

## The ultimate husband in Chinese chapter 6381

Whoosh!

Yue Feng's speed was very fast, and he rushed outside in the blink of an eye.

Yuan Rou was lying inside with acupuncture points on her body. In addition, the sky was dark, so she couldn't see Yue Feng's face at all. Out of the corner of the eye, she could only see a figure flashing, and Yue Feng had already chased out.

At this

moment, where Yuan Rou was lying, her delicate face was full of doubts, and her heart was even more uncertain.

who came? To make the Great Elder escape with just one sentence?

There seems to be no such person in Mingyuemen.

Muttering in her heart, Yuan Rou frowned lightly and fell into a reverie...

At this time, it was outside the side hall.

After the first elder rushed out of the side hall, he was so frightened that he didn't have time to look back. At that time, he pushed the figure to the extreme and fled to the rear of the palace group desperately.

While running, the first elder kept scolding bad luck in his heart.

How could luck be so bad, it was not easy to escape from the hall before, and it took less than an hour to meet that mysterious expert again.

To be honest, the first elder managed to control Yuan Rou and did not want to run away in such an embarrassing manner. But there is no way, before in the hall, the second elder couldn't even catch a move from the other party. Even if he is slightly stronger than the second elder, he still has no power to fight back against such a powerful and mysterious master.

call!

Thinking of the tragic situation that the second elder was killed at that time, the first elder shuddered, only hating that he didn't have long legs, he took a deep breath and kept speeding up. He thought that he could get rid of Yue Feng with all his strength, but he didn't know that Yue Feng was following him closely.

Ha ha...

At this time, at a distance of more than ten meters behind the Great Elder, Yue Feng followed closely with a relaxed expression. Seeing that the Great Elder was running away without returning, he suddenly laughed secretly.

This Great Elder is not only despicable and shameless, but the one who escaped is also first-class.

Swish!

Finally reaching the cliff behind the palace complex, the Great Elder stopped abruptly, looking at the abyss beneath the cliff, his face turned extremely pale.

It's over.. it's a dead end.

Muttering in his heart, the Great Elder looked back at the direction he was coming from, and was even more desperate in his heart.

I saw Yue Feng walking leisurely, approaching step by step.

Because the sky was dark, the Great Elder at this time couldn't see Yue Feng's appearance at all, but when he felt the powerful aura coming from him, his fear intensified, and his words trembled: "Senior...Senior, spare your life.... "

Pfft.. After

saying that, the Great Elder bent his legs, knelt down directly towards Yue Feng, and said timidly, "I was confused just now, and I asked the seniors to give me a chance and spare me...

" For the Great Elder of Mingyuemen, he has always been very conceited and has never bowed his head to anyone, but at this time, facing Yue Feng, his arrogance and dignity disappeared in an instant.

At this time, for the Great Elder, dignity is important, but it is not as important as life.

Mad!

Seeing the elder kneeling down, Yue Feng not only did not forgive, but a burst of anger burst out in his heart.

This kind of cunning person is the most fickle. He has done so many bad things, and suddenly he has to change his ways. Who would believe it?

Thinking to himself, Yue Feng used ventriloquism and said solemnly: "You are such a scum, it's impossible to change your mind, hurry up and explain your last words, otherwise, you won't have a chance."

hum!

The last word fell, Yue Feng activated the power of Yuanshen, and the terrifying aura of coercion instantly filled the entire cliff.

Feeling this coercion, the Great Elder trembled all over, only to feel suffocated for a while, almost breathless, and he was also indescribably terrified.

Such a strong aura, the opponent's strength, I am afraid that it has already surpassed the Xuantian realm... And myself, but close to the strength of the ninth-rank, compared with the opponent, it is completely Yinghuo and Haoyue.

Under the shock, the Great Elder was speechless, and kept kowtowing and begging for mercy: "I was wrong, I really repent, I beg the seniors to spare my life, spare my life..."

Although Yue Feng didn't have much contact with him before, The matter in the main hall, I know about his temperament pretty much, I know that he is only temporarily subdued at this time, and it is not a real repentance.

Therefore, Yue Feng completely ignored it, but approached step by step.

Gudong!

Yue Feng's footsteps were very light, but to the elders, it seemed that every foot was stepping on his heart. At that time, he couldn't help swallowing, and the whole person was so scared that he collapsed.

Seeing that the other party was coming to him, the Great Elder flashed a flash of light in a hurry, and hurriedly shouted: "Senior, senior don't do anything, as long as you are willing to spare my life, I will tell you a secret." As

he spoke, the Great Elder His face was sincere, but his eyes shone with cunning.

Mad, anyway, it's a death, it's better to fight.

secret?

Hearing this, Yue Feng stopped and said coldly, "What's the secret?"

The elder said respectfully, "This secret is no trivial matter. Please come closer and let me tell you in a low voice." While speaking, the elder quietly touched his right hand towards a dagger hidden in the waist.

Yes, the elders plan to divert Yue Feng's attention, and then wait for the opportunity to raid.

He knew in his heart that if he did it head-on, he would definitely not win the opportunity, so he could only find a way to make a surprise attack, so that there might be a chance of survival.

call!

Seeing that he was serious, Yue Feng hesitated, and finally got closer.

It was at this moment that the eyes of the first elder flickered fiercely: "We have no injustice or hatred, why do you keep staring at me? You forced me to die." The

last word, the first elder was almost howl out.

hum!

Immediately, the Great Elder's strength burst out completely, and he suddenly waved his short sword and stabbed at Yue Feng's heart. I saw that the sharp blade of the short sword drew a cold glow in the dark night, and the air around it seemed to be distorted under the full force of the explosion.

Ma De, it's really inferior and hard to change...

Seeing the sudden surprise of the Great Elder, Yue Feng didn't panic at all, but the anger in his heart was completely aroused.

Ben was still thinking about whether to keep him alive, but now it seems that he is still too kind.

Thinking of this, Yue Feng stood there as still as a mountain, without dodging in the slightest, allowing the Great Elder's dagger to stab fiercely.

Haha...

Seeing this situation, the Great Elder showed a smile and was very excited.

This mysterious man is even more conceited than me, and he doesn't even hide for a while. He thinks that he is strong enough to block this sword with his flesh, but he

doesn't know that my short sword is made of ten thousand years of cold iron. , extremely sharp.

Even if your strength is high, you are only flesh and blood, so don't blame me for being cruel.

The Great Elder at this time had identified that the raid was successful. In an instant, all the fear and fear in his heart had turned into resentment and resentment at this time.

However, the next scene made the elders completely dumbfounded.

clang!

I saw that the dagger stabbed into Yue Feng's heart. It didn't penetrate the skin, but sent out a metal vibration. At that time, Elder Li only felt a strong rebound. A living flesh body was stabbed into a hard steel plate...

Crack Crack...

Not only that, the short sword made of ten thousand years of ice also shattered and turned into countless fragments, scattered on the on the ground.

This...

Seeing this scene, the first elder was suddenly dumbfounded, staring blankly at the dagger shard under his feet, his mind buzzing and blank.

This is impossible. This is a cold iron short sword that he treasures close to his body. Even if the opponent's strength exceeds the Xuantian realm, it is impossible to block this sword so easily with his flesh and blood.

This...is this still human?

At this time, the Great Elder didn't know that Yue Feng was possessed by the red lotus of the Dharma Karma, and he almost practiced the indestructible body of the King Kong, let alone a small cold iron dagger, even if it was a magic weapon in the Kyushu continent, It's hard to hurt him.

"Sure enough, dogs can't eat shit."

Just when the elder was extremely frightened, Yue Feng said coldly, then raised his hand like lightning and hit him with a palm. This palm Yue Feng only used 10% Strength, the feeling of the Great Elder alone, is an overwhelming force.

"Ah!"

Accompanied by a dull sound, the Great Elder screamed miserably, and the whole person shed a rain of blood in the air, falling directly toward the abyss.

In the blink of an eye, the Great Elder disappeared into the mist, and the screams became smaller and smaller until they were completely inaudible.

## **The ultimate husband in Chinese chapter 6383**

Call!

At this moment, Yue Feng breathed a sigh of relief, walked to the edge of the cliff, and saw the steep cliff below, his face did not fluctuate at all.

With such a sinister cliff and such a height, the Great Elder will undoubtedly die, and there is absolutely no possibility of surviving.

I don't know what happened to that girl.

Soon, Yue Feng came back to his senses, thinking of Yuan Rou who was under the control of the Great Elder in his mind, he immediately returned to the original path without any hesitation.

call!

At this moment, Yue Feng arrived at the entrance of the side hall, and did not rush to enter, but heaved a sigh of relief, in a very old tone, said solemnly: "Girl, are you all right?"

At this time, Yuan Rou was still thinking about it. When I suddenly heard Yue Feng's words, she quickly responded: "I'm fine, thank you for your help." After speaking

, Yuan Rou couldn't help but ask: "Dare to ask who your Excellency is?"

When asking the last sentence, Yuan Rou thought She had to tilt her head to look at Yue Feng's appearance, but she was completely unable to move after the acupoint was tapped by the elder.

Moreover, with the darkness of the sky, even though Yuan Rou tried her best to look out of the corner of her eye, she could only see Yue Feng's blurry figure in the end.

Uh...

Hearing Yuan Rou's question, Yue Feng was a little embarrassed for a while, and after scratching his head, he repeated the same rhetoric in the front hall before saying it again: "I am from this palace. Master. I've been living in seclusion here."

The master here?

For a time, Yuan Rou's body trembled, and her mind was a little messy.

This chapter is provided by . Visit for daily update.

This secret realm has existed for thousands of years, and the palace inside should also have a very ancient history, but I have never heard of it, there is a master here...

Feeling Yuan Rou's doubts, Yue Feng said with a light breath, "My identity is not important, but you. You have too little experience in the arena. That scum just now was trying to make use of you, but you didn't realize it..."

Shuh!

Hearing this, Yuan Rou's delicate face suddenly flushed red, and she was ashamed and embarrassed beyond words.

Yes, I am also an elder after all. I didn't see through the purpose of fighting the elder just now. I am really ashamed. More importantly, my chastity was almost destroyed.

Thinking about it, Yuan Rou suddenly thought of something, and couldn't help but ask, "Then... where is that scum?" Yuan Rou couldn't help expressing her shame and anger at the thought of being almost defiled by the Great Elder just now.

call!

Yue Feng breathed a sigh of relief and said slowly, "The scum has already been smashed into the abyss by me, and it is estimated that it has been smashed to pieces."

Hearing this, Yuan Rou responded, but she was very puzzled. It was really cheap for him to let him die like this. .

After that, Yuan Rou suddenly thought of something, and suddenly became vigilant, and her heart was also inexplicably nervous.

This person claims to be the owner of this place, and most of them are lying. He can kill the Great Elder, which shows that he is powerful. Now that he is back here, is it because he wants to deal with himself?

Yuan Rou panicked even more when she thought that her acupuncture point had been taped and she couldn't move at all.

If this person is greedy for his own beauty and plots evil, he has no resistance at all, isn't it meat on the chopping block? Let it be slaughtered?

If that's the case, it's going to be troublesome.

Just out of the wolf's den and into the tiger's mouth...

"Girl..."

Just when Yuan Rou was uneasy, Yue Feng said slowly: "I'm going back and I just want to see your situation, you just got acupuncture points by him, I should have solved your acupoints directly, it's just men and women. I don't want to get close to you. I'm not easy to get close to you now."

"So, you can only rely on yourself to solve the acupoints. But don't worry, I'll stay at the door until I'm sure you're safe, and then I'll leave. "

After saying this, Yue Feng leaned against the door and closed his eyes to rest.

The first elder tore Yuan Rou's long skirt just now. If she was in a coma, it would be fine. Now that she is awake, Yue Feng is really embarrassed to go directly to help solve the acupoints, so she can only wait for her to solve it by herself.

Speaking of which, Yue Feng also wanted to leave directly, but considering the complicated environment here, he finally decided to stay for a while.

He....he came back to guard me?

Hearing Yue Feng's words, Yuan Rou was stunned for a moment, and a strange throbbing rose in her heart, but she quickly calmed down.

The origin of this person is unknown, whether it is a real gentleman or a wretched villain, it seems that it is too early to conclude.

## **The ultimate husband in Chinese chapter 6384**

Thinking so in her heart, Yuan Rou didn't speak, she silently urged her strength, and tried to open the acupuncture point. At the same time, she also secretly paid attention to Yue Feng at the door.

Time passed by minute by minute.

Yue Feng always leaned there, motionless, never even half a step across the door.

call!

Realizing this, Yuan Rou was a little worried at first, but only now did she realize that she thought too much, and the other party was a true gentleman who was upright and upright. I can't help but feel ashamed for my previous suspicions.

“Okay!”

Just when Yuan Rou was thinking about it, Yue Feng opened his eyes and said slowly: “Your acupuncture point should be opened soon, and there should be no danger. I’m leaving, you take care of yourself.” The

voice fell, Yue Feng picked up the water he had drawn before and strode towards the fragrance of the garden.

Yue Feng walked away as soon as he said it. With such a straightforward personality, Yuan Rou couldn’t react.

When she came back to her senses, there was silence outside the side hall, and Yue Feng had already left. For a while, Yuan Rou frowned and muttered in her heart.

Is such a free and easy person really the master here?

And...

In the next second, Yuan Rou thought of something, and she was even more shocked in her heart.

He... how did he know that my acupuncture point is about to open? It won’t be a fairy, it’s too incredible.

At this time, Yuan Rou still didn’t know that Yue Feng had the primordial spirit and the red lotus body protection of Faye, and his perception was far beyond ordinary people, so she knew the progress of her acupoint opening clearly.

Don’t want to.

In shock, Yuan Rou tried her best to calm herself, and then continued to concentrate on solving acupoints...

.....

the other side.

When Yue Feng brought water back to the garden, he saw Lin Ping sitting there with an impatience on his face, apparently waiting for Yue Feng to come back, and the wait was a bit frustrating.

Li Suqiu and the sixth elder looked calm.

“Hey!”

Seeing Yue Feng coming back at this time, Lin Ping stood up all of a sudden, and shouted in a fit of anger, “What’s the matter with you, you’ve been drinking water for so long? Do you know me? How long will I wait for you with Master?”

When saying this, Lin Ping couldn’t hide the contempt on her face.

This burden is the most useless, just let him get a drink, thinking he has lost it.

Uh...

In the face of the accusation, Yue Feng looked ashamed, scratched his head and said, “I’m sorry, I... I just got lost.” After speaking, he put down the water.

“Get lost?” Lin Ping chuckled and couldn’t help taunting: “You can get lost in a fight. You are really capable.”

She had an opinion on Yue Feng, so she would naturally take good care of it when she seized the opportunity. ridicule.

In the face of Lin Ping’s constant ridicule, Yue Feng didn’t bother to care, smiled and didn’t speak.

“Okay, okay.”

At this moment, Li Suqiu, who was sitting on the side, couldn’t stand it any longer, and said to Lin Ping, “Fengtao was brought back by us to recover from his injuries, so he is a guest anyway, so don’t keep picking him. Something’s wrong.”

Seeing Master’s opening, Lin Ping pouted, no longer speaking coldly to Yue Feng, but her eyes still showed disdain.

“Fengtao!”

This is, Li Suqiu smiled at this Yue Feng: “It’s been hard to draw water, Piner just picked a lot of fruit in the garden, you can eat a few to pad your stomach.”

After saying that, Li Suqiu pointed . Some fruit on the side.

Yue Feng nodded with a smile, glanced at the fruits, and frowned suddenly.

I saw that these fruits were the size of half a fist and were shaped like apples, but with a darker color. Yue Feng noticed that the color of the peels was not only dark, but also a little dull. There was no fruit exposed by sunlight at all. bright.

Upon discovering this, Yue Feng immediately understood something.

These wild fruits should grow in the shade of the garden, and there is no light all day long, so the peel is so dull and not shiny.

“Eat it!”

Seeing Yue Feng thinking, Li Suqiu said with a smile: “Don’t be stunned.”

Yue Feng smiled: “No, I’m not hungry for the time being.”

Lin Ping pouted as soon as she finished speaking. “Oh, it’s not because I told you just now that you feel uncomfortable, so you don’t eat the fruit I picked?”

Yue Feng smiled and said, “How dare I be angry with Miss Lin?” After speaking, he left. Rest aside.

## **The ultimate husband in Chinese chapter 6385**

Seeing that he really doesn’t eat it, Li Suqiu didn’t force it, so he invited the sixth elder to eat the fruit.

“Uncle Six.”

At this time, Lin Ping picked out a few large fruits and handed them to the sixth elder: “These are of good quality and must be sweet to eat.” The

sixth elder took the fruit and nodded with a smile: “Okay, Ping’er has a heart.”

After speaking, the sixth elder wiped the fruit and was about to prepare to eat it, but at this moment, Yue Feng suddenly thought of something, stood up and said to him: “sixth elder, This fruit cannot be eaten...”

Huh?

Hearing this, the sixth elder was stunned.

Li Suqiu also looked puzzled, this fruit is not poisonous at first glance, why can’t it be eaten?

Lin Ping was even more angry and walked over quickly, pointing at Yue Feng and shouting, “Fengtao, what do you mean? Make it clear, why can’t you eat this fruit?”

At the same time, the sixth elder and Li Su Qiu also looked at Yue Feng curiously.

call!

Yue Feng breathed a sigh of relief, looked at Lin Ping and said, "Is this fruit picked from a tree in the shade?"

"Yeah, what's wrong?" Lin Ping replied angrily.

"That's right."

Yue Feng nodded silently and said solemnly: "When I was young, the elders in the family told me that this kind of fruit that is not exposed to light will make you sick if you eat it, I remember it very clearly. , I once ate this kind of fruit, and ended up pulling my stomach for two days, it felt too uncomfortable."

This chapter is provided by . Visit for daily update.

When he said this, Yue Feng was very serious, but these are all made up.

In fact, this kind of fruit that grows in the shade belongs to the cold and cold, and it is fine for cultivators and ordinary people to eat it, but if the injured cultivator eats it, it will be completely different.

Just think of the sixth elder in front of him. As a man, he belongs to yang. He fought fiercely with the elders before, and his strength was almost exhausted on many swords on his body. Now he continues to restore his yang power. If his physique and willpower are poor, his life may be in danger.

Therefore, Yue Feng will come out to stop it, but in this case, of course, Yue Feng can't say it directly, he can only make up a lie that conforms to his identity as a commoner.

"Shut up for me!"

Hearing Yue Feng's remarks, Lin Ping was so angry that she put on her hips and said, "What do you eat with diarrhea, I think you are doing something wrong, and you deliberately say that there is something wrong with the fruit I picked, right? "

No!" Seeing her disbelief, Yue Feng was very helpless, and smiled bitterly: "What I said is true."

Lin Ping naturally didn't believe it, and immediately pouted and said disdainfully, "What do you know as a commoner? These fruits were carefully selected by me just now, and there is no problem at all."

Lin Ping took a fruit and ate it directly.

After eating, Lin Ping glanced at Yue Feng lightly: "I've eaten, why is it okay? I don't know anything, so I'm making a fuss."

While talking, the fruit was distributed to Li Suqiu and the sixth elder.

At this time, Li Suqiu also thought that Yue Feng was being too cautious, and smiled lightly: "Fengtao, this is the secret realm of sunflowers, the heaven and earth are full of spiritual energy, the fruits grown here are naturally different from those outside, and there may be benefits to eating them. what?"

Haha...

When the voice fell, the sixth elder couldn't help laughing: "Yeah, it is said that this is the main altar of Xianyumen, the same place as the immortal cave, maybe this fruit is contaminated with spiritual energy, and eating it can improve its strength. Don't eat white. Don't eat it." The

last word fell, and the sixth elder put the fruit in his mouth and took a bite, admiring: "Well, it's sweet and juicy, delicious."

Uh...

Seeing that they didn't listen, Yue Feng was very impressed. Helpless, he smiled bitterly, not knowing what to say.

Shasha...

Just when Yue Feng was depressed, there was a slight footstep sound at the entrance of the garden. The footstep sound was very light, but in this silent night, it was very obvious.

In an instant, the three Li Suqiu stopped eating the fruit immediately, and they all looked at the fragrance at the entrance of the garden, their expressions all alert.

Yue Feng also frowned secretly.

It's so late, who could it be?
