This...

Seeing this scene, Zhan Wuji was shocked and angry, and his face was extremely ugly.

How could a situation that should have been won steadily become like this?

“Quickly rush out.”

Frightened, Zhan Wuji roared anxiously: “What are everyone doing? Rush!”

Hearing the order, the tens of thousands of divine soldiers present tried to break through the siege, but after several attempts, they were all gone. After the failure, the formation deployed by Yue Feng was very flexible and mysterious.

These divine soldiers relied on their powerful divine power, but in the face of this formation, they were ‘powerful and nowhere to be used’.

Yes, Yue Feng deployed one of the legendary formations in Kyushu, the Wanmu Xuanchong formation.

The Wanmu Xuanchong Formation was the formation used by Emperor Hou Yi to trap Zhu Bajie. More than ten years ago, Yue Feng entered the Northern Ying Continent for the first time and met Zhu Bajie who was trapped in the palace. At that time, Zhu Bajie Outside the exit of the residential compound, there are densely packed wooden stakes.

Zhu Bajie’s strength is strong, and he knows everything from ancient times to the present, but he has been trapped by this formation for nearly a thousand years.

Finally, with the help of Yue Feng, Zhu Bajie was freed.

Later, Yue Feng deliberately studied the Wanmu Xuanchong Formation and improved it on the basis of the original one. It’s just that I haven’t used it all the time, because this formation is too vast.

At this time, the situation was in crisis, and Yue Feng immediately thought of Wan Mu Xuan Chong formation.

“General!”

At this time, many divine soldiers grimaced and responded to Zhan Wuji: “This formation is too weird, we can’t rush out.” The

voice fell, and the other divine soldiers also complained.

“yes...”

“This formation is too evil...” After

hearing this response, Zhan Wuji’s face became even more ugly.

The divine general of the dignified and diligent Tianjian was actually surrounded by the Qinglong clan and these Rakshasa cavalry, and he was simply embarrassed.

Almost forgot.

Frightened, Zhan Wuji thought of something, and couldn’t help but patted his forehead. This Yue Feng master inherited Guiguizi, and the Qimen formation technique is omnipotent. It is not uncommon to be able to trap these divine soldiers and generals with a formation.

However... as long as Yue Feng is killed, this formation will not be self-defeating.

Thinking of this, Zhan Wuji endured his weakness, pointed at Yue Feng and howled: “Kill him, kill Yue Feng, as long as Yue Feng is dead, these formations will be broken.

” General, Zhan Wuji also knows the truth of capturing the thief first and capturing the king.

Buzz....

The voice fell, and several gods didn’t hesitate, they burst out one after another, and quickly came towards Yue Feng.

“Yue Feng!”

“Fengzi be careful!”

Seeing this scene, whether it was Wen Chou Chou or Su Qingyan and others, they were all shocked and exclaimed.

However, Yue Feng was indifferent.

“Sun Breaking Arrow!”

At this critical moment, Tie Bowen, who had already prepared, suddenly shouted loudly, and his figure rose into the sky.

Tie Bowen is a great general, otherwise he wouldn't have been reused by Meng Na. When he saw Yue Feng's formation, he instinctively guarded Yue Feng's side.

At this time, seeing several gods will burst out, he decisively cast the sunset bow again.

hum!

In mid-air, Tie Bowen mobilized the power of the sunset bow and pulled the bowstring. In an instant, the power of the scorching sun above his head was madly absorbed again. Immediately, a rocket pierced the sky and burst towards several gods.

This arrow is as fast as lightning, and it reaches the front in the blink of an eye.

What?

Several gods were originally full of confidence. After all, Yue Feng was seriously injured, and it was almost easy to kill him, but he never expected that Tie Bowen would respond so quickly.

I didn't expect that the power of the Sunset Bow was far more terrifying than I imagined.

In the shock, several gods will quickly mobilize their divine power to protect themselves.

Boom...

The next second, the rocket collided with several gods, and a huge earthquake erupted, and the hot flames formed by the power of the blazing sun instantly enveloped them.

Under the raging fire, several gods were completely panicked and quickly used their divine power to disperse them. Speaking of which, they were all the body of the primordial spirit. These blazing fireworks were not enough to kill them, but they also made them extremely embarrassed.

Soon, several gods shattered the blazing sun flames on their bodies, burning black and weak, and the armor on their bodies was also eclipsed. It is a stark contrast to the previous majestic image.

The ultimate husband in Chinese chapter 6172

Wow!

Seeing this situation, Wen Chou Chou and others, who were originally extremely worried, were all relieved and excited at the same time.

Sun Dasheng couldn't help but burst into laughter, and praised Tie Bowen: "Good archery!"

Hearing the praise, Tie Bowen smiled slightly and continued to guard around Yue Feng.
Waste...

At this moment, Zhan Wuji's face was ashen, and he almost yelled at him.

I can't do this well, and I have spent so many years with His Royal Highness the King of God in vain.

Immediately, Zhan Wuji locked on Tie Bowen tightly, his eyes were like a poisonous snake. This kid is not very strong, but the giant bow in his hand is amazing.

Is there any way to stop his giant bow...

Boom!

Just when Zhan Wuji was thinking about countermeasures, he saw Tie Bowen rising into the air, holding a bow and arrows, and the feather arrows with the might of the blazing sun, like flaming stars, exploded in the queue of divine soldiers.

Under the raging and terrifying power, many divine soldiers let out bursts of miserable howls and fell to the ground and passed out.

Because Tie Bowen hadn't fully understood the power of the Sunset Bow, he couldn't use the Sunset Bow to kill these divine soldiers, but it would be no problem to defeat them.

These divine soldiers were trapped in the great formation, unable to break through the siege, their morale was low, and now they were even more panicked under the bombardment of Tie Bowen Lieyang Feather Arrows.

"General!"

Finally, some divine soldiers couldn't hold on any longer, and shouted at Zhan Wuji: "It is hopeless to break Shenlong Island recently, why don't you retreat quickly." The

voice fell, and many divine soldiers agreed.

"Yeah, withdraw."

"This is impossible to fight..."

The requests from the gods kept coming, Zhan Wuji was shocked and angry, and shouted angrily: "Shut up for me, I will wait for the heavenly power. Master, how can you escape without a fight?"

"Who said that if you withdraw, you won't be spared."

When he said this, Zhan Wuji was very angry. This time, the siege of Shenlong Island was supposed to be guaranteed, but he didn't expect that the situation would get worse and worse. increasingly out of control.

What's even more abhorrent is that these divine soldiers under his command are all timid.

He was deeply trusted by the God King Haotian. If he led someone to escape, how could he have the face to meet His Highness the God King.

Thinking to himself, Zhan Wuji's eyes were blood red, and he howled like crazy: "All the soldiers, cheer me up, no matter how much you pay, you will break this great formation, kill Yue Feng, and take his head.

" !

The military orders were like mountains, and they were resolute when they saw the battle. The gods and soldiers who were present did not dare to flee again. They gritted their teeth and tried to break through the siege of the Wanmu Xuanchong formation.

However, the Wanmu Xuan Chong formation, under the improvement of Yue Feng, was incomparably mysterious.

Tens of thousands of Divine Soldiers tried several times, but they were still unable to break through. Instead, many Divine Soldiers seemed extremely weak because they consumed too much Divine Power.

Mad!

Seeing this situation, Zhan Wuji's face was extremely cold, and his heart was even more incompetent and furious.

Could it be.... the situation is really irreversible?

"War Promise!"

At this moment, Xian Di's delicate body flew up, and said coldly at Zhan Wuji: "You are unforgivable for breaking into my Shenlong Island, but I will give you a chance now and immediately order surrender, otherwise, you few There are ten thousand gods and soldiers, and none of them want to leave alive." The

voice was clear and sweet, but there was a chilling coldness.

surrender?

Hearing this, the corners of Zhan Wuji's mouth twitched, as if he had received great humiliation, and sneered: "Although your Qinglong clan is the head of the four divine beasts, you are not qualified to make me surrender.

"Wuji's face was resolute, unquestionable.

Um?

Hearing this answer, Yue Feng couldn't help frowning secretly.

This battle is endless, although the means are sinister and vicious, but also has the backbone.

"Okay!"

Xian Di guessed that he would not surrender easily, and nodded lightly, with a bit of coldness on her delicate face: "Since you are so ignorant of current affairs, don't blame me.

"In the battle, I don't know how many warriors of the Qinglong family died in the hands of the opponent. This blood feud must be avenged.

Thinking to herself, Xian Di shouted: "Go to hell."

Om!

When the voice fell, Xian Di rose up, waved her jade hand, and called towards Zhan Wuji.

This palm contains 90% of Xian Di's power, and wherever it goes, the situation changes.

The ultimate husband in Chinese chapter 6173

It's

over!

Feeling the power of Xian Di's palm, Zhan Wuji's color changed in horror. He wanted to back up and dodge, but he was hit hard by Tie Bowen's arrow just now. He was so weak that it was too late.

His Royal Highness the King of God, his subordinates are incompetent and have failed your trust.

Seeing Xiandi getting closer, Zhan Wuji closed his eyes reluctantly.

hum!

However, at this critical moment, a terrifying aura fluctuated from the sky not far away, and then, a golden figure burst out, blocking the palm for Zhan Wuji.

Boom....

In the next second, a roar was heard, and Xian Di only felt a vast force coming. At that time, her delicate body trembled, and then she was shaken back by the volley.

After stabilizing her figure, Xian Di was shocked when she saw the person coming.

I saw that the other party was wearing a purple-gold armor, proudly in mid-air, and the powerful force surged, and the surrounding air was extremely distorted, majestic and majestic, making people dare not look at him.

Not the God King Haotian, who else could it be?

The God King Haotian was originally in the Qintian Prison for a retreat, and when he heard the news from the divine soldiers, Yue Feng appeared on Shenlong Island and deployed a huge teleportation array. At that time, the God King Haotian was shocked. .

Oops!

At this moment, seeing the appearance of the God King Haotian, whether it was Yue Feng or Wen Chou Chou, everyone was shocked.

This chapter is provided by . Visit for daily update.

As soon as the God King Haotian came, Shenlong Island was afraid that it would be in danger.

“His Royal Highness God King!”

Zhan Wuji was extremely happy and couldn't help shouting.

Haotian God King nodded, his face did not fluctuate, but when he saw the scene in front of him, he was immediately furious.

At this time, the God King Haotian clearly saw that tens of thousands of divine soldiers were besieged by the warriors of the Qinglong family and the Rakshasa cavalry, and many divine soldiers were very weak.

“Zhan Wuji!”

In his anger, the God King Haotian said coldly, “What the hell is going on?” Although the strength of the Qinglong clan is strong, it is impossible for the Divine Soldier of the Diligent Supervisor to beat the gods like this. awful.

“His Royal Highness!”

In the face of the question, Zhan Wuji looked embarrassed, and lowered his head in shame: “It’s because the subordinates are incompetent and they are not good at doing things.”

Then, Zhan Wuji quickly explained the situation again.

Swish!

Knowing the situation, the God King Haotian was very annoyed, his eyes locked on Tie Bowen, and he said coldly: “Good boy, it’s you again, you were the one who injured the head of Wudang in the Nalan family before?”

The truth of Prince Aotian The identity has not been fully exposed on the rivers and lakes, so the Haotian God King still temporarily calls the head of Wudang.

“Yes!”

Tie Bowen couldn’t help taking a deep breath and nodded, feeling the terrifying aura pervading God King Haotian’s body, “It’s me.”

Haha!

The God King Haotian smiled indifferently, with absolute contempt in his eyes: “Boy, you are lucky enough to understand the power of the Sunset Bow, but if you are arrogant to the point that no one in the world is your opponent, then you are making a big mistake. “

Also, I am in charge of supervising Kyushu, and my rights are supreme. You help Yue Feng fight against my army of Tianjian, which is against the way of heaven. Have you ever thought about the consequences?”

I have to say that Haotian God King is too strong. Hearing these words, Tie Bowen only felt a suffocating pressure coming towards his face. He opened his mouth at that time:

“I...”

After saying one word, Tie Bowen took a deep breath, tried to calm himself down, and then continued: "I don't know what the consequences are, I only know that I am a Rakshasa warrior, and it is my duty to obey orders. The queen asked me to protect Your Excellency Yue Feng, and I will do my best. Go ahead." The

last sentence, neither humble nor arrogant, was loud and clear.

However, upon hearing this, the God King Haotian just smiled contemptuously: "Really? But what you don't know is that this decision will bring disaster to your Rakshasa clan."

Hearing this, Tie Bowen was heartbroken. shock.

"Haha..." At this moment, Yue Feng, who had been silent all the time, couldn't help laughing: "God King Haotian, do

n't you think it's ridiculous that you violated the orders of the Emperor of Heaven and said that you follow the way of heaven?"

When it came to Yue Feng's words, the Haotian God King was furious: "Yue Feng, shut up for me. If you hadn't been a stumbling block at the beginning, it's still unclear who the throne of the heavenly emperor will fall on."

The ultimate husband in Chinese chapter 6174

said, the eyes of the God King Haotian flickered with madness: "Don't think that you are Ao Lin's master, and you can tell me what the king is doing. Let me tell you, here I am heaven, and what I say is the way of heaven.

" You can use the formation to trap tens of thousands of my soldiers, and you are considered a generation of strange people, but you must know that in the face of absolute strength, any mysterious formation is useless."

Kacha!

When the last word fell, the God King Haotian slowly raised his arm, and with a crisp sound, a weapon that shone with dazzling light was held tightly by him.

It is the Moon God Halberd.

hum!

The next second, the God King Haotian exploded with divine power, raised his hand and waved hard.

In an instant, accompanied by an earth-shattering whistling sound, a dazzling golden light burst out from the Moon God Halberd, like a golden lightning bolt, mercilessly blasting towards the Wanmu Xuan Chong formation below.

The terrifying force exploded in the crowd, and in the screams, many soldiers of the Qinglong clan and Rakshasa cavalry fell in a pool of blood.

At the same time, the others were also panicked, and the formation was in chaos.

“All officers and soldiers obey the order!”

At this time, the God King Haotian hovered in the air and said coldly, “Slaying the Dragon Island, not a single one will be left.”

“Kill...”

Hearing the order, the god soldiers and god generals present responded in unison. He, imposing like a rainbow, quickly launched a counter-offensive, and the Wanmu Xuan Chong formation was broken, and they no longer had any concerns.

“Ah...”

This chapter is provided by . Visit for daily update.

In the face of the counterattack of the gods and generals, no one reacted at that time. In the screams, the Rakshasa cavalry and the soldiers of the Qinglong family continued to fall.

Nima!

Seeing this scene, Yue Feng was furious.

This God King Haotian deserves to be a famous existence in the realm of the gods, but in such a simple and rude way, he broke the Wanmu Xuanchong formation. But speaking of it, the strength of a part of the Rakshasa cavalry that formed the formation was too weak in comparison.

If the formation is composed of the powerhouses of the Qinglong family, the Haotian God King may not be able to break it, but it is too late now, and it is too late to set up the formation again.

“Yue Feng!”

At this moment, the God King Haotian locked on Yue Feng tightly and said word by word, “No one can save you today.” The voice fell, holding the Moon God Halberd tightly in his hand, and his body turned into a shock. , went straight to Yue Feng.

call!

Faced with this situation, Yue Feng couldn't help but take a deep breath. At that time, he was going to face it, but the injury was too serious and he was powerless.

"Don't hurt my brother."

At this moment, Wen Chou Chou shouted loudly, clenched his long sword and rushed into the air, rushing towards the God King Haotian.

At the same time, Sun Dasheng shouted: "If you want to kill Fengzi, unless you step over my body!" The voice fell, and the figure followed.

"Brother Wen, Great Sage, don't..."

Seeing this scene, Yue Feng was taken aback and couldn't help crying.

Brother Wen and the Great Sage, the divine power in their bodies has not been expelled, and the inner strength of their dantian has been suppressed, and they cannot exert their full strength at all. Who is the opponent of the God King Haotian?

However it was too late.

"Beyond one's own strength!"

Seeing Sun Dasheng and Wen Chouchou rushing in, the Haotian God King's eyes were full of disdain. At that time, he uttered four words coldly, and raised his hand with the Moon God Halberd in his hand.

Chi...

A scream came out, and then, a golden glow erupted from the Moon God Halberd, directly covering Sun Dasheng and Wen Chou Chou.

In an instant, Wen Chou Chou and Sun Da Sheng didn't have time to react at all, they were directly thrown out, flying more than 100 meters away, and finally smashed down on the square, blood spurting wildly, and their breath was sluggish.

Although he didn't die, he didn't have the strength to fight again.

"Brother Wen..."

Yue Feng roared, and quickly rushed over to check the injuries of Wen Chou Chou and Sun Dasheng, only to see their bodies dripping with blood and dying. Can faint at any time.

Seeing this, Yue Feng was heartbroken, and quickly took out the healing medicine he had refined from his body and quickly gave it to Sun Dasheng and Wen Chou Chou.

“Yue Feng!”

At this moment, the God King Haotian locked his eyes on Yue Feng: “Since the three of you have such a good relationship, let’s go to hell together today.” The voice fell, the divine power erupted again, and the entire Shenlong Island sky was distorted.

Mad!

Yue Feng stood up slowly, raised his head and glared at the God King Haotian, and said with rage: “Hurt my brother, I want you to die!”

The ultimate husband in Chinese chapter 6175

Haha...

Hearing this, Haotian God King was stunned for a moment, and then he couldn’t help laughing: “Want me to die? Yue Feng, do you still have this strength?”

At this time, Haotian God King , his face is full of arrogance.

He clearly felt that Yue Feng’s Yuanshen’s power was severely depleted, and he couldn’t fight him at all.

In the face of mockery, Yue Feng was too lazy to talk nonsense, so he rushed to fight with the God King Haotian.

However, at this moment, Xian Di hurriedly stopped Yue Feng: “Your strength has not recovered yet, let me deal with him.”

Phew!

Yue Feng took a deep breath: “The queen should not be underestimated, the Haotian God King is powerful.”

Xian Di nodded: “I know, but if you rush up now, you will die. I will consume him for a while, and you will quickly restore your strength.”

Said Then, Xian Di looked at Yue Feng’s eyes, and it became complicated: “Maybe I can’t last long, but I believe that you can turn the situation around.” The

last word fell, Xian Di ran the power of the dragon and flew into the air. .

Queen...

At this moment, Yue Feng looked at Xian Di's graceful back, and a warm current stirred in his heart.

How can I make you trust me so much?

Moved, Yue Feng sat cross-legged, trying to calm himself down and quickly restore the power of his primordial spirit.

This chapter is provided by . Visit for daily update.

At this time, Xiandi had reached the air and confronted the God King Haotian.

“Sandy?”

The God King Haotian looked at Xiandi up and down, frowning and said: “In order to avoid disaster, you led the Qinglong family to leave the God's Domain and hid in Shenlong Island for thousands of years. Now, for the sake of Yue Feng, you want to take the entire Qinglong family. The future is a bet?” When

he said this, Haotian God King's tone was flat, but there was an invisible pressure.

call!

Hearing this, Xian Di breathed a sigh of relief, her delicate and beautiful face did not fluctuate at all, and said lightly: “When I do things in the Qinglong family, I never ask why, but only my heart.”

Saying that, Xiandi's eyes shifted from Qinglong in the audience . The strong man of the family swept over and said slowly: “Yue Feng is the Dragon Lord of our Qinglong family. At this time, there is an enemy who wants to take his life. Do you agree!”

“No!” In an

instant, all Qinglongs were present The strong, one by one, shouted in unison, and the momentum was shocking.

Hearing the answer, Xian Di was very satisfied, and continued: “And this enemy is the God King Haotian, who is famous in the realm of the gods, are you afraid?”

“Not afraid!”

Many Qinglong experts responded in unison again, and their voices shook the sky.

After responding, many Qinglong experts rushed forward with their weapons tightly in their hands, and fought fiercely with the gods and soldiers below.

Seeing this scene, Sandy nodded in relief.

In the next second, Xian Di looked at the God King Haotian: "Haotian, this is my answer."

Shuh!

The Haotian God King's eyes flickered, and then nodded with a sneer: "Okay, very good, since you are determined to oppose me, there is nothing to say." The

last word fell, and the Haotian God King went straight to Xiandi.

Xian Di was too lazy to talk nonsense, and urged the power of Qinglong to attack.

"Queen, let's help you!"

At the same time, more than a dozen strong people from the Shenlong family erupted one after another, and together with Xian Di, surrounded the Haotian God King.

"All are courting death!"

Facing this situation, the God King Haotian looked ferocious and said coldly: "If you are so ignorant of praise, let your Qinglong family and Yue Feng be destroyed today."

The moment the words fell, the God King Haotian urged With divine power, the Moon God Halberd suddenly waved in his hand.

hum!

In an instant, a touch of golden light ripped apart the sky, and the whole world seemed to be torn apart.

The dazzling golden light, carrying the unparalleled and terrifying power, exploded among the dozen or so Qinglong experts. Suddenly, a terrifying roar echoed throughout the entire Shenlong Island.

More than a dozen divine dragon powerhouses, without exception, sprayed blood wildly, fell from a high altitude, and after landing, they saw their blood dripping, their hearts were all shattered, and there was no breath.

Hiss...

Seeing this scene, whether it was Yue Feng or Su Qingyan and the others, they couldn't help but take a deep breath.

This God King Haotian is worthy of being the number one powerhouse in the Divine Realm. With just one move, he killed more than a dozen powerhouses of the Qinglong clan. You must know that none of these powerhouses are weak. They are placed in the Jiuzhou rivers and lakes. The absolute peak exists, but now, even the Haotian God King can't stop one move.

The ultimate husband in Chinese chapter 6176

At the same time, Xian Di was also injured by the shock. At that time, she groaned, her delicate body trembled, and she retreated again and again.

call!

After stabilizing her figure, Xian Di looked closely at the God King Haotian, with a delicate and beautiful face, unable to hide the shock. He didn't expect that after so many years, the strength of this God King Haotian was even more terrifying.

Back then, when Xiandi had not left the God Realm with the Qinglong family, she had fought against the God King Haotian. At that time, they were evenly matched. Now that thousands of years have passed, there is already a clear gap between the two sides.

"Yue Feng!"

At this time, the God King Haotian hovered proudly in the air, staring at Yue Feng, his face unable to hide his pride: "I said just now that no one can save you today."

Yue Feng took a deep breath, to respond.

"Your Excellency Yue Feng, I will protect you."

However, at this moment, Tie Bowen, who had been guarding around him, finally recovered, shouted loudly, and stood in front of Yue Feng.

The next second, Tie Bowen looked up at the god King Haotian, who was filled with divine power, his affection was no longer as fearful as before, but revealed a bit of determination: "With me here, I will never let you hurt Your Excellency Yue Feng in the slightest. ."

Her Majesty the Queen trusts herself so much that she can help Yue Feng, and she must not live up to her expectations.

hum!

When the last word fell, Tie Bowen raised the sunset bow high, and quickly pulled the bowstring with his right hand.

In an instant, Shenlong Island, which was originally covered with dark clouds, suddenly became dark. Only the sunset bow shone with dazzling light. Tie Bowen knew the horror of the Haotian God King, so he did not dare to neglect, and urged the power of the sunset bow. Extreme.

The power of the scorching sun of the entire Shenlong Island was instantly drained by the sunset bow.

This chapter is provided by . Visit for daily update.

laugh....

Soon, Tie Bowen let go of the bowstring, and saw a golden-red feather arrow cut through the sky, heading straight for the God King Haotian.

Feeling the power of this arrow, everyone present raised their hearts.

This sunset bow was the divine weapon that Hou Yi the Great used to shoot the sun back then. It was powerful and terrifying. The God King Haotian couldn't stop this arrow with all his strength.

Um?

Looking at the flying feather arrow, God King Haotian was also stunned for a moment, and secretly praised in his heart.

To be able to exert the power of the Sunset Bow to such an extent, this kid is not easy.

Thinking to himself, the God King Haotian didn't panic at all, he used his divine power at that time, and then he grabbed the Moon God Halberd and swung it suddenly, condensing a golden shield in front of him.

This shield is entirely formed by the divine power of the Haotian God King, and it also contains the power of the Moon God Halberd, which is dazzling like a scorching sun.

Bang!

In the next second, the feather arrow collided with the golden shield, and a huge shock erupted, then both collapsed and dissipated between the heaven and the earth.

Speaking of which, if it was someone else, this arrow would definitely not be able to stop it, but now Tie Bowen's opponent is the God King Haotian who has been in the Divine Realm for thousands of years, and his background is not comparable to him.

Moreover, Tie Bowen had consumed a lot of internal energy by using the Sunset Bow in a row before. At this time, this arrow seems to be powerful, but it is actually strong from the outside.

What?

Seeing this scene, whether it was Yue Feng or the other people present, they were all shocked and looked at the God King Haotian, but they couldn't get over it for a long time.

Just now Tie Bowen relied on the sunset bow, but he defeated many gods and generals in succession.

But the arrow that erupted just now was blocked so easily by the God King Haotian.

How could this be?

At the same time, Tie Bowen froze in place, looking at the God King Haotian in shock, his mind buzzing and blank.

Is this the strength of the God King Haotian?

terrible.

At that time in the Rakshasa Clan Hall, when Tie Bowen got the Sunset Bow again, he felt that he was giving up on me. Afterwards, he hit Prince Aotian in the Nalan Clan, and he became more and more confident in his heart.

At this time, facing the God King Haotian, Tie Bowen felt a sense of powerlessness from the bottom of his heart. At this time, I finally understood that 'there are days outside the sky, and there are people outside people'.

This God King Haotian can even block the arrows of the Sunset Bow, what else can't he do?

Whoosh!

Just when Tie Bowen was secretly shocked, he saw the figure of Haotian God King flashed, and in the blink of an eye, he arrived in front of him.

"Boy!"

At this time, the God King Haotian looked up and down at Tie Bowen with contempt in his eyes: "Only by you, can you keep him?"

The ultimate husband in Chinese chapter 6177

Om!

The last word fell, and the God King Haotian fluttered with a palm.

This palm seems to be slow, but in fact it is as fast as thunder.

What a great speed.

Tie Bowen was shocked when he saw this palm, and because the distance was too close, he had no time to dodge. At that time, he could only grit his teeth and hold the Sunset Bow in front of him in an attempt to block the palm.

boom!

In the blink of an eye, God King Haotian slapped the sunset bow with his palm. Tie Bowen only felt an overwhelming force coming from the mountains, and he spat out a mouthful of blood. The whole person was like a kite with a broken string, and was blown away from a distance.

After flying dozens of meters away, Tie Bowen landed heavily at the entrance of the hall.

At the moment of landing, Tie Bowen's face was pale and pale, and he only felt that the blood in his body was churning, and the inner strength of his dantian was completely disordered. At that time, another mouthful of blood spurted out.

“Brother Bowen!”

Seeing this situation, both Yue Feng and the others were terrified and worried at the same time.

Nalan Wushuang's body trembled even more, and couldn't help but exclaimed: “Brother Bowen!”

Shouting, Nalan Wushuang rushed over and took Tie Bowen in his arms, his voice choked: “Brother Bowen, you How.... don't scare me...” The

two of them have been through so much, and they have already lived and died together. Seeing him hurt so badly at this time, Nalan Wushuang only felt that his heart was broken.

call!

This chapter is provided by . Visit for daily update.

Hearing the call, Tie Bowen opened his eyes with difficulty, squeezed out a smile at Nalan Wushuang, and said weakly: "Don't cry, I...I can't die..."

But before he finished speaking, Tie Bowen said. It was dark in front of him, and he passed out immediately.

"Brother Bowen, Brother Bowen..." Nalan Wushuang's heart trembled, hugging him tightly, burst into tears, and burst into tears.

well!

Seeing this situation, Yue Feng secretly sighed in his heart, and it was indescribably complicated.

If this Tie Bowen died because of this, he would not be at ease for the rest of his life.

"Yue Feng!"

At this moment, the God King Haotian locked his eyes on Yue Feng and said word by word, "You have no helpers by your side, let me see who can save you."

"Because you are alone, you are so implicated. How innocent, is this what you mean by the right path?"

When he said this, the God King Haotian had a high-level attitude, and his tone was full of mockery.

call!

Hearing this, Yue Feng breathed a sigh of relief and couldn't help but look around.

She saw that Xian Di, not far away, was pale, unable to hide her weakness, and the warriors of the Shenlong clan around her were also dead and wounded.

On the other side of the square, Wen Chou Chou, Sun Dasheng and others were also sluggish.

Seeing this scene, Yue Feng was heartbroken again, and began to doubt himself in the depths of his heart.

Yes, just for myself, not only did it hurt the righteous brothers, but also caused the disaster on Shenlong Island, is it really worth it?

Hahaha....

Seeing Yue Feng's changing face, the God King Haotian couldn't help laughing up to the sky, and said coldly: "Yue Feng, do you regret it now? But unfortunately, it's too late to regret it now."

"What Kyushu Wizards? , but that's it."

At this time, the God King Haotian was very happy in his heart. He recalled that when Yue Feng helped the demon clan to besiege Yutian Palace, and finally the ancestor of Honghuang showed up to stop him. In the end, not only did he not punish Yue Feng, but he was named Jiutian Xuansheng, and he also said that he He is a rare genius in Kyushu for thousands of years.

At that time, Yue Feng was in the spotlight and enjoyed infinite glory.

But now, isn't it his own defeat?

The more he thought about it, the more proud of the God King Haotian.

call!

Facing the ridicule, Yue Feng had a bitter look on his face, and said lightly: "Whatever you want to say."

Seeing him like this, the corner of Haotian God King's mouth twitched: "Yue Feng, just admit defeat like this? This is not your style."

"What about life, what about defeat?"

Yue Feng took a deep breath and said slowly: "It's just an empty space." When he spoke, Yue Feng's face was calm, but he was quietly running the Nine Heavens Holy Profound Art.

Yue Feng thought about it, the God King Haotian thought he was in control of the situation, and would never think that he would attack suddenly.

Hearing this, the God King Haotian smiled contemptuously, and said coldly: "No matter what, you are defeated in the end." He had planned to kill Yue Feng immediately to completely get rid of this confidant.

But think about it carefully, killing Yue Feng like this is too cheap for him.

Thinking about it, the Haotian God King deliberately got closer and whispered to Yue Feng: "When you are about to die, I will tell you something, Gone has already been killed by me."

“His Demon Venerable Spirit The bone, I also took it away.”

What?

Yue Feng was about to wait for the opportunity, when he heard this suddenly, his heart was shocked, and he stared at the God King Haotian, speechless.

Gone is dead?

He actually died in the hands of the God King Haotian... Once Gone died, the demons completely disappeared...

Yue Feng knew that in this case, the God King Haotian would not lie, but when he heard the news, but not the slightest excitement in the heart. On the contrary, the emotion and sigh can not be expressed!

After so many years in these years, Yue Feng has already seen through many things. Whether it is a god or a demon, there is no absolute good or evil. Just like Moyan, who was once one of the twelve demon kings, was highly valued by Gone. But after having a child, his mood gradually changed.

Also, in the seclusion place of the senior Shennong, Gone couldn't bear to be injured by Nalan Wushuang and was severely injured by himself and Zhu Bajie....

And The God King Haotian in front of him had a high status and had a ray of light on his head, but what he did at this time was more evil and cruel than Gone.

“Goni has already been eliminated by me.”

At this time, the God King Haotian was in high spirits and said slowly: “I will get rid of you at this time, within the Three Realms, I will no longer be invincible. The position of the Emperor of Heaven, if you succeed, you will retire, and your name will last forever.”

Hehe...

Hearing this, Yue Feng smiled and said, “Then I congratulate you in advance.”

Yue Feng could see that God King Haotian was not in a hurry to kill himself, but wanted to slowly torture himself, and to tell the news of Gone's death was nothing more than a blow to his self-confidence.

But that's fine, the Haotian God King was not in a hurry, but gave himself the opportunity to brew.

“Congratulations?”

At this time, the God King Haotian was stunned for a moment, and looked at Yue Feng with a half-smiling smile: “The words that came out of your mouth surprised this king. Speaking of which, you are indeed a talent, but it’s a pity One mountain can’t tolerate two tigers, I won’t kill you recently, and it will be me who will end up like this in the future.”

“Do you have any last words?” When the

last word fell, the God King Haotian had murderous intent in his eyes. What should be said, what should not be said, everything has been said, and now it is time to do it.

Phew...

Seeing this scene, everyone around couldn’t help but sweat for Yue Feng.

Afterwards, Sun Dasheng roared: “God King Haotian, you have the ability to fight me for 300 rounds.” After speaking, Sun Dasheng was about to stand up, but he was too weak to stand up at all.

At the same time, Wen Chou Chou was also full of anxiety: “God King Haotian, thank you for being one of the best in the realm of the gods. At this time, when Yue Feng is weak, aren’t you afraid of being laughed at?”

Like Sun Dasheng, Wen Chou Chou finished speaking, I also wanted to rush over, but the injury was too severe, and I couldn’t test it with all my strength.

Ha ha!

The God King Haotian snorted, ignoring them at all, and looked at Yue Feng quietly: “Have you made up your last words?”

Yue Feng turned his eyes and did not answer directly, but said mysteriously: “Since you have Once the news of Nirvana’s death is revealed, then I will also tell you a secret.”

Secret?

The God King Haotian frowned and said with a sneer, “I know your situation very well, what secrets can you have?”

“It’s not my secret, but you.” Yue Feng said in a low voice with a bit of teasing on his face. : “It’s between you and Empress Hua Zhao.”

When he said this, Yue Feng looked relaxed, but secretly he was ready to go.

Swish!

At this moment, Haotian God King's expression changed, and he looked closely at Yue Feng, full of shock in his heart.

Impossible...

The relationship between me and Empress Hua Zhao is very hidden. Every time we meet, we are cautious, and no one has ever noticed. How did Yue Feng know?

"You..."

Under the shock, the God King Haotian reacted, glared at Yue Feng and said, "Are you bluffing me?"

Yue Feng has a lot of tricks, maybe he is thinking too much, the matter between himself and Empress Hua Zhao is fundamental. It didn't leak out, but Yue Feng imagined it out of thin air and deliberately frightened himself.

The ultimate husband in Chinese chapter 6179

It must be like this....

Yue Feng smiled slightly and said slowly: "At the time, Princess Dongling and I were ordered to get married by the Nine Heavens God. During that time, I was in Yuyao Xianyuan."

"One night, I got lost and broke into Empress Hua Zhao's room by mistake, it was too dark at that time, Empress Hua Zhao took me as you, guess what the Empress said to me at that time?"

When he said this, Yue Feng looked serious, and at the same time secretly pay attention to the reaction of Haotian God King.

Whoa!

Sure enough, when he heard this, God King Haotian panicked and quickly asked, "What did she say?"

God King Haotian had only loved one woman in his life, and that was Empress Hua Zhao, but she was the woman of the Nine Heavens God. , Haotian God King could only bury this love in his heart at first, and it was not until after the death of Jiutian God that he began to communicate closely with Empress Hua Zhao.

It's just that the identities of the two parties are special, and the God King Haotian didn't dare to make a big splash at all. Every time he met Empress Hua Zhao, he was cautious, like a thief.

Now that this secret has been broken by Yue Feng, how can you not panic?

Seeing the nervous look on Haotian God King's face, Yue Feng did not answer immediately, but motioned him to approach.

At this moment, the God King Haotian did not doubt and approached slowly, waiting for Yue Feng's answer.

"She said..."

Yue Feng lowered his voice and slowly uttered two words. Suddenly, his eyes flashed with a hint of brilliance, and he shouted loudly: "Let you die!"

Om!

The moment the words fell, Yue Feng ran the Nine Heavens Holy Profound Art, raised his hand and slapped it hard at the heart of the God King Haotian.

So much nonsense just now, the ultimate goal is to wait for this moment, so Yue Feng did not hesitate to put all the power of the primordial spirit into this palm.

"You..."

Seeing Yue Feng's sudden attack, the Haotian God King was shocked and furious, because it was too close to dodge, so he could only block the Moon God Halberd in front of him.

At the same time, God King Haotian was even more shocked when he felt the exercises performed by Yue Feng.

The Nine Heavens Holy Profound Art...

Yue Feng was using the 'Nine Heavens Holy Profound Art', the unique skill of the Brahma Emperor back then?

Wow....

Seeing this scene, the people not far from Xian Di and Wen Chou Chou were all excited.

Sun Dasheng was even more excited and shouted: "Yes, that's it, to deal with a hypocrite like him, you don't need to follow the rules, Fengzi killed him..."

"The King of God..."

"His Royal Highness the King of God .."

At the same time, Zhan Wuji and the surrounding gods and soldiers all changed their expressions, couldn't help exclaiming, and wanted to rush over, but it was too late.

boom!

This palm was slapped on the IQ of the Moon God Halberd. At that time, the Haotian God King groaned, and the whole person was directly sent flying, flying more than 100 meters before falling heavily to the ground. The Moon God Halberd also fell to the side.

Haha...

Yue Feng was very excited when the raid succeeded.

In order to raid the God King Haotian and let him relax his vigilance, he really tried his best just now, but he finally succeeded.

Whoa!

At this moment, Wen Chou Chou, Sun Dasheng, and even everyone in Xiandi cheered.

"Yue Feng severely injured the God King Haotian..."

"Great!"

"Haha, I knew Feng Zifu had a great fate, and there must be a way to turn the situation around..."

Everyone cheered, those gods and goddesses The generals were stunned, unable to believe that Yue Feng was so heavy on his hands that he could even attack the God King Haotian.

However, after Yue Feng used the Nine Heavens Holy Profound Art, the internal strength he had just recovered was exhausted again, and at this time he slowly stood up and looked around the audience.

In the next second, Yue Feng said to Zhan Wuji and those divine generals, "God King Haotian has been injured by me. If you don't want to die, just disarm and surrender." The voice was not loud, but it spread throughout the audience.

quiet!

For a time, the entire Shenlong Island was deadly silent.

Finally, Zhan Wuji was the first to react, glaring at Yue Feng and shouting: "Yue Feng, using such despicable means to raid His Royal Highness the King of God, fortunately you are still the teacher of the Emperor of Heaven." The voice fell, and the other God Kings rushed forward. Judging by Yue Fengkou.

"Despicable and shameless!"

"It's really a villain..."

Facing the scolding, Yue Feng's face didn't matter, he endured his weakness and said lightly: "Let's be each other, I call it the way to treat the other person."

The ultimate husband in Chinese chapter 6180

When he said this, Yue Feng secretly breathed a sigh of relief.

The Haotian God King was severely damaged, and Shenlong Island was saved, and everyone didn't have to die.

"You..."

Zhan Wuji's face was extremely ugly, but he had nothing to refute.

"Okay, very good!"

However, at this time, the God King Haotian stood up slowly, his eyes were blood red, staring at Yue Feng and said: "Yue Feng, you are indeed the person who was favored by the ancestors of Honghuang, In this case, you can still hurt me, you are really good..."

At this time, the God King Haotian, his face was pale, but he could not see the slightest weakness.

The palm of Yue Feng just now did hurt the God King Haotian, but he was so powerful that he finally resisted. Speaking of which, if Yue Feng was in his peak state and used the Nine Heavens Holy Profound Art, he would definitely be able to seriously injure the God King Haotian.

However, the power of Yue Feng's primordial spirit has not been completely recovered, so although the punch just now was fierce, it did not damage the foundation of the Haotian God King.

Nima!

At this moment, Yue Feng cursed secretly, and a layer of cold sweat appeared on his forehead.

With that palm just now, he burst out with all his strength, yet he didn't hit him hard?

What?

At the same time, the crowd of Wen Chou Chou, who were originally excited, were also stunned at this time, looking at the God King Haotian one by one, and their hearts were shocked.

After being slapped by Yue Feng, can he still stand up unharmed?

How terrifying is the strength of this God King Haotian?

“Yue Feng!”

At this time, the God King Haotian locked on Yue Feng tightly, his eyes were like poisonous snakes, flashing madly and ferociously: “I was going to let you leave your last words before starting, but now it seems that there is no need for that.”

“This king wants you to Crush your bones, crush your primordial spirit, and keep you from being reincarnated forever.”

Om!

When the last word fell, a violent aura erupted from God King Haotian. He grabbed the Moon God Halberd in the air and walked towards Yue Feng step by step.

A terrifying aura pervaded the world.

And every step of God King Haotian is more like stepping on everyone's heart.

Gudong!

Seeing Haotian Divine King approaching step by step, Yue Feng couldn't help swallowing his saliva. He wanted to cry but had no tears.

It's over, this time there is no chance at all, it's dead.

“Stop it!”

Seeing that God King Haotian was about to approach, suddenly, there was a coquettish shout from the sky. The coquettish voice was clear and sweet, ethereal and vague, like fairy music, but it made people unable to raise the slightest blasphemy. heart of.

What the hell!

At this moment, Yue Feng's heart was shocked, and he immediately looked up at the sky, shocked and confused.

This voice... Could it be Empress Hua Zhao coming?

I was talking about her just now, and she appeared. Wouldn't it be a coincidence?

This...

God King Haotian was also shocked and froze there, staring blankly at the sky, feeling excited and complicated in his heart.

Is Empress Hua Zhao here?

At the same time, everyone present, as well as all the Qinglong clan powerhouses and divine generals, also raised their heads and looked up at the sky.

I saw that in the high sky, between the clouds, there was a vague figure looming. Although it was not clear, the powerful aura of the other party made everyone present feel an inexplicable pressure.

"Haotian!"

At this moment, the vague figure said again: "You are not too timid, you dare to take action against the teacher of the Emperor of Heaven, you violated the order of heaven and earth, the sin is unforgivable, and you still don't kneel?" The

voice was clear and sweet, But there is no doubt.

Pfft!

Hearing this, the God King Haotian was shocked, and then instinctively knelt down.

Seeing this situation, Zhan Wuji and the surrounding gods and soldiers quickly knelt down. Although Empress Hua Zhao didn't ask about political affairs, she had a very high prestige in the Divine Realm. Who would dare to be presumptuous in front of her?

call!

Seeing this, Yue Feng took a deep breath and couldn't help but muttered in his heart.

Judging from this situation, it is really Empress Hua Zhao who is here, but... how could she go down to Kyushu alone with her dignified body?

Just when Yue Feng was thinking about this, the figure in the sky said again, "Haotian, do you admit your mistake?"

"..."

Haotian God King opened his mouth, not knowing how to respond for a while.

The man Ying'er didn't seem to give him a chance to explain, and continued: "Okay, let's not say more, you immediately leave with the gods and soldiers of Qin Tianjian. Whether it is a sin or not, we will return to Yutian Palace to judge later. "
