

## The ultimate husband in Chinese chapter 6111-6120

“Get out of the way!”

At this critical moment, a loud shout suddenly came from the air, and then, a figure descended from the sky like lightning and landed in front of Nalan Xinran.

Dressed in a black long gown, he was imposing.

It was Gogne.

Seeing Gogne's appearance, Nalan's body trembled with joy, and his mood was extremely complicated.

She was looking forward to someone who could rescue the Nalan family from distress, but she never thought that the last person to appear was the Supreme Demon Gogne.

“Nie Zhan?”

“This person has finally appeared.”

At the same time, the eyes of everyone around him also focused on Gogne, and at the same time, they felt the terrifying aura on Gogne's body, and they were all jealous.

Um?

The Aotian prince in midair was also stunned for a moment, but he didn't expect Gogne to appear suddenly.

At this time, Prince Aotian stared at Gogne, and his heart was extremely complicated. What was the situation? Wasn't he going to cancel the plan when he was in the Wudang faction before?

Why did it suddenly appear now, and depending on the situation, it seems that he has to help the Nalan family...

hum!

Just when everyone was shocked, Gogne's face was gloomy and cold, his right hand was raised, a terrifying breath burst out, and a flash of red light flashed, directly shrouding the several sect masters who rushed up.

This chapter is provided by . Visit [for](#) daily update.

Bang bang bang...

Several sect masters couldn't react at all. When the red light flashed, they were directly shaken and flew out. After landing, one by one, blood spurted wildly and died of anger.

hiss...

Seeing this scene, the other sect masters present couldn't help gasping for breath, and looking at Gone's eyes, they were also extremely astonished.

How powerful is this Gogne? In just one move, he killed a few masters...

Could it be... this person is really the remnant of the Demon Race?

At this time, everyone thought that Gone was just a remnant of the Demon Race, and they didn't know his true identity.

"Xinran!"

In the face of everyone's attention, Gone didn't care, looked back at Nalan Xinran, and said softly: "Don't panic, no one can hurt you when I'm here.

" field, no doubt.

Hearing this, Nalan reacted with pleasure, her delicate face flashed a bit complicated, and then she bit her lip and said, "You don't need to pretend, I don't need you to save me."

This Gone, in the name of Nie Zhan, The hidden Nalan family not only controlled his father and himself, but also almost married him. Although the wedding was canceled, the Nalan family also became a laughing stock in the arena.

More importantly, because his Nalan family was besieged by major sects today, and his father died tragically on the spot.

All of this was caused by him. Under such circumstances, Nalan would rather die than accept Gone's help.

well!

Feeling Nalan's glad hostility and resistance, Gognie couldn't help but sigh, very embarrassed.

At this moment, Prince Aotian looked at Gone closely, his face gloomy: "What do you mean?" Seeing that the plan was going smoothly, Gone suddenly appeared and disrupted the rhythm, which made Prince Aotian very upset.

Gone tightly guarded Nalan Xinran behind him, looked at Prince Aotian and said lightly: "It's not interesting, I want to ask you, I told you before in Wudang that the plan was cancelled, why do you still do this? Do?"

When he said this, Gone's tone was indifferent, but the breath that filled his body was almost suffocating.

Hehe...

Faced with Gone's rhetorical question, Prince Aotian was stunned for a moment, and then sneered: "Please understand one thing, you and I are only a temporary cooperative relationship, not my superiors, I don't need to ask for anything I do. You report."

This...

Hearing the conversation between the two sides, the masters of the major sects present were all puzzled.

What's the matter, this Nie Zhan is secretly related to the Wudang faction?

Aren't the Nalan family and the Wudang faction mortal enemies? At this moment, Nalan Xinran

also trembled, and looked at Gone closely: "What plan? What are you secretly plotting? You were lurking in the Nalan family before, what was your purpose?"

Extremely sad.

Gone's face changed, and he didn't know how to answer for a while, and said with a wry smile: "This matter is difficult to describe. When the trouble at hand is resolved, I will explain it to you slowly."

## **The ultimate husband in Chinese chapter 6112**

Speaking, Gone looked around and said word by word: "Whoever dares to do it again will make trouble in the Nalan family, and kill without mercy!"

Om!

As the last word fell, a terrifying force erupted from Gone and swept the audience.

Feeling this terrifying power, everyone present was stunned.

Prince Aotian was indescribably annoyed, and said coldly to Gone: "You want to keep the Nalan family? Have you thought about the consequences?" Phew

!

Gone took a deep breath, and was too lazy to talk nonsense at the time, and said coldly: "Nalan is glad to be my woman, whoever dares to hurt her half a hair, I will kill him without a place to be buried." The

words were unparalleled.

This...

Hearing this, the masters of the various sects present looked at each other in dismay, and couldn't help but muttered secretly.

This situation is becoming more and more incomprehensible.

Isn't their wedding cancelled? Why did Nie Zhan say that Nalan Xinran was his woman?

Interesting...

At this moment, Prince Aotian's eyes flickered, and he vaguely guessed something in his heart, so he couldn't help laughing: "Haha... Interesting, really interesting, the dignified Demon Clan Supreme, the decision to kill, now I actually fell in love with a human woman..."

Saying that, Prince Aotian looked at Gone, his eyes full of teasing and ridicule: "Gonie, Gone, I really overestimate you." Demon

This chapter is provided by . Visit for daily update.

Supreme?

At this moment, everyone present was shocked and looked at Gone closely, unable to relax.

Just when everyone was secretly frightened, Nalan was pleased with shame and anger, and shouted at Gone: "I have nothing to do with you, and the affairs of the Nalan family don't need your help, you hurry up, get out. The farther away, the better."

Gone's face was firm: "I won't go unless your situation is absolutely safe." When he spoke, Gone's eyes were full of affection.

"Go away..."

However, Nalan Xinran didn't appreciate it at all, and shouted excitedly: "Go away, I don't need you to care." The

elder brother is dead, and now his father is also dead.

My family is gone, and my life is meaningless.

“Tsk tsk!”

Seeing this scene, Prince Aotian couldn't help sneering at Gone: “Luohua is intentional, Liushui is ruthless, Gone, you are deeply in love with others, but it's a pity that they don't appreciate it.”

Said, Ao The Emperor said loudly to the people around him: “Everyone, you have all seen the situation in front of you. It is an indisputable fact that Gone and the Nalan family are in the same boat.”

“In addition, let me announce to you that his real name is not his real name. Nie Zhan, it's the Supreme Lord of the Demon Race.”

When he said the last sentence, Prince Aotian looked at Gone coldly, since you don't know how to praise, then don't blame me for being unethical.

Whoa!

The voice fell, and the audience instantly exploded.

“It's really the Supreme Being of the Demon Race, and he is actually hidden in the Nalan family...”

“No wonder Tianmen and Qintianjian searched everywhere, but there was no whereabouts of him.”

“So...”

Everyone said, you When I heard one sentence after another, Nalan was delighted to be furious.

It was obviously Gone who was lurking in the Nalan family with bad intentions, but now, it was the Nalan family who colluded with him...

Gone's face changed, then he took a deep breath and said to the surroundings: “Everyone, don't listen to him. On the one hand, this matter has nothing to do with the Nalan family, I was lurking in the Nalan family, and I deliberately concealed my identity.”

To be honest, with Gone's character, I am too lazy to explain, but for Nalan's pleasure, I feel it is necessary. Make things clear.

However, the people present clearly did not believe his words.

“Haha!”

Prince Aotian even sneered: “Don’t hide it any more, you secretly colluded with the Nalan family, and at this time you are openly protecting the Nalan family, and everyone present saw it. This is an indisputable fact.”

Said Then, Prince Aotian shouted at the masters of the various sects present: “Don’t hesitate, everyone, it is my duty to eradicate the remnants of the demons, and it is my duty to destroy the Nalan family and the supreme beings of the demons. Kill.

” !” The

voice fell, and hundreds of elite Wudang disciples let out a howl and rushed towards the Nalan family crowd.

In the blink of an eye, the screams continued to sound, and many Nalan family disciples fell in a pool of blood.

## **The ultimate husband in Chinese chapter 6113**

“Clear the demons, wipe out the Nalan family, kill!”

“Kill...”

Seeing this, the masters of the various sects on the scene reacted and rushed into the battlefield one by one howling.

“You...”

At this moment, Nalan was so frightened that he was about to rush up to fight the enemy with his family disciples, but he was too injured just now and was powerless.

Seeing this situation, Gone quickly stopped him, and said in a gentle tone, “Restore your inner strength first, I’ll go!”

Om!

The voice fell, and Gone’s figure erupted, heading towards Prince Aotian in mid-air.

Nalan Xinran bit her lip tightly, her heart was in a mess at this time, but she still sat cross-legged and began to regain her inner strength.

In midair!

Gone was suspended there, his eyes locked on Prince Aotian: “Are you really going to fight against me?”

Prince Aotian raised a smile on the corner of his mouth: "You have to see the situation clearly, it's not that I'm against you, but you Oppose the entire Kyushu sect."

Saying that, Prince Aotian teased: "Is it worth giving up the great cause of revitalizing the demons just for a Kyushu woman?"

"Okay, very good!"

Hearing this mockery, Gone's face became gloomy, and he was too lazy to talk nonsense at the time, and said coldly: "So despicable and shameless, working with you before was the most fatal mistake I made."

This chapter is provided by . Visit for daily update.

"With me here today, no one wants to hurt her. Death." The

last word fell, and a terrifying aura erupted from Gone's body, and in an instant, the sky above the entire Furong Garden seemed to freeze.

The unfathomable aura caused everyone present to panic.

Immediately, Gone suddenly raised his right hand and hit Prince Aotian with a palm, as fast as thunder.

Feeling the breath of Gone's explosion, Prince Aotian was secretly shocked, but he calmed down quickly, and at that time, he urged all the power to meet him with a palm.

boom!

In the blink of an eye, the two sides collided fiercely in mid-air, and then heard an earth-shattering roar. Immediately, Prince Aotian groaned, and the volley was shaken back more than a hundred meters away.

Mad!

After stabilizing his figure, Prince Aotian stared at Gone, and couldn't help scolding secretly in his heart. As expected of the Supreme Being of the Demon Race, he was indeed powerful. He had almost returned to his peak state, but he couldn't even catch his palm.

Gone's face was full of pride, and he said lightly to Prince Aotian: "With this little strength, you dare to oppose me. You are afraid that you are dreaming too much."

Om!

The voice fell, Gone slowly raised his hands, accompanied by a flash of red light, an illusory long sword, condensed in front of Gone.

This long sword was formed entirely by the power of Gone's demon soul. At the moment when it was condensed and formed, a strong bloody aura filled the world.

Gudong!

At this moment, the masters of the sects below couldn't help swallowing, secretly sweating for Prince Aotian.

At the same time, feeling the suffocating aura pervading Gone's body, Prince Aotian lost his calmness just now, and a layer of cold sweat oozes out from his forehead.

"The end of going against me is death!"

Gone said coldly, raised his hand and waved, and the long sword burst into a scream, carrying unparalleled power, tearing the world and bursting towards Prince Aotian.

At this moment, Prince Aotian had almost nowhere to dodge, his face was pale at that time, and he was flustered.

"Don't be mad!"

At this moment, a loud shout came, followed by a golden figure whistling from the sky in the distance.

A golden armor, majestic and majestic, it is the God King Haotian. Prince Aotian came to the Nalan family to carry out the plan. God King Haotian was inconvenient to show up, so he had been monitoring the situation secretly. At this time, when Prince Aotian was in deep crisis, he showed up decisively.

call!

Almost in the blink of an eye, the God King Haotian rushed to the front, his divine power exploded, and a golden protective film was deployed in front of Prince Aotian.

The moment the protective film was formed, the long sword erupted.

Boom...

The next second, the long sword slammed into the protective film, and an earth-shattering roar erupted, filling the entire Furong Garden with dust and smoke.

After the dust and smoke dissipated, I saw that Prince Aotian's face was pale and there was no trauma on his body. Obviously, the protective film completely offset the power of the long sword.

"It's you!"

Seeing this scene, Gone's face was extremely gloomy, and he locked onto the God King Haotian tightly, unable to hide his anger.

## **The ultimate husband in Chinese chapter 6114**

, almost.

The sword just now, obviously can kill Aotian Prince, but was blocked by Haotian God King.

Huh...

At this moment, the two sides in the fierce battle below all looked up at the God King Haotian in mid-air, with shock flashing in their eyes.

Haotian God King...

even Haotian God King appeared.

Feeling Gone's anger, the God King Haotian didn't have the slightest change in his face, and said lightly: "Goni, the destruction of the demons is destiny, even if you took back a life and returned to your peak strength, it would not change anything. Hurry up and capture."

Haha...

Hearing this, Gone laughed up to the sky, as if he heard a big joke: "Haotian, I haven't seen you for a long time, you are getting more and more mad, and the nine gods were not qualified to let the gods go. I surrender, how old are you?"

"If that's the case, then don't blame me for being ruthless." Haotian God King said coldly, his figure turned into a golden streamer, and he went straight to Gone.

Gone snorted coldly, he was too lazy to talk nonsense at that time, his figure erupted, and he fought fiercely with the God King Haotian in midair.

Bang bang bang....

I saw that the figures of the two sides kept moving back and forth in the air, and the terrifying power erupted, causing thunder to roll, and the sky was dark and dark, like the end of the world.

This scene, many people below are stunned, and their hearts are trembling.

A fierce battle of this scale would be difficult to encounter once in a thousand years.

This chapter is provided by . Visit for daily update.

In the blink of an eye, half an hour passed, and the Haotian God King and Gone were in a stalemate. No one could do anything about the other. Speaking of which, if they broke out with all their strength, the Haotian God King would not be Gone's opponent at all!

After all, Gone is the supreme being of the Demon Race, and can face the existence of the ancestors of the Great Desolation.

It's just that in the place where Shennong lived in seclusion, Gone was severely injured by Zhu Bajie and Yue Feng. Until this time, the injury has not fully recovered. In this case, facing the God King Haotian who broke out with all his strength, it was difficult for Gone to occupy the place. upper hand.

call!

At this time, Prince Aotian retreated to the mid-air 100 meters away, watching the two sides fighting endlessly, secretly rejoicing in his heart.

Fortunately, the God King Haotian has been protecting him in the dark, otherwise, he is afraid that he will die at the hands of Gone today.

At the same time of rejoicing, Prince Aotian's eyes flashed with excitement.

If he kills Gone today, he will have a great achievement, and he will be able to take the throne of the emperor in the future.

"Shameless people die!"

Just when Prince Aotian was secretly complacent, a tender shout rang out from below.

I saw Nalan standing up slowly, holding the long sword tightly, his eyes locked on Prince Aotian, flashing endless hatred: "You killed my brother, killed my father, I want you to pay with blood."

Chi!

When the voice fell, Nalan jumped up with joy, and the long sword quickly stabbed towards Prince Aotian.

At this time, Nalan Xinran hadn't recovered his inner strength, but when he saw Prince Aotian's triumphant appearance, he couldn't help it in an instant.

Swish!

Seeing Nalan bursting out with joy, Prince Aotian's face instantly darkened, and he sneered at that time: "It's good." The

voice fell, Prince Aotian urged his figure to face it, and fought fiercely with Nalan Xinran.

Dang!

In Nalan Xinran's peak state, he was not an opponent. At this time, his internal strength had not fully recovered, not to mention the long sword in his hand was knocked down in less than a round.

"Just because you want to hurt me?"

At the moment when he knocked down the long sword, Prince Aotian's face was hideous, his voice fell, and a palm hit Nalan Xinran's heart.

There was a dull sound, and Nalan Xinran was directly shaken and flew out, flying more than 100 meters away, and finally landed heavily. When she saw her delicate face, she instantly turned pale.

Injured one after another, Nalan Xinran was extremely weak at this time, with bursts of blackness in front of his eyes, and he could faint at any time.

"Xin Ran!"

Seeing this scene, Gone roared wildly, his eyes blood red. At that time, I wanted to rush over to check on Nalan Xinran's injury, but was entangled by the God King Haotian and couldn't escape at all.

Haha....

Seeing that Gone was stimulated, Prince Aotian laughed wildly and mocked loudly: "Gonie, do you see, your beloved woman is about to die, it was a waste of you to be the supreme being of the Demon Race, but even your own woman Can't keep it."

## **The ultimate husband in Chinese chapter 6115**

"If I were you, I would have no face to live long ago, and I would have committed suicide."

Mocking, Prince Aotian's eyes flashed with slyness.

Nalan is glad to be Gone's weakness. As long as he keeps provoking him with this topic, Gone's heart will be chaotic, and then the God King Haotian will have a chance to win.

Swish!

Hearing this mockery, Gone was completely furious, glared at Prince Aotian and roared: "You! Look! Die!" The

voice fell, and the power of Gone's demon soul broke out completely, and a bloody light erupted all over his body. Immediately afterwards, a huge specter suddenly appeared in front of Gone.

This ghost is dozens of meters high, surrounded by blood and energy, and it is completely condensed by the power of the devil's soul.

"This... what is this?"

"Heaven..."

At this moment, everyone present, looking up at this huge ghost, couldn't help gasping for air.

Is this the power of the Supreme Demon?

This breath...it's scary.

At the same time, the expressions of God King Haotian and Prince Aotian suddenly became solemn.

This Gone is really crazy, and he actually exploded all his power.

"Death to me!"

This chapter is provided by . Visit for daily update.

At this moment, Gone's eyes were blood red, and he howled at Prince Aotian.

hum!

The moment the voice fell, the giant ghost waved its palms and slapped it towards Prince Aotian.

Feeling the terrifying aura pervaded by the huge ghost, Prince Aotian broke out in a cold sweat. He didn't have time to think about it at the time, he turned and forced back. Although the speed was very fast, it was difficult to escape the attack range of the ghost.

"Evil is invincible, you can't kill anyone today."

At this moment, the God King Haotian roared, his eyes fixed on the huge ghost, and the divine power inside his body surged frantically.

"Heavenly Overlord." In the

next second, the God King Haotian coldly spit out four words, and the crazy outflow of divine power quickly condensed a pair of golden red armor around him, and then the figure burst out, rushing towards the huge demon film.

boom!

In the blink of an eye, the Haotian God King collided with the huge ghost, and a deafening roar broke out. I saw that the golden-red armor around the giant ghost and Haotian God King shattered instantly.

Immediately, the Haotian God King shouted loudly, spurted out a mouthful of blood, and stumbled back after landing. Fighting alone, he was not Gone's opponent. At this time, facing Gone with all his strength, he naturally couldn't stop it.

\_ The giant ghost was formed by the condensed power of all his demon souls. After it collapsed, Gone was also attacked.

quiet!

For a while, the entire Furong Garden was deadly silent.

Even if a needle is dropped, it can be heard clearly.

Everyone looked at Gone, as if they were looking at a monster.

The strength of this Demon Race Supreme is so strong that even the God King Haotian was hit hard by him...

Swish!

While everyone was shocked, Gone quickly landed and grabbed Nalan Xinran: "Let's go!" The voice fell, and he took her to the sky in the distance.

Gone didn't want to leave in such an embarrassed manner, but there was no way.

"Run?"

Haotian God King snorted coldly, jumped up, and chased in the direction of Gone's escape.

Prince Aotian looked around and shouted at the major sects: "Destroy the Nalan family, leave no one behind." With the God King Haotian coming out, Nagone can't escape at all, and now only the Nalan family is left to deal with. .

"Kill!"

Hearing this, the masters of various sects reacted one after another, burst into a howl, and rushed towards the Nalan family crowd.

Not to be outdone, the Nalan family disciples rose up to resist.

In an instant, the cries of killing and the sound of weapons colliding constantly echoed in the sky above Furong Garden.

...

the other side.

Gone took Nalan to fly at a high speed, and in the blink of an eye, he was already a hundred miles away.

"Let me go."

Nalan Xinran was full of resistance, struggling and shouting: "I don't need your help, you let me go..."

Phew!

Gone took a deep breath and noticed that the God King Haotian was chasing behind him, and said in a complicated tone: "The God King Haotian is right behind, and if he falls into his hands, you will surely die. If you still want revenge, don't make trouble."

## **The ultimate husband in Chinese chapter 6116**

Call!

Hearing this, Nalan happily bit his lip and stopped talking.

I just saw the strength of the God King Haotian, and I know that he is very powerful. If he is caught up, the consequences will be disastrous.

It's just... how could this Gonie, who killed his father, escape with him...

Thinking to himself, Nalan Xinran became more and more upset.

...

On the other side, Shennong's retreat.

By the lake outside the gate, a simple pergola was erected on a few wooden frames. Yue Feng and Zhu Bajie were sitting inside, fishing comfortably, with a bamboo pole each.

Before Yue Feng and Zhu Bajie practiced against Goni, they were injured to varying degrees. Yue Feng was the most seriously injured.

However, with Shennong's careful care, Yue Feng's injury was almost healed in less than a day.

While cultivating, Yue Feng did not forget to inquire about the situation of Tianmen.

At that time, the elder Wudang led the Divine Supervision God Soldiers to besiege the Tianmen, but Zhu Bajie knew a little about it, so he said it out loud.

At the end, Zhu Bajie regretted: "When I arrived, the villa was already in ruins. Hey, it's still a step too late." As he

spoke, Zhu Bajie shook his head.

What?

This chapter is provided by . Visit for daily update.

Hearing this, Yue Feng was shocked: "What about Brother Wen and the others?"

When he asked, Yue Feng's eyes were full of anger. Damn, God King Haotian is not only cunning, but his methods are becoming more and more shameless. If you can't catch me, go to Tianmen.

call!

Zhu Bajie breathed a sigh of relief, patted Yue Feng's shoulder and comforted: "At that time, I investigated, Wen Chou Chou, Sun Dasheng and others were all imprisoned in Qintianjian, but you don't need to worry, I heard later that your Cold Bing girl broke into the diligent Tianjian alone and rescued them all." That's

great!

At this moment, a smile appeared on Yue Feng's face, and he was relieved.

At the same time, an ice-cold appearance appeared in his mind, which was indescribably gratifying. My daughter has grown up and can be on her own.

Whoa...

At this moment, Zhu Bajie sensed something and raised his fishing rod abruptly. A huge carp was caught. Zhu Bajie was so excited that he threw the fish into the small bucket next to him: "Haha, Brother Yue Feng, you can't fish, I've already caught so much, and you haven't caught one yet?" As he

spoke, Zhu Bajie smugly shook the small bucket beside him, and he saw that it was full. There are more than a dozen, but the buckets on Yue Feng's side are empty.

Uh...

Yue Feng smiled bitterly, but did not refute. Today, Tianmen and Brother Wen are all in his mind, and he can't calm down at all. How can he catch fish?

But knowing that they were rescued by Bingbing, for the time being, I felt relieved.

"Yue Feng!"

At this moment, Su Xueying came out of the small courtyard, holding a bowl of medicinal soup in her hand, came to Yue Feng, and said softly: "This is the last bowl of medicinal soup prepared by the master, drink it, you The injury will be healed as soon as possible."

After speaking, Su Xueying blew it very intimately, and then handed it to Yue Feng.

Today's Su Xueying is wearing a long white dress with a flowing skirt. With her delicate facial features and charming curves, she is full of fairy spirit.

"thanks!"

Yue Feng couldn't help but glanced at it, then smiled, picked up the soup and drank it.

Damn ...

At this moment, Zhu Bajie couldn't help looking at Su Xueying up and down, and was deeply attracted by her fresh and refined temperament, and his eyes were straight.

Beautiful, so beautiful.

This temperament, even compared to Chang'e, is not inferior.

Feeling Zhu Bajie's scorching gaze, Su Xueying frowned secretly.

This lascivious guy is really annoying to hang around every day.

"Beauty!"

At this moment, Zhu Bajie regained his senses and smiled at Su Xueying: "Why do you only give medicine to Yue Feng, I have no part in it, I was also injured before, oh my, now I'm still covered in pain. It's uncomfortable, why don't you help me feel the pulse?"

When he said this, Zhu Bajie's face was uninhibited, and his eyes were full of playfulness.

Swish!

Seeing what he said so frankly, Su Xueying's face flushed, and she said angrily, "Master didn't prepare soup for you."

"Why!" Zhu Bajie suddenly shouted, very dissatisfied: "Before, for protection Everyone, I also contributed, how can old Shennong treat him differently?"

## **The ultimate husband in Chinese chapter 6117**

Su Xueying pursed her lips and ignored it.

Haha...

Seeing this scene, Yue Feng couldn't help laughing.

Zhu Bajie is a self-proclaimed romantic, living in the midst of thousands of flowers, and the leaves don't touch his body, but he also has beauties who can't handle it.

Laughing secretly, Yue Feng finished the soup in one breath.

At this time, Zhu Bajie said more and more vigorously: "Beauty, your master is not friendly, you can't be like him. I know you have a good heart, so please give me a pulse.

"The internal injury did not receive timely treatment and died here, wouldn't it ruin the reputation of your master Yaozu."

Su Xueying said indifferently, "Master said, you are rough and fleshy, even if everyone here is dead, you won't die, and I won't give you a pulse." The master said, Zhu Bajie's lustful nature must stay away from him.

After saying this, Su Xueying took the soup bowl from Yue Feng's hand and turned back to the small courtyard.

well!

Seeing the back of Su Xueying leaving, Zhu Bajie sighed and said disappointedly: "The falling flowers are intentional, the flowing water is ruthless, what's the use of catching so many fish? It's hard to win a smile."

Hearing this, Yue Feng couldn't help it. He laughed: "Brother Zhu, I think you should save your energy, a twisted melon is not sweet."

"What do you know?"

Zhu Bajie gave him a narcissistic look and said: "This Su Xueying's temper, It suits my appetite..." Before

he could finish speaking, Yue Feng couldn't help joking: "I think they are all the beautiful women in the world, they all suit your appetite."

This chapter is provided by . Visit for daily update.

"Go, go, don't mess around. Said, my old Zhu is also very principled."

The two were bickering when they saw a colorful poisonous snake crawling through the grass next to it.

Got it!

Seeing the poisonous snake, Zhu Bajie's eyes lit up, he quickly got up and rushed over, grabbing the tail of the snake.

"Hiss..." The

poisonous snake was taken aback, coiled its head and quickly took a bite on Zhu Bajie's arm. Instantly, the venom was injected, and blood gushed out.

"Ouch!"

At this moment, Zhu Bajie shouted, collapsed directly to the ground, looking in pain, and shouted into the yard, "Mei Su, come and help, it's going to die."

The shouting colleague, Zhu Bajie seemed to be in pain, but there was a slyness in his eyes.

Yes, Zhu Bajie did it on purpose.

Zhu Bajie has been practicing for thousands of years, and he has already been immune to all poisons. Although the venom of this poisonous snake is very strong, it is difficult to hurt him. He did this just to get close to Su Xueying.

Haha...

Seeing this scene, Yue Feng couldn't help shaking his head and laughing.

In order to get close to the beauty, Zhu Bajie really worked hard. Zhu Bajie's trick can deceive others, but he can't deceive Yue Feng.

"What's wrong?"

At this moment, when she heard Zhu Bajie's shout, Su Xueying ran out quickly, and she was startled when she saw him collapsed in the grass.

Seeing her coming out, Zhu Bajie secretly rejoiced, and pretended to be in pain: "Beauty Su, I was bitten by a poisonous snake, save me quickly, otherwise, I will be poisoned and die." As

he spoke, Zhu Bajie said Jie Yang raised his arm, and saw that the bitten place had begun to turn black.

This....

Seeing this scene, Su Xueying was taken aback. She was a little panicked at the time. Master went out. What should I do?

Soon, Su Xueying calmed down and said, "I'm going to get the medicine." In the pharmacy, there are many medicinal pills that Shennong refined before, many of which are specially used to treat snake venom.

At this time, Su Xueying didn't realize that Zhu Bajie in front of her was dressed.

Hey, success.

Seeing that Su Xueying didn't notice anything unusual, Zhu Bajie couldn't be more excited.

Yue Feng couldn't help saying: "Brother Zhu, you..."

Before he could finish speaking, Zhu Bajie shook his head to stop him: "Brother Yue Feng, this is a rare opportunity for me to get close to a beauty, don't expose me. Ah."

Seeing him say that, Yue Feng shook his head with a wry smile, stopped talking, and quietly watched him perform.

At this moment, Su Xueying came out with more than a dozen medicinal pills, took out one and handed it to Zhu Bajie: "This is for the treatment of snake venom, you should take it quickly."

"Beauty still cares about me."

Zhu Bajie Jiemeizi took the medicine pill, praised it, and swallowed it.

Just the moment he swallowed the medicinal pill, Zhu Bajie secretly activated the inner strength of his dantian to speed up the blood flow in the whole body. Immediately, the snake venom in the wound also spread rapidly.

## **The ultimate husband in Chinese chapter 6118**

"Oops!"

Zhu Bajie pretended to be flustered, looked at Su Xueying pitifully and said, "Beauty Su, this medicine doesn't seem to work, how does the snake venom spread so fast?"

Su Xueying heard this. She had no idea what to do, so she took out another pill: "Then take this pill and try it..."

She clearly saw that Zhu Bajie's entire arm started to grow black. She studied medicine since childhood, and naturally it turns out that this is the consequence of the spread of venom.

This...

Zhu Bajie hesitated, and said with a tangled face: "Beauty Su, pills are not to be eaten randomly, I have already eaten one just now, so I will speed up the spread of the venom. , I'm afraid this life is gone."

"Then... what should I do?" Su Xueying bit her lip lightly, her delicate face panicking.

Because what Zhu Bajie said is right, it is a medicine with three points of poison. If you try it indiscriminately, it is easy to kill people.

I went...

Watching Zhu Bajie's serious acting, Yue Feng was both funny and emotional.

In order to get close to the beauties, Zhu Bajie is too good at it. It actually stimulates the internal force and speeds up the spread of snake venom... It's

amazing.

Hmm...

At this time, seeing Su Xueying's tangled face, Zhu Bajie pretended to think for a while, then looked up at Su Xueying's alluring face: "It seems that there is only one way."

"What way?" Su Xueying asked quickly .

This chapter is provided by . Visit for daily update.

Zhu Bajie scratched his head: "Help me suck out the snake venom, so as to prevent the snake venom from spreading further."

When he said this, Zhu Bajie looked serious, but secretly looked forward to it in his eyes, and his heart was even more inexplicably excited. The reason why he deliberately stimulated his inner strength to speed up the spread of snake venom was to ask Su Xueying to help him suck out the snake venom. .

Swish!

Hearing this, Su Xueying's delicate face immediately blushed.

The next second, Su Xueying quickly shook her head: "How can this be possible? No, no..." Since childhood, she has never been in love, and she has never even held a man's hand. How can she use her mouth to help him take drugs?

Men and women don't give and receive.

Seeing her refusal, Zhu Bajie did not panic at all, and said with a bitter face: "If Su Meimei refuses, there is no other way. It seems that my luck is not good today, and I will be poisoned here."

"Hey, If the news of my death here spreads, people on the rivers and lakes should say that Shennong deceives the world and steals his name, and he will not save him if he sees death..." As he

spoke, Zhu Bajie quietly observed Su Xueying's reaction.

yes.

Hearing this, Su Xueying was even more confused. If Zhu Bajie died here, Master's reputation would be ruined.

But...helping him take drugs with his mouth is completely impossible.

At the intersection, Su Xueying saw Yue Feng not far away, her eyes lit up, and she quickly said, "Yue Feng, come and help, give Zhu Bajie snake venom."

How could he forget Yue Feng?

Uh...

At this moment, Yue Feng was stunned for a moment, couldn't help scratching his head, and didn't know how to respond for a while.

Zhu Bajie is just pretending, what's the matter with helping him take drugs?

At the same time, Zhu Bajie's expression also changed, and he quickly waved his hand and said, "No, no..." After tossing for so long, the ultimate goal was to get close to Su Xueying, how could Yuefeng come?

"Why?" Su Xueying couldn't help asking, not knowing the situation.

This...

Zhu Bajie's mind turned quickly, while thinking, he explained again and again: "This... Brother Yue Feng's injury has not healed yet, so he hastily helped me to take drugs, what if the injury worsens?"

"You too ? I don't want to see something happen to Yue Feng."

After saying this, Zhu Bajie couldn't help but winked at Yue Feng secretly.

Hearing this, Su Xueying was completely in trouble.

That's right, Yue Feng's injury hasn't healed yet, so how can he help out the poison.

Yue Feng was also secretly funny, this Zhu Bajie really did everything to get close to Su Xueying.

Um?

Muttering in his heart, Yue Feng suddenly sensed something, so he couldn't help but turn his head to look, and he was stunned for a moment.

Just a hundred meters away, a beautiful shadow came slowly along the lake.

This woman's facial features are beautiful, and she is wearing a long silk dress, which can't hide her charming curves, but there is shame and grief between her brows.

It is Gonggong.

## The ultimate husband in Chinese chapter 6119

What the hell

!

Seeing Gonggong, Yue Feng was stunned.

How did this woman come.

Yue Feng clearly remembered that after the Bai Yunfei cholera incident ended, Gonggong retired from the rivers and lakes and rarely appeared in the rivers and lakes. At this time, he never thought that he would meet her here.

What surprised Yue Feng even more was that as Gonggong got closer, he saw her lower abdomen bulging slightly.

Obviously, Gonggong is already pregnant.

I went...

Discovering this, Yue Feng's mind was buzzing and blank.

I read that right, Gonggong is pregnant.

You know, Gonggong is the No. 1 female powerhouse in the Northern Ying Continent, with outstanding strength. Even if Zhu Rong and Shennong see it, she will be afraid of three points. After so many years, there are only two people who can make her surrender willingly. One is Emperor Houyi. One is Erlang Zhenjun Yang Jian.

It's just that Emperor Houyi and Yang Jian no longer exist. Is there still a man who can conquer such a powerful woman?

Just when Yue Feng was stunned, Gonggong was already ten meters away.

At this moment, Gong Gong looked at Yue Feng and nodded. Then his eyes locked on Zhu Bajie coldly, his eyes were cold, unable to hide his anger.

call!

Seeing this situation, Yue Feng took a deep breath, and instantly realized that Gonggong came here specially to find Zhu Bajie.

Moreover, judging from the way she looked at Zhu Bajie, the two seemed to have a story.

At this moment, Zhu Bajie's attention was completely on Su Xueying, and he didn't notice the Gonggong behind him.

And Su Xueying was in a tangle in her heart, and she couldn't notice the situation around her at all.

"Oops!"

Seeing her hesitating, Zhu Bajie decided to strike while the iron was hot, and continued to hum while lying there: "No way, the whole person is numb, it is estimated that the snake venom is about to seep into the heart, Su Mei, you can't wait to die. Help ."

Hearing this, Su Xueying bit her lip tightly: "Okay, I'll help you suck it." Seriously, Su Xueying was reluctant to inhale snake venom for Zhu Bajie.

But there is no way, if the master is not there, we can't see death without saving it.

When the words fell, Su Xueying leaned down, ready to inhale snake venom for Zhu Bajie.

Haha, it worked.

At this moment, Zhu Bajie was almost overjoyed, and when he asked Su Xueying's scent from a close distance, he was even more intoxicated.

"I don't need you, I'll help him suck."

However, at this critical moment, Gong Gong's cold voice sounded.

Su Xueying's delicate body trembled, she turned her head to see Gonggong, and was stunned.

What a beautiful woman.

At the same time, when Zhu Bajie suddenly heard Gonggong's voice, he was even more startled. He bounced off the grass and looked back at Gonggong.

The next second, Zhu Bajie rubbed his eyes, determined to be Gonggong, and suddenly squeezed out a smile: "Oh, why are you here?" But the smile was too forced.

At this time, Zhu Bajie felt bitter in his heart and almost wanted to cry without tears.

Half a year ago, Zhu Bajie inadvertently broke into Gonggong's secluded place. The two sides fought fiercely and finally competed for internal strength. Both Zhu Bajie and Gonggong almost went into trouble...

At that time, both of them lost their minds, and things happened that shouldn't have happened.

In the end, Gonggong became pregnant with Zhu Bajie's child.

At that time Gonggong was very ashamed and was about to abort the child, but when Zhu Bajie found out, he was very excited and took the initiative to find Gonggong, saying that he would take care of her and the child for the rest of their lives.

Gonggong couldn't stand Zhu Bajie's rhetoric. After all, he had been in the rivers and lakes for many years and wanted to find a home, so he agreed to Zhu Bajie, but she was too strong.

For the next few months, Zhu Bajie had been hiding from Gonggong.

But I never thought that Gonggong would find this place...

"Zhu Bajie!"

Facing Zhu Bajie's smiling face, Gonggong was very ashamed and angrily said: "You ruthless bastard. , you have been avoiding me for a few months, you don't want the child anymore, right, okay, I will kill him now." The

voice fell, Gong Gong's jade hand raised, and he was about to pat his stomach.

"Don't, don't..."

Zhu Bajie was shocked, rushed over, grabbed Gong Gong's hand, and said with a smile: "Don't be so impulsive, how can I avoid you, I'm here to find old man Shennong , something serious."

## **The ultimate husband in Chinese chapter 6120**

I'm going...

Seeing this scene, Yue Feng was completely dumbfounded, staring blankly at Zhu Bajie and Gonggong, unable to speak for a long time.

The child in Gonggong's womb... Really Zhu Bajie's?

At the same time, Su Xueying was also stunned, looking at Zhu Bajie puzzled.

He... wasn't he poisoned? How can you be so sensitive?

“Go away!”

This is, Gonggong shook off Zhu Bajie's hand and said coldly: “Don't touch me. I still don't know about your flowery intestines? Why do you want to ask Shennong for serious business? I think you are here to touch the flowers. You're a mess.”

As he spoke, Gong Gong grabbed Zhu Bajie's ear and said angrily, “Pretend to be poisoned to deceive people, how are you going to be ashamed?”

At this time, Gong Gong was almost too angry, I really wanted to kill Zhu Bajie directly, but thinking of the child in my stomach, I finally held back.

“Oh, oh...”

Zhu Bajie gasped, only feeling that his ears were pulled off, he couldn't help shouting: “Take it easy, take it easy, I'm not making a joke on Su Meimei. ?”

When saying this, Zhu Bajie's face was embarrassed.

Unlucky.

I thought that this time I would be able to get close to Beauty Su, how could I know that the Gonggong tigress suddenly appeared.

“You...”

This chapter is provided by . Visit for daily update.

Seeing this situation, Su Xueying finally understood that she was being tricked.

Ha ha...

Yue Feng was overjoyed, and couldn't help but asked Zhu Bajie, “Brother Zhu, what's the matter with you?”

After saying that, Yue Feng looked at Gonggong: “She...now is My sister-in-law? And the child in my womb...”

Alas!

Before Yue Feng could finish his question, Zhu Bajie said with a bitter expression: “Accident, accident...”

Seeing what he said, Gonggong was not happy, and his pretty face froze: "What do you mean? You were with me before. Those words that he said are all fake, right? The child doesn't want it anymore, right?"

Gonggong grabbed his ear's hand and tried a little harder.

"Oh, it hurts..."

Zhu Bajie couldn't help crying, tears of pain were coming down: "I didn't mean that, I can't bear you, let alone children, let's stop making trouble, in Yue Feng In front of my brother, give me some face..." To

be honest, with Zhu Bajie's strength, he could forcibly break free, but he was afraid of hurting the child in his stomach, so he could only let Gonggong grab his ears.

Haha....

Seeing this scene, Yue Feng couldn't help laughing again.

This Zhu Bajie boasted of being a romantic one, but he never thought that it would end up in Gong Gong's hands. I have to say that Gonggong's personality is too strong, and it completely suppresses Zhu Bajie.

Just having said that, Gonggong is also a goddess-like existence. Zhu Bajie seems to suffer, but in fact he has made a lot of money.

Thinking to himself, Yue Feng clenched his fists at Gonggong: "Yue Feng has seen his sister-in-law, and since she is his own, the previous grievances and grievances will be written off. In addition, I wish my sister-in-law a big fat boy."

Well!

Hearing this, Gong Gong nodded and then released his hand.

At this time, Yue Feng smiled at Zhu Bajie and said, "Brother Zhu, my sister-in-law has a big belly. She came to you after all the hard work. You can go back with her. I'll go back to see you when I have a chance.

" At this point, Zhu Bajie's face was full of bitterness: "I'll make my brother laugh. When you have time, let's have a drink together. Then I'll go ahead." After speaking

, Zhu Bajie smiled at Gonggong. After a few words of coaxing, she hugged her shoulders and left together.

Hu....

Watching the two go away, Yue Feng couldn't help but take a deep breath, secretly lamenting the impermanence of the world.

You must know that although Zhu Bajie and Gonggong are not mortal enemies, every time they meet, there is always a fierce battle. Who would have thought that the two would come together in the end?

Shasha...

Just when Yue Feng was secretly sighing, Su Xueying slowly walked out of the yard.

When she got to the front, Su Xueying asked softly, "That sex..."

She wanted to say something about a pervert, but she suddenly realized that something was wrong. She blushed and quickly changed her words: "That Zhu Bajie is gone?"

"Go away. !"

Yue Feng nodded and said with a smile: "With Gong Gong watching him, you can rest assured that he will not pester you again in the future."
