

The ultimate husband in Chinese chapter 6376-6380

Damn... run away!

Seeing this scene, Li Suqiu and Lin Ping reacted and wanted to chase them out, but they were all tied up and could only watch.

The Sixth Elder was so frightened that he wanted to get up to chase, but it was already too late.

call!

At the same time, Yue Feng also took a deep breath and frowned secretly.

This big elder is really cunning, and he runs away when the situation is not good, but he has to say that he slipped quite fast. Now that the crisis has been lifted, I don't have to pretend anymore.

But the identity has not been revealed.

Thinking about it, Yue Feng planned to quietly leave behind the statue. However, Li Suqiu's master and apprentice, as well as the Sixth Elder's attention, were all here, which gave Yue Feng no chance at all.

Oops...

For a while, Yue Feng was very embarrassed. When the next six elders regained their strength, if they came to see him, he would not be able to hide.

At this moment, the sixth elder reacted, his eyes were withdrawn from the door, and he respectfully said in the direction of the statue: "Thank you, Your Excellency, for your help again."

When he spoke, the sixth elder's eyes were full of admiration.

One move to kill the second elder in seconds, this strength is enough to disdain the rivers and lakes.

Swish!

At the same time, Li Suqiu and Lin Ping also looked at the statue one after another, their exquisite faces could not hide their respect.

Fortunately, there is this mysterious expert, otherwise, the situation just now is really unimaginable.

Thinking about it, Li Suqiu couldn't help but say, "Thank you, senior."

Because he couldn't see anyone, Li Suqiu relied on Yue Feng's low voice just now, subconsciously identified him as an old man, and respected him as a senior.

Cough cough...

In the face of thanks, Yue Feng cleared his throat and used ventriloquism to say lightly: "It's not worth mentioning, you don't have to be so polite."

When he spoke, Yue Feng's mind turned quickly, and his heart was also a little anxious.

You have to find a way to leave quickly, or you won't be able to hide when they all recover.

"Senior is polite."

At this time, the sixth elder bowed to the statue and complimented: "Senior saved my life twice, it can be

said to be the grace of re-creation, I beg you to see the senior." At the end, The eyes of the six elders were full of anticipation.

Such a peerless powerhouse, if you can get to know him, it will be a lifetime honor.

call!

At this moment, Li Suqiu and Lin Ping were also staring at the statue, and they were very curious in their hearts, wanting to know what kind of style this mysterious senior was.

Uh...

Hearing this plea, Yue Feng was very embarrassed, scratched his head and said solemnly: "This... No need, the old man has been away from the world for a long time, and he has long since stopped asking about the rivers and lakes, so there is no need to meet. "

In this situation, I definitely can't show up to meet you.

After hitting a soft nail, the sixth elder is not embarrassed. In his heart, it is normal for the hermit master to be withdrawn, but he is still a little unwilling to give up, and continues: "If the senior is missing, I will feel uneasy, senior, rest assured, I just want to pay my respects. Show respect , never offend."

If you didn't even see the face of the savior, you would be a failure.

What the hell!

Hearing this, Yue Feng was a little dumbfounded. This sixth elder is too persistent. I can't say it, but he still doesn't give up.

Muttering in his heart, Yue Feng's spiritual light moved, and suddenly said coldly: "Who is outside the door?"

In fact, there was no one outside the door. Yue Feng suddenly said this to attract the attention of the sixth elder and Li Suqiu's master and apprentice.

Is there someone outside the door?

Hearing this, whether it was the sixth elder, or Li Suqiu and Lin Ping, they all looked out the door subconsciously. They were all astonished at the time.

I saw that the door was empty, how could there be half a figure?

Whoosh!

Taking this opportunity, Yue Feng used his body technique to quickly enter the secret door behind the wall with lightning speed.

That is to say, the three of the six elders calmed down and looked at the statue again.

The next second, the sixth elder said, "Senior, was there anyone outside the door just now?" In his subconscious, the mysterious senior behind the statue was omnipotent. He said that there was someone outside the door, and he couldn't be wrong.

Li Suqiu and Lin Ping also looked at the statue again, waiting for Yue Feng's answer.

However...

there was silence behind the statue, no response at all.

The sixth elder realized that something was wrong, and immediately stepped forward and looked behind the statue. He saw that the statue was empty, and there was no mysterious figure?

Oh!

Seeing this, the sixth elder was stunned, and then sighed in disappointment.

Li Suqiu didn't know what was going on, so he couldn't help but say, "What's wrong?" The

sixth elder smiled bitterly and said, "Senior has already left. It seems that he is really an expert from outside the world, and he doesn't want to show up." He said so, was also secretly shocked.

This mysterious senior is really unfathomable, and he didn't even notice how he walked just now.

What? gone?

Hearing this, Li Suqiu was also stunned. This speed... is too fast. There are three people here, and the senior can leave without knowing it.

"Alas!"

At this time, Lin Ping couldn't help sighing softly: "This mysterious senior, it would be great if he could help us deal with the Great Elder. With his ability, the Great Elder who can definitely beat him will kneel down and beg for mercy, but it's a pity, people don't ask

about the world..." When she spoke, Lin Ping looked at the statue with a bit of fascination in her eyes...

Hearing this, the sixth elder also smiled bitterly: "Yes, it seems that fate is not enough. "

After speaking, the sixth elder came over and released Li Suqiu.

call!

Without the restraint, Li Suqiu breathed a sigh of relief, without any hesitation at that time, sat there cross-legged and recovered quietly.

I had almost exhausted my strength when I fought with the second elder before, so I need to quickly cultivate and recover.

Lin Ping quietly stood by and guarded.

Shasha...

At this moment, Yue Feng walked out of the secret passage and circled in from outside the door.

The moment he came in, Yue Feng looked surprised when he saw Li Suqiu, and said happily, "Oh, Elder Li is also here. I'm relieved to see that you are all right."

After that, Yue Feng said Looking at the corpses on the ground on the other side of the hall, he exclaimed in fright, "Oh my God, so many dead people..."

Hu!

Seeing Yue Feng, Li Suqiu smiled lightly and nodded: "I'm relieved to see that you're all right." She was kind in her heart and was not at all displeased by Yue Feng's intrusion.

However, Lin Ping felt angry when she saw Yue Feng.

This greedy thing that was afraid of death just fled at a critical moment, but now that the crisis is over, he appeared again.

“Hey!”

Thinking to herself, Lin Ping took a step forward and scolded Yue Feng: “You coward, you know how to come back to me? I thought you were eaten by Xunlang.”

“I asked You, where have you been just now? Why haven’t you seen anyone for so long?”

Lin Ping became more and more angry, especially when she thought of the scene of being held hostage by the Great Elder, her anger rose, and she poured her anger on Yue Feng.

This girl... In

the face of accusations, Yue Feng was speechless.

If it wasn’t for my secret help just now, the three of you would have long since become the captives of the Great Elder.

Thinking so in his heart, Yue Feng scratched his head, looked very embarrassed, lowered his head and said: “I... I just found a way out in the secret passage behind, who knows that I got lost, and finally detoured a few times. The circle only came out.”

“Haha!”

Hearing this explanation, Lin Ping pouted and couldn’t help mocking: “You are really stupid and have a lot of luck, you didn’t get trapped inside...”

In her heart, Yue Feng was just a dragging oil bottle, a burden, and if she couldn’t help, she had to worry about his safety in turn, so she wouldn’t have a good face.

Seeing that she went too far, Yue Feng smirked.

Li Suqiu couldn’t stand it any longer, and Xiumei frowned: “Okay, Ping’er, he broke in by mistake, and you can’t blame him.”

Seeing the master’s opening, Lin Ping snorted and closed her mouth.

“This...”

At this time, the sixth elder came over, looked at Yue Feng up and down, and frowned: “Who is this?” After Yue Feng came to Mingyuemen, he rarely met other people, so the sixth elder always do not know.

“His name is Fengtao..” Li Suqiu quickly introduced: “It’s a refugee I brought back from outside. At that time, he was seriously injured, so I brought him back to recuperate.”

Oh!

Hearing this, the sixth elder suddenly realized: “Others said before that the elder Li brought back a person from outside, and it turned out to be him.” After speaking, the sixth elder continued to look at Yue Feng: “How did he enter the

secret realm?”

Second, Yue Feng couldn’t help Li Suqiu to explain, so he quickly said: “It’s also a coincidence, I made a mistake...”

The ultimate husband in Chinese chapter 6378

In the next few minutes, Yue Feng repeated the previous rhetoric.

It turned out to be like this...

Knowing the situation, the sixth elder nodded silently and said complicatedly: “For more than a year, the first elder has been deliberately trying to compete for the position of the sect master, so that the entire Mingyue Sect is divided into two factions, fighting each other openly and secretly, alas, It would be great if the sect master was still there.”

Hearing this, Li Suqiu’s delicate face also darkened.

After being silent for a few seconds, Li Suqiu bit his lip and said slowly, “I think the sect master is in this palace. He has never left the secret realm, but is just trapped.”

Phew!

The sixth elder took a deep breath and nodded silently: “I hope so.”

After chatting a few more words, the sixth elder also sat on the side and continued to cultivate and recover.

I don’t know how long it took, Li Suqiu and the sixth elder were almost recovered and got up one after another. At this time, it was dark outside.

“Master!”

At this, Lin Ping couldn’t help but say, “What shall we do next? Shall we go after the Great Elder?” Lin Ping felt agitated at the thought of the Great Elder using himself to threaten Master before.

Li Suqiu bit her lip lightly and was about to respond, but was interrupted by the sixth elder.

“The first elder is sinister and despicable. He has escaped from here for so long, and he must have been planning to deal with us. I am afraid that it would be inappropriate to rashly search for him.” After

speaking, the sixth elder took a deep breath and continued: “The best way, Just wait for him to take the initiative to come to us.”

Before the first elder had so many helpers, he and Li Suqiu's master and apprentice were not opponents, but now, the first elder's accomplices are almost dead, and he is the only one left.

This chapter is provided by . Visit for daily update.

In this case, there is no fear of confrontation at all.

Um!

Hearing this, Li Suqiu nodded in agreement: "Yes, we don't have to take the initiative to find him, it is better to take this opportunity to investigate the palace group well, and maybe find the whereabouts of the door owner."

In Li Suqiu's heart, the door owner Taking her is not thin, in contrast, it is naturally the most important to find the sect master.

"Yes, I think so too." The sixth elder nodded, then looked around the lower hall: "This place is very big, and there are many organs, we must not get separated."

Said, the sixth elder took the lead out of the hall, Investigate towards the palace group behind.

Li Suqiu and Lin Ping quickly followed.

At the same time, Li Suqiu did not forget to tell Yue Feng: "Follow us well, and don't fall behind." In her heart, Yue Feng is just an ordinary person, and without their protection, he will never go out.

At this time, Li Suqiu didn't know that Yue Feng in front of him was the mysterious expert who was behind the statue just now.

"Okay, thank you elder for your concern."

Yue Feng nodded with a smile and followed closely behind.

I have to say that this group of palaces is really too big. Yue Feng visually observed that it was comparable to the imperial palace in the Northern Ying Continent. In addition, it was already dark and drowsy all around, making it even more difficult to identify the direction.

More importantly, although such a large group of palaces is luxurious and exquisite, there is no one. Under the shroud of night, it seems unusually deserted, which makes people feel a little nervous.

Unconsciously, the four searched the palace complex for more than an hour, but did not find any clues about the door owner.

"Cuckoo..."

When passing a garden, Lin Ping's stomach made a growling sound, and suddenly, a bit of embarrassment appeared on her delicate face.

Li Suqiu smiled lightly and said, "Everyone is tired. We've searched for so long, why don't we take a rest here."

Although the garden in front of him was overgrown with grass, it was far more beautiful than the empty and deserted halls. It's a nice resting place.

"Okay!" The

sixth elder nodded: "Then let's rest here."

Since entering the secret realm, he has first dealt with Xunlang, and then fought with the first elder. After patrolling for so long just now, several people are exhausted, and they should be Have a good rest.

After the discussion, several people found a grass in the garden and rested.

Lin Ping was so tired and hungry that she couldn't sit still. She stood up and said, "Master, Sixth Elder, I'm going to find something to eat." Her stomach kept rumbling, which was really embarrassing.

The ultimate husband in Chinese chapter 6379

Li Suqiu and the sixth elder nodded.

Immediately, Li Suqiu urged, "Don't go too far!"

"Got it, Master!"

Lin Ping responded, and then said to Yue Feng, "I'll look for food, you look for water, go!" His tone was cold and unmistakable.

This burden, he has no ability to fight the enemy, but he can't let him idle.

"Okay!"

Feeling Lin Ping's arrogant attitude, Yue Feng didn't care, and nodded with a smile.

On the way I came, there was a well in front of a side hall, and the water in it should be drinkable.

Thinking about it, Yue Feng walked out of the garden and walked towards the side hall.

Soon after arriving at the entrance of the side hall, Yue Feng walked to the wellhead and hit the water with a sling. At that time, the water quality was checked and it was confirmed that there was no poison, so Yue Feng prepared to return the same way.

Um?

However, at this time, Yue Feng heard the movement in the side hall. After being stunned, Yue Feng approached slowly and looked into the side hall through the windowsill.

The next second, seeing the scene in the side hall, Yue Feng frowned.

Just saw where the Great Elder was sitting cross-legged, looking embarrassed.

Beside him, stood quietly a slender figure with a long emerald dress, delicate facial features, and a graceful figure, but his face gave people a coldness thousands of miles away, and his body was also filled with a powerful aura.

It was the seventh elder Yuan Rou.

This guy...

Seeing the Great Elder, Yue Feng couldn't help muttering secretly. He had never met him before, so he was hiding here.

"Elder!"

At this moment, Yuan Rou spoke softly, her voice indifferent, without the slightest emotional fluctuation: "You said just now that the fifth elder, the sixth elder, and Li Suqiu will join forces to deal with you?"

Yuan Rou He has a cold personality, never participates in the internal disputes of Mingyuemen, and is relatively neutral.

Half an hour ago, Yuan Rou saw the embarrassed Great Elder, and she was always curious and asked the original.

"Of course!"

The elder took a deep breath and said with a serious face: "Can I still lie about this kind of thing? The fifth and sixth have always looked down on me. This time, they took advantage of the competition to treat me Raid."

After speaking, the elder's face showed a bit of grief and anger: "The poor second child has been killed by them to help me. If I didn't run in time just now, I'm afraid I will not escape bad luck."

When he said this, The Great Elder looked sad, but his heart was filled with fire.

Mad, if it wasn't for a mysterious expert suddenly appearing, he would have taken control of the situation.

Thinking to himself, the first elder looked at Yuan Rou closely: "You must help me. If I become the sect master, I will make you the guardian elder." Yuan Rou's strength is not weak. Better than fighting alone.

call!

At this moment, Yuan Rou breathed a sigh of relief and said lightly, "You should know that I have no intention of fighting the clan masters, so I will not help you deal with them."

The first elder had long expected that she would say this, and immediately sighed. , said slowly: "Even if you don't help me be the sect master, but do you have the heart to see me die at his hands?" After

speaking, the first elder looked pitiful: "I'm already injured, wait a minute. If you meet them, you will definitely die. We are in the same sect, and you don't want to see me die."

When he said this, the Great Elder's face was full of anticipation, but his eyes were gloomy and gloomy.

call!

Seeing this scene, Yue Feng, who was standing outside the window, suddenly frowned.

This first elder is so cunning, and now pretending to be so like, I am afraid that this woman will be in danger in the future.

Yuan Rou didn't notice the change in the Great Elder's eyes. At this moment, Xiumei frowned and thought secretly. Both sides are from the same sect. Neither side is good, but she can't bear to see the Great Elder so pitiful...

" Alright!"

Finally, Yuan Rou made a decision in her heart, nodded and said, "Then I will help you recover some strength, but I can only help you so much."

Haha...

Hearing this, the elder revealed that With a smile, he was very excited: "I am grateful." After saying that, he hurriedly sat on the ground cross-legged and began to exercise to restore his strength.

Yuan Rou gently walked behind him, sat cross-legged, and put her hands on the back of the Great Elder to help him recover.

Swish!

However, at this moment, the Great Elder's eyes suddenly became sharp, he turned around and raised his hand, and slapped Yuan Rou's heart.

The first elder was very fast, and Yuan Rou couldn't react at all. At that time, she was knocked back by a palm, her delicate face was instantly pale, and her breath was extremely weak.

"You..."

Yuan Rou was furious, enduring the churning of qi and blood in her body, and looked at the first elder coldly: "What are you doing?"

She kindly helped him, but he was revenge for his kindness, it was really hateful.

"Hehe..."

The first elder slowly got up, looked at Yuan Rou up and down, and couldn't hide the greed in his eyes: "I didn't pretend to be pitiful just now, how could I let you be fooled?"

"Speaking of which, we had no grievances before, I don't want to do this to you either, but I can't do anything about it, I can only integrate your 'chivalrous skills', otherwise, how can I deal with them by myself?" At the end, the first elder stared closely at Yuan Rou's words. Charming curves, the corners of his mouth evoked a trace of evil smile.

Swish!

Hearing this, Yuan Rou

's body trembled, and she was embarrassed and angry. She couldn't help but scolded, "Shameless.", the nine successes that she has learned will be passed on to the person who obtains her chastity.

At this time, Yuan Rou was very angry. She knew that the Great Elder's palace was very deep, but she never thought that it would be so sinister and despicable.

"Don't look at me like that."

This chapter is provided by . Visit for daily update.

Facing Yuan Rou's glares, the first elder looked proud: "You passed on the chivalrous skills to me, and it's not bad for you to be my woman. When I become the sect master, you will be the sect master's wife, and you will be prosperous and rich in the future. You can't enjoy it."

The Great Elder was very excited at this time.

Speaking of which, Yuan Rou is charming, she is a famous iceberg beauty in Mingyuemen, and the elder has coveted it for a long time.

More importantly, after getting her knight-errant skills, his strength has greatly increased, and he is not afraid of Li Suqiu and the sixth elder joining forces. Even if he encounters that mysterious master, he can still have the ability to protect himself.

The more the elder thought about it, the more excited he became, he walked over quickly, raised his hand and touched Yuan Rou's acupuncture point.

Swish!

Yuan Rou was injured and couldn't dodge at all. Suddenly, her delicate body trembled and she couldn't move. At that time, she was extremely ashamed and scolded, "Go away, you shameless scum..."

Yuan Rou's angrily reprimanded, did not let the elders restrain, Instead, it aroused his interest. At that time, he laughed again and again: "You have a really strong personality, hehe, I like to subdue a strong woman like you..." After speaking, the first elder raised

his hand and grabbed Yuan Rou's long skirt, ready to tear it off. crack.

"Bastard..."

Faced with this situation, Yuan Rou was very ashamed and angry, and kept scolding: "You dare to tarnish my innocence, even if I die and become a ghost, I will not let you go..." At the same time, Yuan Rou was very angry. is desperate.

You are so naive, why did you believe this scum just now?

"Haha..."

The more fiercely Yuan Rou scolded, the more proud the Great Elder became: "I won't let me go if I'm a ghost, okay, since that's the case, I'll let you be a romantic ghost first." The

last word fell, big The elder was ready to pounce.

At this moment, Yuan Rou closed her eyes in despair, and the tears couldn't stop flowing.

If you are innocent for a lifetime, do you want to be destroyed by this scum?

"Stop!"

At this critical moment, a cold scolding came from outside the side hall: "Shameless villain, still dare to do evil?" The

voice fell, and a figure burst out from the outside, with a cold face and aura. amazing.

It was Yue Feng.

Yue Feng didn't want to show his face, but seeing the First Elder so hateful, he couldn't help it in the end.

Oops!

Hearing Yue Feng's voice, the Great Elder's heart trembled, and he was so frightened that his soul flew out of the sky. Before, in the front hall, Yue Feng killed the Second Elder with one move, but the Great Elder still remembers it fresh.

Especially the low voice of Yue Feng, to the Great Elder, it is like a reminder of hell.

"Senior, spare your life!" The

next second, the first elder shouted in horror. He didn't dare to look at Yue Feng carefully, turned around and rushed out from the window sill, and fled.

Mad, still want to run?

Yue Feng scolded secretly, and without hesitation, he went after him.
