

The ultimate husband in Chinese chapter 6331-6340

Thought, Yue Feng looked surprised, and said to Liu Yulei: "Oh, girl, what's wrong with you? Why are you sweating so much all of a sudden?"-63

"Are you too tired to practice swords just now ? I'm not telling you, how can you find a living person as a target when you practice swordsmanship?"

When he said this, Yue Feng's face was serious, but he was secretly laughing.

"You..."

Hearing Yue Feng's serious lecture, Liu Yulei was very embarrassed and shouted: "You... you shut up..." This man is just a pariah who escaped. It's really abominable to even make irresponsible remarks to me.

Ha ha!

Facing the scolding, Yue Feng looked helpless, and sneered secretly in his heart, and said, "Okay, okay, I won't talk anymore."

He was trapped by the formation, and he was still arrogant? Well, then you can enjoy it slowly.

Liu Yulei ignored him and secretly urged her energy to resist the heat wave around her. However, the power of the formation was not something she could contend with. The more she resisted, the stronger the surrounding heat.

How could this be?

For a time, Liu Yulei almost remembered to cry.

Is it because the swordsmanship that he practiced was not skilled enough, and he forced the use of it just now to change the surrounding environment? That's not right.... I am only a rank six strength, and I haven't reached the realm of changing the surrounding environment....

The more Liu Yulei thought about it, the more anxious she became. She didn't realize that she was trapped in a formation, and this formation, it was the so-called 'untouchables' in front of her who deployed it.

Chi Chi...

Finally, the scorching heat around her became stronger and stronger, and she saw that Liu Yulei's long skirt was instantly burned, and her charming curves were suddenly exposed without any concealment.

This chapter is provided by . Visit for daily update.

Because of the scorching hot breath around, the skin was completely scalded red....

Gudong...

Seeing this scene, Yue Feng was stunned for a moment, and he couldn't help swallowing secretly, and he couldn't help feeling emotional.

Although this woman is bullying and disgusting, I have to say that this figure is really top-notch and can be called the best.

Muttering in his heart, Yue Feng stared unblinkingly, silently appreciating it.

Swish!

At this time, Liu Yulei was already depressed because her long skirt was burnt down, but when she noticed Yue Feng's gaze and kept staring at her, she was so angry that she said coldly, "You untouchable, close your dog's eyes. ..."

Although he is not a golden branch and a jade leaf, he is also pure and clean, especially under the protection of the master, in the entire Mingyuemen, no one dares to bully him, but at this time, he is looked down upon by this pariah.

This feeling is even more disgusting than eating a fly.

Nima!

Feeling Liu Yulei's contempt and anger, Yue Feng was also a little angry, and said with a half smile: "You girl, you are really unreasonable, your clothes are on fire, and I didn't order them. How can you curse?"

"I didn't mean to look at it, let's say it again, I just took a look without losing a piece of meat."

After speaking, Yue Feng looked up and down Liu Yulei, and looked even more wanton.

"You're courting death..."

Facing Yue Feng's provocation, Liu Yulei was about to explode with anger. When the attack was activated, a mouthful of blood spurted out.

The pariah looked at me and said nasty things.

What a shame.

At this time, Liu Yulei wanted to slash Yue Feng with a thousand knives, but was suppressed by the scorching hot air around her.

“Aiya!”

Seeing her vomiting blood, Yue Feng couldn't bear it, and said, “Miss, you are not young, but your temperament is not small, and you can't protect yourself. If you want to kill me, I think you should take care of yourself. “

You...”

Hearing this, Liu Yulei's eyes turned black and she almost fainted.

But Yue Feng wasn't finished, he picked up a few branches from the ground and threw them in front of Liu Yulei: “Good girl, it's not good for you to be seen like this, hurry up and cover it with branches.”

When he spoke, Yue Feng's eyes were full of teasing.

“Get out, get out.”

Liu Yulei's face flushed with anger, and she kept scolding: “Wait, sooner or later I will tear you into pieces.” She is a noble disciple of Mingyuemen, how can she use it? Branches cover....

This pariah is really deceiving.

The ultimate husband in Chinese chapter 6332

“Whoops?” Yue Feng was stunned, and exaggeratedly said: “I'm kind enough to help you hold something to block it, if you don't appreciate it, you still scold me...”

“Okay, if that's the case, then you Just stay here, I can go.” After the

last word fell, Yue Feng was about to turn around and leave.

Whoosh!

However, at this moment, a figure came quickly from a distance with an arrogant expression, it was the disciple of the first elder, Tong Shan.

Tong Shan passed by here just now, and when he heard the movement in the woods, he came to check it out of curiosity.

“What happened?”

Soon, Tong Shan entered the woods, and his eyes instantly locked on Yue Feng: "Why are you here?" Because Liu Yulei was trapped in the formation, Tong Shan hadn't found out yet.

"Of course it's a walk." Yue Feng looked indifferent.

call!

At the same time, Liu Yulei was very nervous. If she was like this, if she was seen by Senior Brother Tong Shan, how would she see others in the future?

Anxious, Liu Yulei wanted to hide, but her body was limp, and she lost the strength to walk.

It was at this time that Tong Shan saw Liu Yulei.

Hiss...

In an instant, as soon as Tong Shan's eyes fell on Liu Yulei, the whole person was stunned, and he couldn't help taking a deep breath.

This chapter is provided by . Visit for daily update.

She saw Liu Yulei's body was completely uncovered, her perfect curves were exposed in the air, and her delicate face was full of shame, anger, tension, and despair.

Seeing Tong Shan seeing herself, Liu Yulei closed her eyes and wanted to die.

It's over, now his innocence is completely ruined.

At the same time of despair, Liu Yulei thought of something, and stared at Yue Feng fiercely, wishing to peel him off. It's all him, all this pariah, if it weren't for him, I wouldn't be so embarrassed.

call!

Tong Shan watched for more than ten seconds before he regained his senses. He took a deep breath at that time and couldn't help but secretly marveled.

Junior Sister Yulei has always been one of the female disciples of Mingyue Sect, a notoriously cold and arrogant beauty. I didn't expect her figure to be so charming. If she could enjoy it once, it would be worth dying.

For a while, Tong Shan's thoughts came to his mind.

Speaking of which, Tong Shan is very lecherous. Most of the female disciples in Mingyuemen have been disturbed by him, but this Liu Yulei is the beloved disciple of the second elder, and the second elder and the first elder have always had a good relationship, so Tong Shan is right. Liu Yulei has always had a coveted heart, but she did not dare to take action.

But at this time, seeing Liu Yulei so embarrassed, Tong Shan knew that the opportunity was coming.

“Junior sister...”

At this time, Tong Shan’s eyes turned, and he looked very surprised, and said with concern: “You... what is your situation? How did you get it like this?”

” She couldn’t help but stare at Liu Yulei.

“Senior brother...”

Tong Shan’s gaze made Liu Yulei feel uncomfortable and a little unhappy in her heart, but when she heard the question, she couldn’t help but feel aggrieved: “I just practiced swordsmanship again, and I don’t know how it happened. ...”

Said, Liu Yulei picked up the branch in front of her and covered her body.

Practicing swords?

Hearing the answer, Tong Shan was stunned, and his mind was full of question marks.

Can you train yourself like this with swordsmanship? It’s the first time I’ve met him when I’ve grown up so much.

Hehe...

At this moment, Yue Feng scratched his head and smiled at Liu Yulei: “Since your senior brother is here, then I’ll leave, you have to remember in the future, don’t be impulsive, don’t take other people’s lives as your own. It’s the matter.” The

last word fell, Yue Feng quietly removed a branch on the ground, destroyed the formation, and then turned to leave.

Although this Liu Yulei is hateful, the lesson has already been taught, and there is no need to keep her trapped.

However, hearing this, Liu Yulei’s heart aroused, how could he let him leave safely? At that time, he shouted at Tong Shan: “Senior brother, help me kill him, this man...he wants to plot against me...” At the

end of the story, Liu Yulei looked at Yue Feng, full of resentment.

This person saw all of me and wanted to walk away. There is no such easy thing in the world...

huh!

Hearing this, Tong Shan's eyes instantly locked on Yue Feng, and he said coldly, "You're not too timid to actually hit my junior sister's attention, go to hell."

The ultimate husband in Chinese chapter 6333

He is eager to perform in front of Liu Yulei, and naturally he will not miss such a good opportunity.

hum!

When the last word fell, Tong Shan's strength exploded, he pulled out his long sword and rose into the air, heading straight for Yue Feng.

Seeing Tong Shan's move, Liu Yulei's delicate face showed a bit of revenge. Senior brother shot, this pariah will surely die.

This pariah dares to reason with me, he really doesn't know whether to live or die.

"Oops!" Seeing Tong Shan burst out, Yue Feng made a panicked look and shouted

, "This is a misunderstanding, I didn't bully her, how can I do it..."

With that said, Yue Feng ran away.

To be honest, with Yue Feng's strength, it was easy to defeat Tong Shan, but in order not to reveal his identity, Yue Feng held back.

"Run?"

Tong Shan was too lazy to talk nonsense, and said coldly: "Boy, you can't run away today, you insult my junior sister's innocence, and you must die today." The voice fell, Tong Shan accelerated, and a sword stabbed towards Yue Feng's heart.

This sword is extremely fierce, and if it is an ordinary person, it will be pierced immediately on the spot.

However, Yue Feng was different from ordinary people. At this time, he couldn't explode the power of his primordial spirit, but he secretly used his footwork and fell forward to the ground, dodging the sword.

At the same time, Yue Feng pretended to be very flustered and kept shouting: "Someone, you're going to kill..."

Mad!

This chapter is provided by . Visit for daily update.

Tong Shan was very annoyed with a sword stabbing in the air. In his opinion, Yue Feng accidentally stumbled and avoided the sword just now. He was completely lucky.

After cursing, Tong Shan clenched his long sword and stabbed towards Yue Feng again.

At the same time, Tong Shan did not forget to shout at Liu Yulei in the woods: "Junior sister, don't panic, I will come back to save you after I kill this lecher for you."

"Thank you, brother." Liu Yulei bit her lip and responded.

Whoosh!

At this moment, a slender figure came quickly from not far away.

It was Li Suqiu.

Yue Feng walked out of the small courtyard and hadn't returned for nearly two hours, so Li Suqiu came out to take a look.

At this time, Li Suqiu saw from a distance that Tong Shan was going to kill Yue Feng with his sword. At that time, his pretty face changed and he scolded: "Stop!"

Om!

As soon as the words fell, Li Suqiu stood up, flew quickly, and slapped the back of the sword with a palm. At that time, Tong Shan only felt a strong force coming, and he couldn't hold it in his hand, and the long sword fell to the ground.

Damn it!

Seeing Li Suqiu appear, Liu Yulei bit her lip tightly, indescribably annoyed.

Seeing that this pariah was about to die under the sword, at a critical moment, Li Suqiu came....

At the same time, Tong Shan also had a gloomy face, and said coldly to Li Suqiu: "Elder Li, you can really do it, bring back one. Shameless scum, you have to stand up for him now?"

Shameless scum?

Hearing this, Li Suqiu frowned lightly: "What do you mean?"

After saying that, Li Suqiu looked back at Yue Feng and said softly, "What the hell is going on? Why did Tong Shan want to kill you?" In her impression In the middle, Yue Feng is just a fleeing commoner, and he speaks and behaves very politely. What's the matter with the shameless scum?

"Master, what's the situation?"

At this moment, Lin Ping also walked over.

When she got to the front, Lin Ping saw Tong Shan with a gloomy face, and then looked at Yue Feng, who was in a state of embarrassment. She guessed that Yue Feng was in trouble, and immediately blamed: "What's the matter with you? I told you before. , you are still in trouble."

Lin Ping has always had a bad impression of Yue Feng, so subconsciously, she thought it was Yue Feng's fault.

This silly girl!

Facing Lin Ping's accusation, Yue Feng shook his head secretly, but ignored it at the time.

"Elder Li, you are here." In the

next second, Yue Feng pretended to wipe the sweat from his forehead and complained to Li Suqiu, "I was just walking here, and I didn't bother anyone, but the female disciple wanted to take it. I was a wooden figurine target, but there was a problem with my own practice."

"Then, this person appeared again, saying that I was plotting something wrong and that he would kill me..."

"Oh, I'm really wronged."

When he said this, Yue The wind looked pitiful.

female disciple? Do you want to use him as a wooden target?

Hearing this, Li Suqiu frowned: "That female disciple?" Her attention was all on Yue Feng and Tong Shan, and she hadn't noticed Liu Yulei in the woods not far away.

The ultimate husband in Chinese chapter 6334

Yue Feng did not answer, but raised his chin and pointed to the woods not far away.

Li Suqiu frowned slightly, subconsciously tilted her head and looked at it, she was stunned.

This... At the same time, Lin Ping was stunned when she saw Liu Yulei in the woods, and then she couldn't help but say

, "Isn't this Senior Sister Liu? Why...why are there no clothes?"

Lin Ping's tone was very surprised, but there was an inexplicable joy in her heart.

Like Tong Shan, Liu Yulei often bullies Lin Ping on weekdays. Lin Ping's status is humble and she has no chance to fight. Every time she is bullied, she can only endure it. A lot of resentment had already accumulated in my heart.

At this time, seeing Liu Yulei in such a state of embarrassment, Lin Ping felt indescribably happy.

call! At this moment, Li

Suqiu reacted, walked over slowly, and asked Liu Yulei, "Liu Yulei, what's going on? What happened just now? Was it what Feng Tao said?"

Su Qiu's beautiful face was full of indifference, without the slightest fluctuation.

She is even Liu Yulei's disposition, relying on herself to be deeply loved by the second elder, she is arrogant, and likes to bully the weak the most. The situation in front of her should be what Yue Feng said.

But as an elder, Li Suqiu naturally had to ask.

"I..."

At this time, Liu Yulei's face flushed, and she wanted to find a crack to crawl in. Faced with the questioning, her face flushed, and she couldn't go on with just one word.

"Liu Yulei!"

This chapter is provided by . Visit [for](#) daily update.

Seeing her like this, Li Suqiu felt even more convinced that it was not Yue Feng's fault, and immediately said coldly: "As a disciple of Mingyue Sect, you disregard the lives of others and use Feng Tao as a wooden target, which has violated the sect rules. For the elders, I should have punished you."

After speaking, Li Suqiu looked at Liu Yulei and continued, "But it's inconvenient for you now, so I won't go into it."

Hmm!

Hearing this, Liu Yulei nodded reluctantly.

To be honest, Liu Yulei originally wanted to refute a few words, but her appearance was really indecent, so she had to endure it.

Li Suqiu was not talking nonsense, she turned her head towards Lin Ping and said, "Bring her a dress."

Although this Liu Yulei is hateful, she is still a disciple of Mingyuemen, so she has been unobstructed and not decent.

"Master!"

Upon hearing the order, Lin Ping did not obey immediately, but made a look of embarrassment: "How can I have extra clothes for her? Let her find a way by herself."

She often receives messages from Liu Yulei. Being bullied, Lin Ping hated her to the bottom of her heart. At this time, she wished Liu Yulei was embarrassed, so how could she get her clothes?

Li Suqiu frowned: "Come on!"

Seeing the serious expression on her master's face, Lin Ping nodded her head even though she was reluctant, turned around and went to the courtyard to pick up a suit and threw it to Liu Yulei.

Liu Yulei put on her clothes and left in a hurry.

Seeing this situation, Lin Ping couldn't help but pouted: "Who do you want to say thank you?"

"Tong Shan!"

Li Suqiu looked at Tong Shan quietly: "Why did you kill Yue Feng?"

Tong Shan's face was full of arrogance: "This person is trying to tarnish Junior Sister Liu's innocence, I know, how can I just sit back and ignore it?" When he spoke, Tong Shan was very angry.

Ma De, what a great opportunity just now. After killing this person, you will be able to take the opportunity to approach Liu Yulei, and maybe you will be able to take advantage of it. Now it has all been destroyed by Li Suqiu and his disciples.

call!

Seeing his dissatisfaction, Li Suqiu breathed a sigh of relief, and said slowly, "You heard it just now, it was Liu Yulei who was at fault first, and it has nothing to do with Fengtao." As the words

fell, Lin Ping couldn't help but say: "That's right, don't rely on yourself as a disciple of the Great Elder, you can mess around."

Haha!

Facing the accusation, Tong Shan laughed instead of anger, and said to Li Suqiu: "You are an elder, what you say is what you say, I will not argue with you." After speaking

, Tong Shan gave Yue Feng a vicious look: "Boy, you are lucky today." The voice fell, and Tong Shan turned around and strode away.

Seeing his attitude, Lin Ping was furious: "It's too hateful."

Li Suqiu didn't care at all, but walked into the woods and looked at the scattered branches, her eyebrows knitted and thoughtful.

The ultimate husband in Chinese chapter 6335

Lin Ping quickly followed and asked curiously, "Master, what are you looking at?"

Hu!

Li Suqiu breathed a sigh of relief, and said in a complicated tone, "I'm thinking about my teacher, Liu Yulei is just practicing swordsmanship, how could her clothes be on fire?"

After speaking, Li Suqiu looked back at Yue Feng: "The situation at that time, What is it like?"

Oops!

Seeing her expression, Yue Feng secretly said that it was not good, but he still replied: "She was here just now, saying that she would use me as a wooden target and keep stabbing me with a sword..."

The next few minutes, Yue Feng recounted the scene at that time.

Of course, Yue Feng did not mention anything about the deployment of the formation.

Is that so...

Knowing the situation, Li Suqiu fell into contemplation. Could it be that Liu Yulei's newly learned swordsmanship was not good enough, causing him to suffer backlash?

However, to be able to burn her own clothes, she has not yet reached this level.

For a time, Li Suqiu couldn't figure it out.

Could it be...

Then, when Li Suqiu looked at Yue Feng in front of him, a thought suddenly appeared. This person is not an ordinary person, but an expert in the arena who hides his identity?

Thinking of Yue Feng's injury, the speed of self-healing is much faster than ordinary people, and he is even more suspicious.

This chapter is provided by . Visit for daily update.

At this moment, Li Suqiu looked at Yue Feng: "Fengtao, where are you from?"

Being pregnant, she was really suspected.

Yue Feng murmured in his heart, and replied very naturally: "Imperial capital."

"In the imperial capital?"

"Yes."

"Do you still have family members?"

"Uh...During the war, they were all separated.."

Seeing Yue Feng's answer, Li Suqiu didn't ask any more questions, but he had already made up his mind, In the next time, look for opportunities to try him.

...

On the other side, the mainland of Kyushu.

In the courtyard of the villa in Zhongzhou City, Zhu Bajie accompanied Gonggong and walked in the garden with a stroller.

Time flies, and in a blink of an eye, the child is already a month old.

Just yesterday, Zhu Bajie specially held a full moon wine for his children in a hotel in Zhongzhou City. At that time, many people came to celebrate, and the full moon wine was held very smoothly.

But what worries Zhu Bajie and Gonggong is that the child is only a month old, yet he is very irritable and loses his temper if he doesn't understand.

"It's time to breastfeed."

At this time, when he arrived at the pavilion of the villa, Zhu Bajie looked at the time and instructed the maid behind him, "Go and get milk."

"Yes!" The

maid responded and hurried to prepare.

Soon, the maid came back with the bottle, squatted beside the stroller, and carefully fed the child. Perhaps the milk was a little hot, and the child coughed out at once.

"Ah ah ah..." The

next second, the child waved his hands and feet and cried out angrily, and then, a burst of fire spewed out of his mouth. I saw that the flame was purple-red and the temperature was extremely high.

The maid screamed and hurried back to dodge.

Zhu Bajie and Gonggong were also shocked. When the child was born, there was a strange power in his body. At that time, they were very happy and believed that the child was gifted, but they never thought that he could still breathe fire now.

Whoa!

In shock, Zhu Bajie pulled Gonggong with one hand and quickly pulled the stroller out of the pavilion with the other.

I saw that half of the pavilion had been burnt down between the lightning and the fire.

This....

Seeing this scene, Zhu Bajie and Gonggong looked at each other, unable to calm down in each other's hearts.

What kind of fire is this, it's terrifying.

After more than ten seconds, Gong Gong reacted, took the child out of the stroller, and gently comforted the child. Soon, the child calmed down under the comfort.

To appease the good boy, Gong Gong frowned and said to Zhu Bajie: "It seems that this boy is really destined to be extraordinary, but this is not the way to go. He is so irritable, something will happen sooner or later.

", Gonggong continued: "You said before that you want to find a Taoist master for him, have you decided who to find?"

Hu...

Zhu Bajie took a deep breath, scratched his head and said, "Let me think about it, Next, the highest realm of Taoism is Lu Dongbin, Chunyang of Shengzong, why don't we take the child to Shengzong." The

child's personality is so irritable, he can only rely on Taoism to cultivate his character.

The ultimate husband in Chinese chapter 6336

Hmm!

Hearing this, Gonggong nodded: "The Holy Sect is indeed the most suitable, but Chunyang Lu Dongbin, whose whereabouts are uncertain and disappearing, I'm afraid it will not be easy to find him."

When he said this, Gonggong's delicate face On, showing a bit of unbearable.

The so-called mother-child connection, such a small child is really reluctant to send it to the blessed land of Taoism, but there is no way, the child is talented and has always stayed by his side, sooner or later, he will cause trouble.

"Don't worry about this."

Feeling Gonggong's anxiety, Zhu Bajie smiled slightly: "The so-called sincerity is the spirit, let's go to Shengzong to try our luck, maybe we can meet him."

"Okay!"

After deliberation, Zhu Bajie and Gonggong simply tidied up, then took the child and rushed towards the Holy Sect.

...

On the other side, Tianxin Continent, Mingyuemen.

Early in the morning, Yue Feng was sleeping soundly when he was woken up by a hurried knock on the door. He heard Lin Ping shouting from outside the door: "Wake up, sleep like a dead pig." The

words were full of impatience.

Yue Feng rubbed his eyes, got up to open the door, and saw Lin Ping standing outside, her delicate face a little irritated.

"What's wrong?" Yue Feng asked. "Are you a pig? You don't wake up after knocking for a long time." Lin Ping said angrily, "Master and I are going to participate in the sunflower competition, so you just stay in this

yard, you know?"

This chapter is provided by . Visit for daily update.

Ping, I am very depressed.

I and my master were ostracized at Mingyuemen, and it was impossible for me to protect myself, but I still had to carry this burden. Really annoying.

Oh, today is the sunflower contest.

Hearing this, Yue Feng suddenly woke up, nodded at Lin Ping and said, "Okay." He said so, but Yue Feng was secretly paying attention to something else.

Last night, Yue Feng quietly went to investigate the location of the entrance to the secret realm, but the secret realm was not opened at that time, and he returned without success.

Yue Feng thought about it, and after the sunflower competition started, he would find an opportunity to sneak in.

Seeing his obedient answer, Lin Ping nodded, and then continued to exhort: "Master and I are not here, you'd better be careful. You offended Tong Shan and Liu Yulei yesterday. With their personalities, you will definitely get revenge."

"So, as long as you stay here obediently and don't wander around, there shouldn't be any trouble."

After saying this, Lin Ping turned around and left.

Yue Feng turned to her back and said, "Thank you Miss Lin for reminding me..." Although this Lin Ping has a stubborn personality, she is still kind in her heart, otherwise, she would not have warned her like this.

After a while, Lin Ping and Li Suqiu left the yard and went to participate in the sunflower competition.

call!

After the two left, Yue Feng took a deep breath and went back to the room to meditate silently.

Yue Feng thought about it, first recharged his energy and waited until the sunflower competition started, and then figured out a way to get in.

...

At this moment, the front hall square of Mingyuemen.

The sunflower competition is about to start, the nine elders are ready, and all the disciples are gathered here.

In the crowd, Liu Yulei, who was wearing a long white dress, was particularly eye-catching. Many disciples around her took the initiative to flatter and please. Liu Yulei forced a smile, but there was a lingering melancholy between her brows.

Liu Yulei was embarrassed at the thought of being seen by a pariah yesterday. This incident has become a thorn in her heart.

“Junior sister...”

At this moment, the crowd parted ways, and then Tong Shan strode over and greeted Liu Yulei with a smile: “Junior sister is so beautiful today.”

Tong Shan couldn't help admiring it. , the scene of yesterday also appeared in my mind.

Feeling Tong Shan's gaze, Liu Yulei's delicate face turned red all of a sudden. Yesterday, she was not only seen by that pariah, but also by Senior Brother Tong Shan. Seeing you again at this time, I felt a little embarrassed.

Although she felt awkward in her heart, Liu Yulei responded, “Hello, brother. Thank you for your praise.” Phew

!

Tong Shan smiled and admired it for a while, then calmed down and said with a sigh of relief, “Why does my junior sister look so sullen?” After what happened yesterday, Tong Shan knew that the opportunity to approach Liu Yulei had come.

Liu Yulei smiled bitterly, not knowing how to answer for a while.

Tong Shan is a smart person. Knowing that Liu Yulei is worried about what happened last night, he leaned closer and whispered, "Is it because of that wind and wave that Junior Sister is unhappy?"

The ultimate husband in Chinese chapter 6337

Oh! Liu Yulei

couldn't help but sighed when her heart was being told, "So what? Elder Li has been protecting him. Even if I am bullied, I can only swallow my anger."

When he opened his mouth, he could only complain in front of Tong Shan.

However, Liu Yulei is not stupid. She has long known that Tong Shan has always liked her, and now she wants to use Tong Shan to shame herself.

"What's so difficult about this?"

Seeing Liu Yulei's pitiful appearance, Tong Shan suddenly felt pity and promised, "As long as the junior sister says a word, I will vent my anger to you."

At this time, Tong Shan was very excited.

As long as you help Liu Yulei solve her worries, the relationship will be closer, and maybe she will be able to hold the beauty back at night.

Haha... Really looking forward to it.

"Really?"

Liu Yulei was waiting for this sentence, her eyes flashed at that time, and she said happily, "Senior brother is really willing to help me out?" With Tong Shan's help, this was done.

Tong Shan patted his heart: "Of course, we are brothers and sisters from the same sect, we are like a family, how can we be bullied by an outsider ?

"

: "It's just that Elder Li is very protective of him, and he is afraid that his senior brother will come out, but it won't help."

When she said this, Liu Yulei's mind came to the scene of yesterday, and she hated Li Suqiu so much.

This chapter is provided by . Visit for daily update.

Ha ha!

Tong Shan smiled slightly and reassured him: "Junior sister is worrying too much. The sunflower competition is about to start. Li Suqiu and Lin Ping, the dead girl, probably have gone to the back mountain.

"You can deal with him any way you want, as long as you don't leave any clues, no one will know that we did it."

When he said this, Tong Shan couldn't hide the grimness in his eyes.

Yesterday, I was going to teach Yue Feng a lesson, but Li Suqiu stopped him, which made Tong Shan very embarrassed in front of Liu Yulei.

But today, Li Suqiu was not here, so he had to find the place back no matter what.

Um!

Seeing him say this, Liu Yulei was completely relieved, and smiled lightly at the time: "Then thank you senior brother."

"Why are you being polite to me?" Tong Shan said, and together with Liu Yulei, left the crowd and walked towards the small courtyard where Li Suqiu lived. go.

.....

the other side.

Yue Feng meditated for a while, feeling that the time was almost up, he let out a sigh of relief and stood up slowly.

Although he has only come to Mingyuemen for less than two days, in this short period of time, Yue Feng's injury has basically recovered. If he can successfully enter the secret realm of Sunflower, Yue Feng firmly believes that in less than half a month, the power of his Primordial Spirit, back to its peak.

Boom!

However, at this moment, the gate of the small courtyard was suddenly kicked open.

Yue Feng frowned, walked out of the room quickly, and saw two figures striding towards the yard, a man and a woman, their faces were cold.

It was Tong Shan and Liu Yulei.

It was them...

Seeing these two people, Yue Feng was stunned for a moment, and then he understood something.

They embarrassed them yesterday, and today is their revenge.

Thinking to himself, Yue Feng didn't panic at all, but said with a smile: "The two of you suddenly visited, do you want to see Elder Li? It's unfortunate that she and Miss Lin are not here."

When he said this, Yue Feng endured She couldn't stop looking at Liu Yulei. Today, she is wearing a long white dress, which is indescribably fresh and refined, but unfortunately, under that graceful appearance, she has a heart that "sees life like a mustard".

Swish!

Hearing Yue Feng's words, both Tong Shan and Liu Yulei's expressions sank and their anger rose.

Especially Liu Yulei, who was aware of Yue Feng's gaze at this time, and kept moving on her body. At the time, she was angry and disgusting. This pariah was really courting death. At this time, she dared to be rude to herself.

Hehe...

At this moment, Tong Shan reacted and glared at Yue Feng fiercely: "I don't know what life or death is. Today we are not looking for Li Suqiu, but for you."

"Really?" Yue Feng deliberately made A look of astonishment: "I'm not familiar with the two of you, what are you doing to me?"

Seeing him like this, Tong Shan couldn't help scolding: "Go to Nima, your special code is really stupid, or did you give it to me on purpose? Pretending to be confused? I asked you to settle the account because of what happened yesterday."

The ultimate husband in Chinese chapter 6338

Oh!

Yue Feng suddenly realized, and nodded: "So that's what happened, it's just... I have no grievances with you. What's the reason for you to come to me?"

After speaking, Yue Feng gave Liu Yulei a deep look: "Besides, if I hadn't covered her with branches yesterday, her innocence would have been ruined. If you really think about it, you have to thank me."

When he said this, Yue Feng's face was serious, but he sneered inwardly.

Swish!

Hearing the ridicule in Yue Feng's words, Liu Yulei's delicate face instantly flushed red, and she couldn't help shouting coquettishly: "Shameless pariah, you are courting death."

Li Suqiu was there yesterday, and she didn't dare to do anything to him. But now, both Li Suqiu and his apprentice have gone to participate in the sunflower trial, this kid still dares to be so arrogant. I really don't know how to live or die.

Ma De...

At the same time, Tong Shan also had a grim face and locked on Yue Feng tightly: "Boy, I think you really don't know how to write dead characters."

Tong Shan said to Liu Yulei, "Junior sister, What are you going to do with him?" This kid is just an ordinary person, and he has more than a hundred ways to kill him.

Killing him is simply easier than crushing an ant.

call!

At this moment, Liu Yulei took a deep breath and said viciously, "Let him kneel down and apologize to me, and then kill him." Killing him personally would feel dirty for this kind of pariah. Fortunately, Tong Shan did it for him.

"Look, okay."

Hearing the order, Tong Shan responded, then moved his muscles and said to Yue Feng: "Boy, if you are sensible, kneel down obediently and apologize to Junior Sister, maybe you can suffer less. Pain in the flesh, or else don't blame me for being ruthless."

Yue Feng scratched his head and pretended to be flustered: "Don't mess around, I didn't make any mistakes about what happened yesterday, why should I kneel down and apologize?"

"Go to Nima, long-winded. I don't see you The coffin won't shed tears, I have to make you suffer a little today." Tong Shan was completely impatient, shouted angrily, and punched Yue Feng fiercely.

call!

This punch is extremely fierce, and it can be clearly seen that the air is faintly torn wherever it passes.

Liu Yulei stood there, her delicate face full of happiness.

This untouchable dared to mock me yesterday. I didn't expect retribution to come so quickly. After he kneels down and apologizes, he must teach him a good lesson, telling him that he can't survive or die.

In Liu Yulei's heart, Tong Shan was so powerful that he could easily knock down Yue Feng with just one finger.

This idiot...

Seeing Tong Shan punching, Yue Feng scolded inwardly, with a panicked look on the surface, and shouted: "Oh, can't you say something if you have something to say? Why did you do it again?"

"I'm just a commoner, don't you feel ashamed to bully me?"

While shouting, Yue Feng fled to the flowerbed next to him. In the flowerbed, there were flowers carefully raised by Li Suqiu and many potted plants.

"Little common people? You are a pariah." Tong Shan was not soft-hearted, scolding and chasing after him.

At this moment, Yue Feng moved a pot of flowers quietly in the space where Yue Feng was dodging.

Pfft!

Because the charge was too urgent, Tong Shan couldn't stand it at all, so he fell on the spot and gnawed at the mud, his eyes staring straight at Venus.

Nima, this is a shame.

At this time, Tong Shan's face was flushed red, and he just felt very shameless. At the same time, he was also secretly wondering, strange, the flower pot was still far away from him, why did it suddenly reach his feet?

It must be because he was eager to show himself in front of his junior sister, and he was too impatient.

Yue Feng stopped, and when he saw his appearance, he was overjoyed, but he said seriously: "Oh, brother, why did you accidentally trip? It seems that you are bullying others, and God can't stand it."

This...

Seeing this scene, Liu Yulei also frowned and was speechless.

What happened to Brother Tong Shan? The strength is among the disciples of Mingyuemen, but they are outstanding, how can they be so careless and trip over a flower pot?

"I will kill you."

Hearing Yue Feng's mockery, Tong Shan yelled in anger, quickly got up, and rushed towards Yue Feng again.

"Oops, what's the trouble with you?"

Yue Feng shouted, while continuing to dodge in the flowerbed, going around in circles with Tong Shan.

While dodging, Yue Feng kept using the flowerpot to slow down Tong Shan's speed. In the blink of an eye, Tong Shan fell several times, his skin blue and his face swollen very funny.

Madd, that's not right.

At first, Tong Shan thought that he was unlucky, but gradually he felt that something was wrong. When Yue Feng was dodging in front of him, he seemed to be clumsy, but he was able to avoid his own attacks just right every time.

This kid... Could it be a hidden master?

Realizing this, Tong Shan's face was grim, and his heart was full of anger of being teased.

"Good boy, it turns out that you are not an ordinary person, so you dare to pretend in front of me. If I don't kill you today, I, Tong Shan, will not be a human being." The next second, Tong Shan said coldly, pulled out his long sword, and pointed directly at Yue Feng's heart. stab.

Chi...

Knowing that Yue Feng was hiding his identity, Tong Shan almost burst out with all his strength with this sword, and saw that the air around him was twisted with jealousy as the sword edge passed by.

Originally, Tong Shan wanted to torture Yue Feng, but at this time he realized that he was being tricked, and he lost his patience.

This person... is actually a hidden master.

At this moment, Liu Yulei also discovered the clue, and without any hesitation, she pulled out her long sword decisively, and said to Tong Shan: "Senior brother, don't panic, I'll help you."

After speaking, Liu Yulei looked on Yue Feng coldly: "It turns out that You are not an ordinary person, I know how that slut Li Suqiu can bring a commoner back to the main altar for no reason. Die!"

The last word fell, Liu Yulei's strength exploded, her delicate body rose up, and the long sword stabbed towards Yue Feng.

call!

When his identity was discovered, Yue Feng did not panic at all, standing there with a calm expression on his face.

"I didn't expect you to see it out, but just because you two want to kill me, I'm afraid I'm a little confident."

After saying these words lightly, Yue Feng's pupils shrank slightly, and at the same time, he silently activated the power of Yuanshen. Then he moved the figure and quickly avoided the two long swords.

Immediately, Yue Feng rushed to Liu Yulei with lightning speed, and raised his hand to cut her wrist.

"Well..."

Yue Feng's speed was as fast as lightning, and Liu Yulei couldn't react at all. At that time, she only felt a flower in front of her eyes, and then her wrist hurt, she let out a groan, and the long sword fell to the ground.

Speaking of which, Liu Yulei is a sixth-rank strength, and is considered to be the best among the disciples of Mingyuemen, but compared with Yue Feng, it is completely different, and the background cannot be compared at all.

This... This speed...

At this moment, Liu Yulei's delicate body trembled, staring at Yue Feng blankly, her mind buzzing blankly.

This is too fast, how did he do it just now?

Papa ...

Just when Liu Yulei was secretly shocked, Yue Feng chuckled lightly, raised his hand and tapped her on her body a few times, sealing the acupuncture point.

In an instant, Liu Yulei's body trembled, and she couldn't move.

"Junior sister."

Seeing this scene, Tong Shan was shocked and angry. He couldn't help but shouted and wanted to rush over to help Liu Yulei relieve the acupuncture point. At the same time, he was also shocked.

Mad, this kid looks unremarkable on the surface, but his strength is so strong.

I really missed it before.

Yue Feng naturally wouldn't give him a chance to relieve his acupuncture points. At that time, his figure flashed and he stood in front of Tong Shan and fought fiercely with him.

Bang bang bang...

I saw the figures of the two keep moving back and forth. At first, Tong Shan relied on the sharp sword, thinking that he could suppress Yue Feng, but soon realized that he was wrong.

He even made a killing move, but he couldn't even touch the other party's clothes.

Who is the other party?

Bang!

Just when Tong Shan was thinking about this, Yue Feng chuckled and slapped him on the shoulder. Suddenly, Tong Shan felt an overwhelming force, his body trembled, and he stumbled back a dozen steps.

After stabilizing his figure, Tong Shan only felt the qi and blood in his body churning, as if his internal organs were about to shift.

The next second, Tong Shan took a deep breath and stared at Yue Feng: "You... who are you?"

Haha!

Yue Feng smiled lightly, and said slowly: "Who am I, you don't need to know, I don't commit crimes if people don't commit me, I just want to recuperate here, I don't want to cause trouble, but you guys are aggressive."

The

last word fell, Yue Feng rushed up quickly, raised his hand and tapped Tong Shan a few times.

Suddenly, Tong Shan's body trembled, unable to move.

"Senior brother..."

Seeing this situation, Liu Yulei's pretty face changed, and she couldn't help exclaiming, her heart was full of anger and panic.

The next second, Liu Yulei looked at Yue Feng coldly: "Hurry up and solve the acupoints for us, don't forget, this is

Mingyuemen, you can't help me." When she spoke, Liu Yulei was very complicated.

I thought that together with Tong Shan, I could easily teach this pariah, but I never imagined that the other party is actually a hidden master. Now both of them have been acupointed, which is really embarrassing.

"Really?"

Yue Feng teased and looked at Liu Yulei with a half-smiling smile: "You also know that this is the main altar of your Mingyuemen? If you use force in private, you should also break the rules."

"You. ..."

Hearing this, Liu Yulei opened her mouth to refute, but she couldn't go on after only one word. Because what Yue Feng said was right, the Mingyuemen had strict rules, and disciples under the sect were not allowed to do anything casually at the main altar. She and Tong Shan privately retaliated against Yue Feng and had already violated the rules.

At this moment, Tong Shan said viciously: "Boy, let us go quickly, wait for someone to come, you will be nice." When he spoke, Tong Shan was full of grievances.

Ma De, he was supposed to perform well in front of Liu Yulei today, but he didn't know that he was blinded by 'fighting an eagle'... But this is Mingyuemen after

all. No matter how strong this kid is, he can be the whole Mingyue Door opponent?

Ha ha!

Facing Tong Shan's shouting, Yue Feng chuckled lightly: "You all said when you came just now that no one is coming here, and Elder Li and Miss Lin are going to participate in the sunflower competition again, even if I kill you all, No one knows."

Tong Shan blushed and was speechless.

"You..."

At this moment, Liu Yulei regained her senses and said coldly to Yue Feng: "Don't be arrogant, if we have three strengths and two weaknesses, you can't escape death, my master will not let you go Yes."

"And that slut Li Suqiu, bring someone like you back to the main altar, and you will also receive a strict investigation..."

Nima!

At this moment, Yue Feng narrowed his eyes slightly, walked slowly to Liu Yulei, raised a slap, and slapped her face.

Snapped!

After hearing a crisp sound, a five-fingerprint appeared on Liu Yulei's fair face, and she was stunned. She stared at Yue Feng blankly, and said after a few seconds, "You... you dare to hit me. Me?"

I was in the Mingyuemen, and I was respected and favored. Whoever saw me was not polite, but was slapped on the face by this man at this time, which was simply humiliating.

Yue Feng looked indifferent, looked at Liu Yulei and said, "What's wrong with hitting you? This slap is because you don't know how to respect your teacher."

Li Suqiu has a graceful personality, kind-hearted, and an elder. , and Liu Yulei did not know how to respect at all, and was a slut.

This kind of person who has no manners and etiquette deserves to be beaten.

Swish!

Hearing Yue Feng's preaching, Liu Yulei couldn't listen at all. She was furious at the time and shouted, "I just want to scold her, she is a bitch.

" past.

With this slap, Liu Yulei's body trembled, her legs were weak, and she almost collapsed to the ground.

"Nima's."

Seeing this scene, Tong Shan couldn't help shouting: "Don't touch her, come at me if you have the ability." The performance failed just now, and this time I can't be embarrassed anymore.

Um?

Hearing this, Yue Feng stopped and looked back at Tong Shan.

Feeling the coldness in Yue Feng's eyes, Tong Shan's heart tightened, and he was dripping with cold sweat instantly.

This look is so terrifying!

"Are you going to be beaten for her? Well, I'll make it happen for you." In the

next second, Yue Feng walked over slowly and slapped Tong Shan in the face. After what happened yesterday, Yue Feng knew that Tong Shan and Tong Shan were in front of him. Liu Yulei, who had bullied Lin Ping and pushed out Li Suqiu more than once, will take this opportunity to teach them a lesson.

In this way, it can be regarded as repayment of Li Suqiu's life-saving grace.

With this slap, Yue Feng used all his strength to hear Tong Shan groan, and the whole person was directly slapped out, flying more than ten meters away, and finally smashed on the wall of the small courtyard before falling to the ground.
