

## The ultimate husband in Chinese chapter 6271-6280

Especially Zhu Bajie, his mind was buzzing, almost blank.

A few seconds later, Zhu Bajie reacted, feeling relieved and complicated.

As expected of my old Zhu's child, he is so extraordinary before he was born.

It's just... This appetite is too big, two beast souls are not enough, two beast souls, they have worked hard for half a month to finally get them.

More importantly, I'm afraid it's too late to go to the wild and strange realm now.

"Senior!"

At this moment, Yue Wuya on the side couldn't help but ask Shennong: "Then what should I do now?"

Shennong took a deep breath, his expression solemn: "Half of the miscarriage is in progress, if it is suspended, There may be unexpected situations, the best way is to find some beast souls..."

"But..." Before

Shennong could finish speaking, Hai Ling'er interrupted worriedly: "This is the hinterland of Zhongzhou. , there are very few spirit beasts, and even if there are, they rarely reach the realm of Emperor Wu."

"It's too late to return to the wild and strange realm now. What should I do?"

Hai Linger's delicate face On, indescribable anxiety and worry.

To be honest, Hai Linger and Gonggong didn't have the slightest friendship, and they hadn't even seen each other very often, but the child was innocent. Although it wasn't born yet, it was still a living being.

Hai Ling'er has a kind heart, so she is naturally worried when faced with this situation.

well!

This chapter is provided by . Visit for daily update.

When the words fell, Shen Nong also sighed deeply, feeling helpless for a while.

Oops....

Seeing this situation, Xu Guangyi, who had been silent next to him, felt a moment of anxiety. Zhu Bajie's wife and children failed to get out of the predicament.

No, I have to run away before Zhu Bajie turns his face.

After making up his mind, Xu Guangyi took advantage of Zhu Bajie's ignorance and quietly walked towards the stairs, but accidentally bumped into a vase at the corner.

Wow...

The vase shattered all over the place, and everyone heard the movement and looked over.

At this moment, Xu Guangyi was embarrassed and flustered again, squeezed out a smile, and said to Zhu Bajie: "I'm sorry, I bumped into it by accident, it wasn't intentional."

When he spoke, Xu Guangyi was very depressed. Mad, this is too unlucky, how did it touch the vase?

Swish!

Zhu Bajie was already upset and irritable, but when he saw Xu Guangyi planning to sneak away quietly, he became even more angry and shouted angrily: "You are special, if it weren't for you, my old Zhu wouldn't waste half a month in the wild and strange realm. Do you still want to sneak away now?" The

voice fell, Zhu Bajie stepped forward quickly, and slapped Xu Guangyi's face fiercely.

Snapped!

Hearing a crisp sound, Xu Guangyi was beaten and turned around three times, and finally slumped on the ground, his entire face was swollen, and he wanted to cry without tears.

Xu Guangyi covered his face and was about to cry: "Your Excellency, I have no intention of running away."

However, Zhu Bajie didn't listen to the explanation at all, and asked Shennong: "Old Shennong, it's too late to go out to find the beast soul, why don't you do this? The human soul is refined."

Zhu Bajie is not a cruel person who likes to kill. It's just that the situation of Gonggong and his children is in crisis, so he can't control so much. More importantly, this Xu Guangyi is the head of the Rat Society. Death is not a pity.

What?

Hearing this, Xu Guangyi's heart trembled, his legs went weak on the spot, he slumped on the ground and said in fear, "Your Excellency, please spare your life..." While begging for mercy, he kowtowed.

Afterwards, Xu Guangyi took out all the treasures on his body and begged bitterly: "Your Excellency said yes, let me help find the beast soul, you will let me go, but you have to keep your word, these are all collected by me. Yes, all honor Your Excellency, and I only ask Your Excellency to spare my life."

At this time, Xu Guangyi was completely frightened, and he never thought that Zhu Bajie planned to use his soul to support the fetus.

Zhu Bajie ignored Xu Guangyi's pleading, and stared at Shennong: "Old Shennong, is this method even feasible?"

Phew!

Shen Nong took a deep breath and said slowly: "You think too simple, using his soul is just a drop in the bucket, it's useless at all, and..."

## **The ultimate husband in Chinese chapter 6272**

After saying that, Shennong gave Xu Guangyi a deep look and continued: "Although this person is hateful, his crime is not worth death. You use his soul to support the fetus, it is not reasonable and it is harmful to the yin, let's forget it. ."

Phew!

Hearing this, Zhu Bajie took a deep breath and glanced at Xu Guangyi coldly: "You are lucky, go away."

"Thank you for your life, and thank you Senior Shennong." Leave in a hurry.

Seeing Xu Guangyi leaving, Zhu Bajie was troubled.

"Old Shennong!" In the

next second, Zhu Bajie asked Shennong, "Is there any other way? You are the ancestor of medicine that everyone admires in the world, so there is no way you can do anything.

" During the dangerous period, Zhu Bajie was in a hurry.

well!

Shennong sighed deeply, not knowing whether to laugh or cry: “Old man Rong think about it... eh?”

As he was talking, Shennong suddenly found something, and pointed to the thing under Zhu Bajie’s feet: “Show me that piece of jade. “Just now Xu Guangyi took out the things on his body and begged for mercy, but Shennong didn’t care, and he glanced at it inadvertently, and felt that there was a piece of jade in it was a bit strange.

Zhu Bajie murmured, “What’s so good about a piece of jade?”

After saying that, Zhu Bajie picked up the jade and handed it to Shennong.

“Strange, strange...”

Shen Nong took the jade and couldn’t help but muttered to himself. He saw that the jade was gray-white and translucent. Not only that, but there was a faint wave of strange power in it.

This chapter is provided by . Visit for daily update.

That’s right, this piece of jade was transformed after Gone’s death. Nalan Xinran lost it after fighting the Wudang faction half a month ago, and was picked up by Xu Guangyi, who happened to pass by....

In the wild and strange realm, Xu Guangyi tried to escape in order to escape. , once took out this piece of jade to please Zhu Bajie, but Zhu Bajie didn’t even look at it.

Wow...

Seeing Shennong’s solemn expression, Zhu Bajie and Yue Wuya all gathered around curiously, and their eyes locked tightly on this piece of jade.

Finally, Zhu Bajie couldn’t help but ask: “Old Shennong, is there anything special about this jade?”

Shennong said slowly: “It’s more than special, there is a strange power in it, which may be able to replace the soul of a beast and save the child’s life. “

Haha....

Hearing this, Zhu Bajie was overjoyed: “Then what are you waiting for? Let’s get started.” This strange jade contains power, why didn’t you find it before?

Shennong had a solemn expression and said, “The power in this is very strange, this old man is not sure...”

“This is simple!”

Before Shennong could finish speaking, Zhu Bajie shouted: “I will take that Xu Guangyi. When you find it, you’ll know as soon as you ask.” After speaking, he quickly walked out of the villa and went after Xu Guangyi.

It’s just that Xu Guangyi managed to escape, and he has long run away.

Half an hour later, Zhu Bajie returned without success, cursing: “Ma De, the boy runs very fast.”

“Zhu Bajie!”

At this time, Shennong felt the power in the jade again and said slowly. : “Using the power of this jade to replace the beast soul, this old man is only 60% sure of success. You are the father of the child. Whether you want to continue or not is up to you.”

What, only 60% sure...

Hearing this, Zhu Bajie froze there, and his heart fell into a war between heaven and man.

At the same time, Yue Wuya and Hai Ling’er were also silent.

“Shen Nong!”

At this moment, Gong Gong’s weak voice came from the room: “It is not necessary for him to decide, I will decide, please go ahead.” The voice was not loud, but there was no doubt about it.

I’m going... As soon as he finished

speaking, Zhu Bajie was taken aback and hurriedly advised: “Wife, don’t be impulsive, this old man only needs 60% confidence, what if something happens?”

This was his first time. a child.

“Shut up for me.” Gong Gong said angrily: “The child is not yours alone, so why can’t I make a decision if you can decide?”

“Even if something goes wrong, it’s my fate. “

Uh...

Facing the aggressive Gonggong, Zhu Bajie was very helpless and had nothing to refute for a while.

At this time, Gonggong was too lazy to talk nonsense, and said to Shennong: "Time waits for no one, please continue."

"Okay!"

Seeing her face of appraisal, Shennong nodded and slowly approached the room.

...

On the other side, Tianxin Continent.

## **The ultimate husband in Chinese chapter 6273**

In a valley a hundred miles northeast of Xuangu Pass.

Yue Feng and Feixue rested for a while by the pool, and their tiredness was relieved. Then Yue Feng prepared to leave.

Yue Feng thought about it, and after meeting with Gu Qianqiu, he escorted Ying Kuang and King Shaoyang to meet together.

It's not that Yue Feng doesn't trust Gu Qianqiu, but that he promised Qu Fengyi from the very beginning. He wants to protect Ying Kuang from seeing King Shaoyang. Since he has agreed, he must do it. This is the consistent principle of Yue Feng.

"Let's go!"

However, Feixue sat there cross-legged, with no intention of leaving. At this time, she said indifferently to Yue Feng, "I'll stay here.

" refute.

Um?

Yue Feng was stunned for a moment, then looked at Feixue, and realized something: "Are you going to expel poison here?" Yue Feng clearly saw that Feixue's beautiful face was pale at this time, which was obviously the poison in his body. It has spread all over the body.

"Does it have anything to do with you?" Feixue asked coldly.

Yue Feng didn't care about Feixue's indifference, but said seriously: "If you want to expel the poison, I can't control it, but I still kindly advise you not to take risks." As

he said, Yue Feng couldn't help but look around. surroundings.

“Why?” Feixue frowned.

call!

Yue Feng took a deep breath, pointed to the surroundings and said, “The air is humid near this pool. If you rush to expel the poison, it may cause moisture to invade. At that time, the poison in the body will not be expelled, but may worsen.”

This chapter is provided by . Visit for daily update.

When he said this, Yue Feng looked serious.

However, Feixue didn’t believe it at all, and instinctively thought that Yue Feng was alarmist. At that time, he chuckled and said coldly: “According to you, my own poisoning is completely seeking death, and I have to help you?”

Yue Feng nodded: “Almost.”

Shuh!

As soon as she finished speaking, Feixue stopped her smile and said coldly, “Put away your fake face, don’t think I don’t know what you think, you just want to...”

She wanted to say, “You don’t I just wanted to take advantage of me’, but I was too embarrassed to say these words, so I held them back. At that time, I was too lazy to talk nonsense: “Go away, even if my situation worsens, it has nothing to do with you.”

This woman, why is she so stubborn... At

this moment, Yue Feng was very helpless, and immediately smiled: “Well then, I wish you good luck.” After speaking, Yue Feng turned and left, and in the woods not far away, Yue Feng jumped on a big tree , quietly observe the situation here.

call!

Seeing Yue Feng walking away, Feixue secretly let out a sigh of relief, then closed her eyes and began to try to expel the poison.

It was smooth at first, but gradually, Feixue felt that something was wrong. Within a few minutes, a layer of cold sweat was covering her forehead, and her expression became even weaker.

Oops.

That Yue Feng was right, to expel the poison here, not only failed to expel the poison, but aggravated it.

At this time, Feixue clearly felt that the poison in his body was not restrained at all, and instead spread more rapidly towards his whole body.

Not only that, but the internal force also began to become disordered.

Feixue panicked and wanted to stabilize her internal strength, but the more anxious she became, the more disordered her internal strength became.

Soon, with the disturbance of her internal strength, Feixue felt as if a fire was burning in her body, and the burning pain was unbearable.

“Ah...”

Finally, Feixue couldn't take it anymore and let out a painful moan. Her delicate body fell on the grass and shuddered softly. Her delicate and beautiful face was full of pain and despair.

well!

This scene, Yue Feng could see clearly from a tree not far away, and immediately sighed and shook his head, refusing to listen to the dissuasion, he must suffer now.

Thinking to himself, Yue Feng jumped down, hurried over and said with a smile: “How? I didn't lie to you just now.”

“You...”

Feixue was taken aback when she saw Yue Feng leaving , and then quickly reacted: “You didn't leave?”

Yue Feng raised his mouth and looked at her with a smile: “I'm leaving, who will save you?”

Shuh!

Seeing his confident look, Feixue felt very unhappy, and immediately said coldly, “Who wants you to save me? Don't put gold on your face.”

Oops? Still stubborn so far.

Yue Feng murmured in his heart, but he was not angry at the time, and said with a smile: “Okay, it seems that I have thought too much.”

## **The ultimate husband in Chinese chapter 6274**

After finishing speaking, Yue Feng leaned on the rock next to him, hugged his chest with both hands, and looked at Feixue with a half-smile.

Feixue didn't bother to pay attention to her, the burning heat in her body was getting worse and worse, and she had to force her inner strength immediately.

call!

It was just at this moment that Feixue not only did not suppress the disturbance of her internal power, but instead formed a karmic fire, a purple-red flame that jumped out of her body.

Chi Chi...

At this moment, Feixue didn't react at all. The black clothes that were close to him were instantly burnt, and the perfect curve was completely revealed.

call!

Seeing this scene, Yue Feng couldn't help taking a deep breath, and was stunned on the spot.

I have to say, this woman's figure is really amazing.

"You..."

Feixue felt shy and angry when she noticed Yue Feng's gaze. She endured the pain and shouted tenderly, "Close your eyes for me." How not to get angry?

Hearing the scolding, Yue Feng calmed down and said with a smile, "Okay, okay, don't look at it." After speaking

, Yue Feng turned around and continued: "You have gone crazy now, if you don't save yourself in time, I'm afraid It's life-threatening."

"I'll teach you how to save yourself now... You are lucky to have more than your stomach, and then slowly excrete it out of your body..."

In the next minute, Yue Feng said a set of formulas She came out and finally said: "As long as you follow this method, the crisis will be resolved naturally."

This chapter is provided by . Visit for daily update.

Fei Xue frowned, endured the pain, and said coldly, "Do you think I will believe your words?" Of course she knew what the consequences of going into the devil would be. , Only in this case, unless the suzerain is present, can he be saved.

And Yue Feng, who was in front of him, just said a few simple words, and said boldly that he could save me? Totally bragging.

Having said that, Feixue instinctively kept the formula in her heart.

Really stubborn.

Yue Feng shook his head and smiled, and stopped talking. Anyway, he did what he had to do. If Feixue didn't appreciate it, and was really burned to death by the fire of her inner demons, it was also her good fortune.

Huhuhu...

At this time, Fei Xue's inner demon karma burned more and more fiercely. At that time, he couldn't bear it any longer, so he decided to try it out. According to Yue Feng's method, he started to run his internal power...

At this time Feixue, just with the mentality of giving it a try, didn't hold out much hope at all.

What she didn't expect was that after just a few breaths passed, the inner demon karma in her body was actually extinguished. Not only that, but the unbearable pain in her body was also relieved a lot.

This...

this way really works.

For a time, Feixue was stunned. She thought she was going to die this time, but she didn't expect that in the end, it was Yue Feng who saved him.

After a few more minutes, Feixue's state of being in a state of infatuation was completely lifted. Not only that, but the poison in his body was also expelled.

"You..." Feixue at this time, looking at Yue Feng in a complicated way, couldn't help but gently ask: "What kind of exercises did you just

say?"

The crisis of going crazy is simply unbelievable.

If this happened half an hour ago, I wouldn't even think about it.

Ha ha...

Yue Feng turned his back to him and couldn't see Feixue's face at all, but when he heard this, he knew that Feixue was all right, and immediately laughed secretly.

This woman, she said she didn't need it, but she still accepted it in the end?

Thinking to himself, Yue Feng replied, "This is Wenzong's pure heart formula."

Qingxin formula is the secret of Wenzong, and only the suzerain can practice it. Back then, Su Qingyan decided to accompany Yue Feng for the rest of his life. This formula came

naturally. It was passed on to Yue Feng.

Heart cleanse?

Hearing this, Feixue's delicate face was full of doubts.

What kind of magic is this? There is also the 'Wen Zong' in his mouth, which is also the first time I have heard of it.

Feeling puzzled, Feixue was about to ask, but when she found out what she looked like, she exclaimed in surprise. Just now, her clothes were burnt by the fire of the devil's karma, and there was no cover on her body.

"You..."

Feixue said in a panic, "Don't turn around."

Yue Feng responded.

Feixue said no more, opened the space ring in her hand, took out a new set of black tights, and quickly put it on.

## **The ultimate husband in Chinese chapter 6275**

Huh?

At this moment, Yue Feng was not only a little surprised when he heard the rustling voice behind him.

This woman's clothes were all burned, and she didn't bring any packages. Where did the new clothes come from?

At this moment, Feixue put on her clothes and said in a low voice, "Okay."

Yue Feng responded, turned his head and looked at Feixue, and was stunned for a moment.

I saw that Feixue was wearing a new black suit, but because of her madness, her face was still a little red, and she looked different.

After what happened just now, Feixue was less disgusted with Yue Feng and more curious. Seeing Yue Feng staring at him at this time, he didn't care, but couldn't help but ask, "What did you just say about Wenzong? , is it a martial art?"

"Yes!" Yue Feng nodded.

Feixue's doubts deepened: "But for thousands of years, this sect has never appeared in the rivers and lakes."

Haha!

Hearing this, Yue Feng couldn't help laughing: "You haven't heard of it, so it doesn't mean it doesn't exist. Otherwise, how did you get rid of the crisis just now?"

Feixue looked stunned and continued to ask: "Who the hell are you?"

At first, Feixue thought he was a liar who was a liar, a person who pretended to be out of touch with the heavens.

call!

Yue Feng took a deep breath, looked at the sky in the distance, and said slowly: "I said I don't belong here, do you believe it?"

This chapter is provided by . Visit for daily update.

"What do you mean?" Feixue was stunned.

Yue Feng hesitated, but still responded: "I'm not from your place, I'm from another world. The Wenzong I'm talking about is the sect of our world. Do you understand?"

Seriously, Yue Feng I didn't want to reveal my identity so quickly, but Feixue in front of her, although she often looked cold, was actually kind-hearted, and it was okay to tell her.

What?

Another world....

Hearing such an answer, Feixue only felt that her brain was buzzing, completely beyond her imagination.

After a full ten seconds, Feixue recovered and asked.

hum!

However, at this moment, there was a strong fluctuation of power not far away, and then, a figure came quickly, as fast as lightning.

Yue Feng and Feixue, before they could see each other's appearance clearly, saw the person who came to raise their hand.

Chi Chi... I

saw two ribbons rushing out from the sleeves of the person, like a spirit snake, quickly entangling Yue Feng and Feixue.

Yue Feng was secretly surprised. He instinctively wanted to dodge, but it was too late. In the blink of an eye, his hands and feet were tightly entangled. Feixue had just gone through the madness, and she was already weak and was tightly entangled.

That is to say, the coming person is slowly descending.

I went...

Seeing the appearance of the person who came, Yue Feng was stunned.

I saw that the visitor was an old woman in her 60s or 70s, with silver hair and wrinkles on her face, but she was wearing a very gorgeous, white gauze adorned with bright red flowers. With a dragon head crutch.

On the cane, a delicate pattern is wrapped with gold wire, and the dragon head at the top is carved from a piece of white jade, which is very delicate.

Seeing this, Yue Feng was secretly surprised.

What is the origin of this old woman, she is not weak.

Oops!

Feixue's body trembled when she saw this old woman, her delicate face was full of fear, and she almost exclaimed, "It's Granny Safflower.

"

No one knows the origin of Granny Safflower, only that she suddenly appeared on the rivers and lakes 20 years ago. men.

According to rumors, the strength of the mother-in-law Honghua has already broken through the realm of hearing Taoism, and there are only a handful of people who can restrain her in the entire Jianghu.

Feixue was naturally nervous when she saw such an existence.

“Mother-in-law Safflower?” Yue Feng couldn’t help muttering, this name is quite special.

Swish!

At this moment, Granny Safflower looked at the two of them with burning eyes. After a few seconds, she

said coldly: “It seems that my old lady has a good tone today, and she has caught two people who are away from heaven so quickly.” Granny Safflower’s eyes fell on Yue Feng: “Boy, I want to find your Sect Master Gu Qianqiu. If you want to survive, take me to see him.”

## **The ultimate husband in Chinese chapter 6276**

The

last sentence of the mother-in-law safflower is very severe and cannot be refuted.

In Granny Safflower’s heart, she thought that Yue Feng was also someone who left the way of heaven.

Uh....

Hearing this, Yue Feng looked embarrassed and was about to respond, but was interrupted by Feixue.

At this moment, Feixue bit her lip lightly and said politely to Granny Safflower: “Mother-in-law, what are you looking for with our Sect Master?” In her memory, the Sect Master had always been alone, and had never seen him and Granny Safflower before. What’s the deal.

Moreover, the laws of Litian Dao are strict, and there has never been any conflict with Granny Safflower.

“Ignorance junior.”

Granny Honghua looked arrogant and said coldly at Feixue: "Don't ask about my old wife, tell me where is your suzerain?" When she spoke, Granny Honghua looked impatient. .

call!

Seeing that she refused to explain the reason, Feixue sighed lightly and said slowly: "Sect Master's whereabouts are uncertain, and I don't know where he is now." Li Tiandao has a special contact method, so Feixue can easily contact him. to ancient times.

It's just... The motive of the safflower mother-in-law in front of her is unknown, so it's better to be careful.

do not know?

Hearing this answer, Grandma Honghua gave a cold smile: "Well, you little girl, dare to lie in front of my old wife, I'll give you another chance, will you tell me?"

Feixue bit her lip tightly, with a sword formula: "I really don't know."

This chapter is provided by . Visit for daily update.

"Very good!" The

corners of Grandma Honghua's mouth twitched, and her eyes fell on Yue Feng: "It seems that you really don't know my old woman's methods. He twisted his head off to remind you."

hum!

The voice fell, and the figure of Granny Safflower flashed, and she was in front of Yue Feng in an instant, her withered hand suddenly raised and pressed against Yue Feng's head.

What the hell!

Faced with this situation, Yue Feng was secretly surprised, and he couldn't help laughing at the time.

All right, how did I become a target?

Soon, Yue Feng reacted and was about to break free of the ribbon, but what made him depressed was that the ribbon was made of some special material, and it was extremely tough. Yue Feng tried it, but he couldn't break free.

Speaking of which, if Yue Feng was in his peak state, a small ribbon would not be able to trap him at all. It was just that after a fierce battle at Xuangu Pass, all the divine power that he had finally recovered had been completely consumed. The safflower mother-in-law, who was shaking the rivers and lakes, was naturally powerless to resist.

Unable to break free from the ribbon, Yue Fengqing was in a hurry and couldn't help shouting: "Mother-in-law, wait."

Shuh!

Hearing the call, Granny Safflower stopped, her palm was hanging on top of Yue Feng's head, and a smile appeared on her face: "The boy is quite knowledgeable about current affairs, tell me, where is your Sect Master?"

Yue Feng took a deep breath and said seriously: "Mother-in-law, you are mistaken. I'm not from Heavenly Dao. How do you know where their suzerain is? You and

Litiandao have nothing to do with me. Let me go." Kuang went to Xuanguan, which made Yue Feng very depressed. At this time, he really didn't want to be involved in the grudge between Li Tiandao and Hong Hua Granny.

Not a person from heaven?

Granny Safflower froze for a moment, her brows furrowed.

"Mother-in-law!"

It was at this time that Feixue looked at Yue Feng in a complicated way, and then slowly said: "He is indeed not someone from us, so even if you kill him, it will have no effect on me."

Feixue said so, seemingly ruthless, eager to leave the relationship with Yue Feng, in fact, to protect him.

Yue Feng is a smart person, so he nodded quickly and said, "Yes, we are not familiar at all, mother-in-law, don't hurt innocent people."

Haha...

Grandma Honghua smiled coldly and looked at Feixue up and down: "Girl, you Thinking that I can send my old lady away? It's too naive." As

she spoke, Granny Safflower's eyes became sharp: "The old lady will give you one last chance, do you want to talk?" During the conversation, there was a strong aura, From the whole body of the safflower mother-in-law diffused out.

The powerful aura made the suppressed person panic.

Feixue bit her lip tightly and did not respond, having already made her stand invisibly.

“Okay, very good!”

Seeing Feixue’s expression, Granny Safflower was completely impatient, and her wrinkled face showed a trace of grimness: “It seems that you can’t see the coffin without tears.”

## **The ultimate husband in Chinese chapter 6277**

Facing the threat, Feixue was calm on the surface, but panicked in his heart.

There are rumors in the rivers and lakes that the mother-in-law safflower is very hot, and I don’t know what methods will be used to deal with me in the future...

uh...

At the same time, Yue Feng also complained secretly in his heart when he saw that the situation was not good, and then couldn’t help but speak. Said: “Mother-in-law, we have something to talk about, that... can you let me go first?”

Yue Feng thought about it, first figured out a way to get out, and then followed quietly behind him. If there was a chance, he would let Feixue go. Rescued from Granny Safflower.

However, Granny Safflower didn’t give Yue Feng a chance at all. She smiled sullenly at that time: “Boy, you are not someone who is far from heaven, what are you afraid of?”

Speaking of which, Granny Safflower squinted at Feixue, Continue: “Since this girl doesn’t know the current affairs, then let your kid take advantage of it.”

Shah!

Hearing this, Fei Xue’s delicate body trembled, instinctively aware that it was not good, and couldn’t help but say, “You...what are you going to do?”

Yue Feng also looked puzzled.

Let me take advantage? What the hell is this grandma doing?

Ha ha!

Granny Safflower looked at Feixue with a wicked smile on her face and said, "What? Now I know I'm afraid, but it's too late. My patience is limited. I gave you two chances just now. If you don't grasp it, then you can't blame me."

"This kid is dignified and looks good. You won't lose if you let him be your man."

What?

This chapter is provided by . Visit for daily update.

At this moment, Yue Feng only felt that his brain was buzzing, and he became stupid in an instant. What did the safflower mother-in-law say? Want me to be Feixue's man? Go crazy.

At the same time, Feixue's face was also flushed, and she couldn't tell the shame and anger: "No, Granny Safflower, you can't mess around."

This Granny Safflower is really a lunatic.

"Whether it's messy or not, it's up to you now." Granny Safflower sneered again and again, her smile was full of madness: "You are strict with the rules of Litiandao, old lady, I will take you to the secret sub-altar of your Litiandao in Qizhou. , I will arrange a wedding for the two of you."

"Gu Qianqiu is a very principled person. Once he knows that his most important subordinate is married to an outsider, he will never sit idly by.

" proud face.

Yes, she is going to force Yue Feng and Feixue to marry, to invite Gu Qianqiu to appear.

Speaking of which, with the strength of Mother-in-law Honghua, there are many ways to find Gu Qianqiu, but she is eccentric and acts as she pleases.

"You..."

Feixue was so anxious and angry that she almost cried when she heard Granny Safflower's words.

Damn...

Yue Feng was also completely stunned, staring blankly at Granny Safflower, unable to tell whether he was happy or sad.

Is there something wrong with this safflower mother-in-law, so she likes to help people arrange marriages?

Although this Feixue is a first-class stunning beauty, but he doesn't belong here, how can he marry her? Isn't this bullshit?

Papa...

Just when Yue Feng was speechless, Granny Safflower made a lightning strike, grabbed his and Feixue's hands, showed their figures, and rushed towards Qizhou.

While walking fast, Granny Safflower did not forget to tease Yue Feng: "You are very lucky, boy, but I seldom serve as a matchmaker, old lady."

While speaking, Granny Safflower looked at Feixue with a half-smile, with a hint of revenge in her eyes.

Nima!

Hearing this, Yue Feng didn't know whether to laugh or cry, and said speechlessly: "Mother-in-law, this kind of thing can't be messed up, I'm someone who has a wife..."

Before she could finish speaking, she was interrupted by Mother-in-law Honghua . He said, "Even if you're looking for a concubine, this girl is as beautiful as flowers and jade, you don't know how to flatter yourself, and if you get a cheap price, you will be a good boy!"

"I..."

Yue Feng was speechless when he said that. .

At this time, Feixue was also completely anxious, and her delicate face turned red: "Mother-in-law, don't mess around, you are really like this, I... Our Sect Master will not let you go."

Hearing this, Hong Granny Hua didn't get angry but smiled: "Don't let me go? The old lady is afraid that he won't dare to come to see me."

Feixue was stunned.

Yue Feng also frowned secretly, listening to the meaning of the words, this safflower mother-in-law seems to have a deep grudge with Gu Qianqiu.

## **The ultimate husband in Chinese chapter 6278**

After several hours of traveling, Grandma Safflower took Yue Feng and two and finally arrived in Qizhou City.

Qizhou, located on the eastern coast of Tianxin Continent, was one of the most prosperous cities in the Dayan Dynasty besides the imperial capital.

When the three arrived in Qizhou City, night had just fallen.

I saw that the lights in the city were brilliant, the wide streets were full of people, and the buildings on both sides of the streets were indescribably prosperous and lively. Such a chilling breath. It is a stark contrast to the bustling and lively scene in the city.

The army outside the city was the Qi army led by King Shaoyang.

Three days ago, the imperial capital fell and the young emperor disappeared. When King Shaoyang learned about the situation, he was immediately anxious. He gathered his subordinates that day and planned to attack Ji Beiye's rebels, but there was no news of the young emperor, so he did not act rashly.

A large army was stationed outside the city, and there were also guards at the gate of the city to set up checkpoints.

However, Granny Safflower is an expert in the rivers and lakes. She didn't plan to enter through the city gate at all. Instead, she found a remote location and took Yue Feng and Feixue to fly directly over the city wall.

When they arrived in the city, Grandma Honghua took Yue Feng and the two to walk down the back streets and alleys. After a lot of detours, they finally came to an inconspicuous courtyard.

What is this place?

Looking at the small courtyard in front of him, Yue Feng couldn't help frowning secretly.

This...

However, Feixue's delicate body trembled, and her face paled in shock.

How did Granny Safflower know that Li Tiandao's sub-altar base in Qizhou City? You must know that Li Tiandao's strongholds in various places are very hidden, and this branch stronghold in Qizhou City is even more unknown.

Compared to the two of them, Granny Honghua had a relaxed expression on her face, and said with a smile, "Okay, the show is about to begin!" When the words

fell, Granny Honghua took Yue Feng and Feixue with one hand and jumped gently into the room. Small courtyard.

wow.

As soon as the three of them landed, dozens of torches were instantly lit around the courtyard. At the same time, nearly a hundred disciples from the Heavenly Dao quickly appeared and surrounded the three of them.

The one in the lead was a man in his forties, of medium build, with thick eyebrows and big eyes and a mustache, giving him a calm and steady feeling.

It is Chen Kuan, the altar master of the Qizhou branch.

The sub-altar stronghold was suddenly broken into, Chen Kuan was very shocked, and when he saw that it was Granny Safflower, his face changed suddenly, and he couldn't help exclaiming: "Granny Safflower.

" Although Kuan had never seen it, he recognized it at a glance.

Seeing Feixue caught by Grandma Honghua, Chen Kuan was even more shocked and asked, "Feixue? What's going on?"

Facing the question, Feixue's delicate face was full of shame. I didn't know how to speak for a while.

call!

It was at this moment that Granny Safflower looked at Chen Kuan and said slowly, "You are Chen Kuan, the altar master of the Qizhou branch. My old lady doesn't like nonsense, so you immediately order someone to deploy the auditorium here."

Saying that, Mother-in-law Honghua glanced at Yue Feng and Feixue, and continued, "My old lady, I want to help you hold a wedding from Heavenly Dao."

Wedding?

Hearing this, both Chen Kuan and the disciples of Li Tiandao who were present looked at each other in dismay.

A few seconds later, Chen Kuan was the first to react and said, "What does mother-in-law mean? What wedding?"

"Are you clumsy?" Granny

Honghua pointed at Yue Feng and Feixue with a displeased expression, and said impatiently, "Of course it's this kid, and this girl's wedding, the two of them are both talented and beautiful, very handsome. A perfect couple."

What?

At this moment, Chen Kuan's face changed, and he was furious.

The surrounding Li Tiandao disciples also changed their faces, and they all felt the provocative taste in their eyes. You must know that Feixue is not only the closed disciple of the sect master, but also his most important subordinate, Bing Qingyujie, in the hearts of all Litan Dao disciples, she is like a saint.

At this time, the safflower mother-in-law actually wanted to marry Feixue with a strange man. This was no longer a simple provocation, but trampled on the dignity of the entire Heavenly Dao.

"Bullshit!"

Finally, a big man couldn't help but quickly walked out, pointed at Granny Safflower, and shouted, "Mother-in-law safflower, we can't control what kind of bullshit you are doing on the rivers and lakes, but you don't even look at this place. Where?"

## **The ultimate husband in Chinese chapter 6279**

"Dare to come to us to make a fool of yourself, I think you are courting death, so let Feixue go quickly, or don't blame me for being rude."

While speaking, the big man pulled out his long knife.

This big man is Ma Yishan, the deputy altar master of the Qizhou branch altar. Ma Yishan's temperament is like a fire, and his temper is hot. Seeing that the mother-in-law of Honghua is bullying his face, he can't bear it anymore.

court death?

Granny Safflower smiled contemptuously and looked at Ma Yishan almost blindly: "Go away!" A small deputy altar master has no right to shout in front of her.

Being so scorned, Ma Yishan was completely furious: "Okay, okay, I want to see and experience, in the rivers and lakes, what's so special about the scary mother-in-law safflower."

Om!

The last word fell, Ma Yishan rose into the air, and the long knife in his hand drew a cold glow in the night sky, and slashed towards Granny Safflower head-on.

Seeing this, both Chen Kuan and Feixue's expressions changed.

Immediately afterwards, Chen Kuan couldn't help shouting: "Deputy Master Ma, you can't..." At the same time as he shouted, he wanted to step forward to stop it, but it was too late.

Ha ha!

At this moment, watching Ma Yishan burst out, the corner of Granny Safflower's mouth evoked a trace of contempt: "In such a hurry to die, the old lady will fulfill you." The

voice fell, Granny Safflower flipped her wrist, and her fingers popped out.

Chi...

I heard a faint sound of breaking through the air. At that time, Ma Yishan hadn't reacted to what was going on. His body suddenly trembled in mid-air, and then he fell to the ground.

This chapter is provided by . Visit for daily update.

The moment he landed, he saw Ma Yishan's eyes widened and he was no longer breathing.

hiss....

Seeing this, Chen Kuan and the people around Li Tiandao were all shocked and couldn't help but gasp.

The strength of this safflower mother-in-law is so terrifying? Ma Yishan is also a Rank 6 master, but in front of her, she can't catch a single move...

What's even more terrifying is that no one could see clearly how the safflower mother-in-law killed Ma Yishan.

call!

When everyone was horrified, Yue Feng took a deep breath and looked at Granny Safflower's eyes, with a complex look. The scene just now was not seen clearly by everyone around, but Yue Feng saw it clearly.

The moment Grandma Safflower shot just now, Yue Feng could clearly see that what her fingers ejected was an embroidery needle.

The embroidery needle directly penetrated Ma Yishan's heart, causing him to die on the spot.

Killing people with embroidery needles can easily be done with Yue Feng's strength, but this kind of killing method is too sinister and despicable, Yue Feng acts brightly and disdainfully.

"Grandma Safflower!" At this moment, Chen

Kuan came to his senses, glared at Grandma Safflower, and shouted, "Have you thought about the consequences of killing someone in my altar?"

At this time, Chen Kuan was very angry, Grandma Safflower was the ultimate move as soon as she made a move. It would be too ignorant of Li Tiandao. More importantly, he and Ma Yishan were as close as brothers. Seeing him die at this time, he couldn't bear it.

"Haha!"

Granny Honghua sneered, and said lightly: "It was he who moved first. Could it be that my old lady wants to stretch her neck and let him chop?" After

speaking, Granny Honghua looked impatient: "Quickly. Deploy the auditorium according to my old lady's words, otherwise, my old lady will be bloodbathed here tonight."

Swish!

Hearing this, Chen Kuan was completely furious, pointing at Granny Safflower and roaring: "Take it down, take this old witch to me, life or death..."

Chen Kuan almost roared out with the last sentence.

This red flower mother-in-law first came to provoke her, and then killed her good brother. If she endured it, how could she have the face to see the sect master? How will you walk the rivers and lakes in the future?

Swish swish...

The last word fell, and the disciples of Li Tiandao who were present moved their figures and rushed towards Granny Safflower.

Seeing this, Yue Feng couldn't help shaking his head secretly.

This altar master looked calm, but turned out to be so impulsive. To do so was to let his subordinates die in vain.

Next to Feixue, biting her lip tightly, she was also unspeakably worried and nervous.

Looking at the rushing people, Granny Safflower did not panic at all, but instead gave a wicked smile, and then slowly raised her right hand, and suddenly, a powerful force fluctuated, filling the entire courtyard.

“Disillusioned Safflower...” In the

next second, Granny Safflower spit out four words coldly.

The moment the voice fell, the air in front of her was suddenly twisted and torn, and then, bright red petals condensed out.

## **The ultimate husband in Chinese chapter 6280**

Countless red petals, circling and flying in the night sky, seem to be extremely beautiful, but everyone present felt a suffocating murderous

intent... Chi Chi... In

the blink of an eye, the sky filled with red petals, the crowd that rushed up was shrouded, and the sound of the skin being split was heard, and many disciples of the Heavenly Dao, almost before they could scream, fell into the pool of blood one after another.

It can be clearly seen that these disciples, without exception, were killed by one blow.

It's over...

Seeing this, Feixue closed her eyes in despair.

Chen Kuan was also shocked and angry, his face turned pale.

At this time, Grandma Honghua looked gloomy and looked at Chen Kuan and said, “Those who obey me will prosper, those who disobey me will perish, and those who oppose my old wife will end up like this. Those who are sensible, just obey me.”

Shuh!

Hearing these words, Chen Kuan's eyes instantly turned blood red, and he said coldly: “I am away from the people of Heaven and Dao, and I will never compromise.”

With that, Chen Kuan drew out his long sword, flashed his figure, and charged directly at Granny Safflower. .

At the same time, dozens of disciples around looked at each other, and then they also gritted their teeth and surrounded Granny Safflower.

“It’s beyond your own power.” Granny

Safflower smiled contemptuously, urging her figure to fight with Chen Kuan and the others.

clang clang clang.

This chapter is provided by . Visit for daily update.

Seeing that Granny Safflower’s figure was like electricity, constantly shuttled through the crowd, and after a few rounds, Chen Kuan became more and more shocked.

The strength of this safflower mother-in-law is too terrifying, I am afraid that if the suzerain comes, it will be difficult to win.

Just at the moment when Chen Kuan was stunned, Granny Safflower sneered, raised her hand and slapped her.

call!

This palm was as fast as lightning, extremely fast, and Chen Kuan didn’t have time to dodge when he heard a muffled groan, and was knocked back ten steps on the spot.

Before she could stabilize her figure, she saw Granny Safflower rushing up quickly, raised her hand and tapped Chen Kuan a few times. In an instant, Chen Kuan’s body froze and he couldn’t move.

“Altar Master!”

Seeing this scene, the surrounding disciples all exclaimed and besieged them again.

At this time, the mother-in-law of Honghua was completely impatient, and said coldly: “With your strength, you dare to fight with my old lady?” The voice fell, and the figure quickly shuttled through the crowd.

Dang clang, dang clang....

Almost in the blink of an eye, these disciples hadn’t reacted, and all the swords in their hands were knocked to the ground. Then, Granny Safflower quickly raised her hand and moved a little faster on them.

In less than two seconds, dozens of disciples were blocked and unable to move.

well!

Seeing this, Chen Kuan let out a long sigh, feeling extremely desperate. To the mother-in-law Honghua, she said, "You...you kill me." A dignified altar master of his own, faced with the provocation of the mother-in-law Honghua, but he was powerless to fight back, and he had no face to meet the suzerain alive.

"Want to die? It's not that easy."

Granny Safflower chuckled, then took out a jade bottle from her body, poured out a black pill, and then opened Chen Kuan's top and quickly stuffed the pill inside.

Gudong!

Granny Safflower shot quickly, and Chen Kuan almost didn't have time to react, so he swallowed the medicinal pill directly into his stomach.

Afterwards, Granny Safflower gave the other disciples and also took the medicine pill. For a while, after everyone ate it, they were all inexplicably frightened.

"You..."

Finally, Chen Kuan reacted and said to Granny Safflower: "What did you give us to eat?"

"Of course it is highly poisonous."

Granny Safflower said lightly: "If there is no solution If you take medicine, after two hours, you will have a highly poisonous attack in your body, and one by one will go crazy. If you don't recognize your six relatives, you will kill anyone."

Speaking of which, Granny Safflower looked closely at Chen Kuan: "You people are in Qizhou City. , killing people indiscriminately, guess, how will the rivers and lakes evaluate you Li Tiandao?"

Huo!

Seeing this, Yue Feng frowned secretly, this safflower mother-in-law is too sinister, knowing that Chen Kuanning would not yield, she used this method to force him to yield.

And when he heard Granny Safflower's words, Chen Kuan was also shocked. This method is too poisonous.

Granny Safflower sneered: "How? Do you want to become lunatics and kill people everywhere, or do you follow my arrangement and deploy the auditorium immediately?"
