Swish!

Hearing this, Zhan Wuji was not afraid at all, his face suddenly gloomy, and he looked at Xian Di coldly: "Xian Di, you are defending Yue Feng so much, do you want to betray God's Domain."

"What is the end of betraying God's Domain, you? You know better than me, for the sake of Yue Feng, do you want the Qinglong family to be in a state of doom?"

Luo Jue, the first supervisor of Qintianjian, led an army to besiege Shenlong Island. Xi's life came to threaten Xian Di, forcing Xian Di to surrender to the realm of the gods.

Hehe....

At this time, when she heard Zhan Wuji's words, Xian Di smiled contemptuously: "You don't use God's Domain to oppress me, as far as I know, before His Majesty the Heavenly Emperor, he specially instructed the God King Haotian to cooperate with Yue Your Excellency Feng, eradicate the Supreme Being of the Demon Race and find the whereabouts of Prince Aotian."

"How did the God King Haotian do? Secretly colluded with Aotian to deal with Your Excellency Yue Feng.

"He really betrayed God's Domain, but now he reverses black and white, which is really ridiculous." The

words were neither humble nor arrogant, and they were loud and clear.

"You..."

Hearing these words, Zhan Wuji's face flushed and he wanted to refute, but he couldn't say a word.

"Haha..."

Seeing this scene, Sun Dasheng couldn't help laughing, and praised Xiandi: "Your Majesty the Empress said it well, that Haotian God King is very good-looking, but in fact he is a downright villain, so despicable and shameless, It's a joke in the realm of the gods to even be named a king of gods." The

voice fell, and everyone around nodded in agreement.

At this time, Yue Feng also showed a smile, looked at Zhan Wuji and said: "If I remember it well, you should be called Zhan Wuji, I'm not afraid to tell you the truth, just

now, I have sent someone to God's Domain to report the matter. To His Majesty the Emperor of Heaven."

"Your Majesty knows the truth, and will definitely punish the God King Haotian heavily, and the God King Haotian will be punished. I'm afraid that you, who are subordinates, will not be able to escape the guilt."

After speaking, Yue Feng slowly paced back and forth. , with a leisurely attitude: "Which is more important, you should know better than me in your heart, so now it is too late for you to abandon the darkness and turn to the light, otherwise, when the emperor of heaven descends, none of the gods and generals you are present will be able to escape. ."

When saying this, Yue Feng's face was serious.

In fact, just after the deployment of the teleportation formation was completed, Yue Feng did not send anyone to the Divine Realm at all. This was just to cause some psychological pressure on Zhan Wuji.

The art of war has a cloud, attacking the city is the bottom, attacking the heart is the top.

As long as the psychological defenses of the gods and generals like Zhan Wuji are defeated, Shenlong Island will be able to avoid a catastrophe. After all, in a real fight, everyone plus the soldiers of Shenlong Island may not be the opponents of these gods and gods.

What?

At this moment, Zhan Wuji's heart trembled, his eyes flickered inappropriately, and he was also a little panicked.

Yue Feng has already sent someone to the Divine Realm?

If that's the case, the situation is bad.

At the same time, Zhan Wuji looked at the large formation in the forbidden area behind the main hall, and was secretly shocked. This Yue Feng really had some skills, and he was able to deploy a teleportation formation in such a short time.

Wow...

At the same time, there was also a commotion among the surrounding gods and generals, all of them panicking.

Because what Yue Feng said was right, what the God King Haotian did during this time had always been against the will of the Heavenly Emperor. More importantly, Yue Feng was the teacher of the Heavenly Emperor. Once His Majesty the Heavenly Emperor was angered and punished, the consequences would be unimaginable.

Seeing this situation, Zhan Wuji was in a hurry and couldn't help shouting: "Everyone, don't listen to Yue Feng's nonsense, this grand formation is obviously just built, and he has no chance to send someone to God's Domain."

Yue Feng you No one was sent to the Divine Realm, and Zhan Wuji was not sure, but now that Shenlong Island was surrounded, the arrow was on the string and had to be sent.

Moreover, since he has already followed the God King Haotian, he is in the same boat, one is prosperous, and one is lost.

However, Yue Feng's deployment of teleportation on Shenlong Island is no trivial matter, and he must notify the God King Haotian as soon as possible.

Thinking of this, Zhan Wuji whispered to the Divine Soldier behind him: "Quick, you hurry back and report to His Royal Highness the King of God the truth about Yue Feng's deployment of the teleportation formation."

The ultimate husband in Chinese chapter 6162

"Yes!"

After receiving the order, the magic soldier responded and left Shenlong Island quickly. Watching the divine soldier leave, Zhan Wuji stopped talking nonsense, and said loudly: "All the soldiers

of the Diligent Supervisor follow the order, step on the Shenlong Island, and kill Yue Feng!

"

The gods will calm down, and one by one, they will explode with divine power, rushing towards Yue Feng and everyone.

Mad!

Seeing this scene, Yue Feng was furious. This Zhan Wuji was quite decisive, and his words just didn't frighten him.

Whoosh!

Thinking about it, Yue Feng didn't have time to think about it. At that time, he urged his primordial spirit to explode and head towards Zhan Wuji.

"Haha..."

At this moment, Sun Dasheng was also very excited, raised his hand and summoned the Heavenly Axe, and shouted: "Ma De, after so long, I can finally have a good fight today. "The

voice fell, and Sun Dasheng urged his figure to rush up quickly.

Wen Chou Chou and everyone did not talk nonsense, and followed closely behind, fighting with many gods and soldiers.

"The Qinglong family obeys the order."

At the same time, Xian Di gave a coquettish shout and ordered the surrounding dragon warriors: "Quickly help Your Excellency Yue Feng to defend against the enemy." Yue Feng is the Dragon Lord of the Qinglong family. Never sit idly by.

This chapter is provided by . Visit for daily update.

"Follow the order of the Empress!"

In an instant, the dragon powerhouses of the entire Shenlong Island responded in unison, and then flew into the air and fought against the gods and soldiers.

Mad!

Seeing this situation, Zhan Wuji was shocked and angry. This Qinglong clan was really crazy. In order to protect Yue Feng, they turned against the God King Haotian.

Buzzing....

In the blink of an eye, many Shenlong experts have reached the air, and the power of each Shenlong erupted. Suddenly, the entire Shenlong Island was covered with thunderclouds, and lightning flashed and thundered.

Immediately afterwards, I saw that between the clouds, thousands of dragon powerhouses transformed into the form of dragons, and their huge bodies gathered together, covering the sky and the sun.

Huh....

Feeling the powerful breath of these giant dragons, many gods and soldiers are afraid. You must know that Qinglong is the head of the four divine beasts. At this time, so many

divine dragon powerhouses have gathered together, and the explosive power is no less than the army of tens of thousands of demons.

“Everyone, don’t panic!”

At this moment, Zhan Wuji shouted: “Make a good formation, and if you encounter resistance, kill it.”

Bang Bang Bang...

Hearing this, the gods and soldiers present at the scene will quickly arrange the formation, and the giant Dragons fight together.

In an instant, the entire Shenlong Island, shouting and killing, the sound of collision of power, shocked the sky.

“Yue Feng! Die!”

At this moment, Zhan Wuji summoned a golden sword, shouted loudly, and quickly rushed towards Yue Feng in coordination with several divine generals.

Back then, when Han Bing and Wen Chou Chou arrived at Shenlong Island, Qin Tianjian kept following them.

Now that Yue Feng has appeared, he must be removed.

Otherwise, all the deployment of His Royal Highness the God King will be in vain.

Ha ha...

Seeing Zhan Wuji rushing towards him, Yue Feng chuckled lightly: “Good job.” As the voice fell, the divine power in his body exploded, and he fought fiercely with Zhan Wuji and others.

For a time, the figures of the two sides collided continuously in the sky, and a strong aura vibration broke out.

Um?

Yue Feng was originally full of self-confidence, because with the help of Shennong, his strength has returned to its peak. It stands to reason that it should be more than enough to deal with such gods as Zhan Wuji. What he didn’t expect was that the divine generals in front of him, Zhan Wuji, were much stronger than before.

Bang bang bang!

In the blink of an eye, Yue Feng was tightly surrounded and unable to break through.

At the same time, Xian Di and many powerful dragons were also suppressed by those gods and soldiers, and they retreated one by one.

How could this be?

Facing this situation, Yue Feng couldn't help frowning secretly.

Speaking of which, Yue Feng and Haotian Divine King have fought more than once, and they are very clear about the strength of his subordinates. It stands to reason that with the help of the Divine Dragon Clan, it is impossible to be at a disadvantage so quickly.

But...that's how it happened.

"Haha!"

Noticing the change in Yue Feng's face, Zhan Wuji laughed and said proudly: "Yue Feng, are you surprised that the overall strength of our Tiantian Superintendent has suddenly become stronger?"

The ultimate husband in Chinese chapter 6163

"Tell you, before we came, we all took the golden pill specially given by His Royal Highness the King of God. After taking the golden pill, the strength of our Qin Tianjian will be doubled."

"So, you should not resist, as soon as possible. Surrender."

Mad!

Hearing this, Yue Feng was suddenly stunned and a little annoyed at the same time.

In order to deal with me, this God King Haotian is really willing to go out, and he even made all the soldiers of the Diligent Supervisor take Jindan. Thinking to himself

, Yue Feng said coldly: "Stop talking nonsense, it is impossible for me to surrender." Zhan Wuji snorted coldly and cooperated with other gods to continue besieging Yue Feng. Bang! In the face of Zhan Wuji, who had doubled his strength, Yue Feng was tired of dealing with it. Soon, he was inattentive and was hit in the back by a god king behind him. He heard a dull sound. retreat. After stabilizing his figure, Yue Feng's qi and blood swelled, and a hint of weakness appeared on his face. "Haha!" Zhan Wuji laughed proudly when he saw his companion's successful surprise attack: "Yue Feng, those who know the times are Junjie, do you want the Qinglong clan to follow you to destruction?" "Fengzi!" "How about you, Fengzi? ?" Seeing the situation here, Wen Chou Chou and Sun Da Sheng, who were not far away, were all shocked and shouted, wanting to rush

over, but there were too many enemies in front of them, and they couldn't rush over at all. Bang Bang... At this moment, Yue Feng received two more palms. At that time, a mouthful of blood spurted out, and the figure also landed on the top of the hall.

Zhan Wuji greeted his companions, took advantage of the situation to pursue, and dived down.

At this moment, Yue Feng stood proudly on the top of the hall, looked at the swooping Zhan Wuji, and said lightly: "Just a few of you, you want my life? You are too naive."

Om!

The last word fell, and a vast and terrifying aura erupted from Yue Feng's body. In an instant, the entire Shenlong Island was bleak, and the sun and the moon were dull.

The powerful and terrifying breath pressure permeated the whole world.

This... this power.

At this moment, Zhan Wuji suddenly changed color.

Especially Zhan Wuji, feeling the power of Yue Feng's explosion, an inexplicable fear rose deep in his heart, and then he thought of something, exclaimed: "This is... Nine Heavens Holy Profound Art."

Yes, at this time Yue It was the Nine Heavens Sacred Profound Art that the wind performed.

This chapter is provided by . Visit for daily update.

Back then, Yue Feng was trapped in the sealed land in the God's Domain. After a series of incidents, he finally escaped from the sealed land with the demon clan. Later, the demon clan launched an attack on Yutian Palace for freedom, and Jiutian. The gods and soldiers led by God will fight against each other.

At that time, Yue Feng did his best to help the demon clan, but in the end he was defeated and escaped. He accidentally entered the immortal tomb, and encountered the Brahma Emperor who was trapped inside. Brahma Emperor and Yue Feng knew each other and taught the Nine Heavens Holy Profound Art.

After that, Yue Feng left the Immortal Tomb, and on the battlefield of Yutian Palace, he used Jiutian Shengxuan Gong to compete with Jiutian God, shocking the audience.

Because the Nine Heavens Holy Profound Technique consumes a lot of divine power, and this technique is very profound, Yue Feng has never used it since then.

At this time, the situation was extremely critical, and Yue Feng decisively displayed it.

Ha ha...

At this moment, Yue Feng was shocked when he saw Zhan Wuji, and immediately raised the corner of his mouth: "You have some knowledge, let's take it." When the voice fell, Yue Feng raised his hand and called at Zhan Wuji.

Hu...

This palm is played, the wind howls between heaven and earth, and the wind and clouds change color.

Faced with this situation, Zhan Wuji did not rush to think about it, hurriedly activated his divine power, and condensed the protective film in front of him one by one.

boom!

In the next second, the palm force exploded and slammed hard on the protective film, and then a few roars were heard, and then, one after another violent breath swept away towards the surrounding.

Under the impact of the powerful force, he saw that Zhan Wuji's several condensed protective films were all crushed, and at the same time, they were also shaken and flew out. They flew more than one hundred meters before landing heavily.

"Pfft!"

After landing, Zhan Wuji spat out a mouthful of blood, and his face was pale and pale.

Afterwards, Zhan Wuji struggled to stand up, his eyes fixed on Yue Feng, he was horrified to the extreme, this Yue Feng could actually know the supreme cultivation technique 'Nine Heaven Holy Profound Art' in the God Realm...

Yue Feng helped the demon clan and the God Realm in those days. Confrontation, fierce battle with Jiutian God in Yutian Palace, Zhan Wuji was not present, so I don't know.

The ultimate husband in Chinese chapter 6164

At the same time, the several divine generals who shot with Zhan Wuji also looked at Yue Feng with deep fear.

This Yue Feng is worthy of being regarded as the number one enemy by His Royal Highness the God King.

The strength is really unfathomable.

Great!

Seeing this scene, Wen Chou Chou and Sun Dasheng were all excited.

Afterwards, Sun Dasheng shouted: "Everyone, it's time for the counterattack, everyone, rush with me." The voice fell, and Sun Dasheng waved the opening axe and rushed into the enemy group.

"Kill!" The

voice fell, and everyone present, as well as the powerhouses of the Qinglong clan, burst into sky-shattering howls and rushed forward quickly.

They could all see that among the tens of thousands of divine soldiers, Zhan Wuji was the commander-in-chief. At this time, Zhan Wuji had been defeated by Yue Feng, and the opponent's morale must have been greatly reduced, which was a good opportunity to counterattack.

"Great Sage, I'm here to help you."

At this time, Yue Feng's heart was also full of pride, he shouted at that time, and rushed up to fight against the enemy with Sun Dasheng and the others.

Bang bang bang...

Everyone united, and the passive situation was quickly reversed.

However, seeing this scene, Zhan Wuji did not panic, but the corners of his mouth twitched, revealing a faint smile.

This Yue Feng thought that this would turn the situation around, but he didn't know that the battle had just begun.

This chapter is provided by . Visit for daily update.

"Kill..." On the

battlefield, Sun Dasheng wielded the Heaven-Opening Axe, and his internal power exploded completely. He saw dazzling golden lights burst out from the Heaven-Opening Axe. Every time the Opening-Sky Axe fell, there must be a divine soldier. was hit hard.

Seeing him so brave, the surrounding gods and soldiers forced them to retreat.

Um?

The battle was on the rise, and suddenly, Sun Dasheng frowned and his body trembled.

He clearly felt that there was a strange force in his body that suddenly appeared, suppressing his dantian inner strength.

How could this be? It was fine just now.

For a time, Sun Dasheng was shocked and angry, and his heart was full of doubts.

Buzz...

Seeing that Sun Dasheng suddenly stopped, the two divine soldiers looked at each other and rushed back quickly, the weapons stabbing towards Sun Dasheng's back.

Seeing this scene, Yue Feng was taken aback and shouted, "Great Sage, be careful!"
The

voice fell, Yue Feng urged the figure to rush up quickly, and slapped the two divine soldiers back.

Immediately, Yue Feng supported Sun Dasheng and asked, "What happened to you? Why did you suddenly stop moving?"

Hu!

Sun Dasheng took a deep breath and said complicatedly: "My inner strength is suppressed. It's strange!"

What?

Hearing this, Yue Feng was stunned for a moment, and he put his hand on his arm and felt it. Soon, he noticed that there was a divine power in Sun Dasheng's body, wandering through the meridians...

Feeling this, Yue Feng Surprised, he couldn't help but say, "How come you have divine power in your body?" Yue Feng has primordial spirit, and he can sense it at once. This power in Sun Dasheng's body is divine power.

It's just... The great sage has not yet reached the realm of cultivating the primordial spirit, how can there be divine power in his body?

Divine power?

Sun Dasheng looked confused: "I...I don't know."

Seeing the situation here, Wen Chou Chou and the crowd were also in shock.

what happened?

How could there be an inexplicable amount of divine power in the body of the Great Sage?

“Hahaha...”

Just as everyone was secretly speculating, Zhan Wuji laughed and said slowly: “Don’t make random guesses, the divine power in Sun Dasheng’s body was originally captured by us when he was arrested in the Tiantian Prison. Infused.”

When he said this, Zhan Wuji looked weak, but he couldn’t hide the smugness in his eyes.

What?

Hearing this, both Yue Feng and Sun Dasheng were all shocked.

At this time, Zhan Wuji looked at Sun Dasheng and others, and continued: “Do you really think that you were lucky to escape from the Tiantian Prison successfully? Then you are very wrong.

”, is completely arranged by His Royal Highness. His Royal Highness expected that after you escape, you will fight with Yue Feng, so he ordered to inject divine power into you.”

Mad!

At this moment, Sun Dasheng was unforgivable and couldn’t help scolding: “It was a waste of your time to work in Tianjian, to maintain the name of Jiuzhou Jianghu at a discount, and to use such despicable means behind your back to say that you are villains, it is really flattering you. already.”

The ultimate husband in Chinese chapter 6165

In the face of Sun Dasheng’s scolding, Zhan Wuji was not at all angry

, and chuckled: “A soldier never tires of deceit, you don’t understand this truth. Don’t be long-winded and admit defeat.”

They yelled.

“Shameless...”

“Too insidious...”

Yue Feng was also furious, Ma De, God King Haotian really did everything he could to deal with me.

“Hey!”

In the face of Wen Chou Chou’s scolding, Zhan Wuji was even more proud, and said lightly: “You don’t scream, I don’t know that Sun Dasheng has been secretly injected with divine power, and you are all the same. As long as you burst out with all your strength, Dantian will Received the suppression of divine power...”

What?

Hearing this, Wen Chou Chou felt a sudden shock, and hurriedly tried to explode with all his strength. Sure enough, he sensed the vicinity of his dantian, and a strange force emerged...

Under the suppression of this force, the inner force of the dantian could not be fully exerted. It is forcibly cast, the more powerful the suppression.

Seeing this scene, Yue Feng couldn’t help but ask, “Brother Wen, you...”

Huh!

Wen Chou Chou took a deep breath and said with a wry smile, “My dantian’s inner strength has also been suppressed.” The

voice fell, and everyone around him frowned.

This chapter is provided by . Visit for daily update.

“Me too...”

“This diligent superintendent is so despicable and shameless...”

Damn!

At this moment, Yue Feng secretly complained. He thought that by defeating Zhan Wuji, he would be able to turn the situation around, but he never thought that the Qintian Supervisory Committee had hidden a divine power within the bodies of Brother Wen and the Great Sage to suppress their dantian inner strength. ...

As a result, Brother Wen and everyone can’t break out with all their strength, and the situation will be more passive.

“Haha...”

At this moment, Zhan Wuji laughed and mocked at Yue Feng: "His Royal Highness the King of God has devised a strategy, this move is extremely clever, Yue Feng, if you don't want your relatives to die here, you should surrender.

" At the time, Zhan Wuji raised his hand and waved.

Whoops...

After receiving the order, the surrounding gods and soldiers launched an attack again, rushing towards the Wen Chou Chou crowd.

"Ma De, I'd rather die than surrender!"

Sun Dasheng's eyes were blood red, and he shouted: "Even if we die here recently, we will not bow our heads and kill!" The voice fell, and Sun Dasheng endured the suppressed pain in his dantian, waving Open the axe and attack.

At the same time, Wen Chou Chou and the others followed closely behind, fighting fiercely with the gods and soldiers again. It's just that their dantian's inner strength was suppressed and they couldn't explode with all their strength. In less than a round, they were beaten and retreated.

"Kill!"

At this moment, Yue Feng was also completely furious, shouted frantically, rushed into the battlefield, and defended the enemy with Sun Dasheng and others.

"Big Sky Breaker!" In the

next second, Yue Feng coldly spit out four words and raised his hand to point to the sky.

In an instant, the surrounding air suddenly distorted, and a terrifying and violent force, centered on him, swept toward the surroundings.

bang bang bang...

Under the terrifying power raging, many divine soldiers and gods were shaken out, fell heavily to the ground, and lost their combat effectiveness one by one. Seriously, if everyone in the rivers and lakes was hit by such a terrifying blow, they would definitely die. However, these divine soldiers and generals have divine power to protect their bodies. In addition, Yue Feng used the Nine Heavens Holy Profound Art before, which consumed a lot of divine power, so this Zhao Datianshu can't exert the strongest power, and can only severely damage these gods and gods.

Mad!

Seeing this scene, Zhan Wuji's face was ashen, and his heart was also shocked.

This Yue Feng, with such a serious loss of divine power, can still burst out with such a strong formidable power. No wonder His Royal Highness the God King regards him as a thorn in his side.

"Kill Yue Feng first!"

Thinking to himself, Zhan Wuji couldn't help shouting: "His divine power is severely depleted, and he can't hold it any longer. Kill him."

Whoa... the

voice fell, and there were countless gods and gods, one As if he had been beaten with blood, he rushed towards Yue Feng desperately.

"If you want to kill me, come on..."

At this time, Yue Feng, with blood-red eyes, shouted to meet him, and fought fiercely with many gods and soldiers again. Brother Wen, Dasheng and others, their internal strength was suppressed, and they must not Let them go wrong.

However, it is simply impossible for the soldiers of Yue Feng and Shenlong Island to turn the tide of the battle while retaining the Wen Chou Chou crowd.

The ultimate husband in Chinese chapter 6166

Under the fierce battle, Yue Feng soon felt powerless.

It was at this moment that a divine soldier found an opportunity, and the spear was like a dragon, stabbing Yue Feng's back at once.

Yue Feng's body trembled, and blood donations poured out instantly.

"Fengzi!"

Seeing this situation, Wen Chou Chou and Sun Dasheng both changed their expressions, shouted in unison, and their eyes were instantly red.

At the same time, Han Bing, not far away, couldn't help but exclaim, almost crying: "Father..."

At this time, Bing was angry and regretful.

I thought that the rescue of Wen Chou Chou and everyone from Qin Tian Prison was the most successful thing I had done since I was a child, but I never thought that all this was secretly arranged by the God King Haotian.

And he has become a pawn of the Haotian God King invisibly.

If he hadn't brought Uncle Wen and everyone to Shenlong Island, his father would not have heard the news, and now, he would not have been besieged to death by the gods and soldiers of the Divine Supervision.

In other words, if the father today, Uncle Wen and the others, if they have three strengths and two weaknesses, they will be killed indirectly.

"You gang of hypocrites, demons!"

For a while, Han Bing became more and more angry. At that time, he snorted and waved his long sword, trying to repel the gods and soldiers in front of him, so that he could rush to Yue Feng to help.

However, there were too many divine soldiers and generals in front of him. Even if Han Bing was not suppressed by divine power, it would be difficult to break out of the siege.

"Yue Feng, hold on!"

This chapter is provided by . Visit for daily update.

At the same time, Xian Di's delicate face was also indescribably anxious, and she couldn't help shouting: "You must hold on." Saying that, Xian Di exerted her divine dragon power and wanted to rush over.

It's just that the situation she faced was the same as that of Frost Bing. There were too many gods and soldiers in front of her. It was impossible to beat a few back and a few more.

Yue Feng is here.

The severe pain in the back came, and Yue Feng's anger was completely aroused. At that time, he didn't care about the injury at all, the divine power was running, and the few divine soldiers in front of him were shocked and flew out.

Thump thump thump...

After several divine soldiers landed, they all closed their eyes and passed out.

And Yue Feng reluctantly urged his divine power, and at this time he was even weaker, his face was pale, he was shaky, and he could fall down at any time. Yue Feng had

consumed a lot of divine power when he used the Nine Heavens Holy Profound Art before, and he was stabbed again just now, so no one could hold it.

Haha...

Seeing this situation, Zhan Wuji, who was recovering by adjusting his breath on the top of the hall, showed a smile on his face, indescribably excited.

Yue Feng is about to die, and this operation will soon be successfully completed.

You must know that Yue Feng, who is in front of him, is the teacher of the Emperor of Heaven, and the God King Haotian is even more afraid of him. If he kills him now, it can be regarded as a great achievement.

Excited, Zhan Wuji already had the scene of being praised and rewarded by the God King Haotian in his mind.

However, Zhan Wuji did not get carried away. Seeing that Yue Feng was unable to support himself, he made a decisive decision. The figure erupted, raised his hand and hit Yue Feng from behind.

“Yue Feng, today is your day of death!”

When he was about to approach, Zhan Wuji’s excited and proud face showed a bit of grimness.

Nima!

Hearing Zhan Wuji’s anger behind him, Yue Feng cursed secretly, instinctively wanting to dodge, but he was so weak that it was too late.

boom!

This palm hit Yue Feng’s back firmly, Yue Feng groaned, blood spurted wildly, the whole person flew dozens of meters away, and finally slammed heavily on the steps in front of the hall.

“Fengzi!”

Seeing Yue Feng’s hands again, Wen Chou Chou and Sun Dasheng roared in unison, both angry and worried.

Sun Dasheng was even more angry, and scolded Zhan Wuji: “Zhan Wuji, because you are still a god in golden armor, do you only attack from behind?”

“If you have the ability, you can fight with your grandfather and me for 300 rounds. Come on.”

While scolding, Dasheng Sun waved his axe, trying to fight Zhan Wuji desperately, but he was surrounded by gods and soldiers, where did he rush over?

Hehe...

In the face of Sun Dasheng’s clamor, Zhan Wuji did not feel angry at all, but smiled contemptuously, and said lightly to Sun Dasheng: “You can’t even use all your own internal strength, what qualifications do you have to fight against me?”

The ultimate husband in Chinese chapter 6167

While talking, Zhan Wuji slowly walked towards Yue Feng.

call!

Seeing Zhan Wuji approaching step by step, Yue Feng took a deep breath and struggled to stand up, scolding Zhan Wuji thousands of times in his heart.

This battle is boundless, it really deserves to be brought out by the God King Haotian.

“It’s interesting!”

Zhan Wuji was stunned when he saw that Yue Feng was still able to stand up, and then joked: “You can still stand up after such a serious injury? Yue Feng, how much blood do you have left?”

Yue Feng Wiping the blood from the corners of his mouth, he said lightly: “I, Yue Feng, have been involved in the arena for more than ten years, and when I competed with the Nine Heavens God, I was not at a disadvantage. I have never seen any scenes.”

“You are a little god, you want to take me. I’m afraid it’s not enough.”

When he said this, Yue Feng stood upright and arrogant.

Not enough!

These three words, like an invisible giant hammer, slammed into Zhan Wuji’s heart, his face flushed red, and he was ashamed and angry.

“Okay, okay...” In the

next second, Zhan Wuji reacted and said a few good words, his eyes fixed on Yue Feng, and he said coldly: "When death is imminent, I dare to speak out, I won't cut your head off today. Come down, I will not be called Zhan Wuji."

"Go to death..."

Zhan Wuji almost roared out the last two words, and then burst out with all his strength, the whole person turned into a golden afterimage in the air, bursting towards Yue Feng .

This chapter is provided by . Visit for daily update.

"It's uncertain who will live and who will die."

Yue Feng roared, his eyes burst with two bright lights, and the only divine power in his body exploded completely, raised his hands, and faced Zhan Wuji.

boom!

When the palms of the two sides collided, they heard Zhan Wuji's miserable howl, and they were shocked and flew out, smashing the two dragon-shaped sculptures before they landed heavily.

After landing, Zhan Wuji sprayed a few mouthfuls of blood in a row, and his face was extremely sluggish and weak.

That's right, Yue Feng's palm just now contained the techniques of the Nine Heavens Holy Profound Art, and Zhan Wuji was naturally not an opponent.

However, when the Nine Heavens Holy Profound Art was used again, Yue Feng's divine power was completely exhausted, and his whole body seemed to be hollowed out.

call!

Seeing this scene, Sun Dasheng and Wen Chou Chou were all worried.

"Yue Feng!"

At this moment, a sad cry came, with a crying voice.

Yue Feng heard the sound and saw that in the fierce battle between the two sides, Su Qingyan was looking towards this side with a long sword in hand, tears kept falling from her cheeks.

When the battle broke out just now, Su Qingyan and the others had been resisting the gods and soldiers, and they had no time to take care of him.

Because she knew in her heart that Yue Feng's strength was not what it used to be. As long as the God King Haotian didn't come, it was impossible for the gods like Zhan Wuji to hurt him at all.

It's just that Su Qingyan never thought that this Zhan Wuji's wicked and vicious methods would actually attack from behind.

Seeing that Yue Feng was severely injured at this time, Su Qingyan was still calm, and she burst into tears. Because she could clearly see that Yue Feng's face was pale and pale, he was slumped on the ground, and he didn't even have the strength to stand up.

"Yue Feng, you can't be in trouble... You must hold on, hold on..."

Su Qingyan's tears, like pearls with a broken thread, kept falling from her cheeks. Can't stop at all.

While crying, Su Qingyan clenched her long sword and wanted to rush up to check on Yue Feng's situation, but, like Wen Chou Chou, she was secretly injected with divine power when she was detained in Qin Tian Jian, and she couldn't use it all.

Coupled with the innumerable encirclement of divine soldiers in front of him, it was impossible to rush forward.

call!

Hearing Su Qingyan's cry, Yue Feng's heart warmed and he forced a smile. Then he looked at Su Qingyan and said weakly: "Qingyan, I'm sorry, I'm afraid I won't be able to accompany you in the future."

When he said this, Yue Feng's heart was dripping blood.

He didn't want to be so negative either, but the power of his primordial spirit was exhausted, and he couldn't fight anymore.

"No..."

Su Qingyan was distraught, crying even more, shaking her head desperately: "I don't allow you to say that...don't..."

Seeing her like this, Yue Feng was also extremely uncomfortable, and wanted to comfort a few words, but did not know how to speak.

In the next second, Yue Feng turned his neck with difficulty and looked at Wen Chou Chou and Sun Dasheng not far away: "Brother Wen, Dasheng, it's me who is useless and I'm hurting you all."

At this time, Yue Feng was very unwilling.

Mad... I was really too careless. Brother Wen and the Great Sage were secretly sealed with a divine power. Why didn't I notice it at first?

Originally there was still a chance, but now, there is no chance at all.

call!

Hearing this, Wen Chou Chou felt extremely uncomfortable, and shouted: "Fengzi, what did you say? When we swore to worship, we swore that we would live together and die together."

"Besides, what happened today . , it's just that God King Haotian is too ruthless, it has nothing to do with you." The

voice fell, and Sun Dasheng also echoed loudly: "That is, when did you become such a mother-in-law Fengzi? Isn't it death, what's the big deal, We will still be brothers in the next life ." We will

still be brothers in the next life.

Hearing these words, Yue Feng's heart was instantly filled with a stream of heat, his blood was agitated, he nodded and said, "Yes, we will be brothers in the next life."

"Yue Feng!"

At this moment, Xian Di couldn't help shouting. : "My Qinglong clan will share life and death with you." There is no chance to reverse the situation in front of me, I just want to kill a few more enemies.

Haha....

At this moment, Yue Feng smiled, and the depression in his heart was swept away, and shouted at Xian Di: "Thank you for the love of the empress, I am afraid that Yue Feng will not have the chance to repay in this life, if there is a chance in the next life , I must be a cow and a horse to repay your kindness." The

Qinglong family originally lived in seclusion on Shenlong Island and had no competition with the world, but because they were involved in this endless grievance and grievance, they finally implicated the entire Qinglong family and suffered annihilation. disaster.

This kind of kindness can never be repaid even in a lifetime.

Um!

Hearing this, Xian Di nodded, a smile appeared on her delicate face, and she was also determined.

“Young Master!” Xiao Xi, who was beside him, couldn’t hold back at this moment, and shouted with tears: “Xiao Xi is incompetent, I can’t help kill the enemy by your side, there is an afterlife, and I will be your personal maid and serve you. ..”

Silly girl...

Yue Feng couldn’t help but smile bitterly.

“Pfft...”

At this moment, Zhan Wuji, who was not far away, stood up staggeringly, and after spraying a mouthful of blood, his eyes were like poisonous snakes, and he looked at Yue Feng coldly: “Ma Shan is going to die, There is so much nonsense.”

After speaking, Zhan Wuji shouted at the surrounding gods: “What are you still doing? Kill Yue Feng.”

Swish swish... After

hearing the order, several gods rushed to the sky. He got up and quickly erupted towards Yue Feng.

At this moment, Yue Feng completely gave up resistance and slowly closed his eyes.

“Young Master!”

“Fengzi...”

“Yue Feng!”

For a while, Sun Dasheng, Xiao Xi, Wen Chou Chou and everyone cried out in grief, tears welling up.

Seeing that someone close to you is about to die tragically, but there is nothing you can do, is the most helpless thing in this world.

“Uncle Yue Feng, here we come!”

Seeing that Yue Feng was about to die under the hands of several divine generals, at this critical moment, he heard a coquettish cry from the sky not far away.

Swish!

Yue Feng suddenly opened his eyes and looked towards the sky.

At the same time, the crowd of Wen Chou Chou, as well as the magic soldiers and generals present, also raised their heads.

It's this girl...

Seeing the person coming, Yue Feng was stunned for a moment, very surprised, the corners of his mouth twitched randomly, and a smile appeared.

I saw a man and a woman flying quickly in the air. The male is tall and handsome, the female is youthful and beautiful, charming and charming.

It was Tie Bowen and Nalan Wushuang.

Below them, tens of thousands of Rakshasa cavalymen came in mighty waves like a tide.

Whoa!

Seeing this scene, Wen Chou Chou and everyone were stunned for a moment, and then cheered.

"It's Wushuang girl..."

"Great, Wushuang actually brought reinforcements from the Rakshasa clan."

Under the excitement of everyone, Han Bing was even more excited, and couldn't help shouting at Nalan Wushuang: "Wushuang, it's great that you are here, hurry up, save my father."

When he shouted, there was excitement on Han Bing's face, but he remembered to cry in his heart.

After all, Yue Feng's life is on the line, how can she not be anxious as a daughter?

"Okay!"

Nalan Wushuang responded, immediately speeding up and heading towards Yue Feng.

Rakshasa?

Seeing Nalan Wushuang and Tie Bowen appear with the Rakshasa cavalry, Zhan Wuji was also stunned, and frowned secretly at that time. I really didn't expect that at this critical moment, someone would come to support Yue Feng.

Hehe...

At this time, seeing Nalan Wushuang rushing up, Zhan Wuji responded quickly, his face was full of contempt, and he shouted at several gods: "Don't worry about these Rakshasa clan, kill Yue Feng.

"The Rakshasa clan, the barbarians of Kyushu, are nothing to worry about.

Hearing the order, several gods will start again.

"Stop!"

Seeing this scene, Nalan Wushuang couldn't help but let out a coquettish cry, her delicate face was full of anxiety, and at the same time she wanted to speed up to stop it, but she was still a long way from Yue Feng, and it was too late.

In desperation, Nalan Wushuang turned his head and called out, "Brother Bowen."

Tie Bowen understood and said loudly, "Wushuang rest assured, I will not let anyone hurt Your Excellency Yue Feng."

Click!

When the words fell, Tie Bowen raised his hand and waved, and saw a golden light flickering, and then a giant bow flickering with flames was tightly held in his hand.

It is the sunset bow.

In the next second, Tie Bowen activated his internal force, holding the bow in one hand, and quickly pulled the bowstring with the other.

hum!

In an instant, driven by the power of the setting sun bow, the power of the scorching sun above his head gathered crazily, and finally formed a rocket, tearing apart the world and bursting towards several gods.

This arrow and iron bolt did not hesitate and was very decisive. You must know that this time he led the army to go to Kyushu, and was ordered by Mona to come to help Yue Feng. Now that Yue Feng is in a crisis, naturally he will not stand by.

What a powerful force.

Feeling the terrifying power contained in the rocket, several gods were inexplicably panicky.

Huh...

and Wen Chou Chou and Sun Dasheng were also stunned, staring at Tie Bowen in midair, secretly shocked.

This giant bow is so powerful that it can actually combine the power of the scorching sun.

And this kid is a little unfamiliar. When did the Rakshasa tribe come out with such a strong man?

Sunset bow...

At the same time, Yue Feng looked at the sunset bow in Tie Bowen's hand, and was also thoughtful.

At the beginning, Yue Feng gave the Sunset Bow to Mona and told her to seal it up, because in order to unleash the power of the Sunset Bow, it must be integrated with the power of the sun, but this kind of power is difficult for ordinary people to control. If you are not careful, you will get burned.

It's just that Yue Feng didn't expect that Mona did not obey the instructions, but gave the sunset bow to the clan.

What made Yue Feng even more unexpected was that the boy named Tie Bowen in front of him had successfully comprehended and integrated the power of the Sunset Bow.

It's unbelievable...

Boom....

Just when Yue Feng was thinking about this, that rocket exploded and slammed hard on the protective film deployed by several gods. He heard a thunderous roar, The protective film shattered instantly, and several gods snorted, and they were all shaken back.

After stabilizing their figures, the faces of several gods turned pale, and they were obviously shocked.

Speaking of which, Tie Bowen's current strength is not enough to hurt these gods. It's just that in the previous fierce battle, these gods have consumed a lot of divine power. At this time, they are naturally not the opponents of the Sunset Bow.

What?

Seeing this situation, Zhan Wuji paled in shock, and when he looked at Tie Bowen's eyes, there was a strong hostility.

This Rakshasa clan boy, the giant bow in his hand, can actually explode with such terrifying power.

Whoa!

Wen Chou Chou, Sun Dasheng and others were very excited.

"This arrow is a good shot!"

"It makes me happy to see it."

Under the excitement of everyone, Nalan quickly rushed to the front, first checked the situation of Xia Yuefeng, and then quickly said: "Uncle Yuefeng, we It 's too late." With

that, Nalan happily used his inner strength to inject into Yue Feng's body to help him regain his vitality.

Speaking of which, Nalan Xinran's internal power is not particularly deep, and Yue Feng is the power of the primordial spirit, so the internal power she input is completely a drop in the bucket.

But even so, under the instillation of Nalan Xinran's meager internal strength, Yue Feng's complexion has improved a lot.

"All officers and men obey orders!"

At this time, Tie Bowen was suspended in mid-air, looking at the situation in front of him, he issued an order without hesitation: "Assist Your Excellency Yue Feng and the Shenlong Clan to fight against powerful enemies!"

"Follow your orders!"

This In an instant, tens of thousands of Rakshasa cavalry roared in the sky, and then urged the horses to rush towards the gods and soldiers.

Speaking of which, although these Rakshasa cavalymen are strong, they are not the opponents of these divine soldiers at all. After all, the strengths of the two sides are not on the same level.

However, the Rakshasa clan is martial and fierce, and they are given orders at this time, no matter how strong their opponents are, they are still invincible.

Bang Bang Bang...

In the blink of an eye, the two sides scuffled together, and many Rakshasa cavalymen fell in a pool of blood.

Shit, you can't fight like that.

Seeing this scene, Yue Feng was so anxious that he immediately stood up and shouted: "Little Brother Bowen, the enemy is huge, but you can't blindly charge. Quickly order to retreat first."

Seriously, Yue Feng had already given up hope. , but seeing Tie Bowen and Nalan Wushuang felt that their hearts suddenly changed to life and cheered up again.

"Go back, go back!"

Hearing Yue Feng's words, Tie Bowen didn't have time to think, and immediately shouted: "Listen to Your Excellency Yue Feng, retreat."

Whoa...

At this moment, when I heard Tie Bowen's shout, Luo The cavalymen retreated one after another, and more than a dozen cavalymen were killed during the retreat, but compared to the casualties in the battle just now, it was not bad.

Seeing this scene, Yue Feng nodded with satisfaction, and then continued to Tie Bowen: "Next, give me the command of these cavalry, you continue to use the power of the sunset bow and assist from the side.

" No problem!"

Tie Bowen nodded, his expression full of respect: "Everything obeys the instructions of Your Excellency Yue Feng."

After speaking, Tie Bowen shouted at the tens of thousands of cavalry: "From now on, obey Your Excellency Yue Feng's dispatch, no There is a mistake."

"Follow the order!"

Tens of thousands of cavalymen responded in unison.

At this time, Yue Feng took a deep breath and said to Xian Di: "Your Majesty the Empress, also give me the command of the Shenlong Clan."

When he said this, Yue Feng's face was still weak, but his eyes flickered. With confidence.

Yes, at this time, Yue Feng already had a plan in mind.

"Okay!" Xian Di nodded without hesitation, and then issued an order: "All the Qinglong clan, obey the command of Yue Feng, and must not be slack."

"Follow Your Majesty's order."

Shake the sky.

call!

Seeing this, Zhan Wuji took a deep breath and narrowed his eyes slightly.

Is this Yue Feng confused? He doesn't think that with the support of these Rakshasa cavalry, he can turn the tide of the battle, right?

Thinking to himself, Zhan Wuji sneered and shouted: "Yue Feng, just relying on this group of rabble, also want to defeat my tens of thousands of divine soldiers? Is your brain flooded?"

After speaking, Zhan Wuji roared loudly: "We will do all we can to suppress them, and leave none of them."

Whoa!

The voice fell, and the divine soldiers and generals present exploded with divine power, rushing towards the crowd.

Facing the ridicule, Yue Feng couldn't see his anger or anger as usual, but walked slowly to the steps and said loudly: "The Rakshasa cavalry and the Qinglong clan obey orders."

“The Qinglong clan is divided into three formations, and the first formation advances. Twenty paces, the second formation is twenty paces to the left, and the third formation remains in place.”

“Rakshasa cavalry interspersed and detoured...”

Because of the serious injury, Yue Feng’s voice was not loud, even weak, but clear spread all over the place.

Swish!

Hearing Yue Feng’s order, the Qinglong clan and tens of thousands of Rakshasa cavalymen who were present moved quickly without any hesitation.

“Arrange troops?” At this moment, Zhan Wuji

finally understood Yue Feng’s intentions, and immediately sneered: “It’s too late to start the formation... What?”

Suddenly dumbfounded, his eyes widened, it was incredible.

I saw that under the command of Yue Feng, the Qinglong clan and the Rakshasa cavalry cooperated closely, and the queue was orderly, and in the blink of an eye, the magic soldiers and gods who were present were surrounded.

And these gods and soldiers who were surrounded were all dizzy, and the formation was in chaos at that time.

“All officers and men obey orders!”
