

The ultimate husband in Chinese chapter 6406

Om!

The voice fell, and the sixth elder waved his long sword in an attempt to rush out of the siege. However, this formation was very mysterious. Instead of rushing out, the sixth elder was easily forced back by the two disciples.

At the same time, Li Suqiu, Yuan Rou, and Lin Ping all exploded in strength one after another, trying to break out of the encirclement, but after several attempts, they all ended in failure.

This... for

a while, Li Suqiu bit her lip tightly, angry and shocked, her eyes fixed on the disciple who was constantly changing positions in front of her, which was extremely complicated.

Such a mysterious formation is not like Mingyuemen.

As the elder of Mingyuemen, Li Suqiu knows the formation of this sect most clearly, but the formations deployed by these disciples are not only mysterious, but even unseen...

At this time, Yuan Rou also breathed a sigh of relief and pointed at Li Suqiu. Said: "This is not the formation of our Mingyuemen. It is so unpredictable that there is no trace at all. What should we do?"

"

Speaking of which, Yuan Rou has always been calm when encountering things, but the current situation is related to the danger to the lives of the four of her own, so she can't calm down at all.

Mad!

The sixth elder did not respond, but scolded secretly. At that time, his eyes were extremely red, and he tried to break the formation again.

The result can be imagined, in just one round, the sixth elder was forced back again.

Haha...

Seeing this scene, the first elder couldn't tell how proud he was, and mocked at Li Suqiu and the three: "This is the end of going against me, I advise you not to waste your energy, and don't make random guesses. ."

“Tell you, this formation was obtained by me in the secret realm and left by Xianyumen. How can you understand the mystery of it?”

When he said this, the proud face of the elder could not hide a little. Proud of points.

You must know that the formation of Xianyumen is the best in the world, not to mention Li Suqiu and the others, even the master Ye Wenhai resurrected, only to be besieged by obediently.

What?

Hearing these words, both Li Suqiu and Yuan Rou and Lin Ping trembled and felt a little despair in their hearts.

This turned out to be the formation left by Xianyumen. It seems that this time there is really no turning point.

In the astonishment, Li Suqiu was also unwilling to say.

God is really eye-opening, this first elder is despicable and shameless, coveting the position of the sect master, provoking internal struggles, first killing the fifth elder, and trying to sully Yuan Rou's innocence, such wicked people should go to the eighteen layers of hell.

However, he did not get the retribution he deserved, but instead got the formation of Xianyumen.

Could it be... is this God's will?

God is destined to let the Mingyuemen fall?

At this moment, the first elder continued to say coldly: “Li Suqiu, none of you will survive today, including the kid who was brought by you.” While speaking, the first elder looked grim.

Success or failure is here, and anyone related to Li Suqiu will die.

call!

Hearing this, Li Suqiu bit her lip and said coldly: “The grievances between us, you are at me. Now even an ordinary person is not spared, are you not afraid of being ridiculed by the rivers and lakes?”

Li Suqiu is kind-hearted. Even though she is in danger at the moment, she is still worried about Yue Feng's safety. After all, in her heart, Yue Feng is just an ordinary person without any strength.

At this moment, the first elder fell silent, while paying attention to the reactions of the surrounding disciples.

Although the situation has been under control, dealing with ordinary people is indeed ill-considered. If public opinion ferments, I am afraid that it will not be able to convince the public.

Just when the first elder hesitated, a slender figure quickly walked out from the side.

The facial features are exquisite, but there is a bit of meanness between the eyebrows.

It was Liu Yulei.

“Li Suqiu!”

At this time, Liu Yulei looked at Li Suqiu coldly, and said with disdain: “You don’t pretend to be here, that Fengtao is not an ordinary person at all.”

After speaking, Liu Yulei continued at the surrounding disciples: “Don’t believe her nonsense, that Fengtao is a hidden master, who plotted against me and Senior Brother Tong Shan before, when we were trapped in the pavilion, he did it all.”

The ultimate husband in Chinese chapter 6407

Hula!

The surrounding disciples also thought that the first elder was a bit too much to deal with an ordinary person, but when they heard Liu Yulei’s words, they suddenly stopped thinking about it and attacked the four Li Suqiu again.

For a time, Li Suqiu and the four were unable to break out of the formation. Facing the siege of the surrounding disciples, they could only grit their teeth to resist, and the situation became more and more optimistic.

call!

Seeing this scene, Liu Yulei’s delicate face showed a sneer of revenge.

Li Suqiu, Yuan Rou...you killed my master, and now you deserve to be trapped in this formation. She has always been favored by the second elder, and when she learned that the second elder died because of Li Suqiu and others, she naturally hated them to the core.

Thinking to herself, Liu Yulei asked the first elder for instructions: “Sect Master, I will help Senior Brother Tong Shan.”

In her heart, she, the first elder, and Tong Shan were on the same boat, so she naturally had to fully support the first elder, so naturally 's honorific title of the gatekeeper.

Um!

The first elder nodded, showing a hypocritical smile: "Go, be careful."

Although Tong Shan is strong, he acts recklessly. Now that Liu Yulei is helping him, he doesn't have to worry.

Hearing the injunction, Liu Yulei responded with a sound, and immediately activated her strength, the suburbs flew away, and quickly chased in the direction of Yue Feng's escape.

...

At this moment, Yue Feng is here.

call!

After rushing into the woods, Yue Feng breathed a sigh of relief, put down his steps and waited for Tong Shan and others to chase in.

In the blink of an eye, Tong Shan rushed in with dozens of elite disciples, and when he saw Yue Feng leaning against a tree with a leisurely look, Tong Shan was instantly furious.

"Boy!"

At this moment, Tong Shan drew out his long sword, stared at Yue Feng, and said viciously, "I'll see where you're going this time." Thinking of being played by Yue Feng before, Tong Shan's anger in his heart swept away. rise.

In Tong Shan's heart, before, he and Liu Yulei were only targeted by Yue Feng because of their underestimation of the enemy.

At this time, he also brought dozens of elite disciples, and when the next swarmed up, he would surely be able to easily capture them alive.

Tong Shan thought about it, and when Yue Feng was captured alive, he must torture him so that he could not survive or die, so that the hatred of being humiliated before could be relieved.

Facing the coldness of Tong Shan, Yue Feng did not panic at all, but instead showed a smile.

“Oops!” The

next second, Yue Feng stretched his waist and looked at Tong Shan with a smile, his tone was full of ridicule: “Tong Shan, you are so inauthentic, you like Liu Yulei but didn’t have a chance to confess, I was at that time. The kindness gave you a chance, you should thank me, how can you repay kindness and vengeance?”

“So kindness and vengeance, is this what your master taught you? If this is the case, then the upper beam is not right and the lower beam is crooked.”

When saying this, Yue Feng’s demeanor was leisurely, and he was not panicking at all in the face of danger.

Swish!

Tong Shan was already on fire, and when he heard Yue Feng’s ridicule, he was even more angry, his eyes were blood red in an instant, and a strong murderous aura flashed: “You dare to speak up when you are about to die, and I will not cut you into pieces, I Tong Shan swears. Not human.”

“Come on together!”

When the last word fell, Tong Shan pulled out his long sword, and his whole body burst out. He took the lead in stabbing Yue Feng with a sword.

At the same time, dozens of disciples behind him also erupted,

“Oh?”

Seeing this scene, Yue Feng chuckled and continued to tease: “Is this out of anger? So many people beat one, isn’t it? What a hero did.”

The moment the words fell, Yue Feng’s figure flashed, and he quickly avoided Tong Shan’s sword.

A sword stabbed into the air, Tong Shan’s anger grew even stronger, and he shouted, “Boy, you are doomed today.” After speaking, he stabbed with another sword.

At the same time, dozens of elite disciples also rushed forward, wielding long swords and slashing towards Yue Feng.

Whoosh!

At this moment, Yue Feng didn’t have time to think, turned around and ran towards the depths of the woods.

To be honest, with the strength of Yue Feng, it is easy to defeat the people like Tong Shan, but Tong Shan is despicable and shameless.

“Run?”

Tong Shan shouted, hurriedly chasing after him.

The ultimate husband in Chinese chapter 6408

At the same time, dozens of elite disciples followed, chasing towards Yue Feng.

Kacha, Kacha...

As Yue Feng ran, he raised his hand and pushed his palm, constantly interrupting the small tree next to him, and then quickly inserted it around according to the rules.

Yes, Yue Feng is going to deploy a formation to trap the people like Tong Shan.

Moreover, what Yue Feng deployed was not an ordinary formation, but a Liuhe Qiankun formation.

Speaking of this formation, there is also an old story of Yue Feng and Ren Yingying. When the Tianqi Continent pre-attacked the Earth Circle Continent, Ren Yingying, as the Palace Master, took the initiative to invite Ying to bring a group of Jianghu experts to sneak into the Earth Circle Continent.

Later, Ren Yingying found an opportunity and pretended to be Yue Feng to seize the major sects. As a result, Yue Feng arrived in time and destroyed her plan. At that time, Ren Yingying fled into the Liuhe Universe that had been deployed in advance in order to avoid Yue Feng's pursuit. in the array.

Who knows that Yue Feng is very familiar with this formation. Not only that, but he also changed the formation in front of Ren Yingying. At that time, Ren Yingying was so itchy that he finally had to give in...

hehe...

At this moment, look At Yue Feng's action, Tong Shan's mouth evoked a hint of contempt and gloom: “With these broken trees, it's like blocking us, you are so naive.”

The moment the words fell, Tong Shan was about to rush in.

“Senior brother, don't...”

However, at this moment, an anxious shout came from behind, and then, Liu Yulei came quickly from behind, her delicate face full of complexity.

Liu Yulei knew that Yue Feng was not simple, so she asked the first elder to come over for help. At this time, when she saw that Yue Feng wanted to use trees to deploy like two days ago, she couldn't help but be vigilant.

"Junior sister?"

Hearing the call, Tong Shan subconsciously stopped, looked back at Liu Yulei, and said in surprise, "Why are you here..."

Liu Yulei breathed a sigh of relief and said solemnly, "Senior brother, I'm here to help you. , this person is extraordinary, maybe he can use these trees to deal with you, don't be fooled."

As she spoke, Liu Yulei looked at the trees that Yue Feng had planted there, her delicate face could not hide her fear. .

She had suffered from Yue Feng's injuries before, and knew that there was a huge danger hidden in these ordinary trees.

Hehe...

However, when he heard this, Tong Shan chuckled disdainfully: "Junior sister, have you been played cowardly by him before? It's just some broken trees, how can you stop us?"

said Then, Tong Shan clenched his long sword and rushed into the Liuhe Qiankun Formation first.

Immediately afterwards, dozens of elite disciples also followed Tong Shan into the formation.

Seeing this scene, Liu Yulei wanted to stop her, but it was too late. She stomped her feet in a hurry. This Senior Brother Tong Shan was so impulsive, why couldn't he listen to his opinion.

Muttering in her heart, Liu Yulei bit her lip tightly, not daring to approach the formation area at all, she could only stand there and quietly observe the development of the situation.

Haha...

Seeing this scene, Yue Feng couldn't help laughing, and shouted at Tong Shan, "Didn't your master teach you to leave room for everything, can't you kill

everything ?" You may suffer retribution."

Yes, Yue Feng really angered Tong Shan on purpose, you know, people are most likely to lose their minds when they are extremely angry.

Mad!

Sure enough, when he heard Yue Feng's mockery, Tong Shan was about to explode with anger. At that time, he howled, his strength exploded, and the long sword quickly stabbed towards Yue Feng.

Dozens of elite disciples also erupted one after another.

At the beginning, Tong Shan was still full of self-confidence, thinking that with the advantage of the number of people, he could catch Yue Feng alive as soon as possible, but gradually, he felt that something was wrong. .

What surprised Tong Shan even more was that the trees around him seemed to be ordinary, but every time he moved, those trees also moved.

In particular, the three trees in front of them are always in front of them and cannot be avoided at all.

This....what's going on here?

After trying several times, Tong Shan couldn't catch up with Yue Feng, his mind was buzzing and blank.

The ultimate husband in Chinese chapter 6409

At the same time, dozens of elite disciples also fell into self-doubt.

How could this be?

This person is clearly in front of him, but he can't get close to him, especially the trees that are planted around, as if they are alive, they will always block in front of him at critical moments.

well!

Seeing this scene, Liu Yulei, who was standing outside, stomped her feet.

It's broken, senior brothers and the others are still fooled, and he has been told to be careful, but he just doesn't listen.

Anxious, Liu Yulei pulled out her long sword, as if she rushed in to help, but thinking of her experience two days ago, she was also inexplicably trapped at that time, and was seen by Yue Feng at that time....

Thinking of this, Liu Yulei Feeling apprehensive, he didn't dare to act rashly.

“Haha!”

At this time, Yue Feng leaned in front of a tree, looked at the surprised Tongshan people, and said with a smile: “What? Are you lost? As long as you kneel down and apologize for your rudeness just now, I will bring How about you go out?”

Yue Feng's face was full of jokes when he spoke.

Swish!

Hearing this, Tong Shan felt a great humiliation, his whole face turned black instantly, and he shouted angrily: “You are courting death...”

Master is already the sect master, how can he be a dignified disciple of the sect master, how can he tell a nameless soldier Kneel down and apologize?

“Okay!”

Seeing his firm attitude, Yue Feng shook his head and chuckled: “Don't say I didn't give you a chance. Since you are obsessed, don't blame me.

“

When the last word fell, Yue Feng's figure moved quickly, quickly pulled out several surrounding trees, and reinserted them in another direction.

Yes, Yue Feng is going to repeat the old tricks. He changed the formation back then, forcing Ren Yingying to be subdued, and he also changed the formation at this time. What is he doing?

Seeing this scene, whether it was Tong Shan or the dozens of elite disciples, they all looked at each other a little confused, but they all had a bad feeling in their hearts.

“Your special code...” In the

next second, Tong Shan was the first to react, staring at Yue Feng and scolding, about to say something threatening, but as soon as he said it, he suddenly felt itchy and hot all over. .

That feeling is like being tickled by someone and then thrown into the fire.

Under the unbearable itch, Tong Shan threw away the long sword and scratched his body with both hands, but the more he scratched, the more itchy, not only that, but the

burning heat on his body became stronger and stronger, as if a body was swelled up. group fire.

Swish!

Seeing this situation, the dozens of elite disciples nearby were all startled and started talking.

“Senior Brother Tong Shan, what’s wrong with you?”

“What’s the matter?”

“Senior Brother Tong Shan, are you alright...”

Under the question, several disciples approached.

Buzzing...

just before they got close, they all felt extremely itchy and extremely hot.

“It’s hot, it’s hot!”

“It’s like it’s going to burn inside.”

“Me... me too...”

For a time, everyone exclaimed in surprise. At that time, they couldn’t bear it anymore, and they fell to the ground one by one, trembling in pain.

This....

seeing this scene, Liu Yulei, who was standing outside the formation, couldn’t help but tremble, her eyes were full of incredible.

What’s going on here?

That Feng Tao didn’t move them at all. Senior Brother Tong Shan and the others, why did they all fall down one by one, and they looked so painful?

“Ah...”

Just when Liu Yulei was in shock, she saw Tong Shan’s face was red as blood and his expression was extremely painful. At that time, he screamed and fell to the ground and kept rolling, shouting as he rolled: “Hot, hot to death. I’m done...”

At this time, Tong Shan, under the constant attack of extreme heat and extreme itching, completely lost his mind.

Shila.. The

next second, Tong Shan grabbed the clothes with both hands and pulled them aside suddenly, and he was completely naked. Then Tong Shan's eyes were full of madness, and he started scratching.

Chi la chi la...

Immediately afterwards, dozens of elite disciples also took off their clothes. Like Tong Shan, they frantically scratched on their bodies. In just a few breaths, these people grabbed themselves. The blood was dripping, and it looked creepy and funny.

"Ah..."

Seeing this scene, Liu Yulei's face instantly flushed red, and she couldn't help screaming at the same time.

The ultimate husband in Chinese chapter 6410

So many men have no cover, and no woman can be calm.

call!

A few seconds later, Liu Yulei regained her senses and stared at Yue Feng: "You... what did you do to them?"

Yue Feng chuckled lightly, and was too lazy to talk nonsense with her at the time, her figure flashed, and she rushed forward quickly. To the front, sealed her acupuncture point.

In an instant, Liu Yulei's body trembled, and she couldn't move.

"You..."

Liu Yulei was furious and looked at Yue Feng coldly, wanting to scold a few words, but the words came to her lips, but she didn't have the courage to scold them.

Tong Shan and those disciples were treated so miserably by him.

If he uses the same method to deal with me...

Thinking of this, Liu Yulei's heart trembled, she shuddered, and she didn't dare to think about it.

“You stay here now.”

Seeing her face changing, Yue Feng said lightly: “After I come back, if you behave well, maybe I will consider letting you go and give you a chance to reform. “

Whoosh!

When the words fell, Yue Feng moved his figure and quickly rushed towards the entrance of the secret realm. The speed was as fast as thunder, and he disappeared from Liu Yulei’s sight in the blink of an eye.

This speed...

Seeing this situation, Liu Yulei was shocked, and at this time she finally realized that the person in front of her was far more terrifying than she imagined.

Soon, Yue Feng arrived at the entrance of the secret realm, and did not appear in a hurry, but hid in the dark to observe the situation.

Um?

Seeing the scene in front of him, Yue Feng couldn’t help taking a deep breath, frowning secretly.

Formation? The elder even deployed a formation.

At this time, Yue Feng could clearly see that Li Suqiu and Yuan Rou were surrounded by hundreds of disciples. They only had the ability to fight back, and they had no power to fight back. The situation was very bad.

Especially Lin Ping, she is the weakest. She has persisted until now, her delicate face is extremely pale, and her steps are staggering. It is obvious that she is about to be unable to withstand it.

interesting!

Yue Feng’s eyes flickered, and he couldn’t help but glance at the Great Elder. He didn’t expect that the Great Elder would also deploy a formation, which was really unexpected.

Muttering in his heart, Yue Feng carefully observed these huge trapped formations deployed by nearly a thousand people, and soon found the key and wonderful points.

All the formation techniques in the world cannot escape the yin and yang and the five elements. The so-called change is inseparable from its origin, and Yue Feng’s accomplishments in the formation technique have already reached the peak of the

peak. The formation in front of him evolved from the twelve heavenly stems and earthly branches.

Yue Feng could see that this formation was very mysterious, but after reading it roughly twice, Yue Feng silently deduced dozens of changes in his heart. If he deduced all of them, there would be thousands of changes.

For such a complex formation, let alone Li Suqiu and several others, I am afraid that all the formation masters from Tianxin Continent will be pulled, and it will not be able to be cracked for a while.

However, Yue Feng could also see that the disciples who deployed this formation only knew about a dozen changes because of the short time for enlightenment...

In this case, it would be much easier to decipher them.

call!

A few seconds later, after Yue Feng understood the situation, he secretly breathed a sigh of relief, and then used the secret technique of sound transmission, and said to Li Suqiu, "The southeast direction is the weak point of the formation, and it is also the only way to survive."

When he said this, Yue Feng used the deep accent he used in the secret realm before.

Swish!

At this time, Li Suqiu was already in despair. Suddenly, he heard a voice ringing in his ear, and his body trembled, and he was indescribably excited and excited.

This is the voice of the mysterious master.

He left the secret realm, and is nearby...

It's great, with the help of the mysterious expert, even if the elder has twice as many helpers, there is no need to be afraid.

Thinking to himself, Li Suqiu quickly looked around the entrance to the secret realm, trying to find the figure of the expert, but there were enemies everywhere, where can you see it?

"Master!"

Seeing her different behavior, Lin Ping couldn't help but ask, "What's wrong with you?"

Huh!

Li Suqiu took a deep breath and couldn't hide his excitement: "The mysterious expert is nearby, he just talked to me."

As soon as these words came out, whether it was Lin Ping or the sixth elder Yuan Rou, they were all shocked, and then they were all shocked. It's extremely exciting.

"Quick!" In the

next second, Li Suqiu did not rush to explain, and said quickly: "The southeast direction is the key to breaking the formation, let's rush together."
