

The ultimate husband in Chinese chapter 6141-6150

Huh

....

Just when Nalan was heartbroken, he saw a black mist escaping from Gone's body, surrounding him, condensing and not dispersing.

This is the last remaining demon soul of Gone, and it seems that he is still attached to Nalan Xinran and refuses to leave...

"Goni!"

Seeing this scene, Nalan Xinran was startled again, and was somewhat overjoyed: "Is that you..."

Nalan was pleased at this time, and he still had the last hope in his heart, thinking that Gone was not really dead and would be reborn soon.

However, she was wrong.

This remnant of Gone's soul could not hear her words at all, and finally gathered together to form a peculiar black jade, which fell in front of Nalan Xinran.

Immediately afterwards, Gone's body radiated a blood-red light, and then slowly dissipated... In the end, only the black long gown remained.

Pfft....

Seeing this situation, Nalan Xin was completely desperate, and her delicate body shuddered and slumped on the ground.

At this time, Nalan was pleased and finally realized that Gone was completely gone and could never be reborn again. She wanted to cry, but she couldn't cry now.

I don't know how long it took, Nalan calmed down with pleasure, picked up the black jade, and gently put it in his heart to feel it.

She clearly felt that there was a faint power fluctuation in the black jade, which was the last ray of demon soul left by Gone. After feeling it for a while, Nalan happily put the black jade close to her body.

After doing this, Nalan gladly dug a tomb with both hands, burying the black long gown as a tomb of Gone. Afterwards, Nalan happily stayed in front of the tomb for a long, long time, and did not leave until night fell.

...

on the other side, Zhongzhou.

In a villa located in the southern district of Zhongzhou City, Zhu Bajie sat on the sofa in the living room on the second floor, clasping his hands tightly, indescribably nervous and worried.

From the next room, Gonggong's painful bass sounded from time to time.

At the door of the room, a few beautiful maids were standing there, and they were all nervous.

This villa was purchased by Zhu Bajie in business. At the beginning, Zhu Bajie entered the film and television industry on a whim and made a lot of money. Later, when he got tired of it, he sold the company and lost a lot of money. .

Zhu Bajie used the money to buy real estate in all parts of Kyushu, and this villa in Zhongzhou is just one of them.

Three days ago, after Zhu Bajie was found by Gonggong in Shennong's seclusion place, the two came to Zhongzhou together.

In order to facilitate Gonggong to raise the child, Zhu Bajie arranged for her to live in this villa and recruited several maids to serve her. However, Zhu Bajie's frivolous behavior and frivolous speech made Gonggong angry.

Half a day ago, Gonggong and Zhu Bajie quarreled again over trivial matters. At that time, the fetal gas moved, and his stomach hurt. Zhu Bajie panicked at that time, and quickly comforted him.

Who knows, the more Gonggong hurts, the worse it gets.

It didn't work for Zhu Bajie to help her channel her inner strength, so she could only go to Shennong. As a result, Shennong went out and was not in a seclusion place. There was no other way.

However...

this Jianghu Youyi has been in the room for almost half an hour, but has never come out.

Zhu Bajie was panicking as he waited outside, almost on pins and needles.

Gonggong's strength is strong, and there will definitely be no danger. Zhu Bajie is worried about the child. This is the first child in his lifetime, and there must be no accident.

Squeak...

Just when Zhu Bajie was in a hurry, the door suddenly opened, and the Jianghu Youyi came out sweating profusely, with a bitter look on his face.

Zhu Bajie hurried over and asked impatiently, "How is it? What's the matter with my wife?"

Phew...

Jianghu Youyi took a deep breath and said complicatedly, "Mr. Zhu, your wife's anger is too strong, causing the child to be born with stunted growth, and the situation is very special."

After saying this, Jianghu Youyi was embarrassed.

What?

Hearing this, Zhu Bajie was startled, and quickly looked into the room, only to see where Gong Gong was lying, his delicate face covered with cold sweat, very painful.

"Then what are you waiting for?" Seeing this situation, Zhu Bajie was so anxious that he shouted at the Jianghu Youyi: "Hurry up and heal, as long as you can save the child, I will give you one million..."

At this time, Zhu Bajie was completely panicked.

The ultimate husband in Chinese chapter 6142

"Mr. Zhu!" The

Jianghu Youyi looked embarrassed, but he only promised: "I also want to be cured, but your wife's situation is too special. I am not skilled in medicine, so I dare not make blind shots."

Said, Jianghu What Yu Doctor thought, he continued: "But according to my inference, if Mr. Zhu can find the anti-abortion medicine 'Five Elements Linglong Pill'. Maybe..."

Before he could finish speaking, Zhu Bajie waved his hand impatiently: "Go, go, get the hell out of here..."

As the most powerful person in the Jiuzhou rivers and lakes, Zhu Bajie certainly knew the Five Elements Linglong Pill, but this kind of pill was very rare. Back then, the Beiyong Palace only collected two of them.

“Yes, then I’ll retire.”

Seeing Zhu Bajie’s anger, the Jianghu Youyi did not dare to neglect, folded his fists, and walked away in despair.

Five Elements Linglong Pill...

After the Jianghu Youyi left, Zhu Bajie sat on the sofa holding his head, muttering to himself, feeling agitated inside.

correct.

Suddenly, Zhu Bajie thought of Yue Feng.

Brother Yue Feng’s accomplishments in alchemy are unparalleled in the Kyushu continent, and he will definitely be able to refine the Five Elements Exquisite Pill. How could you forget him?

Thinking to himself, Zhu Bajie stood up excitedly, but in the next second, he sighed.

Yue Feng’s whereabouts are uncertain, Shenlong sees the beginning but not the end, and now I don’t know where it is. It is difficult to find him in a short time, but the situation of Gonggong can’t wait.

For a time, the more Zhu Bajie thought about it, the more distressed it became.

After struggling for a moment, Zhu Bajie slowly approached the room and asked Gonggong to please, “Miss, how do you feel?”

“Go away!”

At this time, Gonggong was suffering from unbearable stomach pain. He was so angry that he immediately shouted, “I don’t want to see you. If it wasn’t for you, I wouldn’t suffer like this.”

Uh...

Zhu Bajie looked helpless, With a wry smile, he said, “How can you blame me? The doctor just said that you are too angry.” This Gong Gong is really a tigress, if only he could be gentler.

“Shut up!”

As soon as he finished speaking, Gonggong’s anger was not at all, and he shouted: “You still have the face to say, if you weren’t angry with me, would I be so angry? What wrong have I done? Met a bastard like you...”

Zhu Bajie was scolded with bloody head, unable to say a word at that time, he could only walk out of the room embarrassedly with a smiling face.

Although Gonggong has a big temper and is not easy to get along with, she can’t ignore it. Who told her to destroy her own child in her stomach.

Brother Yue Feng could not find it for the time being, so he could only go to Shennong again.

Thinking to himself, Zhu Bajie said to the maids outside the door, “You guys, take care of your madam, I’ll leave and come back soon.”

“Yes!” The

maids responded at the same time.

Zhu Bajie stopped talking nonsense, explained a few more words, and left the villa in a hurry, rushing towards Shennong’s seclusion place.

...

the other side.

On the mountain road a hundred miles southwest of the Nalan family, a figure slowly moved forward, a lonely figure.

It was Nalan gladly.

After setting up a tomb for Gone at that time, Nalan gladly planned to return to the family first, but along the way, he kept thinking of Gone in his heart, and the more he thought about it, the more uncomfortable he felt.

Whoa!

At this moment, a group of people suddenly rushed out from the woods next to him, each with a knife and a sword in their hands, and surrounded Nalan Xinran.

These people are the masters of various sects who had been scattered from the Nalan family before.

“Nalan Xinran?”

Seeing that it was Nalan Xinran, the masters of the sects were all taken aback and looked around subconsciously.

At that time, the Supreme Demon took Nalan away with joy, and everyone saw it. At this time, she was alone, and they couldn't help but wonder if the Supreme Demon was nearby.

However, none of them knew that Gogne was dead and vanished.

“It's you...”

At this moment, Nalan was pleased to see the masters of the various sects in front of him, and his delicate body was shocked, his delicate face became solemn, and his eyes could not hide the resentment.

In front of these people, Kongtong faction, beggar gang, Feiyumen... They were in Furong Garden before, wantonly massacred the disciples of the family, that bloody scene, Nalan Xinran will never forget for the rest of his life.

“Nalan Xinran!”

At this moment, Yu Dahai, the deputy head of the Kongtong faction, took a step forward, clenched the golden ring saber in his hand, and stared at Nalan Xinran and shouted: “It's really a narrow road for the enemy, I was in Furong before. The garden let you run away, and now we'll see where you hide.”

The ultimate husband in Chinese chapter 6143

Saying that, Yu Dahai looked around vigilantly, and continued: “What about Gone, the Supreme Being of the Demon Race? Ask him to come out and die together.”

At this time, Yu Dahai's tone was arrogant, but he was panicked in his heart. no.

He said this on purpose, just to confirm whether Gone was nearby, and if he was nearby, he would flee with his disciples as soon as possible.

If she is not there, take Nalan Xinran immediately. You know, Nalan Xinran is a famous goddess of the rivers and lakes. As long as she is taken down, the Kongtong faction will be famous in the rivers and lakes.

Wow....

The voice fell, and the other sect masters around also shouted.

“Yes, let him come out and die quickly.” “Your Nalan

family has colluded with

the demons . It is not a pity to die, not one can escape.”

When the sect masters shouted, their eyes flashed cunningly. They were not stupid. Like Yu Dahai, they also wanted to make sure that some Gognies were nearby.

Swish!

The screams kept coming, and Nalan happily bit his lip, and a raging anger rose in his heart.

Thinking of Gone’s death again, Nalan Xinran trembled even more in the suburbs, unable to restrain the killing intent in his heart. If this group of people were not bewitched to besiege the Nalan family, Gone would not show up to help, nor would he after that. It will hurt, and it will not leave you forever.

“You, all! Damn!”

At this moment, Nalan Xinran became more and more angry the more she thought about it. At that time, she had lost her mind. She opened her red lips and spit out a few words coldly. Then she got up and rushed towards Yu Dahai in front of her .

laugh...

When he was about to approach, Nalan gladly drew out his long sword and stabbed Yu Dahai in the heart.

This sword contains 100% of Nalan Xin’s inner strength. When the sword edge passes, the air is suddenly torn apart, and the power is amazing.

This woman is... crazy.

Faced with this situation, both Yu Dahai and the other sect masters present were all shocked.

They never thought that Nalan readily said that he would do it, and the first shot would be a killer move.

Especially Yu Dahai, feeling the power of Nalan Xinran’s sword, felt a chill down his spine. He had no time to back away, so he could only raise the golden ring saber to resist.

clang!

The long sword slammed into the golden ring saber fiercely, making a shock, Yu Dahai only felt a powerful force coming, and immediately snorted, staggered back a dozen steps, and the blood in his body was churning.

Nima...

Soon, Yu Dahai stabilized his figure, stared at Nalan Xinran, and cursed inwardly, shocked.

This Nalan is glad to be the top expert of the Nalan family, and now he has become a lost dog, and he can still burst out with such a powerful force.

Thinking to himself, Yu Dahai took a deep breath, and then mocked at Nalan Xinran: "Nalan Xinran, how are you? As the Supreme Being of the Demon Race, is it a bit shameful for you to be a woman against the enemy? ."

While speaking, Yu Dahai was vigilant.

Although Nalan Xinran is very strong, Yu Dahai is not afraid at all, what he is afraid of is Gone.

Swish!

Hearing this mockery, Nalan's face flushed with joy, and she was extremely embarrassed.

Gone's death has already made her very sad, but Yu Dahai and the others in front of them are making fun of her and Gone's affairs, which is undoubtedly adding fuel to the fire.

In anger, Nalan said coldly: "Killing you gang of despicable and shameless people, it's impossible for others to take action, I can kill you all alone."

"Death!" The

last word fell, Nalan happily walked lightly, and the long sword drew a shock, and came towards Yu Dahai again.

call!

Yu Dahai took a deep breath, holding his identity, he couldn't retreat, he could only grit his teeth, waving the golden ring saber to meet him, and fought fiercely with Nalan gladly.

Dangdangdang...

In the blink of an eye, the two sides fought fiercely for more than a dozen rounds. At first, Yu Dahai was a little confident, but he was gradually suppressed by Nalan Xinran.

You must know that Nalan Xinran has half of the power of the demon soul of Gone in her body.

The other sect masters did not rush forward to help, but retreated to the surroundings and watched quietly.

Huh....

at this time, I noticed that Nalan Xinran's strength was much stronger than before, and the masters of various sects were secretly shocked.

The ultimate husband in Chinese chapter 6144

What's the matter?

I haven't seen each other for a long time. How could Nalan Xinran's strength be so much stronger than before?

clang!

Just when everyone was secretly shocked, Nalan Xinran collided with Yu Dahai's sword, and heard a shock, Yu Dahai groaned, and was shaken back again.

The moment he stabilized his figure, Yu Dahai shouted at the crowd, "Fellow fellows, don't watch the show, Nagone is not nearby, let's go together." As

he spoke, Yu Dahai cursed inwardly.

These hypocrites are just waiting to pick up ready-made ones, but I will not let you get your wish.

Hearing this, the masters of the various sects looked at each other, but no one came up to help.

In the next second, He Mingchun, the sect master of Feiyu Sect, shouted: "Sect Master Yu, since the Supreme Demon is not there, only Nalan Xinran is the only one, you Kongtong faction is enough, so we need to take action?" The

voice fell, the others They nodded yes.

“Yes, we are still vigilant around the surroundings to prevent the Demon Race Supreme from raiding.”

“A mere woman, can’t your Kongtong faction still handle it?”

“Yeah...”

Yu Dahai guessed right, these sect masters, each has his own feelings. The ghosts want to pick up ready-made ones, and don’t want to waste their own strength.

Mad!

This chapter is provided by . Visit for daily update.

Hearing this, Yu Dahai was furious, looked around and shouted: “Don’t talk nonsense, hurry up together, this woman is a little weird, her strength is more than twice as strong as before.”

“You continue to waste time, When the Demon Race Supreme comes to support, everyone will not be able to survive.”

The last word fell, Yu Dahai silently adjusted his internal strength, clenched the golden ring saber, and rushed towards Nalan with pleasure.

That ‘s right....

Hearing Yu Dahai’s words, the masters of various sects were stunned for a moment, and their faces became solemn.

If Nagone came to support, none of those present would survive.

At this time, everyone did not know that Gone had died in the hands of the God King Haotian and no longer existed.

“Sect Master Yu, I’m here to help you.”

“And me...” The

next second, several sect masters spoke, then jumped up and rushed to join Yu Dahai to deal with Nalan Xinran.

call!

Seeing this scene, the disciples of the various sects below couldn’t help but take a deep breath.

Just saw Nalan Xinran's charming figure in mid-air, shuttle back and forth between several masters, that sexy curve, perfectly displayed, so many disciples watching below, their eyes are straight.

Ten minutes passed in the blink of an eye, even if Yu Dahai and others cooperated closely, they were still unable to suppress Nalan.

On the contrary, in a few rounds, Yu Dahai and others were stabbed by her long sword. Although these injuries were not fatal, they also affected their performance.

Mad!

Under such circumstances, Yu Dahai was very anxious. At that time, he had a flash of inspiration and shouted at Nalan Xinran: "Nalan Xinran, you have some reputation in the rivers and lakes, but you are willing to escape into the devil's way and be a woman of the devil. Don't you feel ashamed?"

Yu Dahai's eyes flashed cunning and sinister when he said this.

Yes, he deliberately wanted to anger Nalan Xinran.

You must know that the state of mind is the most important thing in the duel between masters. Once they are provoked and lose their reason, they will reveal their flaws.

"You're courting death!"

Sure enough, Nalan Xinran was instantly enraged, and then she shouted: "The dog can't spit out ivory, so I'll kill you first."

Nalan Xinran was very embarrassed at this time.

She and Gone were innocent, and they didn't even have close contact. At this time, she was so slandered by Yu Dahai, how could she not be angry?

Haha... Seeing that she was successfully provoked, Yu Dahai was secretly delighted, and immediately continued to shout: "What? You have done such a shameless

thing, are you afraid that people will say it?"

I'm as curious as I am, have you and Nagone already had the same room?"

"I'm thinking, is the child you gave birth to is a human, a devil, or... not a person or a devil? Hahaha. ..."

Boom!

The last sentence fell, and the audience burst into laughter. Everyone looked at Nalan's happy eyes with contempt and complexity.

Immediately afterwards, many sect masters followed Da Quer.

"What's not a person is not a demon, I think it's nondescript."

"It's wrong, it should be called a demon."

"Haha, I'm afraid that she will be born a freak, but it's a pity that she is such a beautiful beauty..."

The ultimate husband in Chinese chapter 6145

The words that everyone dared not hear, you and I came, and Nalan blushed happily and was completely furious.

"A bunch of shameless people..."

In anger, Nalan Xinran shouted coldly and tenderly: "If I don't kill you, I, Nalan, gladly swear that I will not be a human being." When the voice fell, Nalan was pleased to burst into inner strength, and with a twist of the long sword, He stabbed at Yu Dahai fiercely.

She and Gone are innocent, how can they allow people to be so blasphemous and slander?

hum!

It's just that the long sword was halfway through, and suddenly, Nalan Xinran's delicate body trembled, and her face turned red and white.

She clearly felt that the inner strength of her dantian suddenly became disordered.

At that time in the ruined temple, Nalan Xinran committed suicide in despair, and Gone did not hesitate to use half of the power of the devil to regenerate her, and this half of the power of the devil needs Nalan Xinran to slowly comprehend before it can be integrated.

However, at this time, under Yu Dahai's deliberate provocation, Nalan Xinran almost lost his mind, and the power of the devil's soul erupted in anger, and he received backlash.

Pfft...

The next second, Nalan Xinran's dantian became more and more chaotic. At that time, her delicate body trembled and fell directly from the air.

Seeing this situation, both Yu Dahai and other sect masters were overjoyed.

Haha....

I thought it would be difficult to subdue this woman, but I didn't expect it to be effortless in the end.

“Quick!”

This chapter is provided by . Visit for daily update.

At this moment, Yu Dahai landed quickly, and couldn't wait to instruct the disciples of the Kongtong faction: “Hurry up and help this woman, then overwhelm our Kongtong main altar and slowly interrogate.”

While saying this, Yu Dahai looked up and down Nalan Xinran's charming curves, unable to hide his greed.

Nalan Xinran is recognized as the goddess of the rivers and lakes. She is so sexy and charming. When she is brought back to the main altar of the Kongtong School, it is naturally not as simple as a simple interrogation. If you have the opportunity, you must taste her.

Anyway, the Nalan family colluded with the demons, and the whole rivers and lakes knew it. Even if they defiled her, no one said anything.

Thinking of this, Yu Dahai was eager to move, and he was already a little impatient.

“Yes, the deputy head!”

Upon hearing the order, several disciples of the Kongtong faction walked over quickly and tied Nalan Xinran.

“Shameless, scum....”

Nalan happily yelled loudly. At that time, he wanted to struggle and resist, but the internal force in his dantian was too disordered, causing his body to be weak and unable to break free.

Soon, several disciples of the Kongtong faction tied Nalan Xinran's hands and feet, and prepared to take her away.

“Wait...”

However, at this moment, He Mingchun, the head of Feiyu Sect, strode out, and said with a displeased expression: “Yu Dahai, you are a little bit unethical. Why is this woman being brought to your Kongtong faction?”

When he said this, He Mingchun looked at Nalan Xinran intentionally or unintentionally, with greed that could not be hidden in his eyes.

Whoa!

The voice fell, and everyone else responded.

“That’s right, your Kongtong faction is a little bit inauthentic.”

“Just now, everyone stepped out of their power. If you want to interrogate, you should interrogate them together.”

“Yes, you can’t take people away.”

Like Yu Dahai, He Mingchun and others also covet Nalan Xinran’s beauty.

Such a stunning beauty, who wouldn’t want to kiss Fang Ze?

Ma De...

In the face of this situation, Yu Dahai’s face instantly turned gloomy. He looked around at that time and said coldly, “My colleagues, I did it first at the very beginning.”

“Also, you also see. Here, in order to catch this woman, I suffered several injuries. Besides, if I hadn’t deliberately provoked her, could I have caught her so quickly?”

“So, Nalan is pleased and should be handed over to us. Dong sent interrogation.” The words were loud and unquestionable.

When everyone heard it, they quit and shook their heads.

“No, no...”

“Yu Dahai, you said it lightly, without us, you can’t catch him by relying on your Kongtong faction alone.”

“That’s it... you don’t mess around... catch Nalan Xinran, Everyone has a share.”

Everyone’s rebuttals kept coming, Yu Dahai was very angry, but he didn’t know how to refute for a while.

call!

Seeing this, Nalan bit her lip tightly, and she couldn't tell the anger in her heart.

I'm really useless. I didn't kill them to avenge the family, but they caught them. Now that they are in the hands of these hypocrites, I might as well just die.

The ultimate husband in Chinese chapter 6146

However, now that the acupoints are being tapped, you can't die if you want to die.

"Master Yu!"

At this moment, He Mingchun walked out slowly and said to Yu Dahai: "For a demon girl, we don't need to be so stiff, in my opinion, we might as well have a one-on-one meeting. In the competition, each sect sends one person, and the one who can win the final, this woman will belong to which sect, how?"

Wow!

The voice fell, and all the other experts present nodded their heads.

"That's right, this method is good!"

"It's fairer this way."

Facing this situation, although Yu Dahai was very upset, he could only nod his head: "Okay, since everyone said that, let's have a fight in the ring. "

Seriously, Yu Dahai didn't want to compromise like this, but there was no way, Kongtong was sent on the rivers and lakes, and only belonged to second-rate sects, and he couldn't offend so many sects for one woman.

Thinking to himself, Yu Dahai instructed his disciples to take Nalan Xinran aside.

At this time, the masters of the various sects also slowly dispersed, leaving an open space as a ring.

"Everyone!"

At this moment, Yu Dahai cleared his throat, looked around, and said slowly, "The test will begin now, but let's talk about it first, fists and feet have no eyes, and if anyone is injured and maimed later, they can do it later. Don't wait for the opportunity to take revenge." The

voice fell, and everyone nodded.

"It's natural."

This chapter is provided by . Visit for daily update.

"Do I need to say this?"

When responding, the masters of various sects couldn't wait.

Yu Dahai was too lazy to talk nonsense, and waved his hand: "Which sect wants to take the lead, please come up." The voice fell, and Yu Dahai strode out of the open space.

"I'll come first!" As

soon as the voice fell, a burly figure strode out from the crowd of beggar gangs. He was about 30 years old, with an arrogant expression, a scar on his right eyebrow, a blue dragon tattooed on his arms, and his body was filled with air. Powerful aura.

It was the elder Qinglong of the Beggar Gang, Du Qing.

There are four elders in the beggar gang, namely, Qinglong, Baihu, Suzaku and Xuanwu. Among the four elders, Qinglong is the strongest.

Soon, Du Qing reached the center of the open space, and swept his eyes sharply: "Du Qing of the beggar gang is the first to come up to teach me, who will come first?" The voice was loud and spread throughout the audience.

Phew...

At this moment, the masters of the surrounding sects looked at each other in dismay, and none of them dared to go forward to fight. This Du Qing's aura is so strong, no one wants to be the first to get in trouble.

According to legend, this Du Qing was once a robber from Jiangyang, and was hunted down by Jianghu. In desperation, he took refuge in the Beggar Gang, and only saved his life by relying on the protection of the Beggar Gang. Although he vowed not to do evil again, his temperament was ruthless and his actions were ruthless. , The 'Bengshan Fist' that he practiced was fierce and domineering, and he once killed the king of Tianshanxi with one punch.

Such a person, who is not afraid of three points?

Haha...

Seeing this, Du Qing's mouth curled into a contemptuous smile, and said to the audience: "If no one comes up to challenge, Nalan will gladly leave it to our beggar gang to deal with." The

voice fell, Many beggar gang disciples were very excited.

If Nalan has the right to dispose of it, the prestige of the beggar gang in the arena will definitely increase a lot.

As for the masters of other sects, their faces were a bit ugly.

This was the first match, and it froze.

If this matter spreads to the rivers and lakes, wouldn't it be laughed at?

"I'm here to meet you!"

Finally, a man slowly walked out of the Tianyitang crowd, reached the center of the venue, and said to Du Qing, "Heavenly Hall Wang Jin, I came here to ask Elder Du's tricks."

Haha!

Contempt flashed in Du Qing's eyes, and he said coldly, "Don't talk nonsense, let's do it."

Feeling Du Qing's contempt, Wang Jin's face instantly turned gloomy, and he was too lazy to talk nonsense at that time. Come.

"Good job!"

Du Qing sneered and went straight to meet him.

Bang Bang Bang... In

the blink of an eye, the two sides fought fiercely.

.....

On the other side, the Wudang faction.

In the room at the back of the hall, blue smoke lingered, revealing a kind of otherworldly cleanliness. Where is Prince Aotian sitting cross-legged, his eyes slightly closed, he is silently recovering from practice.

At this time, Prince Aotian's face was gloomy and cold, and his whole body was filled with a hostile aura.

The ultimate husband in Chinese chapter 6147

Before, in the Furong Garden of the Nalan family, Prince Aotian resisted the arrows of the Sunset Bow several times in a row, and the last time, he was injured by the Primordial Spirit.

Primordial spirit was injured and it would take at least half a month to fully recover, which made Prince Aotian very annoyed.

“Senior Brother Sect Master!”

At this moment, the voice of an elite disciple resounded outside the door.

Swish!

Prince Aotian was in a bad mood. Hearing someone disturbed him, he suddenly opened his eyes and said coldly, “Didn’t I tell you, I’m not allowed to disturb you without my permission, don’t you have a long memory?”

” The anger of the head, the elite disciple outside the door suddenly trembled, and quickly said: “Master, calm down, I didn’t intend to disturb, but I have something to report.”

After speaking, the elite disciple wiped the cold sweat from his forehead and cautiously Said: “Just now, the Haotian God King visited and wanted to meet the head.”

At this time, this elite disciple was very puzzled.

Senior Brother Ye Yun is just the head of the Wudang faction, and his status in the arena is not very high. Why is the God King Haotian so respectful to him?

And... the character of the senior brother in charge seems to have changed from before.

Back then, when Senior Brother Ye Yun was not the head of the sect, he had a gentle temperament and got along with his senior brothers, but now, he has become more and more sinister, making people shudder when they see it from a distance...

How could this be? ?

“Yeah!”

Just as the elite disciple was muttering secretly, Prince Aotian’s faint voice came from the room: “Please invite him here.

This chapter is provided by . Visit for daily update.

” sigh, and then turned to leave.

After a while, the disciple returned with the God King Haotian.

Squeak...

God King Haotian pushed open the door and signaled the disciple to leave.

“His Royal Highness!”

As soon as his forefoot left, the God King Haotian approached slowly, and asked Prince Aotian: “How is the injury? It shouldn’t be a big problem, right?”

Prince Aotian took a deep breath and stood up slowly, his face concealed. Staying in the fire: “Ma De, originally this time, I bewitched the various sects to besiege the Nalan family, and the ending was decided, but I never thought that Nalan Wushuang girl actually brought the cavalry of the Raksha tribe.

” The emperor gritted his teeth and said, “I didn’t expect that Tie Bowen actually realized the power of the sunset bow. Otherwise, the Nalan family would have been slaughtered.”

“I will avenge this revenge sooner or later.” The

last word fell. At that time, Prince Aotian’s eyes were full of killing intent.

call!

Hearing this, the God King Haotian took a deep breath and patiently comforted him: “In the end, your Highness is too underestimated by the enemy, if ...

“

Zi waved his hand impatiently: “Stop talking about this, how are you chasing Gone? You won’t let him escape again.”

Facing the inquiry, the God King Haotian smiled slightly: “I came back specially to see His Highness, just Speaking of this matter, Nagone has been completely killed by me.”

“From now on, there will be no more turmoil in the realm of the demons, and everyone can sit back and relax.” After

speaking, the God King Haotian slowly took out something from his body. .

It is the Demon Spiritual Bone.

Swish!

Seeing the spirit bone of Demon Venerable, Prince Aotian was shocked, his heart was surging, and he was speechless for a long time.

This God King Haotian actually killed Gone... It's unbelievable.

You must know that the gods and demons have been fighting for tens of thousands of years. Even if the ancestors of the prehistoric took action, it is difficult to completely wipe out the demons, but he wiped out the supreme of the demons.

"Haha, good, good!"

Finally, after more than ten seconds, Prince Aotian calmed down, laughed loudly, nodded at the God King Haotian and said, "As expected of the Haotian God who is famous in the God Realm Wang, if Gone died in your hands, it is considered a proper death." "His Royal Highness

, this time, I really helped the Divine Realm to eradicate the hidden dangers, and the achievements will last forever." The God King Haotian smiled slightly and bowed his head humbly: "His Highness is too praised, and this king is just lucky. When he encounters Gone's weak strength, if it is really a peak match, there is no chance of winning." "However, this also shows that , the demons are exhausted. God's will is so!"

Prince Aotian nodded in agreement: "That's right. The King of God has made a great contribution and should have held a banquet to celebrate, but now the situation is special, and I can only wait until the day I ascend the throne of the Emperor of Heaven, and then I will reward it in front of the priests.

Hearing this, Prince Aotian hurriedly said: "Thank you, Your Highness!" Prince

Aotian smiled: "Between you and me, you don't need to be so polite. This prince wants to continue to practice and recover, you go back to Qintian first. Prison."

After speaking, Prince Aotian turned his head, and then stretched out his hand: "By the way, this Demon Venerable Spirit Bone will be given to this Prince."

Huh?

God King Haotian was stunned for a moment, not knowing what his intentions were.

You must know that this Demon Venerable Spirit Bone is the proof to kill Gone, and it symbolizes his Zhuo Zhuo's military exploits. Now, what's the matter?

Seeing him hesitating, Prince Aotian looked unhappy: "What? Are you unwilling to give it?"

With this demonic spirit bone in his hand, he will be justified when he ascends to the throne of the emperor in the future. Such a simple truth, Haotian God Wang won't understand it...

Phew!

Hearing this, God King Haotian took a deep breath and squeezed a smile on his face: "If your Highness wants, how can I not give it?" After saying that, he offered the Demon Venerable Spirit Bone.

At this time, the God King Haotian had a smile on his face, but his heart was extremely cold.

This Prince Aotian actually wants to rob me of the credit. Well, I don't care about you for now, and when there is a chance in the future, I will slowly settle accounts with you.

To be honest, God King Haotian was sincere and wanted to help Prince Aotian regain the throne of Heavenly Emperor, but after contacting him for a while, after knowing Prince Aotian's character, he already regretted it.

At this time, Prince Aotian asked for the Demon Venerable Spirit Bone in person, which further deepened the estrangement between him and the God King Haotian.

Haha...

After getting the Demon Venerable Spirit Bone, Prince Aotian was overjoyed, but with a lofty attitude on his face, he waved his hands and said, "Okay, let's step back."

Haotian God King responded and turned to leave.

.....the

other side.

Yue Feng left Shennong's seclusion place and rushed to Donghai City as soon as possible.

However, the villa in Donghai City was already in ruins, empty, and there was not a single person. In desperation, Yue Feng had no choice but to inquire around.

After half a day of inquiries, Yue Feng learned that Han Bing took Wen Chou Chou and everyone to Shenlong Island.

Hearing this news, Yue Feng didn't have time to think, and rushed to Shenlong Island as soon as possible.

After several hours of flying, Yue Feng finally arrived over Shenlong Island.

Swish!

As soon as Yue Feng appeared in the sky above Shenlong Island, he was discovered by several patrolling Shenlong clan powerhouses.

When he saw that it was Yue Feng, who gathered the strong dragons, he immediately showed respect and saluted.

“Long Zun!”

“I have seen Long Zun!”

Yue Feng nodded, and then slowly landed on the square in front of the main hall.

At the same time, several strong dragons reported loudly to the hall.

“Long Zun is back!”

Whoa...

Hearing the movement, Xian Di, Xiao Xi, and Wen Chou Chou quickly walked out of the hall.

“Father!”

At this moment, when Han Bing saw Yue Feng, he couldn't hide his joy and excitement: “You are finally here, I miss you so much.” With that, Han Bing threw herself into Yue Feng's arms, tightly holding onto it. hold tight.

“Father misses you too.” Yue Feng patted Han Bing's shoulder lightly, his eyes full of love.

I haven't seen you for a long time, my daughter has matured a lot and is more beautiful.

Haha... Just as he was talking, Sun

Dasheng squeezed out the crowd, clenched his fist and hammered Yue Feng's shoulder: “You are here. Brother Wen and I thought, what happened to you?”

Yue Feng gave him a bear hug.

Yue Feng pretended to be disgusted: "Go, two big men, why are you holding me?" The voice fell, and everyone laughed.

At this time, Wen Chou Chou stepped forward, first looked at Yue Feng up and down, and then smiled: "We have been worrying about you these past few days, and seeing that you are all right, I am relieved." After

speaking, Wen Chou Chou endured He kept asking: "The other day you invited God King Haotian to Wudang Sect, what happened after that? Why did there suddenly be no news?"

Shah!

At this moment, the others around were also watching Yue Feng closely, waiting for his answer.

Yue Feng breathed a sigh of relief, and smiled bitterly: "I was too naive at that time, thinking that the God King Haotian would help me deal with Prince Aotian, who knows, they have already formed an alliance in private..."

Then, Yue The wind told the situation at that time in detail.

At the end, Yue Feng couldn't hide his anxiety: "When I was investigating your whereabouts, I also checked the whereabouts of Ya'er and Ling'er, but unfortunately I found nothing, and I don't know where they were teleported to."

Whoa!

Knowing this situation, Wen Chou Chou and Sun Dasheng were all very angry.

"Ma De, I didn't expect God King Haotian to be a hypocrite."

"Yeah, it's really abhorrent..."

"Tell me, are Ya'er and Ling'er arrested by the Qintian prison? Is it?"

Everyone you said, I said, Yue Feng exhaled and said with a smile: "It shouldn't be as serious as you said, if the two of Ya'er are really caught by the Qin Tianjian, with the behavior of the Haotian God King, they will definitely be the first. Release the news for a while, so that I can show up."

"And now, Qin Tianjian has not made any movement at all, which means that the two Ya'er are okay for the time being." The

voice fell, and Wen Chou Chou nodded in agreement: “Feng Zi That’s right, the two of Ya’er are definitely not caught, but we don’t know where they are now.”

Everyone nodded.

Yue Feng did not speak, but he was praying secretly in his heart.

Ya’er, don’t let anything happen to you.

“Brother Wen!”

After praying, Yue Feng asked, “What was your situation at that time?”

Wen Chou Chou was about to answer when Sun Dasheng shouted first: “Ma De, that God King Haotian and Prince Aotian have secretly joined forces and made an unwarranted charge to catch us all.

” My good niece is smart and courageous and rescued us from the prison of Qintianjian.” At the

end, Sun Dasheng looked at Yue Feng with envy: “Fengzi, you said that you are not good-looking all day long, and you are a fool. It’s really unfair to give birth to such a good daughter.”

Haha...

Yue Feng couldn’t help laughing: “This shows that God still favors me.” As he spoke, Yue Feng pulled the ice hands, very pleased.

My daughter has really grown up and can be on her own. As a father, can you be unhappy?

At this time, everyone around was full of praise for Frost Bing.

“Father!”

In the face of everyone’s praise, Han Bing was very embarrassed, with a hint of blush on her delicate face, and then she thought of something, and said softly to Yue Feng: “Actually, if you can rescue Uncle Wen and the others, you can’t. Counting the credit for me alone, I also want to thank two people.”

“Without them, I would not have succeeded.”

Huh?

Hearing this, whether it was Yue Feng or Wen Chou Chou and others, they were all stunned.

The next second, Yue Feng smiled and said: "Really? Who are those two people?"

Han Bing sighed lightly and said slowly: "It's Nalan Wushuang, and there is a man from the Rakshasa clan."

Are they?

At this moment, Yue Feng and Wen Chou Chou all had complicated expressions.

Back then, Nalan Wushuang slandered Yue Wuya, saying that he colluded with Moyan privately and had a child, which caused Tianmen's status in the arena to plummet.

Because of this, Sun Dasheng and Wen Chou Chou did not have a good impression of her.

I just didn't expect that this time everyone would be able to get off the line from Qin Tianjian, and this Nalan Wushuang actually helped. It really is unpredictable and unpredictable.

"Father, Uncle Wen, Uncle Sun!"

This is, Han Bing said with a serious face: "I know that everyone has opinions on her. Speaking of which, I was also angry when he slandered my brother before, but after contacting her about this matter, I can feel that Nalan Wushuang has really changed his mind."

Um...

Hearing this, Yue Feng nodded: "There is an old saying, knowing mistakes can be corrected, and doing great things, this Nalan It's not a bad thing that Wushuang can change over."

Wen Chou Chou, Sun Dasheng and others nodded.

"Okay, let's not talk about this."

At this time, Wen Chou Chou took a deep breath, patted Yue Feng's shoulder and said, "We were still discussing what to do with the current situation. Now that you are back, we are relieved. , let's deploy it quickly."

The ultimate husband in Chinese chapter 6150

The words fell, and Sun Dasheng followed: "Yes, the hypocritical people like Haotian God King and Aotian Prince must get out as soon as possible, otherwise, Kyushu will never have a peaceful life." "

Yue Feng!"

The silent Xiandi walked over slowly and said softly, "There was no news from you before, my Shenlong clan has been holding on to their troops, and now that you are back, make up your mind quickly, what to do next."

Shuh!

The voice fell, and the eyes of everyone present were focused on Yue Feng.

Facing the eyes of everyone, Yue Feng took a deep breath and said, "In the current situation, it is very difficult for us to compete with God King Haotian and Prince Aotian."

"Also, there is another Gone. The whereabouts are unknown."

When he said this, Yue Feng couldn't hide the worry on his face.

At this time, Yue Feng did not know that Gone had been killed by the God King Haotian and no longer existed. At this time, Yue Feng thought for a while and continued: "The only way now is to deploy the teleportation formation. I will return to God

's Domain as soon as possible and report the matter to Ao Lin in detail."

He makes a decision, and it all works out.

Of course, the sooner this happens, the better.

Hearing this, Wen Chou Chou and everyone nodded.

"Right!" Yue Feng suddenly thought of something, and smiled at Xian Di: "There is one more thing, I need to trouble the Queen, please send the Shenlong messenger to help me find the two Ya'er."

"This is no problem!" Sandy nodded.

Afterwards, Yue Feng and everyone discussed the details, and ten minutes later, they began to deploy the teleportation formation on Shenlong Island.

the other side. In the valley a hundred miles northwest of the Nalan family.

Bang Bang Bang...

In the open space, Du Qing and Wang Jin have fought for more than a dozen rounds.

“Haha!”

At this moment, Wang Jin sneered and mocked: “What beggar gang elder Qinglong, this is just that.” After the voice fell, Wang Jin roared and punched Du Qing’s heart.

This punch he used all his strength, the wind howled, unstoppable.

Seeing the punch coming, Du Qing mocked and stood there with no intention of hiding.

Bang!

The next second, Du Qing slowly raised his right palm and grabbed the punch from Wang Jin. He heard a dull sound, and Du Qing stood there steadily, as steady as a rock.

On the other hand, Wang Jin was trembling all over, and he was almost unsteady. Moreover, his fist was tightly grasped by Du Qing, like an iron hoop, and he couldn’t break free at all.

“Wang Jin, right?”

At this moment, a trace of cruelty appeared on the corner of Du Qing’s mouth, and he said slowly: “I already gave you a few tricks just now, and I don’t have time to play with you now.” The

voice fell, and Du Qing twisted hard.

Click!

He heard the sound of bones shattering, and Wang Jin’s entire arm was instantly broken. Immediately afterwards, Du Qing took a kick and slammed it into Wang Jin’s heart.

“Ah!” At that time, Wang Jin screamed, and the whole person was kicked and flew out, flying dozens of meters away, and finally landed in the grass. After landing, he was full of blood donation and was out of breath.

hiss...

Seeing this scene, everyone present couldn't help gasping for air, looking at Du Qing with deep fear.

As expected of the elder Qinglong of the Beggar Gang, this strength is too strong.

You must know that Wang Jin of the Heaven's Will Hall was also well-known in the arena, but at this time he was killed by one move. And one move to kill is really cruel.

While shocked, many disciples of Heaven's Will Hall were filled with righteous indignation.

"Du Qing, you dare to kill me from Tianyitang?"

"You're too ruthless, aren't you?"

In the face of the anger, Du Qing smiled contemptuously and said lightly, "Before the ring just started, the deputy head of Yu explained in advance, fists and feet have no eyes, life and death are up to the sky, what? You can't afford to play in the Heaven's Will Hall?"

Hu...

Hearing this, the disciples of the Heaven's Will Hall were all blushing and had no words to refute.

Afterwards, several disciples walked over quickly and carried Wang Jin's body away.

"Everyone!"

At this time, Du Qing stood in the center of the open space with a proud posture, looked around the audience and said slowly, "I just got lucky and won a game. Next, who will come up to challenge?"
