the time, and said to Ding Peng at the door: "Go and carry the big leader up."

"Yes, Brother Hu!"

Ding Peng responded and called out a few sand thieves to walk out quickly. When he came back with a wooden frame, he saw Yan Fei lying on it, blood all over his body, his eyes were round, and he had already died.

What?

Seeing this scene, whether it was Wu Jun or the other leaders, their hearts were shocked.

The chief is dead? And the death was so tragic...

This chapter is provided by . Visit for daily update.

"Big leader!"

Soon, Wu Jun was the first to react, hurried over and threw himself in front of the wooden frame, indescribably sad and angry: "How could this happen? Who killed it? The big leader? If I don't take revenge, I, Wu Jun, will not be human." As he spoke,

Wu Jun couldn't stop his tears from flowing down.

For a time, the other leaders were also mourning.

Kou Tianhu stood there, looking at Wu Jun coldly, his face did not fluctuate at all: "Wu Jun, you don't have to pretend, you killed the big leader..."

At this time, Kou Tianhu's tone was sharp, but his eyes Flashing cunning.

Yes, when they returned to Feiyang Fort before, Kou Tianhu and everyone discussed it and put the blame on Wu Jun for Yan Fei's death, in order to eradicate Yan Fei's remnant forces in Feiyang Fort.

Swish!

The words fell, and the elder brother leaders in the hall all looked at Wu Jun.

Wu Jun was so frightened that he jumped up suddenly, pointed at Kou Tianhu and cursed: "Kou Tianhu, you are so bloody and bloody, the big leader treats me well, how can I harm him?"

At this time, Wu Jun, because Yan Fei's death was extremely sad, his mind was a mess, and he didn't realize that it was Kou Tianhu's deliberate slander.

"You're still

quibbling, right?" Kou Tianhu walked over slowly and uncovered Yan Fei's blood-stained clothes. He saw that in his heart was a delicate dagger inlaid on the hilt of the dagger. Emeralds are worth a lot at first sight.

This...

At this moment, Wu Jun saw the dagger, his body trembled, and his mind was buzzing, blank.

This is impossible, how could my dagger stick to the big chief?

At the same time, the other leaders around also exploded.

"Wu Jun's dagger..."

"This Wu Jun is so bold, he dares to murder the big leader."

"The evidence is solid."

Everyone knows this dagger. It was a trophy from the robbery of the caravan at Flying Eagle Castle three years ago. At that time, Wu Jun made a great contribution. For a time, many leaders were furious and glared at Wu Jun. They wanted to cramp and peel him immediately.

Haha...

Seeing this, Kou Tianhu, Hu San, Ding Peng and the others were all excited and laughed secretly in their hearts.

This trick is really seconds.

Ten minutes ago, Kou Tianhu sent his general Wu Jun's dagger to steal it and hide it on Yan Fei's body to frame the blame.

This...

In the face of the crowd's anger, Wu Jun's mind was stunned, but he calmed down quickly, stood up and glared at Kou Tianhu: "Kou Tianhu, you are so bold, you killed the big leader and stole my dagger, Slander me."

After speaking, Wu Jun looked around and shouted: "Calm everyone, this matter is obviously framed, I am loyal to the big leader, how can I harm him?"

"Also, even if I want to harm the big boss. The leader, it is impossible to leave such important evidence."

"Everyone think about it carefully, you can see the right and wrong at a glance, but don't be fooled by this bastard Kou Tianhu."

Hearing these words, everyone pondered.

## **The ultimate husband in Chinese chapter 6093**

"In this way, this matter is really strange."

"Wu Jun is right, he is so loyal to the big leader, how can he rebel?" " Could it be ... the murderer is someone else?"

When he came, Kou Tianhu frowned secretly, feeling a little anxious in his heart.

"Ma De!"

At this moment, Hu San couldn't stand it any longer, walked out and pointed at Wu Jun and cursed: "The evidence is solid, how dare you make a quibble? It's the leader you killed."

Ding Peng also followed . He shouted: "Yes, Brother Hu has already opened the incense hall. If you are acquainted, please quickly plead guilty and lead to death."

"Wu Jun!"

At this time, Kou Tianhu calmed down and looked at Wu Jun calmly: "Wu Jun, everyone is flying. Brother of Eagle Castle, I will not be difficult for you, you can kill yourself in front of the big leader."

Shua!

Hearing this, Wu Jun was furious, glared at Kou Tianhu and shouted: "I'll cut your mother..." The last word fell, Wu Jun pulled out his long knife, and rushed directly thinking of Kou Tianhu.

However, Kou Tianhu stood there, motionless, just looking at him so coldly, not panicking at all.

Not right!

Just after a few steps, Wu Jun suddenly stopped, his brows furrowed, his face a little bad, what's going on? It was fine just now, why is it that all of a sudden the whole body is limp and unable to exert any strength?

Moreover, the inner strength of the dantian was also suppressed and could not be released at all. This is a clear sign of poisoning.

This chapter is provided by . Visit for daily update.

But... how did you get poisoned? Why don't you know at all?

"Dare to attack Brother Hu? Court death!"

Just when Wu Jun was secretly surprised, Hu San screamed and rushed over, the long knife directly pierced Wu Jun's heart.

puff!

In an instant, Wu Jun shuddered and blood sprayed.

"Wu Jun!"

At this time, Hu San leaned into Wu Jun's ear with a proud face, and lowered his voice: "I didn't expect that, to tell you the truth, the three incense sticks ordered by Brother Hu just now contained a highly poisonous cartilage powder. "

I'm not afraid to tell you that we killed the big leader. We can only choose you as a scapegoat. Who told you to be trusted by the big leader?"

After the last word, Hu San was cold. Push Wu Jun away.

Pfft!

With no support, Wu Jun fell with his head up, blood poured out, dyeing the ground red, but he stared at Kou Tianhu: "You...you..." Before he could finish speaking, he breathed a sigh of relief. .

“Wu Jun!”

“Brother Wu...”

Seeing this situation, several leaders who had a good relationship with Wu Jun couldn't help exclaiming, and immediately drew out their long knives, ready to rush over to avenge Wu Jun. However, Kou Tianhu did not panic at all, and looked at them coldly: “Wu Jun killed the big leader, and there are still many victims, just rely on you few to take revenge.

, their faces changed.

Like Wu Jun, these leaders clearly felt that the inner strength of the dantian was suppressed, the whole body was soft, and they could not exert any strength.

“My inner strength is suppressed...”

“Me too...”

“Oops, we've been poisoned... it seems to be Ruanxiangsan.” During the discussion, several leaders looked weak and slumped on the ground.

Seeing this, Kou Tianhu raised a cruel smile on the corner of his mouth, and then waved his hand.

Wow... After

receiving the order, Hu San and the others did not hesitate, rushing up and slashing at several leaders. In the blink of an eye, several leaders fell into a pool of blood, accompanied by screams.

For a time, the bloody aura filled the entire hall.

Seeing the scene in front of them, the remaining leaders, big and small, were all shocked, and they were all dumbfounded on the spot, unable to say a word.

This Kou Tianhu was too ruthless, Wu Jun and several leaders killed them if they wanted to.

Kou Tianhu showed a smile, Yan Fei's remnants have been eradicated, and the remaining people can't raise too much trouble at all, now they can sit back and relax.

“Everyone!”

At this moment, Hu San wiped off the blood on the long knife, looked around and shouted: "The big leader is dead, and Feiyang Castle can't be left without an owner, we must immediately choose a new one. The big leader comes out. In terms of strength and status, Brother Hu is the most qualified!" The

voice fell, and Ding Peng, who had already prepared, knelt directly in front of Kou Tianhu and shouted, "See the big leader!"

## The ultimate husband in Chinese chapter 6094

Wow!

Immediately afterwards, many of Kou Tianhu's cronies also knelt down and shouted in unison.

"See the big boss!"

Hu San and Ding Peng sang in harmony and cooperated very well.

This...

Seeing this scene, the other leaders present looked at each other in dismay. They were not stupid in their hearts, they could see that Kou Tianhu and others killed Yan Fei and then put the blame on Wu Jun.

Under such circumstances, many people were unconvinced, but Kou Tianhu's group was too strong. If they objected, they would end up like Wu Jun.

Soon, after weighing the pros and cons in their hearts, everyone saluted Kou Tianhu.

"See the big boss..."

Haha...

Seeing this situation, Kou Tianhu couldn't describe the excitement and excitement, and nodded approvingly: "Okay, okay, let's all get up."

After speaking, Kou Tianhu motioned for Hu San to wait. People, clean up the bodies of several Wu Jun.

Soon the corpse was cleared out, Ding Peng stepped forward and said to Kou Tianhu: "Big leader, Yan Fei is dead, what should I do with the princess of the sea shark clan?"

Huh!

Kou Tianhu took a deep breath and didn't answer directly, but looked around and asked, "How do you guys think about it?" The

voice fell, and Hu San came out first and said solemnly, "Then Hai Linger has a special identity, it is Yue Wu. The whole world knows about this, so we must not let her go."

"In my opinion, Yan Fei has already prepared the wedding before, so it's better for Brother Hu to marry her and stay here for pressure. Madam Zhai."

Hu San is very excited, and he has long seen that Kou Tianhu is obsessed with Hai Ling'er. At this time, such a good opportunity will naturally push the boat, and the beauty of an adult.

Haha...

Kou Tianhu wanted this sentence, and immediately nodded with a big laugh: "Okay, just do as you said."

... On the

other side.

At the top of the peak, the fierce battle continued.

A dozen flaming black vultures surrounded Yue Wuya and the golden-winged Cangyu eagle, constantly attacking with fangs and claws, spewing flames.

At the beginning, Yue Wuya was able to deal with it easily, but because his strength had not fully recovered, he gradually couldn't hold it any longer.

He saw that Yue Wuya was dripping with blood, and there were more than a dozen wounds, all of which were scratched by the flame black eagle.

The golden-winged Cangyu eagle is not much better. The golden feathers on its wings have been pecked off a lot, and there are several traces of being burned by flames on its back, which is very embarrassing.

"Hahaha..."

Seeing this, Xiaobai and Xiaohui in the cave jumped on the spot in a hurry, wanting to rush up to help, but they were only fledgling, so they could only watch in a hurry.

At this moment, two flaming black vultures found an opportunity, attacked from the back, and grabbed their sharp claws towards Yue Wuya's back.

At this time, Yue Wuya was dealing with the few flame black eagles in front of him, and he didn't have time to dodge.

“Hahaha!”

Seeing this, the golden-winged Cangyu Eagle hurriedly issued a chirping reminder, seeing that Yue Wuya couldn't escape, and finally shook his wings and pushed Yue Wuya away.

The golden-winged Cangyu Eagle has a cold and arrogant personality. For thousands of years, it has never been so close to humans, but once it is called a friend, it will protect it with all its might. In the heart of this golden-winged Cangyu Eagle, Yue Wuya has saved its children several times. His life has been regarded as a family member, so he must not be harmed.

Chi la chi la...

As soon as Yue Wuya was pushed away, the two sharp claws that had been blackened by the flames grabbed hard on the wings of the golden-winged Cangyu Eagle, and suddenly a golden feather fell, and blood sprayed out.

Immediately afterwards, several other flaming black vultures rushed over, and one of them instantly pecked out an eye of the golden-winged Cangyu eagle.

“Huh...”

Under the severe pain, the golden-winged Cangyu Eagle let out a loud neigh, and the fierceness broke out completely, waving its claws to form a lightning bolt, covering the surrounding flaming black vultures.

Under the raging lightning, seven or eight flaming black vultures had no time to dodge, and were instantly electrocuted on the spot.

The golden-winged Cangyu Eagle was blinded in one eye due to excessive blood loss, and was exhausted. It fell directly from the sky and fell heavily on the platform outside the cave.

Landing on the platform, the golden-winged Cangyu Eagle was dying.

“Haha...”

Seeing that their mother was dying, Xiaobai and Xiaohui staggered and ran over, snuggled up beside their mother, and let out bursts of lamentation.

## **The ultimate husband in Chinese chapter 6095**

Seeing this situation, Yue Wuya was both shocked and moved, and said to the golden-winged Cangyu: "Why do you want to stop me? Are you dying?"

"It was sore, and the eyes were moist.

At this time, Yue Wuya had never imagined that the golden-winged Cangyu Eagle, who had taken him as food at first, would risk his life to save himself at the last critical moment.

Although it is a bird of prey, it is too affectionate and righteous compared to some people on the rivers and lakes.

At this time, there were only four flaming black eagles left in the air. At this time, seeing the golden-winged Cangyu eagle on the verge of death, he had no worries, fluttering his wings, staring at Xiaohui and Xiaobai, and quickly swooped down.

The purpose is very simple, to kill the young eagle, to eradicate the roots.

"Holy shit!"

Seeing this situation, Yue Wuya's blood surged, and he shouted angrily, urging his internal force to attack.

Bang Bang Bang...

In less than two minutes, Yue Wuya completely killed the four flaming black vultures. Yue Wuya was a little powerless to deal with more than a dozen flaming black eagles, but it was more than enough to deal with four.

Whoosh!

After killing the last flaming black eagle, Yue Wuya didn't care about his injuries, he quickly returned to the platform at the entrance of the cave, and squatted down to check the golden-winged Cangyu Eagle's injuries.

After the inspection, Yue Wuya's heart sank to the bottom in an instant.

It was seriously injured, one eye was blind, and its wings and body were full of wounds. In this case, I am afraid that the senior Shennong came, and it was helpless.

"do not worry!"

This chapter is provided by . Visit for daily update.

Realizing this, Yue Wuya's heart was very heavy, and he said to the golden-winged Cangyu: "I will definitely find a way to save you, you must hold on, you must hold on."

After saying that, Yue Wuya was ready to fly down to the peak, Look around for herbs.

“Huh...”

As soon as he turned around, the golden-winged Cangyudiao let out a weak cry, and then grabbed Yue Wuya’s clothes with his pointed mouth.

At this time, the golden-winged Cangyu Eagle, with one eye showing deep weakness and weakness all over his body, is obviously not going to live long. At this time, he let out a low scream, looked at Xiaobai and Xiaohui, and then directed at Yue Wuya. means something.

“You...”

Seeing it like this, Yue Wuya felt very uncomfortable, and said astringently, “You want me to take care of them?”

Golden-winged Cangyudiao nodded, one eye full of anticipation. It knew that it would die, but the two young eagles had not yet grown up, so it was really uneasy.

call!

Yue Wuya took a deep breath and held back his tears: “Okay, I promise you.” This is the depths of the desert Gobi, even if there are some oasis, it is difficult to find healing elixir.

Seeing his promise, the golden-winged Cangyu Eagle had no worries, let out a cry of grief, and swallowed his last breath.

“Ha ha...”

At this moment, Xiao Bai and Xiao Hui were heartbroken, snuggling up beside the golden-winged Cangyu eagle, screaming incessantly.

Seeing this scene, Yue Wuya felt even more uncomfortable. He walked over and stretched out his hand to touch their heads. He gently comforted them: “Dear, don’t be sad. Your mother is gone, and I will take care of you for her.” The

two little guys Very spiritual, when I heard this, I immediately called a few times to respond.

After a few words of comfort, Yue Wuya dragged the corpse of the golden-winged Cangyu eagle into the cave, covered the corpse with stones, and made a simple grave.

Last night, Yue Wuya returned to the platform and took out the inner alchemy from the corpses of those flame black vultures.

These flaming black vultures can go head-to-head with the golden-winged Cangyu eagle, and each of them is not weak.

Afterwards, Yue Wuya took all the inner pills, sat cross-legged in the hole, and recovered silently.

Phew...

I don't know how long it took, Yue Wuya completely fused the power of several inner cores, opened his eyes and let out a long sigh of relief.

He clearly felt that after integrating these inner alchemy, his strength recovered by 90%. Not only that, but the scratches on his body were also scarred.

However, Yue Wuya was not happy at all. In a sense, these inner cores were acquired by the golden-winged Cangyu Eagle with his life.

"Let's go!"

At this moment, Yue Wuya stood up slowly, greeted Xiaobai and Xiaohui, and then flew them down the peak and rushed towards Feiyingbao.

Linger, I'm back to save you.

## **The ultimate husband in Chinese chapter 6096**

Half an hour later, Yue Wuya arrived at the foot of Feiyingbao Mountain with Xiaobai and Xiaohui.

At this time, night fell, but Yue Wuya did not rush to go up, but found a hidden cave and said to Xiaobai and Xiaohui: "You two, be good, don't go out before I come back, you know? "

Hahaha..."

Hearing this, Xiaobai and Xiaohui both nodded.

Yue Wuya explained a few more words, and moved a stone from the side to block the entrance of the hole. The two little guys were too young to take them to Flying Eagle Castle to help them.

After doing this, Yue Wuya took advantage of the night to quietly rush towards Feiying Castle.

...

On the other side, the small courtyard where Shennong lived in seclusion.

In midair, the fierce battle between Yue Feng, Zhu Bajie and Gone continued.

“Yue Feng!”

At this moment, Gone’s face was cold and arrogant: “I advise you not to waste your efforts, the two of you together are not my opponents at all, let’s not mention the grievances between you and my Demon Race before, as long as you pay the cashier Lan Xinran, I will never embarrass you.”

Hearing this, Yue Feng chuckled lightly: “Stop talking nonsense, fight if you want, I won’t hand it over to you.”

Zhu Bajie couldn’t bear it any longer . Zhu shouted: “You are still the Supreme Being of the Demon Race, why are you so shameless? I, Lao Zhu, told you before that Nalan Xinran has been attracted to me, and sooner or later she will be my Lao Zhu’s woman.

” I advise you to die early and get out of here.”

Shua!

This chapter is provided by . Visit for daily update.

Hearing this, Gone was furious and stared at Zhu Bajie: “You are courting death!”

The voice fell, and Gone used the power of the demon soul. In an instant, the blood mist filled his body, and then, a black demonic dragon condensed and surrounded Gone.

“Death!” In the

next second, Gone raised his hand and pointed, and the black magic dragon let out a loud roar, filled with terrifying power, and swept towards Zhu Bajie.

This demon dragon, condensed by the power of the demon soul, is lifelike. Wherever it passes, the whole world is reflected in blood red, and its power is very terrifying.

Faced with this situation, Zhu Bajie did not dare to be careless, and hurriedly deployed a protective film in front of him.

Boom...

In the blink of an eye, the black magic dragon hit the protective film, and a roar was heard, and the protective film shattered in an instant, but the black magic dragon continued to hit Zhu Bajie with unabated power.

“It’s over, it’s over...” Facing this situation, Zhu Bajie’s face changed greatly, and he panicked instantly. Speaking of which, it was the first time that Zhu Bajie faced Gone head-to-head, and he never expected that the opponent’s strength would be so terrifying.

In the panic, Zhu Bajie wanted to back up and dodge, but it was too late.

“Big Brother Zhu!”

At this moment, Yue Feng screamed, and immediately flew up, rushed over desperately, and shouted: “Kowloon rises to the sky.” The

last word fell, and the nine-day golden dragon surrounded Yue Feng . All around, headed towards the black magic dragon.

Bang bang bang...

The nine golden dragons and the black demon dragon collided fiercely, and a violent roar broke out, and then dissipated in the heaven and earth together, the terrifying breath broke out, Yue Feng groaned, and was directly shaken and flew out.

Pfft!

After flying dozens of meters away, Yue Feng fell heavily to the ground, lying motionless on the ground.

“Brother Yue Feng!”

Seeing this scene, Zhu Bajie exclaimed and rushed over with a hoarse voice: “Brother, don’t you have any trouble, you are not stupid, who asked you to help me stop it? ?”

Zhu Bajie is usually a fool, but he is very affectionate. At this time, when he saw Yue Feng’s state, he thought that he was going to die, and at the same time he shouted, tears could not stop flowing.

In Zhu Bajie’s heart, the world is so big that he can be regarded as a brother, and only Yue Feng is the only one. If Yue Feng makes a mistake today, Zhu Bajie will never feel at ease in his whole life.

“Pfft...”

Just when Zhu Bajie was heartbroken, he saw Yue Feng move, and then slowly got up, his face was pale, showing a bit of weakness, and he opened his mouth and spat out a mouthful of blood.

Mad...

At this moment, Yue Feng wiped the blood from the corner of his mouth and stared at Gone in midair, unable to hide his fear and shock.

As expected of the Supreme Being of the Demon Race, this strength is too terrifying.

## The ultimate husband in Chinese chapter 6097

Fortunately, he is wearing a blood wing armor, otherwise, this life will be explained.

Um?

Seeing Yue Feng stand up, Zhu Bajie was stunned for a moment, and then saw the blood-red armor he was wearing under his clothes, and he was immediately depressed: "Damn, you've been wearing treasure armor inside for a long time, you hurt Lao Zhu. Worrying about you for nothing."

While speaking, Zhu Bajie quickly wiped the tears from his eyes, embarrassed.

"Haha..."

At this moment, seeing Zhu Bajie's red eyes, Yue Feng couldn't help laughing: "Brother Zhu, did you cry just now?"

Zhu Bajie blushed and said angrily: "Shut up your special code, I didn't cry, I was fascinated by the sand just now."

After joking, Yue Feng said sternly: "Brother Zhu, this Gone is not easy to deal with, we have to go up together."

Um!

Zhu Bajie nodded heavily, not daring to underestimate the enemy at this time, and Yue Feng burst out and charged towards Gone. For a time, the two erupted at the same time, the air suddenly distorted, and the power was amazing.

However, Gone didn't pay attention to it at all, and there was a hint of contempt at the corner of his mouth: "Are you going to die together? This deity completes you." The

voice fell, Gone raised his hand and waved, two blood-colored rays of light greeted Yue Feng and the two.

Bang Bang...

The bloody light was as fast as lightning, Yue Feng and Zhu Bajie wanted to dodge, but it was too late. They were hit at the same time and fell down quickly.

After landing, Yue Feng and Zhu Bajie spurted a mouthful of blood at the same time.

This chapter is provided by . Visit for daily update.

“Made!”

At this moment, Zhu Bajie looked at Gone in mid-air, with a solemn expression on his face, the opponent’s strength was too strong, he and Yue Feng could not join forces, how could he fight?

“Yue Feng!”

In midair, Gone looked down at Yue Feng with a proud expression: “This deity has given you a chance. Since you don’t know how to lift up, then it is no wonder that this deity is.” The

voice fell, and Gone’s figure burst out, straight towards Yue Feng came.

call!

Looking at Gone who was rushing up, Yue Feng took a deep breath and shouted angrily: “Even if you die today, I will drag you to bury with you.” The last word fell, Yue Feng burst out with all his strength, raised his hand and waved a ball of flame, meet Gone.

As soon as the flames came out, the surrounding air froze.

It is the red lotus karmic fire.

Um?

Seeing the red lotus karma, Gone’s cold and arrogant face showed a bit of solemnity: “Red lotus karma? I can’t see it, you still have such a chance to get the power of the Faye Red Lotus.”

Ge As the supreme being of the Demon Race, Nirvana knows almost everything. At this moment, it can be seen at a glance that what Yue Feng is bursting out is the power of the Red Lotus of Faye.

You must know that the red lotus of Faye is a treasure that cannot be found in the realm of the gods, and it only appears once in thousands of years. At this time, Yue Feng suddenly displayed it, and Gone was very surprised.

But soon, Gone calmed down, turned the power of the demon soul to form a flame, and attacked.

boom!

In the next second, the two flames collided and then dissipated in the air.

Seeing this situation, Yue Feng's face changed suddenly, it's bad, this Gone can even block the red lotus karmic fire, it seems that there is no chance to reverse the situation today.

Seeing the change in Yue Feng's expression, Gone's mouth evoked a hint of abusiveness: "Yue Feng, do you have any other housekeeping skills? It's best to use them all." The

voice fell, and Gone turned into a streamer, and asked Yue Feng again. The wind broke out.

"Brother Yue Feng!"

At this moment, Zhu Bajie, who was not far away, couldn't help shouting, and wanted to rush over to help, but he was hit hard just now, and it was too late.

Alas....

Yue Feng also sighed, his heart full of despair.

"Terrorist, die!"

However, just at this critical moment, I heard a coquettish shout, and then, a figure rushed out from the back room and quickly attacked Gone's back.

The long skirt fluttered like a fairy descending, but her delicate face showed a bit of weakness.

It was Nalan gladly.

Just now, under the treatment of Shennong, Nalan was pleased to get rid of Gone's control completely, and woke up. After waking up, he learned about the situation from Shennong's mouth and came out to help as soon as possible.

Um?

Feeling a surprise attack from behind, Gone's brows furrowed. He didn't have time to think about it, he quickly turned around and greeted him with a palm.

## **The ultimate husband in Chinese chapter 6098**

"Xin Ran?"

The moment he turned around, seeing that it was Nalan Xin Ran, Gone's heart was shocked.

During this period of time, Gogne was more and more in love with Nalan, how could he bear to hurt her? Speaking of which, it was very risky for Gogne to say this, but he had no other choice.

“

Pfft!” The moment he withdrew his palm power, Gone was backlashed, and the power of the demon soul in his body became disordered, and he saw his face flushed red and a mouthful of blood spurted out.

But Gone didn't care about this. Enduring the disorder in his body, he smiled happily at Nalan: “Xinran, I'm relieved to see that you are all right.”

“You...”

At this moment, Nalan Xin Ran bit her lip, her heart complicated.

He could have injured me just now, but chose to withdraw his palm... Could it be that he really likes me?

No... He is the Supreme Being of the Demon Race, I can't have a result with him, besides, he also controlled his father.

Thinking of this, Nalan Xinran's eyes became sharp, and he shouted at Gone Jiao: “You shut up, don't pretend to be in front of me, you are lurking in our Nalan family, plotting evil, and controlling my father. I will never forgive you.”

Phew!

Hearing this, Gone's heart was aching, and he smiled bitterly: “Xinran, you can scold, as long as you feel good in your heart, you can scold.”

After speaking, Gone felt Nalan Xinran and continued. : “It seems that Shennong helped you get rid of your control, that's fine...”

When he said this, Gone's face was full of sincerity.

However, Nalan Xinran didn't appreciate it, and said coldly, “Hypocrisy.”

What the hell ...

Seeing this scene, Yue Feng couldn't help frowning secretly, his eyes kept on Gone and Nalan Xinran, wandering back and forth.

Did you guess right? This Gone really fell in love with Nalan Xinran... Otherwise, why would he rather withdraw his palm than hurt her?

The dignified Demon Race Supreme, actually moved his true feelings.

Interesting....

Besides, Gone forcibly withdrew his palm and was attacked. This is a good opportunity.

Whoosh!

Thinking of this, Yue Feng took a deep breath, his figure burst out, and went straight to Gone. At this time, Gone was backlashed. If such a good opportunity was missed, it would be difficult to encounter it again in the future.

"Brother Yue Feng, I'm here to help you."

At this moment, Zhu Bajie also shouted, flew up, and rushed towards Gone with Yue Feng.

At this time, Gone's attention was on Nalan Xinran, and he never thought that Yue Feng and Zhu Bajie would take action at this critical moment.

Bang Bang...

In the blink of an eye, Yue Feng and Zhu Bajie rushed to the front, and together they slammed their palms on Gone's back. Under the surging force, Gonewa spurted out a mouthful of blood, and his body flew out very quickly. Far.

Gone had just been attacked, and facing Yue Feng and Zhu Bajie's attack at this time, he couldn't stop him at all.

"Haha..." Zhu

Bajie couldn't tell how excited he was when he succeeded, and laughed proudly at the time: "What is the supreme being of the demon race, didn't it hurt under my old Zhu's palm in the end?"

Bursting, rushing up to Gogne, ready to pursue the victory.

Seeing this scene, Yue Feng's face changed, and he hurriedly shouted: "Brother Zhu, don't chase after poor bandits!"

Oh!

Seeing Zhu Bajie rushing up, Gone was furious, and raised his hand, a red glow erupted. Zhu Bajie knew the power of this red glow, and quickly ducked away.

Taking this opportunity, Gone's figure erupted and flew into the distance, but while flying away, he did not forget to shout at Yue Feng: "Yue Feng, you are lucky this time." The last word fell, Gone was already disappeared from the public eye.

To be honest, Gone didn't want to be so embarrassed, but there was no way, the power of the demon soul in the body was disordered, and if he continued to fight, the situation would only get worse.

More importantly, when Gognie saw that Nalan was happy and safe, he had no worries in his heart.

"Ma De..." Zhu Bajie shouted angrily: "This made him run away."

Yue Feng took a deep breath and smiled bitterly: "With the strength of just a few of us, we can't catch him at all, but this way it's okay, we didn't have any casualties."

Nalan stood there happily, looking at the direction in which Gone fled, with an indescribably complicated mood.

Pfft...

At this moment, Yue Feng's eyes darkened and he collapsed to the ground. He was exhausted from a fierce battle with Gone before, and he couldn't bear it anymore.

"Yue Feng!"

Nalan reacted with pleasure, exclaimed, and hugged Yue Feng in his arms: "How are you...don't scare me..."

At the same time, Shennong and Su Xueying walked out quickly and was worried when she saw this scene.

"Quick!"

Soon, Shennong ordered Su Xueying, "Quickly help him, and help him into the room."

Su Xueying responded, walked over quickly, helped Nalan Xinran, and helped Yue Feng in.

“Oh!”

Seeing Yue Feng being supported by two beauties, Zhu Bajie was very envious, and immediately covered his forehead with a pretense: “Dizzy and dizzy... Two beauties, come and help me, I don’t think I can do it either. Now .”

However, Nalan Xinran and Su Xueying ignored him at all.

For a time, Zhu Bajie wanted to cry but had no tears: “Oh, you are not being like this, I did my best just now...” As he spoke, he followed into the room.

.....

On the other side, Eagle Fort.

It was already late at night, but the entire Flying Eagle Fort was brightly lit up.

Inside and outside the entire Flying Eagle Fort, many sand thieves are busy. Tomorrow is the day when Kou Tianhu and Hai Ling’er get married, so it is natural to make arrangements.

In the wedding room, several maids were dressing Hai Linger in bridal clothes. Because of the acupoints being tapped, Hai Ling’er couldn’t move and was unable to struggle at all, so she could only let it go.

Squeak!

At this moment, Kou Tianhu pushed open the door and came in. Seeing Hai Linger dressed as the bride, his eyes were straight, and he couldn’t help but admire: “Beauty, the lady is so beautiful.”

At this time, Hai Linger’s heart was ashes, she couldn’t hear Kou Tianhu’s words at all, she just stared out the window in a daze.

“You go out first!”

After admiring for a while, Kou Tianhu said to the maids, “I want to whisper to the lady.” While speaking, Kou Tianhu greedily looked at Hai Linger’s charming curves.

“Yes, Chief!” Several maids responded and left.

Soon, Kou Tianhu and Hai Linger were left in the room.

“Hehe!”

At this time, Kou Tianhu walked over slowly, admired Hai Ling'er up close, and said with a smile: "Beauty, I have already said that you will be mine sooner or later, then Yan Fei is just a bag of wine and rice. Are you qualified to have such beauty as you?"

"Don't worry, I'm already a big leader now, follow me, and keep you happy for a lifetime..."

Kou Tianhu became more and more excited and talked eloquently, while Hai Linger was like a Like a vegetative person, there is no fluctuation on the face.

Seeing Yue Wuya fall into a deep stream before, Hai Linger's heart also died.

Boom!

At this moment, Kou Tianhu wanted to say more, and suddenly there was a roar from the direction of the main hall, followed by the screams of many sand thieves.

Startled and angry, Kou Tianhu quickly pushed open the door and went out, shouting, "What's the situation?" After he finished speaking

, he saw a few sand thieves coming from the direction of the main hall in embarrassment, each with a look of horror: "Not good, then ...that Yue Wuya's soul has come to take revenge..."

"Yeah..."

What? Yue Wuya's soul to take revenge?

Hearing this, Kou Tianhu was stunned for a moment, then reacted immediately and shouted angrily: "What soul? Knocking on your door is frightened like this, and it has lost Feiyingbao's face."

Om!

As soon as he finished speaking, he saw a black shadow burst out, holding a long knife in his hand, and the blade was stained with blood.

It was Yue Wuya.

At this moment, Yue Wuya's eyes were blood red, and his murderous aura was awe-inspiring.

The next second, Yue Wuya locked on Kou Tianhu and shouted coldly, "Tell Yan Fei to come out and die." At this time, Yue Wuya didn't know that Yan Fei had been killed by Kou Tianhu.

What?

Hearing Yue Wuya's voice, Kou Tianhu trembled and couldn't help swallowing.

He...he didn't die? It is incredible that he could still be alive after falling from such a high cliff.

Brother Wu Ya?

At the same time, Hai Ling'er in the room was also trembling at this time, her empty eyes instantly glowed with radiance, and her heart was even more joyful.

Brother Wu Ya is not dead, he is not dead!

For a time, Hai Ling'er smiled and cried with joy.

"Good boy!"

Finally, Kou Tianhu reacted and looked at Yue Wuya up and down: "Your life is really big, you didn't die if you fell into the abyss, if you don't get your life back and get out of here, how dare you deliver it to your door?"

said, Kou Tianhu's eyes became more and more gloomy: "I was able to knock you down into the abyss before, but this time I will still kill you." Wah la

... After the words

fell, many sand thieves rushed over to take Yue Wuya Surrounded by a group.

Faced with this situation, Yue Wuya did not panic at all, and looked at Kou Tianhu coldly: "I'll say it again, let Yan Fei get out and die."

"Haha!"

Kou Tianhu sneered and said lightly: "Yan Fei is already dead, Now the big leader of Eagle Castle is me."

Hearing this, Yue Wuya's eyes flickered, and then he said coldly: "Very good, then you will go to hell with everyone in Eagle Castle today.

" At these times, Yue Wuya was filled with murderous intent.

These bastards, trying to humiliate Linger, all deserve to die.

Crazy tone.

At this moment, all the sand thieves present were furious. Although you are the lord of Tianmen, and your strength is strong, it would be too crazy to want to destroy the entire Flying Eagle Castle by one person.

“It’s crazy.”

Hu San was the first to rush out, glaring at Yue Wuya and shouting: “I want to see how you destroy Feiyang Castle and die.”

Om!

When the words fell, Hu San exploded his inner strength, and his figure rose into the sky, clenching his long sword and slashing straight at Yue Wuya. The sword light shone in the cold light, and the power was amazing.

This chapter is provided by . Visit for daily update.

In Hu San’s heart, Yue Wuya fell into the abyss before, and even if he was lucky enough to survive, it would be very difficult to recover in these short two days.

Seeing Hu San burst out, Yue Wuya’s icy face did not fluctuate at all!

“Death!” In the

next second, Yue Wuya shouted angrily, and with a forceful wave of the long knife in his hand, he saw a cold light tearing through the night sky, directly covering Hu San!

What Yue Wuya used was the Mingjiao sword technique he learned with Lu Jiechen back then, the ‘Daily Breaking Moon Sword’.

The Sun-Breaking Moon Saber Technique is swift and fierce. Although Yue Wuya’s long sword was picked up in the hall just now, the Sun-Breaking Moon Saber Technique displayed at this time is still extremely sharp.

At that time, Hu San had no time to react, and was directly hit by the knife.

“Ah...”

All of a sudden, Hu San let out a scream, and the whole person spilled a rain of blood in the air, and finally fell heavily.

The moment he landed, he saw that Hu San’s whole body was almost cut off in the middle, and he was out of breath!

Hiss...

such a domineering swordsmanship.

Seeing this scene, whether it was Kou Tianhu or the other sand thieves present, they couldn't help gasping for air, and looked at Yue Wuya blankly, as if they had seen a monster.

Is this kid still human? Falling into the abyss without dying, but also recovering strength so quickly?

At this time, everyone in Kou Tianhu didn't know that Yue Wuya took the inner elixir of the flame black eagle, and not only was his injury completely healed, but his internal strength also recovered to 90%.

"Everyone obeys!"

Kou Tianhu quickly reacted, pointed at Yue Wuya, and shouted angrily: "Let's go together, no matter what the cost, we must kill him."

When he shouted the last sentence, Kou Tianhu almost roared come out.

Hu San was his own good brother, who was born and died together, but was killed by Yue Wuya at this time.

At this time, Ding Peng was also full of grief and anger. Hearing Kou Tianhu's order, he immediately rushed out and shouted: "Kill, avenge the three brothers Hu

.

" Exploding internal strength, rushing towards Yue Wuya with Ding Peng!

Faced with this situation, Yue Wuya clenched his long sword tightly, and without a word of nonsense, he directly attacked.

"Death, die for me!" The

mad roar came from Yue Wuya's mouth. The moment the voice fell, Yue Wuya once again used the Sun-Breaking Moon-Breaking Saber Technique, and he saw that the cold light of the sword shadow was raging like a road. Lightning shrouded the rushing sand thieves.

"Ah!" As the

sword shadows raged, I heard a scream from the sand thieves. In less than two minutes, more than a hundred sand thieves fell in a pool of blood.

At this time, Yue Wuya was dyed red with blood, like a god of killing. Of course, the blood belonged to the other party.

“Linger, Linger!”

At this time, Yue Wuya killed two more sand thieves, and couldn't help shouting:  
“Linger, where are you?” What's the point of being alone?
