

## The ultimate husband in Chinese chapter 6191-6200

The God King Haotian at this time was pale, showing a bit of sluggishness and weakness, and his heart was endlessly unwilling and holding back fire.

Did you lose like that?

I'm really unhappy.

If he leaves like this, not only will his previous efforts be in vain, but he will also be ridiculed by the Qinglong clan and Yue Feng...

More importantly, Yue Feng has built a teleportation formation here. If he is allowed to enter the realm of the gods, Xiang Ao will Lin reported the situation, and the consequences were even more unimaginable.

No, it has to be stopped.

Thinking of this, the Haotian God King glanced at the teleportation formation behind the hall, his mind turned quickly, and he thought about countermeasures.

"God King Haotian!"

Just when God King Haotian was thinking about it, Yue Feng slowly stood up and said slowly: "Humans are not as good as the sky, your previous plan is indeed perfect, but unfortunately, the sky will not kill me. "

Although you are powerful, you are not the opponent of Senior Yutong, so admit defeat..."

Yue Feng's voice was not loud, but it spread throughout Shenlong Island.

admit defeat?

Hearing this, Haotian God King's eyes suddenly turned gloomy, and he couldn't help sneering: "I am Haotian I, I have never known what it means to admit defeat."

"I am indeed not Yutong Xianweng's opponent, but now I want to Killing you is as easy as the palm of your hand!"

Om!

The last word fell, and the divine power of the Haotian God King exploded, holding the Moon God Halberd tightly, turning it into a golden beam, and heading straight for Yue Feng.

Terrifying murderous aura pervaded the world.

At the moment of rushing towards Yue Feng, the God King Haotian was full of killing intent, but complexities flashed in his eyes.

Yes, God King Haotian didn't really want to kill Yue Feng. After all, with Yutong Xianweng present, killing Yue Feng was as difficult as going to the sky. The reason for this was to make a sound.

His real purpose is to destroy the teleportation formation behind the main hall.

Nima....

Seeing the god King Haotian rushing desperately, Yue Feng was taken aback and couldn't help but curse.

This God King Haotian, was forced to jump off the wall? You have to kill me...

Wow...

At the same time, the expressions of Wen Chou Chou, Sun Dasheng and others around him also changed, and at the same time they panicked, they couldn't help but scream.

"Stop..."

"God King Haotian, you can't beat Senior Yutong, so don't you feel ashamed to attack Fengzi?"

"Don't hurt Yue Feng."

At the same time, everyone wanted to rush over and help Yue Feng resist, However, the speed of the Haotian God King is too fast, like thunder and lightning, it is simply too late.

In the blink of an eye, the God King Haotian was in the air above Yue Feng's head, his stern face was full of gloom: "Yue Feng, go to hell!"

Chi...

At the moment when the voice fell, the God King Haotian waved the Moon God Halberd, and immediately A golden light burst out, heading straight for Yue Feng.

At this time, Yue Feng's strength had only recovered by half, and he couldn't dodge at all. At that time, he broke out in a cold sweat.

hum!

At this critical moment, Immortal Yutong shouted: "Good you Haotian, with the old man here, do you still want to do whatever you want?" Yelling, Immortal Yutong quickly rushed over with a figure, blocking Yue Feng's body forward.

The next second, Yutong Xianweng raised his hand and waved, condensing a protective cover to protect Yue Feng.

Boom...

Jin Mang slammed hard on the protective cover, making a roar. Afterwards, the golden light completely dissipated.

Seeing this situation, Yue Feng secretly rejoiced and said to Yutong Xianweng: "Thank you, senior."

"Haha!"

Yutong Xianweng smiled and said proudly: "Little friend Yue Feng, recently I have saved my life. I've had you three times, and in return, if you don't invite me to have a good drink, it's not enough."

Although Yutong Xianweng is an immortal from heaven and is extraordinary, he only likes wine and food, and he came to Kyushu that year. , let Yue Feng take him to taste the special flavors of various parts of Kyushu, but Yue Feng was involved in affairs at that time, and he just had a drink with him and let it go.

This time, taking advantage of the opportunity, Yutong Xianweng brought it up again.

Haha..

Hearing this, Yue Feng couldn't help laughing and nodded again and again: "It's natural, you don't need to say anything from the seniors. When the matter is over, I will naturally host a banquet."

"It's almost the same!"

Yu Tong Xianweng nodded with satisfaction, and immediately prepared to mock the Haotian God King. In his subconscious, he thought that the Haotian God King would launch an attack.

## The ultimate husband in Chinese chapter 6192

Huh?

However, when Yutong Xianweng looked up, he was stunned.

I saw that the Haotian God King missed a hit, and did not start again, but turned around and flew towards the rear of the hall quickly.

Seeing this, Yutong Xianweng couldn't help scratching his head, then realized something and laughed: "Haotian God King, did you escape?" "

Haha, my old husband will not give it away."

In his heart, he thought that God King Haotian gave up and escaped. After all, fighting alone, the opponent had no chance of winning.

what's the situation?

On the other hand, Yue Feng frowned secretly, feeling that it was not simple.

He and Haotian God King have fought openly and secretly many times, he knows Haotian God King very well, and his personality is tough, and he will not give up easily.

But now, it is very surprising to be able to escape decisively after a single hit.

Wow...

At this moment, hearing Yutong Xianweng's loud mockery, everyone present couldn't help but echoed loudly.

"I ran away?"

"Haha, what a god king, that's all."

"Sure enough, Senior Xianweng is still very powerful."

This chapter is provided by . Visit for daily update.

Just like Yutong Xianweng, everyone present thought that God King Haotian had escaped.

wrong!

However, at this moment, Yue Feng saw God King Haotian heading straight for the teleportation formation, and suddenly realized something, his expression changed and he shouted: "No, he wants to destroy the formation, hurry, hurry up and stop him. "

This teleportation formation was done with the concerted efforts of everyone, and it was finally completed. It would be a pity if it was destroyed.

Whoosh!

When the voice fell, Yue Feng immediately took the lead, and took the lead in chasing after him.

Hearing Yue Feng's cry, Wen Chou Chou and everyone also reacted, each one's heart burst, and then they all urged their figures and quickly chased towards the Haotian God King.

Although Yue Feng responded quickly, he was still a step late.

In the blink of an eye, God King Haotian reached the sky above the teleportation formation, his eyes flickering coldly, looking at Yue Feng who was rushing up and said coldly: "In order to build this teleportation formation, did it cost a lot of manpower and material resources? But it's a pity, you I'm afraid I won't have a chance to use it."

Om!

When the last word fell, the God King Haotian raised the Moon God Halberd high, and a golden beam erupted, crashing down and heading straight for the great formation.

Nima!

Yue Feng scolded secretly, speeding up at that time and wanting to stop it, but it was too late.

boom!

In the blink of an eye, Jin Mang exploded in the great formation, and with a terrifying roar, the entire teleportation formation suddenly became a ruin, and the entire Shenlong Island was shrouded in dust.

Seeing that his hard work was destroyed, Yue Feng's anger rose: "Destroy my great formation, you are wanted to leave today, let's go up together and take him down."

Whoa!

Hearing this, Wen Chou Chou and Xian Di burst out with power and surrounded the God King Haotian.

At the same time, Yutong Xianweng also had a look of contempt on his face: "God King Haotian, if you can't beat a real sword or a real gun, it will destroy the great formation of others."

This old man will be embarrassed for you.” “I wanted to let you go. , but today, you don’t want to leave.”

Saying that, Yutong Xianweng urged Xianli to go straight to Haotian God King.

“Haha!”

Seeing Yutong Xianweng and everyone rushing up, the Haotian God King was full of madness and sneered: “This king is leaving, who can stop you?” After the voice fell, the divine power exploded, and he waved the Moon God Halberd fiercely. .

Buzz....

This time, the Haotian Divine King broke out with all his strength, and saw the golden beams tearing apart the world, the power was terrifying, Yue Feng and everyone all retreated when they saw this.

Even Yutong Xianweng had to evade temporarily.

“Ha

... Fly away.

When everyone reacted, the God King Haotian had disappeared into the sky.

Mad!

Seeing that the Haotian God King successfully escaped, Sun Dasheng was so angry that he slapped his palm on the stone of the ruins, and said fiercely: “This made him run away, it’s really abominable.”

The people around were also indescribably annoyed.

Yue Feng also had a gloomy expression on his face, looking at the direction in which the God King Haotian fled, and said depressedly: “After all, the God King Haotian is the second person in the Divine Realm. It can also destroy the big formation, which really surprised me.”

## **The ultimate husband in Chinese chapter 6193**

said, Yue Feng looked back at Xian Di and said complicatedly: “Compared to dealing with the God King Haotian, the most important thing is that I have to return to God’s Domain as soon as possible and report the situation to the Emperor of Heaven.”

“So, the Qinglong family still needs to work hard . Some, and then help me rebuild the big formation.”

Hmm!

Without any hesitation, Xian Di nodded: "Don't worry, our Qinglong clan will cooperate fully."

... On the

other side.

Haotian God King flew all the way at a high speed, and did not dare to stop at all, for fear that Yutong Xianweng would catch up.

In the entire Shenlong Island, the God King Haotian is not afraid of Yue Feng and Xiandi, but he is very afraid of Yutong Xianweng.

Finally, after flying for two hours, Haotian God King finally arrived at Qintianjian.

Whoa!

At this time, in Qintian Prison, Zhan Wuji and tens of thousands of divine soldiers were waiting in battle, and they were very excited to see God King Haotian coming back.

"His Royal Highness!" At this

moment, without waiting for the God King Haotian to land, Zhan Wuji quickly walked up to him, and asked impatiently, "How is the situation? Does the Empress have any instructions?"

Asked, he suddenly became angry, and said coldly, "What is Empress Hua Zhao?"

Huh?

This chapter is provided by . Visit [for](#) daily update.

Zhan Wuji was stunned for a moment, unable to turn his mind around for a while.

God King Haotian didn't speak any more, and entered the hall of Qintian Prison with a cold face.

Zhan Wuji reacted and quickly followed.

At this time, in the hall, dozens of gods were standing there neatly, waiting for instructions.

"You go out first." Zhan Wuji was the confidant of the Haotian God King, and now he realized that the situation was not right, so he signaled the dozens of gods to leave.

Those gods would not dare to disobey and quickly walked out of the hall.

“His Royal Highness!”

As soon as the generals of the gods left, Zhan Wuji cautiously asked, “What happened?” The

God King Haotian took a deep breath and briefly explained the situation. He patted the table: “It’s really abominable, if it wasn’t for a Jade Child Immortal Weng killed halfway, then Yue Feng would already be the solitary soul of this king.”

What?

Knowing the situation, Zhan Wuji’s eyes widened, but he couldn’t come to his senses for a long time.

Empress Hua Zhao has no lower bound at all? It’s Yutong Xianweng pretending to be... This Jade Child Xianweng is simply daring.

After a few seconds, Zhan Wuji calmed down: “Your Highness, what shall we do next?”

Phew!

Haotian God King took a deep breath, rolled his eyes and said coldly: “What else can we do? What we need to do now is to restore strength as soon as possible.” God hit hard.

Thinking to himself, the God King Haotian said again: “I immediately pass on my order, all the soldiers of the Diligent Superintendent are strictly waiting. Without this king’s order, you are not allowed to act without authorization.”

“Yes, Your Highness!” Zhan Wuji hurriedly responded.

Then, Zhan Wuji thought of something, hesitated, and said: “His Royal Highness, it’s right for us to keep a low profile right now, but...that Yue Feng is all good.”

“Although Your Highness destroyed the teleportation formation on Shenlong Island. , but Yue Feng has the help of the Shenlong family, so maybe he will be able to build the second one soon.” When he said this, Zhan Wuji carefully observed the face of the God King Haotian.

yes!

Hearing this, the God King Haotian frowned, unable to calm down for a while.

Zhan Wuji is right, Yue Feng's attainment in the formation technique is no lower than that of Guiguzi. He has destroyed the big formation recently, and maybe he will be able to build a second one tomorrow.

At that time, Yue Feng entered the Divine Realm through the teleportation array and told Ao Lin everything, it would be troublesome.

Thinking of this, the God King Haotian couldn't sit still anymore, stood up and paced back and forth in the hall, his heart was almost a mess.

call!

After thinking for a moment, Haotian God King's eyes flickered coldly, and he also noticed in his heart.

For now, the only way to do it is to strike first.

After making up his mind, God King Haotian explained a few words to Zhan Wuji, and hurried to the Wudang faction.

...

Wudang sect.

In the room behind the main hall, Prince Aotian, dressed in a black robe, sat cross-legged and meditated quietly.

"Squeak!"

At this moment, the door was pushed open, and then the God King Haotian walked in slowly.

Under the arrangement of Prince Aotian, God King Haotian was a special guest of Wudang, who could come and go freely without any restriction.

call!

Hearing the movement, Prince Aotian opened his eyes and saw that it was the God King Haotian. He immediately showed a smile: "The God King conquered Shenlong Island and came back so soon? Could it be that he is here to report good news?"

## **The ultimate husband in Chinese chapter 6194**

Call!

The God King Haotian smiled bitterly and sighed: "I'm afraid I will disappoint His Royal Highness. The plan to enter the Dragon Island this time and kill Yue Feng... failed."

When the last sentence was said, the God King Haotian was very disappointed. is suffocated.

What?

Hearing this, Prince Aotian's expression changed, and he stood up suddenly, his face full of disbelief: "How could it fail? You didn't say before that those relatives of Yue Feng were all deployed by you in the body with divine power at first, and they couldn't at all. Explode with all your strength."

"Without their help, could Yue Feng and the Qinglong clan alone block your tens of thousands of divine soldiers?"

At this time, Prince Aotian was very annoyed.

This Haotian God King's work is really becoming more and more unreliable.

Facing the blame, God King Haotian was very unhappy in his heart, but he didn't show it on his face, but lowered his head and said ashamed: "His Royal Highness does not know something, the original plan went well, who knows that a Jade Child Immortal Weng will be killed halfway. Yutong Xianweng not only helped Yue Feng, but also impersonated Empress Hua Zhao..."

In the next few minutes, God King Haotian explained the situation in detail.

Bang!

Knowing the situation, Prince Aotian's face was gloomy, and he slapped his palm on the table very angrily: "Jade Child Immortal Weng... This old man is not small, and he is so arrogant because he is an immortal from outside the sky... Cursing

, Prince Aotian looked at God King Haotian: "You made a special trip to report this bad news?"

Alas!

The God King Haotian sighed softly: "The failure of the Shenlong Island plan this time is not good for us. That Yue Feng is proficient in the formation technique. Although I destroyed the teleportation formation, I can't guarantee that he will not build a new one."

This chapter is provided by . Visit for daily update.

“If we wait until he enters the God’s Domain and inform Ao Lin about the situation, our situation will be even more unfavorable.”

“Not bad!”

Hearing this, Prince Aotian’s face became solemn and nodded: “If this is the case, we will be more passive. .” When speaking, Prince Aotian was very annoyed.

Originally, he thought that after completely eradicating Yue Feng, he would return to the God Realm with the God King Haotian and concentrate on dealing with Ao Lin, but now it seems that this plan is not as smooth as he imagined.

Especially Yue Feng, his luck is also very good. Every time at a critical moment, there are experts who help him, which is really annoying.

At this moment, Prince Aotian became more and more irritable as he thought about it. He frowned and looked at the God King Haotian: “What is the God King going to do next?”

“His Royal Highness! ” Preemptive strike? Prince Aotian was stunned for a moment, then chuckled and said sarcastically: “What? You still want to deal with Yue Feng, didn’t you just return from Shenlong Island just now? ! Hearing the mockery, God King Haotian instantly burst into flames. You kid is no better than me, and you still have the face to mock me? Thinking like this, Haotian God King’s face was calm, and he said with a faint smile: “Of course it’s not against Yue Feng, I said it’s better to strike first, but to deal with Ao Lin first.” What? Prince Aotian was stunned for a moment, and looked at the God King Haotian closely: “You are crazy, the Yutian Palace where Ao Lin is located, the gods will be like clouds, with our current situation, how to deal with him?”

“His Royal Highness, don’t be impatient!” Haotian God King smiled and explained patiently: “Ao Lin sits firmly in Yutian Palace, we are naturally difficult to deal with, but if we want to lead him to Kyushu, it will be different.

” The teleportation formation on Shenlong Island was destroyed by me, even if Yue Feng wants to rebuild it, it will take time, so let’s take advantage of this gap to return to God’s Domain first and deceive Ao Lin in the name of Yue Feng.

” At that time, the God King Haotian closely watched the change in Prince Aotian’s expression.

So....

Hearing this plan, Prince Aotian’s face became solemn, and he thought: “The solution is feasible, but how do you do it?”

Haotian God King smiled slightly: "It's very simple, I will personally return to God's Domain and tell Ao Lin, It was said that Yue Feng was about to die, and he wanted to see him with his own eyes when he was dying. Ao Lin respected Yue Feng very much and would definitely come."

"When he arrives in Kyushu, His Highness will take the opportunity to get rid of him and replace him. At some point, let's find a reason to put the charge of killing the Emperor on Yue Feng's head."

## **The ultimate husband in Chinese chapter 6195**

the Haotian God King will tell the detailed plan in full.

"Okay..."

Hearing this, Prince Aotian's face stretched out, and he smiled very excitedly: "This method is not bad, just do as you said."

Seeing his agreement, Haotian God King quickly said: "Then I'll go get ready."

Prince Aotian nodded, explained a few words deliberately, then waved his hand and let the God King Haotian start the deployment.

A few minutes later, after all the details were discussed, the God King Haotian quickly left Wudang.

call!

At this moment, when Haotian Divine King Feifei left, he couldn't help but look back at the Wudang Sect's main hall. His eyes were originally calm, but they showed a bit of gloom.

Ao Lin, it's not that I'm unbelieving, it's you who let me down too much.

Instead of assisting you, it is better for me to be the God of Heaven.

Soon, after returning to Qintianjian, Haotian God King left Kyushu through Qintianjian's teleportation array and returned to God's Domain.

.....

God's Domain!

In the Yuyao Immortal Garden, Empress Hua Zhao, dressed in a gorgeous veil, sat in the garden and looked at the jade lotus in the pond in a trance, with a trace of lingering melancholy on her beautiful face.

When Prince Aotian forcibly cultivated, causing the destruction of his body and primordial spirit, Empress Hua Zhao was very heartbroken. After all, it was her own flesh and blood.

This chapter is provided by . Visit for daily update.

Later, Empress Hua Zhao was very happy when she learned that Prince Aotian did not really die, but entered the Kyushu Continent to be reborn. At the same time, she was extremely worried.

Recently, Empress Hua Zhao used various means to inquire about the news of Prince Aotian. However, all news of Kyushu was blocked by Ao Lin.

This made Empress Hua Zhao both annoyed and helpless. Although she is the empress and the elder of Ao Lin, she has to obey the orders of the Heavenly Emperor.

In this case, without the news of Prince Olin, Empress Hua Zhao could only sit in the garden and pray for it.

well!

At this moment, Empress Hua Zhao sat for a while, sighed faintly, and said to herself: "Aotian has never left the realm of God, and I don't know what happened in Kyushu." The

voice fell, and a fairy behind him couldn't bear it. She said, "Don't worry, Niangniang, His Royal Highness has a great destiny, and everything will go smoothly. Maybe you will be able to cultivate your primordial spirit and return to the realm of the gods soon."

Empress Hua Zhao smiled bitterly and shook her head: "Don't comfort me, I still don't understand my son, he has been competitive since he was a child, although Kyushu is a mortal world, it is also dangerous, I just hope he doesn't cause too much trouble."

"Niangniang!"

Just as he was talking, he heard a magnetic low voice coming from the entrance of the garden.

Hearing this voice, Empress Hua Zhao's delicate body trembled, she slowly turned her head to look, she was stunned.

I saw a tall and tall figure standing at the gate of the garden, dressed in purple and gold armor, indescribably handsome and majestic, but there was a bit of vicissitudes between his brows.

It is the God King Haotian.

“You...”

After being stunned for two seconds, Empress Hua Zhao stood up and couldn't hide her joy: “You are back?”

God King Haotian went to Kyushu and hasn't come back for a long time. Empress Hua Zhao misses him day and night. , At this time, I suddenly saw it, and I was naturally overjoyed.

The God King Haotian nodded and walked in slowly.

Yes, Haotian God King returned, and originally planned to implement the plan to deceive Ao Lin to Kyushu, but because he missed Hua Zhao Niang too much, he couldn't help but come to visit.

“You... step back first!”

At this moment, Madam Hua Zhao restrained her joy and said lightly to the fairies beside her.

“Yes, Niangniang.”

Upon hearing the order, the fairies responded and quickly exited the garden.

As soon as her forefoot left, Madam Hua Zhao couldn't hold it any longer, she threw herself into the arms of the God King Haotian, and said coquettishly, “Why did it take you so long to come back, do you know that I miss you so much while you were gone? You. But about you, there is no news at all.”

After the death of the Nine Heavens God, Empress Hua Zhao now has two men in her heart, one is Prince Aotian, and the other is God King Haotian.

“Didn't I come back?”

Haotian God King put his arms around Empress Hua Zhao's fragrant shoulders, showing a gentle smile, and said, “Kyushu is busy with affairs, how can I have time to give you news?”

## **The ultimate husband in Chinese chapter 6196**

Hmm!

Hearing this, Empress Hua Zhao nodded, leaned in the arms of the God King Haotian and said: “You are back now, but things are done, I heard that the Supreme Demon Gone and his subordinates are making waves in Kyushu, proud of Lin asked you to deal with him, but now there is a result?” The

Haotian God King showed a smile and nodded: "Yes, there is a result, Gone and his subordinates have been completely annihilated, and since then, the demons will not exist again." The

God King Haotian wanted to say that it was Gone who killed himself, but he held back when he thought that the spirit bone of the Demon Lord was still in the hands of Prince Aotian.

Great.

Hearing this news, Empress Hua Zhao was very happy and excited: "There will be less useless fights in the Divine Realm in the future. The world is at peace!"

Immediately, Empress Hua Zhao thought of something and asked: "Aotian is also in Kyushu, do you have any? His news?" After saying this, Empress Hua Zhao's eyes were full of anticipation.

Huh...

God King Haotian took a deep breath and his face became solemn: "I returned to God's Domain this time because of His Royal Highness."

"Really?" Empress Hua Zhao got excited and quickly asked: "How is he? The

God King Haotian smiled and said, "Your son is extraordinary. You are doing well in Kyushu, and you are the head of the Wudang Sect, so your worries are unnecessary." After

speaking, the God King Haotian will be proud of the situation of the Prince of Heaven. Roughly said.

Hearing this, Empress Hua Zhao's heart that had been hanging all over finally fell to the ground, her delicate and beautiful face was full of relief: "That's good, I'll be relieved if he's okay."

"By the way, you said just now. This time when you return to God's Domain, is it because of Aotian?"

Hmm!

This chapter is provided by . Visit for daily update.

The God King Haotian nodded: "After I found the prince at that time, I reached a consensus with him."

Empress Hua Zhao looked puzzled: "What consensus?" What? Madam Hua Zhao was startled, and almost said in a voiceless voice: "Now that Ao Lin has completely controlled the Divine Realm, how can he regain his position? " His personality will not give up unless he achieves his goals. Moreover, I don't dare to submit to Ao Lin's hands." Speaking of which, Haotian God King gently kissed Hua Zhao Niang's fragrant cheek: "More importantly, Ao Lin is in God's Domain for one day, we can't be together in an open and honest way, do you want to be sneaky like this all the time?" Shua! Facing Haotian God King's intimate actions, Empress Hua Zhao's beautiful face instantly turned red, and then she worried: "But... Now that the situation in God's Domain has been settled, how easy is it to say that he wants to regain the throne of Heavenly Emperor?" "Also, Now I don't expect him to sit on the emperor, I just want him to be safe." When she said this, Empress Hua Zhao looked serious. That's right, when Prince Aotian failed to cultivate, his Yuanshen was destroyed, and he had to enter Kyushu. This matter greatly changed Empress Hua Zhao's state of mind. "You don't want him to be the Emperor of Heaven?" At this moment, the God King Haotian looked at her in surprise, his eyes flashing with complexity. Empress Hua Zhao nodded. The God King Haotian thought for a while, then smiled and said, "What if I were the Emperor of Heaven?" Huh?

When she suddenly heard this sentence, Empress Hua Zhao trembled, thinking she heard it wrong: "What did you say?" She chose to be with the God King Haotian because she wanted to have a spiritual support, and never thought of letting him Be God.

Seeing her reaction, the God King Haotian looked relaxed: "It's nothing, I'm just joking."

Saying that, the God King Haotian hugged her subconsciously: "Don't worry, we have already made a plan, this time we will definitely be able to Success." When he said this, Haotian God King looked sincere, but his heart was aching.

Yes, he lied to Empress Hua Zhao, and the real plan was to abandon the proud emperor and become the emperor himself.

"Okay!"

At this time, Empress Hua Zhao didn't know that she had been deceived, so she nodded her head in relief: "With you here, I can rest assured, you must protect Aotian." "

Of course!"

God King Haotian hugged Empress Hua Zhao tightly in his arms, feeling the short-lived tenderness to each other.

## **The ultimate husband in Chinese chapter 6197**

An hour later, God King Haotian and Empress Hua Zhao said goodbye, left Yuyao Xianyuan, and hurried towards Yutian Palace.

.....

At this time, Yutian Palace is here.

The court meeting had just ended, and the priests had already retreated. Inside the huge palace, Ao Lin was sitting in a golden dragon robe, closing his eyes and resting.

After becoming the Emperor of Heaven, many things have to be dealt with, which is very distressing.

Beside him, several imperial guards stood there respectfully, waiting for orders.

Yutian Divine Guard is a position that Ao Lin has just established. He is carefully selected from the guards of Yutian Palace. It can be said that he is the elite of the elite. He has a special status and only obeys the orders of the emperor.

call!

After resting for a while, Ao Lin slowly opened his eyes and breathed a sigh of relief. Then he asked the Yutian Shenwei next to him: "Is there any news about the Diligent Supervisor in Kyushu recently?"

Mozu Supreme and Aotian, all of them Hiding in Kyushu, the two of them didn't settle their affairs in a day, and they couldn't sleep and eat.

"Go back to Your Majesty!"

As soon as he finished speaking, a Royal Heavenly Guard hurriedly took a step forward and responded respectfully, "In the past half month, I have not received any news from the Qintian Supervisor."

Ao Lin frowned: "This Haotian God Wang, I don't know what I'm doing, it's been so long, and I don't know how to report the situation." When he spoke, Ao Lin couldn't hide the annoyance between his brows.

"Your Majesty!"

Just as he was speaking, a guard of divine soldiers walked in quickly and respectfully said, "God King Haotian asks to see you."

This chapter is provided by . Visit for daily update.

Huh?

At this moment, Ao Lin's eyes lit up, just as he was talking about him, he came back.

Thinking to himself, Ao Lin quickly raised his hand: "Xuan Hao come in."

"Yes, Your Majesty!" The guard responded, walked out of the hall quickly, and shouted loudly: "God King Xuan Hao enters the hall."

"The burly and tall figure of the Heavenly God King appeared at the entrance of the main hall.

"Your Majesty!"

Soon, Haotian Divine King approached the hall and knelt down directly to Ao Lin: "Meet Your Majesty."

Ao Lin waved his hand: "No ceremony."

After speaking, Ao Lin asked impatiently: "Haotian, how is the situation in Kyushu? Before I asked you to cooperate with Master to investigate the whereabouts of Gone and Aotian, how is the progress?"

When asking these questions, Ao Lin's eyes were full of expectations.

well!

Haotian God King sighed and said with a complicated expression: "The situation is not good." As he spoke, he quietly observed Ao Lin's reaction.

Hearing this, Ao Lin froze for a moment, frowned and said, "What's wrong?"

At this time, Ao Lin's face was calm, and he was not too panicked. After all, Nagone is the supreme being of the Demon Race, so it's not good to deal with him. an easy thing to do.

The God King Haotian didn't answer immediately, but subconsciously looked at the several divine guards beside Ao Lin, hesitating to say anything.

Ao Lin immediately understood what he meant, and waved at the several imperial guards: "You guys step back first." The

several imperial guards did not dare to be negligent, they responded and left the hall quickly.

"Haotian!"

Ao Lin couldn't help but ask, "What's the situation?"

At this moment, the God King Haotian was full of shame, and knelt on the ground again, his face full of shame: “Your Majesty, I am incompetent, I failed to protect His Excellency the Emperor, I beg Your Majesty to sin.”

When he said this, the God King Haotian Make a distressed look.

What?

Hearing this, Ao Lin was shocked, stood up instantly, and looked at the God King Haotian closely: “What did you say? What happened to my master?” The

God King Haotian said clearly that something happened to Yue Feng.

In Ao Lin’s heart, although Yue Feng is a master, he is similar to his family, and he is the closest person to him. How can he not panic when he hears the bad news about him at this time?

“Your Majesty!”

Haotian God King knelt there, bowed his head deeply, and said with a hint of tears in his tone: “One day ago, Your Excellency Di Shi found Gone’s whereabouts, and when I got the news, I immediately took the Tiantian Supervisor with me. The gods and soldiers of the army rushed to round up, who knows, when Gone got the news, it was like fleeing.”

“The situation was urgent at that time, so the emperor did not wait for us to arrive, so he made a move with Gone alone.”

Hao The Heavenly God King said it seriously, his expression was serious, but his eyes flashed insidiously.

These are all made up, there is no thing, the purpose is to make Ao Lin’s heart chaotic.

“And then?”

Sure enough, hearing this, Ao Lin couldn’t sit still: “What happened to my master?”

Haotian God King said with a bitter expression: “Your Excellency Di Shi was not strong at that time. Fully recovered, I hurriedly started with Gone and suffered a big loss. When we arrived, the Primordial Spirit of Your Excellency Di Shi had been destroyed by Gone and lay on the ground dying.”

“And Gone escaped without knowing it. The end.”

Speaking of this, the God King Haotian blamed himself: "It's all because of the poor arrangement of the subordinates that caused the emperor to suffer this great disaster."

What?

Ao Lin's face changed, and he was worried and anxious: "How could this be?"

Master is the Nine Heavens Profound Sage. Destroyed the primordial spirit?

Thinking to himself, Ao Lin was furious.

Then Ao Lin asked: "How is the master now?"

"The subordinates used divine power to protect the spirit of the emperor, allowing him to temporarily save his life, but the situation is not optimistic." Haotian God King looked sad, Pretending to say: "Now, Your Majesty is still awake, but it won't last long."

"Your Majesty said to me that it doesn't matter if you die, but unfortunately you couldn't help His Majesty to completely destroy the Demon Race, and I feel ashamed of His Majesty. Also, Your Excellency Di Shi also said that he wanted to see His Majesty when he was dying."

Speaking of which, Haotian God King pretended to wipe the tears from the corners of his eyes: "That's why my subordinates rushed back to God's Domain and asked His Majesty for instructions."

But in his heart But secretly sneer.

This Ao Lin is still too young, I make up a lie casually, you will believe it, and you will panic.

With this little concentration, how can you be a god?

"Master, he..."

Hearing these words, Ao Lin felt a pain in his heart. Master was really overworked, he was seriously injured, and he was still thinking about me.

Thinking to himself, Ao Lin said without hesitation: "I will go to Kyushu now, right, call the fairy doctor immediately, and go with me to Kyushu to save the master." As the

voice fell, Ao Lin was about to summon the outsider. Yutian Shenwei, ready to go.

At this time, Ao Lin didn't know that there was nothing wrong with Yue Feng. These were all made up by the God King Haotian, and the purpose was to deceive him to Kyushu.

"Your Majesty!"

Seeing that Aolin was about to summon, the God King Haotian quickly stood up to stop him and said, "Your Majesty, as the Emperor of Heaven, hastily left God's Domain, I'm afraid it would be inappropriate, and I have already sent someone to invite Mr. Guiguzi, so there is no need to bother Xianxian. Doctor."

After speaking, the God King Haotian looked serious: "Besides, Nagone has come and gone without a trace. If he gets the news, it will be even more troublesome if he comes to make a scene in the realm of God while His Majesty is away."

This time His plan was to deceive Aolin from the lower realm of Kyushu and seek the throne of the Heavenly Emperor. How could he be allowed to bring so many people?

call!

Ao Lin took a deep breath and couldn't hide his anxiety. At this time, he was thinking about Yue Feng's injury, and he had no idea, so he asked the God King Haotian: "In your opinion, what should I do?"

God King Haotian He respectfully said: "At this time, the matter is very important, and it must be concealed. In my opinion, Your Majesty does not need to bring too many people, just leave a few guards around to protect you."

"This way..."

Hearing this suggestion, Aolin pondered for a moment, and finally nodded: "Okay, just do as you said, hurry up and prepare, let's set off as soon as possible."

Haotian is right, he is the Emperor of Heaven, and it is inappropriate to leave God's Domain rashly.

Haha...

Seeing Ao Lin's promise, Haotian God King was overjoyed and couldn't help laughing in his heart.

If it is successful, as long as Aolin enters Kyushu, the whole situation will be firmly controlled by me.

Thinking of this, the God King Haotian concealed his inner excitement and said solemnly: "Okay, this subordinate will prepare." A

few minutes later, Ao Lin brought a few divine guards and accompanied the God King Haotian through the teleportation array. , hurried to the mainland of Kyushu. Of course, in order to avoid the whereabouts being discovered, Aolin deliberately took off his dragon robe and put on casual clothes.

A few hours later, under the leadership of the God King Haotian, Ao Lin came to Qin Tianjian.

It was already late at night.

The entire Yutian Palace, except for the divine soldiers guarding the door and those patrolling the divine soldiers, was completely silent.

“Haotian!”

As soon as he entered the main hall of Yutian Palace, Ao Lin was concerned about Yue Feng’s safety, so he couldn’t wait to ask: “Where is my master?”

“Your Majesty, Your Majesty is in the training room behind, please follow me. Come.”

Haotian Divine King said, and took the lead in walking towards the back room.

Ao Lin did not have the slightest meeting, and quickly followed with a few imperial guards, his handsome and cold face could not hide his anxiety. At the same time, I kept praying in my heart.

Master, you don’t have anything to do, don’t have anything to do.

Soon, in a secret room at the back, seeing the scene in front of him, Ao Lin raised his heart.

I saw that this secret room was very large and very simple. There was a white jade bed in the middle, and a man was lying quietly on the bed.

The man was wearing a white long gown, lying motionless.

Because the man’s back was facing the entrance of the secret room, Ao Lin couldn’t see his face, but under the confusion of the God King Haotian, he subconsciously regarded the man as Yue Feng.

“Master!”

At this moment, Ao Lin couldn’t help calling out softly, because he was too nervous and worried, his voice trembled: “Master, it’s me, I’m Ao Lin.”

However, the man lying on the white jade bed , no response at all.

Seeing this situation, Ao Lin was even more worried and walked over slowly: “Master, don’t scare me!”

Several imperial guards followed closely behind.

The God King Haotian did not follow, but stood behind and watched the changes.

“Master!”

Soon, Aolin arrived in front of Baiyu’s bed, called out again, and at the same time, he was about to go up to check the situation.

“Go to hell, Ao Lin!” However, at this moment, the man lying on the white jade bed suddenly burst into flames.

It is Prince Aotian.

Yes, this is the plan of the God King Haotian. On the grounds that Yue Feng was injured, he tricked Ao Lin into Kyushu, and then let Prince Ao Tian pretend to be Yue Feng and wait for the opportunity to attack.

“It’s you?”

At this moment, seeing the ‘master’ in front of him turned out to be Prince Ao Tian disguised, Ao Lin was shocked and furious.

At this time, Ao Lin never expected that Prince Aotian would appear here.

“Haha...”

At this time, Prince Aotian, with a grim expression on his face, couldn’t bear the excitement in his heart, and shouted: “I didn’t expect that, you took away the throne of Heavenly Emperor that should have belonged to me, From this moment on, I want to take back everything I lost, you, go to hell.”

Om!

The last word fell, and Prince Aotian burst out with all his strength.

“Your Majesty!”

“Your Majesty be careful...”

Seeing this scene, the few Yutian guards in the back were all shocked, and then wanted to rush over to block Aotian Prince, but Aotian Prince and Ao Lin were too close. , it's too late.

Ao Lin was frightened and wanted to dodge at that time, but it was too late.

boom!

This palm, which contained all the divine power of Prince Aotian, hit Ao Lin's heart ruthlessly, and he heard a dull sound, Ao Lin's primordial spirit was directly shattered, he groaned, blood spurted wildly, and his body collapsed. fly out.

It flew dozens of meters away, and finally fell on the stone door of the secret room.

"You..."

In an instant, Ao Lin was dripping with cold sweat, staring at Prince Aotian, frightened and angry, but unable to speak, he clearly felt that his Primordial Spirit was destroyed, and he was in severe pain. , The eyes were blackened, and he almost fainted.

When the raid succeeded, Prince Aotian was very proud and laughed loudly: "Ao Lin, when you robbed me of the throne of Heavenly Emperor, did you not expect this day?"

Ao Lin's face changed and he didn't respond.

"Your Majesty!"

At this moment, several Yutian Divine Guards reacted, glaring at Prince Aotian and scolding.

"Prince Aotian, you are very courageous and dare to hurt Your Majesty."

"The following crimes cannot be punished." Angrily shouting, several Yutian Divine

Guards burst out their supernatural powers and rushed towards Prince Aotian.

hum!

However, what they didn't expect was that God King Haotian, who was standing at the door behind him, suddenly exploded with divine power and shot.

With a flash of dazzling light, the Haotian God King held the Moon God Halberd tightly, and then activated his divine power, and saw a golden light burst out and swept away towards the several imperial guards.

The attention of these people was all on the Aotian Prince and God King. He didn't expect that the Haotian God King behind him would suddenly make a move. At that time, he wanted to dodge, but it was too late.

Bang bang bang...

In the blink of an eye, several imperial guards were swept away by Jin Mang, and they fell to the ground and passed out with a groan.

"Haha!"

Seeing this situation, Prince Aotian looked contemptuous: "Dare to shoot at me? Looking for death!"

After saying that, Prince Aotian showed a smile and praised the God King Haotian: "Yes, this time The plan is perfect and it did not disappoint me." The

God King Haotian collected Qi Jiaoyue Divine Halberd and smiled lightly: "Your Highness is polite."

When he responded, the God King Haotian had a smile on his face, but there was an elusive complexity in his eyes. .

"You..."

At this moment, Ao Lin finally understood that he had been deceived. He looked at the God King Haotian closely, burning with anger: "Haotian, why did you betray me?"

At this time, Ao Lin, Yuanshen was destroyed and very weak, but there was a suffocating pressure in his eyes.

call!

Haotian God King took a deep breath and said lightly: "Betrayal? In this king's heart, I have never really regarded you as the emperor of heaven, so why is it a betrayal?"

Hearing this, Ao Lin became even more angry: "You secretly colluded with Aotian. , have you ever thought about the consequences?"

Haotian God King chuckled and didn't answer.

"Don't give him nonsense!"

At this time, Prince Aotian was full of revenge, and said to the God King Haotian: "Quickly kill him." When he spoke, Prince Aotian was very excited.

I thought this plan was not easy to implement, but I thought it would be so smooth.

As long as Aolin dies completely, everything will be done, and even if Yue Feng comes, he will not be able to reverse the situation.

"His Royal Highness!"

However, the God King Haotian remained motionless, looking at Prince Aotian and said indifferently: "After all, this is a matter between your brothers, you should solve it yourself."

At this time, the God King Haotian, his face With a faint smile on his face, his eyes flickered coldly, and his previous attitude in front of Prince Aotian was like heaven and earth.

Um?

Seeing his tone, Prince Aotian frowned: "Haotian, what do you mean? You want to rebel against me?"

"Haha!" Haotian God King smiled and said slowly: "You two brothers are really interesting, Ao Lin said that I betrayed me just now, and now you say that I betrayed too."

"I'm not afraid to tell you the truth, in my eyes, neither of you two are qualified to be emperors of heaven

.

" The corner of Wang's mouth rose, and then he clapped his hands!

Hearing the applause, the Zhan Wuji gods who had already been ambushed outside the secret room immediately rushed in and surrounded Prince Aotian.

Mad!

Faced with this situation, Prince Aotian's face was extremely cold and he said angrily: "Haotian, what do you want to do?"

Haotian God King smiled lightly and said without any scruples: "You two, one is too soft-hearted, and the other is too cruel. , God's Domain falls into your hands, it is a complete waste."

“And I, for nearly ten thousand years, have fought for God’s Domain everywhere, and have a great reputation. In terms of their merits and achievements, I am finally qualified to be the Emperor of Heaven.”

“That’s why I set up such a game to reunite the two of you.”

When he said this, the God King Haotian couldn’t hide his excitement.

Swish!

At this moment, Ao Lin’s face was ashen, and he angrily said: “Haotian, you have committed the following crimes, and you are still trying to usurp the throne. Have you thought about the consequences?”

Prince Aotian also shouted: “You really are despicable, help me on the surface, In fact, I really plan for myself, hehe, do you want to kill two birds with one stone? I’m afraid that we are both dead, and you can’t explain it to God’s Domain.”

“You don’t need to worry about this.”

Haotian God King stood there with a leisurely face: “When the time comes, I will It will be announced to the outside world that you two brothers killed each other because of the competition for status, and finally both of you died.”

“The entire Qintian Supervisor will testify, and the gods in the God Realm will not believe it.” The

last word fell, Haotian God King was too lazy to continue talking nonsense, rushed Zhan Wuji ordered: “Send our prince on the road.”

“Follow the order!”

Hearing the order, Zhan Wuji and the other gods complied, and then burst out with divine power, attacking Prince Aotian.
