

The ultimate husband in Chinese chapter 6181-6190

This...

Hearing this, Haotian God King showed a look of embarrassment on his face, and his heart became more entangled.

Victory and defeat are here, if you lead the army to leave, wouldn't it be a total loss?

At this time, the God King Haotian was very depressed, and he never thought that at this critical moment, Empress Hua Zhao would suddenly descend to the realm.

Phew...

At the same time, Zhan Wuji and the surrounding gods and soldiers were all in a mess.

This Empress Hua Zhao, wouldn't she want to cure the sins of His Highness the King of God? After all, Yue Feng is the Nine Heavens Profound Sage of the Divine Realm, and he is also the teacher of the Heavenly Emperor.

On the other hand, Wen Chou Chou, Xian Di and others were very excited.

Great!

There is a big man in the realm of the gods, and it looks like he is going to help Yue Feng deal with the God King Haotian.

Only Xian Di Xiumei frowned slightly, feeling that something was wrong.

Strange...

With Empress Hua Zhao's personality, it is impossible to go to the lower realm privately, so why did she suddenly come to Shenlong Island?

At that time, Xiandi did not lead the Qinglong family in the lower bounded Kyushu. She had several relationships with Empress Hua Zhao, and she knew her very well. Empress Hua Zhao enjoyed her glory and lived in Yuyao Xianyuan most of the time, rarely showing up. Even in the battle between the gods and demons, they did not take half a step out of Yuyao Xianyuan.

But now, to actually come to Kyushu alone, it has to make people puzzled.

Not only Xian Di felt strange, but Yue Feng also felt that something was wrong.

That's not right...

At this moment, Yue Feng stared at the high-altitude sky, the shadows appearing and disappearing from time to time, and he was also muttering secretly in his heart.

Empress Hua Zhao is the Virgin of the Heavenly Emperor, and she is very ostentatious. No matter where she goes, she always embraces her. Why is she now alone on Shenlong Island in Kyushu?

Could it be...

thinking, a bold guess suddenly flashed in Yue Feng's mind.

Could it be that this is not the real Empress Hua Zhao, but someone fake?

It's just.... this voice is too similar, who is so daring?

But no matter who it is, such a mess is very beneficial to himself.

"Haotian!" At this time, seeing the God King Haotian faltering and undecided, the figure in the sky seemed a little impatient, and said coldly: "What? Are you going to disobey the decree?"

An invisible pressure.

Gudong!

The God King Haotian swallowed his saliva secretly, and quickly said: "I don't dare."

After speaking, the God King Haotian took a deep breath, stared at the figure closely, and said, "Why did the goddess suddenly descend to Kyushu? Could it be that in the God Realm, Has something big happened?"

When he said this, the God King Haotian couldn't help but guess secretly.

Could it be that...the matter between yourself and Empress Hua Zhao was exposed, and Empress Hua Zhao had no choice but to leave God's Domain when Olin was up to her?

Like Yue Feng, the God King Haotian was also secretly suspicious at this time. He knew Empress Hua Zhao best, and had never left the Divine Realm for nearly 10,000 years. However, at this time, he appeared on Shenlong Island alone, which was really suspicious.

“This...” High in the sky, the figure responded lightly, “You don’t need to worry about this.” Phew

!

Hearing the answer, the God King Haotian secretly exhaled, and continued: “My subordinates are bold, I want to talk to

the Empress alone and report the situation of Qintian Prison in Kyushu during this time.” points of expectation.

God King Haotian guessed in his heart that it was because there were too many people around, so it was inconvenient for Empress Hua Zhao to tell the reason for the lower realm, so she proposed a separate account.

After all, with the relationship between the two, Empress Hua Zhao would definitely not refuse.

However, what Haotian God King didn’t expect was that the ‘Hua Zhao Niangniang’ in front of him would not give him this chance at all.

“Haotian!”

At this moment, the figure in the sky said very displeasedly, “This palace still has something important to do, it is inconvenient to have a private interview with you, and please don’t change the subject, and quickly withdraw from Shenlong. Island.”

Hearing this, God King Haotian was stunned for a while, as if he did not expect that the ‘Hua Zhao Niangniang’ in front of him would suddenly be so heartless.

However, with so many gods and soldiers around him watching, the Haotian God King couldn’t resist the decree.

“According to the order!”

Finally, the God King Haotian came to his senses and responded, then slowly stood up and said to the gods and soldiers present: “All soldiers obey the order and withdraw from Shenlong Island.” The

last word fell . , God King Haotian looked closely at Yue Feng, very unwilling: “Yue Feng, you are lucky this time.” After speaking, the figure rose into the sky and flew towards the distance.

Wow...

At the same time, Zhan Wuji and other gods and soldiers secretly regretted it, and immediately evacuated from Shenlong Island.

midair.

Zhan Wuji speeded up and caught up with the God King Haotian, and said very aggrievedly: "His Royal Highness, let's go like this? Let's spare Yue Feng like this?"

When he said this, Zhan Wuji was very angry.

In order to exterminate Yue Feng, how much effort has been made by the entire Qintianjian, especially in the past half month, many divine soldiers and gods have been secretly monitoring Shenlong Island, day by day, but now it is because of the words of "Hua Zhao Niang", even if it is not in vain.

call!

Hearing the inquiry, the God King Haotian suddenly became angry and said coldly: "You still have the face to ask me, if you hadn't commanded the forces at the beginning, would Yue Feng have the opportunity to deploy a large formation?"

"If it wasn't for your waste. After so much time, Yue Feng has already left."

Zhan Wuji's face flushed, and he said with embarrassment: "His Royal Highness taught that his subordinates are incompetent, and I implore His Highness to punish him."

"Forget it!"

Haotian God King waved his hand, and was very irritable at this time: "It's useless to say this now, you go back to Qintian Prison first." After speaking, Haotian God King gradually slowed down.

"Yes!" Zhan Wuji responded quickly, and then cautiously said: "His Royal Highness is not going back?" The

Haotian God King did not answer directly, but looked back at the direction of Shenlong Island, and said lightly: "The maiden suddenly descended to the realm, at this time it's no trivial matter, I have to check the truth."

After speaking, the God King Haotian urged again: "You guys go ahead."

This chapter is provided by . Visit for daily update.

To be honest, God King Haotian didn't want to withdraw his troops, but he had no choice. His ambiguous relationship with Empress Hua Zhao couldn't be known, not even his trusted subordinates.

He thought about it, after Zhan Wuji and these gods and soldiers left, he returned to Shenlong Island alone to find a chance to meet with Empress Hua Zhao alone and ask the reason.

“Yes, Your Highness!”

Zhan Wuji was not a fool either. Seeing that the God King Haotian didn't want to say more, he didn't ask any more questions immediately.

At this time, Shenlong Island is here.

Whoa!

Watching Haotian God King and the army leave, whether it was Wen Chou Chou or Xian Di and the warriors of the Qinglong clan, they were all relieved and excited.

finished?

Great, Shenlong Island has finally been saved.

At the same time, Yue Feng also breathed a sigh of relief and respectfully said to the high sky, “Thank you, Niangniang for resolving the crisis.”

Although it is uncertain whether the person hiding in the high-altitude clouds is really Huazhao Niangniang, but the other party chased away Hao Hao. God King, this is an indisputable fact, thank you anyway.

At the same time, everyone around Xian Di also respectfully thanked the sky.

“Thank you madam!”

However, in the face of everyone's gratitude, the figure in the sky did not respond.

“Cough cough...”

After a few seconds, the figure coughed a few times, as if to clear his throat, and said lightly, “You're welcome, everyone.”

Immediately, Yu Feng turned: “Yue Feng, Come to the hall, I have something to tell you.”

Whoosh!

When the last word fell, the figure turned into a golden beam, penetrated the clouds and landed at the entrance of the main hall. At that time, everyone only felt that their eyes

were blurred, and before they could see what was going on, the figure had already entered the main hall.

For a time, everyone looked at each other in disbelief.

Why is Empress Hua Zhao so mysterious, what is the matter, can't she say it in front of everyone? Would you like to summon Yue Feng alone?

Interesting...

At this moment, Yue Feng's curiosity was also lifted.

"Fengzi!"

At this moment, Sun Dasheng couldn't help but say: "There is nothing wrong between you and Empress Hua Zhao? Why does she want to see you alone?"

Speaking of which, Empress Hua Zhao saw Yue Feng alone. , is also as it should be, after all, Yue Feng is the Nine Heavens Profound Sage, the teacher of the Emperor of Heaven, and Wen Chou Chou and others are all lay people in the Jiuzhou Jianghu, and are not eligible to receive summons.

But this is Shenlong Island after all, and everyone who is ugly and ugly is not qualified, but Xiandi, as the leader of the Qinglong clan, has a high status and should not be treated indifferently by Empress Hua Zhao.

Swish!

Sun Dasheng's voice fell, and the eyes of others converged on Yue Feng, flashing complex and profound meanings...

The ultimate husband in Chinese chapter 6183

Especially Su Qingyan's eyes flashed strangely.

What the hell!

Feeling everyone's eyes, Yue Feng couldn't help crying and laughing, and quickly said to Sun Dasheng: "Dasheng, you can't talk nonsense."

After that, Yue Feng said to Su Qingyan: "I have nothing to do with Empress Hua Zhao, she I also know what the intention is, I'll go check the situation first, you stay outside the door and wait for my news." The

last word fell, and Yue Feng was sweating profusely, and quickly approached the hall.

“Yue Feng worship...”

At the moment of entering the hall, Yue Feng first bowed, and instinctively opened his mouth, but halfway through his words, he was stunned when he saw the person sitting on the throne.

I saw that the one sitting on the throne was Empress Hua Zhao, but an old man with a jade face and white beard.

He was dressed in a large purple robe, his hair and beard were all white, and his face was full of red light. At this time, he was touching the dragon-shaped carving on the throne with great interest, and he couldn't help but admire.

“As expected of the throne of the Empress of the Qinglong family, it's really beautiful.”

“Well, it's not bad to sit on, it's comfortable.”

I'll go!

Seeing this old man, Yue Feng was stunned for a moment, then overjoyed and couldn't help but say, “Senior, is that you?”

When he spoke, Yue Feng couldn't hide his excitement.

The old man sitting on the throne is none other than Yutong Xianweng.

This chapter is provided by . Visit for daily update.

When Yue Feng was in the God's Domain, because of chance, he was ordered to marry by the Nine Heavens God. At that time, Yue Feng and Princess Dongling were extremely resistant, so they were going to escape from the God's Domain together, but they met the jade boy fairy who was traveling around.

After that, Yue Feng encountered crises several times, and it was only with the help of Yutong Xianweng that he was safe. So, how can I be unhappy when I see Yutong Xianweng at this time?

Happy colleagues, Yue Feng is also very surprised.

To be honest, Yue Feng noticed just now that the 'Hua Zhao Niangniang' hidden in the high-altitude clouds is strange, and it is very likely that it is a fake, but I never thought that this fake person turned out to be Yutong Xianweng .

“Haha...”

Seeing Yue Feng's surprised face, Yutong Xianweng couldn't help laughing: "Little friend Yue Feng, didn't you think that it was difficult for this old man to fake Mother Hua Zhao just now? Tell me, haha.."

When he said this, Yutong Xianweng couldn't hide the smugness on his face, like a child who succeeded in mischief, he couldn't help but show off.

"It's amazing!"

Yue Feng nodded again and again, he was in a good mood at this time, and said with a smile: "It's more than just indistinguishable from the real and the fake, it's simply vivid, didn't the seniors notice, the God King Haotian was kneeling there just now, and he didn't dare to let out the air. ." The

voice fell, and the two sides looked at each other and laughed.

"Senior..."

At this time, Yue Feng couldn't help but wonder: "Why did you come to Kyushu? Why did you come to Shenlong Island again?"

Yutong Xianweng stroked his beard and said with a smile: "Some time ago, old man Traveling to the outer world, I felt very boring, so I thought of you, little brother, and then came to the Kyushu Continent to see."

"After arriving, I heard that the God King Haotian was going to deal with you, and the old man rushed over.

" Here, Yutong Xianweng winked at Yue Feng: "As you know, I am an immortal from outside the world, and it is very inappropriate to show up to help you without asking about the world, so I can only pretend to be Mother Hua Zhao."

"Speaking of which, I have had several encounters with Empress Hua Zhao, and I knew her nature, so I thought of pretending to be her. If it is the new Heavenly Emperor, I have little contact with her, and I can't pretend if I want to.

" .

Hearing this, Yue Feng was stunned, then smiled and said: "Senior is smart and brave, if it wasn't for Senior, not only would I die, but the entire Azure Dragon clan would also cease to exist.

" Your life-saving grace." After

speaking, Yue Feng bowed again.

“Aiya..”

Yutong Xianweng waved his hands indifferently, with a relaxed face: “I’m so polite with the old man. No ceremony!”

Yue Feng smiled, and what more did he want to say, he was dizzy and his body immediately, he slumped to the ground.

Yue Feng had been fighting continuously before, and was seriously injured again. At this time, he couldn’t hold it anymore.

“Ouch!”

Seeing this situation, Yutong Xianweng exclaimed, quickly jumped off the throne, and walked quickly to check Yue Feng’s situation.

The ultimate husband in Chinese chapter 6184

Call!

A few seconds later, Yutong Xianweng frowned and said, “Little friend Yue Feng, your divine power is exhausted, and the injury is not light.”

When saying this, Yutong Xianweng was worried at the same time, but also secretly surprised. .

He clearly felt that the power of the primordial spirit in Yue Feng’s body was exhausted, and the whole person was extremely weak. Even a child could easily kill him. In such a situation, others would have fainted long ago. He could survive until now.

Simply incredible.

Hearing this, Yue Feng smiled weakly and wanted to speak, but he didn’t have the strength to speak.

What Yutong Xianweng said was right. When he was outside, Yue Feng could not stand it anymore, but in front of the God King Haotian, he could only grit his teeth and hold on. Now that the God King Haotian has led the army to withdraw, Yue Feng is covered. When you relax, you can’t hold on anymore.

At this time, Yutong Xianweng showed a smile, and his tone became relaxed: “Speaking of which, thanks to the old man, your luck is not bad.”

“Now the old man casts a spell to help you restore the power of the primordial spirit, you sit cross-legged and eliminate it. It’s good to have distractions.”

Hmm!

Hearing this, Yue Feng nodded and sat down with his knees crossed.

Yutong Xianweng stopped talking nonsense, sitting cross-legged behind Yue Feng, with his hands on his back, running his mana to help Yue Feng recover...

At

this time, outside the hall.

After Yue Feng entered the hall, Wen Chou Chou, Sun Dasheng, Xian Di and others did not dare to break in rashly, so they sat cross-legged to regain their strength while waiting for Yue Feng to come out.

This chapter is provided by . Visit for daily update.

However, an hour later, Yue Feng still did not come out.

Faced with this situation, everyone became suspicious again.

What did this Empress Hua Zhao say to Yue Feng, and it took so long?

“That’s not right!”

This is, Sun Dasheng scratched his head and couldn’t help muttering: “Did Fengzi lie to us? He said that it has nothing to do with Empress Hua Zhao, but what’s the matter? He can talk about it for so long. Seeing

him muttering non-stop, Wen Chou Chou smiled wryly: “What are you trying to say?”

Hu...

Sun Dasheng stretched out his finger and touched the tip of his nose, guessing: “Fengzi has always been beautiful, I was thinking, Is it that Empress Hua Zhao has taken a fancy to him?”

As soon as these words came out, Wen Chou Chou couldn’t help crying and laughing: “Don’t talk nonsense, how is this possible, the other party is Empress Hua Zhao, who is rich in gold and has a noble status.”

Su on the side Qingyan also blushed, and couldn’t help but said, “Yes, Dashengge, don’t talk nonsense.”

Yue Feng is his own man, how can he tolerate Empress Hua Zhao’s occupation?

At the same time, the surrounding Xian Di and others also looked at Sun Dasheng, secretly laughing.

This Sun Dasheng's imagination is too rich.

He was able to link Yue Feng and Empress Hua Zhao together, and said Empress Hua Zhao had taken a fancy to Yue Feng.

Uh....

Hearing the rebuttal, Sun Dasheng was a little embarrassed, but he still retorted: "What happened to the body of ten thousand gold? Fengzi is still the teacher of the Emperor of Heaven, and his status is no worse than that of Lady Hua Zhao."

"Besides, The Nine Heavens God has been gone for so long, Empress Hua Zhao must be empty in her heart..."

Seeing that the more he talked, the more outrageous he was, and Wen Chou Chou was both angry and funny, so he quickly said, "Okay, stop talking nonsense." As he spoke, he secretly paid attention to Su Qingyan's reaction.

This great sage is also true, Su Qingyan is by his side, but he speaks unobtrusively.

At this moment, Su Qingyan couldn't listen anymore, her delicate face was flushed red, and she stomped her feet and broke into the hall directly.

In fact, she also felt that it was impossible for Yue Feng to have something to do with Empress Hua Zhao.

But Sun Dasheng's words are not unreasonable. Yue Feng and Hua Zhao Niangniang are two, one is the Nine Heavens Profound Sage, the teacher of the Emperor of Heaven, and the other is the mother of the world, which is also considered a match.

More importantly, both parties have been in the hall for so long, yet they have not come out...

Thinking of this, how could Su Qingyan hold back?

"Brother and sister!"

Seeing this scene, Wen Chou Chou was taken aback and wanted to stop him.

If Empress Hua Zhao was discussing business affairs with Feng Zi and was interrupted suddenly, no one would be able to bear the guilt.

However it was too late.

Seeing that it was hopeless to stop him, Wen Chou Chou sighed and had to quickly follow.

The ultimate husband in Chinese chapter 6185

Sun Dasheng looked indifferent, and followed Wen Chou Chou into the hall.

Huh...

Seeing this situation, Xian Di and the others looked at each other in dismay, and finally couldn't help but enter the hall.

At

the moment of entering the hall, seeing the scene in front of them, whether it was Wen Chou Chou and Su Qingyan, or everyone from Xian Di, they were all stunned.

I saw Yue Feng's face was pale, and he was sitting cross-legged on the floor of the hall.

Behind him, there was an old man sitting cross-legged, helping him recover. This old man was full of silver hair, red light, and kind eyes. Although his body was filled with a strong aura, he gave people an indescribable sense of intimacy.

what happened?

For a time, everyone was blinded.

Isn't that Empress Hua Zhao? How did you become an old man with a white beard?

Su Qingyan came in angrily, but when she saw this scene, her delicate body trembled and she was blinded.

what's the situation?

"You..."

Yutong Xianweng was also stunned when he saw everyone coming in: "Why did you come in?" When he spoke, Yutong Xianweng looked complicated and showed a trace of embarrassment.

As an immortal from outside the sky, although Yutong Xianweng has the temperament of a child, he is also very good-looking.

This chapter is provided by . Visit for daily update.

I only let Yue Feng enter the hall just now because of his own face. After all, a dignified immortal pretends to be a woman, and it is detrimental to his face when things spread out.

I just didn't expect that Sun Dasheng and Wen Chou Chou would break in without permission.

call!

At the same time, Yue Feng also slowly opened his eyes and looked at the people who came in, and was stunned for a moment: "Why did you come in?"

Su Qingyan's face turned even redder when she heard the question.

Wen Chou Chou, Xian Di and others were also embarrassed.

Sun Dasheng had an indifferent expression, and at this time he reacted and said, "I understand, it turns out that it was not the real Empress Hua Zhao, but this senior pretending to be. Haha..."

Dasheng Sun pointed at Yue with a smile. Feng Dao: "Fengzi, we didn't break in on purpose, it's because my younger brother and sister are worried and want to come in and have a look..."

Immediately, Sun Dasheng explained the situation just now.

Sun Dasheng is hot-tempered and upright, and what to say.

"Big sage..."

At this moment, Su Qingyan was very embarrassed, and hurriedly said to stop it, but Sun Dasheng was blunt and had already revealed everything.

"Haha.."

Upon learning of the situation, Yutong Xianweng couldn't help laughing: "I'm an old man, what can happen to Yue Feng? You think too much!"

Yue Feng was also secretly amusing, watching with a smile Su Qingyan.

call!

In the face of this situation, Su Qingyan was shy, her face was like an apple, she rolled her eyes at Yue Feng and whispered, "I...I'm going out for a walk..." There

was such a big misunderstanding, really embarrassed.

When the words fell, Su Qingyan walked out of the hall as if fleeing.

“Fengzi!”

Wen Chou Chou smiled and took the lead to break the embarrassing situation: “What’s going on?”

Swish!

At the same time, everyone’s eyes also converged on Yue Feng and Yutong Xianweng.

Yue Feng smiled and explained the matter in detail. With the help of Yutong Xianweng just now, the power of the primordial spirit recovered a lot, and his face became bloody.

Whoa!

Knowing the situation, everyone suddenly realized, and at the same time looking at Yutong Xianweng’s eyes, they also showed deep gratitude and admiration.

Fake Empress Hua Zhao, and make Haotian God King retreat with just a few words. This kind of thing seems simple, but it is very difficult to do.

With emotion, Wen Chou Chou walked over first and saluted Yutong Xianweng: “Thank you senior for your righteous help!” After the

voice fell, Xian Di and everyone also expressed their gratitude.

“Thank you, senior!”

“Thanks to senior, otherwise the consequences would be unimaginable.”

Everyone’s gratitude came from you and me, Yutong Xianweng smiled and said: “I and Yue Feng are also friends of life and death. As you should, don’t be polite.”

Om!

Just as he was talking, a strong aura suddenly came from the air outside the main hall, followed by a flash of golden light, and the God King Haotian landed at the entrance of the main hall, his face was ashen, and his eyes flashed with anger and killing intent.

“Okay, you old man!” At this time, God King Haotian stared at Yutong Xianweng, his voice seemed to come from hell: “Dare to deceive this king, and I won’t put you into the eighteenth hell, this The king is not called Haotian!”

The ultimate husband in Chinese chapter 6186

After Zhan Wuji and many divine soldiers left, Haotian God King quietly sneaked back to Shenlong Island.

At that time, the God King Haotian was not in a hurry to show up, but quietly hid in the dark, secretly observing the situation of Shenlong Island. Just now, after Wen Chou Chou entered the hall, the conversation with Yutong Xianweng was clearly heard by the God King Haotian.

Knowing that he had been deceived, the God King Haotian was almost unforgivable.

The dignified generation of God King was actually deceived by an old man in such a simple way. What made him even more unacceptable was that the other party was also pretending to be his most beloved woman...

It is difficult for anyone to calm down about this matter.

Oops!

At this moment, seeing the God King Haotian leaving and returning, both Yue Feng and Wen Chou Chou were all shocked.

How did this God King Haotian come back?

At the same time of shock, Wen Chou Chou quickly looked behind the God King Haotian, only to see that there was no Divine Soldier of the Heavenly Supervisor behind him, and suddenly heaved a sigh of relief.

Fortunately, only he returned.

Haha...

Feeling the anger of the Haotian God King, Yutong Xianweng slowly stood up and said with a smile: "It is said that soldiers never tire of deceit, why should the Haotian God King be so angry?"

When saying this, Yutong Xianweng had a face Leisurely.

Before Zhan Wuji and tens of thousands of gods and soldiers were present, Yutong Xianweng considered the safety of Yue Feng and everyone, so he didn't show up rashly, but pretended to be Mother Hua Zhao to scare away the God King Haotian.

But now, only the God King Haotian returned alone, and Yutong Xianweng naturally had no worries.

This chapter is provided by . Visit for daily update.

“good very good!”

Hearing the answer, the God King Haotian was furious, almost gritted his teeth and said, “Xianweng Yutong, how are you going to die?”

Kacha!

When the last word fell, the Haotian God King summoned the Moon God Halberd, and his whole body was filled with a terrifying aura. In an instant, the surrounding air seemed to be stagnant, and the entire hall was enveloped by a strong murderous aura.

Phew....

Feeling the terrifying aura that permeated the entire body of the God King Haotian, Wen Chou Chou and the people around couldn't help but take a deep breath, and at the same time secretly sweated for Yu Tong Xian Weng.

The God King Haotian was so angry that he wondered if this senior could stop him.

Only Yue Feng had an indifferent face.

Others don't know Yutong Xianweng's strength, but he knows it better. Thinking that in God's Domain, Yutong Xianweng faced Gone alone and was capable of fighting. Down.

Alas....

At this moment, Yutong Xianweng sighed lightly, and said slowly to the God King Haotian: “God King Haotian, you have to spare people and forgive people, you just left, why are you coming back? Are you not happy for yourself?”

Said, Yutong Xian Weng Yufeng turned around, looking at the eyes of the God King Haotian, but also with a bit of playfulness and ridicule: “You are so excited, did Yue Feng say it right before, you really She has an unspeakable secret with Empress Hua Zhao? So when you see me impersonating her, you are so angry?”

Speaking of which, Yutong Xianweng didn't know the relationship between the God King Haotian and Empress Hua Zhao, but she was hiding in the clouds at that time. , What Yue Feng said to the God King Haotian was clearly heard.

It is precisely because of this that Yutong Xianweng had an idea at that time and pretended to be Empress Hua Zhao to force Haotian God King to retreat.

At this time, seeing the angry look of the God King Haotian, Yutong Xianweng couldn't help but make fun of it.

Swish!

The moment the words fell, Wen Chou Chou and Xian Di quickly looked at God King Haotian one by one to observe his reaction.

“Presumptuous!” The

God King Haotian blushed, and was already extremely annoyed. Seeing Yutong Xianweng’s open mouth at this time, he was undoubtedly adding fuel to the fire, and shouted angrily: “You are talking nonsense and slandering the innocence of the empress, I will definitely punish you. Cramps and skins.”

At this time, apart from being angry, the God King Haotian was also a little flustered.

After all, the matter between him and Empress Hua Zhao should not be made public. If it were spread, how would he face all beings in the Three Realms in the future?

“Oops...” The

more angry the God King Haotian, the more relaxed and comfortable Yutong Xianweng was, he scratched his head at this time, and said lightly: “Look at you, if you don’t have it, you won’t have it, why is there such a big reaction? If you don’t know that your anger will hurt your body, it’s not good for your cultivation.”

The ultimate husband in Chinese chapter 6187

“Besides, if you really want to fight, you are not necessarily the opponent of this old man.”

He is not bragging. As an immortal from outside the sky, his strength is unfathomable. If it really fights, Haotian God King does not have much chance of winning.

Huh...

Seeing Yutong Xianweng’s confident look, Wen Chou Chou and everyone secretly felt relieved.

Haha...

Yue Feng couldn’t help but smile, feeling very happy.

The only person who dares to ridicule Haotian God King in such a tone is this Yutong Xianwen, which is really relieved.

“You are courting death!”

At this moment, God King Haotian clenched the halberd of the moon, glared at Yutong Xianweng, his face changed and said angrily: "Don't think you are a fairy outside the sky, this king will not dare to do anything to you, come out to lead Die!"

Om!

The last word fell, and the incomparably violent power erupted from the Haotian God King, then turned into a golden beam, and went straight to Yutong Xianweng.

Being ridiculed by Yutong Xianweng in front of so many people, Haotian God King was unforgivable and lost his mind at this time.

Wow...

At this moment, seeing God King Haotian making his move, everyone in Wen Chou Chou was terrified and retreated all around.

"Hehe..."

This chapter is provided by . Visit [for](#) daily update.

Yutong Xianweng didn't panic at all, but showed a hint of excitement, and shouted: "This old man hasn't done anything for a few days, and his muscles and bones are weak, since you want to play, then this old man will play with you. ." The

voice fell, and Yutong Xianweng burst out, quickly rushed out of the hall, and fought fiercely with Haotian God King in mid-air.

boom!

Almost in the blink of an eye, the figures of the two sides collided in mid-air, and a loud noise erupted, followed by a tyrannical power fluctuation that swept across the entire Shenlong Island.

Under the huge earthquake, he saw the God King Haotian holding the Moon God Halberd tightly, his body trembled, and he took a dozen steps back in the air.

But Yutong Xianweng swayed.

Obviously, this time, God King Haotian suffered a loss.

Whoa!

Seeing this scene, the crowd of Wen Chou Chou, who were still a little worried, suddenly cheered and praised.

“Senior is so powerful!”

“Awesome, today is really an eye-opener.”

“Senior, defeat him...”

Everyone cheered, you and I came, and the God King Haotian was even more angry when he heard it, his eyes Blood red, completely crazy.

“Xianweng Yutong, I will kill you today.” In anger, the God King Haotian roared, holding the Moon God Halberd, and charged towards Xianwen Yutong again.

Yutong Xianweng didn't panic at all, but felt helpless: “With such a lack of determination, how can you beat me?” Saying this, he urged his figure to meet him.

Bang bang bang...

In the blink of an eye, the two sides fought fiercely in the sky again, causing thunder to roll in and the wind and clouds to change color.

Huh...

The people below Wen Chou Chou watched each and every one of them intently, all of them were relaxed and shocked.

Such a level of epic battle, I am afraid it is rare in Kyushu for thousands of years.

Yue Feng was indifferent.

Yutong Xianweng's magical cultivation is unfathomable, and it is more than enough to deal with the Haotian God King. Moreover, the Haotian God King has lost his reason under his anger.

In this case, Yutong Xianweng is even more sure to win.

Thinking to himself, Yue Feng sat cross-legged, held his breath, and continued to restore the power of his primordial spirit.

....

on the other side.

Zhu Bajie, Shennong and Nalan Xinran finally arrived at the villa in Zhongzhou after two hours of rushing.

“Hmm...”

As soon as he entered the gate of the villa, he heard a groan of pain from the room on the second floor. It was from Gonggong.

Zhu Bajie was startled, and immediately stepped up.

Shennong and Nalan looked at each other happily and followed quickly.

On the second floor, I saw the maids standing at the door at a loss, all sweating profusely and looking flustered.

In the room, Gonggong curled up on the bed, sweating profusely all over his body, his delicate body was trembling constantly, and his delicate and beautiful face seemed to be incomparably sore.

“Oh!” Seeing this scene, Zhu Bajie was

startled and walked in quickly: “Wife, how are you? Don’t be afraid, my old Zhu is back.”

Workers sweat.

“You bastard still know how to come back?”

Seeing Zhu Bajie, Gonggong couldn’t help cursing, looking very angry.

“Why have you been here for so long? Do you want to hurt me to death?” Her character was originally irritable, but at this time, the pain in her stomach was unbearable, and she was even more irritable.

Uh....

Zhu Bajie was scolded as a dog-blood spray, but he was very helpless. He smiled and said, “Didn’t I go to see old Shennong? Calm down, don’t be so angry. It’s not good for children...”

Hearing this, Gonggong’s mood was a little better, and he asked angrily: “Have you found it?”

“I found it, found it!” Zhu Bajie nodded again and again, while not forgetting to look at Gonggong’s perfect curve. , At this time, his whole body was almost soaked with sweat, and the scene was too charming.

“Move your dog’s eyes.”

Seeing Zhu Bajie's gaze, Gong Gong suddenly became angry and couldn't help but let out a coquettish cry.

This bastard, Zhu Bajie, is staring at his body all the time.

Zhu Bajie sneered, and quickly looked away: "Don't look at it..." After

speaking, he couldn't help but whisper: "I already have children, so you still care about me like this..."

Haha... Seeing this scene ,

Shennong outside the door couldn't help but burst into laughter.

This Zhu Bajie had a romantic life, but in the end, he was pinched by Gonggong.

It really answers that sentence, the way of heaven has a cycle, one thing descends another thing.

Pfft...

At the same time, Nalan happily looked at Zhu Bajie and couldn't help but pursed his lips and smiled.

"Um?"

Nalan Xinran's laughter was small, but Gonggong heard it keenly. He was stunned for a moment, and then looked out the door. Seeing Nalan Xinran's beautiful face, every frown and smile is stunning, Gonggong is jealous and angry.

Snapped!

In the next second, Gonggong didn't say a word, suddenly raised his jade hand, and slapped Zhu Bajie fiercely.

There was a crisp sound, and the whole place was silent.

Zhu Bajie was immediately beaten, covered his face and said in surprise, "You...you're so good, what are you beating me for?"

This woman must be crazy.

Gonggong gave Nalan Xinran a cold look, and said angrily: "You bastard, didn't you mean to find Shennong? What about people? How can you bring a beautiful woman?"

“I think you are not changing your lust. I think you didn’t go out to look for Shennong at all, but just provoked trouble, right?”

Gonggong was very angry at this time, from her point of view, she could only see Nalan Xinran, but she couldn’t see Shennong, so she thought that Zhu Bajie is lying to himself.

What the hell!

Hearing this abuse, Zhu Bajie wanted to cry without tears. This Gonggong used to be difficult to get along with, but now that he has a child, it is even more unreasonable.

I thought to myself, Zhu Bajie wanted to get angry, but in the end he endured it.

Phew....

Seeing that the two had misunderstood because of him, Nalan’s face flushed with joy, and he was very embarrassed.

“Haha...”

At this time, Shennong laughed, walked slowly towards the room, and said to Gonggong: “Daoist Gonggong, you misunderstood Zhu Bajie, I was there just now.” As the

voice fell, Nalan was pleased He also explained: “Yes ma’am, Zhu Bajie and I have nothing to do.”

Seeing Shennong, Gonggong’s expression softened a lot.

However, for Nalan Xinran, Gong Gong still showed some hostility in his eyes. After all, Zhu Bajie was lecherous, but Kyushu was famous, and he couldn’t not be moved by such a beautiful beauty.

“That’s right!”

At this time, Zhu Bajie nodded again and again and explained: “This is Miss Xinran from the Nalan family, you should have heard of her, when I was looking for old Shennong, I met him on the way. The two are innocent, nothing...”

Just before he could finish speaking, Gonggong interrupted.

“I didn’t ask you.” Gonggong said coldly, “Why are you so eager to explain?”

Zhu Bajie looked embarrassed and quickly closed his mouth.

“Okay!”

At this moment, Shennong smiled and said, "I'm here to give Gonggong a pulse." After speaking, he began to call Gonggong's pulse.

For a while, everyone was quiet.

Zhu Bajie held his breath even more and couldn't hide the nervousness in his eyes.

call!

Finally, Shen Nong finished his pulse, took a deep breath, and looked solemn.

Seeing his expression, Zhu Bajie's heart jumped and he quickly asked, "Old Shennong, how is my wife's condition? Is it serious?"

When the

voice fell, Gonggong said angrily: "Don't shout, who is your wife?"

Zhu Bajie smiled: "It's not my wife, why are you pregnant with my child?"

"You..."

Gonggong blushed and couldn't help but spat: "Get out of here." Seeing

that the two began to quarrel again, Shennong's head became big, and he said, "The situation is not optimistic. Alas...it's a bit tricky, tricky..."

After speaking, Shennong frowned and shook his head again and again.

What?

Hearing this, both Zhu Bajie and Gonggong were stunned and nervous.

In the next second, Gonggong couldn't help but ask: "Shen Nong, what do you mean by this?"

Zhu Bajie also asked: "Yeah, why are the three souls missing and the oxygen supply insufficient?"

Shen Nong looked at them and said slowly. : "It's just that the three souls and six souls are missing, and the child is born with dementia. In this situation, it is difficult to reconcile with drugs..."

What?

At this moment, Zhu Bajie was shocked, completely panicked, and couldn't help but say: "Damn, old Shennong, don't scare me, my old Zhu Yingming I, romantic and suave, how can I have an idiot child?"

As soon as the words fell, Gonggong couldn't help but scolded: "Don't put money on your face, I think it's because you used to mess with flowers and get retribution, and this is what children do..."

Zhu Bajie was speechless : "How can this be blamed on me? If it weren't for your temper, you get angry every day, how could a child be like this?"

Shuh!

Seeing that he dared to retaliate, Gonggong's delicate body trembled: "You shameless, how dare you talk about me? Well, I will beat him to death now, and my mother will not suffer from this crime.

" Falling down, Gonggong's jade hand raised, and he was about to pat it on his stomach.

Seeing this situation, both Shennong and Nalan Xinran were shocked.

What the hell!

Zhu Bajie was even more shocked, and rushed to stop it: "I was wrong, don't be impulsive. It's all because of me, okay?"

When he spoke, Zhu Bajie almost wanted to cry without tears.

This Gonggong's personality is too explosive. If he doesn't agree with each other, he will abort the fetus. He is really crazy.

well!

Seeing the two quarreling again, Shennong couldn't help laughing and laughing. He coughed and said, "You two don't need to be upset. There is no way out of this situation."

"What can I do?"

"Come on!"

Hearing this, Zhu Bajie and Gonggong stopped arguing and said in unison.

Shen Nong pondered for a while, and said slowly: "The situation of the fetus is not optimistic. The only way is to capture the spirit beast and extract the soul of the beast to feed the fetus. This is a way to nourish the soul with the soul.

"Beast souls are absolutely not good, at least it needs to be above the level of Martial Saint."

Speaking of this, Shennong looked at Zhu Bajie seriously: "This kind of thing is difficult for ordinary people to reach the sky, because they have spent their whole lives. It's hard to come across spirit beasts in the Martial Saint realm, but it shouldn't be difficult for the two of you."

Haha...

Hearing these words, Zhu Bajie was overjoyed, and nodded confidently: "This is natural, what I want to do, Zhu Bajie, has not been able to be done, and the spirit beasts of the mere Martial Saint Realm are not within reach. "

"I'm going to the wild and strange realm now, old Shennong, please stay here and help me take care of my wife..." The

last word fell, and Zhu Bajie rushed out the door.

.....

On the other side, Shenlong Island.

Bang bang bang...

In midair, the fierce battle between Haotian God King and Yutong Xianweng continued.

It can be seen that Yutong Xianweng is calm and relaxed, and his body is elegant, and he will suppress the Haotian God King, and the Haotian God King relies on the sharpness of the Moon God Halberd, but it is difficult to reverse the situation.

After a long battle, the Haotian God King became more and more irritable.

"Haotian!"

At this moment, Yutong Xianweng shook the Haotian God King back with a palm, and said with a smile: "I said, you are not my opponent, let's go, if you continue, it will only be more embarrassing.

" !

Hearing this, Haotian God King seemed to be greatly humiliated, his eyes were blood red: "Even if you die recently, I will drag you to hell with you!" The

last sentence, Haotian God King almost roared out.

The ultimate husband in Chinese chapter 6190

Om!

In the next second, the divine power of the God King Haotian exploded completely, and the surrounding air suddenly distorted. Then, a dazzling golden light burst out from the Moon God Halberd, tearing apart the world and heading straight for Yutong Xianweng.

As Jin Mang passed by, the world seemed to be split in half, and the power was so terrifying.

Seeing this situation, everyone below Wen Chou Chou couldn't help but sweat for Yutong Xianweng.

Hehe...

However, Yutong Xianweng has a relaxed face. At this time, when Jinmang burst out, a smile appeared on his face, and he said lightly: "Why?" The

voice fell, and Yutong Xianweng raised his hands slowly. , deploy a protective film in front of him, and see that the protective film is in the shape of yin and yang gossip, and there are more strange runes flowing on it.

It is Yutong Xianweng's defensive stunt, the sea of yin and yang.

This defensive stunt, one yin and one yang complement each other, no matter how strong the attack is, it can be absorbed and offset.

Um?

Seeing the yin and yang gossip in front of Yutong Xianweng, Haotian God King frowned, and he was a little surprised.

Just when the God King Haotian was puzzled, Jin Mang broke out and bombarded the sea of yin and yang. He heard a roar, and Jin Mang collapsed instantly.

However, the Yin-Yang Nether Sea shield has no cracks at all.

However, the use of Yin-Yang Youhai consumes a lot of immortal power, so Yutong Xianweng didn't think much at that time, raised his hand and quickly removed Yin-Yang Youhai.

At the same time, his face was also faintly pale.

What?

At this moment, the God King Haotian was taken aback. At that time, his pupils were enlarged, and he looked at Yutong Xianweng in disbelief, and his mind was blinded.

This...it's impossible.

His strongest blow was actually blocked by Yutong Xianweng so easily.

Whoa!

At the same time, the people below Wen Chou Chou also exclaimed in amazement.

“I blocked it?” “Senior is indeed an immortal

from outside the sky. Such a strong attack was easily blocked by him.”

“It's an eye-opener.”

He smiled at Haotian God King: “How is it? Do you want to continue fighting?”

Mad!

At this moment, Haotian God King's face was ashen, without any nonsense: “I will never die!”

Om!

The voice fell, and the divine power of Haotian God King erupted again. The terrifying atmosphere caused the surrounding air to stagnate, and the figure turned into a streamer, bursting towards Yutong Xianweng.

Yutong Xianweng shook his head, slowly raised his hand, and greeted him with a palm.

Bang!

In the next second, the palm force hit the Moon God Halberd, and the Haotian God King only felt a vast and endless force coming.

After retreating a few dozen meters, and finally landing on the top of the hall, Haotian God King stopped.

At this time, the God King Haotian only felt the qi and blood in his body tossing, his eyes turned black, and he almost fainted.

Yutong Xianweng did not take advantage of the situation to pursue, but hovered in the air, looking at him with a half-smile.

Swish!

At this moment, all the eyes of the entire Shenlong Island also converged on the Haotian God King. Each one's eyes flickered with complexity.

"God King Haotian!"

After a few seconds, Sun Dasheng couldn't help shouting: "You are not a senior's opponent at all. If you waste your shameless face here, I will be ashamed for you. You still have a little self-knowledge, just get out of here, don't let it's embarrassing to be seen here."

When he said this, Sun Dasheng was full of mockery, and his heart was indescribably happy.

You must know that before the Divine Supervision tens of thousands of god soldiers and gods were besieging Shenlong Island, how many brothers and soldiers of the Qinglong family died, wounded and wounded, but at this time, seeing the Haotian God King being suppressed by Yutong Xianweng, don't think too much. relieved.

The voice fell, and everyone around couldn't help but laugh.

"That's right, get the hell out of here."

"Is this also a generation of god kings?"

"Haha, what a shame..."

Everyone's ridicule, you and I came, the Haotian god king's face was extremely gloomy, and his heart was even more angry. burn.

Ma De...

He is a dignified generation of god kings, who in the realm of the gods is not respectful and respectful, and when has he suffered such a bird?

Pfft...

For a while, the more he thought about it, the more angry the God King Haotian became, and in the end, a mouthful of blood spurted out under his anger.
