

The ultimate husband in Chinese chapter 6311-6320

Swish!

At this moment, the eyes of Ji Beiye and the hundreds of thousands of troops all locked on Yue Feng.

Especially Ji Beiye, who looked at Yue Feng from a distance and frowned secretly.

Who is this person? Was the helper that Shaoyang Wang Gang recruited? Never seen it before....

Whoa!

At the same time, the defenders of Qizhou City, facing the disadvantage in front of them, have already lost their morale, but when they see the tiger talisman in Yue Feng's hand, they all dare not disobey their orders. They follow Yue Feng's command and move quickly to the right. .

Bang bang bang...

However, in the process of moving, many soldiers died tragically under the enemy's saber.

Seeing this situation, Qingyu's delicate body trembled, staring at Yue Feng, her eyes couldn't hide the anger and anxiety, he did this to send the soldiers to death in vain.

Anxious, Qingyu said to Yingkuang: "Your Majesty, there is definitely something wrong with this person. This is a war. It is clearly to send the soldiers to death. Quickly issue the imperial decree and let all the soldiers withdraw to the city."

"Otherwise, the soldiers If they are all destroyed, Qizhou City will not be able to keep it."

At the end of the story, Qingyu almost burst into tears.

You must know that Qizhou City is the fief of Shaoyang King. When Qingyu was a few years old, she came to live in Qizhou. After more than ten years, Qizhou City had a unique feeling and naturally did not want to be attacked by Ji Beiye.

call!

Hearing this, Ying Kuang took a deep breath and looked at Yue Feng in mid-air: "Your Excellency Yue Feng, this..."

Before he could finish speaking, Yue Feng said lightly, "Don't worry, Your Majesty, this is just the beginning, The good show is behind." The voice fell, Yue Feng held the tiger talisman high, and the powerful voice spread throughout the battlefield.

"The first 30,000 people, fifty paces to the east. The last 30,000 people, fifty paces to the west, and the tens of thousands of people in the middle, stick to the spot, act quickly, don't neglect, hurry up!"

When he shouted the last sentence, Yue Feng looked calm and confident, but his heart was a little dignified.

After all, this is not the mainland of Kyushu, and the way of fighting is completely different. I wonder if the defenders of Qizhou City can cooperate well.

If you don't cooperate well, you will take such a risk and the consequences will be unimaginable.

Wow...

At this moment, when I heard Yue Feng's order again, the Qizhou City defenders who were present did not hesitate for a second. They acted again and quickly formed a formation.

They all knew in their hearts that in a head-to-head confrontation, they were not enemies at all, so they might as well trust this Yue Feng once.

"Yue Feng!"

Seeing that Yingkuang didn't stop it, Qingyu was so anxious that she couldn't help shouting at Yue Feng: "Hurry up and hand over the tiger talisman, don't give orders anymore, if Qizhou City is destroyed, you will It's not a pity to die a hundred times."

Hearing Qingyu's coquettish shout, Yue Feng remained calm and continued to command the defenders of Qizhou City.

Hehe...

At this time, Ji Beiye stood on the station car, looked at Yue Feng in the air with contempt, and a sneer sneered at the corner of his mouth: "Where did you come from Yamano, do you think children are playing the house? Can I defeat my army of hundreds of thousands in this way? What a fool's dream..."

Like Qingyu, Ji Beiye also thought that Yue Feng was commanding blindly.

What?

Just before he finished speaking, Ji Beiye was stunned for a moment, and couldn't help rubbing his eyes, his face was full of astonishment.

This...it's impossible.

It was seen that the defenders of Qizhou City, who were originally besieged in groups, moved quickly under the command of Yue Feng, and actually surrounded Ji Beiye's army of hundreds of thousands.

That's right, tens of thousands of defenders surrounded hundreds of thousands of troops.

For a time, Ji Beiye was completely stunned, thinking that he had read it wrong.

Mad, how is this possible when tens of thousands of people surround hundreds of thousands of people? I have never encountered such a situation in my entire life.

Did it work?

At the same time, Ying Kuang, who was standing above the city gate, was also shocked, his eyes fixed on Yue Feng, with indescribable admiration and excitement.

Sure enough, he did not see the wrong person.

Your Excellency Yue Feng did it, he really did it...

"This..."

And Qingyu, who was beside him, trembled even more, looking at Yue Feng in surprise, full of shock, The brain was buzzing, almost blank, speechless.

The situation turned around, he... how did he do it?

"All soldiers!"

Just when everyone on both sides was shocked, Yue Feng took a deep breath and his voice resounded in the sky: "Counterattack and defend Qizhou City."

The ultimate husband in Chinese chapter 6312

"Defend Qizhou City!"

"Kill!"

"Kill..."

Hearing Yue Feng's majestic voice, all the soldiers in Qizhou City were full of enthusiasm and burst into a shrieking howl, wielding a long knife, and started a counterattack.

"Ah!"

At this time, Ji Beiye's army of hundreds of thousands was surrounded by circles and lost their way. At this time, in the face of the counterattack of the defenders of Qizhou City, they had no power to fight back, and screamed at that time, fell in a pool of blood.

In less than two copies, tens of thousands of people will be wiped out.

Mad!

Seeing this scene, Ji Beiye's eyes were extremely blood red, and his face was extremely ugly. Looking at Yue Feng in the air, he was even more angry.

With just a few simple commands, I have ruined so many soldiers and soldiers. If this person is not eliminated, it will become a serious problem.

In anger, Ji Beiye's eyes locked on Yue Feng: "Who are you? How dare you make a name?"

"Yue Feng!" Yue Feng hovered proudly in the air and responded lightly.

Yue Feng?

Hearing the answer, Ji Beiye frowned and muttered, and then his heart was shocked.

This name sounds familiar, isn't it the person Haotian Your Excellency is looking for?

"Okay! Very good!"

Thinking of this, Ji Beiye took a deep look at Yue Feng, gritted his teeth and said, "This general remembers you." After

saying that, Ji Beiye looked around the audience and shouted: "All generals obey the order, Break through, break through with all your might..."

When he roared, Ji Beiye's eyes were full of unwillingness. Originally, King Shaoyang was not there, and it was a sure thing to capture Qizhou City today, but unexpectedly, a Yue Feng suddenly appeared.

Right now, the army is besieged, and the formation is in complete chaos.

“Break through, break through!”

Hundreds of thousands of soldiers howled and struggled to break through after hearing the order, but they were trapped in the siege, and they couldn't tell the direction one by one.

“Ah...”

For a while, many soldiers died tragically under the swords of the defenders of Qizhou City during the breakout.

Seeing this situation, Ji Beiye didn't have time to think about it. He pulled out his long sword and rushed into the battlefield. As the commander of the Zhenguan Army, Ji Beiye was strong and brave. He would break through a gap in the formation soon.

“Retreat, quickly retreat!” Ji Beiye

's eyes were blood red, and he roared loudly, leading the soldiers to break through the gap.

Looking at the soldiers lying in a pool of blood, Ji Bei's ambition was dripping blood. Ma De, these soldiers, all of whom were cultivated at the border through hard work for so many years, are now damaged by tens of thousands of people here...

In the anger, Ji Beiye saw Nuliha who was following the breakout, and immediately called out: “Nuliha, after you lead the Hu people to break, protect the army to retreat, there is no mistake.”

His own soldiers, but the elite of the elite, Can't be broken any more.

As for these Hu soldiers, they are not their own, so it doesn't matter how many they die.

Swish!

Hearing the order, Nuliha did not agree immediately, his face became cold in an instant, and his heart was even more angry.

Special code, this Ji Beiye really took me for a fool.

Are your subordinates human, and my soldiers, are they beasts? deserve to be killed?

Last night, Nuliha had a lot of complaints against Ji Beiye because of the beauty. At this time, after seeing his order to cut off the Hu people and soldiers, he couldn't bear it any longer.

“Nuriha!”

Seeing that Nuliha was silent, Ji Beiye shouted angrily: “What are you stunned for? You still haven’t executed the military order?” When the

voice fell, Nuliha reacted and smiled coldly: “Ji Beiye, what are you? What do you mean? The Hu people under my command suffered a lot of damage just now, so how did you break them off?”

“You have hundreds of thousands of troops in the siege, only tens of thousands of people have been killed or wounded. If you want to break them, you should also break them off.”

Mad!

Hearing this prosperity, Ji Beiye was furious, locked on Nuliha tightly, and shouted: “Nuriha, you want to disobey?” Ji Beiye was in a bad mood just after the defeat, and now sees Nuliha not executing Order, suddenly angry.

Hehe...

In the face of Ji Beiye’s anger, Nuliha did not panic at all, and chuckled lightly: “Ji Beiye, you are treating us barbarians as fools, me and you are just an alliance, not your subordinates. Want my people to work for you in vain?”

“What do you want to say?” Ji Beiye’s face was gloomy.

The ultimate husband in Chinese chapter 6313

“Hey!”

Nuliha smiled coldly: “Ji Beiye, I have seen your character clearly, we have nothing to say, I will tell you now, we Hu people will cut off the alliance with you from now on. ” In

the future, the road will go halfway to the sky, and we will leave.” The

last word fell, and Nuliha led the Hu people team and quickly broke through and left.

Mad!

Seeing this situation, Ji Beiye’s face became black with anger, and he said fiercely: “Okay, very good, Nuliha, you dare to throw stones at me, and when I sit on the dragon chair, the first ones to destroy are you barbarians, give I’ll wait.”

After saying this, Ji Beiye led his remnants of defeated soldiers and quickly evacuated.

Whoa!

At this moment, the Qizhou city soldiers present cheered.

Winning the battle... In such a situation of disparity in strength, not only did he keep Qizhou City, but he also defeated Ji Beiye's army of hundreds of thousands. This is simply unthinkable.

While excited and excited, many soldiers and soldiers looked at Yue Feng one after another, with admiration and admiration that could not be concealed in their eyes.

The formation of this man is really amazing.

call!

At this moment, Yue Feng was also secretly relieved. Fortunately, these Qizhou city soldiers obeyed the command, otherwise, the consequences would be difficult to say.

With emotion, Yue Feng urged his figure to return to the city gate.

“Your Excellency Yue Feng!”

At this moment, Ying Kuang hurried up to meet him, his face full of excitement and excitement: “It was really wonderful just now, tens of thousands of people actually surrounded hundreds of thousands of people, today's battle will definitely A sensation in the entire Tianxin Continent.”

When speaking, Ying Kuang looked at Yue Feng's eyes, full of praise and admiration.

At the same time, Qingyu also came over slowly, bit her lip lightly, and said to Yue Feng: “Your Excellency Yue Feng, I'm really sorry before, I have always misunderstood you, please don't take offense.

”

In Qingyu's heart, she always thought that Yue Feng was a spy sent by the enemy army, approached Ying Kuang, and infiltrated Qizhou City, with ulterior motives. Until just now, she saw with her own eyes Yue Feng's troops and defeated Ji Beiye's Zhenguan Army. Only then did I realize that I had misunderstood Yue Feng before.

Ha ha!

Yue Feng smiled slightly: “The county master is serious. In such a situation, the county master suspects that I am normal. How can I care?”

Just as he was talking, he saw a palace guard rushing over, his face could not hide the joy: "Your Majesty, the princess, the lord has woken up." That's

great.

At this moment, both Ying Kuang and Yue Feng were excited.

Immediately, Ying Kuang smiled and said, "Quickly return to the palace and hold a celebration banquet."

..... On the

other side.

Ji Beiye led the remnants of the defeated generals and fled for dozens of miles all the way, making sure that there were no chasing troops behind, and then set up camp in a valley.

Half an hour later, Ji Beiye sat in the tent, drinking suffocating wine alone.

Originally, he was able to capture Qizhou City today and have a feast for the celebration. Who knew that a Yue Feng suddenly appeared and made him feel ashamed. What is even more disgusting is that Nuliha actually led the Hu people to openly rebel.

boom!

The more Ji Beiye thought about it, the more angry he became. Finally, he clapped the table and called his personal guard: "Quick, hurry up and rush back to the imperial capital immediately, and ask Your Excellency Haotian to discuss important matters."

Because of his special status, Haotian did not follow Ji Beiye's Zhenguan Army to attack Qizhou City, but stayed in the Imperial Palace to practice and recuperate.

When saying this, Ji Beiye's eyes flashed coldly.

Today, Qizhou City can be saved entirely by Yue Feng. As long as Your Excellency Haotian takes action and controls Yue Feng, everything will be solved.

"Yes, General."

After receiving the order, the personal guard did not dare to neglect, and immediately took people to the imperial capital.

...

On the other side, the mainland of Kyushu.

In the palace of the Rakshasa clan, Nalan sat happily in the pavilion in the back garden, staring blankly at the sky.

After a few days of rest, Nalan Xinran's injury was completely healed, but she was in a low mood. Ever since she lost the jade that Gone's remnant soul transformed into, her heart has been empty.

"Auntie!"

Just as he was in a daze, he heard a clear call, and then, Nalan Wushuang and Tie Bowen came over.

Seeing them, Nalan Xin Ran reluctantly showed a smile.

When she got to the front, Nalan Wushuang hugged her arm and shook it gently: "Aunt, why are you so unhappy, are you not used to being here?"

Because of his love with Tie Bowen, Nalan Wushuang has adapted to the Rakshasa The customs and environment of the clan, I also hope that my aunt can stay here at this time.

After all, the Nalan family no longer exists, and there is no need to return to Kyushu.

"I'm fine!" Nalan happily replied softly.

Seeing her appearance, Nalan Wushuang thought for a while, and said with great interest, "Maybe my aunt is a little bored after staying in the palace for a few days. Let's go to the ranch. I heard that the grassland in the ranch is very beautiful.

" When he spoke, Nalan Wu's eyes were full of anticipation.

call!

However, Nalan Xinran was not interested, at that time he breathed a sigh of relief and smiled lightly: "Auntie doesn't want to go, let Bowen accompany you."

After speaking, Nalan Xinran looked at Tie Bowen: "Bowen, that piece Have you found Yu?" While asking, Nalan Xinran's eyes were filled with deep anticipation.

The family is gone, the father is gone, and Wushuang already has support.

In Nalan's heart now, the only thing he cares about is the piece of jade left by Gone after his death. If the jade is gone, I really don't know how to spend the rest of my life... this

...

In response to the inquiry, Tie Bowen and Nalan Wushuang looked at each other, their expressions unable to hide their embarrassment: "Aunt... I sent someone to search all over Kyushu, but there is no news for a while."

"Really!" Nalan She happily responded, her beautiful face was full of disappointment.

At this time, Nalan Wushuang quickly comforted: "Aunt, don't worry, we will definitely help you find..."

Alas...

Before she could finish speaking, Nalan smiled bitterly, shook her head and said, "Finding a small piece of jade in Kyushu is like looking for a needle in a haystack. Forget it, maybe this is God's will.

"Lan Xinran slowly got up and said seriously: "Wushuang, Auntie is leaving. Now that you have support, Auntie is happy for you from the bottom of her heart. I hope you and Bowen will be happy in the future."

Ah?

Hearing this, Nalan Wushuang's delicate body trembled: "Where are you going to go?"

"Where are you going?" Go out for a walk, if there is a chance, my aunt will come back to see you, okay?"

Having said this, Nalan happily stretched out her hand and touched Nalan Wushuang's head, her eyes full of love.

"But..."

Nalan Wushuang's delicate face was full of reluctance, hugging Nalan Xinran's arm tightly: "I think you have been here, accompany me..."

"Fool!"

Nalan Xinran pursed her lips and smiled: "You are going to marry Bowen in the future, so naturally you will stay here. Aunt is different, how can I stay here all the time?"

Hearing this, Nalan Wushuang nodded: "Okay. , Aunty's words, she must come to see me in the future."

Hmm!

Nalan nodded happily, chatted with Nalan Wushuang for a few more words, and left the palace.

After leaving the Rakshasa clan, Nalan happily began to travel around, intending to use this method to dilute the thoughts of Gone, but after traveling a few places, the thoughts in his heart became stronger.

This made Nalan Xinran very painful, and finally found a cave, intending to cultivate and break through the realm.

However, there was always the shadow of Gone in her heart, and she couldn't get rid of the distracting thoughts at all. At the last moment, she failed to break through, giving birth to the fire of inner demons.

Is this his destiny?

At this moment, Nalan happily curled up in the cave, enduring the burning of the karmic fire, her beautiful face was full of despair. Finally closed your eyes slowly.

Just die like this, and you can see Gone when you get downstairs.

Thinking of this, Nalan smiled happily.

Huhuhu...

The fire of karma grew stronger and stronger, gradually covering Nalan Xinran completely.

hum!

Seeing that Nalan Xinran was about to be buried in the raging fire of karma, suddenly, a powerful aura wave came from outside the cave, followed by a low voice.

"Immeasurable Heavenly Venerate!" The

last word fell, and a figure slowly stepped into the cave.

The ultimate husband in Chinese chapter 6315

is an old man.

The old man looked like he was in his seventies or eighties, his hair was silver and his hair was red, his face was full of red light, he was wearing a moon-white Taoist robe, and he was immortal.

It was Lu Dongbin, the former Holy Master of the Holy Sect, who was known as the 'Pure Yang Son' on the rivers and lakes.

Ten years ago, Lu Dongbin established a new holy master because of his visit to the Taoist Church, so he closed himself in the back mountain of Shengzong, and did not leave the customs until half a month ago.

I passed by the neighborhood just now and noticed that there was a situation in the cave, so I came in to investigate.

This...is this a fairy?

At this time, Nalan Xinran was in a daze under the burning of the fire of inner demons and karma. When he saw Lu Dongbin, he thought he had seen an immortal.

Are you already dead?

"The girl is so young, why did she commit suicide like this?"

At this time, Lu Dongbin came to the front, and just glanced at it, he was clear about the situation. You must know that with Nalan's happy cultivation and strength, when he first went into trouble, he was completely able to save himself. .

And she did not save herself, but let the fire of her inner demons burn more and more.

"I..."

Hearing Lu Dongbin's words, Nalan happily opened her red lips, but only said one word, because of the pain all over her body, she couldn't continue.

Lu Dongbin didn't ask any further, and sighed softly, "Forget it, you and I are destined to save you once."

Om!

This chapter is provided by . Visit for daily update.

As soon as the words fell, Lu Dongbin sat cross-legged behind Nalan Xinran, running the Daomen Xuangong to help her drive away the karmic fire of her inner demons.

Time passed by minute by minute.

I don't know how long it took, Nalan Xinran's inner demon karma finally extinguished, and after experiencing all this, she was also mentally and physically tired, and fell to the side and fell asleep.

Lu Dongbin did not leave, but quietly guarded him.

"Hmm..."

I don't know how long it took, Nalan happily uttered a soft moan, Yoyo woke up, opened his eyes to see Lu Dongbin, was stunned for a moment, but quickly reacted.

Although Nalan Xinran was groggy before, he also knew that the Taoist senior in front of him had saved him.

The next second, Nalan let out a sigh of relief and said gratefully to Lu Dongbin, "Thank you for saving your life, Senior."

Phew!

Lu Dongbin breathed a sigh of relief and smiled: "Everything is fate, no need to thank you."

Nalan nodded happily. Seeing his demeanor was out of the dust, he couldn't help saying: "Dare to ask the senior's name." The whole river and lake can have such a gas field. Daomen seniors, I am afraid there are no more than three people.

"Lu Dongbin!" Lu Dongbin replied with a slight smile.

What?

Hearing this, Nalan's body was shocked, and the whole person was completely awake.

Is he the famous Daoist master in Kyushu, senior Lu Dongbin?

Shocked, Nalan couldn't help but said: "It turns out to be Senior Chunyang." Lu Dongbin's name is Chunyangzi, so naturally he should be honored as Senior Chunyang.

Lu Dongbin nodded and asked: "Just now you let the fire of your inner demons burn, and you asked for death with all your heart. Why is this?"

Facing

the question, Nalan bit his lip lightly, and his heart was complicated. know how to answer.

Lu Dongbin had insight into the secret, and when he saw her appearance, he vaguely guessed something. At that time, he smiled and said, "If Pindao guessed correctly, but because of love?"

Nalan Xinran was very embarrassed when his mind was guessed. red.

But soon, Nalan calmed down with pleasure: "He is dead and no longer exists, but his death has something to do with me, so I have been brooding about it, and I can't let it go."

Well!

Lu Dongbin nodded and said slowly, "Let it go or not, and everything will follow naturally."

Hearing this, Nalan happily recited it a few times in his heart, as if he understood something, but if he didn't understand something, he couldn't help but say "Senior, if everything follows nature, what is the ultimate meaning of a cultivator?"

Lu Dongbin smiled and said, "To understand all beings, the universe!"

Nalan nodded silently with pleasure, and was silent for a moment, then bowed to Lu Dongbin Yingying. .

"The little girl Nalan is pleased. Today I want to worship the senior as a teacher, and I beg you to take me in." Nalan knelt there happily, looking up at Lu Dongbin, her beautiful face full of sincerity.

She didn't want to be immersed in the pain of missing Gone all the time, so she wanted to follow Lu Dongbin and comprehend the Taoist classics, so that she could spend the rest of her life.

The ultimate husband in Chinese chapter 6316

Huh?

Hearing this, Lu Dongbin was stunned for a moment, and then he couldn't help laughing: "Pindao has already stopped accepting apprentices. The karmic fire in your body has been completely eliminated, let's meet again by fate." The

last word fell, Lu Dongbin Turn around to leave.

Nalan Xinran was stunned for a while, and hurriedly said: "Senior stay."

Lu Dongbin stopped and looked back at her with a smile: "Is there anything else?"

“Senior!”

Nalan Xinran took a deep breath, bit her lip and said: ” My family no longer exists, and I really don’t know where to go. If senior doesn’t take it in, I really don’t know where to go.”

“Senior, I really want to enter the Dao sect, please complete it.”

After saying this, Nalan was pleased Bow down again.

Phew...

Seeing his sincere expression, Lu Dongbin breathed a sigh of relief and pondered.

After a few minutes, Lu Dongbin walked over slowly, nodded and said, “Okay, we can meet in this barren mountain, it’s a fate, the poor road will accept you as a disciple.”

Seriously, how many Lu Dongbin She hasn’t accepted apprentices for years, but Nalan in front of her is so sincere and sincere, and she has good aptitude. If she can concentrate on practicing Taoism, she will definitely achieve something in the future.

Great.

Seeing that Lu Dongbin finally agreed, Nalan smiled happily and hurriedly bowed down: “Thank you, senior.”

“You still call me senior?” Lu Dongbin said with a smile.

Nalan Xinran quickly changed his words: “Master, please accept the apprentice’s worship.”

“Okay!”

Seeing her so well-behaved, Lu Dongbin was in a good mood. He raised his hand and said, “There is not so much commonplace etiquette in our Taoist sect. Get up.” The moment he raised his hand, Lu Dongbin performed the Taoist profound art.

Huh...

Nalan Xinran only felt an invisible force dragging her to stand up. At the time, she was shocked and emotional. According to the rumors, Lu Dongbin was like a living immortal.

“Let’s go!”

Just when Nalan Xinran was secretly shocked, Lu Dongbin said lightly, and walked out of the cave first, his figure floating.

Nalan quickly followed and asked, "Master, where are we going?"

"Nowhere, no where to go, where do we go."

"Well!"

..... the

other side , Zhongzhou City.

The weather is nice and sunny today.

In the garden behind the villa, Zhu Bajie accompanied Gonggong on a walk along the cobblestone path.

Gonggong felt much better since Shennong helped to relieve the miscarriage. Now that she was ten months pregnant, her belly was round and she was about to give birth. In this case, Zhu Bajie naturally had to take care of her carefully.

And behind them, is a medical team of dozens of people, quietly waiting for orders.

When Zhu Bajie became a father for the first time, he was both excited and apprehensive. In order to ensure the safe birth of the child, he specially paid a lot of money to invite a medical team to guard the villa 24 hours a day.

"Wife!"

At this moment, Zhu Bajie said with a smile: "The doctor said that the delivery period will be in these two days, so we have to be careful."

Hearing this, Gonggong couldn't help but give him a look, and said angrily, "You only worry about the child. My situation doesn't matter at all, right?"

Gonggong was originally a perverse personality, but after becoming pregnant, he became even more eccentric. Unpredictable and very irritable, this gave Zhu Bajie a headache.

"How could that be?"

At this moment, Zhu Bajie said quickly, "Look at what you said, you are my wife and are as important as children. How could I favor one over the other?"

Gonggong snorted and said coldly, "Don't stay here. The hippie and smiling faces in front of me are all the same as you men, and you can't hold back when you have children, especially you, Zhu Bajie, who is romantic and merciful at all times."

"I tell you, if you let me know, you will be out with flowers again. To make trouble, when the time comes, I will take the child and walk so far that you will never find it for the rest of your life."

Uh...

Hearing this, Zhu Bajie was very depressed: "How is this possible? I am Zhu Bajie. Is Bajie that kind of person? In the future, you and your children will be the main focus, I..."

Just halfway through, Gong Gong's brows were furrowed, and his delicate face couldn't hide the pain.

The ultimate husband in Chinese chapter 6317

Zhu Bajie was taken aback, and quickly said: "Wife, what's wrong?"

"I..."

Gong Gong covered his belly, his voice trembling: "I seem to... I'm about to give birth..."

Hearing this, Zhu Bajie was both excited and nervous, and hurriedly called to the medical team behind him: "Quick, help Madam to the delivery room, quick..."

Great, finally giving birth.

Crash....

The voice fell, and the medical staff behind hurriedly gathered around, carefully carrying Gonggong to the delivery room on the second floor. Zhu Bajie quickly followed behind.

Soon, Gonggong was sent to the delivery room, and Zhu Bajie stood in the living room outside, waiting anxiously, almost fidgeting.

Time passed by minute by minute.

Squeak.

Finally, two hours later, the door of the delivery room opened, and the female doctor came out slowly.

“Doctor!” Zhu Bajie was refreshed and hurried up to meet him, with an urgent look on his face: “How is the situation? Has my wife given birth?”

“Very well!” The

female doctor nodded and said to Zhu Bajie, “Congratulations It’s a boy.”

This chapter is provided by . Visit for daily update.

Hearing this, Zhu Bajie was overjoyed, and immediately laughed: “Haha, that’s great, I have a son again, Zhu Bajie.”

However, the female doctor was hesitant to say anything.

The child was born very smoothly, but it was a little different. Generally, children would cry when they were born, but this child was very calm, not only that, but also quietly staring at the birth doctor.

Moreover, that kind of eyes is not as pure and innocent as other children, but it gives people a feeling that cannot be said.

The female doctor is also experienced and has delivered many children, but this is the first time I have encountered such a situation.

“Haha...”

At this time, Zhu Bajie was immersed in great joy and did not give the female doctor a chance to describe, and said very boldly: “The doctor has worked hard, I have prepared a red envelope, I must laugh at it. Ah.”

Having said that, Zhu Bajie handed a bank card without a password to the female doctor’s hand, and couldn’t wait to enter the delivery room.

In the delivery room, where Gong Gong was lying, because he had just given birth, his delicate face couldn’t hide the tiredness, but as a new mother, he couldn’t hide the joy.

The newborn baby is in the crib next to it.

call!

At this moment, Zhu Bajie took a deep breath and smiled at Gonggong: “Wife, it’s been hard work.” After saying that, he walked slowly to the crib.

I can see that the child is chubby, handsome and delicate, and he must be a handsome boy who is popular with thousands of girls when he grows up.

“Hehe!”

Zhu Bajie looked at it carefully and couldn't help laughing: “It's not bad that it's my Zhu Bajie's son, the foundation is good.”

When talking, Zhu Bajie liked it more and more, and the child was quiet. Staring at him silently.

“Beautiful!”

Where Gong Gong was lying, he couldn't help spit when he heard his words: “The child has grown up, it's better not to be like you.” After saying that, he propped himself up to look at the child.

Zhu Bajie scratched his head, smiled, and continued to look at the child.

“Cuckoo...”

The child seemed to be very curious about this world. He looked at Zhu Bajie and Gonggong, and then let out a crisp laugh, his hands and feet fluttering happily.

Zhu Bajie and Gonggong were both mothers for the first time, and they didn't notice anything unusual at this time. Instead, they were very happy to see their children like this.

Um?

However, at this moment, Zhu Bajie discovered something, and was stunned for a moment.

I saw that when the child fluttered, he kicked the quilt away, and saw a strange mark on his heart. Gong Gong also saw it, and immediately picked up the child and looked at it carefully.

I saw that the mark on the child's heart was vaguely a shape similar to gossip.

Zhu Bajie took a closer look and couldn't help but mutter to himself, “What is this, is it a birthmark?” Strangely, it turned out to be in the shape of a gossip.

“Otherwise?”

Gonggong said angrily: “It's not a birthmark, could it be painted on?” When he spoke, Gonggong sensed something, and his delicate face showed a bit of complexity.

She clearly sensed that there was a very strange power fluctuation in the child's body.

“What’s wrong?” Seeing her look different, Zhu Bajie couldn’t help but ask.

Gonggong’s red lips parted lightly: “There seems to be a power hidden in the child’s body.”

What?

Hearing this, Zhu Bajie was stunned for a moment, and then quickly took over the child to sense it. Sure enough, he sensed a special power fluctuation in the child’s body.

After being stunned for a few seconds, Zhu Bajie thought of something and said indifferently: “Perhaps, it was the power of the beast soul that the old Shennong merged into.”

As he spoke, Zhu Bajie hugged the child and said proudly: “Haha, you have such a strong inner strength at birth, and you will get twice the result with half the effort when you practice in the future.”

Hearing this, Gong Gong was no longer worried, and a smile appeared on his face.

At this time, neither of them knew that the power in the child’s body was not the power of the beast’s soul, but the power of the demon soul left by Gone. Not only that, the mark on the child’s heart was not gossip, but a demon The seal of honor.

It symbolizes the unique imprint of Demon Venerable, which is similar to gossip, but if you distinguish it carefully, there are still some differences.

However, at this time, Zhu Bajie and Gonggong had preconceived the idea that the child was born with extraordinary abilities, and did not think deeply at all.

“Wife!”

Zhu Bajie hugged the child for a while, and said excitedly: “Our child is destined to be extraordinary, and we will find him a good master in the future.”

“That’s natural.” Gong Gong nodded in approval. .

“Let me think about it.”

Zhu Bajie pondered for a while, and said slowly: “The child has a gossip mark in his heart, maybe he has a relationship with the Taoist school, and he will find a master for him in the Taoist school in the future.

” There are many sects in the middle school, who should I look for?”

Seeing him chattering non-stop, Gonggong was both angry and funny, he couldn't help saying: "Okay, don't think so far, quickly put down the child, don't catch a cold ."

"Look at me, I almost forgot!"

Zhu Bajie reacted and quickly put the child into the crib.

...

On the other side, Tianxin Continent.

At this time, it was late at night, and Ji Beiye was sitting in the tent of the camp, his face full of anxiety, without the slightest drowsiness.

Two hours ago, he sent his subordinates to the imperial capital to deliver the letter, and he didn't know if Your Excellency Haotian would come to help when he got the news.

"Bring the wine!"

Ji Beiye and the others were anxious and couldn't help shouting outside.

hum!

As soon as the voice fell, he sensed a strong aura fluctuation outside the tent, and then, a tall and handsome figure slowly approached the tent.

It is Haotian.

"Haha!"

Ji Beiye was overjoyed when he saw Haotian, got up and laughed and said, "It can be said that you are looking forward to it." As long as Haotian is willing to take action, it is no problem to break Qizhou City.

Haotian remained calm and said indifferently, "You sent someone to tell you that there is something important?"

Haotian was very unhappy when he spoke. In the Imperial Palace, he was disturbed at a critical moment in his practice, and at this time, he naturally had no good face towards Ji Beiye.

"Of course!"

Ji Beiye smiled and said mysteriously: “Your Excellency Haotian, the general Yue Feng you mentioned earlier has already found his whereabouts.”

Shuh!

Hearing this, Haotian’s face froze, and he almost blurted out: “Where is the person?”

Ji Beiye took a deep breath and said slowly, “It’s in Qizhou City.”

“You are sure.” Haotian narrowed his eyes and seemed a little disbelieving. Although Ji Beiye had hundreds of thousands of troops, he had to find someone in the entire Tianxin Continent. , is not an easy task.

“How dare I deceive Your Excellency?”

Ji Beiye said with a smile: “This person is in Qizhou City, and has already taken refuge with King Shaoyang, Ma De, speaking of this Yue Feng, if it weren’t for him, this general would not have been defeated. ...”

In the next ten minutes, Ji Beiye explained the situation of the siege during the day in detail.

It’s really him.

Knowing the situation, Haotian’s eyes flickered, and his heart was indescribably excited.

Can use tens of thousands of people, trap hundreds of thousands of people, win more with less, who else can be except Yue Feng?

At this time, Ji Beiye continued: “Your Excellency Haotian, please...”

Whoosh!

Before the words were finished, Ji Beiye had a flower in front of his eyes, and there was no figure of Haotian.

In an instant, Ji Beiye was stunned, but he couldn’t wait for a long time, this speed...it’s too fast.

...

On the other side, Qizhou City.

Although it was late at night, the palace of Shaoyang was brightly lit.

Under the command of Yue Feng during the day, the Qizhou City defenders defeated Ji Beiyue's army, and the morale of the entire Qizhou City was greatly boosted.

Ying Kuang was very excited, and held a celebration banquet at the palace that night.

At this time, in the hall of the palace, everyone sat in order, all with smiles on their faces.

"Your Excellency Yue Feng!"

At this time, Ying Kuang sat on the main seat, took a cup of tea, and said to Yue Feng: "Your Excellency Yue Feng has made a great contribution to defeating the enemy recently. I still don't know how to drink alcohol, and now I'll use tea instead of water, and toast to you."

Yue Feng smiled slightly: "Your Majesty is polite."

Saying that, Yue Feng picked up the glass and drank it all.

At this time, the generals present also raised their glasses to Yue Feng, especially King Shaoyang, because he had just woken up, his face was still a little weak, but he couldn't hide his excitement.

"Your Excellency Yue Feng, I'll give you a toast too!"

"And I..."

Facing the enthusiasm of the crowd, Yue Feng refused to come and drank more than a dozen glasses in a short while.

"Okay!"

At this moment, King Shaoyang slowly stood up and said to the surrounding: "Everyone, please be quiet first, don't be busy toasting Your Excellency Yue Feng, this king wants to say something important. "The

voice fell, everyone closed their mouths one after another, and the whole hall was silent.

King Shaoyang looked at Yue Feng and said with a smile: "I discussed with Your Majesty just now that I would like to invite Yue Feng to serve as a military advisor. I don't know your Excellency Yue Feng, what do you think?"

Shuh!

At this moment, the eyes of the entire hall all converged on Yue Feng.

If someone else was appointed as a military adviser, everyone might have objections, but Yue Feng was different, and he was fully qualified to serve. After all, Yue Feng commanded the army during the day and defeated the Zhenguan army of hundreds of thousands of Ji Beiye. Everyone has seen it.

What the fuck...

Facing the attention of everyone and the expectations of King Shaoyang, Yue Feng instantly sobered up a lot.

Speaking of which, helping Qizhou City against the enemy during the day was just a temporary move, and he never thought of staying in Qizhou City forever. At this time, facing the invitation of King Shaoyang to serve as a military advisor, Yue Feng's heart suddenly became complicated.

boom!

Just when Yue Feng was hesitating, he heard a loud noise from outside, the gate of the palace was smashed abruptly, and several guards of the palace were also killed on the spot and fell in a pool of blood.

what's the situation?

Hearing the movement, everyone in the hall was shocked and stood up one after another.

King Shaoyang was even more furious: "What's the situation?"

As soon as he finished speaking, a palace guard ran in quickly, his face full of horror: "No, a man has come in, his strength is unfathomable, and the guards are completely blocked. Do n't stop."

What?

Hearing this, everyone reacted in shock and anger.

who? I just ate the guts of a bear and a leopard, and dared to break into the palace?

"You're brave!"

King Shaoyang was even more furious. He took a deep breath and said to Ying Kuang, "Your Majesty stay here first, and this king will take someone to see it." The voice fell, and King Shaoyang walked out first. hall.

Whoops...

the soldiers followed.

Yue Feng hesitated for a moment and followed.

Huh....

When they got outside, everyone in King Shaoyang was stunned when they saw the scene in front of them.

I saw that in the mid-air, a figure was quietly suspended, dressed in a black long gown, with a cold face, and an unfathomable aura pervaded his body.

The gate of the palace was completely in ruins, and the corpses of more than a dozen palace guards lay on the ground, all of them bloody and breathless.

Seeing this situation, King Shaoyang was both angry and shocked.

Who is this person? The strength is so powerful.

Holy crap... how is he?

And Yue Feng, who followed him, was shocked when he saw the figure in the air.

The person who came was the God King Haotian.

Yue Feng thought that the God King Haotian was transported to another world by the Chaos Vortex, but he never thought that the other party was also in this Tianxin Continent.

Swish!

Just when Yue Feng was stunned, Haotian God King also found him, his cold face changed several times, and finally said coldly: "Yue Feng, you are really here."

Hearing this, Yue Feng calmed down. , took a deep breath and said: "Yeah, it's really a narrow road for the enemy." When he spoke, Yue Feng's face was indifferent, but his eyes flashed with anger.

When he thought of Ao Lin's tragic death at the hands of Haotian, Yue Feng couldn't help himself.

The ultimate husband in Chinese chapter 6320

At this time, King Shaoyang also reacted and glared at Haotian: "Who are you? Dare to break into the palace and kill the king's people?"

When he spoke, King Shaoyang was very angry.

However!

Haotian didn't seem to hear King Shaoyang's angry shout, he didn't even look at him, his eyes just stared at Yue Feng.

In Haotian's heart, even if the other party is a prince and dominates one side, he is just an ant...

shuh!

Seeing that the other party was so arrogant, King Shaoyang's face instantly became ugly, and the anger in his heart rose.

"So bold!" In the

next second, Hou Biao, the captain of the palace guards, strode out and glared at Haotian: "Dare to be disrespectful to the prince, and seek death."

Om!

The voice fell, Hou Biao's strength exploded, he rose into the air, holding a long knife tightly, and slashed towards Haotian fiercely. Hou Biao was a seventh-rank powerhouse. Distorted, the power is amazing.

However, Haotian's expression remained unchanged, and there was even more disdain in his eyes.

"Shameless ants." The

cold words came out of Haotian's mouth, and then slowly raised his right hand.

Seeing this scene, Yue Feng's face changed, and he hurriedly shouted at Hou Biao: "Captain Hou, don't be impulsive, come down quickly..." At the same time, Yue Feng wanted to rush over to stop it.

But it was too late.

laugh!

Before Yue Feng could finish a sentence, he saw a terrifying force condensing in the night sky, and then, a dazzling golden light burst out from Haotian's hands.

Jin Mang was as fast as lightning, and Hou Biao couldn't react at all, and was directly hit.

"Ah..." The

next second, accompanied by a roar, Hou Biao let out a scream, and the whole person was shocked and flew out. The blood sprayed like a rain of blood, and flew more than one hundred meters away. at the door of the hall.

When he landed, Hou Biao was bloody and out of breath.

What?

Seeing this scene, whether it was King Shaoyang or the other generals around, they were all shocked, and they couldn't help gasping for air.

Is this man so terrifying?

With just one move, he killed Hou Biao of the seventh-rank realm?

Especially the King of Shaoyang, while shocked, the anger in his heart also reached the extreme.

This person is really arrogant. He went straight to the palace and killed people in front of him. He was simply lawless.

Finally, King Shaoyang reacted, raised his right hand, and was about to summon the guards, but he was stopped by Yue Feng before he could speak.

"My lord!"

At this moment, Yue Feng looked solemn and said slowly: "The opponent's strength is far beyond your imagination, don't let your subordinates die again, this is a personal grievance between me and him, let me solve it myself.

" !

Hearing this, King Shaoyang took a deep breath. Although he was very angry, he finally nodded.

Yue Feng no longer hesitated, and leaped deep into the air, staring at Haotian: "I didn't expect that you were also transported to this Tianxin Continent. It seems that this is God's will, and I want to kill you with my own hands and avenge Ao Lin. "

Revenge?

Hearing this, the corner of Haotian's mouth twitched into a sinister smile: "It's too early to say this now, it's not necessarily who will live or die recently." The

last word fell, Haotian's figure flashed, and he went straight to Yue Feng came, as fast as thunder.

This speed....

Feeling the speed of Haotian, the King of Shaoyang below, and the surrounding generals are all shocked.

Yue Feng didn't change his face, he didn't panic at all.

"Bang!" In the

next second, Yue Feng raised his hand and collided with Haotian's palm. He heard a roar, the entire night sky distorted instantly, and a terrifying power fluctuation swept the entire palace.

In the roar, Yue Feng and Haotian were both shaken by their figures, and then they were shaken back by the volley at the same time.

Obviously, no one took advantage of this palm-to-hand encounter.

Seeing this situation, everyone in King Shaoyang looked horrified and retreated subconsciously. At the same time, they were also very curious.

"Your Excellency Yue Feng's strength is so powerful?"

"Yeah, and this person, his strength is also very terrifying..."

"Their strength, I am afraid they have passed the realm of hearing Taoism, but they were in Jianghu before. Why have you never heard of their rumors?"
